

4-H GIRL IS ONE OF TEXAS' HIGHEST NINE

Miss Joy Williams of Wheeler county is one of nine Texas 4-H club girls being considered for the Maggie W. Barry Scholarship.

A judging committee from the A & M College Extension Service said last week after visiting the contestants that the nine district winners represent the cream of the crop among Texas' older 4-H Club girls.

Winner will be announced in the near future. The scholarship which is considered the highest honor available to a 4-H Club girl, is awarded annually by the Texas Home Demonstration Association.

Miss Williams, daughter of Mr. and Mrs. Mill Williams of Shamrock, is a former Gold Star winner. She is a member of this year's graduating class of Shamrock high school.

Members of the committee of judges representing the Extension Home Demonstration staff were Miss Lorene Stevens, 4-H Club specialist; Miss Alice A. Wheatley, assistant 4-H Club specialist; and Mrs. Eloise T. Johnson, specialist in family life education.

Every girl the committee visited excels in one or more demonstrations—food production, home improvement, clothing or landscaping. Every girl is versatile and useful in the home, and all are prominent in their 4-H Club, school and church activities. The judges place considerable emphasis on these leadership indications. Practically every girl has given a demonstration to adults in a home demonstration club, the committee reported. On the days of the committee's visits, the girls wore dresses they had made themselves.

Several have done sewing for their families. One exhibited special interest in repairing tractors and farm machinery, while another had shingled and papered her home. Miss Stevens says the girls were modest, but self-assured and gave evidence of good health and nutrition.

WEDDING IS OF INTEREST HERE

A wedding of interest in this section is that of Miss Constance Crandall, daughter of Mrs. Ella M. Crandall, Marlborough Apartments, Kalamazoo, Mich., and Mr. Max Britt, son of Mr. and Mrs. Buck Britt of Greenville, N. M., former Wheeler county residents.

The nuptial vows were spoken on May 2, at the First Memorial Presbyterian Church of Oxford, Ohio, with the pastor, Rev. Elliott Porter, officiating.

Miss Betty Vermeulen of Kalamazoo, Mich., was maid of honor. She wore a street-length dress of rose crepe with a corsage of rose buds.

Mr. Granville D. McElroy of Eldorado, Okla., who was a "buddy" through World War II of the bridegroom, served as best man.

The attractive bride was gowned in a street-length dress of ice blue crepe. She wore a white lace halo and white mittens. Her shoulder corsage was an orchid.

Immediately following the ceremony a reception was held at the home of the bride's sister, Mrs. John D. Henry.

Mrs. Britt attended Kalamazoo College where she affiliated with Eurodelphian Gamma Literary Society and in June 1943 was graduated from Western Michigan College. Since that time she has been employed as passenger agent for the United States Air Lines in Chicago.

The bridegroom, who is well known in this section, is a grandson of Mr. and Mrs. S. P. Britt of Shamrock, and a son-in-law of Mr. and Mrs. D. E. Holt of Wheeler.

Britt is a graduate of the Kelton High School and attended Oklahoma A. and M. College two years, where he was a member of Sigma Chi Fraternity. He served with the Armed Forces as a sergeant in the European Theatre of War. His period of military service covered about three years.

Mr. and Mrs. Britt visited relatives at Wheeler and Shamrock last weekend when they were en route to Greenville, N. M., where they will make their home.

Mrs. J. F. Carter has been confined to her bed for the past week.

Harry Wofford of Wheeler, is in receipt of a plaque from the W. V. S. of England, thanking him for his services as Red Cross home service chairman during the war.

Wheeler County Book On Local War Heroes Must Be Ordered Now

Have you seen a sample of the War Memories book being published which carries pictures and write-ups of all Wheeler county men and women who saw service in World War II?

If not stop by the office of The Wheeler Times or The Shamrock Texan and inspect the volume which is bound in a padded levant grain cover of red, white and blue. "Wheeler County" will be embossed in a panel near the bottom of the cover and the books will be side-wire stitched and bound.

The paper being used is heavy and of tough fibre. The books will preserve their original appearance for a lifetime and longer, and will become priceless within a few years.

The two Wheeler county newspapers are compiling and publishing the books in cooperation with the Universal Publishing Company of Dallas, by special arrangement made by local publishers. The Universal Publishing Company is now engaged in publishing similar books by its own staff in several larger counties of the state.

There is absolutely no charge for printing the pictures and write-ups; in fact, the Wheeler and Shamrock newspapers are going to considerable expense in seeing that families of every ex-service man and woman have an opportunity to submit pictures and information on their boys and girls who served their country.

Orders are now being taken for the books, priced at \$4.75 with a deposit of \$1.00 required on each book ordered, the balance to be paid on delivery. The publishers wish to make it plain, however, that it is not necessary to order a book to have a picture and write-up printed. We want pictures and information on every person who served in the war.

It is necessary that orders be placed now, however, as only the exact number of books ordered will be printed because of the heavy expense involved.

The Times and Texan urge parents of ex-service people to come to their offices at once and fill out convenient printed forms we have, giving the required information. Bring us any size picture you have but please take it out of the folder or frame. All pictures will be returned, undamaged.

It is necessary that we have all pictures and information within the next two weeks, so do not delay. We must submit all copy by June 15 and considerable time will be required in our offices, sorting and compiling the typewritten information.

We have heard that several ex-service men are hesitant to have their pictures and write-ups published, thinking it is "tooting their own horn," and we wish to call to the attention of wives, mothers, and other relatives and sweethearts, that this book will be the only PERMANENT record of local service people, and the most complete.

It will be impossible to publish a later book because many of the men and women will have moved away and their records will not be so easily available. If you want your family's service man or woman represented in a volume that will be read and referred to for generations to come, then act now. This will be your last opportunity.

Come to our office and see what a priceless book we are compiling.

PARENTS ASKED TO BRING BOYS NEXT MONDAY CEMETERY DAY

The public is reminded that next Monday, May 27, is Cemetery Day in Wheeler, and a lot of people are going to have to pitch in and help clean the lots and grounds if the cemetery is made presentable to the many Memorial Day visitors who are expected.

Owners of lots are asked to clean their own family plots and, if possible, to assist in cleaning a friend's lot. There are many graves of people who do not have relatives or friends still residing here, and these lots must be cleaned too. And many graves in the old cemetery are not marked.

Those in charge hope to improve the cemetery's appearance before Memorial Day which is next Thursday, May 30.

Volunteer help will be greatly appreciated.

COUNTY SINGERS ARE ORGANIZED

The Wheeler County Singing Convention, inactive during the war, was re-organized Sunday afternoon at a meeting held at the Missionary Baptist Church.

E. J. Cooper was elected president of the county-wide organization. George Dodson will serve as vice president and Mrs. Jack White was selected as secretary.

The group of singers will meet on the third Sunday of each month, the next convention to be held at the Twitty Baptist Church on June 16.

Persons who like to sing and those who like to hear good singing are invited to attend the meetings of the organization. The song fest programs are made up of solos, duets, trios, quartets and group singing.

At the organization meeting Sunday, singers were present from Pampa and a few Oklahoma towns.

Mrs. C. A. Flynt and children of Clovis visited relatives and friends in Wheeler this week.

NEXT SATURDAY IS POPPY DAY, HONORING DEAD

Next Saturday will be Poppy Day in Wheeler and surrounding communities, and in cities and towns throughout the United States.

Millions of Americans will pay tribute to the nation's war dead by wearing memorial poppies. Millions will make contributions to aid the war's living victims, and disabled veterans, and the families of the dead and disabled.

Preparations for observance of Poppy Day in Wheeler, Briscoe, Allison and Kelton, have been completed by the West-Passons Post of the American Legion while plans for Mobeetie's Poppy Day are being handled by the recently organized Worthington-Red Post.

J. E. Risner, Homer Pitcock and Mrs. F. B. Craig are in charge at Wheeler, Lee Barry at Briscoe, R. C. Pugh and Dudley McMillan at Allison, and H. R. Grasz and Jim Caloate at Kelton.

Legionnaires, their daughters and sons will be on the streets Saturday with poppies which they will offer to be worn in honor of the dead of both wars.

They will continue to distribute the little red flowers throughout the day, endeavoring to give everyone an opportunity to wear a poppy in memory of those who gave their lives for America.

No price will be asked for the poppies, but contributions will be solicited for the welfare and rehabilitation funds of the Legion and Auxiliary. All money received will be used for the benefit of disabled veterans and families of veterans. It will be expended largely in aid to needy veterans and families in Wheeler county during the coming years.

The local poppy workers will be part of a army of more than 100,000 volunteers which will distribute poppies in the United States Saturday. All will donate their services for the day without pay. The only paid workers in the poppy program are the disabled veterans who make the flowers.

The poppies to be distributed here Saturday have been made by disabled veterans of both wars at approximately 100 veterans hospitals and convalescent workshops located in every part of the country.

Candidates To Make Speeches At Pagan

There will be a candidates speaking at the Pagan school house on Thursday night, June 6, W. B. Wofford of Wheeler, manager of the county candidates, has announced.

The event is sponsored by the Pagan Home Demonstration club and the public is cordially invited.

Graves Of County War Vets Will Be Decorated May 30

Decoration of the graves of all war veterans buried in the cemeteries of Wheeler county will be in charge of the Legion Posts in Wheeler, Mobeetie and Shamrock on Memorial Day. Residents of Kelton and Zybach and communities having cemeteries where there are no Legion Posts, will have charge of the decoration of graves in their own cemeteries.

Next Thursday, May 30, is Memorial Day and persons in the various communities are reminded that necessary arrangements should be made at once.

Courage Of Local War Vets Hotly Challenged

The West-Passons Post of the American Legion has its honor to defend, in a challenge for a donkey ball game just issued by the young men of Wheeler high school.

The high school boys did not come out and mention the American Legion by name but asked The Times to challenge any group of men who would like to take them on, "including returned service men."

The game has been called for 2:30 o'clock next Saturday afternoon on the Wheeler football field, and proceeds will go to the athletic department.

The high school boys are ready; all they are waiting on is a worthy opponent. It is The Times' prediction they will find

Public Asked To Help Rid Wheeler Of Polio Hazards In Clean-Up

Mayor R. H. Forrester has issued an appeal to Wheeler citizens to clean their premises and remove all possible breeding places of flies in an attempt to spare the community from an outbreak of polio this summer.

It is the intent of the mayor to launch an intensive, city-sponsored Clean Up and Health Drive in the near future but he is calling on citizens to remove health hazards from their premises immediately on their own initiative in view of the current polio epidemic in many Texas towns.

Cicero Craig Is Improved

Cicero Craig was improved today in the Wheeler Hospital, after suffering severe burns when his residence caught fire about 9 o'clock Tuesday night. He was able to sit up Thursday morning.

He suffered head burns and was nearly suffocated from smoke and fumes inhaled as the blaze gained headway in the room where he was sleeping. His condition was serious all day Wednesday.

Craig's twin daughters were the first to awaken as smoke filled the residence. It is believed the smoke and fumes overcame Craig as he slept, causing him to suffer the burns without regaining consciousness. The residence was badly damaged on the inside.

SCHOOL CLOSURES HERE TUESDAY

This has been one of the most significant weeks in the history of Wheeler, in the opinion of students in the local elementary and high schools. It is final examination week and that is rough sledding in anybody's life, particularly if you happen to be a Senior, eagerly awaiting your clearance papers.

Wheeler schools will turn out next Tuesday, May 28, according to Supt. W. O. Carrick, starting a well-earned vacation for students and faculty members alike.

Commencement exercises for eighth graders will be held at the high school gym at 8:30 o'clock next Monday when Lewis M. Goodrich, Wheeler county veteran of two World Wars, will make the principal address to 27 graduates.

Baccalaureate services for high school Seniors will be held at 8:30 o'clock next Sunday night at the gym. B. M. Litton, minister of the Wheeler Church of Christ, will bring the baccalaureate sermon to the 21 members of the 1946 graduating class.

Commencement exercises for the high school will be held at 8:30 o'clock Tuesday, May 28, in the gym, when the speaker will be Walter Rogers of Pampa, district attorney of the Thirty-first judicial district.

BALL LEAGUE TO BE FORMED

Organization of a 6-team baseball league and preparation of the season's schedule will be worked out at a meeting to be held in Wheeler Thursday night, May 23.

Communities and towns which will comprise the league are: Mobeetie, Briscoe and Allison (one team between the two), Kelton, Sweetwater, Miami, and Wheeler.

It is planned to play weekly which would see all teams in action each Sunday afternoon. The schedule will probably open on Sunday, June 2, and will be run in next week's issue of The Times.

Arrival of equipment is holding up opening of the official schedule.

Wheeler and Kelton will play the third game of a non-conference series in Wheeler at 3 o'clock next Sunday afternoon. Wheeler won last Sunday's game at Kelton 8 to 2, making the games one each so far. This should make the next game a hotly contested one.

A. B. Crump Honored At Birthday Dinner

A. B. Crump was complimented by Mrs. Crump, with a birthday dinner Sunday, at their home here.

Guests enjoying the hospitality of the Crumps were Mr. and Mrs. Harry Mundy and Mr. and Mrs. George L. Stanley.

Weeds should be cut, alleys should be cleared of trash and rubbish, and stock pens and chicken houses should be cleaned thoroughly.

Garbage cans should be cleaned and sprayed with D.D.T., and should be kept covered during the summer months. They should be emptied frequently.

To avoid an outbreak of the dreaded disease, polio, an epidemic of which has already struck in San Antonio with some cases reported in Amarillo and Corpus Christi, the following health measures should be followed:

1. Secure proper disposal of all human waste.
2. Secure adequate protection of all water, milk and other food supplies.
3. Maintain adequate garbage collection and disposal.
4. Carry out adequate insect and rodent control measures.
5. Secure enforcement of all state health laws and report enforcement failures to the city, county or state health department.
6. Report promptly all polio cases to your local physicians.

WAR VET ASKS COUNTY OFFICE

Christopher S. McClain, former deputy district clerk of Wheeler county who has just been discharged by the army, this week announced his candidacy for the office of District Clerk.

McClain, graduate of Wheeler high school, had four years experience as the deputy in the office to which he asks election. His statement to the voters follows:

"I take this opportunity of presenting my candidacy for the position of District Clerk of Wheeler County. I realize it is a little late to announce for public office, but it has not been possible for me to announce at an earlier date because of the fact that I have just been discharged from the Army. My Army service consisted of about two years, one of which was overseas. During the time I was in the Army my work consisted principally of clerking in records and accounts, in an Ordnance Depot Company.

"Prior to the time that I went into military service, I served four years as Deputy District Clerk of Wheeler County. The experience that I had as Deputy Clerk and the training which I received at clerk in the Army has thoroughly qualified me to serve as your District Clerk. On many occasions during the time that I served as Deputy District Clerk of Wheeler County, I had the full responsibility of the office for long periods of time, and I am thoroughly acquainted with all of the duties and responsibilities of this office, and know that I can discharge them.

"I am 31 years of age, and have lived in Wheeler County for 30 years of that time, my father having moved here in 1916. I am a graduate of the Wheeler High School, and I took all of the business courses available in my high school work.

"If elected to the Office of District Clerk I assure you that I will devote all of my time to the duties of this office, and I assure you that you will have no regrets in voting for me in the July primary."

County Draft Office Closes On Saturdays

The Wheeler county Selective Service office, located in the court house, is no longer open on Saturdays.

The office is open from 8 until 5 o'clock Mondays through Fridays but is not open on Saturdays.

Mrs. A. C. Mitchell visited last week in the home of Percy Rowe and family in Pampa.

Mr. and Mrs. Harry Wofford and Ben Wofford attended the graduation of Ben Wofford's grandson, Joe Craig of Lubbock.

**ARE YOU REALLY
 A GOOD DRIVER?**

To assist in curbing the rapidly
 increasing toll of traffic accident fa-
 talities the police of the United
 States and Canada are conducting
 a Traffic Safety Check program
 through July 7. The program is
 under the sponsorship of the In-
 ternational Association of Chiefs of
 Police and is receiving the active
 support of more than 200 corpora-
 tions and organizations that are in-
 terested in highway traffic safety.

While the Police Traffic Safety
 Check is in progress, police officers
 will check the brakes, lights, tires,
 windshield wipers and horns of all
 automobiles involved in accidents
 or traffic violations. Drivers whose
 cars show obvious defects will be

admitted to have necessary re-
 pairs made immediately.

Under the slogan "Check Your
 Driving, Check Your Car, Check
 Accidents," the program will stress
 safe driving habits along with the
 necessity for keeping automobiles
 in top mechanical condition.

The traffic problem is growing
 increasingly bad, according to po-
 lice officials. In 1945, 28,500 per-
 sons lost their lives in traffic ac-
 cidents, and nearly 1,000,000 sus-
 tained injuries. This was a 17 per-
 cent increase over the previous
 year.

Statistics available for 1946 in-
 dicate even steeper increases than
 were seen last year. In January,
 1946, traffic fatalities were 49 per-
 cent higher than the previous Janu-
 ary. February's increase over the
 preceding year amounted to 45 per-
 cent. And in March, 1946, there
 were 29 per cent more deaths than
 in March 1945.

Traffic deaths for the first three
 months of 1946 were nearly as high
 as they were in a like period of
 1941, the year when the traffic
 slaughter reached an all time high.

Robert E. Raleigh, Associate Di-
 rector of the Safety Division of the
 International Association of Chiefs
 of Police, who is in direct charge
 of the program, says, "Since offi-
 cers will check only the cars in-
 volved in accidents or traffic vio-
 lations, we can hope to reach only
 a small proportion of car owners.
 Therefore we must rely on the
 voluntary cooperation of the driv-
 ing public."

"We strongly urge drivers to
 keep their cars in the best possi-
 ble mechanical condition. We also
 urge drivers to seriously practice
 driving."

"We know that unsafe automo-
 biles are a major traffic hazard.
 We also know that unsafe and care-
 less driving habits cause accidents
 that are frequently fatal. And we
 are sure that a combination of the
 two—a car in dangerous me-
 chanical condition that is driven by
 a careless operator—makes a lethal
 weapon of the automobile."

The Police Traffic Safety Check
 has been highly commended by
 President Truman, and a discus-
 sion of it is on the agenda for the
 President's Highway Safety Con-
 ference on May 8, 9 and 10. The
 police program will be launched
 just two weeks before the long
 Memorial Day week end, when it
 is expected that more cars will be
 on the road than at any time
 since before the war.

The Traffic Safety Check is an
 elaboration of the 1945 Brake Em-
 phasis program, when police check-
 ed nearly two-million cars and

found that one out of every seven
 had faulty brakes.

Veterans' News

(This official veterans' in-
 formation service is prepared by
 the St. Louis branch office of
 the Veterans Administration.)

Q. For what veterans is out-
 patient treatment furnished by the
 Veterans Administration?

A. Veterans whose disabilities
 are service-connected may in ad-
 dition to hospitalization and do-
 mestic care receive out-patient
 medical, surgical, and dental ser-
 vices for their service-connected
 diseases or injuries. Treatment
 may be given at a Veterans Admin-
 istration Hospital or be authorized
 to be given by a physician or den-
 tist in the applicant's place of resi-
 dence. Requests should be address-
 ed to the nearest Regional Office
 of the Veterans Administration.

Q. Does the Veterans Admin-
 istration furnish artificial limbs to
 veterans?

A. Artificial limbs are furnished
 veterans when required for a ser-
 vice-connected condition or for an
 associated disease or injury held to
 be aggravating the disability from
 a service-connected disease or in-
 jury. Seeing-eye dogs are also fur-
 nished.

Q. Where should veterans go to
 receive employment assistance?

A. To the nearest office of the
 United States Employment Service
 or to the nearest Selective Service
 Local Board.

Q. How can a veteran who is in-
 terested in Federal employment
 find out about job opportunities?

A. Announcements of civil ser-
 vice examination, and the proper
 application forms, may be obtained
 at any first or second-class post
 office, or from the United States
 Civil Service Commission, Wash-
 ington 25, D. C. A veteran gets 1
 point preference because of his ser-
 vice, and 10 points if disabled.

Q. Does the Veterans Adminis-
 tration issue an American flag upon
 the death of a veteran?

A. An American flag with which
 to drape the casket of any veteran
 of a war, discharged under condi-
 tions other than dishonorable, may
 be issued by postmasters at any
 county seat post office or any other
 post office designated by the Vet-
 erans Administration, or by field
 stations of the VA.

Ferman Maxwell, Clyde Guynes,
 and Chester Bowles attended busi-
 ness in Mobeetie Monday.

United Gas Co. Operating New Carthage Plant

United Gas Pipe Line Company's new gasoline plant at Carthage, Texas will go into operation early this month. It was announced today in the company's general offices at Shreveport. The new plant, the final link in

United's extensive development project in East Texas, will process 150,000,000 cubic feet of natural gas daily (100,000,000 cubic feet completely and 50,000,000 partially) and is an important step in the conservation of the valuable constituents of the raw production from the Carthage gas condensate field, it was said.

Average daily recovery of the plant has been estimated at 150,000 gallons of such products as motor fuel, gasoline, kerosene, liquified petroleum gases, butanes, propanes,

naphtha, and other products, revenue from which otherwise would be lost.

A gathering system of more than 100 miles of lines will connect the plant with 81 wells in the Carthage field. Discovered in 1936, the field produces from four zones, varying from 5,000 to 6,500 feet in depth, and present proven acreage of the field stands at more than 210,000 acres.

The gas, after processing in the gasoline plant, will then be dehydrated and put into the United main pipe line system; the liquid products extracted will be moved to market by tank trucks and railroad tank cars.

In addition to the gasoline and dehydration plants, the Carthage installation includes plant employees' housing facilities and radio station KUHC, one of the key stations in United's new FM network serving its 24-inch Carthage-Sterlington pipe line.

Pumps 25% More Water in the Lighter Winds

DEMPSTER No. 12 Annu-Oiled WINDMILL

THE DEMPSTER No. 12 Annu-Oiled Windmill is equipped with famous Timken Bearings that add durability, compactness and assures easy running. XIT REUNION IS JUNE 22-24

DALHART—Fun, action and reverence will all have a part in the Tenth Annual XIT Reunion in Dalhart Saturday, Sunday and Monday, June 22-24.

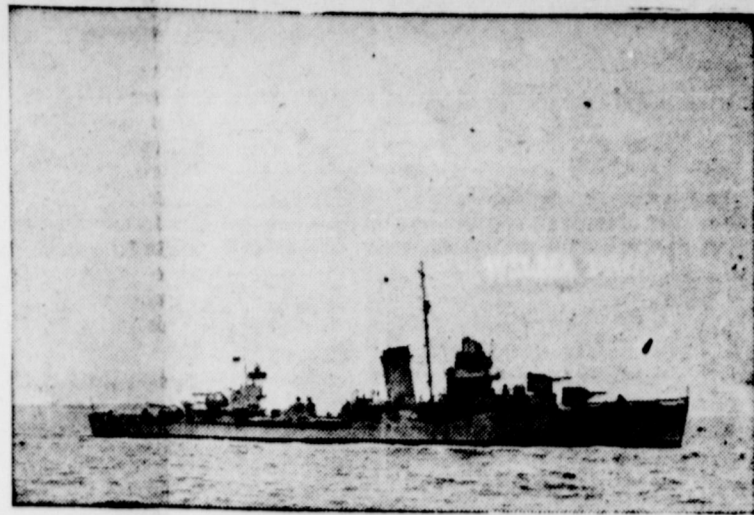

The fun will start Saturday evening with big XIT costume dances, fast-paced, colorful and hilarious as they have always been in the past.

Old XITers and other Western pioneers will have leisure Sunday to get together in special meetings to visit with one another or attend the church of their choice.

The XIT Memorial service, a citywide union church program paying tribute to all those pioneers who have crossed the Great Divide, will be held Sunday night, probably in the open air.

Other action during the three big days will be a professional rodeo, sparkling with specialty acts by some of the best performers and clowns in the business.

Official U. S. Navy Photograph

Sub-hunter USS Stack, a destroyer of the McCall class of 1939, fought in both Atlantic and Pacific waters, operating against German and Japanese submarines. The vessel participated in the Battle of Vella Gulf, the occupation of the Marshalls, and the assaults on New Guinea, Leyte, Lingayen Gulf, and Okinawa.

PHOTOS WANTED of all Wheeler county men and women who served in World War II for use in a War Memorial Book being compiled and printed by The Wheeler Times and The Shamrock Texan in collaboration with the

Universal Publishing Co., of Dallas. Read the announcement on Page 1 of today's Times. 1tp.

Don Farmer of Canyon spent the weekend in Wheeler with his parents, Mr. and Mrs. P. L. Farmer.

BASIC SCHOOLS NOW OPEN FOR NAVY RECRUITS

The Navy recruiter who is in Shamrock, at the post office building each third Thursday, stated last week that the following basic schools are open at the present time for Navy Recruits, who can qualify:

Gunner's mate, 16 weeks; basic engineering, 8 weeks; printer's training, special; electrician's mate, 16 weeks; electronic technician's mate, 40 weeks; fire control (maintenance), 16 weeks; aviation fundamentals, 12 weeks; radar operator, 5 weeks; sonar operator, 18 weeks; radioman, 19 weeks; quartermaster, 16 weeks.

Submarine, 16 weeks; yeoman, 6 weeks; storekeeper, 16 weeks; hospital corps, 9 weeks; ship's cook and baker, 16 weeks; laundryman, 8 weeks; machine accounting operators, special; key punch operators, 4 weeks; aerographer's mate, 12 weeks; photographer's mate, 16 weeks; mailman, 6 weeks.

All of the above schools, except laundryman's, are open to regular Navy personnel only.

The new recruit undergoes an

eight-week, five and one-half day, 422-hour period of training prior to entry in one of the above listed basic schools.

Men enlisting prior to October 5, 1946, will benefit from the G.I. Bill of Rights.

McLEAN SENIORS ARE GRADUATED TUESDAY

McLean seniors received their diplomas at commencement exercises held Tuesday night, May 21, at 8 p.m. E. A. Kimmins, superintendent, announced. The exercises were held in the high school auditorium.

The class is composed of 23 students, and are as follows: Bob Black, Mary Hess, Vernelle, Christie, Sue Drum, Edna Duncan, Earlene, Eustace, Irma Pulbright, Morris Godfrey, Maurine Goodman, Norman Grigsby, Gloria Gunn, Peggy Ledbetter, Eulamae Lively, Marnelle Ledgewood, John McClellan, Willie Mae Moore, Charles Sullivan, Billie Thacker, Odes Shelton, Joe Preston, Kenneth Preston, Imogene Peabody and Mary Lee Stevens.

Mr. and Mrs. Roy Currin of Wellington spent Thursday night and Friday visiting friends in Wheeler.

MINISTERS URGED TO APPEAL FOR FOOD ON BEHALF UNRRA

NEW YORK—Ministers of all faiths have been urged to make special appeals for the Emergency Food Collection now underway in thousands of communities throughout the nation, it was announced today by Secretary of Commerce Henry A. Wallace, national chairman of the campaign to relieve hunger and starvation in famine-stricken lands. The collection of cash to buy food economically in large quantities and of gifts of food canned in tin is on behalf of UNRRA, of which F. H. LaGuardia is Director General.

Protestant, Catholic and Jewish leaders giving their whole-hearted support to the collection as members of the national committee include Bishop G. Bromley Oxnam, president of the Federal Council of Churches of Christ in America, and Bishop of the New York area of the Methodist Church; Harper Sibley, of Rochester, chairman of the Church Committee on Overseas Relief and Reconstruction; the Rt. Rev. Henry St. George Tucker of New York, Presiding Bishop of the Protestant Episcopal Church; Rev. M. E. Dodd, of Shreveport, La., former president of the Southern Baptist Convention; the Rev. Roy Ewing Vale, of Indianapolis, Immediate Past Moderator of the Presbyterian Church U.S.A.; Francis J. Cardinal Spellman, of New York; Samuel A. Cardinal Stritch of Chicago; Rabbi Herbert S. Goldstein, of New York, president of the Synagogue Council of America; and Bishop J. A. Gregg, of Kansas City, Presiding Bishop of the Af-

rican Methodist Episcopal Church.

Mr. Wallace has explained that cash contributions are preferred so that food may be bought in quantity lots at a lower price, and also so as to save sorting, packing and shipping costs. Gifts of food canned in tin are also sought, especially from contributors who have such food on hand.

Others, among the 64 leaders in American life serving on the national committee of the Emergency Food Collection are Mrs. Harry S. Truman, Clinton P. Anderson, Secretary of Agriculture; Dr. John W. Studebaker, Commissioner of the U.S. Office of Education; Charles Klotz, chairman of the American Veterans Committee; Mrs. LaFell Dickinson, president of the General Federation of Women's Clubs; Albert S. Goss, Master of the National Grange; Mrs. William A. Hastings, president of the National Congress of Parents & Teachers; Edward A. Neal, president of the American Farm Bureau Federation; James G. Patton, president of the National Farmers Union; Joseph M. Stack, Commander-in-Chief of Veterans of Foreign Wars of the United States; and John Stelle, National Commander of the American Legion.

Mrs. E. H. Kennedy of Lubbock spent the weekend in Wheeler.

Miss Clarice Holt of Fort Worth spent a few days visiting her parents, Mr. and Mrs. D. E. Holt and other friends and relatives.

ALL WORKERS NEED CARDS

The beginning of the summer vacation for school children will cause an increase in the number of applications for Social Security Account Number Cards, according to a statement of J. R. Sanderson, manager of the Amarillo office. Mr. Sanderson recommends to students who have never had a card, or have lost their original cards: Do not apply for card unless it is actually needed.

Be sure to ask for a duplicate card if the original card has been lost, as each person should have only one number for his whole working life; and, finally, be sure to show the card to each employer for whom you work, so he can copy down for his records your name and number exactly as they appear on the card.

In the Texas Panhandle Area, applications for cards (which may be obtained at the Amarillo Field Office, from the United States Employment Service Office, or from the post office) should be mailed or brought to the Social Security Board Field Office, 324 New Post Office Building, Amarillo, Texas.

Wellington To Be Scene Of Matched Calf Roping Sun.

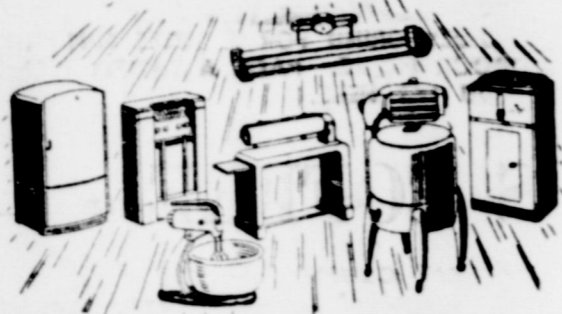

WELLINGTON—Rodeo fans of the southeastern Panhandle will see two of the Plains best ropers in action Sunday afternoon, May 26, at Wellington when Bill Towns of Wellington and Bill Bomar of Clovis, N. M., meet in a matched calf roping.

This will open the summer activities of the Wellington Rodeo Association, Cameron Beam, president said.

Ten calves will be roped by each contestant. Both men are in top shape and this promises to be one of the fastest events seen at the Wellington rodeo grounds this year. "Mr. Bomar is recognized as top among ropers of West Texas and Eastern New Mexico. He makes the big rodeos and ropes with the best," Mr. Beam said.

Within the last few years, Mr. Towns has gained a wide reputation in the larger rodeos of the area. He is particularly known for his remarkable speed in tying his calf after roping it.

A jackpot roping will follow the matched roping, featuring a number of good ropers of this section. The roping will be held at the new rodeo grounds near the northeast corner of the town section, beginning at 2:30 p.m.

4-H CLUBBERS GO PICNICING

Now that the weather is getting warmer and everything is getting green everyone has a great urge to get out in the open. At this time of the year, after being in school all winter a boys greatest desire is to get out and have fun playing on the creeks.

The 4-H club boys of Wheeler are doing just that. Each club is planning to go on an outing and three of the clubs have already done so.

The boys seem to enjoy themselves immensely on these picnics. They play games until they are exhausted and then bring out the wieners and other food that boys like on outings of this sort and eat to their heart's content.

On April 26 the Bethel 4-H club boys had their picnic. They invited the 4-H club girls, and several parents were also present.

On May 1 the Briscoe 4-H club boys had a wonderful time roller skating in spite of many bruises suffered. It is reported that "Red" Garrison, the assistant agent and sponsor, received his share of them. The Briscoe boys played host to the Briscoe girls' 4-H club.

The Shamrock club had its outing scheduled for May 13 and Magic City for May 14. The rest of the clubs will have their picnics in the near future.

The assistant agent, C. E. Garrison, plans to have several social entertainments during the year for the 4-H club boys in this county. There will also be a district-wide encampment this summer at Lake McClellan. All boys are urged to keep this in mind and work hard so that they may be the ones chosen to go.

McMurray Choral Club To Sing at Shamrock

Thirty selected members of the Chanters, McMurry College's widely-known choral group, will sing in Shamrock Methodist church tonight, Thursday, May 23, in one of their appearances of a tour which will take them into most of the nine districts of the Northwest Texas conference. The group also sings at McLean on May 27.

On a two-week tour, the Chanters will visit at least 15 cities of the Panhandle and West Texas, with a combined sacred and secular program, and featuring, for the first time in several years, a male chorus in the group.

Mrs. L. C. Laffin and Mrs. Earl Barnes and daughter visited friends and attended business in Pampa Saturday afternoon.

Golden Anniversary Of Wedding Observed

The Golden Wedding anniversary of Mr. and Mrs. R. B. Galmor of Forestburg, Texas, was enjoyed on May 12 with all of the children being present Sunday, in the home at Forestburg. Mr. and Mrs. Galmor are well known in Wheeler due to the fact they lived here several years ago.

Those attending were: Mrs. Dorothy Cantrell and daughter, of Shamrock, Mr. and Mrs. Matthew Cantrell and Mr. and Mrs. A. M. Galmor of Wheeler, and Mr. and Mrs. Bob Garmor of Amarillo, formerly of Mobeetie.

Wheeler Farm Women Help in War Relief

Wheeler county home demonstration club women donated seven boxes of clothing weighing 11 pounds each to Philippine relief, and three cases of condensed milk to European relief. This was done during National Home Demonstration week, May 5 through May 12. The county council paid the postage on the clothing amounting to \$9.03.

The committee which packed the clothing for mailing was: Mrs. Gus Wegner of the Twitty club, Mrs. Bill Owens of the Wheeler club, and Mrs. J. M. Finsterwald of the Good Neighbors club.

Seventh Grade Pupils Honored With Party

Mrs. Shelby Pettit entertained with a party Friday night for the 7th grade, Misses Virginia Lowrie and Virginia Marrs acting as co-hostesses. Games and refreshments were enjoyed by the following class mates of Maurice Pettit:

Maurine Herd, Georgia Beth Ford, Wanda Sue Blevins, Lillian Denham, Bonnie Rae Tilley, Janell Gill, Myrtle Gardner, Billie Ruth Traylor, Maxine Elliott, Melvin May, James Alton Gaines, Dick Pendleton, Le Waine Webb, Gerald Beaty, Eugene Howe, Clifford Denham, Edgar Hubbard, Darrell Greenhouse, LeRoy Conner, Margie Conner, their teacher, Mr. Weems and the host and hostess.

Mrs. Ann Trantham of Amarillo spent the weekend with Mr. A. T. Davidson.

Former Wheeler Girl Is New Mexico Bride

Announcement has been made of the marriage of Miss Evelyn Ray Benge, daughter of Mr. and Mrs. V. W. Bentley of Magic City, and Mr. Arthur Reid, Jr., son of Mr. and Mrs. Arthur Reid of Kirtland, N. M. The nuptial vows were spoken in Durango, Colo., on Saturday, May 11.

The bride is a graduate of the Wheeler High School and of North Texas State Teacher's College, Denton, where she majored in home economics. Mrs. Reid has been a teacher in the school at Farmington, N. M., for the past four years, where she heads the home economics department.

The bridegroom is a veteran of World War II and is associated with the Farmington Mercantile Company of Farmington, N. M., where the couple will make their home.

"Child and Peace," Methodists' Topic

The Women's Society of Christian Service of the Methodist church met Monday of last week in the parsonage home of Rev. and Mrs. H. H. Hunt.

The subject for discussion was "The Child and Peace," with Mrs. T. M. Britt as leader, assisted by Mrs. C. J. Meek, Mrs. H. H. Hunt and Mrs. Harold Nash.

A contribution was given to send canned food to Europe.

Others present were: Mesdames D. E. Holt, Lloyd Davidson, J. G. Davidson, Ollie Hubbard, C. C. Robison, A. C. Mitchell, Pete Mayfield, G. L. Wren, E. Lee, H. M. Wiley, J. M. Porter, and J. M. Glover.

Wheeler Home Agent Attends Food Meet

Mrs. Emma May Hastings, Wheeler county home demonstration agent, attended the frozen food locker clinic in Claude on May 9 and the food preservation meeting in Amarillo on May 10 and 11. This meeting was conducted by Miss Gwendolyn Jones, extension specialist in food preservation from Texas A. and M. College.

SAVE TIME with a McCormick-Deering Milker

America's 310,000 milking machine owners last year reported savings in time of 2 1/2 hours a day—more than enough to plow, plant, cultivate and pick mechanically 100 acres of corn.—Bureau of Agricultural Economics, U.S. D.A.

The saving in time reported above is one of the key reasons why America's milk production is holding its own so well in spite of farm help shortages.

If you are the fortunate owner of a McCormick-Deering Milker, we urge you to take the best possible care of it. When new parts are needed, insist on getting Genuine IHC Parts. Make our store your IHC Parts headquarters. If you need a new milker, ask us about the availability of new machines.
