### Livestock Show Sets Record

#### Over 100 Youth Exhibit In Show

A record number of entries poured in following the 26th annual Bailey County Junior Livestock Show. More than 120 youths exhibited above 300 animals, including sheep, swine and calves.

Around 1 p.m. on Thursday, the animals were being weighed in and tabbed for the show. Judging got underway at 7:30 p.m. Friday with Denny Belew, agriculture teacher from Friendship judging the lambs, James Hodge was named showmanship judge.

Winner of the grand champion prize was Ricky Black with Danita Throckmorton showing the reserve champion lamb.

Results of the lamb show are as follows:

**SOUTHDOWN AND SOUTHDOWN CROSSES**  
Belinda Throckmorton, first; Ricky Black, second; Toby Tucker, third; Ronnie Richardson, fourth; Boyd Gibbs, fifth

and sixth places.

**FINE WOOL CROSSES**  
Vowery Throckmorton, first and Danita Throckmorton, second.

**FINE WOOL**

### Jaycees Drop 'Miss Texas' Franchise

"Because of the lack of public support, the Muleshoe Jaycees have voted to drop the 'Miss Texas' franchise," said Mac Brown, reporter for the Muleshoe Jaycees. "However, we will continue to hold the Miss Muleshoe pageant."

This action was taken at the Monday meeting of the Jaycees. Last year, Muleshoe was represented in the Miss Texas Pageant by the reigning Miss Muleshoe, Treena Bryant.

The proposal was made by Clarence Christian, chairman of the project. He gave a report on the Miss Texas pageant and finances involved before the proposal was made to drop the project.

Bill Russell was installed as a new director during the meeting. According to Jaycee reporter, this was done because of the rapid growth of the organization. Russell also reported on the upcoming volleyball tournament.

The tournament, which will last for five nights, begins tomorrow night (Monday) in the Muleshoe High School gymnasium.

John Gentry was named as social chairman and Doyce Turner reported on a Plainview Work Forum. Curtis Walker said approximately 25

### Special Bargains For One-Day Sale

One of Muleshoe's most popular and famous events takes place tomorrow, Monday, February 22. On this, the traditional day to celebrate Washington's Birthday, a 'special, special' sale is being held.

The one day sale will feature numerous bargains throughout the stores and shoppers are expected to have a field day shopping for such 'shocker' bargains as a man's suit for 22 cents; a color television for \$22 or a camera for 22 cents. These are just a few of the bargains being offered throughout Muleshoe on all types of merchandise.

A burglar alarm is selling in one store for 22 cents; \$25 worth of groceries for \$2.22; ladies' shoes for \$2.22 a pair and a \$25 electric fry pan for \$12.22.

This year, the popular treasure hunt will also be held. On a page of this issue of The Journal, will be a number of squares with very special prices offered to the person who has the lucky number which matches the number posted in the store.

All you have to do is take the entire issue of The Journal to the stores to check the

### Chief Coach Of Texas Tech To Visit Here

The Muleshoe Lions Club will host a special speaker during their March 3 meeting at noon in the fellowship hall of the First United Methodist Church.

Speaking will be Head Coach Jim Carlen from Texas Tech University at Lubbock, said program chairman W. D. 'Bill' Moore.

Coach Jim Carlen has launched a new gridiron era at Texas Tech.

In his first year at the Red Raider helm, he directed Texas Tech to an eight-four season which included an appearance in the Sun Bowl against Georgia Tech. He was voted Southwest Conference Football Coach of the Year in the Associated Press poll following the 1970 Coach of the Year by the Dallas Morning News.

The 37-year old coach has now coached or played in 11 bowl contests. The 1970 bowl appearance was the second in a row for Carlen-led teams. His 1969 West Virginia Mountaineers were champions of the Peach Bowl with a 14-3 win over South Carolina.

### Muleshoe Men To Florida On A 'Great' Trip

A group of men from the Muleshoe area, including J.S. 'Sig' Kimbrough, Roy Farley, Gid Howell, James Phipps, Hal Phipps, Klyde Krebs and Junior Matthews are among the several men from here, Plainview, Amarillo and Lubbock who left for Orlando, Fla. Saturday.

Kimbrough, Farley, Howell, and James Phipps will be attending a school conducted for persons in the group, 'Dare To Be Great, Inc.' a new innovation in this area.

The group left from San Angelo on an up-flight for the Florida city.

### MAIF To Host Industry Consultant

President of the Muleshoe Area Industrial Foundation, Harmon Elliott, said E.H. Sheffield, industrial development consultant from Austin will be in Muleshoe Friday, February 26 at 2:30 p.m.

He will meet with industrial development people and community leaders, said Elliott, to present the new 'Insta-Site' program developed by Texas Industrial Commission which feeds information into a computer from various towns in Texas, explained Elliott. In this manner, it will provide information to industrial prospects within 72 hours as to the availability of sites and information needed for the prospect.

Elliott commented that Texas is the only state to have this up-to-date service, but several states are in the planning process for a similar operation. Sheffield plans to discuss the program and how it can help the Muleshoe community, as well as recognize and present Governor's Citations to those persons who helped with the computer program in Muleshoe.

Prior to his visit to Muleshoe, Sheffield will be in Sudan at 1 p.m. and go to Earth after the Muleshoe meeting for a 4 p.m. conference there.

### Council Calls Election; Two Terms Expire

At the regular meeting of the Muleshoe City Council Tuesday; a recommendation was made by Bob Capps and Jess Winn, representatives of Pioneer Natural Gas Company, that the City consider the use of gas for cooling and heating the new library.

The gas company representatives pointed out what they felt were advantages of using gas in the new facility.

City Engineer Ralph Douglas and the contractor of the 1,000,000 gallon water reservoir which was constructed just south of Muleshoe also

attended the meeting.

Following lengthy discussion, the contractor agreed to start re-working the reservoir not later than March 6 in an attempt to stop a reported leakage.

Councilmen also called an election for Saturday, April 3, to elect councilmen in two positions. The terms of Alex Williams and Lindal Murray are expiring in April.

A motion was made and passed to establish new charges for garbage and trash collections.

The councilmen discussed the

# COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Ed Dean, field service director and labor relations advisor of Plains Cotton Growers, Inc., Lubbock, has been elected to represent Texas as a director of the National Council of Agricultural Employers...

was elected Dean's alternate on the NCAE Board and J.B. Kirklind, head of the Trans-Pecos Cotton Association, was elected by the Board as a director at large.

Farm labor disputes in recent years have grown almost to the point of jungle warfare, Dean said on his election...

The much publicized "grape boycott" of California is used as a prime example of how growers can be victimized under present conditions...

NCAE has members from 42 states, including users of farm and farm related labor from all major growing areas of the country...

The grape boycott was perpetrated against California growers by the United Farm Workers...

Workers Organizing Committee (UFWOC) under the leadership of Cesar Chavez. And on a number of occasions Chavez has pointed to Florida and Texas as the UFWOC's next targets...

## Jaycees...

Gene McGuire and Duane Calvert were named co-chairmen of a community survey which will be made in the near future, according to a report by Doyce Turner.

The community survey will be taken to see what the residents of the community think needs to be done to improve the community and how local civic clubs can help with the improvements.

Guests at the meeting were Paul Wilbanks, Tim Campbell, Stanley Black, Gordon (Corky) Green and Darrell Embry.

Members attending included Delbert Barry, John Blackwell, Gary Mac Brown, James Brown, Duane Calvert, Clarence Christian, Bill Dale, Mark Gist, Richard Hawkins, Jerry Hutton, Dick Johnson, Max King, Marshall Lee, Marlin Mills and Wayne Peterson.

Also, Bill Russell, Duane Seay, Gary Shipman, Charles Smith, Ronnie Spies, Bob Stovall, Jim Tucker, Doyce Turner, Curtis Walker, Glen Watkins, Leon Wilson, Gene McGuire, Freddy Savage, David Lee, Glen Stevenson, John Woodard, Mike Miller, Jerry Haley and Buddy Hale.

## City...

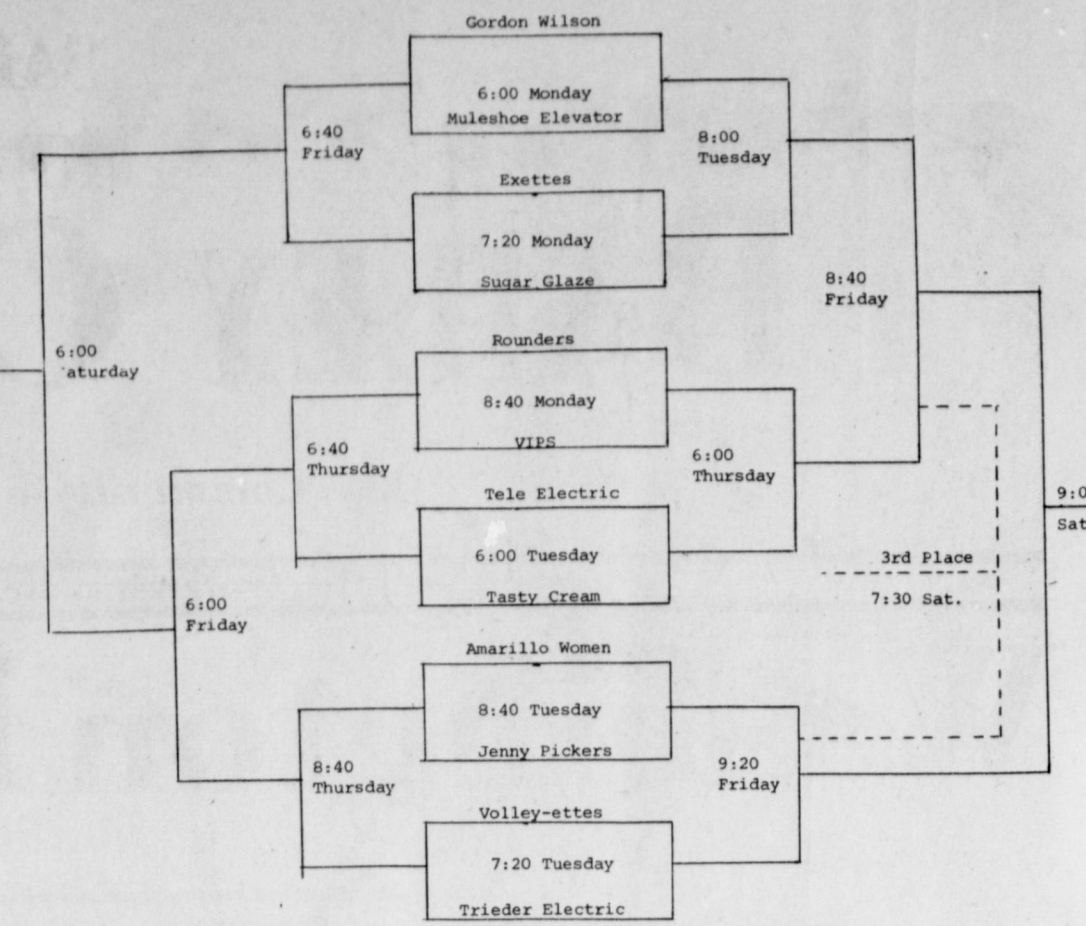

Cont'd From Page 1 purchase of additional dumpsters to place in city alleys for garbage and trash.

Liability insurance on the country club and the airport were discussed with City Attorney and Joe Smallwood present at the session.

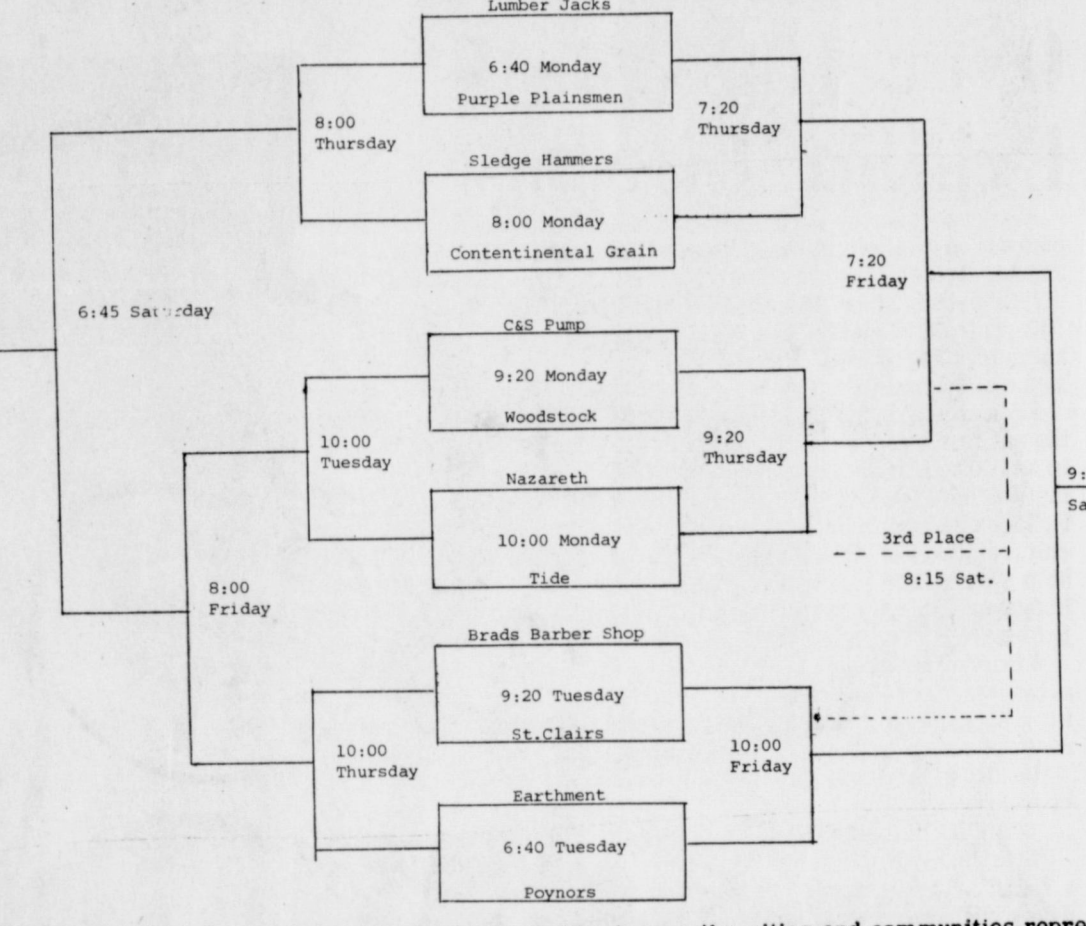

Frank Ellis explained how a proposed new ambulance law, which is supposed to be introduced to the state legislature would affect ambulance service in this area.

Because of new requirements, Ellis stated, cities and counties have already had to subsidize ambulance services.

He added that this bill is the result of federal legislation. The council moved that a resolution be passed and telegrams be sent to our area legislative representatives pointing out the hardship and ambulance bill of this nature could work on smaller towns and cities.

**PANT UNIFORMS AID NURSES** . . . With the introduction of the new nurses pant uniform, the nurses have found a practical way to deal with the many duties of their demanding job. The nurses reported that the pants are very practical in performing duties such as lifting patients and making beds. It eliminates the problems these chores present when wearing the dress uniforms. Pictured are five of the nurses and nurse's aids at West Plains Memorial Hospital who have started wearing the pantsuits. Left to right, they are Lorena Stigallde, Donna Guinn, Betty McNeil, Mary Barber and Mary Woodall.

## Now Women Wear The Pants

Since the introduction of the midi by the fashion designer, many women are rebelling by discarding the worrisome hemline in favor of pantsuits. With the introduction of the pantsuit, many businesses have begun allowing women employees to wear them.

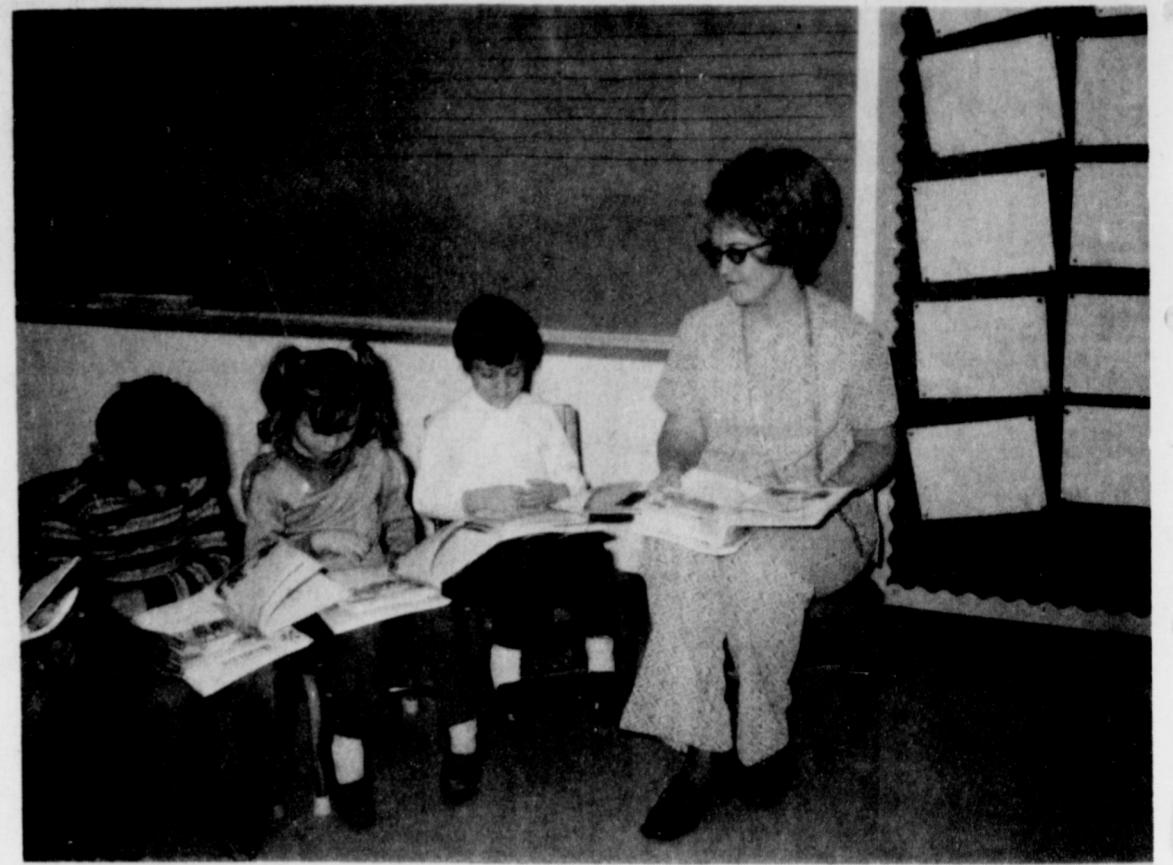

The popularity of the midi is divided among the women of the United States. Most women object to the midi because it requires a complete costume look. Unless a woman has no financial worries with her clothing budget, this would be an expensive change of wardrobe to undertake. The midi requires the right kind of accessories to complete it. Without these accessories, the midi appears drab and dowdy, according to most women. Some authorities consider the midi dangerous while driving and walking due to some of the women's unfamiliarity with the confinement the new length brings.

Other women prefer the midi as they believe it is flattering to them and makes a woman appear more feminine. The new length brings more comfort in movement to some of the women, and many of the younger women wear it because it is different and because, at the moment, it is controversial. With the introduction of the midi over pants, many women have found the transition from mini to midi much easier, and have also found that they can give variety to their wardrobe by mixing midi and mini length pantsuits.

As a result of this indecision among women, more and more of them are turning to pantsuits to avoid "being out of fashion" one way or the other. The pantsuit makes an ensemble that fits in anywhere and avoids the "dowdy" look that the midi give so many

women, and is actually very practical. Professional women have started wearing the pantsuit on the job in several Muleshoe businesses, not only as a benefit in cold or unpleasant weather, but for the comfort and ease of movement it provides for the female employee. One of the first professional groups to start wearing pant uniforms was nurses. Their demanding job required a more fitting uniform than a micromini dress; but they still must keep a professional look and appear neat. The pant uniform, due to its popularity, has come out in many new and different styles for these women and has been seen in more and more hospitals and clinics in this area. Nurses at West Plains Hospital report that these new uniforms are not only fashionable, but are very practical in some of their duties such as lifting patients, making beds and other chores that require bending, stooping and reaching.

Another group of women who have changed their work clothes from an uncomfortable, confining dress to practical, coordinated pantsuits is the school teachers in this area. Recently, the Muleshoe School Board approved a new dress code that allows teachers to wear matching slacks with tunics or other coordinating tops in the classrooms on a trial basis. Elementary school teachers seem to be the ones who enjoy the freedom of pantsuits more than teachers on other levels. Virginia Bowers, first grade teacher at Mary DeShazo, said that she really liked being able to wear pantsuits because it made some phases of her job much easier. She reported that now she could get down on the floor and play with the kids, and sitting in their small chairs was much easier, Miss Bowers

**PANTSUITS IN THE CLASSROOM** . . . Miss Virginia Bowers, first grade teacher at Mary DeShazo Elementary School, is shown wearing a pantsuit that teachers in the Muleshoe School System can now wear on a trial basis for the rest of this semester. The pantsuit seems to be ideal for sitting in the smaller chairs required for the younger students and for the outdoor activities elementary teachers must participate in. Shown with their teacher in the reading circle are left to right, Rudy Orozco, Denise Ray and Kristi White.

## Miscellaneous Shower Honors Mrs. Stroud

Mrs. Gene Stroud of Bula, the former Miss Ann Kernell of Morton, was honored with a miscellaneous wedding shower Monday, February 15, from 2:30 to 5:00 p.m. in the school lunchroom. Corsages of white carnations and kitchen gadgets were presented to the honoree, her mother, Mrs. Carl Kernell of Morton, and the groom's mother, Mrs. Golman Stroud of Bula. The serving table was laid with a floor length white nylon lace cloth over pink and centered with a Valentine heart-shaped cake which was topped with clusters of pink flowers and two white wedding bells. Refreshments of pink punch with floating heart-shaped pink ice was served with the cake, nuts and assorted mints. Crystal and silver appointments completed the table setting. Miss Carolyn Turney and Miss Diane Crume were at the serving table. Miss Pam Layton registered the guests in the bride's book and also the gifts. The hostesses presented the honoree with a set of stainless steel cookware. Hostesses were Loretta Layton, Marieta Crume, Mrs. Mutt Autry, Peggy Sowder, Laverne Cox, Myrna Turney, Mrs. Zoy Risinger, Vernadeen Wright, Mrs. Sib Hubbard, Marjorie Simmons, Joyce Risenger, Eula Mae Archer and Lorella Jones.

## Bobby Spurgeon Crowned TOPS Weekly Queen

Muleshoe Jenny TOPS met Thursday night, February 18, at 6:00 p.m. in the Bailey County Electric meeting room with 26 members weighing in. Bobby Spurgeon was crowned queen for the week. First runner-up was Mrs. Bobby Newman. Second runners-up were Mrs. Dee Clements and Mae Provence. The group was led in the singing of several songs by Tana Holmes. Bernice Splawn gave a comical but informative pep talk. Next week Ann Vinson will give the pep talk. The group was dismissed with the singing of the good-night song.

## Miss Cherry Pierce, Estep Exchange Vows

Miss Cherry Adene Pierce and Johnnie Lee Estep exchanged double ring wedding vows at 2:00 p.m. Sunday, February 14, in the Earth Church of Christ. Leonard Harper, minister of the Earth Church of Christ, officiated at the ceremony.

The bride is the daughter of Mr. and Mrs. S.H. Pierce, Rt. 2 Muleshoe. The groom is the son of Dewayne Estep of Friona and Mrs. Doyle McEndree of Two-Buttes, Colorado. Mrs. Betty O'Leary, cousin of the bride, was matron of honor. Best man was Radford Estep, brother of the groom. Dick Pierce, brother of the bride, and Hobert Estep, brother of the groom, seated the guests. Mrs. Gerry Pierce, sister-in-law of the bride, presented the music and Miss Patti Estep, sister of the groom, registered the guests.

The bride was given in marriage by her father. She wore a formal gown of white cotton lace with beaded lace featuring a stand-up collar and "leg-o-mutton" sleeves. The matron of honor wore a gown of red crepe. The bride carried out the traditional theme of something old with a cameo ring given Good Advice. If you are wrong, you can't afford to argue and if you are right, what's the use? -Republican, Toronto, Kan

she carried pennies dated in the years of the bride and groom's births. A reception in the Earth Community Hall honored the couple after the ceremony. Mrs. George Hughes, sister of the bride and Mrs. Dick Pierce, sister-in-law of the bride served. The bride is a 1969 graduate of Muleshoe High School and is employed at Main Street Beauty Salon. The groom is a graduate of Springfield High School in Colorado. He is employed at the John Deere House in Muleshoe. The couple will make their home at 314 W. 8th street.

stated that she had only two comments from her pupils about her pantsuits and that the new suits did not attract much attention from her students. For an elementary teacher to be active with her students in the classroom or on the playground, the pantsuits provide many benefits and a new freedom for the teacher. Some of the businesses in Muleshoe have begun letting employees wear pantsuits in offices and waitresses have been enjoying the benefits of the pantsuit for several months now. As long as the pantsuits are kept in their rightful place and the women wearing them keep their femininity, the practical pantsuit should be in style for a long time to come. Senate majority backs eased filibuster rule.

**ENGAGEMENT ANNOUNCED** . . . Mr. and Mrs. James A. Moore of El Paso, Texas announce the engagement and forthcoming marriage of their daughter, Miss Peggy Elaine Moore, to William Robert Martin, son of Mr. and Mrs. Harley L. Martin, of Guymon, Oklahoma. Miss Moore is employed at the Dr. W. F. and Mada Dunaway Manor of Guymon. She formerly attended Muleshoe High School and her grandparents, Mr. and Mrs. Earnest Gatlin and Mrs. Minnie Moore, live in Muleshoe. Her fiancé is a 1965 graduate of Guymon High School and attended Panhandle State College at Goodwell and Oklahoma State University prior to joining the armed forces. He served in Vietnam and attended medical school in Virginia. Martin is presently employed with Tradewind Industries of Liberal. The couple plan a June wedding.

**JAYCEES PRESENT CHECK . . .** The Muleshoe Jaycees presented the Patio Memorial Committee with a check for \$100 to further beautify and landscape the patio and garden area at the Muleshoe Nursing Home. Pictured receiving the check from Darrel Oliver, president of the Jaycees, are left to right, Mrs. Harold Allison, Mrs. Robert Hooten and Mrs. Frank Ellis. Members of the committee not pictured are Mrs. Owen Powell, Mrs. T.M. Slemmons and Mrs. J.E. McVicker. The money will probably be used for patio furniture.

## Beta Sigma Phi Has Program On Landscape By Mrs. Jarman

Beta Sigma Phi met in the home of Mrs. Juanita Jarman Tuesday, February 16. Mrs. Jarman presented the program on Nature's Landscape, taken from the program book, beauty, Mrs. Jarman illustrated with some of her paintings and told Rickey Vernons Return To Germany

of how everything nature is beautiful and how she captures it on canvas. She then gave the group a tour of her home and showed some of her favorite paintings. It was decided that the program for the March 16 meeting will be a chapter trip to Girls Town on that date. The chapter will meet at noon for lunch and the election of officers and then proceed to Girls Town at Whiteface. Special guests for the Tuesday night meeting were transferrees, Mrs. Tom Jinks who holds an exemplar degree and Mrs. Barns who has a R of J degree. Hostesses for the meeting were Mrs. Merlyn Neel and Mrs. Bill Harmon. The members and guests were served cherry cream pie and party punch.

The spaghetti dinner was postponed from February 23 to February 25 for members and rushers. Information on the state convention was presented. The convention will be held June 11, 12 and 13 in Dallas. The convention will be for Beta Sigma Phis and their husbands. More details will be received later. Members present for the meeting were Mrs. C. J. Feagley, Mrs. Tom Flowers, Mrs. Wayne Gregory, Mrs. Bill Harmon, Mrs. Joe King, Mrs. Max King, Mrs. Don Rempé, Mrs. Benny Splan, Mrs. Doyce Turner, Mrs. Travis Bessire, Mrs. Dick Johnson, Mrs. Merlyn Neel, Mrs. Paul Poyner, Mrs. Charles Smith, Mrs. Curtis Walker and Mrs. Glen Watkins.

When asked how she liked Germany, Mrs. Vernon replied "you can have it". She said the worst part of it was their customs. What she most disliked was getting used to the apartments and not having the cabinets in the kitchen. Also, the apartments have huge halls where the dining table is supposed to go, but she put hers in the kitchen after an argument with the German landlord. Vernon will be stationed in Germany for the duration of his enlistment, which is another 18 months. They said the 30 day leave passed fast, but they really enjoyed being home visiting friends and relatives.

PRESENT PROGRAM TO BETA SIGMA PHI . . . Mrs. Juanita Jarman is shown with several of her paintings she used in presenting the program, Nature's Landscape, to members and guests of Alpha Zeta Pi Chapter of Beta Sigma Phi Tuesday night, February 16, in her home.

## Market Report

**COLLEGE STATION --** Want to stretch your budget, yet feed you family nutritionally? Consider these marketing tips from Mrs. Gwendolyn Clyatt, Extension consumer marketing specialist, as you plan your menus.

Pork prices are most attractive again this week. Loin and butt roasts and chops are featured along with scattered specials on smoked hams and some brands of bacon. The average retail price on these pork cuts is down as much as 10 to 31 cents a pound over the same period last year.

Look for best beef values on ground beef, liver, round steaks and roasts, and arm and blade pot roasts and steaks.

Fryers remain the number one bargain in most retail meat departments, and chicken hens are also a good choice. Egg prices are a bit lower this week, with Grade A Large eggs offering the best combination of quality and economy.

Of special significance to some menu planners, with Lent beginning February 24, is the fact that fish is still one of the better protein buys. Fresh ocean varieties, such as haddock, cod, perch and sole, are in good supply. In addition to good buys on frozen packs, look for special prices on halibut steaks.

Dairy foods are invaluable in planning an adequate diet for the family. They are not only nutritious, but also appealing in taste. Outstanding buys include

milk, sour cream and dairy-case biscuits, as well as a variety of cheeses.

Fresh vegetable items in good supply include broccoli, cabbage, carrots, celery, potatoes, lettuce, sweet potatoes, turnips, rutabagas and yellow onions.

Make your selections of fruits from apples, bananas, oranges, tangerines, grapefruit, pears and avocados.

## Muleshoe OES Members Attend Friendship Night

The Friona Chapter No. 990, Order of the Eastern Star hosted its annual Friendship Night, Friday evening, February 12. Featured was a salad supper and an interesting program.

Attending from Muleshoe were Mr. and Mrs. Wyle Bullock, Worthy Matron and Worthy Patron; Mr. and Mrs. Elbert Nowell, Past Matron and Past Patron; and the following Past Matrons: Mrs. John Farley, Mrs. Frank Hinkson, Mrs. Glenn Lust and Elizabeth Hardin.

Mr. and Mrs. Elbert Nowell, Mrs. John Farley and Elizabeth Hardin attended the Friendship Night in Sudan Monday evening, February 15.

One of the newest things in men's fashions is that of the two button cuffs rather than the use of cuff links. This is newer than the one button cuff and is not as much trouble as that of using links.

## Crume Named Homemaker At Bula School

Miss Diane Crume, daughter of Mr. and Mrs. Edd Crume, route one, Sudan, has been named Bula High School 1971 Betty Crocker Homemaker of Tomorrow.

Selected on the basis of her score in a December first homemaking knowledge and attitude examination, for which a record 650,000 senior girls from the nation's high schools were enrolled, she is now eligible for state and national awards ranging from \$500 to \$5,000, including one of 102 college scholarships totaling \$110,000.00.

Test papers of all the school winners in the state are currently undergoing additional judging by Science Research Associates, Chicago, who also constructed and graded the written examination.

The Betty Crocker Search for the American Homemaker of Tomorrow is the only national scholarship program exclusively for high school senior girls. It was started by General Mills 17 years ago to emphasize the importance of homemaking as a career.

Another item we note in the fashion for men is that of wearing straight collars rather than the button down type with the wide ties.

## Trinity Baptist WMS Meets For Mission Study

Eight ladies of the Trinity Baptist Church WMS met Tuesday, February 16, at 9:30 a.m. for business and mission study. Mrs. J. J. Redwine read the prayer calendar for the week.

Prayer was led by Dorothy Smith. Mrs. Redwine brought the last chapter in mission study on "Taiwan". WMS meets next Thursday, February 25, at 1:30 p.m. with Mrs. Elmer Downing teaching the mission study on "The Diakonic Task". The meeting will be held at the church. The meeting was dismissed in prayer led by Mrs. N.A. Dunlan.

There are special sales on wigs, wiglets, falls and other items of hair care and one dealer is offering a 1962 automobile at a drastically reduced price. Everyone comes to town to celebrate George Washington's Birthday and local merchants specially invite 'YOU' to be

one of the crowd and enjoy the special buys offered all over town. They remind everyone that this is a one-day only event and will conclude when stores close Monday evening. Also, check the paper for ads by the leading grocers in Muleshoe, who are conducting food sales in conjunction with the celebration.

# WHAT'S HAPPENING--AT MJHS

## American Heritage Letter From Past

by Debbie Burchel

My family and I recieved a letter from my grandmother, on my mother's side, about two weeks ago. This was not an ordinary letter though. It was dated 1862 and was from my great, great grandfather to his loving wife. This letter was written by Levi Washington Smith, during the Civil War. I hold him in very high regards because of his bravery and faithfulness to fight for his beloved country during the war. His whole story is not known, but what little I have been told, I will share with you.

During the Civil War, right after he enlisted, he learned that their baby was coming soon. He wanted to be with her, but of course this was impossible. Mary, his wife, wrote him and asked him what to name the baby. After thinking about it, he decided on Francis Ellen. He was looking forward to seeing his dear child, but very unfortunately, he never did. He was killed by a mini-ball, which is very destructive. His body was lost after this and it was never found as far as we know. My great, great grandfather was from Indiana and he fought strongly for the North.

Here is the letter we recieved, rewritten exactly as he wrote it with the exception of you spoke of those two (new

his misspelled words and punctuation. I have inserted certain phrases in parentheses which I hope will be meaningful to the understanding of the letter:

Field of Shiloh Tennessee, May 2th, 1862  
Mrs. Mary F. Smith  
Dear Wife, through the kindness of God, I enjoy the opportunity this pleasant day to inform you that I still enjoy soldiering as a soldier ought to do. I heartily wish this may find my dear ones well and prayerful in our behalf. Mary, I have not much to write at the present.

We are laying in camp in the woods, listening every minute for marching orders. We may have a little skirmishing in the result of our next march. We hear here of great victory at York Town. The report is: there were fifty thousand prisoners taken. We have moved four miles since I last wrote. I do not know where Henry (his brother) is or what division he has been moved. He moved with the Tenn. River three miles from our Camp. Oh, Yes Mary I recieved your letter April 28th and it was dated the 17th. I am glad to hear that my money and coat arrived safe ( which he had sent to his wife ). Mary, I recieved your letter ( new )

Testament ( Bibles ). I thought I told you the one that has no name in it was given to me by a man that had more than he wanted. The other I found. Testaments are not much cared for by some. I could have picked up a dozen (lying around) by now. I have the one I first drew ( one issued to him ) and I feel as much like reading it as ever I did. Oh, where I reflect back to the happy days I have enjoyed with Christian folks. The time may be again when I can be with you and enjoy the goodness of God and express our thanks to Him, Mary, I must soon quit writing, for I am on guard and I must go in a few minutes.

I saw John yesterday. He is well. H. Lindley is some sick. The boys are all well as usual. The weather is warm. The woods are full and green. Write soon.

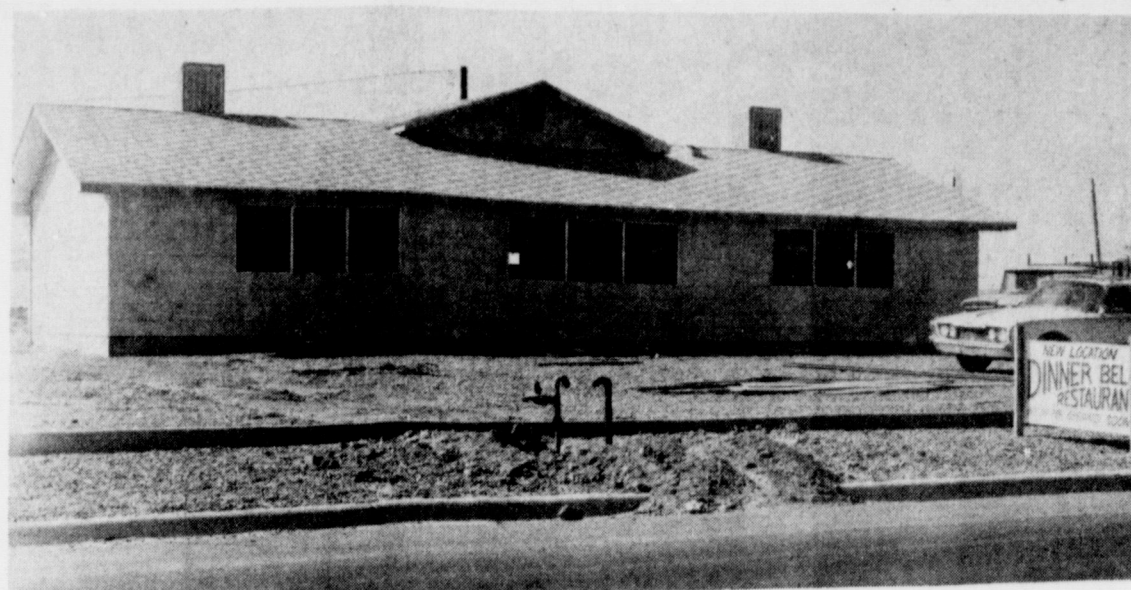

I hear the report of the cannon now, though it may be good news. I send my respects to all. I will finish by saying I will remain your affectionate husband while life.

From Leve W. Smith  
to Mrs. Mary F. Smith  
Fare the well for the present.

Surely men such as this must be remembered as we think back about our American Heritage.

### Final Pep Rally Ends Season

By Linda Hernandez

On February 9, 1971, the last pep rally was given in the gym for the student body. Throughout the pep rally, the cheerleaders led us in yells. During the pep rally Coach Whittner gave a speech about the basketball girls and these girls were given special recognition.

The band added extra spirit with playing there and the pep squad as usual added their spirit. The pep rally ended by which the student body sang the school song.

UP AND OVER-- Raymond Schroeder, far left, leaps in the air as he plunged the basketball through for two more points in the Harlem Joker-Outsiders basketball game Tuesday night. A relatively small, but enthusiastic crowd enjoyed the antics of the Jokers, who are a comedy basketball team. The game nearly was an upset, as the Outsiders led for awhile, then lost by only two points. No one paid much attention to the final score, though, as they were too busy watching the antics of the Jokers.

### Premedical Day To Be Hosted By Texas Tech

LUBBOCK--The 13th annual Premedical Day, sponsored by Texas Tech University School of Medicine, will be held in the Biology Building on Feb. 27 with registration beginning at 9 a.m.

The Premedical Day is open to all premed students at Tech, and area high school students interested in studying medicine in the future.

Following a welcome by Tech President Grover E. Murray at 9:30 a.m., discussions on topics of interest to premedical students will be given by representatives from various medical schools.

The guest speakers will be Gene Powell, dean of admissions, University of Texas Medical School; Dr. Fred Taylor of the University of

Texas Medical School at San Antonio; Billy Rankin, head of the University of Texas system application center; and Dr. Howard Worthen, faculty member of the University of Texas Southwestern Medical School at Dallas.

A luncheon will be held following the morning sessions at the University Center. Tickets are \$2 per person. Students and faculty members are invited to remain for the annual awards banquet of the Premed Society following the afternoon lectures.

Dr. John A. Buesseler, vice president for Health Affairs and dean of the Texas Tech School of Medicine, will be the guest speaker at the 6:30 p.m. dinner. Tickets are \$2.50. Reservations may be made by check or money order not later than Feb. 22. ## Mullettes Close Optimistic Rebuilding Season

### Only One Starter Held Team Back

The 1970-71 Mullettes Basketball season ended with a 4-19 win and loss record. The season that started with only one veteran returning from the 1969-1970 season could be called the year of experience building. The Mullettes were ranked thirteen in the state by the coach's association at the end of December. This high rating resulted from the Mullettes winning the Consolation trophy at the Friona Tournament and close games. The team then suffered from inexperience but finished the season with two close games with Canyon and Tullia.

The Mullettes lost six games by a total of ten points which indicates the competitive nature of most of the season. The Mullettes were beaten by the Wayland Queen Bees twice by the widest margin of the season. The guards for this year included Rickie Richardson, senior; Audree Winn, sophomore; Janis St. Clair, junior; Tani Murrach, sophomore; and Kay Douglass, who also played forward. The guards played excellent basketball, holding seven teams below forty points. The guards were hindered at times by excessive fouls but maintained a constant pressure on the opponent's forwards. There will be four of the five guards back next year.

The forwards were led this year by Judy Winn, a junior, who scored 337 points. The other forwards who played this season and their total points were Vicki Julian, a senior, with 254 points; Brenda Kimbrough, a junior, with 159 points; Kay Douglass, a junior, with 99 points; Tracy Cowan, a sophomore, with 137 points; Susan Foster, a sophomore, with 120 points; Kathy Pena, a sophomore with 16 points; Donna Grimsley, a sophomore, with 13 points; and Peggy Carter, a junior. Some of these girls scored these points while playing B-team basketball. There will be seven

returning forwards next year out of the nine forwards this year. The Mullettes averaged forty points a game this season and the opponents averaged forty-seven points a game. The Mullettes had a fifty-six percentage from the field. The Mullettes played in many situations, but the best performances were the result of playing above average teams. The B-team won nine games and lost eight games and the first place trophy in the Spring-lake-Earth Tournament. The B-team had nine freshman and two sophomores on the team. All of these players will be back next year. The Freshman team had a 5-8 season and won second place in the Muleshoe Tournament and third place in the Dimmitt Tournament. The guards for the team were Brenda St. Clair, Esther Beversdorf, Roxanne Street, Terri Bryant, Patricia Rogers, Donna Howard, Darlene Henderson, Viola Jackson, Donna Lambert, Sammye Mardis, and Patti Nickels. Five of these guards played on both the B-team and Freshman team. The Freshman forwards were led in scoring by Jeanie Putman with 573 points at an average of twenty-three points a game. The other forwards were Glenda Harlin with 185 points, Rejuna Harldaway with 136 points, Robbie Kelly with 32 points, and Judy Bruton and Jim Ella Norman with 2 points. The Freshman team---B-team scored an average of thirty-eight points a game and their opponents averaged thirty-one points a game. The 1971-72 season will see a total of 28 returning sophomores, juniors, and seniors. The predictions for next season could be summarized by saying that there will be changes and improvements. The Freshman team will have a large number of players from which to choose a fine team.

ROSE CHAPTER KING AND QUEEN -- From left, Veri Burris and Becky Sain, king and queen of the Rose Chapter of FHA are shown with their attendants, Sonnie Glaze and Greg Little; Debbie Jo Bruns and C.L. Myers at the annual Sweetheart banquet last Saturday night.

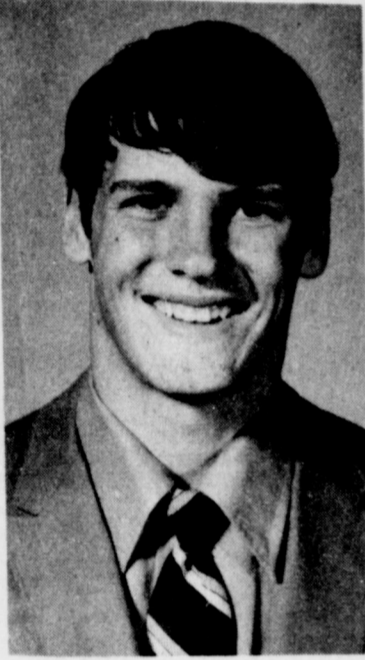

### Mr-Miss MHS, Friendship Duo Honors Given

This past week Muleshoe High School elected the Prince and Princess of Friendship and Mr. and Miss MHS.

The Prince of Friendship is C. L. Myers and Princess of Friendship is Becky Sain. The first runners-up are Jerry Scoggin and Karen Mayhugh. The second runners-up are Mike Riley and Judy Winn.

Mr. MHS is Jon Cole and Miss MHS is Becky Sain. The first runners-up are C. L. Myers and Cathy Mardis. The second runners-up are Jerry Putman and Jeanene Freeman.

These are the highest honors that a student can receive in Muleshoe High School. Congratulations to these 10 students.

### MHS Student Council Talks New Projects

By Becky Sain

The MHS Student Council held its regular meeting Monday, February 15. The devotional was given and Jerry Putman called the meeting to order. The first item of business was a discussion of last week's elections and Valentines Day Project. Members and officers of the Council have been preparing for the state convention election. This past week letters have been typed and mailed to each school in the Texas Association of Student Councils. Other projects are being discussed for the election. Many things are yet to be done, and several other money-making projects are planned before the convention.

Last week the council tried something very unusual. Original singing valentines and poems were delivered by Student Council members throughout the day. Friday, February 12. This project made the Student body realize that the Student Council could never win a singing contest, but they also realize that this year's council is working for a better MHS.

### Speech Group Wins Third At Tournament

By Kerry Moore

Muleshoe High School's Speech Department won third place at the sixth annual Kermit speech tournament this past weekend.

The Oral Interpretation Readers won the second place trophy in poetry, and prose and the Extemporaneous Speakers also won the second place trophy in informative and persuasive speaking.

Mike Tibbets won first place in informative speaking; Bryan Brady won second place in prose reading; and Joe Duke won third in poetry interpretation. Bryan Brady also won the outstanding Oral Interpreter's Trophy.

Midland Lee won first; Big Spring second; and Muleshoe third. Seventeen AAAA-AAA schools were competing in the tournament.

### Coaches

The Mules finished the season with a record of 13 wins and 13 losses. This is the best record that Muleshoe has had for many years, and I am real proud of the jobs that these boys have done. They have received many compliments throughout the year from opposing coaches and fans on the hustle they have shown.

We have two seniors on our team which have made an outstanding contribution to our team which have made an outstanding team. They are Jerry Putman and Jerry Scoggin. Jerry Putman has started for two years and was one of the leading scorers this year. Although Jerry Scoggin was not a starter, he did a good job for us in practice and when we did use him during the game.

We are also real proud of our Junior Varsity team which lost only four games. These boys did an outstanding job, and this is the best season these boys have had.

We appreciate the support the community has given us, and we are looking forward to an even more successful season next year.

### Sophs Held Class Meet February 16

By Rhonda Bland

The Sophomores held their regular class meeting Tuesday, Feb. 16, in the cafeteria. David Harris called the meeting to order. Class dues and money for the school pictures were discussed. Before anyone can attend the Junior-Senior banquet, these things must be paid for.

### Babs Haire Named Homemaker Winner

Muleshoe High School's 1971 Betty Crocker Homemaker of Tomorrow is senior Babs Haire. Selected for her performance in a written knowledge and attitude examination administered to senior girls on Dec. 1, Babs will receive a specially designed award from General Mills, sponsor of the annual education program.

Miss Haire is among the twenty-five highest ranking girls in Texas in the 1971 Betty Crocker Search for the American Homemaker of Tomorrow. The examination papers of these twenty-five are now being reviewed by Science Research Associates. Miss Haire, therefore, is still being considered for a \$1,500 or \$500 Betty Crocker scholarship.

The national first-place winner--the 1971 Betty Crocker All-American Homemaker of Tomorrow--will receive a \$5,000 educational grant. She will be chosen this spring from 51 Homemakers of Tomorrow representing each state and the District of Columbia at the close of an expense-paid educational tour of Washington, D. C.; and

Colonial Williamsburg, Va. Each of the state winners will be accompanied on this tour by a school advisor. Second, third, and fourth-place national winners will be awarded \$4,000, \$3,000 and \$2,000 scholarships; the other State Homemakers of Tomorrow will receive \$1,500 grants.

State judging centers on scores of school winners in the Dec. 1 test, with personal observation and interviews during the tour added factors in national selections. Second-ranking Homemakers of Tomorrow in each state receive \$500 educational grants. The school of every \$1,500 scholarship winner receives a set of Encyclopaedia Britannica from Encyclopaedia Britannica, Inc.

All judging and selection of winners is done by Science Research Associates, Chicago, which also constructed and graded the written examination. The Betty Crocker Search for the American Homemaker of Tomorrow is the only national scholarship program exclusively for high school girls. Begun by General Mills in the

1954-55 school year to emphasize the importance of homemaking as a career, it will, with the 1971 grants, have awarded more than \$1 3/4 million in scholarships during its 17-year history. This year's enrollment of 650,000 senior girls brings total participation since the start of the program to almost seven and three-quarters million.

### Well-Polished Performance Stage Crew Goal

By Babs Haire

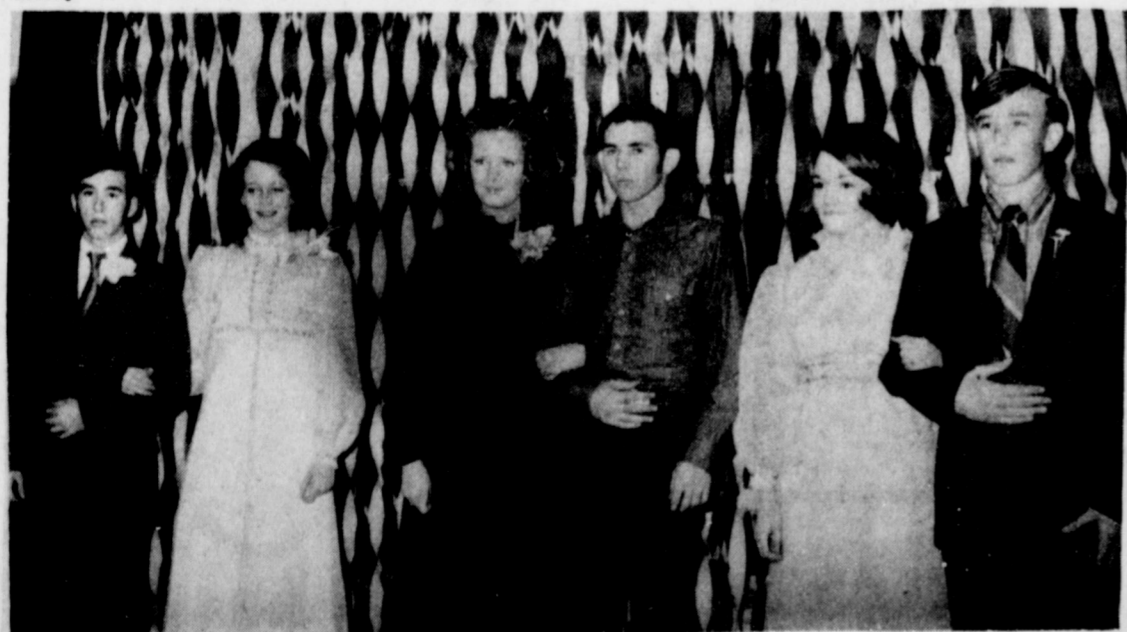

Pulling curtains, dimming lights, moving quietly and quickly through the dark, preparing the stage for the next scene, the stage crew is at work. A necessary and integral part of any dramatic production, the stage crew works hard preparing the stage to complement and emphasize the performers' acting abilities.

About the stage crew, Mr. Moore said, "The stage crew must be as well polished as the actors."

Everyone on the stage crew must be sure of what he is doing. The members must be a co-ordinated team. The people on the crew for this year's production of "Liliom" are working to help to achieve a fine production.

STUDENT COUNCIL -- Student council members are hard at work on letters to be mailed to each school in the Texas Association of Student Councils. MHS Student Council is campaigning for State Parliamentarian.

DUKE AND DUCHESS AND ATTENDANTS-- From left, Benny Cousatte and Debbie Glover, Duke and Duchess of the Rose Blossom Chapter of FHA are shown here with their attendants, Cassie Precure and Kenneth Ragland and Lizan Gunter and Rex Black.

PRINCE AND PRINCESS -- From left, Attendants Ronnie Parker and Brenda St. Clair Prince and Princess Patti Nickels and Fred Locker and Attendants Glenda Harlin and Aubrey Pitts of the Rosebud Chapter of FHA are pictured as they were named at the banquet Saturday night.

### Talent Show Said 'Very Successful'

By Betty Chandler

The Student Council Talent Show was held Wednesday, Feb. 17, in the MHS auditorium. The master of ceremonies was Bryan Brady. First on the program was Deborah Williams, playing the theme of "Gone With The Wind" on the piano. The folk singers sang two popular songs, "We've Only Just Begun" and "He Ain't Heavy, He's My Brother." Bryan Brady appeared again to entertain the audience with a joke and introduced a very popular figure in MHS, Willy Heager, with his hand routine

of "Ham-Bone" and country-western singing. The curtain opened next with the ever popular Veri Burris and his Western Gentlemen, Terry Kemp, Steve Holfied, Randy Burris, and Kenneth Ragland, playing "The Poor Side of Town" and "White Lightning." Dim lights set the mood for Debbie Schuster as she sang her version of "O cessate de piagarmi" with the accompaniment of Mr. Mac Moore on the piano. Connie Pruitt stimulated the audience when she gave the serious reading "Sabbath Tuesday." The well known Tri C's of Muleshoe sang the two songs "All My Trials, Lord" and "God is Light."

### Dodd, Putman Named By NHS For Program

By Dellinda Henry

The Muleshoe National Honor Society chose Judy Dodd and Jerry Putman to participate in the National Honor Society Scholarship Program at a meeting Tuesday, February 16. The candidates for the scholarship program are to be judged on their academic records and on their participation in other areas as well.

The ten members of the society felt that Judy and Jerry were the two most qualified to represent our school. Not only do they have good academic records, but they have well rounded personalities.

New members will receive their NHS keys Monday

The show was concluded with Veri Burris and the Western Gentlemen.

Because the Student Council Talent Show was so successful, they hope this will become an annual event.

### Junior Talk Of Stock Show, 1971 Banquet

The Junior class held its regular class meeting Thursday, Feb. 18, in the high school cafeteria. Discussions were held concerning the refreshment stand at the Bailey County Fat Stock Show held this past Thursday and Friday. Each junior was assigned a shift to work and was obligated to bring one dozen brownies or \$1.50.

The 1971 Junior-Senior Banquet was also discussed.

# Engineers Must Plan Hospital Construction

The construction of all hospitals and nursing homes in the State of Texas, beginning immediately, will be authorized only after the plans and specifications bear the professional seals of registered engineers. This new requirement resulted from a legal opinion rendered on February 4, 1971, by Attorney General Crawford Martin. This new policy, resulting from the cooperative efforts of the State Board of Health and the Board of Registration for Professional Engineers, is designed to further insure the safety of all buildings which will house hospital patients and nursing home tenants. The Engineer Board administers the Texas Engineering Practice Act, which has provisions applying to construction of buildings of many types, while the licensing divisions of the State Health Department are concerned particularly with the functional and safety features of health care institutions under their statutory jurisdiction. In December, 1970, the two professional Boards held a joint meeting in Austin at which the State Health Board adopted this new safety regulation subject to approval of the regulation's legality by the State Attorney General. The legal opinion announced by the Attorney General stated that under provisions of the licensing statutes covering hospitals and nursing homes, the Department of Health has the

authority to require "the seal of licensed, professional engineer on plans, designs or specifications (of such institutions) which involve structural, mechanical, electrical or sanitary engineering submitted to the State Department of Health."

Officials of the State Engineer Board reported they were offering their cooperative assistance to the Department of Health at Austin in helping to establish administrative procedures for implementing this new policy. They pointed out state law requires professional engineers to place their seals on all engineering plans filed with any public authority, a legislative requirement which places legal responsibility on such engineers. The Engineer Board has been receiving reports of hospitals and nursing homes being designed by sub-professionals not under control of either the Board of Architectural Examiners or the State Engineer Board. They stressed that no building should be considered a bargain if costs were cut by shortcuts which jeopardized the lives of occupants, and noted that disasters had occurred in other states involving nursing homes.

# Texas Future Farmers Celebrate Birthday

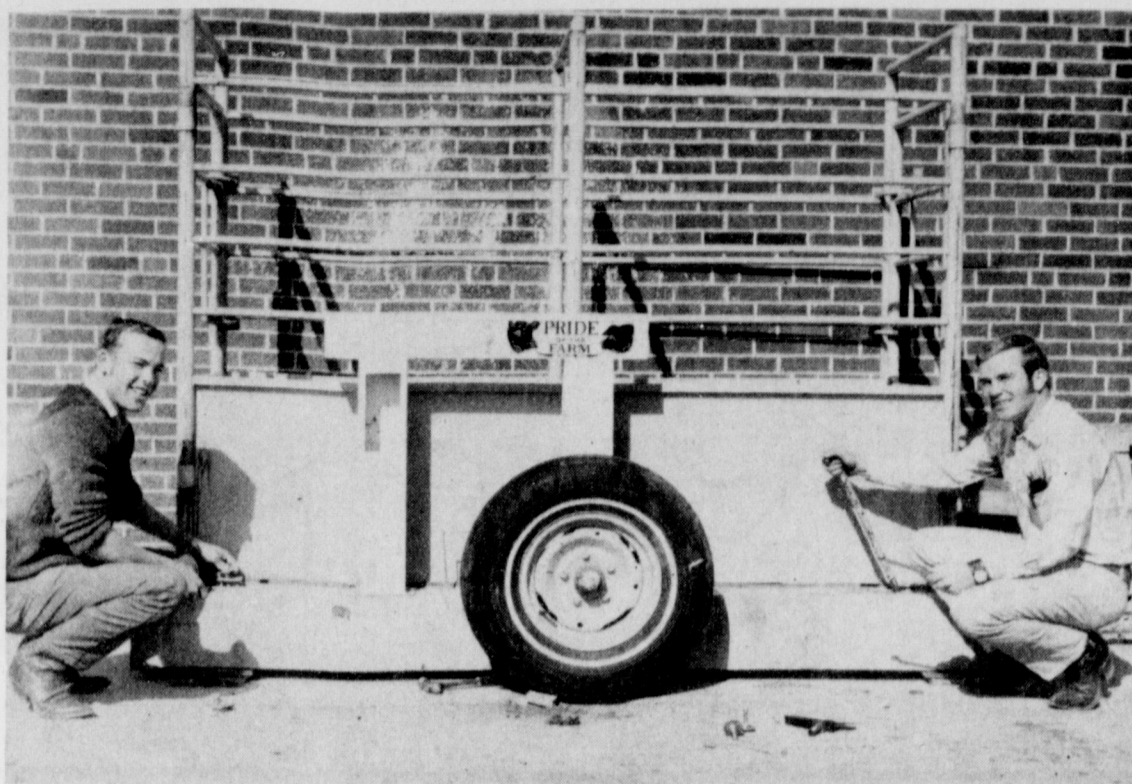

**THE FFA IN TEXAS**  
The Future Farmers of America organization is in its 42nd year in Texas. There are over 50,000 members studying vocational agriculture in 940 high schools in Texas. In these vocational agricultural classes, students are provided an opportunity to secure technical and scientific training in all phases of agriculture as well as to receive training in leadership, citizenship, and cooperation.

Texas membership has grown from 28,643 in 1950 to over 50,000 in 1970. In a study conducted by Mr. J. A. Marshall, State Director of Vocational Agriculture, it was found that over sixty percent of the vocational agriculture students who graduate from high school and are available for employment are employed in full-time farming or in agricultural

related occupations. The FFA supports and supplements training for those involved in production agriculture as well as those processing and distributing agriculture products. Many people are employed in agricultural occupations such as engineers, scientists, management personnel, sales and service personnel, and educators. FFA training lends support to those providing these services for agriculture. Also there are over 60,000 desirable openings each year for farm operators, farm engineers, and full-time hired farm labor.

Vocational agriculture and the FFA are striving to provide a sound and a continuing education to help produce the leaders and work force so direly needed in our nation's agriculture industry.

The theme this year is "Involved in America's

The scales were presented the department by the Young Farmers and have been used extensively in projects by the school group.

Future." As the theme implies, Future Farmers are definitely involved in the future of America. A new program called "Build Our American Communities" was recently initiated by the National FFA organization. This program is aimed at encouraging members of FFA Chapters to survey their communities, discover its needs, and to select at least one community improvement project to work on during this year. Through this program, it is felt that many Texas communities will be a better place in which to live because these young people became interested and involved.

### LEGAL NOTICE

Statement of Nondiscrimination

"Bailey County Electric Cooperative Association and Five Area Telephone Cooperative, Inc. have filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization."

"Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D. C. 20250, or this or the Rural Electrification Administration, Washington, D. C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 90 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the

purposes of the Rules and Regulations." 8s-ltc

### Federal Meat Inspection Is Now Statewide

COLLEGE STATION, Feb. 11--The United States Department of Agriculture announced recently that it would take over all meat inspection in the state; and this could have far-reaching effects on the Texas housewife.

The action came after Texas failed to comply with the Wholesome Meat Act of 1967 that said state inspection procedures must be "at least equal to" federal regulations. The deadline for compliance was in December. When the USDA began inspecting packing plants in Texas, it was found that several had not met federal sanitation standards.

What does all this mean to the homemaker? Dr. Ed Uvacek of Texas A & M University says that she can be doubly sure of getting meat products that are sanitary and disease-free. Many people have not been aware that up to now, part of the meat marketed in Texas was not inspected at all. Federal law required certification only if meat was moved across state lines; and local packers with local markets were not subject to any kind of inspection they did not request.

Federal inspection has an interesting sidelight. Many of the small community slaughter houses and locker plants will have to either remodel their facilities or face closure. Dr. Uvacek estimates that many small meat packers are not even aware of the law and will continue to operate until they are inspected by federal employees and given the choice of improving their plants or going out of business. Oftentimes, these small plants do not have enough business to make remodeling possible; and will probably be closed permanently. This will probably end the community locker service that many small-town families depend on for meat storage.

The smartest man in every community is the one who knows how to relax.

Happy Home Environment  
WHAT'S THE IDEAL?

■ Most people would agree that the ideal happy home environment must take into consideration the environmental aspects as well as the spiritual and human relationships.

■ In the present state of technology, electricity does its job well when it comes to environmental aspects of conditioning the air in your home.

■ The ideal system, now available, not only does its job of comfort heating in winter and comfort cooling in summer but also refines the air itself. Electric humidifiers control the amount of moisture in the air and electrostatic air cleaners remove undesirable dust particles.

■ So then, 4 things to give you a happier home environment... electric heating, electric cooling, electric humidification and electric air cleaning... and all of it automatically. Ask your Public Service manager for complete information.

# FFA State V-P Says Emphasize Farming

by: John Leidner, State Vice President

What's the most important decision that a young person can make? There are many arguments about which is the most important decision, but undoubtedly, the choice of one's vocation would be one of the most important. This year during National FFA Week, we of the nearly 50,000 Future Farmers of Texas will be emphasizing the theme of FFA--"Involved in America's Fut-

ure." The decision of many Future Farmers to enter the industry of agriculture will of course make us involved in America's future. However, not only is the future of America at stake, but also the future of many countries who depend on America.

America is a growing and complex country and the agricultural industry is one of the best examples of America's growth and diversification. In agriculture, a young man will find a challenge. The rewards

of the agriculture industry are many. There is a great demand for college trained men and women in agriculture and this demand far exceeds the present supply. The FFA offers encouragement to high school students who are interested in agriculture by providing the opportunities for award through the FFA Foundation. The Foundation is composed of businesses, industries, organizations, and individuals who support these awards programs.

Today's trends show that more people are leaving their farms and rural communities and moving to cities. Whereas the number of farmers is steadily decreasing the total production is increasing each year because of the effects of scientific research and more efficient production. Many of today's FFA members are following this trend of moving away from the farm. For them, the area of agri-business gives opportunity to specialize in one of many bright fields. The

FFA is now emphasizing the growing importance of agribusiness to the agriculture industry by initiating new programs of instruction and a new series of agri-business awards through the FFA Foundation. The agricultural industry is continuing to make advances in the United States and our country is passing on many of these advancements to other countries around the world, so they too can benefit from our labor. Research is making tremendous gains. The types of research varies from marketing to production of agricultural products. From

the new methods produced by research, agriculturalists seek to increase the food available and hopefully avert a grimly predicted food shortage crisis. With the emphasis on ecology on our planet, the agricultural conservationists seek to preserve man's natural resources. The FFA is realizing dangerous potentials of a deteriorating environment and have started a new program entitled "Build Our American Communities." The local FFA chapters take the initiative in trying to improve their own communities. The FFA Chapters first analyze their community's needs and then use their resources to go about combating some of their problems. What better place is there to start cleaning up the planet than your own community?

## Rocket Device For Netting Geese In Use

AUSTIN--it won't crowd the Apollo program out of the headlines, but a new rocket device is proving to be out of this world for catching live geese. Texas Parks and Wildlife Department biologists netted a record 3,400 snow, blue and Canadian geese for banding in the past few months with the gadget along the Texas coast.

birds caught this winter already had been tagged. This is a bonus situation for the biologists, as the re-handled bird usually provides valuable information when recovered the second or third time.

There is a need to look back occasionally to get our bearings for the future. Past experiences often guide future action. What has proved good and profitable in the past will often prove to be the same in the days ahead. Serving God and our country through our churches and through civil and community service has always elevated us as a people and contributed to our image as a free and just country. We will not go wrong in adhering to these practices. Attend the church of your choice this Sunday and receive inspiration and courage for the future.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Boat Owners Asked To Keep Number Ready

AUSTIN--Boat owners should make sure they have their certificate of number aboard when they go boating on public waters, according to the Texas Parks and Wildlife Department. Department officials warn that sometimes lienholders will keep the certificate as part of their mortgage holdings, leaving the boat owner open for prosecution. Lienholders are expected to allow the boat owner to retain the certificate. The Texas Water Safety Act requires operators of boats on public waters to have the certificate, or facsimile thereof, on board the craft at all times. Motorboats do not require a certificate of title per se, but the certificates of number are required to establish ownership.

### Bula News

By Mrs. John Blackman

W.M.U. met Tuesday afternoon at 2:30 at the church for its weekly study. This began a new study, "The Deaconic Task," a home mission study book. This takes up the work of the Baptist in areas where they have centers set up for the delinquent and handicapped.

Mrs. Black had charge of the study; Mrs. Richardson read the prayer calendar; Mrs. Pierce offered the opening prayer; and Mrs. Gordon gave the closing prayer.

Attending were Mrs. Rowena Richardson, Mrs. C.A. Williams, Mrs. E.O. Battles, Mrs. P.R. Pierce, Mrs. Paul Gordon and Miss Vina Tugman.

Mr. and Mrs. W.C. Bruns are in Brownwood this week visiting with relatives and also doing some fishing.

Mr. and Mrs. Jerry Cox and children Jamie and Denene attended the Golden Wedding Anniversary reception for his uncle and aunt, Mr. and Mrs. H.O. Bigham, in Littlefield, Sunday afternoon.

Mr. and Mrs. John Aduddell of Littlefield spent part of the week with their grandchildren while their parents, Mr. and Mrs. Dewitt Tiller, were in Dallas for the REA convention.

Mr. and Mrs. Ralph Black of Muleshoe were guests Thursday afternoon of their aunt, Mrs. E.W. Black.

Mrs. J.L. Latham prepared a birthday dinner for her son-in-law, Warner DeSautell of Lubbock Sunday. Attending the dinner were Mr. and Mrs. DeSautell and boys Chris and Cliff, Mrs. Bertie Clawson of Littlefield. Mr. and Mrs. Bill Brower and son, Billy, came in the afternoon.

Mr. and Mrs. George Bahlman and daughter, George Ann Bahlman from Earth, Mr. and Mrs. E.O. Battles and Mr. and Mrs. Clarence Cannon drove to Levelland Sunday after church, ate dinner out and afterwards enjoyed a sightseeing tour of the Tech Museum.

Weekend company for the D.J. Cox were her sister and family, Mr. and Mrs. Bobby Cooper and children Vicki and Jan, of Lovington, Sunday for dinner, the ladies parents, Mr. and Mrs. J.H. Chesshire of near Morton, were with them.

Mr. and Mrs. Howard Wright, formerly of Bula but for the fall semester have been living in Lubbock where he attended Tech and worked at the Methodist Hospital, have recently moved to Dallas where he is attending El Central College studying respiratory therapy and working at Baylor Hospital.

### Sorghum Hybrid Data Available

The reaction of maize dwarf mosaic virus on a large number of commercial grain sorghum hybrids has been compiled over the past four years on the Texas High Plains. That information is now available to area producers, announces Dr. Robert W. Berry, area plant pathologist with the Texas Agricultural Extension Service.

The information was compiled by Berry and Research Scientists Dr. Jerry Johnson and Darrell T. Rosenow at the Texas A & M University Agricultural Research and Extension Center at Lubbock. Copies of the report have been distributed to county agricultural agents and sorghum seed companies whose hybrids are included in the evaluation.

The hybrids were rated on a scale from one to five based on the amount of apparent injury to the plant by the virus. Hybrids which showed only mottling with no other symptoms were rated one and are considered as having good tolerance, points out Berry. Those with extensive leaf damage (red leaf symptom) or stunting were rated five and are considered highly susceptible. Hybrids with intermediate reactions were rated two, three or four. Grain yield of highly susceptible hybrids can be significantly reduced under high levels of infection, explains the plant pathologist. Those hybrids with an intermediate reaction may have reduced yields under certain environmental conditions while hybrids with good tolerance have shown no yield reductions from the virus.

Mr. and Mrs. C.C. Young and son Donnie of Denver City spent Saturday in the home of her parents, Mr. and Mrs. C.A. Williams.

Paul and Roy Young drove down to Anson Tuesday to visit with their father, Mr. Thomps Young.

Bula girls' basketball team

lost their bi-district game Tuesday night to Spade for the fourth consecutive year. We are very proud of our girls as they worked hard to win. Some win, some lose. Not all can be winners. We hope Spade will go all the way.

The Bula team is coached by Lloyd Halbrooks, a graduate of Sul Ross State University. He has been coaching the basketball girls for two years. The

girls have won district both years.

Mr. and Mrs. Gene Brewer and children, Duane, Vicki and Tresa of Amarillo, spent the weekend in the home of his brother, Mr. and Mrs. Bill Brewer and son Billy.

Mrs. Howard Weaver of Anchorage, Alaska has been visiting in the home of her hus-

band's parents, Mr. and Mrs. V.C. Weaver, for several days. She came for the funeral of her mother, Mrs. Gammel of Littlefield.

Mrs. V.C. Weaver and Mrs. Howard Weaver visited from Friday till Tuesday with relatives at Brownwood and San Antonio. In Brownwood they were joined by a brother, Oliver Maxwell. At San Antonio they

visited in the homes of the R.E. Brannen's and Martin Maxwells.

Mr. and Mrs. Joe Price of Olton attended services Sunday morning at the Church of Christ and were lunch guests of her parents, Mr. and Mrs. J.C. Withrow. Afternoon company were her mother, Mrs. Lola Lentz, and Bob Wood of Littlefield.

Mr. and Mrs. W.T. Thomas were Sunday guests of their children, Mr. and Mrs. Leon Kessler of Littlefield.

Miss Jauna Young, daughter of Mr. and Mrs. Paul Young, has accepted work as secretary for a rancher, Mr. and Mrs. Bill McQuiddy, near Canadian. She is a fall semester graduate of Tech.

Mr. and Mrs. R.B. Wright spent Thursday night with his mother, Mrs. J.M. McKinney at Odessa.

Mr. and Mrs. George Bahlman spent the first of the week with his parents, Mr. and Mrs. C.F. Bahlman at Winters.

Mr. and Mrs. Gaylon Burns are fishing at Lake Brownwood this week.
