WTC THANKS BHS CHEERLEADERS

Cheerleaders from Borden County High School helped brighten up the sidelines for Western Texas College basketball games played Thursday (Feb.2) in the Scurry County coliseum.

They joined the WTC cheerleaders and visiting cheerleaders from high schools in Ira, Roscoe, Hermleigh and

Snyder in cheering for the WTC Lady Dusters and Westerners. All were introduced at the half of the Westerners game by Mickey Baird, Student Activities Director at WTC.

Representing Borden County High School were Elvira Balague and Kate Phinizy, seniors; Juile Harris and Rachel

Romero, juniors; Charlotte Ball, sophomore; and Shara Dee Woodward, freshman.

"We were pleased that

these young ladies came," Mrs. Baird said.

"Cheerleaders put a lot of time and effort into learning how to be effective at their job and it's always a pleasure to meet them and watch them at work."

February is National Community College Month, calling attention to the important role

junior colleges play in the nation's education.

Of special interest to high school students will be Fine Arts Day sponsored by the Fine Arts Department on Feb. 18. Information about the day can be obtained by calling the Fine Arts Department at

573-8511, Extension 234.

SCHOOL CONSOLIDATION ISSUE

There has been a good bit of conversation concerning a bill that has been introduced to the 71st Legislature calling for the annexation of certain school districts within the state. Many people have asked what the various news items mean, and how did a thing like this get started?

It really started with the Edgewood I.S.D. vs Kirby lawsuit. As you remember, Judge Harley Clark of Travis County ruled in favor of the plaintiffs. The appellant court turned the decision around and ruled in favor of Kirby.

At the present time the attorneys for the plaintiffs have taken their battle to the Texas Supreme Court asking the high court to rule in favor of Edgewood I.S.D. and other poor school districts.

In the meantime, a member of the House of Representatives has decided to equalize state funding with a bill that has been introduced. His name is Alex Moreno from the town of Edinburg in Hidalgo County. The number on the bill is H.B. 726.

You will understand why questions have been raised after you read a portion of the bill. The following paragraphs are the beginning of H.B. 726.

Coyote Close Out Season

The Borden County Coyotes played their last game of the season last Tuesday against the Klondike Cougars. The Coyotes lost 51 to 65, but they played a better game than the score indicates. The Coyotes lost their first game with the Cougars at Klondike 69-42, so this game was much better. The Coyotes only trailed 12-10 at the end of the first quarter, but the Cougars built on that lead a little each quarter. The Coyotes finished the season with 8 wins and 17 losses and a district record of 3 wins and 7 losses.

Brian Bond led all scorers with 25 points. He also had one steal, 10 rebounds and 2 assists. Paul Sturdivant scored 14 points and had one steal and 6 rebounds. Cole Vestal and Shane Kemper scored 4 points each. Cole had one steal, 3 rebounds and 3 assists. Shane had 2 steals and a rebound. Cody Stone and Jimmy Rios scored 2 points each. Jimmy had

2 steals, 5 rebounds and 2 assists. Cody had 2 rebounds. Lance Latimer, Lance Telchik and Eric Lush didn't score, but they played in the final game.

With this victory, the Cougars were deadlocked in a three-way tie for the district championship. After a meeting between the schools involved in the tie, a flip was made and the Cougars played O'Donnell, Friday, Feb. 10th in the Coyote gym. The Cougars defeated the Eagles 65-64. Klondike will now face the Sands Mustangs to determine the district representatives.

Jr. High Girls Conclude Tough Year

Borden's Jr. High girls basketball team ended their year here Monday night and again lost a close game at the end. Trailing by only three, 31-28, Klondike ran off seven consecutive points to defeat the Coyotes 38-28. Trailing 11-6 at the end of the first quarter, Borden fell even further behind at half, 21-11. But they came on in the third quarter to close the gap to 28-21 entering the last stanza of play.

Leslie Fryar was high point for Borden with 13 points followed closely behind by Melody Harrison with 11. Mendy Hnesley and Jana Kincheloe each added two to the final. Also playing were Jacquelyn McPhaul, Bobbie Armstrong, Erica Nance, Mandi Herring, and Gloria Portales.

It was a tough year for the little Coyotes as they returned only one player from last year's A team, Leslie Fryar, and she fractured her leg the first game and had to sit out the next five weeks. Five of the remaining eight

Lady Coyotes End District Play Undefeated

As in many games played this year, one quarter would prove to be the difference. Last Tuesday night's district game with Klondike was no exception as they jumped out to a big 15-4 first quarter lead and held on for a 48-36 win over the Lady Cougars. Borden did outscore Klondike by three in the second quarter for a 30-16 half-time lead but the rest of the game was pretty much even. A two point edge by Klondike in the third quarter still saw Borden ahead by 12, 38-26, and the two teams played even the last stanza for the final 48-36 score.

Borden was led in scoring by Elana Himes who had 18 points, followed by Lisha Sternadel with 14. Vida Balague hit 8 points, and Kate Phinizy and Amy Lewis each made 4 for the total. Amy led in field goal percentage, hitting her only two, for 100%. She was

sixth graders in their first year of basketball, as was Jacquelyn McPhaul. Still the Coyotes played the upper classmen from other schools close but could only come up with one win, a 34-25 victory over Grady. Grady had defeated Borden by 15 earlier in the season. For the season, Borden averaged 24 points per game during the year. Melody Harrison, a seventh grader led the team in scoring this year with 153 points for a 12.8 average. She had a high game of 28 at O'Donnell. Leslie came back after her injury to score 85 points for a 12.1 average. She had a high game of 17 in her first game back and had 16 in the win over Grady. Also scoring this year were Jacquelyn McPhaul with 20 points, Jana Kincheloe with 17, Mendy Hensley with 12, and Mandi Herring with 1.

Elana with 67%, making 8 of 12. Lisha was next with 50%. Lisha led in free throw percentage with 100%, making 2 of 2. Kate, Vida, and Kristi Adcock tied for honors in steals with 3 each. Elana led in rebounds with 8 followed closely by Kate with 7. Lisha led in assists with 6.

For the second year in a row, Borden ended district undefeated, this year 10-0. They currently hold a 20 game district winning streak. For the season, the Lady Coyotes are 25-1 and riding on an 18 game winning streak. They hope to extend it this Thursday, February 16, in bi-district play. They will meet Grandfalls-Royalty at 6:30 in the Chapparal Center on Midland College campus in Midland. Should the Lady Coyotes win, they will face the Sierra Blance-Marathon winner on the following Monday or Tuesday, February 13 or 14. That game would determine which team would travel to the Regional I Tournament in Levelland on February 24 and 25.

Jr. High Coyotes End Season With A Win

The Borden County Jr. High Coyotes played their final game of the season against the Klondike Cougars, and they won 37-16. The Coyotes quickly jumped to a 13 to 4 first quarter lead and then they coasted thru the rest of the game with ease. Eight of the twelve Coyotes scored.

John Paul Harris led all scorers with 14 points, many of which came as a result of an offensive rebound and then a second shot. Ross Hataway scored 6 points. Richard Buchanan and Clint Kimper scored 4 points each. Clint Anderson scored 3 points. Clint Wills, Brandon Adcock, and Kirk Jones scored 2

J.V. Girls End Successful Season

Borden County's J.V. team ended their season here Tuesday night with another convincing win, this time a 49-31 win over the Klondike Lady Cougars. Jumping out to a 17-4 first quarter lead, Borden extended their lead to 33-9 at half-time. Borden was missing two of its regulars in Amanda Anderson and Kristin Kilmer but were well replaced by Randi Woodward, who had 18 points and Kandy Belew, who didn't score but played good defense. Also scoring were Shayne Hess with 12 points and Kristin Monger with 10. Kelly Jo Ogden made 6 followed by Shara Dee Woodward with 3. Also playing were Heather Armstrong and A'Lise and M'Lys Lloyd.

Borden J.V. ended their season 13-3, with the three losses coming to Sands Varsity team twice and Klondike's Varsity once. They defeated two other Varsity teams and 11 J.V. teams, averaging 45.8 points per game to their opponents' 29.0 per game. Their largest margin of victory came in the first game with an 84-15 win over Ira. They won the Forsan J.V. Tournament and won Consolation honors in the Sands Varsity Tournament. They were eliminated in the Borden Tournament with a 4 point loss to Sands Varsity and a 15 point loss to Klondike Varsity. Amanda Anderson led this years' team in scoring with 222 points for a 17.1 average. She was followed by Shayne Hess with 126 points for a 9.0 average per game. Shara Dee Woodward had 99 points followed by Kelly Jo with 78, Kristin Kilmer with 71, Kristin Monger hit 44, A'Lise and M'Lys Lloyd each had 4, and Heather Armstrong had 2.

HEY KIDS!!! MAKE PLANS NOW!!!

It's that time of the year again!! The Dawson McAllister Student Conference is scheduled in Amarillo this year on Friday night, all day Saturday & Saturday night, March 3 & 4, 1989. Young people (grades 6-12) from every kind of Christian Church and denomination all over West Texas will be coming together for Spiritual enrichment and a ton of fun at the hugh San Jacinto Baptist Church. (Phone (806) 376-7249).

The cost for the Conference is only \$20.00 per student if money reaches Amarillo before Feb. 22, if not, it's \$23.00 at the door. this cost is considered one of the least expensive youth conferences across the nation.

To help defray costs, the Baptist church in Gail is sponsoring a HAMBURGER-LUNCH SALE on Feb. 18, Saturday. Any student that wants to earn money for their conference tuition is urged to participate. (See related article, this issue.)

Each student is to bring money for their own meals; 2 breakfasts, 2 lunches, 2 suppers. Lodging is FREE! We will be staying Friday & Saturday nights at Amarillo's Second

Baptist Church (phone 806/373-1737) where there is a big gym for recreation & fun. Another youth group will be staying there too. Meet new people!

Sponsor's for this years' Conference will be the First Baptist Church's of Vincent & Gail. There will be approximately 4-6 adult church leaders to accompany the students.

Dawson McAllister tells it like it is. He's dynamic. He's humorous. He's honest, He understands the needs of the Students. His deep conviction in the power of God Word combined with humor and a "Straight-Shooting" style will help Students know and understand Gods answers to their problems.

The topic for '89 is "Relationships: Self Image, Loneliness, Love & Temptation." Each registered person receives a teaching manuel authored by Dawson, which will help reinforce God's truth.

Again this year, AL DENSON, will be doing the music. It's exciting It's fun. It's worshipful. Al combines all the ingredients to make the music come alive. Wait til you hear his concert on Saturday night. It will be

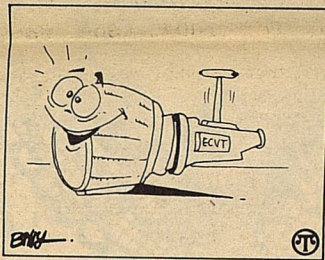

awesome. The attendance of nearly 3,000 Kids from all over West Texas is expected. Last year, 26 Borden County area people attended. Response has been so good. Even more is expected this year. So Kids, get your friends together & talk about coming with us to one of the main highlights of the year.

School Consolidation Issue

high taxable property value.
 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
 SECTION 1. Subchapter B, Chapter 19, Education Code, is amended by adding Section 19.027 to read as follows:
 (Sec. 19.027. ANNEXATION OF DISTRICTS WITH LOW ATTENDANCE AND HIGH PROPERTY VALUE. (a) In this section, "property value ratio" means the ratio of the taxable value of property in a school district to the number of students in average daily attendance in that district.)
 (b) Each year the commissioner of education shall identify each school district, other than a school district with boundaries that are coextensive with the boundaries of a county, that has fewer than 500 students in average daily attendance and a taxable property ratio that is greater than three times the statewide average ratio. To identify those districts, the commissioner shall use:
 (1) the district's average daily attendance for the school year ending August 31 of that year, as determined under Section 16.006 of this code; and
 (2) the taxable value of property in the district for the calendar year during which that school year began, as determined under Section 11.86 of this code.)

Section two begins like this:

SECTION 2. The importance of this legislation and the crowded condition of the calendars in both houses create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and this rule is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

Our legislators from the area are very much against any forced consolidation. At the present time H.B.726 has not been referred to committee. Hopefully it will die before it gets to the floor of the House of Representatives.

YOUTH GROUP MEETING THIS SATURDAY NIGHT

HEY KIDS! There will be a youth group meeting this Saturday night at 7:00 p.m. in the Blue Room of the Borden Co. School. Short videos will be shown concerning the up coming Dawson McAllister Student Conference in Amarillo. Hopefully, another hour-long video will be

shown also. There will be free hotdogs, chips and tea and probably a basketball and/or volleyball games in the gym.

So come join us! It's guaranteed FUN! ...Sponsored by The Youth Groups of the First Baptist Churchs, of Gail & Vincent.

Cotton Production Shortcourse

A cotton Production Meeting and Shortcourse will be held Monday, February 20, 1989 at the District Courtroom in Gail.

This shortcourse will feature Drs. James Supak and Jim Leser, along with Johnny Anderson of Plains Cotton Growers.

Dr. Supak will bring the latest information to us on cotton produc-

tion to include variety and fertilizer recommendations. Dr. Leser will assist by leading a discussion on insect control.

Mr. Johnny Anderson of Plains Cotton Growers will be on hand to assist with the election of a Borden County producer to represent this area with Cotton Growers.

Futures Workshop Offers Help Marketing Cattle

During the last 20 years, the use of the futures market has become a key part of the pricing structure for the cattle market. To help area cattlemen better use the futures market, the Texas Agricultural Extension Service will conduct an in-depth workshop in Gail Feb. 21-22.

The 12-hour course will be from 9 a.m. until 4 p.m. each day at the Borden County School. It will provide market updates as well as basic training in various pricing alternatives available, emphasizing the use of

commodity futures and options by livestock producers.

The fee is \$20. Persons wishing to enroll should notify Borden County Extension Agent Dennis Poole, 915/856-4336, or Scurry County Extension Agent Marvin Ensor, 915/573-5423.

"Cattlemen all over the country are making more use of futures contracts as an important part of their management strategies," said Dr. Jackie Smith, Extension Service agricultural economist and marketing specialist.

"Development of the futures market for cattle has given the producer a valuable marketing tool. He no longer has to take whatever price is bid

on the day his animals are ready for market.

"He now has the alternative of pricing his cattle months in advance, and no longer needs to carry by himself the price risk inherent in feeding over long periods of time," Smith said. "By hedging in the futures market, he can share with others the risk of changing prices."

Election of Cotton Growers Representative

Borden County cotton producers and agribusinessmen will elect a Producer Director to Plains Cotton Growers, Inc. at a 10:00 a.m. February 20 cotton production meeting in the District Courtroom, Gail.

Announcement of the election comes from Jarrell Edwards of O'Donnell, current Borden County Producer Director to the 25-county cotton organization, and Randy Hensley of Tahoka, Businessman Director.

Each of the counties in PCG territory has two directors, one a businessman and the other a cotton producer. They are elected on alternate years for two-year terms. Each is eligible for re-election every second year.

All producers and businessmen are invited to the meeting. However, under PCG By-Laws, only current dues-paying members of PCG will be eligible to be elected a director or to vote in the election. This provision of the by-laws will be fully explained at the meeting.

A PCG representative will conduct the election, review and answer questions about recent and planned PCG activities.

Public Notice

On November 9, Southwestern Bell Telephone Company filed a tariff which proposes to prevent local exchange calling over interstate, unrestricted, multi-jurisdictional, WATS Access Lines (UWALs) and intrastate WATS Access Lines (WALs).

UWALs are provided to interexchange carriers for their use in the provision of interexchange interstate and intrastate long-distance and WATS-type services. Similarly, WALs are designed for use in the provision of interLATA and intraLATA WATS services. The UWALs and WALs were not intended to allow local exchange calling.

If these proposed tariff changes are approved, the blocking of local exchange calls over intrastate WATS access lines and UWALs will take place within 30 days. This proposed tariff change will not result in the blocking of local calls placed to an 800 Service number.

The Public Utility Commission (PUC) of Texas has assigned this matter to Docket 8421. A hearing on the merits of these proposed tariff changes is scheduled for March 13, 1989.

Persons who wish to intervene or otherwise participate in these proceedings should mail a request to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757 by February 27, 1989. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0223 or (512) 458-0221, teletypewriter for the deaf.

**AT&T ANNOUNCES PRICE CHANGES FOR
LONG DISTANCE CALLS WITHIN TEXAS**

AT&T announces April 1, 1989, price changes for Long Distance Service (MTS) within Texas. AT&T's prices for long distance calling within Texas will be increased by two cents per minute for calls under 82 miles in distance and one cent per minute for calls that are 82 miles or greater in distance. AT&T's current discounts of 25% for evening calls and 40% for night and weekend calls will remain in effect. The price increases are expected to produce approximately \$22.8 million, which is nearly 2.9% of AT&T's annual revenues for Texas Long Distance Service.

This represents the first AT&T price increase for long distance calls within Texas. AT&T's long distance prices for calls within Texas have been reduced overall by about 12% since 1986.

The Long Distance Service price changes will also impact AT&T's PROSM WATS Texas offering, which offers subscribers a 10% discount on all long distance calls within Texas. These price changes are expected to produce approximately \$661,000, or about 3.5% of the annual revenues for AT&T's PROSM WATS Texas offering.

Prices for AT&T's REACH OUTSM Texas offering will also change. The price for initial hour usage will increase from \$12.55 to \$12.95; the additional hour price will increase from \$11.40 to \$12.00. These price increases are expected to produce approximately \$364,000, or about 2.1% of the annual revenues for AT&T's REACH OUTSM Texas offering.

AT&T's tariffs implementing these changes will be filed with the Public Utility Commission of Texas on March 1, 1989, with an effective date of April 1, 1989. The combined price increases are expected to produce approximately \$23.9 million, which is approximately 2.4% of AT&T's annual revenues for all Texas intrastate services.

If you have questions regarding these price changes please call AT&T's service consultants at 1-800-222-0300 for residential customers or 1-800-222-0400 for business customers. Persons who have questions regarding this tariff filing may also contact the Public Utility Commission of Texas in writing, at 7800 Shoal Creek Blvd., Suite 450N, Austin, Texas 78757, or by calling the Public Information Office at 512-458-0223, or 512-458-0227, or 512-458-0221 teletypewriter for the deaf.
