PONTIAC IS GRAND NATIONAL CHAMP!

**Wins NASCAR Grand National Championship Race Against All Cars
Regardless of Size, Power or Price—Setting New Track
Record in Biggest Stock Car Event of Year Following Clean
Sweep of Its Class in Flying Mile and Acceleration Runs.**

Here's why it's important to you! You can buy the same model
Pontiac right here in town with the same ruggedness, safety and
precision-handling that outclassed all the others at Daytona! Re-
member, this was a strictly production model Chieftain Pontiac
powered by the spectacular 317 h.p. Strato-Streak engine—and
introducing Pontiac's revolutionary Tri-Power Carburetor, a great
new advance, optional at extra cost on any Pontiac model. This
amazing carburetor system literally gives you 2 engines for the
price of 1 . . . tame or terrific at a touch of your toe! For normal
driving the engine operates on a standard two-jet carburetor (the
same type that won the economy tests last year). A little extra
pressure automatically cuts in four more carburetor jets for instant
response when you need more power. Come on in and drive
America's Number One Road Car. You can easily afford it—prices
actually start below 30 models of the low-price three!

NOW IT'S OFFICIAL

ANSWER THIS QUESTION

Am I My Brother's Keeper?

Those words do come from the Bible. And they have sometimes been quoted to justify a man's lack of concern for the welfare of others.

When we quote Scripture we must be careful WHOM we are quoting!

It was Cain, the first murderer, who asked that biting question. God had said, "Where is Abel, thy brother?" And Cain was trying to escape the consequences of his crime.

Each of us is responsible for his brother's welfare. That is the very reason this feature is appearing in your newspaper.

You and your family need the spiritual resources our churches offer. In whichever Christian congregation you select there are waiting to welcome you many men and women and young people whose faith has taught them a deep concern for their brothers.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

LETTER TO THE EDITOR

TO THE PEOPLE OF WHEELED & TRADE AREA

I wish to thank the Merchants businessmen of Wheeler for support of the Top O' Texas in Pampa last week. Thanks to the support from me and all the boys in the show.

Jimmy Walker
Briscoe, Texas

Dear Friends,
I wish to take this opportunity to thank you for your wonderful support of our Chapter projects at the Top O' Texas Junior livestock show at Pampa this past week.

The prices we received for our swine and cattle more than show the interest you have in our program. It is our hope that in the years to come we can develop into men that you will be proud of. With the guidance and support we have in our community I am sure we can attain that goal.

It is the aim of the Wheeler Chapter of Future Farmers of America to help make Wheeler the best place in the world to live. If at any time we can be of service to the community in any way in any way please let us know.

Thank you,
Larry Hunter

KIWANIS NOTES

Lieut. Gov. John Rust, Borger, made his official visit at the regular luncheon meeting of the Wheeler Kiwanis Club Monday. The meeting was held in Fellowship Hall with 31 of the 35 members present.

Governor John brought an inspirational address on the eight objectives of Kiwanis for 1957. In this outline of objectives he pointed out that any member could find a worthwhile place to work in developing these stated objectives.

A world suspended between the Golden Rule and the Hydrogen Bomb, was his comparison in developing the theme.

Presentation of certificates of appreciation to retiring C. J. Meek was handled by Gov. John at this visit.

Announcement of the Governor's visit at Guyton, Okla., on Thursday April 18, was made and members requested to plan to attend this meeting.

Henry Lovejoy of Washington state and Alvin Arganbright, Lieut. Gov. of Division VI of Keys Clubs International were the only visitors this week.

A director's meeting was held after the regular noon luncheon. The Inter-Club with South Amarillo fell through because of the weather last Friday and another date was set up for Wednesday of this week to visit the Sayre, Okla., club. All who can attend are requested to meet at the north side of the courthouse by 11:00 o'clock Wednesday morning.

Education in Texas, highlighting the crisis the state is facing in the shortage of teachers. A group of students will form a panel to discuss vacations. Entertainment numbers will be furnished by Phyllis Callan, pianist, and the boys' and girls' quartets under the direction of Mrs. Harrison Hall.

The student council will provide another program which will be at the regular assembly hour, Thursday, at 9:00 a.m., in the grade auditorium at which time Mrs. Jack Foster of Pampa will be the speaker. Mrs. Foster will speak on "Changing Attitudes Toward Teaching." A former teacher and civic leader of Pampa, Mrs. Foster comes through the invitation of Miss King and the seven Wheeler girls who heard her speak on the same subject last Saturday at Delta Kappa Gamma when the Pampa chapter entertained Future Teachers of America.

Supt. Brown, Teacher, students and chairman Farmer, all urge that you spend some time next week in the visitation of your public schools, regardless where that school is. While at the school express your appreciation to the teacher or teachers in whose rooms you visit, for their contribution to the welfare of your community, the group urged.

son of Mr. and Mrs. Harold Hill of Wheeler, placed his Chester White heavy barrow to Champion barrow of the Chester White breed, and sold it to the Gulf Oil Company for 30 cents per lb.

Jimmy Walker showed his heavy Spotted Poland to fifth place in the heavy Poland breed and sold it to the Chamber of Commerce of Wheeler for 25 cents per lb. Hill's other Chester White which did not place sold to Chamber of Commerce of Wheeler for 28 cents per lb. and Jimmy Walker's Poland that did not place sold to the Wheeler Chamber of Commerce for 28 cents per lb.

The 4-H Livestock team judged for practice and their grades did not count in competition, but according to Bryan Swain they made good grades and he was proud of them. Members judging were Dean Sims, Jerry Lackey, and George Harris. They will represent Extension District 1 in the State 4-H Contest at College Station this Summer.

at inspection stations throughout Texas.

Last year, as was true in most preceding years, vehicles overcrowded inspection stations during the last week of the inspection period. More than a million automobiles were caught in the last minute rush, resulting in a loss of even more million of manhours for the owners of those vehicles.

Garrison called upon the motoring public to adopt a "shop early" policy in this year's inspection program as a means of saving time and to afford better convenience for the vehicle owners involved.

DONATIONS TO SALE FUND

The sale fund contributed by the business family and individuals of Wheeler and trade area amounted to approximately \$300, Dick Guynes, Sec'y-Manager of the Chamber of Commerce stated this week.

Persons contributing since the first list was carried two weeks ago and the amount of their contributions are:

Ranchers and Farmers \$78.12
Wheeler County Farm Bureau \$5.81. Bus Dorman \$10. Cora Hyatt \$10. Dr. H. E. Nicholson \$10. Gene Hall \$10. George Richardson \$5. J. G. Watson \$5. Frank Walker, Sr., \$5. Frank Walker, Jr., \$1. and Harold Hill \$8.75.

This fund enabled Frank Caswell, buyer for the group, to purchase most of the stock from Wheeler County at the sale. Local stock brought about 12 cents per pound above the posted market price at the sale. In Amarillo sale held shortly prior to the Top O' Texas show and sale most animals averaged only about three cents per pound above the market price on sale date.

Livestock purchased by the fund was resold and the difference paid the exhibitor from the fund.

FORD IS AMERICA'S WINNINGEST CAR!

For 1957, Ford's off to a flying start on the NASCAR Short Track, Convertible and Grand National Race Circuit—with more points than all other cars combined!

And now—just in from Daytona—seven more Ford firsts!

- A 300-hp 1957 Ford V-8 out-accelerated all other low-priced cars in the standing mile competition.
- A 1957 Ford Sunliner outclassed all other low-priced cars in the 160-mile National Convertible Championship Race.
- A modified Ford Thunderbird, running in the Experimental Class, out-accelerated every other car in NASCAR history.
- A modified Thunderbird topped every American Sports Car, finished first in its class and placed second to Europe's fastest sports car at the National Amateur Sports Car Race.
- A standard production Thunderbird took first place in the flying mile—outperforming all sports cars made in America.
- A modified Thunderbird won the flying mile in the fastest time made by any car at Daytona this year.
- And a Ford Thunderbird topped the field in acceleration from a standing start in Modified Sports Car Class B.

It was Ford Thunderbird power that set a new stock car record at Indianapolis, too... and powered the '57 Ford to 458 world endurance records at Bonneville, Utah.
