

RETIREMENT VILLAGE IS BEING CONSIDERED SURVEY TO DETERMINE INTEREST

A survey is printed on page 7 of the "Times". The survey, sponsored by the Wheeler Chamber of Commerce Industrial Committee is to determine the possibility of fulfilling an unmet need in our community for monthly

rental apartments in a full service retirement community.

Wheeler is being considered for such a project; the survey will determine the interest and what is expected to be offered or available at such a facility. Apartments of this type are found across the country and

would definite be an asset to Wheeler. Wheeler has lost several of its older residents to such a project elsewhere. Why should one have to leave home when they wish to retire.

Please take the time to fill in the survey.

CWE CHAT WITH EDITOR
By Louis C. Stas

Congratulations to the young people entering animals in the Wheeler County Livestock Show over the weekend. The animals represent a lot of work by the area youngsters. This annual affair represents a lot of work on the part of the Wheeler County Livestock Show Association, area 4-H and FFA sponsors and other community leaders. **Thank You** is extended to each individual who helped to make this show a success.

We have other pictures of the stock show and they will be carried in another issue of the "Times".

Take the time to fill out the survey on page 7. Wheeler is such a great place to live, a facility of the type being considered would make it possible for us spend out retirement years without the work and worry of home and yard maintenance. Your answers will help to determine what will be offered.

A Reminder: If you have not mailed in your nomination for the annual Chamber Outstanding Individual Awards, please do so. The most deserving individuals often go unrecognized because their good deeds are offered without expecting reward.

Did you hear the thunder? We are being promised precipitation later in the week.

Seeing the spring clothes in the window at Andie's reminds us that Spring is just around the corner and we have not had winter yet. Scars you doesn't it.

Then Wednesday night we went to Wheeler to help the Johnny Reed group. Johnny was too ill to go but Red Dukes and Betty Brothers showed up and they put on a good program. Also there was Jack Criswell of Sayre, Anna Dukes, Clyde and Minnie Vinson of Allison. The Fabulous Strings and Things (Erick's Kitchen Band) will be at the Wheeler Care Center on 5th Tuesday, January at 2:30.

Some sort of bug laid me low. Couldn't be the flu, I had my shots. Wasn't a cold, I didn't have the sniffles. Nothing wrong except I was half dead. Ok now.

I was very disappointed about the parade. It sure didn't have much management. They lolly gagged around til the parade hadn't started when it was supposed to have ended. Thus we didn't get to see our Elk Band going by, playing Oklahoma. I hope they can get the Nation's affairs in better shape. Our kids really did us proud Thursday night.

I was impressed with Mr. Bush. Maybe he can manage things but he has a horrendous task ahead. I think he may realize that the Never-Never Land that Ronnie has been living in does not really exist. Acceptance of reality will be a start.

Crystal Lea Settlemyer has arrived in Missouri. Her parents are Becky and Steve. Grandparents are Linda and Mike Kahoa, Mae and Martin Settlemyer. Great grandparents are Con and Virgie Kahoa from here and Mr. and Mrs. Leroy Mills of Springfield. Linda and Erin spent two weeks in Mo. helping out and getting acquainted with the young lady.

Kent and Donna Howell have a new baby Kelsi born at Elk. Grandparents are Rollie Ray and Gloria Howell, Jim and Lois Wallise of Shreveport. Great grandmother is Hazel Howell. She is welcomed by a five year old sister Heather.

The Sweetwater Rural Water system has been approved for a \$60,000 grant for upgrading east of Sweetwater.

Mrs. Edward Quattelbaum of Leedy sent a Safeway sales ticket for the school. Thanks a lot. You can also send them to the school care of Nelda Tucker. I don't understand why all our books say the USA had a 99% literacy rate and everyday the TV says one out of five Americans can't even read road signs.

Our friend O.R. Wilhelm was presented with a 50 year pin for his

many years with the Masonic Lodge. Rena Mae Walker of Atoka has been here visiting James and Sue Keathley, Elec and Beulah Atchley, and the Y. C. Fuchs family.

See the Mong Kountry Kitchen is having a Friday night catfish fry nowadays. Hear tell they are wonderful cooks.

Mike Kahoa went to Collinsville on Sunday and exchanged calves with A. A. Kahoa. He met Linda and Erin in OKC and they had supper together. Linda attended a meeting of the OCA and helped make plans for the Beef Expo and other coming events.

Rufus McCathern of Pampa, Andrew McCathern of Hereford and his grandson John dropped by for a short visit this week. They were showing John where they grew up and where Andrew was born by Zybach. Most of my kin moved up there once. A prairie fire burned them out and they came back to Oklahoma. They stopped at Allison and visited our mutual cousin Ona Black.

On the Superintendents honor roll (all A's) were Misty Keathley, Jr. Monte Carlson, Tess Heinsohn, Sheila Sites, Sophs, Mark Harmon, Jamie Heinsohn, Freshmen, Rebecca Hall, Alicia Yowell, Mandy Carlson, Brendon Atkinson, Dustin Yowell, Megan Sites, Kyland McArthur, Chris Schmidt, Matt Carlson, Andy Davis, Heather Anderson, Tammy Keathley, Lana Keathley, Sarah Kelley, Michelle Reed, Leah Mayfield, Brain Davis, Colby Hagerman, Tyler Heinsohn, Philip Thomas, Monica Bentley, Mary Emert, Perisha Hill.

Jo Marie Hagerman was on the honor roll at SWOSU.

Dennis Gragert has moved to Jefferson City, Mo. where he is serving as Aide to Mo Sen. Al Hilges.

Saw several in town. Irene Davis of Arnett and Kathy Davis, Lester and Clara Davis, Shirley and Jim Anderson, Mr. and Mrs. Jess Lovett. Lee Briscoe told Joe he was just back from a stay in the Veterans hospital.

Heard an Englishman tell that they have a 3 week period of campaigning and can only spend \$10,000. If they run over they are out of it. That would sure beat the year deal we have.

We really went to town today. Spent \$32 million on the inauguration. I realize that Presidents need to relax but I do hope George will be content to go back to New England and not feel like he must go to Texas everytime he gets stirred up. I forget how many millions we spent in 8 years taking Reagan and his coterie to CA weekends so he could let off steam chopping wood. But it was millions would have fed a lot of hungry people quite a while. Of course, it helps when you don't know there are any hungry.

Ain't It The Truth
By Ab Gunter

I don't know why but I can't get it out of my craw and do to say it again. I don't know why the Amarillo Daily News ain't got a front page A to Izzard in it?

I hear tell it just ain't the thing to do having such unimportant things in the paper or some other excuse. Why that can't be true cause The Wheeler Times and many other papers have such a column and it just don't look rite to see the Amarillo paper not having such, recon them birds that have the paper are just too darn lazy to put forth that effort. As a little feller I used to read the Tackless Texan that Gene Howe had there on the front page and on the front page of the Dallas Morning News Frank X Tolbert had a column and my Little Fat Wife had a cousin had a column in The Oklahoma City paper for many years.

Aint nothing wrong with such a doins in the paper if you got somebody that has time for such. I bet if Laura Hamner was alive she would tackle such a chore and have little tidbits of the folks there in the Panhandle rite there were you could see what was going on over in Dalhart er Texline er maybe Plemmons er maybe down ther in Tokyo. There is so many interesting things going on that folks would like to know about. Most of the National News wuz on last night and we have to reread it but the Boob Tube don't know much about Tommy Baldwin's Whiskey Celler that he dug under his house er bout My Aunt Boone being ninty some years old and still having a big time visiting around the country. Lots of folks don't know Laura Guthrie er Sally Harris and everyone would enjoy knowing them gals and all the effort they have put out making lives more worth living. I bet there is lots of folks that don't know Mike Bryant makes some of the best Knives in the USA. Honest I have seen a lot of knives and am more critical than most folks but you ain't seen nuthin till you've seen these knives. Wiley McCray of Briscoe was better known in Calgary Canada er Pendleton, Oregon than he was in Briscoe. My sisters Baby Boy and his wife own and operate one of the Largest Hat Cos in the country and he was born and raised over on the Washata, do you recon them birds in Amarillo know bout that or really give a darn. Wish they would get off their Fat whatever's and just brose around the Panhandle, we got a bunch of interesting things that should be known that ain't. Maybe Ben Ezell at Canadian could get them on the ball, recon?

Excuse me for bein so Snorty, just had to come out.

Love Ab and Benita

who came for afternoon worship Sunday. Nobody can remember her name just "Some nice Women" who read from the Bible and played a hymn or two. Whoever you were, Thank you for coming.

If anyone is interested in volunteering at the Care Center please just give me a call. We have several who are very faithful to come but the job could be made easier if there were more to share it. It is very rewarding.

Thank you to Alpha Mu Alpha Sorority of Wheeler, Mr. and Mrs. Gene Arnold of Del City, Ok., and Betty, Billie and Orville Williams of Pampa. We have now exceeded \$1000.00 in our dental fund drive. Thank you to everyone who has donated.

Deuteronomy 4-7 & 9:
For what nation is there so great, who hath God so nigh unto them, as the Lord our God is in all things that we call upon him for? Only take heed to thyself, and keep thy soul diligently, lest thou forget the things which thine eyes have seen, and lest they depart from thy heart all the days of thy life; but teach them thy sons, and thy sons' sons.

Jerry and Susan Finney from Pampa came to Wilma Gilmer's Saturday afternoon. Jerry trimmed up some of Wilma's fruit trees for her and they were also supper guest with her.

Jerry and Cathy Gimer from Amarillo came Saturday afternoon and spent Saturday night with me and also attended church with me Sunday morning. Jerry took us to Maxey's Steakhouse at Wheeler for dinner after church.

Shorty and Helen Crawford's Sunday afternoon guest were Patti Crawford and children from Canadian.

Bill and Kay Donaldson attended the funeral of Minnie Kaye at Plainview, Texas. She was the grandmother of Vicki Donaldson.

Ruben and Edna May, Doris and Edith Donaldson were in Pampa last Thursday where Edna, Doris and Edith all had a complete physical check up. They haven't got the reports back yet.

Scott Dyer won first in his class with one of his pigs and his other pig won at the Wheeler County Livestock Show last Saturday evening.

Bessie Giddens weekend guest were Don and Lavesta Barber from Borger, Ken and Fae Davis from Elk City, Okla., Jack and Arlene Scheller from Amarillo.

Wheeler Church of Christ

Congregational Concerns:

A Church Growth Seminar is scheduled for this coming Friday night, January 27th, and Saturday morning, January 28th. Charles Hodge, minister of the Duncanville Church of Christ in Duncanville, Texas will conduct this seminar.

The schedule for Friday night is: 6:30 P.M. to 7:30 P.M. -- Chili supper. (Bring chili and the fixings)

7:30 P.M. to 8:00 P.M. -- Entertainment, Mason Jars
8:00 P.M. -- Acts 2:42 Makes Acts 2:47

The schedule for Saturday morning is:

6:30 A.M. to 7:00 A.M. -- Men's Breakfast
7:00 A.M. -- Negotiation (A session for men)
7:45 A.M. -- Break
9:30 A.M. -- Easier to Teach

From The Minister's Desk:

I recently read an article stating that human behavior can be classified by one of four rules. These rules were identified as the iron rule, the brass rule, the silver rule, and the golden rule.

These rules may be simply stated.

The iron rule says: "Do unto others what you would not want them to do unto you." It is viciously

doing to other people whatever you wish as long as it serves your purposes.

The brass rule says: "Do unto others as they would do unto you." It is returning good for good and evil for evil.

The silver rule says: "Do not do unto others what you would not want them to do to you." It is not doing evil, but it is completely silent on doing good.

The golden rule says: "Do unto others as you would have them do unto you." It is doing to other people as you would want them to do to you.

This rule is the highest standard of human behavior because it is based on a teaching of Jesus. This teaching, which is recorded in the Sermon on the Mount, says: "...However you want people to treat you, so treat them..." (Mat-

than To Learn. (A session for the entire congregation.)

A singing class has been organized for girls from kindergarten through high school. This class, which meets at 6:30 P.M. each Wednesday night, is taught by Debbie Finsterwald, Kim Goad, and Brenda Francis.

On this coming Sunday afternoon, January 28th, this congregation is scheduled to conduct the devotional at the Wheeler Care Center.

Katie Finsterwald has been confined to her house for the last several days, recovering slowly from a recent illness.

Vergia Reagan has been sick at home for the last several days. Brenda Mitchell fell in the church parking lot last Sunday morning and broke her ankle.

thew 7:12)

While the golden rule is the highest standard of human behavior, another rule can be given that is closely related to it. This rule, which could be called the platinum rule, says: "Think about others as you would have them think about you."

Like the golden rule, the platinum rule is based on a Biblical statement. This statement is found in the Apostle Paul's letter to the church at Philippi and it says: "...Whatever is true, whatever is honorable, whatever is right, whatever is lovely, whatever is of good repute, if there is any excellence and if there is anything worthy of praise, let your mind dwell on these things." (Philippians 4:8)

How do you want other people to think about you? You probably want them to think "...whatever is true, whatever is honorable, whatever is right, whatever is pure, whatever is lovely..." and "...whatever is of good repute..."

If you do, then practice the platinum rule---"Think about others as you would have them think about you."

We celebrated Esther's birthday a little late. The Zumsteins brought a beautifully decorated cake. Everyone doing fine.

Sincere sympathy to Mrs. Jake Childress and family and other relatives in the death of Jake. May God comfort you. Cloris Childress was a brother to Jake. Very large crowd of relatives and friends there for the funeral.

We have a new president of the United States. How we need to pray daily for him and our other officials and our country.

What do we look forward to this week? The Inauguration is over and now it was quite a touching affair. A lot of it very dramatic—but who doesn't love drama. I felt like I was on review when Reagan left from Andrews AFB, after he'd been greeted by the band and had received the troops. And I

think the most impressive close-up that I got of Mr. Bush was as he sat pensively watching and listening to the Harlan Boy's Choir. I think that he was thinking: "How marvelous that this man (the director) has given so much of his time and talent to these luckless boys."

year we are moving around as citizens again. The Chamber of Commerce is coming to its annual high point again. Their Banquet plans are falling into place. We are looking forward to meeting our Outstanding People of the year.

And on the east side of town there is a lot of excavation and surveying going on. We are all anxious to see Johnny's new building making its wave on the horizon.

There may be other things coming up. I just haven't been told about them.

Word has come to me that Bennie Mae Whitener of Lubbock is improving somewhat from her recent surgery and has been moved from ICU.

Earl and Louise Wallace of Amarillo were guests of her cousin Elva Wood last week, from Wednesday until Friday. On Wednesday evening they had dinner with Mrs. Jewel Holloman, the aunt of Louise. Other guests were Elva Wood and Mrs. Holloman's daughter, Jean Pollock of Baltimore, MD.

Curbside Mailboxes

"Customers with curbside mailboxes have a special challenge when it comes to keeping them in top condition," says Wheeler Postmaster Marvin Walker.

"The curbside boxes are subject to the weather as well as hazardous drivers, high weeds, parked cars and pranksters. Even so, most customers manage to keep their mailboxes in good shape for proper delivery of their mail.

"The responsibility for these boxes rests with the customer," says Mr. Walker. "The curbside mailbox must be accessible to the carrier without requiring the carrier to leave his or her vehicle.

"There should be no obstructions, such as vehicles, trashcans, weeds or snow. The bottom of the box should be 3 1/2 to 4 feet above ground level, and the address should be clearly printed on the receptacle, facing the carrier, to assure more efficient delivery," says Mr. Walker.

"An older dented box with sharp cutting edges, or a box that is too small should also be replaced, or mail delivery may be withheld."

"If you have any questions regarding the placement or upkeep of your mailbox, please call the post office," says Mr. Walker. "And thank you for your continued cooperation here in the Wheeler delivery area."

Mr. and Mrs. Lonnie Kenney were called to Colorado Springs, Colo. last Sunday because of the death of their grandson.

Janette Cathey of White Deer spent Saturday night with her sister Patricia Forrester.

Saturday afternoon Bill and Mildred Traylor of Perryton stopped by to visit with me. They had been to Oklahoma City to visit with their daughter and family. I always enjoy these stop-by visits from the Traylors.
