## Syrian Rebels Claim Nasser Force Routed

### Cabinet Named To Rule Nation, Report Asserts

BEIRUT, Lebanon (UPI) — Syrian military insurgents established an independent civilian government today and promptly won formal recognition from neighboring Jordan. The rebels claimed a smashing victory over Egyptian paratroopers at Latakia.

The revolt which was launched early Thursday against United Arab Republic President Gamal Abdel Nasser's regime apparently was gaining strength by the hour.

Meantime, in Cairo, Nasser said today he had cancelled plans for large scale military actions against Syria after provincial garrison commanders there defied the revolt.

Damascus Radio announced the new government this morning shortly after it triumphantly proclaimed that 200 Egyptian soldiers dropped on the big port city of Latakia had been "wiped out" by Syrian soldiers.

It was the first reported battle of the rebellion.

A broadcast by Damascus radio heard in Jerusalem said the Syrian rebels had captured the city of the Egyptian paratroopers without bloodshed.

Damascus Radio earlier said Dr. Hamud Al-Kazbari, 47 year old attorney-physician and a member of the Pre-UAR Syrian governments, had been named premier, foreign and defense minister.

Al-Kazbari promptly named an 11-member civilian cabinet. The military leaders of the rebellion promised "free elections."

In Amman, young King Hussein, who often has been at odds with Nasser, called in his cabinet. The government immediately announced recognition and "unlimited" support for the new Syrian government.

Premier Baghat Talhouni called Al-Kazbari that "the revolution of the Arab people and their victorious army has triumphed in complete success and immortal Syria has regained its true position as a stronghold of true Arabism."

Al-Kazbari is a physician as well as an attorney. He served in three different Syrian governments from 1952 to 1956. However, he played no part in the forming of the joint Egyptian-Syrian

Nixon, who announced for the governorship Wednesday night, was not available for immediate comment.

Robert Finch, Nixon's campaign manager in his unsuccessful bid for the presidency last year, promptly said the former governor's claim of a proffered deal was "absolutely preposterous."

Knight made the charge shortly after repeating his intention of staying in the race.

"It was right after 1 p.m. on Sept. 7 when I received the telephone call," he said. "I knew what it meant—it was a message from Nixon. I had two others in the room lean over and listen."

"He said: 'I telephoned to tell you Dick is going to run for governor.'"

### Navy Frigate 'Parades' By JFK'S Yacht

NEWPORT, R.I. (UPI) — Caroline Kennedy, a blonde going on four years old, stared up from the deck of her daddy's yacht at the biggest, greyest ship she had ever seen.

Her mother, Mrs. Jacqueline Kennedy, called Caroline's notice to about 225 white-uniformed sailors standing at rigid attention along the rail of the vessel, a 5,900-ton Navy frigate.

Caroline playfully responded by plopping into the lifeboat beside which she and her mother were standing on the top deck of President Kennedy's 92-foot yacht, the Honey Fitz.

Kennedy, cruising for 2 1/2 hours with his wife and daughter, had sent word from his yacht Thursday afternoon for the 500-foot frigate, the destroyer leader Willis A. Lee, to cut engines so that he could get a good look at it.

The President, an old Navy man had seen the vessel steaming into port at the Newport, R.I., naval base while his yacht was at anchor across Narragansett Bay, off Jamestown, R.I. This was several miles from Hammersmith Farm, the estate of Mrs. Kennedy's parents, where the President and his family were vacationing.

Mrs. Kennedy, wearing charette slacks, blouse and kerchief, held sunsuit-clad Caroline by the hand on the upper deck of the Honey Fitz as it passed beside the ominous battle craft.

Diplomatic reports and statements by the rebel-held Damascus Radio indicated the revolution was inspired by Syrian nationalism, aimed at breaking away from the U.A.R. in which Syrians felt they had a secondary role.

Diplomatic observers here said it appeared Nasser "dug himself into a bad hole" by refusing to compromise politically with the discontented Syrians. This left Nasser three choices, all of them presenting him with problems:

—He could let Syria go, which would be a major blow to his ambitions to be leader of the entire Arab world.

—He could make an embarrassing belated compromise.

—He could fight it out with military force.

Iraq has ambitions of being the Arab leader. So does Jordan. If Syria splits away, it might fall into alignment with these states. There would be other changes in Arab politics. Lebanon and other states whose relations with Syria were strained after it joined the U.A.R. could become closer.

Nevertheless, West Berlin police said, at least eight do-or-die East Berliners managed to cross the border to safety today.

American officials shrugged off a Communist protest against the U. S. Army's helicopter-lift of seven refugees over a mile of East German territory from the isolated enclave of Steinstuecken to West Berlin.

West Berlin newspapers gave top headlines to U. S. Air Force Secretary Eugene M. Zuckert's pledge Thursday that America is "determined to maintain uncontrolled air access both for military personnel and civilians" to Berlin.

Zuckert's promise quieted fears here that the United States was prepared to allow the East Germans some control over West Germans flying into the city. The fears were touched off by the absence of any specific mention of civilian access in President Kennedy's United Nations speech earlier this week.

The East Germans claimed again today they would take over control of land and air routes once a peace treaty is signed.

Zuckert Thursday wound up a two-day inspection of U. S. installations that would help control Allied air traffic across the Iron Curtain during a possible airlift. He conferred with President Kennedy's personal representative, retired Gen. Lucius D. Clay.

### Reds Trying To Exploit Syrian War

WASHINGTON (UPI)—The revolt in Syria does not appear to experts here to be Communist-directed, although Red demonstrators are attempting to exploit it to their own ends.

But if the uprising succeeds in splitting Syria from the United Arab Republic, it would bring a major realignment of Arab politics and endanger the stability of the Middle East.

Syria is an ancient center of intrigue. Before 1958 when it merged with Egypt to form the U.A.R., it was being heavily infiltrated by Communists. After the merger, U.A.R. President Gamal Abdel Nasser outlawed the Communist party.

As a separate country Syria again could be susceptible to these influences.

Diplomatic reports and statements by the rebel-held Damascus Radio indicated the revolution was inspired by Syrian nationalism, aimed at breaking away from the U.A.R. in which Syrians felt they had a secondary role.

Diplomatic observers here said it appeared Nasser "dug himself into a bad hole" by refusing to compromise politically with the discontented Syrians. This left Nasser three choices, all of them presenting him with problems:

The Communist charges did not refer to the corridors. They referred to the United States' right to travel to Steinstuecken, which was carved out of Communist territory when Berlin was partitioned in 1945.

### Reds Use Forced Labor On Berlin 'Death Strip'

BERLIN (UPI) — Communist police marched 3,000 East German workers into fields and garden plots at dawn today to deepen the "death strip" along the Berlin border.

Men and women were sent to work with pick-axes and shovels to clear out trees, gardening sheds and other obstacles to create a clear field of fire on would-be refugees trying to escape across the border to West Berlin.

A U. S. Army helicopter and military police patrols near the border observed the Communist action, witnesses said.

The "death-strip" operation on the border between the East Berlin district of Treptow and the American sector of Neukoelln was being repeated on a smaller scale at many other places around West Berlin, police reported.

Nevertheless, West Berlin police said, at least eight do-or-die East Berliners managed to cross the border to safety today.

American officials shrugged off a Communist protest against the U. S. Army's helicopter-lift of seven refugees over a mile of East German territory from the isolated enclave of Steinstuecken to West Berlin.

## Russia Reveals New Plan For UN Secretariat

UNITED NATIONS, N.Y. (UPI) — Russia today circulated a proposal for a panel of directors to run the United Nations and there were indications it was weakening its demand for veto power over its decisions.

The General Assembly was in adjournment out of respect to the late Secretary General Dag Hammarskjold, whose funeral service was being held today in Uppsala, Sweden. The 100-nation world parliament was scheduled to meet again Monday.

It was not certain whether Russia wanted a four-man or a five-man directorate for the United Nations.

The plan still met immediate objections from the United States and other Western powers.

Soviet Ambassador Valerian A. Zorin submitted to some delegations a draft resolution declaring that:

"The General Assembly, on the recommendation of the Security Council, as a temporary measure up till April, 1963, invites Mr. X to organize the work of the secretariat together with Mr. A, Mr. B and Mr. C, his deputies, and believes that these persons will do their utmost to act in common agreement in discharging the functions of the secretariat which have been entrusted to it by the U.N. charter."

April, 1963, is when Hammarskjold's second five-year term would have expired.

Reliable diplomatic sources said the words "do their utmost to" were pencilled into the draft resolution by Soviet Foreign Minister Andrei Gromyko. This qualification was taken as an indication that the Soviet Union would not insist upon veto powers for the entire directorate.

Western sources said the Russians had in mind a Western, a Communist and a neutralist deputy to aid the interim secretary general. Eastern European sources said, however, that the Kremlin was considering a proposal for a five-man panel, to comprise a Westerner, a Communist, an Asian, an African and a Latin American.

Hammarskjold, who died in a plane crash while on a peace mission in Africa, came home Thursday. Five Swedish crew members who died in the same crash Sept. 17 were being buried in Malmö as Stockholm paid tribute to the U.N. leader.

Hundreds of thousands of saddened Swedes lined roads to watch the hearse carrying Hammarskjold's body make its way in a slow procession from Stockholm's Bromma Airport to Uppsala.

Thursday night, 8,000 silent mourners filed by his flower-covered coffin in the cathedral, where students from Asia, Africa and Sweden formed a guard of honor.

Perryton Blast Blamed On Dust

PERRYTON (UPI)—The manager of a grain elevator which was destroyed by an explosion that injured three persons today blamed dust for causing the blast.

T. R. Shirley said the explosion at the Holland Grain Co. caused more than \$12,000 damage. A fire broke out, but was extinguished before it did much damage.

One of the injured was Wilson Skinner, an employee at the grain company. The other two persons injured were Mr. and Mrs. Carl C. Stafford who live near the elevator.

All were reported in good condition. The two men received burns on the face and neck, and Mrs. Stafford, who was in her kitchen when the explosion occurred, was cut by flying glass from a window that was blown out.

Taxes Paid Up, Charges Dropped

LONDON (UPI)—Prime Minister Harold Macmillan's son-in-law Andrew Heath, paid his \$260 in back property and water taxes Thursday after court warrants were issued against him.

The warrants were withdrawn after Heath, who is married to Macmillan's daughter, Sarah, made "a full settlement," court officials said.

### Pampa And The Top O' Texas In Transition

A fellow decided to get out of cattle trading for a couple of years because the market was "shaky." He came to Pampa and started a small business. He has been so busy keeping up with this business (he has three similar firms now) he hasn't had time to read—the cattle quotations for the past 14 years.

That's another of Pampa's amazing success stories which are a part of the Transition issue of the Pampa Daily News, coming soon. For full details watch for "Top O' Texas in Transition." Better still, order extra copies for friends and relatives who you'd like to impress.

The big, big paper will have hundreds of pictures and hundreds of exciting stories of experiences of success and growth in the area as well as projections of what the future may hold.

We invite your suggestions for interesting subject matter, too. And you just might have an old time picture of Pampa "before" which we haven't seen and which fits into the enthralling pattern. Bring 'em in and let us see!

## Nixon Sought Unopposed Race, 1962 Foe Charges

LOS ANGELES (UPI)—California's never placid political waters were whipped into a storm today with a former governor's charge that Richard M. Nixon tried to maneuver himself into the unopposed Republican nomination for governor in 1962.

Goodwin J. Knight, himself a candidate for the nomination, said Thursday that a Nixon emissary telephoned him Sept. 7 and told him, "Dick will be willing to give you anything you want in California, including the Supreme Court, if you don't run."

Nixon, who announced for the governorship Wednesday night, was not available for immediate comment.

Robert Finch, Nixon's campaign manager in his unsuccessful bid for the presidency last year, promptly said the former governor's claim of a proffered deal was "absolutely preposterous."

Knight made the charge shortly after repeating his intention of staying in the race.

"It was right after 1 p.m. on Sept. 7 when I received the telephone call," he said. "I knew what it meant—it was a message from Nixon. I had two others in the room lean over and listen."

"He said: 'I telephoned to tell you Dick is going to run for governor.'"

"He asked, 'Would you be willing to meet with Dick and Bob Finch?' then he said, 'Dick will be willing to give you anything you want in California, including the Supreme Court, if you don't run,'" Knight added.

"If Nixon denies this," Knight said, "I have proof of the telephone call to my private number, and my witnesses."

## Friends Think Nixon Will Seek Presidency

WASHINGTON (UPI)—Richard M. Nixon remains in the 1964 presidential race despite his disavowal, unless he loses his bid for the California governorship.

Nixon's intimates said Thursday this was the safest conclusion they could make in weighing his announcement that he would run for governor but "not seek the presidency in 1964."

They apparently attached importance to the phrase "not seek." Politicians traditionally avoid crossing or burning their bridges until it's necessary.

Any other stand than to make it clear he intended to serve a full four-year gubernatorial term would invite defeat.

A Nixon victory — with or without a slump in President Kennedy's standing — would almost certainly develop a "draft Nixon" movement for 1964. A defeat, however, might end his presidential chances forever.

Despite the fact that the former GOP vice president lost to Kennedy last year, few Republicans expect 1964 to be as good a time as 1968 to try for the White House.

At 48, Nixon is young enough to wait the additional four years. But anything could happen to change

the outlook and alter the demands on a potential candidate.

New York Gov. Nelson A. Rockefeller sided with those who did not feel that Nixon is "out" of the 1964 race. Rockefeller, who is almost certain to seek the presidential nomination, stressed that it was "premature" to count out Nixon.

Sen. Barry Goldwater, R-Ariz., a possible conservative wing presidential candidate, took the opposite view. He said he believes Nixon's no-candidate statement is a "valid, honest promise and that Nixon will wait until 1968."

The uproar started when about 40 uniformed and plainclothes policemen stopped photographers from getting close to the stage to take pictures of Miss Taylor. There were shouts of "stop the ceremony" and "where are the organizers?"

The photographers eventually ran around the stage and into the wings, from where most of them were able to take pictures of the beautiful actress in the provocative gown.

Liz and Eddie rushed from the theater as the photographers

shouted, struggled and argued with the police.

When they got outside, they were mobbed by a crowd of 2,000 screaming Italians. For a few moments, Miss Taylor was lost in the mob and all that could be seen of her was a bouquet of flowers she held aloft.

Fisher frantically pushed her into a car that was parked at the curb and locked the door. She remained inside until her own automobile was driven up. Then she and Fisher drove off.

### Actress Elizabeth Taylor Almost Mobbed In Rome

ROME (UPI) — Elizabeth Taylor, wearing a silver evening gown with a neckline that plunged to the waist, was mobbed Thursday night by cheering Italian film fans as she left Rome's Sistine Theater.

Miss Taylor's husband, singer Eddie Fisher, charged to the rescue. He shoved her into an automobile and locked her inside.

The actress and her husband had just left the theater where she had received an Italian movie "Silver Mask" award in a ceremony that turned into a near-riot.

### Dear Abby...

#### Husband Feels Wife Needs Supervision!

By ABIGAIL VAN BUREN

DEAR ABBY: I am 17 and my husband is 19. We have been married four months. My husband is in service, and is going overseas in ten days. We have been living with his parents ever since our marriage. My problem is this: My husband wants me to continue to live with his parents while he is gone. His parents are nice people but I would be much happier with my own parents. My husband has hinted around that he doesn't trust me, and he is sure if I stay with his folks he won't have anything to worry about. Don't you think I should be able to stay with my own parents?

YOUNG, MARRIED AND NOT TRUSTED

DEAR ABBY: If your husband "doesn't trust you" there is nothing that I (or you, or anyone else) can say to change his mind. I

Shelby Hood and Miss Lou Ella Patterson, Gray County Home Demonstration agent.

### Mother McPhillip's Seventy-Fourth Birthday To Be Noted At Open House

Mother Edith McPhillips, a lady beloved by her friends, will be 74 years old on Saturday. Her sons, Tommy, Jimmy, Raymond, Jr., who live in Pampa and daughters, Mrs. Winnie Evers of Lubbock, Miss Edith McPhillips, Mrs. Margie Storse and Mrs. Pauline Watson, all of Amarillo, will be hosts for an Open House on Saturday in Mrs. McPhillips' home, 428 N. Christy. They invite all of her friends to call sometime during the day.

Through bedfast and afflicted with a crippling disease for over 20 years, Mrs. McPhillips is the author of a book of religious tracts entitled "Broken Alabaster," as well as single tracts, which have been sent around the world.

All of the proceeds from the sale of the tracts are used by her to further mission work.

As a result of her generosity, one mission, Ginger Hill Chapel, is established in Jamaica. The pulpit and communion set are memorials to her husband, Raymond, who, prior to his death was an employee of the Post Office Department. The seats and wall pictures, provided by Mother McPhillips' contributions, also, are memorials to her closest friends.

A second mission is underway now on the island of Jamaica and will be named for and dedicated to Mother McPhillips. The missions are non-denominational.

Mrs. McPhillips was born in the village of Shillingstone in southern England, the daughter of a Bible and book colporteur, whom she accompanied on preaching tours throughout England.

During the first World War, she and her sister, Rose, served with the Voluntary Aid Detachment Corps at a base hospital in Herston, England. There she met and was married to Raymond McPhillips, who was a private in the United States Medical Corps.

After the birth of a son and

daughter, Winnie and Jimmie in England, the family came to the United States, where six more children, Margie, Pauline Edith and Tommy were added to the family circle, as well as a set of twins, Margret Ann and Raymond. Margret Ann, who was affectionately called "Annie Girl," suffered from ill health during most of her young life and died at the age of seven.

Over 20 years ago, Mother McPhillips became the victim of crippling arthritis and has been confined to a bed for the rest of her life. Her son, Tommy, is her constant companion. But from her bedside was launched a great missionary effort, which is an inspiration to those who know her well.

### Troop 66 Works With Plaster Molds

LEFORS (Spl) — Brownie Troop 66 met recently in the scout house, with their leaders, Mrs. Leonard Cain, Mrs. F. M. Cox, assisted by Mrs. Ernest Foshee.

Marsha Brewer presided as president. Sandra Cain, vice-president, led the pledge of allegiance. "Brownie Smile Song," completed opening ceremonies.

The remainder of the meeting was spent making plaster paris molds. Elaine Foshee served refreshments.

Others present were Vickie Cochran, Susan Cain, Peggy Cox, Patricia Moxon, Gaylene Swann, Margie Chastain, and Paula Beck.

## Texas Federated Club To Convene In Austin

The State Board of Directors Meeting and Workshop of The Texas Federation of Women's Clubs will be held at the Headquarters Building in Austin on Tuesday and Wednesday, October 3-4. Mrs. Harry Griffiths, state president, will preside at the business sessions. Austin clubwomen who are members of the State Board will be hostesses for the meeting.

This meeting is not only for the appointed members of the board, but is for all federated club presidents and any member who would like to come and hear firsthand the objectives of this second year of the administration, as well as the outstanding guest speakers. Mrs. Griffiths has just returned from Washington, where she attended the General Federation Board Meeting and will bring to the Texas women the reports of that meeting. She will also give a report on her trip to Finalnd in June.

The pre-convention meetings will begin on Monday evening for the District President, Board of Trustees and Executive Committee. The General Assembly will be at 10 a.m. on Tuesday morning. At that time the women will be welcomed to Austin by the Mayor, and will hear a response by Mrs. Florence Johnson Scott of Rio Grande City, a past president of Texas Federation.

Three outstanding speakers will be heard during the two day meeting, and their varied subjects will be of interest to the clubwomen. At the luncheon on Tuesday Lieutenant Colonel Vincent I. Hack, MSC, of Brooke Army Medical Center in San Antonio will

speaking on "Psychological Effect of Color". Colonel Hack is one of the nation's leading authorities on the use of color as an aid to training. He has conducted extensive advanced studies and research in this field under carefully controlled conditions. At the present time he is Chief of the Training Aids Branch at the Army Medical Service School where he has served since 1953.

For the dinner meeting on Tuesday evening, former Secretary of State, Honorable Tom Reavley of Austin will speak on "The Challenges for the Future". Mr. Reavley has an enviable record of achievements, and is one of Texas' most outstanding speakers. He is well informed on public affairs of our state, and he will cite the responsibility of every citizen of Texas in promoting good government.

The third speaker on the program for the Board Meeting will be Mr. Layman W. Cameron of San Antonio, who will speak at the luncheon on Wednesday at the Austin Country Club, and his topic is one of particular concern to the

world at this time. Mr. Cameron will speak on "Cuba, Castro, Communism." Having lived in Cuba for three years, he personally many of the people now hold high rank in the Cuban government.

In June Mrs. Griffiths, state president, went to Finalnd to represent Texas Federation at American Days Festival. Texas was the honored state accompanying her on this trip. Mrs. Jack R. Allen of Perry, president of the Top of Texas district, and they spent eight delightful days as the guests of the Finnish people.

### Memorial Gardens Mausoleum Work Now In Progress

Construction of a chapel and mausoleum in the center of Memorial Gardens, Price Rd., has been started, according to Hoyt Haynie, manager.

Haynie said the new memorial building, scheduled for completion in December, will serve as a chapel, mausoleum and memorial dedicated to the families of the area whose acceptance of this type of memorialization resulted in the management's decision to build the sanctuary.

The construction will be of steel reinforced concrete, marble, cathedral stone and bronze. There will be a continuous pattern of matched marble inside the chapel and corridors.

Haynie said the chapel will have a music system and chimes. Enough ground space, he stated, has been reserved for the addition of four corridors containing 60 enshrinement places as they are needed.

(Continued From Page 1)

That the rebels were firmly entrenched in Damascus and were gaining support.

Aradio Aleppo, which had been broadcasting anti-rebel statements and support of United Arab Republic President Gamal Abdel Nasser all day Thursday, suddenly changed its tone Thursday night.

The radio, in the northern part of Syria, announced on its 11 o'clock cast Thursday night that Aleppo's civilian governor and the president and members of Syria's National Union Council had pledged support to the revolution.

Damascus Radio reported Thursday night that the entire Syrian 1st Army—the one that Cairo Radio had said Nasser ordered to crush the revolt—had proclaimed its backing for the rebels.

If said this "freed the country from despotism and the rule" of Nasser.

In Cairo, Nasser indicated Thursday night in his second speech of the day that he would grant no quarter in his fight to retain Syria as part of the U.A.R.

### Club Regrets Home Project Plan Dropped

Members of the City Improvement Club, through their president, Mrs. Lula M. Motley, today expressed regret that plans had been stymied for a new residential development in the colored section of South Pampa.

Mrs. Motley said they regretted that the city and developer could not come to an agreement on water and sewer line costs for the paving program which was to be a part of the Bethune Heights project on Crawford St.

"We want to thank the mayor and city commissioners and all those who gave of their efforts and cash contributions for the paving," Mrs. Motley said. "We also would like to return the money to the people who contributed."

The project was abandoned, at least temporarily, at Tuesday's City Commission meeting when commissioners and the Hughes Construction Co. disagreed on plans for water and sewer line installations.

"It was with great sadness and disappointment," said Mrs. Motley, "that we learned our dream of a better place to live in a new addition had evaporated."

### Some Overtime Auto Parkers Miss Pay Box

Police Chief Jim Conner reported today that some Pampa motorists who find tickets on their cars for overtime parking are becoming a bit confused.

The chief said police have found that several motorists placed their 25-cent fines in flagpole bracket holders on the meter posts instead of in the courtesy boxes placed there for that purpose.

"The money and ticket should be put in the yellow courtesy box," Chief Conner said.

### Two Lads Caught In Robbery Case

Two juveniles were picked up by police late yesterday for the theft of \$2 from the home of H.M. Gibson, 716 Magnolia, earlier in the week.

They were taken into custody after an investigation of the break-in at the Gibson home and an attempt to enter another house across the street at 737 Magnolia. They were released in custody of their parents.

### Band Boosters Club Plans Its Activities For Season

The Pampa Band Boosters Club held its first Fall meeting in Robert E. Lee Junior High School cafeteria Thursday night and outlined plans for activities during the current school year.

Preliminary planning for a trip for the Harvester Band and the upcoming High School Marching Band Contest at Canyon Oct. 24 were discussed. The Canyon contests will find the Harvester Band and the bands from Robert E. Lee and Pampa Junior High Schools competing.

Bunny Shultz, club president, announced last night there is a possibility a bus will be chartered for attendance of Pampa school band parents and boosters at the Canyon contests if there is enough demand. It will be an all-day affair with junior high bands competing in the morning and high school bands in the afternoon and evening.

Mrs. Dona Cornutt, band club treasurer, reported the club has a balance of \$2,314.07 on hand. Announcement also was made that the club will hold a rummage sale Friday and Saturday, Oct. 6 and 7, to raise funds. The sale will be held at 120 W. Foster.

Band Directors Bill Tregoe, Pampa High School; Homer Krueger, Pampa Junior High, and Joe DiCosimo, Robert E. Lee Junior High, attended Thursday night's meeting along with some 60 members of the boosters' club.

### Articles Stolen From Automobile

Thieves forced a vent window, unlocked the door of a car parked in the 1000-block of W. Brown St. Thursday night and looted the car of a Polaroid camera, flashlight and brief case.

G. B. Hogan, 1152 Neal Rd., placed value of the stolen articles at \$104.50. He told police the theft was committed between 10:15 p.m. and midnight.

### Ruins Of Ancient Synagogue Found

ROME (UPI)—Workmen widening a road have discovered the ruins of what is thought to be the oldest synagogue ever unearthed in Europe.

The synagogue was uncovered near the site of the ancient Roman port of Ostia by men working on a road to the new Fiumicino Airport. Experts said the ruins probably date back to the First Century A.D.

### USDA Extends Fruit Fly Ban

Washington (UPI)—The Agriculture Department extended the Mexican fruit fly federally regulated area in the Lower Rio Grande Valley Thursday to Starr County, Texas, effective Sept. 30.

This is the first extension of the regulated area since 1939. The area already regulated includes the Texas counties of Brooks, Cameron, Dimmit, Hidalgo, LaSalle, Webb, and Willacy, and the southern part of Jim Wells County.

### Pilotless Bomber Gets Direct Hit

EGLIN AFB, Fla. (UPI)—A Bomarc "B" supersonic missile intercepted a pilotless jet bomber 25,000 feet above the Gulf of Mexico Thursday and destroyed the test target with a direct hit.

### James Stewart Speaks Monday To Engineers

James Stewart, Austin, secretary of the Texas Society of Professional Engineers, will be guest speaker at the TSPE Panhandle Chapter's October meeting Monday night in Dumas.

Stewart, formerly with the Texas Manufacturers' Association and a journalism major in college, has been in the executive secretary's post for the past year.

The September meeting of the Panhandle chapter was held in Borger. It was announced that the TSPE would take over the publishing of its own monthly magazine due to default by the contract publisher.

Monday night's meeting will be held at 7 p.m. in the North Plains Country Club at Dumas. Reservations may be made by calling O. B. Brinkley at Dumas.

### Wilderness Being Opened In Mexico

MEXICO CITY (UPI)—The second step of colonization of the Quintana Roo territory in south-eastern Mexico will begin by the end of the year, it was announced today.

The wilderness is being opened by the government for agriculture, new industry and exploiting vast timberlands. Several thousand families already have been settled.

The colonization is part of President Adolfo Lopez Mateos' plan to alleviate the critical economic situation for some two million peasants who are without land in rural areas.

### Lunch Counters Are Integrated

ATLANTA (UPI)—Negroes quietly integrated lunch counters and restaurants in 13 variety and chain stores Thursday to fulfill a seven-month-old desegregation agreement.

The integration was carried out by pre-arranged plan shortly after most of the noon-lunch hour traffic had left the eating places.

### Police Offices Get Paint Job

# First Christian Church Plans Week Of Preaching

A "Week of Preaching" will be featured at the First Christian Church, Starkweather and Kingsmill, starting Monday night with a visiting minister from Washington, D.C., and a guest song leader from Enid, Okla., in charge of the nightly services.

The visiting pastor will be the Rev. James Clark Brown, who was ordained in 1946 in Pampa's First Christian Church and has been serving as minister of the Cleveland Park Congregational Church in Washington since 1958.

The Rev. Mr. Brown is a graduate of Phillips University and the Yale Divinity School. He served as interim pastor of the Pampa church during his senior year at Phillips University. While at Yale he twice received the Woolcott Callins award for excellence in public preaching. He also served for three years as an administrative assistant to the clerk of the House of Representatives in Congress.

The Rev. Bob Jones, Enid, who will lead the special music services for the "Week of Preaching," began his preaching career in Kansas. He also attended Phillips University. The Rev. Mr. Jones enlisted in the U.S. Navy in 1955 and sang as tenor soloist with the Blue Jacket Choir at the Great Lakes Naval Base and appeared as a soloist on national radio and with Station WGN, Chicago. He returned to Phillips University in 1959 and will be graduated in January with a B.D. degree. He has been serving as pastor of First Christian Church at Hooker while attending school.

The special week of preaching will begin at 7:30 p.m. Monday. There will be services each night except Saturday and the concluding services will be Sunday morning, Oct. 8.

Members present were C. H. Earhart, M. A. Daigry, J. V. Guthrie, J. R. Sparkman, John Pritchard, C. H. Buttrum, O. C. Mills, W. B. Minter, W. E. Tillman, Bob Vought, Ezra Dumas, Monroe Boucher, and H. D. Dunn.

When the state was admitted to the Union in 1803, Chillicothe was the capital of Ohio.

# U.S. Clergymen To Help Locate Jobs For Youths

HOUSTON — Finding jobs for young persons is the goal of a new program spearheaded by the nation's clergymen in cooperation with industrial leaders of their local communities.

The program was developed by the clerical advisory council of the National Association of Manufacturers, with the assistance of NAM's Clergy-Industry Relations Advisory Committee.

Among the active industrial executives in this endeavor in this area is E. B. Germany, president, Lone Star Steel Co., Dallas. Germany is one of 29 NAM clergy-industry relations advisory committee members assisting NAM's clerical advisory council, composed of clergymen from the Roman Catholic, Protestant and Jewish faiths. The 29 committees are leading business and industrial executives from all over the nation.

Rev. Edward L. R. Elson, chairman of the advisory council said: "Unemployment among young people is a pressing problem. The problem is shared by every congregation, and the most productive approach toward the solution lies in voluntary, private action at the community level."

Dr. Elson, minister of the National Presbyterian church in Washington, D.C., said the lack of jobs is contributing to personality difficulties among young people, as well as posing a financial problem for their families.

Germany said the plan calls for every minister, priest and rabbi to measure the need of the young people of his congregation, and then work with local business and industrial leaders in meeting this employment need. He said a detailed step-by-step procedure can be adapted to the specific requirements of various business communities.

Germany urged all clergymen and other interested parties to contact the NAM office in Houston (1600 Holcombe Blvd.) for the free booklet describing the "Youth to Work" program.

# Thoughts Subject At Science Church

The importance of distinguishing between sound and unsound thoughts will be brought out at Christian Science services Sunday. Scriptural readings in the Lesson — Sermon entitled "Unreality" will include these verses: From Psalm 119: "I have vain thoughts; but thy law do I love. Thy righteousness is an everlasting righteousness, and thy law is the truth."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy, this citation will be read (p. 288): "The suppositional warfare between truth and error is only the mental conflict between the evidence of the spiritual senses and the testimony of the material senses, and this warfare between the Spirit and flesh will settle all questions through faith in and the understanding of divine Love."

# Brethren Church Plans Rally Day

The Church of the Brethren, will observe Rally Day in all departments of the Sunday school which begins at 9:45 a.m. Sunday.

In the 11 a.m. service, pastor Russell G. West Sr. will preach on the subject, "Man's Greatest Gift to God." As a prelude, the organist, Mrs. Paul Reimer, will play "The Largo" by Handell and the choir under the direction of Russell G. West Jr., will sing, "O Lord of Heaven, and Earth and Sea."

At 7 p.m. members and friends of the church will meet in a candlelight service in which they will observe Holy Communion.

# Broken Bread To Be Topic Of 1st Methodist Pastor

"Broken Bread" will be the sermon topic discussed by the pastor of the First Methodist Church, Hubert Bratcher, at the two morning services. The special music for the 8:30 a.m. service will be the anthem, "We Worship Thee" by Williams and sung by the Junior Choir. The Sanctuary Singers will sing the anthem, "Summer Ended" by Wood for the 10:35 service.

Sunday Evening Fellowship will be held at 6 p.m. with a light supper for the entire family in Fellowship Hall. At 6:30 p.m. children, youth, and adults will separate for one hour of planned activities according to interest and needs. The Adult Evening Bible Study will be taught by Mrs. Lee Harrah on the book of Samuel held in the Friendship Classroom.

The Sunday night service at 7:30 p.m. will be conducted by the pastor who will speak on the subject, "To Whom Shall We Go?" For the special music the Bell Choir will play "Postlude" by G. F. Handel.

# Deceit And Hypocrisy Topic Of First Baptist Pastor

Dr. Douglas Carver, pastor of the First Baptist Church, announces "Deceit and Hypocrisy In Church" for his morning worship sermon subject at 10:30 a.m.

Joe Whitten, minister of music, will direct the church choir in singing an anthem, "Man of Sorrows." A special duet will also be presented by Mrs. Glenn McConnell and Whitten. Mrs. Eloise Lane, organist, will play "Andante" by Thompson for the morning offertory.

At the 7:30 p.m. evening worship Jack Parker, minister of education, will be the speaker. He has chosen "The Last Commandment" for his subject. The Church Choir will sing "My God and I", and Miss Lane will play "Andante Religioso" by Gade for the organ offertory.

The deacons of the church will have a dinner meeting at 6:30 p.m. Monday October 2, John Gikas, chairman of the deacons urges each deacon to be present for this important meeting.

Tuesday, October 3, the District 10 Convention will convene in the First Baptist Church at 9:45 a.m. The afternoon session will be from 1:30 p.m. until 3:55 p.m. A Brotherhood barbecue and rally will begin at 6:30 p.m. and the evening session will be at 7:15 p.m.

# British Churches Try Varied Member Lures

LONDON (NEA) — A Franciscan friar slaps his sandals in time to the music, bangs on his "cool" guitar and sings a chorus of "When the Saints Go Marching In" to attract 400 teen-agers, some barefoot and long-haired, to a church service at a jazz festival.

This approach by Brother William, 35, is typical of the gimmicks being tried to bring Britishers back to the churches.

With less than 10 per cent of the population going to church on Sundays, attendance is at a record low on this tight little island. Only the Scandinavians show less interest in their churches among all of the European countries.

So now the clergy is considering almost everything, including a proposal to call in advertising agencies to fill the empty churches.

The Bishop of Bedford suggested advertising to the Church of England after being impressed by the modern techniques used by the Mormon church here and the results obtained by admen in America. In the U.S., church attendance has been boosted as much as 50 per cent by publicity.

In addition to jazz, rock 'n' roll and advertising, the churches also have jumped with juke box jive and Passion Plays featuring Christ in blue jeans.

Bishops, instead of waiting for the people to come to church, have sent clergymen down into coal mines to save souls. Some clergymen turn their "dog collars" around to drink a pint of harmless, "shandy" with workers at the local pub. But the pub-goer who plays darts with a preacher on Saturday night does not necessarily go to church on Sunday.

"Hot gospeller" Billy Graham, who has devoted much time to crusades here, has caused some bursts of religious energy. But soon after Billy Graham leaves, British church attendance slumps again.

Everything from the current bingo craze to death watch beetles in church bellies has been blamed for the present lapse into religious apathy.

Britain today offers the same challenge to the missionary that darkest Africa did in the last cen-

# Presbyterians Plan Hurricane Relief Offering

The First Presbyterian Church has designated a special offering to be taken up Sunday, October 1, for emergency relief for "Carla" victims. Many have lost homes and all their personal properties, and are in dire need of aid.

The Presbyterians funds will be distributed directly through the local church officers in the Gulf Coast areas which suffered the severe damages of the hurricane. The fund will be forwarded immediately following the Sunday Services. Checks may be made payable to "Synod of Texas Relief Fund" and earmarked "Carla." Mailed contributions should be sent to the First Presbyterian Church, Pampa.

# Cushions Made By Missionettes

The Junior Missionettes of the First Assembly of God Church met Tuesday afternoon in the church fellowship room.

The weekly project was making pin cushions.

Girls between the ages of 9 and 11 years old are invited to attend the weekly meetings. The next meeting will be held Tuesday, Oct. 3, in the church beginning at 4:15 p.m.

# Church Of Christ Plans Meetings

The Central Church of Christ will be the scene for a special series of gospel meetings that begin today. Evangelist Roy E. Cogdill of Oklahoma City will be the speaker for this special series of lessons. Evangelist Cogdill has preached all over the United States and in Canada. He is well known to the people of this area, having been here before in similar efforts.

According to J. M. Gilpatrick, local preacher for the church, "all are invited to attend the services of this gospel meeting, and to study the Bible with us." These special services will continue through next Sunday.

# Rayburn Passes Up Day In His Honor At Fair

IOWA PARK, Tex. (UPI) — Acting on the advice of his doctor, Spaker Sam Rayburn passed up "Sam Rayburn Day" at the Texas-Oklahoma Fair this week, but heard the dedication ceremony over the phone at his Bonham, Tex., home.

Rayburn wrote C. E. Burk, president of the fair, and said he would be forced to rest at home because of a case of lumbago.

DANGEROUS BOMB SHELTER SANTA CLARA, Chif. (UPI) — Police inspector Loren D. Pierce, who also serves as Santa Clara's coordinator of civil defense, sprained an ankle Wednesday when he fell 12 feet into the excavation for a bomb shelter he was building in his backyard.

# Pampa And Tascosa To Battle Saturday Night

## Inside The Huddle

By Joe Lee Smith

Pampa Harvester 1961 grid opponents have a combined record of 18 wins and 10 defeats through the first three weeks of competition.

District 3-AAAA Pampa opponents have won 12 and lost seven games, while the Harvesters non-conference opposition has racked up a 6-4 mark. Bel Aire, which nipped Pampa 7-0 in the season opener, is still undefeated following a 27-0 victory over El Paso Burgess Thursday.

While Tascosa has been the choice of the coaches and writers to take the District 3-AAAA championship this fall — especially the Amarillo sportsmen — we are sticking with the Berger Bulldogs. In fact, we believe that the winner of tonight's Berger-Palo Duro game will take all the marbles.

It has been pointed out to us that a team doesn't go through this district unbeaten. So Palo Duro could still whip Berger and we will still stick with our neighbors.

The NCAA committee has orally approved televising of the Texas-Oklahoma football game Oct. 14 in Dallas and Austin.

White Deer and Stinnett were ranked fifth and sixth respectively in a recent statewide poll of class A teams. The Quanah Indians were rated the sixth position in AA.

Why Palo Duro and Berger are not rated in the top 10 AAAA teams, we don't know. Dumas is the choice for eighth place in AAA.

Out on the limb again this week. Last week this "guesspert" was right 21 times with only four misses for an 84.0 mark. Our season record stands at 47-16-2 and a .738 percentage. Here's our predictions—

Tascosa over Pampa — The rich get richer and the poor get poorer.

Borger over Palo Duro — A toss-up but we have found it best to stick with the champions, in this case, Borger.

White Deer over Shamrock — Another toughie for the Bucks. Shamrock should be high for the game, not forgetting a 42-12 licking White Deer handed them last season to end an unbeaten string.

Gruver over Groom — The Tigers have surpassed two class A teams, but Gruver is eyeing an undefeated season.

Canadian over Panhandle — The Wildcats can beat a team near their own size.

Stratford over Lefors — Coach Dunny Goodie's Pirates are tough and have tied White Deer, but we give the edge to Stratford just for

### Ford, O'Toole To Start Series

United Press International

White Ford of the New York Yankees and Jim O'Toole of the Cincinnati Reds—a pair of cocky lefthanders—engage in their final tuneups tonight before their opening day assignments in the World Series next Wednesday.

Ford, the winningest pitcher in the American League since Hal Newhouser won 29 games for Detroit back in 1944, struts to the mound with a 25-4 record against the Boston Red Sox in the start of the Yankees' final three-game series of the regular season.

O'Toole, the hottest hurler on the Cincinnati staff, warms up for next week's big test—the toughest task he's faced in his 24 years—against the Pirates at Pittsburgh. The young Redleg has won seven straight games and 12 of his last 14 decisions to give him an overall 18-9 record for the season.

Roger Maris, benefitting from the additional eight games on this year's expanded schedule, has rested the last two days, taking a day off Wednesday and skipping batting practice Thursday while the Yankees were idle.

In Thursday's only action, the Los Angeles Dodgers clinched second place with a 10-0 triumph over the Philadelphia Phillies and the San Francisco Giants defeated the Pittsburgh Pirates, 7-4, in National League games, and the Cleveland Indians tripped the Minnesota Twins, 12-5, and the Los Angeles Angels rapped the Washington Senators, 13-4, in the only AL contests.

Don Drysdale continued his mastery over Philadelphia by defeating them for the 11th consecutive time and earning the Dodgers the season series, 17-5. Drysdale held the Phils to six hits and belted his fifth homer.

Daryl Spencer's home run with three mates aboard topped the Dodgers' five-run seventh inning. Chris Short, who lasted only 2 1/3 innings for the Phils, suffered his 12th defeat against six victories.

Stu Miller squelched a Pittsburgh rally in the eighth inning to earn rookie Jim Duffalo his fifth win against one loss for the Giants. The Alou brothers—Matty and Felipe—supplied the Giants' punch by collecting seven hits between them.

Woody Held's two homers and a double paced Cleveland, which raked five Minnesota pitchers for

### White Deer Meets Irish

White Deer's Bucks lay its undefeated record on the line tonight when the class A power journeys to Shamrock to tangle with the revenge bent Irish at 8 p.m.

Shamrock will be seeking to revenge a 42-12 setback that White Deer dealt them last year when the two clubs met at White Deer in a clash of undefeated teams. The Irishman have a 3-1 mark this fall—and the Bucks are 3-0-1.

Both clubs have met three common foes: White Deer blanked Canadian 19-0, trounced McLean 20-6 and was tied 6-6 by the Lefors Pirates. The Bucks other win was a 31-0 bombing of the Groom Tigers.

On the other hand, Shamrock thumped Canadian 24-0, nipped Lefors 6-0 and dropped a 28-22 thriller to McLean. The Irish blasted Wheeler last Friday 58-6.

But the main attraction will probably center on the battle of fullbacks. Carl McAdams, the galloping Buck star with 38 points to his credit for the season, and 205-pound Irish fullback Bill McBryde are the stars in their respective offense. McBryde has racked up 34 points for the year.

Halfbacks Ricky Lowe and Johnny Spence and quarterback Jimmy Thurmond rounds out the Buck backfield. Spence was the big gun in the McLean victory as the 145-pound junior tallied twice, once on a 56-yard dash.

In the Shamrock backfield, it will be Jerry Campbell and Jim Wortham at the halves with quarterback Larry Reeves directing the team.

White Deer's stingy defense which has allowed just 12 points in four games, is headed by tackles Frank Williams and Joe Gordzell, guards Jimmy Lopez and Mike Hefner, end Larry Short and center Wes Schultz.

The Irish will hold a weight advantage with its 190-pound team average. Top trenchmen for the Shamrock eleven are guard Bill Valentine, tackles Paul Clay and Jerry Brown and end Tommy Scrivner.

BROWN-OUT — Tackle John Brown, a 192-pound junior starter, will miss Saturday night's district 3-AAAA opener with Tascosa due to a knee injury.

CROSSLAND TOO — Senior quarterback and defensive halfback Butch Crossland will also miss the Tascosa tilt with a banged up knee.

### Crossland And Brown To Miss District Game

Pampa goes after its first win of the season Saturday night when the Harvesters take on the Tascosa Rebels at Amarillo's Dick Bivins Stadium at 7:30 p.m.

Not only will the Harvesters be searching for that initial victory, but coach Weldon Trice's eleven will be at its first touchdown and initial conference victory. Saturday night's tilt touches off the opening of district 3-AAAA play.

Two Pampa starters will miss the contest due to injuries. Junior tackle John Brown and senior halfback quarterback Butch Crossland are on the disabled list due to knee injuries received in the Dumas game. Center Jay Webb and halfback Robbie Robison have recovered from their injuries and are expected to see action against the Rebels.

Tascosa was the pre-season choice to cop the district crown. Coach Pat Patterson's crew has romped to two wins in three outings, thumping Midland Lee 41-7 and Fort Worth Arlington Heights 14-0.

A heavy, speedy team, the Rebels have two top notch backs, halfback Mark Yarbrough and quarterback Eddie Whidden.

Whidden spearheads the Rebel offense which last Friday included eight different variations. The basic offense is a straight T. Tascosa has used the spread, unbalanced line and made variations of the flankers.

Tackle Don Graham, 197-pound center Don McLaughy, 190; guard Jerry Anthony, 190 and tackle Ronnie Gillespie, 196 anchor down the center of the ponderous Rebel line.

The Harvesters come into the district opener riding a 14 game losing streak including three of the 1961 season. Pampa — a five touchdown underdog against Tascosa by some sportswriters — played the Rebels to a standstill last year before falling to a 2-point outburst in the final quarter, losing 20-0.

Trice said Thursday, "We had had three good days of practice with some real head-knocking. The Harvesters have spent a week on blocking, tackling and fundamentals."

Rickey Stewart will start his third game of the season at quarterback, Mike Stewart and Kenny Hebert will be the halves with Jerry Glover at fullback.

Glenn McCathern has moved into Brown's vacated tackle spot. Corky Godfrey, who plays a good defensive end position, and Keith Reimer are the ends; Carl Clark is the other tackle; guards are Dee Wright and Danny Mathews and the center will be Bill Hughes.

Pampa has never beaten a Tascosa club, losing three straight games.

### Boxers To Register Saturday

Registration will be held Saturday morning from 10 to 12 a.m. at the Pampa Boy's Club for any boy wishing to participate in the Boy's Club boxing program this year.

All kids eight years old and up are eligible to participate in the program. There is no age limit in the open division.

Ollie Wilhelm, coach and assistant director of the program, said training would start either Monday or Tuesday and matches would be arranged within two weeks.

The Pampa Boxing program which lasts almost four months has been a successful organization with the locals copping many regional and various championships.

Wilhelm stated, "We are interested in the protection of the kids. We have never had a serious injury and after the boys have participated a year or two, we seldom have any knockouts."

The Pampa boxing committee will meet Sunday at 2 p.m. at the Boy's Club to work out arrangements for training and future matches.

"First week of training is used to get the boys into boxing condition and to teach them how to protect themselves in the ring," added Wilhelm.

Cliff Dummam is the organization's director.

**BREAK LIFT RECORD**

VIENNA (UPI) — Weightlifter Yuri Vlasov of Russia broke his own world record in the clean and jerk event of the heavyweight class Thursday when he lifted 457½ pounds during an exhibition.

### Lee 8th Graders Top Borger 34-12

Speedy halfback Lewis Meers, a 147-pounder, went on a wild spree Thursday afternoon to score four touchdowns as the Robert E. Lee 8th grade Rebels blasted Borger Austin's 8th grade 34-12.

Meers scored five times last Thursday against Perryton in a 58-6 Rebel victory. He romped for 326 yards against the Austin Mustangs and scored on runs of 45, 57, 57 and 77 yards.

Lee's other tally came on a 59 yard pass and run play from quarterback Gary Crossland to end Teddy Paul Bird in the second quarter.

Coach Mack Choate's gridders jumped into a 14-0 first quarter lead as Meers raced 45 yards on a quick opener and skirted right end for a 57 yarder. The Rebs stretched the margin to 28-0 by halftime on a 57 yard punt return by Meers and the Crossland touchdown pass.

The final Rebel score came in the last quarter — of course it was made by Meers.

Borger scored on a pass interception and a 90 yard kick-off return. Both tallies came against the second and third unit.

Choate singled out Meers. Crossland, guard Wayne Hill and tackle Billy Quarls for their fine offensive play. The Rebs mentor also praised defensive halfback Ronnie Stokes for his fine performance.

### Borger Plays Dons Tonight

They start playing for the blue chips tonight in the big boy's classification in the Panhandle area.

And what a dilly of a way to open the district 3-AAAA race. It will be defending champion Borger going against the Palo Duro Dons at Amarillo's Dick Bivins Stadium at 7:30 p.m.

Both clubs bring undefeated, untied records into the battle. Neither is ranked statewide, although one or both should be. The Bulldogs have a spotless log. Coach Gene Mayfield's crew has yet to be scored on this season in romping over Snyder 22-0, Dumas 21-0 and Duncan, Okla. 47-0.

Palo Duro has been somewhat of a mild surprise. Tascosa was supposed to be the top dog in Amarillo, but the Dons have made the loud noise thus far. The Dons have scored victories over Dumas 21-16, Midland 23-15 and last Friday went to Ft. Worth to dump previously unbeaten Carter-Riverside 27-8.

Mayfield claims that "Palo Duro has really improved since they beat Dumas. I don't see how we can contain them on offense."

The Dons have two speedy halfbacks in Floyd Burke, a 9.7 100-yard dash man, and Gordon Nelson, a 10-flat sprinter.

Palo Duro has faced a tougher schedule than Borger and the Dons have had to battle from behind to win all three games. Dumas led 8-0 before a Palo Duro rally, and the Amarillians trailed Midland 15-0 and Carter-Riverside 8-6 at halftime in both games before staging a winning rally.

Pampa plays Tascosa Saturday night in the only other conference tilt while Lubbock hosts Midland Lee. Monterey journeys to Midland. Plainview plays at home against Littlefield and Amarillo has an open date.

### Stratford And Lefors To Tangle

LEFORS (Spl) — In what could develop into a rugged defensive battle, the Lefors Pirates and the undefeated Stratford Elks battle tonight at Stratford.

Stratford has allowed just one touchdown in three games and the Pirates have allowed only two markers in four tilts. The Elks yielded a tally to Clayton, N. M. last Friday while enroute to its third straight victory 20-6. Stratford had previously whipped Vega 34-0 and Texline 28-0.

Lefors gave up one score to Shamrock in suffering its only loss of the campaign 8-0 and the other six pointer was tallied by White Deer in a 6-6 draw. The Pirates have blanked Panhandle and Wellington by identical 14-0 scores.

The Elks have a powerful backfield led by halfback Bobby Seaman, quarterback Dean Roper and fullback Gary Garrouette. Tackle Bill Kirkwood, guard Jerry Dyess and end Doug McBryde stand out in the line.

For Lefors scrappy Pirates, quarterback Mickey Archer and fullback Scott Dummam have been standouts this fall. The halfbacks are Ronnie Line and Rodney Arlington.

Tackle Larry Ables, guard Jerry Harrington and end Tommy Smith are the rugged defensive leaders of Coach Dunny Goodie.

Tonight's contest will be the next to last non-conference game of the season for the Pirates, defending district 2-titlists. Lefors meets another toughie — Stinnett — next Friday.

### Canadian Battles Panthers Tonight

CANADIAN (Spl) — Coach Red Cleveland's Canadian Wildcats go after their second win of the season tonight, in an effort to halt a three game losing streak, when they host the Panhandle Panthers at 8 p.m.

The Wildcats tripped Wheeler 8-6 in the season opener and has dropped three in a row since then to White Deer 19-0, Shamrock 24-0 and Stinnett 25-6.

Panhandle scored its first touchdown and its first win of the season last Friday in downing AA Spearman 20-8. Coach Ed Lefors' Panthers were blanked by Lefors 14-0, Groom 12-0 and Clearwater 16-0.

Canadian will be plying a team near its own weight in Panhandle. The Wildcats have been badly outweighted — but never outplayed — in their four games. The Panthers, however, have two big tackles in Ronnie Bentley, 230 pounds and Jerry Smith, 205.

Wildcat guard Sam Shanahan probably miss tonight's action with a sprained ankle that hasn't responded to treatment and guard Billy Ortega, halfback Wayne Wilson and tackles Roy Yarnold and Carl Rutledge have been hampered by illness.

### Pampa Rifle Club Will Meet Oct. 1

The Pampa Rifle and Pistol Club has set Oct. 1 and Oct. 8 as "Sighting In Day" for any hunters who wish to check their rifle zero before leaving for a hunting trip.

"There are not many places where this can be done legally or where help is available if it is needed," said W. F. Huff, secretary of the club.

Purpose of the meeting is to promote gun safety and handling in every way. The practice will be held on the organization's outdoor range 12½ miles northeast of Pampa. To reach the range, take highway 60 east from Pampa.

There is 100-600 yards distance on the range so that the participants can get the exact distance needed.

# SMU Mustangs Clash With USC

By United Press International  
Southern Methodist kicks off the second weekend of Southwest Conference inter-sectional warfare tonight against the Southern California Trojans in Los Angeles and the Mustangs are rated a one-touchdown underdog.

The other seven league teams—

## Miami Hosts Rattlers B

MIAMI (Sp) — Undeclared Miami goes after its fourth straight win of the 1961 campaign when the Warriors host the Stinnett B team in an 11-man grid game tonight at 7:30 p.m. at Miami.

Coach Bill Hines' Warriors, defending district 1-B eight man grid champions, will be playing their second 11-man game of the season, having previously downed the White Deer B team 28-8, Miami's other wins have been over Turpin, Okla. 46-12 and Balko, Okla. 20-6.

A rock-ribbed defense led by center Don McLaughlin, ends Mark Arrington and Tim Flowers and guards Joe Wayne Holland and Harold Coffee has limited opponents to just 12 points. The other scores against the Warriors, winners in 39 of 43 games, have come against the "shock crew."

Halfback Jim Flowers and fullback Mickey Kivlehen have been the top scorers for the Warriors this fall. The Miami eleven features a bristling running attack under the guidance of quarterback Scotty Daugherty.

Other starters for the Stinnett tilt will have Keith Locke and Jimmy Gill at the tackles and Roy Bean at halfback.

## Borger Bullpups Rap Shockers

Borger's Bullpups took advantage of 10 Pampa fumbles, an intercepted pass and a blocked punt to maul the Shockers 48-12 Thursday night.

Pampa opened the contest with a fumble and ended the tilt on the same note. The Shockers lost the pigskin five times with nine of the fumbles occurring in the first half.

Halfback Ronnie Oler tallied both scores for the Shockers on plunges of one and two yards in the second and fourth period respectively. Oler picked up 69 yards rushing in 15 carries.

Fullback Curtis Fletcher, however, was the Pampa star of the evening with his hard running. He ripped off 90 yards in 10 tries. Guard Danny Hoggett turned in a

fine performance with his downfield-blocking and good pursuit on defense.

Borger fullback Mike Baldrey scored three times for the winners—once on a scamper of 62 yards to open the second half.

Baldrey went over twice in the opening period on dashes of 22 and two yards to stake his teammates to a 16-0 margin.

Pampa cut the lead to 16-6 in the second frame when the Shockers took over on the 'Pups 17 fol-

lowing a fourth down Borger gamble that failed. Oler notched 10 of the yards in the drive including the last yard.

Quarterback Bobby Ramsey danced eight yards for the third Borger markers and a 24-6 halftime advantage.

Halfback Jackie Burrell and fullback Frank Neal counted the Bullpups over two touchdowns on runs of two and 12 yards respectively.

The Shockers rolled 56 yards in the final period after Borger had built up a 48-6 lead. Fletcher initiated the march with a 12 yard dash to the Bullpups 44. The hard running fullback went to the 38 on the next play and from there Oler romped 36 yards to the two and then scored the touchdown.

Borger's Ramsey completed six aeriels. His favorite target was a halfback George Sanchez who hauled in three passes for 72 yards. Sanchez also tackled on another pair of conversions including a pair of two pointers from Ramsey.

Borger led in first downs 17-11; piled up 276 yards rushing to 150 for the Shockers and had 175 yards through the air compared to none for Pampa.

## Bel Air Wins 26-0 Contest

By United Press International  
Sixth-ranked Fort Worth Paschal survived a last, second assault from Arlington Thursday night to edge the Colts 14-12 and remain undefeated and untied in the Class AAAA division of Texas schoolboy football.

In another game involving Class AAAA unbeaten teams, Ysleta Bel Air belted El Paso Burges 26-0.

The feature game tonight matches San Angelo's powerful Bobcats, with one No. 2 scalp already sacked up, tangling with San Antonio Jefferson, which has moved up to No. 2. Jefferson has won three games, including a 25-7 victory over the Abilene Eagles. The San Antonio team will be a slight favorite.

Three other games in Class AAAA will match perfect record teams. They are Borger at Amarillo Palo Duro, Galena Park at Brazosport and Corpus Christi Carroll at Odessa-Permian.

The No. 1 ranking Class AAAA Wichita Falls Coyotes appear to have an easy mark at Lawton, Okla., against Lawton.

Other games matching undefeated teams are strung out through the lesser classifications. In AAA, Mesquite takes on La Vega team which last week best top-ranked Brownwood, 7-6.

In AA, Hillsboro and Teague get together in a district clash, while two other AA clubs tackle unbeaten Class A teams.

Hamilton meets once-tied Class A Santa Anna, and McCamey faces tough Class A Wink. Defending champions—Denver City and Albany in AA and A also appear capable of winning. Denver City plays Crane and Albany meets Coleman.

Brownwood has its work cut out in an encounter with undefeated-untied Class AAAA Temple.

## Groom Tigers Host Gruver Greyhounds

GROOM (Sp) — Battle weary Groom has spent the week getting ready for something almost as terrible as hurricane Carla—the Gruver Greyhounds.

Undefeated, untied Gruver invades Tigerland tonight in search for its fourth straight win of the season. The district 1-A gridders—now a definite title threat—have threshed Claude 38-14, Pertryon 8-0 and the Pampa Shockers 46-0.

For Coach Dwaine Currie's Groom Tigers, it is the final game of a tough non-conference card which has already included two of the state's top class A elevens—White Deer and McLean. The Bengals nudged past Clarendon 12-6 last Friday to even their season mark at 2-2. Groom had previously blanked Panhandle 12-0 while falling to White Deer 31-0 and McLean 49-0.

Tiger coach Currie stated, "It is about the same story as the past four weeks. We are playing a good class A team that has more size, speed and experience than we do."

Currie added, "We are just not as strong as everyone thinks we are. We are hurting real bad in two or three positions and we don't have any depth." Continuing, he said, "We are having to depend on 14 boys and out of that number six or seven of them are pretty week. I don't know, maybe we can get a little stronger as the season progresses."

Gruver has a pair of fine backs in quarterback Roger Vernon and halfback Doyle Sturman. Fullback Ronnie Riley and halfback D. A. Cation give the Greyhounds a well balanced running attack.

### MCELHENNY OUT

BALTIMORE (UPI) — Hugh McElhenny, a speedy halfback, will not be in uniform Sunday when his Minnesota Vikings meet the Baltimore Colts in a National Football League game.

Tommy Mason will replace McElhenny, who broke the small toe in his left foot last week.

### Market Average Variance Found Analysis Barrier

NEW YORK (UPI)—No generally constructive comments can yet be made about the market inasmuch as the existing gap between the Dow-Jones industrial average and the rest of the board is still very wide, according to Joseph Granville of E. F. Hutton & Co.  
The Dow-Jones industrial average is now down about 4.8 per cent from the all-time high while

the number of stocks down 10 to over 60 per cent from their 1961 highs has grown to 865, he says.  
If the industrial average closes this gap, at the minimum it would suggest a reading of 653 on the Dow, the analyst writes.

Martin Gilbert of Van Alstyne, Noel & Co. says the next support level in the industrial average should be in the 680-690 area and one should expect renewed buying in that zone.

### Ban On Nuclear Testings Urged

TOKYO (UPI)—Premier Hayato Ikeda appealed today to the United States, Britain, France and Russia to ban nuclear tests immediately and permanently.  
Ikeda told a special session of

Frederick J. Millett, director of research for Goodbody & Co.

Thomson & McKinnon says the upturn in the business cycle is still in its early stages and should lend underlying support to stocks despite repercussions arising from political turmoil and economic change around the globe.

Parliament that Russia's resumption of nuclear tests caused "disappointment and indignation" among the world's peace-loving nations. He expressed "utmost regret" over the fact that the Soviet action forced the United States to follow suit.

The premier said he hopes the problem of Red China will be debated thoroughly by the United Nations and solved to the satisfaction of world opinion.

He said his government feels "gravest concern" about the future of Nationalist China.
