Nowadays the neatest thing you see on the boobtube is the commercials. Seems like all the good decent writers have gone to doing commercials and the Tripe has gone into the soap program writing. Honest the commercials mostly are decent with none of the filth on them but you show me one program in a hundred that is worth watchin and I will try and send you a cute little kitten we have.

Now that Orville Brumley on the Oatmeal commercial is a gentleman and seems to be making a living at it. Am I being too old fashioned about things? I have wondered, but if I am so be it. I hope to stay that way.

I wonder if enough people would quit buying products that sponsor some of these filthy programs it would help. Honestly, we are what keep these firms in business using their products and driving their cars and all that. Most, if not all, of them are desirous of our all mighty dollar and I believe they would start choosing cleaner programs to sponsor if the public would demand it. Think it over, are we the ones that want this filth to be seen by us, our children and great grandchildren? May be we enjoy this junk and hate to admit it er maybe we are too durn lazy to write the firms and tell them we are going to quit using the products until they straighten up their act.

Looking over the fall programs we have available to us we don't have much choice but you know what? Me and Mama come out here on the porch and play that new game Rumiecub. It can be played by two or four people and boy it gets your ole rusty mind working. Course Mama usually beats me purty bad. One of these days, One of these days. Ha.

We went up to Wheeler Sunday to see how the Johnny Reeds were doing. Seems we haven't been taking very good care of them. Found they had been to Houston where Johnny had five weeks of radiation. And we didn't even know they were gone! We saw a deer dead on the road just past the state line. Guess a car hit it. We haven't had any quail lately. Suppose the dove hunters got them. They sure did bang around.

The Kitchen Band went to Grand Place last Tuesday. I had a nice visit with Flossie McAdoo. Visitors were Bonnie Anderson, Ethel Rogers, Katie Matthews, Tela Miller, and Mae Connally. Our Billie Doss had broken her arm. Band members were Billie and Basil Doss of Carnegie, Richard Crawford, Roy Swagger, Iona Miller, Rose Abla, Hazel Francis, Lois, Joe and David Flowers. Donna and Jack Mercer.

Our Florida kids didn't mention the storms there. We have friends near Tampa, Billy and Ray Hayes. Hope they didn't float off.

Seems we have queer ideas of justice. We are so concerned about the crinimal that the victim is ignored. There is a man presumably crazy, who took a shotgun and blew the heads off his parents and three other relatives. Now such people, crazy or not, should be speedily eliminated for the safety of the populace. But they can't execute him because he is crazy, and he won't take the drugs that would straighten his mind out. Sound sort of smart, doesn't it? So the taxpayer will be supporting him (\$40,000 a year) till they decide to turn him loose to kill

VOTING IS THE FIRST DUTY OF DEMOCRACY 1

BOBBYE C. Democratic Candidate for Wheeler County

Attorney

Elect

Court. In Addition, there

were a few Class A and B

theft and assault cases.

As a former business woman, I know that speedy action needs to be taken to collect "Hot Checks" or charges for theft by check should be filed. Drunks need to be kept off the streets and from behind the wheel of an automobile. Teenagers need to be educated about the results of alcohol and drug abuse.

My experience as an Attorney, as an Independent Business Woman, as a Teacher of teenagers, and as a Resident of Wheeler County for over 30 years, uniquely qualifies me for the

position of County Attorney. I will work hard to earn vour vote!

President Lyndon B. Johnson, August 11, 1964. Pd. Pol. Adv. Bobbye Hill, Campaign Treas, Box 613, Wheeler, TX 79096

We are so proud to have the piano, back in the dining room. New dining arrangements have been made to eliminate much of the congestion ir. the dining room and lobby at meal time. We will now eat at two different seatings. It's working out very well.

Our training program is running along smoothly. Karen Puryear and Cathy Bailey are each doing their share of the programs. We are so glad during our October Meeting. I'm to have Karen on staff she has so much to offer. Cathy Bailey is glad to have her here also I'm sure.

Our volunteers have fallen back in place so easily it seems. Erma Riley and Ila Byers were here Mon. afternoon to serve juice. We're so glad to have our friends back with us. Thank you both.

I wasn't able to attend the October Birthday Party last Tuesday but everyone said it was simply wonderful. The Martha Sunday School Class of the First Baptist Church were our hostesses for the afternoon. They were Ruth Taylor, Frances Hefley, Loraine Wagner, Audie Sivage, Ann Gandy and Lola Holcomb. Entertainment was provided by Slyvia Shuler and Randy Rives. Balloons were provided for each guest celebrity along with cake and punch for everyone. Everyone who attended thoroughly enjoyed themselves. Although a large crowd attended only four were celebrating their birthdays. They were: John Porter, Oct. 5, 1899, 91 years; Re Lummus, Oct. 6, 1904, 86 years; Ruth Rosenbaum, Oct. 17, 1904, 86 years; Margaret Oldham, Oct. 16, 1940, 50 years.

We want to say a big Thank You to all who made the party so exciting and entertaining. Thank you also to those who filled in for me.

Our Baptist Bible Study took a new twist Wednesday morning. We enjoyed music by Sylvia Brown on the piano and Janice Sparlin as song leader. Peggy Hunt and Fliptian Patterson were here also to help out. We always enjoy their visits.

In the afternoon our bingo gang was rather large. Doraeen Owen, Opal Hefley, and Doodie Phillips were here to help out. Francis Hefley came out to serve juice and visit. Thank you all so much for coming to see us. We appreciate all of you.

Fern Young and Rozena Zybach were here Thursday morning for their regular "Inspirational". Fern was expecting a houseful of company, but still took time to come see us first. We just love them both.

Our mending ladies had their work cut out for them Thursday. Essie Finsterwald, Mary Ann Maxwell, Bea Smotherman, and Ardie Martin worked much of the afternoon to get things all fixed up. It's certainly a big job and we do appreciate all these ladies so

LaJaune Alexander fixed delicious popcorn Thursday afternoon.. We even bagged some up for the night crew to munch on. LaJaune does a good job. Thanks!

To The Voters Of Precinct 2

I am your Democratic Nominee for the Office of County Commissioner, Precinct #2, as a result of winning the Democratic Run-Off Election on April the 10th, 1990.

The upcoming election on Tuesday November 6, 1990 is the subject of this letter. It is of vital importance that you vote for the nominee of your choice. Each and every vote counts - - - the election can be won or lost by YOUR VOTE.

I, Tommy Puryear, would again like to ask you for your Vote and continued Support.

I am qualified to do the job and I know that I am willing and eager to provide you with the best county management and welfare. My actions will be responsible, respectable and hard working.

I will improve and maintain the roads within our precinct, in a manner that is cost effective. However, your County Commissioner is responsible for much more than your county roads. Some duties of importance are, managing and conserving your tax dollars; making sound and informed business decisions; representing our county at area meetings and keeping informed on state and local issues, in order, to facilitate and promote financial opportunities for Wheeler County. Your Commissioner should be able to work with our county law enforcement agencies and our county volunteer fire and ambulance units to insure the services that are vital to our safety and care. I am confident that I CAN promote our county's management and welfare.

I am looking forward to working with the other commissioners, and other local county officials.

Please make every effort to cast your vote so that the candidates of your choice will win.

Remember, the election can be won or lost by YOUR VOTE.

I would appreciate your vote on Tuesday November 6, 1990. THANK YOU.

Our meeting leaders will show you exactly what it takes to lose weight. And keep it off. They know. Because they've all been there themselves. And for them, Weight Watchers is the one weight loss program that got them thin, and keeps them thin. It will work for you, too. Through thick and thin.

We enjoyed seeing Briscoe and Kelton Junior High girls play volleyball at Kelton Tuesday night. All played well, but Briscoe won. I'm so sorry that I goofed and put in the paper that the game was at Briscoe. Sorry if I caused any inconvenience.

We also went by Brad Chandlers to wish Jana happy 11th birthday and Bridget Happy 9th birthday. Also there were Dr. Bob Galutia and Nikki and Susie. Delicious cake and ice cream were served.

Let's hear it for Mack Sheilds! Rah, Rah, Rah for Mack Sheilds. He grew this huge patch of very delicious yellow and red watermelons and has shared with anyone who wished to come and help themselves, besides those he took to people. His melons have gone to friends in Oklahoma, Colorado, Kansas and all over the Texas Panhandle. We all thank you very much, Mack. You are #1!

I talked to Dennis and Peggy Thompson in Wray, Colorado. They are all doing fine. A doctor in Denver really fixed Dennis' eyes up so not so much pressure. He can work and drive now and Peggy's health is better. Jeff is out of school, making his own way. Kelly is still in school doing great.

Roy Morse has been very ill in the Wheeler Hospital. Remember him and his family in your prayers.

That the Groundwater Conservation Districts of the Texas Panhandle do perform an important and vital function for the region's residents and that based on the Districts' intimate knowledge of the underground water in the region and their previous achievements in implementing successful conservation programs in the Panhandle, that the Texas Groundwater Conservation Districts Association's proposed revisions to the 1990 Texas Water Plan be given serious consideration for inclusion into this 50-year plan by the Texas Water Development Board.

The Mustang offensive line is also showing improvement due to hard work in practice. "Our senior lineman, Hungate, Smith, Altamarino, Childress along with juniors Travis Cook and Isidro Salas are doing a good job and with just a little improvement on the little things could be one of our better offensive lines" according to line coach Jeff Pierce.

Attendance at Mustang games has been disappointing lately. Let's everybody come to the game Friday night and show your support for the Mustangs.

SEVENTH TIES CHILDRESS 6-6

In a hard fought contest that saw both touchdowns scored on blocked punts the younger Colts gained a tie with Childress.

The kittens scored just when they recovered a fumbled punt in the end zone during the second quarter.

In the fourth quarter the Colts returned the favor when Daniel Blocker recovered a Childress punt in the end zone to tie the score at 6-6. Both extra points failed and the game ended in a tie.

The Colts were led by Jeremy Kenney who had 40 yards on 14 carries and Jason Bradley who had 26 yards on 11 carries. Keith Rose completed four passes for thirty two yards to Taylor, Bradley and Kenney.

Defensively the Colts were led by Darby Dorman, Robert Remy, Rick Medecros, Danny Brinkley, Jimmy Lewallen, Michael Hibler and T.A. Taylor. The next game will be against Claude.

COLTS BEAT CHILDRESS 16-14

The Wheeler Jr. High Colts rimproved their record to 4-0 as they defeated the 2A Childress Kittens

In the first quarter the Colts moved the ball 60 yards in 10 plays to score the first touchdown. That dive saw Saul Meraz catch a twenty-four yard pass and Francis and Ledbetter pound it out on the ground. Chad Rives threw Jarrod Ledbetter an eight yard pass to complete the drive and score the touchdown.

Ledbetter scored the extra point on a pass from Rives to make the score

The second time the Colts have the ball they went on a drive of 50 yards. On that drive Darren Brown made a going. Jarrod Ledbetter went the final 22 yards on a trap play up the middle and Andy Francis scored the extra point to make the score 16-0 with a little over a minute to play in the first

The second quarter saw the Kittens score on a twenty-five yard pass play and a 35 yard pass play. After the second touchdown the Colt defense led by Corey Case and Charlie Flanagan held the Kittens short of the goal line and made the score 16-14.

The second half, the Colts moved the ball up and down the field, getting inside the ten but failing to score. They played great defense however and the Kittens, weren't able to

Defensively, everyone, played great. Flanagan, Case, Wiggins, Harrison, Hefley, Meraz, Stiles, and Brown led the charge and kept Childress from scoring.

Gruver

From Page 1 the two pointer was good when Jason Beers passed to Chick.

Dan McCloy got the Gruver touchdown on a 5 yard sprint around his right side behind one of the few times that the Greyhounds got good blocking but the try to tie the game came for naught and Gruver did have the consolation of scoring their third

touchdown of the season.

The Mustangs had scoring drives of yards rushing. 77 and 50 yards to give them a comfortable 23-6 halftime lead and the Gruver's run part of their offense just swinging gate PAT worked again

Gruver knew what was going on. Mack Marshall had scored from 31 yards on a run at right tackle and the 7:26 of the second quarter. Marshall's run helped him to a game high 117

After scoring their touchdown, wasn't there and they fared little when Jason Beers just took the snap better by the airways. Wheeler picked and was in for the two points before off three of quarterback Matthew Hoel's aerials with Kelly Aderholt getting all three interceptions.
