Area Affected By 'Mule Mania' Again

'Back To School' Safety Is Urged

With school starting for another year this week, Muleshoe City Police Chief

Johnny Richards has joined the Muleshoe Independent School system in urging motorists to be extra cautious and watch for the young people on their way to and from school.

On buses, Chief Richards said the city police department will be working with the schools to see that those laws pertaining to buses and bus loading zones are strictly enforced.

He reminded that it is state law that all buses, when loaded, must stop at all railroad crossings, so warned motorists to watch for the buses stopping in front of them.

When buses are stopped with red lights flashing to load or unload children, all vehicles, must stop, in town or in the country, and remain stopped until the red lights are turned off.

Chief Richards said persons driving should watch especially close for children around the schools and designated school crossings.

The Muleshoe Schools is asking persons driving in to pick up their children to please not park in the bus loading zones around the schools, as these areas are designated to provide a maximum of safety for bus students.

Officers ask drivers to watch for blind corners in the country as the corn crops and weed are so tall at this time of the year along country roads, they are a potential hazard to youngsters crossing roads or waiting to get on a bus.

A statement was issued by the police chief that hotrodding around the schools will not be tolerated by the city, and warned that potential hotrodding will be closely monitored by the local officers.

He cautioned all drivers to stop at the stop signs, and not just slow down and keep driving.

For students, the chief said littering at the schools will not be dismissed lightly, and said that is another area where the officers will be watching

con't on page 6, col 4

Around Muleshoe

Between July 21, 1979 and August 21, 1979, the Muleshoe City Police Department has recovered \$43,115 in reported stolen property, which includes currency and stolen property.

Not included in that figure is property recovered where no offense report was made, or the approximately \$25,000 in bad checks. The money received on the checks has been returned to the merchants.

The 1979 Muleshoe High School annuals are now here and will be distributed at registration Monday from 8:30 a.m. to 4:30 p.m. in the High School cafeteria.

Copies of annuals from the last few years are also available for sale.

YAC will meet Monday night at 8 p.m. at the Bailey County Exhibition Center and Coliseum. All members are urged to be present.

Trinidad Lopez, President of the Youth Group has asked that all Youth Members attend the meeting to make fall plans.

The School Board will meet in joint session Monday, August 27 at 8 p.m. in City Hall.

They will meet with county, city and Three Way I.S.D. officials for the purpose of discussing and consider approval of method of electing members to the Board of Directors, Bailey County Appraisal District.

The Fine Arts Boosters will meet Monday night at 7:30 p.m. in the Muleshoe High School Band Hall.

All parents of band, speech and art students are encouraged to attend this meeting to organize the coming year.

REMINDER OF BUS SAFETY-- The school bus drivers have been meeting in training sessions waiting for the first day of school, which will be registration, scheduled for tomorrow, Monday. They join other school officials and the police in urging the motoring public to drive safely and observe bus laws. Drivers pictured from left include Elmer Smith, Janie DeLeon, George Washington, Louise King, Linda Vinson, Vera Callaway, Sue Murphy, Nickie Landers, Roy Sikes, Mrs. Dana Shunko, Dana Shunko, David Gray, L.E. Bratcher and Emilio Estrada.

Budget Nears \$3 Million; School Tax Rate Increased

An operating budget some \$350,000 above the 1978-79 budget was tentatively approved by members of the Muleshoe Independent District Board of Trustees during a special meeting of the board last Monday night.

The 1978-79 budget was \$2,506,136 and the new budget to operate the four schools in Muleshoe and the newly approved budget has increased to \$2,852,746.

Instruction (teachers, coaches, etc.) are the main increase, and make up 56.08 percent of the budget. The increase was \$189,284 from \$1,411,751 to \$1,601,045.

Administration increased from \$46,241 to \$58,041 and instructional resources and media was increased from \$62,259 to \$71,062.

School administration, which includes the school principals and their personnel was increased from \$135,984 to \$148,528 for an increase of \$12,544.

Guidance and counseling was upped to \$67,975 from the \$59,107 last year and attendance service was decreased by \$10 from \$3,510 to \$3,500 and health services was increased from \$29,473 to \$33,281.

Transportation was also increased from \$120,400 to \$135,195 and co-curricular activities was increased from \$32,185 to \$38,041. General administration received a \$52,795 increase, from \$182,448 to \$235,243.

Debt service saw a slight increase from \$142,200 to \$143,500; plant maintenance and operation was increased from \$270,020 last year to \$307,365 and community services was additionally increased from \$8,468 to \$11,940.

It was explained that new exemptions allowed on taxes which include new exemptions for the elderly, disabled and homesteads, caused a decrease in the school valuation and the school district of \$8,000,000 resulting in a loss of \$80,000 in taxes.

Superintendent of Schools, Neal B. Dillman said this compares to the budget of 1960, with the same number of students, when the total budget was around \$661,000, for a present increase 19 years later to four times as much to put the young people through a year of school.

Cited as the reasons for the \$350,670 increase were salary increases of \$251,000; school and city

con't on page 6, col 4

Workshop Slated For Learning Use Of All Patterns

A basic Pattern Alteration Workshop has been planned for September 11, from 2 to 5, at the Coliseum meeting room. This workshop is being sponsored by the Texas Agricultural Extension Service and will be conducted by Linda Mullin, Bailey County Extension Agent. There is no charge for the workshop and it is open to all regardless of age, socio-economic level, race, color, sex, religion or national origin.

Enrollment will be limited to the first 30 people who call and register due to the fact that it is a workshop and work space is limited. In the workshop, you will actually make pattern alterations for increasing and decreasing bustlines, sleeves and hips as well as alterations for such problems as hollow chest, sway back, square and round shoulders, large abdomen and thigh circumference for pants. Supplies that participants will need in order to work are scissors, pencil, cellophane tape, waxed paper, ruler, tape measure and straight pins.

To register for the workshop, call the Extension Office at 272-4559 by Monday, September 10.

New Scout Troop Makes Campout Last Weekend

Ricky Mata, leader of the newly formed Troop 621, Boy Scouts of America, took his scouts on a camping trip to Camp Post for a three day outing last weekend.

He said his young scouts worked toward earning their skill awards and practiced cooking, hiking and the basic principles of setting up a clean, safe camp.

Mata said he is planning another outing around the second weekend in September. This one will be to Camp Haynes, near Silverton.

The scouts expressed their appreciation to Johnny St. Clair for the use of his van to make the con't on page 6, col 4

Hundreds Meet Mules Last Thursday Night

Last year's "Mule Mania" has added a little "Black Fever" this year as more than 100 boys from Muleshoe High School are out in uniforms and pads, practicing for the first games of the season which gets underway soon.

Friday night, the Muleshoe Mules demonstrated some of their potential this year before a good crowd of people. In a scrimmage against Petersburg, who slammed the Mules during a scrimmage last year, the Muleshoe Mules scored 2-1.

Although it appeared the Mules will have a few minor problems to work out, early indications are that the Mules will be playing very competitive football this fall.

Charles Walker broke loose for a long run and scored one TD from 48 yards out and Bones Norman also had a 13 yard TD run.

Mule defense may be 'real' tough to penetrate this year, if they remain as consistent as they were showing in the Petersburg scrimmage.

Next Friday, the freshman, junior varsity and varsity will be scrimmaging at Lockney, starting at 5 p.m.

Thursday night, more than 1,000 parents and football fans made their way to Benny Douglass Stadium for Meet the Mules night. As they gathered, the first sensation feeling that football is actually nearing, began to infect the large crowd.

Coach Mike Wartes introduced the coaches on his staff who in turn introduced the freshmen, junior varsity and varsity players to the crowd. What can be expected from the Muleshoe Mules this year? Perhaps somewhat of a hard time trying to get started, as the team only has 12 starters back from last year, having lost more than 20 through graduation.

Coach Wartes said the team is filled with enthusiasm, pride and plan to make this a very good season. He expressed the appreciation of the team and the coaching staff for

con't on page 6, col 4

the support evidenced by the large group of people who turned out for Meet the Mules night.

"Your support is what makes our team the great team it is," he said. "Anytime you have the support I have seen from the local people, it helps make our record the 19-3 it has been for the last two years. This can be credited to this community who fully support the football teams.

con't on page 6, col 1

Physicals Set

Today For All Of Junior High

A reminder has been issued that physicals for girls and boys who plan to participate in athletics from junior high school and for girls who will be playing basketball and volleyball in high school is scheduled for today, Sunday.

The physicals will be given at 2 p.m. today in the high school gymnasium. Girls and boys who do not take their physicals at that time will be responsible for paying for their own physicals which will then have to be given by the young person's personal physician.

Thunderstorm Deposits .2 During Night

A severe storm that slammed into Olton, Fieldton and Littlefield in Lamb Counties and Dimmitt and the Flagg communities in Castro County did not reach to the Muleshoe vicinity, although the community received high wind and sand.

During Friday night, another storm dropped around .2 inches of rain in Muleshoe as thunderstorms continued to roam the South Plains of Texas on a ramble to the south.

National Weather Service predicted thunderstorms would return to the weather picture for both Saturday evening and Sunday.

A SUDDEN STOP-- A Lazbuddie Longhorn found the 'going rough' Thursday afternoon during a scrimmage with Wilson, at Lazbuddie. The Longhorns showed why they are expected to be a tough team to beat this year.

PICKIN'EM UP AND PUTTIN'EM DOWN -- Rambling along for good yardage during the Muleshoe-Petersburg scrimmage Friday evening was Charles Walker. He was among the Mules taking advantage of an opening for big yards during the scrimmage. Muleshoe's first football game of the regular season will be September 7, when the Mules travel to Portales to take on the Portales Rams.

Enochs News
By **Mrs. J.D. Bayless**

Mrs. Dale Nichols and daughter drove to Amarillo Saturday to attend Mrs. Donnie Nichols' graduation at the Civic Center. She received a Bachelor of Science Award from WTSU of Canyon. She will teach in Canyon High School this year.

Mr. and Mrs. Chester Petree were in Amarillo Monday to visit her brother, Mr. and Mrs. L.O. Williams.

Dinner guests in the home of Mr. and Mrs. J.W. Layton Tuesday were Mr. and Mrs. Duane Clem of Meadow, and Mr. and Mrs. Ernest Ellison of Comanche. The Clems spent the night with them. Other guests Wednesday night till Friday were their son, Mr. and Mrs. Harold Layton and Robert of Dell City.

Bob Newton, Ben Kuehler, Dale Nichols and Gary Welch flew to Corpus Christi Thursday and returned home Saturday from a gin business trip.

Mr. and Mrs. Duane Clem of Meadow and Mr. and Mrs. J.W. Layton were dinner guests in the home of the J.D. Bayless' Wednesday.

Carl Hall and Mrs. J.E. Layton were in Lubbock Tuesday to be with his daughter and her sister, Mrs. Bill Burris as she underwent surgery at the St. Mary's hospital.

Mr. and Mrs. Chester Petree were in Lubbock Tuesday so he could see his doctor for a checkup. They also visited their son, Mr. and Mrs. Dannie Petree and her sisters, Mrs. Nat Hill and Mrs. Charlie Williamson.

Mr. and Mrs. Bob Newton's grandchildren, Patric and Cory Newton of Stinnet spent the week with them and returned home Sunday.

Mr. and Mrs. Frank Layton of Midland attended church at the Baptist Church Sunday night and spent the night with Mr. and Mrs. Dale Nichols. They also visited his brother, Mr. and Mrs. J.W. Layton.

Rev. Kin Horn of Littlefield preached both services at the Baptist Church Sunday.

Mrs. Arnold Archer was dismissed from the Medical Center in Littlefield Monday.

Instruction Is Added To Technical Institute

"It's the first course of its kind in the State of Texas," says Dean Saeger. Instructor of Industrial Maintenance Technology at TSTI, "Every industry or business no matter how large or small needs a well trained maintenance man."

TSTI-Amarillo will prepare well trained maintenance people in its brand new Industrial Maintenance Technology Program. Registration for this course and many other programs is September 25 and 26 on the TSTI campus.

TSTI instructors, Dean Saeger and Paul Ackerman, are veteran Air Force Industrial Maintenance instructors. They will train students in basic electronics, electrical installations, air conditioning and refrigeration, hydraulics, welding, and boiler maintenance. On job training is an important part of the program, too.

The entire program takes 18 months to complete but there are several exit points.

After 18 months of training at TSTI, the Industrial Maintenance Technology student will receive an Associate of Applied Science Degree. Saeger says, "Industry is now paying salaries ranging from 7 to 10 dollars an hour for maintenance technologists with Applied Science degrees, and the job market looks great." Local industry is already contacting TSTI wanting to employ its Industrial Maintenance graduates. Industries with representatives on the Industrial Maintenance's Advisory Board include Pantex, Cabot Corporation, Malcolm, Hinkle, Celanese, and 3 Amarillo hospitals.

For more information about the Industrial Maintenance Technology Program and Fall Registration contact the TSTI Admissions Office at (806) 335-2316.

Mr. and Mrs. E.N. McCall, Mrs. Winnie Byars, Mrs. J.D. Bayless, Mrs. Bob Newton, Mrs. Flo Nichols and Gary Nichols attended the services for Mrs. Clemie Speck at the Missionary Baptist Church in Morton at 3 p.m. Monday.

Mr. and Mrs. Joe Miller of Elida, N.M. visited friends in the community Wednesday.

Mr. and Mrs. Don Van-

landingham and children of Lubbock were dinner guests in the home of her parents Mr. and Mrs. E.N. McCall Friday and picked up Kim on their way to the Capitan Mountains for a ten day vacation.

Kevin Key of Fairbanks, Alaska visited his parents, Mr. and Mrs. Sid Key and grandparents, Mr. and Mrs. Bill Key recently. He has finished his Air and Power Plan education and is employed with Alaskan Air Lines. Denn Foley had a class reunion for him

during his star. Mr. and Mrs. Earl Shields of Leia Lake came Friday and spent the weekend with Mrs. Lorello Jones, and Wendell, Mrs. Shield and children remained for an extended visit.

Mr. and Mrs. Jim Clauch spent the weekend at Wellington where they visited her brother, Ben Farmer and attended the Lillie, Saltfork and Marella reunion.

Mrs. Dale Nichols and Paula were in Lubbock Monday. They also visited in the home of Mrs. L.D. Davis and family.

Dennis Turney visited his grandparents, the Edd Autrys at Denver City Monday.

Mr. and Mrs. Marvin Long of Canyon is visiting his father, the S.G. Long.

Bulah Toombs was a dinner guest in the home of Mrs. Rolly Mill in

Morton Sunday. Morna and Toby Tyson of Levelland are spending the week with their grandparents, Mr. and Mrs. George Tyson.

Mrs. H.W. Garvin spent Thursday night in Lubbock with her daughter, the James Gillentines.

Martha McCaul, 1/Lt. Allison Married In Hawaiian Ceremony

The base chapel at Kaneohe Marine Corps Air Station, Hawaii, was the setting Saturday, July 21, at 11 a.m. for the marriage of Martha LaVerne McCaul of Yuma, Arizona, and First Lt. Fred H. Allison of the VMFA 212 Squadron, 1st Marine Brigade, at Kaneohe Base, Hawaii. Officiating at the single ring ceremony was Chaplain Carson of the base. The new Mrs. Allison is the daughter of Mr. and Mrs. V.F. McCaul, Yuma, and Lt. Allison is the son of Mr. and Mrs. Harold Allison of the Pleasant Valley Community, Muleshoe. The organist, Mrs. Jody Beal, presented favorite hymns of the bride rather than traditional wedding selections. The processional played was "Be Still My Soul" and the recessional was "In My Heart There Rings a

Melody." The guests present joined in singing "Blest Be The Tie That Binds." Decorating the chapel altar was a basket of spring flowers in various pastel colors. The bride, escorted to the altar by M/Sgt. Larry Sanchez of the VMFA 212 Squadron, was attired in a floor length gown of white dotted swiss with a boat neckline and empire fitted waist. At the bottom of the skirt were two wide flounces embroidered in lavender and trimmed with lavender ribbon. The bride carried an orchid on a Bible made of olivewood from the Garden of Gethsemane. The Bible was a gift from her grandmother. Both the bride and groom wore three-strand leis, two strands of white tuberoses and one strand of white tuberoses and pink baby rosebuds.

Serving as matron of honor was Jane Canada, Hawaii, who wore a floor length gown of white organza with tiny orange flower trim. She wore a lei of white tuberoses and orange baby rosebuds. Serving the groom as best man was Lt. Brad Tammaro also of Kaneohe Marine Corps Air Station who has been with Lt. Allison during much of their training in the Marine Corps. He wore a two-strand lei of white tuberoses. Presiding at the guest register was Marie Schmitt, Hawaii, who wore a lei of white tuberoses and orange baby rosebuds. Following the wedding ceremony, Lt. Brad Tammaro and Lt. Dennis Dilucente hosted an Italian brunch and wedding reception in their home for the new Mr. and Mrs. Allison with special guest

MRS. FRED H. ALLISON being the VMFA 212 Squadron. Guests were served homemade pasta and assorted cold cuts. Presiding at the bride's table and serving the three-tiered wedding cake made by Jane Canada was Marie Schmitt. Shortly after the reception, the newlyweds flew to Kauai Island, Hawaii, for a short honeymoon. They will be at home at 322 Aoloa, Apt. 1306, Kailu, Hawaii.

Mrs. Fred Allison is a graduate of Kofa High School, Yuma, Arizona, and a 1970 graduate of Arizona Woman's College. In 1970 she was listed in Who's Who in American Junior Colleges, and she graduated with distinction from Arizona State University in 1972. In 1975 she received her teaching certificate and has taught Spanish and French at Kofa High School, Yuma, for the past four years. She plans to do graduate work at the University of Hawaii while Lt. Allison is stationed in Hawaii.

Lt. Fred Allison is a 1968 graduate of Muleshoe High School and a 1975 graduate of North Texas State University, Denton. He attended Officers Candidate School at Quantico, Virginia, and received his commission as a 2nd Lieutenant in the Marine Corps in March, 1976. He then went to Pensacola Naval Air Station, Florida, where he attended Flight School and received his wings as a Radar Interceptor Officer on July 29, 1978. Lt. Allison received further training in fighters as a Radar Interceptor Officer at Marine Air Station, Yuma, Arizona, where he was promoted to 1st Lieutenant. Upon completion of this training in May, 1979, he was assigned to the VMFA 212 Squadron, 1st Marine Brigade at Kaneohe Marine Corps Air Station, Hawaii, as a Radar Interceptor Officer in F-4 Phantom aircraft.

PUPPETS WILL PERFORM-- Charles and Carolyn Faulkner and son, Allen, will participate in a puppet show which will be presented at the First Baptist Church August 26-29. "Ralph (the dog) and Friends" will also treat children ages four to 11 with hamburgers, hot dogs and ice cream cones. Although entertaining, the puppets are also used in the spirit of witnessing and conveying Bible truths.

FBC Puppets Will Perform Next Week

A number of activities for children ages 4 to 11 are planned in conjunction with the upcoming Revival at the First Baptist Church of Muleshoe, August 26-29. On Monday, August 27, at 7:15 p.m., the youngsters will be treated to a hamburger feed and a presentation by "Ralph and Friends" - the puppets of First Baptist Church. The Revival services will begin at 8 p.m., featuring evangelist Dr. David Ray and S.L. Tate, Minister of Music, First Baptist Church, Hobbs, N.M.

Tuesday's fare will be hot dogs and a puppet presentation. This will again be at 7:15 p.m. On Wednesday, the children will be served ice cream cones and treated to another presentation by the puppet ministry. The puppet ministry at First Baptist Church has grown from a single puppet (Ralph, the Dog), that was used in Sunday School classes to encourage children to be more active in singing, to a group of ten professionally made puppets. There has

also been an addition of a puppet stage and sound equipment. "They have performed for youngsters and adult groups and have received a very good response from all. The puppets are entertaining, but this is not their primary purpose. They are used in the spirit of witnessing and conveying Bible Truths," according to Charles Faulkner. All children, ages 4 thru 11, are invited to attend the meals, puppet presentations, and the revival services.

Nuptial Vows Repeated By Miss Bryant, Northcutt

Nuptial vows were solemnized by Miss Cheryl Lee Bryant and Dean Edward Northcutt, both of Muleshoe, on August 18 at 8 p.m. in the First Baptist Church of Muleshoe. Rev. J.E. Meeks, pastor, performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. Jess A. Bryant and Mr. and Mrs. Edward L. Northcutt, all of Muleshoe.

An arch candelabra bordered the altar, flanked by spiral candelabras, enhanced with jade and English ivy and white tapered candles. The pews were marked with white miniature carnations, plumosus and bows of blue dotted swiss. The memory candle featured an arrangement of white tapers, English ivy and leather fern on a white pedestal.

Donna Green of Muleshoe sang "The Wedding

Song", "It Seems I've Always Loved You", and "The Wedding Prayer". Marcella Jennings of Lazbuddie accompanied her on the organ.

Escorted and given in marriage by her father, the bride wore a gown of white organza and schiffli lace designed by Mori Lee. The molded bodice featured a scoop neck with a double schiffli lace flounce, which formed the soft short sleeves. The waistline was defined in pearl embossed Venise lace and swept to back fullness forming a chapel length train. The entire hemline and train were defined in a wide schiffli embroidered flounce. The top of the flounce was edged in a single row of Venise lace forget-me-nots. Tiny lace forget-me-nots were also sprinkled throughout the skirt. Her silk illusion veiling was caught to a Venise lace covered Juliet

Capulet, sprinkled with seed pearls. The fingertip veiling was edged in a single row of Venise lace forget-me-nots. The bride carried the bouquet "Elegance," a cascading bouquet of silk white roses and buds, miniature carnations and Lily of the Valley. Powder blue baby's breath accented the bouquet.

For the traditional something old, she carried her grandmother's handkerchief. She borrowed pearls and her wedding attire was something new. She also wore the traditional blue garter.

Michelle Bryant attended her sister as Maid of Honor. Bridesmaids were Debbie Mehlich of Austin and Benetta Roming of Muleshoe.

The bridal attendants wore blue gowns of Chiana knit which featured an overlay of flocked organza over the pleated skirts.

The gowns were enhanced with split elbow length sleeves.

The maid of honor carried a nosegay of white sweet-heart roses and miniature carnations with highlights of blue.

The bridesmaids carried nosegays of miniature carnations and ecru ribbon.

They also wore hair pieces of white silk roses and gypsophilia.

The groom was attired in a white tuxedo with a boutonniere of white silk roses and Lily of the Valley with blue accents.

Serving as best man was Mark Washington of Muleshoe. Groomsmen were Timmy James, and Mike and Mark Northcutt, brother of the groom, all of Muleshoe.

Don Heathington and Edwin Watson, both of Muleshoe ushered the guests.

Candlelighters were Marc Duke and Manson Duke, cousins of the bride

The groom's attendants and the fathers of the couple wore blue tuxedos with boutonnières of miniature carnations and blue static.

The mother of the bride wore a long blue gown with a corsage of white roses and miniature blue carnations, accented with fantasy lace.

The groom's mother wore a long blue gown complemented with a corsage of white roses and miniature blue carnations with radiance ribbon.

A reception followed the ceremony in the Fellowship Hall. Members of the House Party were Darlene Henry, Lois Washington, Jama Brown, Bobbie Nell Dunham, Betty Carpenter and Bobbie Harrison.

Upon arrival, guests were registered by Stephanie Brantley.

The bride's table featured a four tiered wedding cake with blue roses topped by a pair of white doves. The table was covered with a white lace cloth overlaying white satin. Crystal candlesticks with blue tapers centered the table. Pineapple sherbert punch was served with the cake.

Missy McCavley of Fort Worth and Susan Crittenden and Keva Roming of Muleshoe served at the bride's table.

For a wedding trip to Dallas, the new Mrs. Northcutt wore a rose colored sleeveless dress with a silk corsage of mauve and beige miniature dahlias with gypsophilia.

The bride is a graduate of Muleshoe High School in 1978 and is attending Texas Tech University.

The groom graduated from Muleshoe High School in 1978 and attends Texas Tech University. The couple will make their home in Lubbock.

Special guests included L.J. Dunn Sr. of Lubbock, great-grandfather of the bride; Mrs. Bud Mitchell of Lubbock, grandmother of the bride; Mr. and Mrs. Luther Malcolm of Brownfield, grandparents of the bride; Mr. and Mrs. Jim Duke of Houston, aunt and uncle of the bride; Glenda Barnes of Amarillo; Bill Blaine of Midland; Mrs. Dale Worley of Lubbock, aunt of the bride; Mrs. Tony Langle; of Lubbock; Steve Wooley of Lubbock and Nancy Marshall of Lubbock.

Also, Mr. and Mrs. Ell Northcutt, Muleshoe and Mrs. Clara Kerr, Grandfield, Okla., grandparents of the groom; Mrs. Bill Tidwell, Frederick, Okla., aunt of the groom; Mrs. Alean Edwards, Littlefield, great aunt of the groom; Mr. and Mrs. Lem Northcutt, Truth or Consequences, N.M., great aunt and uncle of the groom; and Miss Karen

Tidwell, Frederick, Okla., Mrs. David Scott, Altus, Okla., Mrs. Charlie Tallman, Clovis, N.M. and Mrs. Melvin Seymore, Muleshoe, all cousins of the groom.

A rehearsal dinner was hosted by the groom's parents on August 17 in the Fellowship Hall of First Baptist Church.

Engineering at the University of Missouri.

Out of town family helping with the anniversary celebration were Myrtle Lenau of Hobart, Okla., sister of Julian; Lois' cousins of central Texas, Jackie Koen of San Antonio; Lora McPherson, Hamilton and Ruth Brunk of Austin. Arthur and Jeanette Welsh, longtime friends of the Lenau's flew to Muleshoe from Santa Fe, N.M. to surprise the couple.

In reflection, Lois and Julian's golden anniversary was as much a celebration of Muleshoe's history as it was of their 50 year marriage, according to their family.

Julian And Lois Lenau Celebrate 50 Golden Years Of Marriage

When Lois Koen married Julian Lenau in an Olton home wedding on August 16, 1929, no photographer was there to record the event. Last Thursday, August 16, when the family from Oklahoma, Missouri and Texas gathered in Muleshoe to celebrate the couple's 50th wedding anniversary, several cameras were clicking. The whole family pitched in to cook their favorites for a gourmet dinner at the home of Charles and Marie Lenau of 313 East Fir Avenue. Shrimp, quail, homemade French bread, anniversary cake and champagne were all a part of the festivities.

Lois and Julian have spent almost all of their 50 year marriage in Muleshoe.

"A Lenau moves only once a generation," Lois is fond of saying, "and then they stay put."

The Lenau's "Move" came in 1930 when they came to Muleshoe as part owners of Western Drug which they sold in the 1940's. During World War II a scarcity of pharmacists and available employees forced the couple to work side by side at the "Store" almost around the clock.

At the close of the war, Julian was the unlucky mayor of Muleshoe who had to tell celebrating citizens they couldn't have a street dance because it violated a city ordinance. It was during Lenau's term as mayor that Muleshoe's first sewer system was built.

"It was a lot of work," says Lenau. "I campaigned for the next mayor, I wanted to be sure it wasn't me."

By the mid-forties the Lenau's had sold their drug business and Julian invested with his brother Charles in what is called the Lenau Addition. Lois pursued her hobbies of reading, cooking and sewing.

"I hate to be remembered for my cooking and sewing," says Lois. Close friends say she has the reputation of being able to put on a dinner for a couple dozen people in two hours. Her grandchildren have always preferred her sewing over ready-mades.

In the late 1930's Lois was a member of the Study Club which established Muleshoe's first library. Bake sales and contributions financed the library in the county courthouse in 1938. Later it was moved to Ash Street and became a city library. Lois was a member of the Library board in 1972 when the Muleshoe Area Public Library was built.

"Lois has always been someone I could count on for support of the library when I needed her," says librarian Anne Camp. Today Mrs. Lenau represents the Muleshoe Library on the West Texas Library System Board, one of ten such boards in the State.

The Lenau's have lived in

the same house on Avenue D across from the Muleshoe Elementary School since the 1930's, preferring to remodel and build additions rather than move. Both sons, Charles and Don, were within walking distance from all Muleshoe schools and both graduated from Muleshoe High School. Don still lives in Muleshoe and is an area farm machinery engineer. Charles is married to the former Linda Lancaster, also of Muleshoe. They are the parents of two children, Marc, 15 and Charlotte, 13. Charles and his family lived in Columbia, Mo., where he has recently been promoted to Professor of

Engineering at the University of Missouri.

Out of town family helping with the anniversary celebration were Myrtle Lenau of Hobart, Okla., sister of Julian; Lois' cousins of central Texas, Jackie Koen of San Antonio; Lora McPherson, Hamilton and Ruth Brunk of Austin. Arthur and Jeanette Welsh, longtime friends of the Lenau's flew to Muleshoe from Santa Fe, N.M. to surprise the couple.

In reflection, Lois and Julian's golden anniversary was as much a celebration of Muleshoe's history as it was of their 50 year marriage, according to their family.

MULESHOE, TEXAS 79341

IS' S BEGINNING TO LOOK LIKE FOOTBALL-- More than 1,000 people attended the Meet The Mules night Thursday night in Muleshoe, as evidenced by just a portion of the crowd shown here. The enthusiastic group of parents and football fans are encouraging the Mules to have another good year of football. Muleshoe's first game will be at Portales on Friday, September 7 at 8:30 p.m. CDT.

Mules...

Con't. from Page 1
It makes our boys get excited, and they practice and play harder, to keep the support."
He explained some of his philosophy to a group of parents after the fans were dismissed from the stadium. In a meeting in the high school cafeteria, Coach Wartes told the parents and fans, "We will make many decisions concerning your son. It may be right or wrong, but there are decisions we will have to make. We think if you, as parents, know why we make the decisions we do, you will understand more what we are trying to do."
"Our main concern is to do what we do in the best interest of your son. Our

staff is made up of professional people and we will never mistreat your son. However, it is important for you to know, we can't play but 11 kids on a team, and the best football players will play."
"That doesn't mean we love that 11 players any more than we do the ones who are not playing," he added, "but it takes the entire team, working together, to be successful."
He said the things they will be trying to teach the players are responsibility; responsibility to be at workouts and on time, to take care of equipment;

Punt, Pass Kick Entry

Registration for the 1979 Punt, Pass and Kick competition, sponsored jointly by the Muleshoe Jaycees and Muleshoe Motor Co. continue to roll in. The contest, open to any youngster eight through 13 years of age, has become a success throughout the country.
Any boy or girl who meets the age requirements and who can punt, pass and kick a football -- who'd like to try -- will want to compete. Participants compete only against others their own age, and there is no body contact.
No special equipment is needed and participation does not impair a youngster's amateur standing. Each youngster competes in three categories -- punting, passing and kicking. Judges score one point for each foot the ball travels on the fly, minus one point for each foot the ball lands to the right or left of the center tape.
Youngsters, accompanied by a parent or guardian, may register for PP&K at Muleshoe Motor Company. There is no entry fee.

Budget...

Con't. from Page 1
tax equalization programs; 25 percent estimate of increased price for gasoline; 20 percent or more increase of price for natural gas and electricity; inflation costs of all materials, supplies and equipment and a 45 percent reimbursement on tax exemptions instead of the 100 percent promised by legislators.
Looking over the budget, the board members approved increasing the tax rate from 94 cents per \$100 valuation to 97 cents for the next year. Of this amount, 84 cents will be for maintenance and 13 cents is for the debt service.

Also approved during the meeting was for the school to participate in one tax appraisal district in Bailey County and discussed and approved the installation of a terminal and telephone in the local tax

Scouts...

Con't. from Page 1
trip.
Troop 621 meets each Tuesday night at 7:30 p.m. at the Catholic Center and all interested boys between the ages of 11-17 are invited to join the troop. It is sponsored by the Knights of Columbus.
Mata is troop leader and Lupe Rejino, assistant leader of the troop. Making the camping trip were Sammy Gonzales, David Vela, David Castorena, Benjamin Martinez, Cahrlie Mata, Fabian Martinez, Danny Mata, Arthur Recio, Tommy Recio and Aldo Almanza.

School...

Con't. from Page 1
closely.
"We will no longer tolerate the trash, cups, papers and other debris tossed out around the schools," he warned. Chief Richards said there are adequate trash containers around the schools for students to use and reminded that littering is in violation of a city ordinance.
"The students are grown," he commented, "they have a pretty school and there is no use in abusing it."
Registration is Monday and the first full school day for 1979-80 will be Wednesday.
School officials and Chief Richards said if the traffic laws are obeyed, and the litter laws are obeyed, school will get off to a good start and there will be a very good school year for students and motorists.

Duo Attend Water Meet Thursday

Muleshoe will be the meeting place in August 1980, of the South Plains Association of Soil and Water Conservation Districts, according to James Wedel, district director of the Blackwater Valley Soil and Water Conservation District. He explained that there are two meetings each year with different districts hosting each meeting. There are 22 districts in the South Plains Association.
Wedel and District Conservationist Jim Lutz, with the Soil Conservation Service, attended the South Plains Association meeting on August 23 at Post.

Principal speaker for the 93 persons attending, along with 17 SWCD's represented, was Representative Charles Stenholm, U.S. Congress. Also attending were Rep. Bill Heatley, Paducah and State Rep. E.L. Chort; Carl Spencer, executive director, state Soil and Water Conservation Board; Charles Wood, vice president of the Association of SWCD's in Texas, and Frank Gray, member of the Texas Association of SWCD's.
Rep. Stenholm addressed the group on current legislation affecting Soil and Water Conservation programs, the energy problem and answered questions on current problems facing South Plains farmers.

office connected with Western Data Service Inc. the annual cost for the service on a one year contract is \$4,500.
Also approved was increasing substitute teacher's pay from \$20 to \$25 per day and approved a two year maintenance contract with Honeywell, Inc. on heating units, refrigeration units and other appliances in the school systems.

TOPS Has Weekly Meeting

Clara Lou Jones, Leader, called the TOPS Club to order on Thursday, August 23 at 6 p.m. in the community room of Bailey County Electric.
The TOPS Pledge was recited and members joined in singing the TOPS Song.
Roll call was given by the weight recorder, Evelene Harris with 26 members weighing in.
Clara Crane was crowned the weekly queen with Cherry Estep as first runner up and Janie Patton, second runner up. One visitor was present, Dalynn Krebs.
All members were reminded to bring gifts to the next meeting to organize the auction.
TOPS members have ordered pecans which may be purchased from any club member.
The meeting was dismissed with the Goodnight Song.

Kiwanis Decide On Friendship Coin Recipient

At the Muleshoe Kiwanis Club meeting Friday morning at the Corral Restaurant, it was decided that since Kiwanian Bob Donaldson has had the friendship coin for a month or two or three trying to find a friend with no success, it was decided to start another friendship coin.
The new friendship coin was given to R.A. Bradley because he used to write news stories for the Bailey County and Muleshoe Journals and KMUL Radio. Bradley was not told to write stories again but it was not real clear as to what might happen if he didn't. He apologizes for not turning in a story for sometime but he is trying to convince people that he has been busy, although not many believe him.
It was announced that the Kiwanis banquet for the installation of new officers will be held September 25 at the Bailey County exhibition Center and Coliseum.
President Terry Bouchelle opened the meeting of eleven members and Kiwanian Ray Lynk gave the invocation.

The Pledge of Allegiance was led by Herman Morrison. Secret reports from the meeting says that Morrison is one of the people getting rich selling gas but he doesn't know it yet.
The club voted to loan the Kiwanis trailer to the Fine Arts Boosters to be used as a concession stand on the west side of the football field.

DRUG DANGER
A National Cancer Institute advisory panel reports an anti-histamine widely used in sleep aids is a strong cause of cancer in rats and must be regarded as a potential risk to humans.

Attention to details perhaps more than anything result in basic differences in center pivots today. One such point is the thirty (30) second cycle on the percentage timer Lockwood uses to control its end tower movements. All other pivots utilize a sixty (60) second cycle. This shorter timing cycle significantly contributes to the higher uniformity of water application with any nozzle set on the Lockwood system. By halving the length of each end tower movement, the pattern is more uniformly overlapped. This is particularly true on low pressure where the pattern is narrow at the outset and long movements could underwater certain segments of the field in a spoke affect.

Double Ring Ceremony Unites Miss Perri Poynor, Rodney Allen Lee

Miss Perri Melanne Poynor of Lubbock and Rodney Allen Lee of San Bernadino, Calif. were united in marriage on August 4 at 7 p.m. in the 16th and Avenue D Church of Christ at Muleshoe. Robert Lee of Aurora, Colo., brother of the groom performed the double ring ceremony. Parents of the couple are Mr. and Mrs. Haneey Poynor of Muleshoe and Mr. and Mrs. William Finis Lee, Sr. of San Bernadino, Calif. The church was centered with an arch candelabra adorned with brown preserved fern leather leaf, variegated pitisporium and gypsophyllia. The arch was flanked by spiral candelabras in a garden setting. The memory

candle sat on a pedestal in an arrangement of fern, leather leaf and gypsophyllia. The center aisle was lined with pew marker, of leather leaf, pitisporium and gypsophyllia. Lighted votive cups enhanced these decorations. David Langford, Jena Mullin and Kenny Jacobs, all of Lubbock, sang "Sweet Sweet Spirit", "For Baby, For Bobbie", "God, A Woman and A Man" and "What A Difference You've Made In My Life". Kenny Jacobs also accompanied them on the guitar. Mrs. W.A. Watson played traditional wedding selections on the organ.

Escorted and given in marriage by her father, the bride wore a formal length gown of candlelight silk organza designed with a wide opened neckline resting on the shoulders. Triple capelet sleeves of polysheer and a silk rose accented the bodice. Her long full skirt fell to floor length and was swept into back fullness cascading into a chapel length train. She wore a matching hat of candlelight chiffon designed with three chiffon roses in the back

which held three floor length streamers. Complimenting the bridal ensemble was her cascading bouquet of various colors of beige and brown silk poppies, daisies, heather, blue gypsophyllia and baby's breath. Ivory streamers were tied in love knots.

For the traditional something old, the bride wore a strand of pearls belonging to her paternal grandmother, the late Mrs. R.W. Poynor. Something new were pearl earrings, a wedding gift from the groom.

Something borrowed was a handkerchief from her maternal grandmother, Dorothy Redding of Lubbock. She also wore the traditional blue garter.

Mrs. Jimmy Robinson of Muleshoe, sister of the bride, served as matron of Honor. Mrs. Tommy St. Clair of Muleshoe, Miss Ramona Conard, cousin of the bride of Lubbock and Mrs. David Cordor of Shallowater, cousin of the groom, served as bridesmaids.

Lisa Hamilton of Muleshoe was Junior Bridesmaid.

The bridal attendants wore identical formal length gowns of beige and brown floral print voile. The bodices were designed with an eyelet edged ruffle. Full A-line skirts fell from the waistline accented by satin ribbons and sashes. The attendants wore matching basket weave hats with scalloped edges and floral bows and baby's breath.

Each attendant carried a silk nosegay in shades of beige and brown. The poppies, daisies, heather and blue gypsophyllia were tied with streamers of ivory and beige.

Guests were ushered by Jimmy Robinson of Muleshoe, David and Brad Poynor of Muleshoe, cousins of the bride. Greg Poynor of Portales, N.M. and Sidney Bloomer of Monument, Colo., both cousins of the bride, served as candlelighters.

The groom was attired in a bamboo beige Bentley tuxedo with cream shirt and tie. His boutonniere was a beige silk daisy and baby's breath.

The groom's attendants, ushers and the fathers of the couple wore bamboo beige Bentley tuxedos with dark bamboo lapels, ties, vests and pants.

The mother of the bride wore a formal length dress of coffee brown sheer knit. A silk corsage of mixed pale peach flowers complimented the gown.

The groom's mother chose a pale gold formal length gown of single knit material. Her dress was complimented by a silk corsage of mixed gold flowers.

Guests were registered by Miss Debbie Purcell of Lubbock.

A reception followed the ceremony in the fellowship hall of the church. Members of the houseparty were Mrs. Paul Poynor, Mrs. Eddie Wilson, Dorine Harbin, Mrs. Joe Harbin, Mrs. Charles Hamilton, Mrs. Gordon Wilson and Mrs. Terry Bouchelle.

The bride's table was covered with an ivory lace cloth over ivory satin. The three tiered cake was accented with a garland of beige and brown silk poppies, daisies, blue daisies, gypsophyllia and pitisporium. The cake was topped with a miniature bouquet. A brass candelabra with ivory tapers, baby's breath and pitisporium accented the table.

Mrs. Gerald Smith of Lubbock and Helen Balderas of Muleshoe served the cake and punch from brass and crystal appointments.

The groom's table was laid with ivory lace over chocolate brown cloth. A brass tray held a dark chocolate cake. Coffee was served from an antique copper coffee server. Brass candlesticks completed the decorations. Miss Donna Black and Miss Brenda Black of Fresno, Calif. served the coffee and cake.

Di Gi Jack, Dana Jack, Julie Baker, all of Lubbock and Dayna Hamilton carried wicker plates filled with rice bags which were presented to each guest.

Kendra Wilson of Muleshoe and Ken Williamson of Lubbock handed out thank you scrolls from the bride and groom.

For travel, the bride chose a teal blue leno-stripped polyester print dress with champagne trim and accessories. The couple will make their home in Lubbock.

Mrs. Lee is a clerk in the Texas Tech Ticket Office and Lee is employed with Dekalb.

The bride is a 1976 graduate of Muleshoe High School. She has attended West Texas State University and Texas Tech University.

The groom is a 1975 graduate of San Bernadino High School and attended Fresno City College and California State University in Fresno.

Special out of town guests included Mr. and Mrs. Ken Knapp of West Covina, Calif., sister of the groom; Mr. and Mrs. W.F. Lee, Jr. and Jason and

Kerry of Fresno, Calif. brother of the groom, Mrs. Robert Lee, Janae and Erica of Aurora Colo., sister-in-law and nieces of the groom; and Mrs. Dorothy Redding of Lubbock, grandmother of

the bride. The rehearsal dinner was hosted by the groom's parents along with Mr. and Mrs. Paul Poynor, Mrs. Eddie Wilson, Dorine Harbin and Mr. and Mrs. Charles Hamilton in the

Fellowship Hall of the Church on Friday night, August 3. Mrs. Paul Poynor honored the bride and her attendants with a bride-maids brunch on Friday morning, August 3.

MRS. RODNEY ALLEN LEE (face) MISS PERRI MELANNE POYNOR

Andy Rogers was in the hospital last weekend but is home doing fine.

Mr. and Mrs. Jerry Don Glover, Susan, Sharon and Bryan left Saturday to go to Lake City, Colo. where they will vacation for a few days.

Visiting in the home of Mr. and Mrs. Dave Engleking and Heather this week are Mr. and Mrs. Glenn Harrison and Bryan of Farmington, N.M.

Cari Mimms of Clovis has been visiting with her grandparents, Mr. and Mrs. Pete Mimms and a friend Vandi Tarter. Vandi went back to Clovis and Cari stayed several days.

Mr. and Mrs. Ike Engleking are enjoying a vacation visiting points of interest in Colorado, Wyoming and South Dakota.

Mr. and Mrs. Harrol Redwine, Susan and Russell are spending this week vacationing in Colorado Springs, Colo.

The Home of Mr. and Mrs. Hal Helton of Clovis was the scene for a backyard barbeque and swimming party honoring Mitzi Helton, Cara Bass, Andy Dunlap and Heather Engleking. Other attending were Dave and Sheryl Engleking, Mr. and Mrs. E.A. Bass, Mrs. Andy Dunlap, Mr. and Mrs. Marty McGuire and Rhae, and the Heltons.

Mr. and Mrs. Clarence Mason and Mr. and Mrs. Darrell Mason hosted a hamburger cookout and homemade ice cream supper recently. Several relatives were in attendance. They included, Mr. and Mrs. Danny Raper and David of Maude, Okla., Bill Tarter of Lazbuddie, Mr. and Mrs. Arnold Daley, Jennifer and Jeffery of Hub, Mrs. Betty Glaze of Muleshoe and her granddaughter, Miss Sylvia Bynum of Lubbock, and Sonie Teagley of Baton Rouge, La., formerly of Muleshoe.

Mr. and Mrs. Dave Engleking and Bill Morris flew to Dallas last weekend to meet Marca Morris where she had attended a State Home Economics Teacher's Convention. The group enjoyed sight seeing around Dallas and Fort Worth and went to Six Flags over Dallas.

Several relatives and friends attended the funeral of Mrs. Pearl Seaton who died last week. The funeral was held at the Lazbuddie Methodist Church. Some of the relatives from out of town were Richard Greene and Martina of Lubbock, Mary Anne Green, Phoebe and Jack of San Antonio, Mrs. Pauline Greene of Muleshoe, Mr. and Mrs. Harvey Seaton, Mabank, Texas, Lewis Seaton, Mabank; Don Roberts,

Houston; Mr. and Mrs. Charles Patterson, Sharla and Chad, Lubbock; Mr. and Mrs. R.B. Seaton, Muleshoe; Mr. and Mrs. Danny O'Donald and Melissa of Amarillo; Children and grandchildren of Lazbuddie were Mr. and

Mrs. Jimmie Seaton, Mr. and Mrs. Jimmie Dale Seaton, Sherrie, Barbie and David, Mr. and Mrs. Harrol Redwine, Susan and Russel, and Mr. and Mrs. Rick Seaton.

The Lazbuddie Longhorn football team began football practice August 13.

Nursing Home News

By Joy Stancell

The First Baptist Church came Friday to give a devotional to the residents. Those attending were Bulah Connell, Marie Engram, Docia Parish, Maggie London, Effie Splawn, Sarah Graham, Clara Angeley, Rose Stine, Annie Brown, Edna Henderson, Rose Sebring, Mrs. Hendrix, John Crjm, Tom Watson, Archie Scarlett and Guy Nickels.

E.B. Wilson came Sunday morning to hold Bible study with Annie Brown, Maggie London, Docia Parish, Dottie Wilterding, Marie Engram, Onnie McDaniel, Marie Patton, Edna Henderson and Archie Scarlett.

Sunday afternoon Terry Bouchelle and members of the 16th and Avenue D Church of Christ came to sing to the residents. Those participating were Bertie Hendrix, Dottie Wilterding, Marie Engram, Annie Brown, Docia Parish, Maggie London, Lottie Hall, Clara Angeley, Marie Patton, Edna Henderson, Docia Dykes, John Crim, Tom Watson, and Archie Scarlett.

Tuesday morning the Hospital and Nursing Home Auxiliary came to shampoo and set the women's hair and given manicures. Those having their hair done were Marie Patton, Maggie London, Marie Engram, Rose Sebring, Chellie Bradley, Dora Slaughter, Bulah Connell, Birdie Phelps, Carrie Boydston, Bertie Hendrix, Mary Wedel, Ruth Myers and Effie Splawn. Those having manicures were Marie Engram, Edna Henderson, Onnie McDaniel, Rose Sebring, Marie Patton, Maggie London, Annie Brown, Birdie Phelps, Chellie Bradley, Clara Angeley and Lottie Hall.

Reading and exercise sessions were held by the residents Wednesday and Thursday morning.

Wednesday afternoon Glenda Jennings and Iva Carpenter came to have a

sing-a-long with the residents.

The Needmore Community Club came Thursday afternoon to honor all the residents who had a birthday in August. Resident and employee of the month was also announced.

Mrs. Maude Kersey came and took Annie Brown out for a coke Tuesday.

Mr. and Mrs. Bryan Snyder and Jennifer Shawne visited Grace Kemp.

Visiting with Bertie Hendrix were Jeffery and Judy Bussey and Mr. and Mrs. Joe Embry.

Saturday, Jerry Weaver visited his mother, Clara Weaver. Also visiting were Eula Dale, Duane and Pat, and Glenda Jennings and Iva Carpenter.

Clara Angeley and Onnie McDaniel have a new curly permanent.

Mildred Head and Lona Embry visited Dottie Wilterding this week.

Arthur and Chellie Bradley had a visit from their new great-grandson, Jason. He is the son of Mr. and Mrs. David Bradley.

Onnie McDaniel received visits from Carolyn Schmitz and her brother, Wayne Garth of Dumas.

Marie Engram showed Mrs. Elsie Williams and her friend Rosa around the Nursing Home Saturday. Visiting with Marie was Jody and Jeff Whatley.

John Crim's daughter and son-in-law from Dallas visited him this week.

Joy Tibbets, a member of the Nursing Home and Hospital Auxiliary came Wednesday to fix the August birthday bulletin board.

Several of the residents have crafts on display at the Muleshoe Library, which they made.

The Hospital and Nursing Home Auxiliary have made new shades for some of the residents rooms.

Door closed on American combat in another country.

\$2.5 billion sought for solar energy work.

Different & Unusual People & Places

A little know, sometimes fatal, and deadly disease, myasthenia gravis, has long mystified researchers and doctors alike. For some reason, Muleshoe apparently has more than their share of persons afflicted with the disease.

Where the usual occurrence in a city of 20,000 population is two victims, there are seven presently know victims within Bailey County.

There is no known cause for the disease, often called, MG, and there is no cure, although many victims now can go into remission, with proper treatment and care.

This week, on Thursday and Friday, the annual MG clinic is scheduled, starting at 9 a.m. each day at Hi-Plains Hospital in Hale Center, and a well-known MG doctor will check MG patients at that time.

The seven Bailey County victims include J.E. McVicker, Margaret Clements, Dorothy Harlin, Jo Harmon, Marilyn Wilson and former residents, Mrs. John Dunbar and Izzetta Johnson.

One of the victims, Mrs. Fred (Margaret)

Clements, agreed to share her story of the discovery that she was afflicted with MG.

"What is happening to me? I asked myself that question many many times. I didn't know it at first, but my husband, Fred, was watching me and asking that very same question ... What is happening to my wife?"

"In June 1977, I was in the local hospital where laboratory tests showed abnormal antibodies, along with other abnormal studies. I was referred to a rheumatologist, and diagnosed as having Lupus, along with a heart problem. I was placed on medication for both ailments and advised to make bi-monthly visits.

"During the next few months, many symptoms gradually crept up on me - these included weakness and severe fatigue, which are commonly associated with Lupus. The weakness slowly progressed and by Christmas of that year I found it impossible to walk through the stores to shop. My legs just wouldn't cooperate.

My vision was blurring to the extent that it was affecting my work. I had to close one eye to line up the typewriter, and new glasses helped for only a short time. I was getting choked on food and

strangled easily. I thought my steaks were always tough and Fred's were "just fine." However, I finally discovered it was my inability to chew for any length of time. My left eyebrow was 'raised' higher than the one on the right and had creases in it. I would sit in front of the mirror and rub my forehead and ask Why? What is happening to me?"

"I was also having trouble with my co-ordination. I walked funny ... No way could I walk beside someone without bumping into them. (Now Fred holds my hand so I won't bump him off the sidewalk). I would reach for something and either knock it over or drop it. It seemed I would be constantly cleaning coffee off my desk at work. I would get up from my desk and fall over it or against the wall; run into door facings and into people. I also started tripping over nothing; just walking across the floor. There were days I could type, and then I couldn't or I would run a perfect calculator tape and the next tape, nothing balanced. I just couldn't understand what was happening to me.

"I began to be afraid to work in the laboratory where I ran protein samples; afraid I would drop the flasks containing dangerous chemicals. I started noticing my voice

Letters To The Editor

Dear sirs,
I'm staying with the Richardson this summer for 4-H and LABO exchange. But I'm going to leave off on the 21st of Aug. I would be very happy if I can express my thanks on your paper.

I am Kazuko Ikegami, 17 years old and in the second grade of high school. Can you imagine how happy I have been, how deeply impressed I have been, staying with such warmhearted family my sister Belinda, my Mom, my Dad, and talking and exchange in mind with 4-H members and other people in Maple.

I have never though of deeply the meaning of "friendship" as much as

this now I'm leaving off to Japan.

But I have a big problem whether can repay your kindness and friendship, because you gave me so much that I can't give you in return. Was there anything I could do for you this summer? The longer I thought, the less I can answer. I'm getting sad that I can't have any confidence. But of course I have to. I dare say "Yes, I can."

I must study hard so that I can come up to your friendship. That's my SUBJECT in my future. Yes, I can. I'm young enough to do it. Whether there are a lot of severe stiff rates of competition for everything in Japan because of too much population, even for the entrance examination for high school. We couldn't go to the nearest high school except one third of us. We lack high schools.

But that's nothing at all. Now I have a confidence to repay you someday. Yes, I'm young enough. I have a future, don't I?

I could learn much from you this summer. I could have much treasures more than I'll be able to get in my future even if I ask.

That's the FRIENDSHIP. Yes, I could find "Rowing to another Dawn." here in Maple.

Let me say thank you over and over.

"Rowing to Another Dawn" is our LABO's symbolic words for the international exchange.

A MEMORIAL GIFT honors the memory of a loved one and provides hope for the living.

Three Way News

By Mrs. H.W. Garvin

Maj. and Mrs. Ike Jenkins and family of Sumpter, S.C. visited the Tommy Terrells the past week.

Mrs. Bulah Toombs and Mrs. H.W. Garvin attended the dinner theater in Lubbock Tuesday night with the Morton Senior citizens group.

Mr. and Mrs. Ronny Lee and boys of Dallas is visiting his parents the Elmer Lee family.

Mrs. Wendle Price and children of Fort Worth are visiting her parents, the George Tysons. Others visiting in the Tyson home Sunday were Mr. and Mrs. Tommy Durham of Lubbock, Mrs. George Holt of Lamesa, Mr. and Mrs., Troy Tyson and children of Levelland and Mr. and Mrs. D.A. Williams of Enochs.

Rev. and Mrs. James Gilleintine of Lubbock and Mrs. Kenneth Fox and son of Clovis, N.M. spent Friday night and Saturday with their mother, Mrs. H.W. Garvin.

Mr. and Mrs. Roland Nitcher and family of Lubbock spent the weekend with the E.J. Emersons and Adolph Wittners.

W.E. Latimer was a patient in the Methodist Hospital of Lubbock last week.

Mr. and Mrs. H.C. Toombs spent the weekend in Mission visiting their son, the Monte Toombs family.

Mrs. H.W. Garvin spent Saturday night and Sunday daughter, the Kenneth Fox family to help her grandson, Wayland Glenn celebrate his birthday.

He asked me to return for more tests in three months. When we left his office, we knew that somehow, somewhere, we had to find some help. That night I got strangled worse than I ever had before and I had a feeling of utter despair.

"A few days later, a man came into the office to see my boss. That man was J.E. McVicker. I knew that he had myasthenia gravis, and was in remission, but I knew little of the disease. "I was so desperate, I heard myself telling him. "Mac, I want to talk to you about your MG." Then I began telling him about all the weird things that were happening to me. He was very interested and for the very first time, I felt like someone was really listening to me. I suddenly didn't feel like a neurotic anymore and I knew I would be helped. Mac talked to Fred that afternoon and his wife, Jenne, sent MG literature to our home. They then called another man, John Dunbar, formerly of Muleshoe. He and his wife now reside in Clovis. John is on the National Myasthenia Gravis Board of Directors, and the next day he drove to Muleshoe to talk to us - broken leg, crutches and all. We just couldn't believe all the care, concern and compassion these people had for us. John called a neurologist in Houston and within two weeks I was admitted to the Methodist Hospital in the Texas Medical Center. I was there sixteen days and was diagnosed as having Myasthenia Gravis. "I remember the big sign of relief, and smiling at the doctor when he told us that I did have MG, even though I knew there was no known cause and no cure. At last we knew what we were fighting. I was started on medication for the MG and found that the drugs I had been on for Lupus and the heart problem make myasthenia gravis worse - fast. I flew back to Houston a month

later and was stared on Prednisone to help me gain the strength I needed for Thymectomy, and had the operation in September 1978.

"What was happening to me? Myasthenia Gravis. A type of neuromuscular disease that causes weakness and easy fatigability, varying at different times. Myasthenia is a hard disease to diagnose. Each MG patient is different, not only in symptoms but in severity, with these varying at different times. There is no across the board treatment for management of this disease, and the doctors have to use their own judgement for each patient. This means individualized therapy for each Myasthenic. Myasthenia can be controlled, but the success of management depends not only on the doctor, but the patient and the family as well. I am very fortunate to have an understanding, loving husband who does more than his share to help me learn to live with MG. Few people realize the terrible burdens that Myasthenia Gravis imposes; not only on the patient, but also on the spouse, the children, family members, friends and definitely on the bank account. Myasthenia is a very expensive disease.

"I am still having problems with my MG. I have always worked and really enjoyed working, so it has been quite an adjustment to find myself in a physical condition to the point of almost no activity. My vision is still blurred to some extent, and I still have days that I am unable to walk very much, such as grocery shopping. My big frustration comes when I try to read, sew or paint and my vision prevents this. I must admit I get depressed from the side effects I am having from the Prednisone, but I give myself a good talking to because I know it is helping me, and the depression doesn't last long. I can blow my own hair dry now, most of the time, and even though I have to stop to rest my arms a couple of times, I am very pleased ... I can lift that skillet again and there is a new pleasure in preparing our meals, just as there is a new awareness of all things, large and small, that we used to take for granted, such as taking care of our laundry and making a bed. I remember how thrilled I was the first time I changed our bed sheets and actually did it by myself.

"Although I drive on a limited basis, I still cannot drive out of town. I am also having some swallowing and respiratory difficulties, but my doctor tells me to work on my patience and look forward to two years from the time of the Thymectomy, when it has had time to take effect. I am improving and I will continue to do so. We count our blessings and we are very thankful.

THATCHER CABINET
LONDON -- Margaret Thatcher has named a Cabinet dominated by longtime aides and leaning distinctly to the right, but Britain's first woman prime minister appointed none of her own sex to the 22-member government.

back-to-school

"Safety" is the watchword

- 1) Instill safety in your mind.
- 2) Obey all traffic lights & signs.
- 3) Be prepared to stop near play areas.
- 4) Make sure your car is tuned & brakes work properly.

"We can repair your car but we can't replace the child."

ATTENTION:

Parents, Children, Crewleaders, Farmers & Other Employers

The compulsory school attendance law provides that all children who have attained the age of seven (7) before September 1 shall attend either Public or Parochial School on a regular basis until they have reached their seventeenth (17) birthday and have successfully completed the ninth grade. All parents have the responsibility to see that their children do attend school, and are subject to prosecution if they fail to do so. Children can be held accountable at law for failing to attend. Crew leaders, farmers, or other employers that employ such children during school hours are subject to prosecution for so doing. We respectfully request the support and cooperation of all concerned, including the children.

Sudan News
By Evelyn Ritchie

Mr. and Mrs. Hubert Dykes flew to Portland, Oregon Wednesday to visit their son, Gene Dykes.

Mr. and Mrs. Damon Provence and children have returned home from vacationing in the mountains.

Johnnie Nelson visited during the weekend with the John Williams family in Quanah.

Mitzi McBee of Morton visited overnight with her aunt and cousin Debbie Phillips, Christie and Michael.

Mr. and Mrs. Ricky Williams and children have been visiting his mother, Mrs. Charley Williams.

Sunday guests in the home of Mr. and Mrs. Glen Cardwell were Mr. and Mrs. Hal Cardwell Sr. and Mr. and Mrs. Hal Cardwell Jr., all of Lubbock; Timmy, Dorinda, Roland and Lisa McCormish of Hoblen, N.M.; Mr. and Mrs. Darrel Hobbs and Tana of Plains and Blake Cate of Anton.

Mr. and Mrs. Lewis Fields and Gary and Mr. and Mrs. Jewel Fields of Clyde have been vacationing in the Colorado mountains.

Danette Provence accompanied Mrs. Sonny Wiginton and Kelli to Grapevine where they joined Sonny and Ken at their new home. Danette plans to return home in a few days.

Mrs. Edna Bellamy visited during the weekend with her sister, Mrs. Carrie Lee Bishop of Muleshoe. Joining them was another sister, Mr. and Mrs. Perry Pettyjohn of Fort Worth.

Mary Olds, Bertha Varen and Gene Nichols were in Wichita Falls recently to visit their sister, Mrs. Ely Lam and to celebrate the 50th Wedding Anniversary of their other sister, Mr. and Mrs. John Farris.

Visiting Wednesday with Mrs. W.T. Vereen was her daughter, Mrs. Mary Henson of Littlefield.

Visiting in the home of Mr. and Mrs. Billy Gore of Odessa Saturday and Sunday were Mr. and Mrs. Wayne Doty and Jo Gaye Mapp of Hobbs, N.M. They took Stephanie Gore back to home after she had spent last week here with her grandparents.

Mr. and Mrs. John Humphreys, James and Greg have been vacationing at Lake Brownwood. Kathy Swart accompanied them.

Mr. and Mrs. R.B. Knox vacationed recently in Cloudfcroft.

Mr. and Mrs. Claud Kropp visited recently with their son and family, Mr. and Mrs. Troy Waller in Amarillo.

Send your child back to school with well-made, well-fitting shoes that protect pliable young feet from the pounding they take.

Your child's feet and shoes can affect the way he performs in the classroom and participates on the playground.

Buy the best quality shoes you can afford for your children. Materials and construction will vary with price, but do some judging, too.

Buy on sale, if possible, but only if you can get the right fit-not just because the shoes are on sale.

Look for shoes that do the following:

- 1) protect the feet,
- 2) hold the foot steady and secure,
- 3) allow for some room to grow and some wiggle room,
- 4) allow the foot to breathe.

When buying shoes, don't ask for the size you think the child needs. Have both feet measured while the child is standing. There should be one-half to three-fourths inch space between the end of the longest toe and the tip of the shoe to allow for growth and wiggle room.

Also, check foot shape and girth (thickness). The shoe's widest part should match up with the foot's widest part. You should be able to slightly pinch up the upper part of the shoe across the widest part of the foot when the child is standing.

The heel should fit snugly and firmly so you can't insert a finger between the heel and back of shoe. The upper part of the shoe shouldn't gape widely when the foot is bent.

If the shoe fits from the heel to the ball of the foot, the arch of the shoe will fit the arch of foot.

Also, children shouldn't wear hand-me-down shoes. It forces children's feet to conform to the footprint in the shoe.

ON MIREX WASHINGTON -- Soon after the Environmental Protection Agency approved use of another chemical against fire ants, the House Agriculture Committee has adopted a bill that would lift a ban on the pesticide Mirex that farmers apparently prefer.

STATE CAPITAL HIGHLIGHTS
By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—Governor Bill Clements, never one to pull his punches, tilted the political gyroscope again last week with new statements on the promised special session — and left Capitol watchers scrambling to place new bets.

The Governor, speaking to members of the Texas Public Employees Association, said he sympathized with their need for a salary increase to fight inflation and would consider including raises in an upcoming special session.

Many topics have been suggested for that special session, and if Clements added to the list last week, he also discarded the possibility of including a presidential primary bill in his promised call. On his televised "Governor's Report," Clements ruled out the primary, and added he might wait until August or September, 1980 to call the special session.

That timing would move

the special session to just before the general election, instead of just before the primary election in the spring, as Clements had earlier indicated he would do. Speculation has it that Clements, in the interest of building a two-party state, will call the special session to distract legislative incumbents from their respective elections, thus creating advantages for their mostly Republican opponents.

Supporters of Clements stress that he is more interested in passing his initiative and referendum and wire-tapping bills, and the close timing of the special call will pressure lawmakers to vote his way.

Clayton Opposes Unionization

Speaker of the House Bill Clayton, also addressing the TPEA meeting, warned that unionization of state employees would result in disruption of government and dissension among workers.

"Any fight for unionization would pit state employees against state taxpayers. Any such fight would produce only losers."

The 31,800-member TPEA

is Texas' largest state employee organization and officially opposes unionization of state workers.

Clayton now joins Clements and Hobby as top-ranking state officials who oppose the unionization concept proposed by State Comptroller Bob Bullock at recent Texas AFL-CIO meeting.

Bullock defended his concept again last week, saying that private firms were hiring away top state workers because state pay is too low.

"Thousands of our state workers are eligible for food stamps, but are too proud to apply for them," Bullock told reporters on a television program.

Bullock called on Clements to include "a living wage" in the special session.

Border Oil Commission?

Railroad Commission Chairman John Poerner has raised the idea of a border oil commission between the United States and Mexico to oversee oil drilling in the Gulf of Mexico.

Poerner last week wrote to President Jimmy Carter and Mexico President Jose

Lopez Portillo urging them to consider the joint commission to develop petroleum resources in the Gulf. Drifting oil spills could be prevented or minimized, he theorized.

The present oil spill in the Gulf, which is sending large patches of oil and "tar balls" up onto Texas beaches may be opening energy doors between Texas and Mexico.

Governor Clements thinks he is opening up "a whole new exchange" with Mexican leaders, and criticized the press for "overstating" the ill effects of the largest oil spill in history. "It's like squealing before you're hurt, and we're not hurt yet."

Clements also nixed the idea of Texas suing Mexico for damages to Texas beaches, and predicted the oil well will be capped soon. He also warned Texans to prepare themselves for \$1.50-per-gallon gasoline in the future.

Lawmaker Eyes Switch

Dallas State Rep. Clay Smothers, an ultraconservative black Democrat, said he will switch parties and challenge Democratic U.S. Rep. Martin Frost next year. Smothers is the first to publicly announce he will change political parties next year, and he is not expected to be alone.

Governor Clements predicts maybe 30 Democratic

office-holders will switch parties before the 1980 elections.

Another touted crossover possibility is Rep. Douglas McCleod of Galveston, who may leave the Democrats to run against Sen. A. R. Schwartz as a Republican.

Meanwhile, State Rep. Wayne Peveto intends to remain a Democrat if he runs for State Comptroller Bullock's seat. Peveto, a "lawyer-farmer" from Orange, authored the new state property tax code and may make

the race if Bullock retires from politics—or runs for Governor of Texas.

When it comes to getting results for these major retailers, the Muleshoe & Bailey County Journals has the hang of it

ATTEND THE CHURCH OF YOUR CHOICE

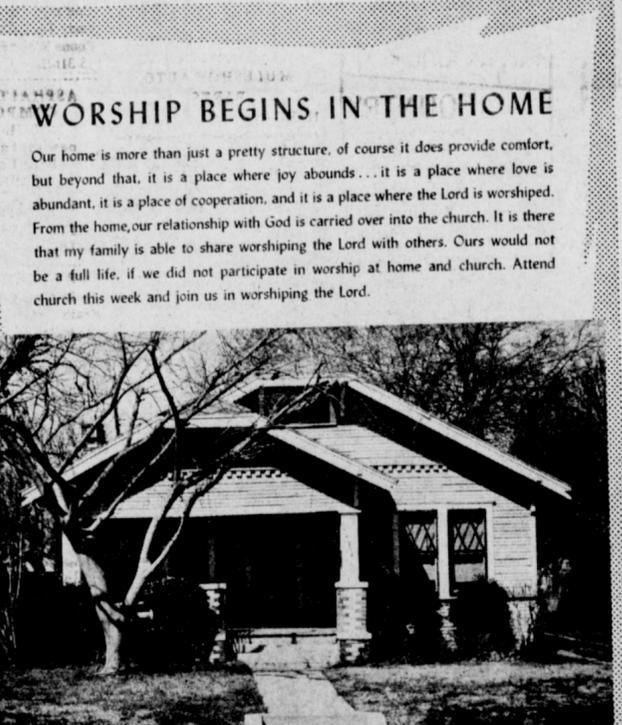

WORSHIP BEGINS IN THE HOME

Our home is more than just a pretty structure, of course it does provide comfort, but beyond that, it is a place where joy abounds... it is a place where love is abundant, it is a place of cooperation, and it is a place where the Lord is worshipped. From the home, our relationship with God is carried over into the church. It is there that my family is able to share worshipping the Lord with others. Ours would not be a full life, if we did not participate in worship at home and church. Attend church this week and join us in worshipping the Lord.

Rev. Joe Stone

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Public Notice

NOTICE TO BIDDERS

Bailey County will offer
for sale to the highest
bidder, and will receive
sealed bids until 11:00
o'clock a.m. Monday Sep-
tember 10 for the following
described motor vehicle.

1 - 1962 Ford dump
truck equipped with a steel
floored flat bed, hydraulic
lift and nearly new tires.

The said vehicle may be
inspected at the Precinct
#1 County Barn on High-
way No. 84 near the south-
east edge of Muleshoe,
and for further information
prospective bidders should
contact Commissioner
Matt Dudley.

Bids should be submitted
at the office of the County
Judge, terms of sale are
cash, and the County
reserved the right to reject
any or all bids.

LEARN TO READ YOUR ELECTRIC METER AND SAVE!!!

It will let you determine how many kilowatt hours you use in a given
period of time - an hour, a day, a month or a year. That's how electri-
city is measured - by kilowatt hours (kwh) used

Your residential electric meter will have either 4 or 5 dials

Electric meters are easily read from right to left as you look at the
meter. If the pointer on a dial is between two numbers, write down the
smaller number. When the pointer is directly on a number such as one
(1) (see center dial above) then read it as 1 if the pointer on the next
dial immediately to the right has passed zero (0). However, read it as
zero (0) if the pointer on that dial to the right has not reached zero.
The dials above read (from left to right) 9-3-1-1-5. If, however, the
pointer on the second dial from the right above was between 9 and
zero then the center dial would read as a zero

Now let's read the same meter 24 hours later

The later reading is 9-3-1-3-8. Subtracting the first reading, 93115,
from the new reading of 93138 - the answer is 23. Thus you would
have used 23 kilowatt hours in the 24 hour period. Each kwh costs ap-
proximately five cents

When you learn to read your electric meter, you will be able to see
where your energy dollars go - then learn to use energy wisely and
save!
