Saturday; 9:15 a.m.

Free Show At 10 a.m.

(ED. NOTE: Our collection of clippings includes this favorite, a Christmas editorial by David Lawrence from the U.S. News & World Report of Dec. 23, 1955. It's a classic, we think, and feel sure you'll enjoy it too.)

SOMEDAY - A REAL CHRISTMAS
SOMEDAY THE SPIRIT OF CHRISTMAS will mean more in national and international affairs than it does today.

Someday there will be peace on earth.

Someday there will be good will toward men.

When?
Can it be while men hate each other, deceive one another, envy one another, rob one another?

Can it be while men, without basis, question each other's integrity instead of debating issues and ideas?

Can it be while those who boast of freedom and democracy are intolerant of the views of others in their own communities and really do not believe in freedom of speech for their fellow men?

Can it be while men malign one another and distort truth just to win an election to public office?

Can it be while men in foreign lands conspire to enslave their fellow men - to imprison them in isolated camps far from their homes and families?

Can it be while tyrants deny liberty to the individual and wield the scepters of despotism over millions of helpless persons?

Can it be while men who profess to be righteous sit down to bargain with evil regimes and to negotiate a "live and let live" philosophy that openly condones sin and cravenly runs away from the sacrifices so necessary to win a triumph for a cause that is just?

Can it be while men surrender principle and morality and excuse their conduct as necessary to meet "political expediency" in international relations?

Can it be while we prate of morals and idealism and then sell our souls amid the hypocrisies of the hour?

The world each year is reminded of Christmas in an outburst of generosity toward kin folk and friends. But the gifts mostly are of material things. The voice of the spiritual is rarely heard above the din of the crowd. We recite the rituals, but do we fulfill the words which speak the true creed?

This is an age of decaying morals and of crass materialism. The prophets of old have been silenced. The new prophets urge the advantages of compromise with evil - they terrorize the people with a strange fear of death. They regard sacrifice as obsolete. Jesus, they argue in effect, would better have appeased the enemy.

The motivation to resist tyrannical masters at the risk of death has always been heroic, but nowadays we are asked to buy security at any price - even at the price of ideals and moral principle. The Great Martyr of all times had no fear of mortal death. His was the last voice of patience and restraint, of charity and forgiveness. There was no flinching in the test.

The lesson in the life of Jesus, well known to all of us but little heeded, is one of martyrdom for a great principle. This principle offers a firm foundation for all human relationships. It is a principle of unselfish concern for and, indeed, love of one's fellow man.

Nations will never manifest it in their relations with other nations until individuals learn its true meaning and give it effect in their daily lives.

For the principle of love is not merely affection for each other.

Movie-goers who have seen any of his previous films or his Emmy Award performances on television are in for a laugh treat when Don Knotts comes Saturday to the Majestic Theatre in Universal's

hilarious comedy in Technicolor, "The Shkiest Gun In The West." In it, he plays a frontier dentist who wants nothing more than to set up shop in 19th Century Western America. Instead he

gets involved with Indians, gun runners and a beautiful redhead, Barbara Rhoades. JOLLY SANTA will arrive in Eastland Saturday at 9:15 a.m. and visit around the square prior to the opening of the

special kid show. The Eastland Chamber of Commerce is sponsoring the ALL FREE KID show which will begin at 10 a.m. Admission will be the ticket, obtainable from any Chamber member

merchant in Eastland. The stubbed tickets will also make youngsters eligible for cash prizes to be given in a drawing. Some \$75.00 will be given in \$5 lots to lucky ticket holders. Only one stub per

youngster will be accepted at the door. FREE PARKING continues in Eastland and young and old, as always are welcome to Eastland, the Christmas City.

An Eastland Housewife needs to be commended publicly. We heard by the grapevine that several local women were planning a bridal shower. In discussing the hostesses' gift, one of the women knew "just the place" in Abilene where that gift could be found.

But another woman present rose on her hind legs and told the group, "If we can't buy the gift in Eastland, count me out." How we need more of this attitude!

This I read the other day... Speaking of California, here's an interesting item that appeared in the Sacramento Journal: "A gray-haired old woman was preparing to enter a bus on 9th and L Streets; she was large and somewhat crippled. Her arms were loaded with packages...As the bus door opened, a man waiting behind her offered a helping hand...The old lady smiled but shook her head. 'I'd best manage alone' she said. 'If I get help today...I'd want it tomorrow.' My admiration for her grew, and suddenly I knew she had in one clear sentence summed up the welfare tragedy."

Only 8 more shopping days until Christmas...Eastland stores still have good selections of gifts in all kinds, sizes and prices.

In the interest of providing more parking spaces for customers, a request has been made that employers and employees park their cars away from the downtown business section.

Christmas business is going strong in Eastland these days and as usual this time of year there is a parking problem.

Spokesmen in the downtown area request that they receive good cooperation from their employees as well as other businessmen, so that it will be easy for customers to park and shop in Eastland.

I noticed most of the Christmas decorations in the residential sections of Eastland are going up rather quickly now. With the exception of the high wind that we had Tuesday afternoon and night the only casualty I noticed was Old Santa taking a fall on the nose.

Well, we goofed again. You know you hardly ever hear the good comments about a paper but when you goof you always hear about it almost before it's off the press.

This happened in the Sunday edition of the Telegram when on the football page, we ran a picture of John Hart holding his we quote "grandson" turns out to be his "granddaughter". Naturally knowing John and especially since he is an across the street neighbor we really heard about it. Someone even told me that the granddaughter was spoiled...Would John really do this?????

From the Jacksboro Tiger Football Fans - To the Eastland Mavericks, the Student Body and the Maverick Fans.

On behalf of the Jacksboro Tiger Team, Student Body and the Jacksboro Tiger Fans we would like to take this opportunity to congratulate you on the fine game played by the Eastland Mavericks on Friday night. They certainly played like CHAMPIONS and they accepted defeat like CHAMPIONS.

We would like to say that the sportsmanship displayed not only by your team but by your student body and your fans was outstanding. We want to add that it is greatly appreciated. We look forward to play-off games with you in the future. When we are defeated we hope we can accept it as gallantly as you did.

Sincerely,
THE JACKSBORO TIGER FANS

17 Mavericks Named for All-District Lists

5 Unanimous
13 On Top Teams

2 "Both Ways"

It's no surprise, but the Mavericks pretty well dominate the district honors picking.

Seventeen from the Quarter-Final Champion Mavericks have been named for honors on the District 8-AA All-District team just announced.

Five Mavericks are unanimous choices on the first team offense and defense.

And two Mavericks made it "both ways" - on offense and defense teams.

Eastlanders named to the offensive first team are Senior Quarterback Craig Lund; Junior Running Back Howard King; Senior Running Back Randy Rexroat; Senior Split End Bob Mace; Senior Tight End James Eidson; Senior Tackle Rodney Reynolds;

It connotes tolerance, helpfulness, willingness to share each other's resources, and, above all, rendering unto others the respect and the consideration that equals deserve from one another.

We speak of peace as an objective. But we seldom examine the ingredients of peace that comprise the moral force of mankind. For until the spirit that permeated the life and teachings of Jesus nearly two thousand years ago becomes the code of mankind, there will be continuous friction and misunderstanding and perhaps even war.

Peoples do not willingly fight one another. Rulers bring on war by misleading oppressed peoples, hiding the truth from them and falsely accusing other nations of threatening attack. It is the oldest crime in all history. We are conscious of its vicious impact today. Only truth can overcome it, by reaching into the hearts of men everywhere.

Someday there will be a real Christmas. Someday the peoples of the world will rise to pay homage to the principles that will assure peace.

But the real Christmas will never come through the electric display of slogans or the myriads of tinsel trees exhibited along our thoroughfares. The real Christmas will come when men have discovered within themselves the power that overnight can frustrate any commands issued by the despots.

The real Christmas will come when, among nations like our own and our allies, there is an impulse to follow the courageous will of a liberated conscience.

To achieve this emancipation from the shackles of modern ideologies, we must grow a Christmas tree that doesn't wither the day after Christmas - a tree that is nourished within our own hearts and spreads its branches from man to man as it unites us all in a world of eternal love.

James Eidson

Bob Mace

Junior Guard Allan Jolly; and Senior Center Mike Jones.

Mavericks picked for Defensive First Team are Senior Lineman James Eidson; Junior Linebacker Steve Lopez; Senior Linebacker Ronald McCleskey; Senior halfback Randy Rexroat; and Senior halfback Bob Mace.

Lund, Eidson, Rexroat and Mace are unanimous choices. Eidson and Mace made both the offensive and defensive spots.

Named to the second team offense is Senior Ronald McCleskey and to the second team defense is Senior Scotty Miller.

Senior Tackle Gil Gaeta and Junior Steve Lopez are picked for offensive honorable mention.

GOODFELLOWS Need Help Now!

DEAR GOODFELLOWS "I thank you very much for all the things you have done for me and my sister. Without your help we would have done without those things. I hope the Lord blesses each and every one of you for your love and kindness. Truly we are thankful. Your Friend...P.S.: My sister thanks you and the rest of my family thanks you too."

...we would have done without...we are thankful.

Two statements of fact from a youngster who knows: were it not for the Goodfellows, she and her family would have done without, and they are thankful that there are Goodfellows in Eastland.

Final meeting of the Goodfellows will be Tuesday, Dec. 21, at the White Elephant at 7:30 p.m.

"If you have not contributed your individual or business donations, please do so at once," Mr. Garrett urged.

Mr. Sargent may be contacted at home to receive canned food donations.

"Let's all get busy now and make this the best year ever for the Goodfellows...so that not one "does without."

Are you a part of this program? You can be. Most of your neighbors are. Eastlanders this time of year join together in giving and sharing to help make Christmas possible for those who would otherwise "do without." How can we say "no" to a child at any time, particularly at Christmas time.

The GOODFELLOWS are rolling. Their first meeting was held Tuesday evening as well attended and letters have been sent to all former contributors with an addressed envelope. The screening committee is working and will still accept names. Chairman Carl Garrett reports.

50 Years Of Rotary

Eastland Rotary Club's annual ladies night was observed Monday night at the White Elephant Restaurant in Eastland with all the wives of the Rotary members present.

The program consisted of Mrs. Anna Edwards playing the piano and singing several very appropriate carols.

Mr. R.I. McArron, district governor, of Breckenridge, presented President Saul Pullman of Eastland a fifty year plaque in observance of the 50 years that the Rotary club has been established in Eastland. Mr. McArron stated that when the Eastland club was formed it was an extension of the Dallas club. And at that time only had one district. Now the Rotary clubs in Texas have 8 different districts. He further stated that the Eastland Club had gone beyond the call of duty on many of its activities.

Grover Hallmark presented Mr. McArron a complete printed booklet of all information about the Eastland Club since its beginning. This was compiled by the late Earl Bender and others. It was the club's complete activities up to two years ago.

Sunday's Subject

What is the source of all that is good in nature and man?

This is a question to be considered at Christian Science churches Sunday, December 19 in a Bible Lesson-Sermon entitled "Is the Universe, Including Man, Evolved by Atomic Force?"

"The earth is full of the goodness of the Lord," a Scriptural passage to be read from Psalms states.

Opening the commentary from Science and Health with Key to the Scriptures by Mary Baker Eddy is this citation: "In the Saxon and twenty other tongues 'good' is the term for God. The Scriptures declare all that He made to be good, like Himself, - good in Principle and in idea. Therefore the spiritual universe is good, and reflects God as He is."

Services in Eastland will begin at 11 a.m. Sunday Dec. 19, in the First Church of Christ Science Building on the corner of Plummer and Lamar.

Eastland Cub Scouts, members of Pack 23, met Monday evening for their monthly meeting and Christmas program in the Fellowship Hall of First Methodist Church. Scout Executive Harold De Haun presided, and Troop 5 of which Mrs. F.L. Spurlen is Den Mother, gave the opening ceremony. Mrs. Carol Nelson and her Den 2, gave a skit based on "Rudolph, the Red Nosed Reindeer." A gift exchange followed and the meeting was adjourned with the singing of carols. Approximately 25 boys and their parents attended.

Allison Celebrates 89th

Mr. and Mrs. J.C. Allison celebrated Mr. Allison's 89th birthday with a turkey dinner on Thanksgiving day.

The large white cake had Happy Birthday on it with a Thanksgiving man seated in a heap surrounded by shell corn.

Guests were Rev. and Mrs. Bill Beatty, David and James of Robert Lee, Texas. Also Rev. and Mrs. Weems S. Dykes and Susan Jane of Colorado City; Nelson Allison of Odessa, Mrs. Ann Shelburne and Mrs. Vera Adams of Fort Hancock, and Cindy Wheat of Morton Valley.

Mr. & Mrs. Robert Bond of Austin visited his mother, Mrs. Gladys Bond this weekend. They also visited with Mrs. H. Hall Saturday.

Mrs. Joyce Coleman and children of San Antonio visited her mother Mrs. R.D. Threet and Mr. Threet last weekend.

A gloom spread over Eastland after the game Friday night. I drove around the square Saturday morning, everyone I saw appeared sad, even the sidewalks wept. A woman said she cried one hour when she heard the score.

This proves one thing, that everyone in the town are Boosters.

Joe Hanna To Seek Re-election

Joe C. Hanna announced today he will be a candidate for re-election for state representative of the 54th District in the May democratic primary.

Hanna will be seeking a second term in the legislature, where he was recognized as an independent conservative working for a stronger rural representation in state government.

Hanna asked for and was appointed to serve on five committees he thought essential to this district. On the Highways and Roads Committee, he fought for preservation of the farm to market road system. He sought the best interests of the two junior colleges in the district, Ranger and Cisco, while serving on the Higher Education Committee.

On the Counties Committee he battled for stronger local government, fighting the centralization and bureaucracy sought by many. He also served on the Oil and Gas and the Livestock Committees.

Hanna was one of seven representatives sent to Washington for a briefing session with top government officials on federal state problems. He also represented the state in Washington fighting for help for drought-stricken ranchers last spring.

Hanna, who owned the abstract and title business for 25 years before seeking the legislative post, makes his home in Breckenridge with his wife, Betty. He has three children, Judi, of Dallas; Steve, serving with the U.S. Armed forces in Vietnam; and Mark, a sophomore at Tarleton.

CONSUMERS' CORNER

We've been searching through floor plans trying to find the ideal house to build, but we're confused. Where do we begin?

Here's a suggestion. Take an imaginary walk through the house before you make up your mind.

Figure out where the room pathways will lead. Do you have to cut across the living room to get from the front door to the rest of the rooms?

Will the family have to trudge through the working area of your kitchen everytime they come in the backdoor?

Being able to judge a floor plan before the house is built can save disappointments later on.

Foreseeing family traffic patterns is one of the first ways to start judging.

Sizing up family activity area is another. Will the noisy work area of the house interfere with living room relaxation? Will the sound of living room company keep the children from being able to sleep?

The relationship of one room to another deserves careful scrutiny too.

Will it be easy to carry food from the kitchen to the dining area? Or the patio? Or the porch?

How accessible are the bathrooms to the bedrooms?

If the plans look good that far, then it's worth taking a detailed look at each individual room.

INNOCENT VICTIMS . . . Despair aptly describes this East Pakistani refugee mother holding infant son in her arms at another sleeps at "Save the Children" hospital in refugee camp in India. Adding to prospect of starvation facing some six million Pakistani refugees is swollen "Ichhamati" (Wishing) River, separating troubled E. Pakistan and West Bengal, the waters of which have inundated vast areas in the Bongoon sub-division where most of the refugees have converged.

THERE'S MORE TO DO. GIVE MORE TO CHRISTMAS SEALS.

Servicemen

Heilbronn, Germany - Army Sergeant Ronald G. Patton, 25, son of Mr. and Mrs. Aubrey Patton Olden, recently received the Good Conduct Medal near Heilbronn, Germany. He recently was discharged and returned home last week.

The medal, established in 1941, is awarded on a selective basis for those who distinguish themselves from among their fellow military personnel through exemplary conduct, efficiency and fidelity during their active military service.

Sgt. Patton received the award while assigned as a reenlistment noncommissioned officer in Company A, 26th Signal Battalion in Germany. He entered the Army in December 1968, completed basic training at Ft. Bliss, Tex., and was stationed at Ft. Gordon, Ga., prior to his arrival overseas in December 1969.

A 1964 graduate of Olden High School, he received a Bachelor of Business Administration Degree in 1968 from East Texas State University. His wife, Connie, lives on Route 2, Eastland.

Earl Conner, Jr. Elected to Serve As Cross Timbers Club President

Earl Conner, Jr. of Eastland will serve as president of Cross Timbers Shrine Club during the coming year. Serving with Judge Conner will be Roy G. Hathaway of Cisco, vice-president and B.G. (Jack) Reed, also of Cisco, secretary-treasurer.

This announcement was made during the club's Christmas party on Saturday evening, Dec. 11. Outgoing officers, J. Floyd Killingsworth of Ranger, president; Earl Conner, Jr. of Eastland, vice-president and Joe Dennis of Ranger, secretary-treasurer, ably assisted by their wives were hosts for the occasion.

Club members and their guests entered the colorfully decorated entertainment area of Lone Cedar Country Club to greet friends and join in a

social sing directed by Roy Hathaway with Anice Locke at the piano.

Following invocation by Ernest Sellars of Fort Worth, the group enjoyed a delicious holiday buffet. The long U-shaped table was artistically decorated in seasonal colors. Mr. Killingsworth was master of ceremonies which included welcome, introduction of guests and recognition of incoming officers. He introduced Ernest Sellars, chairman of Shrine Clubs of Moslah Temple, who spoke briefly concerning shrine-owned crippled childrens hospitals and burn centers throughout the nation, commending the work of the Eastland County Club.

Party games completed an enjoyable evening for the fifty-two members and guests who attended.

Birthday party for December and Christmas Party will be held Thursday Dec. 23 at 6:00 p.m. in the recreation room of the nursing home. We encourage everyone to attend and make this a large party.

Excise tax repealed!

'72 Ford prices drop average of \$200.

Congress has acted. The excise tax on cars and light trucks has just been repealed. Every car in Ford's complete line will cost less... a saving that averages around \$200.

And remember... that's on all new '72 Fords. On all-new Torino... strongest, smoothest, roomiest mid-size Ford ever. On luxurious, quiet-plus LTD. On the sporty driving machine, Mustang. On Maverick... the car you own, it

doesn't own you. On America's favorite subcompact, Pinto... the one that's different where it counts.

Also great savings on light trucks.

Get great excise tax cut savings on your choice of the complete line of Ford light trucks, including the unique 2-front-axle pickup or popular Econoline Van, now averaging \$200 less than before the tax cut. Come save now!

made, was explained for members of the Eastland Lions Club at their Luncheon meeting Tuesday at the White Elephant. J.T. (Buddy) Carter was speaker, introduced by Program Chairman Marcus O'Dell. President De Gordon presided and announced that the club will not meet during the holidays, and will resume on Jan. 4 when Everett Plowman will have the program.

Use of lignite (low-grade coal) was explained by Carter with word and color slide to show that one of three plants being built by his company, Texas Electric Service Co., Texas Power and Light and Dallas Power and Light, located 100 miles southeast of Fort Worth will be in partial operation next year. The search for new fuel is protection against the day when natural gas reserves are exhausted, and the lignite-fired plant is a stop-gap measure until a better system (nuclear?) is developed and proven satisfactory, he said.

Club Sweetheart Sarah Brewer expressed her appreciation to the club for having sponsored her in the Recent County Pecan Pageant, in which she was among the top three. The club presented her a gift of luggage.

School Holidays

Classes will be dismissed for the Christmas Holidays at 3:30 p.m. Friday December 17, according to Principle Elvin Hill.

Final examinations for the first semester will be given the week of January 10, 1972.

Buses will run on Friday at regular time Hill stated.

Following a two-week holiday, classes will resume on Monday January 3, 1972. Christmas parties will be held at the Elementary School with grades 1-3 having theirs at 1:30, and grades 4-6 at 2:30 p.m.

Thursday Club Presents Mrs. Cullen

Mrs. Maifred Hale Cullen will be speaker for the Thursday Club which will meet at 7:30 p.m. Thursday Dec. 16, at the Lone Cedar Country Club.

Mrs. Cullen is the daughter of the late Mr. and Mrs. Fred Hale, long time residents of Eastland. Maifred and her husband, the late P.J. (Pete) Cullen were also residents of Eastland until 1948 when they were transferred by Texas Electric Service Co. to Big Spring. Later they were transferred to Fort Worth where Mrs. Cullen now resides.

Mrs. Cullen was active in clubs and civic projects while living in Eastland. She served as Court Reporter for 10 years for the Court of Civil Appeals, Eleventh District, with Judge Hickman, Leslie Thunderburk and Grissom. She presently is serving as secretary for Hudson, Keltner, Cunningham, and Smith Law Firm in Fort Worth.

Mrs. Cullen is a graduate of Stamford High School, attended TCU and is a writer, having some of her works published.

Art Club Has Party

The Eastland Art Club met Dec. 9th in the home of Mrs. Dorothy Williams for the annual Christmas party. There was no painting or working on any projects. The members enjoyed relaxing and visiting.

The Williams home was decorated for the Christmas holidays and club members exchanged gifts from under a huge green tree.

Plans were made for some community projects for the

Christmas season. The next meeting will be with Mrs. Y.A. Wright in January when new officers will be elected.

Lovely refreshments of congealed cranberry salad, sandwiches, whipcream cherry pie, and spiced tea was served to the following members.

Mrs. Francis Urban, Mrs. Ed Layton, Mrs. Roy Lawson, Mrs. Y.A. Wright, Mrs. Joe Tow, Mrs. Frank Sayre and the hostess Mrs. Charlie Williams.

Monday Is Deadline For Light Contest

Monday is the deadline for entering the Annual Christmas Lighting Contest in Eastland, sponsored by the Civic League and Garden Club, according to Chairman Mrs. Dan Childress. Quite a number of decorations went up this past weekend and the town is definitely taking on the Christmas glow, with quite a few more pretties expected to be put up this week.

Several entries have already been received but many more

are expected as the deadline nears.

Grand prize for the best over-all outside decorations will be a Ready Lite contributed by Texas Electric Service Co.

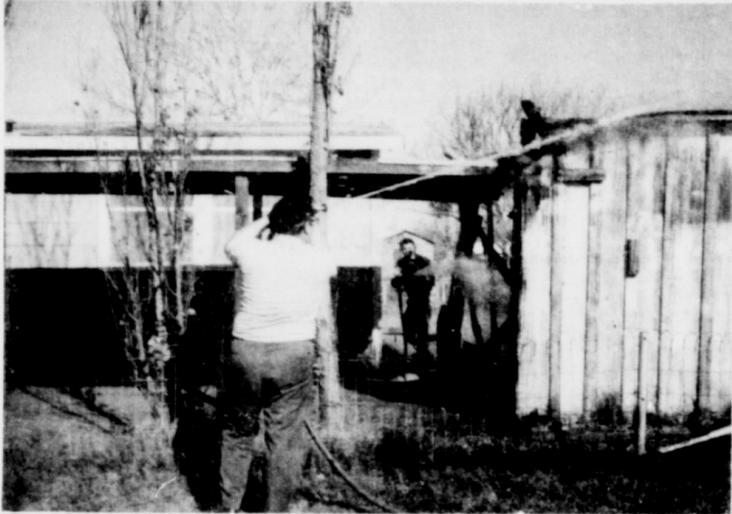

The Civic League will give a monetary prize to the best decorated door, and runner-up prize will be given in each division in the form of floral arrangements from Green Street Flowers and H&H Floral.

Mrs. Childress will exhibit an example of New Mexico decor when the Childress residence will be aglow Christmas Eve with luminaries from 7 p.m.

Residents are urged to get their decorations up, lighted, and their entries in. Entry blanks may be picked up and left at the Telegram office.

Judging will be done next week, so entries must be in the hands of the committee by no later than 5 p.m. Monday, Mrs. Childress advised.

Sirens Scream Wednesday a.m.

In Eastland the weather changed from bad to good, then back to bad Wednesday morning sirens screamed as emergency vehicles responded to calls including a fire and a car-train wreck.

The wreck occurred near noon and involved an automobile driven by William W. Wilkinson

of Apt. 21, Hillside Apartments, and an east-bound T&P freight train at the N. Seaman crossing. Wilkinson was treated at Eastland Memorial Hospital and released reported in good condition and back at work Wednesday. His automobile was demolished. The three alarm fire came at

11 a.m., when firemen were called to 1504 S. Seaman where a garage at the back of a house owned by Bill James was destroyed by fire. Cause of the fire was unknown. City Fireman Eddie Pevehouse Jr. and Voluntary Jerry Buchanan are shown in the photo.
