Memorial Day A TIME TO REMEMBER

To Hold Memorial Day Services

The VFW and Ladies Auxiliary will have a Memorial Day Service Monday at 2 p.m. at the Eastland Cemetery.

Randy Frost will play Taps at the service.

Most business and offices will close shops Monday in observance of Memorial Day.

This word from Otis Coleman, President of the Eastland Chamber of Commerce.

President Coleman stated

this was one of the six Holidays adopted by the merchants in past years.

The other five Holidays observed are New Years Day, July 4th, Labor Day, Thanksgiving Day, and Christmas.

The Chamber of Commerce urges all business to observe these Holidays.

Support our Chamber members, they support our community, he said.

OPEN HIGHWAYS EAST - Traffic was routed this week onto the new Interstate 20 leg east between Eastland and Ranger, with "just a little finishing up" to be done to the section which will complete the super slab through Eastland County. Olden gets excellent exit signs in the process which the town richly deserves, after putting up with the number of years of tremendous highway construction confusion in its area. (Staff Photo).

WELCOME TO AMERICA - Mr. and Mrs. Ashton Kelly of New Zealand were given a warm Texas Rotary welcome this week by Mrs. Marene Johnson - Johnson, Eastland Rotary President Jim Pat Miller, and Rotarian Grover Hallmark, at a reception at Lone Cedar Country Club. The Kellys are in the USA for the upcoming Rotary International Convention in New Orleans and stopped over in Eastland to pay respects to Mrs. Johnson who visited with them in New Zealand during her visit of 1969 - 70.

A CHECK FOR STACY - Eastland Maverick Band President Robert Hallmark presents Stacy Blair a check from the Eastland Band to help with expenses for his forthcoming tour of the Soviet Union when he will perform with the Hardin - Simmons University Chorus and the New England Youth Symphony. Stacy is a Maverick Band Ex and Eastlanders under the direction of the Music Study Club are collecting funds to help send him as an ambassador to the Soviet Union. At right is Band Director Bob Bingham who joins in urging all - out participation in the fund, gifts to which may be forwarded to Treasurer James Reid, P.O. Box 391, Eastland. (Staff Photo).

UF Okays 3 Plus Gifts Voters To Polls June 5th

Emergency requests for additional funds were heard and plans made for the modernization of the organization's by - laws when the board of directors of the Eastland United Fund met Thursday morning.

President Norris Starr presided and requests were heard from Teenage Baseball League President Norman Owen and League Secretary W.J. Stone for additional money to fund the expanding program this year.

The two reported that the additional money would be for normal operating expenses and not for capital improvements. The League has just installed new lights at Firemen's Field with some \$1,100 in locally donated funds, but is falling short in its operating expenses with three teams of 45 young men participating.

The UF directors approved an additional \$700, which added to the originally granted \$1,200 brings the League up to their original request of \$1,500.

Due to inflationary cost increases, the Campfire Girls, through their leader, Mrs. Larry Rollins, requested an additional \$100, which was approved, bringing the total to that organization to \$460.

In other action the directors made a check for \$500 to the local Boy Scout leaders for expenses. The step had already been approved in an earlier meeting due to the fact that local leaders were paying

many expenses out of their own funds, because the money allocated to Boy Scouts by UF is not usually locally for camping expenses.

The directors voted to have Incoming UF President Ron Patton work with a committee to update the UF by - laws in time for the 1976 - 77 campaign drive which generally begins in the fall.

Guidelines will be set for establishing organizational structures and compliance with UF rules and regulations.

The directors are in the process of selecting a new drive chairman after the recent transfer from Eastland of Ken Reese who had been named to head the upcoming drive. Applications are being taken, Patton said.

Present were Starr, Patton, Secretary - Treasurer Richard Watson, Don Nicholas, Mike Siebert, Stone, Owen, Sue Watkins, H.V. O'Brien, Don Martin, Jim Wortman and Tom Crowder.

Band Joins Stacy Fund

Some of my fondest memories of college are of the many trips to other states and countries. If travel is broadening, then the broad education I received by being able to learn about people of another locale is one of my most educational experiences.

This is one of the reasons that the E.H.S. Band is proud to be a small part of helping Stacy on his way to the Soviet Union.

We, the members of the Band, are also proud to say that one of our exes is establishing himself as one of the more talented performers in young America today. The hope of an educational and successful tour accompany our contribution to the Eastland Music Study

Thoughts For Today
By Bobby Boudreaux

Temptations cause trouble. It seems common sense should tell us a good way to stay out of trouble is to avoid temptations. When you are tempted to do something, you either do it or you don't. Temptation is always a test. You either pass or fail the test. It can be said temptation is a sort of education - in reverse. In an educational sense, you learn your lesson - and then take your test. When temptation occurs, you take the test - and then learn your lesson. Temptation can also be likened to a contest of speed. If you "flee temptation" you RUN away from it with decisiveness. You win. Happiness, pride and satisfaction is your pay off. If you merely try to walk or crawl away from it with indifference or indecision, temptation can always overcome you. You lose. Anguish, disappointment and regret invariably follow. Just as thoughts precede words and action, temptation does likewise. Control your thoughts and you control your temptations. Analyze your thoughts. You will find self centered, selfish thoughts induce temptations more often than not.

Eastland Music Study Club Joins N.F.M.C. Wishing "Bon Voyage" To Its Ambassador

Life member of National Federation of Music Clubs, Mrs. Joseph Perkins, recommends assistance to send Stacy overseas.

Stacy Blair, Ambassador Extraordinary, carries the name of Eastland, Texas, his own home town, into national and international recognition!

His latest opportunity to perform in national symphony concerts and also in overseas presentations delights his fellow citizens.

They share in making it possible.

A year ago the National Federation of Music Clubs magazine featured his picture and a column of print described his many talents.

Quote: "STACY BLAIR, of Hardin Simmons University, and Eastland, Texas, was awarded the Hinda Honigman Scholarship for the blind in 1973. Winning honors and awards is not new to the young man who has achieved much through using his ears. He listens to tapes and records, memorizes what he hears and perfects technique and interpretation through diligent practice as much as four hours daily, beginning as early as 5:30 in the morning.

Pecan nut casebearers have started laying eggs on pecans in Eastland County, reports DeMarquis Gordon, County Extension Agent for the Texas Agricultural Extension Service. This means that pecan producers and home owners should check their trees closely for egg deposits and nutlet damage by newly emerged larvae and begin a spray program if necessary. Cool night time temperatures during the past three weeks have resulted in erratic moth activity. Eggs are deposited on the tip of the developing nutlet.

Egg lay and hatch has been noted in several areas during the past week. Field inspections made in Eastland county indicate the best time for spray application will be June 1 through 5. Producers with early maturing varieties will need to treat a few days earlier than areas with late maturing pecans.

Insecticide applications should begin soon after the first nutlet damage is observed, points out Gordon. Many producers treat too early for this pest. It is best to have 1 percent to 2 percent entries before sprays are applied. A second application may be required where eggs are found and nutlet damage continues 7 to 10 days after the first application.

Effective pecan nut casebearer control depends on proper timing and application of insecticides, emphasizes Gordon.

Effective insecticides include Sevin, Malathion, Zolone,

Toxaphene, guthion, or Thiodan. Before using any of these materials, read the label directions; then follow them carefully, cautions Gordon.

Zinc sulfate should be added to the spray solution to provide the needed zinc. A fungicide may also be added for control of pecan diseases. The recommended fungicides include Benlate, Du - ter, Cyprex, or Polyram.

Gordon advises close, frequent inspections of pecan trees to keep abreast of the pecan nut casebearer situation. The County Extension office will maintain a current status report on this insect during the next two weeks. The pecan nut casebearer has three generations per year. It is approximately 42 days between the occurrence of each subsequent generation. Some years the second and third generation of this pest cause considerable nut damage. Total nut loss is usually greater during the spring generation because an individual larvae may destroy a complete nut cluster. Later generations usually damage one or two nuts in the cluster.

The Eastland County Home Demonstration Council will meet Wednesday, June 2, at 2 p.m. in the Eastland National Bank Civic Room. The business meeting will include making plans for the Four - County Home Demonstration Camp scheduled on June 15, in Goldthwaite, and preparations for the 4 - H Dress Revue tea to be sponsored on June 17.

All members are urged to attend this important business meeting.

Don't forget!!! There will be a Food Preservation Workshop on June 3, at 12 - 1 p.m. in the TESCO Reddy Room. The program will include information on freezing foods. All interested persons are invited to attend. If this is your lunch hour, please bring a sack lunch to the program. The demonstrations will be given by Janet Thomas, County Extension Agent; and Beverly Nicholson, TESCO Home Economist.

Homecoming To Be Held Sunday

The annual Longbranch Homecoming will be held Sunday, A former pastor, Dr. Leon Woods of Brownwood will bring the message at 11 o'clock. There will be a meeting after lunch for all who are interested in the upkeep of the cemetery. The perpetual cemetery care will be explained by Mr. Lloyd London of Cisco.

Paula Lund And Gary Thomas Exchange Wedding Vows

Wedding vows uniting Miss Paula Lund and Mr. Gary Thomas were exchanged on Saturday, May 29, 1976, at seven-thirty o'clock in the evening at Redeemer Lutheran Church, Cisco, Texas. Dr. Roland Wiederanders of Clifton, Texas, retired vice president of the Missouri Synod, Lutheran Church, performed the candlelight ceremony.

The bride is the daughter of Dr. and Mrs. Fehrman H. Lund of Eastland, Texas. The groom is the son of Rev. and Mrs. A.J. Thomas, also of Eastland.

As the guests arrived at the church they were asked to register in the bridal guest book by Miss Lisa Germany.

The altar held an arrangement of white gladiolas and carnations. Votive lights nestled in greenery graced the sanctuary rail. Placed on the rostrum was a pair of seven branch candelabra, holding white cathedral tapers and greenery.

As a prelude to the nuptials, Mrs. Harold Reich, organist, played a group of choice hymns: "Beautiful Savior", "Now Thank We All Our God", "O Savior, Precious Savior", "Praise to the Lord", and "Lord Jesus Christ, Be Present Now". Also in the prelude were the following classics: "Jesu, Joy of Man's Desiring" by Bach, "I Love You Truly" by Carrie Jacobs-Bond, "Traumerei" by Schumann and "Liebstraum" by Liszt.

To herald the wedding hour the organist played the Westminster Chimes. She played "Trumpet Voluntary" by Purcell for the precessional, and "Bridal Chorus" by Wagner as the bride entered. Miss Joan Stroebel, soloist, sang "The Twelfth of Never" accompanied by Mrs. Harold Reich. During the wedding ceremony while the bride and groom knelt in prayer, Miss Stroebel sang "The Lord's Prayer" by Mendelssohn.

Given in marriage by her father, the bride chose to wear the wedding gown of her mother. The heirloom dress of ivory satin featured a sweetheart neckline, long sleeves and skirt that flowed to a chapel train. Her long veil of ivory illusion was attached to a Juliet cap of chantilly lace trimmed with graduated seed pearls. Additional chantilly lace roses and pearls, as in the headpiece, were applied at

Lund of Fort Worth, brother of the bride, and Brian Lund of Eastland, brother of the bride. Ushers were Stephen Lund of Houston, brother of the bride, and Wade Thomas of Lubbock, brother of the groom.

For her daughter's wedding, Mrs. Lund wore a long-sleeved gown of powder blue chiffon. Mrs. Thomas was attired in a gown of yellow polyester knit with sheer long sleeves. They wore white cymbidium corsages.

Following the wedding, a reception was held in the Parish House of the church hosted by the bride's parents. Miss Lisa Germany of Eastland registered guests in the bridal guest book at the reception.

Appointed in silver and laid with a white miramist cloth, the bride's table was in L shape centered with a four-pronged silver candelabrum, holding four white tapers and an arrangement of apricot tinted carnations. The Lady Windemere four-tiered wedding cake which was embossed with pale apricot and white roses was served by Miss Betty Landgraf of Galveston and Miss Barbara Landgraf of Dallas, cousins of the bride. Miss Cathy Mitchell of Corsicana and Mrs. Ronald Hoes of Commerce served the fruit punch from a silver bowl.

The groom's table was laid with an apricot polyester cloth and silver appointments were used to serve coffee and chocolate cake by Mrs. Ted Martin and Mrs. Don Baird, sisters of the groom, and Miss Donna Baird, niece of the groom. Chime In Bicentennial

When the Liberty Bell rings in the third century of these United States, the words of the Bible will vibrate to the sound. Circling the crown of the beloved bell are the words from the Old Testament: "Proclaim liberty throughout all the land unto all the inhabitants thereof." (Lev. 25:10)

To commemorate this great event, and to provide the nation's churches and synagogues with a meaningful memento of this historical occasion, the American Bible Society has published a 5 by 5 1/2 inch natural copper-colored photographic likeness of the

Youth Rally To Open Central Texas Annual Conference June 6-9

WACO--A youth rally on the campus of The Methodist Home here Sunday afternoon (June 6) will open the Central Texas Annual Conference scheduled for June 6-9. New officers of the Conference Youth Council will be presented to the 3:30 o'clock rally at 1111 Herring Avenue.

Members of the Annual Conference, representing 374 local churches in the 24 county area of Central Texas, will meet for their first session at 7:30 o'clock Sunday evening at the Convention Center in a Bicentennial Service. The Rev. Bob Turner, pastor of the Polytechnic United Methodist Church in Fort Worth, heads the planning committee for his opening worship service for the conference.

Dr. Ronald E. Sleeth, professor of preaching at Perkins School of Theology at Southern Methodist University in Dallas, is preacher for the four day conference and will speak Sunday evening.

Business sessions of the conference begin Monday morning (June 7) in the Convention Center at 9:45 o'clock following the State of the Church address by Bishop W. McFerrin Stowe. Bishop Stowe is president of the conference and resident bishop of the Dallas-Fort Worth Area of the United Methodist Church.

A report of the denomination's recent General Conference in Portland, Ore. will be made Monday afternoon by Pat Stroman, Waco, and Dr. Sidney Roberts, Fort Worth.

Dr. Virgil Sexton, assistant general secretary of the denomination's General Council of Liberty Bell, die-cut in the exact shape of the bell and its fittings. The Scriptural words "are themselves printed in easy-to-read white lettering above the bell itself.

On the reverse side is a Scripture passage from Isaiah 61:1-4,11, which is particularly relevant as well as for the new century of independence, especially in the phrase: "And they shall build the old wastes, they shall raise up the former desolations, and they shall repair the waste cities, the desolation of many generations.

Churches and synagogues and other community organizations throughout the United States can distribute these Liberty Bell Selections as spiritual reminders to the nation on this great bell-ringing occasion.

Television and radio will play a major role, with stations all over the country ringing bells over the air-waves at the designated hour for two minutes--and many of them enclosing this ABS Liberty Bell Selection in their Bicentennial promotions.

Also, as part of the Bicentennial program for this particular happening, the American Bible Society will have available-upon request--two Bicentennial one-minute radio spots, one of them recorded by John Warner, head of the Bicentennial Administration in Washington, D.C., and one related directly to the American Bible Society program. Some television stations plan to use this tape as voice-over for appropriate Bicentennial scenes.

These Liberty Bell Scripture Selections can be ordered from the American Bible Society, 1865 Broadway, New York, N.Y. at \$2.46 per 100 unit.

Ministries headquartered in Dayton, Ohio, is the chief resource person for the Annual Conference Council on Ministries report on Tuesday.

To Start June 10

Opening weekend of the summer productions of the Kendrick Religious Pageant "THE LIFE OF CHRIST" will be Thursday and Friday night, June 10 and 11, 1976, and will be presented each Thursday and Friday night thereafter through August 13, 1976. Curtain time will be 9:00 p.m. and each performance lasts two hours.

The production will begin with the birth of Jesus and they will show step by step His growth in years and spirituality, through His ministry, healings, betrayal, sufferings, crucifixion, death and the resurrection from the tomb.

Many of those who have attended previous productions of this pageant have made definite changes in their lives. Many have given their lives to Christ, accepting Him as their personal Savior and began their work for Him, due to viewing this production. Four members of the cast have surrendered their lives to the work of God as a result of their being associated with the production and are now either in colleges working toward a degree in ministry, or have already been ordained as a minister in various denomination churches.

Everyone, regardless of age, should make plans now to attend the summer productions of "THE LIFE OF CHRIST" pageant". Those who have attended before should come again and bring someone with you to help spread the Lord's story both through hearing and visual means.

Many clubs, senior citizens groups, and churches from over the State of Texas have already been booked for special nights throughout the summer, and others have tentative dates scheduled. If you have a club, group, organization, Sunday School class or whole church congregation that would like to attend, we urge you to make your reservations soon.

Once again, presentation nights will be each Thursday and Friday night, beginning June 10 through August 13, 1976, at 9:00 p.m.

HERE AND THERE IN EARLY EASTLAND: DO YOU REMEMBER

The Confederate Veterans Reunion was a time of joy at Confederate Park for the young as well as the veterans. Revivals were held under the Methodist Church arbor. How welcome callers were at the C.U. Connellee home -- hospitality plus. Shellinburger Ague Pills will cure -- no doubt of it -- cost high -- \$1.30 a box.

Melodic church bells hastened us to services. The old red brick school with its coal stoves and no plumbing was a thing of beauty. A fine Jersey bull calf subject to registration could be traded for wood.

Letter from T.O. Anderson to Lewis Tindall. Earl Conner Sr., and Mrs. Conner took us all riding, turn by turn, every Sunday afternoon in Eastland's first car.

Mr. and Mrs. Clyde Garrett invited us turn by turn to hear Eastland's finest Edison

The courthouse cupola was a "must" for the young fry on Sunday afternoon.

Horseback rides starting from Berry Hargus's home. Shelby Stanfield brought horse "Steel" later called "Blind Steel" to Eastland about 1880. The Steel - Dust strain was very popular. Fishing in Shannon's tank north of town was great fun.

Church picnics at South Leon Bridge and alk hunting wild violets.

E.D. Dulin built many of the early Eastland homes -- and blazed the trail for the Eastland - Cisco wagon road.

Dove and quail feasts under the brush arbor near Yellow Mound -- for young and old.

Traveller and Dan Patch were household words. The Townsend rock home was one of Eastland's first and finest.

Dr. Johnson's bird dog knocked over a lamp and all that was saved from the burning house was the baby buggy -- with the baby in it.

Jane Bowles with her ever-present sunbonnet was the friend of every child in Eastland.

Aunt Sue Steele wore to the Methodist Church her hat on backwards and her dress covered by a fresh white apron to her children's amusement and her grandchildren's humiliation.

Everyone had a cistern or water barrels. The exciting buzz of the saw cutting stove wood and fireplace wood.

A LOT OF FISH - Mrs. Gene (Ann) Johnson beams as she displays the giant 25-pound catfish she recently landed after a tremendous fight in Eastland County waters. It was a fair catch on a spinning reel, and Mrs. Johnson did an outstanding job of keeping the line taut because the hook barb had not even penetrated the fish's lip, and fell away once the big fish was on the bank. Her husband, Gene, manager of Vassarette's plant here, remembers that she also took a trophy buck on her first deer hunt not so long ago.

James Eidson Receives Degree
James Martin Eidson of Eastland was among 322 students receiving degrees from Angelo State University during the University's spring commencement.
Eidson received a Bachelor of Business Administration degree Cum Laude.
Featured speaker for the university's spring commencement program was Dr. Kenneth Ashworth, commissioner for the Coordinating Board, Texas College and University System.
Speaking to a capacity crowd in the University's gymnasium in the Physical Education Building, Ashworth told those graduating that they should not "think they are escaping from the rituals of the world, but must realize that they have a responsibility to understand it and make it better."
Ashworth listed three things for the graduates to keep in mind as they embarked on their new lives:
Although a grade of 70 is passing in college, "you've got to start doing better."
They must learn to meet deadlines of all kinds.
The longer they're out of school, the less educated they will be. Therefore, he suggested, they should periodically ask themselves, "what have I done lately to improve my life?"

Bakker FUNERAL HOME
306 W. PLUMMER • EASLAND • PH. 629-1726
Dear friends,
Memorial Day came into being on May 5, 1868, by order of Gen. John Alexander, Commander of the Grand Army of the Republic. The original purpose was not a military observance, but "to institute a simple act of remembrance, respect, and love". The order advised simply "strewn with flowers or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion".
Sincerely,
Oale O. Bakker
