Lasater Ready for Production

Twitty Farmer Constructs Area Hog Raising Plant

"pig factory" is just operation northeast of Lasater, a native of completing work on the plant early this first "patient"—a ad already taken up the comfortable far- quarters. The plant will for raising hogs marketing under the conditions. The structures are completely

Space is provided in the farrowing room for eight sows when near- ing time for giving birth to a lit- ter, the sows will be brought into the room and placed in steel far- rowing crates measuring two feet wide and 6 1/2 feet long.

In these confined quarters, the sow will be able to farrow in com- fort. Yet the young pigs can move- avoid being crushed by the sows.

Lasater said the sows are to remain in the farrowing room for 21 days—or until their pigs are weaned. During this period, the sows will be permitted to leave the room twice each day and go to an exercise area outside the build- ing.

After weaning the pigs go into the larger nursery room, where they will be placed in pens according to size. At the age of eight weeks they then will be transferred to

the finishing building, a corrugated steel structure with automatic feeders and sufficient space for exercising in the open air.

The finishing building also con- tains sprayers for keeping the pigs cool in warm weather, and flaps to be installed to protect animals in cold weather.

Marketing weight will be 200 to 250 pounds.

Both buildings have been con- structed for easy cleaning, and Lasater believes this will great- ly reduce the death rate among the young pigs.

The farrowing-nursery building has fiberglass insulation and two 4,300-cfm cooler for keeping the rooms at an even temperature of 60 to 70 degrees in the winter months.

Heating lamps also will be used (Continued on Page 4 No. 1)

FAVORITE FOOD SHOW PLANNED HERE FOR 4-H

July 15 Date For Event; Juniors, Seniors to Enter

The Wheeler County 4-H Favorite Food Show is sched- uled for July 15 in the council room at the Courthouse, ac- cording to Mrs. Cula Nowlin, home demonstration agent.

To participate 4-H members must be enrolled during the current year in 4-H foods and nutrition subject matter group.

There will be a senior and a junior division. The senior division contestants must have passed their 14th birthday but not their 21st birthday on January of this year.

Youths entering the junior di- vision must have passed their ninth birthday by the same date.

The contestant's record book will count 50 percent of the to- tal score and the score made at the Favorite Food Show will count 50 per cent in either the junior or senior divisions of the county show.

Medals to Be Awarded

Should a tie occur within the same food group when judging on a county district or state level, the 4-H member having the highest scoring record will be selected as winner.

A gold-filled medal of honor is to be awarded the highest scoring 4-H member, either junior or senior participant, in each of the four food groups.

The two highest scoring mem- bers in the senior division will participate in the district 4-H Fa- vorite Food Show and will not have been selected on exhibits from the same food group.

In the junior division same ba- sis of selection will be used as for senior members. The food groups are the same as given in USDA bulletin No. 424, "Food for Fitness, a Daily Food Guide."

They are 1. milk, 2. vegetables- fruit, 3. meat and 4. bread-cereal.

Ribbons are to be presented to each contestant.

COUNTYIANS AT 4-H ROUNDUP

Fourteen members of the Wheel- er County 4-H Club attended the 4-H Roundup the past weekend at College Station, and several placed in contests there.

Local placings included: Share-the-fun contest — Linda Beatty, Beverly Clark, Marsha Lee and Donna Ford, all of Wheeler, second, with their act, "Three Old Maids."

Public Speaking — Billy Don Rives, Shamrock, 10th.

Grass judging team—Mike Goad, and Terry McCasland of Wheeler, Kelly Miller of Allison and Penny Puryear of Kelton, 18th.

Farm and home safety demon- stration—Mike Shannon and Wel- don Beasley of Shamrock, 12th.

Poultry marketing demonstra- tion—Estelle and Mozelle Filling- im of Wheeler, 13th.

Soil and water conservation de- monstration—Phillis Pakan of Le- la, seventh.

The commissioners court paid the bus expense and the 4-H coun- cil paid for the meals and lodging while the group was at College Station.

Accompanying the 4-H members were Mrs. Cula Nowlin, home de- monstration agent; Bryan W. Swain, county agent, and Ray Burrus, assistant agent in training.

All reported a very good trip and the boys and girls placed well in the contests according to their age and experience.

Watershed Projects Will Be Discussed

Watershed development for this portion of the Panhandle will be the discussion topic for two meet- ings this week.

The first session will be at 8 p. m. today (Thursday) in the Sam- norwood School building, and another similar gathering is slated for 8 p. m. Friday in the Well- ington Community Building.

Dan Herard, chairman of the Collinsworth County Water Con- trol and Improvement District board, urged residents of this area, interested in the program to attend one or both of the meetings.

Watershed development promo- ters in Collinsworth County have already proposed the location of a dam to impound the waters of Buck Creek and Salt Fork.

A consulting engineering firm was employed to help the backers of the project in the move to win federal approval.

Sunday At Legion Park

Inter - City Squad To Face Mc Lean

The Wheeler Inter-City baseball team, defeated in its first outing, will attempt to prevent a losing string from forming here next Sunday in a game with McLean at the American Legion Park.

Game time will be 2 p. m., and no admission is to be charged.

Manager Virgil Jamison said Wednesday he was pleased with the local youths' showing last Sunday, even though they lost to Sannorwood 18-2.

Prospective Stock Investors Advised By Kiwanis Speaker

Persons investing in stocks should not do so with any plans for getting rich quick, a repre- sentative of an Amarillo stock consulting firm said here Monday.

William G. Landis, of Merrill, Lynch, Pierce, Fenner and Smith, Inc., told the Kiwanis Club that long term investments in stocks are a "good idea," but no one should buy with the intention of making a big profit fast.

He also cautioned against buy- ing stocks unless a person can answer "yes" to the following questions:

1. Are you able to meet neces- sary living expenses?
2. Do you have adequate pro- tection?
3. Do you have reserve cash for emergencies?

Landis said he believes that the worst part of the stock market loss is "out of the way," even though the market started off with another drop again Monday, two weeks after the "blue Monday," which saw the greatest decline in the market since 1929.

Courthouse and Jail Re-Painting Begins

Work was well underway this week on the re-painting of the Wheeler County Courthouse here.

Successful bidder on the project which also includes painting the new jail, was J. F. Franks of Shamrock.

Judge G. W. Hefley said Franks submitted the best bid of \$1,875 for the labor on the painting of the outside of the courthouse and jail. The county is furnishing the paint.

Franks will paint the new jail and all aluminum finish, concrete and the base of the courthouse.

The project is progressing rapid- ly, on the west side of the court house, at present.

IMPROVED

Kimberly Watson, the daughter of Mr. and Mrs. Doyce Watson of Shamrock is reported to be do- ing fine after cutting her finger off in a swinging door.

Baseball, Softball Games Begin Here

The Wheeler Little League sea- son opened Tuesday night with Cicero Smith Lumber Co. whipping Clay IGA Food Store 7-0 in a pee wee tilt and Wheeler Lumber Co. dropping Chapman's Service Sta- tion 8-7 in a nightcap.

Two games are slated Friday night, starting with the girls soft- ball contest at 6:30 between J-Lee Department Store and Wheeler Drug.

Vanpool-Burton Motor Co. and Ware Chevrolet Little Leagueurs will meet in the second game.

The schedule for games the re- mainder of June is (the first game starts at 6:30 p. m. each day):

Tuesday, June 19—Cicero Smith vs. Clay IGA (pee-wee); Wheeler Lumber vs. Ware Chevrolet (Lit- tle League).

Friday, June 22—J-Lee Dept. vs Wheeler Drug (girls softball); Vanpool-Burton vs Chapman's Lit- tle League).

Friday, June 29 — J-Lee vs Wheeler Drug (girls softball); Chapman's vs Ware Chevrolet (Little League).

The season will continue thru August 10 with two games each Tuesday and Friday.

The teams and managers in- clude:

Girls Softball
J-Lee Department Store, Don Earney, manager — Carletta Ear- ney, Patricia Jones, Janice Ware, Niki Ware, Susan Ford, P. Den- ham, Dixie DeArment, Geniva Shu- gart, Deborah Lamb, Joyce Burks, Sidney Kenady, Jaunita Hutchison, Rebecca Vanpool, Betty Meadows, Kathy Bradstreet, Sibyl Richerson, Gloria Wilson, Linda Wallace, Margaret Brickey, Patsy Benefield, Elizabeth Hubble, Diane Weather- ly, Marsha Lee, Linda Blevins, Sy- lvia Brickey, Rhonda Townsend, Debbie Snelgrooves, Norma Mc- Neil, Marina L. Gunter, Gen- da Ford.

Wheeler Drug Store, Hiram Whitener and Jack Garrison, man- agers—Pat Garrison, Pam Garri- son, Connie Richardson, Judy Whitener, Cynthia Manning, Sally Richerson, Deanne Davis, Nancy Watts, Nancy Weatherly, Galen Wilde, Nancy Wiley, Myra Toll- iver, Pam Bradstreet, Sandra Hen- derson, Carolyn Harding, Mary (Continued on Page 4 No. 3)

FARMERS READY TO RE-PLANT LOST COTTON

While no records have been set, June is off to a big start, weatherwise with almost half of the year's total rainfall to date falling this month.

Moisture records kept by Joe Rogers at the First National Bank show the City of Wheeler has received 6.59 in- ches of rain—and hail—while since the first of the year the total rainfall is 13.92 inches.

May saw 2.80 inches of rain fall on the city.

Wheat Drying

Ripened fields of wheat in this area also were being given time to dry out before harvesting began.

City residents as well, have been hoping for a letup in the weather. The area has been under a se- vere weather alert much of this month, and threatening clouds have moved over Wheeler on a number of occasions.

The Texas Employment Com- mission's latest farm labor bulletin indicates that harvest of wheat crop is progressing slowly in Wheeler County and over most of this area.

Light yields are reported from dry-land fields and normal yields from irrigated acreage. Ade- quate men and machines are re- ported present.

The Texas wheat harvest is practically completed except for the Panhandle and South Plains areas.

New Assistant Agent Arrives for Training

Ronald Lee Gooch, a resident of Stroud, Okla., has been assigned in Wheeler County as junior as- sistant county agent in training.

For approximately the next two months, Gooch will work with Wheeler County Agent, Bryan Swain before receiving a farm agent assignment.

Gooch received his bachelor of science degree in animal husban- dry from Oklahoma State Univer- sity at Stillwater this spring. He plans to be married on June 23 in Sallisaw, Okla.

Ray Burrus, who just completed two months of the same training here, has been assigned as county agent in Lipscomb County.

More Counterfeit Money Discovered

A sack containing hundreds of dollars in counterfeit \$5 bills was recovered last week west of Wheel- er, and Secret Service agents have entered the case to seek the source of the worthless paper.

Several pieces of bills had been found earlier and turned over to Wheeler County Sheriff Bus Dor- man for a report.

How the bills, which closely re- sembled an official U.S. \$5 bill, came to this area remained a mat- ter for conjecture this week.

The quality of the paper was well below the standards of that used by the United States mint in printing.

No Cases Tried in District Court

No cases were brought before the Wheeler County district court session scheduled for last week, and Judge Lewis N. Goodrich set the next term of court for July 16.

SOCIALISTIC TREND HIT BY BRITT IN TALK AT PAMPA

The best way to stop the present socialistic trend in the United States is for individual voters to select political candidates ac- cording to what they believe rather than because they are Demo- crats or Republicans. Tom Britt, Wheeler County rancher, declared before the Pampa Kiwanis Club last Friday.

Britt was guest speaker at the organization's luncheon, and represented the Wheeler Kiwanis Club in presenting an inter-club pro- gram.

The well-known local rancher said neither the Democrats nor the Republicans can be blamed solely for the socialistic legislation that has been passed by Congress in recent year.

"If we are to halt the current trend into socialism—and it has been going on in both Republican and Democratic administrations—we need people who won't go down either party line all the time," Britt commented. "We need peo- ple who will do their own thinking when they go to the polls."

He asserted that "we have gone a long way down the road to so- cialism. The President is taking on more and more powers that should belong to the Congress.

"If we are to halt this ever- growing trend, we are going to have to stop letting the people in Washington look after things." (Continued on Page 4, No. 3)

MULESHOE MAN UNITED WITH RELATIVES AFTER 80 YEARS

After 80 years, Elmo Eugene Mason of Muleshoe, has been united with nieces and nephews of this area.

When Mason was six weeks old his mother died, leaving five young children, three sons and two daughters. This family lived in Palestine, Texas, at the time. After the mother's death, Jobe Mason, the father, let relatives take the four oldest children to raise, thinking he could care for the baby with foster parents. The child was never adopted by the folks who raised him and grew up using his correct name.

After a few years, Jobe Mason died and all contact of the youngest child was lost. In 1904 the brothers of young Mason, Joe and Lon of PaloPinto County, advertised for three months in a Dallas newspaper trying to locate him, but it brought no results.

The brothers never ceased looking for him until their deaths. As fate would have it, Eugene Mason and his wife celebrated their 60 wedding anniversary recently and it appeared in the newspapers and

started a string of events which led to the re-uniting of the lost relatives.

Nieces and nephews in this area are Mrs. Ben Weldon and R. S. and Charlie Mason of Possum Kingdom, Mrs. Clara Owens Graham, Mrs. Bige Hill of Ft. Worth, Ted Mason of Amarillo (formerly of Mobeetie).

He also has a sister-in-law, Mrs. Lon Mason, and her family of Perrin, Texas.

Mr. Mason is 80 years old and he is a retired Baptist preacher. He is a graduate of Hardin-Simmons. He taught school for several years before starting preaching, and was a preacher for 46 years.

Of the five children, Mr. Mason is the only one still living. He has five children who live in Muleshoe and other places in Texas.

Mason says he can never express his thankfulness for being united with the families of his brothers and sisters after 80 years of not knowing a living relative.

The Mason families plan a reunion in August which will be held in Mineral Wells. They invite all their friends to attend.

Mrs. Freeman At Roswell Riding Clinic

Roswell, N.M. (Special) Mrs. H. B. Freeman of Flying F Ranch, Wheeler, Texas and Jerry Ann Graham of Canadian, Tex. were in Roswell from June 4 through 8 attending the Western Clinic for riders held here at Walker Air Force Base Riding Club.

The Clinic was co-sponsored by Perry-Mansfield Camps and the DKWS of the American Association for Health, Physical Education and Recreation, a department of the National Education Association.

Mrs. Freeman, leader of the Wheeler County 4-H Texans, brought with her her registered quarter horse, "Chubby Miller".

The Western Clinic was primarily for leaders of 4-H and other junior riding groups and for riding counselors of camps. Instructors were Suzanne Norton Jones and Casey Darnell, assisted by Elizabeth Shannon, leader of the 4-H Riding Club of Clifton, Ariz., and head of the riding department of Perry-Mansfield.

Riders attended from as far away as Illinois, as well as from Colorado, Tex., and New Mexico.

The success of the clinic here has resulted in plans for several clinics of this type, including one at Perry-Mansfield Camps, Steamboat Springs, Colo., July 29, 30 and 31.

Mrs. O. L. Tulle is convalescing in her mother's home.

Ruby D. Rocha and her son, Gaye, from Montica, Calif., are visiting with her mother, Mrs. J. W. Shirey.

Seems like we are still Loused up over there in the Orient a little. Seems like some of them Princes we are dealing with are sort of undecided about things. One of them likes Red Sodypop and Merry Go Rounds another likes Ice Cream and Hot Dogs and the other one din't like nuthin not even himself. Now we got several thousand boys over there waitin to see which one of them jokers we are dealing with. Don't know if many of you folks realize it or not but you'd be surprised just how diplomatic a feller would have to be to get along with some of our Neighbors in that country.

They got Witches, goblin and even Monkey worshippers in some of them places and here we are trying to deal with them as we would England or France. Shuck-ins there are G.I.s that would have more luck dealing with them folks than all out diplomats. we would trade em Chewin Gum and a worn out parachute for the right to run them Comies out of their Rice Paddies and have the chore done fore our Big Shots will ever figer out what Island there on.

Donaldson - Whitten Wedding Vows Read

In a ceremony at 3 p.m. Saturday in the First Methodist Church at Allison, Texas, Miss Dolores Ann Donaldson became the bride of Joe Whitten. The bride is the daughter of Mr. and Mrs. Millard Donaldson of Allison and the bridegroom's parents are Mr. and Mrs. Earl Whitten of Mobeetie.

Rev. Uzzle, pastor of the Baptist Church at Mobeetie, officiated at the ceremony in a setting of mixed flowers, greenery and candleabra.

Given in marriage by her brother, Bill Donaldson, the bride wore a dress of chantilly lace over white satin; her tulle veil cascaded from a jeweled tiara and she carried a bouquet of white and blue carnations and rosebuds on top of a white Bible.

Miss Linda Begert of Allison was maid of honor. She wore a dress of blue lace and pale blue silk organza flower clip hat with tulle veiling. Her flowers were white carnations.

Bestman was Ronnie Gatlin of Mobeetie. Ushers were Billy Gene Whitten, brother of the groom and Bennie Foard of Childress.

Candlelighters were Miss Vivian Newson and Miss Margaret Powledge both of Allison. They wore matching dresses of blue broadcloth taffeta.

A reception was held in the basement of the Methodist Church following the ceremony. After a short trip the couple will reside in Amarillo.

PICK UP THE FAMILY & GO
If variety is the spice of your life, see the choice selection of buys now at your Chevrolet dealer's One-Stop Shopping Center. One of those new Chevrolets, Chevy II's or Corvairs should suit you perfectly and spare your budget any strain!
We wouldn't presume to tell you which one to buy, but your Chevrolet dealer has more ways of helping you make up your mind. Like the Jet-smooth Chevrolet Impala, luxurious, extremely comfortable, undoubtedly the best riding car in its field; the Chevy II Nova, lively, lovely, and inexpensive, too; the Corvair Monza, a family car that rather thinly disguises its desire to be a sports car; and the Corvair, America's out-and-out sports car. As you see, your Chevrolet dealer has just the tonic for that "let's go traveling" look in your eye. And, what's nice about buying one, you won't have to juggle your life around to afford it. You know?

Our Sun 'n' Fun ways to get away (shown top to bottom) are the Corvair, Corvair Monza Coupe, Chevy II Nova Station Wagon and Chevrolet Impala Sport Sedan.

beautiful buying days at your local authorized Chevrolet dealer's Golden Sales Jubilee!
