FOOTBALL QUEEN & ATTENDENTS !!!

BEAUTIFUL LADIES: These are the contestants for Football Queen. They are left to right, Mary Dell Tucker, Linda Walker, Carol Lamb, Gwen Barnes, and Sherry Barnes. Miss Lamb was crowned queen October 3.

Club of Wheeler to Sponsor ...

Powder Puff Football Here Friday

By BUD KIDWELL

You have never witnessed a real live action Powder Puff football game, now is your chance to attend a good one. Key Club of Wheeler High is attempting to sponsor the first Powder Puff Football game ever in Wheeler. Thirty some girls are participating in the game. Several boys are attempting to take over duties during the ballgame. You will see boy cheerleaders, referees, and even teenage boy coaches. The girls are to show the people that they can hold their own even though it is a man's sport.

The Key Club started this project two weeks ago, when they received the idea from the trip to Dumas. The girls are to have the boys some points on how to go about the game. Every boy in the Key Club put himself in the project to make it better in every detail. The game will be played for fun only, and we hope everyone will get a lot of the game.

The stands will be divided as usual, the home stands will be the Sodbusters, coached by Beefy Sims. The visitors will take the home side with the home score, & the Slickers, coached by Mendall Kerbel, (Mendel Henderson) will take the visitors side and the visitors score. If any girl has a daughter or friend playing, and you would like to watch them play, it would please us if you would sit on the designated side.

The concession stand will be open, and operated by the Key Club. They will have your favorite drinks and food. The game will be taken at the gate as usual, and programs will be available.

Everyone is invited to attend and enjoy an evening of fun and enjoyment. So, Everyone plan to attend, and don't miss all worries.

Standing Players — Sherry Barnes has shown up as a good offensive and defensive workout. She has the speed to match the other team and it should be a good one on her part.

Mary McNeil has shown up to be a good lineman in offense and defense. We hope she does a good job for the Sodbusters. Millie Gilmer is a good defensive back, and she will stop the opposing backs.

Sherry Sims is putting hopes on all of his team members. Richardson is a very good center as well as any other player. Her speed will also help her a lot in the line.

Donna Hall has also shown considerable improvement in

Mendall Kerbel is depending upon his backfield a lot to win him the game, but he could not do without the big line.

Other Personnel

Dizzy Bud (Bud Kidwell), and PeeWee Coates (Mel Coates) will be the official announcers for the game.

THREE GAMES SCHEDULED THURS.

With the Mustangs taking the week off, football fans will have an opportunity to see the other 3 teams representing Wheeler this Thursday.

The Wheeler B team kicks the activities off at 4 p.m. Thursday when they host the Canadian B team on Nicholson field. This will be the third outing for the B team and an improvement should be seen in their play as several of the boys have had some playing experience the past few weeks with the Mustangs. In their other two contests, the B team were defeated by Lefors.

At 6 P.M. the sixth graders journey to Shamrock and scrimmage the Irish 6th graders. In a scrimmage two weeks ago, the

Irish nipped the young Wheeler lads 6-0.

Following the scrimmage, the Junior High Colts take on the Jr. High Irish at El Paso Field with the contest getting underway at 7 o'clock. The Colts are undefeated and will be out to get their fourth victory. The Colts defeated the Irish Junior High B team two weeks ago 48-8 and face a much tougher foe this week as the Irish will be playing mostly 8th graders. Mumps have hit the Colts but the boys are determined to play just that much harder.

Everyone needs to come and see these future Mustangs as they develop.

COFC MEETS TO PLAN DRAWING

The October Chamber of Commerce meeting was held Tuesday night at Nora's Cafe with 15 present.

Following a meal of Swiss Steak the Chamber got down to business at hand. The Christmas decorations and drawing were the most important decisions made.

The town of Wheeler will again be without new lighting this year, and the lights available will be strung shortly after Thanksgiving under the direction of Leon Moore.

The Christmas Drawing will undergo changes this year, but will total \$1,000 in script. Tickets will be available Nov. 15 and the first drawing of the year will be November 30. There will be a total of six drawings this year to be given as follows:

- (Two Drawings Each Day)
- November 30 — \$100.
- December 7 — \$100.
- December 14 — \$200.
- December 21 — \$200.
- December 28 — \$200.
- December 24 — \$200.

Remember — Do you Christmas Shopping in Wheeler and you may be a winner in the Christmas drawing this year.

It was voted to award first, second and third prizes to the first three farmers bringing cotton to the Wheeler Gin as the Chamber has done in the past. The prize money will be \$25, \$15, and \$10.

Hiram Whitener, member of the hospital board was on hand and gave a report on the trip to New Mexico which the Chamber financed for the purpose of seeing some hospitals in operation. He stated (Continued on Page 8, No. 4)

By DAVID BRITT

If there remained any doubts as to the ability of the Wheeler Mustangs, they were completely eliminated last Friday night as the Mustangs rod roughshod over the tough McLean Tigers 32-7.

The Mustangs 6th straight win was witnessed by a record crowd at Nicholson Field, which included many fans from other sections of the Panhandle. This game had been billed as the top game in this section and many believed that the Class A Tigers would be just too tough for the Mustangs to handle. After the smoke had cleared, those skeptics were convinced as the well coached Mustangs dominated the battle.

McLean was put into a hole early when Hunter got off a beautiful 50 yard quick kick to put the Tigers on their own 34. Driving to the Wheeler 37, the Tigers lost the ball on downs and just two plays were needed for the explosive Mustangs to score. Snelgroes broke free around his right side and behind cracking blocks thrown by Sims, Watson, Dorman and Porter, went 59 yards for the score.

Dunk Porter shook loose over his left tackle the next time the Mustangs had the ball and 19 yards later was in the end zone. This drive was for 40 yards and took only four plays. With 3:56 remaining in the first quarter the Mustangs had put the ball in play nine times from scrimmage and had a 12-0 lead.

Dickie Crockett, heralded Tiger back, was pounded all night long by the surging Mustang line and this provided the black clad Mustangs their next opportunity to hit paydirt. Crockett was hit hard at the Tiger 44 and Porter recovered his fumble at the 45. Wallace lost a yard and Porter gained 4 to the 42. The second half of the Mustang pair of scabbies, Bobby Vanpool, brought the huge crowd to its feet as he broke into the Tiger secondary and after doing a remarkable job of broken field running, scored on a 42 yard scamper. Several times during the run it appeared he would surely be tackled but continued to twist and turn until he broke free. Snelgroes kicked extra point and the Mustangs had a 19-0 lead at the end of the quarter.

Coach Burnett's Crew marched goalward their next possession but had a fine 20 yard TD run by Snelgroes wiped out by clipping penalty which brought protests from the crowd and the coaching staff.

The Tigers offense had been completely blunted by a raging Mustang defense throughout the first half and it looked like they would be blanked at the intermission but they got a golden opportunity to score the last minute of the half and made good on it. Windom, Tiger end who played an outstanding defensive game for the Tigers, broke through and blocked a kick off the toe of Hunter. Porter ran the ball from his end zone back to the 12 but the Tigers took over at that point. On a tackle eligible pass, Fuller passed to Patton for the score with only 45 seconds remaining in the half. Patton kicked the extra point and the score at halftime showed the Mustangs sporting a 12 point advantage.

The Mustangs built their advantage to 25-7 with 5:18 on the clock in the third quarter with Hunter climaxing a 49 yd. march with an 11 yard dash around left end. A key block on the run was provided by Dorman who took out Patton in a big heap to give Hunter all the room he needed.

Defense was the keynote for the remainder of most of the contest with Rogers, Jamison and Overcast staying on the Tiger quarterback. Fuller and giving him little time to get his passes under way. The hard hitting Mustangs caused Graham to fumble late in the final stanza and Rogers pounced on the ball at the McLean 36. This followed another fine quick kick by Hunter putting the Tigers deep in the hole on their 5. Driving out to the 36 Graham fumbled and this brought the recovery by Rogers. Hunter banged left tackle for 7 and Porter followed into the same place on the next play and butted and rammed his way past several Tiger de-

THIRTY-NINE WHEELER GRADS ARE NOW ENROLED IN COLLEGE OR UNIV.

Editor's Note: This article represents a lot of hard work on the part of Mrs. Gordon Whitener, who gathered and typed the information for the Times. We say 'Thank You' and urge each one of you who enjoyed reading this article to express your appreciation to 'Thank Mrs. Whitener. You might drop these students a letter—I imagine they would enjoy it.

A recent survey revealed that at least thirty eight graduates of Wheeler High School enrolled in some college or university at the beginning of the fall semester. If these thirty eight students continue in the major they have now, we will have one doctor, one dentist, one lawyer, three preachers, two musicians, one public speaker, four accountants, one pharmacist, two scientists, five agriculturalists, one mathematician, four business people, five teachers, two aeronautical engineers, and one business administrator.

This is besides those graduates who have entered trade schools, as Gary Waters, son of Mr. and Mrs. Gene Waters, who has entered the Electronic Technician school in Denver, Colo. We are sure several have entered business schools, barber schools, mechanical schools, or some other trade school, but it is impossible to get all these names.

It is hoped that no one who is attending college has been omitted. If you know of a person who is a graduate of our high school and is enrolled in some college or university and whose name does not appear in the following list, please send information to the Times office and a supplementary list will be run next week.

The following is a list of those graduates which we were able to secure, who are in a college or university with their major:

Beth Argabright, daughter of Mr. and Mrs. Norville Argabright enrolled in Texas Women's University at Denton as a Freshman majoring in Library Science. Her address is Box 3118, T.W.C. Station, Denton, Tex.

Jimmy Atherton, son of Mrs. Hannah Faye Chapman is a Junior at Southwestern State College at Weatherford, Okla., with a major in Pharmacy. His address is 215 North Broadway, Weatherford. He is married to the former Audie Jo Holderman and the father of two children.

MOBEETIE NEWS

Methodist Church Activities

This next Sunday is Layman's day in our church. Lester Vowell will be in charge of the program. Come and support our laymen with your prayers and attendance.

The MYF of this district will have a district meeting October 19 at the First Methodist Church in Pampa, at 9:30 A.M. until 2:30 P.M. Let's have a good group from Mobeetie to attend.

Mrs. Lester Vowell is home from the hospital. It is understood that she will have surgery later.

Mrs. Betty Reed is in the hospital in Pampa. She is reported doing very well. Mrs. Reed would like to thank friends for the cards, flowers and interest shown her.

Doug Baird is home and doing well after having surgery in Pampa. N. J. Tyson is also home after treatment in Amarillo hospital.

Baptist Church News

Brother Uzzie, introduced and welcomed to church Sunday, Mr. and Mrs. John Merritt from Grand Prairie who are visiting in the homes of Mr. and Mrs. Jeff Brewer and Mr. and Mrs. Doyle Grimes. Buck Scribner was a visitor also Sunday.

Lester and Jewell Leonard kept the nursery during church service.

Last Wednesday night the budget was approved. This is a challenging budget and will need everyone's support during the year.

We wish a speedy recovery for several who have been sick lately. Mrs. J. T. Wallace is better, and at home. Doug Baird is able to be home and is improving nicely. Mrs. D. C. Reed is in the Pampa Hospital for surgery, pray for her.

"In sickness we most feel the need of sympathy which shows how much we are dependent upon one another for comfort, and even necessities. Thus disease, opening our eyes to the realities of life, is an indirect blessing" H. Ballou.

The attendance was unusually high in Sunday School Sunday.

A special offering was asked for to furnish the home mission contribution drive and the amount given went over the quota.

I would like to express my appreciation for all the cooperation and help each of you have been to me while I wrote the Mobeetie News this summer. It was so much fun. I regret that I will be unable to continue with it. I am sorry that I did not feel like getting the news this week and hope that someone will continue to see that Mobeetie has news in the paper. Thank you for all your kind thanks and help.

Sincerely, Sallie Harris

WE ARE READY

To Gin Your Cotton

AT OUR NEW LOCATION EAST OF WHEELER

We are nearing completion of our new Gin east of Wheeler and have ginned over 85 bales this year. With this new structure we have increased our capacity and added new machinery.

We at the Wheeler Gin are happy to take this opportunity to express our

appreciation to our many friends and customers for their patronage during the past year.

As payment for your loyalty, we have to offer the fastest and most efficient service possible. And when new advances are made in the cotton indus-

try, we always try to be the first to add additional equipment which might help us gin more and better cotton for you.

To the farmers that we serve in Wheeler and adjoining counties, we want to say THANKS. And we hope we can continue to serve and enjoy your patronage during the coming weeks.

MOBEETIE P.T.A.
The Mobeetie P.T.A. met Thursday evening October 3 at 7:30 for the first regular meeting of the school term. A good number of parents and teachers were present. It was decided to air condition some of the rooms on the north for the smaller grades. Miss Susie Cass gave a very interesting talk on her trip to the United Nations and all points of interest on the way. Third and fourth grade room received the room coat; first and second grade mothers served refreshments. The next meeting will be November 7. The program will be a talk by Mr. Jim Jackson on "Education our affair?"

CARD OF THANKS
The thoughtfulness and sympathy extended by our friends and neighbors during our recent sorrow will remain with us as a precious memory. All of those who sent food, cards and to those who helped with the care of our wife and mother, we are deeply grateful. Your kindnesses have meant so much to us. May God bless each of you.

GARRISON HOST TO STUDY CLUB

The home of Mrs. Jack Garrison was the scene of the regular meeting of the Thursday Review Club on October 10 at 7:30 p.m.

Mrs. Bob Henderson, club president, presided over the business meeting. A nominating committee was elected, including Mmes. Hyland Weaver, Richard Brown and Dennis Wilks. Club members also accepted the resignation of Mrs. Gene Mack.

The program, entitled, "An Armchair Tour of our Southern Neighbors" was presented by Mrs. R. J. Holt, Jr., and Mrs. Robert Denson. Mrs. Holt spoke on "Viewing the Caribbean Islands" following an impromptu quiz for club members. Mrs. Denson discussed "Giant Brazil" and concluded her portion of the program with the showing of slides made in Brazil, and a display of Brazilian literature.

The meeting was adjourned following the pledge to the American flag, the pledge to the Texas Flag and the Club Collect.

Refreshments were served by Mrs. Garrison to two guests, Mmes. Jack Hefley and Richard Hefley and club members, Miss W. Ema Hefley and Mmes. David Tritt, Brown, Grady Burnett, Denson, Harrison Hall, Henderson, Holt, Charles Jackson, H. C. Johnson, Gene Mack, Paul Miller, Grainger McElhany, Bob McNeil, Bob Patterson, Coy Reubens Henry Risner, Thurman Rives, John C. Vise, N. D. Ware, Jr., Weaver and Wilks.

Wheeler P-TA Receives 100 Percent Increase

A panel discussion on Family Life made the P-TA program on Monday evening a very interesting one for a record attendance. The Wheeler Unit has gone over the top in increasing 100% over last year's membership and will be awarded a certificate of achievement for the State Office. Plans were made for several members to attend the workshop in Wellington on Thursday, and also to send delegates to the State Convention in San Antonio on November 21-22. Have you, as a parent, thought about what the P-TA can do for your school? Now is the time to join.

Report cards will be going out to parents this week. You will find that the standards for A, B, C, D, or F have been raised. Study these reports with your children. Find out what their strengths and weaknesses are, and help them to improve. In most cases it seems to me, you will find that more study both at home and at school is needed. You just cannot get an education without hard and regular hours of study. In my years as a teacher, I have yet to meet a student who does not need time set aside at home for preparation of their lessons, and the lower the pupil's grades are—the more time will be needed. Let's all work together to give our young people a better chance in life.

Some dates to remember are: Jr. High Football at Shamrock on Thursday night. Powder - Puff game here sponsored by the Key Club on Friday night; Texline here on November 1, preceded by a P-TA Pancake Supper; Wheeler County Teachers meeting on Tuesday, October 29 at 6:30 p.m. with the Wheeler Band Mothers serving the Banquet.

Herman Jeter of Pampa had supper Sunday evening with Mr. and Mrs. Venson Smith, Winnie and Patricia.

Kelton 4-H Club Meets to Organize New Year

By Penny Puyear
The Kelton 4-H Club met Monday, Sept. 23 in the Kelton School. This was the first meeting of the club since its organization in 1963-64 year and the twenty-one members present elected officers for the coming year. Officers are: President, Mike Harvey; vice-president, Mike Carver; secretary-treasurer, Penny Puyear; delegate, reporter, Kenneth Abidethy; reporter, Penny Puyear; delegates, Sue Harrison and Tammy Puyear.

The names of possible adult leaders were suggested and will be contacted before the next meeting and will be definitely elected at that time. Mrs. Cula Nowlin and Mr. Chas. Jackson, extension agent, were present and discussed possible projects for the coming year and brought registration cards for the new members to fill out.

Number Four

that the trip was very profitable. It was announced that Gene Holler of Pampa has been hired as the architect for the new hospital and several sights are being studied.

Thomas Daughtry, mayor, complimented the Board of Directors for North Wheeler County on the work they have been doing and noted that on the trip to New Mexico, the board kept the guide answering questions continuously. The Chamber of Commerce has its meetings the third Tuesday of each month at 7:30. Make it a point to be present and help Wheeler grow.

Herman Jeter of Pampa had supper Sunday evening with Mr. and Mrs. Venson Smith, Winnie and Patricia.

From the Office of . . . The County Agent

By CHARLES D. JACKSON
County Agricultural Agent
In case of nuclear attack, how will I get food when my reserve supply is gone? Who will determine the adequate distribution of available food in Wheeler County? When will I, as a farmer, know when it is safe to resume normal operation after an attack? These and many more questions are being asked daily by Texans in cities, towns, and rural areas. The answers are being worked out and plans formulated to cope with the situation by State and County USDA Defense Boards in cooperation with state and local civil defense officials.

In 247 Counties in Texas there is a USDA Defense Board composed of the heads of all USDA agencies on the county level. The assignment of the county USDA Defense Board is to develop plans and courses of action, to assure the continuity of the production, processing and distribution of an adequate and safe food supply following a nuclear attack on this county. In addition, the board is responsible for developing programs for assessment of effects of an attack, estimating food requirements, and claiming non-food requisites from local civil defense authorities.

The members of Wheeler County USDA Defense Board are Bob Byrd, ASCS office manager, who also serves as board chairman; John Manning, FHA Supervisor; Bill Brooks, Work Unit Conservationist; and the County Agent, and the County HD Agent.

The job is a difficult one because the board is planning for something we hope never happens. There is no way of knowing what the situation will be in Wheeler County if we are subject to attack. All of these problems make the assignment a real challenge; however, the knowledge of the extreme importance of having a strong agriculture, capable of fast recovery in food and fiber production, keeps the board working in developing their plans.

Home shelters can save lives in case of nuclear attack. Are you prepared? Almost every home has a shelter area. With a little money and a few hours, that shelter area could be built into a fallout shelter that could offer ample protection. Take a look around your home—find the safest place—usually the basement, or perhaps a hallway—or a room with no windows—then see what needs to be done to give it increased protection.

I have in my office bulletins and pamphlets that will give you, the necessary information. Ask for your free copy—learn what you can do to give yourself and your family a measure of security in the nuclear age.

Remember, there is protection from radioactive fallout . . . simple, inexpensive protection—but it takes knowledge. Learn what to do—contact the County Agent's office and ask to see the information that is available on civil defense.
