THE FORGIVENESS OF SINS

Some three thousand years ago, and about one thousand years before Christ the Psalmist said:

"If Thou. Lord, shouldest mark iniquities, who should stand? But there is forgiveness with Thee . . . " (Psa. 130:3).

The Psalmist did not explain, however, upon what basis a just and holy God could forgive a guilty sinner. This was to be proclaimed one thousand years later by the Apostle Paul, les R. Walker 9-26-61 Lot 8 Blk himself once "a blasphemer, a persecutor and injurious" 64 Shamrock, WSSA himself once "a blasphemer, a persecutor and injurious" and the "chief of sinners," but forgiven and saved by the infinite grace of God (I Tim. 1:13-15).

Preaching Christ at Antioch in the province of Pisidia, Paul declared:

"Be it known unto you therefore, men and brethern, that through this man is preached unto you the forgiveness of sins, and by him all that believe are justified from all things from which ye could not be justified by the law of moses' (Acts 13:38, 39).

But even this does not fully answer our question, for we must still ask: On what basis does God forgive sins through "this Man? The answer is: On the basis of His payment for our sins on Calvary's cross. Thus the apostle wrote to the Romans, explaining how we may be . ..

"... justified freely by His (God's) grace, through the redemption that is in Christ Jesus" (Rom. 3:24).

Now, thank God, through Christ's finished work, there is not a sinner who needs to remain unforgiven, for:

"In Christ we have redemption, through His blood, the forgiveness of sins according to the riches of his grace" (Eph. 1:7).

Wise Men travelled a desert to lay their gifts before a King.

But the King was a mere babe. His court was a cattle shed; His princely garb swaddling bands. Could they be certain when they knelt by the

manger that this was the end of the quest? Their certainty came not of proof but of faith. They had marveled at the heavens . . . followed a gleaming star . . . listened to prophecy. For Wise Men this was enough!

And through the centuries others have sought the King. Eagerly, earnestly they have come into the reverent beauty of the Church. And there, as ageless Words cast their light in man's darkness, they have known the end of their quest.

THE CHURCH FOR ALL ALL FOR THE CHURCH The Church is the greatest factor on

earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
