Borden County Senior Receives Scholarship

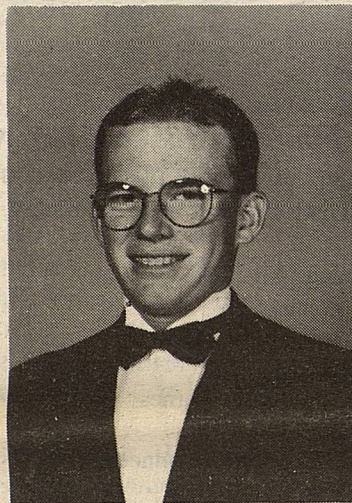

Doug Flanigan a senior at Borden County High School has been selected the 1995 recipient of the \$1,000.00 Wal-Mart Foundation Community Scholarship, according to Gary Tibbets, store manager in Lamesa. The scholarship is awarded each spring by Wal-Mart to an area college or university bound high school student and is payable over a one year period.

Doug, is the son of Nancy Flanigan of Post.

In making the announcement, Tibbets said,

"It is with great pleasure that we announce Doug Flanigan as the winner of this year's scholarship. It was a difficult decision for our team of well-qualified local judges who had to select from many outstanding students."

Tibbets said selection of the scholarship recipient is based primarily on academic performance, involvement in the school and community, and financial need. Doug has been active in athletics, UIL competitions, and FFA.

Scholarship alternates by the panel are Karan Lee Roberts, of Klondike High School and Michael Barboza of Lamesa High School.

The Lamesa Wal-Mart Foundation Community Scholarship is one of over 2000 scholarships totaling \$2.0 million being given by the Bentonville based retail chain's 49 stores trade territory.

State Bound!

The Gail FFA Livestock Team placed 3rd at Texas Tech and 2nd in Area II. Kembra Kemp received the 2nd place overall individual award. The team will travel to the State Contest at Texas A & M.

TxDOT says it's OK to pick the Bluebonnets

Each Texas springtime brings flowers to fields and roadsides and a question to the minds of nature lovers - - is it really illegal to pick bluebonnets?

The answer is no - - there is no law against picking our State Flower. However, there are laws against criminal trespass - - so make sure you're not on private property when you stop to take your annual kids-in-the-bluebonnets photo.

There are laws against damaging or destroying rights-of-way and government property - - so pick a few flowers, but don't dig up clumps of them and don't drive your vehicle

into the midst of them. Remember, Mother Nature and in many cases, your fellow Texans, scattered wildflower seeds along medians and roadways so that everyone could enjoy spring flowers.

For the safety of yourself and others, as well as to limit your ticketability:

There are laws against impeding traffic - - so be careful about slowing down to enjoy the view. Pick areas with light traffic conditions for stopping.

Signal before leaving or entering the roadway.

Park off of the roadway (off of improved shoulders), parallel to the

District Track Meet Held on New Facilities

For the first time in many years, Borden County ISD again held the High School District Track Meet, April 13th. Twelve area schools traveled to Gail to participate in this meet on the all new track. Coaches and athletes alike complemented Borden County on the track facilities that not only look good but also gave everyone an opportunity to perform good.

Mr. Johnny Tubb, superintendent at Grady, was the announcer. He along with Jerry King, from Cleveland Athletics, kept the meet going at a steady pace until it ended later in the evening.

The Borden Co. High School Girls placed second in the meet with 118 points and the Sands Lady Stangs were first with 155 total points. However, the Lady Coyotes placed first or second in nine different events. They will be well represented at the Region 2 track meet as the first and second place qualifiers will run in Abilene on April 28th & 29 at ACU.

The Mile Relay placed second at the district meet and qualified for regional, despite running the slowest time of the year. These girls were tired and out of gas by the time this event rolled around, but they still ran a 4:45 relay. Sandy Brummett, Shelby Isaacs, Bobbie Armstrong and Jill Voss ran on the relay. Shalina Reyes and Reagan Smith were the alternates.

The 800m. Relay placed 5th with a time of 2:14.83. Running on this relay was Shalina Reyes, Bobbie Armstrong, Reagan Smith and Nicole Lawrence.

Lady Coyotes Golf Team DISTRICT CHAMPS

The Borden County Lady Coyotes may have changed districts in golf, but they did not change the results. For the second straight year, not only did the Lady Coyotes come away with the district championship but also the runner-up position. Two teams qualified for the Region Golf Tournament. This year these young ladies will travel to Abilene April 23-25 to play at the Maxwell Golf Course.

The competition was much tougher this year as was the golf course. The course had a lot of out of bonds and water. The Lady Coyotes "A" team shot 64 strokes better than last year for a 496 total. The Lady Coyotes "B" team shot 71 strokes better than last year to just beat the Trend lady Gorillas by 2 strokes 522-524.

BHS Boys Place 5th In District

The Borden County boys golf team found the Sweetwater Lake Course a little tougher than they would have liked as the Coyotes finished 5th place in the District 13-A golf tournament. The scored below will illustrate just how tough this golf course was as only eleven golfers managed to break

Haley Roe was the highest individual as she placed 3rd. for a bronze medal. The top seven girls were named All-District this year they are as follows: Haley Roe, Maggie Flanigan 4th. Carrie Hart 5th. Meg Parks 5th, and Dodi Smith 7th. Dodi dropped 50 strokes from her last year's district total.

Gail FFA Judging Teams - Tough Enough

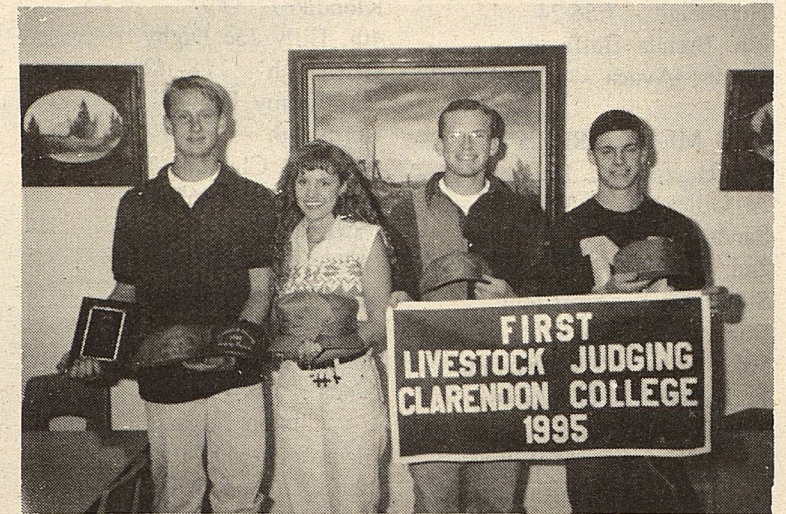

The Gail FFA Judging teams have yet again proved to be some of the best teams in the area. Not only their judging capabilities but also in stamina. Along with all the judging contests the students have participated in UIL, tennis, and track, some times on the same day. Students have been shipped from one end of the state to another to be able to participate in these events, and have been able not only to show up, but to excel in what they do.

On March 31, teams traveled to West Texas A & M in Canyon. The Livestock team won 3rd in a field of 62 teams. Team members are: Doug Flanigan-2nd high overall; Kurt Hess-5th high overall; Kembra Kemp and Grant Key.

The Dairy cattle team also participated. Although half of the team was in Snyder participating UIL the team did fairly well, with some help from some of members of the poultry team. Team members were; Nicole Lawrence, Laura Hensley, Krista Condit and Miguel Hernandez.

Bobbie Armstrong and Reagan Smith participated in the Meats contest at Canyon also.

The Horse Team judged for their first time at Canyon. The all freshman team consists of: Tammy Cooley, Tera Stamper, Shalena Reyes, Clint

The FFA Chapter Livestock Team placed 1st at Clarendon. L-R: Kurt Hess-1st high overall, Kembra Kemp-4th high overall, Doug Flanigan and Grant Key.

Cowart and Randi Farmer.

That night a new shipment of students was sent to Amarillo from the UIL meet in Snyder to be able to judge the next day at Clarendon. A great big thanks goes out to Mrs. Mayes and Mrs. Avery for transporting the students.

April 1st the chapter turned out not to be the fool as all the teams did very well. The Livestock team places 1st from a field of 71 teams. Team members are: Kurt Hess-1st high overall; Kembra Kemp-4th high overall; Grant Key and Doug Flanigan.

The Poultry team

placed 5th from a field of 22 teams. Team members are: Miguel Hernandez, Krista Condit, Clint Miller and Meg Parks. Michelle Rowe and Josh Hobson were alternates.

The Wool team placed 5th from a field of 11 teams. The team members are: Dodi Smith, Kerry Zachery, Peter Benavediz and Haley Roe.

The Chapter would again like to thank everyone from parents to coaches to teachers for allowing the students to be able to participate in these contests.

Texas State Police Olympics Garza County Sheriff's Department

On June 5th-9th, Deputies Bobby Dean, Mo Herridge and Sheriff Kenny Radke will compete in the Texas State Police Olympics. Held annually at different Texas locations, this competition will be held on South Padre Island. Each year, thousands of law enforcement officers from throughout the state compete in hundreds of events, including basic self-defense, track and field, bowling, power lifting, golf, "Iron Cop", K-9 events and many more.

Last year Garza County Sheriff's Department Team of Mo Herridge, Cliff Laws and Kenny Radke competed well bringing home 4 medals, (3 gold, 1 bronze), and a 4th. place. According to Herridge, that is quite an accomplishment for a small team from a small department. "We

compete against big city departments like Houston and Dallas, and some of them send a hundred or more people to compete."

Herridge explained that they competed well because they worked hard. "This year, Kenny and I are bowling about 3-4 hours a week, and Bobby and I are lifting about 10 hours a week. We're putting a lot of time, effort and money

into doing this."

According to Herridge, it will cost around \$2000 for them to compete in the State Police Olympics this year. "We don't know exactly, because we don't know what the entry fees for individual events will be just yet. Plus, there will be the cost of any special equipment we are required to have to compete." He also explained that the cost to cover competing in the National Police Olympics, for those who qualify, is not included.

This year's team isn't competing in the K-9 events, but next year's will. "The department is getting a law enforcement dog this year, but we won't have him very long before the Olympics," said Herridge. "But, next year we'll be ready. Deputy (Memo) Ortiz will be handling the

dog, and he'll start working with him the minute he arrives."

For more information about the competition or to support the Garza County Sheriff's Department team, write to Garza County Sheriff's Department/Police Olympics, Law Enforcement Annex Building, Post, Texas 79356.

Consolidated Farm Service Agency
Borden County CFSA Office**

ELIGIBILITY

The United States Department of Agriculture (USDA) prohibits discrimination in its programs on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, and marital or familial status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (braille, large print, audio tape, etc.) should contact the USDA, office of Communications at 202-720-5881 (voice) or 202-720-7808 (TDD). To file a complaint, write the Secretary of Agriculture, U.S. Department of Agriculture, Washington, DC 20250, or call 202-720-7327 (voice) or 202-720-1127 (TDD). USDA is an equal employment opportunity employer.

1995 ARP PROGRAM SIGNUP

The signup for the 1995 Acreage Reduction Program (ARP) ends APRIL 28, 1995. For 1995, the ACR (setaside) requirement for all crops in Borden County is zero. This does not mean that you can plant all the acres that you want. Each participating crop will have a maximum planted acreage. Advance payments may be requested at the time of signup. All other signatures must be received in this office by May 12, 1995.

SIGNUP AUTHORITY FOR SPOUSES

A husband and wife can sign documents on behalf of each other for CFSA and CCC programs in which either has an interest, unless written notification denying a spouse this authority has been provided to the county office. Spouses cannot sign on behalf of each other for powers of attorney (ASCS 211 or ASCS 211-1). Spouses must have a power of attorney on file or sign personally for WRP easements, CRP easements, or claim settlements.

FALL SEEDED CROP CERTIFICATION

Friday, April 28, 1995, is the final date to certify all fall seeded crops (wheat, oats, barley, rye, triticale) regardless of the use. Producers must certify all fall seeded crops for any of the following: a). Small grains intended as grain for harvest. b) Small grains as cover crops on acres that will be used as ACR or CU, including volunteer stands, and small grain cover already shredded or hayed. c). Small grains for grazing. d). Zero acreage report if you have a base for wheat, oats or barley and the crop isn't planted for harvest.

MEASUREMENT SERVICE

You may request for this office to measure small grains for harvest, CU with a small grain cover, or small grain grazed out, for a nominal fee. This request must be made and paid for prior to April 28, 1995.

SMALL GRAINS LEFT STANDING

Producers choosing not to destroy their small grain cover have until April 18, 1995 to file a request to leave the crop standing and undisturbed. All acreage of small grains for cover must have a \$10.00 fee filed if you wish to leave it standing.

LIVESTOCK FEED

Borden County has been approved for the livestock feed program. This period will run for 90 days, if conditions warrant. Applications for the new feeding period are being accepted now for producers who have suffered at least a 40 percent feed loss and derive at least 10 percent of their gross annual income from the sale of livestock, feed grains, and CRP annual rental payments. Eligibility for feed assistance begins when the application is signed.

NEW RULE FOR FAILED ACRES FOR 1995

For 1995, if wheat is failed it must be appraised. If the wheat is appraised over 4 bushels per acre, it will not be considered failed. It will be a low yield, and if you plant another crop, such as cotton, on the failed acres they will be considered cotton and not ghost acres. If the wheat crop is appraised at 4.0 bushels per acre or less, it may be approved as failed. The producer would be eligible to (1) plant a "ghost" crop on the acres, and (2) designate the acres as a failed crop for deficiency payment.

IMPORTANT DATES TO REMEMBER

- April 28 Final date to certify small grains (This is a change from 1994 CERTIFICATION DATE)
- April 28 Final date to sign-up for the 1995 ARP program
- April 28 Final date to report crop acreage for FCIC

Abilene Reporter News

area has turned yesterday's news into environmental excellence today.

The Big Country RC&D, headquartered here, has been recognized as one of 62 finalists for a Governor's Award for Environmental Excellence in conjunction with "Clean Texas 2000."

Finalist were chosen

SWEETWATER -- The Big Country Resource Conservation and Development

from more than 350 applicants across the state - - from as small as Shamrock and Panhandle to as large as Houston.

The RC&D was selected for its use of recycled newspaper pellets on farmland. The field work, in conjunction with Auburn University research, spread the pellets on cropland in Mitchell, Scurry and Garza counties.

Jimmy Apel, executive director of the RC&D, said the pellets helped prevent erosion of the land. Also, plots treated with the pellets -- in comparison with untreated -- showed higher yields.

From the 62 finalists, 12 winners will be recognized by Gov. George W. Bush at an awards ceremony in Austin on May 11.
