MARCH 21, 1975

BRACKETTVILLE, TEXAS

STREET PAVING CLOSER

KITTY TALES ?

(The following is reprinted from an old Brackettville newspaper of about 40 years ago.)

Mountain Lion which was killed recently on the Jim Clamp Ranch, near Brackettville.

After finding several of his prize stock killed by this night marauder Mr. Clamp decided to put an end to this unwelcome ranch guest.

Late one night, after finding on of his prize horses, an animal that weighed 900 pounds, slaughtered Mr. Clamp laid a trap for this four-legged prowler of the night, a powerful beast that was able to drag a horse 400 yards from the spot of his kill.

Success greeted the efforts of a well prepared group and this killer of the night fell victim to the shots of the Clamp party.

Measuring 8 1/2 feet, from the end of the nose, to the tip of the tail, and weighing a little over 200 lbs., this particular type lion is a great roamer, and a habitat of Mexico, but his one mistake was a wanderlust that eventually spelled finish to his marauding career.

This lion is on exhibit (in a glass cage) at Dimery's new location on Hwy 90!

CITY HALL

BY: ROLAND WILLIAMS

Word was received by the City, Wednesday morning, from Mr. Finniss Jolly, representing HUD, that the City of Brackettville had been selected to submit an application for the Community Development Grant on Street Paving.

The Mayor and City Secretary are to meet in Mr. Jolly's office in San Antonio, at 1:00 p.m., March 24 to discuss futher requirements.

Although nothing is yet final, the selection of Brackettville to submit an application is very encouraging and the feeling among those who know is that if you were invited to submit a final application it was a good indication that you would be accepted.

It is with high hopes that the project will be followed up as this has been a real community affair and everyones help is greatly appreciated.

APPEAL**

Kinney County's Easter Seal Representative reported today that the 1975 Easter Seal Appeal of the Easter Seal Society for Crippled Children and Adults is going well but urged all citizens who have not responded to the Appeal to do so.

Albert Postell, of the First State Bank, serves as Easter Seal Appeal Treasurer for the County.

The 1975 Easter Seal Appeal will finance the Easter Seal Society Rehabilitation program for crippled children and adults in Texas. Last year the Society helped 20,152 persons through its program of assistance in finding and making effective use of services for the disabled and their families.

The Easter Seal Society helps support 17 treatment facilities in Texas where children and adults not eligible for other assistance are treated. These centers offer physical therapy, medical diagnosis, speech and hearing programs and related services to help the disabled build happier and more useful lives.

The Easter Seal Representative is the person to contact for services from the Easter Seal Society. He can be contacted at 563-2315 and ask for Albert Postell, for the request form to be sent to the Texas Easter Seal Society to determine the needs of the disabled person. The Society will provide the services or will direct the handicapped person to the best resources available to help him.

Contributions to the Easter Seal Appeal should be sent as soon as possible. The Annual Spring Appeal continues through Easter Sunday, March 30.

ALPHA EPSILON PSI

BY: JANE YOUNG.

The Alpha Epsilon Psi Chapter of Beta Sigma Phi met Monday night, March 17, at the Brackettville Country Club. Darlene Shahan was the hostess.

President Peggy Monigold opened the meeting by leading the Chapter in the opening ritual. Darlene Shahan reported that the flower sale had been highly successful and thanked all members for their work in the sale and also voiced appreciation for the interest and support of various Civic, Business, and individual Citizens, whose time and work contributed to the venture's success.

Laura Latham then reported on the plans for the next project --- Friday night's BINGO game to be held at the Civic Center beginning at 7:30 p.m. Several prizes have been donated by various Del Rio and Brackettville businesses and Beta members. Hopefully many people will attend the Bingo Game. The proceeds of the game will go to the Clinic.

Another project, the concession stand at the Heavy Equipment Auction, will be taken on Saturday, March 22. Travis Wilson graciously asked the Chapter if they would like to sell sandwiches, soft drinks, and coffee and keep the profits for the clinic. Being the adventurous souls they are, the Chapter agreed to tackle the job.

After the business meeting, the Chapter selected its slate of officers for the coming year. Taking office May 5th will be Peggy Monigold, President; Laura Latham, Vice-Pres.; Genell Hobbs, Secretary; Darlene Shahan, Treasurer; Paula Ragsdale, Chapter Historian. All except Paula Ragsdale, a new member, were reelected to the posts they have held during the current year.

The program on "Language" was presented by Sheri Foster. The beauties of the differences between the Spanish and English languages was the central theme discussed.

Refreshments were served after the closing ritual. Besides the officers, the meeting was attended by Sheri Foster, Pam McIntosh, Paula Ragsdale, and Marty Miers. The Chapter was pleased to welcome Marty Miersback as an active member of the Chapter.

THANKS

Thanks to the generous people of Brackettville, the Beta Sigma Phi Benefit Flower Sale was a great success. A very special thank you to Reverend Joe Townsend for ordering the lovely plants and for the use of his shop; to Rev. Thomas Lowry for printing the flyers announcing the sale; and to the CAVALRYMAN for the ads in their paper. Without the gracious help provided by the local merchants in allowing us to sell the plants and to advertise the sale in their stores, we would not have sold so many plants. The response of Brackettville's citizens was overwhelming. On behalf of our Clinic, Beta Sigma Phi says----- THANKS A MILLION!

FIREMEN TO LAREDO CONTEST

Gregorio Juarez, Merced Flores, Oscar Ortiz, Kermit Watson will travel to Laredo, Sunday, as our local representatives to compete in the Firemen's Competition of South Texas.
