Jeff Simmons, Eddie Stroud, Tim Tynes and Rick Curlee

Star Canyon To Play At Mobeetie

Jeff Simmons, San Antonio TX, has been the leader of The Star Canyon Band since its inception 13 years ago. Having played music for what seems like "forever," Jeff plays guitar and sings lead and harmony in The Star Canyon Band. Born in Virginia, his music career began in the country music field, later taking the Nashville route where he shared stages with some of the "the best" before converting to bluegrass music in the early 1980s. To the enjoyment of his many fans, there's still a touch of country to Jeff's music. Onstage, there's no doubt that he loves performing and sharing his God-given talents with the bluegrass world.

Rick Curlee, Cleburne, TX, has honed his mandolin skills over the years after getting his start as a child playing with his family band. He later switched to traditional style bluegrass, also developing a proficiency of the guitar along the way. Today, in addition to his mandolin and guitar expertise, Rick also writes music and sings lead, tenor and bass. He's said to have one of the very best high tenor voices around.

Tim Tynes, Burtleson, TX, is an accomplished artisan on banjo and guitar and shares a portion of the vocal responsibilities in The Star Canyon Band. Tim is originally from Louisiana, but has lived in the Fort Worth area most of his life. During his 27-

It is bluegrass time again. The fun starts Friday evening and continues through Sunday morning.

Remember, you do not have to drive any farther than Mobeetie for fine entertainment, great fellowship and **homemade ice cream**. We will be entertaining the Del City Bluegrassers, the Arnolds, but we have not been advised of their arrival time.

I wish the weathermen gave us some hope of a cool front, but it looks like it will continue to be hot.

We have the school calendars for Wheeler, Allison and Ft. Elliott on page 5. Just a few days of vacation left.

We also have the list of school supplies needed on Page 3.

Marci Wright was given an appropriate send off last Wednesday. She is moving to San Antonio and will certainly be missed. She has been a community minded individual during her time in Wheeler.

Marci worked for Charles Kuntz, C.P.A. Each time she came in the office, smiling of course, one had to wonder how much it was going to cost this time.

There is a retirement party planned for Tuesday at the Wheeler Banking Center. Has it been 20 years and have you assigned me to someone else, Ann?

What comes to mind about Ann Jones? How about the time I walked into the bank and she said, "What took you so long?" The windows at the bank give the tellers a view of Texas Street. She had seen me leave the office, headed for the bank, and thought something had happened to

I John 2: 15-17: Love not the world; neither the things that are in the world. If any man love the world; the love of the Father is not in him.

For all that is in the world, the lust of the flesh and the lust of the eyes, and the pride of life, is not of the Father, but is of the world.

And the world passeth away, and the lust thereof; but he that doeth the will of God abideth forever.

Looks like another repeat of more hot weather for Allison this Monday morning, and I imagine a lot of other places also.

Sorry to hear of Myrtle Dorman's death, our sympathy is for family and relative. She is the sister of Nona Elmore, it is a sad time to have to give up a sister, or any relative.

I drove to Wheeler after church Sunday morning and met Darrel and Johnnie at Maxeys and we had dinner together and visited a short while. They went back to the farm to tend the cattle and then on the Amarillo and I came on back home. Enjoyed being with them.

Bible School closed last Friday, with an interesting and enjoyable program Friday night. The young and older ones did really well. It was at the Baptist Church, with the Methodist and Pentecostal and Baptist all taking part.

Still hot and dry. Weatherman gives us no hope of rain in the near future. In fact one said he was looking forward to October.

L. G. Reed mentioned he'd killed a snake. I told him to hang it on the fence so it would rain. He didn't think it would help as there wasn't a cloud

in the sky, but he did. Thundered and lightning in the night and we had 0.3 inch shower. Maybe we need to go snake hunting.

I missed out on seeing the solar powered cars. Sounded interesting. Arnold and Bonnie Rice visited their cousin, Marian Jones at Amarillo. She is very ill.

E. B. and Eva Atkinson, E. L. and Wilma Fowler attended the postal convention at Edmond last week. I spent the weekend with Ann and L. G. Reed. We went to church at New Liberty.

The pastor and his wife, Jimmy and Patsy Dean, celebrated their 32nd wedding anniversary July 11. Congratulations.

Heard from my Australian pen pal. They are having winter over there. Billy Mac Sutton is home from the O.K.C. hospital.

My brother, Frank Haag, is very ill in a Little Rock hospital. Services were Friday at Rose Chapel for Bill Holbrook, 88. Burial in the Sayre-Doxey Cemetery. He and Lizzie used to live here.

Elizabeth Mary Robison was on the president's honor roll at O.B.U. Rachel Hill, O.S.U. sophomore has been named to the National Society of Collegiate Scholars.

The Baptist Daughters of Ruth met Saturday for lesson and luncheon with Judy Tipton.

I saw a deer again over by the river bridge. Read someone at Wheeler hit a deer and did \$4,000 damage to his van.

Saw three ladies walking together into town. One had on slacks, one shorts and the third an ankle length dress! To each his own.

It is so dry that they are having wild fires across Oklahoma. Be very careful. Keep water out for the birds and pets. Pray for rain!

Meadows/Hardisty Vows Are Exchanged July 4 In Garden Ceremony At Canyon

Amy Lynn Meadows of Canadian, Texas, and Charles Dustin Hardisty of Clovis, New Mexico, were united in marriage on Wednesday, July 4, 2001, at 8:30 P.M. at Country Home Weddings in Canyon, Texas. Rev. Jerry Golden of the First Baptist Church of Canadian officiated at the double ring ceremony.

The bride is the daughter of Eddie and Leta Meadows of Canadian, Texas.

Parents of the groom are Charles

and Jan Hardisty of Clovis, New Mexico.

Maid of honor was Laura Meadows, sister of the bride, of Amarillo. Bridesmaids were Kelly Tabacchi, sister of the groom, of Overland Park, Kansas; Kami Leonard, friend of the bride, of Addison, Texas, and Amy Pierce, friend of the bride, of Amarillo.

Best Man was Chuck Jordan, friend of the groom, of Westminster, Colorado. Groomsmen were Todd Tabacchi, brother-in-law of the groom,

of Overland Park, Kansas, Nick Cross, friend of the groom, of Lubbock, Texas, and John Gouker, cousin of the groom, of Clovis, New Mexico.

The bride was given in marriage by her father; she chose a formal gown of white delustered Duchesse satin featured dainty, beaded double straps atop an empire bodice, hand beaded with pearls and tiny bulge bead in a lattice effect. The midriff was lavishly covered with hand beaded lace appliques, which formed a Basque waist, emphasizing the bouffant, softly pleated skirt and full chapel train. A wide set-in band around the hem echoed the beaded lattice motif of the bodice. Amy carried a bouquet of buttercup roses, buttercup calla lilies and oriental lilies arranged around a white family Bible.

The Bridesmaids wore two-piece lavender silk sundresses and carried bouquets of eight buttercup and sterling roses tied with lace ribbon.

Vows were exchanged in a gazebo that covered the bridal table and the unity candle. It was adorned with baskets of pink petunias and flanked by two pedestal baskets of assorted garden flowers.

A keyboardist played an assortment of classical selections before the ceremony and during the reception. The bride entered with *Canon in D*. Abbie Reyes of Skellytown, Texas, sang *I Will Be Here*. She also sang *The Wedding Song* during the lighting of the unity candle.

Ushers were Mark Pritchard, cousin of the bride, of Grapevine, Texas, and Jay Denton, friend of the bride, of Lubbock.

Noelle Wyatt, friend of the bride, of Ft. Worth, Texas, attended the guest registry.

The bride's parents hosted a reception following the ceremony. Guests enjoyed a variety of meats, egg rolls, cheeses, chips and dips, fruit and tea while they watched the city's fireworks display. On the bride's table, a three-tiered white cake with three satellite tiers was decorated with buttercup and sterling roses and greenery. The groom's carrot cake was decorated in a latticework design made to match the bride's cake. The bride and groom departed in an antique horse-drawn carriage.

The couple left for Aventura Palace in Playa del Carmen, Mexico, for their honeymoon. They returned to their home in Amarillo on Friday, July 13, 2001.

The bride graduated from Canadian High School and has a Bachelor of Science in Communication Disorders from Texas Tech Health Sciences Center; her education was completed in May, 1999. She also has a Master of Science in Communication Disorders from Texas Tech Health Sciences Center, completed in May, 2001. She will be completing her Clinical Fellowship in Speech Pathology with the Amarillo I.S.D.

The groom is a graduate of Clovis High School. He has a Bachelor of Science in Business Administration from Texas Tech University, completed in December, 1999. He is employed by Core Data Resources as a Support Specialist.

Happy Anniversary to Kelley and Edith Hand, Kent and Debbie McLaughlin and Joe and Christy Willingham on July 29; Cecil and Jean Meadows on Aug. 3.

Correction: Laurel Hershman was just walking fast from her home to the laundry when she slipped on gravel. Her ankle was not broken. A small bone in her lower leg broke and poked through the skin and also gouged her ankle bone. She had to have surgery to fix it up and is still on crutches. Keep praying for Laurel. Sure hard to do anything when on crutches.

remainder pudding mix. Top with another layer of crackers. Cover with Chocolate Fudge Frosting. Chill overnight. Refrigerate any left over cake. You can try different flavors of pudding, like banana cream or butter-scotch; both very good. Enjoy! Might be easier to frost each of top layer of crackers before adding.

Ruth Irvine, Horace and Juanita Fillingim and Willis and Verna Fillingim left about 7:30 Monday morning to go to Longmont, Colorado to meet Shirley and Talmadge Fillingim from Providence, Utah, and visit with them and their daughters, Dawn and Jim Jones and Sandy Fillingim. It was a great trip and so good for the remaining three Fillingim boys to be together with their wives. One day we drove up to Estes Park; really beautiful country. One day Jim took us on a tour of the plant nursery, where he and Dawn have worked for over 30 years. All kinds of trees, some pretty large, that will be transplanted to landscaping projects some time. Jim supervises much of the work; while Dawn works in sales. They celebrated their 32nd wedding anniversary Wednesday. They have a beautiful home there, as

does Sandy. They all enjoy plants and have gardens, flowers and shrubs all around their houses. Talmadge is recovering from a bad stroke in September. Shirley has health problems with eyes and blackouts. We came back Friday. Longmont is a beautiful clean, well kept town north of Denver. Talmadge turned 84 July 5. Sandy was about 55 while we were there. So good to see and visit with them all. Thanks, Ruth, for a lovely trip. They treated us royal.
