### Wheeler Mustangs Play Perryton

By Corky Guthrie  
Wheeler's prospects for another winning football season looked even better after the showing the Mustangs made in the scrimmage with the Perryton B team Friday night.

Wheeler scored 4 touchdowns to Perryton's one. The Mustangs looked real sharp. In all but one or two plays, the Mustangs succeeded in holding the Rangers to short yardage.

The offense was still a little rough in places, but by the time the first game gets here, it will be smoothed out.

Wheeler Mustangs made some 500 yards rushing and held Perryton to only 369.

To sum up the game in a few words, the boys looked real good this early in the season, so let's turn out Sept. 11 and show the boys that we are behind them all the way to Regional.

**TO THE FIRE DEPARTMENTS**  
Many thanks and our sincere appreciation to the Mobeetie Fire Department and the Wheeler Fire Department for their action in doing away with the grass fire on our property Sunday night.

Due to the speedy and impressive service rendered by these departments, only 2 or 3 acres of our land was burned.

Our thanks once again for a job well done.

Mr. and Mrs. Joe Shelton

## WHEELER SCHOOLS

BY ARLING CORDELL

Everything at school is off to a good beginning with all-school assembly on Friday morning preceding a day of school work. It was encouraging and inspiring to see the students and many of their parents who accompanied them. We hope that many more occasions will bring the parents to school to observe directly our teachers and their methods of helping to educate their young ones.

Monday found several students enrolling who didn't make it on Friday.

There seems to be a sincere feeling of enthusiasm on the part of everyone to make this one of the very best years Wheeler School has ever experienced, academically, athletically, and in all our areas of endeavor.

Parents, are you planning to be an active member of our PTA this year? Plan now to start with the very first meeting on Monday, September 14 at 7:30 p.m.

Monday, September 7th (Labor Day) will be a holiday.

Enrollment through Monday was: Elementary 263 and High School 122, making a total of 385.
