

TWEEN 12 AND 20

By ROBERT WALLACE, Ed.D.
Dr. Wallace: I'm a 15-year-old girl who has been in a lot of trouble but now I've got boyfriend problems. My mom and I didn't get along so I ran away from home and lived with a girlfriend. During this time I met Dave, who was 21 and wild. We were as close as brother and sister but he got sent to the state pen for three to five years.

After that happened I went to live with my grandmother and met Bill. We fell in love and I told him about Dave and that I was writing to him in prison but Bill didn't seem to care. Then I got into some trouble and was sent up the river and Bill was true to me while I was gone.

When I got back Bill said that he didn't want me writing to Dave anymore and that he wants me to get my act together.

I think the whole thing is stupid. What should I do? — S.S., Lake Charles, La.

S.S.: You've packed a "lot of living" into your young life.

Hopefully, as you are now maturing into a woman, you have had your "fling" and will make plans and goals for a happy adulthood.

Bill sounds like he has your best interests at heart so I would honor his wishes and stop corresponding with Dave.

Children can write all about Mom

LETTER WRITERS — 100 of them — will win the 1980 edition of the world-famous Mother's Day Plate by Bing and Grondahl. The youngsters who write the most appealing letters on "Why I Love My Mother" will win the porcelain collector's plate, 12th in a series that originated in 1969. The '69 plate is now valued at more than \$500.

Here's news of a contest that should interest every youngster wondering what to give Mom this Mother's Day.

Bing & Grondahl, the Danish porcelain-makers often referred to as the "father of collectors plates," will award the 1980 edition of their famous annual Mother's Day Plate to 100 youngsters who write the most appealing letters on "Why I Love My Mother."

To be eligible, entrants must be full-time students between the ages of six and 18. Their letters should be no longer than 100 words and must be received by Bing & Grondahl by April 25.

Winners will be notified the first week of May. They will receive the famous sculpted six-inch, hand-decorated underglaze in shades of blue — gift-boxed and in time to present on Mother's Day May 11. This year's plate, twelfth in the series that originated in 1969, shows a mother woodpecker feeding her young.

Surprising as it may seem, it's been estimated that only half of the annual Mother's Day Plates are actually presented to mothers. The other half are snatched up by avid plate-collectors. Because the first Mother's Day Plate issued by Bing & Grondahl in 1969 skyrocketed from its original issue price of \$9.75 to \$535, an increase of more than 500 percent, today many dealers, collectors and speculators buy them as an investment.

"Youngsters often have the deepest and warmest feelings about their mothers," says Paul B. Steffensen, president of Bing & Grondahl, "yet they are usually the ones with the least possibility of being able to give their mothers such a special gift. Now we hope to remedy that situation, at least in a small way."

"The idea of the Mother's Day Plate was to create something specifically for Mother on her day, something that had a universal appeal," continued Steffensen. With Henry Thelander, the noted Danish artist who has designed each Bing & Grondahl Christmas Plate since 1963, the company chose mother love in the animal kingdom as their continuing theme.

"We are very proud of the fact that this Danish plate is the most popular of all in the United States. In Denmark, we feel very warmly about our mothers. In fact, Denmark was the first country in the world to adopt the American Mother's Day holiday."

All entries, with the entrants age, name, address and school clearly printed, should be sent to Mother's Day Contest, Bing & Grondahl, 111 North Lawn Ave., Elmsford, N.Y. 10523.

Medical coverage at record high

WASHINGTON (AP) — Dollar protection against the cost of a major accident or illness is at an all-time high, according to the Health Insurance Institute.

A survey of group health-insurance policies issued in the first three months of 1979 shows that 92 percent of surveyed employees with major medical coverage had maximum benefits of more than \$100,000, compared to 24 percent six years earlier. Major medical policies through insurance companies protect about 1 out of 2 persons in the U.S.

DEAR ABBY

DEAR ABBY: You probably won't remember me, but I am a fairly successful, middle-aged family man who wrote to you about a year ago telling you I thought I had a problem with alcohol. I was drunk when I wrote that letter and couldn't remember mailing it, but I know I did because much to my surprise I received an answer from you!

You sent along a list of 12 questions to be answered yes or no; you told me if there were four or more "yeses" I was in deep trouble. You also urged me to go to just one Alcoholics Anonymous meeting.

To make a long story short I went, feeling slightly embarrassed, but my embarrassment soon turned to courage when I found doctors, lawyers, musicians, school teachers, bellhops, policemen and construction workers there. I was relieved to learn that I was not alone — that others suffered from the same feelings of fear, inadequacy and guilt that I felt.

On this, my first anniversary of sobriety, I just had to say thank you for sending me to A.A. You saved my life.

RAY

DEAR RAY: No thanks due me. I merely pointed to the road. You took it.

To celebrate your sobriety, I am printing the 12 questions so that others who wonder if they have a drinking problem can test themselves. The test was written by those who know first-hand what alcoholism is all about — members of Alcoholics Anonymous.

1. Have you ever decided to stop drinking for a week or so, but only lasted for a couple of days? Yes () ; No ().

Most of us in A.A. made all kinds of promises to ourselves and to our families. We could not keep them. Then we came to A.A., which said: "Just try not to drink today." (If you do not drink today, you cannot get drunk today.)

2. Do you wish people would mind their own business about your drinking — stop telling you what to do? Yes () ; No ().

In A.A. we do not tell anyone to do anything. We just talk about our own drinking, the trouble we got into and how we stopped.

3. Have you ever switched from one kind of drink to another in the hope that this would keep you from getting drunk? Yes () ; No ().

We tried all kinds of ways. We made our drinks weaker. Or just drank beer. Or we did not drink cocktails. Or only drank on weekends. You name it, we tried it. But if we drank anything with alcohol in it, we usually got drunk eventually.

4. Have you had a drink in the morning during the past year? Yes () ; No ().

Do you need a drink to get started, or to stop shaking? This is a pretty sure sign that you are not drinking "socially."

5. Do you envy people who can drink without getting into trouble? Yes () ; No ().

At one time or another, most of us have wondered why we were not like most people, who really can take it or leave it.

6. Have you had problems connected with drinking during the past year? Yes () ; No ().

Be honest! Doctors say that if you have a problem with alcohol and keep on drinking, it will get worse — never better.

7. Has your drinking caused trouble at home? Yes () ; No ().

8. Do you ever try to get "extra" drinks at a party because you do not get enough? Yes () ; No ().

9. Do you tell yourself you can stop drinking anytime you want to, even though you keep getting drunk when you don't mean to? Yes () ; No ().

Many of us kidded ourselves into thinking that we drank because we wanted to. After we came into A.A., we found out that once we started to drink, we could not stop.

10. Have you missed days at work because of drinking? Yes () ; No ().

Many of us admit now that we "called in sick" lots of times when the truth was that we were hung-over or on a drunk.

11. Do you have "blackouts"? Yes () ; No ().

A blackout is when there are drinking hours or days we cannot remember.

12. Have you ever felt that your life would be better if you did not drink? Yes () ; No ().

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve a common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for membership. It is self-supporting through voluntary contributions.

Look for A.A. in your phone book, or write to Box 459, Grand Central Station, New York, N.Y. 10017 for information.

DR. LAMB

DEAR DR. LAMB — I read a column of yours about surgery to remove cataracts and you said that not everyone who has cataracts necessarily requires surgery. I had a cataract removed from one eye. Can I hold off on the other one until my vision gets to be 200 or until I can no longer read the newspaper? Is there any danger in waiting?

I would send you The Health Letter number 13-6, Your Cataracts are Coming, if you had given me your name and address. Send it along and I'll send you one anyway.

Other readers who want this issue can send 75 cents with a long, stamped, self-addressed envelope for it. Send your request to me, in care of this newspaper, P.O. Box 1551, Radio City Station, New York, NY 10019.

As that issue of The Health

Letter explains, there are a number of considerations as to whether a person needs cataract surgery. Usually a cataract won't damage the rest of the eye, but if the cataract begins to interfere with the normal fluid pressure inside the eye, it can cause glaucoma. In most instances, glaucoma is caused by other problems but this should warn you that there is a point at which cataracts cannot be neglected. You have to depend on your ophthalmologist to tell you when is the right time to have them removed.

In general, I favor taking whatever measures are necessary to maintain the best possible vision. The fact that a

person is older is no excuse for allowing him or her to develop poor vision. Avoiding some of the problems of aging depends on being able to use your special senses that provide information to the brain. It's not surprising that a person who can't see very well and can't hear very well soon won't be able to think very well.

As that issue of The Health

KEENAN HENDERSON swung a big bat for the Pampa Harvesters, who rolled past Palo Duro, 18-4, Tuesday afternoon at Optimist Park. Henderson

Harvesters pound Palo Duro for first district victory

Pampa continued its torrid hitting streak, but this time it came against a District 3-AAAA opponent Tuesday afternoon at Optimist Park as the Harvesters drilled Palo Duro, 18-4.

The Harvesters are coming off 22-6 and 15-0 wins over Liberal, Kansas Friday, but have fallen to district foes Caprock and Tascosa. Pampa is now 1-2 in district play and 9-9 overall.

Firstbaseman Keenan Henderson, who entered the game with a .316 batting average, led Pampa's 21-hit attack with a single, double, and homerun. He knocked in five runs.

Shortstop Joe Jeffers knocked in four runs with three hits while pitcher Scott John had a perfect day at the plate with three hits in three trips. Steve McDougall had three hits in four times at bat and also swiped two bases.

Mark Jennings and Bret Atchley had two hits apiece while Andy Richardson, Clyde Coffee, Clay Coffee, Mark Qualls, and Monte Covalt had one hit each.

John, who pitched himself out of bases-loaded jams in the third and fourth innings, was the winning pitcher. The junior righthander allowed two runs on two hits while striking out five and walking five in four innings on the mound. Qualls gave up two runs on two hits while striking out four and walking three the next two innings. Leroy Kuhn finished up by setting Palo Duro down in order in the seventh inning.

The Harvesters, who have had 52 hits in their last three games, had their biggest inning in the third when seven runs crossed the plate. Pampa scored in every inning except the fourth.

"It was a great effort on our part," said Pampa coach Steve Scott. "Anytime we can get 21 hits it's going to be a great day for Pampa High."

Scott, however, was disappointed with the pitching performance.

"Our pitching was shabby. There was no question about that," Scott said. "If we can get a well-pitched game we can beat anybody in district."

Pampa travels to Amarillo High Friday afternoon to close out the first half of the district season.

Palo Duro, 4-9 overall and 1-2 in district standings, meets Caprock Friday.

The Sandies downed Tascosa, 10-6, Tuesday to remain unbeaten at 3-0 in loop play. Overall, AHS is 16-2.

"It should be a good game," Scott said. "They've got better pitching, but man for man we've got the best team. We're better defensively and we hit the ball almost as well as they do."

National League roundup

By ALEX SACHARE
AP Sports Writer

The Atlanta Braves have played six games this season and lost all six, and the streak is taking its toll on Manager Bobby Cox.

"It's driving me crazy," Cox said following his team's 6-1 loss at Houston Monday night. "I can't sleep at night—and when I do, I hate to wake up in the morning and read the newspapers."

"We need to break out of this in a big way, but I'm still waiting for that to happen. Our pitching has been poor and our offense has been sputtering."

However, Braves pitcher Gene Garber is still optimistic.

Not Monday night. Joe Niekro baffled the Braves with his knuckleball, pitching a six-hitter, and the Astros broke the game

open early with four runs in the second inning. Doubles by Luis Pujols and Julio Gonzalez were the big hits in the uprising.

In other National League action, the Cincinnati Reds beat the San Francisco Giants 8-3, the Montreal Expos defeated the New York Mets 7-3, the St. Louis Cardinals topped the Philadelphia Phillies 7-2 and the San Diego Padres outscored the Los Angeles Dodgers 9-5.

"If you watch the ball from the time it leaves Joe's hand, you go crazy," said Pujols, the Astros' catcher. "It's better to wait until just before it gets to you."

It was the first win of the year for Niekro, who was 21-11 last season.

The Astros took a 2-0 lead in the first inning on singles by Jose Cruz and Enos Cabell, then broke it open in the second on RBI hits by Jeff Leonard, Gonzalez and

Cesar Cedeno and Joe Morgan's fielder's choice grounder.

Reds 8, Giants 3
Cincinnati raised its record to 6-0 as Dave Concepcion drove in three runs, Dave Collins continued his hot hitting with three singles and Tom Seaver won his first start of the year.

Seaver, who missed the season opener because of the flu, pitched six innings, giving up three runs on six hits. It was the 236th victory of his career, tying him with former New York Yankees pitcher Whitey Ford for 40th place on the all-time list.

Expos 7, Mets 3

Warren Cromartie hit two home runs and Montreal scored four unearned runs as the Mets tied a team record with six errors, three of them in the Expos' five-run first inning.

Ballesteros drained after victory

J CARLSBAD, Calif. (AP) — Severiano Ballesteros is fighting fatigue and a mild cold after his Masters victory.

"It was my toughest week in golf," Ballesteros said of his emotional triumph in Augusta, Ga. He led or shared the lead all the way. But a last round, 10-shot advantage dwindled to two strokes and the 36-year-old Spaniard's energy was a test of courage and character for the young champion.

He was equal to it.

But the test took its toll.

"I am very tired," he said after a practice round over the 6,889 yard, par 72 La Costa Country Club Course, site of the \$300,000 tournament of Champions which begins Thursday.

The exclusive event, which brings together only the winners of four titles for the last 12 months, is scheduled to be Ballesteros' last American appearance until the U.S. Open in June. He will return to Europe immediately after the Sunday finish here.

Despite the letdown common after a

major tournament triumph, the handsome, 23-year-old Ballesteros was listed as a co-favorite with Tom Watson in the 30-man field of champions.

And Watson, the outstanding player in the game for the past three years, is having some problems of his own. He had a less-than-successful Masters and said he's still experiencing some swing problems.

"I'm just not hitting the ball well," Watson said.

His record, however, is outstanding.

Eighth grade girls second at Borger

Pampa finished second behind Dumas in an eighth grade girls track meet last week at Borger.

Pampa collected 113 points to 129 for Dumas. LaPlata was third in a seven-team meet with 81 points.

Pampa's 440-meter relay team was clocked at 54.1 to take first. Team members were Ashlie Darby, Dona Darby, Tina Greenway, and Tina Bunt.

Andrea Elliott won the 800-meter dash with a 2:52.2.

Pampa had a pair of winners in the field events with Kristie Hughes in the high jump (4-11) and Tina Greeway in the long jump (13-4).

Other Pampa placings went to Rebekkah Guenther, fifth, 100-meter dash, 68.5; Gaye Hendricks, sixth, 400-meter dash, 69.9; Patricia George, second, triple jump, 28-4; Kristie Hughes, fourth, triple jump, 27-1.

Pampa's next meet is Friday at Dumas.

Texas League roundup

By the Associated Press

Joel Chrisler provided the pitching and Brian Harper and Mike Shop furnished the hitting as the El Paso Diablos took a 5-2 Texas League baseball victory over the Amarillo Gold Sox Tuesday night.

In other Texas League action, Tulsa split a doubleheader with Jackson and San Antonio and Midland got a victory each in another split.

Jackson beat Tulsa, 2-1, in the opener and Tulsa won the nightcap.

Three teams enter conference finals, Sonics in trouble

By ALEX SCHARE
AP Sports Writer

Philadelphia and Los Angeles have joined Boston in the conference finals of the National Basketball Association playoffs, which means the teams with the three best records during the regular season have qualified for the round of four.

But for the club with the fourth-best mark, the defending champion Seattle SuperSonics, the outlook is bleak.

The Sonics were beaten by the Milwaukee Bucks 108-97 Tuesday night and now trail in their best-of-seven second-round series 3-2. The Bucks can wrap it up at home Friday night.

"We feel we've played tremendous basketball in four of the five games of this series," said Richard Washington, who came off the bench to score 21 points while filling in both at center and forward.

"We're as confident as we can be going back to Milwaukee."

And the Sonics, who fell behind in the series 2-1 only to tie it at Milwaukee and thought they were in the driver's seat with

two of the last three games at home, know they are in trouble.

Philadelphia and Los Angeles did it on Tuesday.

The 76ers, getting 30 points apiece from Julius Erving and Darryl Dawkins, beat the Atlanta Hawks 105-100 to win their series 4-1. Philadelphia will meet the Celtics in the Eastern Conference finals starting in Boston Friday night.

The Lakers, with Kareem Abdul-Jabbar scoring 35 points and grabbing 16 rebounds, whipped the Phoenix Suns 126-101 to win their series, also by a 4-1 margin. The Lakers will face the winner of Milwaukee-Seattle in the Western Conference final.

Boston had advanced to the round of four by completing a sweep of the Houston Rockets Monday night.

Milwaukee's win may have been costly, because forward Dave Meyers suffered a bruised knee and sixth man Junior Bridgeman bruised his lower back during the game.

Milwaukee led 85-72 after three quarters,

but Seattle rallied to cut the gap to three at 92-89 on a follow-up shot by rookie James Bailey with 4:19 left. But the Bucks turned back that charge by scoring six straight points on a free throw by Lanier, a stuff shot by Marques Johnson and a three-point play by Washington.

76ers 105, Hawks 100

The Sixers trailed 53-43 at halftime but outscored the Hawks 35-20 in the third period to take command. Erving and Dawkins combined for 21 points in the decisive quarter.

The 22-year-old Dawkins, playing his best game of the series, hit on 14 of 20 shots from the field against Atlanta centers Wayne "Tree" Rollins and Steve Hawes.

Lakers 126, Suns 101

The Lakers made six of their first seven shots, broke to a 16-8 lead and never trailed in posting their 23rd victory in the last 25 starts on their home court. They broke the game wide open by scoring 13 of the last 18 points in the first half and 11 of the first 14 points in the second half to go ahead 71-45.

Brown wins Spearman title

Shane Brown of Pampa collected 63 points to win the bareback riding title last weekend at the Spearman Tri-State High School Rodeo.

Wade Lemons of Canadian tied with Jimmy Wolfe of Borger for sixth place with 46 points each.

Robby Burrell, also of Pampa, placed fifth in calf roping with a time of 15.543. Todd Freeman of White Deer tied the knot in 11.095 to win the event.

Greg Gable of McLean was timed at 10.537 to take third in steer wrestling.

In the girls division, JoLinda Lowrey of Pampa placed second in barrel racing (19.885) and second in goat tying (14.349). Kelly Brock was sixth in goat tying at 17.460.

Brown also qualified for the Texas High School Rodeo Association Finals with a third-place finish in the bareback riding last week during Region 1 Qualifying at Spearman. Brown earned 48 points while Landy Mann of Canadian was second with 53. Knicky Hanks scored 63 points for top honors.

Divers to compete

AUSTIN, Texas (AP) — The National Olympic Diving Trials will be held this summer, a spokesman announced Tuesday.

Steve Berrizzi, director of the University of Texas Swim Center, said the meet scheduled June 27-July 1 will decide the diving to compete in an alternate Olympic contest.

The National Swimming Trials, also to be held at UT, were cancelled two months ago, said Randy Hart of the United States Swimming committee.

American League roundup

By WILLIAM R. BARNARD
AP Sports Writer

While Jon Matlack and Frank Tanana continued their comebacks from serious arm injuries that sidelined them much of one season, Steve McCatty returned from an ego injury of one day.

Matlack handcuffed the Cleveland Indians on five hits and ran his consecutive scoreless innings streak to 18 Tuesday night to lead the Texas Rangers to a 3-0 victory.

Tanana, making his first start after tendinitis in his shoulder forced him to miss three months last season, pitched a complete game and scattered eight hits as the California Angels defeated the Minnesota Twins 3-1.

McCatty, meanwhile, recovered from a less serious blow. The 6-foot-3 Oakland right-hander was bombed for five runs in 12-3 innings Monday night, but Manager Billy Martin started him again Tuesday night and he responded with eight innings of shutout pitching as the A's bombed the Seattle Mariners 12-3.

In the other two American League games, the Chicago White Sox defeated the New York Yankees 4-3 in 14 innings and the Baltimore Orioles routed the Kansas City Royals 12-2.

Neither Matlack nor Tanana had expected to go nine innings. "I feel as though I have fully recovered, but I should be just going seven innings," said Matlack, who also went nine innings in Texas' opener with the Yankees before being relieved in a 0-0 game.

"I would have been happy with seven innings and taking a hike," said Tanana. "They wanted me to go one more, so I did."

"The eighth turned out to be pretty easy, so I said, 'What the hell, let's go for nine.'"

McCatty, who started his game with a 21.00 earned run

average, allowed only three hits through eight innings before needing relief help in the ninth, when Seattle scored all its runs.

"I found out at 7:18 (17 minutes before game time) that I'd be pitching and I was really excited," McCatty said. "Usually after being knocked out early, you have to just sit around the next night feeling sorry for yourself and try to recoup."

Rick Langford, the scheduled starter for Oakland, suffered a muscle spasm in his back while warming up.

Orioles 12, Royals 2

Rick Dempsey and Ken Singleton both hit two-run homers to pace a 12-hit attack as Baltimore won easily in its first home game in front of a record opening-day crowd of 50,119. Jim Palmer allowed only six hits through eight innings to earn his second victory of the season.

White Sox 4, Yankees 3

Chet Lemon's bases-loaded single with two out in the bottom of the 14th inning ended a three-hour, 41-minute marathon in chilly Chicago, giving the White Sox their fourth straight victory after an opening-day loss.

Astro-Graph

by bernice bede osol

April 17, 1980

Learning will come easy this coming year if you study things you're fond of. Expanding your knowledge in these areas will be mentally rewarding and could also prove profitable.

ARIES (March 21-April 19) Sometimes we can do a little harness exaggerating and nothing comes of it. Today, however, lack of candor could cause you embarrassment. Getting along with other signs is one of the sections you'll enjoy in your Astro-Graph Letter, which begins with your birthday. Mail \$1 for each to Astro-Graph, Box 489, Radio City Station, N.Y. 10019. Be sure to specify birth date.

TAURUS (April 20-May 20) Minor commercial dealings will be capably handled by you today, but situations involving larger stakes could be mismanaged. Take greater care with the latter.

GEMINI (May 21-June 20) Be positive and hopeful today, but try not to magnify things of small promise into something larger than they are. Kidding yourself will lead to disappointment.

CANCER (June 21-July 22) Rewards will come to you today in a ratio to your achievements. Don't expect a larger return than you are honestly entitled to.

LEO (July 23-Aug. 22) You don't have to do expensive things for pals today to let them know you

like them. Small, thoughtful gestures will do the job better.

VIRGO (Aug. 23-Sept. 22) When doing things in concert with another today, don't take a greater share of the glory. Praise and rewards for joint efforts should be equal.

LIBRA (Sept. 23-Oct. 23) Make your decisions today based on reality and facts. Blue-sky input could destroy your judgment and lead you astray.

SCORPIO (Oct. 24-Nov. 22) Avoid tendencies to turn small tasks into larger ones. Thinking something is hard will make it so.

SAGITTARIUS (Nov. 23-Dec. 21) Business favors should not be expected today from persons you know on a limited social basis. Wait till you become better friends or have more in common.

CAPRICORN (Dec. 22-Jan. 19) Once you get going today, you are a productive, industrious worker, but there's a chance you could schedule your time poorly, thereby cutting down your effective hours.

AQUARIUS (Jan. 20-Feb. 19) Discussions with friends could prove very enlightening today, but don't lock yourself into any business or money deals without deeper investigation.

PISCES (Feb. 20-March 20) You have the ingenuity to turn something unprofitable into a money-maker. Be alert so you're able to recognize opportunity.

Pulitzer Prize winning photos by 'Skeeter' Hagler

The cowboy helicopter pilot Frank Menix (top left photo) hovers over a herd of cattle on the massive West Texas Pitchfork Ranch. Working together, the helicopter and cowboys on horseback can move the herd quicker and more efficiently across the ranch's 161,000 acres than horseback cowboys could alone. Tom Blasingame (top right photo) is happy with cowboy life on the 177,933-acre JA Ranch near Amarillo, Texas. At 81, friends say he's as good a cowboy as there is on horseback. He outropes and outrides many cowboys one-quarter his age.

"All I ever wanted to do was cowboy, and I never regret it," Blasingame says. Blasingame (in lower left photo) rides the long, lonely road on the wide open plains of West Texas. The road is one cowboys of earlier years could have ridden. "Even the patches have patches," on the boots of cowboy Sonny Edgar (lower right photo) of the Pitchfork Ranch in West Texas. The boots show years of wear herding cattle.

Some say the Cowboy is the only American folk hero left today.

In this age of computerized technology, the cowboy's work and lifestyle remain virtually unchanged from that of his father and his grandfather before him. On two large West Texas ranches, the 161,000-acre Pitchfork and the 208,000-acre 6666 Ranch, cowboys still herd cattle on horseback and still rope and drag calves to the fire where a red-hot branding iron awaits them. Even though his jeans and shirt may be wash 'n' wear, the rest of the stuff is the same as his great-grandfather — the chaps, spurs, hat, horse, saddle and rope.

But some things have changed. The days of sleeping under the stars with a saddle for a pillow and chowing down at the chuckwagon have given way to pickup trucks, trailers, helicopters for herding and butane-fueled branding fires.

The dirt, dust and potential injury remain. There are few cowboys who haven't broken an arm, leg or ankle, been stomped on or thrown off his mount sometime in his life.

Cowboys still test their skills after the day's work is done by roping calves in a corral, which is how today's rodeo originated.

"We cowboy because we want to," says one Sixes Cowboy, "because we love it. Cowboys don't cowboy for the money."

"It's a pride," says another, "a way of life."

These photos were among those taken by Erwin H. "Skeeter" Hagler of the Dallas Times Herald, which won him the coveted Pulitzer Prize for feature photos.
