LITTLEFIELD, LAMB CO., TEXAS, THURSDAY, NOVEMBER 3, 1955

NUMBER 23

## Local People Will Attend Senate Hearing Saturday

The United States Senate hearing on the cotton program will be held at 10 o'clock at the Texas Capitol in Fort Worth on Saturday, November 5.

A senate group is holding hearings all over the United States to get the direct information from farmers and well-informed persons as to what the program should be.

Some of the chief items on which the hearing is being taken is the matter of sliding scale versus price supports.

Ellender of Louisiana is the chairman of the hearing.

Those planning to attend the hearing are: A. L. Walker, G. T. Sikes, Olin, Vic, Peck, B. Bradley and J. T. Hargrove, Arthur, Jack of Snader, Johnnie Galini, Chesher, Frank Ellison, J. H. Henson and John D. Smith, Littlefield.

## Yellow Boxes Are For Parking Fine Envelopes

A basket, a basket Not a yellow box, but a little yellow box—one on each side of the street and in each block in downtown Littlefield.

These boxes are for the parking fine envelopes. Postmaster Arbie Joplin, and his post office crew have spent considerable time taking them out of the mail and since there is no postage involved it is just added work for the Post Office and no compensation.

So—when you get that parking ticket—put it in the little yellow box and let the U. S. mail alone.

## Sheriff's Office Makes 69 Arrests In October

The Lamb county sheriff's office reports a total of 69 arrests for the month of October. The total for the weekend was 13 and there are nine boarders in the county jail.

Charges range in almost all practices which are against the law. Included in these are drunk driving, drunk in a car, drinking in public places, no driver's license, disturbance, assault, check law and any number of others.

The most unusual was when Charles Scott was picked up for cutting hair without a barber's license.

## Kickoff For Annual Held Wednesday

In assembly at Littlefield high school Wednesday morning the annual kickoff for the Wildcat Annual was held.

Sales of the annual began at that time. Several new features have been added this year to make the annual a bigger and better publication. A new enamel finish paper which will insure better reproduction of the photographs will be used, and the entire annual will be in printers type.

Mrs. Edward Betts, who is the sponsor says that it will be necessary to sell more than four hundred annuals.

The annuals will sell for \$3.50 until January 15 and after that day they will be \$3.75.

The last copy will go to the publishers around March 8. Publishers of this year's annual will be Newsfoto Publishing Co., of San Angelo, Texas. John Hall of Littlefield is the contract photographer.

The annuals will be delivered in early May.

This year's staff was chosen by the staff of the 1954 publication from applications from students. They are: Editor, Phyllis Jeffries, and business manager Linda Hoover. Others on the staff are: Gene Swartz, Bill Brondt, Johnita Galini, Beverly Yohner, Donna Gertz, Don Hovens, J. Boyd Redwell, Charles Duvall, Mary Nell Crosby and Sam McCormick.

## Amherst Beats Littlefield In Girls' Basketball

In their first game of the season the girls' basketball team of Littlefield high school played a fast but losing ball game at Amherst Tuesday night.

At the half the score stood at 16 to 45 in favor of Amherst. Following the half the girls came out and slowed down to a steady pace with Donna Atkinson and Peachy Cowan scoring at each goal.

The game ended 47 to 67 in favor of Amherst. High point for the Littlefield was Peachy Cowan scoring 29 points, and Gail Stagner scored the high points for Amherst with 24.

The next game is with Anton at Anton, Thursday night. In the B game that followed Carol Caldwell was high point scorer for Littlefield with 12 to her credit. The game had only 4 or 5 points different all through the game, and Amherst won 34 to 29.

Syl Die-sing of Pep, left Tuesday for Ft. Worth, where he will serve on the Resolutions Committee of the Texas Farm Bureau of District 2. The convention will begin Monday with the Senate hearings on Sunday.

The carnival is an annual endeavor of the Parent-Teacher organizations. Mrs. C. O. Greer and Mrs. John D. Harmon served as co-chairmen of the event.

## Nearly News

By MAXINE CLARIDA

The boys in the back call this column "Nearly Nothing" and that is certainly true this week. Doug has the bug so we are pinching-hitting for him.

It is the Virus—seems to be a family affair. Margo got it, after several days in the hospital, gave it to Sam. Sam passed it to Patty, Patty to Dougie, and Dougie to his mama. Then to complete the cycle Betty Poe gave it to Doug and then to Betty Williams. So only Paula and Karen are left to get it. And with Karen in Tech she may miss and we certainly hope that Paula doesn't get it.

So far, none of the "hired help" have turned up with it, so it must be strictly a family affair, and we want them to keep it that way.

What about these virus a-y-how-hoo? When our Grandpappy practiced medicine for 47 years "twarn't no sech." He never owned an antibiotic much less all these fancy drugs. When people got a bug they just got a "through of calomel." If they didn't die or clear up in a few days, they either got another one or they buried them.

Used to be in Texas it took a smart man to be a pharmacist, had to know how to weigh medicine with those tricky scales, and fill capsules by the hundreds, and read can till prescriptions. Just stick the label off the bottle and stick one on, or pour up a bottle out of another one. Even have ivodermics with needles on a little tube.

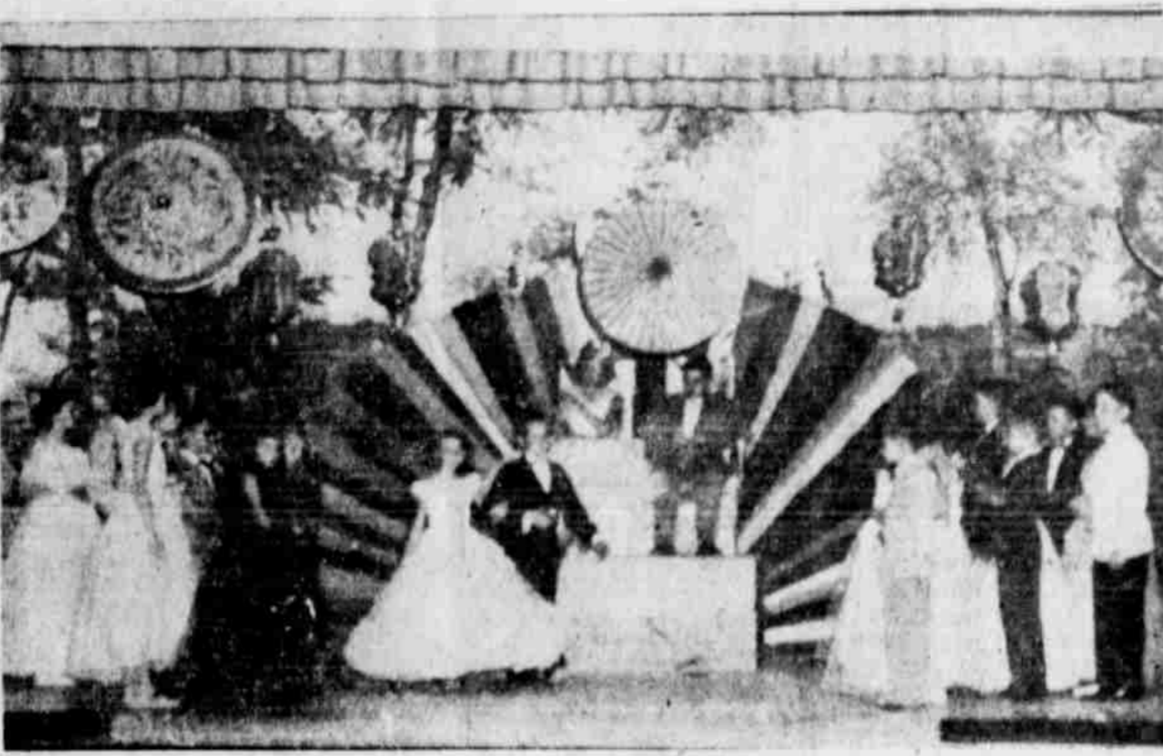

Yet our pharmacists are a lot better educated today. Guess they could read a pair of scales if they had to. They have to go to school part near as long as the Mds.

The grand finale of this hectic week is the fact that Betty Williams and yours truly must make a speech at a church hereafter at noon on "Women in World Affairs." Reckon they picked the right two to do it???

Can't treat a best dressed man in haven't had time to notice any special one this week. Course we can always nominate M. I. T. Shotwell Sr. Ain't he a dude???

However we gals would like to add the good looking men to this column—take Kenneth Ware???

If you really want to get some news call Manca Hall any evening after 10 p.m. at 605.

## Coronation Climaxes Hallowe'en Carnival

### Sandra Stout Is Crowned Carnival Queen

Sandra Stout, daughter of Mr. and Mrs. Winfred Stout was crowned queen of the Hallowe'en carnival by her escort, Herbert King, at coronation ceremonies held in the auditorium of the high school Monday night at 8 p.m.

The primary queen was Judy Elliott and her escort was James Carrioco. Paula Williams was the junior high queen, and she was crowned by her king, Louis Clarida.

The stage was decorated in an oriental theme, and each queen was entertained by special numbers. The primary queen watched nine miniature Japanese dancers perform in gay kimono. These performers were: Cleo Hurrell, Zan Richards, Fath Ann Zoth, Susan Jones, Janet Bishop, Pearl Durham, Artis Sue Wesley, Darla Whitson, and Carol Ann Meyers.

Queen Sandra was entertained by the tap dancing and singing of Miss Sue Carpenter, who was dressed as a Japanese geisha. Carolina Naniquez gave a Latin-American tango and accompanied herself on the castinets. She wore a pretty printed dress of red and yellow. Her entertainment was especially for Queen Paula.

### City Manager Has Assumed Duties Here

The City of Littlefield offices have enjoyed an unusually quiet month. Only five building permits were issued in October, one for a residence and the others were for additions.

City Secretary, W. G. Street, has mailed some 500 letters to people who have failed to pay parking tickets.

Street reports that the yellow boxes in each block are working fine, and will be a big help.

Chief of Police, Walraven's office arrested 24 people over the weekend. Drinking, disturbing the peace, gambling and assault made up the charges.

It will take a time for the new city manager, McGraw to check the records and acquaint himself with the practices and procedures of the office up to now. He has moved his family to 1301 W. 3rd and apparently is making progress in getting acquainted.

### Two Men Charged With Retaking Their Whiskey

Jack Cunningham of Springlake and Jack McNeil of Earth have been charged with robbery by assault. Cunningham is in jail with bond set at \$5,000. McNeil has been released after posting \$1,000 bond.

The men are charged with entering a hotel room at Earth where new deputy Joe Ebeling has been living. The charge alleges that they took Ebeling's gun and forced him to return to them 2 1/2 pints of whiskey. Ebeling had confiscated from them the night before.

### Earth Rites Held For C. P. Kittrell

Clifford Price Kittrell, 53, died Sunday while visiting in Pecos. He had been a farmer near Earth since 1921, having moved here from Oklahoma.

Funeral services were conducted at 3 p.m., Tuesday afternoon in Earth Church of Christ, with interment in Earth cemetery, under direction of Hammons Funeral Home.

Mr. Kittrell was born July 10, 1902 in Bowie, Texas.

Survivors include his sisters, Miss Opal Kittrell of Clovis, N. M.; Mrs. Neva Hair, Ukliah, Calif. and Mrs. C. N. Hazel of Frederick, Okla., and three brothers, Ted of Farwell, W. O. of Springlake, and O. C. Kittrell of Hart.

### Oscar Barnes Services Held

Funeral services for Mr. Oscar Barnes were conducted at the First Baptist Church, by the pastor, Rev. Evert Springfield, in Anton, Monday morning at 10:00 o'clock. Burial was in the Anton cemetery.

Mr. Barnes died in a hospital in Dallas Saturday afternoon.

Survivors are Mrs. Barnes, two sons, Lindy and Leon; two daughters, Mrs. Lorane Blair and Nellie Fay.

Palbearers were Glen Jones, Alvin Crews, Mitchell Eultt, Clarence Herrin, Wayne George, Herb Butler, Alvin Glasscock, and Harlan Black.

### General Tel. And The Union Settle Division Of \$175,000

General Telephone Company of the Southwest and the Communications Workers of America (CWA-CIO) have reached an agreement on the distribution of \$175,000 in additional annual costs which were agreed to during negotiations in July.

The basis of the distribution is as follows:

Increases in the amount of 2c or 3c an hour will be granted to employees whose present wage is less than \$1 an hour.

2. A 4c an hour increase will be granted to employees whose present wage rate is \$1 per hour or more but who are not receiving the maximum wage on the present wage schedule.

3. Employees who are receiving the maximum on the wage schedule will be granted an increase of 5c an hour.

The improved wages were to become effective, Sunday, October 30, 1955, and were applicable to all employees paid on an hourly basis throughout the five state areas served by the General Telephone Company of the Southwest. Approximately 2,400 employees are affected by the wage increases.

Negotiations on the distribution of the \$175,000 began Monday, October 24, 1955. According to a company spokesman, "An atmosphere of mutual cooperation prevailed throughout the negotiations."

## Three Law Enforcement Officers At Earth Resign

### Supt. Schilling Attends Meet In Austin

Supt. Ralph Schilling is in Austin attending the state convention on education. This meeting is a forerunner of the president's White House conference on education.

Schilling expects to return to Littlefield Tuesday night.

### Livermore Plugs Foley

Livermore Drilling Company plugged the Foley No. 1 this week. Total depth was 4720 feet. No show of oil was found in either the San Andres or the Glorietta sands.

This well was just outside the southwest corner of Littlefield. It is the fifth dry hole George Livermore has drilled west of town within the past two years.

The rig was immediately moved to a location on the L. C. Hewitt Fee least just outside the northeast corner of town in Labor 6, League 665. This well will extend the Littlefield pool almost half a mile to the east it turns out to be a producer.

### Duck Hunting Season Opens

Duck hunting season began in Texas Wednesday, November 2 and will continue through January 15. Goose hunting will begin November 17 and will also close January 15.

Duck hunting prospects are good with the largest migration since the early 1930's.

The limit will be five ducks with not more than 10 in possession. Shooting hours are from half an hour before sunrise until sunset.

Hunters 16 years old or older must have Federal duck stamps and those 17 through 64 years old must have Texas hunting license when hunting outside the county of their residence.

Repeating shot guns must be plugged to hold not more than three shells in the magazine and chamber combined.

### Funeral Services Are Held Monday For R. C. Spies

Funeral services were conducted Monday afternoon at the Earth Baptist church for R. C. (Jack) Spies, a former Sudan resident.

Rev. O. C. Meadows officiated at the services and burials was in the Sudan cemetery under direction of the Singleton Funeral Home of Muleshoe.

Spies, age 53, died Saturday at the West Plains Hospital in Muleshoe after a brief illness following a heart attack. While a Sudan resident, Spies operated a garage.

He is survived by his wife, five sons, Gerald and Loyd of Clovis, Jerry, Gene and Ronnie, and one daughter, Fay, all of Earth.

Palbearers were E. E. Crow, Glen Gatewood, John Jones, all of Sudan, and John Tidwell, Ed Williams and Tommy Gattis of Earth.

The deputy sheriff, the constable and the justice of the peace at Earth have all resigned. At press time none had been officially replaced, although a new deputy has actually gone to work.

L. H. "Shorty" Randolph resigned his post as deputy county sheriff last week, a few weeks after suffering a heart attack, which is still keeping him confined to his home. It is understood that he will be replaced by Joe Ebeling, who went to work last Friday. Illness of Sheriff Dick Dyer has so far prevented his taking the oath of office.

Jaquess Under Attack  
Constable Gerald Jaquess resignation was no surprise. He has been under attack for some time from some citizens in the area. Petitions seeking his ouster were circulated in Earth last week. His resignation was effective October 31.

He was appointed to the office only a few weeks ago and has been very active in it. There had been no constable at Earth before Jaquess was appointed and it may be that he will not be replaced.

Justice of the Peace Alene Griffin's resignation was a surprise. She gave no reason for it. It was effective November 1. It is rumored that Randolph will be appointed to this post.

The County Commissioners' court accepted Jaquess and Griffin's resignations at their meeting Monday. Judge Kirk says they have had no official resignation from Randolph.

## Dr. Hemphill To Be Trustee At Wayland

Rev. Lee Hemphill, pastor of the First Baptist Church of Littlefield, was elected a trustee of Wayland College, Plainview, at the annual sessions of the Baptist General Convention of Texas in Houston. Baptist officials said Wednesday in Dallas.

Dr. J. Ralph Grant, pastor of the First Baptist Church in Lubbock, was re-elected as the convention's president for another year. Next year's sessions of the convention will be held in Corpus Christi, from Nov. 6-7, and the 1957 annual meeting in Fort Worth, from November 5-7. Dr. Grady Metcalf, pastor of the First Baptist Church at Temple, will be the preacher for 1956.

In a preliminary meeting before the main convention began, Mrs. Clem Hardy of Waco was chosen as the new president of the W.M.U. and Fred C. Hughes of San Antonio was re-elected president of the Brotherhood.

The annual budget adopted by the messengers for next year's work totals \$9 million, which is the largest in the convention's history. Of that amount, \$7 million will be used for the undersigned cooperative program of Southern Baptist churches in Texas, the other \$2 million for specific purposes.

The Rev. James B. Thompson, 26-year-old pastor of the Tabernacle Baptist Church in Pickton, received the convention's 1955 rural and village church and recognition award.

## Southwestern Public Service To Give Awards

Four Littlefield employees of the Southwestern Public Service Company are among 39 from the company's Plains Division who will be honored tonight at the seventh annual service awards dinner in Portales.

Max Windwehen tops the local group in point of service, and will receive a 15 year award. Floyd Armistead, F. A. Clements, and O. B. Graham will all be honored for 5 years service.

A. R. Watson, executive vice president and general manager, will make the awards, and J. M. Collins, division manager from Plainview will be master of ceremonies.

The Madrial Singers from Eastern New Mexico University will provide the entertainment for the evening.

455 years is the combined service of the 39 employees being honored tonight, with the top award, for 35 years service, going to W. Frank Lowe of Abernathy.

## Yuces To Ve Turkey oot Sunday

Annual live turkey shoot held on the west side of report Sunday afternoon at Walker is the general man. Turkeys and hams will be prizes with the grand being a high powered rifle. public is invited to enter and the Jaycees are forward to a large crowd. day night the Jaycees ed a dance at the fair for the Latin-American and visitors. There will be more on Saturday, November 5, and on Saturday, November 12.

## er W. Jacob s Hilton Grant High Grades

business administration at Texas Tech were a C. N. Hilton Foundation schip, valued at \$100.00.

Harding, assistant professor, management, announced in behalf of the committee and award to W. Jacob, Littlefield, G. Maurice, Dumas; J. Holmes, Lubbock; and Harold of Amarillo received the Hilton, president of the Hotel's Inc., has given scholarships since 1948 to business administration students having the highest scholastic averages for the previous year.

He is the son of Mr. and Mrs. N. Jacobs, Littlefield. He is majoring in accounting and has a 2.58 grade point average.

## B. Littles e Moving

Mrs. W. B. Little will move to their new home on 13th Street, Lubbock.

He continues to be active in business in Littlefield. Little when he announced their move.

Little moved to Littlefield from Loveland where he has been partner in Cobbs Street. Little bought the interest in their department store here and became partner with Mrs. Mary Rutherford of the Little-Rutherford Department Store.

Little purchased Mrs. Little's interest and moved from as Little's Partner.

When Little in 1952 he sold to Duhan's and Mrs. Al Chambers has now operate under the Little's of Littlefield.

Little is a member of the Rotary, the official board of the Baptist Church, and a director in the Society State Bank. Little is a former member of Garden Club and the Art of the Woman's

## Write Santa Today

It's fine to know that you've been a good child, but does Santa know? He might need a reminder—and besides he needs to know what you want for Christmas.

Why not get your letter to Santa Claus in the mail now? Just address it to Santa Claus, % News Leader, Littlefield. The deadline for sending these letters on to the North Pole is midnight, Dec. 10, so to be sure mail yours today.

## Police Chief Says Hallowe'en Mischiefs Is Light

Chief of Police, Lawrence Walraven, reports that as far as damage to property, noise, and vandalism in general this was the quietest Hallowe'en he has ever seen in Littlefield.

The only serious vandalism reported was eleven trailer tires that were cut with knives on the Irvin Gin lot.

## County Will Send Worker to Conference

Monday the county commissioners' court voted to send \$75 to send the county welfare worker, Mrs. Lyde Brandon to attend the Texas Social Welfare conference in San Antonio. The three day conference begins November 13.

**Dr. Brindley To Head American Cancer Society**

Dr. G. V. Brindley of Temple was elected president of the American Cancer Society today by the national board of directors at the final session of the annual American Cancer Society meeting at the Park Sheraton Hotel in New York City.

Simple but impressive ceremony marked the installation of the 11th Texan ever elected president of the national society.

Long active in state and national activities for the control of cancer—the nation's number 2 killer—Dr. Brindley is formerly chairman of the executive committee of the Texas Division of the American Cancer Society with headquarters in Austin and still actively serves on that committee. For the past several years he has served the national organization as a member of its board of directors and as chairman of its medical and scientific committee.

The new ACS president was born on a farm near Maypearl, Texas and is a graduate of the University of Texas School of Medicine, Galveston, in 1911. After graduation, he served his internship at Scott and White Hospital in Temple.

Dr. Brindley has been a member of the board of directors of Scott and White Hospital for the past 30 years and is immediate past president of that institution's clinic board. He is senior surgeon of Scott and White and has been for many years associate chief surgeon of the Gulf, Colorado and Santa Fe Hospital, also in Temple.

A member of numerous medical and surgical societies, Dr. Brindley is past president of the Texas Medical Association and is currently serving as vice chairman of its board of trustees. A member and past president of the Texas Surgical Society, he is also a member and past president of the Southern Surgical Association. For many years he served as a governor of the American College of Surgeons and has been a recent member of its board of regents.

Intensely interested in civic affairs, Dr. Brindley is a member of the board of trustees of Mary Hardin-Baylor College, an active Shriner and Rotarian, and a member of the Baptist church.

A noted speaker and author of scientific papers, he has won many awards for original scientific exhibits and served as a frequent lecturer in surgery at the University of Texas School of Medicine in Galveston.

In 1913 Dr. Brindley married Miss Arabella Owens of Elgin. They are the parents of three sons, all of whom are doctors of medicine.

Dr. J. R. Fain of the Medical Arts Hospital and Clinic was a former associate of Dr. Brindley at Scott and White Hospital in Temple.

When a Tibetan greets a superior, he sticks out his tongue.

**Sport Shots**

By HAROLD V. RATLIFF  
Associated Press Sports Editor

The liberalized television program worked out by the NCAA for its colleges this football season appears to be doing well. If anything the colleges are being benefitted by it through increased publicity.

The Southwest Conference, for instance, is showing an attendance gain, while the small colleges of the area aren't being hurt by the added television.

The NCAA attacked the problem from two angles: 1. The question of survival—would television cut gate receipts so much as to wreck the football program? 2. Would the publicity make more fans?

Unlimited television probably would bring about the former but television with an eye toward any damage that might be incurred should accomplish the latter.

One game is being televised nationally each week and in the various regions a game is allowed on an average of every other week but limited to that particular region. And in the Southwest Conference unless it is a sellout it will not be televised in the immediate area of the game, roughly a 100-mile radius, or in cities within the area that have television stations. In other words, this area covers that territory from which a fan would be reasonably expected to come to see the game.

The NCAA has no restrictions on a regionally televised game set its own rules. The Southwest Conference chose to put in the radius clause. This also is used in other conferences.

The Texas Tech-Texas Christian game at Lubbock Sept. 24 was a sellout so it was televised cluding Lubbock. It was the same with Texas-Oklahoma game at Dallas Oct. 8. But Saturday the Texas A&M-Baylor game was televised regionally but not in Houston, Beaumont, Waco and Temple because they had television stations and are within the radius. The game was not a sellout.

A game may be televised locally if there is a sellout even if it isn't on the regional schedule, provided permission of the NCAA is obtained.

The reason television of football games in the Southwest Conference does not conflict with conferences, as with the Lone Star Conference, is because the smaller colleges play their games Friday or Saturday night.

One of the reasons for equipping all Southwest Conference stadiums with lights was so that there would be no conflict among the members of the conference. Texas and Baylor put in lights this year and that meant there were lights at all the conference schools.

If there was to be a conference game televised at Dallas then Texas Christian could play its game at Fort Worth at night, etc.

In the Southwest Conference this year there is only one game on the national television schedule. That's Texas vs. Texas A&M at College Station Nov. 24. There are no other college games in that area during the afternoon.

A DIRECTORY OF SERVICE

This week a new type Allis-Chalmers four-disc plow was delivered to Watson-Scott Equipment Company, Littlefield's Allis-Chalmers dealership.

The new plow is pictured above in action on a farm south of town, owned by L. C. Grissom who purchased the plow. Driving the new Allis-Chalmers WD 45 tractor is Earl Tulerrville, who helps his father on the Grissom farm.

With the big new plow you'll get more acres plowed uniformly... at lower cost. It provides plowing capacity far beyond what its size alone would lead you to expect. It is a rugged, heavy-duty implement with big 26" or 28" disc blades attached to a steel frame of exceptional strength with approximately 350 pounds of weight on each blade. This assures quick, easy penetration to the depth desired; plus work of superior quality. Total width of cut is 40 or 44 inches, depending on blade setting and ploughs up to 1 1/2 acres per hour.

Because of its low first cost and low operation costs, the new AC plow is an unsurpassed value when compared to four-disc pull-type plows.

**COUNTY PRIZE BEEF FOR CRIPPLED CHILDREN:** The steer, fourth place winner in the Hereford division of the State Fair of Texas has gone to the Scottish Rite hospital for Crippled Children in Dallas. The 965 pound white face was raised by Tommy Davis, Lamb County 4-H Club member. The prize steer was purchased by TEMCO Corporation of Dallas and donated to the crippled children institution.

**Governor Sets All Veterans Organizations Day In Dec. 1 Observe 11th**

Gov. Allan D. Shivers has designated December 1 as All Veterans Organizations Day. The day is in an effort to increase the awareness of the public and to make reductions in traffic accidents.

The program, Governor Shivers has issued a similar proclamation and upon the citizens of Texas in a cooperative effort to make traffic safety water traffic safety November 1 and throughout the year.

Gov. Shivers, Jr., D. R. Texas Department of Transportation and emphasized the day of itself, "is not a means to an end."

Individual motorists in Texas will drive with strict attention to laws on December 1.

Gov. Shivers will be observed from accident-free roads as traffic is concerned.

Gov. Shivers added "if we can do the specific day we will see that it can be done on other 364 days of the year. The day is not an end but an end of the death toll on our streets."

The program marking a 24-hour period of traffic accidents will be observed on December 1 and 2.

**Christianity and Youth**

By TOMMY WILLIAMS, Minister

Young in the Bible are of young people. What greater examples do we have than those of David and Joseph? These young people did not have a loose connection with God, but were wholly consecrated.

God commends his word to the young: "Wherein shall a young man cleanse his way? By taking heed thereto according to thy word" (Psalm 119:9) Youth has many problems (and needs some problems, too) but there is no doubt that the most serious of the problems can be solved by application of these words: "Remember now the days of thy youth" (Ecclesiastes 12:1).

Yes, Christianity is for the young!

## Springlake Queens Are Crowned After Box Supper Monday

A box supper was held in Springlake gym Monday night, followed by crowning of the grade junior high and high school queens.

Etwia Gay Axtell of the 2nd grade, daughter of Mr. and Mrs. Harry Axtell, was crowned queen of grade school by her escort, Jerry Don Sanders.

Billy Jean Watson of the 8th grade, daughter of Mr. and Mrs. Earl Watson, was crowned by Leo Oden as queen of junior high.

Peggy Ussery, senior, daughter of Mr. and Mrs. Fred Ussery was crowned high school queen by Joe Lee Campbell.

Princesses and escorts were Norma Jones and Otis King, La Rue Glascock and Keith Leonard, Barbara Lott and Gerald James, Judy Upchurch and Ronnie Johnson, Gay Northcott and Tommy Kellar, Carolyn Gregory and Ray Hooley, Joy Dee Barton and Ronnie Williams, Connie Glascock and Julio Cortez, Brenda Tanner and Philip Munoz.

## OES Dignitaries Visit Pat Boones

Mrs. Florence Plummer, Most Worthy Grand Matron of the General Grand Chapter, Birdie Jane Easterling of the General Grand Chapter and a member of Estar committee, and Mildred Harris, Right Grand Conductress, of the General Grand Chapter, came to Littlefield following the mission session in San Antonio to visit Mr. and Mrs. Pat Boone Sr. They will spend the visit on the Boone's ranch.

Mr. and Mrs. Pat Boone Sr. welfare committee of the General Grand Chapter.

The Grand Chapter of Texas met in the municipal auditorium of San Antonio October 23 thru October 28.

Attending from the Littlefield chapter were: Mr. and Mrs. Boone, Mrs. Van Coltharp, Mrs. Lonnie Taylor, and Mrs. Forrest Reeves.

## 'D Club News

### LUMS CHAPEL CLUB CHANGES NAME

The Lums Chapel Home Demonstration club held their annual luncheon at the home of Mrs. Fred Newsom northeast of Whitarral last Thursday.

The club is to become part of the Hockley county HD clubs on January 1, so a new name has been chosen. The Northside Home Demonstration club.

The officers for the new year were elected as follows: President Mrs. C. G. Landers; vice president Mrs. J. E. Wade; secretary-treasurer, Mrs. Bruce Wren Jr.; council delegate, Mrs. H. J. Allen; alternate delegate, Mrs. Wayne Maner; reporter, Mrs. Roy H. Taylor.

Plans were discussed for the Christmas party to be held December 15, with Mrs. T. C. Wade, co-hostess, Mrs. J. E. Wade.

Mrs. Landers gave a report on the State meeting at Ft. Worth.

Those present were Mesdames Roy H. Taylor, J. E. Wade, J. B. Wren Jr., Wayne Maner, Doss Maner, H. J. Allen, C. G. Landers, and Newsom.

The next meeting will be with Mrs. Landers, Nov. 10.

### MRS. MCKINLEY ENTERTAINS OKLAHOMA AVENUE CLUB

Mrs. Ray McKinley entertained Oklahoma Avenue Home Demonstration club in her home on October 28 at 2:30 p.m.

In a short business session the group voted to have a Thanksgiving dinner at the Community Center at 7:00 p.m., on November 15.

The turkeys and other food, with the exception of the pies, will be bought from the club's treasury.

The committee for the dinner are Mrs. J. F. Tomlinson, Mrs. U. E. Kelly, and Mrs. Fred Lichte. The club bought a gray folding chair to be donated to the Community Center. Plans were made

to fix a box for a needy institution for Christmas.

Mrs. Leonard McNeese gave a report on the convention which she attended in Ft. Worth in August.

Mrs. McKinnon gave a demonstration of automatic dryers, and dried a load of clothes to show the group.

A refreshment plate was served to: Mrs. M. M. Dubose, Mrs. Kelly, Mrs. Lichte, Mrs. Les Lichte, Mrs. McNeese, Mrs. C. H. Messer, Mrs. Tomlinson, Mrs. E. T. Miller, Mrs. T. L. Helms and a visitor Mrs. Roy Sellers.

The next regular meeting will be November 11 with Mrs. U. E. Kelly as hostess.

### SUNNYDALE CLUB MEETS AT REA KITCHEN

The Sunnydale Home Demonstration club met October 28 in the REA kitchen.

Mrs. Lee Holtcamp, president, presided at a business meeting when the group decided to have their Christmas party on December 9.

The County Council party will be December 14 at the Community Center.

Mrs. Hazel Hickman gave a demonstration of Broiler Meals. Mrs. Landers gave a report on the Home Demonstration convention that she attended in Fort Worth last August.

The hostesses, Mrs. Ernest Brooks, Mrs. Louise Brice and Mrs. L. G. Grizzell, served popcorn balls, jam cake and cokes.

Those attending were: Mrs. Leeman Elms, Mrs. Bruce Reagan, Mrs. Holtcamp, Mrs. W. I. Banks, Mrs. W. O. Hampton, Mrs. Bernie Wheeler, Mrs. C. Walker, Mrs. R. C. Jennings, Mrs. Jack Brooke, Mrs. Bill Cape, Mrs. L. G. Perkins, Mrs. Paul Lewis, Mrs. Junior Grisham, Mrs. I. Birkleback, and a visitor, Mrs. Merle Beard, Mrs. Landers and Mrs. Hickman.

### HELPING HANDS COUNCIL BLUFFS, IOWA

The First Federal Savings and Loan Assn. was ready for the inevitable crowd that gathered when construction was started on its new building here.

The company distributed small cards certifying that the bearer "has been duly elected to an exclusive charter membership in the Council Bluffs chapter of the Society of Sidewalk Engineers and Superintendents of America."

## Jeannie Seymore, Carol Ann Watkins Are Queens

### Frances Rogers Has Pneumonia

Frances Louise Rogers, daughter of Mr. and Mrs. Frank Rogers, 1201 S. Phelps, is confined to her home this week suffering with pneumonia.

Frances was to have represented the eighth grade, Littlefield junior high, in the queen's coronation having won over the other eighth grade candidates.

When she became ill after school Monday, there was no time to ask another girl to be in her place so both she and her escort Jody Buschman, missed the coronation program.

### Agent's Program Given By Club Women On KVOW

Mrs. Hazel Hickman, Lamb County H. D. Agent, is in College Station this week attending the annual meeting for extension agents.

Mrs. C. G. Landers of Lums Chapel, Mrs. Bayne McCurry and Mrs. Joe Prater both of Spade, were in charge of the agent's program over KVOW Monday at 4:30 p.m.

The ladies gave highlights of the years work, plans for the Christmas party and told of plans for the coming year.

LOS ANGELES (AP)—The Bank of America branch on East First Street got a letter from a customer: "Please send me a savings account book. I destroyed the one I had as I did not want to carry so much stuff in my handbag while traveling."

Jack Robinson of the Dodgers has played four positions in five World Series—first base in 1947 second base in 1949 and 1952, left field in 1953, and third base in 1955.

Royalty reigned in Sudan Saturday night when Queens honors for the Halloween carnival were shared by Jeannie Seymore and Carol Ann Watkins. The coronation ceremony was performed in the high school auditorium. The queens were selected by popular vote for high and grade school from the twelve grades.

Miss Seymore, daughter of Mr. and Mrs. Loyd Seymore, a member of the seventh grade class, was the queen chosen to represent grades seven through twelve. Her escort was David Walker, son of Mr. and Mrs. Olan Walker.

Miss Watkins, daughter of Mr. and Mrs. Doyle Watkins, is a student of the fifth grade and won in grades one through six. Jimmy Savage was her escort. He is the son of Mr. and Mrs. Curtis Savage.

Mrs. Forrest Ferguson, president of the 1950 Junior Study club which sponsored the carnival, introduced Don Dykes, Royal Announcer for the occasion. Brenda Chisholm played piano selections in the heralding of the arrival of the royalty. Crownbearer was Nancy Lance.

Beginning the evening's festivities was a costume parade at 5:30 headed by patrol car driven by Homer McLaury. Following the parade was the carnival held in the grade school building.

Preceding the coronation ceremony was a Jack o' Lantern contest when the following received awards, Dyanne Clark, Florence Chance, Eloise Engram and Vickie Robertson.

This is the second year for the Junior Study club to sponsor a Halloween carnival and the gross profit derived this year was \$329. The money netted from the event will be used for lunch tickets for needy children and to sponsor youth activities.

### POTEN SUFF

LINCOLN, Mont. (AP)—Police feared they were in for a bang up time when the following thefts were reported simultaneously: alcoholic drinks valued at \$250 and 1,400 pounds of dynamite.

These pre-school children here are the winning couples in the Halloween parade, costume tests. They are surrounded by other spooks and goblins, and a few mothers.

Spooks and goblins marched to the music of the Littlefield Wildcat Jr. Band in the parade in downtown Littlefield Monday afternoon.

### Bridal Shower Honors Mrs. Larry Brooker

WHITHARRAL (Special)—Mrs. Larry Brooker, the former Bobbie Joyce Hawks of Levelland, was honored with a bridal shower at the home of the cottage in Whitharral Wednesday afternoon. Hostesses included Mesdames J. H. Davis, J. E. Gravit, U. D. Willott, M. D. Morgan, Rafe Rodgers, Jack Gage, Don Reding, C. G. Landers, Phil Wynn, R. E. Edwards, B. L. Hicks Sr., Ervin Sadler, L. C. Lewis, John Bryant, Norman Hodges and Elva Crank.

The high school Harmonettes: Misses Linda Martin, Patsy Shedd Elva Jo Terry, Winifrey Grant, Barbara Montgomery, Gwen Bolton, and Kay Maner, with Miss Glenda Maner as pianist, gave vocal numbers.

Mrs. C. G. Landers directed the games before the presentation of the large array of lovely and useful gifts.

The refreshment table was laid in lace over pastel green, centered with an arrangement of red roses. Mrs. Norman Hodges poured punch and Mrs. L. C. Lewis served cake squares.

Present were the honoree and Mesdames E. O. Brooker A. C. Brooker, J. W. Louderdale of Levelland, W. J. Collier of Littlefield, Tom Webb, W. D. Webb of Anton, L. L. Hood, R. W. White, R. Howard, Ella Hewitt, Dwayne Dixon, Guy Hughes, L. C. Pordan, C. E. Throckmorton, Carle Eller, John Waters, A. B. Harper, Huo Spraberry, Roy Taylor, Charlie Gipson, Jack Bennett, Doss Maner, Harvey Hoelscher, W. C. Hawks, Buck Grant, Misses Peggy Racker of Levelland, Charlotte Webb of Anton, Emma Gipson, Joye Bennett, Jean Bryant, Ca Sandra Hood, Mary Alice Hawks, Jerrie Gravit, Phyllis Simpson, Connell Willett, Barbara Stafford, Janice Callis, Sue Harper, Sharon Davis, Mary Hicks, Frances Brown, the Harmonettes and the hostesses.

# News of Women

## Former Olton Girl Weds Colleague In Church Work

The old adage "Happy is the bride the sun shines on," might have been amended to "Happy is the bride the entire church congregation smiles on," in the case of Saturday's bride, Miss Juanita Holland, who exchanged nuptial vows with Bill Bennett at 7 o'clock, at First Baptist church, of Winslow, Arizona, the Rev. Roy C. Matthews performing the impressive double ring ceremony.

The informal wedding was a church affair in every sense of the world, the entire church family cooperating to make the wedding of their educational and youth director a happy and beautiful one.

The church was decorated with tall baskets of white gladioli and pink carnations. Tapers in white candelabra were lighted by the Misses Helen Paul and Peggy Simpson in identically made gowns of pink and blue silk, while Miss Karen Brandon played appropriate music.

Radiant in a shimmering gown of antique taffeta with a fitted bodice and flared skirt, Miss Holland came down the aisle on the arm of her uncle, Roy Barnes of San Gabriel, Calif. Her accessories were of navy blue, and she wore a fitted pink hat of pink velvet leaves, decorated with rhinestones and a matching veil.

Her bridal flowers were pink cymbidiums on a white Bible. About her throat she wore a single strand of pearls.

Her matron of honors, Mrs. Irene Stevens, of Roswell, New Mexico, sister of the bridegroom, also wore navy blue with blue accessories and carried a French type bouquet of pink flowers.

Marvin Holland, the bride's brother, of Hale Center, Texas, attended Mr. Bennett, and Sam Jenkins and Hugh Willis were ushers.

Roy Barnes gave his niece in marriage. Soloists for the occasion were Mrs. Bob Brandon, who sang, "Savior, Like a Shepherd Lead Us," and Mrs. Nels Egge, whose selection was "Through the Years."

Miss Holland's mother, Mrs. Florence Spears, present from Olton, Texas, for her daughter's wedding, wore navy blue with a corsage of white carnations.

Bennett is a son of Mrs. Ellice Bennett, Houlika, Miss. Prior to coming to Winslow to teach in the public school system, he served for a time in the armed forces and had previously taught school in Colorado. He is a graduate of the University of Mississippi, and the bride is a graduate of Wayland Baptist College, Plainview, Texas, and of Hardin Simmons University, Abilene. She received her masters degree from Southern Theological Seminary at Fort Worth, and has been employed by the First Baptist church for the past ten months. Immediately following the wedding a

reception was held in the church dining hall. Miss Jackie Jackson was in charge of the guest book. Jeri Hanson and Sandra Sweeney served punch.

The bride's table was spread with a beautiful cut-work linen cloth with bouquets of small white chrysanthemums flanking the four-tier wedding cake.

After the new Mrs. Bennett cut the cake, Mrs. Angie Boyd and Mrs. Geneva Brandon took over and served the guests.

The newlyweds delayed their honeymoon until this weekend when they will take advantage of the school holiday to drive to Tucson and on into old Mexico. They will be at home to their friends at 214 West Aspinwall, in Winslow, Ariz.

Out-of-town guests here for the wedding were Mrs. Spears, Marvin Holland, Mr. and Mrs. Roy Barnes, Mr. and Mrs. Nels Egge of Lost Angeles, Mr. and Mrs. Blankenship of Williams, and Mr. and Mrs. F. E. Kirkland of Grand Canyon.

Mrs. Bennett was formerly the Secretary and Youth Director of Littlefield's First Baptist Church.

## Engagement Is Announced Here

Mr. and Mrs. B. T. Gibson of Spade announce the engagement and approaching marriage of their daughter, Miss Maxine Lawrence, to Waylon Jennings, son of Mr. and Mrs. W. H. Jennings of Littlefield. The wedding date has not been set.

## October Meetings By The Town And Country Club Of Earth

and Country Study held two meetings

meeting was held in of Mrs. Clarence L. with Mrs. Dora Terry

Here it is for '56—

# Best Buick yet

When better automobiles are built Buick will build them

IT COMES upon the heels of the most successful Buick in history—and beats it on every score.

In shimmering steel and solid sinew, it's Buick for 1956—and there's never been anything like it for pure automobile.

You get a good hint of what we mean when you take in its sweep-ahead styling—from the air-splitting prow of its V-front grille to the robust rake of its canted rear profile.

You get an even better hint when you open the doors and see the dazzle there.

But it's when you put this beauty to the city streets and the open highways that you learn the best of it.

For here is performance without parallel. A new advance in Variable Pitch Dynaflo\* goes airplanes one better—steps up your getaway in normal driving without switching the pitch. But when you do need that

extra surge, it's there instantly—and in extra abundance. The might of big 322-cubic-inch V8 engines in every Series brings new record high power to all Buicks—ROADMASTER, SUPER, CENTURY, and the bedrock-priced SPECIAL. And to handle such dynamic driving power, the whole rear end has been endowed with extra brawn and heft and solidity.

We could spread before you an acre of blueprints on the engineering gems that spark the spectacular performance and ride and handling and roadability of these great Buicks for 1956.

But you can get the full and magnificent story right now, at our showroom, in a face-to-face meeting with the best Buick yet—now on display, and setting a dazzling new pattern for 1956.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

# Wildcats Play At Muleshoe Friday

## Eighth Graders

### -SPORTS-

#### Freshman Team Will Tangle With Levelland Here Tonight

#### Jr. Hi. Edges Abernathy

The Littlefield Eighth graders behind the running of Halfbacks Lefty Mayberry and Otto Rabe, and the passing of DeWayne North, edged past the favored Abernathy Eighth graders here Tuesday night 13-7.

Littlefield took the lead early in the first quarter when left Halfback Otto Rabe ran around right end behind good blocking to score on a 25 yard run. Mayberry had set the play up with a 35 yard run down the sidelines. Mayberry ran the extra point over and Littlefield lead 7-0.

That was the score at the end of the first half although both teams threatened several times during the second quarter. Abernathy was on the Cats 35 yard line and had moved the ball their from their own four yard line after intercepting a pass from North when the clock ran out of time in the second period.

Littlefield set up another chance to score early in the third period when they blocked an Abernathy punt on the Antelopes 22 yard line. The Cats fumbled however to halt the drive.

Midway through the third stanza Mayberry scored a touchdown when he went over from the 12 yard line on a line play. He had made a 40 yard run to put the ball on the 12 yard line on an end sweep. The try by Rabe for the extra point was no good and the score at the end of the third period was 13-0.

Abernathy scored early in the final period and made the extra point to close the gap to 13-7. They almost scored again as time was running out when their full-

The Littlefield Freshmen will tangle with the Levelland Freshmen football eleven here tonight (Thursday) in a game that should be as thrilling as any played in Seely Stadium this year.

The game will get underway at 7:00.

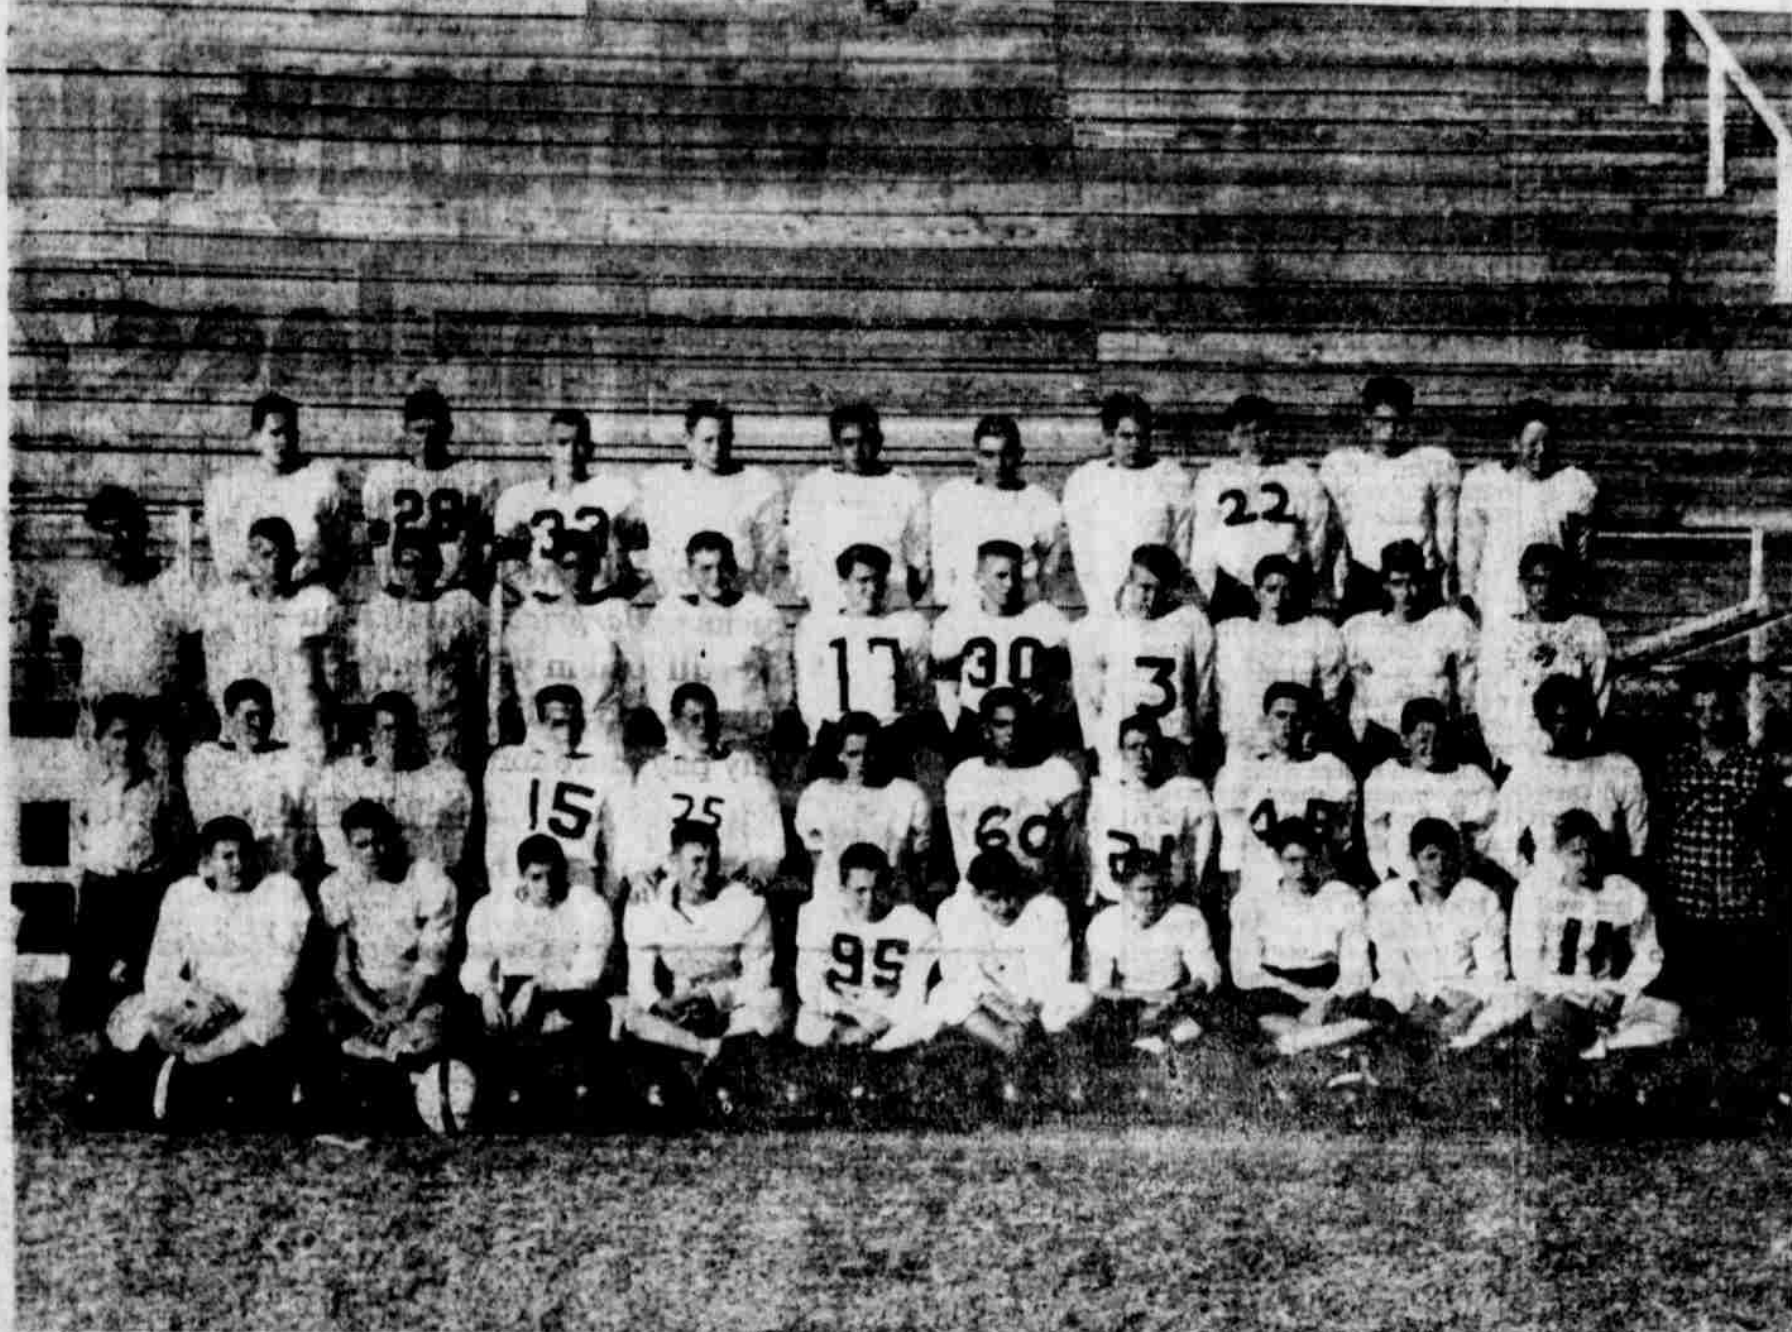

Levelland defeated the locals earlier in the season by the narrow margin of 9-6 in a game played at Levelland. The locals are mad at the loss by an extra point and a safety and they will be ready to get revenge.

Littlefield has a devastating ground attack sparked mostly by the running of right halfback Charles Hayes. But the Cats can take to the air when necessary on the arm of Billy Jeffries. He has two good ends to toss to in Laney Reagan and Gayland Ammons.

Coach Gene McCannies announced that the following eleven would be the starting team against the favored Lobos. Gayland Ammons left end; James Royal, left tackle; David Metcalf, left guard; Landon Roberts, center; Preston Beard, right guard; Hilton Hemphill, right tackle; and Laney Reagan a tight end. In the backfield it will be Billy Jeffries at quarterback; Gus Gallini at fullback; Charles Hayes at right halfback; and Ronnie Vaughn at left halfback. Vaughn was sick the early part of the week and if he is not able to see duty by game-time Thursday, McCannies said that he would start Howard Atwood at the left halfback position.

Tri-Captains for the locals are James Royal, Landon Roberts, and Charles Hayes.

back broke over the right side of the line and ran 60 yards before safety man De Pierce chased him down and tackled him from behind.

**EIGHTH GRADE FOOTBALL TEAM:** 1st row: Ronnie Smith, John Lasiter, Travis Spencer, Keith Dixon, Eddie Shaw, Luther Metcalf, Tommy Davis, Steve Sullins, Maurice Roberts and Hal Clarda. 2nd row: Bill Mote, Mgr. Jerry Vorhies, Nathan Hutson, Don Dowdy, Dick Tompson, Rex Foust, Joe Martinez, Dale Rhodes, Lindel Fain, Tucky Ralton, Manuel Flores and Mike Eaton, Mgr. 3rd row: Gene McCannies, Pat Diersing, Ronnie Wood, Gerald Chandler, Ronne Mc Williams, Otto Rabe, Derwood Mayberry, Jody Bussamars, Jerry Watts, Larry Cox and Buster Walden. 4th row: Jimmy McGee, Robert Montgomery, Duane North, Ronnie Jamleson, Emilio Solis, Jerry Ward, Kenneth Brown, Barry Armes, Phillip Zahn and Pat Penn. The Eighth Grade defeated Abernathy here Tuesday night 13-7.

#### Outlook For Friday Games . . .

### Whitharral Gets Last Chance At Title; Olton Picked To Beat Lockney Steers

By JIMMIE CHAPMAN

With the District races drawing to a close in two more weeks, top game on the entire South Plains this Friday night will be at Spur where the undefeated Bulldogs of Coach Sam Hawkes will take on the undefeated Abernathy Antelopes in a game that has the District 5-AA title hanging on the outcome.

Abernathy has rolled over eight opponents to remain undefeated and has already beaten Tahoka, the team that was considered to give them their toughest game. The Antelopes will have only winless Slaton to play after this encounter while if Spur wins they still have to play the tough Tahoka Bulldogs.

We pick Abernathy to win and take the District. Coach Royal James has one of his best backfields since coming to Abernathy, paced by Roy Sons and Freddie

Apperson.

The Springlake Wolverines, top Class A team, will stay at home and take on the Amarillo "B" team. The Wolverines of Coach Colle Huffman are still undefeated after seven games and are rated as one of the best Class A teams in the state.

Bula, the tops in six-man football, will take on the Wellman Wildcats in their last home game of the season. The Bulldogs, sporting one of the best teams in the history of the school already has the district title sewed up and has only Wellman and Spade left on their schedule.

Spade will be seeking it's second win of the year when they journey to Pettit for a clash with the Eagles.

Coach Eugene Carter's Whitharral Panthers will journey to Kress for a game with the undefeated Kangaroos. If Whitharral could upset the Kangaroos, they

stand a good chance at taking the District 3-B title. The Panthers have only one loss on their conference slate and Kress is the only team in the district which hasn't lost a game.

Sudan will take on the Friona Chiefs at Sudan Friday night in the only conference game in District 2-A. The Hornets should have little trouble with the Chiefs but Sudan still has a few key players limping around from injuries suffered in the Springlake game two weeks ago.

Here is a complete schedule for this week's games with the potential winner appearing in capital letters:

- LITTLEFIELD at Muleshoe
- AMARILLO "B" at SPRINGLAKE
- FRIONA at SUDAN
- TULLIA at DIMMITT
- OLTON at Lockney
- WHITHARRAL at KRESS
- ABERNATHY at Spur
- WELLMAN at BULA
- SPADE at Pettit
- AMHERST at PLAINS
- BOVINA at ANTON
- HART at FARWELL

### John Clayton Is "Player Of The Week"

JOHN CLAYTON

John Clayton, Littlefield fullback, was named "Player of the Week" of the Panhandle-South Plains Area Wednesday by the Amarillo Globe-News Publishing Co. Clayton scored one touchdown and kicked five out of five extra points to help the Wildcats beat the Dimmitt Bobcats 35-23 last Friday after the Cats were trailing 27-7 midway through the third period.

### Wildcat "B" Team Beats Springlake 31-0 Thursday

By CHARLES DUVAL Jr.

The Littlefield "B" team Wildcats used battering ram force and timely precision playing last Thursday night when they rolled over and shut out the Springlake Wolverines 31-0 at Springlake. The next scheduled game is at Clovis.

All through the contest the powerful "B-Bar-B" team, as they have become known, ripped and slashed through a torn and tattered Wolverine defense. David Mordical made three of the four Cat TD's with "Tater" Williams completing the scoring. Even though the Cats won by a large margin, there were three Cat touchdowns nullified by penalties, one of which was a 64 yard gallop by junior quarterback, Mickey Ratliff. Leslie Bevel also had a TD brought back after he inter-

cepted a Wolverine pass and zig-zagged his way 30 yards for a TD. Interceptions by Leslie Bevel and a fumble recovered by alert James Earl Ray, Cat end, constantly kept the ball in the "B" team's possession.

The only serious Springlake scoring threat of the entire game was halfway through the second half when Springlake forced their way down to the Cat 5 yard line, but raging "B" team linemen shattered every following play and Springlake was forced to return to the defensive side of the game.

The injured quarterback, Miles Stephens, failed to see action in this game owing to his cracked ribs.

The "B" team has lost only one game this season, a 14 to 0 defeat at the hands of Abernathy.

lost all seven of season and has score only three season. They are for the Wildcats to make a good his last home season. They have district games, one and the other to both is in his first at Muleshoe and from the "T" for- single wing using the a lot. Williams, McCannies have been of plays with the against the first this week in order the Mules. A lot upon Bob Orr and to stop the plays start up the middle side. They hold of the line for Orr, who got off to defense has been the past two weeks. is the second in World Series a shutout. Wait youngest. World Series games been involved in seasons. The Dodg- won 8.

### Lockney, Muleshoe And Littlefield In for Lead In District 2-AA Title Race

Weeks of District 2-AA teams are three teams in the and in conference

its second confer- the season by beat- and remains in the for the champion- Tullia and Little- out Dimmitt in the to keep three teams

seems to be the sur- district, being picked of the season to end they are at pres- the top of the stand- with Littlefield and they has wins over Dimmitt Bobcats and had won only one five before going into race. The Longhorn's total of 65 points in while the opposition won only one

game before going into district race also, had to stage a 20-point scoring spree in the final quarter last Friday to win 35-33 over Dimmitt. The Wildcats have scored a total of 138 points for the season while their opponents have crossed the double stripe for a total of 144. The Cats have a season record of 3 wins and four losses.

Olton, beating Tullia 20-6, still has the best record, offensively and defensively than any other team in the district. They have a record of 4 wins and 3 losses, scoring 136 points and allowing their opponents only 51. Tullia has been the only team to score against the Mustangs in conference play.

Dimmitt, Muleshoe and Tullia, are virtually eliminated from the district race having lost two games and failing to win a conference encounter. Dimmitt has a season record of three wins and four losses, scoring 137 points to

their opponents 136 Tullia has failed to win a game after seven attempts and has scored only 30 points to their opponents 258. Muleshoe also has failed to win a game after losing seven, has scored only three touchdowns through the year. They have scored 20 points while their victors have rolled for 173.

This week's schedule finds Olton going to Lockney for a clash with the Longhorns in the top game. A loss by either team puts them out of contention. Littlefield journeys to Muleshoe for a clash with the Mules and Dimmitt will try to get a win under it's belt, staying at home and playing the Tullia Hornets.

**DISTRICT STANDINGS**

Team	W	L	Pct.
Littlefield	2	0	1.000
Olton	2	0	1.000
Lockney	2	0	1.000
Dimmitt	0	2	.000

# Ground Water Inventory Continued

In Portions Of Randall And Armstrong Counties

The portions of Randall and Armstrong counties within the boundary of the High Plains Under-ground Water Conservation District have been combined on the accompanying maps. About 275,000 acres of Randall county and about 39,000 acres of Armstrong county are within the boundary of the water district.

The area within the Water District in Randall county contains about 3,380,000 acre-feet of ground water in storage available for pumping. In Armstrong county the amount of ground water in storage available for pumping is about 279,000 acre-feet.

The map in plate 1 shows the thickness of the water bearing strata between the water table and the redbeds in 1938 before an appreciable amount of water had been pumped from the reservoir. The map in plate 2 shows the decline of the water table from the spring of 1938 to January 1955.

The volume of water remaining in the underground reservoir was determined by subtracting the volume of material unwatered since 1938 from the total volume of saturated material in 1938 and multiplying the remainder by the coefficient of storage of 15 per cent.

These data show about 3,910,000 acre-feet of water was in storage in Randall county available for pumping in 1938, and about 537,000 acre-feet, or about 14% has been removed from storage since 1938.

In Armstrong county, the data shows about 325,000 acre-feet of water was in storage available for pumping in 1938, and about 45,000 acre-feet of water or about 14% has been removed from storage since 1938.

The approximate quantity of underground water in storage available for pumping, beneath an individual farm may be determined by multiplying the number of acres in the farm by the thickness of the water-bearing strata underlying the farm and then multiplying by the storage coefficient of 15 per cent.

Suppose the farm consists of 160 acres and has 150 feet of water-bearing strata underlying it, then 160 acres x 150 feet x 0.15 percent equals 3600 acre-feet of

## Spade News

### Cotton Center Defeats Spade Six 57 To 19

By MRS. JOE PRATER

Mrs. P. K. Fleming of Shallowater visited her sister and brother-in-law, Mr. and Mrs. E. C. Glass last week.

Mr. and Mrs. J. D. Zahn and son of Mulshoe and Mr. and Mrs. Bob Watson and children of Hale Center visited Mrs. Zahn's and Mrs. Watson's parents, Mr. and Mrs. J. R. Inklebarger, Sunday.

Mrs. Nadine Smith, her daughter, Mrs. Leonard Graham and children, of Lubbock visited in the home of Mr. and Mrs. Joe Prater, Sunday afternoon. Mrs. Graham was formerly Madonna Smith, who lived with her grandparents, Mr. and Mrs. W. J. Pulliam, and attended school at Spade about ten years ago.

Mr. and Mrs. Wyche Bundick and children of Sundown visited his relatives here Sunday.

Paul Camble of Crowell visited in the home of Rev. and Mrs. W. F. Smith, during the week. He is a brother to, Patsy Smith, the adopted daughter of Rev. and Mrs. Smith.

**MRS. ELDER GIVES BIBLE STUDY**  
The Dorcas S. S. class met in

the home of Mrs. W. M. Weatherley, Oct. 27 for their monthly meeting. Mrs. T. B. Elder was in charge of the Bible lesson in Genesis. The group made plans to give toys and other gifts to orphans for Christmas. Refreshments of canapies, cookies, coffee hot chocolate and cakes were served with baskets filled with Halloween candy as plate favors. Those present were Mesdames J. A. Greer, Bud White, J. R. Matthews, T. B. Elder, Deck Hard, R. A. Leonard, and Ada Reed.

Doyle Gilbert has returned home from the hospital but is in a cast.

Mr. and Mrs. H. Harvey left Thursday for a fishing trip on the coast. They plan to be gone two or three weeks.

#### COTTON CENTER DEFEATS SPADE

Cotton Center defeated Spade in a six-man football game at Cotton Center last Friday night, 57 to 13. Billy Pierce made two touchdowns for Spade and Quarterback Young made the other. Billy also kicked an extra point.

Mr. and Mrs. H. Harvey went to Plainview the first of last week to visit their daughter-in-law, Mrs. Cal Harvey, who is staying

## Mother Of Carl Rushing Is Buried Wed.

Funeral services were conducted Wednesday afternoon at the First Baptist church in Lamesa for Mrs. Callie Brownlow Rushing 72, who died at Scott and White Hospital in Temple Monday.

Elder V. C. Landers of Coleman officiated. Burial was in the Lamesa Memorial Park cemetery under the direction of Higginbotham Funeral Home.

Mrs. Rushing moved to Lamesa a year ago from the O.K. community where she had lived over 30 years.

She is survived by four daughters, Mrs. Arthur Kinsey, Athens, Mrs. Walter Brownlow, Paducah;

near her son, Gen, who is in the police center. Mr. and Mrs. Harvey have not been allowed to visit Gen, but report that he is improving nicely and had built a toy airplane the day they were there.

#### WMU PLANS YEAR'S WORK

Mrs. Ted Hutchins, WMU president, met with some of the chairmen to discuss the plan of work for the year. Chairmen present were Mesdames J. R. Inklebarger, prayer chairman; Ray Ely, community mission chairman; Sam Tindal, enlistment chairman; Doc Avnn, mission study chairman; W. F. Smith, stewardship chairman; and Mrs. Joe Prater, youth director.

Miss Janette Parr, from Charlotte, Mich., who arrived in Texas in August for a visit with Mrs. Bayne McCurry, moved to Fort Worth last Thursday. She is an x-ray technician and will be employed by a radiologist there. She had been living in Lubbock, and was employed at West Texas Hospital.

Mrs. E. L. Pierce, Lamesa, and Mrs. W. T. Parker of Mulshoe, Rushing, Anton. Four sons, L. W. Brownlow, O'Donnell, Earl Brownlow, Morton, Wesley Rushing, Plains, and Carl Rushing, Anton. Four step-sons, three step-daughters, three sisters, one brother, 41 grand children and 33 great-grand children also survive.

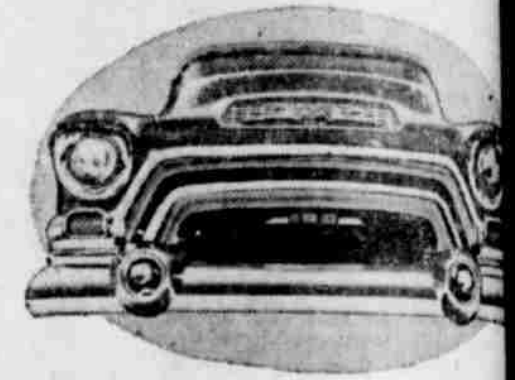

There are no pretensions of the Mayflower which brought the first to America.

Mrs. Milton Wiseman and Mrs. Joe Foster of Sudan put finishing touches on the pictures that they sent to The Texas Fine Arts Society for their State wide exhibit. The women won prizes in the recent Clovis show, and plan to exhibit in the Downtown Exhibit in Littlefield sponsored by the Art Club.

### Short News

By Mrs. VELYN M. SCOTT

Mrs. Tiny Wade and children of Yeso, N. M., were guests last week in the home of Mr. and Mrs. Warren Driver.

Lubbock visitors Monday were Mrs. Olan Roark, Mrs. O. C. Hall and Mrs. T. Young of Muleshoe.

Lubbock business visitors Friday were Mr. and Mrs. S. D. Hay.

Mrs. Louis Aten and children of Fort Sill, Okla., were guests this week in the home of her parents, Mr. and Mrs. W. H. Lyle.

Mrs. Kitty Seiby of Lubbock visited with Mr. and Mrs. S. D. Hay over the weekend. Mrs. Seiby is Mrs. Hay's sister.

Jimmy Garland of Clarendon visited Sunday in the home of Miss Twana Pope.

Butch Dykes was on the sick list the first of the week.

Mrs. Wayne Howell was a Clovis visitor Monday.

Mrs. Frances Furneaux has returned from an extended visit with relatives in Dallas.

Joe Barnett and Mr. and Mrs. Frank Barnett of Clovis, were guests Sunday evening in the home of Mr. and Mrs. Wayne Howell.

Mrs. Walter Price of Lubbock was a Sudan visitor Friday when she visited with friends. Among those visited were Mrs. Joe Salem, Mrs. Ves Terry, and Mrs. Frances Furneaux.

Mr. and Mrs. Harold Close of Clovis were guests last week in the Jay Miller home.

Dyanne Curry was ill and confined to a Littlefield hospital over the weekend.

The Lewis Fields family were weekend guests in the Amarillo home of Mr. and Mrs. Allison Eblen.

Mr. and Mrs. Warren Driver

and children were guests Saturday in the home of his parents, Mr. and Mrs. T. W. Driver of Abernathy.

Airman and Mrs. James P. Arnold Jr., of Austin, were visitors over the weekend in the homes of their parents, Mr. and Mrs. James Arnold Sr., and Mr. and Mrs. L. F. Meeks.

Mr. and Mrs. L. B. Price and Beth visited with Mr. and Mrs. Joe Price and Miss LeAlma Price in Lubbock Sunday. Returning home with them was Judy Price who had been a weekend visitor there.

Guests Saturday night in the Hubert Dykes home were Mr. and Mrs. Cecil Dykes and daughter of Dublin.

Linda and Mickie Parrott were honored at a joint birthday party Thursday evening at the First Baptist church Sunday school annex building by their mother, Mrs. Joy Parrott.

The Halloween motif was used for the party honoring the girls on their tenth and fifth birthdays respectively.

Conducting games played by the 46 present was Mrs. Jack Noblet. Party favors were fringed blowouts. Cake and punch were served and assisting Mrs. Parrott with the serving was Mrs. Ves Patterson, Mrs. Clarence Steele, and Mrs. Derwood Chisholm.

### SUDAN 7th AND 8th GRADE SCOUTS MEET

Girl Scouts of the seventh, eighth and ninth grades met Monday afternoon with leader Mrs. Ima Wales in the grade school building. Mrs. Truman Parrish assisted with the meeting.

Karen Carter called the meeting to order when plans were concluded for the overnight camp to be held in Muleshoe Oct. 28.

Present were Arlene Humphreys, Faye Scott, Linda Parrish, Mae Beth Price, Georgia Stephens, Sandra Hefflin, Lora Muller, Karen Carter.

Miss Carolina Naniquez entertains the Jr. high king and queen, Louis Clarida and Paula Williams, at the Littlefield Halloween carnival.

**FUELING AROUND**  
ST. PETERSBURG, Fla. (AP)—Lt. Paul Smith as a Coast Guard helicopter pilot has lowered many a gallon of gasoline to careless fishermen whose boats ran out of fuel.

The other day Smith was fishing 15 miles offshore when his boat ran out of gasoline. His co-worker and friend, Lt. John Vukic, dropped the fuel for Smith's idle boat—in ill-concealed mirth.

**STANDING DEBT**  
HOUSTON (AP)—A woman had to stand up, wouldn't pay city bus fare.  
"When I sit, I pay. When I stand, I don't," she said. She didn't, either.

## Muleshoe Mules

AT MULESHOE

FRIDAY, NOV. 4, 8 P. M.

### PLAYER OF THE WEEK

Joe Hoover, son of Mr. and Mrs. Houston Hoover, was chosen "Player of the Week" by his team mates for his outstanding performance in last Friday's game against Dismitt.

As tackle, he played good defensive and offensive. He ran a kickoff back 25 yards in Friday's game.

Joe is a Junior in high school. This is his second year to letter in football.

# News From Hart Camp Halloween Parties And Cotton Harvest Take Spotlight This Week

By MRS. JUNIOR MULLER

Mrs. Ray Johnson and Billy Frank went to Austin last week to attend the funeral of a relative.

Mrs. Harold Robison of Fieldton visited in the home of her daughter, Mrs. Harvey Jones, Thursday.

Mrs. H. R. Monroe returned home Friday after a 36 day stay in the West Plains Hospital at Muleshoe. Mrs. Monroe underwent major surgery, followed by pneumonia.

## BEGINNERS AND PRIMARY HAVE PARTY

The Beginners and Primary departments of the H. C. Baptist church were entertained with a Halloween costume party Friday night in the church annex.

Mrs. Blanton Martin, Mrs. D. R. Leonard, and Mrs. C. E. Timmins were hostesses. Barbara Huff and Judy Pendleton conducted the games. The hall was decorated with jack o' lanterns, crepe paper and skeletons. Each child was presented a noise maker on arrival.

Present were Suzanne Martin, Robert, Danny and Janie Sagerser, Helen Ruth and Mary Bess Smith, Shirley and Brenda Leonard, Michael Osthus, Wayne Monroe, Roy Dean Granklin, Gene and Janet Vanlandingham, Larry Lopez, Sonny Huff, Mark Muller, and Sharon Hendrick. Mothers present were Mrs. Bobbie Sagerser, Mrs. L. A. Smith, Mrs. Roy Osthus, and Mrs. Junior Muller in addition to the hostesses.

The children bobbed for apples, played games, and sang songs. The group were served orange drinks and cookies with jack o' lantern faces. As the children left the party they were each given a black and orange basket with Halloween treats inside. Wayne Monroe and Shirley Leonard were the winners in the best costume contest. Wayne was a dog and Shirley was a squaw. The party in part was sponsored by the Intermediate GA's.

Mrs. C. M. Osthus returned home Friday after spending a few weeks near Graham taking min-

eral baths.

Mrs. Zona Guffey of Lubbock returned home Saturday after spending a few days in the home of her daughter, Mrs. Homer Worley.

Mr. and Mrs. Aubrey Neinst and Ramona, Mr. and Mrs. Junior Muller, Mark and Patti, were luncheon guests in the home of Mr. and Mrs. Roy Osthus and sons, Sunday.

Among those on the sick list last week were Mr. and Mrs. Roy Hendrick, and Mrs. Roy Osthus, Pat and Mike.

## MRS. MULLER HAS PARTY

Mrs. Junior Muller entertained the Young People's S. S. class and their guests Saturday night with a barbecue supper. Each girl in her class brought a part of the buffet supper. Mrs. Blanton Martin assisted with the hospitalities.

Present were Sue Sullivan and Waylan Hukill, Yvonne Huff and Arvin Don Oliver, Barbara Worley and Krueger Johnson, Betty Wheeler, and Jim Taylor, Annie Bell Decker, Phyllis Worley, Betty Franklin, Mrs. B. Martin, and Suanne, Mr. and Mrs. Junior Muller, Mark and Patti. Sue Sullivan conducted games and the group watched television.

## BAPTISTS HAVE LAYMEN'S DAY

Sunday was Laymen's Day at the H. C. Baptist church. The men of the Brotherhood had complete charge of the morning service. The number present for Sunday school was 70.

Sunday school superintendent was Dewey Parkey, song leader, Martin Wheeler; adult teacher, W. O. Hendrick; young married people's teacher, M. W. Wheeler; young adult teacher, Pastor Charles Vanlandingham; young people's teacher, Luther Pressley; intermediate teacher, H. V. Lynch; junior teacher, Bobby Sagerser; primary department, Ivy Thompson; S. S. secretary, Edwin Oliver. The choir was an all male choir. Blanton Martin sang a solo.

Three members of the church had charge of the worship service. Dewey Parkey's message was "A Layman can Witness" Fae Moore's subject was "A Layman Has Responsibility," and in

Members of the Rone family who attended the reunion Sunday at the Sudan home of Mr. and Mrs. Wayne Howell. The group is arranged according to age. Seated from left to right is the oldest, Mrs. T. P. Phillips of Amarillo, Mrs. Nolan Berry of Lubbock; Joe Rone of Sudan; Standing left to right, M. L. (Buddy) Rone of Amarillo, Frank Rone of Sudan and Mrs. Wayne Howell of Sudan. (Scott Photo)

conclusion Abraham Farr challenged the congregation with "What Then Shall We Do?"

A number of people accepted the invitation publicly "To Live For Him Who Died For Me."

Grain harvesting is coming to a close in the H. C. area, but in the cotton harvest is in full swing with pullers in practically every field. Machine pulling will probably begin in about two weeks.

Yvonne Huff attended the Hale Center-New Deal football game Friday night, as a guest of Arvin Don Oliver, who is a member of the Hale Center team.

Linda Kay Montgomery of Lubbock visited Barbara Huff last weekend. Mr. and Mrs. C. P. Montgomery visited in the Huff home Sunday.

Jerolyn Timmins attended the birthday party of her niece, Cynthia Dukatnik at Whitharral Saturday afternoon. Cindy was 3

years old.

C. E. Timmins had a skin cancer removed last week from his face, at Lubbock.

The Rose Naranjo circle of the WMS met Monday at the church for Bible study. Mrs. R. S. Moore was in charge of the program. The topic for discussion was "Heaven." Present were Mrs. C. E. Timmins, Mrs. L. W. Sullivan, Mrs. H. V. Lynch, Mrs. Homer Worley, Mrs. Blanton Martin, Mrs. R. S. Moore, and Mrs. Charles Vanlandingham. The November community mission project is to take food to a recuperating neighbor.

Carl Timmins, student at Grand Canyon College at Phoenix, Ariz. is educational director at Love Baptist church in Phoenix. Mrs. Timmins is GA counselor there. Carl is the son of Mr. and Mrs. C. E. Timmins.

Mrs. C. E. Timmins expects

her sister-in-law, Mrs. Peggy Caldwell, of Glasgow, Scotland, for a visit the latter part of the year. Mrs. Timmins brother was killed in a construction accident in Southern Rhodesia last year. Mrs. Caldwell has never been to the states or met her husband's relatives. Mrs. Caldwell will set sail December 2, arriving in New York Dec. 9, and may possibly be in the Timmins home during the holiday season.

Mr. and Mrs. Bryce Jones of Baird were visitors in the W. C. Huff home Saturday.

Mr. and Mrs. Blanton Martin and Suzanne entertained relatives Sunday. Mr. Arthur Davies, Mr. and Mrs. Kenneth Davies, and family, Mr. and Mrs. Ollie King, all of Southland, and Mrs. Martin's sister and children of Lubbock, Mrs. Fred Davies and Carol of Perrin.

Betty Wheeler and Betty Franklin of Lubbock and Waylan Hu-

Queen of the Halloween Carnival, Sandra Stout, and king, Herbert King enjoy the tap dancing of Miss Sue Carpenter at the Halloween carnival Monday night in Littlefield.

kill of Amarillo were all home for the weekend.

Mr. and Mrs. O. J. Huff and Joy of Amarillo, Mrs. Fred Davies and Carol of Perrin, visited in the W. C. Huff home Sunday.

Phyllis Worley spent Sunday with Betty Franklin.

Guests in the L. N. Burleson home Sunday were Mr. and Mrs. A. D. Strickland of Lubbock, Mr. and Mrs. J. R. Turner, Mike and Don of Littlefield, and Mr. and

Mrs. Mark Trimmer of Hale Center.

Among the "trick or treaters" who called at our house and other homes in the community during Halloween were Janet, Gene, Gerald, Clayton and Trevis Vanlandingham, Larry and Jerolyn Timmins, Kerwin Oliver, Eugene Franklin, Krueger Johnson, Barbara Worley, Laura Sagerser, Sammie Wheeler, and Frances

Laura Sagerser of Childers was a guest in the home of her brother, Mr. and Mrs. Sagerser and children last week.

The crack stepples machine was imported from England and is owned by Carl and Frances of New Canaan, Conn.

It's up to you, Mother or Dad, to find out whether their eyes are doing a good job... and to give them the care they need.

For a competent visual examination see your Optometrist or Ophthalmologist today.

## FOR WOMEN WHO DEMAND THE FINEST

# Whirlpool

## You'll love our Wide-Open, Spacious 4-door Catalinas!

Introducing a Big and Vital General Motors "Automotive First" New Strato-Flight Hydra-Matic coupled with Pontiac's new 227-h.p. Strato-Streak V-8 delivers all-new performance so new and dramatic it must be experienced to be believed.

If it's a hardtop, Pontiac has it for '56, with Two-door and Four-door Catalinas in all three series!

And if you like your glamour in great big packages, prepare to lose your heart to Pontiac's all-new Four-door Catalinas—hardtop styling at its low, wide and handsome best... in three models, three price ranges and two wheelbases.

Pick your own particular spot in the rainbow and it's yours in one of Pontiac's 56 solid or Vogue Two-Tone color combinations. Name your own ticket on your favorite type of interior luxury—and get it in one of Pontiac's 32 choices.

But for all its distinctive glamour, the keyword for the fabulous '56 Pontiac is

GO! Its heart-lifting style foretells breathtaking action like you've never known before—exclusively yours from history's highest-powered Strato-Streak V-8 and the incomparable smoothness of Strato-Flight Hydra-Matic.

A torrent of smooth, eager, split-second power impatiently awaits only the nudge of your toe to blaze alive with the greatest "go" on wheels!

And the security of big brakes and easy, instant handling gives the clue to the greatest safety ever built into a car.

Why not make a date to send your spirits soaring? Come in and see and drive the fabulous '56 Pontiac with America's greatest performance team.

MATURE OPINION  
 ALBUQUERQUE (P)—One building at the 1955 New Mexico State Fair proclaimed in two foot high raised letters: 'AMATURE ART.' One fair official as the sign was being changed said, "looks like we may also have some Amateur spellers."  
 Television forced its retirement because carbon filament tubes create interference which appears as a band across the TV screen.

 one man's opinion

## Can't Afford To "Wholesale"

got a 1956 "wholesale" catalog in the  
 mail. It was right pretty and had  
 prices in it—one high and one in code  
 was supposed to show us how much  
 we could save by ordering our needs  
 wholesale.

We had experience with guys like that  
 so were pretty sure right off that we  
 wouldn't be interested in ordering from them  
 because we've learned not to buy a pig in a  
 poke. We like to see what we are buying.  
 We like to do business with people we  
 know—people who will stand behind the  
 merchandise they sell and make it good if  
 it should turn out to be defective, or just the  
 wrong size. We would feel awfully cheap  
 going into a local jeweler and asking him  
 to make the new watch we had bought  
 wholesale.

When we started looking up the  
 "wholesale" price on some things we have  
 bought lately, we found there was no cause  
 for reasons why we would rather  
 buy locally, because we found that most of  
 the prices were little if any lower than  
 the prices down the street had charged  
 for the time we add freight to those  
 "wholesale" prices they are nearly all as high  
 as the other. And we still haven't added any-  
 thing for the time we spend assembling the  
 stuff after we get it out of the box, or the  
 time in waiting for it to come in, or the  
 time for paying cash before we even  
 get what we are getting.

If all those things only added up to  
 a few cents, we would be far behind on  
 "wholesale" transactions because there  
 are some important items we haven't con-  
 sidered at all yet. Those "wholesale" houses  
 don't help us a bit in supporting our local  
 businesses. When we buy locally we know  
 a part of every price we pay comes  
 to us in the form of better schools,  
 better roads, youth organizations, churches,  
 prizes for our poor, prizes for our fair, etc.  
 These are expensive items and we would  
 have a hard time paying for them if the  
 businessmen didn't carry a large part  
 of the cost.

If we add these community costs to the  
 "wholesale" price, along with the freight  
 and the costs of services he does not render  
 for his merchandise, we find that he is far too  
 cheap for us to deal with. We can't begin to  
 compete with him even if his catalog is pretty.

## Waco Roots Opinion . . .

WACO, N. J., LEADER: "What the  
 Federal Aid seems to be is a cost-  
 shifting or redistribution of wealth, where-  
 in the federal government increases its pow-  
 er and control over matters formerly under  
 the jurisdiction of the states. It has been  
 upheld by the Supreme Court that whatever  
 the government subsidizes it has the right  
 of control."

## Waco Bank, S. D., HERALD ADVANCE:

Her H. Sammis . . . a past president of  
 the Edison Electric Institute . . . pointed  
 out that the electric company customers  
 pay 4 cents of every electric bill dollar in  
 state taxes and another 9 cents for state  
 local taxes. Government power agencies  
 are exempt from federal taxes and make  
 token payments in lieu of state and  
 federal taxes. Thus, the customer of an invest-  
 ment company contributes to the cost of  
 the investment when he pays his electric light  
 bill. The customer of government power  
 agencies gets off scot-free. These facts con-  
 sider the inequities that should be corrected,  
 perpetuated by a TVA bond scheme."

## Waco, TEXAS, DAILY NEWS:

"Every time the government gets into the business  
 of trying to distribute the milk of human  
 kindness, the milk turns sour. There is no  
 substitute for individual responsibility."

## A Sidelight . . .

There is an interesting sidelight on the bill  
 which enabled county commissioners to raise  
 their salaries but prohibited them from re-  
 ducing them. The same block of politicians,  
 which pushed the salary bill through, also  
 opposed a bill to permit (not require but just  
 permit) the commissioners' court to publish  
 all its official actions, so that citizens could  
 keep up with everything their county govern-  
 ment is doing. They opposed this bill on the  
 grounds that the counties could not afford it.

Those counties which desired to publish  
 such information would have had a cost of  
 a few hundred dollars a year for this service  
 to their citizens. The salary increases voted  
 amount to many thousands of dollars of ad-  
 ditional cost per year.

## The Sandhills Philosopher—

(Editor's note: The Sand Hills Philosopher  
 on his Johnson grass farm this week is taking  
 credit for something we're not sure he's en-  
 titled to, but you can be the judge of that.)

Dear editor:

When the first north wind of the all blows  
 out here on this Johnson grass farm I always  
 know I'm going to get an extra supply of  
 newspapers and while a good many of them  
 are just papers coming back after being  
 blown off this place earlier in the year while  
 a south wind was going, generally I can find  
 some new ones and this week wasn't any ex-  
 ception, so I sorted out the ones that weren't  
 returns and settled down to some serious  
 reading the other afternoon.

In one paper I found an article that made  
 me proud.

According to it, a group of 28 leading eco-  
 nomists and industrialists, in predicting that  
 prosperity in 1956 will be even greater than  
 it is now, also gave some advice on how to  
 keep things moving steadily, with no rocking  
 of the boat.

One of their main pieces of advice was  
 against inflation, and to head this off they  
 urged restraint in increasing prices.

I am proud to say that I have anticipated  
 these experts and if the rest of the country  
 will follow my practice we'll all avoid any  
 inflation.

For example, I haven't raised the price  
 of cattle. As a matter of fact, I'm getting a  
 little less for a calf this year than I got last  
 year. Nobody's caught me raising the price.

While I don't raise my hogs, I know if I  
 was my hog prices would be not only lower  
 than they were last year but lower than any  
 time in the last 10 years. And the same thing  
 goes for cotton, wheat, rice, corn, maize, etc.

In fact, I'm not alone in this at all, other  
 farmers are following my lead and are using  
 restraint in raising their prices.

The price of steel, cars, telephones, etc.,  
 may have gone up, but do you know of a  
 single farmer who has raised the price of  
 his products?

You won't catch us farmers causing any  
 inflation, and if that's all that's standing in  
 the way of even bigger prosperity in 1956,  
 we've got it made.

Yours faithfully,  
 J. A.

## LIPSTICK LOGIC

By LOUISE C. ALLEN

We overheard a conversation the other  
 day between two women who are building  
 beautiful new homes. They really have prob-  
 lems!

Each has a perfectly good house to live  
 in while the new one is being built, so it isn't  
 that. And each has plenty of money—it isn't  
 that, either.

Much of their talks was of trials with car-  
 penters, electricians and decorators. They  
 abuse your property. They oversell you. They  
 expect you to visualize a room from a few  
 tiny samples. They're slow. They're expen-  
 sive.

For once we basked in the sunshine of  
 poverty. When we built our home, we were  
 both so busy making money to pay for it  
 that we decided such things as door hinges  
 and cabinet finish as quickly as possible,  
 then left them to the contractor. Oddly  
 enough, he did pretty well without our close  
 supervision.

We had no trouble at all with a decorator.  
 We just placed our few belongings in the  
 larger rooms so they'd fill up as much space  
 as possible, then gradually furnished the  
 house as we could afford it. After fifteen  
 time—but at least it has been a source of  
 years, we're still "decorating"—piece at a  
 pleasure, not distress.

Many of the things we do that should make  
 us happy seem instead only to intensify our  
 anxiety and tension. What's the matter? Are  
 we afraid to turn loose and enjoy living?

## TORTURE---AMERICAN STYLE

## DAN'L BOONE IS WANTED

RADFORD, Va. (AP)—There is a  
 warrant out for Daniel Boone's  
 arrest in Montgomery county,  
 Virginia, dated August 4, 1775.  
 Boone and a fellow named Wil-  
 liam Cowan, owed Alexander  
 Baine, a Fincastle merchant 45  
 pounds, 18 shillings and 10 pence

plus 50 shillings damages. The  
 legend is that this debt was for  
 supplies used by Boone in his  
 westward trek.

The warrant was never served  
 and it explains why on the back  
 "Gone to Kentucky," it says. Judge  
 C. W. Crush has a photostate of  
 the warrant.

## GLEANINGS . . . From Nearby Newspapers

Wholesome human relations are basic to  
 common understanding, says Dr. Keith W.  
 Atkinson, professor of education at New  
 Jersey State Teachers College, in the School  
 Executive.

His point is that educators must contribute  
 to this. It is not enough to develop citizen  
 interest—such interest must be met and an-  
 swered.

"In the hope of creating a climate of un-  
 derstanding in which schools can thrive, and  
 in which citizens will be dedicated to school  
 improvement, educators must analyze, study  
 and develop a long range program of school  
 community relations to gain the cooperation  
 of the citizens who are asking questions,"  
 says Dr. Atkinson.

"The struggle between indifference and  
 active support, between misunderstanding  
 and understanding is not a struggle which  
 school people can leave for others to re-  
 solve . . .

"Understanding produces not only a dif-  
 ference in the volume of opinion, but also a  
 difference in the kind of opinion. People who  
 are ignorant or uninformed are suspicious of  
 what they do not understand and may try to  
 destroy. On the other hand, those who are  
 enlightened or well-informed appreciate

what they understand and if it is worthy of  
 support, they will try to preserve and im-  
 prove it." —from Better Schools.

Does crossing a city street leave you a  
 nervous wreck? Do you long for the safety  
 of a farm life?

Well, you had better think twice. For the  
 1955 edition of the National Safety Council's  
 statistical yearbook, "Accident Facts," shows  
 that agriculture ranks among the most  
 dangerous of industries.

Only high hazard occupations such as con-  
 struction and mining surpass the accidental  
 death rate of farm workers.  
 —Denver City Press

## Down Memory Lane . . .

(From the files of the Lamb County  
 Leader, November 6, 1924)

Governor Neff to speak here.

Calvin Coolidge wins — Chas. E. Dawes

## Lincoln proves a big fine car can be both long and lively

LMDA

This 2-door hardtop is one of 3 models in Lincoln's new Premier series. There are also 2 Lincoln Capris to choose from.

THE BARRIER is broken. The new 1956 Lincoln  
 shatters the myth that a big car, a long car, need  
 be hard to handle.

For the 1956 Lincoln, for all its new length, for all  
 its luxury, is as lively as a made-for-action sports car.

Lincoln's new V-8—the most powerful Lincoln  
 engine ever—turns out 285 horsepower. Lincoln's  
 automatic drive translates that power from command  
 to action so fast, so smoothly, you almost feel this  
 car is part of you.

And Lincoln's advanced ball-joint suspension teams  
 with its optional power steering to help you thread

through traffic with effortless ease, to keep you steady  
 and relaxed on the most winding roads.

Come in soon to see the new length of this Lincoln.  
 Come in to see its new luxury—inside and out. Then  
 come drive the new long Lincoln for 1956.

The new 1956

## Highlights and Sidelights From Your State Capitol

By VERN SANFORD  
Texas Press Association

AUSTIN—Texas, and possibly the nation, may have a new political party—the "moderates."  
Sen. L. B. Johnson started it when he commented that he was neither a liberal nor a conservative, but that he was a "moderate."

Since then the term has cropped up with increasing frequency in comments by leading figures over the state.

Governor Shivers has announced that he plans a tour into other states to urge selection of a "moderate" Democratic candidate for President.

With Johnson-for-president move gaining momentum, Shivers commented when asked if Sen. Johnson fitted the middle-of-the-road pattern, that he seemed "more moderate than extreme."

The Governor emphasized that he will not be working for any specific candidate on his tour. He also has now view, he said, of trying to form a "coalition" of

Southerners, as has been suggested. "I hope to get into the West, the Middle West, and possibly the East," he said.

**CREeping HARMONY**  
Harmony in the Texas Democratic Party moved slowly. Speaker Sam Rayburn, leader of the liberals, has demanded a state delegation pledged to support the party nominee.

Governor Shivers, conservative leader, has opposed an advance pledge to support "any nominee."

Rayburn, however, has spoken approvingly of Lt. Gov. Ben Ramsey, recently named national committeeman with the hope of bringing the two factions together.

Meanwhile the conservative Democratic State Executive Committee has launched a drive to get 3,500,000 persons to pay poll taxes or secure exemptions, for a big turnout next year. It expressed hope for 30,000 delegates at the convention set for May 26 in

Dallas.  
Rival liberalists have charged that the State Committee has "frozen" hotel space in Dallas with the design of keeping the liberals away.

**COMMITTEE CLEARS SHEPHERD**  
In a closed session, a Texas Bar Association grievance committee voted to take no action on remarks Atty. Gen. John Ben Shepperd made about the Court of Criminal Appeals and Judge Lloyd W. Davidsson.

Shepperd frequently has expressed himself as being opposed to closed sessions. He went to the meeting with a marked rule book containing passages on open and closed sessions of grievance committees, and requested that the hearing be open. The committee overrode the request.

Newsman, sent by their respective newspapers to report the committee meeting were told to leave the room before the committee convened. No previous announcement of the session's being closed was made.

The hearing resulted after the election of Judge Davidson brought an about face in 104 indictments in turbulent Duval county. Shepperd commented that Davidson had expressed an opinion on the cases before they were

presented to the court.  
Following their four-hour session, the grievance committee said they had considered the matter and found that "no action should be taken. The matter is closed."

**HIGHWAYS BECOME LABORATORIES**  
Research to determine specific causes of injuries in passenger automobile accidents begins on Texas rural highways this week.  
Sponsoring the cooperative program are the Texas Highway Patrol, Texas State Department of Health and Cornell University Medical College.

Purpose of the project is to discover exactly what kills persons in traffic accidents. The injury may lead to a major revolution of car design.

**CENTEX CHIEFS MEET**  
Police chiefs from seven cities and patrolmen from central Texas counties met in Austin to discuss measures for slowing an eare traffic toll which now nears an all-time record.

Safe Driving Day, set by President Eisenhower for Dec. 1, will begin this year ten days before that date and extend 10 days after, according to an announcement by Capt. Jim Musick, at the meeting. Musick is manager of the Texas Safety Association. He called on policemen and pa-

trolmen to be particularly alert and much more severe on traffic violations during the period.

**NEW SECRETARY OF STATE**  
Texas' third secretary of state in nine months has been appointed by Governor Shivers, effective Nov. 1. He is 34-year-old Tom Reavley, Jasper attorney.

Reavley succeeds A. M. Muldrow of Brownfield, who took the office last February after C. E. Fulgham of Lubbock resigned. Muldrow will return to business interests.

Reavley is a World War II Navy veteran, graduate of the University of Texas and a Harvard law graduate.

**COURT GETS GILES APPEAL**  
Texas Court of Criminal Appeals is to hand down a decision, probably within a month, on Bascom Giles' first conviction.

Appeal was filed in the court on the two-to-three year sentence imposed on the former land commissioner by an Austin district court in July.  
Stated, but not yet filed, is a perfunctory appeal on a two-to-six year conviction on the case in which Giles pled guilty. It is designed, according to the defendant's son, Attorney Rogan Giles, to "gain time."

**SHORT SNORTS:** Texas draft call for December will total 873 men for the Army and Navy, as

compared with 1,006 in November. . . . Texas population has reached an estimated 8,479,000, a 10 per cent increase over the official census report in 1950, according to the latest Federal Census report. . . . A booklet seeking to distinguish right from left in the Texas Legislature is being circulated by state labor groups. . . . A group of 10 Russian housing experts visiting in Austin, scooped up armfuls of pamphlets at model homes and said principles used in the "Air Conditioned Village" will be used in Russia.

**Mrs. Pitcock Returns From National Meeting**  
Marie Alice Pitcock, vice president, Littlefield Memorial Park Littlefield, has just returned from the Annual Conference of the National Cemetery Association, a nationwide organization of modern cemeteries. The meeting was held on October 24-27 in Chicago, and was attended by more than 700 executives of cemeteries from all parts of the country. An important part of the meeting was the display and

demonstration of the latest in cemetery equipment shown by 50 manufacturers.

**CHANGE OF HANDS**  
TOKYO (AP)—The U. S. Army will release nine downtown Tokyo facilities to the Japanese govern-

ment by next spring. They are the old Kaito, Yuraku hotels, the Pan Pacific building, Mitsubishi Main Building No. 21, the Forestry Building, Mitsubishi Naka 15, and Peers Club Annex.

Here Friday and ready to roll!

The hot one's even hotter!

# the '56 Chevrolet

New models—all with bold new Motoramic Styling. More models—including two new 4-door hardtops and two new 9-passenger station wagons. New excitement under the hood—up to 205 horsepower and 9.25 to 1 compression ratio. This—remember—is the car that broke the Pikes Peak record in a history-making, preproduction trial. Come on in, look it over and try it out!

They're sitting in our showroom right now champing at the bit. For these '56 Chevrolets were born with an urge to go places! But look 'em over first. Look at that bigger, wider, more massive grille. Follow that lower speedline of chrome back to those sassy, high-set tail-lights (the one on the left swings down to uncover the gas cap!).

V8 or 6—19 Models in 3 Series  
Any kind of model anyone could want! Your choice of the new "Blue-Flame" 6 with 140 h.p. and new higher compression or Chevrolet's record-breaking V8 power ranging up to a new high of 205 h.p. and 9.25 to 1 compression ratio! Automatic, and comfort and safety features? If Chevrolet doesn't offer them, it's only because they haven't been invented yet. Come in and drive the '56 Chevrolet!

### Sport Sedan Makes Bow with 1956 Chevrolets

Reminiscent of the sport coupe which Chevrolet introduced with such sensational success in 1954, a sport sedan makes its debut along with the company's other new models. Elimination of the center pillar in the window area adds smartness as well as unexcelled visibility. The hardtop sedan will be available in the Bel Air (above) and "Two-Ten," two of three price-graded series of cars offered by Chevrolet for '56. Engine choices include two more powerful V8's and one 6. The "Super Turbo-Fire V8" develops 205 h.p.

## New Chevrolets Will Go On Display At Armes Chevrolet Friday Morning

Scheduled for debut at dealer showrooms across the nation Friday, November 3, 1956 Chevrolet models carry increased horsepower, a fleetier, more rugged appearance and are offered in the broadest array of bodies ever produced by the company.

New in the low-price field is a four-door hardtop sport sedan. This car has no obscuring center pillar in the window area. Also introduced for the first time are three-passenger station wagons, bringing the company's total number of 1956 bodies to 19.

**Power Increased**  
Of prime interest to buyers who appreciate the security of ready acceleration is an increase in horsepower extending from the six-cylinder engine to the pace-setting V8. The new model sixes are at 140 horsepower. The Super Turbo-Fire V8 which, in a recent performance test, set a new 30-time record at Pikes Peak in September, develops 205 horsepower.

Among outstanding safety features in the 1956 Chevrolet line is the availability of seat belts and shoulder harness; improved, recession-aimed headlights, and crash-tested door locks to minimize the possibility of doors being sprung open by shock or collision.

The safety lock was introduced on Chevrolet models last summer. The design includes a flange on the door portion of the car which overlaps another flange on the striker mounted on the body pillar. The overlap, or interlock, is designed to prevent disengagement of the two parts in event of a collision.

**New Paint Harmony**  
Lively paint schemes are offered in accord with the increased color consciousness of car buyers. Choice range from black to a newly developed pigmentation in beige and red. Original two-tone gives each of three price-graded series an exclusive pattern. Ten solids and 14 two-tone combinations are on the 1956 color chart.

Novel trim ideas, with particular attention to the low-price One-Fifty series, are evident in the interior as well as the exterior treatments. Charcoal shades are new. In a simplification of options, the company announces each series will have a "standard" interior two-tone trim. A wide range of other harmonizing interiors will be available on an optional basis.

In the 1956 Chevrolet, complemented by new sheet metal complementing a more massive grille in a 1 model. The grille is a wider, lattice-work design and the effect of staunchness and beauty is aided by a heavier chromium-plated bumper. Fender lines at the front and rear are higher and straighter. The hood flare is flatter and extends four inches farther forward.

before dipping to meet the grille.

**Gas Inlet Concealed**  
Chromium molding, applied for the first time on the One-Fifty series, sweeps along the sides of the 1956 bodies to increase the low, ground-gripping aspect of the cars. Headlamp visors are more pronounced. Parking lamps are square and set low over the reshaped bumpers. A novelty is the location of the gasoline filler, concealed by the hinged rear left tail lamp.

The following bodies will be available in the 1956 Chevrolet line:  
**One-Fifty series**—Two and four-door sedans, utility sedan and two-door six-passenger station wagon.  
**Two-Ten series**—Two and four-door sedans, Delray coupe, sport coupe, and sedan, two and four-door six-passenger station wagons and four-door, nine passenger station wagon.  
**Bel Air series**—two and four-door sedans, sport coupe and sport sedan, convertible, Nomad station wagon and four-door, nine-passenger station wagon.

These 19 models compare with 14 available at the start of 1955 production.

In place of the two sixes of different horsepower that were present in the 1955 line, six-cylinder output will be concentrated on one 140-horsepower engine with an 8 to 1 compression ratio. This engine may be coupled with either the Powerglide automatic transmission or the manual shift.

**Overdrive Among Options**  
Optional equipment that scored high favor in the 1955 line again is offered by Chevrolet. These include the gas-saving overdrive, power steering, power brakes and push-button control of seat adjustment and window lifts. Compact air conditioning mechanism that fits under the hood and tinted glass are other optional items on the list.

A host of mechanical improvements promise even more trouble-free service than previous models of the company. Rear engine mounts have been reformed for isolation of noise and vibration. An electric water temperature gauge replaces the former tube type. Enlarged exhaust cross-over passages will make for quicker warm-up in cold weather. Dual exhausts are extended to station wagons where the Super Turbo-Fire V8 is specified. New sealed beam headlights give better illumination of roadside ditches and are standard on all cars. A precision headlamp aiming device is exclusive in Chevrolet's

field.  
Directional signals, formerly an extra cost item, are now standard equipment. The 12 volt ignition system pioneered by Chevrolet in the low-price field has been improved. Batteries carry a 36-month warranty instead of 21. Spark plugs have ribbed porcelain insulators that offer 25 per cent greater resistance to flash-over. A new and longer neoprene boot supplies greater protection to six-cylinder engine plugs.

**Seat Belts Available**  
Arrangements to offer special kits containing factory-approved seat belts and shoulder harness components were announced by Chevrolet several weeks ago. The development followed an extensive review by company engineers of quality, strength of webbing, buckles and attachments. The approved devices, said Chevrolet, will exceed the specifications of the Civil Aeronautics Authority for aircraft seat belts.

A new method of mounting V8 generators reduces vibration and noise. To guard against water and foreign matter, the starting motor plunger is shielded by a neoprene boot. Wiring harness is divided into two sections which connect at the dash panel to facilitate assembly and servicing. A shroud on the air cleaners makes for quieter operation. A woven asbestos composition clutch facing provides smoother operation for V8's. A high capacity clutch of coil spring design replaces the diaphragm spring clutch on Super Turbo-Fire V8 models.

**Legal Notices**  
Littlefield, Texas  
October 27, 1955  
TO WHOM IT MAY CONCERN:  
This is to advise the public and whom it may concern that my father and mother, J. M. and Emma Roberts, 813 West 10th Street, Littlefield, Texas, have given me exclusive power of attorney over all of their affairs and business, including the right to sign all checks for and on behalf of them, the said J. M. and Emma Roberts, and that any contracts, checks, or legal instruments of any nature whatsoever which are given for, by or on behalf of my father and mother, J. ### Fieldton Facts

By MRS. R. A. REED

**WMU MEETS MONDAY**  
The Fieldton WMU met Monday afternoon, at 2:30 at the church.  
The Fifth Sunday is a social affair.

Mrs. G. B. Stewart gave the devotional and following that games were played and refreshments were served.

The following were present: Mrs. Paul Hukill, Mrs. Homer Hukill, Mrs. Don Brestrup, Mrs. No'lard Hukill, Mrs. Eldon Hill, Mrs. C. V. Hill, Mrs. Claude McCain, Mrs. Royce Goyno, M. S. Don Joiner, Mrs. George Harlan, Mrs. G. B. Stewart, Mrs. Willis, Mrs. J. C. Muller, Mrs. Forest Durham, children of the Sunshine band, Gordon Hukill, Randy Brestrup, Kathy and Kemmey Hill, Chip Joiner, and Lugenia Harlan.

**REV. SMITH ATTENDS FUNERAL SERVICES FOR SISTER**

Rev. and Mrs. Fred Smith were called to Colorado City Thursday by the death of his sister. She had been ill for some time. Funeral services were held Friday afternoon at the Baptist church. Several from here attended the services. They were: Mr. and Mrs. A. E. Howard, Mr. and Mrs. J. C. Muller, and Rev. Vanlandingham, pastor of the Hart Camp Baptist church.

Mrs. Pearl Chapman went to Littlefield Friday for a visit with her daughter, Mrs. Calvin Pigg and family, and also a grandson, W. C. Chapman of the U. S. Air Force, who is home on leave.

Mrs. L. D. Cassetty visited Friday night near Tulla, with her son Eldon Cassetty and family.

Harold Robison was a visitor at Booneville, Ark., last week, attending to business there.

Mrs. John Briscoe brought a home in Lubbock, and moved there last week. She will work

for the Church of Christ Children's home there, three days a week.

Mr. T. M. Moore, from Bells, Texas, was a business visitor here Thursday and Friday. He spent the night with Mr. and Mrs. S. D. Cowen.

The junior, intermediate and young peoples classes of the Fieldton Baptist S. S. met at the church Monday night for a Halloween party. Refreshments were served and games were played.

Mrs. E. M. Sullivan returned home Friday after visiting for several weeks at Oklahoma City, with a daughter, Mrs. Mittle Stagner, and with another daughter, Mrs. Jim Ryan at Clovis, N. M.

She was accompanied home by Rev. and Mrs. Ryan. Mrs. Ryan spent the weekend with Mrs. Sullivan and her sister, Mrs. A. H. Scivally and husband.

Mrs. Lois Barrett from Albuquerque, N. M., visited here Sunday with her parents, Mr. and Mrs. Paul Blum and son, Mark, from Houston, visited here last Thursday with her parents, Mr. and Mrs. A. H. Scivally.

### Can't Get Rid of Your Cold?

Then try 666, the wide-activity medicine, for greatest effectiveness against all symptoms of all kinds of colds. 666 combines 4 potent, widely-prescribed drugs and gives positive dramatic results in a matter of hours. Its combined therapy covers the complete range of all cold symptoms.

No other cold remedy can match 666 liquid or 666 Cold Tablets. **666**

## where the loan will be disbursed.

### UNDERSEEDING 1956 WHEAT

**ALLOTMENTS**  
If a producer does not underseed by more than 25 percent, the farm will be considered as having the full allotment planted in 1956 for the purpose of future wheat acreage allotment determinations. Provisions for release and re-allotment of wheat allotments WAS NOT included in the 1956 program.

### 1955-CROP GRAIN SORGHUMS GRADING DISCOLORED ELIGIBLE, PRICE SUPPORT

1955-Crop grain sorghum grading discolored, which meet all other requirements will be eligible for price support at a discount of 7 cents per cwt. The discount of 7 cents per cwt. for grain sorghums grading discolored is in addition to any other applicable discount.

Price support rate for grain sorghum grading U. S. No. 2, or better: \$1.69 per cwt. Farm stored loans NET the producer \$1.67 per cwt. Warehouse stored loans NET the producer \$1.55 if the warehouse receipt is dated October 26 to November 5 inclusive. Each 10 days storage charges decrease .01 and net figure increases .01.

### 1956 UPLAND COTTON QUOTA AND ALLOTMENT PROCLAIMED REFERENDUM DECEMBER 13.

A national marketing quota of 10 million bales (standard bales of 500 pounds gross weight) and a national acreage allotment of 17,331,304 acres of the 1956 crop of upland cotton were proclaimed October 14 by Secretary of Agriculture, Ezra Taft Benson. The Secretary also announced that a referendum on the cotton marketing quota will be held on December 13, 1955. At least two

thirds of the cotton farmers voting in the referendum must approve marketing quotas if they are to be effective. Under the basic formula provided by law, the upland cotton marketing quota would be below the announced level if it were not for a "minimum" provision in the law. This minimum is 10 million bales, and that automatically becomes the marketing quota under the present supply situation. The supply of cotton available for the 1955-56 marketing year is second only to the record supply of 24.6 million bales in 1939-40, and marks the fifth consecutive year in which the supply has increased over a year earlier. While the last two upland cotton crops have been around average, the 1953 crop was the fourth largest of record. A new record in cotton yields per acre has been set in each of the past three years.

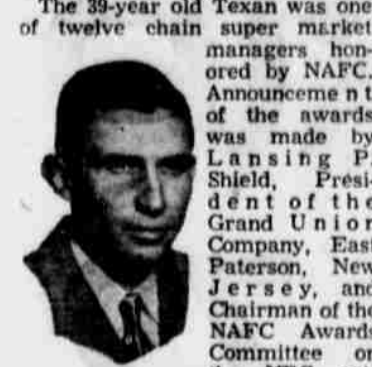

## Catholic Ladies To Serve Annual Supper, Nov. 8

The Catholic ladies of Littlefield will serve their annual dinner on November 8, from 5:30 till 8 p.m., in the school cafeteria.

German sausage and sauerkraut chicken and dressing, green beans, mashed potatoes, home made pies and coffee will be served. There will be three serving lines so guests may serve themselves and may return for all they are able to eat. The ladies hope to have the entire crowd eating within 15 minutes after they arrive. Tickets are \$1.25 and 75c, and the proceeds go for the many worthwhile endeavors of these ladies.

## Furr's Super Market Manager Is Named National Winner In Citizenship Program

Wayne D. Griffin, 2905 37th Street, Lubbock, Texas, manager of Furr's Super Market at 2420 34th Street, Lubbock, was named a National Winner in the nationwide Citizenship Award Program of the National Association of Food Chains today at the Association's 22nd Annual Meeting in Chicago.

The 39-year old Texan was one of twelve chain super market managers honored by NAFC. Announcement of the awards was made by Lansing F. Shield, President of the Grand Union Company, East Paterson, New Jersey, and Chairman of the NAFC Awards Committee on the NBC net-

work television show, "HOME," Monday morning. The winners were presented bronze medallions inscribed with their names for "outstanding achievement in promoting better community relations." The twelve National Winners were selected from more than 1600 chain super market and food store managers who were given certificates naming them as "Good Citizens of 1955" by NAFC last spring. The local winners were chosen from more than 10,000 managers who filled out a special questionnaire designed to measure their citizenship activities. The questionnaire was developed by the Teachers College of Columbia University operating under a grant from the Carnegie Foundation to study the elements of citizenship.

A native of Putnam, Texas, Griffin began his career in the food chain industry after his discharge from the Air Force in 1946. Starting as a stock checker he was appointed assistant manager of Furr's, Inc., Lamesa, Texas, store in 1948. He was promoted to store manager, and transferred to Lubbock in Novem-

ber, 1949, taking over his present store in 1950 and assuming the responsibility of managing a super market representing an investment of hundreds of thousands of dollars for the company. In fact, the average National Winner in the Citizenship Program is responsible for the supervision of up to 100 employees and sales that run well over a million dollars a year. Today's super market manager is a career business executive, an integral part of the multi-billion dollar industry whose goal is "Better Living at Lower Cost" for the nation's families. Griffin's civic activities in Lubbock take a great deal of the limited amount of free time he has. He works with both the white and colored Boy's Clubs. He is a charter member of the South Plains Lions Club, having held an office in the club since its inception in 1950. A former member of the Junior Chamber of Commerce, he is active in the Cancer Crusade, the American Red Cross, and the PTA. Mrs. Griffin is also active in PTA work and has helped with numerous charity drives. When time allows, Mr. and

Wayne Griffin, manager of Furr's Super Market, 34th and College in Lubbock, Texas, who has just this week been named one of the 13 National Winners in the nationwide Citizenship Award Program leads an active life. Here (top right) he is shown working with the Lubbock Colored Boy's Club director on new plans for a building. Griffin, as vice president of the South Plains Lions Club, has played a leading role in development of this activity. (Lower) Griffin in a "huddle" with several of his co-workers at Furr's Super Market, No. 22. (Upper Right) Griffin with his wife, Almada and two children: Susan, 2 years at the left and Carol, 8, at the right. Mrs. Griffin and their daughters, will ambassador both in and out of Carol 8, and Susan 2, enjoy going to the movies and taking short week-end trips. Commenting on his responsibility as a citizen, Griffin says: "A store manager must be a good community and his company."

**DIVIDED STUDY**  
BOGOTA (AP)—The University of the Andes arranges to have some of its 600 students divide their studies between the university here and the universities of Texas, Illinois, and Pittsburgh in the United States. It's part of a program to provide better technical training. President of the University of the Andes is Alberto Lleras Camargo who was president of Colombia from 1945 to 1946. "It's almost impossible to study technical courses here," Lleras said, "particularly engineering. By sending our students to the United States we give them the advantage of advanced technical facilities and a splendid academic atmosphere."

### Antlerless Deer Shoot About Set

AUSTIN—Harvest of between three and five thousand antlerless deer in six Hill Country counties may be authorized on the basis of plans now underway, says the Executive Secretary of the Game and Fish Commission.

Slightly more than three thousand and head of antlerless deer have been taken last fall when this method of reducing deer overpopulation was given emergency status in Mason, Llano and Gillespie counties.

This year the special harvest has been approved in those three counties. Commission action has paved the way for the antlerless hunts in Medina, Kerr, and Blanco counties, subject to final approval of county commissioners' courts.

"The special harvests are due to the sound game management policies in the face of overpopulation of deer on drought-stricken, overgrazed ranges," said the Executive Secretary. "Removing surplus deer in these counties this fall will be another step toward balancing the herds and will mean a higher survival rate next winter. We know that this action improves the vigor of individual animals and generally improves deer hunting in the long run."

Hunters will get the special permits from landowners. The limit will be two antlerless deer or one buck and one antlerless deer. Hunting lease cost is expected to range from \$10 to \$25 depending on prices set by landowners for hunting privileges. Dates for the special hunts in all counties affected will be from December 2 to 11 inclusive.

"Our reports indicate the deer generally are in good condition up to this time," said the Executive Secretary. "Food temporarily is adequate and the weather made available under these special harvests should be choice."

### IT'S THE LAW in Texas

**LEGAL BERBIAGE IS SOMETIMES JUSTIFIED**  
Many persons feel that the "whereases," "aforesaid's," and other legal verbiage is used by the lawyer for the purpose of confounding the layman.

Nothing could be further from the truth. In drafting legal documents, the lawyer attempts to draft them in such a way as to exclude all ambiguities. In the last analysis, a legal document means that some court at some future time shall declare that it means. As a consequence, it is the lawyer's duty to his client to attempt to draft the instrument in such a way that it can mean only one thing.

Most any paragraph of non-legal language contains numerous ambiguities. When a lawyer refers to the "deed aforesaid," he is attempting to make it clear beyond question that the deed he is referring to is the deed mentioned in a prior portion of the instrument. Likewise, when he references a legal document with a long list of "whereases," he is simply reciting pertinent facts for the benefit of the court to show the facts of the situation that lead to the execution of the instrument.

The difficulty with drafting a document in layman's language is that to the trained analyst such language is susceptible of several meanings, and consequently is liable to lead to litigation. It is the draftman's purpose to avoid litigation which is usually expensive for the client.

Another reason why lawyers use legal language is historical in nature. This most deeds declare that the grantor "by these presents does grant, sell, and convey" the land in question to the grantee. Each of the words recited have a technical meaning. The words together have frequently been construed by the courts and consequently the lawyer knows in using them that their meaning is settled and that they will operate to properly transfer the title. He would be inviting litigation for his client if instead of using these words he devised new language to express the same purpose. He could only say "While I think the language that I have used will accomplish the purpose, I cannot be sure of it."

As a consequence the lawyer in the interest of his client usually uses the time-tested language instead of experimenting with new language.

An average of 19 million bank checks are written daily in the United States with an average face value of \$300 per check.
