Chat with the Editor

and winter wheat harvest, are planned for the Wheeler area. The average yield for the 1960-59 average of 60.59 average of 1961 is estimated at 64.953 acres.

The 1961 allotment for wheat is estimated at 1,045,953 acres. This is three percent under the 1960 allotment, but 144 percent over the 1959 average. The weather conditions for the crop season are good, and the wheat is in good condition. Insects and disease are not a problem at this time. Moisture is needed soon in the Wheeler area.

The following extracts give some idea of the character of the manifesto:

"We believe that stimulating the national pride is even more important than increasing our national prestige..."

"We think it is high time that we made clear to the rest of the free world that we are at least as necessary to their survival as they are to ours, and, if we are not afraid to speak the truth, even more so."

"The free world is living under a stifling pall of fear—fear of the Soviet Union."

"Neutralism, coexistence, appeasement, pacifism, unilateral disarmament and suspension of nuclear testing are all products of this enervating fog of fear that smother the free world and paralyzes its will to engage in strong and decisive action."

"Reliance on ourselves in the development of our foreign policy."

"Where opposition movements to Communist regimes exist, whether inside or outside the Soviet and Soviet satellite nations, encouragement and concrete aid should be given to those movements publicly and proudly."

"The United States must remain fully and effectively armed."

NO AMERICAN SHOULD FAIL TO READ THIS MANIFESTO.

STAMPS QUARTET: The Stamps Quartet, pictured above, will appear in the Kelton high school auditorium Monday night, March 20th at 8:00 P.M. The program sponsored by the Kelton PTA is free and the public is cordially invited to attend.

THE GOLDWATER MANIFESTO

Senator Barry Goldwater of Arizona has introduced in Senate a statement, appearing in the Congressional Record of January 11, 1961, which is what American conservatives have been waiting for and which forthrightly reflects their convictions.

It is a "Manifesto," setting forth principles, which he and conservative associates in the Congress are presenting in the belief that, upon these principles, conservative candidates can run and be elected.

The following extracts give some idea of the character of the statement:

"We believe that stimulating the national pride is even more important than increasing our national prestige..."

"We think it is high time that we made clear to the rest of the free world that we are at least as necessary to their survival as they are to ours, and, if we are not afraid to speak the truth, even more so."

"The free world is living under a stifling pall of fear—fear of the Soviet Union."

"Neutralism, coexistence, appeasement, pacifism, unilateral disarmament and suspension of nuclear testing are all products of this enervating fog of fear that smother the free world and paralyzes its will to engage in strong and decisive action."

"Reliance on ourselves in the development of our foreign policy."

"Where opposition movements to Communist regimes exist, whether inside or outside the Soviet and Soviet satellite nations, encouragement and concrete aid should be given to those movements publicly and proudly."

"The United States must remain fully and effectively armed."

NO AMERICAN SHOULD FAIL TO READ THIS MANIFESTO.

Former Resident Dies In Plainview, Texas

Funeral services for Lin W. Greer, 77, resident at Plainview for many years were held at 10:30 Saturday in the First Baptist Church of Plainview, with Dr. Roy McClung officiating.

Mr. Greer died Thursday, March 2, in Roswell, N.M., after a long illness.

He was born March 16, 1883, at Poolville. He and Pearl Mae Abbott were married Sept. 19, 1908, at Shamrock. Mrs. Greer died in 1943.

Mr. Greer and his family came to Plainview in 1925 from Wheeler. He was a member of the First Baptist Church of Plainview and served as an usher. He was a member of the Home Guard in World War II.

After operating a barber shop in Plainview for 17 years, he moved to Tucuman, N.M., 10 years ago. For the past 14 months he had made his home with a daughter, Mrs. Bill Koprian of Roswell, and with a son, Bob Greer of Plainview.

Survivors include three sons, Lin D., president of the Accoustician Co. in Dallas; Doyle E. of Grand Prairie and Bob of Plainview; a daughter, Mrs. Koprian; eight grandchildren and two great-grandchildren; several half brothers and half-sisters.

Burial was in Plainview Cemetery under the direction of Wood Funeral Home.

Briscoe PTA To Have Fund Raising Event

The Briscoe PTA men and women have challenged the Briscoe high school boys and girls to a basketball and volley ball game Tuesday night March 14 at 7:30 P.M.

The men will play the boys basketball and the women will challenge the girls in a volleyball contest. An auction, food and other items, will be held between the games.

Proceeds will go toward the purchase of a new drinking fountain for the school. Admission will be 50 cents for adults and 25 cents for children.

A. B. CRUMP IS JUDGE; 3 FILE FOR COUNCIL

Three local men have filed for two open positions on the city council. They are Robert Denson, Bill Chapman and Adrain Risner. Wayne Edwards and Jake Holcomb, present city councilmen, did not file for re-election and their positions must be filled in the city election.

The election will be held Tuesday, April 4 with absentee ballot to begin 20 days before the election.

Hold over members for the council include James Verden, Dorsie Hutchison, W. D. Mitchell and Mayor Thomas Daughtry.

A. B. Crump, longtime Wheeler resident, has been appointed as city election judge for Wheeler.

PTA OBSERVES SCHOOL WEEK

The Wheeler Parents Teacher Association met Monday night and observed Texas Public School week as guests of the school faculty at the school's open house.

The free public school is just that; free to all. The freedom of education is only what we make it and how we take advantage of our opportunities," so stated Sam Begerl, speaker at the Parent Teacher meeting Monday night.

Mr. Begerl is principal of Horace Mann school in Pampa.

Mrs. James E. Lewis, District 19 president, was a special guest and brought information about the Texas Congress project "Education Alert."

Mrs. Lloyd Weatherly presided during the meeting. New officers elected were president, Mrs. Walter Durn; vice-president, Thurman Rives and secretary-treasurer, Mrs. Eli Baker.

Richard Gaines, sixth grade room the room count for the third consecutive time.

Mrs. Brown's fifth grade room mothers served refreshments to about seventy-five.

White Deer Riding Club Has Meeting

White Deer Texas Directors met March 2 at the White Deer lumber yard for the purpose of plans for a Rodeo August 5.

With them as a guest, Mr. Charles Plummer, Jr., of Elk City, Oklahoma. A very prominent rodeo producer will furnish the stock Charles has produced many rodeos in Kansas as well as Texas and all over Oklahoma.

Plans were made to have bare back bronc riding, Bull riding, Bulldogging, calf roping, ribbon roping, girls barrel racing and wild cow milking.

Mr. James L. Stalls, president, states this will be one of the better AM-Rodeos you will have a chance to see this year. Have Horse — join us.

Missionary To India Will Speak At Briscoe

Rev. Bill Tarter will be the speaker at the Briscoe Baptist Church Sunday Morning at the 11 o'clock service. Bro. Tarter is a Missionary in India, and at present is home on furlough. At the noon hour a basket lunch will be spread. Everyone is invited to attend our service.

A NEW BOY

A baby boy was born to Mr. and Mrs. Ted Crowder of Berger on Thursday, March 2. The little boy was named Ted Michael and he weighed 7 lbs.

The grand parents are Mr. and Mrs. George Richardson of Wheeler and Mr. and Mrs. D. Crowder of Stinnett.

EASTERN STAR PARTY FOR THE MASONS

The guests came, the band played, and a gala time was had by all who attended the Eastern Star party held recently at the local Masonic Lodge for the Masons and their wives. Mrs. Etta Crowder, Worthy Matron and George Porter, Worthy Patron, greeted the members and guests. Darville Atherton, Worshipful Master, was introduced and he introduced the other officers of the Lodge. Mrs. JoAnn Millett, Program chairman, presented Miss Ann McMurry and members of the Wheeler High School stage band, Joe Loter, Richard Parks, Gary Waters, Ken Daughtry, Owen Barnes, Sue Ann Richerson, Richard Parks, Sandra Brown, Kay Callan, Marion Holcomb, and Linda Hall. This is a talented group and their music was enjoyed by all. Mrs. Ada Vought of Briscoe gave a lovely reading and Mrs. Reva Burnet, Past Grand Matron of the Grand Chapter of Texas, made an interesting talk. A ham and salad supper was served to 37 members and 42 guests.

Father Of Local Woman Is Dead; Rites In Shamrock

Roger S. O'Gorman, a popular pioneer resident of this area, died at 11:20 Thursday, March 3 in the Shamrock General Hospital. He has been in ill health for the past two months and had been in the hospital for two weeks.

Rosary was set at 8:00 P.M. Friday evening in the Richerson Funeral Chapel and funeral services were held at 10:00 A.M. Saturday morning in the St. Patrick's Catholic Church, with Rev. Father Kevin Hand officiating. Serving as pall bearers were: Bert Betenbough, Lewis Powell, Dick Gearhart, Cortez Barnett, Alvis Reeves and John Hanejar, Jr.

Richerson Funeral home was in charge of the burial in the Shamrock Cemetery.

Mr. O'Gorman was born Dec. 26, 1876 in New York City. He came to Shamrock from Nebraska in 1908. He was a retired farmer and stockman. He was married Jan. 25, 1904 at O'Connor, Neb. Mrs. O'Gorman passed away Nov. 30, 1954. Mr. O'Gorman was a member of the St. Patrick's Catholic Church and Woodman of the World. He is survived by three daughters, Mrs. Cecelia O'Gorman Shamrock; Mrs. Jack Garrison of Wheeler and Mrs. John V. Hogar of Lawton, Okla. Three sons, Michael of Yukon, Okla., John and Frank, both of Shamrock. Two brothers and two sisters, 14 grandchildren and one great grand child.

Methodist Revival To Begin March Twelfth

Rev. Jack Riley... song leader

Rev. Bob Ely, pastor of the Methodist Church in Wheeler, has announced plans for a Revival to begin Sunday morning, March 12, and ending on Friday evening, March 17.

The Rev. James Roswell, pastor of the Trinity Methodist Church in Plainview will be the preacher.

There will be services both morning and evening—a breakfast service for the men at seven o'clock and a service at nine o'clock for the ladies. The evening services will begin at seven o'clock.

The Reverend Jack Riley, pastor of St. Paul Methodist Church in Pampa will lead the singing each evening and we look forward to great song services each night.

Group meetings will be held each evening following the services and will be open for discussion. Everyone is invited to the meetings as well as the services.

KELTON MAN KILLED AS HORSE FALLS DURING COYOTE HUNT

Elmer Vernon Ledbetter, 52, a 45-year resident of the Kelton community in Wheeler County and brother of Luther Ledbetter of Pampa, died Sunday afternoon at 2:20 from injuries sustained when he fell from a horse while hunting coyotes on the Stiles Ranch, 11 miles east of Wheeler.

Domer Miller, a hunting companion, said that Ledbetter's horse stepped in a depression in the ground, causing the horse to stumble and fall. Ledbetter died instantly from a broken neck.

Funeral services were held at 2:30 P.M. Monday in the Kelton Methodist Church with the Rev. Gene Louder of the Kelton Methodist Church and the Rev. Joe Weldon of the First Baptist Church officiating. Burial was held in the Kelton cemetery under the direction of the Kirk Funeral Home.

Mr. Ledbetter was born at Wheeler, Jan. 25, 1909, and moved to Wheeler six years later. He married Ruth Hink on Jan. 8, 1938, in Shamrock.

Survivors include the wife; two daughters, Carolyn Ledbetter, a student at West Texas State at Canyon and Zuana of the home; one son, Gail, of the home; seven sisters, Jewell Newton, Fort Worth; Mrs. Claudia Davidson, Garner, Tex.; Mrs. Nettie James, Boswell, Okla.; Mrs. Beazie Lemley, Amarillo, Texas; Mrs. Katie Welmer, Porterville, Calif.; Mrs. Mamie Sims, Watonga, Okla.; Mrs. Mollie Kate Tyler, Waco, Texas; two brothers, Luther Ledbetter, Pampa and Elbert Willingham, Waco.

One sister and another preceded him in death.

Pallbearers were Johnnie Burrell, Joe Henderson, Tom Bryant, John Dabery, Buster Walaer and Buddy Errington.

MICRO-WAVE IS THE ANSWER TO CO-CHANNEL INTERFERENCE

The waiting period is over, television reception by microwave signal is here. It's good, although there are a few small imperfections to be worked out, there is a great deal of pleasure in watching a television program free from co-channel and other interferences caused by poor signal and weather conditions.

Many television sets are the "fringe area, weak tubes etc show up with better signal. Sometimes the set needs only "tuning". Don't blame the system. Know that your set is in order. If you still are not satisfied the management will be glad to counsel with you.

BURR FIRE

The local fire department was called to the Ed Tremble home to help extinguish a fire which started in cotton hulls scattered in the field behind the Tremble home. The fire was quickly put out and no permanent damage was reported.

OPEN HOUSE

Open House will be held for Mrs. A. C. Mitchell on her 80th birthday, Sunday, March 12, at the home of her daughter, Sissy Carter, 200 Canadian St. Everyone is cordially invited.

Daughter Of Local Couple Dies In Midland

Babe Beal, daughter of Mr. and Mrs. W. O. Miller of Wheeler and a former resident of Wheeler, died Tuesday evening in Midland. Funeral services were held in Midland Wednesday.

Babe, as many will remember, ran a cleaning shop in Wheeler for several years.

Babe also has two sisters in Wheeler, Mrs. M. V. Callan and Mrs. John Conner.

SHAMROCK PREPARES FOR ST. PATRICK'S DAY: Carl Williams, general chairman of the 1961 St. Patrick's Day celebration, checks the program in last year's Souvenir Edition of The Shamrock Texan, as he works out details of the forth coming Irish Festival scheduled in Shamrock March 17. Mr. Williams is busier than Santa Claus at Christmas time working with his corps of committeemen in preparation for the big event.

FERTILIZERS DO AFFECT COTTON DISEASES

Station, March 9.—Fertilizers, if properly applied in correct amounts, will correct disease losses, says Smith, extension plant pathologist. For example, slightly deficient bacterial blight varies in resistance with adequate nitrogen but more susceptible when nitrogen is deficient.

Large amounts of available nitrogen help prevent Fusarium wilt, Verticillium wilt. In excessive use of nitrogen, Verticillium wilt is avoided in Fusarium wilt. Verticillium wilt is that Verticillium wilt can be more susceptible to disease organisms, but for disease control, unbalanced conditions when applying fertilizers, unbalanced fertility by improper application of

fertilizer can lead to disease losses which will nullify fertilizer benefits. Boll rots may be more severe when excess nitrogen causes tall, rank cotton. In 1960, wet weather in several areas was blamed for some losses in cotton quality and yield when boll rots diseases were actually the cause of the trouble.

It has been determined that cotton plants free of seedling diseases and nematodes make much more effective use of fertilizer nutrients, Smith continues. This relationship should be taken into account when seedling diseases or nematodes are controlled with fungicides or nematocides. In general, high fertilizer rates should be lowered somewhat once seedling disease and nematodes are under control.

A sound fertilizer program must be based on many factors, including cotton diseases that are most likely to damage plants. You may have already fertilized for this year, but you can plan improved use of fertilizer next year, Smith

points out.

Check cotton fields for disease damage at regular intervals. You will find that certain diseases are damaging or killing your cotton plants. These same diseases will probably occur, more or less, next year, Remember, says Smith, cotton diseases are prevented, not cured. Little can be done to control cotton diseases on the present crop after it is planted.

In order to plan the best preventive control program, it is necessary to know the diseases that are likely to cause losses. It is also helpful to know where certain diseases might occur in your fields. For example, root rot, root knot and other nematodes, bacterial blight, anemochyta blight and seedling disease can be reduced somewhat the following year by deep plowing during hot, dry weather.

The proper use of all cotton disease reduction practices will tend to make a healthier plant, and a healthier plant can make better use of soil fertilizer nutrients. With this in mind, fertilize for yield, quality and disease control. By following these practices, greater profits will be realized from fertilizer, Smith concludes.

HIGH LIGHTS AND SIDE LIGHTS FROM YOUR STATE CAPITOL

AUSTIN, Texas—Hopes for early legislative agreement on money-raising measures hit the dust when the House began to vote.

Future is dim for three of the four deficit-erasing measures recommended by Gov. Price Daniel.

First to be derailed was a proposal to raise the gas production tax from 7 to 10 per cent. Its sponsor, Rep. George Hinson of Mineola, asked that it not be voted out of committee. He expressed hope that the money could be gotten some other way.

Two others—the abandoned property act and a bill to raise the franchise taxes on interstate corporations—got overwhelming approval of the House Revenue and Taxation Committee but ran into a hornet's nest of opposition on the House Floor. Both were opposed by 79-19-69 votes.

Votes on another revenue measure for utility companies was postponed after its sponsor claimed it had been "amended to death." This bill, by Rep. Max Carraker of Booby, would set a uniform utility tax rate of 1.997 per cent and eliminate exemptions for rural areas and REA co-ops.

Fourth of Governor Daniel's deficit-canceling measures (besides gas tax, franchise tax and abandoned property act) is a proposal to take the \$15,000,000 a year for farm-to-market road building from regular highway funds rather than general revenue funds.

Mulheim Stagger — Supporters of legalized horseracing bargained for time as aroused church people flooded House members' desks with anti-racing letters.

Rep. V. E. Berry, sponsor, won by a narrow 79 to 79 vote a motion to postpone action on the racing measure until March 21. Opponents pressed for action to "kill it now."

Some members reported their secretaries were bogged down in answering "hundreds of letters" prompted by sermons and religious magazine articles against the proposal.

Berry's secretary is flooded with mail urging passage of Berry's resolution.

Actually the resolution (HJR-4) does not legalize horse-race betting. It calls only for a poll of public sentiment on the subject of whether or not the voters would like to vote officially on the matter at the next general election.

Then the topic would still be up for legislative debate.

Berry's argument is that the people have a right to express their opinions; and they can do so at the April 4 election at no cost to the state.

Driver Insurance Debated — Everyone wants to promote safe driving. Disagreements come only on whether the present merit rating auto insurance plan is a fair and effective means of achieving that end.

In a background briefing for Austin newsmen, Sen. Grady Hazelwood, opponent of the present plan, declared, "I'd like to see a plan that would really promote safe driving... but one that law-abiding, decent people can live with."

Referring to letters he had received, Hazelwood cited case after case in which people declared they had received insurance premium penalties for relatively harmless, minor violations or for incidents that were not their fault.

In the same briefing, former Sen. Johnny B. Rogers of Austin defended the plan as basically sound despite problems arising from uneven or unfair law enforcement. "During the past year, under present plan," said Rogers, "Texas had the lowest number of highway deaths since 1949. Number of deaths in proportion to the number of miles traveled was the lowest in history."

Rogers said there was no objection to removing some of the more petty, inconsequential violations from the penalty point list.

Milk Imports Cause Hassle — Two segments of the milk industry are joined in battle over the conditions under which milk from other states may be brought into Texas.

Milk producers are pushing a bill which would require that the Texas Health Department certify that any milk shipped into Texas meet standards for milk produced in Texas. This will prevent importing of substandard milk, say the producers.

Milk distributors oppose the measure, saying that it would make it impossible for them to buy from anyone but Texas producers. They say required inspection of out-of-state dairies would be impossible and impractical. Result, they declare, would be a monopoly for Texas producers and higher prices to consumer.

Senate Public Health Committee approved the bill.

Aeronautics Boost Urged — A bill to make more money available for aeronautics regulation won Senate State Affairs Committee approval.

Sens. Ray Roberts of McKinney and Grady Hazelwood of Amarillo are sponsors of the bill to provide for allocation of some \$70,000 to \$140,000 from taxes paid for airplane fuel.

Under the Roberts-Hazelwood plan, 35 per cent would go to the Aeronautics Commission for operations, 40 per cent to the Commission for airport and landing strip improvements and 25 per cent would go to the available school fund.

Firemen's Pensions Studied — A plan to bolster the firemen's pension fund howls of protest from those asked to pick up the tab—municipal government and fire insurance companies.

It is under study in the House Revenue and Taxation Committee.

Rep. Franklin Spears of San Antonio is sponsor of the bill which would levy an extra 2.75 per cent tax on fire insurance premiums, with three-fourths of the money raised to go to the firemen's pension fund. Municipal governments also would be asked to up their allocations to the fund.

City officials said they didn't know where the money would come from. Insurance industry spokesmen declared it would be unfair to charge all insurance buyers—in the country as well as the city—to pay for city firemen's pensions.

FARMERS URGED TO REPORT FEED GRAIN ACREAGE TO ASC OFFICE

The A.S.C. County Office is charged with the responsibility of gathering data on county feed grain acreage for President Kennedy's prepared feed program.

In order that the program may become operational in 1961 the basic feed grain data must be obtained from county farmers by March 16, 1961. Because of the limited time schedule the A.S.C. asks the cooperation of all Wheeler County grain producers.

A temporary office will be set up in the Community Building, Shamrock, Texas, on March 9th and 10th to secure data from Communities "D" and "E". Communities "A", "B", and "C" will report to the County A.S.C. Office on March 9th and 10th, in the Basement of the courthouse. Letters have been mailed to all known grain producers in the county advising them of the data and plan to furnish the required data. However, it is possible that we might have missed someone, and if so, we would like for them to come to the Wheeler County A.S.C. Office on the 13th and 14th and make this report." Albert Marshall said.

The County Committee has the responsibility of estimating the basic data on each farm that fails to report its feed and grain acreage to the A.S.C. representative. As the eligibility for Support Prices and for participation in future Agricultural programs will be based on this data, it is essential to each grain producer to see that his farm acreage is reported.

Farmers Union Actively Supports Feed Grain Bill

DENTON—Texas Farmers Union is actively supporting the Kennedy Grain Bill now being considered by House and Senate, State President, Alex Dickie, Jr., stated.

The bill would increase needed farm income of feed grain producers by some 17% this year and reduce production by about 20%. The bill represents a savings of more than five hundred million dollars over the existing program for this year, Dickie stated. Our farmers and ranchers are urged to get off telegrams and letters to Secretary Freeman and Senator Yarborough and Blakley and all Texas Congressmen in support of the Feed Grain Bill, Dickie further stated. Dickie stated that this is the first Kennedy farm bill and it is very vital that we farmers help in passing this measure. It was the big Texas vote that elected Kennedy and we need now to support him in his effort to improve farm income.

One-stop shopping at your Chevy dealer's makes choosing a new car easier than ever!

You get variety like this only at your Chevrolet dealer's. Elegant new Impalas, popular Bel Airs, budget-priced Biscaynes and six wonderful new Chevy wagons—all with a Jet-smooth ride you'd expect in more expensive makes. But that's just the beginning. There are also ten low, low-priced Chevy Corvairs for you to look over, plus the Corvette—America's only true sports car. What with this kind of choice—31 models in all—if you don't find the car you want at your Chevrolet dealer's, it probably just hasn't been built yet.

Three models—two Chevrolets designed especially for business use and the DeLuze Greenbrier—are not shown.

See the new Chevrolet cars, Chevy Corvairs, and the new Corvette at your local authorized Chevrolet dealer's

GOT A PENCIL HANDY?

Then why not divide your last electric service bill by 30 in the handy space provided. That will give you Reddy's daily wage for all of the jobs he does for you at your house.

Then check the list below to see how many of those jobs he is doing.

Quite a number, isn't it?

True, your electric service bill is higher—because it is an electric service bill, not just a light bill. But the unit cost of that electric service is less than ever before, and each of your electric service dollars buys 21% more than ever before.

Allison News

By Mrs. Lester Levitt

Mr. and Mrs. Leon Brown and daughter from Altus, Okla., spent the weekend with the Ray D. Browns and Darrell Gray and family.

Mrs. Bruce Harrison, W. E. Winston and Mrs. Lanora Morse, David and Wanda, attended the funeral of John Unzen at the Church of the Nazarene at Stinnett Friday. Mr. Unzen was a former Allison resident.

Mr. and Mrs. Roy Langford and children from Stinnett were weekend guests in the Lester Levitt home. M. K. Levitt was also a dinner guest Sunday.

Mrs. Beatrice Gray and Mrs. Joe Walsh were in Canadian Thursday on business.

Mr. and Mrs. Boyd Huff and sons were in Canadian Sunday and visited with the W. H. Flewellings.

Shot Childress and family from Sunray spent the weekend here with the Rex Millers and J. T. Childress families.

D. L. Malin spent the first of the week in the Highland General hospital in Pampa for treatment and observation.

Rev. and Mrs. Oscar Welch and Mrs. Bruce Harrison visited Mrs. Roxey Sanford at Amarillo the first of the week. Kenneth Harmon and family from Pampa spent the weekend in the parental George Parker home.

Mrs. Paul Newsom and Mrs. David Kiker accompanied three of the F.H.A. girls: Cieta Morse, Ruby Nell Childress and Dorothy Newsom of Lubbock Saturday to attend a district meeting. David Kiker went along to do the driving for the group.

Leldon Harrison and family of Amarillo visited his brother, Bruce Harrison and family Sunday.

Mrs. J. O. Pearce visited Rev. and Mrs. J. B. Leveritt Sunday.

Paul Newsom was in Wheeler Monday on business.

W. E. Cornell and family and Doyle Cornell and family spent the weekend at Quitaqua with the Bobby Cornells.

Rex Miller and family were in Pampa Sunday. Kelly Miller, Larry Elmore, Bud Williams, Hiram Begett were there the first of the week attending the fat calf show. Oral Helton and family visited Mrs. Chan Helton at Wheeler Sunday.

Mr. and Mrs. Garrett Baxter from Ft. Worth were guests in the James Hall home Thursday night.

Mrs. Betty Kelly from Nara Vista N.M. and Othelia Johnson from Mobeetie visited Mr. and Mrs. Jack Miller recently.

Charles Weibe and family from Lubbock spent the weekend with the Nick Weibe and Glen Markham families. Mrs. Eula Markham returned to Lubbock with the Weibes Sunday for a visit with Cecil Markham and family.

Mrs. Vera Moore and Mrs. Adda Voigt spent the weekend with home folks at Sayre and Tuttle, Oklahoma.

James Hall and family visited friends and relatives in Clinton, Arapahoe and El City, Okla., last weekend.

Cloyd Markham and Myra Picure were dinner guests in the Bob Markham home Sunday.

Glenna Smith from Canadian has enrolled in school and is staying with her aunt, Mrs. Pearl Harrison.

Mr. and Mrs. Jimmy Jackson and son visited relatives at Pampa Sunday.

Jimmy Jacobs and family visited relatives at Altus, Okla., over the weekend. Charley Traylor went along and visited his niece, Mrs. Owen Roper and family at Mangum, Okla.

Mrs. Nona Hall and Mrs. Virginia Miller were in Pampa Monday on business.

Mrs. Mary Lou Markham, Mrs. Myrtle Jones, Mrs. Adda Voigt, Mrs. Virginia Miller attended Lodge at Wheeler Tuesday night. Charlene Rainey went as a guest.

Roy Morse and family visited in the C. B. Bond home at Pampa Sunday.

Clifton Boydston and family were dinner guests in the Pete Gilmer home Sunday.

Morris McQueen Is Honor Student

LUBBOCK—Honor roll students for the fall 1960 semester have been named by the academic deans at Texas Tech.

Students cited for scholarship on the various deans' lists at Tech include:

Morris N. McQueen of Wheeler.

MOBEETIE RESIDENTS TO HAVE NEW PHONE NUMBERING SYSTEM

Mobeetie Telephone customers will be using a new numbering system beginning May 6, the date set for distribution of General Telephone Company of the Southwest's 1961 directory.

Known as the All Numerical Calling Plan (ANC), each telephone number will be composed of seven digits, R. L. Brewer, district manager, explained that the new system will replace the more familiar two letter-five number (2LSN) system inaugurated when the telephone industry first launched its long-range program to permit operators and-or customers to dial direct from one city to another.

The present Mobeetie prefix is VIKING 5. Under the new ANC plan the "VI 5" will be replaced by "845".

Brewer pointed out that the 2LSN system is being replaced as rapidly as possible in order that all number combinations appearing on the telephone dial can be utilized. As the number of customers being assigned 2LSN numbers throughout the nation increased, the necessity of using all possible number combinations on the dial also increased.

"In some areas", Brewer said, "we are running out of possible letter prefixes."

As a result of this realization, a study was undertaken in Wichita Falls, Texas, to determine whether assigning seven digit telephone numbers proved satisfactory to customers and operators. Conclusion of the extensive study was that the ANC plan not only was satisfactory, but even eliminated some previous dialing errors resulting from confusion between the numeral "1" and the letter "I" and numerical "zero" and the letter "O".

Brewer emphasized that the new numbers represented a "paperwork" change in most instances, since the old "VI 5" and the new "845" numbers require identical pulls of the dial.

Mr. and Mrs. Pete Cule from Pampa visited with the Loyd Lees Sunday.

Mr. and Mrs. W. O. Weatherly visited in Happy Sunday with Bobby Weatherly.

The Progressive Study Club Studies International Affairs

The club met recently in the home of Mrs. Lyndon Sims.

Mrs. Joyce Edwards, president, presided at the business meeting. Then turned the program to the chairman, Mrs. Ocie Ford, "Our Pan American Neighbors"; Synopsium, Panama, Grace Ford, Guatemala, Irene Dyer, Mexico, Ima I Am an American.

Song, South of the Border by Ama Robison, Amelia Sims, Opal Daughtry.

Refreshments were served during the social hour by the hostess.

Attending were Meses, Thomas Daughtry, Irene Dyer, Oma Dyer.

Number Five

rest of the county took a chance on Mr. Nixon?

While on the subject of politics, I notice where our honorable Granger McIlhenny has written and passed a couple of very important bills through the house.

House bill no. 59 exempts farm trailers from registration and license fee requirements and would apply to the cotton trailers used in our section of the state. In the past, this fee has not been collected in most cases, but under our present laws trailers of over 4,000 pounds come within the license provisions.

The need for this exemption comes from the fact that these trailers are used mostly on a seasonal basis and will not travel many miles on the highways during the year.

This bill has passed the House and is before the senate for consideration.

House bill no. 96 brings up to date the Texas laws in regard to the quality of commercial fertilizer sold in the state.

The purpose of this act is to guarantee to the user of commercial fertilizer that he is actually receiving the quality of product that he is paying for.

Accurate and full labeling is required and detailed testing procedures are set up. The enforcement of this act is under the supervision of Texas A&M College. This bill has passed the House and is in the Senate Agriculture Committee.

Some people are saying that I have more notions than a five and ten cent store.

MAKIN THE SQUARE: Henry Risner had one of the highest scores in tournament bowling in Shamrock Monday night. His highest game in a three game series was 194. Donald Reeves also ranked among the highest, his best score was 180. Donald bowls on the Wheeler Fire Department team and Henry bowls on the V & E Real Estate and Insurance team.

Three men filed for a position on the city council, they were Robert Denson, Adrain Risner and Bill Chapman.

Coy Revious says it won't be long until he will be ready to Nig Clark is walking around with a broken arm. W. D. Mitchell has been limping around lately, understand he scalded his foot. It's getting about time to start planning for another Easter Egg Hunt.

Several members of the Fair Board plan to leave Wheeler Friday on a tour of Claude and Canyon where they will see and inspect fair buildings of the type board has also scheduled a meeting for Tuesday, March 14 at 7:30 p.m. in the Wheeler County courthouse.

Palmer Sivage is back in town this week, he was in Stevenville and Odessa last week on business. Buster Whitlock was in Wheeler Tuesday, he was just getting

Mr. and Mrs. Jimmy Keelin

PATSY EMLER AND JIMMY KEELIN EXCHANGE VOWS

Miss Patsy Emler, daughter of Mr. and Mrs. Elmer Smith, of Pampa and Jimmy Keelin, son of Mr. and Mrs. Travis Keelin of Pampa, were united in marriage Friday night, Feb. 17 at 8 o'clock. The double ring ceremony was performed by Bro. M. B. Smith at the Highland Baptist Church in Pampa. The bride wore a street

length dress of blue print chiffon over blue print taffeta with white accessories. Maid of honor and best man were Mr. and Mrs. Lester Randall, sister and brother-in-law of the bride. Several friends and relatives of the bride and groom attended the wedding. The couple are making their home at Pampa.

back to work after falling 17 ft. from the top of a hay stack. He has been in the hospital for the past week. Our A number 1 helper, Lavelle Jacob has moved back to California. Wheeler residents are sure going to miss her, especially me. I think she is the finest woman I have ever met.

Mr. Gaddy Vise came in Tuesday to tell me that we were having a dust storm, sure appreciate people like Mr. Vise. Last week, my little son, Steve Earney, sat in the back seat of our car and broke eleven eggs, one at a time, on the floor of the car. Fat Jones was seen trying to break into his own car after Church last Wednesday night. It seems he locked the keys in the car. N. D. Ware Jr., Dick DeArment and Harrison Hall walked around the block 6 times in Amarillo before the attendant of a private parking lot finally gave up and left so they could get their car. The Oil leasing activity in Wheeler County has been pretty brisk during the past few weeks. The Stamps Quartet of Dallas, Texas will appear in the Kelton High School auditorium Monday night, March 20th at 8:00 P.M. The program is free to the public and is sponsored by the Northern Star Seed Farms of O'Brien, Texas. The Briscoe PTA has scheduled a fund raising event for the evening of Tuesday, March 14 at 7:30 P.M. The PTA men will play the high school boys a basketball game, and the PTA women will play the highschool girls a volleyball game. An auction will be held between the games.

Winter Weeds Can Be Controlled In Lawns

College Station, March 9 — Having trouble with winter weeds in your lawn? They can be eliminated with chemicals, says George McBee, extension pasture specialist. The chemicals should be applied when the weeds are growing and before seed are formed. To control upright or semiprostrate annual weeds such as burclover, henbit and rescue grass, McBee says the chemicals should be applied when the plants are no more than three inches tall. If they are above this height, he advises a close mowing and then waiting for three or four days of regrowth before making the application.

Low growing plants such as carpet burweed should be treated when the plants are young and before they bloom. Thorough coverage of the leaves and stems with the chemical is a must for all weed control.

McBee says the most commonly used chemicals are 2,4-D and endothal. Disodium methylarsenate and amine methylarsonate can be used for spot treatment. Naphtha and ammonium nitrate are other chemicals often used. Lawn grasses will be killed by naphtha but the spots should cover over in a few weeks.

The specialist warns that care should be exercised when using any chemical and that the manufacturer's recommendations should be followed closely. He suggests that you visit your local county agent or home demonstration agent and pick up a copy of L-425, "Chemical Weed Control in Lawns." Each of the recommended chemicals along with spray or spot treatment solutions is discussed. The leaflet also contains other suggestions for lawn care and maintenance.

It's Best To Know What's In The Bag

College Station, March 9 — Seed bargains, like other so-called bargains, can end up being very expensive. Farmers who buy untested or non-recommended varieties of seed may lose all or part of their investment in land, land preparation and fertilizer, warns R. J. Hodges, extension agronomist.

In the overall cost of producing a crop, seed is a minor item, whether it is the cheapest seed or the most expensive. It generally works out in the end, however, that the cheapest seed is by far the most expensive. There is no possible way to justify the loss in yield and quality that results from using poor seed, when for only a few cents per acre, good seed of known quality and performance, can be planted, says Hodges.

Will you look for a "bargain" or, more important, will you buy good quality seed. Before you answer, consider the time, labor and money you have invested in the preparation of your land. If you are going to plant poor seed, all of this other work and money may be wasted. Give your land a chance—plant only good quality seed.

Now you may ask, "How will I be sure that I am getting good seed?" The Texas Seed Act requires that all seed offered for sale at a seed store must bear an analysis tag. This tag has the percentage of weed seed, the germination and other data important to the buyer. These are the things that determine whether or not you are getting good or bad seed, explains Hodges.

For more information on varieties or hybrids recommended for your particular area, see the local county agent. He will be glad to furnish information on planting seed and other production items, Hodges concludes.

MOBEETIE RESIDENTS TO HAVE NEW PHONE NUMBERING SYSTEM

Mobeetie Telephone customers will be using a new numbering system beginning May 6, the date set for distribution of General Telephone Company of the Southwest's 1961 directory.

Known as the All Numerical Calling Plan (ANC), each telephone number will be composed of seven digits, R. L. Brewer, district manager, explained that the new system will replace the more familiar two letter-five number (2LSN) system inaugurated when the telephone industry first launched its long-range program to permit operators and/or customers to dial direct from one city to another.

The present Mobeetie prefix is Viking 5. Under the new ANC plan the "VI 5" will be replaced by "845".

Brewer pointed out that the 2LSN system is being replaced as rapidly as possible in order that all number combinations appearing on the telephone dial can be utilized. As the number of customers being assigned 2LSN numbers throughout the nation increased, the necessity of using all possible number combinations on the dial also increased.

"In some areas," Brewer said, "we are running out of possible letter prefixes."

As a result of this realization, a study was undertaken in Wichita Falls, Texas, to determine whether assigning seven digit telephone numbers proved satisfactory to customers and operators. Conclusions of the extensive study was that the ANC plan not only was satisfactory, but even eliminated some previous dialing errors resulting from confusion between the numerical "1" and the letter "I" and numerical "zero" and the letter "O".

Brewer emphasized that the new numbers represented a "paperwork" change in most instances, since the old "VI 5" and the new "845" numbers require identical pulls of the dial.

Mr. and Mrs. Pete Cule from Pampa visited with the Loyd Lees Sunday.

Mr. and Mrs. W. O. Weatherly visited in Happy Sunday with Bobby Weatherly.

The Progressive Study Club Studies International Affairs

The club met recently in the home of Mrs. Lyndon Sims.

Winter Weeds Can Be Controlled In Lawns

College Station, March 9 — Having trouble with winter weeds in your lawn? They can be eliminated with chemicals, says George McBee, extension pasture specialist. The chemicals should be applied when the weeds are growing and before seed are formed. To control upright or semiprostrate annual weeds such as burclover, herbicide and rescue grass, McBee says the chemicals are no more than three inches tall. If they are above this height, he advises a close mowing and then waiting for three or four days of regrowth before making the application. Low growing plants such as carpet burweed should be treated when the plants are young and before they bloom. Thorough coverage of the leaves and stems with the chemical is a must for all weed control.

McBee says the most commonly used chemicals are 2,4-D and endothal. Disodium methylarsenate and amine methylarsenate can be used for spot treatment. Naphtha and ammonium nitrate are other chemicals often used. Lawn grasses will be killed by naphtha but the spots should cover over in a few weeks. The specialist warns that care should be exercised when using any chemical and that the manufacturer's recommendations should be followed closely. He suggests that you visit your local county agent or home demonstration agent and pick up a copy of L-425, "Chemical Weed Control in Lawns." Each of the recommended chemicals along with spray or spot treatment solutions is discussed. The leaflet also contains other suggestions for lawn care and maintenance.

It's Best To Know What's In The Bag

College Station, March 9.—Seed bargains, like other so-called bargains, can end up being very expensive. Farmers who buy untested or non-recommended varieties of seed may lose all or part of their investment in land, land preparation and fertilizer, warns R. J. Hodges, extension agronomist.

In the overall cost of producing a crop, seed is a minor item, whether it is the cheapest seed or the most expensive. It generally works out in the end, however, that the cheapest seed is by far the most expensive. There is no possible way to justify the loss in yield and quality that results from using poor seed, when for only a few cents per acre, good seed of known quality and performance, can be planted, says Hodges.

Will you look for a "bargain" or, more important, will you buy good quality seed. Before you answer, consider the time, labor and money you have invested in the preparation of your land. If you are going to plant poor seed, all of this other work and money may be wasted. Give your land a chance—plant only good quality seed. Now you may ask, "How will I be sure that I am getting good seed?" The Texas Seed Act requires that all seed offered for sale at a seed store must bear an analysis tag. This tag has the percent of weed seed, the germination and other data important to the buyer. These are the things that determine whether or not you are getting good or bad seed, explains Hodges.

For more information on varieties or hybrids recommended for your particular area, see the local county agent. He will be glad to furnish information on planting seed and other production items, Hodges concludes.

rest of the county took a chance on Mr. Nixon?

While on the subject of politics, I notice where our honorable Grainger McIlhany has written and passed a couple of very important bills through the house.

House bill no. 59 exempts farm trailers from registration and license fee requirements and would apply to the cotton trailers used in our section of the state. In the past, this fee has not been collected in most cases, but under our present laws trailers of over 4,000 pounds come within the license provisions.

The need for this exemption comes from the fact that these trailers are used mostly on a seasonal basis and will not travel many miles on the highways during the year.

This bill has passed the House and is before the senate for consideration.

House bill no. 96 brings up to date the Texas laws in regard to the quality of commercial fertilizer sold in the state.

The purpose of this act is to guarantee to the user of commercial fertilizer that he is actually receiving the quality of product that he is paying for.

Accurate and full labeling is required and detailed testing procedures are set up. The enforcement of this act is under the supervision of Texas A&M College. This bill has passed the House and is in the Senate Agriculture Committee.

Some people are saying that I have more notions than a five and ten cent store.

MAKIN THE SQUARE: Henry Risner had one of the highest scores in tournament bowling in Shamrock Monday night. His highest game in a three game series was 194. Donald Reeves also ranked among the highest, his best score was 180. Donald bowls on the Wheeler Fire Department team and Henry bowls on the V & E Real Estate and Insurance team. Three men filed for a position on the city council, they were Robert Denson, Adrain Risner and Bill Chapman.

Coy Revious says it won't be long until he will be ready to Nig Clark is walking around with a broken arm. W. D. Mitchell has been limping around lately, understand he scalded his foot. It's getting about time to start planning for another Easter Egg Hunt.

Several members of the Fair Board plan to leave Wheeler Friday on a tour of Claude and Canyon where they will see and inspect fair buildings of the type board has also scheduled a meeting for Tuesday, March 14 at 7:30 p.m. in the Wheeler County courthouse.

Palmer Sivage is back in town this week, he was in Stevensville and Odessa last week on business. Buster Whitlock was in Wheeler Tuesday, he was just getting

PATSY EMLER AND JIMMY KEELIN EXCHANGE VOWS

Miss Patsy Emler, daughter of Mr. and Mrs. Elmer Smith, of Pampa and Jimmy Keelin, son of Mr. and Mrs. Travis Keelin of Briscoe were united in marriage Friday night, Feb. 17 at 8 o'clock. The double ring ceremony was performed by Bro. M. B. Smith at the Highland Baptist Church in Pampa. The bride wore a street

length dress of blue print chiffon over blue print taffeta with white accessories. Maid of honor and best man were Mr. and Mrs. Lester Randall, sister and brother-in-law of the bride. Several friends and relatives of the bride and groom attended the wedding. The couple are making their home at Pampa.

GIRLS PREFER TRADING STAMPS

Mrs. Housewife is the number one "aficionada" of trading stamps. Take it from Curtis L. Carlson, President of Gold Bond Stamp Company, the firm that has just introduced its program in this area, surveys show that women prefer stamps to any other kind of store promotion, including a car giveaway.

"It's simple," Carlson said, "for a store gives away six autos, six women will be happy, but hundreds more won't. With trading stamps everybody gets something."

In addition to the redemption merchandise they get, Carlson said, housewives receive other benefits from the trading stamp system.

Stamps help control family budgets since they are given only with cash purchases, he said. A number of independent surveys show that consumers like and want trading stamps because they are a method of painless saving—not unlike payroll savings plans for pension and welfare funds and Christmas savings plans, Carlson said.

"These surveys also show that customers derive other psychological satisfaction from stamp saving, which reinforces the economic appeal," Carlson said.

One university professor finds that stamp savers have a reputation with friends for being thrifty; they find that their collecting need is satisfied and they find satisfaction in the actual redemption of completed stamp books. More than one-third of all stamp savers plan in advance for their redemption and a majority report a sense of urgency to start saving again once they have made their first redemption.

And the professor also says that people just enjoy getting something without paying cash for it.

Gold Bond Stamp Company offers more than 1,500 gift items, famous brand merchandise from the country's leading manufacturers. These items, redeemable by Gold Bond Savers Books, may be obtained at the firm's more than 285 gift centers over the country.

Gold Bond has never refused to redeem any of its stamps, Carlson said, and it does encourage redemption because this increases the effectiveness of stamps as a promotion aid to the dealer.

"Obviously, it is also to our best interests, for without enthusiastic stamp savers, we can neither maintain old accounts nor acquire new ones, he said.

At least 95 percent of Gold Bond stamps are redeemed, Carlson said. The company does not sell its stamps to retailers, but retains ownership of them and licenses the use of its stamp service.

It takes 1,500 stamps to fill a Gold Bond Savers Book. Each year Gold Bond issues a gift catalog. This year's contains more than 1,200 gift items.

Gold Bond operates in 42 states and Canada, having grown from a small group of stores in Minneapolis, Minnesota, to its present position as one of the two largest independent trading stamp companies in the world.

Carlson was a salesman for proctor and Gamble when he started Gold Bond in 1938. He started his trading stamp company on off-duty hours. It wasn't easy. At one point he was refused a bank loan for \$1,000, being told that there was no future in the trading stamp business.

But the business did grow, and soon Carlson left Procter and Gamble. By 1941 Gold Bond was moving into southeastern Minnesota and neighboring Wisconsin. A set-up in retailers' competition speeded the company's progress and during the years 1945 and 1953 it spread into 11 states.

Gold Bond was the first trading stamp company to get a large supermarket as an account. Today the company serves a number of the nation's large supermarket organizations in various parts of the country. In addition other retail outlets such as drug stores, supermarkets and dry cleaning establishments all over the country offer Gold Bond stamps.

An unusual way of contributing to the community will be offered to residents of this area in the future, Carlson said.

Persons who shop at Gold Bond merchants may use their stamps to get free gifts for themselves and in addition share the stamps with their organizations to get needed equipment free, he said.

"By doing so," Carlson continued, "they participate in the Group Project Plan of Gold Bond Stamp Company, a part of the firm's far ranging, public service program."

Mr. Joe Weldon

We of the Kelton community wish to express our deepest sympathy to Mrs. Elmer Ledbetter and children, for the loss of Mr. Elmer Ledbetter who died last Sunday afternoon. Mr. Elmer Ledbetter's funeral was held Tuesday at 2:30 at the Kelton Methodist Church. Rev. Gene Louder was in charge of the service, and was assisted by Rev. Joe P. Weldon.

The death of Mr. Ledbetter will be a great loss to our community. The WMU at the Baptist Church postponed their week of prayer, for home Missions from Tuesday to Thursday, March 9, because of the funeral.

Mr. and Mrs. J. R. Clemens and son visited with Jimmy Don and Pat in Lubbock this past weekend. Friday, March 10th the Home Demonstration Club will meet in the home of Mrs. Edgar Blocker. The program will be given by Mrs. John Dabery and Mrs. Johnny Burrell.

The T.E.L. Class at the Baptist Church had their regular monthly social last Thursday in the home of Mrs. Chester Beasley. The meeting was led by their president, Mrs. Chester Beasley. The devotional was given by Mrs. Joe Weldon. Refreshments were served of angel food cake, punch and coffee.

Those attending were Mrs. Garland Abernethy, Mrs. Carl Abernethy, Mrs. Louie Abernethy, Mrs. A. Pond, Mrs. H. Briley, Mrs. Fred Rathjen, Mrs. Leonard Rathjen, Mrs. Judd Anderson, Mrs. Tom Killingsworth, Mrs. Chester Beasley and Mrs. Joe Weldon.

Mr. and Mrs. Connie Palmer are proud parents of a son, Jerry, born recently at the Shamrock Hospital. Mrs. Palmer is the daughter of Mr. and Mrs. Louie Abernethy. Mr. and Mrs. John Dabery went to see their daughter, Jean, who is attending college at Canyon last Thursday.

Mrs. Tom Bryant went to Sayre, Okla., Friday.

Guests in the home of Rev. and Mrs. Joe P. Weldon Friday were Rev. and Mrs. Harold Poage and family from Abernethy, Texas.

Visitors in the home of Mr. and Mrs. Carl Abernethy, Saturday were their son and wife, Mr. and Mrs. Forrest C. Abernethy of Medicine Lodge, Kansas.

The Kelton School "Athletic Banquet" was held last Monday in the Kelton lunch room. The invocation was given by Rev. Joe Weldon. The welcome was given by Mr. Mac Shaffer. The speaker was Mr. David Kelly. Special awards were given by the coach, Mr. Billy White to several of the students and a trophy was given to the most faithful boy and girl.

The honored students were Mac Shaffer and Ann Lummus.

COMING: Stamps Quarter of Dallas, Texas, they will appear in the Kelton High School auditorium Monday night, March 20 at 8 p.m. the public is invited. They are sponsored by the Northern Star Seed Farms of O'Brien, Texas.

Rev. Joe Weldon left Kelton Wednesday to attend the funeral of his uncle, Mr. Bruce Welden of Wichita Falls, Texas.

A jewelry party was held Friday night at the home of Mrs. J. R. Clemens.

The grade school boys and girls at Kelton again won honors in the Pee-Wee tournament held at Allison this past week. The boys won first place trophy and the girls won second place trophy.

The building addition at the Baptist church is on its way, if you haven't seen it stop by, but be careful they may hand you a hammer. All kidding aside, the men are doing a splendid job.

A "Donkey" ball game was held at the Kelton Gym Saturday night. Lots of fun and laughs was had by all who attended.

Mr. and Mrs. Neal Raymond and children and Rev. and Mrs. Joe P. Weldon and children, had Sunday dinner together.

Miss Anne Marie Weldon spent Sunday afternoon with Mr. and Mrs. Leonard Rathjen, Doris and Mr. Wilson.

Jana Weldon is doing fine after her little accident and no serious damage was done.

Glenda Pond underwent surgery Friday at the Shamrock hospital. She is home and doing fine.

Londale and Gayla Dale spent the weekend with Kelton friends.

Rev. and Mrs. Gene Louder had Sunday dinner in the home of Mr. and Mrs. Johnny Burrell and Sherrie.

Part of the Junior Sunday school class at the Methodist Church went to see the religious movie "Ben-Hur" Sunday afternoon at Shamrock. Those who attended were Mrs. Buster Walsler, Mrs. Roy Christopher, Matt Mills, Gale Ledbetter and Larry Wood-Blackburn.

Rev. and Mrs. Gene Louder spent Saturday morning in Wellington.

Those attending the basketball game at Allison Saturday night were Rev. and Mrs. Gene Louder, Mr. Teed Pond, Mr. and Mrs. Buster Walsler, Mr. Billy White, Mrs. Roy Christopher, Mrs. Johnny Field and Rev. Joe Weldon.

Mobeetie Eastern Star Is Hostess For Group From Six Chapters

The Mobeetie Eastern Star met Saturday evening in the Lodge Hall at 7:30 to greet and entertain visitors from six other Chapters. There were a total of 79 persons present.

Wheeler: Samie Atherton, Irma Kirk, Etta Crowder, Betra Farmer and Frank Inis Walker.

Briscoe: Mrs. Ruby Blackburn, a former member at Gage, Okla.

Miami: Faye Smith, Mrs. Clyde Hodges, Mr. and Mrs. Ray Anderson, Mr. and Mrs. Dave Turner, Florence and Glenn Dodson, Odessa McCraw, Tommie Madden, Ronnie and Clarence Williamson, Alpha and Clarence Christian, Lena and A. B. Moore, Addelle Osborne, Cassie, Euqua and Emma Gray.

Borger: Ada Jackson, Mr. and Mrs. Alexander and Cleve and Mrs. Frosty Craven.

Pampa: Edith and Bob McCabe, Katie Vincent, Ruth Sewell, J. B. and Mrs. Huntington, Sweet Shearer, Viola Cobb, Genevieve Brown, Louise and A. E. Collins, S. E. Brown, Resta Rue Hestand, Babe and T. A. Masten.

Canadian: Bob and O. G. Riley, Mr. and Mrs. Russell Shaw, Mr. and Mrs. Earl Johnson.

Shamrock: Jo Ann Williams, Bonnie Dodson, Bonnie Brothers, Ada Risk, Joy McDowell, Lucille Hamill and Grace Hanner.

Mobeetie: Laura and Boyd Kennedy, who now reside in Pampa, Bob & Bessie Galmor, Henry and Edith Flanagan, Jess & Gazelle Patterson, Fleda Godwin, Hattie Lee, George & Peggy Dunn, Roy and Martha Oglesby, Eunice Carter, Orville and Aubrey Greenhouse, Grady & Sallie Harris.

"Others" was the theme of the program presented by Sallie Harris, Peggy Dunn, Hattie Lee, Edith Flanagan, Fleda Godwin and Orville Greenhouse. A trio composed of Edith Flanagan, Peggy Dunn and Fleda Godwin rendered the song "Others" they were accompanied by...

The less men think, the more they talk.

CARD OF THANKS

I would like to take this opportunity to thank all of my friends and loved ones for the many acts of kindness extended to me during my recent stay in the Shamrock hospital. I especially want to thank those who sent flowers and cards. May God richly bless each and everyone of you.

Mrs. Jackie Johnson

Mr. and Mrs. T. M. Bowman and Joyce Edwards and boys visited in Shattuck Sunday with John Bowman and family.

Mr. and Mrs. Raymond Burks and family and Boyd Burks attended the Fat Stock Show in Pampa Sunday.

S & C Club Meets With Mrs. Claud

Mrs. Claud Crouch to the Stitch and Sew Friday in her home.

The business meeting conducted by Mrs. Crouch was spent quilting.

A delicious covered dish was served at the meeting.

Members present were W. Hooker, M. M. W. Bradstreet, George W. Rogers, Otis Ford, Cartney, M. B. Lutz, Burke and the hostess, Crouch.

The next meeting will be in the home of Mrs. M. B. Lutz on March 16th.

Your RIGHT TO VOTE

MR. AND MRS. VOTER, do you feel that you should have an opportunity to vote on legalizing Parimutuel Horse Race Betting?

A constitutional amendment (H.J.R. #4) is being considered whereby Texans will be given an opportunity to legalize horse race betting in Dallas, Tarrant, Harris, Galveston, Bexar, Midland, Hidalgo, Cameron and Webb Counties, subject to approval by LOCAL OPTION.

H.J.R. #4 provides for distribution, ANNUALLY, among all counties that do not have race tracks, one-half of the STATE TAX REVENUE obtained from horse racing. Each county would receive approximately \$1.00 per capita population the first year. Counties where the tracks are located would receive 2% of parimutuel handle. The state's tax income from horse racing alone would run over \$12,000,000 the very first year—possibly more—besides all the tourists would bring to Texas—which would amount to million dollars, plus a great ad valorem tax on race tracks, breeding and many valuable race horses.

Please express your opinion by checking the appropriate box. You do not have to sign your name unless you like, but we prefer it.

..... P O L L

YES: I feel that the people should have an opportunity to vote on horse race parimutuel betting.

NO: I am not in favor of letting the people vote on the subject.

Methodist Leaders in Abilene

Methodist leaders at the North-west Texas conference and the New Mexico conference will be in Abilene 4-16 as the annual spring lectures and the Board of Christian Education are held on the College Campus.

M. Willson, Sr., of Floyd, has set the board for March 14, opening the lectures. One of the important items up for consideration is a proposed new \$175,000 administration building for the district.

Most of the funds for the structure were donated last year by Lubbock Banker C. E. and his wife. The building is named for them. Contractor the new building will be signed at the March 14 meeting.

Dr. R. Bennett, McMurdock, has announced that Dr. Willson lectured on "The outstanding Indiana author" (Dr. D. Elton Trueblood) of philosophy at a college. Dr. Trueblood has 18 books and is in command on the lecture platform.

Trueblood holds degrees from Iowa, from the University, and received a Ph.D. from Johns Hopkins University. He also holds seven honorary degrees.

He is chief religious adviser of the U.S. Information Agency during 1954-55.

BRISCOE SCHOOL

The Board of Education, Briscoe Public School District No. 2, are glad to announce that we are well pleased with the efforts and offerings of the entire faculty.

An expression of gratitude we offer to the contractor with Supt. Blackburn and each classroom teacher. We are well pleased with the national offerings through the entire system. We are well pleased with the friendly relation we have established between us and our neighbors.

We want to thank the faculty, student body and the community for work and cooperation that is necessary for a successful school.

Lee Barry, President
Board of Education

Mobeetie News

Mrs. G. B. Dunn

Mr. and Mrs. J. D. Thomas of Olton, Texas, visited Saturday night and Sunday with his mother, Mrs. Daisy Thomas.

Was good to see Charley and Carol Ann Scribner in Mobeetie over the weekend. Charley is teaching at Olton.

Alfred Corcoran's baby girl has been quite sick but is better at this time.

Mr. and Mrs. Kenneth Walker and daughter Becky visited with Mrs. Charlie Nixon and Mr. and Mrs. Woodford Williams over the weekend.

Mr. and Mrs. Woodford Williams spent some time in Littlefield last week visiting with Mr. and Mrs. Marion J. Williams and children. Mr. and Mrs. Loyd Lee of Wheeler spent Friday evening with Mrs. Ernest Lee.

Mrs. Harrison of Carnegie, Okla., spent the weekend with her son and family. The Willard Harrisons, Mr. and Mrs. Tony Thomas, and son were Sunday visitors with them.

Mrs. Arica Corcoran Lancaster was honored with a birthday supper in the home of her parents, Mr. and Mrs. Curtis Lancaster, Mr. and Mrs. Paul Hathaway and daughter, Mr. and Mrs. Dickey, Anne Mae Gudgeon, Garland Lancaster, Mr. and Mrs. Arize Corcoran and Ray and Mr. and Mrs. Aaron Lancaster.

The F.H.A. girls went to Lub-

bock Friday and Saturday for their meeting. The mothers that went were Mrs. Walter Coward and Mrs. B. M. Rogers and Home Ec teacher, Mrs. Alfred Corcoran. 17 girls went from Mobeetie.

The grade school girls basketball team won first in the Allison Tournament Saturday night. We are quite proud of the girls.

MOBETTIE HONOR ROLL

First Grade: A—Carla Ridgeway, Stephen Rogers and Janice Newson.

A & B—Larry Johnson, and Brenda Salsman.

Second Grade: A—Charlotte Seitz and Bobby Underwood.

Seventh Grade: A & B—Judy Bailey and Linda Johnson.

Eighth Grade: A—Judy Rowel and Billy Whitten.

A & B—Jackie Barton, Edie Hodges and Jim Johnston.

Freshman: A—Mary Helen Gudgeon and Sharon Underwood.

A & B—Ray Corcoran, Nelda Dickey, Berinda Rogers and Judy Hudson.

Sophomores: A & B—Robert Kelley, Marolyn Trout and Maurita Turner.

Juniors: A—Anna Mae Gudgeon.

A & B—Elaine Barker and Sarah Barton.

Seniors: A—Jeff Kelley.

A & B—Sandra Boothe, Ada Lou Allen, Ann Gatlin and Sue Hooker.

FRIENDSHIP AT O.E.S.

The Mobeetie Eastern Star had their Friendship night Saturday night with around 75 guests. A good program was put on by the members of Mobeetie and a wonderful salad supper after the meeting. There were members from Canadianian, Wheeler, Borger, Miami Shamrock and Pampa attending.

The Mobeetie Masons entertained their wives with a George Washington supper. About 40 people attended and everyone enjoyed the meal and a wonderful time talking afterwards.

FORT ELLIOTT CLUB

The Fort Elliott Study Club met with Mrs. Fleda Godwin, March 2, with the President in charge. Club Collect was lead by Mary Hazel VanZandt. After a short business meeting the Program Leaders directed a very interesting and instructive study of the wild flowers and wild life in State and many are to be seen in the Panhandle.

The picture is furnished by the State Game and Fish Commission. The leaders were Mrs. Margaret Trout and Martha Oglesby. Roll Call for the day was Texas Authors.

Delicious refreshments were served to one guest, Mrs. Jess Patterson and thirteen members: Carrie Willis, Ann Uzzle, Hattie Lee, Juanita Rogers, Daphne Pugh, Bessie Galmor, Mary Hazel VanZandt, Mary Finsterwald, Pat Johnston, Martha Oglesby, Margaret Trout, Ether Lee Dyson and hostess, Fleda Godwin.

We are growing serious, and let me tell you that's the very next step to being dull.

Praise loudly; blame softly.

BOYS END SEASON WITH TWENTY-THREE VICTORIES

Winning six trophies out of eight tournaments, taking 23 of the 31 games played and compiling 744 points to their opponents 594 was the record established by the Wheeler high school basketball team this past season.

Two first, two second and two third place trophies were added to the crowded shelves of the trophy case.

Only two of the foes of the local team scored more than 30 points against cagers this season and both of them were runners-up in their respective districts. Borger and Williams high scored 33 and 35 points, respectively, on the local quintet. The home five took second place in their second tournament of the season being defeated by Williams high in the finals at Samnorwood.

The other second place honor was copped at the Wheeler Invitational tournament held here. The first place medals were won at the county tourney and at the Mobeetie meet.

Third place cups were taken at Shamrock and Miami.

Stephens was easily the highlight and sparkplug of the season and the team's offensive attack was centered about him. Page was also hitting the hoop for points at differing times.

The team, although average in offensive strength, displayed a strong shifting zone defense on which they could rely in the pinches.

Coach Stina Cain states "Considering the amount of material that was on hand at the beginning of the season, I am more than pleased with the results."

Lettermen of the season were: Page, Puckett, Graves, Emmer, Green, Stephens, Markham and Warren.

HAD YOUR SOIL TESTED?

College Station, March 9 — If your tractor engine began to fail would you buy new spark plugs, points, a battery and a coil? You might, and it's possible that these new parts would remedy the situation. But suppose you bought all of these and were then told by a mechanic that all you needed was a new set of points.

The same situation exists with crop land for spring seeded crops. You're certain the soil needs fertilizer and lime, but you're not sure how much and what grades. Are you going to guess and take a chance on wasting money, or are you going to make a soil test and be sure?

W. F. Bennett, extension soil chemist, recommends that you make a soil test, and do it early. He says it is important to eliminate as much of the guesswork as possible, and soil testing will certainly help establish the amount and kind of fertilizer to use.

A sample may be taken any time soil moisture conditions permit, Bennett explains. By sending the samples to the laboratory now, farmers will avoid the last minute rush and be ready to seed their crops when the weather permits. They will also have the reassurance of knowing their crops have the necessary nutrients for maximum growth.

"Remember," concluded Bennett, "Don't guess—Soil test."

The average man considers other men wise only when they come to him for advice.

Briscoe News

By Dorothy Ault

Billie Sue Douthit, daughter of Mr. and Mrs. K. D. Douthit, has been in the Highland General Hospital in Pampa with a back injury. She is reported doing better.

Clifford Hefley gave the Briscoe High School boys basketball team a steak supper at Nora's Cafe in Wheeler Friday night. The boys were second place winners in the district tournament.

Mr. and Mrs. Vern Lohberger and Howard visited Mrs. Lucile Tipps Monday.

Mrs. Lee Barry visited Mr. and Mrs. Fred Blackburn and Toia Faye Bynum Sunday afternoon.

Friday evening, Mrs. Travis Keelin and Jerry went to Chan-

ning, Texas. Travis is working to bring him home for the weekend. Mr. and Mrs. Cliff Walker and Billy attended the Fat Stock show in Pampa, Sunday afternoon, and visited in the Charles Davis and Myrtle Hunter Homes.

Sherry Douthit was a Sunday diner guest of Mr. and Mrs. C. H. Bradstreet and family in Wheeler.

Mr. and Mrs. Lee Barry stayed Thursday night in Amarillo with her sister and daughter, Mrs. Ola Barry and Nelda Bush and boys. Friday morning Lee went to the Veterans Hospital for a foot examination. They returned home Friday evening.

Jimmy Joe Ault, son of Mabel Ault of Allison left Monday morning for the Navy Base in San Diego, California, where he will be stationed for 9 weeks of Basic training. Mrs. Jimmy Ault will stay with her mother, Mrs. Lucile Tipps, until he returns for her.

Mr. and Mrs. Jimmy Keelin and Gary Gillwater from Pampa visited Saturday with the Travis Keelins.

Mrs. Roy Waters is in bed with the grip throat. She has been sick since Friday evening.

Mrs. Tolz Faye Bynum fell out of her front door, Friday morning and almost fractured her leg. She's still limping around.

Mrs. Martin and three children from Wellington attended the Assembly of God Church Sunday.

Mr. and Mrs. Gene Helton and Helton and family were Sunday morning callers at Mr. and Mrs. M. N. Renfro's.

Mr. and Mrs. H. J. Finsterwald Donald and Charles visited the John Wrights Sunday.

Mr. and Mrs. K. D. Douthit and family ate Sunday dinner with Mr. and Mrs. Gary Rallsback from Pampa. After dinner they all visited Billie Douthit at the hospital.

Mrs. Oden Hudson and Sharon, Mr. and Mrs. L. J. Hudson and Ronnie Gatlin motored to Childress Sunday to visit with Mrs. F. B. Hudson and Mr. and Mrs. T. L. Dement.

Mr. and Mrs. Arnold Liggett and family from Wichita Falls and Mr. and Mrs. Charley Rhodes from Bowie, Tex., were Sunday guests in the W. W. Strawbridge home.

Mr. and Mrs. Jim Ault visited Mr. and Mrs. Jim Walker in Wheeler Sunday afternoon.

Mrs. Jack Wilford, a former pastor's wife of the Baptist Church and her mother from Pampa visited Mr. and Mrs. Lee Barry last week. Rev. Wilford is a Chaplain in the Armed Service. He is to finish his service in six months.

Mrs. J. H. Finsterwald visited Mrs. Lucile Tipps Monday.

Peggy and Debbie Douthit visited Mrs. Harold Crossland and family in Wheeler Friday.

Mr. and Mrs. John Harrell from Andrews, Texas visited in the L. J. Hudson home Thursday night. Friday and Saturday they left for Wichita Falls, Texas.

The Briscoe 4th, 5th and 6th Grade boys won third place in the Allison tournament. The girls got beat out. Both teams played awful good ball.

Briscoe 4-H Has Recreation Party

The members of the Briscoe community 4-H enjoyed a recreation party at the Briscoe Club House Tuesday night, Feb. 28th. The games were planned and directed by Judy Finsterwald. Refreshments of cakes and cookies were planned by the following committee: David Zybach, Harvey Puryear, Larry Puryear, Ida Lou Helton, Diane Dodd. They were served to the following: Melody Zybach, Lynda Blackburn, Diane Dodd, Ida Lou Helton, Suzann Sides, Judy Finsterwald, Harvey Puryear, Bill Walker, Russell Atherton, Helen Puryear, Wayne Childress, Kathy Childress, David Zybach, Winnie Smith, Arville Atherton, Tommy Hays, Gay Zybach.

These parents were present: Mr. Jack Hays, Mr. Elbert Zybach, Mrs. Milton Finsterwald, Mr. and Mrs. Cliff Walker, Mrs. Grady Dodd, Mrs. Jim Helton, Mrs. J. P. Meek and Mrs. R. L. Zybach.

Mrs. Jimmy Keelin Honored With Shower

Mrs. Jimmy Keelin was honored with a Bridal shower Thursday, March 2 at the home of Mrs. J. E. Steen in Briscoe. Angel Food cake and blue punch was served to forty-six guests. Several sent gifts. The hostesses were, Berntha Steen, Dorothy Walker, Lou Dean Douthit, Margie Meadows, Willene Waters, Sammie Atherton, Lois Hudson, Bessie Barry and Doris Hays.

Volume 1, Number 3 Edited Semi-Monthly By Wheeler High School Students Wheeler, Texas

TEACHER OF THE WEEK

Mrs. Bessie May Whitener has been chosen teacher of the week. She received her B.S. degree from West Texas State in 1931. She has completed one-half of the work toward her Masters Degree. She married Gordon Whitener in 1934 after teaching for six years. She has taught here fourteen years, and was here when the present Home Making Cottage was built. After teaching Health and Science in the upper grades three years, she came to High School to teach Home Economics. She has two children, William who is at home at the present and Nancy who is a freshman at Hardin Simmons University in Abilene. She sponsors the F.H.A. and Student Council. She is a member of the First Baptist Church and teaches the Adult Sunday School Class. Mrs. Whitener is a native of Wheeler County. When asked what she thought of Wheeler, she replied, "I think Wheeler is the grandest place there is. It is an honor to be part of it." Her pet peeve is chewing gum in public places. Her greatest ambition is to train girls in the arts and sciences of Home Making.

Auto Supply Whips Sheriff's Possee

Shamrock Auto Supply of Shamrock downed Wheeler County Sheriff's Possee 80-65 in the opening game of the Independent Basketball tournament at Kellerville. Don Dorman of Mobeetie was high point man for the Possee. In the second round of play, the Citizen's National Bank of Pampa stomped the Possee aggregation 95-54. Playing on the Possee team from Wheeler were Thomas Helton, Richard Gaines, Marshall Watson, Kenneth Farris, and Wayland Newman. Other team members include John Turner and Jimmy Bowers. Miami, Noah Fuks, Ericsoe, Kenneth Newman, Don Dorman, John Melvin and Roland Galbart of Mobeetie.

Spring Rally For Key Club Held

The Third Annual Spring Rally for Key Clubs of Division VI was held Sunday in Borger High School. The meeting was called to order by Lt. Governor Charles Taylor, of the Tascosa Key Club. After the luncheon meeting, Melvin T. Munn, Division Chairman of Key Clubs, and Mr. Marian Bruce, Lt. Governor of Kiwanis Clubs Division VI, spoke to the group. Delegates divided into three discussion groups after the opening session. During the general session which followed the discussion period, the Key Club Lt. Governor for 1961-62 was elected. Nominees for this coveted position were Jerry Melson of Amarillo, Neil Latman of Borger, and Doy Hutchison of Pampa. The House of Delegates, composed of three members of each, elected Doy Hutchison by a big majority. Plans are being made by the local Key Club to have Doy speak to the local Kiwanis Club in the near future. This Spring Rally was the best on record for Division VI. Approximately seventy-five boys and fifteen sponsors were present. Boys attending from Wheeler and serving as voting delegates were Jerry Burgess, Troyce Hunter and Richard Hampton.

'Tween You and Me

Poor Karen Henderson can't have nice long nails. She "works too hard." The science class room received twenty new desks. The long tables they replaced were moved to the Ag Building to replace the older tables there. Hey Donald, have you won any Wa-hoo games lately? The girls in Home Making II are hard at work on their tailored garments. They are to be shown March 30. It should be a success if Mrs. Whitener can keep Annie out of the eggs and someone watches to see that Lucille gets her dress on right end up. Fran Borden's goal in life is to get married. Francis Cole wants to know if that isn't aiming a little high? Someone said that gossip is something that goes into one ear and another and another and another. We're glad to see Cecil Hamilton back in school after a recent illness.

ELEVEN STUDENTS TAKE TEST

Eleven students at the Wheeler High School have taken the National Merit Scholarship Qualifying test. Arling Cordell, Supt., announced today. The Test was administered at the High School at 9 a.m. Tuesday, March 7. All students who wish to be considered for Merit Scholarships to be awarded in 1962 took the test. The qualifying test was a three-hour examination of educational development. The test is the first step in the seventh annual competition for four-year Merit Scholarships provided by the National Merit Scholarship Corporation and by sponsoring corporations, associations, and individuals. The number of scholarships awarded in any year depends upon the extent of sponsor participation. In 1960, 831 scholarships were awarded; 514 were provided by 115 sponsors and 317 by the Merit Corporation. There are 3,132 Merit Scholars attending 931 colleges in the current academic year.

The scores of students who took the test on March 7 will be reported to their schools before the end of the spring semester in time for use by class advisors. The scores are used in many high schools to help students make decisions about college attendance and field of study. Many students who do not expect to win a scholarship take the test in order to learn more about their individual strengths and weaknesses in the areas measured by the test. Some 10,000 Semifinalists, the highest scorers in each state, will be named early next fall. Names of Semifinalists are published in a booklet which is distributed to all colleges and to other sources of financial aid for undergraduates. Further, their names and

Cheating Is Dishonest

It is the category with stealing and lying. In fact, it partakes of both. The cheat deprives his classmates of fair evaluation of their honest work, thus steals from them. He implies a lie to his instructor in pretending that he is submitting his own work. It is strange that a person guilty of such things is not ashamed of his activities. On the contrary, he frequently boasts of them. It is even stranger that other students feel constrained to pretend that they approve of his behavior or at least are indifferent to it.

Strangest of all is the fact that it is embarrassing to a student to decline to allow his neighbor to copy his work. If he does decline, he often finds himself an outcast. When doing the right thing is embarrassing or causes one to be shunned, society is sick. It is folly to pretend that we can have a great school or a great nation when dishonesty is accepted as a way of life. Anyone can see that individuals frequently flourish not just in spite of but because of dishonesty. But the society in which it is tolerated is a jungle.

Guess Who?

Our Guess Who last time was Violet Filligim as you could easily tell because of the flower (Violet) mentioned and the fact that she "loves round wheels" (Ferris Wheel) in amusement parks. Of course she is a senior from "the know-it-all class." Francis Alexander was the first to correctly identify Violet as the Guess Who. Here is a new one for you: To see him go scampering round the house He's quiet and shy as a mouse. But when in school He shuts the dance stool. So lively, so gay, and so very neat. But in spite of all this, he is full of conceit. That is enough I'll scribble no more. Tell us his name, please do, I implore.

Comings And Goings

Mr. Killingsworth journeyed to Plainview over the weekend to watch the Flying Queens play Nashville Business College. The Queens won both games 44-38 and 46-45. Laura Switzer, former McLean star, is a starter and second in scoring for the Queens. The following seniors took their college entrance examinations last Saturday: Violet Filligim, Francis Alexander, Kathleen Garrison, Kitty Hilder, Eileen Moore, Bill Stiles, Joe Loter, Jerry Burgess, Wayne Hill, Bob Riley, Troyce Hunter, and Marshall Watson. Hope you made it. Coach Boynton went to the Coach of the Year Clinic at Dallas over the weekend. Gloria Gaines Swires visited her mother, Ed, at Fort Hood over the weekend. Edwards is home on furlough from Fort Hood. Mr. Wiker and several F.F.A. boys are at the livestock show in Pampa. We'll have a complete report later. The meeting was adjourned.

SCHOOL NEWS

Be sure to visit us during this Texas Public Schools Week. Already many of you have been to see us. Plan to learn more about your children's progress. Come and have lunch in our fine cafeteria. You will be welcome. Each Semifinalist will be asked to take a second examination. Those who repeat their high performance will become Finalists in the Merit Program. Winners of the Merit Program, winners of Merit Scholarships will be selected from the finalist group on the basis of school records and recommendations, test scores, extracurricular activities, leadership ability, and accomplishments outside the classroom. Each finalist is awarded a Certificate of Merit attesting to his outstanding performance.

The scholarship stipends are based upon financial need. The minimum award is \$100 and the maximum \$1,500. The average stipend awarded to freshmen Merit Scholars in 1960 was \$827. Each scholarship stipend is a form of "educational insurance," since the stipend may be increased at any time if the student's financial situation changes during the four year term of the scholarship. Supplementary grants are usually made to the colleges which the Scholars attend.

In addition 25,000 students, selected on a national basis, receive Letters of Commendation for their high performance on the qualifying test. These students are considered for special awards made through the Merit Corporation, and their names and test scores are also sent to their first and second choice colleges.

W. A. Tacker was a semi-finalist last spring, but could not be awarded a scholarship because he was a senior when he took the test.

Bobbye Adams, daughter of Mr. and Mrs. Carroll Adams has been selected as Head Cheerleader for 1961. Other cheerleaders are Ruby Barton, Charlotte Hess, Liz Wiley, and Annie Riley.

F.H.A. Attend Area Meeting

The Wheeler F.H.A. girls left Friday, March 3 to attend the Area I F.H.A. meeting in Lubbock. Friday night the girls and their sponsors stayed at the Sands Motel. Everyone had a very enjoyable evening. They watched television, listened to the radio, and played cards and dominoes. The program was conducted by high school girls. The Area I F.H.A. officers were in charge of the program. The numbers on the program were given by different F.H.A. chapters. The program was very interesting and all reported a very fine trip. There were 2350 girls who attended the meeting. There were 138 different chapters represented.

The girls wore dress up dresses. Part of their accessories included hats and gloves. The girls all looked very lovely. The girls attending from Wheeler were: Sherry McNeil, Mary Holt, Marilyn Nash, Estelle and Mozelle Filligim, Valois Blevins, Beth Arganbright, Donna Watson, Ruby Barton, Fran Borden, Mary Ann Bradstreet, Kelly Bowles, Catherine Lancaster, and Francis Cole. Sponsors were Mrs. Gordon Whitener and Mrs. Bob McNeil. Everyone had a very nice time. Thanks to Marshall Watson for driving our bus.

FFA NEWS

Twenty members were present at the monthly meeting of the Wheeler F.F.A. After the opening ceremony the club conducted the business of the order. Jerry Hefley presided over the meeting. A committee was appointed to decide on time, place, and date for the F.F.A. Breakfast. Those on the committee are: Richard Hampton, Donald Gandy, James Williams, Charles Davidson, and Kenneth Burks. A spring project to clean and repair the City park was decided upon. A trip committee was appointed to select a place to go and to decide what the boys need to have to go on the Summer Tour. The ones on this committee are James Ray Henderson, David Trimble, and Neil Rogers. The following were appointed on the project committee: Neil Rogers, Kent Sims, and Mendall Hunter. They are to make the rules and regulations for feeding pens. The meeting was adjourned.

“OLD WORLD”

I saw a little bird sitting on a branch In a tall pine laden with snow. That's not a strange scene when you live in the country. But such sights set city folks aglow. I wish I was a cowboy, or even a chuck Wagon cook, so I could watch the ducks fly over The wide open spaces and snow-capped mountains. Instead of through smoky air from an apartment window. And when awakening, sniff the blossoming clover And have mown the day before. That would be the life to live, if only for a day. To hear the new born calf's first cry. And the roosters awakening call As the red and yellow rays come over the sky. To see the clear sky with its pillars of fluff, And to look into clear waters as fish away by. Why did the old timers leave all this beauty. And go to the city with its factories and industries. Trains, cars, planes, and smoke filled air? "They didn't care about the old world. They were born into a new." — Kelley M. Bowles

Ten Ways To Kill An Organization

Here is a sure-fire formula:
1. Don't go to the meetings.
2. If you do, go late.
3. If the weather doesn't suit you, don't think of going.
4. If you attend a meeting, find fault with the work of the officers and members.
5. Never accept office, as it is far easier to criticize than to do things.
6. Get sore if you are not appointed on a committee, but if you are, do not attend committee meetings.
7. If asked by the president to give your opinion on some matter, tell him you have nothing to say.
8. After the meeting tell everyone how things should have been done.
9. Do nothing more than absolutely necessary, but when other members use their ability to help matters along, howl out that the organization is run by a clique.
10. Hold back your dues, or do not pay at all.

Senior Mustangette

Loria Gaines — attractive daughter of Mr. and Mrs. Lem Gaines — born September 30, 1942 — all schooling at dear ole Wheeler — basketball queen Sr. year — plays basketball and volleyball — member F.H.A. and Pep Club — likes to write letters — plans to get married.

Senior Mustangette

Dwell in the Future, not the past. The most learned are the most modest. Study your own faults before you correct others. You're in the wrong when you have to be about it.

Senior Mustangette

Enable each child to develop the power to think constructively and critically, and to solve problems. Provide citizenship education opportunities that emphasize the American heritage and include knowledge and acceptance of the responsibilities and privileges of citizenship. More effective training for citizenship usually results where the school, home, church and community work cooperatively. Provide experiences for children and youth from which they learn self-direction and responsibility for their own behavior. Assist in the development of community. Some students pre-moral and spiritual values, acceptable social skills and attitudes, and the ability to get along with others. Assist each youth in his efforts to make a place for himself in the community. Some students prepare themselves for higher education; others work upon leaving school; and still others prepare for homemaking. Programs of vocational education and of counseling and guidance are needed in achieving these goals. Provide educational programs which take into account individual differences. Each child has the right to experience which will assist in his optimum growth and development within his capacity. This includes programs of enrichment for the gifted as well as opportunities for other exceptional children including the mentally retarded. Friday, our teachers will be in Amarillo for our District IX teachers meeting. Delegates to the Business meeting and banquet from our Wheeler County are, Superintendent D. L. Malin, Allison; J. C. McClesby; Lloyd Patterson, Mobeetie; and Arling Cordell. On the next Friday, March 17, we will be out of school again, this time for the St. Patrick's Day Celebration in Shamrock. Plan to go and see the fine bands including our Mustang and Colt bands perform.

DEDICATIONS

"Corrina, Corrina" — Carolyn Page, from Richard Parks and Ray Owens
"Walk Right Back" — Gloria Swires from a friend
"You Talk Too Much" — Karen Henderson from Ed Pitcock
"You're Too Old To Cut the Mustard Anymore" — Gordon Whitener from Mrs. Whitener
"Too Young To Go Steady" — ? from Bob Riley
"You're the Only One" — David Strawbridge from Ruby Barton
"Chantilly Lace" — Dorothy Hall from us
"Running Bare" — Jim Jolly from the track boys
"Car Trouble on a Lonely Road" — David and Sue from Friends
"You Can Have Her" — Bob Riley from Bill Green

Sophomore Class

Sophomore class has a new light among them. He's Stanley Baker from White Deer. Glad to have you aboard, Stan. Sophomores had a small get together last Tuesday night. Those present were Paula Helton, Wanda Pierce, Catherine Lancaster, Vickie Mack, Kelley Bowles, Mickey Pride, Randy Callan, Charles Ray Wilard, Bill Pearce, Ronnie Smith, and Stanley Baker. There were two car loads of students. We didn't want to disturb the peace much so we went out of the city limits, drank cokes and hooped and hollered to our hearts content, then we ate supper at the 66 cafe, rode till the gas gauge said empty, then the party was over.

TOXICODENDRON

What would you do if you saw this? I asked a number of students in Study Hall what they would do with it and here is their reply: Frances Alexander would call the doctor and find out what it is. Lee Nell Gunter would see Mary Polt would take care of it. Ray Owen would give it a little love with would play with it. Gloria Swires would send it to her husband. Loria Gaines would drink it. Kitty Hilder would use it as a hair curler.
