PAMPA, TEXAS, FRIDAY, FEBRUARY 22, 1924

NO. 47

ITEMS OF INTEREST FROM OVER THE STATE

Sherman.—Jessie C. Wood, a pretty young lady of Telephone, Fannin County, was placed in jail here Tuesday on three charges of forgery and three of passing forged instruments.

Amarillo.—W. N. Thompson of the Amarillo Coal & Grain Co., was painfully injured Wednesday morning when a Fort Worth & Denver switch engine crashed into his automobile at the Harrison street crossing.

Leonard.—Miss Winnie Comer, 18, of Trenton; Cleone Felty, 18, of Celeste and Robert Prater, 20, of Celeste, survivors of the crossing crash here Tuesday night that ended the lives of their three youthful companions, were still in a critical condition at the hospital Thursday.

Benjamin.—The J. Beal Sneed and C. B. Berry cases are set for trial in the District Court here Feb. 25. Sneed is to be tried for shooting Berry and Berry is to be tried for shooting Sneed. These cases were continued from the last term of this court, on account of Sneed being in the hospital at Fort Worth, but it is reported that the cases will be tried next Monday. It is understood that there will be several additional peace officers in attendance and that all persons will be searched when entering the court room.

Dallas.—Mrs. Mary Conaster, 65, believed to be the first woman in the nation to bear a prison penalty on a charge of bootlegging, is preparing for her trial here Monday and one day later at Pampa.

She will be accompanied by Mrs. Fay Nawlin, 40, who will serve a similar sentence on the same charge and who ran her a close second in the "first woman" honors. She received her sentence several minutes after Mrs. Conaster was led from the court room.

INTERESTING MEETING FOR RURAL PATRONS

As per previous invitations of the Telephone Company there was a large crowd of rural subscribers met the representatives of the company at the Odd Fellows hall in Pampa Saturday, Feb. 16, for the purpose of holding a get together meeting and to enable the patrons of the company to understand the attitude toward its rural subscribers and the service that they were getting.

A short talk was given by Mr. Hooks of the commercial department, in the course of which he explained the workings of the different departments, and the necessity of each department. The purpose of the meeting was gone into, and it was explained that the company was anxious for the rural line subscribers to get the service which they were paying for and entitled to.

Mr. Wood, of the plant department, then spoke on the technical details of construction of lines and of the things that tend to retard service, as has been the experience of the company in their many years of telephone experience. After the line construction and maintenance discussion, the subject of station installation and maintenance was gone into in detail. The importance of the different phases of wiring, grounding, upkeep of batteries, the importance of the ground connections was stressed.

The general interest of the patrons showed that they were glad to get any information that was available, and the company was glad to give this to them. The company made a proposition which was accepted, that the rural patrons select some rural line for which the company would furnish the man and material to put it in good condition, providing the farmers would go along and receive instructions as to how to use the many improvements that would be put into use for the betterment of the line and stations.

Line No. 9002 was selected as the one to be gone over, and Thursday of this week selected as the day to do this work. After a general discussion of the many things that bear directly on telephone service, the meeting was brought to a close.

John Roby, former employee of the Santa Fe Railway in this city, has been transferred by that company from Shattuck, Okla., to a better position in Amarillo.

NUTRITION WORKER TAKES UP DUTIES

The Pampa Chapter of the Red Cross is planning to undertake a nutrition program and has engaged Miss Thinita Sogard, who arrived Wednesday of this week to take charge of the work.

The reason the Red Cross has undertaken this service is that recent investigation has shown that one child out of every three needs advice on what to eat. These figures are based on the examination made of children, both in the city and in the country, all over the United States. In our school about 55 per cent of the children were found to weigh less than they should last fall. This thinness was not caused by poverty, but from causes which could be easily cured through proper feeding, correction of physical defects, and the following of modern health rules.

Miss Sogard will teach nutrition work to the teachers in the schools, to mothers and to classes of school children, and will give special attention to those pupils who have by the doctor's examination been judged to need building up.

She will also visit the homes of children who are underweight and advise with the mothers. In her food selection classes, which are not cooking classes, but are instruction in what to eat to be well, she will give lectures on such subjects as feeding for babies, the relation of food to health, milk and good teeth and the value of vegetables.

Besides these classes Miss Sogard will take every opportunity offered to speak before all the clubs in the community, telling of her work and securing co-operation.

As a result of her work children, mothers, teachers and doctors will understand and unite in a program which will develop the children in this section into strong and healthy grown people with a keen joy in living.

ORGANIZED ORDER OF RAINBOW

The following Pampa people went to Miami Saturday to assist in organizing an Order of the Rainbow in that city Saturday night: Misses Opal and Elberta McKay, Gladys Cooper, Cleo Olive, Nanita Montgomery, Daisy Shackleton, Donna Lee Stroope, J. S. Carter and Mrs. I. B. Hughey and Mrs. J. A. Pearson.

Thirty-five charter members were initiated into the organization.

ALL IN READINESS FOR FAIR BANQUET

All is in readiness for the Fair Association banquet tonight, (Friday) at the T. A. Horn building.

This occasion, which is being given by Misses Patterson and Foster, promises to be one of the most elaborate occasions of the kind ever staged in this city. Even though the sale of tickets officially closed Monday night, approximately 200 persons hold tickets admitting them to the "feed" and its accompanying program.

The various committees are busily engaged arranging the festive board, decorating the building and otherwise preparing for the gala occasion.

The banquet will consist of six courses and the program will include several musical numbers and several speeches and readings. The principal address will be delivered by President J. A. Hill of Canyon Normal, who will arrive on the afternoon train.

AT THE BAPTIST CHURCH

Sunday school at 10 a. m.
Subject for 11 a. m., "God's Effort to Keep Men Out of Hell."
Subject for 7:30 p. m., "Causes of the Flood."

There will be consecrated singing and special music at both services.—Reporter.

INCOME MAN COMING

F. E. Buckingham, deputy collector of internal revenue, will be in this city Feb. 26 and until 2 p. m. Feb. 27, for the purpose of assisting taxpayers in the preparation of income tax returns for the year 1923.

J. W. Cope of Brooklyn, N. Y., a representative of the International Bible Students Association, who is scheduled to deliver a lecture at the Christian church Friday night on the subject of "All Nations Marching to Armageddon," will also lecture on a different subject Friday afternoon at the church at 3 o'clock. All persons interested are cordially invited to attend either or both of these lectures.

FOSTERS WEEKLY WEATHER BULLETIN

Washington, D. C.—Near and following Feb. 16 will come most severe storms and most precipitation of February, therefore least moisture of month is expected last half of that month. The winter drouth has affected three-fourths of the continent west of the Mississippi River and there are two months more of the drouth period, with indications that next two weeks will bring increasing dryness.

Sections 5, 6 and 1 seem to be in for an unusually warm spell, centering on Feb. 20, 3 and 4 on 18, and 2 on 24, while unusually low temperatures continue west of Rockies' crest. The shortage of snow has been remarkably great and may be expected to be greater. Farmers and others who are interested in grain are reminded that a shortage of snow indicates a shortage of winter grain. Indications are that last half of February will average much warmer than usual.

The only severe storm promised for next month will be during the week centering on March 5. Near March 8 that storm will bring in a cold wave for northern section, east of Rockies, and a warm period of several days west of Rockies crest. Last half of March promises more quiet weather than first half and that will give the drouth more complete control in favor of dry weather.

The Pampa Harvesters went to Canyon Thursday, Feb. 14, to play the deciding game of basketball with Canadian High. The game decided the situation, however, it was in favor of Canadian.

The Canadian quintet started scoring early in the game, and it was by this scoring that they were able to win. The first half was by far Canadian's. They outplayed and were more successful in locating the basket—the half ending 21 to 9.

In the second half the Harvesters began to locate the basket, and before they were stopped at the end of the third quarter they had piled up a score within five points of their opponents'. At this stage of the game things looked as if Pampa would overcome the large lead. Time was called for the end of the third quarter just as Pampa made a field goal.

The last period started with the Harvesters trying to gain on the lead which Canadian was holding. They were stopped, however, by the Canadian defense and were not successful in attempts from the center of the floor. The Canadian team made two goals from the field in this period, making the final score 34 to 25.

The line-up was:
 Pampa—Jameson, f
 Stewart, f
 Duenkel, c
 Cary, g
 Barrett, g
 Subs—Patton for Jameson; Lewis for Moore.
 Canadian—Allen, f
 McCollum, f
 Bryan, c
 Boyd, g
 Moore, g

Chapel Breezes

President J. A. Hill of Canyon will speak at the school auditorium Friday afternoon at 2:30 o'clock, Feb. 22. All parents are invited to attend.

Everyone is urged to attend the show Thursday and Saturday nights to see the wonderful picture, "Pilgrims Progress." This great allegory was written by John Bunyon and has been read more than any book with the exception of the Bible. It is not exclusively a Protestant study, but it appeals to christians of every name, thus it has been translated in 75 different languages and dialects. The secrets of its success are very simple, as it is not a profession of

DATES WERE SET FOR PAMPA FAIR

At a meeting of Fair Secretaries of the Panhandle held at the Longhorn Club room at the Amarillo hotel last Thursday, dates were set for the various fairs of the Plains country.

F. W. Grogan, treasurer of the Pampa Fair Association, represented this city, and reports the dates set as follows:

Pampa—Oct. 2, 3 and 4.
 Amarillo—Sept. 22 to 30 inclusive.
 Miami—Sept. 1, 2 and 3.
 Spearman—Sept. 19 and 20.
 Carson county—Sept. 18, 19 and 20.
 McLean—Sept. 19 and 20.
 Canadian—Sept. 18, 19 and 20.
 Guymon, Okla.—Sept. 15 to 19.
 Memphis—Sept. 9 to 12.
 Childress—Sept. 15 to 20.
 Julia—Sept. 16 to 18.
 Plainview—Sept. 18 and 19.
 Canyon—Sept. 18 and 19.
 Floydada—Sept. 16 and 17.
 Hereford—Sept. 16 and 17.
 Post—Sept. 16, 17 and 18.

The fair board has been busy the past few weeks compiling copy for the fair premium catalog, which will be published next month.

CONSIDERABLE HENFRUIT

Guy Farrington brought three cases of eggs to town Saturday which his leghorn hens produced during the week. In all he got 1400 eggs during the week, which is quite some batch of henfruit if we are any judge.

shadows repeating the author's declaration, but it is the first real extended story in our language. All classes of men have read it; some for the religious instruction, others because they found it to a true personal experience told with strength, interest, humor, in a word with all the qualities that such a story should possess.

Class Party

On Feb. 14 Daisy Dean gave the Freshman class a Valentine party at her home. The guests arrived promptly at 8 o'clock and games were played until a late hour, when refreshments were served the following: Misses Frankie Barnhart, Clara Brown, Ruth Henry, Margaret Buckler, Helen Sullivan, Lillian Webb, Rosie Baggerman, Fannie Elizabeth Corson, Lillian Mullinax, Virginia Turcotte, Yvonne Thomas and Tom Clayton, Bruce Cobb, Willard Johns, Johnnie Lee, Hallie Gantz, George and Archie Lee Walstad and Mrs. Addie Parker.

Kiowa-Apache Society

The following program will be given by the Kiowa-Apache Society Friday, Feb. 22, at 3:15 p. m.:

Debate—Resolved, That the United States should join the League of Nations.

Declamation—Clarence Cobb.
 Piano solo—Cleo Olive.
 Declamation—Don Duncan.
 Quartet—H. Potter, D. Dean, H. Cooper, P. Chapman.
 Solo—Ainsley Ashburn.

Interscholastic League

The work on the Interscholastic League contests has begun, and is progressing nicely. About twenty-five pupils are trying out for spelling and a greater number for declamations. We have about six debaters trying out. The other contests will be equally well represented. Much time has also been spent on essay writing this year. Track work will start by the latter part of this week and field practice will also be started at that time.

McLean has been invited to Pampa for the county meet this year, and it is believed they will accept.

Nutrition Worker Here

The school has had nurses to examine the children for the past few years and each year a large per cent of those examined are found to be under weight. This is more noticeable in the lower grades, but this year of those examined, 55 per cent were under weight. This is an alarming condition which we did not know existed. The nutrition worker will talk regu-

(Continued on Last Page)

IN THIS LOCALITY OIL FIELD ACTIVITY

The Texas No. 1 Saunders near Le-fors went on a rampage Tuesday evening when several million additional cubic feet of gas were encountered. It has been running wild since that time and is estimated to be blowing between 50 and 75 million feet of wet gas from a sand which has hardly been penetrated by the bit.

A pump was taken to the well yesterday with which to try and pump sufficient mud in the hole to shut off the gas flow. The striking of more gas in a sand is unusual for this section, as heretofore the gas has been confined to the "big lime" exclusively. The steam engine at the rig is being operated without the aid of steam the past few days, as the gas is run into the boiler and gives sufficient pressure to keep the engine operating efficiently.

The well looks good for a producer if the gas can be conquered and the drilling operations resumed. Movement of material to the Wilcox Oil & Gas company's No. 1 Combs & Worley location six miles south of town Wednesday, when a truck load of heavy timbers were unloaded. The location is in the southeast quarter of section 62 block 3, I. & G. N. survey, Gray county.

Reports are to the effect that work of overhauling the boiler and repairing tools will be started at the Waggoner No. 1 McConnell, eight miles west of town, next week.

Some additional abstracting is holding up the work at the Wilcox No. 1 Wilson location, five miles north of town.

Several additional drilling blocks are being considered by operators at this time, but nothing definite as yet to report.

BOLLIE COTTON SEED FAILED TO GERMINATE

Germination tests are under way on seed for farmers and grain men at the Plainview Grain Exchange in the new electric generator which the exchange has recently installed.

In making the germination tests seed selected at random are placed in a tray which contains blotting paper and water. The seed are kept at an even temperature by heat from an electric drum. Fifty seed are placed in the tester, but to make the test more thorough Mr. Wallace has been using two lots of fifty seed. The number of seed germinating will determine the percentage of germination. Mr. Wallace states that he must have at least a pound of seed to make anything like an accurate test.

When purity is to be tested he determines the number of seed of the variety being tested, the number of weed and other seed and the number of pieces of foreign substance in the seed.

Cotton-seed with little lint on them develop better than seed with heavy lint and are less likely to rot. Some of the seed that are being bought locally are delinted.

It is interesting to note that some samples of bollie seed were sent by the Texas Land and Development Co. Not one of the bollie seed germinated.—Plainview Herald.

FOR COUNTY JUDGE

The announcement of T. M. Wolfe for county judge will be found in this issue under the proper heading. Judge Wolfe is no stranger, as he was county judge a few years ago, and gave general satisfaction, and feels that he is justified in asking the voters to return him to that office. His strong points are economy in taxes and in the administration of the county's affairs, and betterment of the public schools, and believes in being economical in business affairs without sacrificing efficiency.

Judge Wolfe will try to see all the voters before the primary, but meanwhile he wants you to know he is in the race and solicits your vote and support.

CARD OF THANKS

We take this means of thanking our friends and neighbors for their kind assistance since our recent fire.
 W. W. GINN and FAMILY.

CHAMBER OF COMMERCE MEET

A meeting of the Pampa Chamber of Commerce will be held next Tuesday night at 7:30 at the office of Mayor F. P. Reid. Those interested are cordially invited to attend.

KANSAS CITY STOCK MARKET

CHAS. M. PIPKIN
Market Correspondent

Kansas City Stock Yards.—Another heavy run of hogs in Chicago, \$8,000, turned the hog market down after it had rallied sharply late last week. Monday's market in Kansas City was steady to 10 cents lower, and the local market was relatively higher than Chicago. Chicago also had liberal receipts of fat cattle, but local receipts were moderate, and the market held steady to strong with anything with quality selling higher. Stockers and feeders were stronger. Sheep and lambs were fully steady, top lambs \$14.65.

Monday's Receipts

Receipts Monday were 11,000 cattle, 12,000 hogs, and 9,000 sheep, compared with 11,000 cattle, 16,000 hogs, and 4,000 sheep a week ago, and 13,250 cattle, 18,350 hogs, and 5,655 sheep a year ago.

Beef Cattle

Cattle receipts remained moderate for this season of the year, and the bulk of the offerings were short fed classes that brought \$8.25 to \$9.15. Some good cattle expected were delayed by a wreck. Demand for good quality half fat steers suitable for a feed lot finish was active, and served to strengthen the market in some classes that went to killers. The best steers offered brought \$9.25, and prime steers would have brought \$11 or better, had they been offered. Cows and heifers were in fairly good demand at unchanged prices. Medium to fair classes predominated, and nothing with finish was offered. Veal calves were steady at last week's decline.

Stockers and Feeders

Demand for stockers and feeders was active and prices ruled strong, exceptions higher. A larger number of half fat steers were taken by feeders and most of the stockers went to grazing sections. There was an improved inquiry for stock cows and heifers.

Hogs

Hog prices were steady to 10 cents lower than last week's close, though 30 to 40 cents higher than the low point last week. Monday's decline was the result of the heavy receipts in Chicago and a break in that market. The Chicago top was \$7.25, and the top here was \$7.20, with bulk of sales \$6.80 to \$7.10. Packing sows sold at \$6.25 to \$6.40. Indications are that the market will rally again in the next two days.

Sheep and Lambs

With sheep receipts 9,000 and the largest for some time past the market held steady at last week's advance. Good to choice lambs sold at \$14.25 to \$14.65, and wethers up to \$9. Yearlings and wethers were lacking.

Horses and Mules

Trade in horses and mules remained active at unchanged prices. Southern demand is still the important factor in the trade.

MELTON

Willis Hopkins Melton was born April 13, 1922, and died Feb. 19, 1924, at the home of his grandmother, Mrs. Maggie Hopkins. Willis was a lovely child, and a favorite with all his kin. He was the only son of Mr. and Mrs. Elmer Melton, who survive, to bear the grief with his two sisters, Margaret Ellen and Rachel Mae, and a number of other relatives in this vicinity. The child had been in ill health for some time before the end came.

Funeral services were held Wednesday afternoon at the Baptist church, conducted by Rev. H. R. Whitley, and interment made in Fairview cemetery.

RICE FOR COUNTY JUDGE

We are authorized to place the name of C. S. Rice in our announcement column this week, under the heading of candidate for county judge, subject to the action of the democratic primary, July 26. Mr. Rice is well and favorably known to the people of Gray county, having lived at McLean for the past 19 years, and having been actively engaged in business and commercial affairs of that city. Mr. Rice is now serving as Justice of the Peace in a most acceptable manner, and is well qualified for the office to which he aspires. He states that he is in favor of strict enforcement of the law, and pledges himself that if elected he will endeavor to administer the affairs of the county to the best of his ability and as economically as circumstances will justify, and solicit your vote and influence in the primary.

POLITICAL ANNOUNCEMENTS

The following candidates here-with submit their names for the various offices, subject to the action of the Democratic primary, July 26, 1924:

FOR COUNTY JUDGE:
F. P. REID
C. S. RICE
T. M. WOLFE

FOR COUNTY AND DISTRICT CLERK:
CHARLIE THUT

FOR SHERIFF AND TAX COLLECTOR:
E. S. GRAVES (Re-election)

FOR TAX ASSESSOR:
D. M. GRAHAM (Re-election)

FOR COUNTY TREASURER:
R. L. COTTRELL
MIRIAM WILSON (Re-election)

Oat sowing time is again at hand.
NOBLEST VARIETY
When a man builds a great fortune, writes a great book, or achieves a great character, we behold the results of his work and give him praise. What he needed was to be understood, loved and helped while he was painfully toiling in the dark. To perceive a man's capacities and instruct or inspire him in the training of them—that is the noblest form of kindness.—Youth's Companion.

NOTICE TO TAXPAYERS
Those who have not yet paid their city taxes should do so as soon as possible, as those remaining unpaid will be turned over to an attorney for collection on March 1. If paid this month the penalty will not be charged but after that date it will be collected in full.
46-2t
BEN LIPPOLD, City Tax Collector.

CITATION BY PUBLICATION
The State of Texas:
To the Sheriff or any Constable of Gray County—Greeting:
You are hereby commanded, That you summon by making Publication of this citation in some newspaper published in the County of Gray, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, once in each week for four consecutive weeks previous to the return day hereof, Miley Allen Powell Fitzgerald whose residence is unknown, to be and appear before the Honorable District Court, at the next regular term thereof, to be holden in the County of Gray on the 31st day of March, 1924, at the court house thereof in Lefors, Texas, then and there to answer a petition filed in said court, on the 15th day of Dec. A. D., 1923, in a suit numbered on the docket of said court No. 1161, wherein J. M. Fitzgerald is plaintiff and Miley Allen Powell Fitzgerald is defendant. The nature of the plaintiff's demand being as follows, to-wit: To dissolve the bonds of matrimony existing between the plaintiff and defendant herein for the reason that the defendant, Miley Allen Powell Fitzgerald, voluntarily abandoned, in the month of November, 1913, plaintiff's bed and board, with no intentions of returning and has not returned to plaintiff's abode since that date.

Herein fail not, and have you before said court, on the said first day of the next term thereof, this writ with your endorsement thereon, showing how you have executed the same.
Given under my hand and seal of said court, at office in Lefors, Texas, this, the 15th day of December, A. D. 1923.
(SEAL) R. B. THOMPSON,
Clerk District Court, Gray County, Texas.
46-4tc

Among Our Exchanges

Wheeler News-Review: In a catalog of the members and firms of the New York Stock Exchange will be found the name of the firm, J. D. Meriman & Co. For the information of the Panhandle Press and our friends in this neck of the woods we wish to state that there is no reference in the catalog to us. We have bought a little stock, live, oil and otherwise, but the Stock Exchange didn't have anything to do with the above transactions.

Panhandle Herald: Texas produced 43 per cent of the American cotton crop last year and if the plans now being made by Texas cotton farmers are carried to a successful finish next fall the State will easily produce more than 50 per cent of the 1924 crop. In this production the Panhandle-Plains section of the State will play a prominent part, producing by far the greatest cotton crop in the history of cotton farming in this part of the State.

Clarendon News: No one loves a friend so devotedly that he is entirely blind to at least a few of his faults. And yet warm friendships have always continued. It is so in relations with each other as citizens. If one regards a fellow citizen's faults with the same forbearance that he regards a friend's faults, looking for likable traits in him, and overlooking his faults, then a permanent basis for real team-work is established.

Wellington Leader: Just when we had begun to forget some very unpleasant experiences connected with the rosy days of prosperity and dreams of wealth galore in the oil business at Burkburnett, Jess Adams of the Plainview News recalls it all to mind with the following squib: "We read about 'anticline and syncline' in the Teapot Dome testimony. Yes, we have heard of those birds before. They got some of our money during the Burkburnett oil boom several years ago."

Elk City Press: Serbia, the fire-brand that precipitated the World War, is being supplied with the latest arms and ammunition by France. Serbia already possesses weapons sufficient to equip her entire population, but is short of agricultural implements; an adequate educational system, poor railroads and but little money—except the war preparation. And with it all, Bulgaria on the south has disarmed, and Hungary on the north is practically disarmed, saddled with reparations to buy more arms for Serbia. It illustrates the state of mind that still exists—and propagated by a nation that can't pay her borrowed money.

Claude News: Mr. and Mrs. Otto Gould, Mrs. Gould's mother and Arch Carpenter were driving into Long Grove, Okla., at 11 o'clock one night last week when an officer fired upon them, believing, he said, that they were run runners. Gould was killed instantly. This is only another case of having an officer who hasn't any judgment at all. We do not believe that any officer has a right to shoot and kill any man for no other reason than that he believes that the party is a bootlegger. We are opposed to bootlegging and believe that all bootleggers should be arrested and jailed or fined; but to shoot down a bootlegger who is trying to make his get-away is not right, if the shooting is for no other reason than that he is a bootlegger. Turn over a big-six-shooter to a half-wit peace officer and all he wants is just an excuse to use it. He wants to kill somebody.

Clarendon News: Evidence of the death of sectionalism, in most of the south is seen by many newspapers in the increasing observance of the anniversary of the birth of Abraham Lincoln. It should be so. No united effort for the general good can be brought about in the midst of a people who are still torn by the hatreds and prejudices of sectionalism. Our fathers and grandfathers fought for a principle in which they believed, and we honor them for it. But the American people, in two notable times of stress, have demonstrated their ability, and willingness, to lay aside every vestige of sectionalism, and as a result have been closer knit than ever before. No nation on earth, occupying as large an area of the earth's surface as does America, can point to a people as solidly "one" in language, customs, thoughts, culture and any other characteristic which distinguishes one people from another, as live in the United States of America. We believe, too, that sectionalism is a thing of the past.

BILL BOOSTER SAYS

**How Can You
Tell Which
Battery
to Buy?**

Here's a safe guide—buy the battery that is the first choice of those expert battery buyers—the car-builders.

Willard has always been this first choice battery. It is used today by 134 car and truck builders—93% of whom have always used Willard.

There is only one way Willard could make such a record—that is by performance.

8 HOUR SERVICE

Keep your battery charged. Better lights; quicker starting; more power; better mileage; come from using our 8 hour charging service. Result's guaranteed.

Society and Clubs

BY MRS. JOE M. SMITH

Phone Local News and Society Items to No. 72

ELDREDGE CLUB

Feb. 8 the Eldredge club met at the home of Mrs. J. B. Hesty. The house was called to order by the president, and the secretary read a report. Miss Patterson then gave a demonstration on removing stains and on dyeing and tying. She taught the girls to make flat and French fell seams. The first year club girls have their cup towels made, and the second year girls have their hem patches, as well as the third year girls who have their pillow-cases made. The next meeting of the club will be held at the home of Mrs. Hesty March.

HOME SERVICE CLUB

The Home Service Club met in regular session last Tuesday afternoon in the home of Mrs. A. B. McAfee, with Mrs. Parnell as hostess. Roll call was answered by the 11 members on "The Natural Wonders of America," which was very interesting. Mrs. C. V. Davis read a paper on the Petrified Forests of Arizona, and also gave a brief talk on the Painted Desert. Following a paper on "The Stone Mountains," read by Mrs. Bozeman, Mrs. Will J. Lester gave a very interesting talk on the Mammoth Cave of Carlsbad, N. M. After disposing of the business routine the Pampa Fair was discussed from all angles, and it was decided to hold a Saturday market but no definite time was set. Each member brought a handkerchief to be given to Mrs. Garretson, but as she was absent, Mrs. Davis presented them to her. The club will meet with Mrs. Talley, Tuesday, Feb. 26, when Miss Patterson will be with us. A social half hour was enjoyed during which delicious refreshments were served.

HAPPY WORKERS CLUB

The Happy Workers Club met Feb. 15 with Mrs. J. F. Davis, when the meeting was called to order by the president, and a short business session held, during which it was voted to assist with the Pampa Fair fund by holding a Saturday food sale. Mrs. Jim Richardson was appointed to write up the yearbook. Mrs. Ernest Vandenburg and Mrs. J. F. Davis were appointed on the membership committee. The eight members and two visitors present appreciated the demonstration given by Miss Patterson on removing stains, after which the club adjourned to meet March 4 with Mrs. Jim Richardson.

BIRTHDAY PARTY

Mrs. H. R. Whatley was hostess to a number of little folks last Friday afternoon honoring the seventh birthday of her little son, Howard. Games were enjoyed, and later refreshments of sandwiches, salad, cake and lemonade were served the following young guests: Worth and Earl Seitz, Weldon Davis, W. P. Davis, Jr., Wm. Gilstrap, Wilks Chapman, Ruth and Aleta Barnard, Edith Carol and Hazel Jim Gray, Inetta Tipps, Leah Lane and Mary Beth Johnson. Howard was the recipient of many nice birthday remembrances.

BIBLE CLASS ORGANIZED

A meeting was held Feb. 18 at the home of Mrs. Emmett Osborne for the purpose of organizing a study class for the girls and young married ladies of the Methodist church. The meeting was opened with a sacred song on the Edison, after which all repeated the Lord's prayer in unison. Mrs. Jno. Andrews had charge of the organization, and the following officers were elected:

- President—Mrs. Edwin Vicars.
 - Vice president—Miss Mamie Jackson.
 - Secretary—Mrs. Cliff Vincent.
 - Treasurer—Mrs. Mary Hobart.
 - Superintendent of study—Mrs. Jno. V. Andrews.
 - Social Service—Miss Ama Barnard.
- Committees were appointed as follows:

Colors and mottoes—Misses Mary Hobart, Fannie Fern Pope, and Ama Barnard.

Chairman membership committee—Miss Laura Hobart.

It was voted that the organization be called the Bible Study Class, and that it should meet twice each month on the first and third Tuesday of the month, and that a social hour be had at each meeting.

The nine ladies present enrolled as members. After the meeting adjourned a social hour was enjoyed during which time refreshments were served by the hostess.

GUESTS AT DANCE

The following Canadian people attended the dance at the Legion Hall here last Friday evening: Mr. and

meeting. Most of the time will be taken up with mending clothes and quilting. Members are requested to bring scissors, thimbles, needles and thread. Those who have old clothes ready are requested to phone Mesdames Hobart, Walstad, Ledrick or Purviance.

EMBROIDERY CLUB

Several young ladies gathered at the home of Mrs. Cliff Vincent Friday

afternoon and organized an embroidery club. After an hour of jolly conversation and needlework the hostess served delicious refreshments to the following: Misses Laura Hobart, Fannie Fern Pope, Ama Barnard, Mary Hobart and Mrs. Edwin S. Vicars.

Mrs. H. E. Newcomb of Moscow, Kan., is visiting her mother, Mrs. C. A. White. Mr. Newcomb will also visit here about March 1.

THE UNIVERSAL CAR

Buy Your Ford Now

WITH spring almost here thousands of families, anticipating the demand that is certain to exist for Ford Cars and Trucks are placing their orders for immediate delivery.

Sales now are far ahead of sales at this time last year. Advance orders calling for delivery under the Ford Weekly Purchase Plan have already reached a total of 255,758 Cars and Trucks.

The prospect of securing prompt delivery is daily becoming more uncertain. We cannot urge too strongly, therefore, the necessity for placing your order immediately, if you are planning to drive a Ford Car this spring.

See the nearest Authorized Ford Dealer

Detroit, Michigan

It is not necessary to pay for your car in full in order to secure delivery. You can get on the preferred list for early delivery by making a small payment down. Or, if you wish, you can arrange for delivery under the terms of the Ford Weekly Purchase Plan.

CARD OF THANKS

We wish to thank our many friends and neighbors who have so kindly assisted us in our hour of affliction and also for the many floral offerings. Mr. and Mrs. Elmer Melton and Daughters; Mrs. Maggie Hopkins; Mr. and Mrs. Roger McConnell and family; Mr. and Mrs. Ralph Glascock and family; Mr. and Mrs. Ewing Williams; Silar, John and Jimmie Hopkins.

STOP THAT ITCHING

Use Blue Star Remedy for eczema, Itch, tetter, or cracked hands, ring worms, chapped face, poison oak, sunburns, old sores or sores on children. It relieves all forms of sore feet. For sale by Pampa Drug Co.

SPILLED THE CHOPS A team belong to J. M. Saunders ran away Monday afternoon with a wagon loaded with maize chops. If there was any end-gate in the wagon it was soon lost and a trail of chops was left for several blocks, but no serious damage done.

RAGGED ENDS Edited by Public School Students (Continued From First Page)

larly to the children in school, and in addition to her work in school, she will have a class of mothers, in order that these abnormalities may be corrected as far as possible. Mothers are urged to co-operate with the nurse.

Your boy or girl may be healthy and apparently in splendid condition, yet if he or she is under weight work to the end that they may even be in better physical condition. The worker will be here about two months, and is under the direction of the local chapter of the Red Cross.

State Clothing Contest Every year there is a clothing contest given in this state, in which every high school which teaches clothing is entitled to enter the contest. Especially do schools where vocational home economics is taught put forth extra effort to meet the qualifications to enter.

Last year the contest was held at Fort Worth and this year the schools have accepted the invitation of the city of Galveston to have it there. Reduced rates have been offered by the Hotel Galvez, one of the leading hostleries of the southwest, to the participants in the contest.

While the girls are guests of the city they will be taken on a long motor drive along the beach, given a buffet luncheon, free bathing tickets and taken on a yachting trip.

The contest will be held last week-end in April, a time when Galveston is at its best. The giant ocean-dancers alone, as well as other beautiful flowers, tempt anyone.

The railway companies are also giving reduced rates, and a round trip ticket may be secured for one and a half fare.

Such a trip would be an event in the life of the many girls. The home economics girls of the local high school are now working on their clothing problems, and are endeavoring to make money to cover expenses on the trip.

Jokes

Mrs. Plumb—"There, now, I've read you the whole story of the Ark and you must have known it."

Her Small Son—"But what would have happened if Noah had sent out a sea-gull?"

Mr. Gray to Mr. Campbell—"Did you say you wanted a widow or a widow?"

Mr. Campbell—"I said widow, but they're both much alike. When I get near either of them I always look out."

Traveler to Mr. Traveler (while waiting in Pampa)—"What town is this?"

Mr. T.—"I don't see no town."

Mrs. T.—"You're looking out the wrong side of the car."

BISHOP GARRETT DIED SUDDENLY MONDAY

The Rt. Rev. Alexander C. Garrett, bishop of the Episcopal Diocese of Dallas and presiding bishop of the Protestant Episcopal Church in America, died suddenly Monday night at his cottage at St. Mary's College, which he founded in Dallas.

GROUND TO PIECES IN CROSSING ACCIDENT

Texhoma, Okla.—F. M. Kittle, farmer, was struck and instantly killed here Tuesday by a Rock Island freight train while he was crossing the track in an automobile. He was 50 years old and lived within a mile of Texhoma.

Mr. Kittle was literally ground to pieces by the freight train. A wash tub was used to pick up pieces of his body and carry them to the undertaker's establishment.
