COURAGEMENT, NOT BLAME

(Contributed)

It always seems blackest before the sunrise and can be said in regard to the fortunes of the Mustangs football team. People are quick to lay the blame when a club is defeated such as the Mustangs Friday night. The coaches, the boys, and even the team itself come in for their share of blame, some others.

Blame is human nature but encouragement is one of the rudiments of success in any business where we, as fans and supporters, can aid the team this week and in the coming weeks of the season. That the coaches have made mistakes just as it has the boys have made mistakes and maybe not as seriously as they should have. In all positions one guilty of mistakes, coaches and players alike, and we as fans should be the last ones to condemn.

Before the team this week puts the Mustangs to their rivals of many, many years... the Shamrock Mustangs over Shamrock is what Wheeler football fans are proud of through the years and it is possible but that will be slim if we do no do all we can to encourage the coaches and boys on to the extent of their abilities.

Wheeler only ask that every boy that goes on the field Friday night give it all he has and then after the game he can proudly state that the "team" not just he gave the extra effort.

Ask this of the team against the Irish and all in turn should back the team with our presence of encouragement. Victory is more gratifying when it comes up off the floor and goes on to win.

ERICK TEAM EASILY BEATS LOCAL SQUAD

By David Britt

The first home of the season, played before a near capacity crowd at Nicholson Field, saw the Wheeler Mustangs receive their worst defeat in years as the visiting Bearcats literally ran them off the field to the tune of 54-8.

If any consolation can be gained by this game, it was that the Mustangs did have a lead over their opponents for the first time this year. The visiting Bearcats from Oklahoma wasted little time in showing the fans that they did come to play as they took the opening kickoff and marched 80 yards for their first touchdown in seven plays. The payoff came on a 35 yard pass and run with Ellis throwing to Dotson. The try for extra point failed and this was all that the Bearcats could do as well as they failed to convert any of their touchdowns. The Mustangs went 32 yards to pay dirt after Bradshaw returned the Erick kickoff to the Bearcat 32 yard line. It took five plays for Wheeler to score with Green circling his left end for the final 23 yards and the score. The run for the conversion was good and the Mustangs were out in front 8-6. Erick's next touchdown came after the Bearcats had taken possession on their 42 late in the first quarter. The big play on this drive was a 29 yard run by Martin, 175 lb halfback, down to the Mustang 6. From there it took two plays with Martin going over and the Mustangs lead was wiped out for the night, with 2:29 remaining, the try for extra point was fumbled and the Bearcats were ahead 12-8. The second period saw the red and white clad Bearcats push over four touchdowns and take the game completely out of reach of the Mustangs. The first tally of the second period came after the Mustangs were forced into kicking position deep in their territory. The poor snaphack from center was fumbled and the Erick club recovered on the Wheeler 1 yard line. Ellis took it in for the score on a quarterback sneak and with the try for point failing, the Bearcats increased the margin 18-8. Baker returned the ensuing kickoff to the Wheeler 40 but the Mustangs gave the ball right back.

Attend School On New 1961 Fords

Bud Vanpool, co-owner of the Vanpool-Burton Motor Company, and Harvey Davis, shop foreman of the same firm, attended a one day school in Amarillo last Thursday. The purpose of the school was to learn of the new developments in the 1961 model cars.

Nicholson Takes Spotlight At Local Chamber Meet

LAST RITES HELD FOR B. B. SHELTON

Funeral services for Mrs. Beulah Belle Shelton, 60, was held Sunday at 2:00 p.m. in the First Baptist Church of Mobeetie with the Rev. James E. Burkham of Bushland, formerly of Mobeetie, Rev. Gene Fort of Lefors and Rev. C. C. Lamb, pastor of the First Methodist Church officiating.

Mrs. Shelton died at 7 a.m. Friday at the home of her daughter, Mrs. Pauline Wolfe of 4623 Bowie in Amarillo. Beulah has been in failing health for the past 2 years.

Mrs. Shelton was born July 22, 1900 in Silvertown, Texas and was united in marriage to Henry Shelton in 1921 and this union was born 8 children. She and Henry moved to the Mobeetie community in 1920 to a farm north of town and in 1957 they moved to town.

Beulah was a member of the First Baptist Church of Mobeetie and a Past matron of the Mobeetie Order of the Eastern Star, she had been very active in star work until her health started failing.

Mrs. Shelton is survived by four daughters, Mrs. Susy Jaunell Eberling of Laketon, Mrs. Jimmy Irene Allen of Las Cruces, N.M., Mrs. Willie Mae Stead of Chasing, and Mrs. Pauline Wolfe of Amarillo; four sons, Henry of San Diego California, Tyson of Elk City, Okla., Ronald Mac of Fritch and Joe of Mobeetie, a sister Mrs. Johnny Clatterbough of Fayetteville, Ark., 22 grandchildren and 2 great grandchildren and a host of friends.

A large group of businessmen met Tuesday night at Nora's Cafe for the regular meeting of the Wheeler Chamber of Commerce. The scheduled program for the evening failed to show up and a general discussion on the progress and plans of the local Chamber was discussed.

A highlight of the evening came when the renowned Dr. T. E. Nicholson took the floor and in his bulldog manner proceeded to explain where the local Chamber of Commerce and businessmen were failing in their attempt to make Wheeler the outstanding city that its residents deserve.

Local Group Plans For Forthcoming Fall PTA Workshop

Planning the Fall PTA workshop is the work of many minds and hands. This was evidenced Monday morning when Mrs. James Lewis, District Nineteen president met with the local planning committee. Wheeler PTA will be host to some 100-150 parents and teachers from fifteen counties, District Nineteen of Texas Parents and Teachers is the eastern half of the Panhandle.

Theme of the workshop is "The American Family Today... And The PTA." Material for the district workshops was compiled at the state leadership meeting in Austin in June by 211 parents-teacher leaders from all sections of the state.

Meeting with Mrs. Lewis in the home of Mrs. Lloyd Weatherly, Wheeler PTA president were: Mrs. Thurman Rives, Mrs. Neal Raymond, Mrs. Walter Dunn, Mrs. Dorsie Hutchison and Mrs. W. A. Goad, Jr.

The workshop will be held Oct. 11 in the Wheeler School Auditorium.

"Our biggest eyecore is our paving," the doctor said. "How in the world do you expect to attract industry, business and people when our street are the disgrace of the Panhandle," he continued.

"And in securing the services of a young doctor in Wheeler... I have contacted numerous doctors and the first thing each of them ask for is a Chamber of Commerce brochure on the City of Wheeler. I was naturally unable to supply them with this material."

"Now, if the Chamber of Commerce really wants to do something constructive, lets print a booklet on Wheeler telling of its growth, its crops, highways, economy, schools, churches, and other information valuable to anyone desiring to locate here." And above all, Dr. Nicholson continued, "let's get some paving, our streets are wearing out and we need new paving."

A deafening roar of applause followed Dr. Nicholson's speech. And once again the grand old man of Wheeler was put into the spotlight when Virgil Jamison, president of the local Chamber of Commerce appointed him as Chairman of the committee to work with the city council and do everything possible to secure additional paving for the City of Wheeler. Other members of that committee include Judge George Hefley, Bill Owen and Clyde Johnson.

Jamison also appointed Don Earney to immediately begin work on a booklet for and about the city of Wheeler.

Several other matters were discussed by the local group and a committee was appointed to work with the Fair Board in regard to their annual fair. This committee was composed of Robert Denson, chairman, Henry Risner and Percy Farmer.

Progress is Being Made On Micro-Wave For Local Television

Word has come from George Milner, Engineer with the Vumore Company of Oklahoma City, that Clearance with the Federal Communications Commission for Micro-wave signal from Amarillo TV broadcasting Stations has come through for the pick up tower, Wheeler and Shamrock. There is a bit if trouble for Canadian because of the proximity of an air field. It is believed that this can be easily cleared up. As soon as this matter is settled, work should begin any day on the installations to bring micro-wave to the citizens via the Wheeler TV Cable System.

E. LASATER HAS FIRST BALE OF '60 COTTON

Ernest Lasater, of Twitty bought the first bale of 1960 cotton to Wheeler last Tuesday and the Prymaster Gin and the Wheeler Chamber of Commerce awarded Mr. Lasater \$50.00 for bringing in the first bale of the new season.

Lasater arrived in Wheeler Tuesday with 1800 lbs. of seed cotton which ginned out 495 lbs. of lint and 900 lbs. of seed. His second load which was ginned at the same time weighed 2200 lbs. and ginned a 725 lb. bale with 1200 lbs. of seed.

The cotton was of the Northern Star Variety and was planted on April 18. Mr. Lasater is a rural mail carrier and lives just North of Twitty. He has 259 acres of cotton.

NOTICE

A meeting of the Wheeler County Fair Association will be held Thursday, September 22 at 7:30 P.M. in the Wheeler County Court-house.

Kiwanis Club To Sponsor Annual Kids Day Saturday

A big parade will kickoff the annual kids day festival in Wheeler Saturday morning at 9:30 a.m. Jack Garrison, committee chairman announced.

The Big "Kids Day Parade" will assemble in front of the Methodist Church with tricycles entering at the Baptist Church. Parade judges will be at the starting point to look over the entries as they assembled. Jack Garrison, Bryan Swaim, Bill Owen, Dick DeArment, Richard Hampton and Troyce Hunter are in charge of parade arrangements. First, second and third place prizes will be awarded to the best decorated bicycle. Three prizes will also be awarded in the saddle pony division.

A special feature of the kids day program again this year will be the "Craft and Hobby Display" which will be prepared by each grade school class. The displays will be placed in business shop windows throughout Wheeler. Prizes will be given for the best displays.

Carroll Killingsworth, Jerry Burgess and Bill Pearce are in charge of this event.

Displays will be placed in the following windows: City Drug, Wheeler Radio and Refrigeration, Daughtry's Ben Franklin Store, J-Lee Department Store, Nash Appliance and Supply Company, McIlhany Dry Goods, Deluxe Cleaners, First National Bank and A and B Farm Supply.

The pet show will be staged on the court house lawn. Arrangements have been made by Frank Wofford, Hiram Whitener, Buster Whiklock, Bob Riley and Larry Levitt.

N. D. Ware, Jr., Thurman Rives, Bill Green and Ray Owen will be in charge of the Terrapin race this

year. All kids, regardless of age, are invited to get a terrapin and enter the race. Three prizes will be awarded in this event.

Max Wiley, Gordon Whitener, Bill Stiles, and G. C. Baker will

be in charge of the Pony Show. The ponies will be judged behind the post office.

Percy Farmer, Walter Dunn, Kenneth McCasland and Gary Walters will be in charge of the Bi-

cycle show.

The kids day celebration is an annual affair sponsored by the Kiwanis Club and Key Club in Wheeler. The interest has grown each year and a bigger and better Kids

Day is expected this year.

An added feature again this year will be an "Essay Contest." Students from the 6th, 7th and 8th grades are eligible to enter the contest.

The public address system will be manned by Harry Wofford and Joe Loter.

Arling Cordell, chairman of the event, extended an invitation to all Wheeler Kiddos to enter as many of the events as possible. He especially urged their participation in the big parade.

Attention Mothers and Dads... Help the kiddoes get those bicycles and wagons ready for the big parade. Lewis Lancaster, president of the Kiwanis Club, has extended a cordial invitation to all the area kiddies to enter the parade and other contests.

All prizes will be presented by Harry Wofford at the speakers stand.

Couples To Attend Northfork Baptist Meet

A meeting of the Northfork Baptist Association will be held in the McLean Baptist Church Thursday morning at 9:45 A.M.

The annual meeting will be attended by Mr. and Mrs. Harold Hill, Mr. and Mrs. Gaddy Vise, Mr. and Mrs. Harry Wofford and Rev. and Mrs. Frank Ross of Wheeler.

The group will discuss mission work and go over their record of accomplishments in the association during the past year. Several state officials will speak on different phases of mission work.

CLAIMS REWARD: Ernest Lasater (right) stands beside the bale of cotton which won him \$50.00. Lasater, who lives in the Twitty community was the first to bring a bale of cotton to Wheeler this year. With him is Arnold (Fat) Jones, Manager of the Prymaster Gin, where the cotton was processed. The men are pictured as Jones presented Lasater with his \$50.00 check for bringing te first bale to Wheeler.

BAND GOES TO AMARILLO

The Wheeler Mustang Band journeyed to Amarillo Monday to march in the Tri-State Fair Parade.

After the parade they went to the fair grounds and ate dinner and rode the rides till 3:30.

They stoned at the Pampa Harvester Bowling Lanes and bowled.

A good time was reported by all who attended.

SINGING CONVENTION

The Wheeler County singing will convene in Shamrock in the Missionary Baptist Church on September 25th.

Singing begins at 2:00 P.M. The public is cordially invited to attend.

Mrs. C. J. Purtrass, whose home is in Las Cruces, N.M., were visiting with the Rices Saturday and Sunday. They are old friends of the Rice family.
The Edgar Bakers spent the weekend in Albuquerque, where Edgar was riding with the Sheriff's Posse in the big parade.
Mrs. Comer and her son and daughter from Adrain were with her parents, Mr. and Mrs. Glenn King over the weekend.
Brother E. M. Borden, Jr. brought a fine lesson last Thursday evening, and will return this week on Thursday evening for another illustrated lecture at the Church of Christ building in Twitty. Time of the meeting will be 8:00. The subject is "Unspotted From The World."
Clois Jolly is preparing to start the feed harvest this week, but a shower Monday night might slow him down a little. Feed and cotton are rapidly maturing now, and the sight of white fleecy boles is quite common.
Mr. Hester Dodson did a fine job directing the song services at the Church of Christ last Thursday evening. Hester attends services regularly and is the song director at Shamrock.
There may be a lot of Twitty news this week, but your correspondent has not run out it. About all he knows now is on himself, and he is a little reluctant to tell all that. Especially about his little Shetland Stallion breaking his morning rope and disappearing right under his nose Sunday Evening. Heard last night that he is back at Dick Gelhart's again.

VISITORS

Mrs. Arch Dendinger and Mr. and Mrs. Bill Tomlin and son from Dallas visited the Grainger McIlhany family. Mrs. Dendinger is the grandmother of Tom and Bill McIlhany who returned to Dallas with her for a three weeks visit.

VISITORS

Mr. and Mrs. Kenneth Tranthau of Spearman, Tex., spent the weekend with his father E. Trauthau and Aunt, Wayce K. Davidson.

LOW-COST ELECTRICITY
BRIGHT SPOT
IN TODAY'S COST OF LIVING

A penny a night, for example, to operate an electric yard light at the front of your home for warmly welcoming your guests... or, in the back yard providing pleasant yard lighting that discourages prowlers. Yes, your electric service dollar buys more than ever before—20 per cent more. Sure, you spend more for electricity these days but that's because you use more—cooking, washing, clothes drying, vacuum cleaning—you figure it out. Add up the different ways you use electricity. You'll be amazed at the bargain you're getting.

Welcome—
the NEW Republican Party of Texas
The Young Guard of Democracy

The NEW Republican Party of Texas believes in the principles of Thomas Jefferson, Andrew Jackson and Woodrow Wilson now abandoned by the leaders of the Democratic Party. The Democratic Party has buried those principles in its efforts to please the various and well organized pressure groups and others to whom those principles mean little or nothing.
We address this message to the rank and file of Texans who bear the brunt of all give-away programs through their tax load—the forgotten people of America and Texas, those who own a home, a business, a bond, a share of stock, a savings account, a pension—an earned share in America's future—and who would like to conserve what they own or hope to own.
In leaving the Democratic Party to vote the Texas way—as the majority of Texans voted in 1952 and again in 1956—Democrats are not deserting the party of Jefferson, Jackson and Wilson. The principles on which the Democratic Party was founded are still on the label

but the Democratic donkey of old is now a horse of a different color.
The time has come for Texans to see the two parties as they are today—not as they were 50 years ago.
The Republican Party embodies those principles upon which this country was built and on which Texans fought for and won independence—self reliance, individual initiative, limitation of governmental power, government which makes it possible for most citizens to do most for themselves—and then assists those who cannot provide the basic necessities for themselves.
Republican candidates need not apologize for their party's platform nor hide its intent from Texans as Texas Democratic leaders have attempted.
We, the Republicans of Texas, with your help will preserve the principles of sound, responsible and enduring government in America and Texas. We ask your help in electing Nixon and Lodge and in establishing a long-past-due two party system of government in Texas.

If you would like to help, complete and mail the attached coupon and we'll tell you how.
P.S. A small contribution toward good government would also be helpful. We need the money. The Kennedys are coming.

This Changing World

By J. Loyd Rice

Time was when the American Farmer was truly a free and independent individual, rugged and self-reliant. Time was when he owned a patch of land and made his living in that land. He milked his own cows, killed his own meat, grew his own vegetables. Many changes have occurred within the last few years, and we may expect them to continue. We cannot go back.

Today the American farmer is under many government regulations. He is allowed only a certain acreage to plant to wheat or cotton. If he plants a little too much he must plow it up or pay a penalty. Some times the official measurement of the land does not coincide from one year to another. Big men buy up land to get more acreage, and thus crowd out the little farmer. More and more both the big and the little farmer look to the government for control and assistance.

Farming today is big business. Many farmers who work the land themselves do not keep a milk cow, nor bother with a pig, nor raise a vegetable garden. They don't have time. The big operations must go on. This government aid is good in many ways, and this interdependence binds people closer together, but let go to far and you have pure Communism. When farmers keep calling for government support and submitting to government controls they are sowing the seeds of socialism and inviting the rule of a dictator.

How long will it take for American farmers to become the servants of the state?

Victor Porter and Jackie Johnson visited in Thomas, Oklahoma, Sunday.

STOCKHOLDERS MEETING HELD BY MEMBERS

Members of the Federal Land Bank Association of Shamrock, which serves Wheeler and Collingsworth Counties held their Annual Meeting on Wednesday, September 14, 1960.

The meeting was well attended. Mr. Tom R. Cunningham of the Shamrock Community and Mr. C. F. Waters of Wheeler were re-

-elected to serve as Directors for three year terms. Reports on the business of furnishing agricultural credit to farmers and ranchers were given by Mr. J. C. Emmert, President of the Association and by Rayburn L. Smith, local manager. The audience was entertained by Mrs. R. W. Bester of Fort Wor-

th, who gave a humorous skit, which all enjoyed. Officers for the ensuing year are President, J. C. Emmert, vice-president, Robert Terry, Directors, Woodrow Wood, H. J. Finsterwald, C. F. Waters, Tom R. Cunningham, Manager Rayburn L. Smith and office Assistant, Mrs. Rosalie Seeds.

THE Question Box

QUESTION: What should be the basis for my choice in selecting the Presidential Candidate for whom I should vote in the 1960 General Election?

No. 1 Study the platforms of both parties. No. 2. Study the past record of both parties. No. 3. Study the speeches of both candidates during the campaign. The printed platforms can be obtained from the County Chairman of each party. The past record of both parties can be obtained from any national magazine. The speeches of both candidates will be carried by newspapers and magazines and you can listen to the television arguments of both parties that will be presented between now and the election date.

As to the number one basis for your choice; keep in mind that party platforms are made to run on and promises made in these platforms may not be kept. For example; note that an overwhelming Democratic Congress, during the post convention session, failed miserably to pass the Minimum Wage Bill or to enact legislation for the benefit of the aged. And both of these were definitely promised in the 1960 platform. You will have to decide for yourself as to where blame lies. Of course both parties tried to shift the blame to the other.

The past record of the parties may be the best basis for a choice because past history has recorded the fact that may rise up to slap down the likelihood of the fulfillment of the promises made in the platforms. The Democrats claim and point, with pride, to both Jefferson and Jackson in the 19th century and to Wilson and FDR in the 20th century. But they say very little about the other eight Democrats who have been president. The Republicans claim to start with Lincoln and they wax eloquent about Teddy Roosevelt and Eisenhower, but say nothing about the other eleven. So it is about stand-off as to the mediocre Chief Executives in both parties. The advent of the New Deal in reconstruction era gave the republicans a political economy that demanded a strong centralized government and the democrats, naturally, chose the opposite conception and stood for states' rights. This and the tariff question remained the chief difference until the advent of the New Deal in 1932. Since FRD that trend has been reversed. The Republicans are now the conservatives and States' right party, while the democrats have gone liberal and toward a strong centralized federal government.

If you belong to a minority group, your decision will doubtless be made on the promises in the respective platforms. It is hoped that you will combine these promises with past performances. If you are a strong labor union sympathizer regardless of the racketeering and left-wing activities of the labor bosses; and if you do NOT believe in the right of any

man to work without belonging to a union, then vote the Democratic ticket. If you are a farmer and believe that 95% party should be guaranteed by the government, regardless of the cost of the product to the consumer, then vote the Democratic ticket. If you are a member of the "old age" group and desire greater Social Security grants and added health benefits, regardless of the necessary increase of social security taxes that will have to be paid by the workers and employers, then vote the Democratic ticket. If you believe in more government spending, regardless of the increased taxes that result therefrom, then vote the Democratic ticket. This is no condemnation of the Democratic Party, since the 1960 platform promises all this. And the past record of that party since 1932 would bear out the fact that their platform means what it says, as to these benefits enumerated above.

WHEELER TO BE REPRESENTED AT TEXAS-OKLAHOMA KIWANIS MEET

The Kiwanis Club of Wheeler will be represented at the 1960 convention of the Texas-Oklahoma District of Kiwanis International at Amarillo, September 25-27, Club President, Lewis Lancaster, an- nounced today. Hosts for the con- vention will be Harry Wofford and Tom Britt.

Mr. Charles A. Swain, a Trustee of Kiwanis International and Capt. May, New Jersey businessman will be a featured speaker at the three- day meeting at the Herring Hotel. Also on hand will be Mr. Edward C. Keefe, an Oklahoma college official, who is also a Trustee of Kiwanis. Keefe resides in the Texas-Oklahoma Kiwanis District.

Delegates from 309 clubs repre- senting more than 16,000 business and professional leaders will par- ticipate in the various sessions. Committee conferences, a discus- sion of plans for the coming year, consideration of successful com- munity service work and the elec- tion of officers will highlight the convention program. Lancaster said.

Presiding officer will be Mr. Jack Grimmett of Pauls Valley, Okla. Governor of the Texas-Oklahoma District of Kiwanis In- ternational, Grimmett is a Pauls Valley bank executive.

Swain, one of the principal spea- kers, and the official repre- sentative of Kiwanis International at the convention is a 32 year veteran of Kiwanis. During that time he has held numerous posts in his club, division, and district. He also has served as a member and as chairman of several district and Kiwanis International committees. Swain is currently serving his second two-year term as a Trustee of Kiwanis. He is president and chair- man of the board of the Merchants National Bank of Cape May, a member of the Cape May Cham- ber of Commerce, a past president of the Board of Education, a mem- ber of the New Jersey Federated Boards of Education, a member of the South Jersey Council Boy Scouts of America, and a deacon of the Cape Island Baptist Church. He holds the Key of Honor of Key Club International, which was pro- vided to him in Memphis, Tenn., in 1948 for outstanding service rendered to that organization.

Key Club International is a high school boys service organization sponsored by Kiwanis. Its mem- bers perform the same functions in the high school as do its spon- sors in the adult community.

Keefe, a 12-year veteran of Kiwanis has been a Trustee and member of the organization's board since 1953. He, like Swain, has held numerous local, district and international leadership positions, as well as membership and chair- manships on various committees. He is active in civic, service, and professional work in addition to his Kiwanis interests. He has served as a publicity chairman for the Salvation Army in Oklahoma City, and for the Boy Scouts of America there. He has been a di- rector of the American College Public Relations Association; he has served as chairman of the Governor's Sports Day Committee as Vice-Chairman of the Grady County Chapter American Red Cross, and as Commissioner, Black Beaver Council, Boy Scouts of America. Keefe is Executive Di- rector of the Oklahoma Indepen- dent College Foundation.

A DEDICATED GROUP: From right to left we have Irene Taylor, Emma Connell, Mary Bradshaw, Dr. H. E. Nicholson, Mrs. H. E. Nicholson, Frances Graves, Gracie Mize, Thelma Holcomb and Murel Smith. Elsie Alexander, another one of the group, was not present for the picture. The above mentioned group make up the staff of the Wheeler hospital, soon to be known as the "Harold Nicholson, Jr. Memorial Hospital." Dr. Nicholson announced two weeks ago that the name of the hospital would be changed and a corporation organized, whereby any of the profits the hospital might make in the future will be given to the Texas A & M Ex-Student Association and the Alumni Assoc- iation of the medical department of Baylor University. The money will be used by both school to assist needy students in their education and training.

SUNNY MAY AND MCGINNIS ARE MARRIED

The Rev. Dr. J. Ralph Grant solemnized the double ring vows of Miss Sunny Carol May, daughter of Mr. and Mrs. L. T. May, 3117, 42nd St., and Windal Dale McGinnis, son of Mr. and Mrs. J. F. McGinnis Rt. 5, at 7 p.m. Friday in Ford Memorial Chapel of First Baptist Church.

The bride, given in marriage by her father, chose a white chiffon dress accented by a cummerbund and white lace jacket fashioned with three-quarter length sleeves and a high neckline. A sequined pearl crown held her shoulder length veil.

Miss Sue Jordan was the bride's honor attendant. Bridesmaids were Misses Phoebe Pack, and Nornita Mears. They wore dresses of blue taffeta featuring full skirts, square necklines, short sleeves and blue velvet belts. Their blue net picture hats were frosted with blue flowers. They carried nosegays of blue daisies.

Best man was Roger Stanley, Carroll McGinnis, brother of the bridegroom, and Bobby Crumpton were ushers and groomsmen. Guests were also seated by C. E. Berry and Bill Keeling.

Candles were lighted by Janis Jo May, sister of the bride, and Eddie McGinnis, brother of the bridegroom, and ring bearer was Joe Dick May, brother of the bride. Wedding music was presented by Miss Janyne Maddox, organist, and Mrs. Judith Harper, soloist.

At the ensuing reception members of the house party were Mrs. Kay Nix, cousin of the bride, Mrs. Sandra Gaines, cousin of the bride, Miss Jackie Durham, Miss Barbara Hudman and Miss Ann Carleton.

For a wedding trip to El Paso the bride was dressed in a beige suit with a pleated skirt and box jacket. Her accessories were dark purple and white. Upon their return the couple will live at 3908 Ave. S.

Mrs. Ginnis graduated from Montgomery High School and has attended Texas Tech. Her husband is also a Montgomery graduate and is a freshman student at Tech.

The bride is the granddaughter of Mr. and Mrs. W. E. Bowen of Wheeler.

Friends attending the wedding from Wheeler included Mr. and Mrs. Bowen, Mr. and Mrs. Leonard Gaines and Audra Pearce and Mrs. Kay Nix. Mrs. Creed Petree of Canadian also attended the wed- ding.

Wheeler Appreciation Days

SEPT. 29, 30, AND OCT. 1

Thursday, Friday and Saturday, September 29, 30, and October 1 will be "Wheeler Appreciation Days" in Wheeler. The merchants and professional men in Wheeler have planned this event to show their appreciation to their customers and friends throughout the Wheeler trade territory including Mobeetie, Briscoe, Allison, Twitty, Kelton, Kellerville, Lela, Reydon and other surrounding areas.

The Sept. 29 issue of the Times will be circulated throughout the entire county and will carry ads of appreciation from all of the Wheeler merchants.

Each merchant in Wheeler has agreed to offer outstanding bargains of the year during this special event. The professional men in town that have services to sell such as Abstracts, Insurance, garages, service stations, laundry's, cleaners and etc. will run advertisements showing their appreciation to the many residents of Wheeler County.

Watch for the next issue of the Times . . . And plan now to be in Wheeler on Thursday, Friday and Saturday, September 29, 30 and October 1.

WHEELER COUNTY SOIL CONSERVATION NEWS

The regular election of a district supervisor will be held on Tuesday, October 4, in Shamrock. The present supervisor from subdivision 2 in the Wheeler district is B. A. Schlegel. The election to reelect or replace Mr. Schlegel will be held at the Community Building in Shamrock at 2:30 P.M.

The Supervisors play a vital part in coordinating all the various conservation programs in the District. They would like the support of the land owners in carrying out their job. The District is a legal subdivision of the State of Texas. Voters should be as interested in electing a good supervisor as they are in any other local official.

Subdivision 2 of the Wheeler District begins two miles North of Twitty and extends to the South line of the County. It includes all of the South end of the District East of the Magic City road and all the area South of Highway 66.

Public notices have been posted in Shamrock and Wheeler showing a map of the area involved. Anyone who lives in Wheeler County and owns land in the area described is eligible to vote. Even if you don't want a change you owe "Bonnie" Schlegel a vote of confidence.

MOBEETIE YOUTH

The Mobeetie Youth met last Tuesday night, September 13. The group is still undecided as what it would like to name the organization. The group enjoyed games of volleyball and also refreshments. The group was smaller than usual, but a very good time was reported.

Allison Schools

D. L. Malin, Supt.

The seniors are working on their yearbook and Antelopes Tale and working on assignments for teachers are quite busy. Their first paper was published and distributed Sept. 16. Mr. Malin was chosen their sponsor for the year. The senior class has completed selling ads for their yearbook, and have started making their dummy.

The juniors are very busy with class work planning their play which they hope to present before basketball season starts. Mr. Everett Dollar high school principal was selected as their sponsor.

The Student Council held its first meeting Sept. 12 and have worked out the committees for most of the year's work. Wally Donaldson is the president this year.

The sophomores aren't doing much except studying. They are all taking five units so as to be able to graduate with the required 18.

The freshmen are still wondering what it is all about.

The FFA has been organized and had several meetings. They have been doing real well at the fairs they have attended.

The FFA has been organized and held their first formal meeting Sept. 15, when new officers were installed and new pledges received their instructions as to what to wear and so forth for the next week.

Grooming and walling is about all that is heard from the P. E. classes as most of their activity is confined to calisthenics, both high and Jr. high. Basketball will probably be taken up in a few weeks after everyone has the soreness out of them.

New teachers in the system this year are Mr. Oneta Owens from Reydon, Okla., commerce; Mrs. Adva Voigt, fifth and sixth grade, from Tuttle, Okla.; Jim Jacobs, Voc. Ag., who comes to us from Samnorwood; Jimmie Jackson, high school English, from Pampa, Tex.

All classes have been organized and officers elected for the year. Had a ball game with Briscoe Jr. High boys and girls to raise a fund for Troy Jene. We raised \$270.

Allison FFA

The Allison FFA took a crop booth to the Wheeler fair and being the only one there won first place.

Kelly Miller won two first place ribbons and two third. Colie Donaldson won one first, one second and one third. Joe Rucker won one first and one third. We also took a booth to Shamrock. It scored 94 out of 100.

Larry Cornell won one first; Kelly Miller won two first and one second and one third; Roy Dukes won one third; Tilden Marshall won one first and \$19.50; Colie Donaldson won one first and two seconds.

Wheeler Schools

Arling Cordell, Supt.

Some of the local students that have left for college during the past few weeks include:

Buck Holcomb, West Texas; Joe Miller, West Texas; Frank Walker, West Texas; Nancy Whitener, Hardin Simmons University; Elaine McCasland, North Texas; Patricia Pierce, Amarillo Jr. College; Kenneth Farris, Frank Phillips and W. A. Tacker, Baylor.

Miami Warriors Defeat Mobeetie Hornets

The Miami Warriors rushed past the Mobeetie Hornets last Friday night with a score of 58-6 on the Hornets home field.

In the first quarter the Miami Warriors that scored were Tommy Hollis making two TDs and a two point conversion and Gerald Anderson making a TD.

In the second quarter, Jim Flowers made two TDs; Tommy Hollis one TD and Scotty Daugherty making two conversion and Tuck Seitz making one conversion.

In the third quarter Mickey Kivshen made the only TD and the extra two points.

In the fourth quarter Dennis Burnett made the last TD for Miami.

The only Mobeetie score came in the third quarter with Gene Coward setting up and Garland Lancaster going over on a quarterback sneak. Leaving the score 58-6.

The Mobeetie Hornets will go to Lakeview Friday night for their fourth conference game.

Fort Elliott

The Fort Elliott Study Club met in the home of Mrs. Carrie Willis last Thursday. The club collect was led by Margaret. Members attending were Mary Hazel Vandant, Daphne Pugh, Edith Flanagan, Ella Johnston, Ether Lee Dyson, Ann Uzzle, Margaret Trout, Thelma Dunn, Mary Finsterwald, Martha Oglesby and Pat Johnston, with one guest Carrie Dysart. The next meeting will be at Thelma Dunn's October 6.

Quarterback Meeting

The Wheeler Quarterback Club will meet Monday night at 7:30 in the Wheeler Cafeteria. A film entitled the "1950 SWC Humble Highlights" will be shown. All members are urged to attend.

Mobeetie Schools

L. S. Patterson, Supt.

Some forty people attended the first meeting of Mobeetie P.T.A. last Monday night. Charcy Ann Scribner, president, presided at the business meeting. Mrs. Louise Hogan is secretary. Other officers include vice-president, Mrs. Peggy Dunn and treasurer Mrs. Maurita Stribling. Mr. Peterson introduced the faculty members and their families.

After perhaps an hour spent in visiting, refreshments were served by the committee, composed of Mrs. J. T. Johnston, Mrs. Monroe Rogers and Mrs. Chas. Uzzle.

The classes recently completed their organization and the following roster of officers is presented.

Seventh

Gerald Gudgeal is president; Phyllis Grimes is vice-president and Linda Dickey is secretary. Mrs. J. E. Melvin, principal is sponsor.

Eighth

Sponsored by Mr. Goodner; Judy Rowell, president; Cecil Booth, vice-president; Judy Uzzle, secretary; and Jackie Barton, treasurer.

Ninth

Mary Helene Gudgeal, president; Sarah Vanlandingham vice president; Nelda Dickey, Treasurer; and Brenda Rogers, Secretary.

Tenth

Sponsored by Mr. Halford, agriculture teacher; Melba Simpson, president, Marilyn Trout, vice-president; Mary Margaret Trout, secretary.

Juniors

— president, Anna Mae Gudgeal; vice-president, Sarah Barton; treasurer, Elaine Barker; sponsor, Mrs. Jolene Corcoran.

Seniors

— President, Gene Harrison; vice-president, Adalon Allen; secretary Sue Hooker; sponsor, L. S. Patterson.

Mrs. Wright, English teacher will direct all the plays of the year and is planning her schedule so that the Junior play will be presented in the night of Nov. 18.

Mobeetie FFA

The Mobeetie FFA got off to a rolling start Monday, September 12, 1950.

President Anna Mae Gudgeal conducted a short business meeting. Laver Elaine Barker, newly elected song leader, led the group with several "ice breaker" songs.

The group decided to sponsor a bus to the Tri-State fair in Amarillo September 24.

Refreshments were served to guests who were the FFA chapter members, their sponsor Bob Halford, FFA chapter members and their sponsor, Mrs. Alfred Corcoran.

The Agriculture boys announced that the FFA girls were invited to the Freshman Initiation Steeplechase. The boys cook the stew themselves so this should add much interest to the meeting next month.

Number Three

back to Erick via a fumble on the Mustang 40. Martin made the touchdown for the Bearcats with a bruising run of 6 yards after it looked like half the Wheeler team had a shot at him. Erick attempted to kick for the extra point but like their running attempts, it was no good and the score rose 24-8. Fumbles lead to Erick's next two touchdowns of the first half with the Bearcats taking over the first fumble on the Wheeler 48. Baker had returned the kickoff to the Mustang 31 and making one first down in the process, the Mustangs moved to their 48 where they fumbled and Erick took over. Erick moved to the 15 and Hombers. Bearcat fullback, went around the Mustang left end for the TD with 3:22 left in the half. Again the Bearcats went in front 30-8. Jolly returned the kickoff 2 yards to the Mustang 17 and on the following series of downs, the Erick team recovered another errant pass from the Mustang center and took over on the Wheeler 11. With 1:46 remaining, Ellis went over from one yard out and the Bearcats made the lights flash on the scoreboard once more. After failing to convert, Erick led 36-8. With time running out in the half, the Mustangs made a game try for a score. Jolly returned the kickoff 12 yards to the Mustang 41 and with a 12 yard pass completion from M. Hunter to Hill, coupled with a personal foul penalty against Erick, the Mustangs were well into Bearcat territory.

Attempting to pass, Hunter was thrown for a loss back to the middle field stripe as the clock was ticking away the final seconds of the half. On the last play of the first half, Bradshaw broke in the clear over his right side and had a block been thrown on the last Erick defender, could have gone all the way, but this Bearcat seemed to laprotize three Mustang blockers as they failed to touch him and he brought Bradshaw down on the Erick 21 yard line as the half ended. The crowd was presented with a fine halftime ceremony by the visiting Erick band and the Wheeler Mustang band.

The Mustangs received the kickoff to begin the second half and ran it out to the Wheeler 34. The Mustangs moved to the Erick 41 but an offside penalty and a loss on an attempted pass by Green put the ball back on the Wheeler 45. Bradshaw went through a nice hole in the Erick left side and raced 55 yards into the end zone but the touchdown was nullified as the Mustangs were guilty of off-sides. Failing to make another first down on the drive, the Mustangs were forced to kick. M. Hunter was thrown back on the Mustang 15 yard line after the pass back from center went over his head and the Bearcats were again knocking at the touchdown door. Only four plays were needed for Erick to score with Martin going over from the 5. The try for extra point failed and with the clock showing 4:56 remaining in the third stanza, Erick led 42-8. The Mustangs were unable to move with the ball following the kickoff and were forced to punt with M. Hunter kicking to the Erick 37 yard line. It took Erick seven plays and with only one play deep in the 4th quarter, Erick increased their lead to 48 - 8. Most of the last quarter saw neither team making much of a threat until only a few minutes remained in the contest. Wheeler lost the pigskin once more following a fumbled fourth down punting attempt and the Bearcats took over on their own 44. Ellis, Erick quarterback attempted three straight passes but they were all off their mark. Shunning a fourth down kick, Ellis pitched out to Martin who threw a pass to Dotson for the touchdown. The play covered 56 yards and with failure on the extra point try, the Bearcats now led the weary Mustangs 54-8 and this was all the scoring in the game as the remaining time was spent by the Mustangs in a futile attempt to score.

The Mustangs will play the strong Shamrock Irish this Friday evening at Nicholson Field.

Not long ago as I was riding the bus to Amarillo, a little old lady with a worn suitcase got on the bus with a bunch of some kind of flowers (which gave me hay-fever) but back to my story—anyway she was eager to talk. She was going to visit her grandson and his wife and their 10 day-old baby and it was her first trip on a bus. No wonder she had to tell someone about it!

"Now aren't these the nicest chairs" she exclaimed fitting herself into her seat. "As comfortable as a rocking chair. I'd just like to know what Dad would say to all this!" He loved going places but he never got to ride on a bus. They didn't come through our town until after he was gone."

"But you ride the bus often", she was a cute little lady and I wanted her to keep talking. "No", she admitted lowering her voice. "As a matter of fact this is the first time I've been on a bus." Usually my children or grandchildren take me places in their cars. And my grandson, told me I wasn't to ride a bus today either; that he and his wife would bring the baby over to see me in a few weeks. But I couldn't wait."

"Is this your first great grandbaby?" I ask wondering why it was so important to her.

"Land sakes, no! There've been eight of them already. But this is Jims first son and they've named him—John Alfred." She said it softly, then added, "That's for dad." "He'd never let me name any of our boys after him. One John Alfred Johnson is enough in one life time. But now that he has been gone for over ten years now, I think he'd be right pleased. "I only hope that he will be as fine a man as his great-grandfather was."

She sighed, thinking, I decided, of that other John who had lived in such a different world from the one the baby would grow up in, and said as much to her. "Yes, he'll begin where dad left off. Tractors to work with, automobiles to get around in — planes to zoom around the sky, T.V., to bring the world to him. "Isn't it wonderful the way they do things these days?" I say "Oh I don't know I've always heard "the good ole days were the best." but my little friend gave me some fast answers to that statement—"I'd like to know how they figure that—when we had to grow every bite of food we ate, make our own bread, soap and our clothes, what a job to make everything by hand, now they have machines that can make all kinds of pretties. And washing clothes, MY! MY! all one does now is push a button, the good ole days, no thanks, I enjoy these good new days. Here my bus ride was over and I might add I was sorry—she was nice and pleasant and this big wide world still looks good to her. How does it look to you, my friend? How does it really look? Or

Back To School In Social Security

"It seems that everyone is advertising back to school needs these days; and there are back to school needs in social security too." Hall Geldon, District Manager of the Amarillo Social Security office, said today.

Geldon said that teachers, who have been receiving social security checks during the summer months, should notify the Social Security Administration that they are going back to work. "They should request that their payments be suspended effective with the first month their earnings will exceed \$100.00 which is usually September," Geldon said.

do several things: First, ascertain from their supervisors if their work is covered under social security; and second, make certain that they show their social security card to their employer if their work is under the Federal insurance program.

Geldon also noted that the usual rush is due for students, particularly seniors in high school and college students, to be seeking after-school jobs. "The back to school need for these persons will be to get a social security card if they do not already have one and to show it to the employer immediately upon obtaining the job," he said.

TWO MUSTANGS PLACED ON DISTRICT FIRST TEAM

The Wheeler Mustangs fared quite handsomely in District 3-A football honors last week, when head coaches of the region placed two of them on the all-district mythical eleven. They are Adrain Risner, end, and Carroll Adams, tackle. Two other Mustangs, Tillman at end position, and Wright in the center spot, received honorable mention for their work this year.

These boys represented the cream Panhandle grid talent, in the opinion of men qualified to make able and unbiased selection.

The Shamrock Irishmen and the Claredon Branches placed the most men on the first team, each naming three. As previously stated, the Mustangs, who proved and upset to the championship Irish, placed two; Wellington, McLean and Lefors each placed one, while Lukeview and Memphis failed to gain first team honors.

First team lineup was as follows: Ends—Jack Anderson, Shamrock and Adrain Risner, Wheeler; tackles, Carroll Adams, Claredon; guards, Jimmy Langkin, Shamrock; center—Hiram Pinner, Shamrock; center—Ray Bails, Claredon; center—Robert Dwight, McLean; backs—John Lee, Shamrock; L. B. Hartzong, Claredon; Fred Cox, Wellington; and Twigg, Lefors.

Honorable mention was given to these players:

Ends—Tillman Wheeler; Dyer and Bond, McLean; Oldham, Lefors, and Edwards, Memphis; tackles—Melton, Memphis; and V. Lister, Shamrock; center—Wright, Wheeler; Aldridge, Wellington; and Smith, Memphis; Williams, Lukeview; Sewell, Shamrock; George, Memphis, and Earhart, Lefors.

Coach Bill Hovchem expressed satisfaction Monday with the showing made by his charges, as indicated by the honors accorded the Mustangs.

REX MILLER AND MISS VIRGINIA DILLON WED

Miss Virginia Dillon and Mr. Rex Miller were married Monday, April 8, at the Methodist Parsonage in Sayre, Okla.

The attractive bride wore a dainty rose costume with matching accessories.

Mr. Miller is the daughter of Mr. and Mrs. A. E. Dillon of Allison where she graduated from high school in 1938. She played basket-

ball all four years, and was a member of the Allison team that won the state championship for two successive years. She took part in all school activities, later attending W.T.S.C. at Canyon.

Mr. Miller is the only son of Mr. and Mrs. Zack Miller, living north east of Wheeler. He graduated from Allison high school in 1937 and attended O.U. at Norman one year and attended A&M at College Station one year. He is employed by a gas company at Phillips, where the happy couple will make their home.

Mr. Kirk to Mrs. Lloyd Anglin to the Baylor Hospital in Dallas, Texas Sunday. Mrs. Anglin will remain in the hospital for several weeks.
