**FREED** — The Very Rev. Harold W. Rigney, a Catholic priest from Chicago, Ill., leaves border bridge in Hongkong with an unidentified Red Cross official after he was released by Communist Chinese Friday. Father Rigney had been sentenced to 10 years in prison for "bribing" Chinese government personnel and for "spying." When released, the priest had served four years and one month of his sentence. ## Freed American Greeted By Wife

HONG KONG, Sept. 17 —UP— Lawrence Robert Buol, an American civilian pilot, joyously held his wife in his arms Saturday and told of five harrowing years that ended with his release from a Red Chinese prison.

The 43-year-old Ferroni had to be carried across the border. Dressed in a brown cape and with slippers tied to his sockless feet, the emaciated bishop was dejected and was rushed to St. Theresa Hospital.

## Reds Offer Base Back To Finns

MOSCOW, Sept. 17 —UP— Premier N. A. Bulganin, apparently recovered from his cold, Saturday offered to return the Soviet-held naval base at Porkkala to its Finnish owners more than 41 years ahead of time.

A foreign office spokesman said Kekkonen told Finnish Premier U. K. Kekkonen Russia "finds it possible...to eliminate the naval base and withdraw its troops from this territory."

The Russians also offered to renew their 1948 friendship treaty with Finland, which is due to expire "soon," the spokesman said. The spokesman told a hastily assembled news conference that Kekkonen assured Bulganin the Soviet offer "has filled our hearts and those of the Finnish people with joy."

"There could be no better proof of the good-neighboring relations between the Soviet Union and Finland than the fact that the Soviet Union considers it possible to give up its lease on the Porkkala naval base ahead of time," the Finnish premier said.

Rigney said Saturday he had confessed to the Chinese, but was not actually a spy. He also said he believes China does not want war.

Buol's pretty wife, Sue, was waiting for him at Sheungshui police station when he drove up in a police van. She ran down the five steps and into his arms.

He was speechless with emotion. "Gee, he looks just wonderful," she cried.

They kissed with but little urging from photographers.

Buol in a statement thanked "each and everyone, large and small, who contributed to our amelioration of conditions and all those responsible for my release."

## Nixon Promises 'Bold' Action On Farm Problem

WARASH, Ind., Sept. 17 —UP— Vice President Richard M. Nixon Saturday promised "bold imaginative" government action to halt sagging farm income and spike Democratic charges President Eisenhower has broken his pledges to the farmers.

Nixon swung hard in defense of administration's embattled farm policies as the troubles of the farmer boiled up into the biggest issue of the 1956 general election campaign.

Even as he spoke, farmers in Iowa called non-partisan meetings to demand the resignation of Secretary of Agriculture Ezra T. Benson. And the Democrats scheduled a huddle in Chicago Monday to map new strategy on the issue.

Nixon, the administration's top trouble-shooter, jumped into the controversy with a major speech at the National Plowing contest here.

Nixon Blames Truman He blamed Truman administration policies for the sag in prices.

He outlined this five-point administration program for dealing with the price-income crisis:

1. Continuation of the controversial flexible price support system. Many Democrats favor return of the old rigid, 90 per cent of parity support formula.

2. "A bold imaginative program" to develop new domestic and foreign markets.

3. Increased research to reduce farm costs and increased use of agricultural products.

4. Continuation of soil conservation and similar programs.

5. A program of rural development to aid marginal farmers.

Promises Mergent Action Nixon also said the Agriculture (See NIXON, Page 3)

Other indictment charges are as follows: three second offenses for driving while intoxicated; George Haynes, Jr., 34 of Pampa; Alfred L. Miller, 45, Lefors, and Orris Lee Wedge, Skellytown.

Charged with swindling with worthless checks over \$59 are: Weldon Moore Dewey, 27, Wichita; Kins, Opal Stewart, 38, Amarillo; and Lee C. Ingram, charged with forgery in passing; Buford L. Reeves, 34, Midland; and Leroy Lamb, 36, Charles Ray Smith of Oklahoma City, now in the Hutchinson County jail, is charged with forgery.

tion policies for the sag in prices. declared the administration's flexible price support program is "basically sound," and insisted Mr. Eisenhower still stands by his 1952 campaign statement that farmers are entitled to full, 100 per cent parity in the market place.

Parity is a standard calculated to give the farmer a fair return on his crops in relation to the things he must buy.

Nixon conceded the farmers are caught in a price-cost squeeze but declared firmly that "there is no farm depression" as some Democrats have charged.

Grand Jury Report to the Honorable District Judge of Gray County, Texas:

We, your Grand Jury for the County of Gray, State of Texas for the June, 1955, term of the District Court of Gray County, Texas, respectfully submit our report as follows:

Our term extends from June 13, 1955, to September 26, 1955. During our term, we have been in session seven days. Prior to this report, we have returned into this Honorable Court sixteen True Bills and we return herewith nineteen True Bills, making a total of thirty-five indictments; we return here, with one No Bill and we report that we have passed two cases without action.

During our term, we have diligently inquired into and made investigations of conditions generally over the county and in this connection, we report that we find no evidence of any organized crime whatsoever. Further in this connection, we take this opportunity to commend the Sheriff of Gray County and his department for the excellent manner in which they are carrying out the duties of law enforcement. We also commend the Chief of Police and his department for their good services to the citizens of Pampa. We also wish to commend our District Attorney for his diligent work in carrying out the duties of his office and for his splendid cooperation with the Grand Jury.

We also wish to report that we have inquired into traffic conditions in the City of Pampa and we find that the growth of the city is causing the traffic problem to become more acute. We feel, however, that (See JURY, Page 3)

ROSEVILLE, Calif. — UP — Authorities are looking for a man who reversed the old adage that a dog is man's best friend. He broke into the Roseville city pound and released about a dozen dogs.

## Buenos Aires Blockaded By Argentine Navy Ships

BUENOS AIRES, Sept. 17 — UP — The government announced Saturday night loyal army troops supported by artillery and warplanes have recaptured the center rebel strongholds.

A government communique said rebel forces in the provincial capital northwest of Buenos Aires were fleeing toward the higher northern suburbs.

An earlier government radio broadcast said forces loyal to President Juan D. Peron were marching on Bahia Blanca, the big southern grain port, 350 miles southwest of Buenos Aires, which is the other main city seized by the rebels Friday.

The broadcast said the government troops marching toward Bahia Blanca were "nearing their objective."

According to the government radio "absolute tranquility reigns throughout the country except for Cordoba and Bahia Blanca where loyal troops are attacking the only two rebel centers remaining."

However, light rebel naval craft have clamped a blockade on Buenos Aires. The rebel navy was reported to have ordered all its warships to "converge on Buenos Aires" for what may be a desperate attempt to snatch victory from the local forces.

The government communique said "the position of the insurgents is weakened by the desertion of many men" to the loyal forces in the vicinity of Cordoba.

Cordoba is in central Argentina 400 miles northwest of Buenos Aires. It is Argentina's third largest city with a population of 352,000.

There were no official figures, but informed sources estimated 300 persons were killed and 1,000 wounded in the first 24 hours of the revolt.

Three small warships appeared off the waterfront shortly before noon, and a short time later naval sources in Montevideo said they had been notified by rebel Rear Adm. Isaac Rojas that the Argentine capital and other ports in Buenos Aires province were being blockaded.

The blockade delayed the sailing of the U.S. freighter Seaford, which had been preparing to leave Montevideo for Buenos Aires across the Plate Estuary.

Gen. Franklin Lucero's "repression command" announced, however, that rebel resistance in the provinces had been reduced to two key points, the big southern grain port of Bahia Blanca and the inland provincial capital of Cordoba, where the insurgents have set up a military junta government.

A communique issued by Lucero's headquarters said strong government columns are closing in on both the rebel-held cities. The government also said that two rebel strongholds had surrendered. They were the naval base of Rio Santiago, 45 miles south of the Capital, and the small army base of Curuzú Cutia, more than 500 miles to the north-east.

## Group Asks For Redress Of Rights

WASHINGTON, Sept. 17 —UP— Americans from all walks of life Saturday exercised their constitutional privilege, cited abuses of the Bill of Rights, and asked a congressional subcommittee for redress.

On this 158th anniversary of the signing of the Constitution, the group told the subcommittee some rights guaranteed by the Constitution are being abused by Congress itself, by executive agencies of the government, and by local governments.

A Negro urged that constitutional rights are being "ruthlessly denied to Negro citizens; a newspaperman said executive departments have withheld information of vital national concern; and a churchman said the House Un-American Activities committee has abused the rights of "many a citizen" before it.

Under the domed roof of the old Supreme Court chamber — which has housed the Senate as well as the high court — the citizens who included a lawyer, teacher, veteran, (See GROUP, Page 3)

A special talent scout from the Heidt show will attend the auditions to select three outstanding performers. Participants must be at least 14 years of age and no more than four may enter in a group.

### AMERICAN

(Continued From Page One) as the only way to win his release.

The Food Improved Buol said he lost about 20 pounds during captivity on a diet of rice and vegetables but gained back 10 pounds last month with an improved diet.

Told that Rickett had praised his Communist captors and wanted to return to China as a guest, Buol said he was flabbergasted. "I cannot believe it," he said. "How can any person in his right mind want to go back there?"

In contrast, Bishop Ferroni, a Franciscan, could only ramble. The bearded churchman now weighed only 70 pounds after losing 80 pounds in five years of captivity.

Father Manion, an Irish Franciscan who rode with Ferroni to the hospital, said he muttered, "You can't change my ideas," and spoke about lights and loudspeakers, apparently a reference to Communist "re-education" techniques.

Spent 3 Years in Solitary As other priests pieced together his story, Ferroni was arrested in February, 1951, and spent three years in solitary confinement. For three months he was handcuffed. Manion said the bishop was a victim of brainwashing but "still is of sound mind though his wits are scattered."

He added emphatically: "Rest assured you'll not get the drive from him you got from Rickett." Father Rigney, who was arrested in July, 1951, was retrained by an overnight rest at the Divine Word mission and a telephone call with his mother, Addie, in Chicago, when he told a news conference that he finally confessed to charges of "spying" to get it over with. "But," said the 55-year-old priest, "I am not a spy."

### Wanda Prater Goes To Elks' Hospital

Wanda Jean Prater, six-year-old daughter of Mr. and Mrs. Verne Prater of Skellytown, is enrolled in the Elks Crippled Children's Hospital at Ottine today where she will receive treatments for the next three months. A victim of polio at the age of three, Wanda Jean will be given treatments for three month periods until she is able to walk normally. She now wears a brace on her right leg, left useless by the disease.

The little girl is the first crippled child from the Pampa area to be sent to the Elks hospital for treatment. She was taken to Ottine early Saturday in an automobile furnished by Pursley Motor Co. Pampa Elks Joe Tooley and John B. White made the trip to Ottine to enroll the girl.

The hospital at Ottine is financed by gifts from Elks Lodges throughout Texas and from their friends. Children are admitted to the hospital through the various Elks Lodges in Texas. The patients do not have to be members of an Elks' family.

The hospital is handling about 80 cases this year by rotating the patients from home to hospital. They stay at the hospital three months, return home for three months and then back to the hospital until the treatment reaches a satisfaction completion.

## JURY

(Continued from Page One) the City Police are doing the best job possible with the present number of employees who can be used on traffic control. In this connection, we feel that the need justifies additional personnel as traffic patrolmen.

We further find and report that in a large number of cases handled by this body involving young people that the underlying cause of law violation was due to the drinking of intoxicating beverages. We are pleased to learn that the last session of the Legislature of the State of Texas enacted a law dealing with this problem to the tenor following:

"(14) (a). It shall be unlawful for any person under the age of twenty-one (21) years to purchase any alcoholic beverage, and upon conviction thereof shall be fined in a sum of not less than ten dollars (\$10) or more than one Hundred Dollars (\$100). It shall further be unlawful for any person under the age of twenty-one years (21) years to possess, unless two persons under the age of twenty-one (21) years be a bona fide employee, as permitted elsewhere in this Act, on the licensed premises where such alcoholic beverage is possessed, or consume any alcoholic beverage in any public place unless such person under the age of twenty-one (21) years is accompanied by his or her parent, guardian, adult husband or adult wife, or other adult persons whose custody he or she has been committed for the time by some Court, who is actually, visibly and personally present at the time such alcoholic beverage is possessed or consumed by such person under the age of twenty-one (21) years, and upon conviction thereof shall be fined in a sum of not less than Ten Dollars (\$10) or more than One Hundred Dollars (\$100).

We are also encouraged to learn of the enactment of the following law by the last Legislature, to-wit: Section 1. It shall be unlawful for any person or persons to bring or carry into any enclosure, field or stadium, where athletic events, sponsored or participated in by the public schools of this State, are being held, any intoxicating beverage or to have any intoxicating beverage in his possession while in or on said enclosure, field or stadium.

Section 2. Any person or persons violating the provisions of this Act shall be guilty of a misdemeanor and upon conviction shall be fined any sum not less than Twenty-five (\$25) Dollars and not more than Two Hundred (\$200) Dollars. It is also our understanding that any person who contributes to the delinquency of a minor by the furnishing of intoxicating liquors to such minor may be fined not exceeding Five Hundred Dollars (\$500).

We recommend to all law enforcement officers of Gray County a strict enforcement of the above laws and we further call upon all parents of juveniles of this county to lend their full support in dealing with this problem. We wish to report that during our term we visited the jail in Gray County and we find and report that the same is being efficiently handled. We feel, however, that there is a need for adequate facilities in the county jail to better provide for women prisoners and persons of unsound mind who may be in custody.

In attempting to be thorough in our investigations, we called a number of witnesses to appear before the Grand Jury, including those having knowledge of the re-

franchise of the American Society of Newspaper Editors, told how Congress and government agencies have infringed on freedom of the press.

"Transactions not at all touched shrouded in secrecy," Wiggins said. "Those that have involved military security have been concealed beyond a time required by national safety."

Roy Wilkins, executive secretary of the National Association for the Advancement of Colored People, said "denied intimidation" has been used to deny many Negroes their constitutional rights.

## Knife, Fork Club To Hear Dr. Nyaradi

Dr. Nicholas Nyaradi, Knife and Fork Spaker

Dr. Nicholas Nyaradi, whom the Russians condemned to death in Absentia, and who was Minister of Finance of Hungary during the immediate postwar period, will be guest speaker at the first fall meeting of the Top o' Texas Knife and Fork Club Thursday at 7:30 p.m. in the High school cafeteria.

The Honorable Nyaradi spent seven months in Moscow, in contact and conference with Stalin's henchman over a reparations claim the Soviet had unfairly levied on Hungary. Day after day Nyaradi argued against the Soviet ministers, including Molotov; finally the claim was reduced to approximately one-fourth its original amount. Even then, downtrodden Hungary, whom the Russians were attempting to strangle still further, found it difficult to pay.

The Honorable Minister of Finance naturally became very popular with the Russians. A price of death has been placed on his head, and on that of his wife's too, in Absentia.

In this country, the Honorable Doctor continues to fight the Russian encroachment of communism. He has authored articles, revealing Russian plans, for the "Saturday Evening Post", "Fortune" and other leading magazines. He also is the author of the book, "My Ring Side Seat in Moscow", published in 1952.

Doors will be open at 7:10 p.m., and dinner will be served at 7:30 p.m. Deadline for purchase of tickets for this meeting is Wednesday noon, available to members at Clyde's Pharmacy.

Respectfully submitted, Guy C. Andis Foreman of the Grand Jury

### Civil Defense Administration Suggests Survival Tests

By WILLIAM F. SUNDERLAND  
WASHINGTON, Sept. 17—UP—The Civil Defense Administration announced Saturday it has invited 15 of the nation's key "target" cities to participate in a program of drafting and testing survival plans for use in event of an atomic attack.

The FCDA said the selection of the 15 cities is merely a start and they will not be the only cities eligible to participate in the program.

The plans, financed by a \$10 million congressional appropriation, will be drawn up by local officials working with FCDA teams.

Cities named by the administration are: New York, Chicago, Philadelphia, Washington, Boston, Baltimore, Cleveland, Detroit, Milwaukee, St. Louis, Houston, Atlanta, Los Angeles, San Francisco, Denver and New Orleans.

How many cities will be able to undertake survival studies, or how many can be completed with the appropriated funds has not yet been determined, the FCDA said.

Civil Defense Administrator Val Peterson said that "with these studies, we have reached a point in our struggle for civil defense where we can feel we are launching a realistic approach rather than an aspiration to survival under H-bomb attack."

He said the FCDA "will do our utmost to guide and assist the states and cities in the development and formulation of the basic data essential for evacuation planning and the completion of operating plans for the evacuation of persons from urban areas threatened with attack."

"These operating plans," he added, "when co-ordinated by the states and FCDA regional offices, will constitute the basic material necessary for development of a national survival plan."

The main problems to be worked out within each city include evacuation feasibility, shelter capabilities, how many people can remain in the shelters in areas outside that of total destruction, and the on-range problems of caring for evacuees.

### Courts Hear Cases About Segregation

By UNITED PRESS  
A federal court and the State Supreme Court heard two important Texas segregation cases Friday. The federal court ruled against a group of Negroes seeking immediate integration of the Dallas school system.

The Texas Supreme Court heard two hours of arguments for and against the segregation provisions of the state's Gilmer-Alkin school financing laws. It did not render an immediate decision.

Federal Judge William H. Atwell ruled at Dallas that 28 Negro students who filed an injunction suit do not have to be admitted to Dallas white schools immediately. But he suggested that the suit be refiled later—he did not say how soon—after both sides have time to get together and work something out.

The Austin case is the more far-reaching of the two. It is a test case brought against the integrated Big Spring school district and state officials responsible for paying out state aid money for schools.

### Johnson Says Democrat Congress Was The Best

By JOHN GOLDSMITH  
WASHINGTON, Sept. 18—UP—Senate Democratic Leader Lyndon B. Johnson took a new dig at President Roosevelt Saturday with an assertion that the recent Democratic-controlled congressional session did more in less time than his GOP-led predecessor.

The Texas said the recent Congress "did not conduct itself as a rubber stamp" but discharged its constitutional obligations of representing the American people.

"The Senate is responsible to the people of the country and only to the people of the country," he said. "It is not an adjunct of the executive or the judiciary but an independent body elected to represent the will of the people."

People Are Judge  
"There can be only one judge of success or failure, and that is the people themselves."

The remarks were aimed at President Eisenhower's complaint that the recent session — the first of the Democratic controlled 84th Congress — failed to enact a considerable part of his domestic legislative program.

Johnson's views were included in the final version of the Democratic leader's appraisal of the session. The analysis, incorporating a new section entitled "responsibility," was included in a bound summary of the legislative acts of the Congress.

lines indicated in the summary.  
Johnson also commented that "in no case was the Senate floor turned into a political convention or a political ward meeting at a time when the Senate was scheduled to consider legislation."  
"A comparison of this session with the first session of the 83rd Congress illustrates the point. This more bills in about 30 per cent less time; it left fewer measures hanging on the calendar and fewer measures lost in committee files..."

### Oil Firms Silent On Import Cut Decision

By HARRY WILSON SHARPE  
WASHINGTON, Sept. 17—UP—Eighteen major oil import companies grimly kept their silence Saturday on whether they will voluntarily reduce their imports or await government-imposed curbs.

A cut-or-else ultimatum was delivered to them Sept. 13 by Defense Mobilization Director Arthur S. Flemming. He gave them until next Wednesday, Sept. 21, to submit recommendations on what should be done but added bluntly that unless excessive imports were reduced to protect domestic producers, the government would have to act.

"I am addressing a similar let, that unless excessive companies," Flemming told the 18 firms. "I want to be certain that a solution on the basis of voluntary action is not available before any government action is taken."

Import figures supplied by the Independent Petroleum Association of America, representing thousands of American producers, show that crude and refined imports averaged 1.14 million barrels daily June through August and will average 60,000 barrels a day more than that of September through November.

This ranges from 16 to 17.2 per cent of domestic crude and refined products output and is well over the so-called danger line set by President Eisenhower's Cabinet committee last spring that Congress solve the problem. But, instead of approving import quotas, Congress directed Flemming's office to take punitive action whenever imports threaten the maintenance of stable production in this country.

Flemming told the companies, in effect, that this time has arrived. He said that even though domestic crude production has increased more than 5 per cent, imports have jumped 15 per cent and residual fuel imports by 23 per cent. He added that half of the crude and three-quarters of the residual fuel importers had exceeded the committee's ratios.

"It appears inescapable," Flemming said, "that in the absence of individual voluntary action, over and above that already taken, the government will have to take action."

Flemming has two weapons — either import quotas or higher import tariffs. Government officials say earlier or both could cut imports drastically or make them less profitable. Domestic oil and gas producers have complained bitterly over the past few years that cheap foreign oils have preempted their

### Segregationists Seek Test

The Texas Citizens Council—a pro-segregation group — brought the suit contending that state school finance laws forbid payment of state aid to schools which admit both white and Negro students.

Attorney General John Ben Shepperd and Ross Carlton, a Dallas attorney who heads the citizens council, argued that the U.S. Supreme Court ruling forbidding public school segregation did not affect the state school aid laws.

"Legally there is no such animal as an integrated school," in Texas, Shepperd said.

"If the school districts integrate on their own, it would indicate to me they don't care whether they get state funds or not," Shepperd told the court.

The suit was first brought in the district court at Big Spring, where District Judge Charlie Sullivan ruled on Aug. 26 that the segregation provisions of the school

### Laid Groundwork

Assessing what he termed the profitable session, Johnson said: "It was also a session which laid financing laws were unconstitutional, and the State Supreme Court agreed to hold an unusual September session—it usually stays on vacation until October—to consider the case."

Carlton said he would not care to go into "practical effects" of the future, but warned that "actual chaos and insurrection may result in East Texas" from immediate desegregation.

Calling itself "the infant colony," Kentucky sent word to the Continental Congress in Philadelphia, promising aid in the war for independence.

However, 300 Kentucky settlers left only 200 remained, including Daniel Boone's wife Rebecca and 11 other women.

British Governor Henry Hamilton, in Detroit, debated whether to try to win the Kentuckians over, or to invite the Indians against them.

The latter course earned Hamilton his nickname of "Hair Buyer" from the scalps he bought from his redskin allies.

## Germans Need Reunification Negotiations

MOSCOW — UP — East German Deputy Premier Otto Nuschke said Saturday after talking with Soviet leaders that West Germany will have to negotiate with the East Germans on the reunification issue.

Nuschke made the statement, with Soviet backing, on the first day of formal negotiations between Soviet Premier Nikolai Bulganin and a Communist East German delegation headed by Premier Otto Grotewohl.

48th Year

says ago, said he would not negotiate with the East Germans. The East German deputy premier also disclosed:

- (1) Russia and East Germany plan to sign a formal treaty supplanting last year's Soviet declaration handing back "sovereignty" to East Germany.
- (2) Formal establishment of an final result of our work.
- (3) East Germany takes full credit for Russia's promise to release 9,626 German war prisoners. He said the pledge given Adenauer earlier this week was only "the impossible to God."

### Perryton School Buys New Bus

PERRYTON — (Special) — A new activity bus has been purchased by the Perryton schools and was driven to Perryton this week by school custodian Oliver King, who picked up the bus at Kosciusko, Miss.

The bus is an International, with a 66-passenger body, containing seating for 60 passengers. This

number of passengers however, figures the capacity at three persons per seat, so actually the normal seating capacity is 40 persons.

The new bus was bought on state contract through the State Board of Control, in accordance with state policy set for all school boards several years ago. The purchase price was \$5,800.

The Ranger Bus, which has been in operation since 1947, has been sold to the Ranger Club for use in their year-round youth activity program.

### FBI Arrests Theft Suspect

HOUSTON — UP — Richard C. Martin, last of 10 persons wanted as principals or accessories in the \$86,000 robbery of the First National Bank of Jacksonville, Ala., last May, was arrested by FBI agents in Houston Friday night.

"I've been expecting you fellows," Martin said. He put up no resistance.

The bank robbery loot was the largest in history. FBI Agent in Charge George C. Burton said Martin was arrested at the home of a relative of a "female friend," with whom he had traveled extensively since the bank robbery. The couple returned to Houston about a week ago from a trip to Mexico City and Acapulco.

Burton said Martin had a 38-caliber Colt automatic with him but "very little money." He said the U. S. attorney in Birmingham, Ala.,

has recommended that bond of \$75,000 be set and Martin will be taken before a U. S. commissioner Monday for formal setting of the bond.

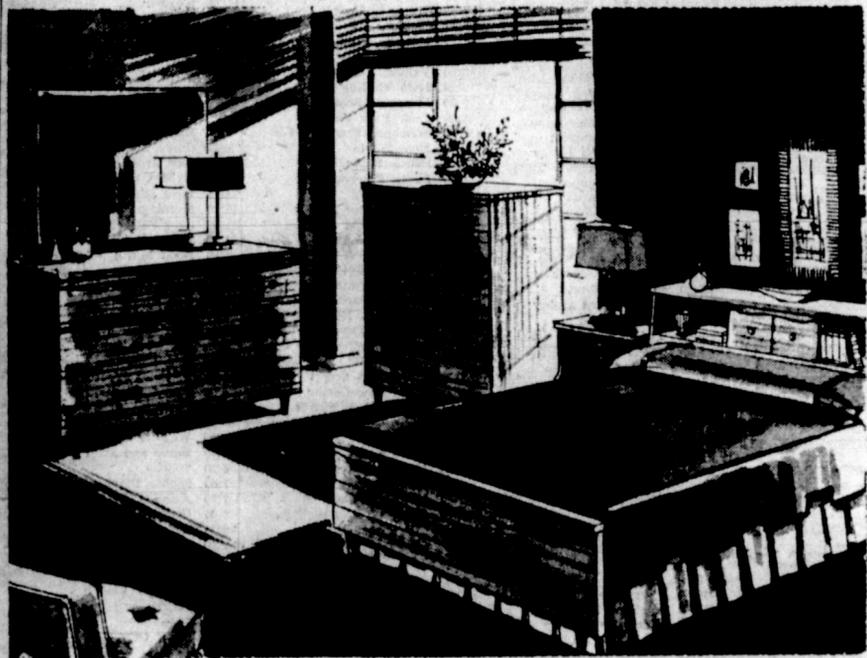

The Alabama bank was robbed by four armed men who went to the home of the assistant vice president and cashier, Jesse N. Wood, where they stayed with his family and threatened to kill them if an alarm were raised.

The other two made Wood drive them to the bank and when the time lock went off made him open the vault. Employees who entered

# Overseer Is Appointed

PERRYTON — (Special) — D. S. Maxwell has been recently appointed county roads overseer by the commissioners court and has been given full authority for maintenance of all county roads.

The county is now operating on a county unit system instead of the precinct system and all county equipment is shared from a common warehouse.

Maxwell has been made responsible for all road work and all employees work under his supervision. He has the authority to hire and fire county employees and is to attend the regular meeting of the commissioners court.

He is to tour the roads in each precinct with each commissioner at least once a month.

The county unit system of road maintenance has proved to be a more efficient and economical method than the precinct method, according to reports from counties which have tried both systems.

## BOOK PATER

By RONALD WATERS  
Pampa News Staff Writer

"Twenty One Texas Short Stories" edited by William Peery, associate professor of English at the University of Texas, is a collection of stories about Texas which have appeared in leading magazines over a span of fifty years.

They are all written by native-born Texans or by people who have lived the greater part of their lives in Texas. As the editor points out in his introduction, he has tried to include stories which are successful by literary standards as good stories, not just because they are stories by Texans about Texas. Some of the best writers of the last fifty years are represented: O. Henry, Katherine Anne Porter, George Sessions Perry, Margaret Cousins, J. Frank Dobie. A brief biographical sketch of the author precedes each story. The principal interests of Texans are represented: cattle, horses, oil, farming, railroads, politics, religion, love, money, and the weather.

Collectively these stories make up an album of Texas life during the more than half-a-century that has seen the open range converted to a modern agricultural and industrial state.

Individually the stories are snapshots of an assortment of real people against the kaleidoscopic background of Texas: a two-fisted preacher determined to appropriate a saloon as a House of God; a bronco buster; a boy whose idol is a coon hunter; an old maid poignantly aware that she is no longer loved or needed; and so on. Of special interest are two stories of the oil industry.

"The Stoic," by Chester T. Crowell, is an early treatment of oil workers (written in 1924), which reflects, though in caricature, some folkways of the Texas of that day. "Windfall" by Winifred Sanford, is an excellent study

of the effect of newly discovered Texas oil on the life of a simple farm woman who looks on the oil with fear that it will be a source of corruption for her children.

"Art and the Bronco," one of O. Henry's reputation usually forty Texas stories re has written, stands on his chronicles of the little man and woman in New York City, although he, himself insisted that they did not depend for their truth or interest on the metropolitan settings. The Texas stories provide a true if sometimes sentimental taste of Texas. "Art and the Bronco" tells the story of a cowboy of the San Saba who painted a huge, lifesized picture of a steer on the plains, complete with mesquite, rattlesnake, and all other symbols of the West.

The story does not depend upon a surprise ending, but it will prove highly enjoyable to present-day lovers of things Texan for its picture of the legislature of early Austin, and of the Boy Artist of the San Saba.

The editor, William Peery is an associate professor of English at the University of Texas. A native of Colorado and a graduate of the College of Wooster (Ohio), he earned M. A. and Ph.D. degrees at the University of North Carolina. He has held teaching positions at North Carolina and Mount Holyoke College before joining the faculty of the University of Texas in 1946. — Mrs. W. G. Waggener.

## Adult Education Group Sets New Classes For Fall Term

The Adult Education discussion groups for the fall provides for nine new groups to be organized, with two now in the formative stage.

Four groups now meeting in Lovett Memorial Library will accept new members for the fall semester.

The Great Books group, now in its second year, is led by John Bradley and meets on the second and fourth Thursdays at 8 p. m. A set of books, selected by the Ford Foundation, is used by participants.

An American Heritage study group meets on the second and fourth Tuesdays of every month at 8 p. m., and is being led by Fred Sloan. The group, now in its third year, uses "Great Men and Great Issues in our American Heritage," a specially prepared series of nine programs by the Ford Foundation.

The class of World Affairs, studies films and leaflets on various countries, and meets on the first and third Thursdays at 8 p. m. Bob Olsen is leading the group which is using "World Affairs are Your Affairs," a new text selected by the foundation.

Advanced Spanish, the largest group, meets every Monday at 7:30 p. m. under the leadership of Walter Stein. Now in its second year, the members are using "El Camino de Real" as a text. Each member presents a different lesson each week, and written tests are usually given. Conversational Spanish is stressed.

Organizing groups to begin classes this week, provided a sufficient number indicate interest, are Beginners Spanish and Beginners Chess. Beginning Spanish will be taught by Mrs. H. H. Hahn, who has completed five years of Spanish in various colleges and earned a B.S. degree from Boston University. Classes are scheduled for 7:30 p. m. every Tuesday. Beginning chess will be conducted for those interested in the fundamentals of the game, or who are long out of practice and need review. Classes will be led by Ronald Waters and Mrs. John Willis on second and fourth Thursdays at 7:30 p. m. Both classes are to be held in Lovett Memorial Library.

Other group subjects to be offered to those interested are: Music Appreciation and Sing Your America, Economic Reasoning, An Introduction to the Humanities, American Heritage and Jeffersonian Heritage.

Two closed groups are an important part of the Adult Education Program: Ways of Mankind, being co-sponsored by the Allegro 20th Century Club, and Parenthood in a Free Nation, co-sponsored by Parent Education Club. These two classes will be offered

## Reds Offer Navy Base To Finns

MOSCOW—UP—Russia offered Saturday to return to Finland the Soviet-operated Navy base at Porkkala, on Finnish territory.

Soviet Premier Nikolai Bulganin made the offer to Finnish Prime Minister Urho Kekkonen, who is in Moscow for talks with Russian leaders.

Bulganin told Kekkonen the Soviet government considers it "possible" to give up the naval installation and "withdraw its troops."

Porkkala, a fortified naval base on the Baltic Sea just south of Helsinki, was leased by Finland to the Soviet Union for 50 years under terms of the Russo-Finnish peace treaty.

Disclosure of the Russian offer was made by a Soviet foreign office spokesman at a hurriedly called news conference Saturday afternoon.

In addition, he said, the Soviets declared they were ready to prolong the 1948 treaty of friendship, mutual assistance and cooperation which is due to expire soon.

Historical Park Established

WASHINGTON—UP—The Interior Department Wednesday formally established the Cumberland Gap National Historical Park—the seventh and largest historical park in the United States. Interior Secretary Douglas McKay signed deeds for lands contributed by three states, Kentucky donated 10,700 acres, Virginia, 7,400 acres, and Tennessee, 2,000 acres.

Red Cross volunteer workers outnumber paid employees 100 to 1, and without them the cost of Red Cross service to the nation would be almost prohibitive.

## Civil Defense Administration Unveils New Bomb Shelters

By ANTHONY DELEONARDIS WASHINGTON, Sept. 17—UP—The Civil Defense Administration Saturday unveiled a series of bomb shelter designs which could save millions of American lives in the event of an enemy atomic attack.

The cost would range from as little as \$500 for a family-size shelter to around \$16,000 for a heavy-duty shelter housing 40 persons.

The FCDA said the proposed shelters give "reasonable assurance of safety" from blast, fire and radiation outside the primary blast

## Ticket Sales Going Good

Advance ticket sales for the six art-films to be presented at the LaNora Theater are going satisfactorily at last report.

To be able to present these film the Pampa Adult Education Board must have \$50 advance tickets sold by Oct. 1. Each ticket is good for six admissions, which can be used to admit as many as six persons to a single show.

Advance season tickets are available at \$3 each from members of the Adult Education classes or from any of the following places: Lovett Memorial Library, Chamber of Commerce, Pampa Furniture Store, or the box office of the LaNora Theater.

Films are scheduled for every third Thursday in the month, beginning with "Romeo and Juliet" set for Oct. 20.

## Yoakum To Play Mixed Ball Teams

YOAKUM, Tex.—UP—School authorities Saturday announced a temporary policy allowing Yoakum's all-white football team to play high schools fielding mixed squads of white and Negro players.

However, the Yoakum school announced that by unanimous action at a meeting Thursday night, it adopted a long-range resolution setting out "that so long as our high schools in Yoakum are operating on a segregated basis, all contracts drawn for sports events in the future (shall) be with segregated schools."

Still a second resolution, also unanimously adopted, pointed out that although the trustees had set up a policy of not participating in sports against integrated teams, "the rules of the Interscholastic League have been so interpreted that to carry out such a policy for the current year would result in destroying our fine athletic program."

Authorities also voted in their first resolution to ask officials of the Texas Interscholastic League to place "the Yoakum high school in a district for the ensuing year where the high schools are segregated."

## Dulles Ends 2 Week Vacation

WASHINGTON—UP—Secretary of State and Mrs. John Foster Dulles returned from a two-week Canadian vacation Friday night. It was Dulles' first long vacation since he became the nation's number one diplomat in 1953.

The cattle pass type shelter, with reinforced concrete surfaces and covered by two feet of earth, is entered through a verticle shaft.

## Special One Costs \$16,000

A special heavy-duty underground shelter capable of withstanding over a pressure of 100 pounds per square inch was designed to give protection to 40 persons. Built of reinforced concrete with a 21-inch thick roof, it is equipped with ventilation and a self-contained generator.

The roof is four feet, seven inches below ground. A sliding door of concrete and steel eight inches thick would be built at ground level. There also is a heavy steel door at the bottom of the steps. The cost would run about \$16,000.

Persons living far enough from target points could utilize the metal or concrete pipe used for passing cattle under highways. This could provide the nominal, practical protection needed at a cost of about \$900.

## Area. It said shelters are feasible closer than 10 miles from explosion of a super bomb but construction costs are sharply increased.

FCDA administrator Val Peterson repeated his grisly warning that a single nuclear bomb would pulverize everything within the primary circle of damage. He said if there is sufficient warning time, critical target cities will be evacuated.

But evacuation is not enough, he declared. He again urged persons living 10 or more miles from presumed targets of enemy bombers to erect bomb shelters.

Shielding against blast, heat and radiological effects outside the ring of total destruction; protecting against radioactive fallout, and providing a chance of survival in event of little or no warning of attack.

The simplest type of shelter providing protection against fallout could be built in a home basement corner. It consists of stacking up sandbags around and over the area to be protected. This is a modified version, FCDA said, of a much sturdier type of basement shelter which would be needed at points close to the blast.

Only One Easily Built

This is the only type of shelter which could be built easily by the homeowner. FCDA advises that professional contractors be used for building the others which call for pouring of reinforced concrete.

For homes without basements, the FCDA suggests a bathroom shelter with reinforced concrete walls. The walls and ceilings would be about eight inches thick. Estimated cost would be \$500.

In "Operation Cue" at the atomic proving grounds in Nevada last May, this type of construction withstood an over-pressure of about five pounds per square inch while the rest of the house was destroyed.

For the fringes of great cities and along evacuation routes, FCDA proposed an underground shelter of reinforced concrete. The roof could be a slab about six inches thick, with about three feet of earth above it. This type could be built for about \$1,100 and shields from four to 10 persons.

When farmers can't buy things for people make," Oliver said, "we know we're in trouble. And we are not only interested in our own people. We are in a terrible economic position and face terrific inflation as a result of installment buying. "We are capable of producing more than we are able to buy." Dudley accused President Eisenhower of being responsible for "another Dixon-Yates deal."

He claimed the President recently raised the import tariff on English-made bicycles despite his avowed opposition to high tariffs, to help the American Machine and Foundry Co.

He said the company is building a \$1.5 million bicycle plant at Little Rock, Ark. He said two personal friends of the President, Moorhead Patterson, chairman of the board of directors of the foundry, and Walter Sedell Smith, vice chairman influenced Mr. Eisenhower's decision.

Oliver said the CIO will be "forced, on the basis of the record of the present Republican administration, to support a Democratic presidential candidate in 1956 if he is like Adlai Stevenson or Truman or Roosevelt." He said the thought of Texas Gov. Allan Shivers' running for President is "fantastic."

"Shivers would have to be nominated first," Oliver said. "He has about as much chance as I have. And I'm not going to try. I hope Shivers has enough sense not to try to get nominated."

## Terror Hits Morocco Again

PARIS—UP—A wave of terrorism swept Morocco in protest against the French delay on a solution to the crisis and the French resident general, Pierre Boyer de Latour du Moulin, hastened to La Tour du Moulin, hastened to Paris Saturday to help overcome an 11th hour obstacle to the peace plan.

The precarious calm which has existed since the bloody August riots which claimed over 2,000 lives in North Africa was shattered Friday. Three persons were killed and 20 wounded in shooting and bombing attacks by terrorists in the protectorate.

Premier Edgar Faure summoned De Latour to sit in on urgent talks aimed at selecting a "council of the throne," to succeed Sultan Sidi Mohammed Ben Moulay Arafah in the first step toward granting home rule to Morocco.

## CIO Leaders Hit Ike's Labor Policy

GALVESTON—UP—Two top CIO officials say the Eisenhower administration has discriminated against the working man, contributed to the "alarming decline" of farm income and shown favoritism to big business.

The officials, Robert Oliver, assistant to CIO President Walter Reuther, and Tilford E. Dudley, assistant director of the CIO Political Action committee in Washington, are attending the 19th annual Texas CIO Council convention.

Oliver charged Friday night the President has shown favoritism toward corporations and cited a 16 per cent increase in corporation profits. He said the President's financial policy has contributed to the "alarming decline" of farm income.

"When farmers can't buy things for people make," Oliver said, "we know we're in trouble. And we are not only interested in our own people. We are in a terrible economic position and face terrific inflation as a result of installment buying. "We are capable of producing more than we are able to buy." Dudley accused President Eisenhower of being responsible for "another Dixon-Yates deal."

# Court Will Rule On Oil Firm's Stock Purchase Plan Soon

By HARRY WILSON SHARPE

WASHINGTON, Sept. 17—UP—The U.S. Circuit Court of Appeals here is expected to rule soon whether the Richfield Oil Corp.'s voluntary stock purchase plan for its employees involves "wages and working conditions" and hence is subject to collective bargaining.

The far-reaching case involves an "incentive" plan set up by the big Los Angeles firm in 1953 for all of its workers, including members of Long Beach Local 128 of the Oil Workers International Union, now the CIO Oil, Chemical and Atomic Workers Union.

The union claimed the plan was a collective bargaining issue and offered an alternative which Richfield rejected. The union then filed an unfair labor practice charge which later was upheld by a split decision of the National Labor Relations Board.

The board ruled that the plan was a part of "wages and working conditions," and on Oct. 18, 1954, ordered the company to bargain on the union's demands.

**Decision Expected This Fall**

The corporation appealed to the court here and oral arguments took place last May 5. The decision is expected as the tribunal swings into its fall term.

The decision could affect scores of industries with similar plans. The Chamber of Commerce of the United States regarded the issue so important that it filed a brief supporting Richfield and arguing that a dangerous landmark had been set for the future of labor-management negotiations.

Richfield announced the plan without prior talks with the union. Under it, employees between the ages of 30 and 65 (60 if a woman) may buy company stock by contributing not less than \$5 a month or not more than 5 per cent of their salaries. The company each month adds an amount equal to 50 to 75 per cent of the employee's contribution. The money then goes to a trustee to buy Richfield stock at the prevailing market price.

Conditions imposed by the company are that any employee who quits receives only shares purchased with his contributions unless he has been employed five years or more. In that event, he also receives company bonus shares. Whether he takes a profit or loss depends on the market value of the shares when employment is terminated.

**Labor Board on Union Side**  
The company contends that the plan is purely voluntary; that it places no demands on the workers, and hence that it does not involve wages and working conditions which make collective bargaining mandatory under the Taft-Hartley act.

The union countered that it affects a worker's earnings. The Labor Board, in effect, took the union's side.

In its appeal Richfield argued that the board's order places union men "on both sides of the bargaining table"—as employees and stockholders. It said this "is a departure

from the policy of the Labor Relations Act so far from its original purpose that the sponsors of the legislation would readily deny that they intended such a result."

It said the order, in effect, makes the act read: "Employers must bargain with labor organizations concerning wages, terms and conditions of employment, and terms and conditions upon which employees may acquire ownership of the employer."

In its brief, the Labor Board said the plan constitutes wages because "distinct monetary value accrues to the employee." It added that since both length of service and rate of pay affect what the employee reaps, the plan "may reasonably be considered part" of his compensation.

**Control Not Affected**  
In answer to Richfield's argument that the order puts the union on both sides of the bargaining table, the board asserted the stock program does not affect in the slightest supervision, control or business policies of Richfield.

"Indeed," it said, "had the company itself seriously thought otherwise, we have no doubt that it never would have proposed the plan. What the plan involves, therefore, is not a divestment of management's prerogatives or ownership but a program for providing a steady and experienced work force and increasing retirement benefits for those who choose to participate."

If the appeals court ruling is adverse, Richfield is expected to carry the case to the Supreme Court.

# U. S. Estimates Flood Damages

WASHINGTON — UP — The government Saturday estimated that hurricane floods last month caused \$187 million industrial damage in six northeastern states.

This preliminary estimate showed Connecticut was hardest hit with 482 industrial firms reporting damages of \$72.5 million. The estimate was made by the business and defense services administration of the Department of Commerce.

The union countered that it affects a worker's earnings. The Labor Board, in effect, took the union's side.

In its appeal Richfield argued that the board's order places union men "on both sides of the bargaining table"—as employees and stockholders. It said this "is a departure

# Oilers Trip Amarillo, 6-2, To Take 3-0 Lead In Series

## Venable Goes Route; Fortin Pounds Pair Of Homers

By BUCK FRANCIS  
Pampa News Sports Editor

Pampa's power-hitting Oilers moved within one game of annexing their second straight West Texas-New Mexico League pennant last night when they downed the Amarillo Gold Sox, 6-2, at Oiler Park to take a 3-0 lead in the championship series.

The two teams will continue their series today at Amarillo. An Oiler win today will wind up the series. Amarillo is faced with having to sweep four in a row to take the league title.

The Oilers will send Tom Pollet to the mound in today's bid to clinch the title. Marshall Bridges is expected to take the mound for the Sox.

In the event of an Amarillo win today, the series will switch back to Oiler Park Monday night. The sixth and seventh games, if the series get that far, will be played in Amarillo.

Jack Venable, Joe Fortin and Curtis Hardaway played leading roles in last night's Oiler win.

Venable went the distance for the Oilers and turned back the Rockers on eight hits—all singles. Fortin pounded a pair of solo homers while Hardaway blasted a three-run homer. It was the eighth homer of the playoffs for Hardaway.

Fortin's first homer opened the scoring in the second inning as the Oilers went ahead, 1-0. Joe's first blast cleared the Coca Cola sign above the scoreboard in left center.

Amarillo then went ahead in the top of the fourth when they put together three hits and a walk for only two runs of the game, all of the damage coming after two outs.

Taft Wright started the inning with an infield hit. Marshall Bridges walked and Tommy Lind beat out an infield hit to load the bases. Catcher Chuck Thomas then blooped one into short center to score Wright and Bridges to give the Sox a 2-1 lead.

Venable was invincible after that as he shut the Sox out on three hits in the remaining distance.

Fortin tied the score in the lower half of the fourth with his second homer of the night. Then successive singles by Paul Halter, Jim Martin and Red Dial accounted for another Oiler run that put the Oilers in front, 3-2.

The Oilers then put the game on ice in the fifth when Hardaway connected for his three-run blast. Rach Slider, who had doubled, and Sonny Tims, who had singled, scored ahead of Hardaway's round-trip blast that cleared the lights in left field.

That ended the scoring for the night. The Sox never got a runner beyond second base after the fourth inning.

The Oilers turned in an errorless game afield with Venable contributing some fielding gems himself. Venable handled five chances without a bobble.

Dave Schleich, who started for the Sox, absorbed the loss. Schleich gave up all six Oiler runs. His successor, Jim Newberry, hurled 3 2-3 innings of shutout ball.

The Sox executed four double plays to cut short other potential Oiler rallies.

Today's game at Amarillo will start at 3 p.m.

## Ring Side Ducats Scarce For Big Fight

By JACK CUDDY  
NEW YORK, Sept. 17—UP—Ticket scalpers complained bitterly Saturday that they couldn't lay their hands on a single good ring-side ticket "at any price" for Tuesday night's Rocky Marciano-Archie Moore heavyweight title fight at Yankee Stadium.

"By good" ring-sides they meant seats within the first 20 rows for the \$2 million extravaganza. Their original sales prices was \$40.

"I've been in business for 31 years," said one prominent broker, "and this is the first time I've been unable to get good tickets for a big fight. It's the same way all over town. There's no scalping price because there's no tickets."

He said the unprecedented shortage was caused by heavy advance orders to the International Boxing Club, and by early demands from friends of everyone connected with the IBC, Madison Square Garden, and the fighters.

Promoter Jim Norris said the sale Saturday had reached \$500,000 and that he expected the gate to approximate \$800,000. That would mean a crowd of at least 50,000. Theatre - Network-Television, Inc. announced that approximately 400,000 spectators in 131 theatres in 92 cities would pay approximately \$1,250,000. There will be no home television.

# TCU Crushes Kansas, 47-14

By ED FITE  
FORT WORTH, Sept. 17—UP—Junior halfbacks Jimmy Swink and Ken Wineburg led a Texas Christian scoring orgy that buried Kansas under a touchdown avalanche 47-14 Saturday night before 25,000 shirt-sleeved fans.

Swink ripped 80 yards from scrimmage and 46 yards with a pass interception for two touchdowns and Wineburg plunged one yard and ran five and seven yards for three more as TCU handed the hapless Kansas their 17th straight defeat.

End O'Day Williams raced 35 yards with another interception and reserve halfback Stanley Bull plunged two for the other TCU touchdowns as the visitors rolled to one touchdown in the first quarter, two in the second, one in the third and three in the fourth.

Bothered by Passes  
Kansas, which bothered TCU with its passes despite the costly interceptions, pulled together a sustained 69-yard drive to open the third period and sophomore John Francisco went the final eight steps. The Jayhawks scored again in the fading minutes when John Traylor stepped off 11 yards around end.

In all, TCU turned four Kansas fumbles and two interceptions into touchdowns as the youthful Kansas team succumbed to jarring tackles laid on by both the first and second string TCU lines.

# Bears Finish Fast To Whip H-SU, 35-7

By LEE BOND  
WACO, Tex., Sept. 17—UP—A slow-starting Baylor University football team turned on a fourth period power drive Saturday night to defeat Hardin-Simmons University, 35-7.

The underdog Hardin-Simmons coached by "Slingin' Sammy" Baugh made a ball game of it until the start of the fourth when it fell apart and Baylor pushed across three touchdowns.

At the half it was 7-7, thanks to a 36-yard pass from Hardin-Simmons Ken Ford to Dan Villarreal on the goal line. Baugh was making his debut as head coach for the first time after some 15 years with the Washington Redskins.

Baylor Turns Tricky  
But Baylor, slow to start, showed all kinds of tricks in running and passing to overwhelm the cross-state rival from Abilene, Tex., with its touchdown barrage in the final period.

Baylor's Bobby Jones, who took over the quarterback slot when Doyle Traylor was injured recently, performed in top style. He made one touchdown and passed with rifle-like accuracy.

Weldon Holley scored two of Baylor's five touchdowns in the fourth period on short plunges. Delbert Shofner and Reuben Saage accounted for Baylor's other two touchdowns on short smashes.

Baylor's power was shown in the rushing yardage — 261 against only 61 for Hardin-Simmons.

Baugh paraded two passers before the crowd of 20,000 fans who accounted for 115 yards gained in this department against 56 for Baylor. They were Ken Ford and Gene Sauer. Hardin-Simmons completed 13 of the 24 passes attempted against five completions for Baylor's 14 attempts.

# Steers Suffer 1st Home Opener Loss In History

By LLOYD LARRABEE  
AUSTIN, Sept. 17—UP—Halfback Don Schmidt scored two touchdowns, one on a brilliant 79-yard run, to lead Texas Tech to a stunning 20-14 upset victory Saturday night over the University of Texas before 47,000 fans.

The Red Raiders from West Texas took charge early in the game, scoring their first marker with less than five minutes gone in the first period, to hand Texas the first home season opener in its history.

Tech, champion of the Border Conference last year, added to its luster by winning its first game against Texas in a series of eight contests dating back to 1928. The Lubbock, Tex., team scored in each of the first two periods, then added an insurance touchdown in the fourth quarter.

Texas Fights Back  
The latter score proved necessary as the Texas eleven fought back with two lightning-like scoring drives the fourth quarter, the second in only four pass plays covering a total of 74 yards.

Walter Fondren tallied from three yards on the payoff end of a 65-yard march. But Tech bounced back with what turned out to be the deciding touchdown when halfback Ronnie Herr plunged over from the 1 late in the final period.

Fourth-string Texas quarterback Joe Clements brought the fans to their feet deep in the final period when he clicked on four straight passes, pitching an eight-yard aerial to end Allen Ernst for the game's final score with only 35 seconds left to play.

Tech quarterback Jack Kirkpatrick converted twice, while Texas' conversions were registered by halfback Joe Youngblood and fullback Johnny Elam.

Kirkpatrick Yields Spotlight  
Kirkpatrick, star quarterback for Tech the past two seasons, yielded the scoring spotlight to Schmidt, but contributed a 13-yard pass to end Pat Hartsfield which set up the Raiders' final touchdown at the one-yard line. Kirkpatrick also ran a punt back 39 yards.

# Rebels Trip Georgia 26-13

By BILL FERGUSON  
ATLANTA, Sept. 17—UP—Mississippi's Eagle Day took over Saturday night when the rebel defenses faltered and ran, passed and kicked defending Southeastern Conference champs to a 26-13 victory over the Georgia Bulldogs.

Georgia, sporting an unexpected aerial arm, twice pulled ahead of the favored Rebels in the first half. But Day passed for two touchdowns, ran for another and backed the Bulldogs into a corner with his deadly punting to give Mississippi the win.

Day's chief support came from hard-charging fullback Paige Cochren, a 195-pound junior who furnished two field goals, two extra points and most of the tough yardage up the center of the field.

Caught Off Guard  
Georgia caught Mississippi off guard in the first half and rolled to touchdowns with a strong passing attack that no one dreamed Coach Wally Butts' team possessed.

However, while the Bulldogs' passing attack was brighter than expected, the Georgia defense fell far below the pre-season buildup. Day's split-T magic had the Bulldog defenders fooled most of the way.

Mississippi appeared headed for a rout in the first period when the Rebels rolled 74 yards for a score despite two 15-yard penalties. Day connected on four straight passes for 75 yards, the last a 14-yard toss to halfback Billy Kinard for the score.

# Florida Nips Miss. State

By JACK HARVEY  
GAINESVILLE, Fla., Sept. 17—UP—Halfback Jackie Simpson Saturday reeled off two brilliant touchdowns runs, one of them a 101-yard pass interception, to lead Florida to a 20-14 victory over Mississippi State Saturday.

With his team trailing 7 to 0 early in the second half, the 170-pound junior from Miami put Florida back in the game with a 46-yard broken-field touchdown run. Then, just six minutes later, Simpson broke Mississippi State's heart by snatching halfback Jim Tait's pass in the Florida end zone and running straight up the sideline the length of the field to put Florida ahead.

The surprised Maroon defenders could not lay a hand on the fleet Simpson as he sped 101 yards for his second touchdown.

# Trojans Rip Cougars 50-12

By ALEX KAHN  
LOS ANGELES, Sept. 17—UP—University of Southern California displayed a wealth of material led by halfback John Arnett as the Trojans ground to an easy 50-12 victory over Washington State College Saturday before 35,081 football fans in Memorial Coliseum.

The game was a poorly-played contest featured more by fumbles and penalties than by brilliant execution of plays. Arnett, however, picked up where he left off last season as a great sophomore prospect to prove he is one of the top players on the West Coast.

But Arnett's brilliance was almost matched by the work of Cougar quarterback Bob Iverson who was the whole Washington State backfield as far as accomplishments were concerned.

However, Iverson alone could not match the Trojan diamonds-in-the-rough who broke out with enough ground gaining moves to plow safely past the Cougars in their first game of the Pacific Coast Conference schedule.

# Ward Captures Nat'l Amateur

By OSCAR FRALEY  
RICHMOND, Va., Sept. 17—UP—Handsome Harvie Ward, long considered the nation's finest amateur, proved it Saturday with embarrassing ease as he routed gangling Bill Hyndman, 9 and 8, to win the U.S. Amateur golf championship.

Hitting his irons with professional brilliance and putting unerringly with a battered club he found when he was 13 years old, the 1952 British Amateur champion was five under par for the 28 holes required as he clinaxed a nine-year search for the American crown.

It was a devastating performance and one which was so one-sided that Ward at times was rooting for his rival to come on and make it a contest. Several times he shouted "go in" as the 39-year-old Philadelphia insurance broker tried for winning putts.

Even the Dixie gallery, pulling wince-hardly for the North Carolina-born Harvie, lustily cheered the big Yankee's few fine shots in an attempt to give him heart.

# Indians Slip Again; Yankees Win To Lead By 1 Game

## City Gal Golf Tourney Qualifying Is Underway

Qualifying is now underway for the annual City Women's Golf Tournament to be held the next two weekends on the Pampa Country Club course.

All entries must be turned in by Sept. 22. Entries may be turned in at the Country Club pro shop or to Lil Hall, tournament director.

Tournament matches will be played Sept. 24-25 and Oct. 1-2. Trophies will be presented to each flight winner, runnerup and consolation winner.

There will be a 9-hole flight for beginners.

Miss Lila Austin is the defending city women's golf champion. Miss Austin will be back to defend her title this weekend.

There will be a sidelight tournament to the city tourney this weekend at which time two pairs of golf shoes will go to the winners. The U. S. Rubber Co. will give away a pair of golf shoes to the two low net players in tournament play next Saturday and Sunday.

The only requirement to vie for the golf shoes is to purchase one Queen Royal golf ball.

The handicap used will be based on the qualifying score for the tournament.

Trophies for the City Tournament are now on display at the Country Club pro shop.

Entry fee for entering the tournament is \$3.

## Terps Eke Past Missouri, 13-12

By LYLE B. SCHWILLING  
COLUMBIA, Mo., Sept. 17—UP—Mighty Maryland struck for two early touchdowns by halfbacks Ed Vered and Bill Walker then held off a determined Missouri second half rally for a 13-12 win Saturday.

Even though they lost, the game was sweet revenge for Missouri, which got trampled 74-13 by Maryland last Thanksgiving Day.

ROGER MACKAY... wrestles Monday

## Mackay Vies With O'Reilly In Feature

The Pampa Shrine Club imported Jack O'Reilly, the champion of the British Isles and of Australia, to oppose versatile Roger Mackay of Salt Lake City, Utah, in the main event at the Top of Texas Sportsman Club Monday night at 8 o'clock. It promises to be one of the outstanding bouts of the year.

Mackay barely missed lifting the world's junior heavyweight title from Gentleman Ed Francis here three weeks ago and will be gunning for a victory over O'Reilly.

A strong supporting card has also been signed. Tommy Martindale, one of the most popular wrestlers to come off the High Plains, takes on Jim Austeri of Bronx, New York, in a two-out-of-three fall, forty-five minute time limit. Jim is rugged and tough so anything can happen.

## UCLA Clips Aggies On Passes, 21-0

LOS ANGELES—UP—Ronnie Knox, who Friday night passed his team to a 21 to 0 victory over Texas A&M, Saturday held the key tailback position in UCLA's single-wing attack.

Knox, a controversial transfer student who never played a minute of varsity football prior to Friday night, threw three touchdown passes to beat the Aggies.

Coach Henry (Red) Sanders, who started four tailbacks, said Knox's running and outstanding game at safety showed that he could be the "take charge" player the Bruins need at tailback.

Coach Paul (Bear) Bryant of the Aggies said after the game, "I'll have to agree with the experts who pick UCLA as the top team in the nation. I thought before the game we could beat them, but I ran into more than I expected."

Bryant's sophomore-heavy squad played a razzle-dazzle type of split-T football but the best the Aggies could do was get down to the UCLA 15 once, in the final period, only to be shoved back before losing the ball on downs.

Sanders' statement that his line was by no means the equal of the 1954 forward wall that was credited with giving UCLA the national championship last year, was echoed by many observers among the 45,334 who turned out for the opening game of the season in Memorial Coliseum.

Statistically, UCLA ran up 311 yards to the Aggies 192. Knox, Jim Decker, Bob Davenport and tailback Sam Brown all averaged from nearly five to 10 yards per play on the ground. Sophomore quarterback Don Grant was the standout for the Aggies, averaging 5.9 yards on 10 plays while end Gene Stallings led in defensive line play.

Breкенridge Cut Down  
Wichita Falls cut down Breckenridge, 20 to 6; Tyler brouched Galveston, 46 to 14, and Baytown blanked Houston Lamar, 25 to 0, in other impressive Class AAAA showings.

In the feature AAA game, Austin McCallum nosed out Victoria, 13 to 12.

Paris and Garland put on big shows in North Texas, the former whipping Sulphur Springs, 40 to 7, and Garland taking McKinney, 64 to 0. Levelland pounded Brownfield, 60 to 0; Texarkana trounced Little Rock, Ark., 26 to 14; Beaumont French whipped Beaumont St. Anthony, 52 to 25; Alice rolled by Kerrville, 34 to 6, and touted Harlingen fell before AA Weslaco, 27 to 19.

Two Defenders Win  
Defending champion Phillips of AA and Deer Park of A continued to live up to expectations as Phillips crunched a Childress team that was supposed to give it a good test, 61 to 0, and Deer Park beat a huge La Marque eleven, 13 to 6.

Elsewhere in AA, Nederland bounced Jasper, 34 to 6; Mount Vernon nosed out Mineola, 20 to 18; Carthage beat Gilmer, 38 to 0; New London beat Carlisle, 32 to 7; Killean defeated Waco University, 40 to 19; La Vega rumbled by Mexia, 39 to 7; Stamford beat Andrews, 19 to 6, and Mineral Wells defeated Comanche, 26 to 6.

Albany rolled on as a Class A power by blanking Olney, 18 to 0; Sonora got back into the picture with a 59 to 25 verdict over Bangs; Clifton beat Meridian, 39 to 0; Hearne was tripped by Navasota, 7 to 6, and LaFeria fell before Mercedes, 45 to 0.

## Three 1-4A Teams In Easy Wins

By UNITED PRESS  
Freeport Jarred Houston S. F. Austin in the major upset of the Texas schoolboy football weekend, but the defeat of the 1954 finalists was no more shocking than some of the mammoth scores run up in unexpected shows of power elsewhere.

The Houston team, picked by some to roll deep into the playoffs again, fell before Freeport, 20 to 14, but such a start is only reminiscent of a year ago when the club dropped four of its first five games and then rolled into the finals against Abilene.

Abilene, incidentally, made it two in a row as the champs whipped Sweetwater convincingly, 45 to 20, while three other teams in their West Texas district also went on scoring sprees. Amarillo defeated Oklahoma City Capitol Hill, 40 to 13; San Angelo humiliated Fort Worth North Side, 50 to 0, and Lubbock romped by a supposedly good Plainview team 67 to 13.

Bowden Wyatt, whose single wing coaching last year won the crown for Arkansas, is now at Tennessee. Jack Mitchell, former coach at Wichita and exponent of the pigeon-tot formation, is coaching Arkansas.

Tulsa Under New Coach  
Tulsa's new coach is Bobby Dobbs, former assistant at West Point, who succeeded Bernie Witucki. Mitchell had predicted Saturday that his team "couldn't even get control of the ball" in the first two periods.

He was almost right. Arkansas fumbled, had to kick twice from the two-yard line and controlled the ball long enough for only 11 offensive plays. That, however, was enough for a touchdown.

Tulsa scored halfway through the first period as fullback Dick Scholtz went over from the two. Quarter-

## Faltering Cleveland Bows To Detroit Tigers, 3-1

By UNITED PRESS  
The New York Yankees, responding brilliantly to the challenge of the American League's pressure-packed pennant race, stretched their lead over the faltering Cleveland Indians to one game Saturday when they defeated the Boston Red Sox for the second time in 24 hours.

With 35-year-old southpaw Tommy Byrne spinning a four-hitter for his 16th victory of the season, the Yankees downed the Red Sox 4-1, while the Indians dropped their second straight decision to the Detroit Tigers, 3-1. The Red Sox, now eight full games off the pace, will be mathematically eliminated from the race the next time the Yankees win a game.

The Yankees, who reclaimed the lead for the first time since Aug. 29 on Friday night, have eight games left while the Indians have six.

Double Steal Helps  
The Yankees took a 2-0 lead in the first inning with the aid of a double steal by Phil Rizzuto and Bob Cerv, added another run in the third and their final tally on Joe Collins' homer in the fifth. Jackie Jensen homered for the Red Sox in the sixth inning to deprive Byrne of a shutout.

At Cleveland, rookie Frank Lary yielded 10 hits but left 15 runners stranded as the Tigers dealt the Indians a smashing blow. The Indians went ahead, 1-0, in the first inning—but successive doubles by Earl Torgeson and Al Kaline, Al Rosen's error and a sacrifice fly when they defeated the Boston Red Sox for the second time in 24 hours.

Lary scored his 14th victory of the campaign while Lemon, who has won 18 games, suffered his ninth defeat.

The Baltimore Orioles defeated the Washington Senators, 3-1, in the other American League day game. Ed Lopat gaining credit for his seventh win, Chicago was at Kansas City in a night game.

In the National League, Willie Mays increased his lead over Cincinnati's Ted Kluszewski in the home run race to two when he hit his 47th of the year in the New York Giants' 8-5 win over the Brooklyn Dodgers. Paul Giel, who took over for Jim Hearn in the third, scored his fourth win.

Willard Schmidt tossed a four-nail 4-1 victory over the Milwaukee Braves and Bob Rush's six-hitter paced the Chicago Cubs to a 3-2 triumph over the Cincinnati Reds in the other NL games. Philadelphia and Pittsburgh were idle.

back Charlie Wynes tried to convert, but failed to make it.

In Arkansas' only offensive spurt in the first half, fullback Henry Moore went off full guard for 64 yards and a touchdown in the second period. Arkansas looked like a different team in the third period.

Look Control of Game  
They took control of the game and drove 54 yards in nine plays for their second touchdown. Halfback Joe Thompson made it in the ninth play, plunging over from the three.

In the fourth period, quarterback George Walker threw a 34-yard pass to halfback Ronnie Underwood for Arkansas' third touchdown. Walker made all three Arkansas conversions.

Wayland Roberts, Arkansas' right guard, was outstanding in the Arkansas line. Tulsa's quarterback Wynes was exceptionally good—considering his faulty line—as time after time he managed to keep Arkansas from spotting the ball in time to prevent Tulsa gains.

Score by periods:  
Arkansas 0 7 7 21  
Tulsa 6 0 0 6

Arkansas scoring: Touchdowns, Moore (64 run); Thompson (13 tie, plunge); Underwood (34, pass). Conversions, Walker, 3.

Tulsa scoring: Touchdowns, Scholtz (2, plunge).

## Porkers Pressed To Down Hurricane In Debut, 21-6

FAYETTEVILLE, Ark., Sept. 17—UP—The University of Arkansas, surprised by 1954 in the Southwest Conference, opened its 1955 season Saturday by beating a fiercely resisting University of Tulsa team, 21 to 6, before 18,500 spectators.

Both teams were playing under new coaches and they both looked a little disorganized the first two periods. In this respect, Arkansas probably had the edge on disorganization, but in the last half showed spots of the brilliance that gained it the conference crown last year.

# Harvesters Fight Back To Tie Austin EP In Grid Debut, 6-6

## P.H.S. Drives 72-Yards For Lone Marker In 4th Period

By BUCK FRANCIS  
Pampa News Sports Editor  
EL PASO, Sept. 17—Pampa's injury-riddled Harvesters opened the 1955 campaign here Friday night by battling the Austin High Panthers of El Paso to a 6-6 stalemate before a rain-soaked crowd of 5,000.

The Harvesters, making their debut under new head coach Jack Lockett, rallied in the fourth quarter to pull even with the home-standing Panthers and then fought off a last-ditch victory effort by the Panthers at the final gun.

Austin was on the Harvester one-yard marker when the game ended. The Harvesters, playing without two of their six returning lettermen, quarterback Buddy Sharp and end Burl Kirbie, fought the Panthers to an even draw in two other vital departments, yards gained rushing and in first downs.

Both the Harvesters and Panthers made 12 first downs apiece and each gained a net of 187 yards rushing. Only four passes were thrown in the game, the Harvesters trying one and Austin three. The lone Harvester pass fell incomplete while the Panthers completed one for a three-yard gain and had another intercepted.

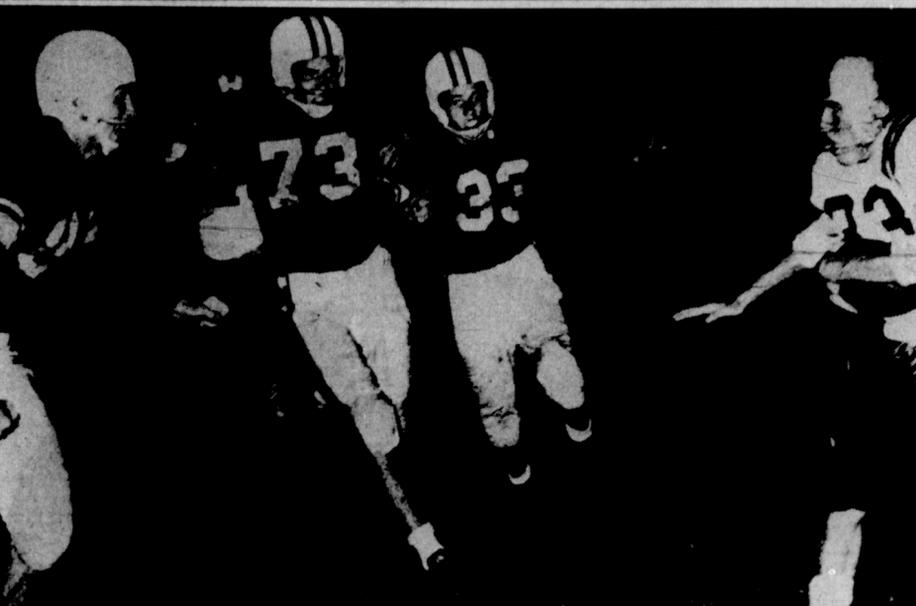

Austin took a 6-0 lead early in the second quarter when Ray Quillin swept 17 yards for a TD. The Harvesters pulled even with 4:30 minutes left in the game when Gene Emerson plowed through the middle of the Panther line for seven yards and a tally. Cecil Reynolds attempted to boot the extra point that would have given the Harvesters the decision but the ball sailed wide of the uprights and the score stayed 6-6 the rest of the way.

Austin, however, threw a scare into the Harvesters when they came surging back after the ensuing kickoff and marched to the Harvester one when time ran out. Quarterback Terry Thomas of the Panthers took the Harvesters' kickoff and ran it back 39 yards to the Green and Gold 26.

Then the Panthers started a slow drive for paydirt only to fall shy by a scant yard. Austin used 11 plays to reach the one when the game came to an end. With 30 seconds remaining, the Harvesters made a first down on the Harvester three. Then Thomas Quillin swept wide around left end, cut in sharply and was swarmed in by a host of Harvesters on the one.

Coach Lockett, in the dressing room after the game, praised the Harvesters for their spirit, especially when things were going against them. Austin drove inside the Harvester three. Then Thomas Quillin swept wide around left end, cut in sharply and was swarmed in by a host of Harvesters on the one.

## Canadian, Perryton Tie In Area Game

Perryton and Canadian fought to a 13-13 draw at Canadian Friday night in the feature attraction of the Pampa area football slate. Canadian broke the scoring ice in the first quarter when Tommy Hobdy went over from the Perryton four, giving the Wildcats a 6-0 lead which stood up through the first half.

Remainder of the scoring was crammed into the third quarter. Perryton scored first after the half time intermission with Dempsey Gyger scoring on a five-yard run. Gyger then put Perryton ahead by running the extra point over, the Rangers leading by 7-6.

Johnny Crist circled end for 38 yards to give the lead back to Canadian midway through the third with Hobdy running the extra point over for a 13-7 Canadian lead. Perryton then battled back to draw even when Wayman Epp raced 42 yards for a tally.

In other area games, Price College of Amarillo surprised the White Deer Bucks, 7-0, at White Deer; Shamrock's Irish bowed to Wellington, 19-0, at Shamrock; Groom dropped a 21-20 encounter to Farwell; Wheeler trounced Quitaque, 38-0; Spearman won over Follet, 13-6, in its debut; and Panhandle dropped its second straight game, losing to a powerful Canyon eleven, 33-6.

Henry Tornio scored on a four-yard run in the second quarter to give Price College its win over White Deer. It was the first defeat in two starts for Coach Otis Holaday's Bucks who defeated Groom last week, 20-12.

Shamrock, after winning its opener last week, was overpowered by the Wellington Skyrockets, 19-0. The Irishmen battled the Rockets to a 0-0 stalemate through the first half but the visiting Wellington outfit scored twice in the third and once in the fourth for the victory. Warner Ford scored on one and

scored three TD's on short runs. Panhandle's only score against rugged Canyon. Indians Slate Benefit NEW YORK —UP— The Cleveland Indians will donate their share of the proceeds of next Sunday's home game against Detroit to the National Foundation for Infantile Paralysis "to show our gratitude" for Vic Wertz' recovery from polio.

Wertz, Tribe first baseman, is making steady progress in his recuperation from a polio attack. The Indians' donation will include everything except the advance sale to date, the federal and local taxes, the visiting club's share, and the rent.

## Hawaii Surprises Cornhuskers, 6-0

By FRANK W. RALL  
LINCOLN, Neb., Sept. 17—UP—Surprising Hawaii—paced by little Skippy Dyer—upset Nebraska Saturday, 6-0, before 23,000 fans to avenge last year's 59-0 shellacking by the Cornhuskers.

Dyer, a 160-pound left halfback, led the Rainbow attack with runs of 40 and 30 yards. With less than two minutes remaining, he broke up a desperation Nebraska pass on the 10-yard line.

The Hawaii touchdown came midway in the fourth period, after halfback Bill Taylor ran 37 yards to the Nebraska six.

Halfback Ed Kawawaki, who teamed with Dyer to provide the Hawaii offensive, plunged to the one-foot mark. Fullback Hartwell Freitas went over for the touchdown. The conversion attempt was wide.

Nebraska couldn't mend its defenses or put together a scoring punch against the fast, shifty Hawaiians. But sparked by halfbacks Rex Fischer and Willie Greenlaw, the Huskers finally moved inside the Hawaii 37 early in the third. The Cornhuskers, taking the second-half kick on their 20, rolled to the Hawaii six-yard line, where the Rainbows stiffened and took the ball on downs.

## Tulane Defeats VMI By 20-7

By JACK GATES  
NEW ORLEANS, Sept. 17—UP—Gene Newton, 20-year-old sophomore quarterback, came off the bench Saturday and sparked a sputtering Tulane to a 20 to 7 victory over lightweight Virginia Military Institute before 15,000 fans.

Although the 160-pound Newton didn't score, he passed for one touchdown, set up two others with his faking and running and provided the spark Tulane needed for its victory, the only one it is expected to win this season.

Under John Caruso, the starting quarterback, Tulane's offense failed to move, although penalties figured heavily. Score by periods: Tulane 6 0 14 0—20 VMI 0 0 0 7—7

Tulane scoring: Touchdowns, Cottrell (31, pass run from Newton); Quillian 2 (10, run, 2, plunge). Conversions: Zalenka 2. VMI scoring: Touchdown, Lavery (4, plunge). Conversions, Woolwine.

**HE'S LOST HIS DRIVING PERMIT**—Three-year-old Jeff Owen of Cleveland, Ohio, is a pretty upset guy. After all, he's had his driver's license suspended. It's all because of an accident he had last June with his tiny "dump truck." A neighbor, pulling out of his driveway, backed into Jeff's vehicle, knocking Jeff to the ground. The neighbor's insurance company came across with \$41 to pay the hospital bill and buy Jeff a new dump truck. That's how the state Bureau of Motor Vehicles got wind of the mishap. Apparently thinking a real dump truck was involved, the bureau demanded an accident report. Jeff's dad, thinking it was all a mistake, ignored the demand. The bureau became indignant at this slight and revoked Jeff's driving permit. "It's a crying shame," wails Jeff.

## Home Owners Urged To Be Cautious On Improvements

By ROBERT F. MORISON

WASHINGTON, Sept. 17—UP—Home owners who plan improvements or additions to their houses should be cautious.

You may spend a great deal of money, but when it comes to selling the house, you may not be able to add the cost of the improvements to the selling price.

Although some improvements or additions may be pleasant to the homeowner and add much to his enjoyment of the house, prospective buyers may not be impressed. A recreation room is a good example.

The National Association of Real Estate Boards points out that finishing a basement recreation room can be expensive. But, the prospective buyer of the house, when he learns how much was spent to do it, probably will wince and refuse to go on with the deal unless he is sure the cost is not being passed on to him.

Generally, most anything done to a house will add to its resale value providing the addition or improvement contributes to the livability or utility of the house.

**Government Gets Fussy**  
The government, through the Veterans Administration and the Federal Housing Administration, is fussy about some things.

By and large, the VA pits swimming pools, hot tubs, burglar alarms, fire alarms, hangars for airplanes, and sound systems against interior telephone wiring or high-fidelity sound systems. "Gimmicks and gadgets" as far as VA and FHA are concerned.

Neither agency will insure a loan for these under their home improvement programs. And if the improvements are in an existing home a prospective buyer is interested in, they probably would not be taken into consideration in appraising the property.

Government housing experts and those from private industry stress that any improvement undertaken should be in harmony with the neighborhood in which the house is situated.

One expert warned: "Don't make your house a castle among ordinary homes."

An ambitious homeowner could, by going to extremes, wind up with the finest house in the neighborhood, but if the other residents weren't inclined to improve their properties to the same extent, the

resale price on the "castle" probably would be very little higher than the others. It might sell more readily, experts point out, but not at a high enough price to recover all the money put into additions and improvements.

### Some Improvements Help

Some of the improvements which can be carried out to enhance the value of a home include planting trees and shrubbery, building garages, additions of screened-in porches, installing a full or half bath, and adding a bedroom or two. However, government and private experts warn that these must be undertaken with care.

Whether it's a "do-it-yourself" project or done by a professional craftsman, it is vital to be certain beforehand that the building code-prevaling permits such an addition or improvement. Expert professional advice is advisable and so are dependable construction men.

The quality of workmanship and whether or not the improvement blends well with the house and the neighborhood are vital considerations in determining whether the resale value of the home has been increased and, consequently, whether the owner will be able to recover part of the money he has put into the improvements.

Chiefly, the experts say "don't overdo it." A home owner should not pile improvement on improvement to the point where he is forced to "overprice his home in an effort to recover the money he's put in it."

### Daughter, Mother Die

TERRE HAUTE, Ind. —UP—When Mrs. Louisa Moore, 57, died of a heart seizure, her 78-year-old mother, Mrs. Ellen Morris, fell dead from the same cause five minutes later. Authorities said the shock of her daughter's death apparently killed the mother.

### Ava Gardner Has Crash

MADRID —UP—Actress Ava Gardner escaped uninjured Wednesday when her flashy new Mercedes automobile went out of control and turned over twice on a highway outside Madrid. The actress was driving to Barajas airport to meet friends arriving from the United States when the car careened across a two-laned speedway and flipped over.

## Charlotte Allston And Newell Faulkner Are United In Marriage In Arlington

Miss Charlotte Anne Allston and Newell Edward Faulkner were united in marriage at 7:30 p.m. Sept. 10, in the First Christian Church of Arlington. Rev. T. J. Youngblood officiated for the double-ring ceremony. The bride is the daughter of Mr. and Mrs. Oliver W. Allston, 910 Jordan, Pampa. The bridegroom is the son of Mr. and Mrs. A. E. Faulkner of Fort Worth. Given in marriage by her father, the bride wore a gown of antique taffeta and Venice lace. The lace bodice, designed with a scalloped portrait neckline embroidered with seed pearls and short lace sleeves, had a wide, long-torso waistband of antique taffeta. The bouffant tulle skirt swept into a chapel train. She wore mits of tulle accented with lace appliques and seed pearls. Her fingertip veil of French silk illusion fell from a pointed French illusion veil from a pointed sweetheart cap trimmed with seed pearls and rose point lace. She carried a bouquet of stephanotis centered with a white orchid. Her jewelry included a pearl choker and earrings, a gift of the bridegroom. For "something old" she wore a dinner ring belonging to her mother. Miss Wilma Previtt of Borger was maid of honor. She wore an aqua gown of chropespun taffeta. The long-torso bodice was styled with a scoop neckline and short sleeves. Her bouffant skirt was floor length, and she wore a half hat with an aqua veil. She carried a cascade of pink asters and wore short mittens trimmed with seed pearls. Bridesmaids were Miss Donn Flinn of Greenville and Miss Ann McClure of Fort Worth, niece of the bridegroom. Both wore gowns of white lilly-of-the-valley and stephanotis, centered with a white orchid. They wore pink half hats with matching veils and short taffeta mits trimmed with seed pearls. They carried cascades of pink asters. Kenneth Faulkner of Wichita Falls, brother of the bridegroom, served as best man. Groomsman were Don Hill of Luling and Harvey Pippen Jr. of Arlington. Ushers were Laddie Wheeler of Wichita Falls and Roy Jopling of Fort Worth. The church was decorated with floor baskets of white gladioli and asters, greenery and candelabra. The pews were marked with white satin bows. Miss Barbara Alford of Center was organist. She played a prelude of nuptial music and the traditional wedding marches for the processional and recessional. Miss Sarah Kindred of Arlington sang "Entreat Me Not To Leave Thee" by Gounod. At the close of the ceremony, the youth choir of the First Christian Church sang "O Perfect Love."

For her daughter's wedding, Mrs. Allston wore a blue mist crepe dress with pink accessories. The bridegroom's mother was attired in a rose crepe dress with black accessories. Both wore corsages of pink rosebuds. Following the ceremony, a reception was held in the church's Fellowship Hall. The serving table was covered with a white net cloth over white taffeta and was trimmed with white satin wedding bells formed by seed pearls. The centerpiece was an arrangement of white asters flanked by crystal candelabra with white tapers. The three-tiered wedding cake was topped with wedding bells. Pink punch was also served. In the house party were Mmes. Harvey Pippen of Arlington, Miss Judy Crow of Fort Worth, Miss Jane Prichard of Pampa, Miss Claudia Lopp of San Antonio, and Mmes. Joe Maas Jr. and Roy King, both of Fort Worth. All wore dresses of pink tulle and wristlets of pink asters. For traveling, the bride wore a brown wool crepe sheath dress with a box jacket trimmed in brown velvet. Her accessories were honey bear colored, and her corsage was the white orchid from her bridal bouquet. The couple will be at home at 2809 Lubbock St., Fort Worth. The bride was graduated from Pampa High School and is a senior student at Texas Christian University, where she is a member and vice-president of Alpha Chi, national honor society. She is also a member of Chi Delta Mu, a Christian service organization. The bridegroom was graduated from Polytechnic High School in Fort Worth and is a senior student at Texas Christian University where he is a member of Chi Delta Mu, also. A rehearsal dinner was given by the parents of the bridegroom, Sept. 8. Out-of-town guests were Mr. and Mrs. Mike Murphy and Miss Mary Jean Mitchell, Jack Finney, Elaine Clark, all of Perryton; Mr. T. E. Francis, C. F. Woolley, W. Mr. and Mrs. F. M. Meyers of San Antonio; Mrs. Bill Warner of Midland; and Mr. and Mrs. Kenneth Faulkner of Wichita Falls. Attending were Mrs. Nora Armstrong of Wichita Falls, mother of the honoree; and Mmes. Retha Jordan, Elmer Balch, Eugene Isaacs, W. C. Epperson, Carl Warner, Mrs. Mike Murphy and Miss Mary Jean Mitchell, Jack Finney, Elaine Clark, all of Perryton; Mr. T. E. Francis, C. F. Woolley, W. Mr. and Mrs. F. M. Meyers of San Antonio; Mrs. Bill Warner of Midland; and Mr. and Mrs. Kenneth Faulkner of Wichita Falls.

Those chosen were Mrs. King, president; Mrs. John Mobley, vice-president and council delegate; Mrs. Gerald Mobley, secretary-treasurer and reporter; Mrs. Cordia McBride, assistant secretary-treasurer and reporter; Mrs. A. A. McElrath, clothing demonstrator; and Mrs. F. P. Hayes, assistant clothing demonstrator. Food demonstrator will be Mrs. J. M. Hahn, assisted by Mrs. T. C. McGlohon. Committee chairmen announced were Mrs. G. H. Murrain, assisted by Mrs. Joe Achord, exhibit; Mrs. McElrath, recreation; Mrs. C. L. Cochran, visual aids and education; Mrs. Don Warminski, citizenship; and Mrs. R. H. St. Aubyn, civil defense. Plans were made for the club's achievement day and tour to be held Friday. It was announced that members will meet in the home of Mrs. P. J. Chilcoat, west of city, for a business meeting before beginning the tour. Members present were Mmes. Jim King, Joe Achord, P. J. Chilcoat, C. L. Cochran, F. P. Hayes, Cordia McBride, T. C. McGlohon, and R. H. St. Aubyn. During the session, the women worked on tailoring wool garments. Mrs. A. M. Stout of Monroe, La., was a guest.

## Vows Exchanged In Single Ring Rite By Sue Stewart And E. M. Keller Jr.

Vows were exchanged at 7:30 p.m. Sept. 10, by Miss Sue Stewart, 409 N. Crest, and E. M. Keller Jr. of Pampa, in the First Presbyterian Church. Dr. E. Douglas Carver of the First Baptist Church officiated for the single-ring service.

The bride is the daughter of Mr. and Mrs. M.M. Stewart of Lima, Ohio, and the bridegroom is the son of Mr. and Mrs. E. M. Keller, 1905 Ripley.

Given in marriage by her brother, Charles M. Stewart, the bride wore a gown of nylon tulle and rose-point lace over taffeta. The fitted lace bodice that closed down the back with tiny covered buttons was designed with a tulle yolk and high lace collar. The long lace sleeves came to petal points over her hands. The bouffant skirt of tulle over taffeta was fashioned with a wide lace pannier.

Her fingertip veil of imported French illusion fell from a pointed sweetheart cap trimmed with seed pearls and rose point lace. She carried a bouquet of stephanotis centered with two white, yellow-throated orchids. For "something old" she wore a wedding ring belonging to the bridegroom's grandmother. Mrs. Charles Stewart, sister-in-law of the bride, was matron of honor. She wore a gown of pink crystaline. The moulded bodice was styled with a portrait neckline and cap sleeves. The bouffant skirt was waist length. Her headpiece was a bandeau of seed pearls with a shoulder-length tulle veil. Her jewelry included a strand of pearls, a gift of the bride. She carried a colonial nosegay of pink glanellas.

Bridesmaids were Mrs. Jerry Walker of Lubbock and Mrs. Wayne McMurry of Silverton. They wore blue gowns identical to that of the matron of honor. Flower girls were Karen Sidwell and Diana Goodwin, niece of the bridegroom. They wore pink crystaline dresses styled with scalloped Bertha collars, puffed sleeves and bouffant skirts. They carried pink and white maitine baskets filled with pink rose petals. Lonnie Williams served as best man. Groomsman were Woody Stewart of Pampa, brother of the bride, and Junior Goodwin, brother-in-law of the bridegroom. Ushers were Al Shaw of Pampa and Wayne Stewart of Borger, brother-in-law of the bridegroom.

The couple was married before an altar flanked by baskets of white mums and gladioli, jade palms and candelabra with white tapers. Mrs. H. A. Yoder, organist, played the traditional wedding marches, and Roy Johnson sang "Because" and "The Lord's Prayer."

The bridegroom's mother was attired in a driftwood lace dress with brown metallic accessories. Her corsage was a brown orchid. The bride's parents were unable to attend. Following the ceremony, a reception was held in the church parlor. The serving table was covered with a white linen cloth and was centered with an arrangement of white mums, white gladioli and blue and white pompons in a silver bowl. Tall blue tapers flanked the centerpiece. Background piano music was provided by Mrs. E. Douglas Carver, and guests were registered by Mrs. Junior Goodwin, sister of the bridegroom. Mrs. Frances Lackey presided at the crystal punch bowl and Mrs. Wayne Stewart of Borger, sister of the bridegroom, served the cake. Others assisting were Mmes. Rufe Jordan, Bob Sidwell, J. V. Young, Laura Bell Cornelius and J. M. Fitzgerald. For the wedding trip to Galveston, the bride wore a fitted black and brown cotton suit with black accessories. Her corsage was the orchids from her bridal bouquet. The couple will be at home at 1334 Coffee, Apt. 3, Pampa. The bride was graduated from Pampa High School where she was head cheerleader. She has been employed by Beacon Supply here for two years. The bridegroom was graduated from Pampa High School in 1948 and from Kemper Military School in 1948. He received his commission as second lieutenant at the University of Missouri in 1950 and served with the army, stationed in Germany, until January 1954. Since his discharge, he has been associated with the E. M. Keller Trucking Company.

## MATURE PARENT

By MRS. MURIEL LAWRENCE

Bernie G., a Jewish child of seven, goes to a school attended by many gentile children. Until last week, he didn't know that his religious difference made him unacceptable to anyone. Then he learned it did. A classmate told him that he'd not been asked to a mutual friend's birthday party because he was a Jew. Mrs. G. writes, "We read your column, And ask you, a gentile, how to explain this senseless gentile cruelty to our innocent child." Before I offer my explanation, let me offer a recent personal experience. I have a dear Jewish friend—a man of science who barely escaped from Hitler's holocaust with his life. One evening when he was describing his escape, I had a painful realization. I realized that since I had not been a Jew in Hitler's Germany, neither affection nor imagination could re-create my friend's experience for me. And my understanding of it would have to remain different from that of his friends who had lived it through with him. As I am not Jewish, I have not experienced anti-Jewish prejudice. For this reason, my explanation of it may be unacceptable. Nevertheless, here it is. . . . I would begin by taking Bernie on my lap. Then I would start to remind him of what he knows. I would remind him of how Billy Haloran who lives on the wrong side of the tracks is scorned for wearing dirty shirts to school. I'd remind him of his own refusal to invite "show off" Mary Graham to his Halloween party. Then, when he had recalled these injuries done to non-Jewish children, I would say, "You've been hurt, not because you are a Jew, but because cruelly's found a new excuse to hurt. It uses Billy Haloran's dirty shirts to make him feel unwanted. It uses Mary's 'show-offness' to make her feel unwanted. Now it's your turn. It says to you, 'Bernie, your religion makes you unwanted.' Tomorrow, it will find a new excuse. Darling, we cannot take it seriously."

## Mrs. Billy Chance Feted With Shower

Mrs. Billy Joe Chance, the former LaVonda Callan, was honored with a miscellaneous bridal shower recently in the home of Mrs. Foster Whiteley, Co-hostesses with Mrs. Whiteley were Mmes. Ernest Luedeker, Elmer Prescott, Derl Miller, and Misses Freda Hall, LaHoma Prescott, and Joan Prescott. The honoree and her mother, Mrs. C. L. Callan, were presented with corsages of white carnations. Guests were registered by Miss Sue Daniels. The serving table was covered with a white lace cloth over orchid and was centered with an arrangement of orchid and white asters and chrysanthemums. Flanking the centerpiece were orchid tapers in crystal holders. Refreshments of cake, punch, nuts and mints were served. Miss Joan Prescott presided at the crystal punch bowl and Miss LaHoma Prescott served the cake. Miss Freda Hall assisted with the gifts. Approximately 25 persons attended or sent gifts.

## Ladies SS Class, Church Of Christ, Holds Luncheon

A ladies Sunday school class of the Church of Christ, Harvest at Mary Ellen, held a covered-dish luncheon recently in the home of Mrs. N. W. Russell. Following the meal, a pink and blue shower was given for Mrs. Arnold Karbo. Attending were Mrs. Nora Armstrong of Wichita Falls, mother of the honoree; and Mmes. Retha Jordan, Elmer Balch, Eugene Isaacs, W. C. Epperson, Carl Warner, Mrs. Mike Murphy and Miss Mary Jean Mitchell, Jack Finney, Elaine Clark, all of Perryton; Mr. T. E. Francis, C. F. Woolley, W. ### Junior High PTA Has Open House And Business Meet

The Junior High Parent-Teacher Association opened the year with a meeting recently in the school auditorium. The meeting was followed by an open house honoring parents of new students and the new teachers.

J. R. Strohle opened the meeting with prayer. McHenry Lane, principal, introduced the faculty members. As they were introduced, each teacher was presented a chrysanthemum corsage tied with ribbons in the school colors by Mr. and Mrs. Bob Andis, hospitality chairmen.

Mrs. Jack Foster, president, introduced the members of her general board. Mrs. Fred Vandenberg, secretary, presented the recommendations of the executive board. The group approved the recommendations to purchase a record player for use in the cafeteria and in the classrooms, to be equipped with semi-classical records; and for the purchase of material for new drapes, to be made by the home economics department, for the school cafeteria.

Following the meeting, classroom visitation was held, and refreshments were served by Mr. and Mrs. Andis and their hospitality committee, composed of Mrs. Elmer Fite, E. A. McLennan and B. E. Tidwell. Approximately 750 persons attended the event.

### Mrs. Otis Nace To Review Book At AAUW Meet

Mrs. Otis Nace will review the book, "Good Morning, Miss Dove" by Frances Gray Patton, at the American Association of University Women's annual reception for new and prospective members Tuesday at 9 p.m. in the City Club room.

A Book-of-the-Month Club selection, Mrs. Nace said the book is the delightful story of an old maid school teacher. The review will be a blend of humor and pathos.

"If you ever were a child who attended a small town school," Mrs. Nace said, "you'll remember Miss Dove."

Mrs. Nace, who has given numerous book reviews and original readings in Pampa and surrounding towns, will interpret the characters through conversation.

The program will be introduced by Mrs. Nicholas Kadingo, program chairman.

Hostesses will be Miss Oleta Marlin, chairman; and Misses Pearl Spaugb, Minnie Allen and Mary Reeve.

All college women are invited to attend the reception. Prospective members are requested to contact Miss Reeve at the meeting in regard to specific requirements for membership.

### Civic Culture Club Is Presented Speech By Ann Moyer On Mrs. Helen Chapman

Miss Ann Moyer presented a program on the life and activities of Mrs. Helen Chapman, recently elected president of the General Federation of Women's Clubs at the luncheon meeting of the Civic Culture Club in the home of Mrs. M. M. Moyer.

Miss Moyer took her presentation from an article, "Calling All Women" by Robert Crandall.

"A woman farmer from Illinois, Mrs. Helen Chapman recently set out to change many of our daily habits—and already shows some promise of succeeding," Miss Moyer reported.

She told the women that Mrs. Chapman lives on a 275-acre farm near Jerseyville, Ill. and feeds approximately 600 hogs a year and raises, in the good years, about 100 bushels of corn per acre.

Mrs. Chapman is the 20th national president of the Federation, which with about 11,000,000 members in 15,304 affiliated clubs in this country, she explained. She has traveled in all states and in many foreign countries in connection with this unpaid job.

"She is considered the number one spokesman for American womanhood and holds regular press conferences in her Washington office," Miss Moyer reported. "She is frequently consulted by Congressmen and Cabinet members."

The "change" Mrs. Chapman is trying to make is in way Americans live as families as she feels the main trouble with Americans is their home life, the group was told. Because of the increase of juvenile delinquency, Mrs. Chapman has been leading a crusade against the "crime entertainment industry," including comic books.

"As a result of observations of newstandards by clubwomen all over the nation, more than 90 per cent of the nation's major comic-book publishers have accepted a code of ethics which Mrs. Chapman approves if it is enforced," Miss Moyer stated. "Comics are now beginning to appear on the newstandards which bear the Comic Code Authority's Seal."

Mrs. Chapman's suggestions to combat the "diplomacy of American domesticity" include doing things as a family, having meals together, doing projects together, attending church regularly as a family, praying as a family, Miss Moyer said.

### Double-Ring Candlelight Service Unites Miss Faye Matlock And Irvin E. Sober

In a double-ring candlelight ceremony, Miss Faye Matlock and Irvin E. Sober were married at 8 p.m. Sept. 10, in the Harrah Methodist Church. Rev. James E. Harrell officiated.

The bride is the daughter of Mr. and Mrs. Wesley Matlock, 420 E. Foster, and the bridegroom is the son of Mr. and Mrs. Arlie Sober, southeast of city.

The bride, given in marriage by her father, wore a gown of white lace over satin. The moulded bodice that closed down the front with tiny covered buttons, was styled with a Peter Pan collar and short sleeves. The bouffant skirt was waltz length and she wore three-quarter length lace mitts. Her fingertip veil of illusion fell from a headband accented with seed pearls. She carried a bouquet of red roses and white carnations over a white Bible.

Miss La Rue Pate was maid of honor. She wore a waltz-length gown of pink tulle and carried a colonial bouquet of pink carnations.

Luther Sober, brother of the bridegroom, served as best man. Ushers were Marshall Hardin and J. C. Smith.

Decorations in the church included baskets of pink gladioli, palms and candelabra. Miss Marilyn Jo Wells was organist, and Mrs. Melvin Stephens sang "Indian Love Call" and "Wedding Prayer."

For her daughter's wedding, Mrs. Matlock wore a sheer dress of navy blue with pink and blue accessories. Mrs. Sober, mother of the bridegroom, wore a navy blue dress with white accessories. Both wore corsages of pink and white carnations.

Following the ceremony, a reception was held in the church parlor. The serving table was centered with an arrangement of pink and

### Gwendolyn Echols And Lt. George Fox Exchange Wedding Vows In Fort Worth

Miss Gwendolyn Maude Echols, daughter of Mr. and Mrs. Edgar E. Echols of Fort Worth, and Lt. George Stuart Fox of Ellington AFB, Houston, son of Dr. and Mrs. James Charles Fox of Hartford, Conn., exchanged vows at 7 p.m. Sept. 3, in the chapel of the Good Shepherd University Christian Church in Fort Worth. Rev. Granville Walker officiated.

Miss Echols is the niece of Mr. and Mrs. Otho Henville of Pampa and has been a frequent Pampa visitor.

Given in marriage by her father, the bride wore a ballerina-length gown of white slipper satin. The bodice of re-embroidered lace was styled with a portrait neckline and a pleated cummerbund. The skirt was fashioned with soft, full pleats, and she wore elbow-length white satin mitts. Her elbow-length veil of illusion fell from a Tudor cap of lace, accented with seed pearls. She carried a bouquet of pink gardenias and pink Elfe roses with white pearl streamers over a white Bible.

Miss Elizabeth Forayth of Fort Worth was maid of honor, and Mrs. John K. Pitcher of Horseshoe, N. Y., sister of the bridegroom was matron of honor. Bridesmaid was Miss Patricia Johnson of Detroit, Mich. All wore waltz-length gowns of blue iridescent taffeta styled with Empire waistlines. Their headpieces were coronets of silver leaves, and they carried crescent bouquets of blue chrysanthemums with satin streamers.

The couple will reside in Houston.

The bride attended Texas Christian University. The bridegroom attended Middlebury College in Vermont and Yale University. He is now an instructor in electronics at Ellington AFB.

### B&PW Club Plans For Business Week

Mrs. Hattie Holt, president, led the recent meeting of the Pampa Business and Professional Women's Club held in the City Club Room.

Plans for Business Women's Week to be held Sept. 25-Oct. 1, were discussed. Plans were also made for the district conference, to be held in Pampa Oct. 8 and 9.

Mrs. Lorene Locke and Miss Bettie Edgington presented the program. Miss Mary Jean McNeil reported on her trip to Washington, D. C., and told of her visit at the United Nations headquarters in New York City. Miss McNeil was the local representative of the Theta Rho girls, sponsored by the Pampa Rebekah Lodge. She was one of several thousand delegates from various states.

During the social hour, refreshments were served. Twenty-three members were present.

### Perryton Garden Club Has Meeting

PERRYTON — (Special) — The Buds and Blossoms Garden Club met in Mrs. Curtis King's home, 512 Baylor, for the last meeting of the year.

During the business meeting Mrs. King told about the plans of an all day picnic to Amarillo.

Mrs. D. D. Shanks spoke on planting and care of fall bulbs and gave suggestions on varieties best suited for this locality.

At the close of the meeting refreshments of cookies, chocolate nuggets, and lemonade were served. Members present were Ann Acker, Sandra Bolerjack, Susan Kisker, Sandra Peterson, Conna Key Archer, Lois Carol Williams, Ruth Whippo, Jane Burk, Bryna Crum, Sherri Redfern, Roger D. Wright, Roy Headlee, Jack Bell, Mrs. D. D. Shanks, guest, and Mrs. King, sponsor.

### Miami Club Observes Its 25th Anniversary

MIAMI — (Special) — Members of the Child Study Club honored Mrs. R. B. Haynes, a charter member, and former club members with a silver anniversary tea and program Friday afternoon in the home of Mrs. R. J. Bean.

Mrs. Bean, Mrs. Haynes, Mrs. J. W. McCormick, president of the club, and Mrs. H. P. Munday of Shamrock, president of the 7th District of Federated Club Women, formed the receiving line.

Mrs. Bean, outgoing president, welcomed the guests, and Mrs. Haynes introduced the former members and guests.

Mrs. McCormick gave the aims of the club and dedicated this club year to Mrs. Haynes, only charter member still belonging to the club. She also presented her with silver serving fork, engraved with "Child Study Club 30-55."

Miss Dorothy Marshall of Wyoming, Nebraska, accompanied by Miss Juanita Haynes, sang several selections. Miss Haynes provided music for the serving hour.

The serving table was covered with a lace cloth, and centered with an arrangement of carnations, the club flower. Mrs. Bean and Mrs. McCormick presided at the table.

### RUTH MILLETT

All these wonderful labor-saving devices that are supposed to take all the drudgery out of housework for the modern house-wife do relieve her of a lot of backbreaking work. However, they also fill her with frustrations.

Any housewife who has a so-called push-button home nearly always has at least one mechanical marvel that is out of whack or one that has to be replaced.

And the frustrating part of the business is that trouble usually pops up at the most inconvenient moment.

The electric washer goes on the blink the day the family arrives home from a two weeks' automobile trip, their suitcases loaded with dirty clothes.

The air-conditioning flops the night mama has invited 20 for a buffet supper, confident that though the temperature outside is close to 100, inside it will be cool and comfortable.

The hot-water heater bursts and floods the house just before out-of-town guests are due to arrive.

The thermostat on the oven of the electric stove goes berserk and mama goes ovenless for weeks while she waits for a new part from the factory.

Push-button living is fine, so long as all the buttons you push work. But we so quickly adjust our living standards to our labor-saving equipment that having a machine on the blink throws a monkey wrench into routine.

This is the frustrating side of the picture of the "completely automatic" home that nobody ever mentions. Even the housewife happily forgets it in those blissful interludes when every gadget is busily doing what it is supposed to do.

48th Year **Miss LaVonda Callan Becomes Bride  
Of Billy Chance In Double-Ring Rite**

MRS. JAMES E. HOWARD  
(Photo by Clarence's Studio)

**Marriage Of Miss Shirley Jo Hoobler  
To Lt. James E. Howard Is Announced**

Mrs. Charles Brew of Barcelona, Venezuela, announces the marriage of her daughter, Miss Shirley Jo Hoobler, to Lt. James E. Howard, son of Mr. and Mrs. F. A. Howard, 418 Louisiana, Pampa.

The double-ring ceremony was performed in the chapel of Moore Air Base at Mission, Texas, at 6 p.m. Sept. 1.

The bride was attired in a white linen suit with blue accessories. She carried a bouquet of white carnations over a white Bible.

Mrs. June Knerum of White Plains, N. Y., was matron of honor. She wore a navy blue crepe dress with white accessories and a corsage of red carnations.

Lt. William Carrington of Washington, D. C., served as best man. Following the ceremony, a reception was held in the home of Lt. and Mrs. William Carrington. The serving table was covered with lace cloth and centered with the three-tiered wedding cake topped with a miniature bride and groom.

The couple will be at home at 2001 N. 12th, McAllen, Texas.

The bride formerly made her home with her sister, Mrs. Dick Rette, 1120 Terrace, Pampa, and was employed by the Celanese Corporation here. She was graduated from Cabette County Community High School in Altamont, Kan., and attended Coffeyville Junior College in Coffeyville, Kan. She was graduated also from Skidmore Business College of San Bernardino, Calif.

The bridegroom was graduated from Pampa High School and attended Tarleton State College in Stephenville. He received an ap-

pointment to the U. S. Military Academy at West Point, N. Y., from where he was graduated with honors in June. He is now in flight training at the AFB in Mission.

**Goodwill HD Club  
Elects Officers**

The Goodwill Home Demonstration Club met recently in the home of Mrs. Derrell Hogsett, 417 Magnolia.

Officers elected were Mrs. Johnnie Johnson, president; Mrs. W. L. Epps, vice-president; Mrs. Bill Cox, secretary-treasurer; Mrs. A. P. Coombes, council delegate; Mrs. Eugene Turner, reporter; Mrs. Boyd Maule, parliamentarian.

Members were shown the ribbon and cash prize the group won in the display at the agriculture and livestock achievement day in the women's department.

Plans were made for the club's achievement day, to be held in the home of Mrs. W. L. Epps, 1909 Duncan, Oct. 6.

Refreshments of coffee, rolls and doughnuts were served. Attending were Mrs. Derrell Hogsett, A. P. Coombes, Johnnie Johnson, W. L. Epps, Boyd Maule, Worth Nelson and Bill Cox. Mrs. James Baird was welcomed as a new member.

Swiss cheese melted into scrambled eggs is good for a late breakfast. Just before the eggs are done, stir strips of Swiss cheese with the eggs until melted. Serve on toasted, buttered English muffins.

Don Brown served as best man, and ushers were J. E. Callan and George Fisher.

Candelights were Misses Donna Sue Daniels and Freda Mae Hall. They were attired in orchid-colored dresses and carried white tapers decorated with orchid and white flowers.

The couple was married before an altar flanked by bouquets of orchid and white flowers and backed by candelabra with white tapers. Miss Mary Ann Becker was organist, and Miss Anna Sue Davis sang "Because" and "The Lord's Prayer." Guests were received by Mrs. Hershell Sanders.

Mrs. Callan, mother of the bride, wore a blue dress trimmed with red, and the bridegroom's mother was attired in a black dress with white accessories. Both wore corsages of white carnations.

Following the ceremony, a reception was held in the home of the bride's parents.

The couple took a wedding trip to Colorado Springs and are at home at 511 S. Gray, Pampa.

The bride was graduated from Pampa High School. The bridegroom was graduated from Wheeler High School and is employed by the Cabot Carbon Companies here.

**El Progreso Has  
Luncheon Meeting**

El Progreso Club opened its new club year with a luncheon meeting in Mrs. W. L. Heske's home, 1120 N. Somerville. The tables were decorated in keeping with the new year's theme, "Lighting Our Pathways." Miniature hurricane lamps, decorated with pink and white daisies tied with green ribbon, and silhouette lamp-lighters were the centerpieces. The tables were covered with pink luncheon cloths, and each place card was adorned with pink rosebuds.

Mrs. W. R. Ewing gave the invocation. Mrs. D. V. Burton, social chairman, presided over the social hour. She introduced Mrs. Harold Wright, past president, who gave some opening remarks and introduced the new president, Mrs. Carlton Nance.

Mrs. Nance spoke on the subject, "Today is Our Future."

She said: "Our club year should challenge each of us to 'Keep on Growing' — but the future is now and we could set up these principles to guide us: (1) that a house in order always looks clean; (2) We need to learn not to dislike people who differ with us; (3) we can be thankful for one another; (4) we can be happy; (5) we can look as well as we can; (6) we can try to strengthen our minds. Today has something more thrilling than yesterday because it is here — it is new — it is now."

Those attending were Mrs. S. A. Blundell, W. R. Ewing, D. V. Burton, Don Boyd, Sam B. Cook, J. F. Curtis, Howard E. Johnson, Roy E. Johnson, Knox Kinard, J. Edmund Kirby, P. C. Ledrick, Bob McCoy, Grundy Morrison, Carlton Nance and Harold Wright.

If you can't afford or don't want air conditioning in your home, try one of the window-installation fans for hot-weather relief. These pull in fresh air and keep it circulating through the rooms. They're ideal (and inexpensive) for cooling a small apartment.

These are some of the electric appliances that make Mrs. Pate say "living is twice as much fun — electrically."

"Two electric ranges make a wonderful combination. Two of us can cook and bake at the same time. I have extra surface units with the two 24 inch ranges, and, as you can see, the two ranges, with a work space between, are ideal. And even with two electric ranges, my kitchen stays cool all the time."

There's just no limit to the pleasure of electric living. Ranges, for example, come in so many sizes and styles, including built-in custom models, that you can make any arrangement that pleases you and your budget.

### The Roy Johnsons Present Program At LGA Meeting

Roy Johnson, accompanied by Mrs. Johnson, presented a program of vocal selections to the Ladies Golf Association Friday in the Pampa Country Club.

Johnson opened his program with "God Gave Us Prayer" by Genevieve Mize, which he dedicated to Babe Zaharias, famous woman golfer fighting for her life against cancer.

His other selections included "The Hills Of Home" by Oscar Fox; "Nuffin Plus Nuffin" by Schroeder; "Blue Star" by Victor Young, adapted from the theme song of the television show, "Medic"; and "Homing" by Teresa Del Riego.

For his encore he sang the short and light song, "The Lightning Bug."

During the business session, Mrs. Lil Hall told of the coming women's golf tournament, to be held Sept. 24 and 25, and to be continued Oct. 1 and 2. Trophies to be awarded were displayed on the luncheon tables and were explained by Mrs. Hall. Twelve trophies and three plaques will be awarded. Deadline for qualifying for the match is Thursday.

Mrs. H. H. Hicks, president, announced a duplicate bridge club will be organized at 7:30 p.m. Monday in the Pine Room of the Pampa Hotel. She also told the women that a bridge tournament will be held in the Country Club Sept. 20, from 10 a.m. to 4 p.m. Luncheon will be served at noon.

### Two Pampans Are Elected To Office In District PTA During Meet In Pampa

The 19th District of the Parent-Teacher Association met Thursday morning in the Junior High School auditorium, with Mrs. James Lewis of Pampa presiding.

Rev. Walter Hoskin of Borger gave the invocation and Mrs. J. K. Bradley of Rice, state vice-

president, explained the reason for the recent division of district 8, resulting in the new 19th district, which includes Pampa. She told of the five districts of the state association, which has 322,000 members. She stated the recent division became necessary due to the "phenomenal growth of our population and the growth of our school children and the vast distance of our state."

Rev. Walter Hoskin of Borger was chosen presiding chairman for the election of officers; and Mrs. R. A. Mack of Pampa was chosen acting secretary.

Those named to the nominating committee were Mrs. James Lewis of Pampa, chairman; and Mrs. Guy Hazlett of Borger, Mrs. Vance Apple of Perryton, Mrs. Raymond Powell of Spearman and Mrs. Chester Tundall of Shamrock.

Officers elected were Mrs. Frank Ogle of Borger, president; Mrs. R. A. Mack of Pampa, recording secretary; Mrs. A. H. Tekell of Borger, corresponding secretary; Mrs. Orville K. Smith of Childress, first vice-president; Mrs. Guy Hardin of Shamrock, second vice-president; Mrs. Jack Foster of Pampa, third vice-president; Mrs. Raymond Powell of Spearman, fourth vice-president; and Mrs. George Bonecutter of Stinnett, fifth vice-president.

They were installed by Mrs. Bradley, whose theme was, "The Golden Keys of Success."

There were 148 delegates registered. Following the meeting, luncheon was served in the Pampa Hotel.

AROUND THE WORLD

**TASTING THE PUNCH** — Middleweight Danny Giovannelli, left, of Brooklyn, takes a right to the jaw by Ray Drake in their ten-rounder at Madison Square Garden. In his debut as a main eventer at the Garden, Drake, of Far Rockaway, N. Y., won a unanimous decision.

**SHARING** — After a cool dunk in a pool at New York's Bronx Park Zoo, Oka, an ape, is trying affectionately to share some of the moisture with keeper Michael Quinn. Even an ape has sense enough to know there's nothing as good as a pool in scorching weather.

**NEW METHOD** — In a new speed system for icing up freight cars moving from coast to coast, 300-pound blocks of ice move along a conveyor platform as a train carrying fresh produce pulls into Laramie, Wyo. A specially built machine rolls down the tracks on each side of the ice and removes it, chops it into 50-pound blocks or smaller and drops them into the refrigerator cars. The ice is manufactured on the spot and 60 to 90 cars can be re-iced in less than half an hour.

**COMING HOME** — Yankee slugger Mickey Mantle, right, is met at the plate by teammate Joe Collins and a batboy, left, upon scoring a homer in the first inning of the night game against Baltimore at the Stadium in New York. The Yankees blanked the Orioles, 8-0, with Whitey Ford pitching a two-hitter. Umpire is Bill Soar.

**AS SEEN FROM ABOVE** — The Changing of the Guard draws a lot of visitors to the courtyard of the Horseguards building in London. This bird's-eye view of the colorful ceremony, which takes place daily at 11 A.M., was made from The War Office, across Whitehall. A similar ceremony also takes place daily in front of Buckingham Palace.

**SHARING A PICNIC** — A six-week-old Shetland pony got an invitation to share their lunch from twins Diana and Phillipa Parsons, right, in Ascot, England. The foal, named "Peregrin of Deercreeks," was the entry of the twins' mother in the annual summer show of the Ponies of Britain Club. These three were not making their first acquaintance with one another.

**SPECIAL MEAL** — At the tender age of three weeks, the London Zoo's King Penguin chick, Sally, has to be helped by her mother, Mary, at meal time. Sally will be trading her dark coat soon for a formal black-and-white outfit. This photo was among the first ever permitted of the newcomer who will be a popular addition to the zoo's residents.

## END OF A NIGHTMARE

**AFTERMATH** — Mrs. Anna Landi, left, the owner, and a friend, Mrs. Janet Baral, are trying to clean up that liquor store in Winsted, Conn., after floodwaters had passed over the town. Residents of Winsted are undergoing a major clean-up job because of the water damage. The Federal government set up a \$75,000,000 program for flood-stricken northeastern states.

**TOUGH ON AUTOS** — The flood-mangled remains of a new car are being looked over at Washington, Conn., by Theodore Johnson and his son Ken, 10, of North Bellmore, N. Y. Waters hit the auto with the force of a freight train, above. Two car owners in Boston are looking sadly at the spot where they had parked. Their possessions were almost out of sight.

**BUILDING UP** — When he returned to New York on the Ile de France after a trip to Europe, comedian Red Buttons went in for some social climbing. With him are Debbie Lu Carlin, top, a freshman at Simmons College, Boston, and Esther Wallach, 18, of New York University — college queens.

**VISITORS — STAY AWAY!** — A lot of unexpected visitors are welcome, but not when they enter a house this unexpectedly. The rear end of a car is protruding from the house into which it crashed when defective steering threw it out of control in Erie, Pa. No one in the car, or in the house, was injured, but the accident didn't do the living room any good.

# Texas Railroad Commission Reports Three Deep Intents

Three of 35 intentions to drill filed in the Pampa office of the Texas Railroad Commission this week were for depths of over 5,000 feet.

Two of them were wildcats. They are Gray County's Rip C. Underwood and Shamrock Oil and Gas Corporation, Beville Number 1, 13 miles northeast of Pampa with a proposed depth of 10,000 feet and Lipscomb County's Humble Oil and Refining Company, W. C. Merydith, et ux, number 1, 14 miles west of Lipscomb with a proposed depth of 11,000 feet.

Three gasers were reported completed.

Ochiltree Stakes Wells

PERRYTON - (Special) - Four more wildcats have been staked in Ochiltree county during the week, all four in the western part of the county.

The National Association Petroleum Co. has staked the No. 1 R. H. Holland in the H. C. Day survey in the northwest corner of Ochiltree county, about 15 miles

northwest of Perryton.

The test, to be drilled to 7,800, is two miles east of the Hansford county line and four miles south of the Texas county line. It is 2 1/2 miles southeast of a dry hole.

The Union Oil Co. of California has staked the No. 1 Viva Buck hauls in Sec. 32, Blk. JTH, seven miles south of Farnsworth. This is scheduled for 8,000 feet. It is two miles south of the same company's No. 1 Russell.

The Superior Oil Co. is reported to have staked two wells this week. One is in the northeast corner of Sec. 8, GH&H Survey, on land owned by Byron and Cecil Tevia,

Industry Meet Will Be Held In Canyon

Panhandle industry leaders and the faculty of the Business Administration Department of West Texas State College have completed final arrangements for the third Panhandle Industrial Relations Conference to be held on the campus at West Texas State College at Canyon, Oct. 19.

The meeting will be sponsored by the Panhandle Personnel Association in conjunction with West Texas State College. The Panhandle Personnel Association is an organization of personnel and industrial relations executives representing a large number of business and industrial firms located in Pampa, Amarillo, Borger, Dumas and surrounding areas.

The Association has been actively engaged in a program for developing a better understanding of problems of Management-Worker relationships within business and once monthly for an educational program.

O. C. Hampton, Association President, and Industrial Relations Superintendent of the Phillips Chemical Company, Dumas, Texas, announced that the conference theme selected by the Planning Committee would be "Keys to Supervisor-Worker Relationship."

He explained further that the program should prove especially beneficial to Foremen, Office Managers, and other categories of persons supervising people.

A varied and impressive panel of speakers have been confirmed for the one day meeting, among which are W. W. Keeler, Vice-President of the Phillips Petroleum Company; Dr. L. V. Wiksell, authority on Communications in Industry, from Louisiana State University; C. V. Elwell, Manager of Administration Division of the Western Company of Midland, Texas; and Dr. Jay L. Otis, authority on interviewing a D. D. counselling, Western Reserve University.

"This impressive group selected from the industrial and educational fields will present talks of direct interest to all supervisors," stated Mr. Hampton, "and we are most fortunate to obtain the services of these gentlemen who have distinguished themselves in their respective fields."

"Dr. G. E. Kiser, Chairman, School of Business, at West Texas State College is accepting registrations for the Conference, W. R. Rollen, Personnel Supervisor, The Procter & Gamble Defense Corporation, Amarillo, is general chairman of the Conference this year."
