

Do-It-Your-Self Spirit

Cities Praised For Leon Construction

The Fort Worth Star-Telegram in an editorial Tuesday, praised the cities of Ranger and Eastland for their "Do-It-Yourself Spirit" in the building of Lake Leon with their own bond issue.

The editorial read: "The cities of Ranger and Eastland have just demonstrated the do-it-yourself spirit on a major scale. Saturday they dedicated Lake Leon, a joint project calculated to solve the water needs

of the two communities for years to come. Behind the dam built by the two cities is backed up 20,000 acre-feet of water, and the total storage capacity of the reservoir is 8,000 acre-feet more. That is enough, according to engineering and put to use the runoff from the two-city area for 10 years.

"A notable assist by nature in the form of a 10.42-inch rain last May contributed to the happy result. But it was not chance that placed the dam there, ready to confine and put to use the runoff from this heavy rain. The project was due to initiative and determined purpose on the part of the citizens of Ranger and Eastland, and it is a notable example of independence and self-reliance.

"Entirely of their own resources the two cities built the dam, calling upon no one for help. Water, as these citizens recognized, is essential to the survival and growth of urban areas, and in Texas having water means taking steps to save it. Eastland and Ranger have done so, and their \$1,500,000 investment is certain to be repaid many times over in the years of the future.

"The two cities also have set a notable pattern for co-operation. Water supply, as becomes more apparent every day, is a problem that can be solved only on an area basis. Neither population and industrial growth nor water needs have respect for geographic lines. More of the kind of co-operation demonstrated by Ranger and Eastland is a key to solution of the No. 1 problem of Texas."

Eastland Echoes

By Casey

THOUGHT FOR TODAY: "If men are so wicked with religion, what would they be without it?" — Franklin.

May the day come early when that road around the lake (Leon) is completely hard-surfaced. If you journeyed out — along with thousands of others — to the week-end celebration and ate your share of the dust and jolted your backbone into little fragments, you know what we mean!

Upon entering a saddler's a Scotman asked for a single spur. "What use is one spur?" asked the other man. "Well," replied his frugal customer, "if I can get one side of the horse to go, the other will have to come with it." — (Press Proofs).

With school percolating again, we grow to thinking about school-work and, sometimes, something humorous which happens with the youngsters. Take, for instance, this Essay on Anatomy a little boy reportedly wrote:

"Your head is kind of round and hard, and your brains are in it and your hair on it. Your face is the front of your head where you eat and make faces. Your neck is what keeps your head out of your collar. It's hard to keep clean. Your shoulders are sort of shelves where you hook your suspenders on them. "Your stomach is something that if you do not eat often enough it hurts, and spinach don't help none. Your spine is a long bone in your back that keeps you from folding up.

"Your back is always behind you no matter how quick you turn around. Your arms you got to have to pitch with and so you can reach the butter. Your fingers stick out of your hands so you can throw a curve and add up rithmatic. "Your legs is what if you have not got two of, you cannot get to first base. Your feet are what you run on, your toes are what always get stubbed. And that's all there is of you, except what's inside, and I never saw it."

Congratulations to Gorman for effectively staging a Peanut Festival which is to be a colorful annual affair. It will bring a lot of favorable publicity to your community. Gorman, as you doubtless are well aware.

It's swell, isn't it, to have a measure — place like Lake Leon so near by? ... Lake-lovers formerly used up considerable of their time traveling, but now we have this treasured body of water right at our very door.

B & W Clinic Here Opening Next Monday

Opening of the B and W Clinic in the Petroleum Building, Eastland, Monday, Sept. 12, has been announced by B. B. Westbrook, M. D., and H. J. Bulgerin, M. D., who have moved here from Fort Worth.

They will engage in the general practice of medicine and surgery. B and W Clinic will hold open house Sunday, Sept. 18. Occupying Suites 310-30, the clinic's floor space is approximately 2,000 square feet, for which all new clinical equipment has been installed.

Drs. Westbrook and Bulgerin stated that they had looked about for a location for a year and now that they have settled on Eastland, they have outfitted their clinic for permanency. Their association began as interns at Fort Worth. Dr. Bulgerin, reared in New Braunfels, was graduated from the University of Texas Medical Branch at Galveston in 1954. He has a wife, the former Miss Loretta Davis of Houston, and they have a 1-year-old son, Stephen Mitchell. They are living at 507 S. Connelley.

Dr. Bulgerin is a veteran, having served in the Navy two years. He and Mrs. Bulgerin are members of the Lutheran Church.

Mrs. Bulgerin will be supervisor of their medical laboratory in the clinic. She is a registered technologist of the American Society of Clinical Pathologists.

Associated with Drs. Westbrook and Bulgerin will be Miss P. A. Hill, who is a registered nurse and a graduate of John Peter Smith Hospital, and has been working the past year in surgery in Odessa. She is a member of the Christian Church and will reside at Hillside Apartments.

Temple was Dr. Westbrook's home originally. He was graduated from Baylor Medical College, Houston, in 1953. He and his wife, the former Miss Betty Jo Sowders of Temple, have four children: a daughter, Bonnie Jo, 12; a son, "Bucky", 10; another son, Tommie, 3, and another daughter, Malinda, 5 months of age. They reside at 1204 S. Green.

In War II days Dr. Westbrook was first a civilian flight instructor and later an officer in the Air Force. He is a Mason and he and Mrs. Westbrook are Baptists. (Continued on Page Four)

Mavs Look Good Despite 33-13 Defeat By Loboes From Cisco

By NORMAN WRIGHT

Cisco won the ball game 33 to 13 but if the Mavericks (and there we go with that if again) had played the same kind of ball in the first half as they played in the last half the score would have been entirely different.

The Mavs made as many points in the last half as the Loboes did and when the game ended the boys in Red and Black were on the 2 1/2 yard line with first down and goal to go and hustling for home like a scared rabbit.

But they don't pay off on last half performances and the game and glory went to the powerful

Loboes which boasts of a senior squad with at least six men on it who were starters as far back as 1953.

Quarterback Benji Lipsey of Cisco is the man who gets the team button for a brilliant performance, closely followed by his running mate, Tommy Reynolds. It was Lipsey who, in the opening minutes, took a Mav punt on his own 45 and scooted untouched over the goal line for the first Lobo touchdown. After fumbling the ball on the extra point attempt, Reynolds picked it up and carried it around right end making the score 7 to 0.

Shortly before the first period ended, Lonnie Qualls intercepted Benny Cate's pass on the Mav 25 and again it was Reynolds who moved the ball in three plays to the Mav 3 from where Fullback Bill Smith plunged it over. Lipsey booted the extra point.

In the second quarter Smith intercepted a pass from quarterback Harvey Lewis on his own 4 and without losing possession of the ball the Loboes went all the way again with Reynolds lugging it over from the 5. This time Lipsey's try for point was blocked.

The half ended with the Loboes 20, Mavericks 0.

As the second half opened, Cisco took the kick-off on its own 19 and again kept possession all the way with John Carlisle going over on a line buck from the 5. Lipsey's try for extra point was low.

At this point the Mavericks came to life and practically took charge for the rest of the evening. They set up their first touchdown when a 4th down punt glanced off a Cisco player and was promptly covered by a Maverick on the Cisco 21. On the first play from scrimmage halfback Jimmy Martin carried for the score and Larry Tankersley converted.

In the fourth quarter Eastland recovered a Lobo fumble on the Lobo 38 and after two line plays quarterback Lewis faded back for a pass. He threw the ball about ten miles down the field to Clyde Ewalt who made a storybook catch and went on over for another touchdown. Try for point was no good.

Cisco got another one in the fourth on a quarterback sneak by Lipsey that was good for 60 yards. Lipsey also kicked the extra point on this one.

That ended the scoring for the night, Cisco 33, Eastland 13.

But now the Mavericks know. They've got a pretty fair country ball club with plenty of fight and hustle and they can do just about everything. They can run and pass and kick and block and there is plenty of legerdemain in the backfield. They were good Friday night and they'll be a lot better next Friday when they take on DeLeon who trounced Dublin 21 to 6 in their season opener Friday.

GAME STATISTICS:
First Downs: Cisco 19, Eastland 12; Yards rushing: Cisco 308, Eastland 111; Yards passing: Eastland tried 11 and completed 5 for 123, Cisco did not pass; Pass interceptions: Cisco 3; Fumbles: Cisco 3, each recovered by Eastland; Eastland 1 recovered by Cisco; Punts: Eastland 3 for 34-yard average, Cisco 1 for 35; Penalties: Eastland 3 for 25 yards, Cisco 6 for 90 yards. Attendance, approximately 2,500.

Eastland Group at Meeting of Church

A number from the First Presbyterian Church attended the fall meeting of the Presbytery of Abilene this past Wednesday and Thursday. Dave Vermillion was the principal delegate and attended both days. J. W. Ashley, also an elder, attended the first day. The Rev. Eugene H. Surface attended as a member.

The meeting was held in the Matthew's Memorial Presbyterian Church at Albany.

Abilene Presbytery comprises all the churches and ministers in an area from Strawn to the New Mexico line, three counties wide. The Rev. Mr. Surface, minister of the local Presbyterian Church, was elected chairman of three of the committees: session, records, youth budget, and social education and action and he was elected member of the bills and overtures committee, and an alternate delegate to the meeting of the Synod of Texas, Abilene, October 11-13.

Carl Johnston, clerk of session of the local church, is a member of Presbytery's committee on ministerial relations, and was elected principal delegate to the meeting of Synod.

Tom Wilson was elected alternate delegate.

The next regular meeting of the Presbytery will be at Fair in January.

C-Cs Declare Leon Assistance Grand

Splendid co-operation was extended by committees and others identified with the recent Lake Leon opening celebration, according to Eastland and Ranger Chamber of Commerce authorities.

Respectively Presidents Virgil Serrery and Charles Milliken and Managers H. J. Tanner and Rip Galloway.

The chambers sponsored the celebration, having been commissioned to this task by the Water Board.

"We had absolutely wonderful co-operation, all along the way," said the C of C statement, "and we are deeply grateful. "Committees worked diligently and faithfully perfecting countless details. And they did it in fine spirit. Then, too, there were many instances of wonderful teamwork on the part of folks who did not have official connections with the celebration but were just as ready to help.

"In fact, it would be impossible to name the great number of people to whom this celebration owes its success. We deeply appreciate this fine co-operation."

Fun! Real fun! To watch the football games at Maverick Stadium! We saw our first there Friday night — a non-conference game between Eastland and Cisco — and though our team lost they gave a good account of themselves against a lot more weight and a stronger classification.

Orchids to MARTIN and others for turning in good games... Nothing like football in football game. Don't miss an EHS game.

When MRS. C. D. CATES of Carbon, MRS. C. E. JARRETT of Gorman and MRS. JACK CHICK of Leon Plant Village were in The Telegram office on business a day or two ago, we offered to give them copies of The Telegram but didn't because each of them said, "I take the Telegram" and, of course, we were glad to hear that and to meet some more of our customers.

Which reminds us — We went to the Peanut Festival at Gorman, shot a picture at the coronation of QUEEN SANDRA FILES and met several people all of whom were extremely cordial and helpful to us... and, upon learning of our connection with The Telegram, were highly complimentary of our Lake Leon publicity and pictures in various issues of the Telegram.

Orchids to GORMAN for staging a successful festival!

Arrangements Of Methodist Services Told

Service arrangements for the coming week were announced today by the Methodist Church.

Church School for all ages is at 9:45. The Men's "9:49" Bible Class meets in the sanctuary at 9:49, so named by the late N. N. Rosenquest when it was organized some 25 years ago. Judge T. M. Collie is the teacher. All men not affiliated with some other church school are cordially invited to attend this class.

Morning worship is at 10:50. The Rev. Richard R. Smith, pastor will bring the sermon, "When God Calls On Us."

The choir will bring the anthem, "Cherubim-Song" by Bortniansky under the direction of Al Lotspiech; Mrs. D. L. Kinnaird will be at the organ.

Methodist Youth Fellowship meets at 6:45. The seniors will have Janis Little for leader in the discussion of "Christian Witness In Recreation." "Types of Prayers" is to be the subject for the intermediates, led by Frances Coghburn. Mr. and Mrs. B. W. Howell will be hosts to the youth fellowship following the evening service.

The pastor will bring the message at the evening service at 7:30. His subject is "If Wishes Came True." Wendell Siebert will conduct the youth choir. The Woman's Society of Christian Service will open the fall program with a coffee Monday morning in the church parlor at 9:30 o'clock. Mrs. Ina Bean will be the devotional

Keeping Mind Free Topic At 1st Christian

"On Keeping The Mind Free" will be the 11 a.m. sermon subject this Sunday at the First Christian Church.

"During the new school year," the pastor states, "we should do our best to find the truth that will make us free. There is a way of life in the world that thinks that man is a means to the end. That way is now organized into a police state. John 8:32 tells us: 'You shall know the truth, and the truth shall make you free.'"

It will be in this vein that the Rev. Roy M. Turner will be speaking to those persons who will be leaving for college this week during this Go-To-College Sunday service of dedication.

There will be a 3 p.m. meeting of Sunday school teachers and officers; 6:15 p.m. Sunday will be the new hour for a brand new type of youth program for the youth of our church. All junior high and senior high young people are invited to meet at the annex for worship, discussion and recreation. "Vaccinated Christians" will be the sermon theme for the 7:30 p.m. vesper service.

How many of you folks can remember the "Hudson Super-Six"? Back about 35 years ago when this picture was taken, the Hudson was a mighty popular car and the owner of this particular two door sedan was mighty proud of it—no fooling. Of course it has a set of Seiberling All Tread tires—size 23-6.00—sold by Jim Horton. In those days this was

considered a very low pressure tire and gave the car owner what he thought was a "smooth ride". People who are now riding on the modern Seiberling Nylon Tubless tire (still being sold by Jim Horton) are really riding on comfort. Lee Cottingham, bookkeeper for the States Oil Co., is the proud owner of this outfit.

TV Series To Heal Through Prayer

A nationwide television series recording actual documented cases of how prayer heals sickness and solves other problems was announced today by the Christian Science church. Broadcasts of the filmed series will begin Sunday, September 11, in many major centers.

Two guests tell of their own religious experiences on each 15-minute program. A moderator will give brief comments of inspirational nature, designed to show how everyone can rely on God's help effectively in problems of daily life.

Included are permanent healings through prayer of cancer, alcoholism, asthma, migraine headaches, brain tumor, broken bones, and spinal meningitis. The series is produced by The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. Will B. Davis, manager of committees on publication, is in charge of the project. "Growing interest in spiritual healing is evident among people of many faiths," Mr. Davis commented. "The series provides actual evidence of how effective prayer can be in healing disease and coping with other problems. The problems are designed to inspire and help everyone who sees

them—whatever his religious background."

The programs carry the series title "How Christian Science Heals." The Pathscope Company of America supplied studio facilities for the initial group of 13 films. Robert G. Walker, TV film specialist from Hollywood, directed the production. Lee Garmes, Academy Award winner and chief of photography on many of Hollywood's best-known movies, was the head cameraman.

Radio programs of The Mother Church—which also carry the series title "How Christian Science Heals"—will continue to be broadcast over 800 stations throughout the United States and overseas.

The television series may be seen locally on Channel 4, Station KRLD, on Sunday morning, at 9:45.

'If I Am Lost' Topic At Church Of Christ Sun.

The sermon subject at the church of Christ for Sunday will be "If I Am Lost!"

Bible school begins Sunday morning at 10:00 o'clock. The regular morning service which consists of songs, prayers, the observance of the Lord's Supper, and the sermon, begins at 10:50.

The evening service begins at 7:30. Wednesday morning at 9:30 the ladies' Bible class meets in the annex building. The mid-week service of devotion and Bible study meets Wednesday evening at 7:30.

"The Lord's church has no creed but Christ, no law but that of love, and no book but the Bible. It extends to you an invitation to be in its services," it was stated.

Washington, D.C. Following the coronation and a variety show was the coronation ball in the high school gymnasium.

The festival is sponsored by the Gorman Quarterback Club, whose president is Joe Collins, with other city clubs participating.

Streets of the city were hung with peanut vines and men and women wore pins and boutonnieres of peanuts dipped in gold.

More than 30 floats and vehicles were entered in the parade Thursday. Clowns were Jack "Uncle Hiram" Darling and Judy Weeks, both of Jonesboro, La. Darling was a clown with Ringling Bros-Barnum and Bailey for 41 years.

Winners of the float contest were Preston's Florist, first; Progressive Study Club, second; and the Blackwell-Rogers Hospital of Gorman, third.

On Preston's float, which depicted all of the spring crops in the Gorman area, rode Martha Preston, daughter of the sponsors, Mr. and Mrs. Doyle Preston, and Carol Rae Rankin, daughter of Mr. and Mrs. Ray Rankin.

The Progressive Study Club float showed the wedding of "Mr. Peanut and Miss Goober." The hospital float showed "a bumper crop" — a crib full of babies.

The numerous units included the Eastland County Sheriff's Office and the Gorman High School Band.

Judges, all from Eastland, were Stanley Webb, tax assessor-collector; Roy Lane, district clerk; and Johnson Smith, county clerk.

Pete Smith was festival general chairman.

Friday's program featured speaking on the main street by Omar Burleson, congressman; Cong. Jim Wright, State Representative; W. R. Chambers of May, one of the original founders of the Southwestern Peanut Growers Association. Other dignitaries present included Paul Brashear, of Cisco; Dick Moak, president of Southwestern Shellers, San Antonio; H. H. Hudson, vice president of the SWPGA; Jim Thippen of Washington, with peanut oil division of the Department of Agriculture, and Manager Cloninger of the SWPGA.

Visiting dignitaries had been honored with a luncheon at midday.

The Friday night feature was a football game between Gorman and Early High.

Harper Girl Dist. Queen For Bureau

Frances Dittmar, a dainty miss from Harper, Tex., Gillespie County, was named queen of District 7 of the Texas Farm Bureau at Abilene Thursday night in a contest staged in Fair Park Auditorium.

In addition to the selecting and crowning of the queen the program included talented young artists from counties comprising the district.

Judges were Mrs. R. J. LaFever, Anson; Miss Mary Jo Garland, Noodle; Sam Hill, Ed N. Wishcamper, and W. J. Frey, all of Abilene.

Other candidates were Georgia Holladay, Hico; Janis Little, Eastland; Betty Matthews, Comanche; Pat Matties, Winters; Mary Ann Parks, Melvin; LaWanda Vinson, Potosi; and Vada Beth Wilder, Coleman.

Harold Moore, Austin, area supervisor of the Texas Farm Bureau, served as master of ceremonies.

New Hope Plans Dedication Event Here Sept. 11

New Hope Baptist Church No. 3 will observe dedication ceremonies on Sunday, September 11, it was announced here today.

The dedication will mark the completion of payment on the church debt. At the same time the launching of a new building campaign will be formally initiated. In the tentative plans are a baptistry, combination dressing rooms, classrooms, and rest rooms.

The ceremonies will begin with

Christian Science

The vital importance of understanding God as the source of all true substance will be brought out at Christian Science services this Sunday.

Readings in the Lesson-Sermon entitled "Substance" will include the following passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (335:12): "Spirit is the only substance, the invisible and indivisible infinite God. Things spiritual and eternal are substantial. Things material and temporal are insubstantial."

The indestructible nature of spiritual substance is also stressed in selections to be read from the Bible, including the following: "I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it (Ecc. 3:14 to 2d)."

The Golden Text is from John (6:27): "Labour not for the meat which perisheth, but for that meat which endureth unto everlasting life, which the Son of man shall give unto you: for him hath God the Father sealed."

the regular morning services with the pastor, Jackie Taylor, preaching as usual. Immediately after the worship services lunch will be served at the church. At 2:30, the ceremonies will begin.

Richard Waters will be in charge of the singing and the special music. Rev. Henry Littleton of Leuders Baptist Encampment will present a brief history of New Hope. Rev. W. S. Buntin, of Caddo, will present words of formal dedication. Rev. H. D. Blair will lead in the dedicatory prayer, with Rev. Truett Sheriff, Director of Religious Activities at Hardin Simmons University, bringing the message.

A special invitation is presented by the church to all the neighboring churches and pastors to be in attendance. All those who have

been connected with the church in the past are urged to attend. Jackie Taylor, pastor since December 1954, says, "We feel that many of the blessings which are coming to us as a church today are direct results of those who worked faithfully in the past; thus we urge former pastors, previous members and others who have contributed in any way to be there."

Ranger And Mineral Wells In Tie Tilt

Relying on the strength of an unmerciful, line-busting backfield, the Ranger Bulldogs came from behind to pull into a 13-13 tie with the Class AA Mineral Wells Mountaineers Friday night at Miller Stadium in Mineral Wells.

Jerry Wharton, Bulldog scabbard, scored both Ranger touchdowns, one in the second quarter and another in the third frame as tappers to time consuming, crunching marches of 80 and 67 yards.

Showing signs occasionally of inexperience, the Bulldogs dropped four fumbles which were recovered by the Mountaineers. Most of the fumbles came on straight away, quick openings over the tackle spots, which Quarterback Paul Hinds so successfully maneuvered throughout the night.

Ranger linemen, completely overshadowed weight-wise dealt

Mineral Wells single-wing backfield of "terror" misery throughout the night. Pete Jameson, Jerry Cantrell, and Gene Bagwell, camped among the Mountaineer pigskin toters.

Mineral Wells' scores were Bobby Burris crunched off 27 yards over left tackle early in the first quarter after Ranger fumbled on their second offensive play of the game.

With only one minute left in the third period the Mountaineers again drew blood when Jimmy Walker, signal caller, blasted through the middle of his own line for a 56-yard gallop straightaway down field.

Charles Smith converted for the Mountaineers after the first touchdown, but his second try was wide.

The Bulldogs pulled to within one point of the Mountaineers with only one minute gone in the second quarter, when Jerry Wharton blasted over left tackle on his favorite quick opener for three yards, and marched again for 67 yards in the final period to knot the score, with Jerry Wharton again doing the scoring honors. However, the Bulldog's final

score was doubtful only two plays before the tally. After a series of plays, Tommy Sutton blasted to the Mineral Well's five yard line for a first down. The Bulldogs recovered a backfield bobble for no gain, and Hinds was dropped in the backfield for a four yard loss, putting the ball out on the nine yard line.

With just the right prescription on the following play, Jerry Wharton took a Hinds hand-off, skirted his left end and shot into the scoring corner.

Hinds conversion was good on his second attempt.

Ranger squeezed by the first period with another score practically inevitable as time caught the Mountaineers with the ball only eight inches from the Bulldog goal line.

David Wharton, also a consistent ground gainer and stalwart defensive workhorse, erased another Mountaineer scoring threat early in the second quarter when he snagged an enemy pass on his own 12-yard-line after the Mountaineers had marched from their own 47-yard line.

In the closing seconds of the game, Mineral Wells marched to the Bulldog 16 yard line before the ball went over on downs after a mixup of the officials.

With only 10 seconds remaining, Hinds killed the time with a quarterback sneak.

Walker, Mountaineers triple-threat, was the big ground gainer for Mineral Wells while Jerry and David Wharton combined for the Bulldog's yoeman chores.

Fumbles hurt the Bulldog chances for a clear cut victory over the Mountaineers. The Bulldogs bobbled six times and the Mountaineers pounced on four of the loose balls.

Friday night's standstill battle was practically a duplication of the Ranger - Mineral Wells game a year ago when the two teams couldn't decide a winner and had to settle with a 21-21 tie.

Mrs. J. H. Freeman was worse Sunday following a third fall within a 10-day period. Her health has been failing for quite a while. Her daughter, Mrs. E. D. Pratt of Burbank, Calif., arrived Thursday morning for an indefinite stay in the Ben Freeman home with her mother.

Other visitors in the Freeman home over the weekend were Mr. and Mrs. Allan Freeman of Natalie, Tex., near San Antonio.

Graham Compton and family of Weatherford were visitors Sunday in the home of her parents, Mr. and Mrs. Joe Butler. Mr. Compton was the speaker at the 11 o'clock church service.

Mary Helen and Billy Sigman of Dallas are here visiting their grandparents, the Joe Butlers, also.

Mr. and Mrs. Slim Blackwell and children of Odessa were here for a Sunday visit with his mother, Mrs. Belle Blackwell and the Elmer Blackwell family.

Mr. and Mrs. Ray Blackwell and baby from Quanah also visited in the Elmer Blackwell home Sunday.

We were pleasantly surprised Tuesday when old-time schoolmates and friends came by for a short visit. They were Mr. and Mrs. Virgil Wells, LaHabra, Calif. and their daughter and family, Mr. and Mrs. T. A. Luallen and Jimmy of Lindsay, Calif. The group had spent several days of their vacation at Durant, Okla. and Bonham, Tex. at the old homesites of Mrs. Wells.

Mr. Wells is an inspector at Douglas Aircraft plant and the Luallens are owners of a 100-acre orange grove, which is a sizable orchard for one grower to operate. The Wells were schoolmates, friends and later, neighbors of

this writer. In fact, we accompanied them when they were married. Sixteen years has elapsed since they moved to California from West Texas where we grew up and attend school together.

The group left Wednesday.

Weekend visitors in the Hatley Dean home were Mr. and Mrs. W. R. Parrish of Wichita Falls and Mrs. Nona Weekes of Ranger.

Mr. and Mrs. Roy Johnson of Temple visited them Saturday afternoon.

Mrs. Herman Nerger and Mrs. Pauline Blackwell and Jackie visited Friday in Waco with a sister of Mrs. Nerger's, Mrs. E. C. Schew. Enroute home they visited another sister, Mrs. H. A. Wendt at Malone near Hillsboro.

Mr. and Mrs. Jack Revels were called to the bedside of her brother, Mr. Richardson, who was seriously ill at his Wichita Falls home early in the week. We did not get a later report on him except that the Revels were going again to see him.

The Arthur Loves visited the John Tuckers Wednesday and Saturday. Mrs. Maxine Warner and baby called on them. Sunday callers were Mr. and Mrs. Ben Howard and her mother, Mrs. Mary Tucker, of Ranger.

Mrs. Omie Underwood visited in Fort Worth a few days last week with her daughter, Mrs. Lynette Woodard. Her son, Burl Shook, accompanied her.

Lum Love of Lubbock was reported to have suffered a second severe heart attack since last week. He is hospitalized in a Lubbock hospital.

Henry Perrin is resting comfortably and gaining since an attack two weeks ago.

Mrs. Bertha Strickler is also recovering nicely at the Gorman Hospital.

Mr. and Mrs. Billy A. Tucker

and Garland of Crane spent Tuesday and Wednesday with their parents, Mr. and Mrs. Bill Tucker and Mr. and Mrs. Fred Joiner.

Mr. and Mrs. Harry Deal and Judy of Ranger were Monday night callers in the Bill Tucker home.

Mr. and Mrs. John Love participated as two of the judges in the Brown County Farm Bureau Queen contest last Tuesday at Brownwood Hotel.

THE EARL BENDERS ARE VACATIONING IN N. MEX.

Mr. and Mrs. Earl Bender have gone on their vacation. They spent Sunday and Monday in Knox City as guests of her brother-in-law and sister, Mr. and Mrs. Barney Arnold and then went to Pettit to visit their son-in-law and daughter, Mr. and Mrs. Pat Miller and children two days. From there they were to go to Ruidosa for a week.

PARKING TICKET NOTICE

There has been quite a bit of negligence on the part of persons getting over-parking tickets in that they do not take time out to come to the City Hall to pay the tickets.

If the ticket is paid on the day it is placed on the car, the charge is only 25c, but if not paid until the next day the charge is \$1.00. The City hopes that you make your nickle do what a quarter or a dollar will do. Free parking is on Sundays and Holidays.

These meters are placed where they are for the convenience of the shopping public and we hope that you will cooperate with us as we do not want to put this excess charge on you unless you make us. The Chief of Police and his Patrolmen have been instructed to tag every car found over-parked and there will be a daily check-up on all violators.

This simple plan will do the trick—if you start right now!

Are you determined to give your child the benefits of a college education—yet worried about money? Then why not do what more and more farsighted parents are doing? Start getting that money together now—the safe, sure, automatic way—through the Payroll Savings Plan!

It's simple! Just tell your company's pay office how much you want to save—anywhere from a few dollars a payday up to as much as you want. This sum is then saved for you every payday. It is invested in U. S. Series E Savings Bonds which are turned over to you, and which earn good interest for you.

It's systematic! Just think—if you sign up to save \$3.75 a week, in 5 years you'll

have \$1,025.95—in 9 years 8 months, \$2,137.30—and in 19 years 8 months you'll have \$5,153.72.

It's sure! Once you join, your saving is automatically done for you before you draw your pay. You don't have to do a thing. And your child's education will be provided for by money you don't even miss now.

Eight million working people are now on the Plan—saving for a home of their own, a college education for their children, or any of those things made possible *only through systematic saving*. So join the Payroll Savings Plan right now—or, if you are self-employed, join the Bond-A-Month Plan where you bank. Do it today!

	Choose your own savings goal		
	If you want approximately \$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, save	\$8.80	\$18.75	\$45.00
Each week for 19 years and 8 months, save	\$3.75	\$7.50	\$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. Remember, you can save any sum you wish, from a couple of dollars a payday up to as much as you want. The important thing is, start your Plan today!

How Your Child Can Learn Thrift

There's no better way for your child to learn thrift than by buying U. S. Savings Stamps at school. Because Savings Stamps provide a goal to save toward. As each album of 10c or 25c Stamps is filled, it can be converted into a valuable U. S. Savings Bond. Millions of children are learning to save in the U. S. School Savings Program. Why not start your child now?

Your baby's future starts today—when you save with United States Savings Bonds through the Payroll Savings Plan!

Easy Lunchbox Lesson

One of the most convenient products to keep on your canned foods shelf is Florida grapefruit sections. They make a wonderfully tart salad, tossed with greens and French dressing. They extend seasonal fresh fruits in salads and fruit cups and desserts. They go to work or to school in a sensible lunchbox, spooned into a paper cup for easy eating (if you've a teen-age daughter watching her weight, or a spouse bent on losing his paunch, they'll love you for substituting this for a rich dessert).

South Ward P-TA Study Club Committee Busy With Plans

The South Ward Parent-Teacher Association's committee for the organization of a study club has been meeting and formulating interesting plans for the year ahead.

Heretofore, South Ward P-TA has not had a study club, as has the West Ward P-TA, and its official board decided at an earlier meeting to make this a project this year.

The committee is composed of Mrs. E. C. McMurray, chairman, and Mmes. Virgil T. Seaberry Jr. and Robert G. Perkins. Plans have been made for the study club to meet mornings the second Tuesday of each month. The year's theme will be "Mental Health."

"The South Ward P-TA is hoping that mothers will hold discussions at the study club meetings that will bring out various problems that are not brought out in the regular P-TA meetings," it was announced.

Here From Dallas Play Violin Duo In Cisco Wedding

Mrs. C. B. Beall and son, Bobby Dragoo Beall, of San Angelo, and Mr. and Mrs. W. W. Wendland and son, Wendt, of Dallas, have returned home after visiting Mrs. Beall's mother and Mrs. Wendland's grandmother, Mrs. F. L. Dragoo.

Mr. and Mrs. Wendland played duo violin at the wedding in Cisco of Miss Mona Lee Cluck, an Horace Grant Goodell Saturday night, September 3. Johnny Turner of Cisco was organist.

The First Methodist Church at Cisco was the scene of the wedding and the Rev. H. M. Ward, church pastor, read the ceremony.

The bride holds both bachelor and master of music degrees from SMU, where she belonged to Alpha Delta Pi. She formerly was a member of the Dragoo Harmony Girls and the Dragoo Violin Octet of Eastland and was a private student of the late Wilda Dragoo of Eastland. Her husband attended DePauw University and Duke University and was graduated from SMU. He is doing graduate work at Northwestern University at Evanston, Ill., where the couple will live.

Eastland Girl In Royalty At Coronation

An Eastland girl, Miss Lylia Pearl Houston, was in the royal court of the queen — Sandra Files — at the Gorman Peanut Festival.

Miss Houston's escort was Weldon Cunningham of Ranger.

VISITS DOUG KING FROM MARFA, TEX.

Lawrence Howard of Marfa, former classmate of Doug King at A&M College, spent Tuesday and Wednesday as Mr. King's guest in the home of his parents, Mr. and Mrs. Hood King.

Mr. Howard is an architect major at A&M and Mr. King, who formerly attended A&M, will return Tuesday to Baylor University for his second year there. Mr. King is a senior at Baylor U. and is majoring in biology.

LOOK WHO'S NEW

Mr. and Mrs. Jimmy Pollard of Post have announced the arrival of a son, Jan Harby, born at 9:05 a.m. Friday at Graham Hospital, Cisco. The baby has a brother, James, who is 5, and his grandparents are Mr. and Mrs. J. H. Glascock of Cisco and Mrs. M. P. Herring of Eastland. Mrs. Pollard is the former Miss Minta Sam Herring of Eastland.

THE SLEDGES HERE FROM ROSWELL

Mr. and Mrs. John W. Sledge of Roswell, N.M., were guests the past week and will be guests this week of her parents, Mr. and Mrs. Robert P. Sneed. Mr. and Mrs. Sledge lived in Eastland until he was transferred to Roswell by the Lone Star Company the first of

the year. Mrs. Sledge worked in the country club's office here before they moved.
