

## ELECTION RETURNS

### CENTRAL POWER AND LIGHT AIDS LITTLE LEAGUE

MANY INDIVIDUALS AND BUSINESS FIRMS HAVE CONTRIBUTED TO OUR LITTLE LEAGUE!!!

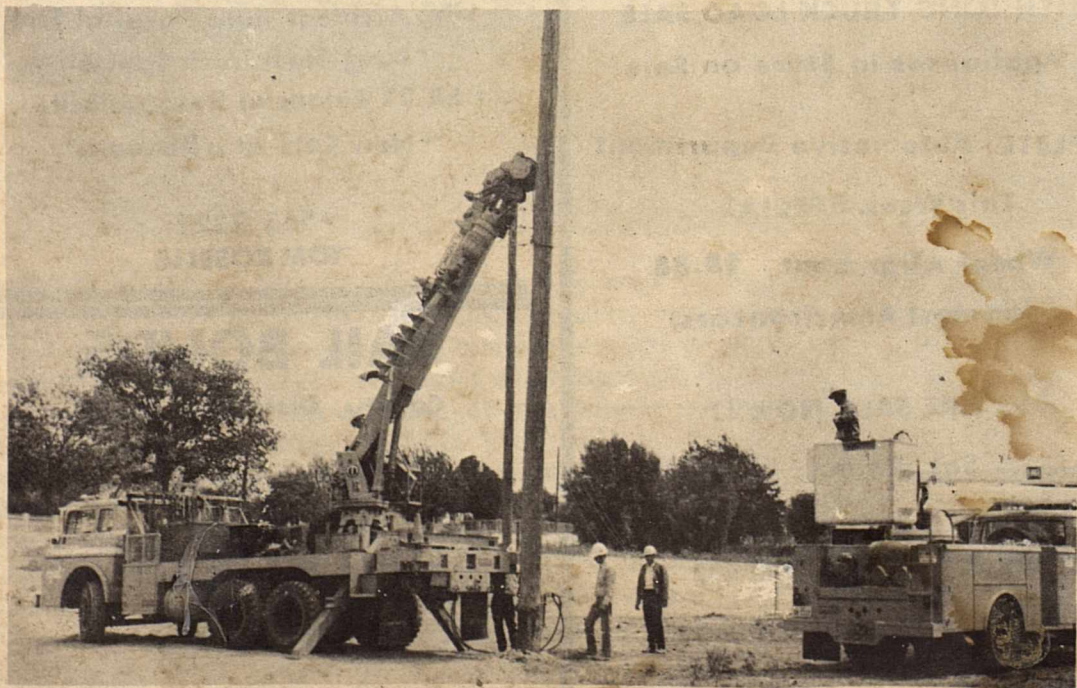

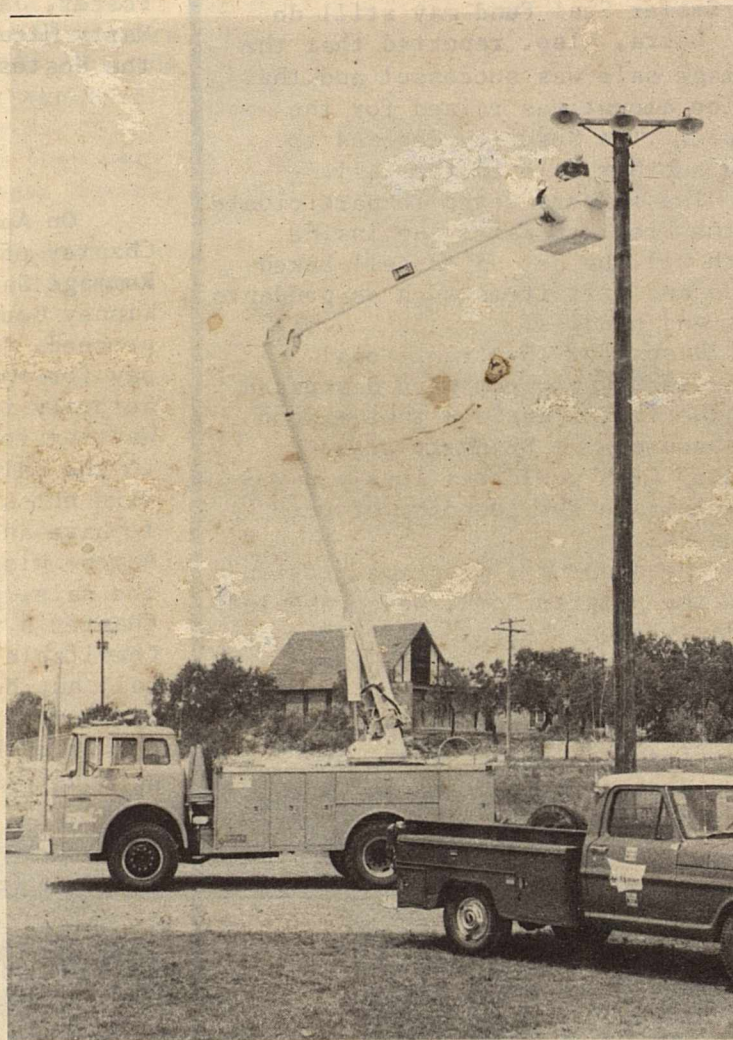

A prime example is the Central Power and Light Company's crew shown here replacing poles and much needed light fixtures on the field..

Our hats are off to CP&L and the other contributors that give our youth recreation facilities such as these.

These men and their company have set a fine example in community leadership. Let's give them our thanks and pitch in and help them.

I feel sure that it wouldn't offend these people or their company for some of us to send in a "letter of Thanks".

**ALPHA EPSILON PSI**

BY: JANE YOUNG

Alpha Epsilon Psi Chapter, Beta Sigma Phi, met for its 17th meeting of the Club year, on the evening of April 7 in the home of Marty Miears.

After the opening ritual, President Peggy Monigold opened the business meeting. Several things were discussed and decided upon, among them, the various ways and means projects, the upcoming State Convention in San Antonio, the Annual Founder's Day Celebration, and the possibility of a Club Social.

Laura Latham, speaking for both the Ways and Means Committee and the Services and Charities Committee, stated that the Easter Seal Bake Sale had been held as planned and the money had been turned over to Albert Postell, the Easter Seal Representative. Any member still wishing to donate to the Easter Seal Fund may still do so. Laura, also, reported that the rummage sale was successful and that a nice amount was raised for the Clinic. The Sorority decided to hold another sale in the fall.

The members voted to participate in the Frontier Fair. An inside booth will be set up to sell baked goods and gift items such as pendants pins and candles.

Plans for the traditional Founders Day program were discussed and the ladies decided that a noon luncheon at the Brackettville Country Club would be a lovely way to celebrate the founding of Beta Sigma Phi.

The evening's program, "Action" from the program book, was presented by Jane Young. All the members took part in the discussion.

After the program and closing ritual, Marty served refreshments of coffee and Cherry Dream Whip Pie. Present at the meeting were Peggy Monigold, Genell Hobbs, Laura

On April 3, 4, and 5, the local Chapter of Beta Sigma Phi held a Rummage Sale on the lawn of the Kinney County Clinic. All of the proceeds from the sale will go to pay for the furniture that the Sorority is buying for the Clinic's Waiting room. Although the response to the sale was good, several items were not sold. The members decided to have another sale in the fall. Anyone wishing to donate items to the sale, proceeds going to the Chapter's various Community and Charitable Projects, is urged to call any Beta member. Once, again the Sorority says Thanks to the People of Brackettville who have so graciously supported our projects.

will continue to classify men in accordance with current Regulations and maintain a "pool" of available manpower for the military as a part of the overall Emergency Preparedness Program of the Nation.

Glantz pointed out that Selective Service has sufficient men registered and classified to continue the First Priority Selection Groups through the end of 1976. The First Priority Selection Group for 1976 will be those men who were born in 1956. These are the men who would be called first should Congress renew the induction authority because of a national emergency.

Glantz expressed his sincere appreciation to the more than 1,600 volunteer registrars who have served without compensation in all communities of Texas. Their willingness to assist in this public service, giving freely of their time, has shown that they have done their best to keep America a strong and free country.

# Ambulance Crew in Action

(Above) Ed Kent, Rosemary Slubar, and Ray Huntley, of the Kinney County Volunteer Ambulance Team administrator first-aid and prepare to load an accident victim into the ambulance. They were accompanied by members of the Val Verde Ambulance Team (who said they performed like experts of many years.)

(Right) Team members in preparation of loading the accident victim into the ambulance.

(Below) The Kinney Ambulance rushes the victim to the Del Rio Hospital AFTER MAKING A U-TURN DUE TO BY-STANDERS' VEHICLES BLOCKING THEIR PATH. ( They were also slowed up on their alternate route by a moving vehicle that would NOT give them the right-of-way.

COMMENTS HEARD AT THE SCENE: "They are over in Del Rio goofing off."  
**FACT:** They were at a Training Session with the Del Rio Ambulance Crew!  
 "They didn't have to take the Ambulance with them," **FACT:** The Ambulance needed a factory defect repaired at Howard Chevrolet, plus the Del Rio people instructed them in some of the proper operation! "It took them 45 minutes to get here." **FACT:** They arrived 21 minutes after being notified. "The Del Rio Ambulance came with them, Ya get none or two."  
**FACT:** The Del Rio Crew came as a courtsey--**THEY SUPPLIED** the bandages which our ambulance did not have! (The supplies came in the next morning.)  
 "Why couldn't the rest of them use the old ambulance?" **FACT:** Mr. and Mrs. Steeley's son was injured in an accident up north--they are with him. Patty Messer had a day-off, she was out of town! **FACT:** There are only 6 Volunteers, they are doing a Hell-of-a-good-job.
