## First State Bank Gets 5-Star Superior Rating

September 2002. Coral Gables, FL. BauerFinancial, Inc., the nation's leading independent bank research firm, is pleased to announce it has awarded its top BauerFinancial 5-star SUPERIOR rating to First State Bank, Mobeetie, Texas.

"What makes community banks, like First State Bank, stand out is their commitment to their customers and communities," observed Karen L. Dorway, president of the research firm. "The latest buzzword we're hearing these days is 'customer-centric'. It means centering the way you do business around the customer. Well, it may be new jargon, but it's not a new concept for community banks, like First State Bank, which have ALWAYS operated that way. They call it good, old-fashioned banking."

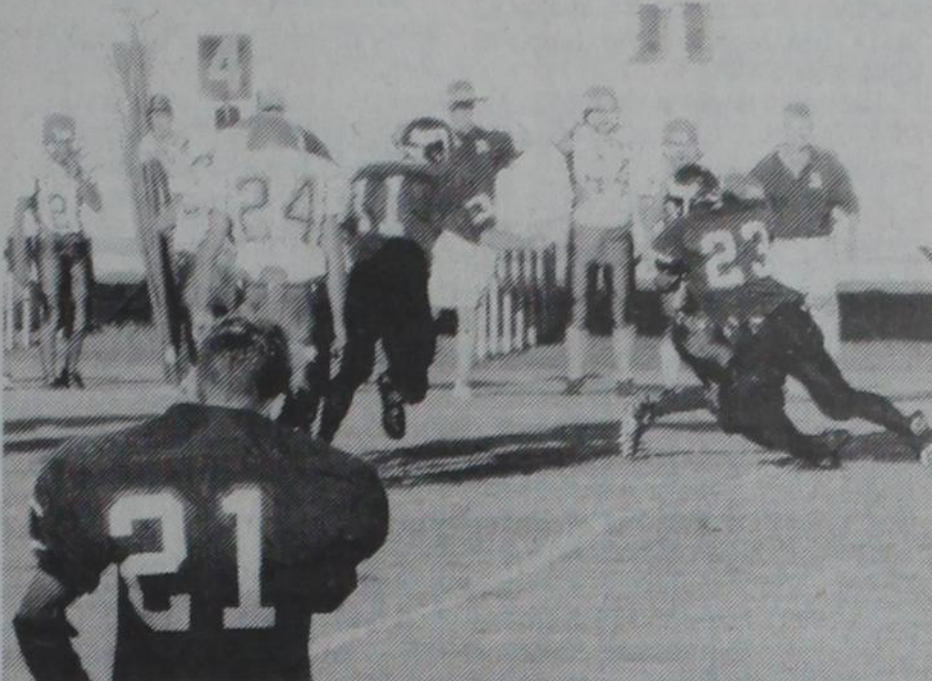

Established in 1906, First State Bank has provided banking services to its neighbors and friends in Wheeler, Gray, Roberts and Hemphill counties in Northwest Texas for over 96 years through two conveniently located offices in Mobeetie and Wheeler.

First State Bank: "Your 5-Star Community Bank."

**FORT ELLIOTT COUGARS TAKES DOWN OPPONENT:** #21 Caleb Kirkpatrick watches as #23 Cade Zybach takes down a Floyd, NM man. Jason Hathaway # 11 is there to assist. The Cougars defeated the Floyd, N.M., team 44-24.

**PLAYER OF THE WEEK:** Jason Hathaway, a quarterback for Fort Elliott High School was named "Player of the Week" in the Amarillo Globe-News for the Cougars 44-24 win against Floyd, NM.

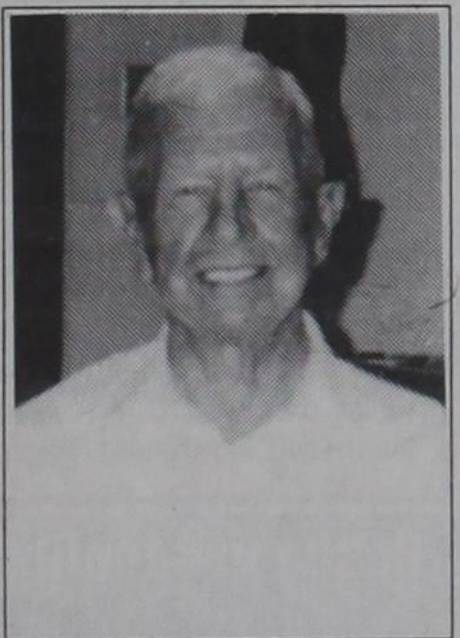

(Editor's Note: The following article appeared in the Tuesday edition of the Amarillo Globe-News.)

Performance: In a 44-24 win against Floyd, N.M., Hathaway keyed an offensive charge with his accurate arm that netted 455 yards of offense. The 5'10", 170 lb. senior was 21-of-24 for 326 yards and five touchdowns. He did not throw an interception. He completed touchdown passes to three different receivers, with three of them going to Junior Newman, from 25, 58 and 18 yards. Hathaway also completed scoring tosses of 26 yards to Junior Gonzales and 25 yards to Kade Zybach. Hathaway last year completed 73 of 130 for 1,103 yards and 21 TDs.

Comment: "He threw the ball a whole lot better than in the scrimmages," said Fort Elliott coach Curtis Smith. "He had been kind of overthrowing everyone. He had a bad habit of lobbing stuff. But it seemed like the other night everything was on the line. He threw the ball extremely well. I knew he threw the ball well, but until I looked at the stats afterward, I didn't realize how well."

### HONORABLE MENTION

Ft. Elliott's Kade Zybach rushed eight times for 83 yards, scored on runs of 50 and 15 yards and caught four passes for 39 yards, including a 25-yard scoring toss, in a 44-24 win against Floyd, N.M.

## Wheeler Church of Christ

"In the beginning God created the heavens and the earth...." These familiar words from Genesis 1:1 are memorized by many, and serve as the foundation for their belief that God and God alone created everything. However, there are alternative explanations that do exist for some people as to how everything got here. Some will say it was a "Big Bang." Others just say that tiny micro-organisms began to evolve. Others will offer fantastic stories that sound more like bedtime stories that were intended to either soothe or frighten children. There are literally thousands of creation stories, or cosmogonies, that have been concocted over the course of history. You have the right to believe whichever one of them that you want, too; although I choose to believe that God created everything, just like the first verse in the Bible says. "I know whom I have believed, and am convinced that he is able to guard what I have entrusted to him for that day" (II Timothy 1:12).

God created this world and everything that needed to be in it in six days before resting on the seventh day. God did not rest on the seventh day because he was exhausted, like you and I would after a hard week of work. God rested to look back on all of the wonderful things he had created in the past six days. And although the scriptures don't say whether a "day" was literally 24 hours long or not (sometimes a passage from II Peter 3:8 stating that "with the Lord a day is like a thousand years, and a thousand years are like a day" is used out of context here), I believe that God chose to create the world as he did. God is all powerful, and if he had wanted to do so, he could have created everything in the world in the blink of an eye.

At the Church of Christ in Wheeler, we believe that God is very powerful. This includes the power to save us through the blood of Jesus Christ. Come pay us a visit and hear about this powerful God.

Dorothy Walker at Maxeys Tuesday night. Misty graduated Briscoe High School and Angelo State College and Law School. Congratulations! She now works for John Mann, attorney, out of

Pampa. So glad Jim Kephart is back home in Mobeetie with wife, Patricia, and Melissa and Steven after 11 months deployment to White Sands Missile Range in

New Mexico with the National Guard. Welcome home, Jim! Jim is a master plumber, too! Enjoyed having Dianne Sparks and Haley and Taylor eat supper at Maxeys with us. Thursday night. Buddy was doing lesson plans at school.

Good to see several Lancasters there together at Maxeys and included Nelda and Nathan Lancaster, Lee and Melba Brown and Betty Haines all from Pampa and Ines Loveday from Tyler. They were having fun. Also at Maxeys nice to see Art Taylor from Shamrock with grandsons. Good to see Cecil and Jean Meadows out.

Mobeetie XYZ will be Friday night, Sept. 6, at 6:00 p.m. for delicious pot-luck meal, devotional and games. Everyone invited—the over 50 games.

There was a good crowd out to Allison Baptist church Sunday night for a good singing and food and fellowship. Next sing will be Sunday night, Oct. 6, at 6:00 p.m. at Gageby church. Everyone always invited for music, readings and fellowship.

Keep praying for little Cassidy Andis and her dad, Robert Andis. Good to see them all out to church Sunday.

Pray for Lisa (Dockins) Barton, a single mom with two little girls at Mobeetie. Serious health problems.

So good to see old timers from many places and college kids home. Thanks, Mobeetie for a nice day.

Willis and I enjoyed going to Mobeetie Monday. Good to visit with several; the barbeque lunch was good. We appreciate all who work hard to put that on. The home-made ice cream was delicious, sold by the Ft. Elliott Seniors; they sold pop, lemonade and other drinks. Thanks! Cakes and pies were auctioned to help Lisa Barton, who has serious health problems. We enjoyed the music; Lucille Cozart from Pampa played the piano beautifully, Marion Grimes played a guitar and sang, as did J. B. Duckworth, who also played the fiddle. Also Deno Boyd sang and Mr. Cox.

A group of Christian women from different churches meet each Tuesday morning at 7:00 a.m. for prayer and Bible Study for 30 minutes at Wheeler First Baptist Church. Other women are invited to join the group in the Fellowship hall each Tuesday at 7:00 a.m. to 7:30.

Sarita Dawson cleaned grandmother Willa Fillingim's house Saturday to help her. Willa really appreciated that.

Buddy and Dianne Sparks and Taylor and Haley went to the Boy's

Ranch Rodeo Saturday and enjoyed seeing some old friends. Girls stayed over for a visit with the friends. They all also visited Diane's mother and brother in Amarillo and the girl's mom, Haley and Taylor got back home late Monday. Buddy enjoyed seeing kids he had taught at Boys Ranch.

Leo and Sylvia Shuler went to Pampa Sunday afternoon and visited Sylvia's dad, Bro. M. B. Smith, in Coronado Healthcare Center. His mind is still good, but he misses his friends. He can't see very well or get around very well. The center is at 1504 W. Kentucky. Go by or send a card. Zip is 79065.

Remember Junior and Louise Coulter and family in your prayers. Junior's mom, Anne Coulter, and

Ephesians-5, 17 through 20 Wherefore be not unquise, but understanding what the will of the Lord is. And be not drunk with wine, wherein is excess; but befilled with the Spirit; Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord; Giving thanks always for all things unto God and the Father in the Name of our Lord Jesus Christ.

A sunny calm wind here in Allison this Monday morning. A very nice morning.

Robbie and SaRita Green, Carissa, and Kelton from Binger, Oklahoma spent the long weekend at the Forest Boydston home. On Monday Opal, Juanita and Curtis Boydston were dinner guest with Robbie, SaRita, Carissa and Kelton, and they were also Sunday dinner with the Green's at Forest's home.

Linda Sanders from Amarillo came down Saturday afternoon and spent Saturday night with her mother, Jennie Walker, and she attended church services Sunday morning with Jennie at the U.P. church. After church Linda, Jennie

and Peggy Chandler went to Wheeler and ate dinner at Maxeys. Linda went home Sunday afternoon. Two of Jennie's granddaughters visited her Saturday afternoon. I think they were from Pampa.

Red and Anna Dukes house guests from Thursday to Saturday morning were Bob and Evelyn Reisinger from Yuma, Arizona and their Kay Knappmiller from Las Vegas Nevada. On Saturday morning a granddaughter, Teresa Morris, from Paradise, TX came for a visit. Teresa went home Monday afternoon.

Roma and Billy Brown and Curtis Boydston were in Pampa one day last week and did some shopping and ate dinner at Braums. Sunday dinner guest with Roma and Billy was Thursia Poindexter from Cheyenne, OK.

Pearl Harrison last Tuesday dinner guests were Eddy Walker and Bennie Boydston. On Wednesday Pearl was both breakfast and dinner guest with Clifton and Louise Boydston. Pearl went to Elk City last Thursday and spent Thursday and Friday night with Jimmy and Vivian Wallace, and she did see the eye doctor both days she was there. She came home on Satur-

day. H. B. and Cheryl Dupont, Sabrina and Cody were dinner guest with Clifton and Louise Boydston last Sunday.

Sorry to hear that Ernest Wallace passed away. I believe they said last Monday morning. Our sympathy is for his family, relatives and friends.

Lee and Sharon Hall from Amarillo spent the weekend with Lee's mother, Nona Jones.

There was a gospel singing last Sunday evening at the Allison Baptist Church, some also read poems. Other churches here for the singing and poem reading were the Mobeetie Baptist and Gageby Church and the Briscoe Community Church.

Len and Betty Brown from Dumas, TX were down to their Allison home last Monday morning. Len mowed their yard Monday morning.

Shawn and Jamie Downie and Narveta Robertson and Lanora Morse went to Cheyenne, OK last

Saturday and met Lanora's cousin, Lucille Stewart, at the Number One Oakie Restaurant and had dinner and also enjoyed visiting. Jamie and Shawn did some grocery shopping at the Thriftway in Cheyenne. They enjoyed the outing very much.

Last Thursday evening there was a birthday supper at the Allison Cafe to celebrate Caroline's birthday. Dick and Cletus Greene and Shawn and Jamie Downie hosted the meal. Those there were Vance and Caroline Boydston, Dick and Cletus Greene, Jonathan and Alexis Greene, Narveta Robertson and Lanora Morse and Shawn and Jamie Downie. They enjoyed the meal and visiting. Dick and Cletus Greene, Jonathan and Alexis Greene left last Friday for a long weekend visit at Roswell, NM to visit Kyle and Bernadette Boydston and Noah. They returned home Monday.

Take time to pray—it is the greatest power on earth.

her sister passed away suddenly in the Ft. Worth area. Their funerals were both Friday, August 30.

Wanda Herd flew to Austin Wednesday to get a grant for Wheeler City Park. Congratulations! She got it! She came back Thursday. The grant will pay for fixing up the existing park.

Gayle and Kay Singleton from The Colony and Laurel and Ed Hershman and Shelby and Micaela Dawson were Sunday dinner guests of Willa Fillingim. Also there, Emmitt and Carolyn Singleton and grandson from Cordell, Lajo Fillingim and Horace and Juanita Fillingim.

Several kids and grandkids came Saturday, Aug. 31, to help Bulah and Doyle Grimes move to their new home in Guymon and help get things packed up. Their new address will be 1308 Roosevelt St., Guymon, OK 73942. Pray for them as they go. We hope they enjoy the city life. God bless you! We surely will miss you.

Saturday Rosalie Keelin and Jimmy enjoyed having Joey and Risa Keelin from Pasadena come to visit for several days.

Jimmy Keelin has been helping Horace Fillingim keep his baler going. Much appreciated.

Remember Glen Elmore and his family in your prayers. Glen is in SCCT Rehab in Amarillo at 2700th and Georgia St. and still poorly. We miss seeing Glen around and hope he will be o.k. soon.

Lyndon Loyd took Johnny Wilson up to the VA Hospital at Amarillo Thursday. He had an arm swelling because of blood clots in shoulder and maybe ulcers in his stomach area. He was to have an MRI Friday, Aug. 30, at 6 p.m. and be in the hospital maybe a week. Remember Johnny in your prayers. Hope you will soon be o.k., Johnny.

Katherine Jones was in intense pain in her chest. Made her think she was having a heart attack. Also pain in her left shoulder. Tests showed a hiatus hernia, ulcers and acid reflux. With medication and a bland diet she is doing much better. And is walking a lot, which seems to help. Remember Katherine in your prayers. Nice to visit with you, Katherine, at Hylands. She had walked from Dr. Mendiola's office.

There was a good crowd out to Allison Methodist Church Sunday night, August 25, to the Jesus First Concert. They enjoyed it and were inspired.

"You can know beyond all doubting In the trials you're passing through That our God's great love and mercy Are at work for good in you."

—Anon from Daily Bread

back to Irene's and played 42.

Happy Birthday, Dear Friend.

We went to the parade at Mobeetie Saturday, but it kept raining so we didn't stay. Guess the rain didn't bother the kids. The rain stopped a few miles out of Wheeler and was very dry here. Our neighbor, Karen Alston, was still mowing her yard when we got back. Sorry to miss the parade. They did have the parade after the rain stopped.

Some of the family reunion at Elaine's were Murl and Eula Kuhlman and Becky Preston and Elsie Glazner, Butch and Carol Glazner, Leona Coates, Al and Sharon Ryan and family, Kenneth Kuhlman and many more.

David Pearson, and Lindsey and Ken went dove hunting some over the weekend.

I got a copy of the new Ft. Elliott annual. Very interesting. Lots of good pictures. You will want one. Just \$5. They are at Mobeetie and Briscoe.

There was a big crowd eating at Mobeetie Cafe Thursday for lunch. Joe Shelton even brought his cat (bob cat that is in a cage) but he took lunch out to him/her). Nice to see Randy Finsterwald and Luke Horton there; they work for the county. Lots of working guys there.

Sarita Dawson and Micaela and Shelby from Amarillo came down Friday for the weekend. Sarita had to go back Sunday to help celebrate Brad's grandmother's birthday. They were visiting Laurel and Ed Hershman. The girls stayed till Monday afternoon.

Good to see Elnita Atkins and son, Herb, from Amarillo eating at Mobeetie Cafe Thursday. They had come to the cemetery. They had the grocery store in Mobeetie and she had a beauty shop years ago.

Phyllis Hefley had a nice birthday. David and Phyllis Hefley enjoyed having Darren and Chalone Hefley and Dawson and Logan from Tulia and Kristi Hefley from Lubbock spend the weekends.

Rita Pearson and Lindsey Criswell visited at Hefleys Monday afternoon.

Sunday dinner guests at the Margie Meadows home included Richard and Bonnie Meadows and Reagan, Ben and Tonia Meadows and Hailey and Bailey, Leslie and Kevin Wilson and Johnny and Sydney from Midland, E. J. and Joy Meadows and Misty and Dan Trimble and Dana. Dana is teaching at Bowie Middle School in Amarillo. Best wishes to all.

Taking Margie out to breakfast Monday morning were a niece and husband, Glenda and Max Sealy from Albuquerque. Glenda is the daughter of Vada Vance.

Ed and Laurel Hershman took Micaela and Shelby to Mobeetie Monday for lunch and then on to Pampa to meet their mom, Sarita and go back to Amarillo. Micaela goes to Highland Park School.

Wanda Prater has been discharged from the State School at Abilene and is now home with Verneal and Juanita Prater, Mary Lou Carter, Jeanette Jahnel and Carl Lee and Deseray. Jeanette is now working at the Abraham Home at Canadian, doing laundry and visiting with the residents. Carl Lee enjoyed having Jayton Ball spend Friday night and Saturday with him. Mary Lou takes care of Deseray while Jeanette works.

There was a big birthday party for Deseray's 3rd birthday Saturday. They had a bean and taco lunch and then later a Winnie the Pooh Cake and ice cream and Koolaid and pop. Some others there for the party were Andy Jahnel and Dorothy Rich, grandparents.

Deseray got a big play house from Alcoa and a fancy balloon.

Happy Birthday, Deseray.

All the Prater family went to Mobeetie Monday to the barbeque. Good to see them.

"God be with you till we meet again."

## 80th Annual Seitz Family Reunion Sun.

The 80th Annual Seitz Reunion was held September 1, 2002 in Lefors, Texas. The day began with a praise and worship service led by Rick Scott who also brought the word. His message was on the freedom we have in Jesus.

There were 69 family members and 2 guests in attendance. After a delicious meal brought by all the women of the family, the business meeting was held.

It was noted that Fate Seitz and Alta Seitz Morris had passed away during the year.

Door prizes were given to all young people in attendance and most of the adults.

Five years ago, the Seitz women began to quilt quilts for each year's reunion. These quilting events are held at Estelle Hodges' home. The quilt was raffled and won by 10 year old Amanda Lewis of El Paso, TX.

The Hinton, Okla., High School Class of '57 of which I, Jean Mason (sister-in-law) and Carolyn Bench (sister to brother-in-law Gene Arnold) are members gathered over the weekend. It is the 45th anniversary of the year of our graduation. Where has the time gone?

—cwe—  
I missed the breakfast Friday morning in Hinton, but was at the gathering and dinner in Oklahoma City Friday evening. About 14 of the classmates made an appearance at one or the other of the get-togethers—I think there were 34 in the class.

Some looked older than others.

We did not return to Wheeler until Monday afternoon—we had to be back for the card games Monday evening.

—cwe—  
Jane called in the afternoon. She was here cleaning on their house in Wheeler and needed to play some cards.

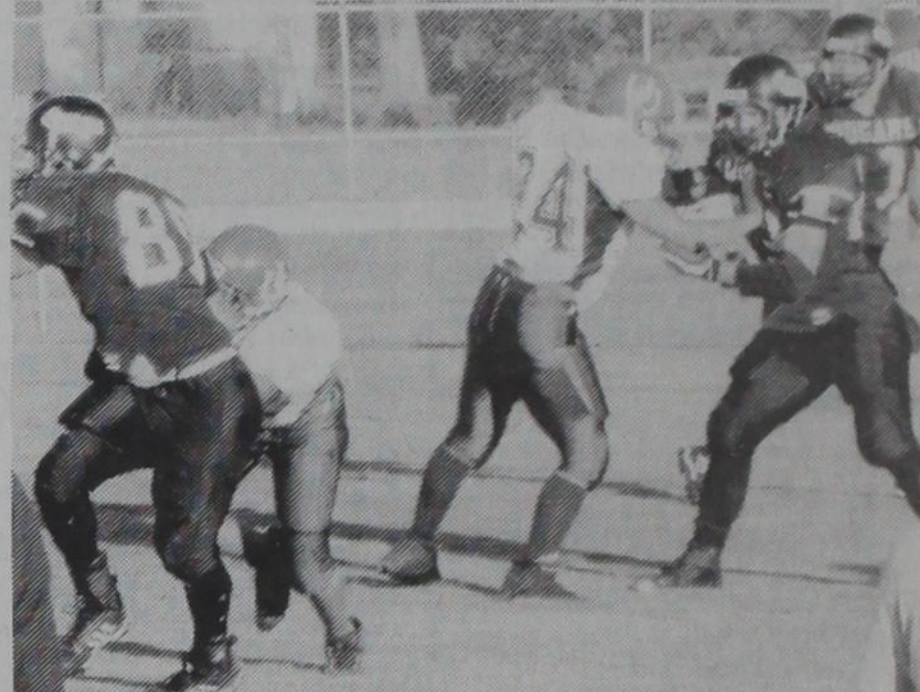

—cwe—  
Dwight and I were one game up when Barbara joined us to play Mike, Jane and Bob.

—cwe—  
In the 6-handed games, we each won one game.

—cwe—  
To make sure you understand, Dwight and I won two out of the three games; Barbara helped win the third game.
