Pictured above is Jamie Clark, popular Wheeler high school lad, who won both the grand and reserve championship honors in the Wheeler County Winter Livestock Show at Shamrock last weekend. Jamie won the grand championship of the Wheeler FFA Project show a week earlier but J. T. Johnson beat him out for reserve honors. Johnson did not enter his calf in the Shamrock show due to the fact that he was participating in the district basketball tournament.

WHEELER GIRLS WIN TOURNEY

The Wheeler Independent Girls Basketball team took top honors in their division of the All Girls Tournament held at Wellington last weekend.

The Wheeler lassies won first in their division by scoring at 35 to 34 victory over the fast Wellington next then downing the Quail team by a count of 26 to 17.

Mrs. George Sides lead the scoring for the Wheeler girls in the victory over Wellington by pitching a total of 17 points. Ida Mae Goad was second high with 14 points and lead in the scoring in the Quail victory by dropping in a total of 14 points.

The six starting members of the Wheeler team were presented miniature gold basketballs rather than a team trophy. Those who received the basketballs included: Jody Reid, Ida Mae Goad, Ruby Sides, Arnel Holt, Ruby Reid and Louise Tillman.

Mrs. Ebb Farmer acted as coach for the team and other members of the team included: Vondell Starkey and Peggy Ford.

Mrs. Close Announces Purchase Of Business

Mrs. Alice Close has taken over the appliance department of the Taylor Electric Company and the firm will now be known as the A. C. Electric, it was announced last week.

In an advertisement appearing in this issue of The Times, the company announces the stocking of a complete line of Crosley appliances, new light fixtures, and wiring materials.

"We also plan to handle an attractive line of novelty and gift merchandise," Mrs. Close said.

Bill Taylor will continue to do contract wiring and service work for the firm.

Promote FFA And 4-H

(An Editorial)

Cecil Denson, manager of Clay Food Store, is to be commended for the manner in which he supported the Wheeler FFA and 4-H club boys when their calves went on the Auction block at the end of the Top O' Texas Livestock Show and Sale Tuesday morning.

Denson bought five of the fine beef calves shown by Wheeler and Kelton boys and will sell them over the counter at his store next week he claims.

Local stockmen have reported to the Times that it is a shame that no other Wheeler businessmen were present to back up the local boys and help them get top prices for their calves when they went on the block.

Perhaps local businessmen can't see where such an operation would be worth the expense to them, and if such is the case, it would, perhaps be wise for the local businessmen; and interested individuals to get together and make up a pot which would be used for that purpose only. Perhaps the Kiwanis Club could sponsor something of this sort.

The Wheeler County Produce Association is also to be commended for the part it plays in helping to promote interest in the growing of better livestock. The local organization presented Jamie Clark \$50.00 for showing the grand champion in the Wheeler County Livestock show last week.

Milk Thieves Will Be Prosecuted If Caught Sheriff's Dept. Says

The Wheeler County sheriff's department reports that there has been considerable stealing of milk in the northwest part of Wheeler and wishes to issue a warning to culprits that they will be prosecuted to the very letter of the law if they are caught and states that they will do everything possible to catch offenders.

Recently one of the "smart-alecs" was bold enough to scribble a note and put it in a bottle which he returned empty to the porch from which he snatched same and emptied contents into his tummy.

The note read: "Thanks 'Doc', Milk Maniac" and on the other side it read: "Just passing through. It done me more good than it did you."

DISTRICT MEET DATES ARE SET

District 2-B, consisting of these schools, Allison, Booker, Briscoe, Canadian, Darrouzett, Follett, Higgins, Kelton, Miami, Mobettie, Perryton Junior High and Wheeler, has completed organization plans for the University Interscholastic League Spring Meet Literary events which will be held April 1-2 at Canadian, according to R. J. Kidd, director of the League. Tract and field events are scheduled for April 1 at Follett.

Supt. A. H. Breazeale of Canadian has been named Director General of the Meet. The following Contest Directors have been appointed:

Director of Athletics, Edgar Frazier of Follett.

Director of Declaration, Mrs. Gladys Phillips of Darrouzett.

MRS. WRIGHT DIES SUDDENLY

Another beloved pioneer lady of this area passed on to the hereafter Monday when Mrs. W. F. Wright died suddenly at the family home 2 1/2 miles north of Wheeler. Mrs. Wright had been a resident of this community for the past 25 years.

Funeral services for Mrs. Wright were conducted this afternoon (Thursday) from the First Baptist Church here with Rev. M. B. Smith, pastor, in charge, and assisted by B. M. Litton, minister of the local Church of Christ.

Pall bearers included: George Henderson, C. A. Whitener, Ira Passon, Paul Green, Amos May, Levi Reid, Hammy Herd and Harry Wofford.

Honorary pall bearers were Earl Taylor, John Conner, Aubrey Bentley, Emmett Herd, Truett Smith and Hoyette Baker.

Flower attendants were: Gordie Reid, Lolian Whaley, Helene Martin, Gladys Herd, Mrs. Fred Jackson and Mrs. Earl Williams.

Mrs. Mary E. Wright was born in Arkansas November 28, 1885 and passed away at her home 2 1/2 miles north of Wheeler on February 14, 1949 at the age of 63 years, 2 months and 16 days.

Mrs. Wright was a member of the Baptist Church.

Left to mourn her passing are the husband, W. F. of Wheeler and 6 children including: 4 sons, Carl M. of Pampa, Truman M. of Walsh, Colo., Claude V. in service and stationed at Wiesbaden, Germany, and John M. of Wheeler; 2 daughters, Mrs. Walter Mooney of Canadian, Miss Florene Wright of Wheeler; 3 grandchildren and 3 brothers, Jobe Wright of McGregor, Wm. Wright of Meridian and Sam Wright of Plainview.

Wheeler Co. Produce Starts New Series Ads

To help farmers take advantage of 1949 profit opportunities Wheeler County Produce has planned a series of advertisements to appear regularly in The Times to describe the feeding programs and Purina Chows and Sanitation Products available to farmers and feeders of Wheeler trade territory.

This series of advertisements marks the 5th consecutive year in which Wheeler County Produce Ass'n. explains to the public the products and programs developed at the 738-acre Purina Research Farm at Gray Summit, Missouri, and the analytical, biological and pathological laboratories at St. Louis.

JAMIE CLARK STEALS SHOW SHAMROCK SAT.

Jamie Clark, an aggressive little showman, took top honors in the annual Wheeler County Winter Livestock Show at Shamrock Saturday by taking both grand and reserve championships with his two fine steers.

Richard Brown took first place in the Junior division of the beef calf show. Brown also took fourth place in the junior division and Bobby Weatherly another Wheeler lad took third place and Gene Watson of Kelton placed second.

Lyndon Sims, local Hereford breeder, took many honors in the breeder's division of the show coming up with the reserve champion female in the show. Sims also placed second in the senior bull calves, 12 to 18 months, division; and first in the females, under 12 months, division.

This year's show marks the first time breeding cattle have been incorporated in the annual Wheeler County stock gathering. Previously just the boys have shown stock, representing various 4-H and FFA groups of the area. The first boys show here began back in 1932.

Jimmy Rice, herdsman for the famed Hammond Hereford Ranch, Wichita Falls, was judge of both breeding and boys divisions. Rice complimented both the youngsters and the senior breeders on the high quality of stock present here.

CANADIAN FIRM TO MOVE HERE

Bob Ward of the Ward Implement Co. of Canadian announced this week they have purchased the Holmes Tractor and Implement Co. from Lyle and Billy Holmes of Shamrock and would move both that business and their Canadian business to Wheeler. Formal announcement of the transaction will appear in next week's issue of the Times.

Mr. Ward's father, L. P., is associated with him in the Canadian enterprise and both of them plan to move to Wheeler to make their home.

Ward stated that they would open up shop in Wheeler as soon as temporary arrangements can be made and that they plan to build just as soon as they can get started.

The Wheeler Times joins with other local businesses and individuals in welcoming a new business to this city.

GROUP OF FIVE CALVES HIGH AT PAMPA SHOW

Out of seven groups of five calves from 4-H and FFA boys of Carson, Roberts, Gray, and Wheeler Counties, five Wheeler County 4-H club calves were selected for the first prize. The 4-H boys who showed in that event were Ronald Pitcock, Carrel Pitcock, and Gene Watson of Kelton, and Jamie Clark and Richard Brown of Wheeler. This group won for their county a \$32.50 pair of Clipmaster electric clippers for trimming their livestock for show.

Ronald Pitcock, eleven year old son of Mr. and Mrs. Joe Pitcock of Kelton, did such a masterful job of showing his quality 4-H club calf in the senior division that he was awarded a show halter for best showman.

Wheeler County winners in the Boy's Division were:

HEAVY CALVES

Third, Ronald Pitcock, Kelton 4-H; 4th, Carrel Pitcock, Kelton 4-H; 5th, J. T. JOHN DEERE DAY IS TUESDAY

C. A. Holdeman, local John Deere dealer, invites all farmers and their families to attend his big John Deere Day Program next Tues., February 22. There will be a big feed at the Holdeman Implement Company building at noon then a big free show at the Rogue Theatre in the afternoon. Admission will be by ticket only, but tickets can be obtained free of charge at the Holdeman Implement Co.

"The Sugar Plum Tree" is the feature Hollywood production starring Billie Burke and Don Wilson. Holdeman says it's a rollicking comedy about two young people who have never been on a farm, and what they do when they receive one as a gift. It will prove to be grade "A" entertainment for the entire family.

In addition to "The Sugar Plum Tree", several other brand new, all-talking pictures will be shown. They cover farm equipment and modern farming practices every farm family will find interesting and worthwhile to see.

Be sure to drop in at the Holdeman Implement Co. for your free tickets if you haven't received them or need more.

Young Mothers Invited To Discussion Group

Mrs. W. K. Frey, Wheeler Homemaking teacher, is offering to sponsor a discussion group for young mothers of the community if enough young women enroll for the course. The group would meet on Monday night all during the month of April. There would be no charge for the course.

Such topics as child eating and sleeping habits, nervous habits such as thumb-sucking and bed-wetting and children's clothing could be discussed by the group.

The homemaking department has a nice collection of books on child care, foods and nutrition, first aid and care of the sick and other home-related subjects. These could be used by the group and are also offered to any adults in the community who care to borrow them.

Anyone who would like to join this discussion group is asked to please contact Mrs. W. K. Frey.

PROCESSING TAX

One bill before the Texas Legislature, which pertains to increased revenue from

taxation, is likely to find wide approval with the public at large. That is the law repealing the four cent tax on gasoline, replacing it with a one cent per gallon tax on all combustible fuels manufactured in the State. The author of the bill, Representative Clifton, of Farmersville, says that will increase the state's revenue from gasoline by about 45 million dollars annually.

As is well known, Texans use only about one-sixth of the gasoline produced in the state. By placing the one cent tax on all the production, out of state residents would pay a substantial part of the taxes now solely levied on residents of Texas.

Among other things, Clifton said his bill would "correct several existing inequities in financing our roads and highways." He estimated the division of revenue as proposed in his bill would give the available school fund 28 million dollars instead of some 17 million dollars now received under the four cents sales tax. The State Highway Department would receive more than 46 million dollars, as compared to about 36 million dollars.

Another feature of the bill is that counties would receive 10 percent of the revenue, but would be required to maintain "adequate engineers, engineering facilities, and engineering supervision" in order to share in the revenue. The county and road funds under the highway department would receive 25 percent of the revenue from the gasoline taxes to be used in retiring bonds assumed when the state took over maintenance of county roads.

But the most attractive feature, to city dwellers, is a provision for the State Highway Department taking over the construction and maintenance of streets designated as highways. The highway department could use up to 20 percent of a county's funds to "construct, recondition, and maintain any street or streets designated as national or state highways."

Representative Clifton's bill is one revision of the highly controversial "resources" tax, proposed in the last Legislature. It is a modification of a processing tax used by nearly all of the states of the East, notably Pennsylvania, which largely maintains itself on taxes on steel and steel manufactures. Coming as the Clifton bill does, from a small town resident, the provision which would help the over-burdened cities find a new source of revenue, has a particularly appealing angle.—From Amarillo Daily News

HEART WEEK TO BE OBSERVED

Throughout the United States the week of February 14 to 21, will be observed as National Heart Week, and Dr. Geo. W. Cox, State Health Officer has announced that the State Health Department will cooperate to the fullest extent in stressing to the public the necessity for full information and intelligent action in attempting to control this nation's major killer, heart disease.

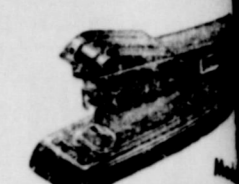

From a national level, heart disease is the leading cause of death, and yearly takes a greater total number of lives than the next five leading causes of death combined. One out of every three deaths in the United States is due to diseases of the heart and blood vessels, and it is estimated that one out of every twenty persons suffer from some form of heart or blood vessel disease.

A great amount of research in the causes and treatment of the heart diseases has established the fact that some of them can be materially helped by certain drugs, or even surgery, and it has been proved beyond doubt that the heart patient who places himself early under competent medical care, has by far the best chance of survival. In many instances the patient can, under competent care, lead an almost normal life, with only certain restrictions as to activities and indulgences which might adversely affect his condition.

"Consult your doctor for a physical check-up at least once a year," Dr. Cox advises. "If heart disease occurs, he will have an opportunity to find it, and begin proper treatment in the early stages, thus assuring you a better

chance to finish a comfortable life span.

Soap prices plunged more than 20%
in 1948 and predictions are that they'll
go even lower. Of course, that's because
costs of fats and oils have gone down.

Because American homemakers want
taxes repealed on the sale of yellow
margarine, won't you help by dropping
a note or postcard to your Washington
Congressmen, asking them to cast their
vote for repeal?

ROOM MOTHERS GIVE PARTY

Mrs. J. B. McNeill chairman of
the High School Room Mothers
called a meeting Friday. They
planned a High School Valentine
Party for Monday night in the
High School Gym. We are expect-
ing a big time with plenty of ro-
mance and lovely refreshments,
and we wish to thank the mothers
in advance.

Our room mothers are:

Mrs. Barnett, Mrs. Horn, Mrs.
Zybach, Mrs. Meek, Mrs. Chil-
dress, Mrs. Wildon, Mrs. Parker,
Mrs. McNeill, Mrs. Dougherty,
Mrs. Brotherton, Mrs. Straw-
bridge, Mrs. D'Spain, Mrs. Kite
and Mrs. Levitt.

Neat's foot oil, cod liver oil or
castor oil may be applied very
evenly and softly with a cloth.
After it has been rubbed well into
the leather, shoes will take a good
shine when dry.

Hearty Soups for Cold Days

By ALICE DENHOFF

CREAM soups offer hearty,
healthful fare and a pleasant means
of increasing the amount of milk
used in family meals, especially for
those persons who do not drink
enough milk. The many variations
in cream soups—purees, bisques,
chowders—offers a good menu va-
riation, and such soups provide a
hearty send-off to a meal that has a
scant meat main course. Seasoned
just right, and served piping hot,
a cream soup makes winter dining
a delight, and is good to the food
budget to boot.

For a superb chicken bisque for
4, melt 3 tsp. butter, then add 3
tbsp. flour. When well blended, stir
in 2 c. each chicken stock and milk.
Stir constantly until thickened and
boiling. Add one c. cooked minced
chicken, ¼ tsp. paprika. If chicken
stock is salted, it may not be neces-
sary to add salt, but taste soup to
be sure. Pour into hot soup cups and
top each portion with whipped, un-
sweetened cream and chopped salted
almonds, using ½ c. whipped cream
and 2 c. almonds.

Fish Chowder

How about a hearty fish chowder
some day soon? To serve 6, cut
one lb. haddock filets into small
cubes. Cut ¼ lb. fat salt pork into
small dice; cook slowly in a large
saucepan until browned. Skim out
the pork scraps and save. Add ½ c.
chopped onion to fat in pan; cook
slowly for 3 min. Add the fish, one
lb. peeled and diced potatoes and
4 c. boiling water. Cover; cook

slowly for 15 min., or until the po-
tatoes are just tender. Add 2 tall
cans evaporated milk, 2 tsp. salt,
¼ tsp. pepper, and pork scraps;
reheat to boiling point. Crumble in
4 large plain soda crackers. Serve
chowder in deep soup plates or
bowls. Pass additional crackers.

Paprika or minced parsley adds
a nice touch of color to the chowder.

For a more "dressy" chowder,
serve one built around crab meat.
Mince a small onion and saute to-
gether with 2 tsp. minced green
pepper in 2 tsp. bacon fat for 5
min. Add ½ c. finely diced raw
potatoes, a #2 can corn, tsp. salt,
pepper to taste, dash of paprika
and 1½ c. boiling water. Cook 10
min. or until potatoes are done, but
do not overcook potatoes or they
will be mushy. Add ½ c. cooked or
canned crabmeat. Combine 1½ c.
each evaporated milk and water;
add to mixture. Bring to scalding
point; serve at once.

For a good cheese soup melt 3
tbsp. butter, add ¼ c. minced on-
ion; saute slowly for 10 min. or
until soft and golden yellow. Stir
in 3 tsp. flour and when well
blended, add 3 c. milk. Cook, stir-
ring constantly, until just at the
boiling point. Remove from fire;
beat 2 egg yolks; add ¼ c. light
cream. Stir into hot soup, a little
at a time. Add ¼ c. grated Ameri-
can cheese; stir over very low fire
until the cheese is melted; do not
let it boil. Add tsp. salt, pepper to
season, few grains cayenne. Serve
piping hot with a garnish of minced
parsley.

LOT DRAINAGE IS IMPORTANT

Drainage is something the Tex-
as dairymen are on the lookout
for at this time of year. When the
rains come, muddy lots and lanes
will offset some of the gains made
by good care and feeding.

R. E. Burleson, assistant exten-
sion dairy husbandman of Texas
A. and M. College, says during a
rain is the time to see where lots
need draining and filling. And the
dry spells between the wet ones
are the time to get the draining
and filling done. Concrete shelter
floors will help solve this prob-
lem along the coastal regions of
the state.

Profits and loss in a dairy herd
can be checked on about this time
of year—at income tax time. If
you have records available, they
can give the figures on the status
of dairy. And they will answer
such questions as "Where am I
making or losing money?" or "Is
the size of my operation an effi-
cient one?"

The outlook for Texas dairymen
is going to be good for the dairy-
men that do a good job, says Bur-
leson. Others will need to do a
better job in the future of feed-
ing, managing, and raising herd
replacements.

On herd replacements, Burleson
asks, "Is this a hit-or-miss propo-
sition in your herd? Where are
the replacements coming from?
Are you making progress, stand-
ing still, or dropping back in the
production level of your herd?"
Texas dairymen need to pay more
attention to the answers to such
questions as these in their prob-
lem of herd replacements, says
Burleson.

Stop and take stock of your
dairy set-up. Now is the logical
time of year to make these dairy
check-ups. A successful dairy op-
eration will depend on a well
balanced dairy program. Real
estate, farm buildings—milk-
ing barn, sheds and cooling house—
cows, feed, supply, labor, machine-
ry and equipment all form the
dairy program, says Burleson.
And the "weak link" in this chain
is the thing that will determine
just how profitable your dairy
operation will be.

A Child May Dare
So Drive With Care!

bent back into their original
shapes, Miss Hatfield says.
So if you've had any shrubs or
trees that were put in cold storage
by Old Man Winter, there may
be some first aid work needed in
your own front yard.

TREE PRUNING FACTS GIVEN

Nature dropped a coating of ice
over two-thirds or more of the
state recently—at least once, any-
way.

This chilly pastime of Old Man
Winter has literally put many of
the trees and shrubs in cold stor-
age. And a cloak of ice usually
does more harm than good to our
ornamental plants used in land-
scaping home yards and lawns.

First aid is generally necessary
for these thousands of shrubs
damaged by ice storms if these
plantings are to regain their nat-
ural shape and beauty. Broken,
split and bent branches and
wounds all need a different treat-
ment. Where the weight of ice has
caused branches to break several
feet from the trunk, pruning will
help. Remove the hanging limb
where it has broke off, then
select a side branch between the
break and the tree trunk. Cut off
the limb at this point. Follow up
by pruning to reshape the plant.

Sadie Hatfield, extension land-
scape gardening specialist of Tex-
as A. and M. College, says that

badly split branches won't grow
back and heal over even though
they are tied in place. Such split
limbs should be removed at the
trunk leaving no stub at all. It's
usually safer to prune off the split
branches, and all the splintered
and rough edges should be smooth-
ed off before a wound paint is ap-
plied.

White or orange shellac makes
good wound paint, says Miss Hat-
field. Or you may make a mix-
ture of your own if you so desire.
Here's how. Heat eight parts (by
weight) of resin and three parts
of baled linseed oil. Paint this
mixture on to the bark ring and
hardwood area.

Branches that are merely bent
over by the weight of the ice don't
need quite as much care. They
may be pulled back into place and
held with strips of gunny sacks
or cloth. Miss Hatfield advises not
to use wire and hard strings, as
these may cut and injure the
limbs. By the time the cloth rots
away, the tree limbs ought to be
growing back in their original
shape. But if they aren't, you may
need to cut part of the bent limb
away.

Ornamentals such as the arbor-
vitas which have been disfigured
by the weight of ice may be shear-
ed. However, they can usually be

SOCIETY

Mobeetie P-T. A. To Refinish Gym Floors

The Mobeetie P-T. A. held their regular meeting Thursday night, February 10, with a good attendance.

During a business meeting, conducted by Mrs. C. J. Van Zandt, president, it was decided that the P-T. A. would sponsor the refinishing of the walls and floor of the gym and to have a sock supper and social on the night of March 4.

Supt. C. R. Brown spoke on "World Peace" Mrs. H. E. Matthews was leader of an interesting "Founder's Day Program". A patient, "P-T. A. Corner Stones", was presented by Mesdames E. E. Sims, C. J. Van Zandt, Vernon Willard, Alford Hill, Clemons, Caldwell, Ruff and Atkins.

At the social hour delicious cake and coffee was served.

Mrs. Laflin Hostess To Wednesday S. Club

The Wednesday Study Club met in the home of Mrs. Carl Laflin February 9.

Mrs. Floyd Pennington was the program leader on "American Coal, Ambassador of Democracy". She was assisted by Mrs. W. L. Williams and Mrs. George Porter.

Refreshments were served to eighteen members and one guest, Mrs. Shelby Pettit, from a beautifully decorated table which carried out the Valentine motif.

Teen-age Club Enjoys Nice Parties, Socials

Sponsors of the Teen-age Club are happy to report that the club is running along smoothly and is

accomplishing the things hoped for by its sponsors in furnishing a place with wholesome environment for the youth of the community to meet and have fun together.

Since the holiday season they have had one hamburger party and a popcorn party. They were sponsored by all members of the P-T. A. last week and were sponsored by members of the Ladies Auxiliary with a valentine party Monday night.

This is a very fine thing for our community. Let's all help. If you wish to help and have not had your name put on the list, do so before May 26. Names will be drawn again soon after that date.

WCTU Holds Meeting At Methodist Church

The Women's Christian Temperance Union of the First Methodist Church met at the church Sunday afternoon, February 13.

Members enjoyed a very interesting program given by Rev. S. Y. Allgood, Minister M. B. Litton, Mrs. J. D. Roedler, Mrs. H. M. Wiley and Mrs. J. M. Porter.

Thurs. Review Enjoys Review By Mrs. Frey

The Thursday Review Club had guest night Thursday night at 7:30 o'clock in the home of Mrs. Carl Laflin with Mrs. Carroll Pettit as hostess.

Mrs. R. J. Holt, Jr., president of the club, opened the meeting. Miss Louise Tillman gave a reading entitled "The Touch of the Master's Hand" by Myra Brooks Welch, accompanied at the piano by Miss Glenna Hefley. Mrs. W. K. Frey gave a review of the book, "The Years of the Locust" by Grace Erdman. This book covered

a period of three days and centered around the death of a man by the name of Dade Collins. It gave briefly the life story of each person affected by his death how they reacted when they received word of his death and the thoughts and actions of each from the time they heard of his death until after his funeral. This review was greatly enjoyed by both the members and guests. At the close of the review by Mrs. Frey, Mrs. R. J. Holt, Jr., on behalf of the club, presented Mrs. Frey with a gift in appreciation of her efforts in presenting the book review to the club.

The serving table was decorated with lacy red hearts and on each plate were red hearts decorated with tiny blue bows, which served as favors. Lovely refreshments of cake and coffee were served to the following members, Mesdames Ed Trimble, Lester Robertson, W. A. Goad, Jr., Louis Martin, J. C. Howell, Carroll Pendleton, Chester Anglin, Wilton Callan, Earl Barnes, Harvey Wright, R. J. Holt, Jr., and Misses Glenna and Wilma Hefley, Vondell Starkey, and Louise Tillman, and the following guests, Mesdames W. K. Frey, Barney Teague, Red Richerson, Harold Callan, and Miss Genevieve Morton, and the hostess, Mrs. Carroll Pettit.

Stewardship, Subject Of Kelton WMU Lesson

The Kelton W.M.U. met at the Baptist Church Monday, February 14, for a lesson on Stewardship of Tithing. Mrs. Tucker gave the devotional on "Humility", using scriptures, Matthew 18: 1-4 and Micah 6: 8.

Those present were: Mesdames J. A. Tucker, C. D. Davis, Wilson Hill, F. J. Rathjen, C. O. Henderson, T. B. Killingsworth and J. F. Rathjen.

N. P. HEREFORD SALE IS FEB. 24

The Third Annual Registered Hereford Breeders Association will be held in Perryton on Thursday afternoon, February 24. Lawrence Ellzey, president of the association, has announced.

The sale will follow the judging of various classes at the show to be held on Wednesday afternoon, February 23. Prize ribbons will be given to winning heifers and bulls in four classes.

Twenty-five bulls and 13 cows have been consigned for the sale. Animals from the outstanding Hereford herds in the North Plains will be sold and a good crowd is expected for the two day event. The sale will be held in the mammoth Ochiltree county warehouse, where a new sales ring and adequate seats have been provided.

J. P. Smith, manager of Pantex Farms, Earl Breeding, Roberts county agent, and Homer Brumley of Hereford will judge the Herefords, starting at 1:30 p. m. Wednesday.

Col. Walter Britton of College Station will be auctioneer for the sale, which begins at 1:30 p. m. Thursday.

A large number of Hereford breeders, as well as others interested in livestock, are expected to attend the sale and show from counties comprising the association—Samsford, Ochiltree, Lipscomb, Hemphill, Sherman, Dallam, Hartley, Moore, Hutchinson and Roberts counties in Texas and Beaver, Cimarron and Texas counties in Oklahoma.

Thirty-eight calves, entries in the annual Ochiltree County Junior Livestock Show to be held on Wednesday, will be sold at auction on Thursday morning, February 19, immediately preceding the Hereford sale.

Wheeler P.-T. A. in Regular Meet Thursday

The P.-T. A. held their regular meeting at the grade school auditorium February 10, 1949.

The sixth grade, sponsored by Miss Marie Finsterwald, presented a humorous and well-planned program. The P.-T. A. is grateful to the sixth graders for their time and effort.

After the program a meaningful and worthwhile film was shown by Supt. W. O. Carrick and Barney Teague. The film was entitled "The American Teacher". Mrs. Bill Owen, president of P.-T. A., opened the business session and mentioned several things that needed to be purchased for the good of the school, such as swings for the playground, library books, and science equipment.

A finance committee was chosen to decide what the P.-T. A. could do to raise funds to meet these needs.

Last but not least, delicious refreshments were served in the cafeteria.

All members are urged to attend the next meeting, as their help and cooperation is needed.

Mr. and Mrs. Raymond Moore left Wednesday to attend a directors meeting of the Federal Land Bank to be held in Houston. They were accompanied as far as Hillsboro by J. C. Moore who will visit there in the home of a sister.

Mr. and Mrs. Luther Sides visited Mr. and Mrs. Will Darty at Clovis, N. M. recently where they were met by Mrs. Sides' brother, Archie Crane, of Merced, Calif. Mr. and Mrs. Sides also visited points in south Texas.

Mr. and Mrs. E. W. Woods of Canyon are the happy parents of a daughter, Donna Celeste, born Monday, February 14. Mrs. Woods will be remembered here as Miss Pat Wiley, daughter of Mr. and Mrs. H. M. Wiley.

Rev. G. A. Roberts was a Sunday afternoon caller in the home of Mr. and Mrs. Gordon Stiles.

SENIOR NEWS
 The seniors have started working on their play and have decided to put it off for a week, but will present it March 8. Quite a few of the characters in the play have been absent and we haven't had a chance to get down to work like we should. When basketball season is over we will have more time to work.
 We are glad to have Billie V. back with us again after her absence.
 This six weeks has really flown

by and before we know it school will be out and most of us seniors will be getting ready for college or a job.

(Too Late For Last Week)
SPORTS NEWS

It looks as if luck is going to pass the girls by this year in basketball. We haven't won any games this year. We don't have but just a few more games to play. We play Canadian Tuesday night. We are to play Wheeler in the near future. We are to play Briscoe tonight (Monday). The boys play in the tournament this weekend. The girls were defeated 9-39. The boys 43-54. We wish to thank Mr. and Mrs. Clyde Dukes for taking the girls to Durham in their car Friday night.

SOCIAL EVENTS

We finally had our party at the Youth Center Briscoe postponed their game so we had it as scheduled. Everyone reported a nice time. Cakes baked by Laura Wall, Sue Elmore, Jean Williams, Helen Marshall, and Jo Sprull were served. Our next party will be Thursday night, February 17.

Everyone who attended the party given by Mrs. Robert Risner at the cafe Saturday night, want to thank her for a very nice time. Games of every kind were played and cocoa and cookies were served to Laura Walls, Jay Dean Bessire, Katy Brown, Bobby Curlee, Joe Sprull, David Waldrip, Jo Brown, Edna Dyer, Sue Elmore, Sam Inman, and Troy Dean Jones. Everyone hated to see the party end.

LOCAL HAPPENINGS AND GOSSIP

Shirley Jo, were you in Wheeler Saturday night? We didn't see you at the party given by Mrs. Risner.

Helen, why did you and Bessie Jo want to spend the weekend together?

Bill W., we're all wondering why you're calling a certain girl "Heat-er" and what does it mean?

BOOBS IN THE WOODS

Donna Jo, we're glad Clyde made it over Tuesday night.

Boy, that "murder" business is really getting popular around here.

Jane, why do you always get so tickled on the ball court every evening at work-out?

Katy, is it Bobby, Kenneth, Troy Dean or Jerry? We're dying from curiosity.

Lyn, how is your "Kelton Romance" progressing?

David, we hear Bessie Jo and Edna really beat you in dominos Saturday night.

Shirley Jo, have you seen him here lately? Good luck kid.

Gerald, don't you Billy Bob and Bill W. know not to throw snowballs at defenseless girls like Donna Jo, Helen and Bessie Jo? The snowballs are liable to boom-rang.

WONDER WHY

Shirley Jo wasn't at the party Saturday night?

Katy and Troy Dean sat in a booth half of the night, just watching the "Bubbles in their Cokes?"

Helen's knee looked so skinned up? Lyn's a little rough to try to guard isn't he?

Jane wasn't seen Saturday night?

Troy Dean wants to go with Shirley Jo so bad?

David, Bessie Jo and Jay Dean couldn't get their car Saturday night?

Roy and Evelyn looked so happy? Well, they had a right to be.

R. C. hasn't been seen around lately?

Troy Dean went to Marshall's Sunday? Could Shirley have been out there?

SONG DEDICATIONS

From Shirley Jo to "Mister It", "Love is a Wonderful Thing".

From Shirley S. to Jackie, "I'll See You in My Dreams".

From Donna Jo to Clyde, "How Soon?"

From Helen to C. E., "I Think You're Wonderful".

From David to Bessie Jo, "Hold Me".

From Bette to Billy Bob, "So In Love".

From Katy to Jerry, "I Want To Be the Only One".

From Bobby C. to Katy, "Here I'll Stay".

From Glenna Sue to Johnny, "Be Mine".

SPORTS NEWS

The boys won first place in the county tournament this last weekend. Their first game was with Briscoe. They won by a score of 51 to 21.

They defeated Wheeler Saturday morning by a score of 42 to 32. They defeated Kelton Friday night by a score of 26 to 19. Saturday afternoon they beat Miami 35 to 22 and Saturday night they defeated Allison 51 to 26. They will go to Canadian this weekend.

The girls go to shamrock this weekend. We hope they return with the same results that the boys did from the county tournament.

GOSSIP

Rosaline, what's this we hear about your playing mamma and pappa?

Patsy and Ann Nell, you seem to be having more enemies. Wonder why?

Rosaline and Charles seem to be a townsome around Mobeetie High. We really like the song Lavada and Vendell made up Thursday night.

Sandra, are you afraid you'll fall down on your front door step or is it that you don't want mud on your feet? I bet that's it.

What's that queer name Mary has been calling Lavada? Better watch your language, Mary.

Who was Sandra's company Wednesday night? How about that Arthur Moore?

Why are all the basketball boys thanking Irvine and Edwina? Maybe the trophy should have been given to them at that.

Joy, what were you blushing about in Bookkeeping class?

In the fat pig division, Wheeler High School FFA boys took their share of the prizes, and James Gaines of the Wheeler FFA Chapter won first in the light barrow class with his Poland China barrow and then went on to win Reserve Champion Fat Barrow of the show.

Here's how the Wheeler FFA Chapter came out:

LIGHT BARROWS
 First, James Gaines; 2nd, Richard McWhorter; 4th, Richard Gaines; 5th, Richard Gaines; 6th, Richard McWhorter; 11th, James Clark.

HEAVY BARROWS
 Eighth, James Gaines; 9th, Joe Mitchell; 11th, James Clark.
 Hereford Breeders of Wheeler County who showed breeding stock and consigned them to the Top O' Texas sale were Harlan Reeves of Shamrock, W. L. Williams of Wheeler, and Gordon Whitener of Wheeler.

H. H. Reeves only showed 2 cows, but he won first and second place in their division with them. In the sale following the showing, these cattle averaged \$660.00 per head.

Gordon Whitener showed the 4th place bull in the Junior Bull Division, and 2nd place heifer in the Junior Heifer Class.

W. L. Williams of Wheeler, that

grand old man who has been breeding Anxiety 4th Herefords for many years, has just about quit the business, two good young breeders of Wheeler have bought most of his breeding stock. What they did not want, he took to the Top O' Texas show and carried away some top honors. That speaks well for the quality of breeding when the leavings of a herd take such honors. Mr. Williams had the Grand Champion female of the show. She sold for \$510.00. He also showed the 2nd, 5th, and 6th place bulls averaged \$470.00 per head in the sale.

Jamie Clark

(Continued from Page 1)
 for the local exposition.

Young Clark's triumph came as his two calves placed one-two in the heavy division of the boys' show. This included all steers weighing more than 800 pounds.

His two animals were shown against the light weight winners, brought to the show by Richard Brown, Wheeler 4-H, and Gene Watson, Kelton 4-H. Mr. Rice ruled out the light weight winners, giving both the grand and reserve rosettes to the two Clark entries.

A premium list of \$175 had been posted by the Shamrock Chamber of Commerce for boys' show. Winners took shares ranging from \$12 for first prize to \$4 for tenth, eleventh and twelfth places in each weight division.

Vernon Carver, chairman of the Shamrock chamber of commerce livestock committee, assisted in direction of the show. H. H.

Reeves and H. C. Weatherby, Shamrock High School FFA instructor, were superintendents of the two major divisions of the show.

W. K. Frey, county agent, Ralph Jones, assistant county agent, and James Clepper, vocational agriculture teacher at Wheeler, also assisted in directing the junior show.

Winners in the boys heavy calf division follow:

James Clark, Wheeler 4-H first and second; Carrol Pitcock, Kelton 4-H, third; Ronald Pitcock, Kelton 4-H, fourth; Gene Watson, Kelton 4-H, fifth; Jimmy Harris, Kelton 4-H, sixth; Leon Moore, Wheeler 4-H, seventh and ninth; Joe Van Zandt, Mobeetie 4-H, eighth.

Junior winners in the light calf division were:

Richard Brown, Wheeler 4-H first; Gene Watson, Kelton 4-H, second; Bob Weatherly, Wheeler 4-H, third; Richard Brown, Wheeler 4-H, fourth; Earl Torbet, Shamrock FFA fifth; Bryan Close, Shamrock FFA, sixth; Jimmy Herd, Wheeler 4-H, seventh; Paul Thomas Macina, Shamrock FFA, eighth.

THE MORE YOU LOOK • THE BETTER YOU'LL LIKE

Here's a FULL 2-plow tractor. It has the power, speed and traction to get full capacity from all implements. Its 2-plow rating. Its extra power is a big help in corn-picking and other power-take-off jobs. Its Quick-Dodge Steering makes easy work of clean, fast cultivating. Its fuel-saving fourth gear handles light work at reduced engine speed. It's just right for safe hauling. It's the kind of tractor that gets more done. Come in and see about it.
