

28 STREET LIGHTS WILL BE INSTALLED

The Wheeler City Council met Monday and approved plans for the installation of 28 street lights on Oklahoma St. - Highway 152, from Canadian St. to Bryan St. - "Jacob's corner."

The plans were submitted by Southwestern Public Service Co. The lights will be spaced at 150' from Canadian St. to Grave St. Existing poles will be utilized for the remainder of the lights with an average distance of 171'. Cost to the city for electricity and maintenance of these lights will be \$98.00 or \$3.50 each.

The city employees will begin putting up the Christmas lights Friday.

School News

By Arling Cordell, Supt.

Here we are, approaching the time for Thanksgiving. We will be out Thursday and Friday - back to school on Monday. Then comes the Christmas holidays very soon. We will dismiss school on Tuesday afternoon, Dec. 19 at 2:30 p.m. Be back in school January 2 (Tuesday). Mid-term will be on January 12.

We have many study hours and much activity to work on before the end of this first semester. Parents and pupils, you now know your second six-weeks grades. Are you satisfied with them? If not, use every waking minute of this third six-weeks in raising them. No one has failed yet, steady, daily use of study time will pass anyone who tries hard enough. "Together We Help A Child"

SIXTY-SIX PEOPLE ATTEND ANNUAL SCOUTS APPRECIATION DINNER

Some sixty-six scouts, den mothers, scouters and wives attended the Comanche District Annual Appreciation Dinner in the school cafeteria.

Thomas Helton gave the invocation. A delicious turkey dinner which was prepared and served by the Wheeler Dealer Home Demonstration Club was enjoyed by everyone attending. These ladies were under the leadership of Mrs. Bob Frankenberg and did an outstanding job.

James Wright, President of the Chamber of Commerce officially welcomed the people to Wheeler. Attendance present came from Clarendon, Memphis, Wellington, Samnorwood and Shamrock.

Frank Walker, District Nominating Chairman as well as arrangements chairman presented the officers and district members at large for the 1967-68 year.

Robert Wright, Supt. of Samnorwood Schools and Toastmaster, received the Scouters Award which is presented to Scouters who have served continuously for three years and completed all required training courses. The award was presented by Les Sims, Scoutmaster of Boy Scout Troop 35 of Memphis and holder of several training awards.

Davis S. Agnew of Shamrock, Comanche District Scout Executive, presented certificates of appreciation to several scouters and organizations. Steve Odom of Pampa, Scout Executive of Adobe Walls Council was the speaker. He told all assembled Scouters was one of the answers to national problems facing us today in that scouting rounds a guy out and prepares boys of today to be tomorrow's men.

The table decorations were provided and handled by Mrs. Frank D. Walker and Mrs. Dave Agnew.

Boy Scout Troop 72 of Wheeler held the opening ceremony and the closing ceremony was put on by the three 1967 Eagle Scouts of Troop 76 of Shamrock.

CHECK OVERSEAS ADDRESSES

Postmaster Virgil Jami son today urged citizens of Wheeler to be sure to use the correct address on their letters and packages going overseas to avoid serious delays in delivery.

Postmaster Jami son reported that millions of letters and packages going overseas have been delayed because they were insufficiently addressed. He said that one of the biggest problems has been the failure of persons to include the very important 5 digit APO or FPO number in the military address.

There are four essential elements to an overseas military address. They are: 1. The serviceman's identity, grade, full name and service number.

2. His military unit - complete. 3. Gateway post office - New York, San Francisco or Seattle. 4. APO or FPO - a 5 digit number.

When any of these elements is missing, the letter or package will be delayed in delivery.

Gifts Collected For Servicemen

The Wheeler Library Club under the direction of Mrs. Elizabeth Phillips and the Jr. High Student Council under the direction of Mrs. Novella Vanpool are collecting personal items to send overseas to soldiers serving in Viet Nam.

20th Anniversary....

1947 Mobeetie Graduating Class

Richard Hefley of Wheeler called the meeting of the graduating class of 1947 of Mobeetie to order Saturday evening at 7:30 in the banquet room of Jim's Steak House in Pampa. Six other members and families were present plus a large group of upper and lower classmen of that area.

Richard reminded his classmates that they were ten years late in their original intentions of having their get-together each ten years.

Of the original group who were together in 1947, eight were unable to attend but some reports of absent members were made. Mary Alice (Mixon) Ackley lives in Calif., has a 19 year old son in college and an adopted infant daughter, Marie McCauley is on a tour of Europe at this time with her husband, who is a U.S. Career serviceman. They have been stationed in Greece but will headquarter in Rome.

At least three teachers were in attendance and also class parents, who sustained, encouraged and inspired them as they made the effort to finish their high school education under rather trying times. Much reminiscing was

enjoyed and perhaps a few secrets (still now) and unknown antics were disclosed at this late date.

Attending were Mr. and Mrs. Jim Ward (Norma Jennings) and family, Mr. and Mrs. Aubrey Ruff (class parents 1947), Dr. and Mrs. J.L. Chase, Mr. and Mrs. Cletus Mitchell and family of Pampa, Mrs. Alma Seitz (class sponsor) Mr. and Mrs. Sid Talley (Betty Brewer) and family Mrs. Virginia (Henderson) Martin and daughter, all of Miami, Mr. and Mrs. Charles Waters and family of Stratford, Mr. and Mrs. Carl Carter (Peggy Ware) of Clarendon, Mr. and Mrs. Charles J Mix-

Personals . . .

CATCH US WHILE WE'RE CATCHING UP!

We lost 61 days of business due to the strike. We're going to make up for lost time with Better Deals on Better Idea Fords!

1968 Ford showed quieter than a \$17,000 Buick Wildcat. 1968 Ford showed its quiet strength against Europe's finest luxury cars. 1967 Ford showed its rugged durability by starting off an Olympic ski jump.

1968 FORD

Quiet. Strong. Beautiful. A great road car.

21 models, headed by LTD's, XL fastbacks, and Country Squires—only cars in their class with strong die-cast grilles and disappearing headlamps standard. Power front disc brakes when you order power brakes, and SelectShift Cruise-O-Matic—the only 3-speed transmission that works automatically and manually with every engine.

1968 LTD by Ford... 2-Door Hardtop

Only MUSTANG makes it happen!

Mustang, the great original! In three fabulous versions—hardtop, fastback, and convertible. Only Mustang gives you all these standard features: bucket seats, stick shift, new louvered hood with integral turn indicators. Plus options that let you design your own sporty car or luxury car.

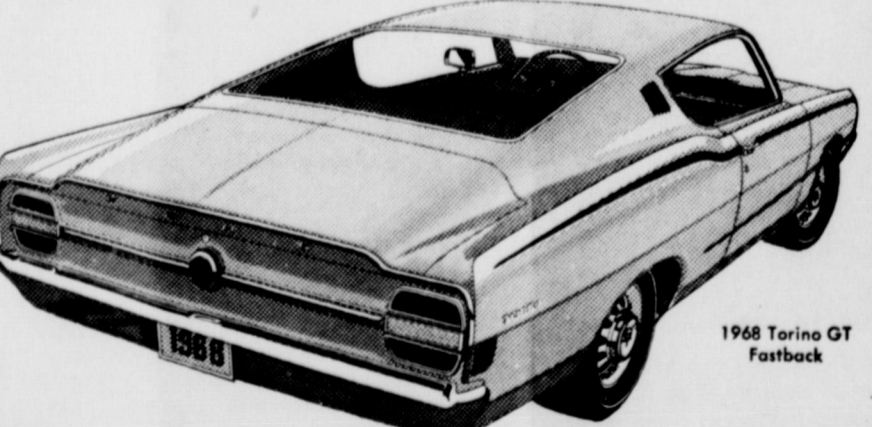

1968 Mustang Hardtop

Ford's newest bright ideal TORINO

Six racy new intermediates featuring a fastback GT that seats six!

A whole new series. Six! 2-door hardtops with a choice of formal or fastback styling. 4-door sedans. GT's. Convertible. Each with the luxury ride of 116-in. wheelbase. Plus a Torino wagon and eight other Fairlanes with Torino-inspired styling.

1968 Torino GT Fastback

FALCON • MUSTANG • TORINO FAIRLANE • FORD • THUNDERBIRD

You won't find all these Better Ideas anywhere else!

Better ideas for Thunderbird: Choose a 2-door Hardtop, 2-door Landau, or the first 6-passenger Thunderbird ever, the 4-door Landau. **Better ideas for Falcon:** Room for six, more room than any other compact built, power to spare, real trunk space, seven models. **Better ideas for convenience:** Options like an automatic ride control system. All-season Select-Aire Conditioner. 7-position Tilt Steering Wheel. **Better ideas in style:** Only Ford in its class has as standard equipment a die-cast grille for XL, LTD and Ford Country Squire, with disappearing headlamps. And lots more. **Better ideas**

for performance: V-8 power from a new 302 to a whopping 427-cu. in. with hydraulic valve lifters. A 3- or 4-speed stick shift on most V-8's. SelectShift on all engines. **Better ideas for wagons:** Ford, the Wagonmaster, has the widest choice of wagons, and all the better wagon ideas: the two-way Magic Doorgate. Built-in rear window air deflectors. Dual-facing rear seats. **And there's still more.** Like Ford's exclusive Twice-a-Year Maintenance, and a wide array of new Ford Motor Company Lifeguard Design Safety Features. See your Ford Dealer now.

There was an old woman who lived in a shoe...

She had so many children. She didn't know what to do. But along came Reddy and handled her plight. He made things electric and all was alright. She bought her a range, electric, of course. And stopped all that working—hard as a horse. At her Reddy Kilowatt Dealer's she made a fine choice. And received a gift with which to rejoice. So, if a Public Service residential customer you be Buy an electric range and get your gift free.

Self-cleaning ovens—ELECTRIC, of course!

ACROSS THE FENCE

By Max Hamer, WCAG

Our cotton crop looks better than we thought it was. Happened to see Stacey Arnold east of Shamrock beginning to gather his crop this past week. He figured he could make his lint average or better this year.

Dwarf Maize Mosaic Virus may be a real threat to our maize growers next year says Doctor Robert Berry, area Plant Disease Control Specialist from Lubbock. Bob Metzger, our area agronomist, thinks the best solution is to grow those varieties that are tolerant to the virus. They have completed a survey of variety trials in the Plains region noting varieties not as tolerant to the virus.

Enjoyed presenting the program to the Wheeler Garden Club at the home of Mr. and Mrs. Farmer Hefley last week. We showed slides of insects that bother ornamental plants in our county. We have a brochure available in our office in Wheeler listing control measures suggested for these insects.

Gardening: Gardeners who want to get a good start for spring planting may want to spade the ground now. A rough surface on the ground will bet maximum benefit of winter frost. Raking up diseased or dead vegetables to burn is a good idea this time of year. Just piling diseased plants in the corner of the garden is a bad practice. Those plant diseases will be back with us next spring.

We're experiencing a fantastic expansion of the cattle feeding business on the high plains. A surplus of maize, plenty of cattle, good climate and closeness to a market, makes the expansion on a pretty sound basis. Lot of cattlemen took a dim view toward the cutting back production talk at the Texas Cattle Feeders Ass'n in Amarillo last week. Feelings are among many is that losing the market to fish, chicken and pork will be a lot easier than getting it back. We suggest taking the positive approach and go to market with that 5 to 10% of our cattle that aren't getting the bale out anyway and concentrate on getting more pounds of quality beef from every ranch we have.

Wheat: Seems like a lot of wheat farmers disgusted with prices, plant to graze their wheat out this year. Those who plan to do this may want to consider certain management practices important to grazing wheat. Early maturing varieties like Triumph should have cattle taken off by March 1. Mid-season varieties like Tascosa should have stockers off by March 15. Remember that the amount of grazing taken off doesn't affect grain yields, but the length of the grazing period does. Some of the Experiment Station personnel at Bushland believe that in some cases, pasture value of winter wheat is so high that farmers might profitably graze out without taking a grain crop.

Falks in Wheeler County should be wary of a new wheat variety, Red River 68, which has filtered it's way into the High Plains of Texas.

Red River 68 is a dwarf spring-type wheat which will probably will not survive the winter here. It's our understanding that drought, heat and disease will also keep this type of wheat from performing well if spring planted. The Crop Quality Council headquarters at Minneapolis, Minnesota, which evaluates spring wheats has reported that Red River 68 is not acceptable in milling and baking quality.

So we don't recommend the use of Red River 68 as well as any other new varieties that are not adapted or have not been adequately tested in this area of the state.

MOBEETIE CROSSROADS

The Mobeetie Tops Square shooters club met Monday afternoon in the Lions Hut. Prayer was led by Velma D'Spain, the pledge led by Lois Hudson and songs were led by Margaret Trout.

New officers were elected, Margaret Trout as president; Georgia Corse as vice-president; Willene Waters as treasurer; Dorothy Mixon as secretary; and Florence Burgess as reporter.

Dec. 22 was chosen for the Christmas party at 7 p.m. Roll call next week will be a low calorie christmas desert recipe.

Hostess will be Dorothy and Mary Mixon.

Beginning Nov. 20 club will meet at night at 7 p.m. We especially want all absentee members to be present to decide if we want to meet at night for their benefit.

Mr. and Mrs. Loyd Leavitt visited with her parents the Mickey Mixons over the weekend.

The Joe Fred Mixons moved to Wheeler last week to the Wofford Apartments on highway 152.

Gordon L. Taylor of Dallas spent the weekend with his sister, Mr. and Mrs. Murel Trouts. Also the Dan Quarles.

Mr. Jerry Welch, who has been in Hawaii is visiting the Quarles families of Mobeetie and the Bob Howard and Bud Howard families of Pampa. Jerry's home is in Nebraska.

Mr. Garland E. Taylor and children were weekend guest of his sister Mr. and Mrs. Murel J. Trout.

Mrs. Edna King who narrowly escaped serious injury or possible death one evening last week when a train hit her car at a Pampa crossing, went to spend sometime with her brother in Kansas Saturday.

Mr. and Mrs. Drew Godwin and family of Amarillo were visiting this weekend in the homes of their parents Mr. and Mrs. Austin Caldwell and Mr. Bill Godwin.

Mr. and Mrs. Bob Howard and daughter of Pampa were guests of her parents Mr. and Mrs. Albert Trout over the weekend. Lonnie Trout of WTSU was also home this weekend.

Word was received this week from the E S Trout family and others in the Reydon, Okla. area that some discomfort is experienced from the rabies shots being given but so far nothing serious.

This is a belated welcome to the Gordon Estes family who recently moved to Mobeetie from Amarillo. They are living in what was known as the section house, recently purchased from the Santa Fe Railway Co. They have a son in school and a preschool daughter. Again we say "Welcome to Mobeetie."

The bake sale held Saturday in Atkins Grocery by the Tops Club was very successful. Out Thanks to Herk and Elita for the use of their space. Also to the many people who patronized our sale.

Don Quarles, missed a couple of days work last week due to illness. We hope he's better at this time. Others on the sick list are Mrs. Claudia Quarles, Mrs. Navelene Simpson and we are glad to report that little Shonda Lynn Quarles came home from Highland General Hospital after a bout with pneumonia.

Mr. and Mrs. Charles J. Mixon of Amherst came Saturday for the 20th anniversary of the class of 1947 Mobeetie

Your prescriptions will be
filled exactly as your Doctor
orders and I am trying my very
best to be competitive with phar-
macies in surrounding towns,
even the discount pharmacies. If
you are having your prescriptions
filled out of town, we will meet
the price you are now paying for
your prescriptions. I would appre-
ciate your business.

Call me day or night for your
prescriptions.
