Electric Co-op Meet Draws More Than 1,000

The 20th annual membership meeting of the Lamb County Electric Co-operative, Inc., drew more than 1,000 members and guests Tuesday night at the Littlefield Sports Arena. V. H. Diersing, president, and J. H. Carl, manager, highlighted the session which also saw the election of two by-law change...

ver dollars were given away during the meeting. Other highlights of the event included a 4-H Club demonstration by two state winners from Lynn County and free rides for children on the Co-op's aerial insulated bucket which is used for hot line work. Carl reported to members that 1962 was the most successful in several ways, such as net profits earned, gross sales, and expansion. He reported a net profit of \$253,000 for the organization, which is about twice the national average for electric co-ops. Members approved a by-law change on capital credit equity from 40 percent to 20 percent. This will allow the board to re-

fund capital credits. The other change will allow the cooperative to take unclaimed money after four years and revert it back to the membership. Carl said the cooperative anticipates further expansion next year, including the integration of three-phase power into the system. Kenneth Spradley, secretary, read the minutes; Alvin Webb gave a financial report, and attorney Jerry Kirby presented a by-law report. Jerry Decker of Anton won the \$100 grand prize in silver dollars. Ten silver dollars were awarded to 90 persons, and several merchandise prizes were given. In his talk, Diersing quoted (See REA on Page 8)

Budget Up for Approval

A public hearing on the City of Littlefield's 1963-64 budget was conducted during a re-meeting of the council tonight in City Hall.

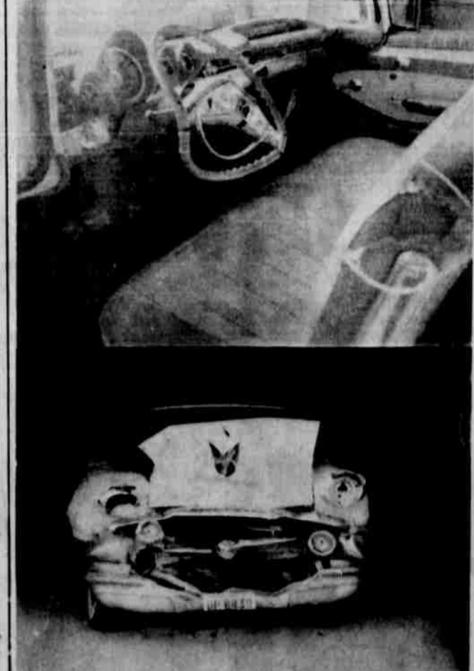

The budget hearing is set for 7:30 p.m. The proposed budget is \$430,630--a slight hike over last year's figure of \$413,000. Details of the budget re-approval will be given at the tentative council approval August 12.

A copy of the budget is on file in the city secretary's office for public inspection before the hearing.

Home Sale Is Led By Lions

The annual Lions Club Broom Sale will be held next Wednesday at the Littlefield Sports Arena. Club President H. A. Mitchell announced today.

J. Walker is serving as chairman of the annual sale, while Phil Adkins and Cutshall are captains of the club's two teams. Proceeds from the sale help the blind and other worthwhile Lions Club projects.

IN FATAL WRECK--These two scenes show two cars involved in a fatal collision here Monday morning. The upper photo shows the interior of the George W. Davis vehicle, with the steering wheel jammed back into the car. Davis was killed in the wreck. The lower photo shows the car driven by Catareno Luna Jr., who was treated and released. Davis was the city's first traffic fatality of the year.

A vignette of that flooded intersection at Delano and Hall streets in Sunday's cloudburst was a husky station wagon pulling a boat through the high water. The boat's trailer was inundated and, in the deeper water, the boat seemed to be pushing the automobile through the water. There were others of stalled cars, not so amusing to their hapless occupants. Returning from Dallas Monday night were Mr. and Mrs. Weldon Findley, Sr. and son Lyndon, Weldon's mother, Mrs. J. B. Findley of Littlefield and their son and daughter-in-law, Mr. and Mrs. Weldon Findley, Jr. of Lubbock. While gone they attended the Jewelry Gift Show in Dallas. Mrs. J. B. Findley visited her brother and family, Mr. and Mrs. J. R. Evans of Oak Cliff.

Mr. and Mrs. Nelson Naylor recently returned from a Hardware Show held in Dallas at the Baker Hotel. This was a meeting of the Associated Hardware Dealers of Texas, New Mexico, Oklahoma, and Louisiana. Approximately 400 dealers attended the showing of new merchandise. The Lamb County Chapter of the American Red Cross will meet Friday, at 4 p.m. in the Red Cross Office in the Court House. C. L. Walker, executive secretary will preside at the meeting.

Local Man Fined In Traffic Death

The driver involved in a fatal two-car collision here Monday morning was accused in Lamb County Court Tuesday with negligent homicide.

Catareno Luna Jr., 33, of Littlefield was charged after his car hit almost head-on with a vehicle driven by George W. Davis, 72, of Sudan. Davis was killed in the accident, becoming Littlefield's first traffic fatality of the year. Luna pleaded guilty to negligent homicide, second degree, and was assessed a \$1,000 fine by Judge J. B. Davis. Luna was being held Wednesday in lieu of payment of the fine. The charge against Luna accused him of committing an

unlawful act, driving on the wrong side of the road, as the crash occurred. The Labor Day accident happened about 8:50 a.m. Monday on west US-84, inside the city limits, about 300 feet west of Sunset Ave. Davis was going east and Luna west when the cars met almost head-on on the south side of the pavement, in Davis' lane. Assistant Police Chief James Cox investigated the accident. Luna was treated and released Monday at Littlefield Hospital. Funeral services for Davis were held Wednesday at the Sudan First Baptist Church. Davis was on his way to Medical Arts Hospital to visit his wife, who was recuperating from surgery.

Grain growers who planted under the federal feed grain program will receive 29 cents per 100 pounds bonus on their grain, whether it is sold in direct trade channels or put into loans, an addition that will boost the market income on more than half of

Veterans Can Bid On Land

Bids on forfeited land are now being accepted from Texas veterans, Lamb County Service Officer C. L. Walker announced this week. Walker has a complete list and description of the forfeited land which is up for bids, some of it in this area. Bids from veterans must be in by 11 a.m. Oct. 1, he announced. Any veteran interested in learning more about the land should contact Walker at his office in the county courthouse.

QB Club Has First Session

About 60 men turned out for the first regular Littlefield Quarterback Club meeting Tuesday night in the high school cafeteria. QB Club President Ed McCantles reported that about 120 members have been signed up, but the club is seeking to enroll a larger number this season. The club meets each week, hears reports from coaches, talks football and sees game films. Memberships in the QB Club are \$2.50 each. Members voted Tuesday night to continue holding regular meetings on Tuesday.

the Lamb county crop to \$1.99 per bushel, at the present \$1.70 elevator price. There are 140,000 acres of Lamb county grain in the feed grain program, Aten says. The added 29 cents per 100 pounds is based on the average yield for the acreage, and not the current crop yield. Then, the ASC will make payments in September for 48,000 Lamb county farm acres diverted under the feed grain program. (See Grain Crop on Page 8)

Weather

The 5-day forecast for the Lamb County area calls for temperatures to average near normal with minor changes. Little or no precipitation is expected. Normal high about 83, normal low about 52.

Lamb Grain Men To Meet

A meeting of all Lamb County grain sorghum producers has been called for Tuesday, Sept. 10, in the county courtroom at 2:30 p.m., it was announced Wednesday by J. H. Angeley, Grain Sorghum Producers' Assn. chairman. Directors will be elected to represent Lamb County in the area GSPA, and county officers will be named. The area GSPA has carried on a program of research, market development, and service projects for grain sorghum since 1956. The appearance of the sorghum midge throughout the High Plains for the past two years has made it necessary to initiate research to combat this insect along with other threats to the grain industry.

GSPA has led the way in research projects, with all activities financed by dues from the producers. Wes Anthony, president of the Castro County GSPA, will be a guest speaker, along with Nolan Chandler, agricultural assistant of the area association. Providing a long dry spell sets in, the rains are expected to add many dollars to the already fine crops in the area. The U. S. Weather Bureau at Lubbock reported Wednesday that little or no precipitation is expected for the next 5 days.

Muleshoe Is Foe For Opening Battle

The 1963 edition of the Littlefield Wildcat grid machine makes its debut here Friday night, and it will be the Muleshoe Mules who help kick off the lid on the new football season. Kickoff time is 8 p.m. at Wildcat Stadium.

Coach John Howle, starting his second year at the helm of the LHS squad, pronounced his team in top shape Wednesday for the opening contest. Center Tim Chambers bruised a hip in the scrimmage at Andrews last Saturday, but he is expected to be ready Friday.

Howle and his coaching staff have not taken the Class AA Mules lightly, cautioning their players that the Mules are big and have plenty of kick this season. Howle said Muleshoe would outweigh the Wildcats in the line. The Wildcat mentor announced his probably starting

Grid Entries Due Friday

It's not too late to get your entry in for the Littlefield Press' first football contest of the season! The Press and sponsoring merchants will offer \$15 in prize money each week to the "arm-chair quarterbacks" who can pick the two winners. Watch each Sunday's County Wide News for the football contest page, follow the easy rules and get your entries in by 5 p.m. each Friday. First prize is \$7.50 cash; second prize is \$5 and third is \$2.50. In case of ties, the prize money is equally divided.

McKinney was a starter last year and developed into a fine signal caller. He is one of the tri-captains for the team. End Larry Wood and tackle Robert Bolton are the other two captains.

Wood, 165, and Bolton, 170, are both double-duty performers, as is Carl and Sitton. Completing the starting offensive line will probably be tackle Ricky Phillips, the Cats' biggest lineman at 190; center Tim Chambers, 180-pound senior; guards Steve Lowe, 170-pound junior, and David Dusek, 160-pound junior; and end Jerry Cox, 165-pound junior.

Lowe won the coveted maroon helmet during the first two weeks of workouts. The helmet was given to the boy voted as the "toughest Wildcat" during the practice period. Lowe was selected in a secret vote by the coaches.

The starting defensive unit is expected to be composed of ends Sitton and Steve Lewis, 165-pound sophomore and second unit quarterback; tackles Chambers and Dickie Montgomery, 165-pound junior who was ineligible last year; guards Bolton and Phillips, linebackers Lowe and Carl, halfbacks Larry Coffman, 155-pound junior, and Junior Hodge, 145-pound senior; and safety Larry Wood. Littlefield's starting offensive line averages about 171 per man, and the backfield average out at 164.

Muleshoe, district favorite again in 3-AA, is led by quarterback Kenny Heathington, a 165-pound senior who is top runner and passer. Other key players are ends Scotty Oliver, Larry Allison and Gary Ratliff, tackles Mike Miller and Barry Lewis, and center Dick Pylant. Littlefield scored a resounding 35-0 decision over the Mules in the 1962 opener, and Muleshoe fans are hoping for revenge this season. The Mules return six regulars and 14 lettermen from last year's district championship team. The Wildcats will use basically the same type offensive pattern as last year, according to Howle. Muleshoe is reported to be using a pro-type offense this season.

Fans will see a new innovation on the sidelines at Wildcat games this year. The first-down chain markers will have blinking lights atop each pole--an amber light on the pole where the first play begins and a red blinking light on the other end of the chain. The lights will be used to aid both the fans and the officials and players to spot the markers quickly. Fans will also see the Wildcats in new uniforms to start the season.

HEAD UP WILDCAT TACKLES--Giving the Littlefield Wildcats strength at the all-important tackle posts are these two returning lettermen--Ricky Phillips, left, 5-10, 190-pounder, and Robert Bolton, 5-10, 170. Coach John Howle is high on his two big tacklers.

Area Wool Contest Open To Students, Seamstresses

LUBBOCK--Students and seamstresses from all over the United States will have a chance to "sew their way" to a Caribbean vacation and many other prizes, as the national "Make It Yourself With Wool" contest gets underway for 1963-64.

Residents of 10 districts in Texas will be competing, along with contestants from all other states in the Union, in making and modeling a 100 percent wool garment of their choosing.

Directors of District I, which includes Lubbock and the surrounding area, are Dr. Willa Vaughn Tinsley, dean of Home Economics at Texas Tech, and Dr. Gene Shelden, professor and head of the department of clothing and textiles in Home Economics at Tech.

Dr. Shelden has announced that many girls begin working on the project in the summer, and should obtain their entry blanks now. The district contest is Dec. 7 at Tech, with the state contest coming in January at San Angelo.

Contestants may enter one of four divisions: sub-deb, 13 years old; junior, 14-17 years old; senior, 18-21 years old; and adult, over 21.

Each contestant models her garment before judges at a district contest. Juniors and seniors who win at the district level compete at a state or

area contest. State winners are entered in national competition and model their garments before judges at the National Fashion Show held during the annual convention of the National Wool Growers Association in 1964. Prizes offered include the all-expenses trip to the Caribbean for two national winners, scholarships, sewing machines, savings bonds, sewing supplies, all wool fabrics and many other prizes.

According to Dr. Shelden anyone interested in further information or an entry blank may write to Dr. Gene Shelden, Department of Clothing and Textiles, School of Home Economics, Texas Tech.

LHS Students Score High In Band Camp

Three Littlefield High School Band students who attended a special music camp at Gunnison, Colo., this summer have been cited by LHS Band Director Don Hayes.

The local band director reported the students made a fine showing in the music camp. The three--Brenda Perkins, Bob Badger and Junior Torres--are all senior members of the Wildcat Band.

Brenda is head majorette and plays the oboe, while Bob and Junior both play the baritone. Brenda's parents, Dr. and Mrs. Albert Perkins, flew to Colorado to hear the closing concert, then flew the three students back home.

Brenda performed in the honor band at the music camp and was one of the six majorettes picked for the senior marching band. Badger and Torres were selected as first chair baritone in the camp's symphonic band.

All three students have been named to the all-regional band here for the past two years.

The honor band at the music camp was conducted by Dr. William Revelli, director of bands at the University of Michigan. Al Wright, Purdue University, was director of the senior marching band, and Don Durand, Minneapolis, Minn., had charge of the majorettes.

Twirling classes were supervised by Miss Joyce Rice, 1959 national twirling champion. Vincent DiNinos was director of the symphonic band. He is head of the music department at the University of Texas.

MRS LEE ROY NUTTALL nee Lynda Ruth Rose

Rose-Nuttall Vows Pledged At Amherst

A double ring ceremony August 24 at 8 o'clock, in Earth's First Baptist Church, united in marriage Miss Lynda Ruth Rose of Earth, and Lee Roy Nuttall of Amherst.

Parents of the couple are Mr. and Mrs. Emert Rose, Earth, and Mrs. E. F. Nuttall of Amherst.

Rev. M. B. Baldwin, pastor, performed the ceremony before an archway, decorated with greenery and short stemmed white gladioli, topped by white wedding bells. Also a kneeling bench, flanked by candelabra, decorated with greenery and white gladioli, with large baskets of white gladioli on either side.

Mrs. Linda Green sang "O, Promise Me", "Because" and the "Wedding Prayer" accompanied by Duane Harris at the organ.

The bride, given in marriage by her father, wore a floor length gown of white satin, fashioned by her mother. The fitted bodice of French imported Chantilly lace was enhanced with a scalloped neckline, outlined with tiny seed pearls, oat pearls and crystal beads. Long sleeves tapered to petal points at the wrist. The skirt was complimented by five pleats, falling softly in front, with an inset of lace re-embroidered in beads. The skirt fell in place at each side with an Australian drape, reaching to the floor. The back of the skirt featured ten tiny pleats of lace over satin, re-embroidered with beads, falling softly into the long chapel train. The bodice waistline dipped to a low V in the back, complimented by tiny white satin covered buttons. Her three tiered elbow-length veil of imported silk illusion was held in place by a crown of pearls and tear drop crystals.

She carried a bouquet of white gladioli and feathered carnations, centered with two lovely gardenias. She carried out the old tradition, with something old, an Indian head penny, something new, her gown, something borrowed, an Irish linen hankie, belonging to her mother, something blue, a blue garter. She wore a penny in her shoe, minted the year of her birth.

Matron of honor was Mrs. Sharon Tunnell of Earth. Bridesmaids were Judy Angeley of Lubbock, Janice Layman, Earth, and La Vern Kimbell of Hereford. They wore identical dresses of ice blue nylon organza, over taffeta, featuring round neckline, elbow length sleeves, enhanced with a fitted bodice, featuring bell-shaped skirts, complimented by a bustle bow in back, with shoes to match their dresses. Their head pieces of three tiered blue illusion, were held by a caplet of matching flowers and nylon braid. Each wore short white gloves and carried a nosegay of long stemmed gladioli and orange leaves, with long white ribbons, tied in love knots.

Best man was Jimmy Blair of Amherst. Groomsman were Jimmy Rose, Earth, brother of

the bride, Author McLelland, Amherst, and David Sagger of Lubbock.

Ushers were Morris Nix, Texline, nephew of the groom, Johnny Norwood, cousin of the bride, and Murrell Sawyer, both of Amherst and Lewis McDaniel of Plainview.

Candle lighters were Nita and Kita Nuttall, nieces of the groom. They wore identical dresses of taffeta and satin, with round neckline, elbow-length sleeves and bell shaped skirts. Their head pieces were made of blue illusion with a caplet of white flowers.

Jennifer Templeton of Earth, cousin of the bride, was flower girl. She was dressed in a nylon dotted swiss dress over blue, with a ruffled back. Donald Templeton of Earth, cousin of the bride, was ring bearer.

The bride's mother chose for her daughter's wedding a two piece blue perian linen dress with matching jewel hat and bone accessories. She wore a white carnation corsage. The groom's mother chose a navy dress and wore a white carnation corsage.

A reception followed the wedding in the church dining hall. Judy Bowman, cousin of the groom, and Polly Jean Middleton served wedding cake and punch from a table covered with a lovely crocheted cloth over blue taffeta.

For traveling to Northern Colorado, the bride chose a three piece blue dress with matching jewel hat, complimented with white accessories, and the gardenia corsage from her bridal bouquet.

The couple will make their home three miles north and two miles west of Amherst, where the groom is engaged in farming.

The bride is a graduate of Springlake High School, and attended West Texas State College. The groom is a graduate of Amherst High School.

Engagement Is Announced

Mr. and Mrs. E. O. Cundiff announce the engagement and approaching marriage of their daughter, Donnie Cundiff Locker, to Jessie H. Hutcherson of Dimmitt. He is the son of Mr. and Mrs. Jessie H. Hutcherson Sr. of Dimmitt.

Vows will be read Sept. 14 at 8 p.m. in the Parkview Baptist Church with Rev. C. J. Coffman officiating. A reception will follow in the home of Mr. and Mrs. E. O. Cundiff.

The bride has been employed by Robison Upholstery and Mattress company. The groom is employed by Case Implement Company of Dimmitt.

The couple will make their home in Dimmitt.

New Design In Girl Scouting To Start

The eagerly awaited program change in Girl Scouting will begin Monday, Sept. 9, when the new Girl Scout handbooks go on sale at local equipment agencies. There are special book-plate stickers to be given with each book purchased the first week (Sept. 9-14).

There are now four age groups instead of three, based on the fact that there are marked differences which seem to occur at certain chronological points. These new age groups correspond to the characteristic qualities of each age span.

The Brownies, 7 and 8-year olds who are full of curiosity and imagination are ready for their first steps in group experience. Juniors are 9, 10, and 11-year olds who want to learn a little about a lot of things. The 12, 13, and 14-year olds or Cadettes will need to test their skills --- social and practical; while Seniors or 15, 16, and 17-year olds are ready to participate in community activities and anxious for vocational experiences.

These four age levels will fit together in one continuous program with bridges between age levels. A girl may join at any age from 7 thru 17 and move forward without fulfilling requirements meant for younger girls. Thus older girls will help with younger girls in a sharing and learning process.

There will now be only one investiture; rededication ceremonies will take place as the girl moves to the next age level.

The six basic elements of Girl Scouting -- rank attainment, adventuring in arts and crafts, citizens here and abroad, fun in the out-of-doors, you and your home, and proficiency badge activities have all been retained as the foundation of Scouting but this is the first time these elements have been embodied in one complete flow of program for girls aged 7 through 17. The program is well rounded becoming more complex as the girls grow

Pastors Meet Here Monday

The pastors of the Lutheran Circuit, Missouri Synod, will meet here Monday, Sept. 9, beginning at 10:30 a.m.

One of the features of the conference will be an address by Rev. Herb Rast of Plainview. His essay is on "The Church".

The pastors will also view a film entitled "The Story of a Healed Orphan Girl" which will be shown in the churches.

The program change brought about after the survey research center of the University of Michigan conducted two studies surveying the interests of all girls as well as what Girl Scouts of America would like to do after further study and decided to redevelop, and reorient the entire program. This redevelopment is the design in scouting.

Local Men At Retreat

Several local men attended the Methodist Laymen's Retreat over the weekend at the Northwest Texas Methodist Assembly grounds, Ceta Canyon.

Dr. E. Stanley Jones, world missionary, evangelist and author; Dr. J. Carlisle Holler, Columbia, S. C., director of the Division of Instruction, State Department of Education of South Carolina; Bishop Paul V. Galloway, Bishop of the Northwest Conference of Methodist churches, were the speakers for the retreat.

Activities began at 3 p.m. on Friday and closed Sunday evening. Attending the full slate of activities from Littlefield were Lloyd Lust and Al Chambers. Jack Wattenbarger, Jack Barton and Jim Mangum went down at noon Saturday.

This retreat for laymen is held each year in August. The next retreat is to be the last weekend in August of 1964.

Perkins-Garland Wedding Vows Exchanged In Amherst Church

Billie Ruth Perkins and Robert Garland were united in marriage in the sanctuary of the Methodist Church in Amherst Saturday, Aug. 31, 1963.

The bride is the daughter of Reba Porter, former Amherst resident, and the groom is the son of Mr. and Mrs. M. L. Raton.

Rev. R. A. Highsmith of Littlefield, a retired Methodist minister, officiated at the double ring ceremony.

Two selections were sung by Debbie Perkins of Leveland, who was accompanied at the organ by Mrs. Jomeryl Harlow of Amherst.

The bride, who was given in marriage by her brother, Jack Perkins of Tipton, Okla., wore a formal gown of white lace over bridal satin.

The gown had a scalloped neckline with an outline of pearls, and a sheath-type skirt studded with pearls and crystals.

The long sleeves were tapered and finished with a row of pearls. The chapel of white satin was accented by appliques of lace.

The crown of pearls and crystals, fashioned by the bride's mother, was accented by a three tiered veil with appliques of lace.

The bride carried a white orchid surrounded by pearls and ropes of pearls in an elaborate arrangement.

The matron of honor was Mrs. Perkins of Tipton, Okla. The bridesmaids were: Mrs. L. Nicholson of Amherst and James Porter of Lubbock.

The bridesmaids wore identical after-five dresses of blue nylon over satin. The sleeveless dresses had sweetheart necklines and full skirts. Their headpieces were royal blue net held by ribbons.

The attendants carried royal blue bouquets of flowers and featured three hearts of ribbon and net.

A reception followed the ceremony in Fellowship Hall of the Church. Mrs. Harvey Messamore of Amherst served the wedding cake while Miss Billie McGregor of Amherst poured the punch. Mrs. Wayne Marshall of Littlefield registered the guests.

After a short wedding trip the couple will reside at 2408 Auburn, Lubbock.

The bride is a graduate of Amherst High School and is a junior at Texas Tech. The groom is a graduate of Raton High School and is registered as a senior at Tech. The couple plan to continue their schooling and will attend the coming fall term.

Chances Good On Bracero Legislation, Says Mahon

LUBBOCK--Congressman George Mahon spent the first part of the week in the District, stating that the House was marking time for a few days.

Mahon said that the issues in Congress were being hard fought in the best American tradition and that the indications were that Congress would be in session until much later in the year. He said that it was the duty of Congress to remain in session until the work was completed.

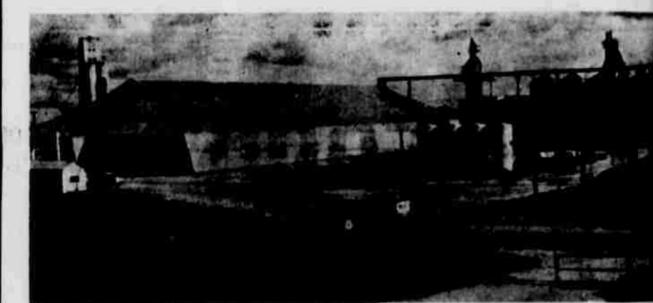

Mahon agreed the legislative output of Congress this year has not been very great, but added that he felt Congress should be judged not only by the legislation it passed, but also by the legislation it did not pass. He pointed out that a considerable volume of work would have to be completed before Congress could adjourn later in

the year.

He said that the most important pending legislation directly affecting West Texas was cotton legislation designed to deal with the crisis in cotton. The outcome of such legislation, he explained, was uncertain at this time.

With respect to pending Bracero legislation, he indicated that the chances were fairly good that Congress would agree on a simple one-year extension of the present law. In late May the House, in a surprise move, voted down a two-year extension.

Mahon stated that if the legislative program in Congress permitted he would return to Texas next week to attend the annual meeting of the Plains Cotton Growers at Lubbock and the field day of the High Plains Research Foundation at Halfway, near Plainview.

1,000 ATTEND -- \$1,000 DOLLARS LCEC Silver Anniversary Party

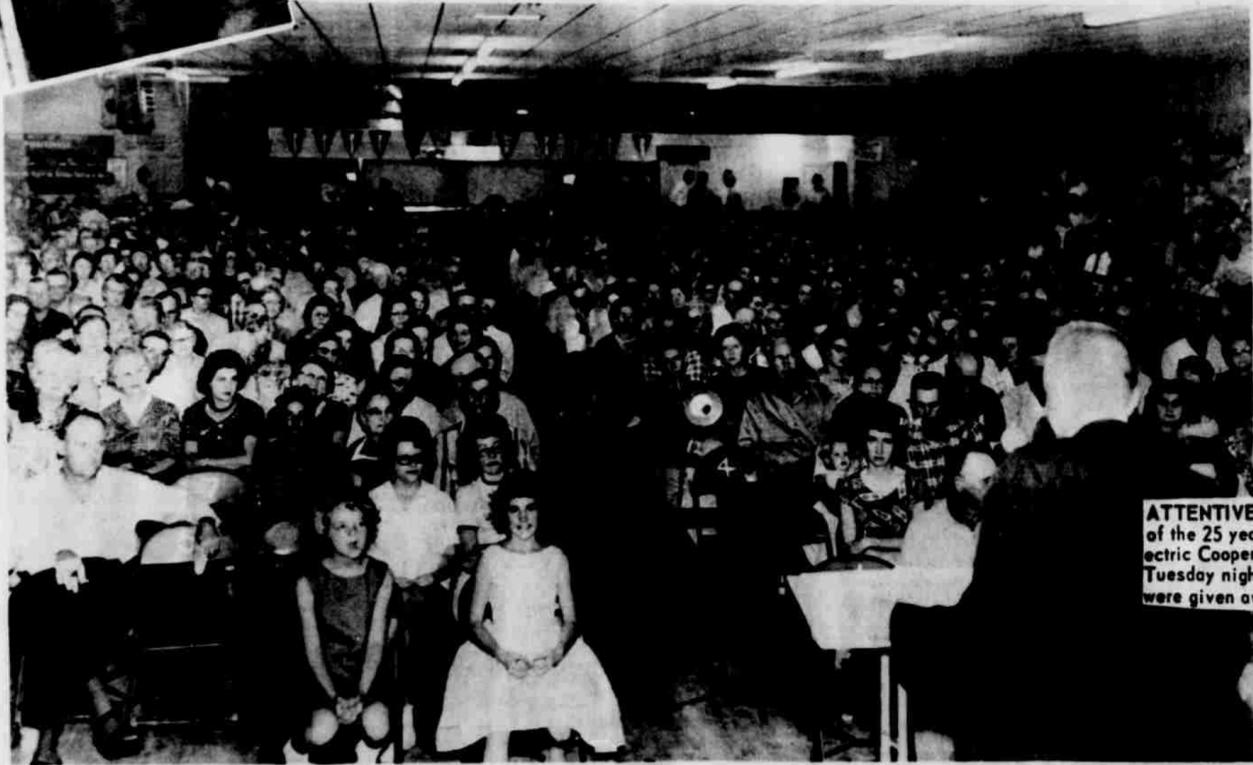

President Vic Diersing presided at business session.

Kathy King and Carole Green, state 4-H Club demonstration winners from Tahoka, charmingly explain how an electric cooperative works.

MANAGER Dick Carl reported on a favorable year of operation.

ATTENTIVE CROWD of about 1,000 heard a report of the 25 years of operation of the Lamb County Electric Cooperative in Silver Anniversary Meeting Tuesday night. Door prizes of 1,000 silver dollars were given away.

25 YEARS AGO, on March 18, 1938, the fledgling Lamb County Electric Cooperative was set up in Littlefield, with O. K. Woodall as manager. It had three employees, Woodall, bookkeeper Edna Sisson and J. H. "Dick" Carl, lineman.

When its new lines were energized in April, 1939, the new REA system had 339 members, all rural dwellers who enthusiastically exchanged their kerosene lamps for electric lights, and set about putting electric power to work on their farms.

Tuesday night, more than 1,000 people—just a part of the co-op's present 4,693 members—gathered in a silver anniversary party in Littlefield. For the special occasion, 1,000 mint-fresh silver dollars were given away, and the company heard current reports and a review of 25 years of growth into six counties, Lamb, Hockley, Bailey, Cochran, Hale and Castro. Fittingly, the operations report came from LCEC manager Dick Carl, the company's lone lineman in 1938. The past year, he reported, has been the most successful in the 25-year LCEC history.

HAPPY WINNERS of 10 silver dollars each were, in picture at left, James Cox, Luke Swart and Mrs. Hubert Gohlke, and at right C. C. Alford, Darla Fox and Mrs. Weldon Newsom.

GRAND PRIZE winner, of 100 silver dollars, was Jerry Decker of Anton.

GRAIN CROP

(Continued from Page One)
 gram, at rates based on average yields. Aten expects his diverted acreage payments to reach \$1.5-million, with another \$1.5-million in the 29 cents bonus on program grain.
 Checks for those payments are in preparation now, he said, and probably will be mailed late in September.
 The strong market price, coupled with what promises today to be a better-than-average yield, and the federal payments will run to more than \$10-million for Lamb county farmers.

REA
 (Continued from Page One)
 from Sen. Ralph Yarborough's speech to the Texas Electric Co-Op in Houston recently.
 The senator had attacked a national magazine article which criticized electric cooperatives for receiving federal subsidies. Yarborough, in turn, blasted the magazine for indirect subsidies it received.
 Diersing said he thought persons highly interested in rural electrification should form community groups and strive to inform others as to the merits of electric co-ops.
 Kathy King and Carol Green were the two Lynn County 4-H members who presented a demonstration of how an electric cooperative is formed. The two girls won a state contest on their demonstration.

Mrs. Lois Greathouse of Tahoka, a member service advisor of the Lyntegar Electric Co-Op, accompanied the girls to the meeting. She is coach of the demonstration team.

One of the reasons for the existing market price is a stronger demand for grain from eastern points, Louisiana and through the southeast, where the grain will go to turkey and broiler feeders.
 A short crop in south Texas and on east is credited with the stronger eastern demand.

The western market--California and Arizona, largely--is good again this year, buyers report. This grain goes to booming feed lots into the west and into a growing poultry program.

grain buyers estimate.
 "It's the best grain outlook we have had lately, from both the standpoint of price and production," one grain buyer said. "I'd say this will be one of the best crop income years recently, if the weather holds favorable."
 Aten considers his estimate of 209,516 acres "conservative." It is based on measurements of acreage under the program. Known plow-ups of hauled-out cotton that went into feed and "just a good guess" at the other acres that went into "free" grain, on which no record is made with the ASC program.

A number of Lamb county farmers elected to raise grain without acreage allotments, and to throw their crop on the open market this season.
 Yields from grain that came in before last weekend's rains promise better-than-average production, grain buyers estimate. Dry land crops were listed at from 1,300 to 2,000 pounds per acre, and practically all of the grain in early was from dry land.

ing described lands and premises lying and being situated in Lamb County, Texas, to-wit: All of Lots No. Thirteen (13) and Fourteen (14), in Block No. One Hundred Fifty One (151), of the Original Town of Olton, Lamb County, Texas, according to the map or plat of said Town recorded in Volume 4, Page 178-9, Deed Records of Lamb County, Texas.

Plaintiff alleges that on March 27, 1963, she was and still is, the owner in fee of the above described lands and premises, and was in peaceful possession of said land on said day, and that thereafter, on the 28th day of March, A. D. 1963, the Defendants unlawfully entered upon and dispossessed Plaintiff of such lands and premises, and withheld from Plaintiff the possession thereof; Plaintiff further alleges that Plaintiff has title to said lands and premises under and by virtue of the five (5) and/or ten (10) year Statutes of Limitations as is more fully shown in Plaintiff's original petition on file in this suit; and Plaintiff further prays for relief, general and special;

All of which more fully appears from Plaintiff's Original Petition on file in this office, and to which reference is here made for all intents and purposes;

Trio Fined In County

Two men were charged driving while intoxicated, another was accused of check law violation in court this week.
 Charles Scott of Littlefield was released on \$1,000 bond after the DWI charges were made. Billy Vick, 30, of Littlefield, was fined \$173.75 on the checking violation.

Sheriff's deputies also picked up a man for Muleshoe on a wife and child neglect charge.
 City Police recorded a city accident Monday when a car driven by Sid Hopping and a truck driven by L. A. Herring collided on Lfd. Drive at 4th St. Damage was estimated at \$140, but no injuries were reported.

Beverly Ann Clawson, 18, of Littlefield, was arrested Saturday when she was found in a parked vehicle belonging to Lenda Beth Cutting. Damage was estimated at \$140, but no injuries were reported.

One break-in was reported Sunday after a thief entered 84 Super Service Station on Delano and stole a small pistol.

Turkey Shoot Slated Sunday
 Littlefield Jaycees will sponsor a "Turkey Shoot" beginning Sunday at 2 p.m. one block east of the Crescent Hotel.

President Clint Byem announced that turkeys will be given as prizes. Shooters must use shells purchased from the Jaycees. Proceeds of the shoot are used for Jaycee projects and activities.

Circle Eight
 The Circle Eight Dance Club will meet Thursday night at 8 p.m. in the Community Center.
 Hosts for Thursday night are Mr. and Mrs. Jumbo Johnson, Mr. and Mrs. Roy Johnson, Mr. and Mrs. Roy Morgan.

CITY BITS
 Mr. and Mrs. Melvin Green, Richie and Ruff, visited the weekend in Vera, with Green's family, Mr. and Mrs. Russell Beach, and sisters, Ada, Nettie and Gladys. Mel is a brother, Tommy, visited Mr. Green's grandparents, Mr. and Mrs. W. T. Green and a brother, David. Green is hospitalized in Clovis.

Mr. and Mrs. R. L. Byers returned Monday from a visit with Mr. and Mrs. Z. T. Byers and family on their cattle ranch near Okolona.

Weekend visitors of Mrs. Mrs. T. M. McKinnon were sister and family, Mr. and Mrs. R. L. Swinney and her mother and family, Mr. and Mrs. Emmett McWilliams, all of Worth.

Mrs. W. C. Adams of Clovis visited one day week with her parents, Mr. and Mrs. R. L. Byers Sr.

Mr. and Mrs. Bill McKinnon and four children attended a reunion of her family at the Hotel in Hamilton. Eighty-six were present.

COACH BERT GRIMES IN DEBUT

Amherst Hosts Meadow In Grid Opener Friday

The Amherst Bulldogs open the 1963 football season at home Friday night, taking on the Meadow Bronchos in a non-district clash, and the game will mark the debut of a new coach for the blue and white Amherst eleven.

Bert Grimes is the new mentor, and the Texas Tech ex took over the coaching post just in time to start fall drills a couple of weeks ago. He sees the offensive patterns as the primary concern.

The Bulldogs, who missed the district title by just one play last year, return seven regulars on the defensive unit and prospects look good on this side of the ledger. Three of the lettermen went both ways, giving Grimes three offensive starters.

Amherst finished in a three-way tie for the title last season when New Deal scored on the last play of their game to take a 6-0 decision and throw the race into a three-way tie. Whitarral was the other team involved, but New Deal won the right to represent the district on the toss of a coin.

The Bulldogs' hope for a title this season might well hinge on how their offensive punch comes along. Grimes thinks the team lacks the speed it had a year ago.

Halfback Gary Pigg, the only veteran back returning, gives Grimes a good start on building a good offense. Pigg, 165-pound senior, will probably go to the fullback slot this season. He was the second leading scorer last season with 64 points.

Tackle Terry Hughes, 195, senior, and guard Ben Keltton, 140, senior, are the other pair of veteran lettermen.

Returning defensive regulars are guards Bobby Cowen, 136, senior, and Chris Eady, 155, senior; end Stanley Simmons, 162, junior; and safety Quinton Pierce, 155, senior.

Two other letter winners give the squad adequate experience. Halfback Guy Hufstetler, 150, junior, and quarterback Ronnie Smith, 130, senior, round out the returning lettermen.

The Bulldogs could come up with a good passing attack since Smith is a fair thrower and ends Simmons and Pierce are better than average receivers. Grimes has 10 freshmen on his squad of 32, and one of them could break into the starting lineup.

Leon Hardwick, 138-pound back, is the freshman who appears to be a fine prospect. Amherst posted a 5-4-1 won-lost-tied record last season, and the tie was a 6-6 game with their opening foe, Meadow.

Willard Hodges is assisting Grimes in tutoring the Bulldogs for the new season. Amherst has been mentioned by District 2-B coaches as one of the teams to beat. Anton and Whiteface are also rated strong.

The Bulldog roster: Ends--Stanley Simmons, 162 Jr. letterman; Quinton Pierce, 155 Sr. letterman; Johnny Norwood, 134, Fr.; Gary Johnson, 125 Fr.; Rocky Carpenter, 106 Fr.; Kent Phillips, 131 Fr.; Steve Liles, 96 Fr.

Tackles--Chris Eady, 155 Sr. letterman; Terry Hughes, 195 Sr. letterman; Tom Koumaloto, 142 Soph.; Bob Campbell, 150 Jr.; Neil Duffy, 165 Soph.; Sherwood Abbott, 162 Jr.

Guards--Bob Cowen, 136 Sr. letterman; Ben Keltton, 140 Sr. letterman; Darrell Priddy, 139 Jr.; Mark Parrish, 135 Soph.; Willard Fowler, 146 Sr.; Joe Keltton, 118 Fr.; Pete Koumaloto, 100 Fr.

Centers--Jay Elms, 137 Sr.; Sam Sawyer, 165 Jr.

Quarterbacks -- Ronnie

Smith, 130 Sr. letterman; James McAdams, 144 Fr.

Halfbacks--Guy Hufstetler, 150 Jr. letterman; Billy Sherrill, 134 Soph.; Ed Hodges, 120 Soph.; Keith Keltton, 150 Soph.; Mickie Young, 115 Soph.; Leon Hardwick, 138 Fr.

Fullbacks -- Gary Pigg, 165 Sr. letterman; Len Mixon, 146 Fr.

The 1963 Amherst schedule: Sept. 6--Meadow; Sept. 13--at Wilson; Sept. 20--at Sudan; Sept. 27--Bovina; Oct. 4--Lazbuddie; Oct. 11--at Springlake; Oct. 18--at Anton; Oct. 25--Open; Nov. 1--Whiteface; Nov. 8--Whitarral; Nov. 15--at New Deal.

Sudan To Tackle Morton In Opener

The Sudan Hornets will test their sting against the tough Class AA Morton team when they open the 1963 football season at home Friday night.

Two Teams Tie In Low Ball Tourney

G. W. Steffey and Dr. Jack Still tied with the team of Ty Jones and Paul Cartwright in the Partnership Low Ball Golf Tournament at Littlefield Country Club over the weekend.

The two teams tied with identical scores of 135 in the 36-hole tourney. There was also a tie for the runner-up spots with Dr. Glenn Burk and Ken Peterson posting a 136 total along with the team of Jack Wicker and Mancil Hall.

Pro Kenneth Shields reported that 18 teams participated in the club tourney. All winners received merchandise prizes.

Shields announced a Pro-County Tourney will be held Monday at the Olton Country Club. The meet was held at the local club last year. One pro team with 1 or more local golfers and 1 or 2 Olton golfers to make up the foursome.

About 25 West Texas pros are expected to enter the meet. Shields said about 30 Littlefield golfers are needed for the meet. He requested that anyone desiring to enter the meet to contact him by Saturday. A shotgun start is set at noon Monday.

The tourney will serve as a prelude to the Lamb County Tourney, scheduled at LCC Sept. 20-22.

The Hornets, who surprised by tying for the District 3-A crown last season, have been rated behind Springlake and Farwell this season. However, Coach Hank Brown and his Hornets hope to surprise some people again this year.

Sudan will have 10 lettermen on its squad of 34 players with a veteran backfield heading up the returnees. Coach Brown says his line lacks size and depth, and the guard positions in particular are the question mark.

If the Hornet forward wall comes through, then Sudan might improve on its 5-4-1 season mark of last year. Both Farwell and Springlake have a number of lettermen back this year, and the district race could be another thriller.

Sudan assistant coaches are Dempsey Watkins and Richard Potter.

The Hornets expect to have a strong backfield with Tommy Thomson, 165, senior letterman, and Mike Smith, 147 junior letterman, returning at quarterback, and Pat Brown, 155 senior letterman, back at a halfback slot.

Danny Allen, a 162-pound senior who lettered as a regular end last season, is slated to move to halfback. Roy Roberts, who lettered as a freshman but moved away, has returned for his senior year and will handle the fullback duties. He weighs 170.

A trio of lettermen, including two starters, make the tackle slots a strong point. Robert Williamson, 174 junior; Kenzel May, 152 junior; and Donny Ford, 139 senior, are the tackle veterans.

Regals' center Tommy King, 140-pound junior, and squadman Bill Boyles, 140, junior, give good 1-2 strength at the center post. There are no lettermen at the guard slots. Danny Masten, 150 junior letterman, is the only experience end since Allen moved to a halfback post.

Squadman Mike Nix, 133, junior, is the top candidate for the other terminal. Mark Baker, 146 senior squadman, and D. W. Muller, 142 junior squadman, have been the leading guard candidates.

The Sudan roster: Ends--Danny Masten, 150 junior letterman; Mike Nix, 133 Jr. squadman; Hector Salas, 115 Fr.; Willie Johnson, 160 Soph.

Tackles--Donny Ford, 139 Sr. letterman; Robert Williamson, 174 Jr. letterman; Kenzel May, 152 Jr. letterman; Marcelino Arce, 194 Fr.; Paul Gordon, 155 Jr.; Danny Martin, 140 Fr.; Cary Logan, 130 Fr.

Centers--Tommy King, 140 Jr. letterman; Bill Boyles, 140 Jr. squadman; Bill Allen, 117 Soph. squadman; Harry Williamson, 100 Fr.

Quarterbacks--Mike Smith, 147 Jr. letterman; Tommy Thomson, 165 Sr. letterman; Corley Baker, 142 Soph. squadman; Mike Bellar, 120 Fr.

Halfbacks--Pat Brown, 155 Sr. letterman; Danny Allen, 162 Sr. letterman; Gary Rued, 155 Jr.; Robert Cantu, 147 Soph. squadman; Robert Gilyard, 142 Sr.

Fullbacks--Roy Roberts, 170 Sr. letterman; Larry Morgan, 149 Fr.

The Sudan 1963 schedule: Sept. 6--Morton.

PLAY LITTLEFIELD FRIDAY

Mules Have Kick, Top Quarterback

The Muleshoe Mules, a solid choice to repeat as District 3-AA champs this year, will be Littlefield's opening grid foe again this season.

The Wildcats walloped the Mules by a 35-0 score in last season's opening non-district clash, and Muleshoe is out to make a better showing this time. The Mules grew tough on defense last year and expect to have an even tougher defense this season.

Muleshoe relied chiefly on a running game last year. This should be a strong point again, and the passing attack is expected to be greatly improved. Quarterback Kenny Heathington, an all-district 165-pound senior, is back to guide the Mules' pro-type offense.

Heathington is a fine ball carrier and has halfback Ronnie Johnson, 145, and fullback Clifford Gray, 158, back to spearhead the running game.

In all the Mules have six regulars and 14 lettermen back for the campaign. Four of the returnees made the all-district defensive team last season. Other stalwarts back include tackle Mike Miller, 180, and ends Scotty Oliver, 160, and Larry Allison, 160. Oliver is an offensive halfback and

defensive halfback and end.

Coach Bill Taylor probably have an all-league lineup for the Wildcats. Ends Larry Allison (160), Gary Ratliff (165), tackle Miller (180) and Bill (170), guards Darrell (165) and Stanley Black (165), center Dick Pylant (200), rterback Kenny Heathington (165), halfbacks Scotty (160) and Ronnie Johnson (160) and fullback Clifford Gray (160).

Defensively, the Mules have Miller and Dan (190-pound letterman, at Ronnie Swint, 170-pound more and Barry Lewis, pound letterman, at tackle lison and Ratliff at ends son and Burton, or Joe (120, at defensive half, Heathington or Don Murray probably be Oliver and

The Mules will average 173 per man in the starting and 157 in the backfield.

Muleshoe had a 5-4-1 lost-tied mark last season lost to Denver City bi-district play. The lost four and tied tough non-district play, allowed only one touchdown league action.

The Mules took on three 3A schools last season--Littlefield, Hereford and Dumas plus the big New Mexico school of Clovis. They almost out even, dropping game Littlefield and Dumas but pping Hereford and tying Stanton, a AA school, and Dumas on the Mule schedule this year.

Sept. 13--at Friona. Sept. 20--Amherst. Sept. 27--at Sundown. Oct. 4--Plains. Oct. 11--at Frenship. Oct. 18--at Springlake. Oct. 25--Open date. Nov. 1--Kress. Nov. 8--at Farwell. Nov. 15--Hale Center. *--District game.

SPEEDY'S SCOREBOOK

By Speedy Nieman

Word comes from Muleshoe way that this could be "NEXT YEAR" for the Mules.

Like the Aggies who always say, "Well, wait until next year and we'll beat Texas," the Muleshoe fans think this might be the year for the Mules to X kick the Wildcats. The Class AA Mules are as big, if not larger, than the Cats, and Coach Bill Taylor thinks the team's attitude is better this year.

Littlefield whipped the Mules by a one-sided 35-0 margin last season, and Muleshoe fans seem to be optimistic that things will be different this year.

Coach John Howle is not taking the Mules lightly, and he hopes his players are not. Howle told Quarterback Club members Tuesday night that Muleshoe had a lot of beef and would outweigh the Cats.

The coach showed a film of the Wildcat scrimmage with Andrews Saturday night in the rain. Howle was pleased with the scrimmage session, noting that the team learned some valuable things and "that's what we went down there for."

Howle thought the defensive looked good against Andrews, but the offense lacked some polish and the blocking was not real sharp. Andrews probably averaged around 200 pounds per man in the line, he remarked. The Mustangs were much larger than the Cats and had them outmanned, but Andrews couldn't push Littlefield around.

Each team "scored" once in the game. The Wildcat junior varsity made a very creditable showing against a much larger Andrews B-team, too. The rain fell throughout the scrimmage, and Howle figured this was to the big Andrews' team advantage. Neither team could do any passing, but in the "B" scrimmage, Littlefield's Roy Dale Pierce connected on about 6 of 9.

Howle was optimistic about his squad, bemoaning only the fact that the ranks are thin. "Our boys have real good attitudes and they're hitting hard," he told

Tag Team Title Bout Slated Here

The Southwest Tag Team Championship will be at stake when Tokyo Tom and Sputnik Monroe defend their title against Dory Funk Jr. and Jose Lothario Saturday night at Littlefield Sports Arena.

The top main event will be for the best 2 of 3 falls with a 90-minute time limit. Tokyo Tom meets Jose Lothario in a one-fall, 15-minute limit match at 8:45 p.m.

The first main event will be match of the "little giants" in a special "midwest wrestling" event. Chico Diaz of Mexico City, a 97-pound, 47-inch tall wrestler, takes on Tiny Roe of Canada. Roe is 5 pounds bigger than Diaz.

Ricky Romero and Monroe battled to a draw last week. Romero finally captured the first fall in 54 minutes, and Monroe bounced back with a quick decision in the second fall. Time ran out before either could claim the final fall.

In a match between Lothario and Tokyo Tom, where karate was permitted, Lothario won 2 of 3 falls with help from Romero on the final one. Tom also had help from Monroe in the wild finish.

Dory Funk Jr. won his opening match against Treach Phillips in the time of 18 minutes.
