Kiwanis International Wins Top Award Again This Year From Freedoms Foundation At Valley Forge. Kiwanis International has won a top award (The George Washington Medal in the Americana competition) again this year from the Freedoms Foundation at Valley Forge.

LAST RITES ARE HELD FOR MRS. SHELTON

Mary Ollie Shelton was born near Silver City, New Mexico, January 28, 1889 and passed away at Shamrock February 27, 1960 at 9:50 a.m. At time of passing she was 71 years and 29 days. She came to this community in 1950 from near Cordell, Okla., in Washita County, first residing on a farm and later moving to Wheeler.

Survivors are the husband, Sol Shelton of Wheeler, three sons, J. D. Wallace of Wheeler, Ed Shelton of Childress, Fred Shelton of Syracuse, New York. Also surviving are 9 grandchildren, one brother Ed pietol of Chickasha, Okla., 3 sisters, Mrs. Pearl Thornton of Cordell, Okla., Mrs. Callie Slatte of Paris and Mrs. Louise Knight of Rockdale. One daughter Violet Wallace preceded her in death.

DEADLINE NEAR FOR FILING IN CITY ELECTION

Another candidate is needed in city council race. City Clerk Reba Wofford announced Wednesday that deadline for filing for a position on the city council is Saturday, March 5. This year voters must elect a mayor and three city councilmen.

One Car Accident Injures Allison Youth

A one-car accident Sunday left 2 young men slightly injured and broke the collar bone of another. The accident occurred Sunday afternoon on the farm-to-market road between Allison and Briscoe.

North Fork Baptist Meet in Wheeler

The North Fork Baptist Brotherhood met with the First Baptist Church of Wheeler Thursday, February 25. One hundred and eleven members were present representing 16 churches. 12 pastors attended the meeting.

Kiwanis International Wins Top Award Again This Year From Freedoms Foundation At Valley Forge

Kiwanis International has won a top award (The George Washington Medal in the Americana competition) again this year from the Freedoms Foundation at Valley Forge.

The Need For Public Schools Will Never Change

The need for the public schools never changes, but times and conditions may change and require to be changed methods and practices of public education. This is inherent with anything that grows, for growth is the result of change.

Our Texas public schools were created 106 years ago. In 1854 the first law was passed establishing the public school. It is a healthy thing in our democratic way of life to have intelligent understanding of the important functions of our basic institutions. This is especially true of the schools. The initiative and resourcefulness and the wisdom of leadership that our schools are inculcating in the youth of today are the answer of the problems of citizenship in the years ahead.

TB Can Be Wiped Out If Patient Is Given Proper Drugs

Drugs that fight tuberculosis in the individual patient can wipe out the disease in Texas—if every person with active disease is treated adequately with drugs now available. This statement was made by Dr. H. E. Nicholson president of the Wheeler County Tuberculosis Association, as he called for an intensified campaign against the disease that yearly kills more than 12,000 Americans.

Filing Deadline Nears In Trustee Election

The Wheeler county school trustee election will be held April 2, 1960, according to a report from county superintendent George Weems said all school districts of Wheeler County, both Independent and Common School Districts, will hold trustee elections as provided by law on Saturday, April 2.

Buster Clark Dies in California

Funeral service for Buster Clark will be conducted Wednesday at Waco, Calif. Surviving are his wife, Mrs. Mary Reid Clark, one son, three daughters, twelve grandchildren, two brothers, Dick Clark, Perryton, M. L. Clark, Albuquerque, N.M., three sisters, Mrs. Jackie Rigers, Abilene, Mrs. Mary Green, Lubbock, and Mrs. John Barr, Wheeler.

BEN HELTON DIES; SERVICES HELD MONDAY

Ben Helton was born in Miller County, Missouri, Nov. 18, 1911 and passed away in Wheeler, Feb. 27, 1960, at 4:35 a.m. He was 48 years, 3 months and 9 days at the time of passing. He came here from Missouri at the age of 2 and resided in this community for 46 years.

Funeral service was held at the Wheeler Methodist Church, Feb. 29, 1960 at 2:30 with the Pastor, Rev. Carroll Jones, assisted by Rev. Frank Ross officiating. Survivors are the wife, Mrs. Lois Helton of Wheeler, Children Paula Sue and Randy of the home, father, Scott Helton of Wheeler, brothers, Virgil Helton, Wheeler, Tom Helton of Gageby, Earl Helton of Bakersfield, Calif.; sisters, Mrs. Gwyn Edwards, Wheeler, Mrs. Ethel Boone, Sunrey. His mother, three brothers and two sisters preceded him in death.

CLARK REAGAN IS NEW OWNER GAGEBY STORE

Clark Reagan resigned last week as City Water Superintendent at Canadian and has purchased the county-line Gageby Store, which is located on Highway 83 midway between Canadian and Wheeler.

Gov. Proclaims March 5-12 As 4-H Club Week in Texas

Governor Price Daniel has by official proclamation designated March 5 to 12 as 4-H Week in Texas and has asked all citizens to participate in the observance being planned by 4-H members in the communities and counties of Texas. The Governor in his proclamation said, "Learn, live and serve through 4-H is the 1960 challenge to Texas 4-H Club members."

Wheeler County School Trustee Election Will Be Held April 2

The Wheeler county school trustee election will be held April 2, 1960, according to a report from county superintendent George Weems said all school districts of Wheeler County, both Independent and Common School Districts, will hold trustee elections as provided by law on Saturday, April 2.

Wheeler County Junior Swine Show To Be Held Saturday

The Wheeler County Jr. Barrow Show will be held Saturday Morning, March 5, 1960. Hogs should be brought in and in place by 10 a.m. Saturday morning and judging will start at 10:30 a.m. Slats Meatherby, Agriculture Teacher, Shamrock, will judge the show. It is open to any 4-H or F.F.A. boy in the County.

There will be a division for each breed of barrows, if there is five or more of one breed. The show is sponsored by the Wheeler Chamber of Commerce and Farm Bureau. Prizes will be as follows 1st place \$3.50, second place \$2.00, third and below, one dollar each with ribbons presented to each place.

and rosettes to Grand and Reserve Champion. Due to the weather boys will have to clip hogs after they arrive at the show, but they should be washed the evening before if possible. Hogs may be powdered or oiled but not blacked with polish or lamp black according to the barrow show committee.

Wheeler Appreciation Days

Thursday, Friday and Saturday, March 10, 11, 12 will be "Wheeler Appreciation Days" in Wheeler. The merchants and professional men of Wheeler have planned this event to show their appreciation to their customers and friends throughout the Wheeler trade territory including Mobeetic, Briscoe, Allison, Twitty, Kelton, Kellerville, Reydon and other surrounding areas.

The March 10 issue of the Times will be circulated throughout the entire county and will carry ads of appreciation from all of the Wheeler merchants. Each merchant in Wheeler has agreed to offer outstanding bargains of the year during this special event. The professional men in town that have services to sell such as Abstracts, Insurance, garages, service stations, laundry's, cleaners, and etc. will run advertisements showing their appreciation to the many residents of Wheeler County.

Watch for the next issue of the Times... And plan now to be in Wheeler on Thursday, Friday and Saturday, March 10, 11, and 12.

RED CROSS HELPS MANY IN THIS AREA

Texas has benefited during the past year from distribution of blood derivatives totaling an estimated \$119,424 in value, given without charge to the people of the state by the American National Red Cross. James H. Bond of Dallas and Ray S. Erlanson of San Antonio, Red Cross national fund vice chairman for the state, announced today that 28,172 units of the derivatives were distributed here for medical use. Three derivatives, often termed blood fractions are provided by Red Cross from blood given by volunteer donors through 54 regional blood centers throughout the United States. Gamma globulin, most widely used of the derivatives, is allocated to state health departments. Serum albumen and fibrinogen are distributed to hospitals and physicians through the Red Cross blood centers in each state. They are processed under contract by commercial laboratories from whole blood which is not needed for transfusion during the 21-day period when it can safely be stored.

In Texas, 28,008 units of gamma globulin have been allocated during the past year. At commercial rates of \$4.00 per 2 cc. unit, the value of this supply would be \$112,032. It is used in modifying or preventing measles and hepatitis, and is the only treatment known for a blood deficiency termed agammaglobulinemia, in which the body fails to produce its own supply of gamma globulin. Mr. Bond and Mr. Erlanson cited as an example of agammaglobulinemia the case of a five-year-old child, Kathleen, who suffers from the rare blood disease. After undergoing a long series of illnesses because her blood lacked the element which controls infection, Kathleen's case was diagnosed and her doctor requested gamma globulin from the Red Cross. A year's supply, sufficient for an injection every nine days, was set aside immediately for her. This allocation will be renewed annually at the physician's request. In Texas, three victims of agammaglobulinemia received 1,336 cc. of gamma globulin during the past year. Serum albumen a second derivative, is used for treating shock, burns, and kidney diseases. In Texas, 132 units of 100 cc. each, at an estimated commercial value of \$5,290, have been distributed to hospitals without charge. The third of the derivatives now in use is fibrinogen, used to control bleeding. It is credited with saving many lives particularly in childbirth cases, and is supplied to physicians on their specific requests. Distributed last year, 32 units in the state last year, at an estimated commercial value of \$2,112. The use of gamma globulin, serum albumen, and fibrinogen is only part of the story of blood derivatives. Mr. Bond and Mr. Erlanson pointed out. Although the processing, or fractionation, of these derivatives cost the Red Cross \$772,887 last year, the organization continues its support of research in blood fractions and their uses. Another \$133,642 was allocated to the research and development program in which Red Cross has long played a major role and to which the organization continues to supply plasma from its network of blood centers. In the 16-state Midwestern Area, Red Cross is currently supplying products for research to four (Continued on Page 4, No. 3)

Of all the bellyachin I never heard it. Folks don't seem to realize that winter is winter. We are been wantin' moisture and are now gettin' a whole sack full of it nearly every day and yet us Democrats are griping. Wonder what we would do if it never snowed at all. Guess that would be another thing wouldn't it. Ha. I member one time back in '78 when we had a big storm we would ride 40 miles a day to a one room schoolhouse and sit there with our little finger out arithmetic problems just shiverin' cause the ole cowchips wuz wet when we put em in the stove. Same song second verse aint accordin to the same tune apparently cause lots of the birds that wuz in that storm of '78 or '88 shore do fuz about the nice moisture we are gettin' right now and wonder when it is goin to be summer. My Mama always told me "Just one thing at a time" seemed to be the solution to nearly any problem. Why dont we be content with the weather we got and just a day or two it will be something else.

By the way that youngest youngun of mine is three years old today. Wonder what he thinks about the weather.

IT'S A BOY

Mr. and Mrs. Roland Miles announce the birth of a baby boy, on Feb. 28. The little fellow weighed 8 lbs. and has been named Robert Owen. Paternal grandparents are Mr. and Mrs. R. L. Miles of Wheeler and the maternal grandparents are Mr. and Mrs. E. J. Miller of Twitty.

AMERICAN LEGION NEEDS HELP

A spokesman for the American Legion told the Times Wednesday that the Wheeler Scout troop needs a scoutmaster. "For a number of years, Frank Walker has been scoutmaster of the local group and has done a wonderful job. However, Mr. Walker has resigned and we need a replacement," the spokesman said. Anyone interested in working with the scouts is asked to contact Pete Burton or Thurman Rives.

lot Battalion (a program urging that citizens inform themselves, register and vote), support of National Radio Month, National Newspaper Week, and National Television Week, and the organization's efforts on behalf of the mentally ill, traffic safety, senior citizens, and juvenile delinquency. In all these fields Lancaster said, the Kiwanis Club of Wheeler has been active. He pointed out that the Freedoms Foundation award was based on the community service record of all Kiwanis clubs in all parts of the nation. A total of 861 awards were made on February 22nd by the Freedoms Foundation. Other awards going to Kiwanians for their efforts on behalf of constructive citizenship included a "Leadership Award" to Army Secretary Wilbur Brucker, a Kiwanian; a "Spiritual Value Award" to Kiwanian Paul W. Johnston, a clergyman from Worthington, Ohio; and a second award in the "American Class" to the Veterans of Foreign Wars as represented by their Commander in Chief, Kiwanian Louis G. Feldman. Like iwanis, Key Club has won Freedoms Foundation awards for a number of years, all of them based on the cumulative efforts of all the Key Clubs in the United States.

Kelton school will observe "Public School Week" Feb. 29 to March 4.

The junior play will be Thursday, March 10. The director is Mr. Wade McCraley.

Harris Has Bulls in PanTech Beef Cattle Feed Lot

More than 500 cattlemen from many states, Canada and Mexico are expected to attend the Tenth Annual PanTech Beef Cattle Improvement Field Day and Sale March 24, 1960.

One of the major objectives in establishing Texas Technological College PanTech Research Farms in 1949 was the production of more and better beef through research. More than 1200 bulls, representing the progeny of over 100 different livestock farms and ranches, have completed the 140 day official comparative feed lot test. Grady Harris is the only Wheeler County Rancher with a pair of bulls in the test this year.

The cooperative ranchers are sold on the feed lot test as a method of finding their outstanding beef producers. How much progress has been made. In the first test, one bull out of seventy made 400 pounds gain; in the ninth test, 33 bulls out of 136 made 400 pounds or more gain, fed similar feed for the official 140 day test periods.

When the first test started, very few cattle were being performance tested. Mr. L. A. Maddox Jr., Texas Superintendent of Testing, tells us that over 36,000 cattle have been officially performance tested in Texas the past three years.

The PanTech P.R.I. Registered Bull Sale Association claims title to "The Original Performance Tested Bull Sale." Many of the PanTech breeders have worked closely with the development of area, state and international performance beef cattle associations. Colby Conkright, Hereford; Clyde R. Bradford, Happy, and Max A. Blau, Follett, served as the first three Presidents of Performance Registry International. Carlton Corbin, Ada, Oklahoma is the 1960 P.R.I. President and Ferry Carpenter Hayden, Colorado, is acting Executive Secretary.

The late Perry E. Lunsford served as first President of the Texas Beef Cattle Improvement Association. Dr. L. A. Wright of Laredo is the 1960 President and Jim Bynum, Amarillo, is present Secretary. Many of the PanTech group belong to the Golden Spread Beef Cattle Association. This area organization has Fred Finch, Dalhart, as President and Bill Bradley, Memphis, as Secretary.

poarmj oJserp- plnmeY ardey,bz Texas Tech PanTech Farms, under the direction of Dr. Gerald W. Thomas, Dean of Agriculture, and Dr. Ralph M. Durham, Head of the Animal Husbandry Department, are glad to have had a part in beef cattle improvement. The PanTech Farms Manager J. P. Smith, and George F. Ellis Jr., Associate Animal Husbandman, Texas A. & M. College, invite you to attend the Pan Tech Tenth Annual Field Day and personally view the results of a decade of beef cattle research.

Pvt. Pepsy Helton Completed 8-Week Advance Training

FORT KNOX, Ky.—Army Pvt. Pepsy O. Helton, 22, son of Mr. and Mrs. Jim R. Helton, Route 1, Briscoe, Tex., completed eight weeks of advanced individual arm- or training Feb. 13 under the Reserve Forces Act program at Fort Knox, Ky.

During this phase of training, Helton qualified as a driver of the Army's medium tank, passed proficiency tests with the .50 and .50 caliber machine guns, and qualified as a gunner with the 90 millimeter tank gun.

The 1955 graduate of Briscoe High School, he attended West Texas State College in Canyon.

Bob Martin was home from school for the weekend.

Virginia and Alisa Pettit visited with Mr. and Mrs. L. C. Laffin and Mr. and Mrs. Pettit.

PROTECT THIS INCOME WITH HAIL INSURANCE

During 1959 in Texas alone, more than five and one-half million dollars in crop hail damage claims were paid by insurance companies. Statistics show that equally that amount of loss was suffered on crops that were not insured. Your Texas Farm Bureau agent can give you complete details of the Farm Bureau policy that allows you more insurance per acre than any other policy. Texas Farm Bureau maintains their own staff of adjusters so you are assured of fast, equitable payment on all your claims. See your Texas Farm Bureau agent NOW to assure of adequate insurance coverage for your crops.

Mrs. Frank Wofford Entertained Local Study Club

Members of the Wednesday Study Club were entertained by Mrs. Frank Wofford in her home Wednesday afternoon.

"Texas Day" was the topic discussed by members.

Mrs. George Porter conducted the business session.

Mrs. T. M. Britt was leader of discussed "Texas Wild Flowers."

Mrs. George Taylor spoke on "Texas Rivers of Legend", which was very interesting.

Several arrangements of dried flowers and foliage were on display. Many pictures of wild flowers, native of Texas were also shown.

Mrs. Britt led the group in singing "Texas, Our Texas," accompanied at the piano by Mrs. Forrester.

Pamphlets of "Guide To Texas State Parks," were distributed to each member.

The meeting closed by reading the Club Collect. A Texas Day motif was used in the lovely refreshments served during the social hour.

Attending were Mrs. T. M. Britt, Mrs. R. W. Brown, Mrs. Fred Farmer, Mrs. R. H. Forrester, Mrs. Lee Guthrie, Mrs. Cora Hyatt, Mrs. L. C. Laffin, Mrs. M. McIlhenny, Mrs. Shelby Pettit, Mrs. George Porter, Mrs. Nelson Por-

MOVIE CHATTER by a rogue

There is nothing we like better than seeing old friends again. I'll wager you feel the same. O.K. then let's all go over to the movie house this week end, where there is, plenty of room for everybody and see Ma and Pa Kettle again. They did have a good time in Wakiki and want us to share their experiences.

On the weekend we can enjoy the performance of Robert Taylor, Fess Parker and Tina Louise.

But the big thing of the week is THE FIVE PENNIES. For these not-so-young fans who remember Red Nichols this will be a Field Day. For the younger people the tinkling of tunes will give a thrill. For everybody this is a roll of heart-tugging, jazz-tingling, technicolor piece of ace entertainment.

Admission prices at the movie have been advanced. It is a necessary evil. But still at 25 and .60, where can you get more for your money. So in order to let you see an intriguing show at the old price, see the Rogue ad in this paper. Note the businesses where you can get these bonus envelopes. It is a deal.

LOCAL MEN WILL ATTEND FARM CREDIT MEETING

More than three hundred farmers and ranchers who are directors and officers of the 35 production credit associations and 13 other agricultural financing institutions in the State are expected to attend the annual stockholders' and patrons' meeting of the Federal Intermediate Credit Bank of Houston at the Stephen F. Austin Hotel, Austin, Tex., on March 7 and 8. They will be welcomed at the opening session by Governor Price Daniel during the luncheon to be held Monday noon.

The Canadian Production Credit Association will send delegates to the Credit Bank's annual meeting. Those attending will be Directors: H. H. Keaney, Wallace Hamker, M. H. Smith, C. B. Henderson, Hugh Parsell and Lawrence Ellzey and General Manager, Erwin Crowell.

Chas. C. Thompson, Chairman of the Board of Directors of the Federal Intermediate Credit Bank of Houston will preside at a banquet Monday evening at 6:30 in the Stephen F. Austin Hotel Ballroom. Dr. Kenneth McFarland of Topeka, Kan., Educational Consultant for General Motors Corporation, will address the group. Delegates and others present will hear W. N. Stokes, Jr., President of the Federal Intermediate Credit Bank of Houston, give a report on the activities and financial condition of the bank.

Frank Stubbs, Corpus Christi, Texas, the Texas member of the Federal Farm Credit Board of Washington, D.C., will report on activities of that board.

H. Mason Boddy of Henrietta, Tex., vice-chairman of the Board

of Directors of the Federal Intermediate Credit Bank of Houston, will speak for that board on its activities.

Other guest speakers for the two-day meeting will be Chas. N. Shepardson, Member, Board of Governors, Federal Reserve Bank, Washington, D.C.; John Knox, Fiscal Agent, Farm Credit Bank, New York, N.Y.; John C. Bagnell, General Counsel, Farm Credit Administration, Washington, D.C.; Jerry Sotola, Associate Director of the Livestock Bureau, Armour and Company, Chicago, Ill.; D. W. Brooks, General Manager, The Cotton Producers Association, Atlanta, Georgia; and John Briscoe, Jr., from Uvalde, Tex.

Robert Stewart, Vice President, Bank of the Southwest, Houston, Tex.; John B. Clayton III, Vice President, First National Bank, Dallas, Texas, and Philip Neuhaus of Underwood, Neuhaus and Company of Houston, Tex., will participate in a panel discussion of Federal Intermediate Credit Bank debenture procedures in obtaining investors' money to supply credit to Texas farmers and ranchers.

David Gualt, Director of the Austin Production Credit Association, will preside at a joint meeting, 8:00 A.M. Tuesday, March 8, after which delegates will separate into two sections. The presiding officers for these sessions will be Norman Moore, President, Texas Southwestern Cattle Raisers Association, and C. A. Danklefs, President, Redmond Production Credit Association.

Others appearing on the program will be Grover Impson, Bossville, Tex., member of the PCA National Committee; J. B. Chambers, Jr., Harlingen, Texas, Chairman of PCA District Advisory Committee; Penrose B. Metcalfe, Vice President, National Wool Growers Association; Jr. R. Dolins, Jr., farmer and rancher, Katy, Tex.; and J. R. Canning, President, Texas Production Credit Association.

The production credit associations which will send delegates to the meeting are locally owned farmer and rancher cooperative credit organizations which make agricultural production loans. These associations are stockholders of the Federal Intermediate Credit Bank of Houston. Thirteen other agricultural financing corporations in the state which obtain their loan funds from the Bank will be represented at the meeting.

According to H. H. Keaney, President of the Canadian Production Credit Association, the association all over the United States have embarked on a program that will eventually result in ownership of the Federal Intermediate Credit Bank by farmers and ranchers of the country—a system designed to finance completely and adequately any agricultural production need. This has been a goal of farm leaders in the nation for the past twenty-five years.

The Canadian Production Credit Association serves farmers and ranches in Gray, Hemphill, Lipscomb, Ochiltree, Roberts and Wheeler Counties, with headquarters in Canadian, Texas, and has field offices located in Pampa, Perryton and Wheeler.

During the past year the association loaned more than \$5,700,000 to its farmer and rancher members.

Mr. and Mrs. O. Horn went to Shamrock Thursday to visit Mr. and Mrs. Dave Croslin and Randy also went to the hospital to see Joyce Crossland.

Mr. and Mrs. Dale Hendrick and boys visited Mr. and Mrs. Travis Keel Monday night.

Peggy Dauthit, Sandra Meek, and Grant Meek, students of Canyon spent the weekend with their folks.

Mr. and Mrs. M. H. Vaughan left Sunday to visit relatives in East Texas.

Mrs. Joyce Crossland left the hospital Monday. We are glad to hear she is recovering nicely from the Car accident last week.

Mr. and Mrs. Ewell Steen visited Mr. and Mrs. Henry Lee and Grandma Meadows Sunday afternoon.

Glean and Jennie White visited their mother, Mrs. Alna White in Pampa over the weekend.

Jimmy Helton spent Sunday with Joe and Ray Hendrix, they went hunting and killed 26 rabbits.

Mr. and Mrs. Dean Tipps and Twilight, Mr. and Mrs. Jimmy Joe Ault, Ray Ault, Kathy, Jerry and Brenda Robertson were guests of Lucile Tipps Sunday.

Mr. and Mrs. Lee Barry was honored with a retiring party Monday night at the gym. They were presented with a platform rocker and a pair of lamps.

Mr. Barry was presented with a retirement certificate of award and a safety driving pin of 23 years service on the Rural Route.

Mr. Barry had mentioned his last day carrying the mail that the next morning he wasn't going to do nothing but rock in his old rocking chair. Unknown to him, we had this new chair ready for him.

Lucile Tipps will carry the mail until some one is appointed.

Strawbridge - Campbell Wedding: A double - ring service read

Saturday night the 27th in Manual Temple Church, united in marriage Miss Marilyn Campbell, the daughter of Mr. and Mrs. Floyd Campbell of Pampa and Weldon Strawbridge, son of Mr. and Mrs. W. W. Strawbridge of Briscoe.

Billy Sparks, pastor of Manual Temple, officiated. Church pianist played and a friend of the bride sang, "I Love You Truly."

Miss Jan Campbell, sister of the bride was matron of honor. David Strawbridge, brother of the groom was best man.

Usher was Raymond Mayfield, cousin of the Bride.

The bride was given in marriage by her father.

The bride wore a street length gown of net over Satin and carried a White Bible and Bouquet of white carnations.

Following the ceremony a reception was held in the Manual Temple Hall.

The couple will reside at 506 North Grey in Pampa.

The groom is employed with Burrach in Amarillo.

WHEELER COUNTY SOIL CONSERVATION NEWS

March and April are the months to check range land for proper use. This is especially true of land that is grazed throughout the year. This is the end of a grazing year and the beginning of new growth. A properly grazed pasture will look grazed with some bunches of grass left tall and others grazed closely.

As a general rule, short grasses on hard land need about three inches of stubble on the average. Tall grasses on the sandy lands need an average of about six inches of stubble. This stubble with some of the seed stems left will maintain vigor of the grass and increase the overall yield.

Clippings have been made in the Wheeler District for several years by Soil Conservation Service personnel. Sand hill range land that is overgrazed makes from 800 to 1500 pounds of grass per acre on a dry basis. A cow cannot get all of this even with over use. Properly grazed hills on the Britt ranch have clipped between 3500 and 4000 pounds per acre. Proper use makes about half of this available for grazing. The remainder becomes fertilizer to grow more grass in later years. Well managed, bottom land on the Pur-

Annette Hutchison Is Honor Student

ABILENE—At McMurry College Annette Hutchison, Sr., from Wheeler, was named to the honor roll at McMurry College for the fall semester just ended.

Miss Hutchison posted a 3.00 point grade average to be ranked scholastically among 82 others who were listed on the honor roll.

Linda Jones Is Honor Student

ABILENE—At McMurry College Linda Jones from Wheeler, was named to the honor roll at McMurry College for the fall semester just ended.

Miss Jones posted a 2.77 point grade average to be ranked scholastically among 82 others who were listed on the honor roll.

year Ranch has clipped over 6000 pounds per acre.

Some ranchers feel that they cannot afford to leave any grass that a cow can get. The reverse is actually true. No one can afford to over-use grassland.

Jena Lynn Marshall Celebrates Birthday

A birthday party honoring Jena Lynn Marshall on her third birthday was given by her parents, Mr. and Mrs. Albert Marshall in the basement of their home at 911 Canadian street in Wheeler, February 19, 1960.

The cake was decorated with a marriage mary-go-around, balloons were other decorations. Refreshments of cake and punch were served to the following guests:

Mrs. Ray Fred, Teresa, Mrs. Paul Millett, San, Mrs. Charlie Jackson, Charles Dale, Mrs. Harold L. Lee, Lucretia and Joanie, Mrs. K. D. Ford, Dewayne and Gailena, Mrs. Henry Risner, Al Keith, Barry Lynn Lewis, Mrs. Nelson Jorner and grandson, Jeff Crouch of Amarillo.

Favors of bubble gum and party blow-outs were given each little guest.

In the afternoon those calling were Wilma Jeffrey, Mr. and Mrs. Adrain Risner, Miss Machille Mitchell and Mr. and Mrs. C. J. Van Zandt.

Here's the SUPERIOR FEED Story on EDUCATED CHICKS and EDUCATED FEEDS

***The Educated Chick is today's finest "laying house chick" — the result of years of flock improvement — the creation of leading geneticists and college poultry experts. *Educated Chicks lay more eggs per year on less feed intake, proved by thousands of R.O.P. layers.**

Raise *EDUCATED CHICKS for More EGG PROFIT!

Team up your *Educated Chicks with Superior All-In-One—*The *Educated Feed." For over 50 years Superior has been recognized as the leader in this area—in utilizing advanced nutritional discoveries and making the most efficient feeds to produce more at a lower cost. SUPERIOR ALL-IN-ONE—*The *Educated Feed" puts profit in pullets from start to finish.

POULTRY RESEARCH

College Prof's and leading geneticists have combined their skill and know-how to produce the modern high-producing *Educated Chick.

POULTRY LABORATORY

Laboratory tests plus farm tests have proved Superior All-In-One—*The *Educated Feed"—puts fast growth in every healthy chick.

SUPERIOR FEED MILLS

A Million Dollar Automatic Mill gives assurance of a better milled feed—providing the use of extra-growth power ingredients in every bite of Superior All-In-One.

ONE FEED from First Peep to First Cackle

SUPERIOR ALL-IN-ONE is the only feed needed from hatching to house. There's never a setback from changing feeds. Your chicks feather fast and get their "college diploma" weeks ahead of the chicks that miss the "early nest test."

Superior ALL-IN-ONE The *Educated Feed

Educated Mill operators—*Educated Demonstration Farm Managers—*Educated Poultry Expert Fieldmen—all wearing the badge of SUPERIOR—means better feed quality and better results for you. This year expand your flock with *Educated Chicks raised all way on SUPERIOR ALL-IN-ONE—*The Educated Feed."

IF you have enough life insurance your family may be able to pay off the bills if something happens to you. Maybe they will have enough to live on—for a while. But if yours is like most families it will take additional cash to pay off the mortgage on your home.

IF you want to be sure that you leave your family a home instead of a mortgage, get the details about Modern Woodmen's Mortgage Retirement Plan. It's a mighty comfortable feeling to know that you have a plan that will pay off the entire mortgage at one time.

LEAVE YOUR FAMILY A HOME NOT A MORTGAGE

Flu And Colds Flourish In February

Influenza is here! In February both the common cold and the flu were flourishing. And it's no surprise if there's a lot of both in March too.

Influenza symptoms include fever, sore throat, headache, aching muscles, and extreme tiredness. When the illness has run its course—anywhere from one to two weeks—the patient would be well advised to have something handy to hold onto when he first gets out of bed. He'll feel as though he'd just run non stop from New York to Los Angeles and is quite likely to feel that way for another two weeks. Prowling pneumonia germs will have a hungry eye on him during this period, so he'd better get plenty of rest.

The flu is a dangerous illness for anybody. But it's particularly perilous for anyone with a chronic chest disease—bronchitis, tuberculosis, emphysema, or any other lung or heart ailment. The flu can make the ailment worse in suffering from such diseases. It can bring on a relapse in those who have recovered. And it can kill.

If you have or have had a chronic respiratory disease, ask your doctor about vaccination against flu. There's number of influenza viruses, and vaccines available today do not protect against all of them. However, if a case of flu would be especially dangerous to you, vaccine is a worth-while precaution.

Backstop the vaccine with extra rest, good food, and avoidance of crowded places as much as possible. If you come down with even the mildest of colds, stay home and take particularly good care of yourself.

Mr. and Mrs. Clarence Robison were called to Frederick, Okla., due to the serious illness of Mrs. Lloyd Cole.

Mr. and Mrs. R. J. Holt made a trip with friends to Phoenix, Arizona and came back through El Paso.

Mrs. Minnie Starkey visited with Mr. and Mrs. Carroll Killingsworth and Russell in Plainview for a few days.

Number Five

ter C. Wine, Laredo. New members are Robert F. Hayworth, El Paso, Ray H. Horton Houston; Morris Higley, Childress; Richard H. LeTourneau, Longview; James A. Redmond, Beaumont; and Al H. Chesser, Austin.

FISH FOR FARMERS QUESTIONED—A House of Representatives committee looking for ways to save tax money quizzed spokesmen of the Game and Fish Commission on its fish and quail re-stocking programs.

Committee members questioned whether the Commission should give out free young fish raised in the state hatcheries. They go to farmers and others to stock tanks.

A commission official said the little fish cost the state 15 cents each to raise.

Legislators also considered at length the Commission's quail hatching operation near Tyler. Quail it was brought out, cost 69 cents each to raise, are sold to landowners for game re-stocking at 50 cents apiece.

POLIO OUTBREAK FORESEEN—State Health Department predicts a rise in the number of polio cases in the spring months ahead.

Most of the victims, said the Department, will be among those who have not taken advantage of polio shots.

Last year's record shows that three out of four polio victims had not had any vaccine and 9 out of 10 had not had recommended series.

Texas had 526 cases of polio last year, approximately 13 per cent of the 3,984 cases recorded in 1952 before Salk vaccine.

A Health Department official deplored parents who, "in the face of almost daily urgings, ignore the chance of giving their youngsters an infinitely better chance to escape polio."

Another candidate is needed in the city council race. Mayor Thomas Daughtry and councilman James Vender and D. W. Mitchell have filed for re-election. One more position on the council remains to be filled.

Dorsie Hutchison, whose term also expires, has not filed for re-election.

It is unusual this year that very little interest has been shown in the city, county or even state political races. This either indicates that the men in office are doing an exceptionally good job or the people of Wheeler County are becoming indifferent to local politics.

No new developments have been reported on the construction of the wing onto the Baptist Church. Building chairman, Frank Wofford, thinks construction will start in the latter part of April or early May.

The Red Cross finance drive will get underway as soon as the weather permits. Melroy Cox is the Wheeler County Chairman and is expected to do a great job.

Sure had a good time at the Briscoe Pancake Supper Tuesday night. Approximately 150 attended the supper. John C. Vise, president of the P.T.A., said \$87.00 was taken in on the project.

After the expenses are paid the remainder of the proceeds will go toward the purchase of a new piano for the school.

MAKIN THE SQUARE: Mayor Thomas Daughtry said an engineer has been in Wheeler all of this week working on the water system.

Albert Chapman has purchased the service station located on the 1100 block of South Shamrock street. Albert plans to open the new station within the next few weeks. He plans to call it "Albert's Shamrock Service Station".

Wallace Johnson is now working at Bill Chapman's Service Station. Wallace was formerly employed by the Greenbelt Electric Corporation. Received a card from D. O. Beene. D. O. is spending a 2-month vacation at Miami Beach Florida. In his card he says to be sure and let him know when the shinary buds out. If you want to drop him a card, his address is 4440 SW 98 Avenue, Miami 55, Fla.

Number Three

universities. They are among the many which are working to isolate new fractions and develop production and usage of others such as plasminogen, which in an active form dissolves blood clots, and ceruloplasmin, which may be of value in a neurological ailment.

The \$876,529 cost of fractionation, research, and development, Mr. Bond and Mr. Erlandson said, representing only a small part of the \$12,720,000 cost last year of the nationwide Red Cross Blood Program, was supported through Red Cross annual fund campaigns and federated campaigns in which the Red Cross participates.

Continuation of the Blood Program, and of other Red Cross services such as disaster aid, services to the armed forces and veterans, home nursing, first aid and water safety, youth programs, and international services, depends entirely upon the generous support of individuals and organizations. During the coming year, these services will cost \$95,000,000, Mr. Bond and Mr. Erlandson said, which means every Red Cross unit will conduct a campaign for members and funds during the month of March must reach or exceed its quota.

Mr. and Mrs. N. D. Ware Jr. and family left Thursday and visited in Oklahoma City with Dr. and Mrs. Akin and Mr. and Mrs. Bob Roark and family until Sunday.

Number Four

treatment) be used nationwide as the spearhead for a knockout assault on tuberculosis in the U.S. "In Texas we have 2600 people in our state TB hospitals, others in private and Veterans hospitals, others under private medical care at home, and many, many more who are not under any type of medical care." Mr. Nicholson commented. "You can see the danger in this. The Arden House findings indicate that drugs, used in proper combination over an adequate period of time in the treatment of active TB patients in Texas are going to be the most effective tool for wiping out the disease here."

Dr. Nicholson reported that this new approach—"detect and treat"—calls for bold and decisive action in order to bring all of our TB patients to successful treatment. "In cooperation with the Texas State Department of Health, our TB association board of directors is studying the recommendations to determine how best to apply them in our community," he concluded.

The Arden House Conference was jointly sponsored by the National Tuberculosis Association with which the local Christmas Seal organization is affiliated and the U.S. Public Health Service.

Mr. and Mrs. Carroll Pendleton and children of Stinnett visited in the home of O. W. and Lowell Farmer Sunday.

Mr. and Mrs. Amos May spent Sunday in White Deer with their daughter and family, Mr. and Mrs. Glenn Robertson.

Governor Price Daniel To Attend Shamrock Celebration

Texas Governor, Price Daniel, has accepted an invitation to be guest speaker at the St. Patrick's Kick-off banquet to be held at the National Guard Armory in Shamrock, Wednesday evening, March 16.

The Governor will address the annual banquet on the eve of the Irish Festival, and the following morning will be introduced on the sound stage, corner of Main and Second Street, to the thousands of St. Patrick's Day visitors.

It will be the first time a governor has visited the Irish Celebration. His acceptance touched off a move to invite the governors of neighboring states to attend and participate in the March 17 festivities along with him. The governors of seven states: Missouri, Oklahoma, Colorado, Kansas, Louisiana, New Mexico, and Arkansas have been invited. Governors who attend from other states will select Miss Irish Rose. Some will participate in other ways.

Joe Richard Hyatt and Jim Porter were home from school in Berkeley over the weekend.

Allison News

By Mrs. Lester Levitt

Dwayne Evans is a patient in the Wheeler hospital for treatment of a broken collar bone suffered Sunday when the car in which he was riding skidded on icy roads near the old Zybach school house and turned over into a snow bank. Larry Elmore and Billy Aaron other occupants in the car were uninjured. The car owned by Aaron was badly damaged.

Mr. and Mrs. Jimmy Dale Wallace and daughter from Stinnett spent the weekend with Mr. and Mrs. Bruce Harrison. They also visited Mr. and Mrs. Ernest Wallace at Sweetwater, Oklahoma.

Mr. and Mrs. Roy M. Langford and children from Stinnett spent Sunday and Monday with Mr. and Mrs. Lester Levitt.

Mr. and Mrs. Leo Peterman were in Littlefield the last of the week at the bedside of her mother, Mrs. E. A. Gamble who had major surgery at an Amherst hospital Thursday.

Mr. and Mrs. Bobby Joe Curlee and Lucinda from Amarillo were visiting in the C. C. Curlee home this week. They also visited her parents, Mr. and Mrs. Glen George.

Paul Newsom, Doper Miller, and Allen Reynolds attended the Brotherhood Meeting at the First Baptist Church at Wheeler Thursday night.

Mr. and Mrs. Bruce Harrison stopped by Tucuman, New Mexico and visited Mr. and Mrs. Carl Milstead, (Nan Estes), on their way home from Alamogordo Thursday.

Mr. and Mrs. Ted Shones of Amarillo, Texas, have been recent visitors in the home of Mrs. Shone's mother, Mrs. E. E. Herd.

Simon Burns came home Friday after having spent several weeks in Richmond, Calif., visiting with his son, Jesse and family. He says there is lots of flu among the friends and relatives out there.

We are glad to know that Aunt Rosa Bryant has been released from the hospital, and is spending a few days with Mr. and Mrs. Gay Holiday.

Mrs. Barney Gatlin has had major surgery Tuesday and is home now. She is doing very well.

Mr. and Mrs. B. Hanning are both in the hospital in Amarillo with pneumonia and are reported to be doing better at this writing.

Mrs. Glen Hodges had the misfortune to slip on the ice and break her arm. We wish for her a speedy recovery.

Mrs. Daisy Thomas, Mrs. Rock Leake, Mrs. Earl Bailey and Edwin Leake returned home Monday the 22th after spending a few days visiting with friends and relatives in and around Bowie, Tex.

Mr. Jeff Griffin from Lubbock visited with his friends Sunday.

Mr. and Mrs. Jack and Bob Helton and Lubbock were in Wheeler.

Miss Carrol Caswell home the hospital and

Mobeetie News

Mrs. G. B. Dunn

CLAUDE WINS BI-DISTRICT
The Claude girls slipped past Mobeetie Monday night at McLean for the Bi-District crown, 53-46. Gudgeal scored 14 points, Pierson 24, and Wallis 8 for Mobeetie. Ranson was high point girl with 32 points. Oles 9, Hundley 8 and Almon 14 for Claude. The girls started volleyball Tuesday.

MASONIC SUPPER
The Masons entertained their wives Feb. 22 with a George Washington supper at the Masonic Hall. Rufus Jordan of Pampa was guest speaker. There was 41 guests present and everyone enjoyed the wonderful meal.

Everyone is to remember that the P.T.A. is holding their annual Mexican Supper March 17, 1960 at 5:30 to 7:30.

Mr. Halford, ag teacher, has soil test kit for soil ph. Nitrogen, phosphorus and pot ash, anyone wishing to have their soil tested contact the school or Mr. Halford. There will also be a farm management school held April 6-22. More information on this later.

We would like to extend our sympathy to the Foy Farmer family on the death of his brother-in-law Ben Helton of Wheeler. Also Mrs. Daisy Thomas on the death of her brother-in-law S. M. Prater of Bowie.

Donald Ray Lamb from Weibert was home for the weekend visiting his parents Rev. and Mrs. C. C. Lamb.

Al and his son, Ralph Sims, were Sunday dinner guests of Mrs. Laverne Scribner. Ralph is spending a few days with his father.

We are glad to know that some of our young Mobeetie families are to move closer to home. The Ralph Sims of Lovington, N.M., The Richard Dvsons from Roswell, N.M., and the Clyde Ayres

all are moving to the new plant in Amarillo.

Mrs. N. J. Tyson gave a Stanley party February 25th. Mrs. Waters of Pampa, Tex., the representative, conducted several games and contests and explained the merits of the Stanley products. Refreshments of coffee, punch and cookies were served to Mrs. Jack Miller, Mrs. Ed Johnson, Mrs. W. Finsterwald, Mrs. Burke, Mrs. Lee, Mrs. Charlie Mixon, Mrs. Ransom Carter.

Mrs. Emmett Clemons, daughter of Mrs. C. M. Gatlin, Sr., is a patient in Shattuck, Okla., hospital. She underwent major surgery Feb. 25.

Mr. and Mrs. Ted Shones of Amarillo, Texas, have been recent visitors in the home of Mrs. Shone's mother, Mrs. E. E. Herd.

Simon Burns came home Friday after having spent several weeks in Richmond, Calif., visiting with his son, Jesse and family. He says there is lots of flu among the friends and relatives out there.

We are glad to know that Aunt Rosa Bryant has been released from the hospital, and is spending a few days with Mr. and Mrs. Gay Holiday.

Mrs. Barney Gatlin has had major surgery Tuesday and is home now. She is doing very well.

Mr. and Mrs. B. Hanning are both in the hospital in Amarillo with pneumonia and are reported to be doing better at this writing.

Mrs. Glen Hodges had the misfortune to slip on the ice and break her arm. We wish for her a speedy recovery.

Mrs. Daisy Thomas, Mrs. Rock Leake, Mrs. Earl Bailey and Edwin Leake returned home Monday the 22th after spending a few days visiting with friends and relatives in and around Bowie, Tex.

Suggestions For Care Of Garments

1. For a garment to be wash-and-wear, each component part must be as washable as the basic fabric from which it is made. Such components include interfacing, lining, shoulder pads, seam tapes and trimmings.
2. Follow the manufacturer's instructions in laundering if such are available. Identify and file labels for future reference.
3. Wash-and-wear fabrics should be washed in the same way as other fabrics for effective soil removal.
4. Wash-and-wear items can be washed together or with other items as long as:
 - a. They are about equally soiled.
 - b. They are of similar color.
 - c. They are of similar weight.
 - d. The total load equals about half the washer's normal capacity—over crowding causes wrinkles.
5. Automatic dryers do an excellent job of drying wash-and-wear garments provided:
 - a. The heat setting is right—160 to 170 degrees.
 - b. Remove and hang on hanger as soon as the dryer stops.
 - c. Use a lower iron setting for touch-up ironing:
 - a. Medium for cottons.
 - b. Nylon, rayon, or synthetic man-made.
 - d. A steam iron is especially helpful in pressing wash-and-wear fabrics—with very heat sensitive fabrics use a pressing cloth.
6. Refer to "For Clues to Clothing Care—Read the Fiber Label" for care of specific fabrics, available in county Home Demonstration Agent's office.
7. "Hand wash" on the label indicates that the garment needs careful laundering. Thus, hand washing of single pieces may be necessary. It is possible, however, by proper management of washer and dryer to get equally careful handling.
8. "Washable" on the label indicates moderate colorfastness or sensitive finishes. Wash in Warm (120 degree) water, with soap and detergent at home or commercial laundry.
9. "Complete Washable" or "Washfast" indicates that the garment or fabric may be washed at commercial laundry or in home washer in hot water (160 degrees) with soap or detergent and bleaching agent.

Home Decorating Is Topic Of Study

The Progressive Study Club met Thursday night, February 25, in the home making cottage with Mrs. Vernon Lewis as hostess. A very interesting program on "Home Decorating" was given. Jewel Moore discussed "From the Plan to the Paint." Irma Kirk discussed "Furnishing the Home" and Novella Vanpool gave a short talk on "Making Draperies." The hostess served refreshments "bobo" style to the following members: Mrs. Roy Bailey, Mrs. Oma Dyer, Mrs. Wayne Edwards, Mrs. Ebb Farmer, Mrs. C. B. Kirk, Mrs. J. C. Moore, Jr., Mrs. Jess Moore, Mrs. Bill Owen, Mrs. Clarence Robinson, Mrs. Carrie Rodgers, Mrs. Lyndon Summa, Mrs. A. O. Vanpool, and Mrs. Irene Dyer.

Mr. and Mrs. J. E. Hubbard visited Mr. and Mrs. Fay Clay of Borger Sunday.

news: lantern sleeve

Note Marcy Lee's new sleeve treatment: lantern shape shirred at shoulder for extra bouffancy. Another Marcy Lee extra: slit pockets slipped into skirt. Drip-dry cotton print with illuminated initials, medieval MSS style, in gold and black or royal and black on parchment; also olive and black on flint. Sizes 8 to 18.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. These are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Operatic Jewelry Stages Come

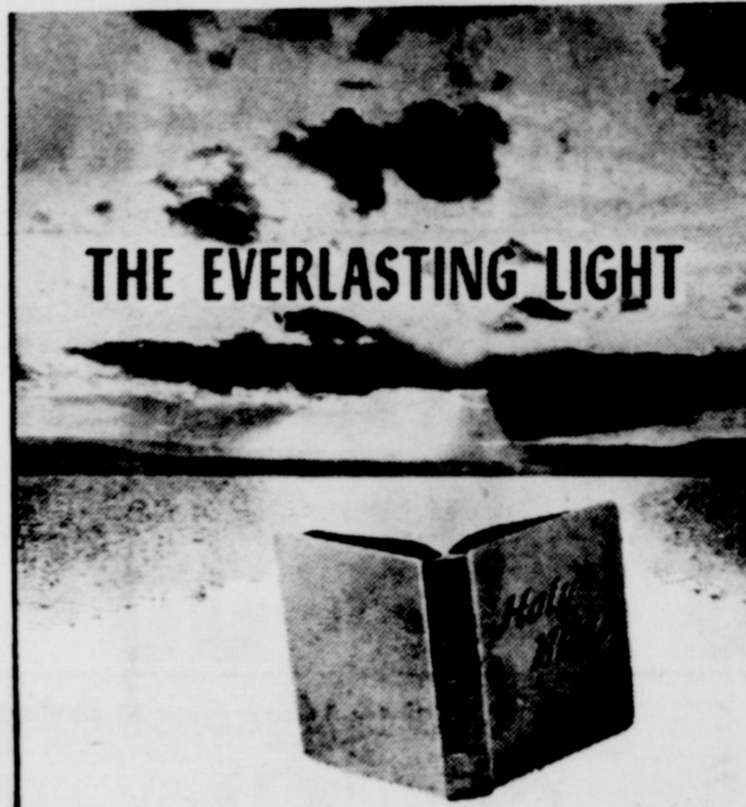

UAR Tourist Office Director presents replicas of jewels to Opera Star Irene Dalis at New York's Metropolitan Opera.

At the request of opera prima-donna Irene Dalis, replicas of the jewels worn in the first performance of the opera Aida in Cairo in 1871 were recently sent to New York by the UAR Tourist Department.

The jewels, a crown and two amulets, were formally presented to Miss Dalis on the Metropolitan stage by Mr. Allan Rector of the UAR Office in New York.

The replicas of the jewels are to be worn during performances of Aida.

From the dawn of human history, man has gazed with awe and fascination across the horizon. What secrets are buried in the sea's vast bosom and what strange lands and peoples and adventures are out there beyond the sunset?

The unknown has always presented a mystery and a challenge to mankind. Many have faced it with fear and shrinking. Others have accepted its challenge and have opened up new vistas of human knowledge.

Those who live and search in the Everlasting Light, His Holy Word, need have no fear of what lies beyond the oceans of water, the oceans of human experience, or the oceans of human thought. For the land and the sea are God's, and He rules in the kingdom of men.
