TO OUR FRIENDS, LOVED ONES, HOSPITAL STAFF, AND **PARKVIEW HOME** HEALTH

We would like to express our heartfelt appreciation and thanks to all of you who expressed sympathy in any way for the memory of Bennie May Whitener. Her life touched many people as she taught homemaking, Sunday School, and reached out to help those around her. What a wonderful wife, mother, friend, and counselor she was, and as her favorite song goes, "To God be the Glory". Every prayer offered in our behalf,

every phone call or word of sympathy, every dish of food given, every flower and memorial and card sent all helped to make this time easier.

To the SUPER Home Health girls we just want to express our gratitude to you for all your love and care you have shown to Bennie May. Many times you have come out on your own time to offer your help and services and always with a big smile and hug. What an asset to our community.

We would also like to say a special thanks to all the employees of Wheeler Hospital and Dr. Galutia. You have been fantastic as you cared for Bennie May and also Gordon. Our community is blessed again for your loving

Museum for the Northwest Texas Museum Association. Bill Elliott worked on mowing the grounds and Dutch Elliott worked on the archives.

"Wheeler, town of friendship and pride."

Monday, Bobbye and Melba got some more invitations ready to go out. Melba cataloged some and worked at showing the museum. Dutch worked on the archives. Lee Brown and Nathan Lancaster mowed with the brush beater and burned the pile of dead limbs.

The Blue Bonnets are in bloom.

Remember that Saturday will be workday, one of the things that will be done is the flowerbeds and in front of the stage. Then spring cleaning on the grounds and buildings. The ladies will be starting to work on getting the rest of the archives (old court documents) into protective sleeves and into books. The sleeves and books were ordered by a matching grant of \$1,000. The documents will be by years and by dates. They will then have all of the names indexed and put in a file. Where you can go to the person's name and pull the document up by numbers.

Pauline Hefley and I had a special 'Sister's Day Out' Tuesday with lots of visiting and a nice lunch of fish and chicken strips and strawberry ice cream cones at Hasty's at Shamrock. I'm so thankful to still have her. Good to see Patricia and Ed Forrester and Ed's mom at Hasty's also.

Thanks Olaf Siviage for sharing your table at Furrs Wednesday and a good visit. We've known Olaf "always". Also at Furrs Margaret Ann Hall and her mom, Nova Powledge, and sister-in-law, Marguerette Garrett, who has been visiting Nova. She is from Plainview. They went with Margaret Ann to a banquet for American Business Women's Association Friday night. Also at Furrs was Erskin Grayson with Verneal Prater there for a "snack"

Nice to have Mack and Patty Ann Shields join us for supper at Maxeys Thursday night. We had such a good visit. Also there were Beth and Jim Alvey. They were celebrating Jim's birthday (39 and holding?) and last day of tax work for awhile.

I don't get much reading done usually, but I find "Out to Pasture" and "Over the Hill' are relaxing and hard to put down. Written by a resident (she calls them "Inmates") of a retirement home. She is in her 80's, finds lots of fun things to tell. I can really relate to that. Small books.

Friday, Bob and Virginia Puryear went to Oklahoma to the funeral for a brother-in-law, Bill Willoughby, who was married to Bob's sister, Ruth, now deceased.

Nice to see Joe Don and Misty Glassey and their mom, Debbie Glassey, at Maxeys Thursday. Thanks for the hugs,

Willa Fillingim went to Wheeler Methodist Church Sunday with her sister, Vea Fillingim. After church Sun-

Those there to cheer her on were Jimmy and Tammy Maddox and Jennifer, Georgia Tipps and Dallas and Lindsey Fillingim. Amber qualified for State Competition, which will be at Lubbock May 15. Congratulations! Good Luck!

Pray for Mildred Treadwell. She has breathing problems and has home health people around the clock. Patricia Hand visits her and Ellen Powell for a little while every day. Some helping her are Connie Bryan, Debbie Beasley and Kathy Shorter.

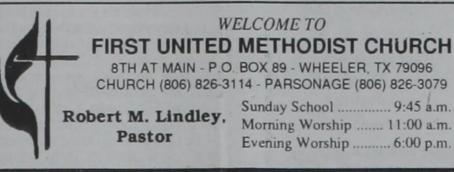

Hugh Fillingim, Horace's twin, passed away Saturday night, April 17, at Arlington hospital. Horace and Juanita Fillingim spent all last week there at Grand Prarie to be with Hugh and Betty and the family. Going Monday to be with the family and go to the funeral were Ed and Laurel Hershman, Vea and Willa Fillingim and Willis and Verna Fillingim. The Hershmans have a nice little van and are willing to chauffeur us old codgers. Thanks, Ed and Laurel. Funeral was Tuesday at 10:00. We came home after the funeral. Hugh had

been in poor health for some time. Bob and Gena Zybach went to Marble Falls April 6-9. They always enjoy seeing the blue bonnets. It had been dry there so not as many blue bonnets, but still beautiful. They visited a Wild Flower Farm with many beautiful blue bonnet and other flowers. They also shopped some in

Fredericksburg and fished some. Lakes were full of water and lots of deer. Fish under 12 inches had to be released back.

Charles Crownover went to Bovina and spent a few days with Lajo Crownover and Terri to celebrated Charles' and Lajo's 27th Anniversary on April 14. Wishing the best to these two sweet people and many more!

Islanders Participated In Area Track Meet Sat.

Saturday, April 17th, the Shamrock Islanders Special Olympic Team traveled to Borger to participate in the Area Track Meet. In spite of an 11 degree chill factor early that morning, our team did well in the softball throw. In their respective heats were: Amanda Green 2nd; P. J. Ford, 2nd; Hollie White 3rd; Amanda Childress 2nd; Teresa Soto 2nd; Chris Vick 2nd, and with an outstanding throw of 41.43 meters, Curtis Collins placed 2nd in his heat.

The Borger American Legion and Braums provided hamburgers and drinks to all the kids and their sponsors at lunch and as it had warmed up that afternoon, warmup suits and chill bumps were soon replaced by shorts and sunburns. The Islanders did well in the track events: Holli White 1st in assisted walk; Amanda Childress 2nd in the walk; P. J. Ford placed 2nd and Amanda Green placed 4th in the 50 meter dash. Curtis Collins was bumped to a weighted heat and placed 4th in the 100 meter dash with a time of 16.31 seconds while Chris Vick took 1st in his heat of the 100 meter dash with a time of 17.85 seconds. Teresa Soto ran the 400 meter dash in 1.31 minutes to place 1st and our team assistant, Joshua Stevens ran the 400 meter dash and placed 2nd in an exhibition 400 meter race (a great

job there Joshual) All of the athletics had a successful track season and just to test yourself some time, go down to a track and run the 400 meter dash to beat these times!!!Thanks to Mary Stevens and Jean Reeves and to everyone who helped or sponsored our Islanders

I hope you are all still around after Wednesday night's storm. That was really a whing-dinger. TV said there were wind gusts up to 76 miles an hour in western Oklahoma. There didn't seem to be any major damage around here.

Now, the weatherman says there is the possibility of going to 26 degrees tonight. Sure hope he is wrong. At present, there is good prospect of a fruit crop.

The wild plums are loaded like they are preparing for the last Hurrah. I can remember long ago when they were our main fruit. Come July 4th, all the tubs and such were loaded up and we went plum hunting. Mama canned and made a lot of jelly and plum butter for the coming winter.

Donnie Walker called to remind me that Friday, April 23, is the Volunteer Firemen's Annual Membership meeting at the Fire Barn. There will be a free barbecue supper at seven with everyone invited .We are very proud of our volunteers. They are a credit to the community with all the good they

Pork Williams came down from Stratford in his fire truck and took Ollie Anderson and Norma Zellmer to Ponca City with him. They visited Wanda and Bill Martin while he had some work done on the truck.

Elbert, Eva, and Brad Atkinson visited her mother, Faye Moore, at Taloga Sunday. Brendon came down from Stillwater to be with them.

Judy and Gerald Tipton went to Watonga Tuesday to see their grandson, Erik Franks, play in the band.

Peggy and Leroy Dunlap, Sayre, were out Sunday afternoon to visit Iva Thompson. She is doing OK now.

Theresa Nabors visited Clara Lou McGuire at the hospital Tuesday. Talked to brother Frank in Little

Rock. John and Martha, Teresa and girls had been down to see him and Ruth.

I was looking thru my cards and saw a lovely anniversary card from Walter and Clethal Steen. They mentioned they were having a 51st one March 27. Belated best wishes.

I don't know how serious this Y2K deal is. TV says you have to a get on a waiting list to buy a wood stove and they are priced from \$800 to \$2500. Need a chimney too. And while you are laying in supplies don't forget a can opener, a box of matches and a box of salt. We ran out of salt once when we were snowed in, and it was bad. Maybe nothing will happen. I think the worst thing may be that people will start hoarding and create a shortage.

TV says it is snowing in some parts of the state and that Oklahoma has had 8 small earthquakes today. Guess we had better step carefully.

Helen and Clifford Jones were out from Elk City to see us Saturday.

There will be an exhibit of a lot of art work of Agatha Metcalf at the Security State Bank at Cheyenne. It is titled "Oklahoma Through the Eyes of a Pioneer". I think it is May 3 thru May 25, during banking hours.

I sure was glad it is Another World that NBC is taking off the air and not Days of Our Life.

Our Erick Sweetwater Bearcats baseball team lost a couple of games to Blair then won a double header with Carter. The Lady Bearcats lost to Granite. Were to play their last game

John and Martha Haag were down to see us Thursday from Pampa. Said their Wal*Mart was damaged in the windstorm. They brought a copy of the Pampa News that had their picture on the front page with some of the beautiful clocks John makes. He is really an artist.

Birthday folks are Ronnie York, Elma Henson, Kirby Brosddus, Margaret Hiller, Mary Haag, Lulu Adams. Anniversary—Eva and Elbert Atkinson. Happiness to all.
