also placed second in CINDY SINGS-Cindy Hataway Nix, a perennial favorite at the anthe 13-15 calf roping nual Midwest Electric Co-op barbecue, entertained more than 1,700 persons Thursday night. (SDN Staff Photo)

COYOTES SKIN THE WILDCATS 21-6

The Borden County Coyotes traveled to Wellman last Friday, and they came away with their first victory of the year. The Coyotes scored twice in the first quarter, and that proved to be enough to take a hard fought 21-6 win. The Coyotes even their season record to one win and one loss.

Chris Kilmer opened up the Coyotes scoring with a 9 yard run just three minutes into the first quarter. The scoring run was set up Wellman by a pass interference call as Cole Vestal was knocked down before the ball arrived from Shane Kemper. When the Coyotes tried to add the extra point, the snap was low so the holder, Shane Kemper, passed to Lance Telchik for the one point conversion.

The Coyotes kicked off to the Wildcats who in two plays gained one yard. On the third play they fumbled, and Cody Cooley recovered it for the Coyotes on Wellman's 18 yard line. On fourth down and 15 yards needed for a first down, Shane

Kemper passed to Cole Vestal for an eighteen yard touchdown with three minutes and fifty seconds remaining in the quarter. Randell Hollis kicked the PAT to make the score 15-0.

The Wildcats did manage to score on fourth and nine from the Coyote's 24 yardline. Safety Shane Kemper had the end covered well, but somehow they made the reception. The PAT was no good.

The Coyotes scored again on their next possession, Chris Kilmer ran the ball in from the 3 yard line. The PAT was a little wide. The score was now 21-6 with 1 minute and 54 seconds left in the half.

second half. In the the defenses took charge and held their goal lines. Early into the third quarter, the fumbled Coyotes and lost the ball on their own 14 vardline. Four plays later and only three yards closer to goal line the the Coyotes took over and drove to inside our own 2 yard line, only to be stopped by a fumble.

Just before the end of the fourth quarter the Coyote's Cole Vestal recovered a Wellman fumble on their 39 yard line. The Coyotes moved the ball down to the 11 yard line, but they did not score.

The Coyote's offense was led by Senior Chris Kilmer who caried the ball 16 times for 98 yards and 2 touchdowns. Jimmy Rios carried the ball 10 times for 49 yards. Marc Latimer carried for 27 yards on 5 carries. Shane Kemper had 4 yards on 1 carry.

The Coyotes passing accounted for attack 36 yards in 8 attempts. Shane Kemper completed 1 out of 2 for 18 yards and 1 touchdown to Cole Bond Vestal. Brian completed 2 out of 6 for 18 yards, one to James Smith and one to The Marc Latimer. punted only Coyotes twice. Shane and Brian each punted once for 35

yards each.

The Coyote defense had a good night. The leading tackler was Rios 14 assisted and 3 unassisted tackles. Marc Latimer also had a very good defensive with 13 assisted, 3 unassisted, tackles, interception, and broke up a sure reception. Lance Telchik had 10 assisted, 2 unassisted, one of which caused a fumble that Cole Vestal recovered. Brian Bond made 11 tackles. Shane Kemper made 9 tackles, one of which saved a touchdown after a Wildbroke for a 36 yard run to our 14 yard line. The defense then turned them away empty handed. Chris Kilmer made 7 tackles. Paul Sturdivant made 4 tackles. One of them was on a 4th and goal from our 10 yard line, and Paul tackled the ball carrier for a loss. Randell Hollis made 3 tackles. Cody made Cooley made 2 tackles and recovered a fumble. James Smith made 2 tackles. Cole Vestal made only one tackle, but he was in the right place to make 2 fumble recoveries. Cody Stone also played on the punt team, and James Lewis played on a kickoff receiving team. All of the others the sideline gave the other Coyotes a lot of support. Those on the side waiting their turn included Jeff Lewis, Eric Lusk, Clint Juve Balaque, and Jason Mize. Lance Latimer did not play because of an ankle injury, and Patrick Herridge hopes to be in action soon after recovering from a broken collarbone.

The Coyotes will play Jayton next on Friday, September 16, at Jayton.

TEXAS EXCELLENCE AWARD

Top Texas high school seniors are eligible for \$16,000, four-year Texas Excellence Awards for Scholarship and Leadership sponsored by The Ex-Students' Association of The University of Texas at Austin.

In addition to the top awards, \$8000, four-year Awards of Distinction and \$1000, one-year Awards of Recognition will be awarded to other finalists

Applicants must be in the top five percent of their class and demonstrate leadership ability in the classroom and/or extracurricular

activities. Applications for the Texas Excellence Awards will be available from high school counselors by mid-September with a November 1 application deadline.

Almost 1700 high seniors school made application last year, and during the seven year history of the Texas Excellence Awards, more than 10,000 Texas students have applied for the annual scholarships. For additional information, contact The Ex-Students' Association, P.O. Box 7278, Austin Tx. 78713, or call (512)471-3822.

TEXAS EXCELLENCE AWARDS FOR SCHOLARSHIP AND LEADERSHIP

The Texas Excellence Awards for Scholarship and Leadership are the first of their kind in the state. the Awards were established to create a greater statewide awareness of academic excellence at The University of Texas at Austin.

Endowed by alumni through The Ex-Students' Association's Foundation for Texas Excellence, the Texas Excellence Award is based solely on academic accomplishment and leadership in extracurricular activities. Eight awards are presented annually to top high school seniors in the state.

ELIGIBILITY

To be eligible, students must rank in the top five percent of their class at the end of their junior year in high school. In addition, students must demonstrate leadership ability.

APPLICATION PROCESS

Applications can be obtained from counselors at participating high schools or directly from The Ex-Students' Association. (Applications must be postmarked no later than November 1.)

SELECTION PROCESS

Approximately two hundred quarterfinalists will be designated in December. UT deans' committees will then narrow the two hundred to fifty semifinalists in February. The committee composed of distinguished alumni and University officials. Approximately fourteen finalists will be invited to Austin for on-campus interviews in March. The recipients will be announced by April 15.

RECOGNITION

Announcement of the awards will be made at local Texas Exes Clubs' spring meetings where possible. In the fall of their freshman year at the University, the recipients will be officially recognized at a special awards dinner and at the annual Texas Excellence Foundation Luncheon.

AMOUNT

Each Award will be in the amount of \$16,000 (\$400 per year). Recipients will reviewed annually prior to the next disbursement. Several \$8000 Awards of Distinction (\$2000 per year) and \$1000 Awards of Recognition for the freshman year are also awarded.

Gasoline Quotation Request

The Superintendent's Office, in behalf of the Board of Trustees of the Borden County Independent School District, will receive bids on gasoline, as described in the following paragraphs, on September 19, 1988.

The proposal shall be addressed to James McLeroy, Superintendent, Borden County Independent School District, Box 95, Gail, Texas, and shall be delivered in a sealed envelope marked "Gasoline Proposal". Proposals will be received up to but not later than September 19, 1988. Bids received after that time will not be considered.

All proposals shall be made on this form and no bid will be considered unless this form is used. Forms may be picked up in the office of the Superintendent, Borden County School, Gail, Texas.

The right is reserved by the Borden County Independent School District to accept or reject any or all bids and to waiver all formalities.

It is anticipated that approximately a total of 50,000 gallons of regular gasoline and 10,000 gallons of lead-free gasoline will be used during the contract period. All prices quoted are to be for a regular gasoline with 87 to 90 octane, and the gasoline is to be delivered to Borden County Schools, Gail. Shipments will be requested in 8,000 gallon lots.

This contract will begin on October 1, 1988 and terminate on September 30, 1989.

Butane Quotation Request

The Superintendent's Office, in behalf of the Board of Trustees of the Borden County Independent School District, will receive bids on butane and propane as described in the following paragraphs on September 19, 1988.

The proposal shall be addressed to James McLeroy, Superintendent, Borden County Independent School District, Box 95, Gail, Texas and shall be delivered in a sealed envelope marked "Butane Proposal". Proposals will be received up to but not later than September 19, 1988. Bids received after that time will not be considered.

All proposals shall be made on this form and no bid will be considered unless this form is used. Forms may be picked up in the office of the Superintendent, Borden County School, Gail, Texas.

The right is reserved by the Borden County Independent School District to accept or reject any or all bids and waiver all formalities.

It is anticipated that approximately a total of 55,000 gallons of butane and propane gas will be used during the contract period. The gas is to be delivered to the Borden County School, the Plains Community Center, and to the teacherages of the Borden County Independent School District. All tanks are owned by the Borden County Schools.

The contract will begin on October 1, 1988 and terminate on September 30, 1989.

SEPTEMBER 19, 1988 7:30 PM CHAPARRAL CENTER - MIDLAND COLLEGE CAMPUS GENERAL ADMISSION \$10.00 . \$12.00 AT THE DOOF \$8.50, GROUP OF 10 OR MORE

Mrs. Marcus Doyle McKee (nee Gina McLeroy)

WEDDING VOWS SAID IN MESQUITE

On Saturday, August 27 at 5:00 in the afternoon at the Mimosa Lane Baptist Church in Mesquite, Texas, Miss Gena Ann McLeroy became the bride of Mr. Marcus Doyle McKee. Officiating the double ring ceremony was Reverend Pat Ray; former pastor of First Baptist Church of Gail.

Parents of the couple are Mr. and Mrs. James McLeroy and Margaret McKee of Mesquite and Dovle McKee of Wilmer.

Pianist Sallie Wilson Big Spring played the bridal march and the recessional. Special musical selections for ceremony were provided by Bob McLeroy and Lisa Lingo, brother and sister of the bride. They sang "And I Love You So" and the "Wedding Song" as the bride and groom stood under an archway of as spiraling tapers love cinders encompassed the nuptial area. The vows were exchanged in worship center

flanked with votive. rotunda window and candles.

Given in marriage by her father the bride wore a lovely white gown styled of white satin and trimmed lavishly with pearls and sequins. The bodice. featuring a sweetheart neckline, was completely covered with pearls, sequins and lace appliques. Puff top sleeves with sheer lace illusion lower sleeves accented with pearls and sequins came to a lace flower point at the wrists. The basque waisted bodice was covered with delicate lace illusion appliques and a full skirt gathered was attached. Accenting the dress was a large white satin bow at the center back with a catherdal white train edged with Venise lace and pearls.

The bride chose white tiara styled veil covered with white seed pearls and sequins over sheer lace illusion to match her dress. At the back of the tiara were layered streamers of the illusion extending to the waist of the dress. One layer of the sheer illusion completely covered the tiara crown and became a face veil.

The bride carried an elongated cascade of cymbidium orchids topped with light peach gerber daisies, off white freezia and Lady Di victorian roses.

Keeping with tradition the bride wore a penny minted in the year of her birth for luck. For something blue, she wore a blue garter; something borrowed was a pearl necklace from her sister: something old was a ring belonging to the grooms mother; and something new was her wedding gown.

Attending her sister as Matron of Honor was Lisa Lingo of Mesquite. Bridesmaides were Kay Garvin of Arlington, Peggy Rose of Austin, Kim Wills of Dallas, Mary Lord of Lubbock, Cinda Walker of Dallas and Kelly Hendrick of Dallas. They all wore identical tea lenght dresses of teal satin with teal lace applique overdresses. They each carried a cascade of Osti lilies in shades of teal and apricot enchanced with gerber daisies and freezia looped in satin ribbon.

girl was Flower Meredith McLeroy niece of the bride. She wore a teal satin dress with teal lace overlay. She caried a basket of Osti lilies and peach gerber daisies. Ringbearer was Marc McLeroy, nephew of the bride. He wore a dark gray suit with a teal bowtie and a teal cummerbund. carried a ring pillow

bride and groom Peggy Rose.

Attending the groom as best man was Mark Sheaner of Rowlett. Groomsmen were Andy Moody of Desoto, Boyd Scroggins of Dallas Everett Truitt of Dallas, Keith Johnson, Kevin Johnson and Jimmy Johnson of Mesquite.

The groom and his attendents were a11 attired in black tuxedos with teal bowties and teal cummerbunds.

Ushers Jim were McLeroy of Sulphur Springs, Bob McLeroy of Commerce, Stoney Lingo of Mesquite, Ronnie Combs of Carrolton and David Maurer of Austin. They were also attired in black tuxedos with teal bowties and cummer-

Following the ceremony a reception was held in the fellowship hall. wrought iron tables and fresh cut flowers of Osti lilies, roses, gerber daisies and gladiolus were used to give a beautiful garden effect. The brides eight layered white cake was completely draped with Lady Di roses, tiger lilies and Osti lilies using peach and teal colors. The grooms table had a chocolate cake topped with a precious Moments bride and groom. silver coffee service appointed this table.

A Mexican fiesta table was used to serve chips, dips and iced This table was tea. completely covered with

made especially for the an archway of greenery and grape vine wreaths attached with clusters of real grapes. Two verv large baskets filled with chips accented the table as the Precious Moments "Love Lifted Me" served conversational as a piece.

> Members of the houseparty were Julie McLeroy of Commerce, serving at the brides table; Charlotte McLeroy of Sulphur Springs serving at the grooms table; Roxie Wolf of Lubbock, serving at the punch table; and Autum Combs of Carrolton, Rhonda Fritsche of Austin, and Shari Sheaner of Rowlett serving at the Fiesta table.

> The bride is a graduate of Borden County High School and Texas Tech University. She is employed as an accountant at Trans Western Property Company Dallas. The groom graduated from North Mesquite High School and The University of Texas. He is employed by Arthur Young Accounting firm of Dallas.

> Following a wedding trip to Orlando, Florida the couple will be a home in Rowlett, Texas.

> The groom and his parents hosted a rehersal dinner on Friday, August 26 at the Church-

> Crossing partya room in Mesquite. A delicious bar-b-que dinner was served and the couple presented gifts to their attendents.

VITIAMIN PILLS VS. VEGETABLES

People over 60 who rather take vitamin supplements than eat their vegetables, may run the of low-level vitamin A toxicity.

The vitamin A that's plentiful in green and yellow vegetables isn't the same thing you get in a vitamin supplement.

Vitamin supplements contain a pure form of vitamin A called retinyl esters. Although the esters themselves not toxic, once in the body they can be converted into free retinol which is toxic.

Chronic vitamin toxity can cause liver damage, bone and joint pain and scaly dermatitis. A large overdose can cause headaches.

Recent research conducted by U.S. Department of Agriculture scientists indicated that high levels of retinyl esters are more likely among older people who take vitamin supplements.

The researchers surveved 562 healthy Boston residents over age 60, half of whom reported taking vitamin supplements, usually in the form of multivitamin pre-Those who parations.

used the supplements the longest had the highest blood levels of retinyl esters.

The five people in the study who had the highest levels of retinyl esters had taken supplements daily for more than five years. Four of them had signs of liver damage.

In a similar vey of 194 men and women aged 19-59, the USDA researchers found that two of the young people taking multivitamins had higher ester levels, but did not show signs of liver damage.

The liver had a tremendous capacity to store vitamin A, but once it is too full, toxicity may occur. Whether older people absorb vitamin A more efficiently or simply can not store as much in the liver is unclear.

People who eat adequate mounts of vegetables are already getting plenty of vitamin A and don't need supple-

Carrots, squash, tomatoes, dark green leafy vegetables, peaches and apricots are the best food sources of vitamin

ASCS NEWS By Jerry Stone

1988 DISASTER PROGRAM

Disaster legislation has been signed into law, but the details of the program administration are sketchy at this point. It appears that anyone who can document more than a 35% loss of yield on a program or non program crop will qualify for disaster assistance.

The disaster affected crop must initially be certified. We will accept a late-filed report of a program crop if a late-filed fee is paid. Late-filed reports for non program crops will not require a fee to be paid.

You must then file an ASCS-574, Report of Failed Acreage receive disaster credit on the affected acres. The 574 must be filed prior to any plowing, grazing, baling, shred-ding, etc. of the affected acreage.

Any acreage not carried to harvest will have to be appraised by ASCS for uninsured crops or the multiperil by insurance company on insured crops.

On acreages carried to harvest, we will need production satisfactory records, so keep good

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS
OF PROPOSED

CONSTITUTIONAL AMENDMENTS GENERAL ELECTION **NOVEMBER 8, 1988**

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment providing that when the federal government reimburses the state for expenditures of state funds dedicated to acquiring rights of way and ed to acquiring rights-of-way and for constructing, maintaining, and policing public roadways, such federal funds must also be used for those purposes.

The proposed amendment will appropriate the hellet as follows:

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights of years. pose of acquiring rights-of-way and constructing, maintaining, and policing public roadways."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 2 proposes constitutional amendment to establish an economic stabilization fund in the state treasury. The fund would consist of one half of the unencumbered balance of general revenues at the end of a biennium and three fourths of the difference between the net oil and gas produc-tion taxes received in a fiscal year and the net oil and gas production taxes received in the 1987 fiscal year. During any fiscal biennium, the amount in the economic stabili-zation fund could not exceed 10% of the total deposited in general revenue in the preceding biennium.

The state comptroller and the state treasurer could decide to trans-

fer monies from the fund into the general revenue fund to alleviate a temporary cash shortage in general revenue. The legislature could make appropriations from the fund on approval by a three fifths vote of each house to make up the difference between anticipated general revenue and appropriations. On approval of two thirds of the members of each house of the legislature, the legisla-ture could appropriate monies from

the fund for any purpose.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment establishing an economic stabilization fund in the state treasury to be used to offset unforeseen shortfalls in revenue."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 5 proposes a constitutional amendment that establishes the Texas growth fund. All investments of the Texas growth fund must be directly related to furthering economic growth and employment constraints. and employment opportunities in Texas. At least 50 percent of the fund must be invested in equity and/or debt security for the initial construction, expansion, or modernication. construction, expansion, or modernization of business or industrial facilities in Texas. Not more than ten percent of the fund may be invested in venture capital investments. Of the funds available for venture capital investments, not more than 25 percent may be invested unilaterally, and the remaining investments must be matched at least equally by funds from other sources. The Texas

RANGER RICK SAYS

nothing There's Egyptian vulture would eat than rather an ostrich egg. But cracking open the hard shell requires a bit of work. According to Ranger magazine, Rick vulture first picks up a stone with its beak. Then it hurls the stone at the egg. It may take two dozen direct hits, but the shell usually cracks, and the vulture gets its meal!

growth fund will be managed by a board of trustees consisting of four members appointed by the Governor and one member from and elected by the membership of each of the following: The Board of Regents of the University of Texas System; The Board of Regents of the Texas A&M System; The Board of Trustees of the Teacher's Retirement System of Texas: The Board of Trustees of the the Teacher's Retirement System of Texas; The Board of Trustees of the Employee's Retirement System of Texas; and the State Board of Education. The trustees may set the investment policy of the fund, enter into investment contracts, and take any action necessary for the creation, administration, and protection of the fund. The amendment authorizes the Board of Regents of the University of Texas System and the State Board of Education, in managing the permanent university fund aging the permanent university, fund and the permanent school fund, to acquire, exchange, sell, supervise, manage, or retain any kind of investment, including investments in the Texas growth fund. The fund will be phased out after the tenth anniversary of its creation, but the Legislature may create a second growth fund by a two thirds vote of each house.

The proposed amendment will ap-

pear on the ballot as follows:
"The constitutional amendment to provide for the investment of the permanent university fund, the permanent school fund, and public employee retirement systhe permanent school fund, and public employee retirement systems in the Texas growth fund created by the amendment, which will directly create, retain, and expand job opportunity and economic growth in Texas."
