MAVERICKS HOST LOBOES HERE FRIDAY IN 'GAME OF THE WEEK'

The Cisco Lobos will be seeking their second upset of the Mavericks in two years, and the Mavericks will be looking forward to avenging last year's loss to Cisco when the two teams meet Friday night in Maverick Stadium at 7:30 p.m.

The halftime show will be highlighted by the presentation of the Maverick band and football sweethearts.

A victory by the Mavericks over their traditional rivals would also clinch the District 8-AA Championship, so the game is extra important.

Offensively the Lobos are led by James Wheat, 150 lb. quarterback. Rounding out the backfield are Halfback Johnny Hargraves, 190 lbs.; Halfback Larry Pence, 180 lbs.; and Fullback John Morris, 195 lbs.

Among the many fans in the stands will be EHS Ex-Students including President Bill Sewell of Slaton, in town for the weekend to make plans for the forthcoming 1970 Homecoming.

Cisco also boasts a large defensive team including Tackle Gary Tipton, 210 lbs., Guard Steve Tone, 200 lbs., Linebacker John Morris, 195 lbs., and Defensive Halfback Danny Reed, 190 lbs.

Last week the Mavericks severely stomped Comanche 52-0, while Cisco was being upset by Hamilton 35-25. However, folks over in Cisco claim that their team just got caught looking forward to their game with Eastland.

The Mavericks game with Comanche was perhaps their best game of the season. The offensive effort grew stronger with each quarter and the defense was outstanding throughout the game.

'TIE UP

THE LOBOES'

TO: MAVERICK FANS.
FROM: EASTLAND HIGH SCHOOL CHEERLEADERS.
ATTENTION, MAVERICK FANS.

The Mighty Mavericks will face the Lobos this Friday night in their ninth game of the season. The Mavs have an 8-0 victory record so far this year. In order to keep up the great spirit show thus far, the Mavericks need support from all of Eastland, the adults as well as the students.

The slogan this week is "Tie Up the Loboes" and to carry out this slogan, the students will wear neckties and hair ribbons. The adults could help us by wearing this slogan on their clothes downtown Friday.

Also there will be a pep rally on the south side of the square at 6 p.m. Thursday. We urge all Eastland people to attend and show the Mavs we are behind them all the way.

The students have expressed their desire to have a victory line all the way to the fifty-yard line. We need adult support to do this.

SEE YOU IN THE VICTORY LINE-UP!

CHEERLEADERS PAINT STADIUM PRESS BOX

If there's a pause in the action at Maverick Stadium Friday night, glance up at the Press Box on the West Side. You'll find a newly painted structure that just tops off a beautiful field.

And thanks for the re-decorating of the little house goes to the Eastland High School Cheerleaders — who do as well with paint brush, as with leading school spirit.

It's a bright improvement.

VFW MEETS THURSDAY

Milton Nash, post commander, urges all members to attend a meeting at 8 p.m., Thursday, Nov. 6, at the VFW Post 4138, East of Eastland.

Eastlanders to Oppose Rail Freight Changes

A formal protest by Eastland residents will be registered at a public hearing in Strawn Monday scheduled by the Texas Railroad Commission.

The citizens will protest a proposal by the Missouri Pacific Railroad Co. to establish a mobile agency out of Ranger to serve the freight stations in Eastland and Strawn, and to tear down existing depots in these towns.

The hearing was originally scheduled for Aug. 6 in Austin, but was re-set for 9 a.m. Monday, Nov. 10, at the City Hall in Strawn.

Chamber of Commerce President Grover Hallmark called a meeting Monday and preliminary plans were mapped for a presentation to the Railroad Commission. Among those invited to attend will be Sen. Tom Creighton and Rep. Burke Musgrave, as well as interested persons in this area who oppose the move.

The Railroad Commission announcement states:

"Application of Missouri Pacific Railroad Co. to establish a Mobile Agency, Route No. 4, based at Ranger, Texas, to serve the stations of Eastland and Strawn, Texas, in lieu of stationary agents, and to retire and dismantle the depot buildings at such points."

Remembering that it wasn't too long ago that he had the pleasure of describing the establishment of the Aztec Mobile Home firm for the Lions, Mr. Sayer said that three months ago, Mr. Sayer described the 100 by 300 feet three level former Leon plant building which will house the new company, and which was contributed by Texas Electric Service Co. to the Eastland Foundation.

"Five weeks ago, Chandler Robinson of our Fort Worth development office called and said that a key principal in this company was coming from St. Louis to look at Eastland." Mr. Sayer said the visitor, Vice President Bob Crane stayed much longer than he intended, looking over the city.

Inspected and of vital importance to the firm were these factors and in this order:

Labor.
Near major highway.
Schools and hospital "They were particularly pleased with ours."

Country Club and golf courses.
Airport.

Housing "There's a lot to

be desired here, and the three men coming are going to live in mobile homes at the site. Eastland was picked over the city of Tyler for the location of the plant.

The Foundation will lease the company 65 acres and the plant building to the company at the present time, and the company has plans for vast expansion and hopes to be up to some 75 employees in a year it was said. Free water will be furnished, and the Power Plant Lake flood gates will remain open, and there will be no pollution, Mr. Sayer said.

Guest introduced by Lewis Tiner were T. C. Williams of Cisco and Bill Wheatly.

Zone Chairman Earnest Sneed announced that a zone meeting was to be held in Strawn Tuesday evening with several local members planning to attend.

The club will hold its annual Ladies Night Banquet next Tuesday evening beginning at 7 p.m. at the White Elephant Restaurant, and there will be no meeting at noon that day.

Tommy Mangness will have the program a week from next Tuesday.

Safety Program Launched In Elementary School Here

An extensive safety program has been initiated at Eastland Elementary School by school official and Eastland City Police Dept., according to an announcement this week.

In a joint announcement, Principal R. N. Baze and Assistant Police Chief John Morren are urging the cooperation of parents and patrons in a concerted effort to improve parking and traffic conditions at the school. A lane for vehicles, discharging and picking up students, has been designated, and is to be painted, along the curb edge beginning south of the Madera-Sadosa Intersection and extending to the

middle of the school block. Mr. Baze and Mr. Morren issued the following recommendations in an effort to increase safety at the school:

A. When you bring a child in the morning: (7:30 till 8:10)
1. Drive single file keeping to the right and the first cars should pull up to the area marked "1" to let children out.

2. All children should be let out onto the sidewalk. Never let child out in the middle of the street.
3. Cars could use the areas numbered 1 to 13 to discharge children, pull out to the left and leave.

B. When you come for your child at 2:30:

1. Do not come until about 2:25 P.M. and stay in the right hand lane only and the first car pull up to the area marked "1" and the succeeding cars park behind.

2. If your child come before the one in the car ahead of you, you may pull out to the left and go on, leaving your space for the next car. Pupils should not be allowed to cross between cars to get into car.

3. You may park in the parking area if you intend to stay until after the other cars are gone.

C. When you come for your child at 3:20:

1. Do not come until about 3:15 P.M. and stay in the right hand lane only and the first car pull up to the area marked "1" and the succeeding cars park behind.

2. If your child comes before the one in the car ahead of you, you may pull out to the left and go on, leaving your space for the next car. Do not let your child cross between cars to get into your car.

3. You may park in the parking area if you intend to stay until after the other cars are gone.

Tid Bits

By H.V.O.

ALL THE signs are "go" in Eastland, with more developing, more expanding and more new business than has been seen in a long time. Well put by Native Eastlander Cyrus Frost, who recently came back. He says "It's Eastland's turn."

Among the many bright signs here: Howell Sledge reopening his retail meat market and super-extra good barbecue shop on Lamar St. Friday... Herman Hamilton remodeling to open his combination fruit stand/pottery shop on West Main, there's talk of a brand-new Goodyear Store... Understand Phil Kendrick will open a music store on the East Side of the Square soon. It all adds up: good.

EVERYBODY HAPPY to see Mr. and Mrs. Charles Robertson back and healthy, running their White Elephant Restaurant, where Veterans will be Kings next Tuesday (Vet's Day). Charles will coffee for free every vet, and that's a thoughtful gesture, we might all do well to copy in these days of draft-card burning and protest by minorities. Majorities favor the American Way.

MRS. JOE STEPHEN was one of many who called to our attention that Trick or Treaters in Eastland have never been nicer, more polite, and frankly more fun. Hopefully, gone are the days of lawn chairs in the trees, and dump trucks in the lake. Little folks just round up a lot of goodies nowadays... The Flag Flower Bed at the Post Office is beautiful. Set back by the June hail, the flowers are now in a profusion of color.

ALL EASTLANDER'S thoughts with Police Chief Ray Laney, who underwent surgery in Abilene Tuesday. The veteran lawman is a beloved citizen and a pillar of respect for all folks, young and old. Hurry and get well, Chief; we miss you.

A SURVEY of the 90 employees at Aztec Mobile Homes indicates that hometowns are from throughout this area.

IF THE male image around your house is edgy this week, it's a good guess he's a hunter, and you know that Saturday is "D" Day. Really now, how many times do deer rifles have to be sighted in? Among the

YOUTH TO SEE FILM -- 'THE RESTLESS ONES'

The Cisco Baptist Association Youth Rally will be held at 7 p.m. Saturday, Nov. 8, at the First Baptist Church in Eastland.

All students of junior high and high schools and colleges are invited to attend. The film "The Restless Ones," considered the most successful motion picture yet produced by Evangelist Billy Graham, will be shown. The Rev. Horton Bre-

wer, host pastor, said there will be no admission charge, but an offering will be taken.

With the accent on youth, this feature-length film deals imaginatively and dramatically with the teen-age crisis. With a background setting provided by the 1963 Billy Graham Los Angeles Crusade, & artfully woven into the story pattern, "The Restless Ones," is a hard-hitting, bold approach to our social problems.

Miss Davenport To Be Buried In Thursday Rites

Miss Julia Elizabeth Davenport, 61, died 6 p.m. Tuesday, Oct. 4, at Western Manor Nursing Home in Ranger, where she had lived for six months.

Funeral services will be held Thursday (today) at 2 p.m. at Arrington-Hammer Funeral Home Chapel with Rev. R. G. Flagg, pastor of Holy Episcopal Church, officiating. Burial will be in Eastland Cemetery.

Miss Davenport was born March 25, 1908, and a longtime resident of Eastland before moving to Fort Worth. She was employed as a bookkeeper. She was a member of Holy Episcopal Church.

Survivors include two sisters, Mrs. Holly Crutcher of Beaumont, and Mrs. Maud Sutton of Almagorda, N. M.; one brother, Ben Davenport of Dallas. Also surviving, cousin, Pete Tindall, and a number of nieces and nephews.

Mrs. Foster, 83, Buried Flatwood In Saturday Rites

Funeral for Mrs. Minnie Lee Foster, 83, was held at 2 p.m. Saturday at the Arrington Funeral Chapel.

Burial was in the Flatwood Cemetery.

Mrs. Foster died about 6 p.m. Thursday in Odessa, following an apparent heart attack. She had lived in Odessa since 1952.

She was born February 12, 1886 in Gallup, Tennessee, and married John D. Foster, January 11, 1904 in Eastland. She was a member of the Odessa Church of Christ.

Survivors include two sons, Carl C. of Dallas and Hatten E. of Mobile, Alabama, one daughter, Mrs. Boyce C. Hooper of Odessa; two brothers, R. C. Reese of Irving and G. B. Reese of Winnsboro; nine grandchildren and eight great-grandchildren.

All-District HS Band To Be Named Saturday

Between 180 and 200 front line band students from 13 high schools will gather in Cisco Saturday for a West Central Texas all-district Band program to end with a public concert by a 100-piece band selected from among them.

Lynn Low, Cisco band director and host to the gathering—preliminary to the all-region contest in Brownwood on December 12 and 13—said that tryouts will begin at 9 a.m. Saturday in the high school auditorium. Directors of the schools represented will be the

public and Mr. Low urged Cisco people to attend. The Cisco Band Boosters Club will serve a spaghetti supper at the High School Cafeteria 5 p.m. to 7 p.m. for which tickets will be \$1. The tickets may be obtained from Tom Autry, Don Johnston, Ed Clark or Mr. Low at the high school.

Schools sending band students to the program are Cisco, Eastland, Ranger, Breckenridge, Clyde, Cross Plains, Brownwood, Comanche, Stephenville, De Leon, Dublin, Granbury and Hico.

Rehearsals by the selected band will begin at 1 p.m. and continue until 5 p.m.

Three guest directors will direct the program which will consist of six numbers, including "The Star-Spangled Banner"; "Batale"; Themes from "Louvre"; Themes from "Dr. Zhivago"; "Old Comrades March" and Standard of St. George March.

The visiting directors will be Dr. Curtis Owen of Tarleton State College; Greg Berry of Howard Payne and Phil Presslar of Ranger Junior College. The concert will be free to

Carbon Faces Olden Friday In Key 6-Man Duel

The Carbon Wolverines and the Olden Hornets, both with identical 1-1 records in District 7-B, meet tonight, 7:30 p.m. in Carbon. Both teams won their first district game before being defeated by powerful Strawn.

The winner of tonight's game will be in the running for the district title. If Carbon can defeat Strawn tomorrow night then it would be possible for the district to wind up in a three-way tie for first place.

Last Friday night Strawn edged Carbon 20-18. Dale Jackson scored for the Wolverines on runs of 4 yds and 20 yds, and Doug Bryant caught a 30 yd touchdown pass from Bobby Carlton.

Scoring for Strawn were Larry Gilliland on a 40 yard pass play, Jimmy Lynn on an 11 yd run, and Mike Loyd on a 32 yd run. Strawn won the game on two extra point conversions by Steve Nunez.

Wolverine End Donald Hughes was injured in the first quarter, and will be out for the entire season. Hughes also served as place kicker, so his loss will be a hard blow to the Wolverines.

CRUSADE: Band Stand

By FERN
Hi, Band Fans! Gee whiz, haven't we been having some great halftime performances? Well, this week the band is going to really strut their

stuff. They will be presenting the Band Sweetheart and the Football Sweetheart at the half-time show of the Cisco-Eastland yearly "knock 'em, sock 'em" football game in Maverick Stadium. Now, these band kids have been practicing for a long time to give you another flawless performance. So, all you people be sure and watch for your kid out there this week. And there just may be another surprise for you before the game starts. I advise you to get there early and be ready for the "show" of the year from the Mighty Marching Maverick Band as well as a great "show" from our own Big Red Maverick Football Team.

Jennifer Pryor Is Shower Honoree

Miss Jennifer Pryor, bride-elect of Don T. Wilson, was honored with a bridal shower Saturday in the home of Mrs. M. G. Key. Co-hostesses were Mes. Pat Miller, Frank Hightower, E. J. Turner, Ruth Smith, S. G. McCullough, E. E. McAlister, Grafton Peak Darwin Miller, Andy Taylor, O. D. Phillips, H. W. Sims, Milton Day, Wells Dalton, Willard Griffin, and Key.

Guests were received by the honoree, her mother, Mrs. Ray Pryor; her grandmother, Mrs. Ernest Jones and Mrs. Ethel Pryor; the mother of the prospective groom, Mrs. J. T. Wilson; and Mes. Key and Hightower.

Miss Sherry Jo Herridge registered guests. Serving cake and spiced tea were Mrs. Randy Rogers and Mrs. John Wilson.

The bride-elect's chosen colors of green and gold were carried out in the decorations. The table was laid with moss green covered by eury lace and centered with an arrangement of yellow spider mums and yellow pom-poms. Appointments were of silver and crystal. Cake squares were white decorated with gold flowers and green leaves.

Guests called between 7:30 and 9 p.m.

In case you are wondering why our band director, Paul Wallace, is such a giant among men, take a good look at the tower that was erected for him to use in directing our kids to perfection.

Sat. at Cisco, our kids will be attending the District Band Contest, so we will be looking forward to bringing home more honors for EHS.

Next week on "Crusade-Band Stand" I will be telling you all about the work of the reed section and how it manages to stand alone. So be sure and look for us to hear about your kid. Bye row.

First Lady Greets Poster Child

Mrs. Richard M. Nixon, honorary chairman of Muscular Dystrophy Associations of America, gives a warm reception to MDA's ambassador-at-large, national poster child Holly Schmidt. The little girl from Saginaw, Michigan—whose clinch charm captivated the First Lady, as it does everybody who meets her—represents the tens of thousands of children doomed, like her, to increasing disability by the progressive, crippling disorders of the neuromuscular system. MDA is seeking the medical solution for these disorders through its worldwide research program, financed by contributions to the March Against Muscular Dystrophy.

PRAIRIE DOG MOTHER—This picture of a mother prairie dog nursing her young was made at dog-town, McKinzie Park, Lubbock, writes Ocie Hunt of Sweetwater, to whom we are indebted for permission to publish it. It was made from an actual "sitting" he wrote, "and I can't help but think that many of your subscribers will appreciate it." The picture was Mr. Hunt's way of thanking the newspapers for carrying articles about his activities in collecting spectacles for Eyes for the Needy, Inc.

\$5 Million Peanut Crop For County Is Forecast

A projection of figures from the harvest of the current peanut crop—now about 35 per cent completed—indicate a cash inflow to the area for between \$4.5 and \$5 million dollars from this source, county agricultural leaders said this week.

The estimate is based upon a premise that the dry, sunny weather of the week-end would continue. Late October rains have set the harvest tempo about two weeks behind, but despite the fact that the cold wave and showers caught a large number of acres plowed up and the vines on the ground, damage to the nuts is not expected to be heavy.

The rains darkened the hay and made it unfit for cattle, but this is causing little concern because feed supplies are good and the vines will be returned to the soil as badly needed fertilizer.

County Agent DeMarquis Gordon, who made an extensive field check over the week end reported that the yield would be spotted. Numbers of farms, he said, will produce very little. The lack is due largely to the work of the lesser cornstalk borer, which has been the most damaging factor in the dark side of the picture.

In that year the average

jumped from about 25 bushels per acre due to increased irrigation and improved crop practices. That level of production seems likely to continue, Gordon said.

Even so, he reported, the yield so far appears to be averaging about 40 bushels per acre, which would nearly equate this year's crop with the 1966 yield, considering the increase in acreage involved. The 1966 average was 41.9 bushels.

The 1969 county acreage in peanuts is 33,000.

If the corn borer damage had not been present Gordon suggested that the 1969 yield would be one of the heaviest in history.

Some of the plowed up peanuts were beginning to show mold but with continued open weather, turning them and letting them dry enough to thresh will minimize the drop-off losses, Gordon said.

Grades of peanuts so far harvested have been uniformly high, he said, some lots rating as high as 75. If the harvest can be speeded up and the nuts taken before a "limb crop" develops too many immature nuts, this grade should continue good.

Income to the county from the 1968 crop was \$5.5 million, highest ever. The year before the yield was only average, with an overall production of 31 bushels per acre, but the 1969 crop with its almost 42-bushels per acre returned what was until then the highest peanut income to the area.

In that year the average jumped from about 25 bushels per acre due to increased irrigation and improved crop practices. That level of production seems likely to continue, Gordon said.

However, in some instances dry land growing has proved even more profitable in net return than irrigation, Gordon said. He cited an instance in the Desdemona area where one farm produced an average of more than 100 bushels on a five acre plot which he fertilized and intensively cultivated.

The County pecan crop is poor in quantity, if not in quality. Over the state as a whole the yield is forecast at 33 million pounds about half the yield of the previous year. Prices appear to be starting well, with a reported 36 cents being paid for early natives, and a retail price of 75c quoted in some stores.

FIRST SEALS—Mrs. Jeanette Arther, representative Director of the North Texas Tuberculosis and Respiratory Disease Association, accepts the first sheet of the 1969 Christmas Seals for Eastland County from William N. Garrison, President of the Association. Eastland County residents will begin receiving their Christmas seals this week. The seals support the services of the Mobile X-Ray unit, soon to pay another visit to Ranger, Eastland and Cisco.

INDUSTRIALIZATION TEAMS GETS REQUEST FOR DEMONSTRATION

Compliment, did you say? Quite!

The Eastland Industrial Training Team has been invited to perform for the benefit of the board of directors of the North Carolina Industrialization Board.

And they're going to some day soon, but as of late, they've been so busy performing in earnest that they've had no time for trial runs.

It was a letter-perfect trial run for the Texas Industrial Commission that gained the invitation by one of its members who has since moved to the Tarheel State and is setting up a similar state group there. He was so impressed with the Eastland men's performance that he called recently for permission to bring his board here to see the group perform.

Maybe later, but right now, the performances are for real here.

OUT THEY GO!

HURRY...they'll move fast at these LOW PRICES!

"LUNCH WAGON WILL BE THERE SO COME TO SPEND THE DAY"

But Would It Save Money?

Reports that petitions were being circulated in Eastland County to ask for an election on the proposition of abolishing the county superintendent's office prompted this newspaper to seek information as to the possible savings.

The county superintendent's office has a total of eight persons on its staff with a large payroll. Besides the superintendent, there are 3 supervisors who work with several schools of the county, a county librarian, and others. None of the money that goes into the salaries of these people is paid by Eastland County. It comes from the Texas Education Agency.

If the county superintendent's office were abolished by vote, the duties and salaries of the office would continue. The County School Board could pay the county judge a salary of \$2,600 plus an expense allowance of \$1,050. In addition, the board could allow the judge the sum of \$2,600 for an assistant. Any difference between the above allowances and the superintendent's salary would not be turned over to the schools but retained by the State. The state would continue to pay the supervisors and others.

It is quite possible that a savings in this type of educational services could be effected under a reorganization program at the state level. Counties that have sufficient school population (and Eastland County has some 3,000) probably would do well to continue under the present set up until something is done on a statewide basis. Certainly, the people will know that the duties of the office will be carried out by experienced school teachers and administrators.

Investigation convinces us that counties with as many students as ours would do well to continue under the present plan until the state legislature gets around to working out something better. It goes without saying that our schools as a whole have been making good progress, and the county program has contributed to this situation.

County Gold Star Winners Are Named At 4-H Awards Banquet

Patsy Moseley and Bobby Lee were named Gold Star girl and boy Saturday night at the annual Eastland County 4-H awards banquet. The Gold Star awards are given annually to the most outstanding 4-H boy and girl in the county and is the highest award given in the county.

Forty-three other 4-H members were presented awards at the banquet which was held at Cisco Junior College dining hall.

Patsy, a senior at Olden High School, is the daughter of Mr. and Mrs. Pat Moseley.

She is president of the Olden 4-H Club where she has been a member for eight years.

Among her outstanding achievements are state winner of the Natural Resource Demonstration contest, first place at the county Foods Show and first alternate at the 1969 District 4-H Foods Show.

She serves as a junior leader working with younger members in foods, clothing, and land evaluation. Patsy conducted a white rat-feeding study as a self determined project in foods and nutri-

tion and has had projects in safety, fire prevention, swine, photography, recreation and gardening.

Bobby, a junior in Cisco High School, is the son of Mr. and Mrs. Jimmy Lee. During his seven years of 4-H work, he has had sheep, beef steers, beef heifers, swine, leadership, and horses as 4-H projects. He has served as 4-H county council chairman in addition to holding offices in his local 4-H club and Junior leader association. Bobby was a member of the county 4-H livestock judging team which placed first in the district contest and twelfth in the state contest this year.

Income Forms on Vets, Widows Asked Returned

All veterans and widows of veterans who are receiving veteran's pensions, received income questionnaires in the November check envelopes.

County Service Officer James T. Wright said the forms should be completed and returned as quickly as possible. Deadline for returning is Jan. 31.

For help, he said, in completing the forms, residents should contact the assistant service officer in each town. These men are E. L. Jackson in Cisco, A. H. Powell in Ranger, John Nunnally in Rising Star and Joe Mahaffey in Gorman.

Wright said, "Everyone who received the questionnaire is urged to contact the assistant service officer in his town and have the form filled out locally and returned."

Thursday Club To Observe Children's Week

IT HAS BEEN

By Vada Arnold

Before there was a vagrancy law, there were many men of the road. Tramps by name, familiarly known as hobos, these men made their way from town to town, cleaning their living from knocking on doors and asking for a bite to eat. Many times their requests brought forth tales of misery, hard luck and woe. If refused a bite to eat, occasionally a tramp became very nasty and poured out threats and profane language.

If a home chanced to be located near a railroad, great was the outpouring of free loaders, for tramps followed the tracks, sleeping under railroad trestles, in dry creek beds or ravines. If perchance they could beg coffee from a housewife along the route, snatch eggs from a nearby henhouse and potatoes from a field or garden a feast would be cooked on an open fire, in tin cans, usually under a bridge, and fellow tramps gathered for food and gab fest.

One family in particular who lived more than a mile from the city limits and only two hundreds yards from a railroad track were constantly harassed by tramps.

There was the youthful, athletic type young fellow who called out "Hello" from the front gate of this family, early one Spring morning. Luckily the man of the house had not gone to work. On answering the hello and observing the caller he was asked what he wanted? "Only a bite to eat, Sir, I haven't had a bite to eat for days", was the reply. The quick witted householder ask if the tramp would be willing to cut wood for his meal he readily answered "Oh I would eat any kind of an old biscuit for a bite of

wood." This remark brought forth giggles from three wide-eyed kids peeping around papa's legs. The young man cut quite a pile of wood. Then he went into the comfortable kitchen and was fed enough food for three men. When he had finished breakfast he was handed a lunch packed in a shoebox to be taken on the road for a later meal. With a smile of appreciation the young tramp, woodcutter and eater, vanished into the woods near the tracks, never to be seen or heard of again.

One Sunday at noon time the family came home from church riding in a surry with fringe on top, in a downpour of rain. Papa drove up to the edge of the front porch, so the wife and children could step from the Surry onto the dry front porch. There on the porch next to the front door sat two husky men. As the family climbed from the Surry the men got to their feet and politely asked if they might have something to eat and lodging until the rain ceased. They were promised a good meal if they would hop into the Surry and go to the buggy shed and help papa unhitch the two horses and feed them. The men eagerly complied. Soon they were in the warm parlor and dinner was announced. A wonderful meal was before these two hungry men. Chicken pie, steaming turnips, sweet potatoes, beans hot cornbread and hot biscuits, coffee and milk. Topped off with apple cobbler.

As the family and guests of the road were seated papa ask if one of the men would return thanks. A bit confused, they each "begged to be excused". As usual papa gave thanks and the meal got under way. Never have men eaten so heartily. "Pass the biscuits" was the slogan of the dinner, mama could not keep the plate filled with biscuits and to avoid passing the plate so often it was placed at the edge of the table between the tramps. Biscuits disappeared like snowballs in August. Nothing escaped the all seeing eyes of the three kids, as they watched, they saw two and three biscuits at a time being sneaked from the plate into the coat pockets of the eaters. Each time one of the men slid a biscuit into his pocket he was seized with a convulsive coughing spell. But he did not fool the youngsters, they suspected at once that he was trying to distract attention from the biscuit deal.

About an hour after noon the clouds disappeared and the sun came out and off went the filled tramps to parts unknown.

There was a pudgy old man, a real Santa Claus type, who only wanted a bite to eat and a pallet on the front porch for the night. The man told tall tales of friends, family, his wealth and his relations with Jessie James and the Dalton boys. After a night and breakfast next morning he decided he would stay another day and wait for a check from his home town bank. The check never came. The old man stayed one entire week always promising that he would send his dear family a check when he went back home. On Saturday morning he told them to leave. When he didn't move on he had the surprise of his life, a visit from the Sheriff and a trip to jail.

At another time when all three kids were out of school with Mamas and mama was home along with sick children with no telephone and no near neighbors a rap was heard on the front door when the door was opened there stood a tall, heavily build dark complexioned man with long black hair falling over his shoulders, and wearing filthy,

rugged clothing and a dirty blood stained rag tied around his forehead. He asked for food and a drink of water. He was told of the three sick kids and that there had been no real food prepared that day, but he could go to the back yard cistern and drink all he wanted to. At the mention of no food Mr. tramp planted himself on the door step and in a voice that would frighten a dead man he ordered food to be cooked and served or else.

Kind providence stopped the show just in time when two neighbor men came by in a wagon to borrow a plow. They immediately sensed the situation, man-handled the tramp and took him to town and turned him over to the sheriff.

A frightened woman and three children lived to tell the story.
