NEW EYES FOR THE NEEDY

Steve Allen, the entertainer and humorist took off his glasses the other day. It wasn't to get contact lenses, or a new pair of glasses or even to clean the glasses he has.

"I just spent a few minutes looking at a blurry world," Mr. Allen said, "so I could understand what it's like not to be able to afford to see.

Social service agencies estimate that there are millions of people throughout the world who need glasses but lack the money or access to get them. Thousands of these people are Americans.

Steve Allen, who has worn glasses for "almost a century," has decided to help. He recently volunteered his services to New Eyes for the Needy, Inc., a charity group devoted to providing eyeglasses for those who can't afford them. As New Eyes for the Needy spokesman, Mr. Allen is leading the Short Hills, New Jersey group's appeal for donations.

"We don't want your money," he said. "That's what's so unique about New Eyes. All we want is your reusable glasses."

New Eyes for the Needy collects discarded eyeglasses, along with old watches, jewelry and silver, and sells the precious metal to a refiner. This finances

STEVE ALLEN

the group's entire operation, which last year provided new glasses for 5,000 Americans.

150,000 pairs of plastic-framed glasses were tested and graded and sent overseas.

According to New Eyes president Carol Danner, the group has brought better vision to over 3 million people worldwide since it was founded 58 years ago. 140 volunteers currently work at the organization, sorting, testing, and cataloguing eyeglasses. Others open the mail, which sometimes includes thank you's for eyeglasses sent to places as far away as Sierra Leone and West Cameroon.

Mr. Allen, with his glasses back on, summed up the group's feeling. "It's one of the few ways you can really do some good in this world," he said, "for

the price of postage."

Donations of old eyeglasses and jewelry, as well as requests for information, may be sent to New Eyes for the Needy, Inc., P.O. Box 332, Short Hills, New Jersey 07078.

Oldest U.S. Stock Show

The nation's top rodeo cowboys will compete during the 94th Southwestern Exposition and Livestock Show and Rodeo, an event that will bridge the present and the Lone Star State's colorful past Jan. 19-Feb. 4 at Will Rogers Memorial Center.

Throughout its history, the Southwestern Exposition has been Fort Worth's most popular event. An estimated 750,000 people will visit the exposition this year, exploring Fort Worth and its place as headquarters of the state's legendary cattle industry.

The stock show boasts a list of superlatives; among events in the nation's oldest continuous

Gov. Clements Signs Proclamation

Secretary of State George Bayoud announced that Gov. Bill Clements has signed a proclamation urging Texans to register and vote in the March 13 primary elections.

In the proclamation, Clements urged Texans to support Secretary Bayoud's VOTE '90 registration/education campaign, and he reminded Texans that Feb. 11 is the last day to register to vote in the March 13 primaries.

"I deeply appreciate the governor's interest in VOTE '90 as shown by his willingness to get involved in this non-partisan, statewide effort to promote voter registration and participation," Bayoud said. Earlier, Clements

signed an executive order urging all state agencies and institutions of higher education in Texas to participate in the VOTE '90 drive.

The main goals of VOTE '90, Bayoud said, are to register new voters and increase turnout. Of the state's currently estimated 12.4 million eligible voters, about 8.2 million, or 66%, are registered. Nationally, about 68% of eligible voters are registered.

The VOTE '90 effort runs throughout the year, culminating on Nov. 6 when Texans elect a U.S. senator, governor, lieutenant governor and hundreds of other statewide and local officeholders.

GOAT SHOW TIME

THE LITTLE INTERNATIONAL CHAMPION GOAT SHOW will be held following the Steer Show Saturday Morning, January 27th.

We look forward to seeing you there.

REGISTER TO VOTE

If you are new to Borden County, or if you have not voted in recent elections, you may not be registered to vote. Persons may register in the Borden County Tax Office until February 10 to be able to vote in the upcoming elections.

If you have any doubts about whether you are registered or not, call (915) 856-4311.

Lady Coyotes Remain Undefeated In District

In an all important showdown here Tuesday night, the Borden County Lady Coyotes, undefeated in conference play, faced the Grady Lady Wildcats, also undefeated in district play. It was a game that was supposed to have the twin towers of Grady, in 6'1" Kim Adkisson and 5'11" Sherrie McMorries, the districts two leading scorers, facing the balanced attack of Borden. Borden shot down one tower, holding Adkisson to 6 points and held the other tower to three field goals and 15 points as they took a big 63-37 district win. Borden held up their end of the expectations as all eight players got into the scoring column. Gail held a slim 11-8 lead at the end of one period of play, but increased their lead to 11, 29-18 by half-time. Again, a close third quarter saw the Lady Coyotes lead increases by just one 40-28, entering the fourth quarter. There, Borden's depth clearly shown through as a big 23-9 scoring edge gave the Gail girls a 26 point

victory. Lisha Sternadel led in scoring with 16 points followed by Amy Lewis with 11. Rachel Romero hit 8 points, Randi Woodward and Amanda Anderson each had 7, Shara Dee Woodward had 6, Kristi Adcock made 5, and Leslie Fryar hit 3 to round out the attack. Amanda led in field goal percentage with 60% followed by Rachel and Randi with 50% each. Shara Dee led in an excellent free throw shooting night, hitting 86% (6 of 7), followed by Lisha with 83% (10 of 12), Amy with 83% (5 of 6), and Kristi hitting 75% (3 of 4). As a team, Borden hit 26 of 34 for 76%. Amanda led in steals with 5 followed by Kristi with 4. Lisha led in rebounds with 11 followed by Amanda with 6 and Amy with 5. Shara Dee led in assists with 5.

The J.V. was just as successful, jumping out to a 16-2 first quarter lead and never looking back in their 51-14 victory. Borden held a 24-8 half time lead and increased it to 40-10 entering the last quarter with another 16-2 scoring advantage in the third quarter. In the last quarter,

Coyotes Rally Falls Short

The Borden County Coyotes outscored the Grady Wildcats in the second half last Tuesday but they still came up a little short on the score board, with the final score being 57-32. The Coyotes quickly fell behind 18-10 in the first quarter, but outscored the Wildcats the rest

of the game. In the second quarter the Coyotes exploded for 19 points. The third quarter didn't provide much scoring as both teams only managed 10 points each. In the fourth quarter, the Coyotes outscored the Wildcats 22 to 18.

Borden hit 11 points to Grady's 4 for the 37 point win. Shayne Hess led in scoring with 23 points followed by Kelly Jo Ogden with 10 and Kristin Monger with 10. Kristin Kilmer hit 6 points and Jacquelyn McPhaul made 2 to round out the scoring. Also playing was Heather Armstrong. The J.V. record now stands at 7-2 for the season and 3-0 against district opponents.

The Varsity Lady Coyotes move to a 17-2 season record and a 3-0 district record. Next game for Borden will be at home, Friday, January 26, against Sands. The 6:30 ball game will begin the second half of district play. In other District 16A games Tuesday, Klondike defeated Dawson 55-29 and O'Donnell defeated Sands 62-42.

Wildcats Claw J.V. Coyotes

The Borden County J.V. Coyotes lost to the Grady Wildcats 57-32 last Tuesday. A very slow start put the Coyotes at an early disadvantage, as they were outscored 31-8 in the first half. In the second half the Coyotes were only outscored by 2 points, but the damage had already been done.

J.J. Kincheloe was the Coyotes leading scorer with 13 points coming on 5 field goals and 3 out of 4 free throws. Kirk Jones scored 8 points on 3

Dawson Slay Coyotes

The Dawson Dragon's ran and gunned their way to a victory of 80-66 over the Borden County Coyotes last Friday at Dawson. The first quarter was a very fast paced 8 minutes packed with lots of action. The Dragons took a 16-15 lead. In the second quarter the Coyotes were plagued with 11 turnovers and only managed to get 9 field goal tries. The Dragons used the free gifts to jump to a 22 to 12 scoring advantage for the quarter and an 11 point halftime lead. In the third quarter the Dragon's full court zone press forced another 8 turnovers, but the Coyotes' scoring was only 4 points (24 to 20) behind the Dragons. The Coyotes ended the third quarter with a 3 point basket by Klint Kemper. With only one second left in the quarter, Cody Stone passed in the ball from Dawson's baseline. Klint had moved to the left side of the Coyotes front court to the left of the free throw line. As soon as he caught the ball he launched a 20 foot shot that banked in for 3

points. In the fourth quarter the Coyotes handled the press much better and only committed 2 turnovers. They also outscored the Dragons 19 to 18 for the quarter.

Cole Vestal led all scorers with 31 points on 13 of 23 field goal attempts and 5 of 7 free throw attempts. He also had 3 steals, 2 offensive rebounds, and 5 defensive rebounds. Shane Kemper scored 18 points and had 3 steals, 1 offensive and 5 defensive rebounds, and an assist. Klint Kemper scored 16 points and also had 3 steals, 5 defensive rebounds, and 5 assists. David Buchanan scored 1 point and pulled down 3 offensive and 3 defensive rebounds. He also had 4 assists. Cody Stone did not score, but he had a steal, 2 offensive and 2 defensive rebounds, and 2 assists. Clint Wills also did not score but he had a steal, 1 offensive rebound and 3 defensive rebounds, and 2 assists. Jimmy Rios did not play, because he went home sick about mid-afternoon.

JR High Girls Defeats Grady

Even though school was out for the day due to the end of the semester, basketball was still in full swing. Borden traveled to Grady Monday night and came away with a 30-17 win. The Gail girls jumped out to a 7-2 first quarter lead and then increased their lead to 15-3 by half-time, holding Grady to just one free throw in the second quarter. Borden upped the advantage to 21-7 entering the last stanza before Grady made a small comeback against the younger Gail subs. Still everyone got in playing time that made the trip.

Leading in scoring was Melody Harrison with 20 points, which included one three

point shot and 7 of 11 free throws. Bobbie Armstrong scored 6 points and Mendy Hensley and Brandie Smithie each scored 2. Also playing were Gloria Portales, Leticia Rios, Deann Parks, Mandi Herring, Erica Nance, Jana Kincheloe, and Laura Hensley.

Borden's record now stands at 6-4 on the season and 5-3 in district play. They have one more game at home and one more game on the road left in the season. Next Monday's game, January 29, will be at home against Dawson. The 6:00 ballgame will be the last home game of the season before traveling to Klondike on February 5.

Lady Coyotes Dump Dawson

Dawson's Lady Dragons were outnumbered and outgunned at Welch Friday night as Dawson was only able to field a team of five girls due to injuries. Still the five were no match for the Lady Coyotes as they took their 18th win of the season with a 77-24 victory. Borden jumped out to a slim 14-6 first quarter lead, but increased the narrow margin to 35-8 by half-time with a big 21-2 second quarter. A 19-9 third quarter edge moved the margin to 54-17 entering the last stanza of play before the last period margin of 23-7. The biggest differences in the game was due to a season high shooting percentage

from the field of 60%, and a season low turnovers of two for the game.

Ten people got into the game with nine scoring. Lisha Sternadel led in scoring with 20 points followed by Amy Lewis with 15, Amanda with 12, Randi Woodward with 10, Kristi Adcock hit 8, Rachel Romero and Kelly Jo Ogden each had 4, Shara Dee Woodward hit a three point shot, and Leslie Fryar made a free throw to round out the scoring. Kristi led in field goal percentage with 100% followed by Amy with 70%, Lisha, Rachel, and Kelly Jo each hit 67%, and Randi made 63%. Amanda led in free throw percentage

with 100%, making 2 of 2. Kelly Jo led in steals with 2. Lisha led in rebounds with 6 followed by Amanda with 5 and Randi and Amy with 4 each. Shayne Hess led in assists with 4 followed by Kelly Jo and Amanda with 3 each.

Season record for the Lady Coyotes now stands at 18-2 for the season and 4-0 in district play. Borden will play at home this Friday, January 26, against the Sands Lady Mustangs. The game will follow the J.V. games which will begin at 4:00. Other District 16 A games Friday night saw Klondike defeat O'Donnell 51-48 and Grady beat Sands 62-43.

Wildcats Defeat Coyotes

After a very slow start the Borden county Jr. High Coyotes almost caught the Grady Wildcats.

The Coyotes fell behind 12 to 7 thanks to some full court pressure put on by the Cats which caused many turnovers. In the second quarter the Coyotes rallied and outscored the Cats 12 to 8 to only trail by 1 point at halftime. The third quarter was the one that broke the Coyotes as the Cats poured in 18 points to only 10 for the Coyotes. In the fourth quarter the Coyotes outscored the Cats 16 to 12, but they still came up 5

points too little, and was defeated 45-50.

Richard Buchanan led all scorers with 22 points on 10 field goals and 2 free throws. 10 of his 22 points were scored in the fourth quarter. Brandon Adcock scored 18 points on 8 field goals and 2 free throws. Kurt Hess scored 4 points on 2 field goals. Keith Monger scored 1 point. A.J. Romero and Bucky Williams played but did not score. Several Coyotes did not play, but they gave their support from the bench. They were Seth Vestal, Cody Cox, Brandon Trussell, and Chris Myrick.

J.V. Coyotes

Cont. from pg. 2

field goals and 2 out of 2 from the free throw line. Guy Zant scored 7 points on 3 field goals and 1 out of 2 free throws. Clint Anderson scored 4 points on 2 field goals. Shawn Lewis did not score, but played well in the second half.

4...THE BORDEN STAR, WED., JAN. 24, 1990
Regular School Board Meeting

January 15, 1990

The Board of Trustees of the Borden County Independent School District met in regular session on Monday, January 15, 1990 at 12:00 noon.

Board members present were Jack McPhaul, president; Bill Phinizy, Vice President; Jon Monger, Secretary; Scott Clayton, Tom Ed Vestal, Kenny Hensley, and Joel Dennis.

Administrator present was James McLeroy.

Minutes

Minutes of the previous meeting were read and approved.

Visitors

Dr. John Townley was the only visitor. He was there for the purpose of briefing the Board on the procedures and state of being of the search for a superintendent.

Bills

January bills were reviewed and approved for payment.

Superintendent's Report

1. Financial Report

A year-to-date financial report was given and it was presented that the fund balance as of December 31, 1989 was \$1,441,048.73.

An amendment to the budget was recommended as follows:

Function	Account	Increase	Decrease
12	6300	\$1,000.00	
12	6100		\$1,000.00
34	6200	\$2,000.00	
34	6300		\$2,000.00

2. Personnel Report

It was reported in the Personnel Report that Jackie Harris had been placed in the elementary school as a teacher aid to take Pat Murphy's place. It was also recommended that Jackie Harris be hired as teacher aid.

A motion was made and passed to approve the Superintendent's Report including budget amendments and hiring of Jackie Harris as teacher aid.

(Special) - Superintendent Search

The Board went into a three hour session with Doctor John Townley for the briefing and also to plan procedures for hiring a Superintendent.

The Board was advised that the search had been cut to the final seven people. The Board then agreed to interview the seven finalists on the following dates and times:

- Jan. 17, 7:30 p.m. Mr. John Grigsby, Supt. Farwell I.S.D.
- Jan. 18, 7:30 p.m. Mr. Don Apple, Supt. Ralls I.S.D.
- Jan. 19, 7:30 p.m. Mr. Jimmy Thomas, Supt. Meadow I.S.D.
- Jan. 20, 10:30 a.m. Dr. Tom Alvis, Asst. Supt. Muleshoe
- Jan. 20, 7:30 p.m. Mr. Randy Savage, Supt. Gordon I.S.D.
- Jan. 21, 2:30 p.m. Mr. Larry Taylor, Supt. Eden I.S.D.
- Jan. 22, 7:30 p.m. Mr. Don Gibson, Supt. Trent I.S.D.

Adjournment

There being no further business, the Board adjourned at 4:30 p.m.

STOCK SHOW

4-H'ERS Giving Initial Training To Guide Dogs Puppies

Seven Labrador retriever puppies from Florida are spending the first year of their guide-dog lives with 4-H club members in East Texas.

The dogs are part of an agreement between the Smith County office of the Texas Agricultural Service and Southeastern Guide Dogs, Inc., Palmetto, Florida.

Most of the guide-dog organizations in the country arrange for foster families to take care of their dogs from about eight weeks of age until they are 14 to 16 months old. The effort is a pilot program in Texas requiring at least six participating families.

According to the American Federation for the Blind, approximately 1 percent of the U.S. population is legally blind. "In Texas, 198,000 citizens are blind or severely visually impaired," said Rolando Garza, public information officer for the Texas Commission for the Blind. "About 40,000 of these are legally blind and could benefit from having a guide dog."

"Currently, 10 guide dog schools produce about 800 trained dogs per year for the blind," said Julie Aichroth, Puppy program supervisor and trainer for Southeastern Guide Dogs. "We have about 20 dogs in our breeding program and accept a few donated puppies each year."

Two of the puppies are in Wood County with Deborah and Sara Shipman, Hawkins; one is in Gregg County with Sissy Casper, Longview; one is in Cherokee County with Rebekah White; and the other three are in Smith County with Carlist Brinkley, Whithouse; Joan Chabot, Lindale; and Andrea Dupree,

Tyler.

The 4-H families that received the puppies have an opportunity to interact with very special dogs. These seven puppies are from a litter of 10. Past history shows this particular breeding to produce a 95 percent success rate. These dogs are very intelligent and have the right temperament to be guides.

Sara and Deborah Shipman each have a puppy to care for. "No major problems have been encountered," Sara said. Her puppy, Clare, is a live wire. "She has a real sense of rhythm and keeps time to music with her tail."

"It has been a real challenge to have two dogs in the house," said Sally Shipman, mother of Sara and Deborah. "Their personalities are entirely different. They already weight about 25 pounds each. The experience

has been rewarding and it probably would not be difficult to talk us into doing it again. The Gladewater Library Board has given us permission to take the puppies inside the library. Cooperation has been excellent."

Deborah echoes the sentiments. "We are helping other people be able to do things for themselves," she said.

The activity is part of the 4-H dog care and training program. However, raising a guide dog puppy is a unique opportunity. Any youngster with an interest in animals can learn responsibility and basic care and management practices.

During the next year, each foster family will provide their puppy with love, safety and the socialization necessary for it to be well adjusted to any situation it may encounter as a guide dog.

After the puppies are housebroken, public exposure starts. This is where local businesses can assist the puppy raisers by allowing them to come into buildings. "The dogs will be wearing jackets identifying them as guide-dogs in training.

They need to be exposed to many different things, including stairs and elevators.

The families of the 4-H'ers who take the dogs pay for the food and receive compensation for veterinary expenses not donated.

Six East Texas veterinarians are donating most of the veterinary services the puppies will require during the next year.

After about a year in Texas, the puppies will be returned to Florida for more formal training. The last 26 days of training includes continuous contact with the blind people they will guide for the next eight to 10 years.

"The continuation of the program in Texas depends upon the interest generated and grouping of puppies," Aichroth said. "To expedite transportation and coordination of the program, we like to have the puppies with families in close proximity of each other."

The 4-H members and their families have been invited to attend

graduation after the dogs receive the final six months of training in Florida. Most of them are making plans for a reunion with their puppies and to meet the person who gets the dog.

"We will then have something in common with that person and know that we helped someone have a better life," said Sara.

**Salute To Teachers...
Sue Jane Mayes**

Sue Jane Mayes is a teacher, Senior class sponsor, friend and mother and manages to juggle all four with flair! She admits, however, that it couldn't be done without the help of her great husband, David. Mrs. Mayes graduated from Snyder High School and Abilene Christian University

She heads the UIL Journalism and Debate events, and is glad the students have a chance to participate. She feels all the extra-curricular events are fun bonuses, although they take up so much time.

She and David have 2 lovely daughters. Julie is a second grader and Emily is 2 years old. Julie used to think her name was "Julie Michelle Mrs. Mayes." That's all she ever heard her mom being called, and took it for granted that her name was the same!

BY DENNIS POOLE

THE TEXAS HUNTING LEASE: Organized Chaos Or The Future Of Wildlife Management

Another Texas hunting season is nearly over. Hunting lease operators are preparing to close their books on this year's hunts and make plans for next year. Lease hunting occurs throughout Texas, but lease operations vary considerably. Many lease operators would like to know how others are providing services and facilities, managing game animals, protecting their operation, pricing their leases, and the range of lease charges. How can they obtain this information? Beginning January 22, 1990, all 12,500 hunting lease operators in

Texas will receive a one-page survey that asks for answers to these questions. The survey is easy to complete but of most importance to hunting lease operators will be the results. Finally, they will be able to compare their lease operation with others in the county and state.

This study is a cooperative research effort between the Texas Agricultural Experiment Station and the Extension Service. County agents are helping get an excellent response rate by supporting this study and

answering questions their lease operators may have about it. The value of the information to hunting lease operators will be directly related to the number of surveys returned. The Extension Service will provide county/state data results to each county Extension agent for your area of interest. They will receive the results that compare their personal operation with others in the county and state. This information should help operators and land owners improve their hunting lease programs.

Hunting lease opera-

tors that have multiple permits will be sent a survey for each permitted area. Each area under permit is described on the survey by acres and/or name-- exactly the way it was described in the permit application. Some operators or land-owners may receive from two to twenty-two surveys in one day. It is important that each survey for each permitted area be completed as a separate acreage. All hunting

lease operators that have four or more permitted areas have been contacted about the study and that they would be receiving a lot of mail the third week in January.

The Texas hunting lease system has been in operation since 1929. There has never been a statewide study of how lease hunting contributes to wise management of the wildlife resource.

MAKE \$25,000 SITTING AT HOME!

DON'T LET THIS OPPORTUNITY PASS YOU BY.

Can you picture yourself making at least \$5000 dollars a week, every week? If you can, I urge you to read this article, it could be worth thousands of dollars to you!

My name is Mark Preston. I am 32 years old and a self made millionaire. A few years ago I discovered a money making method that changed my life forever. This is not just another "get rich quick scheme." This is a unique new system that is in demand everywhere, yet few people even know it exists.

Anyone can do it. Trust me. If you want to make money, this system is for you. When I first started this money making program, I was flat broke and at least \$10,000 dollars in debt. My family thought I was crazy and said I should be out looking for a "real job." That did not stop me. I was determined to make it with this fantastic money making plan I had discovered.

I started at home on the kitchen table with no capital. Within a year I was taking in over \$20,000 A WEEK... MORE THAN A MILLION DOLLARS A YEAR. You heard me right, OVER A MILLION DOLLARS A YEAR! I went from driving an old beat up Pick-Up to a Brand New Lincoln Continental. I paid for it in cash. I bought a new home in a prestigious neighborhood, a waterfront summer cottage, and a Townhouse in Florida. I do not mean to brag, but these are my results using this amazing money making system. Do not envy me, join me!

THE SECRET REVEALED

I knew then I had discovered a revolutionary new money making program that would continue to make me thousands of dollars a day. It seemed so easy. I asked myself why everybody wasn't rich? Then it dawned on me that not everyone knew about this secret method of making money. You do not need special training or even a college education for this money making system to work for you.

Once you have learned how to use it, your money worries will be over for life. You will have financial security and peace of mind. This money making system is perfectly legal and amazingly simple. It has nothing to do with real estate, the stock market, or gambling of any kind.

It does not matter what your financial situation is now. You can start this money making program at home in your spare time with less than \$15.00. In a few short weeks you will see the cash start to roll in. Once you put this money making

system to work for you, the sky's the limit! You will have cash to spend on whatever you want, whenever you want it. Think of it! Enough cash to finally put an end to economic nightmares forever!

HERE'S PROOF

I am sure you are somewhat skeptical at this point. That just shows you have good business sense. Read what a few people had to say about my money making program.

Dear Mark,

I ordered your program 3 months ago and started using it the day I got it. To say the least I was shocked at the results. Last month I deposited over \$11,000 in my bank account. Thank you so much.

N.C., Stuart, Florida

Dear Mark,

When I first saw your article I had my doubts. I said to myself I might as well try it, at least I'll be \$25.00 ahead with your guarantee. Well, your material changed my life from being flat broke in July to practically a millionaire in December! If I can do it, anyone can.

J.S., San Diego, CA

Dear Mark,

Before I ordered your money making method, I was slaving away cutting lawns for \$4.00 an hour. At 19 years old my future looked bleak. Last week I made over \$14,000 in less than 20 hours of work. I am the envy of all my friends. Thanks for a new life!

J.B., Loudonville, NY

IT'S UP TO YOU

Your life can change now by taking simple action. Order my money making program today and see for yourself. All you have to do is follow the step-by-step procedures I provide you with. It will only take you about an hours reading time to master the program. If you can see yourself being rich, you will be rich! I make it easy for you. Included in my

manual is my unlisted telephone number for you to call anytime you need help. I guarantee that within a week of using my money making method you will see the cash start to roll in. With my money making system, your success is guaranteed!

\$25.00 CASH BONUS

I am so sure that my money making program will work for you, I am going to offer you a guarantee that no one else can. You either raise \$15,000 using my money making system, or I will send you a certified check for \$25.00. That's right, \$25.00 just for giving my money making program an honest try. The only reason I can offer you a guarantee like this is because I know you are going to make a lot of money copying my money making system. So much money that I am putting up \$25.00 to prove it to you. It's that simple. You have nothing to lose and everything to gain. The risk is mine.

ORDER TODAY

It is not too late for you to start making money with my program. Do not be stopped by your fears. The single most limiting emotion in you is the fear of failure. I urge you to fill out the coupon below and send it to me today. I will do everything in my power to see that my money making program works for you. **There is no risk on your part. Order Now!** The supply of my material is limited. Orders will be filled on a first-come, first-serve basis. **Don't miss this opportunity. I may not offer it again.**

To order, simply fill out the coupon below, or write your name and address on a piece of paper and enclose \$12.00 plus \$2 for shipping and send it to:

Courthouse News

WHEREAS, On the 8th day of January, A.D. 1990, the Commissioners' Court of Borden County, Texas, convened in Regular Session at the Regular meeting place thereof in the Courthouse at Gail, Texas, the following members of the Court being present and participating, to-wit:

VAN. L. YORK	COUNTY JUDGE, Presiding
FRANK CURREY	COMMISSIONER, Prec. No. 1
LARRY D. SMITH	COMMISSIONER, Prec. No. 2
VERNON WOLF	COMMISSIONER, Prec. No. 3
HURSTON LEMONS, JR.	COMMISSIONER, Prec. No. 4
DOROTHY BROWNE	COUNTY CLERK & EX-OFFICIO CLERK OF THE COMMISSIONERS COURT

constituting a quorum, when the following proceedings were had, to-wit:

MINUTES APPROVED

Minutes of the meeting of December 21st, A.D. 1989 were read. Commissioner Currey made a motion to approve said minutes as read. Commissioner Lemons seconded the motion.

Voting For: Commissioners Currey, Smith, Wolf and Lemons

Voting Against: None

GRIEVANCE COMMITTEE

The names of Fannie Flint, Joe Carrol Bond, Patricia Murphy, Terry Lee Grantham, and Don Jones were drawn in open court from the names of all persons who served on Grand Jury during 1989, to serve on the Grievance Committee for 1990 with other members of the Committee as created by Article 3912K. A motion was made by Commissioner Wolf to approve these as drawn. Motion was seconded by Commissioner Smith.

Voting For: Commissioners Currey, Smith, Wolf, and Lemons

Voting Against: None

SOIL AND WATER CONSERVATION DISTRICTS

After discussion, Commissioner Smith made a motion to donate to the Soil and Water Conservation Districts as was donated last year, that being, \$500.00 to Upper Colorado Soil and Water Conservation District, \$200.00 to Dawson County Soil and Water Conservation District and \$200.00 to Howard County Soil and Water Conservation District. Commissioner Lemons seconded the motion.

Texas Hunting Lease

Cont. from pg. 6

Other states are beginning to consider lease hunting as an alternative to traditional agricultural land use. The results of this study may demonstrate that lease hunting on private land is a practical and sensible alternative.

PUBLIC NOTICE

Texas Utilities Electric Company (TU Electric), in accordance with the Public Utility Regulatory Act, publishes this statement of intent to change rates applicable throughout the territory in which it provides electric service. All of its customers and classes of customers will be affected. The proposed rate changes are expected to result in a \$442,353,715, or 10.2 percent, increase in TU Electric's fully adjusted test-year revenues. The increase requested over test-year revenues, adjusted only for those matters specified in Public Utility Commission of Texas Rule of Practice and Procedure 21.22(b), is \$421,536,048, or 9.7 percent. The effective date of the proposed rate changes is February 20, 1990, or as soon thereafter as permitted by law.

A complete copy of the proposed rate changes is on file with the Public Utility Commission of Texas and at each of TU Electric's business offices.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

TU ELECTRIC

LUBBOCK, Friday, January 19, 1990

Disappointment followed by confusion. That's how officials of Lubbock-based Plains Cotton Growers, Inc. characterize cotton producer reactions to the U. S. Department of Agriculture's recent announcement on 1990 deficiency payments.

The disappointment comes from USDA's estimate that the 1990 payment rate will total only 10.5 cents per pound, well below what producers were expecting in light of price ideas voiced by respected market economists, plus the fact that some area lending institutions heretofore had been projecting a payment rate as high as 18 cents.

USDA is prohibited by law from predicting commodity prices. But under the 1985 farm act, the Department has to estimate, before program sign-up, the deficiency payment rate for each of the program crops. And, since the deficiency payment equals the target price minus average farm prices, the first step in estimating the deficiency payment for any year is to estimate the average farm price.

The 1990 target price for cotton is 72.9 cents per pound. So, in effect, the projection of a 10.5-cent deficiency payment is a 1990 farm price projection of 62.4 cents per pound. That compares to the 60.2-cent 1989 average price through November.

USDA's price calculations for 1990, according to Charles Cunningham, Chief of USDA's Production Adjustment Division, were done about mid-December. Considered were market prices at that time, supply-offtake projections and estimated monthly market volumes for the calendar year. The latter two factors haven't changed much since mid-December, say officials of Plains Cotton Growers, Inc., but average spot market prices have declined about two cents. And, if the projections were being made now, Cunningham admits, the current price situation could very well make a difference.

Then there's the confusion that sets in as a farmer tries to figure the amount of his advance payment. The exercise begins with the announced 40 percent of the estimated total, which comes to 4.2 cents per pound. From that he has to take off .515 cents as man-

dated by the Budget Reconciliation Act of 1989. Congress reached that fixed deduction, Cunningham explains, through the back door. Decided first was how much needed to be cut from the agriculture budget, then how much of that figure should come from reduced deficiency payments, and finally how much of the reduction would be charged to each of the program commodities.

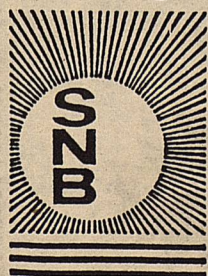

Satisfying the required Budget Reconciliation Act reduction brings the advance payment rate down to 3.685 cents. That's the rate being quoted to producers by Agricultural Stabilization and Conservation Service personnel. And it's the rate that will be applied to a farmer's acreage and yield to determine if his total advance would exceed the statutory \$50,000 payment limitation. But it's not the actual rate anybody will receive.

There's still the Gramm-Rudman-Hollings sequestration to figure in. That's another 1.4 percent of the dollar amount, up to \$50,000, that results from multiplying 3.685 cents times acreage times yield.

So, after all the ciphering is done, advance payment checks will reflect a payment rate of only 3.633 cents per pound.

The 1990 program sign-up for cotton, wheat, corn and grain sorghum began January 16 and runs through April 13.

We're proud to be a part of the area since 1905.
