PORT FOR SOIL SUBSTATION—State Representative Jess Osborn of Mulishoe, left, and
Chairman Richard Eiter of Springlake, second from right, discuss plans for gaining finan-
cial support for a High Plains Soil Substation with Texas Research Foundation representatives Dr.

duce. Gallini just completed harvesting 100,000 pounds of onions
from six acres of land. After harvesting costs were paid, the
crop brought over \$8,000. Ready to harvest soon will be 30
acres of peppers and 100 acres of tomatoes.

Highway Petition Presented; Water District Request OK'd

\$800,000 Bond Vote To Be Called

County commissioners agreed
to accept a petition calling for an
\$800,000 bond election to create a
Lamb County Water Control and
in a meeting that took five full
hours to complete.
Worn and weary after the day-
long session, the commissioners
put the next move up to five
temporary directors who were ap-
pointed at the hearing.

Named as temporary di-
rectors of the proposed dis-
trict were Coleman Terrell of
Sudan, Frank Bozeman of
Springlake, Gerald Allison of
Pleasant Valley, Troy Armes
of Littlefield and H. C. (Jake)
Armstrong of Fieldton.

The next steps in the plan are
for the directors to be sworn in,
bonded, and to call an \$800,000
bond election for purchase of
water rights on 24,000 acres in
the Sandhills. The purpose is to
retain and control water in Lamb
County's Sandhills.
A meeting is set for Friday
morning as the first move in this
direction, and more details are
expected at that time.

The proposition will be put
to the voters living within the
district's boundaries. People
will be asked to decide whether
to create the district, vote the
bonds, and elect permanent
directors of the organiza-
tion. Under law, each area's
representative must be elected
by the voters.
Five witnesses were called in
the long hearing before commis-
sioners gave the group the green
light.

During the morning, the water
group's attorneys—Sam Aldrich
of Farwell and Arthur Duggan of
Littlefield—called V. T. Tanner of
Springlake, chairman of the
Lamb County Water Association,
and Gordon W. Willis, consulting
water hydrologist from Lubbock.
Asked how the group started
in its plan, Tanner said that it
"sprung from a half dozen men
talking about disturbances from
other areas."

Tanner said the southwest and
eastern portions of the county
were left out of the district be-
cause the people there asked not
to be included. In the southwest
the land is dry and people there
feel that they should not have to
bear the tax load, Tanner said. In
the eastern portion of the Sand-
hills the group was unable to
deal with landowners for pur-
chase of water rights, so the
people in that area requested that
they be excluded, he added.

The district's boundaries
leave out approximately the
east eight miles of the county
and most of the dry land sec-
tion to the southwest.
Tanner said that Ewing Halsell
and Frank Daugherty had
agreed to sell the district water
rights on 24,000 acres at \$31 per
acre.

LONG DAY FOR COMMISSIONERS—County commissioners and Judge Bob Kirk were presented
with a highway petition and then heard a request for the formation of a county water control and
improvement district Tuesday. In a hearing that took five hours to complete, the commissioners
(at left) heard five witnesses, including V. T. Tanner (on stand).

Johnson Forces Expected To Rule County Convention

Delegates to the democratic
county convention Saturday in the
District Courtroom apparently will
pull a repeat performance of their
May county meeting.

It looks like another Lyndon
Johnson day in Lamb county when
the 32 delegates convene at 2:30
p.m.

Only seven of the 16 county pre-
cincts got around to precinct con-
ventions on election day, but Lit-
tlefield's precinct 12 and Olton's
precinct 1 turned out, making it

sure that their delegations will
probably control Saturday's ses-
sion.
Nearly all of the 32 delegates to
the convention are Johnson sup-
porters. T. Wade Potter, county
executive committee chairman
said Wednesday.

Most of the seven precinct meet-
ings on election day were quiet in
comparison to the May gatherings
with the order of the day being the
naming of delegates to the county
meeting.

Tuesday Raids Net Charges Against Six For Bootlegging

Lamb County Sheriffs Officers
and Liquor Board investigators
cracked down on six local "boot-
leggers" in raids Tuesday.
Two Negro men and their wives
had six liquor law violation charges
filed against them, with two
each for the men and one each for
the women. Two of the same
charge were also filed on a white
male.

Another Negro man was arrested
for illegal possession of liquor.
All six offenders rounded up
Tuesday were jailed and later re-
leased on \$1,000 bond for each of-
fense.

Even though bootleggers are
known, they must be arrested in
the act of actually making a sale
before an arrest can be made. In

a town the size of Littlefield it is
next to impossible to catch these
operators in action since local of-
ficers are easily recognized," de-
clared one member of the Sher-
iff's office.
Following the liquor raids Tues-
day, Deputy Sheriff Homer Mc-
Lary picked up a 14-year-old Ne-
gro youth, Ellis Sims Jr., of Waco.
The officers became suspicious
when he noticed a car being driven
by a driver barely visible above the
steering wheel. Upon question-
ing the boy, officers learned he is
wanted in Waco for car theft and
burglary. He allegedly stole three
cars in Waco, one in Lubbock and
burglarized a Waco lumber firm.
Sheriff's officers are holding him
until either Lubbock or Waco of-
ficers pick him up.

In precinct 12, the county's largest,
the group passed a resolution
condemning Allan Shivers' bolt
from the democratic party in 1952
when he went for President Eisen-
hower.

The precinct went on record as
endorsing the stand "that Sam
Rayburn and Johnson have taken
that only democrats who will sup-
port the nominees of the party
should be placed on the State De-
mocratic Executive committee." The
delegates from precinct 12
were instructed to present the re-
solution at the county meeting and
to seek instruction of the county
delegation to the state convention
on September 11.

Delegates from the seven pre-
cincts to the county convention in-
clude:
Precinct 1, Olton—Wilton Bod-
kin, Troy Martin, P. A. Nafziger,
Fred Hicks, Gilbert Roberson,
Glenn Exter, and Raymond Cooper.
Precinct 2, Earth—W. A. Braden,
Bob Armstrong, Mrs. J. A. Little-
ton Sr., and Paul L. Martin.
Precinct 3, Spade—Albert Lock-
wood, N. N. Frey and T. S. Tyler.
Precinct 5, Sudan—R. D. Nix,
Tom Kent, and Preston Hawkes.
Precinct 6, Pleasant Valley—
John W. West.
Precinct 11, South Olton—V. M.
Peterman.
Precinct 12, Littlefield—F. G.
Daniel, S. A. Doss, J. C. Hilburn,
Otto Jones, Wayne Carlisle, W. D.
T. Storey, H. L. Fisher, Pat Boone
Jr., T. Wade Potter, B'ly Hall,
Mrs. Mamie Hilburn, J. B. Sneed,
and E. J. Foust.

Road Plea To Be Heard On August 20

Chamber of Commerce high-
way committee members Tuesday
submitted a petition to county
commissioners requesting the call-
ing of a \$275,000 bond election to
purchase right-of-way to widen
Highway 84 to four lanes.

Judge Robert Kirk and the
commissioners, sitting in a regu-
lar session, set a hearing date of
August 20 at 10 a. m. on the peti-
tion for voter's approval of right-
of-way funds within Road Dis-
trict 1-A of Lamb County.

Tax Assessor Herbert
Dunn's office later reported
that names on the petition
had been checked and that
60 qualified voters had signed
it.

Road District 1-A is made up
of approximately one-third of the
county. It includes Littlefield and
Spade, but excludes Sudan, Am-
herst and Fieldton.

If commissioners call the elec-
tion at the August 20 hearing,
and if voters later approve the is-
suanee of \$275,000 in bonds, the
program would include:

1. The buying of right-of-
way so that the State High-
way Department can widen
a bypass route of Highway 84
to a four-lane, divided road
from the Hockley County line
to a point four miles north-
west of Littlefield. The road
would bypass Littlefield it-
self, winding around the city
to the south through present
airport land, and join the pre-
sent road northwest of Little-
field.

2. The improvement of pre-
sent highway within the city
limits. The highway depart-
ment will widen the present
road to four lanes from the
east city limits to Hall Ave-
nue, provided 10 more feet of
right-of-way can be obtained
along the south side of 84
between Hall Avenue and 6th.
Then the road would narrow
to its present width until it
reaches Phelps, where it would
again be widened to the full
four-lanes.

The Santa Fe company has
agreed to give right-of-way at
the north end of Phelps. The
road would narrow again from
the bus station to a point about
100 feet west of the city water
tower on 84, but from there it
would be four lanes to the point
where it would bypass four-lane
route.

Engineers are now in the
process of surveying the pre-
sent 84 to study a surface
drainage system before final
widening can be made.

The \$275,000 bond election
would not include widening of
84 past the road district's bound-
aries. Although right-of-way for
84 has been purchased in Bailey
and Hockley counties, a strip
from the road district's bound-
ary to the west county line would
be left without right-of-way
funds. In order for the road to
be widened all across the county,
the other road districts for the
towns of Amherst and Sudan
would have to vote money for
their portions.

Opening of Lighted Runway Is Set For Saturday

Free coffee and doughnuts will
be the menu at the formal open-
ing of new runway lights at Dug-
gan field Saturday night starting
at 8 o'clock, announced Virgil
Teague, airport manager and
Doss Maner, a member of the air-
port board.

Assisting with the opening of
the lighted runway supervised by
the Civil Aeronautics Association
will be planes from Lubbock and
Plainview. Mayor Ray Keeling
will present the welcome address

THE BLANTON SURVEY: AGRICULTURE Study Shows The Farm's Importance

Editors Note: This is the
first in a series of eight con-
densed articles on the Burt C.
Blanton industrial survey of
Littlefield and Lamb County.
These articles are prepared in
the belief that every citizen
of Lamb County should be in-
formed of the area's present
status and its possibilities for
the future.

By BILL TURNER
The story of Littlefield and
Lamb County, told in Dallas En-
gineer Burt C. Blanton's recently
completed technical survey, is a
revelation in itself.
But, there is also much be-
tween the lines of this concise,

124-page book.
Much of Blanton's research
tells us what we already know,
but much more of this intensive
study deals in things the average
citizen never stops to think about.
Blanton's report is as it
should be. It deals in facts—
and it is straight to the point.
It is the sort of thing that
will impress industrialists.

In his introduction, Blanton
tells us that the corporate area
of Littlefield is 3.0 square miles,
that this city's elevation is about
3,556 feet and that Lamb county's
total area is 1,022 square miles.
Littlefield's local trade area,
according to Blanton, is made up

of eight counties, including all of
Lamb, Bailey and Cochran and
parts of Castro, Hale, Hockley,
Lubbock and Parmer counties.
Technically speaking, soils in
Lamb County are designated as
"fertile sandy loams and choco-
late loam soils." He goes on to
say that soils in this region have
"good moisture retaining capa-
city and are underlaid with an
abundant supply of water."

From there, Blanton moves
into this county's major in-
dustry—agriculture. At the
outset, he says that Lamb
County ranks as one of the most
important agricultural, live-
stock and livestock pro-

ducts producing counties in
the Panhandle.
As principal crops, he lists
alfalfa, barley, cabbage, carrots,
corn, cotton, cucumbers, grain
sorghums, lettuce, oats, onions,
peppers, potatoes, tomatoes and
wheat.

One interesting observation is
that Lamb county has 100.8 per-
cent of its land in farms and ran-
ches. How? The excess in farm ac-
reage over land area is due to the
fact that the entire acreage of a
farm is tabulated as in the county,
even though a part of the farm
may be situated in an adjoining
county.

Pre-Nuptial Shower Honors Miss Jeffries

Miss Sharon Jeffries, bride-elect of Tommy Brawley, was complimented with a pre-nuptial shower Tuesday evening in the home of Mrs. Ray Hulse. Calling hours were between seven and nine.

Topping the mantle was a miniature bride doll beneath a make-believe cloud depicting a shower. White satin streamers flowing from the cloud was lettered with Sharon and Tommy. Arrangements of yellow and white shasta daisies decorated the entire house.

Centering the serving table laid in a white linen cloth were tiny bridesmaid and bride dolls. The bridesmaid doll adorned in yellow held a blue garter. The bride doll was attired in a white wedding gown. The background was a trellis effect with white and yellow glads and yellow daisies entwined. Guests were served dainty yellow cakes topped with white wedding bells, and pineapple sherbet from a crystal punch service.

Cohostesses with Mrs. Hulse were Mesdames J. J. Itterfy, Bruce Forcher, Arthur Jones, Andy Houk, A. B. Brown, Curtis Chisholm, Viggo Peterson, A. S. Parnack, Elmer Hall, W. H. McCown, Maule Street, W. E. Heathman, and Paul Jensen.

Miss Jeffries and Mr. Brawley will be married August 17th in the First Baptist church.

Bridal Shower Is Courtesy To Mrs. Hukill

HART CAMP - A bridal courtesy for Mrs. Waylan Dean Hukill, formerly Miss Sue Sullivan, was given at the Hart Camp Community Center, Friday afternoon.

Assisting with the hostesses were 15 Fieldton community women and 16 from Hart Camp. Included were Mrs. H. V. Lynch, Mrs. Blanton Martin, Mrs. Dewey Parkey, Mrs. Edwin Oliver, Mrs. C. M. Osthus, Mrs. C. E. Timmins, Mrs. John Rice, Mrs. Bill Nicholas, Mrs. H. E. Field, Mrs. Ray Johnson, Mrs. Roy Osthus, Mrs. Homer Worley, Mrs. Ivey Thompson, Mrs. J. W. Wells, Mrs. L. H. Neimast, and Mrs. Junior Muller.

Miss Phyllis Worly registered the guests. Approximately 100 attended and others sent gifts. Guests were present from Lubbock, Littlefield, Hereford, Olton, Spade, Fieldton and Hart Camp.

The table was laid with lace over green, with appointments of crystal, lime punch and cranaps were served the guests. A floral arrangement completed the table decor. A pastel green and white umbrella held an array of gifts on a table near by. Miniature umbrellas were plate favors.

Mrs. Paul Hukill and Mrs. L. W. Sullivan assisted the bride in opening the many packages. The Hart Camp hostess gift was china, while the Fieldton hostess gift was an iron and ironing board complete. The couple were wed July 2nd in New Mexico, and now reside in Lubbock.

Baptists Host Y. W. A. Council Meeting Monday

Dr. John Rankin, pastor of the First Baptist church at Amherst, was the guest speaker Monday night at the Y. W. A. Council meeting held in the First Baptist church, Littlefield. Dr. Rankin showed slides taken on his tour into Old Mexico.

Carmine Hulse acted as pianist and Leta Merle Roberts led the song service.

Phyllis Jeffries presided during the business session that followed. Representatives from the Littlefield, Circleback, Earth and Amherst Young Women's Associations attended. Plans were made for the election of officers. The president will be selected from the Circleback group, vice president from Littlefield, secretary from Muleshoe, and the song leader and pianist from Earth. Each church will also have its own program chairman. The new officers will be announced at the next meeting, October 2nd at Muleshoe.

Refreshments were served to the 25 young women attending, by Mrs. Viggo Peterson.

Mrs. Durham Directs Royal Service Program

Mrs. Russell Durham directed the Royal Service program at the Parkview Baptist church Women's Missionary Society meeting Monday afternoon at four in the church. Others participating in the program were Mrs. Sid Bell, Mrs. N. C. Run, and Mrs. Leo Burton. The group will meet next Monday at 4 p. m., in the church.

Cotton Center Girl Wins 4-H Club Scholarship

Sharon Thompson, the daughter of Mr. and Mrs. Lewis F. Thompson of Cotton Center, 4-H club was named winner of the District II Scholarship by Mrs. Aubrey W. Russell, District Agent in Lubbock. This scholarship is furnished by the Home Demonstration clubs in District II and goes to the outstanding 4-H club girl of the district who plans to attend Texas Technological College and major in Home Economics or related subjects.

Sharon has been a 4-H club member in Hale County for eight years, and has won many honors with her work. In 1956 Sharon was the co-chairman for the District II Joint Camp that was held in Lubbock at the Panhandle and South Plains Fair grounds early in July. She is also the district representative to the State 4-H Council. In 1954 she won a trip to the national 4-H Congress at Chicago on her records. In 1955 she was county Dress Revue winner and represented Hale County in the District and State Dress Revue.

She has been active in her local club and in Hale county activities. She has carried on result demonstrations in food preparation, frozen foods, dairy foods, canning, gardening, clothing, electricity, bedroom, leadership, safety, citizenship and leadership. She has helped other 4-H club members with their activities and has been one of the leaders in Hale county in their county-wide activities.

Barbara Thornton of the Vigo Park 4-H club in Swisher county was named alternate for the scholarship. She has carried on demonstrations in food preparation, dairy foods, canning, frozen foods, clothing and gardening. Besides these demonstrations in home economics she also had beef cattle and carried on a tractor maintenance demonstration.

The judging committee visited both girls on Wednesday to decide on the winner. This committee was composed of Mrs. Jewel Robinson, County Home Demonstration Agent of Hockley county, Miss LaRue Gilmore, County Home Demonstration Agent of Yoakum county, Mrs. Bayne McCurry, Treasurer of the Scholarship Fund and the Council Chairman of Lamb county, and a 4-H Leader at Spade, Mrs. Wilson Campbell, a 4-H Leader at Popesville in Hockley county, and Miss Elvera Duerksen of Plainview, a past winner of the scholarship.

Christian Youth Sponsor Car Wash

A "car wash" will be sponsored by the youth of the First Christian church Friday between 10 a. m., and 4:30 p. m., or by appointment. Donations for this service will be used to purchase recreation equipment for the church.

Youth Singspiration Scheduled Saturday

Coach Gene McCantles will be the featured speaker at a Youth Singspiration scheduled Saturday, 7:30 p. m., at the First Baptist church. Musical selections will be presented by the chorus followed by McCantles' devotional, "Game of Life," a recording depicting God and Satan as opposing teams will also be played.

A fellowship period and refreshments will follow. "All Baptist young people and youths of other denominations of the community are invited to attend." announced Kenneth Hill, educational and musical director of the church.

Sullivan, Trussell To Conduct Baptist Revival Services

Revival services will get underway Sunday morning at the regular services of the First Baptist church. The evangelist is Rev. Avery J. Sullivan, pastor of the First Baptist church, Roscoe. Sullivan is the brother of Mrs. Eugene Johnson, and Mrs. Wiley Roberts, of Littlefield.

Inspirational gospel music will be directed by Dr. Joe Trussell of Houston, internationally known singer and recorder of religious music. Although the revival will begin Sunday, Trussell will not be here until Monday. He will be accompanied by his wife who will serve as pianist and direct Band Booster activities during the revival.

Services are scheduled for 10 a. m., and 8 p. m., daily. The public is invited to attend.

MISS JOYCE SANDERS

Couple Sets September Wedding Date

Mr. and Mrs. Guy Sanders of Bula announce the engagement and approaching marriage of their daughter, Joyce Lavine Sanders, to Ralph Beasley, son of Mrs. Roger Beasley.

The ceremony will be performed Saturday, September 8, at 4 p. m., in the Enoch Baptist church.

Miss Sanders attended Bula schools and will be a senior this fall at Texas Technological College. She is employed by the FHA office in Morton.

Chapman Wins Detroit Trip

W. D. Chapman, local Woodman of the World Life Insurance Society representative, was informed last week that he is the winner of a trip to Detroit, Mich.

Reservations will be made at the Statler Hotel for Mr. and Mrs. Chapman. Registration will begin at 3:30 p. m., August 19th. Programs have been planned for Monday and Wednesday, as well as a trip to Greenfield Village, the Ford plant, and Windsor, Canada on Tuesday.

Chapman was awarded the trip on the basis of insurance policies sold. He has been associated with the WOV for the past 14 years. In the past he has won trips to St. Louis, Mo., Los Angeles, Calif., LaRado, Texas, Hot Springs, Ark., and other places of interest.

Carol Adams Is Honored With Birthday Party

Layman's Retreat Is Set For Friday

Northwest Texas Methodist conference laymen will begin gathering at Ceta Canyon Methodist Assembly Friday evening, August 3, for their tenth annual retreat, which is sponsored by the conference board of lay activities, headed by Ray H. Nichols of Vernon.

Featured speakers will be Dr. J. Chess Lovern, Lubbock, Dr. Edwin A. Briggs, Chicago, Ill., and Dr. J. Albert Gatlin of Paragould, Ark.

Activities get under way Friday at 7:30 p. m., with a song service and will continue through Sunday noon, August 5. Dr. Lovern will be the Friday night speaker. Pastor of First Methodist church, Lubbock, since June, 1954, Dr. Lovern served Laurel Heights Methodist church, San Antonio, for five years; Harlingen, six years; Edinburg, three years; LaFeria, two years; and was an associate pastor of First Methodist church, San Angelo, for three years. He is a native of Georgia; attended Emory College, Oxford, Ga., for two years; Southern Methodist university, Dallas, in 1931, and remained through August 1935, completing work for A. B. and B. D. degrees. He joined the Southwest Texas Methodist Conference in the fall of 1935.

Dr. Lovern will also be speaking at 10:45 a. m., and 8:15 p. m., Saturday. Other Saturday features will include a discussion of "Stewardship: A Definition," by Dr. Briggs, Associate Secretary of the General Board of Lay Activities, the Methodist Church, and Head of the Department of Stewardship, Native of Cory, Pa., Dr. Briggs graduated from Taylor University, Upland, Ind., and holds Bachelor of Divinity and Doctor of Theology degrees from Illinois School of Theology, Denver, Colo. He has done graduate work at University of Chicago and holds an honorary Doctor of Divinity degree from Simpson College, Indianola, Iowa. Dr. Briggs served seven-year pastorates at Boone, Iowa, and Newton, Iowa, before going to Clark Hill Methodist church in Denver, Colo., in 1952. He has worked in the field of stewardship cultivation in all his pastorates. Briggs joined the General Board of Lay Activities in the fall of 1955.

Briggs will also speak Saturday at 2:45 p. m., on "Stewardship of Possessions."

There is a meeting of the conference board of lay activities scheduled for 4:15 p. m.

Dr. Gatlin will speak for two worship services Sunday, scheduled for 8 a. m., and 10:45 a. m.

Native of Arkansas, Gatlin is now serving as Paragould Methodist district superintendent in the North Arkansas Methodist Conference. He is a graduate of SMU. As superintendent of the Jonesville Methodist district (1942-48), he developed a lay preaching program which attracted attention throughout the church. He has written several books on work in small town and rural churches as well as others on the work of laymen in the church, particularly in the field of lay speaking and preaching. He was a featured speaker at the Northwest Texas Conference lay retreat in 1948.

Bond Vote

(Continued from Page 1)

Tanner, the mayor of Springlake, intimated that Halseell and Daugherty had been approached by representatives of large cities, but that both had agreed that they would rather cooperate with their home county than with other offers.

Willis, the hydrologist, testified that if "a large percentage of water is moved rapidly, you can deplete the water in the sandhills, and that will affect the adjacent area."

He said that water tables have declined in Lamb County anywhere from 15 feet in places to 35 feet in others since 1938.

He said that the "greatest decline is to come," because of the rapid advancement of irrigation in recent years.

In the afternoon, Paul Lewis and Hamp McCary of Littlefield and Harold Allison of Pleasant Valley were called to the stand. Lewis, a member of the committee which set the district's boundaries, explained how the metes and bounds were decided upon. Allison told how irrigation next to his property some years back had affected his property, and McCary explained that he felt real estate values would be highly endangered by loss of water.

Study Shows

(Continued from Page 1)

Lamb county had 1787 farms and ranches in 1954, with the average size per farm or ranch about 368.9 acres. In 1940, there were 2167 farms, with an average value of \$33.17 per acre.

Fourteen years later, with irrigated land jumping from 16,467 acres in 1940 to 263,764 in 1954, the average acre was valued at a whopping \$155.76.

A good two-thirds of the land in farms is harvested cropland.

Although cotton has always been the major crop tables reflect the ability of the Lamb County farmer to raise all kinds of crops. The production of alfalfa during the period jumped to seven times the 1940 production. Cotton production better than tripled and today grain sorghums are produced at five times the rate of 1940.

Along the same line, farm products' total value increased from \$7 million in 1940 to \$34 million in 1954.

Blanton's "conservative estimate" of farm products total value in 1960 is \$46 million; in 1970, \$59 million; and in 1980, \$71 million.

"Lamb county has almost unlimited potentialities in relation to the variety of crops, fruits and vegetables which can be grown under irrigation," Blanton says.

He lists these fruits and vegetables as those which could be grown in this county on a commercial scale to be utilized by canning plants and related industries: blackberries, cabbage, carrots, cucumbers, cherries, cherry plums, dewberries, grapes, pears, peppers, tomatoes, strawberries, sugar beets, sweet corn, and peonies.

Tom Lewis, Van Ashley Remain Home Run King

Van Ashley of the WOW and Tom Lewis of the Lions Little League teams stayed tied for the home run lead Tuesday as both put the ball out of the park for the fifth time this season.

Ashley got his in the early game Monday against Foust Food and Lewis got his in the nightcap as the Lions beat the VFW.

The WOW now leads all teams in home-runs with seven while the Lions and Jaycees follow a close second with six each.

The year's total for home runs now stand at a total of 26.

VFW Edges Out Foust Food 8-6 In Make-Up Game

The VFW beat Foust Food 8-6 in a make-up game Saturday night to keep their hopes alive for a berth in the playoffs.

The VFW got four big runs in the fourth inning to go ahead 6-4 but the Foust Food team tied the game up with one run in the bottom of the fourth and another in the bottom of the fifth.

Joe Huber punched across a couple of runs in the top of the sixth with a hard hit single to win the thriller from the "Food-men".

Winning Pitcher, Joe Huber (3-4); Losing Pitcher, Terry Gage (0-1).

Jaycees Plaster Yarbrough 18-2 To Keep Lead

The league-leading Jaycees put a little more room between them and the WOW in the league standing Monday afternoon as they handed the third place Yarbrough team a convincing 18-2 defeat.

Pete Estrado pitched the first three innings to get credit for his ninth win of the season against no losses, the best in the league.

The Jaycees got a total of ten hits while Yarbrough managed to get only one safe hit during the game, a single by Mike Nelson in the second inning.

Billy Halton lead the hitting attack for the Jaycees getting three hits out of four times at bat.

Winning Pitcher, Pete Estrado (9-0); Losing Pitcher, Grover Lee Pilgram (2-4).

Rotary Downs Lowe & Co. 13-6 In Monday Game

The Rotary team bounced back into the win column Monday night as they beat the cellar-dwelling Lowe & Co., team 13-6.

Lonnie Cape pitched four innings for the Rotary to get credit for his first win of the season.

Caps and Larry Woods also lead the Rotarians in the hitting department as they both got three

Foust Food Beats WOW 9-2 To Stay In Fifth Place

The Foust Food team dimmed whatever hopes the WOW had of over-taking the Jaycees Tuesday afternoon as they beat the second place team 9-2.

Foust got five big runs in the bottom of the second inning to break a 1-1 tie after Van-Ashley had hit his fifth home run of the season in the top half of the second to tie the game.

Foust got only two safe hits off the offerings of four WOW hurlers but the Woodmen made seven errors that cost them the game while Foust committed only two miscues in playing good defensive ball.

Kenneth Moore, Van Ashley, Raymond McKinny and Roger Morris all saw action on the hill for the losers while Dagwood Conley went the distance for the winners.

Winning Pitcher, Robert Conley (2-4); Losing Pitcher, Kenneth Moore (1-5).

Lions Beat VFW 8-1 As Lewis Wins Fifth Game

The Lions grabbed hold of sole possession of fourth place in the League Standings as they handed the VFW a 8-1 defeat Tuesday night behind the brilliant pitching of Tom Lewis.

Lewis picked up his fifth win of the season as he struck out 13 of 15 batters and giving up only three hits.

Lewis also remained in a tie for the league lead in home runs with Van Ashley as he punched his fifth one of the season out of the park in the second inning with two men on to give the Lions a 4-0 lead at the time.

John Foley and Joe Huber got a single apiece for the Veterans and Foley scored the lone run for the Veterans in the fifth frame when Steve Short got a triple off of Lewis.

Johnny Weaver was the only Lions to get more than one hit as he collected on two of three trips to the plate.

Winning Pitcher, Tom Lewis (3-5); Losing Pitcher, Jerry Potts (3-3).

Sumralls Horse Wins At Ruidoso Downs

I. F. Sumrall's "Be Bold" won the eighth race Sunday at Ruidoso Downs.

Sumrall's horse paid \$5.60, \$3.70 and \$2.10 in winning the 550 yard race in 29.3.

hits out of four times at bat.

The big innings for the Rotary was the fourth as six runs crossed the plate off of four hits.

Roy Gene Edwards, the losing pitcher was the only Lowe player able to get more than one hit, he collected two singles out of four times at bat.

Winning Pitcher, Lonnie Cape (1-0); Losing Pitcher, Roy Gene Edwards (2-5).

Joe's The Champ, But Orton To Get Another Chance

Tokyo Joe, the newly crowned Southwest States Junior Heavyweight champion, has been ordered to defend his newly-won belt immediately by the state wrestling commission. This order came about as the result of a meeting with the district commission for the state in Amarillo Monday afternoon.

The Japanese judo-chopper defeated the champion, Giant Bob Orton, in a rugged grudge battle for the title last Saturday night at the Littlefield Sports Arena and in doing so not only picked up the championship, but also a side wager of \$500 put up by the two men.

Promoter John Usery traveled to Amarillo Monday to state his case before the district commissioner after Joe turned down Usery's bid for a rematch. Joe told Usery, "I am very happy to have the championship! I don't have to defend it for 30 days and I don't intend to do so until that time."

The local promoter had approached Joe concerning the rematch after ringsiders and Orton protested vigorously that Joe had used salt or some mysterious potion in Orton's eyes during the deciding fall. Both Usery and last week's referee Johnny Usery examined Orton, but could find no trace of salt on Orton's face, but so many

Records Crowds Expected For HS All Star Games

LUBBOCK (Spl.) — Record crowds are expected in Lubbock August 9 and 10 to watch the all-star basketball and football games scheduled as highlights of the giant Texas High School Coaches Association School, August 9-11, according to Bruce Kattman and Earl Collins, co-chairmen of the event.

Plenty of tickets for both games are still available, reported Ticket Chairman Guy Victory. The two athletic events feature the top high school basketball and football performers in Texas, the star-studded rosters containing the names of many West Texas All-Staters and All-District players.

The all-star basketball game will be played Friday evening at Jones Coliseum Thursday, August 9 at 8 p. m. Tickets are \$1 for adults and 50 cents for students.

The all-star football game will be played Friday evening at Jones Stadium with kick-off time set at 8 o'clock. Tickets are \$2 for reserved seats and 50 cents for students sitting in the students' section. There will be no general admission tickets.

Tickets may be obtained from the Texas Tech Athletic Department, in care of Jimmie Wilson; also at Heemphill-Wells Department Store and the Public School Office. Those ordering by mail are requested to specify which game they want to attend.

fans insisted that Joe had used something and Orton protested so loudly that Usery decided to check further into the case.

Joe's championship aspirations may be short-lived as Orton will get the chance to reclaim his championship in the return battle this week. The match will be for two out of three falls with a 90 minute time limit.

Orton actually was getting the best of Joe in last week's encounter when Joe ducked a flying tackle by Orton and Big Bob slammed through the ropes and into a corner post cutting his head open and leaving him groggy. Joe then worked Orton over and pinned him for the deciding fall after enlarging the already huge gash suffered by Orton when he hit the corner post.

The championship is the second half of a two event. Promoter Usery and Gory Guerrero and promoters Newman in a test going for the best three falls.

Newman made his debut last week and showed his wrestling abilities of winning a popular would be seriously challenged by the other hand Guerrero, the most popular grappler step into the Littlefield arena.

Newman won the decision he applied his "buster" (taught him Schnabel) on Guerrero's side the ring. Gory made decision, so Usery ended this one too.

Adults too often will put on a show of courage with a "cold," rather than retire and rest—and call the Doctor. Pneumonia sometimes attacks such stalwarts.

Do not try to be brave with a "cold," however simple. Follow the well-established guidance—rest, eat a well-balanced diet, and drink plenty of water and fruit juices. If symptoms persist, call your Doctor promptly, while there is still time for treatment of the current illness and prevention of possible hazardous complications. If medication is indicated, we will be happy to render the best in Pharmaceutical service in filling your Doctor's prescriptions.

COURT UPHOLDS UNION SHOP
Texas' controversial right-to-work law has lost another round in the courts. But champions of the law say the issue is far from being settled.

By a 6 to 3 decision the State Supreme Court upheld a closed shop contract between unions and Santa Fe Railway Co.

Texas law prohibits compulsory union membership, but a 1951 act of Congress authorized closed shops in the railway industry. Atty. Gen. John Ben Shepperd, who had intervened on behalf of Texas law, predicted a motion for rehearing after the court reconvenes Oct. 3. "The full question of compulsory union membership is yet to be determined," Shepperd said. "Nor do I think the majority decision abrogates our right-to-work law."

Their decision, majority judges noted, paralleled a U. S. Supreme Court ruling in a similar case from Nebraska. Union shop contracts, said the Texas ruling, do not "compel full union membership, but only payment of union dues and assessments."

Dissenting judges spoke out against "Compulsory financial support of a private organization by those who do not subscribe to its program" as "the chief evil to be forever prohibited."

1957 ROAD PROGRAM ANNOUNCED
Plans to spend \$229,000,000 on building new roads in 1957 have been outlined by the Texas Highway Department.

In addition, \$35 million will be spent on maintenance. Through the federal aid bill, Uncle Sam will absorb \$117,000,000 of the \$264,000,000 total tab.

Motorists can look forward to smooth sailing on the roads planned under the new federal-state building program. Some 3,000 miles of modern expressways without cross traffic or railroad crossings are due in the near future, said State Highway Engineer DeWitt Greer. Many will be divided highways. Two-lane roads will be built so two more lanes can be added.

In anticipation of this flood of highway spending, road contractors are trying to get enough engineers and skilled laborers to do the work. Texas Highway Branch, Associated General Contractors, is considering two plans.

One is to grant scholarships to engineering colleges. Another is to set up a training school on operation of machinery and heavy equipment at some university.

MORE INTEGRATION PREDICTED
More integration in Texas public schools next year is predicted by the Texas Commission on Race Relations.

Austin headquarters of the anti-segregation commission said last week that 300,000 students in 71 districts attended wholly or primarily integrated schools last year.

This meant that one in five of the state's 1 1/2 million students and one in 26 school districts were affected. None of these was located in the eastern quarter of the state nor in the major cities of Houston, Waco, Dallas and Fort Worth.

Ninety Negroes are expected to enroll with some 18,000 white students at the University of Texas this fall. Thirty will be freshmen who passed admissions tests; 19 transfers from other colleges and about 40 returning graduate students.

This will be the first time for Negroes to attend the University's undergraduate schools.

VACCINE SUPPLY OVERFLOWS
In April, Texas had too little polio vaccine for too many people. Today the problem is reversed.

Despite the State Health Department's continuing campaign

for wider use, Texas turned back 90 per cent of its most recent vaccine allocation. Lack of demand was given as the reason.

In Austin the county polo chapter chairman suggested Salk shots be made compulsory for school entrance, just as smallpox and diphtheria vaccines. School Board members promised to consider it at their meeting August 13.

SHORT SNORTS

Manufacturers will be asked to discontinue production of insecticides containing thallium sulphate, a State Health Department official reports. At least three children have died and dozens more have been hospitalized from thallium poisoning, said the announcement.

... Texas will be asked to provide 687 men in September draft call, said State Selective Service Headquarters. At the same time draft boards will be asked for 1,140 men to take pre-induction physical and mental examinations.

... Lower Rio Grande Valley farmers have ginned 149,073 bales of cotton so far this year, compared with 138,915 for the same period in 1955, said the State Agriculture Department.

... Texas has won two more civil suits for recovery of veterans land funds. An Austin district court has just awarded the state judgments totaling \$97,611.00.

... E. C. Nelson, senior engineer assistant at the State Health Department, resigned last week to enter private business. He is the second engineer to leave the department within the past month.

Crosshairs used in microscopes and telescopes are often made of platinum wire with a diameter as small as four one-hundred thousandths of an inch. Platinum is used for this wire, which is so fine that it is invisible to the naked eye, because it will withstand the drastic working operation to make it so fine.

In its fabrication, a larger platinum wire, surrounded by a heavy silver jacket, is drawn to a small over-all diameter. The silver is then dissolved away, leaving the minute platinum wire core.

Sand Hills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm, seems to be puzzled this week, which is really his customary turn of mind, only he doesn't always recognize it.

Dear Editor:
I don't get to read a newspaper every day and I've been wondering—during a few weeks in my reading has Congress repealed the law of supply and demand?

The reason I ask this is that yesterday I picked up a paper from the road out here near my farm where somebody had spread it on the ground to get under his car to put the jack to fix a flat and I took it home and read where living costs have hit an all-time high.

Now that in itself wasn't news to me, as best I can tell, living costs have been going up ever since I can remember, every year it takes a little more than it did the year before to get by. If you don't believe this, ask anybody you know, but what did floor me was the statement that the reason living costs have gone so high is because food prices have jumped.

But the people I sell what I produce out here on this farm have been telling me the reason the price I get is so low is because of the huge surplus.

What this looks to me like is that the more the farmers produce, the higher the price of food goes, on the way back, that is, not as it leaves the farm.

Everybody blames this on the middle man, and what I've been wondering is why ain't the middle man subject to the law of supply and demand the same as us farmers?

As I say, I may have missed reading the papers on the days Congress repealed this law, or the Supreme Court ruled it unconstitutional, and if so I would appreciate you getting hold of our Congressman and straightening me

out on this.

Understand, I'm not opposed to this new working of the law of supply and demand, I have been contending for years that what the farmer needed was high prices when he raises a lot, not when he raises a little, can't anybody get ahead on that plan, and it looks like the middle man has figured out the secret, which is worth a lot more than the secret of the atom bomb, and apparently is a lot more closely guarded. At least none of us farmers have been able to figure it out, just as very few Congressmen are equipped to make an atom bomb.

Yours faithfully,
J. A.

Letter To The Editor . . .

Dear Editor:
Little Kippy is gone and may the person be forgiven who shot him. Kippy was just a little black and white dog, but Kathy and Kay will never forget him.

It is a shame that we have a person in Amherst who will take his gun and go on some one else's property and shoot a little dog which has done him no harm. Kathy and Kay were away on vacation, thinking that Kippy was perfectly safe at home, but when they returned, their dog could not be found, and they later found he had been shot that very morning, practically in their own back yard.

The person who did this probably thinks he has done something big, but while he is glorying in his deed two little girls are crying for their pet, of which they thought just as much as some people do of their horse or any possession they might have. We hope this person thinks before raising his gun to shoot another pet. Besides breaking some child's heart, his bullets are ricocheting around in a neighborhood of playing children, and it could be a child along with the pet that is struck down.

IT'S THE LAW
in Texas
A public service feature of the State Bar of Texas.

WILL REDUCE COMPLICATION IN SETTLING ESTATE
A properly drawn will can be the means of short-cutting many legal formalities and save a great deal of time in distributing the estate of a decedent among his rightful heirs. It may also serve to save many dollars in legal fees and court costs.

As an example, whenever a person dies without a will and it is necessary for the probate court to appoint an administrator of his estate, the person so appointed is required to post a bond. This bond is for the purpose of insuring the faithful performance of his duties.

The amount of the bond must be double the estimated value of the personal property of the estate plus a reasonable amount to cover prospective rents and other income from real estate involved. The administrator's bond must be kept in force until the estate is finally closed and he is discharged from his obligation by the court.

The same rule applies to an executor under a will, unless the testator has specified that no bond shall be required. This provision may be inserted or left out of the will at the option of the maker. Needless to say there are situations in which the bond serves a real purpose. But, when not needed, the statutory requirement may prove a distinct annoyance to the executor and a burden upon the estate in the form of annual premium payments.

Another example: A court appointed administrator may not sell any property of an estate without an order of the court authorizing him to do so. He must make application to the court for approval of each sale. The court must be advised of and approve the sales price and the manner in which the same is to be collected. Similar provisions apply to the making of mineral leases and other transactions.

These provisions apply equally to the executor of a will, unless the testator has freed him from such requirements. A single short paragraph inserted in a will designating him as an independent executor in appropriate phraseology may serve this purpose. Then he will have a free hand to dispose of property upon short notice whenever a favorable opportunity arises, with a minimum of legal formality.

Since every application or other paper filed with the probate court and every order obtained from the court involves the expenditure of attorney fees for its preparation and court costs for its handling by the clerk, in proper cases many dollars may be saved for the heirs by adequate provisions of a will.

Truelock attended Olton High school.

Texas Industry To Expand Next Six Months

AUSTIN — Texas industry, just past the midpoint of its busiest year, will continue to expand during the last half of 1956, the University of Texas Bureau of Business Research predicts.

Steel output will soar if a proposed \$250 million to \$300 million mill is built in Houston, as observers predict it will be. Another steel company expects to add 100,000 tons of ingot capacity to its mill near Daingerfield, in a \$4 million expansion program.

A new million-dollar plant at Rosenberg will specialize in tubing for the petrochemical and refining industries.

Aircraft manufacturers in Texas have secured substantial numbers of new contracts and several plants are being expanded.

Refining capacity will be stepped up at a Baytown plant through a \$27 million expansion program. The payroll and output capacity of a Fort Worth butadiene plant is being increased substantially.

Other expansion plans in Texas include those of wood products, an oxygen plant and a nuclear-powered-aircraft research laboratory.

Eddie Dugan, West Virginia senior, holds the school record touch down run. He ran 90 yards for the Mountaineer freshmen in scoring against Waynesburg in 1952.

NOTICE OF ELECTION FOR CREATING AND ESTABLISHING A BOARD OF CITY DEVELOPMENT AND AUTHORIZING THE CITY COMMISSION OF THE CITY OF LITTLEFIELD, LAMB COUNTY, TEXAS, TO APPROPRIATE A SUM NOT TO EXCEED FIVE CENTS ON THE HUNDRED DOLLAR ASSESSED VALUATION WITHIN SAID CITY FOR THE PURPOSE OF ADVERTISING AND PROMOTING THE GROWTH AND DEVELOPMENT OF SAID CITY

THE STATE OF TEXAS
CITY OF LITTLEFIELD
COUNTY OF LAMB

TO ALL QUALIFIED VOTERS OF THE CITY OF LITTLEFIELD, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID CITY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in the City of Littlefield, Texas, on the 21st day of August, 1956, to determine whether or not the City Commission of said City shall be authorized to create and establish a Board of City Development and authorize the City Commission of the City of Littlefield, Lamb County, Texas, to appropriate a sum not to exceed five cents on the hundred dollar valuation within said City for the purpose of advertising and promoting the growth and development of said City, and which said election was duly called and ordered by the order of the City Commission of said City, passed on the 24th day of July, 1956, and which ELECTION ORDER is made a part of this Notice, and is in words and figures as follows, to-wit:

ELECTION ORDER

THE STATE OF TEXAS
CITY OF LITTLEFIELD
COUNTY OF LAMB

ON THIS 24th day of July, 1956, the City Commission of the City of Littlefield, Texas, convened in a special session, at the regular meeting place thereof in the City Hall, there being present and in attendance the following members:

RAY G. KEELING, MAYOR
JAMES F. CRUMP, and
O. J. MANGUM, COMMISSIONERS.

and with the following members absent: NONE, constituting a

quorum; at which time the following, among other business was transacted, to-wit:

It was moved by Commissioner James F. Crump and seconded by Commissioner O. J. Mangum that there be submitted to the qualified voters of the City of Littlefield, Texas, who are property taxpayers therein, and who have duly rendered their property for taxation, proposition for creating and establishing a Board of City Development and authorizing the City Commission of the City of Littlefield, Lamb County, Texas, to appropriate a sum not to exceed five cents on the hundred dollar assessed valuation within said City for the purpose of advertising and promoting the growth and development of said City.

The above motion carried by the following vote:

Mayor Keeling and Commissioners Crump and Mangum voting "AYE"; and none voting "NO".

Thereupon, Commissioner James F. Crump introduced an order calling an election for the purpose of submitting the proposition to a vote of the qualified property taxpayers of said City; and moved the passage and adoption of such order. The Motion was seconded by Commissioner O. J. Mangum.

The motion carrying with it the passage and adoption of the election order, prevailed by the following vote:

Mayor Keeling and Commissioners Crump and Mangum voting "AYE"; and none voting "NO".

THE ELECTION ORDER is as follows:

WHEREAS, the City Commission of the City of Littlefield, Texas, has had presented to it the following petition which is in words and figures as follows:

STATE OF TEXAS
COUNTY OF LAMB
PETITION FOR CREATION OF A

BOARD OF CITY DEVELOPMENT

TO THE HONORABLE CITY COMMISSION OF THE CITY OF LITTLEFIELD, TEXAS:

WHEREAS, continuing decrease in farm income has caused serious business decline in Littlefield, Texas, with resultant vacant buildings, lower rentals, and more unemployment; and

WHEREAS, the City of Littlefield and surrounding territory have

been generously endowed by nature with fertile land, an abundance of water, adequate supplies of natural gas and electricity for power, adequate transportation facilities and a fine class of citizenry, all of which means the City of Littlefield, Texas, is an appropriate location for the establishment of small industries which use area products and moderate amounts of water; and

WHEREAS, the location and establishment in Littlefield of such small industries could make available more employment possibilities, provide pay rolls, provide more and better market for products grown by farmers in the area and would thereby stimulate business and increase the tax rolls of the City of Littlefield and surrounding territory; and

WHEREAS, Acquainting the proprietors of such businesses and industries with the existence of our favorable resources requires the ascertainment of pertinent facts and the advertising of such facts and a promotion of the growth and development of such City, which are proper functions of the City acting through its Board of City Development, and since funds for the operation of such body can be made available by the City if a majority of the qualified property tax paying voters of the City express themselves in favor thereof, under the terms of the Acts of the 54th Legislature, 1955, Page 949, Chapter 370.

NOW, THEREFORE, we, the undersigned qualified property tax paying voters of the City of Littlefield, Lamb County, Texas, who

have duly rendered property for taxation and reside within the City of Littlefield, Lamb County, Texas, respectfully pray that this Honorable City Commission enter its Order calling an election within said City for the purpose of allowing the qualified tax paying voters of the City by majority vote to authorize the governing body of the City to thereafter appropriate not to exceed five cents (5c) on the one hundred dollar (\$100.00) assessed valuation for the purpose of advertising and promoting the growth and development of the City of Littlefield, Lamb County, Texas.

DATED this 14th day of June, A. D. 1956,

which said petition was signed by W. J. CHESHER and 33 other qualified property taxpaying voters of said City; and

WHEREAS, the City Commission of the City of Littlefield, Texas, deems it advisable, necessary and essential to create and establish a Board of Development and

authorize the City Commission of the City of Littlefield, Lamb County, Texas, to appropriate a sum not to exceed five cents on the hundred dollar assessed valuation within said City for the purpose of advertising and promoting the growth and development of said City, and to submit the issue to the qualified property taxpaying voters of this City at an election to authorize the governing body of said City to thereafter appropriate not to exceed five cents on the hundred dollar assessed valuation for such property as provided and authorized in Article 1015j Revised Civil Statutes of Texas, as amended, the same being Acts 1955, 54th Legislature, Page 949, Chapter 370, Section 1; therefore

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF LITTLEFIELD, TEXAS:

I. That an election be held on the 21st day of August, 1956, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified electors who own taxable property in said City, and who have duly rendered the same for taxation:

PROPOSITION

"SHALL THE CITY COMMISSION OF THE CITY OF LITTLEFIELD, TEXAS, be authorized to create and establish a Board of City Development and authorize the City Commission of the City of Littlefield, Lamb County, Texas, to appropriate a sum not to exceed five cents on the hundred dollar assessed valuation within said City for the purpose of advertising and promoting the growth and development of said City."

As to the above proposition, each voter shall check in the box to the left of one of the above expressions, thus leaving the other as indicating his or her vote on the above proposition, all as provided by the law of the State of Texas for marking ballots at such elections.

That a copy of this order, signed by the Mayor of the City of Littlefield, Texas, attested by the City Secretary, or his duly authorized and empowered assistant,

under the provisions of and in accordance with the laws governing the calling of elections authorizing the governing bodies of cities within the State of Texas to appropriate a sum not to exceed five cents on the assessed valuations as provided in the General Laws of the State of Texas, and only qualified electors, who own taxable property in the City and who have duly rendered the same for taxation, shall be qualified to vote.

That the ballots of said election shall have written or printed thereon the following:

OFFICIAL BALLOT

"FOR CREATING AND ESTABLISHING A BOARD OF CITY DEVELOPMENT AND AUTHORIZING THE CITY COMMISSION OF THE CITY OF LITTLEFIELD, LAMB COUNTY, TEXAS, TO APPROPRIATE A SUM NOT TO EXCEED FIVE CENTS ON THE HUNDRED DOLLAR ASSESSED VALUATION WITHIN SAID CITY FOR THE PURPOSE OF ADVERTISING AND PROMOTING THE GROWTH AND DEVELOPMENT OF SAID CITY."

"AGAINST CREATING AND ESTABLISHING A BOARD OF CITY DEVELOPMENT AND AUTHORIZING THE CITY COMMISSION OF THE CITY OF LITTLEFIELD, LAMB COUNTY, TEXAS, TO APPROPRIATE A SUM NOT TO EXCEED FIVE CENTS ON THE HUNDRED DOLLAR ASSESSED VALUATION WITHIN SAID CITY FOR THE PURPOSE OF ADVERTISING AND PROMOTING THE GROWTH AND DEVELOPMENT OF SAID CITY."

As to the above proposition, each voter shall check in the box to the left of one of the above expressions, thus leaving the other as indicating his or her vote on the above proposition, all as provided by the law of the State of Texas for marking ballots at such elections.

That a copy of this order, signed by the Mayor of the City of Littlefield, Texas, attested by the City Secretary, or his duly authorized and empowered assistant,

shall serve as proper notice of said election.

VII.

That notice of said election shall be given by posting and publication of a copy of this order, at the top of which shall appear the words "NOTICE OF ELECTION FOR CREATING AND ESTABLISHING A BOARD OF CITY DEVELOPMENT AND AUTHORIZING THE CITY COMMISSION OF THE CITY OF LITTLEFIELD, LAMB COUNTY, TEXAS, TO APPROPRIATE A SUM NOT TO EXCEED FIVE CENTS ON THE HUNDRED DOLLAR ASSESSED VALUATION WITHIN SAID CITY FOR THE PURPOSE OF ADVERTISING AND PROMOTING THE GROWTH AND DEVELOPMENT OF SAID CITY." Said notice shall be posted at the City Hall and at least two other public places in said City, not less than fourteen (14) days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in Lamb County Leader, a newspaper of general circulation, published in the City of Littlefield, Texas, the first of said publications to be made not less than fourteen (14) days prior to the date set for said election.
