### CWE CHAT WITH EDITOR

By Louis C. Stas

Here we are at the end of another year. 1992 is the same as gone and it seems it only began.

First on the schedule for the new year is the annual Wheeler County 4-H & FFA Livestock Show, scheduled for the middle of this month.

Immediately following this will be the Annual Chamber of Commerce Installation Banquet. Kenneth Wyatt is booked as the speaker for this affair. Wyatt has been a speaker before and is definitely worth a second listen.

The event that will affect the most people will be the Ex-Student/Teacher Reunion the second Saturday in June. Yes, it is that time again (June 12); seems like only yesterday. For you exes living some distance, schedule your vacations now, so you can be in Wheeler. We are looking forward to seeing you.

One of our exes is already making plans to attend the reunion. David Dunn called Tuesday from Santa Rosa, Calif. He plans to be present; it will be the thirtieth anniversary of his graduation from Wheeler High School.

Congratulations to the winners in the local drawings. Tara Zybach should be a popular hostess this summer with that new White Mountain electric ice cream freezer. Let me know when the first batch is ready.

And speaking of ice cream freezers, who says it costs more to shop at home. I received a White Mountain ice cream freezer for Christmas and it also came from Lee Hardware and Furniture. My sister and son got together and made this much needed purchase. These two individuals live in big cities and saved a considerable amount of money by having Barbara make the purchase in Wheeler. **SHOP WHEELER FIRST!**

Continuing on the subject of my need for a new freezer, you may or may not remember my having to recover the center pivot of the wooden bucket from the middle of the street after throwing the ice out. And, I am not sure how much longer the wires holding the bucket together were going to last; they were about rusted away. The bucket was on its second motor.

And, ice cream certainly does taste good when the Arnolds come for a visit. Especially before and after the Mobeetie Bluegrass festival in July. Yes, I am sure she usually has ice cream from the concession also.

We had a marvelous Christmas; hope you did also. We crossed over into Oklahoma on Wednesday and from Hinton went to Del City on Thursday morning. We arrived in time for a guided tour of Tinker Field; Gene was taking the Bartlesville Gardellos (niece and husband) and I tagged along. Brother Raymond was also there, so Mother Stas had her brood together for a while.

The eldest of mine and Barbara's brood and family arrived shortly after we did at the Arnold residence. We opened gifts Christmas Eve.

Christmas Day we crossed Oklahoma City to the Raulston residence for the gathering of the Porter clan. Mother Porter had her four girls, their husbands and several of the grands and great grands.

We returned to Hinton for the remainder of the weekend. First stop Friday evening was the Meriwether home for the Meriwether tree. We left after the gifts were opened; there was a lot of noise with the guitars, amplifiers, police cars and amplifiers.

An explanation is in order. That blank space on the front page was not intentional. The picture intended for the space was left on the counter at the office. It and the cutline are being run this week.

## 8 Wheeler Shoppers Win "Cash" Final Christmas Drawing Thursday, December 24

The fourth and final of the Chamber of Commerce 1992 "Cash" drawings was held Thursday, Christmas Eve. The amount given away was \$400 with eight lucky Wheeler shoppers being called forward to receive their envelopes of "cash". The envelopes contained "cash" in the amounts of \$25, \$50 and \$100.

The smallest amount awarded Thursday was \$25; four were given out. The first four individuals' tickets drawn were Fay Rainer, Pamela Immel, Ruth Hathcher and Jarod Newland.

Two envelopes containing \$50 were handed out; they went to Chuck Baker and Jackie May.

The big winners for the day were LaDonna Griffin and Jandie Taylor; they each received \$100 in Wheeler "Cash".

Lyndon Loyd was the announcer for the drawing. John David Right and Charles Finsterwald were responsible for having the hopper of tickets on the west side of the square each week for the drawings. KPDR-FM also carried the drawings live on the radio.

This is the merchant's way of saying "Thank You" to their customers for shopping in Wheeler this past year.

A total of \$1,500.00 was given away this year. The sponsors for the drawings were: After Hours Video, Albert's Shamrock Service Station, Andies, Cross Car Center, Frankenberg's Texaco, Hyland's Pharmacy, Johnny's Shamrock Service, L. & F. Repair, Lee Hardware and Furniture, Marshall Discount Auto, Bob's Tackle Shop, McIlhenny Dry Goods, Pierce's Trading Post, Speedi-Mart, Thriftway, V. & S. Variety, Ware Chevrolet, Wheeler Flower Shop and Wheeler Lumber Company.

Those sponsoring the drawings but not giving tickets are: Dr. Larry Barbour, Britt Ranch, Burton Ford-Mercury, Inc., Canadian Production

Callie Beatrice Harville

### Wheeler Care Center Residents

This week the interview at the Wheeler Care Center was with Callie Beatrice Harville. You may know her as Bea Harville. She was born in Petersberg, Oklahoma on April 9, 1907. Her father, who was from France, died when she was twelve so the children helped out on the farm by farming the land using walking plows. She had two brothers and three sisters.

The family moved from Oklahoma in a covered wagon in December of 1923. She lived on a farm East of Wheeler for seven years, Kelton for one year, then moved to Wheeler. As a child Bea liked to travel in the covered wagons. Bea has been a member of the Wheeler Nursing Home for six months. She enjoys watching "One Life to Live", "Days of Our Lives", "General Hospital", and finally "Wheel of Fortune".

**GREETINGS:** Willie and Jane Knoll are shown here as they received greetings from president George Bush and his wife Barbara. The Knoll's will celebrate their 65th wedding anniversary on December 29, 1992. They will have been married 65 years. Congratulations to Mr. and Mrs. Knoll. Willie and Jane are residents of the Wheeler Care Center.

Hope Santa found all of you. He stopped by here several times. We had three different openings. We missed the boys and families who we understood. Talked to all of them. Carl and Inez McDaniel were from Miami to be with Tony and Carlene. Joe Dale and Esther had Mike, Suzanne and Jim home. Joe Dale is getting a sabbatical year which they plan to spend in San Antonio.

My, but didn't winter come in nice. I think that last night's 40 degree low melted the rest of the snow. We have had some snow on the ground since before Thanksgiving. Talked to my pen pal in Minnesota, Joann Steen. She said their wind chill factor was 45 below zero! A little nippy.

Lanell and Donnis Hays, Enid, were out last weekend for an early Christmas with her mother, Mildred Allen. They went over Sunday and had din-

ner with Faye and Leroy Allen. Also there were Rickey and Sherri Allen and children from Hammon, Randy Allen and Randilyn. Imo and Iris LeGrand visited Mildred during the week.

With Theresa and Wilbur Nabors Christmas were Larry and Gail Nabors, Linda and Bill Foreman, Julie and Jill, Pampa, John and Phyllis Doucette, Mark and Laura, Amarillo, Ben and Jennifer and Brittony, College Station, Jerry and Linda Nabors, Rusty and Randy, Pagosa Springs, Colorado.

Jerry, Linda and boys and Ruby Rush visited Carolyn Barham too. Carolyn is going to college at Sayre.

For a little fun, Basil Doss tells me that they have come out with an outstanding corn. Perot Corn—doesn't get very tall and has great big ears. Had a cartoon in the Xmas card from my almost cousin, Meryle Grossman, showing an old decrepit couple. The old lady says, "Honey, we've got so old all our friends in Heaven think we missed getting there."

The Erick Kitchen Band had a nice time at Hensley's Home. Jack and Betty had gone to a family reunion at Wheeler, and Donna had to work. Juice and cookies were served to all. Band members were Basil and Billie Doss, Richard Crawford, Margaret Hiller, Hazel Francis, Iona Miller, Rosa Faye Abla, Leonard Taylor, Bessie Perkins, Roy Swagger, Joyce Matlock, We three and Ole Five String. Opal Nabors, Doris Howell, and Rosa Heard

were there visiting Leo Howell. Earl Crawford is a patient at the Sayre Hospital. Loyd Addis has been a patient at Clinton Hospital. M. B. Davis is home after having open heart surgery. Dale Robinson and Charles Fourier are home now.

Our boys played Sayre last week and beat them 70 to 41. The girls put up a good fight but were bested 57-53.

The little town of Nazareth, Texas, has always had a lot of mail sent to them around Christmas to be post-marked. The ACLU finally found out about it and has forced them to stop. Post office can't be connected with religion! It was them that got the Bible, prayers, and the Ten Commandments

out of the schools. When future historians discuss the reasons for the fall of America and determine it was a lack of morality, the ACLU will get most of the credit.

Santa stopped by the Ray Smiths in good style last week. Edward brought them a big rick of wood for the fireplace. I don't know how Santa was able to keep the sleigh flying with such a load.

With Ray and Doris today were her childre, Arnold and Janelle Wagoner, Yukon; Jim, James and Abby Wagoner, Woodward and martha and Bob Berry, Longdale.

Hortense Madden tells me that Ed Wrathers, Ruth Holland and young folks, Jamie Megan, Kindra, Cassie, Chase and Kristina came by singing carols and bringing gifts. Think they visited several other shut-ins.

Memorial Services were in Tucson for Loyd Thornhill, a brother-in-law of Mary Bollen. Harold and Mary went to El Reno to see her brother, Everett Little, who is very ill.

Services were Wednesday at Martins Chapel, Elk City, for Betty McIntyre. Burial was in Fairlawn Cemetery. Betty was the daughter-in-law of our neighbor, Melvin McIntyre.

We visited Bonnie Rice and Bertha Coffey Wednesday.

Judy and Gerald Tipton had all their children home for Christmas, Jan and Jeff Franks, Vinny and Eric of Watonga; Tammy and Randall Fuch of Lewisville, TX., Lisa and Jerry Alexander and Jada and Joel of Sweetwater.

Larry and Threse Anderson, Laura, Michael and Olivis of Sayre, John and Margie Anderson, Heather, Amber and Lindsey, Pat and Debby Anderson, Jarnie and Shannon were Christmas day guests of their parents, Hershel and Betty Anderson.

Unless you have money to burn, there's only one way for you to judge the value of a feed supplement:

Does it help produce meat, milk or eggs at low total feed cost?

If it doesn't, it's expensive—no matter how little you pay for it per ton.

If it does, it's a good buy—whatever its price per ton.

Let me show you how Moor-Man's powerful combinations of protein, minerals and vitamins can balance your grain and roughage efficiently. Each is built to help hold down your cost of producing meat, milk or eggs.

## NOTICE OF RATE CHANGE REQUEST AND STATEMENT OF INTENT

Notice is hereby given that North Plains Electric Cooperative, Inc. (the "Utility") intends to change rates for electric utility service effective March 9, 1993, or as soon thereafter as may be permitted by law. The Utility has not had a rate increase since 1983. Based upon a test year ending December 31, 1991, the increase requested over actual test year revenues is \$369,472 or 4.67%. The changes are applicable to all areas, all customer classes, and all customers served by the Utility.

The Utility proposes to change all rates for residential, irrigation, small commercial, large commercial, including demand, energy, minimum and other charges. The proposed changes are expected to affect the classes as follows: for the 2,997 customers in the general service 1-phase class, the proposed increase will be \$75,178 or a 3.50% change in revenues; for the 357 customers in the general service 3-phase class, the proposed increase will be \$15,183 or a 3.50% change in revenues; for the 70 customers in the irrigation class the proposed increase will be \$15,252 or a 4.97% change in revenues; for the 419 customers in the sprinklers and tailwater pump class, the proposed increase will be \$20,200 or a 10.00% change in revenues; for the 120 customers in the large power class, the proposed increase will be \$103,661 or a 3.50% change in revenues; for the 9 customers in the Perryton water works class, the proposed increase will be \$4,889 or a 6.18% change in revenues; for the 961 customers in the oil well pumping class, the proposed increase will be \$129,944 or a 7.71% change in revenues; and for the 190 customers in the lighting class the proposed increase will be \$5,165 or a 7.28% change in revenues.

Information concerning the proposed rate changes is available at the general office of the Utility, located at Highway 83 North, Perryton, Texas 79070. Inquiries should be directed to Pat McAlister.

The Utility is required to give notice of the percentage increase in base revenues which is 10.53%. The percentage increase in base revenues is not an indication of how much your bill will increase. Rather, it is a measure of the increase needed by the Utility for its own operations, excluding payment of the cost of power purchased by the Utility from its wholesale power suppliers.

On or about January 8, 1993, the Utility will file with the Public Utility Commission of Texas, a Statement of Intent to Change Rates, specifying in detail each proposed change. Requests to intervene must be filed no later than 45 days after the application filing date. Thus, the Utility anticipates the deadline for intervening and objecting to the rate changes will be February 22, 1993. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

**From the Minister's Desk:**

With the beginning of 1993, many of us will make some resolutions about our actions and attitudes in the new year. Perhaps the following suggestions will influence the resolutions that you make.

1. Resolve to be happy. Happiness is a personal choice and decision. Ecclesiastes 11:1 says: "Cast your bread on the surface of the waters, for you will find it after many days."

2. Resolve to live one day at a time. Matthew 6:34 says: "--Do not be anxious for tomorrow; for tomorrow will care for itself. Each day has enough trouble of its own."

3. Resolve to spend more time improving yourself and less time criticizing other people. Matthew 7:3 says: "And why do you look at the speck that is in your brother's eye, but do not notice the log that is in your own eye?"

4. Resolve to respond not react when you are mistreated. Romans 12:17 says: "Never pay back

evil for evil to anyone. Respect what is right in the sight of all men."

5. Resolve to spend more time in prayer. I John 5:14 says: "--This is the confidence which we have before Him, that, if we ask anything according to His will, He hears us."

6. Resolve to guard your thinking. Philippians 4:8 says: "--Whatever is true, whatever is honorable, whatever is right, whatever is pure, whatever is lovely, whatever is of good repute, if there is any excellence and if anything worthy of praise, let your mind dwell on these things."

7. Resolve to give your highest priority to your relationship with God. Matthew 6:33 says: "--Seek first His kingdom and His righteousness; and all these things shall be added to you."

I sincerely hope that you will have a "happy new year."

Since I feel that I am in the "Do nothing" rank this morning, I won't keep you long. But I did have a nice Christmas. Actually we had 2 Christmas dinners. On Christmas eve, Lydia, Melinda's mother was here as well as grandchildren Steve and Patti and Steve who had driven from Austin Wed. night. We had turkey. On the day after Christmas, Tim took over the cooking and we had enchiladas and Spanish rice. Grandson, Bobby Guthrie and his family from Amarillo joined us that day. We had the pleasure of seeing the whole family, except Joe Guthrie who is in Germany.

**Care Center Comments**  
By Cathy

Christmas is over and we are looking forward to a new year. Cathy has been out sick and we will be glad when she is able to come back. The care center has been busy with lots of visitors this week. Mitch Zrazier had company and Zinnie Bailey, Shorty Sechrist, Jack Garrison, Vena Hopkins, Ruth Hoggard, Iris Ingram, C.P. Cook, Nellie Lackey, Willie and Jane Knoll and many others.

Joe Clarke went out and stayed a few days with his daughter and granddaughter.

The residents enjoyed donuts and coffee while they were reading the letters to Santa in the newspaper. We had 18 residents enjoy Bingo. Lorena Adams was the blackout winner. We are enjoying writing the newsletter and the residents enjoy reading it. I hope the ones on our mailing list enjoy it as much. The residents received some wonderful Christmas presents. Zinnie Bailey I believe got the largest, it was a new recliner.

The kitchen staff prepared a wonderful Christmas meal. Mr. and Mrs. Hyatt prepared some warm wassall, it was delicious. The residents watched a movie and then some videos of past activities at the Care Center.

We have seen alot of changes in 1992. I hope that we will be as blessed in 1993. God Bless everyone. Tili Next Week
