ABOUT Eastland

By VIRGIL E. MOORE

We had an editor once who had a sure fire way of stirring up reader interest in his paper every time things got to dragging a bit. All our old ed would do is simply drop a hint in his column that pro-wets were circulating a petition to call a beer election.

That always seemed to do the trick. For the next month or so he would have plenty to write about as citizens who voted the dry ticket got stirred up and wet voters got their hopes up.

Now we are even trying to work our old editor's favorite trick. But there has been talk on the subject. In fact, we suppose talk never has stopped since about 1938 or 39 when we understand the county voted to go dry after it was legal in 1937 and 1938 to sell beer and wine.

The last election on the question in Eastland County came in 1948 and the dries won the election by almost two to one majority, showing the growing resentment in this area against the sale of beer. In that election not a single one of the 27 precincts voted in favor of the sale of beer. Eastland, Ranger, and Cisco boxes joined the dry parade for the first time in years, having previously been known as wet boxes. The vote in Eastland was 715 for beer and 870 against. Ranger voters were against the sale by a vote of 860 to 517 and Cisco voters said no to the tune of 1120 against and 699 for. The total vote on the issue was 4333 against and 2571 for.

The last beer election before the 1948 voting was a lot closer. That was in 1940 when the county voted to go dry by a scant margin of only 118 votes. In that election the total vote was 2662 dry and 2544 wet. We may note here that in that election Eastland, Ranger and Cisco all voted wet. Eastland voters, in fact, favored the sale of beer by a total of 683 for and 445 against.

Now before anyone starts organizing pro or con let us point out that there hasn't been any serious talk about the subject that we have heard. We just thought that digging out the old records might be interesting. Tradition has it in Eastland County that folks in the south part of the county always vote dry and those in the north always vote wet. Probably the reason for that is that as Yankers are nearer to Breckenridge and Strawn than the folks in the south part of the county.

Now we haven't done anything above but discuss a situation which gets discussed daily around our fair city, on the street corners, in homes and in churches. But you just watch

Local VFW Members To Attend Meeting

The 37th Annual Encampment of the Department of Texas, Veterans of Foreign Wars of the US, will convene in San Angelo on Friday morning, June 21, and a number of Eastland veterans are

Dairy Meeting Set for Ranger Tuesday, June 25

A meeting of dairy farmers which has been described by County Agent J. M. Cooper as one of the most important to be held in Eastland County in some time, is scheduled for Ranger next Tuesday night, June 25, at the Community Clubhouse, beginning at 7:30.

Dr. C. M. Patterson, Extension Service Veterinarian of Texas, A. & M., will discuss Brucellosis control.

Cooper said this was one of the most serious things confronting dairymen and there were no may-be's about it, orders have already been issued that Brucellosis must be cleared by 1958 or dairy herds affected with the disease will be closed down.

Longest Day of Year Tomorrow; Summer Begins

Tomorrow, Friday, June 21, is the longest day of the year and the official beginning of Summer, in case that means anything to anybody.

At any rate, after tomorrow everybody will be going down hill again as the days get shorter and shorter and fall gets nearer and nearer.

It is believed, however, that all parties concerned will be safe if they leave their winter clothes in storage for a few more days as the first nother is not expected right this minute, anyway.

Farmers Warned Peanut Bag Ruling

New regulations concerning the type of bags farmers may use in marketing the 1957 peanut crop were announced today by the U.S. Agricultural Stabilization and Conservation Committee.

In previous years, the Commodity Credit Corporation has encountered losses and difficulties from the use of old, odd size, and type bags in the southwest area in carrying out the price support program on peanuts, Chairman E. E. Blackwell of County ASC Committee wrote.

This resulted in waste and loss from torn bags, problems in handling and stacking peanuts in the warehouse, and difficulty in meeting sanitation requirements of Pure Food and Drug Administration, Blackwell said.

"These problems originate with individual growers when they use old, dirty and odd size bags," Blackwell said. "For this reason,

BE SURE—See Don Pierson Olds - Cadillac Eastland Quality Cars at Volume Prices

expected to be on hand. Delegates and members from the more than 400 posts and units of the Ladies Auxiliary will be in attendance.

At a joint meeting of VFW and its Ladies Auxiliary on Friday morning the Honorable William H. Francis, Jr., Assistant Secretary of Defense will be the featured speaker.

Other distinguished guests will include Omar B. Ketchum, Director of the Legislative and Rehabilitation services of the VFW; Julian Dickerson, The Adjutant General; Mrs. Beth Kveton, National President of the Ladies Auxiliary; E. H. (Babe) Meeks, National Extension Director and Ted C. Connell, National Chief of Staff. Of the five National officers to be present four are Texans. They are Dickerson, Meeks, Connell and Mrs. Kveton.

In addition to the normal business (Continued on Page 6)

The Eastland County Commissioners Court will meet today and Friday as a board of equalization. Any taxpayer feeling his taxes are out of line with levies in the county can appear before the board.

A noon luncheon meeting of the Eastland Chamber of Commerce Board of Directors is scheduled for Thursday at the White Elephant restaurant.

Regular meeting of the County Commissioners Court is set for Monday.

A special Highway 80 meeting will be held Thursday, June 27 at 1:30 p.m. in the county courtroom. The meeting will be tape recorded and the recording will be sent to Austin for review. It will concern proposed new routes around Eastland, Ranger and Cisco.

Golf Tournament Gets Underway Here Friday

With prospects for the largest field ever, the Lakeside Country Club's seventh annual invitational golf tournament will get underway in the morning with a pro-am tourney.

All golfers who will compete for medalist honor must qualify Friday, and all qualifying will end tomorrow afternoon. A barbecue will be held Friday night at the club and pairings will be announced. Extra barbecue tickets are still available.

Actual tourney play will begin Saturday morning and winners of all flights will be decided in finals Sunday. From early indications some 100 golfers will participate and as many as six flights may be needed to work in all golfers. Linksters from Fort Worth, Abilene, Ranger, Cisco, Breckenridge and about a dozen other Texas cities have expressed interest in this year's tourney.

The tournament will be a match play event in all flights. All flights

will have 18-hole competition and \$1000 in golf prizes will be awarded.

Last year's champion was Darrell Tully of Corpus Christi. Tully holds the Lakeside course of

Women's Tourny Winners At Club Are Announced

Winners of the one-day women's golf tournament held Saturday at the Lakeside Country Club were announced today by Mrs. Jack Chamberlain Sr., president of the women's auxiliary.

In the 18-hole flight Alice Wash won low gross honors and Louise Loudermilk won low net awards. Tommie Joyce Cummings was runner-up for low gross and Nellie Wilson was runner-up for low net. Tillie Smith won the low putting contest and Dorothy Roach and Sara Gordon were runner-ups.

Four Year Old Morton Valley Girl Run Over

Little 4-year-old Palma Jean Williamson of Morton Valley was released by Ranger General Hospital Wednesday afternoon following an accident at her home in which her grandfather, R. J. Holmes, ran over her with a pickup truck loaded with lumber.

The child's grandmother, Mrs. Holmes, said the accident took place in the yard area around their home where the sand was very deep, and Palma Jean evidently sank into it like a cushion when the truck passed over her, and that fact apparently saved her life.

Energy Film Is Shown Lions Club

A film on the use of atomic and solar energy for peaceful purposes was shown to Eastland Lions Tuesday.

Showing the film was Larry Kinard, program chairman. The film showed developments in both fields, but concluded that use of both atomic and solar energy widely is still in the future because of excessive costs of producing both.

Car Crashes With Train Near Gorman

Driver Of Auto In Serious Condition

GORMAN—A Waco man is in serious condition today following an automobile train crash on the outskirts of Gorman Tuesday.

Injured in the accident was Harold A. Fitterman, Gorman Hospital attendants described his condition as serious. He suffered head and

back injuries in the crash. Investigating officers said the car driven by Fitterman approached the Katy railroad crossing just after a train blocked the track. They said the Fitterman automobile crashed into the side of the moving train, dragging the car some 30 feet down the side track.

Onlookers rushed to the scene and at first believed the Waco man to be dead. He was rushed to the Gorman hospital, however.

Witnesses said Fitterman apparently didn't see the train in time or was going so fast to stop. Officers did not estimate how fast the car or the train were going when the accident occurred.

Fitterman's car was a complete loss. Pieces of the car were left all along the track where it was dragged.

The accident was the second crash between trains and motor vehicles in the county recently. At Ranger about two weeks ago a city-owned truck ran into the side of a T&P train in a similar accident. The driver of the truck escaped serious injury.

Highway May be Lifeline Time Says Industry To Follow New Roads

What Highway 80 may mean to Eastland when it is expanded into a super highway may have been outlined in a story in Time magazine this week. The story, in part, is printed below:

The Government's vast, 16-year highway-building program, which will lace the U.S. with a 41,000-mile interstate network of super-highways, plus thousands of miles of state and local roads, will work far-reaching changes in the nation's economic and social life, Time says in the current (June 24) issue.

In its cover story featuring the construction industry's greatest challenge, The weekly newsmagazine reports that the road program will be the largest public-works project in U.S. history. The interstate network will reach into every corner of the U.S.—75 per cent of it over new routes—to link 42 state capitals and 90 per cent of all cities with more than 50,000 population. It will carry a fifth of the nation's traffic, provide vital defense routes in case of war. The \$100 billion cost will be nearly 300 times the expense of building the Panama Canal.

The superhighways, says Time, will have a profound effect on the world's most mobile people. "One out of every seven Americans earns his living in some phase of highway travel; 80 percent drive to work; 85 per cent take their vacations and pleasure trips by auto. . . . The new roads will ease present traffic congestion, be able to accommodate the 90 million vehicles that are expected to speed over U. S. roads by 1972." With fewer curves, no cross-roads and a wide center strip, the

Farmer Victim Of Fire

RISING STAR — The burned body of a Rising Star farmer was discovered by his wife Wednesday near his blazing tractor. Killed when his tractor somehow caught fire was J. B. Caudle, about 50, prominent Amity community resident.

Mr. Caudle's wife went to investigate when he did not come home for lunch. She found his body lying in front of his farming tractor, his clothing burned from his body. The field in which he had been plowing was about half a mile from his home near the Comanche highway about five miles east of Rising Star.

Deadline For Fun Club Set For Saturday

Saturday at 11 a. m. will be the deadline for signing up for YMCA Fun Clubs, Charles Marshall, director, said today.

Marshall said he would be at the swimming pool from 9 until 11 a. m. daily through Saturday.

Cost of proposed clubs will be 50c for tennis, 50c for swimming and \$3 for skiing for Y members and \$6 for non-members. These three and anything else which demand (at least eight members will be needed) justify will be offered. There will be two sessions weekly of skiing.

Driver Of Auto In Serious Condition

GORMAN—A Waco man is in serious condition today following an automobile train crash on the outskirts of Gorman Tuesday.

Jimmy Martin To Participate In Greenbelt Game

All - District and All - Area halfback, Jimmy Martin, has been selected to play in the 8th Annual Greenbelt All-Star game to be played in Childress August 16.

Jimmy was also on the second All-State team, and plays offense only. Highly recommended by Coach Carroll Shelton, Jimmy was selected from over 100 graduating seniors, representing 49 schools in Texas and Oklahoma, nominated by their coaches. Jimmy will be coached in the game by G. R. Gillstrap, coach at Arlington State College. Gillstrap will coach the 24 star players selected for the "East" team.

Martin will report to Childress on Aug. 11 to begin a week of conditioning and will practice before the big Friday night event. In addition to game practice he will participate in the election of the Greenbelt Bowl Queen and will be a guest of the city during the week.

Little League Play Tonight On Hot Side

ADD BAIRD TROPHY TO WINNINGS—Members of the Eastland County Sheriff's Posse, undisputedly the top prize-winning riding club in the state of Texas, added another first place trophy to their case in the Eastland County courthouse lobby Wednesday. This time the Posse brought home first prize from the Baird rodeo parade. Also riding in the parade were the Eastland County Posses—Anns and the Rising Star Riders Club (third place winners.) The riders, with their big Texas-style hats, grey western shirts, blue jeans and western ties, were a favorite of the crowd as well as the judges. Their fancy riding during the parade was a big hit. The Posse has brought home trophies from the last 10 parades they have ridden in, having won first place in such big events as the Fort Worth Stock Show parade, the Texas Cowboy Reunion parade and the Coleman rodeo parade. (Staff Photo)

Shoot the Boy — Don't Embarrass Our Secretary of State

A decision by Judge Joseph C. McGarraghy, of a federal district court in Washington, has now barred (temporarily) U. S. authorities from turning GI William S. Girard over to Japan for trial on man-slaughter charges.

The Government of the United States promptly filed formal notice of appeal and will take the case to the Supreme Court with all possible speed, by-passing several other Appeals Courts enroute.

Secretary of State Dulles has urged immediate action by the Supreme Court because Judge McGarraghy's decision has caused "great embarrassment" to the United States.

In other words, let's hurry up and turn Girard over to the Japanese and let them shoot him, if necessary, because we must cease to embarrass our Secretary of State. What the heck? It's only a boy's life, and what is that compared to John Foster Dulles having to undergo all this embarrassment?

Yes, by all means, let's just shoot him now and get it over with.

If John Foster Dulles wants to get out of his embarrassment he will take steps to repeal the entire Status of Forces Agreement. There are American boys with the Armed Forces in at least 60 foreign countries and not a single boy is there by choice. He was jerked up by this country and sent there and he had no voice in the matter at all.

But regardless of all that, they are STILL American citizens, and are entitled to the protection of the laws of this country. No matter how many different arguments the Secretary of State may put up, he still can't deny the fact that a native - born American boy is an American Citizen entitled to every right that John Foster Dulles is.

Wonder what Dulles would be doing if this was his son, instead of Girard, the son of a widow woman?

Itching Torture PROMPTLY RELIEVED

A doctor's formula—soothing anti-septic Zemo—promptly relieves the itching, burning of Skin Rash, Eczema, Psoriasis, Ringworm and Athlete's Foot. Zemo stops scratching and so aids healing of irritated skin.

COLD SUFFERERS

Let 'er Rain—
... just what we need! But rains may bring destruction also like floods, washouts and automobile accidents. Speaking of auto accidents the latest 1956 statistics reveal that the human error (not the car) was responsible for 96.4 per cent of all fatalities—40,000 of them. Men were drivers in 89.7 per cent of the cases. Week-ends, lead by Saturdays, are the most dangerous, killing 56 per cent. Youthful drivers caused only 25 per cent of the accidents—all others 75 per cent—with the daydreamer listed as the No. 1 headache for department of safety officials.

LOOK WHO'S NEW

Mr. and Mrs. John Whatley of Fort Worth are the parents of a daughter, Jan Colleen born June 17th at 1:30 a.m. in St. Joseph's Hospital. The baby weighed eight pounds and two ounces. Mr. and Mrs. A. W. White of Cisco are the maternal grandparents and Mr. and Mrs. J. C. Whatley are the paternal grandparents.

Moore About—

(Continued from Page 1)

friend. We'll get at least 20 letters in the next few days for printing something that is already common talk. We would guess, from past performances, that the first irate letter we will get will be from our Mother. But that's just the price of this racket!

Mrs. Jake Kveton of Lake Jackson wrote us a letter this week complaining about not receiving her Telegram.

"I enjoyed reading your column so much that I renewed my subscription to your paper (which you abruptly stopped sending me without notice that my subscription had run out) while I was home for the glorious homecoming last weekend," she wrote. She went on to say that after arriving home she noticed her receipt had been marked up as paid to 6-9-57, the very day she paid for a year. Said she knew all Eastlanders were honest so she didn't worry about it, until she didn't get her paper all the next week.

We will tell you for sure you will get those papers regularly from now on Mrs. Kveton. We certainly have few enough admirers that we don't care to lose one. But please, don't tell Norman Wright over at Ranger about all this as you threatened to. Surely no honest ex-Eastland student would turn the Eastland editor over to that Ranger crackpot crusader.

That's all the ink we can spare today. See you next time.

Little League ---

(Continued from Page One)

went ahead 4-3 on the strength of runs for Jodie Cooper and Tommy Beck. But the Lions got the tying run in the sixth on an error to throw the game into overtime. Bubba Hunter and Howie, starting pitchers, had to leave the mound because of the six-inning pitching rule, and Wilson replaced Hunter while Manuel Herrera got the call for the Comets. The rest of the story came as the Lions pounded out two hits to drive home five runs.

The Bulldog-Medic game was almost as thrilling. The Medics got their winning run in the fifth inning to make Terry Treadwell the winner. Jim Moylan was charged with the loss.

The Dogs scared five runs in the first inning, four in the fourth, and two in the fifth, but the Medics got three in the first, six in the second and three in the fifth to win.

Too Many Fish Bad For Ponds Experts Warn

AUSTIN, — Most owners of farm and ranch ponds do themselves more harm than good in overstocking their places with fish, is the warning of the hatchery superintendent of the Texas Game and Fish Commission. A dozen of these men, meeting in Austin to work out plans for handling an overflow of requests for fish, say they will do everything possible to restock as many places as they can this year.

"Cooperation on the part of the property owners, however, can make the job a great deal more successful," one of the superintendents said. "Nearly everyone wants a heavier planting than is justified in their impoundments."

"We have learned through years of experience that ponds can be overstocked and as a result the fish do not grow as rapidly as they should. Then the owner comes back for more fish to put into an already overcrowded pond."

The hatchery men pointed out that some owners will misrepresent the size of their tanks or ponds to get many more fish than are needed. This year, with so

many impoundments refilled by the continuous rains, it will be impossible to meet all demands unless requests are within reason, the hatchery men say.

"When making application for fish the owner should attempt to give us accurate information as to area," the superintendents said. "If they tell us the tank covers 40 acres and it only covers 10 acres, they have done themselves and everyone else harm."

Recent visitors in the home of Mr. and Mrs. Pat Crawford were Mr. and Mrs. Pat Crawford Jr. and son, Mark, of Sweetwater, Mr. and Mrs. Wid Crawford and daughters, Karen and Kathryn of College Station.

Also Mrs. Crawford's aunt and uncle were visitors in the Crawford home, Mrs. Nora Kimbell, Miss Tennie Phillips, and Claude Phillips of Colton, Calif. Mrs. Crawford's mother, Mrs. Wid Phillips of Burkburnett and Mr. and Mrs. Bas Gist of Necona and Mr. and Mrs. Don Day of Houston, who are cousins of Mrs. Crawford were also visitors. They all attended the Eastland Homecoming and then went to Burkburnett for Fifth Celebration.

Christian Science Church Of Air Series To Begin

A nationwide Christian Science program entitled, "Our Birthright of Ever-present Good," will be broadcast by the CBS Radio "Church of the Air" series on Sunday, June 23rd.

Originating from Minneapolis, Minnesota, the program will be heard at different times in the various time zones. The speaker will be Mr. Herman A. Petzold, Committee on Publication for Minnesota. A quartet and soloists will supply the music.

This program may be heard locally on Sunday, June 23, at 10:30 p.m., on Station KWFT (620 kc.).

HOME AGAIN

Mr. and Mrs. Eugene Green and Karen have returned home from a trip to California where they visited in the home of Elmer Green, brother of Eugene Green, for San Anna, Calif.

Church Reception Held On Tuesday

Over one hundred guests attended an all church reception held Tuesday evening in the beautiful yard of Mr. and Mrs. James Horton, honoring Rev. and Mrs. Richard Smith and family, pastor of the First Methodist Church.

It was reported that controversial groups enjoyed special seating arrangements on the candlelight lawn.

A beautiful Silver Serving Tray was presented to Rev. and Mrs. Smith by Mrs. W. A. Martin.

Refreshments were served from beautifully decorated tables on the candlelight patio. Presiding at the punch bowls were Mrs. M. H. Perry and Mrs. H. E. White assisted by Mrs. W. F. Davenport, Cyrus Frost Sr., H. L. Hassell and Cecil Collings. Cake was served by Mrs. Ronald Burton and Mrs. Henry VanGeem, assisted by Mrs. W. A. Martin, O. M. White R. E. Sikes and T. M. Johnson.

Episcopal Church Holds Picnic Sun.

At the Holy Trinity Episcopal Church communion services will be held Sunday at 11 a.m. Rev. Walter Burkhardt will hold the services.

On the same evening at 6:30 the church will have a picnic in the City Park. Rev. Don Clark, District secretary, from Saint Matthew Cathedral of Dallas will be here for the picnic.

Hardin - Simmons Cowboy Band Hits Rodeo Trail

ABILENE, — The Hardin-Simmons University Cowboy Band, famous for its western performances, will hit the rodeo trail this week as it begins playing for shows throughout West Texas this summer.

Marion B. McClure, director of the band, will take the Cowboy musicians to Baird Tuesday and Wednesday for the Callahan County Sheriff's Posse show.

The band will play for a three-day show Thursday, Friday and Saturday at Seymour. An old settlers reunion will be on tab in Seymour as well as the rodeo performances.

The Cowboys began summer rehearsals Monday morning. McClure said 16 freshman musicians have joined the band for first rehearsal sessions.

A highlight of the summer rodeo season in West Texas, of course, is the Texas Cowboy Reunion in Stamford. That show is held over the July 4 holidays.

McClure, who has carried the band to Europe and over all the 48 states, estimates that if all the rodeos the Cowboy Band has played since its organization in 1923 were put together, it would take five years playing one a day to complete the total number of performances.

The Cowboy Band got its start in rodeo performances at the Stamford Reunion. Will Rogers, the world-famous cowboy humorist of the roaring twenties and depression thirties, attended the Stamford show in the early twenties and heard the newly-organized Cowboy Band.

He walked over to the band stand after the show and said: "Here is a hundred dollars. Go and buy yourselves some music."

The band did go and buy itself some music. It went on to play in every major rodeo in the country including Madison Square Garden in New York.

Will Rogers didn't know that his \$100 bill would send the band to so many places. McClure says now that "the band will never forget the confidence that hundred-dollar-bill expressed in our young and struggling organization at that time."

46-Year Eastland Rain Chart

The Drouth Is Broken!

After seven long years of drouth our city and county have experienced a series of unprecedented rains, which have filled stock tanks, Lake Leon and other area lakes. Now our farmers can again look forward to making a crop, and our businessmen can expect better times. As a matter of public interest, this 46-year rain chart, showing total precipitation from 1911 through May is published.

TOTAL PRECIPITATION
From Official Records of Weather Bureau

Year	Jan.	Feb.	Mar.	Apr.	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.	Total

Carbon FHA Has Summer Camp
Carbon F. H. A. sponsored by Mrs. Nell Rainey held camp at Lake Cisco Friday and Saturday, June 14 and 15.
The girls carried food and a bedroll from home and set-up housekeeping in "Cabin 4" which had been reserved for the occasion. Household duties were performed in systematic order with each girl participating in a rotating routine.
The girls chose their own form of amusement by dividing into small groups some swimming while others played miniature golf and went skating.
Early Saturday morning everyone went hiking to explore the small caves nearby and walk through the dam. The kinds of trees and shrubs were discussed, especially "Poison Ivy". Pictures were taken by some of the girls.
Two of the mothers furnished transportation to and from the Lake. The mothers were Mrs. John Laster and Mrs. Dean Collins.
The sunburned group unwillingly returned home Saturday afternoon. But under the supervision of their sponsor, Mrs. Rainey, the group returned so they could attend church the next morning.

ON THE RIVIERA

Seen on the Cote d'Azur, this pretty Mediterranean miss wears a very French cotton playsuit, styled by Vincent. Exemplifying the manner in which cotton has captivated fashion leaders of the international set, the outfit is in vivid red and white checks, trimmed with what the designer calls black "croquet" braid.

SOCIAL CALENDAR

Thursday, June 20
7:30 p.m.—The Past Matrons Associations of the order of the Eastern Star will meet in the home of Mrs. T. L. Amis. All members are invited to attend the meeting which will consist of the initiation and installation of the new officers. Mrs. Dave Fiensy will preside.

Wednesday, June 26
12 a.m.—Civic League and Garden Club will hold their first luncheon in the Women's Club. All women in the county are invited. If you wish to attend, a game period will be held before noon.
12 a. m.—Fifty Year Pioneer Club will meet in the home of Mrs. W. A. Martin 1103 South Seam for a luncheon.

Helps Heal And Clear Itchy Skin Rash!

Zemo, a doctor's antiseptic, promptly relieves itching, stops scratching and so helps heal and clear surface rashes. Buy Extra Strength Zemo for stubborn cases!

Time Says ---

(Continued from Page One)

super system is expected to save 3,500 lives annually, reduce accident costs by \$725 million, save commercial operators another \$825 million by cutting delay, fuel waste, tire and brake wear. Motorist will be able to drive from Los Angeles to New York over federal network without passing a single traffic light or intersection.

New Businesses
Burgeoning highways will start new businesses along their routes; new plants worth \$150 million

have gone up along Massachusetts' six-year-old Route 128, and the recently completed New York State Thruway has already attracted dozens of industries. New towns will grow up around the geometric cloverleaves, and commuters will be able to drive long distances to work at a mile a minute. Highway motels, now growing at the rate of 3,000 a year, will multiply even faster to serve additional millions of Americans who will take the open road.

ATTEND THE CHURCH OF YOUR CHOICE EACH SUNDAY

Card of Thanks

We wish to express our deep appreciation for every act of love and kindness shown us during the illness and loss of our mother. The children of Mrs. Mark Williamson.

BEEN VISITING

Mrs. Virgil Moore, Ricky and Trippy spent a week with her mother, Mrs. A. A. Wills in Denton. On Saturday Virgil Moore joined his family and they returned home Sunday.

Egg Prices Are Due To Improve

College Station.—Egg production in Texas has dropped only slightly during recent months while total production in the nation was up by two percent. Too, points out Extension Economist John G. McHaney, stored holdings for all kinds of eggs on April 30 were greater than on the same date a year ago.

Cold storage holdings on April 1, 1957 were below the five-year average with the exception of shell eggs which were 8.6 percent above the average. But, points out McHaney, 88.9 percent more shell eggs were in storage in April 1957 than a year ago.

The outlook for improved prices in the months ahead is good, says the economist. Commercial hatchery output of egg-type chicks in Texas for the first four months of 1957 was 23 percent below the output for 1956. In the nation, the drop was 21 percent for the same period and eggs in incubators on May 1 numbered 7 percent fewer than a year ago.

Based on this background, McHaney says, it is reasonable to expect a decrease in production with a corresponding increase in price. Prices, he adds, should be much stronger during the latter part of 1957 and the first four months of 1958.

Because of economic stress in the broiler industry, many cases of hatching eggs for broiler purposes may be switched into the channels of trade. This would increase the supply of market eggs and could influence future prices. The extent to which this may happen will depend upon the demand for broiler hatching eggs. Currently, broiler hatchings and placements in the nation are running ahead of the 1956 figures, says McHaney.

Mr. and Mrs. A. C. Simmons were here for the homecoming. Their home is now in Fort Worth. They also attended the First Baptist Church while here.

I GIVE YOU TEXAS

By **BOYCE HOUSE**

When I worked on the old Fort Worth Record, one of the paper's photographers was Kayo. No doubt, he had initials or a first name but that's all anybody called him.

Kayo had been a news photographer in Mexico during turbulent times and once took a picture of Pancho Villa. The outlaw thief (or revolutionary—depending on your point of view) had ordered that no pictures be made of him. Kayo was seized and it looked pretty serious but he agreed to destroy the plate, which he did, and he was released. Only, he destroyed another plate and got the real one back to the United States.

Elwood Lloyd, with whom I worked on the Memphis Commercial Appeal, was a world traveler. Among his journalistic achievements was an interview with Father Dutton, successor to Father Damien on the leper island, Molokai.

General Frazier was a desk man on the Commercial Appeal. His title was not military but political—in Tennessee a district attorney is called an attorney general. He was a practicing attorney for years and once defended a man on a charge of having shot four persons to death at one time—got him cleared, too.

Bob Talley, representing the Memphis News-Scimitar, was my rival on the police run. He was in the back seat of a police car with an insane prisoner who suddenly began choking the driver. The other officer fired across Talley, wounding the prisoner and powder-burning Talley's shirt. (Incidentally, the newspaper's business office disallowed a new shirt on his expense account.) Interesting people, newspaper folks.

When you were a child, did you ever hear the expression, "If you can't talk, shake a bush"?

And why is an auctioneer at-

ways called "Colonel", never just "Mister"?

Mrs. Edgar Dollohitte, former Joy Lynne Robinson (Bob Ponder Photo)

Miss Joy Lynne Robinson, Edgar Owen Dollohitte Are Married Here

Miss Joy Lynne Robinson became the bride of Edgar Owen Dollohitte of Houston in the First Baptist Church in Eastland on Friday, June 14 at 8 p.m.

Mr. and Mrs. W. C. Robinson, 3211 Willow Brook Dr., of Waco are the parents of the bride, Mrs. S. D. Dollohitte and the late Rev. Samuel David Dollohitte of Marlin are the parents of the bridegroom.

Dr. Melvin Rathel of Trinity Baptist Church of Lubbock officiated for the services before a background of two floor baskets of white gladioli, with white tapers in candelabra backed by palms. Places for the bride's and bridegroom's families were marked by white satin bows.

Miss Helen Taylor of Eastland gave the wedding music and accompanied Dr. Evell, pastor of the Baylor University, as he sang "O Promise Me" and "Wedding Prayer."

The bride was escorted down the aisle by William Henry Frasher of Gainesville and was given in marriage by her father, W. C. Robinson.

She wore an exquisite bridal white imported chantilly lace and silk clout taffeta gown. The gown was fashioned with an empire bodice of the lovely lace crushed taffeta cummerbund, and the lace modified portrait neckline was edged with lace roses encrusted with pearls, and opalescent beads. Long lace sleeves tapered to petal points over her hands. The beautiful skirt of taffeta was defined with graceful lace panels over the entire skirt, and floating taffeta panels, drifted over the formal length train.

Imported illusion was caught onto a scalloped matching lace crown, sprinkled with pearls, and opalescent beads, cascading to misty tiers beyond her finger tips.

The bride carried a Bible topped with white orchid and stepanotis and showers of white velvet Maiden Hair fern and pearls.

Miss Carolyn Heath, cousin of the bride, of Cleburne, attended the bride as maid of honor. Bridesmaid was Miss Elaine Branum of Monroeville, Ala. They wore bouffant pink crystalline dresses and pink sequined mitts and half veils. Each carried a bouquet of pink carnations.

Laura Lee Page, daughter of Mr. and Mrs. Bill Page of Abilene, was the flower girl. She dressed in full pale pink dress.

Mark Frasher, son of Mr. and Mrs. W. H. Frasher of Gainesville, was the ring bearer.

Lighting the candles was Neil Van Geem. Ushers were Neil Van Geem and Stanley Blevins.

Sam Dollohitte of Marlin, brother of the groom, served as best man.

The mother of the bride was dressed in beige lace and wore a brown Cymbidium. The bridegroom's mother was dressed in navy chiffon and wore a pink Cymbidium.

Reception which was given by the bride's parents followed the wedding ceremony at the Woman's Club. The bride's table was laid with embroidered organdy cloth and centered with white daisies in wedding ring with silver candelabra and white tapers. Tiered wedding cake was decorated with pale pink roses topped with white wedding bells.

Those helping with the reception were Mrs. James Horton, H. C. Heath of Cleburne, A. J. Blevins, Henry Van Geem, and Leo Stambough.

The girls assisting in the house party were Doris Lynn Bounds, Jeanne Pittman, Toni Horton, Rebecca Graham, and Judy Blevins.

Music was furnished through the reception by Alice Cushman, Helen Taylor, Julia Lynn Inzer and Betty Westfall.

After the reception the couple left for a wedding trip to La. and Miss. The couple will make their home in Corpus Christi.

The bride is a graduate of Eastland High School and Baylor University. The groom attended North Texas State College and Baylor University. He is employed as a special agent for an insurance company.

Out of town guest were Mrs. J. C. Raiford of Memphis, Tenn., Mrs. Bob Bomor of Dallas, Mrs. Ervin Bomor of Gainesville, Mr. Lewis Alvin Bomor of Gainesville, Mr. and Mrs. Garland Button of Waco, Bill and Bob Button of Waco and Miss Betty Button. of Waco. Mr. and Mrs. E. B. Harris Clifton, Miss Cynthia Harris of Clifton, Mrs. Edgar Currie of Waco.

Swimming Pool At Lueders Camp Officially Opens

The new \$20,000 swimming pool at Lueders Baptist Encampment grounds on the Clear Fork of the Brazos River was officially opened on Rally Day for District 17 Monday.

This all-day event for the families of Baptists of the district and representatives from 37 churches of the 12 counties in the district. The 177 persons was considered good attendance in view of the rains.

Rev. E. S. James, editor of the Baptist Standard, spoke on "What Baptists are Trying to Do," using Scriptures from Acts: 28.

Dr. Lindell Harris of the Bible department of Hardin-Simmons University, gave Bible expositions from the book of 1 John and on the Holy Spirit.

Rev. Byron Bryant, pastor of the First Baptist Church at Breckenridge and president of the Lueders Baptist Encampment, was in charge of the opening of the swimming pool.

Rev. Dewitt Chandler, pastor at Clyde, reviewed progress of the pool, telling how the dream became a reality. Rev. Henry Littleton, camp manager, opened the gate and Rev. L. L. Trott of Abilene, district missions secretary, offered the dedicatory prayer.

Intermediate Royal Ambassadors camp opened Monday and will continue through Thursday noon. Rev. B. L. Davis, pastor of the

Miss Nancy Sue Currie of Waco, Mrs. L. A. Hooker, Fay and Barbara of Cisco, Mr. and Mrs. Sam Dollohitte of Marlin, Miss Betty Dollohitte of Houston and Mr. and Mrs. H. C. Heath of Cleburne.

Mrs. and Mrs. Bill Page of Abilene, Mr. Lewis Hall Cleburne, Mr. and Mrs. Lee Robinson of Denton, Mrs. P. Wilshire of Denton, Miss Sharon Wilshire of Denton and Mr. and Mrs. C. Cutshall of Fort Worth.

MODEL 1079G

EXCLUSIVE SERVEL FEATURES:

- 10 year guarantee on freezing system — twice as long as any other.
- Always silent — uses tiny economical gas flame instead of noisy motors.
- Trouble-free. No moving parts, nothing to wear out — or cause expense.

makes ICE WITHOUT TRAYS

Completely automatic. Replaces ice-circles, as you use them! You're never out of ice.
