VOLUME 6 NUMBER 18 MAY 11, 1979 BRACKETTVILLE, TEXAS 78840

11th ANNUAL BRACKETTVILLE

Armadillo Races will be presented for the first time, at the Frontier Fair. Races will be held on Saturday. Armadillo Promenade at 1:00 pm and the races start at 2:00 p.m.

Come and see the little "critters" race. Catch your own armadillo and win a prize.

Sam Lewis, of San Angelo, the world famous armadillo man will be here to see that we have the best races, ever. He is well known for his promotion of races all over the the state, some recent dates were the San Angelo Concho Fiesta Days, Fredericksburg and New Braunsfel.

Catch a few extra armadillos and bring them in. Let us rent them. To make this the biggest Armadillo Race, ever, call the Chamber of Commerce for more information.

Fast and fancy six gun artist Tex Hill, will perform at 4:30 pm. Tex has performed as an actor and stuntman in films and has perfected an act of amazing skill with both six guns and knives.

Indian performers, disco dancing, on Friday night and regular dance on Saturday night. Bring the whole family there will be fun for everyone.

FRIENDS OF THE LIBRARY MEETING will be held at the Kinney County Library on May 15th at 5:00 p.m.

Everyone is invited to attend that has interest in the community and in it's Library and finding ways to making others more aware of what the Library has to offer and what the community has to offer the Library.

THE BRACKETTVILLE VOLUNTEER FIRE DEPARTMENT

The Brackett Volunteer Fire Dept. held it's annual Barbeque and election of officers on April 28, 1979 at the Fort Clark Swimming Pool with six new officers elected to office.

The new Fire Chief is Martin Luna; Assistant Chief-Gilbert Sanchez; Lieutenant-Eloy Garcia; Captian-Bill Miears; Secretary/Treasurer-Tim Ward; Chaplan-Don Nance and Fire Marshal-Charles Koch.

The Department held their regular meeting last Wednesday at 8:00 p.m. at the Brackett Firestation.

BETA SIGMA PHI PLANT SALE

Brackettville's Beta Sigma Phi will hold their Annual "Plant Sidewalk Sale" at the B&S Supermart Parking Lot on Saturday, May 12th, from 10:00 to 5:00 p.m.

This will be a fund raising project for the Sorority. Every year the girls hold this event to help raise money for their many worthy campaigns.

FORMER RESIDENT HONORED

At the Founder's Day Banquet on April 30, 1979, Shirley Hadsell received the "Girl of the Year" award for the Beta Sigma Phi Sorority in Marfa, Texas.

Shirley has served as recording Secretary, on the Social Committee, on the Publicity Committee, as Yard-Stick Chairman, Valentine Dance Chairman, and is the 1979 Christmas Dance Chairman for the Sorority.

The award is presented to the outstanding sorority member each year.

PUBLIC HEARING ON SOLID WASTE LANDFILL

In keeping with provisions of the "Solid Waste Disposal Act", Article 4477-7, Vernon's Texas Civil Statutes, a public hearing will be held by the Texas Department of Health on MAY 17th, 1979, at 10:00 a.m. on the application for a permit by the City of Brackettville for a municipal solid waste landfill. The hearing will be held in the Civic Center in Brackettville. The facility involved as a proposed 7.5-acre Type II landfill to be located south of Brackettville 400 feet east of State Highway 131 and 1 3/4 miles south of US Highway 90.

Municipal solid waste facilities throught Texas are under the jurisdiction of the Texas Department of Health and are required to be operated in accordance with the Department "Municipal Solid Waste Management Regulations". The Department's jurisdiction included the collection, handling and storage of solid waste and disposal by energy and material recovery, sanitary landfill, composting or other approved methods.

To assure that all municipal solid waste sites are located and operated in such a manner as to minimize potential hazards to the health, welfare and physical property of the people and the environment, each disposal facility in Texas is required to be evaluated by the Department of Health prior to receiving a permit.

PUBLIC HEARING ON SOLID WASTE
LANDFILL

Continued from Page 1
ing a permit. The last is appli-
able to municipally-owned as
well as privately owned solid
waste sites. Each applicant for
a permit for a solid waste
facility in Texas--and there
are approximately 1,200 such
facilities--is required to sub-
mit supporting data and/or a
design of the facility as a
basic part of the application
for a permit. All information
concerning the facility. as well
as copies of the Department re-
gulations, will be present dur-
ing the public hearing and be
be available for review by all
interested parties.

The public hearing is an
important part of the Department
evaluation process prior to
making a determination on whet-
her or not a permit should be
issued. The purpose of the hear-
ing is to insure that all in-
terested parties have full know-
ledge about a solid waste dis-
posal facility and that they
are provided an opportunity to
present testimony relating to
the facility. The permit appli-
cant, or a representative of
the applicant, will be present
to answer questions.

Public hearings on municipal
solid waste facilities are con-
ducted in accordance with the
"Administrative Procedure and
Texas Register Act", Article
6252-13a, a Texas Revised Civil
Statutes, according to Mr. Jack
C. Carmicheal, P.E., Director
of the Division of Solid Waste
Management, Texas Department
of Health. The hearings are con-
ducted by an attorney from the

Department. Although a hearing
is an open meeting, it is a for-
mal meeting and all testimony
is under oath. Anyone may ap-
pear to testify with or without
an attorney, said Mr. Carmicheal
but all evidence submitted must
be legally admissable (as opposed
to hearsay) if such evidence is
to be used as a basis for decision
by the Department.

Copies of the complete appli-
cation and supporting documents
are available for review by any
interested party at the Division
of Solid Waste Management, Texas

SHEEP & GOAT
RAISERS NEWS

The Texas Sheep and Goat Raiser
Associaiton's annual meeting in
San Angelo will offer several
special features that should
attract considerable interest.

Leading the schedule of events
will be an industry trade show.
and a seminar by Rhodesiam range
specialist Allan Savory. Both
will kick off the three day
event running Thursday through
Saturday, July 19-21.

TS&GRA's Women's Auxiliary
will hold an art show and
coffee from 10 a.m. to 5 p.m.
Friday at the Association off-
ice. Artists actively invol-
ved in the wool and mohair in-
dustry or whose work is re-
presentative of the sheep and
goat raising area have been
invited to attend.

Also in the Auxiliary sche-
dule is a Saturday morning
program on copper enameling
by San Angelo area artisan

Sharon Templeton with assis-
tance by Betty Templeton and
Nancy Hall. Another auxiliary
function will be a showing by
San Angelo hand weaver Debbie
Daniell, who not only works
entirely in such natural fibers
as wool and mohair, but fol-
lows through with her fabrics
by incorporating them into de-
signer fashions. Her finished
products are distributed thro-
ugh such large markets as the
Dallas Apparel Mart.

The trade show opens briefly
from Five to Seven p.m. Thursday
and then runs through Friday and Saturday.

Savroy's seminar, concentrating
on the "hub" system of rotation graz-
ing, will start with a lecture session
beginning at 7 p.m. Thursday in the
San angelo Convention Center. On
Friday morning a seven-member panel
representing the Bureau of Land
Mangement, U.S. Forest Service, Soil
Conservation Service, Texas Extension
ans Experiment systems and private
livestock producers will respond to
the "hub" program. There will be a
small registration fee for the Savory
program.

The TS&GRA meeting proper begins
with registration from 10 to 4:30 p.m
Friday, followed by the committee
meetings that afternoon.

A reception and western dance
are scheduled at the Holiday Inn
Friday evening.

The Association business session
will run all day Saturday, followed
by a reception and the annual awards
banquet.

Present Day Myths

by: JOE TOWNSEND

How mythical Mr. Carter's campaign pledge to appoint to office only the most qualified with no political consideration.

Now comes his appointment of Mrs. Robb, nee Johnson, to head up his womens' advisory committee. This calls into question what he considers as qualifications. With little real life experience it seems incongruous that she would be able to coordinate the thoughts and actions of the women on the committee. However with his wife Roslyn as such an outspoken advisor perhaps he doesn't need the help of the committee. In further consideration, since the primary goal of the committee is to pass th ERA, maybe there's just nothing expected from the committee. There's little

speed to be gained by beating a dead horse. Any to say the least L.B. J.'s daughter will do less harm and create less havoc than her predecesor, Mr.s Abzug. Besides all that the new appointment should sit well with the liberal wing of the party and could possibly mean more notes when the time comes. I suppose these are qualifications enough.

The Beta Sigma Phi of this area, including the Del Rio Council, selected Mrs. Arlean Riley as "Girl of the Year" for 1979. She was recognized as such as the Sororities Met in Del Rio. In consideration of her offices held in the Sorority in Brackettville and on the City Council in Del Rio, she was honored by the selection. Also as a part of the reason for this choice was her outstanding work in Postal Service, as Secretary of Chamber of Commerce in Brackettville as well as her many activities in Community betterment services both in Del Rio and Brackettville

GREEN THUMBS

by; Joe Townsend

There are a good many problems developing in ash trees. In many the leaves, particularly the young and new ones, are curling under and drawing up. This is caused by insects on the under side of the leaves. In many trees many of the leaves are turning crisp and brown around the edges. This is caused by a fungus and a soil deficiency. Some trees are sparsely leafed and yellow. This too is result of a lack of proper nutrients for the trees. For insects the best treatment is spraying with an insecticide. You can add a foliar feed to the mixture and a fungicide and take care of all three problems at one time. Any good Nurserman can recommend products to meet your need. The main thing is - "Don't Delay".

DROP COOKIES WITH HONEY

- 3 c sifted flour
- 3 tsp. baking powder
- 1/4 tsp. cinnamon
- 1/4 cup chopped almonds
- 1/2 cup chopped citron
- 1/2 cup butter or margarine
- 1 cup honey
- 2 egg yolks, well beaten
- 1 tsp. vanilla
- 1/2 cup sugar

Sift together flour, baking powder, salt and cinnamon; stir in almonds and citron. Cream butter beat in sugar and honey. Add egg yolks and vanilla. Gradually stir in flour-nut-fruit mixture. Drop batter from teaspoon on greased baking sheet and bake at 350 to 375 degrees for 10 to 12 minutes. Substitute pecans for almonds if desired. Makes seven dozen cookies.

Charles Foust, FFA sponsor, stated Monday that "We had a good rodeo!"

Staff members Maria Lopez and Darnette Goodloe with Ray Smallwood, one of our advertisers.

BONNIE JONES RECEIVES SPECIAL AWARD

Bonnie Jones was awarded the Life Membership Award by the local PTA chapter. In presenting the award, Mr. Koch listed the varied talents and abilities which Mrs. Jones had used to help the PTA throughout the last several years.

Second Grade Play

Mrs. Veltman's second grade reading class started Tuesdays meeting with a play, "The King and the Cook".

The cast included: Hector Cruz as King Percival; Robert Estrada as Jolly Joe the cook; Betsy Garcia as Princess Alice; Emilio Perez as the page boy; Jeanette Avila as the maid; Yvette Buantello as Lord High; Veronica Campos as the narrator and Gloria Baldera introduced the play and cast. After the play the audience selected the two best actors. Robert Estrada and Betsy Garcia took the special honors. Choosing the best performers was difficult for the audience because everyone did very well.

Mr Reyes' art students helped make the sets and the high school home economics classes made the costumes.

The new PTA officers were installed by outgoing president Tulisha Wardlaw. New officers for the local PTA chapter are: Nancy Frerich, Gaylin Frerich, Sandy Herman, Ernestine Wilson and Sylvia Meyer.

BETWEEN US

By: Joe Townsend

The other day I drove up to London and on to San Antonio and back home. As I drove along I was enraptured by the myriads of wild flowers in bloom. I counted 63 different kinds of flowers in bloom. They accounted for almost every color of the spectrum. They were from single specimens to blankets in the pastures. They ranged in size from the smallest ground flower to the massive Spanish dagger. They were everywhere along the way. It was a joyful experience

to see them and fascinating to count them. Man has truly developed some very beautiful flowers but its impossible to beat God's panoply of spring flowers in this particular section of His world. Calls to mind a plaque given me at Christmas, "This is God's garden we just work here".
