Faced with familiar situation, Coyotes aim at similar results

by Dwight Heins
Lamesa Press Reporter
by Shawn Lepard
Big Spring Herald

Every new season begins new faces for football coaches. The victories a coach can achieve with those new faces is generally the factor that will make or break his career.

Borden County head football coach Bobby Avery knows that seniors graduate and what it takes to replace them. Avery has been successful in the last few years at bringing new, unproved players to varsity and making them into winners.

The 1995 season for the Coyotes looks to be a year that many would consider a rebuilding year, but Avery sees it as a year to reload.

"Anything that happens good is great when you're dealing with as young a ball club as we've got this season," said Avery. "We realize we're going to make some mistakes along the way but it's going to be a lot of fun to see just what we can get accomplished."

"Our seniors will be missed," said Avery. "They were all pretty good ball players. We mixed some younger players in last year that provided them some experience at a

higher level. That experience will help out those players this year."

COACHES: Head Coach Bobby Avery enters his fifth year in Gail with a 29-12-3 record and a 59-44-4 record overall. His assistant coaches include Trey Richey, from McMurry and Bob Dyess, from E.N.M.U.

OFFENSE: The Coyotes look to continue with their traditionally

strong running game out of the unbalanced I formation. At quarterback look to find stiff competition between junior Grant Key and freshman Colt McCook.

"The McCook kid's probably got a little better throwing arm than the junior (Key) but Grant's got a little more varsity experience," said Avery.

Avery has decided to rotate the two at the position

cont. to pg. 7

BORDEN COUNTY COYOTES -- Members of the 1995 Borden County Coyote football team are (front from left) Ronnie Rivera, Ronny Gutierrez, James Nance, Clint Cowart, Clint Scott, Peter Benavidez, (middle) Preston Sharp, Fernando Baeza, Ryan Grant, Colt Miller, John Brummett, Clell Knight, Grant Key, (back) Coach Trey Richey, Jason Scott, Oscar Baeza, James Green, Colt McCook, Jeff Dennis, Josh Hobson, Chris Harrison, Roy Clayton, Coach Bobby Avery and Coach Bob Dyess.

Basic EMT Classes To Begin

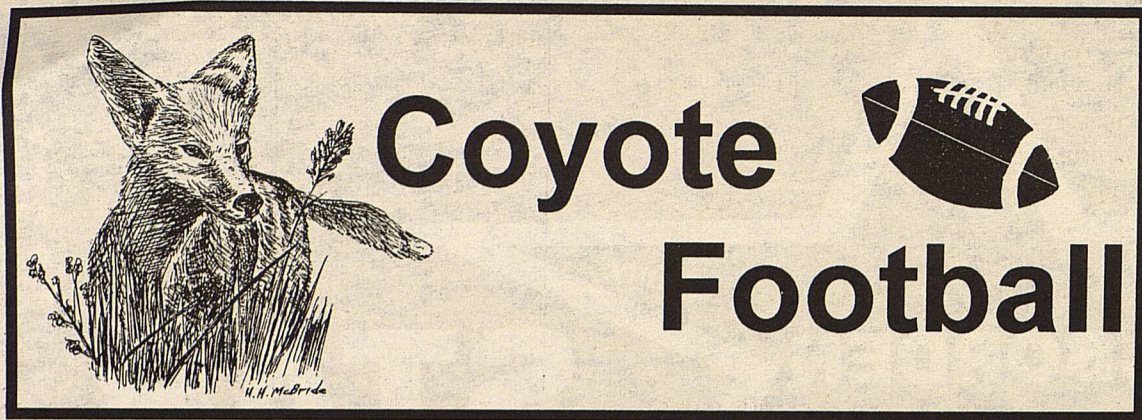

Register, Tuesday, September 12,
for the Basic EMT Classes.

No Pre-registration necessary.

Text Books will be available that night.

Classes will meet in the Borden
County I.S.D. Conference Room
at 6:00 p.m.

**The Borden County EMS
is in need of new recruits!**

Coyotes Travel to Bulldog Country

The Borden County Coyote high school football team traveled to Ira, Thursday, August 31, for their second scrimmage of the season.

The Coyotes took the ball first and moved it pretty well against the Bulldog defense, but were unable to end those good drives with touchdowns. The running and blocking ability of the Baeza

brothers, Oscar and Fernando, and Grant Key looked really good. However, it seemed that the Coyote offense got tripped up when things were going too well.

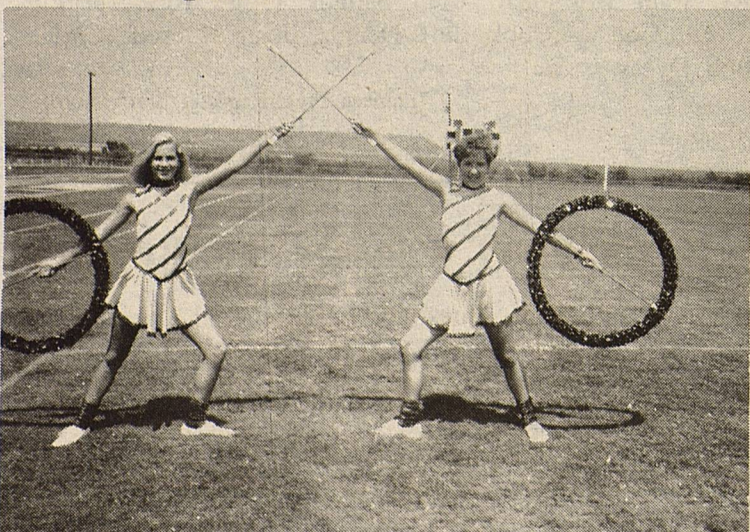

The Bulldogs took the ball next for 15 plays and they found the defense twice. Ira scored one more time in their second 15 plays to make the varsity score 3-0 in

touchdowns. Defensive standouts were John Brummett, Roy Clayton, Chris Harrison, Grant Key, Oscar Baeza, Fernando Baeza, Colt McCook and Ryan Grant.

The only touchdown of the evening by the Coyotes was a 40 yard run by Clint Scott. He followed blocks laid by Ryan Grant and Jeff Dennis to get around the end and down the side line to the end zone.

Junior High Cheerleading Team: (From bottom: ERICA SCHOOLER 8th. grade; KRYSTLE LEE 7th. grade; HOLLY THOMAS 7th grade; and KACI POOLE 8th grade.

Junior High Twirlers for 1995-96: (L. to R.) STACI O'BRIEN 8th. grade and HAILEY ADCOCK 8th grade.

- REWARD -

There will be a reward for information leading to the apprehension and conviction of person or persons who defaced the Borden County football field.

Identity of the person offering this information will be strictly confidential.

Necessary News From the Nurse!

By Kim Thomas, RN.

Reye's Syndrome

Reye's Syndrome is a very serious disease that you should know about. Some people develop Reye's Syndrome as they are getting over a viral illness, such as the flu or chicken pox. Reye's Syndrome usually affects people from infancy through young adulthood; however, no age group is immune. Although Reye's generally occurs when someone is recovering from a viral illness, it can develop 3 to 5 days after the onset of the illness. Its main targets are the liver and brain, it is non-contagious, and too often it is mis-diagnosed as encephalitis, meningitis, diabetes, poisoning, drug overdose or sudden infant death.

Early diagnosis is crucial. An individual should be watched during the next two to three weeks following a viral illness for these symptoms, usually occurring in this order:

***Relentless or continuous vomiting**

***Listlessness** (loss of pep and energy with little interest in their environment)

***Drowsiness** (excessive sleepiness)

***Personality change** (such as irritability, slurred speech, sensitivity to touch)

***Disorientation or confusion** (unable to identify

whereabouts, family members or answer questions)

***Combativeness** (striking out at those trying to help)

***Delirium, convulsions or loss of consciousness**

Reye's Syndrome should be suspected in anyone who vomits repeatedly. Phone your doctor immediately if these symptoms develop. Voice your concern about Reye's Syndrome. If your physician is unavailable, take the person to an Emergency Room promptly. Two liver function tests (SGOT, SGPT) can be done to determine the possibility of Reye's Syndrome. There is a 90% chance of recovery when the syndrome is treated in its earliest stages by physicians and nurses experienced in the treatment of Reye's.

Studies have shown that using aspirin or aspirin-containing medications to treat the symptoms of viral illnesses increases the chance of developing Reye's Syndrome. If you or a member of your family have a viral illness, **do not use aspirin or aspirin-containing medications.** In fact, you should consult your physician before you take any drugs to treat the flu or chicken pox, particularly aspirin or anti-nausea medicines. Anti-nausea medicines may mask the symptoms of Reye's Syndrome.

The National Reye's Syndrome Foundation (NRSF), the U.S. Surgeon General, the Food and Drug Administration, and the Centers for Disease Control recommend that aspirin and combination products containing aspirin not be taken by anyone under 19 years of age during fever-causing illness-

es.

Aspirin is part of the salicylate family of medicines. Another name for aspirin is acetylsalicylate; some drug labels may use the words acetylsalicylate, acetylsalicylic acid, salicylic acid or salicylate instead of the word aspirin. Currently, there is no conclusive data as to whether other forms of salicylates are associated with the development of Reye's Syndrome. Until further research has answered this question, NRSF recommends that products containing any of these substances should not be taken during episodes of viral infections.

The NRSF is a non-profit, tax-exempt organization with affiliates located in 44 states. The NRSF has pioneered the movement to disseminate knowledge about the disease in an effort to aid in early diagnosis and also provides funds for research into the causes, cure, care, treatment and prevention of Reye's Syndrome

Fazio and Murtha To Attend Stenholm FUNDay

Congressman Charlie Stenholm announced that two United States Congressmen will be visiting the 17th District in early September. Vic Fazio and John Murtha will both attend the upcoming FUNDay, which will be held September 9 at the Ericksdahl picnic grounds near Stamford. Stenholm also announced that State Representative Rob Junell of San Angelo will serve as Master of Ceremonies for the festivities.

Congressman Vic Fazio, who chairs the House Democratic Caucus, represents Northern California's large 3rd Congressional District, which includes the agriculturally rich Sacramento Valley. Fazio was appointed to the Appropriations Committee in 1980 and serves on the Legislative and the Energy and Water Development subcommittees. He also serves as the Ranking Democrat on the House Oversight Committee.

Congressman John Murtha, former Chairman and now Ranking Democrat

LVNAT Division 18 Convention Information

Licensed Vocational Nurses Association of Lubbock, Texas, Division 18 will meet Sept. 11, 1995 from 7:00 p.m. to 9:00 p.m. The meeting will be held at St. Mary's Hospital, Arnett Room.

Featured speaker for September will be Mike Davis, RRT associated with OxyCare Home Health in Lubbock, Texas. He will speak on "Innovations in Home Medical Equipment".

The yearly convention "Healing Hands Through the Life Cycle" will be

of the House Appropriations Subcommittee on National Security, represents the 12th Congressional District of Pennsylvania. Murtha has played a key role in rebuilding the nation's armed forces by working to ensure that men and women in uniform are the world's best trained and best equipped. This has enabled them to have access to weapons that have the technological superiority to multiply the power of U.S. forces.

State Representative Rob Junell, who will serve as Master of Ceremonies for the festivities, serves the 72nd District, which includes San Angelo. He chairs the House Appropriations Committee and played a pivotal role during the recent session of the Texas Legislature. Calling him "a star in the House," *Texas Monthly* magazine recently named Junell one of the ten best legislators.

For more information about FUNDay, contact the Stenholm campaign office at 1-800-391-0704.

held October 12th through the 15th, 1995, in Corpus Christi. The Marriot Bayfront Hotel will be hosting the convention. The Hotel is located at 900 N. Shoreline Blvd. all reservations must be made directly with the hotel. In order to obtain special rates, you must indicate the rate and that you are attending LVNAT spring Seminar when making your

reservations. Check in time is 3:00 p.m. and check out time is 12:00 noon. Reservations must be made by September 19, 1995, after which rooms are subject to availability. Room rate is \$85.00 single/double occupancy. One night's deposit or a credit card number will be required to guarantee your reservation. RESERVATIONS CAN BE MADE BY CALLING (512) 887-1600 OR 1-800-874-4585. Registration for the convention may be made through the home office: LVNAT Headquarters, 1033 La Posada Dr., Ste. 220. Austin, Texas, 78752-3880. Phone Number (512)454-6942, FAX number (512)454-3036.

The President urges all Division 18 nurses to attend. At least 10 CE hours can be earned by attending the convention.

Division 18, Lubbock, urges all nurses to attend meetings, seminars, and conventions to earn their continuing education hours.

RULE 37 CASE NO. 0209755

DATE OF ISSUANCE: August 23, 1995

NOTICE OF APPLICATION

NOTICE IS HEREBY GIVEN that the Applicant, Phillips Petroleum Company, 4001 Penbrook Street, Odessa, TX. 79762, has made application for a spacing exception permit under the provisions of Railroad Commission Statewide Rule 37 (16 Tex. Admin. Code Section 3.37). Applicant seeks exception to the distance between wells requirement to amended sidetrack Well No. 7. Boedeker Lease, 644.8 ac. Section 38, Block 25, H & TC RR Co./H. Haller Survey, A-928, Hobo (Pennsylvania) Field (s), Borden County, being 20 miles in a southeast direction from Gail, Texas. The location of this well is as follows:

SHL: 2012' from the south line and 1980' from the west line of lease.
2012' from the south line and 1980' from the west line of survey.
BHL: 1435' from the south line and 1700' from the west line of lease.
1435' from the south line and 1700' from the west line of survey.

Field Rules for the Hobo (Pennsylvania) field are 467/1200, 40 acres.
This well is to be drilled to an approximate depth of 7058 feet.

PURSUANT TO THE TERMS of Rule 37 (h) (2) (A), this application may be granted administratively if no protest to the application is received. An affected person is entitled to protest this application. Affected persons include owners of record and the operator or lessees of record of adjacent tracts and tracts nearer to the proposed well than the minimum lease line spacing distance. If a hearing is called, the applicant has the burden to prove the need for an exception. A protestant should be prepared to establish standing as an affected person, and to appear at the hearing either in person or by qualified representative and protest the application with cross-examination or presentation of a direct case. The rules of evidence are applicable in the hearing. If you have questions regarding this application, please contact the Applicant's representative, L.M. Sanders, Regulation Specialist at (915)368-1488. If you have any questions regarding the hearing procedure, please contact the Commission at (512)463-6718.

IF YOU WISH TO REQUEST A HEARING ON THIS APPLICATION, YOU MUST FILL OUT, SIGN AND MAIL OR DELIVER TO THE AUSTIN OFFICE OF THE RAILROAD COMMISSION OF TEXAS THE ENCLOSED NOTICE OF INTENT TO APPEAR IN PROTEST. A COPY OF THE INTENT TO APPEAR IN PROTEST MUST ALSO BE MAILED OR DELIVERED ON THE SAME DATE TO APPLICANT AT THE ADDRESS SHOWN ABOVE. THIS INTENT TO APPEAR IN PROTEST MUST BE RECEIVED IN THE RAILROAD COMMISSION'S AUSTIN OFFICE BY October 4, 1995. IF NO PROTEST IS RECEIVED WITHIN SUCH TIME, THE REQUESTED PERMIT WILL BE GRANTED ADMINISTRATIVELY, TO BE EFFECTIVE THE DAY FOLLOWING THE TERMINATION OF SUCH THREE-WEEK PERIOD.

THIS NOTICE OF APPLICATION REQUIRES A PUBLICATION.

CSFA NEWS
FARM NEWS FROM
BORDEN COUNTY

Eligibility for participation in all ASCS programs is established under law without regard to age, color, disability, national origin, marital status, race, religion, or sex.

WORKMANLIKE MANNER

Workmanlike manner on all CRP, ACR and CU for Payment acreage must be maintained through out the calendar year. The county committee and this office staff are responsible for insuring that all farms are maintained free of weeds, wind and water erosion.

Failure to control weeds, wind and water erosion of these acreage's could result in the loss of all FSA program benefits for the farm.

MULTI PERIL CROP INSURANCE

The 1995 crop year is not over, but producers who plan to plant insurable small grains for the first time in 1996 must consider purchasing insurance at a level equal to or greater than CAT to establish or maintain link for program benefits. Producers who plan to cancel small grain crop insurance contracts must do so by the cancellation date.

Important dates concerning the 1996 multi peril crop insurance for wheat are as follows;

Cancellation Date:	9/30/95
Sales Closing Date:	9/30/95
Final Planting Date:	11/30/95
Acreage Reporting Date:	12/15/95
Billing Date:	7/ 1/95
Termination Date:	9/30/95
End of Insurance:	10/31/95

Most of the problems a president has to face have their roots in the past.

—Harry S Truman

CLOUD SEEDING EVENT INFORMATION AS PERFORMED BY THE COLORADO RIVER MUNICIPAL WATER DISTRICT OVER BORDEN COUNTY, TEXAS FOR THE SEVEN DAY PERIOD ENDING SEPT. 1, 1995

On August 31, 1995, a cloud system was seeded beginning at 4:26 p.m. and ending at 4:15 p.m., CDT, over an area beginning at a point approximately 15 miles south to 16 miles southwest of Gail. Clouds moved southwest at 15 miles per hour.

O.H. Ivie
General Manager
Colorado River Municipal
Water District
P.O. Box 869,
Big Spring, Texas 79721

If you have any questions please feel free to call the office and visit with Jana.

MEASUREMENT SERVICE REQUESTS

At this time this county hasn't been flown for the spring seeded crops. As soon as we are flown we will complete the measurement service requests and notify the producers.

NON-INSURED CROP DISASTER ASSISTANCE PROGRAM (NAP)

The Non-insured Crop Disaster Assistance Program (NAP) was created under the Federal Crop Insurance Reform Act of 1994. The act replaces ad hoc disaster payments.

FAILED ACRES

Producers are reminded to file an ASCS-574, Application for Disaster Credit, for crops that are disaster affected in order to receive proper history for that crop.

An application for failed acreage credit must be filed within 15 days of the disaster condition. Any crop destroyed without an acreage report or approved ASCS-574 will not receive planting credit or base history protection.

1996 FARM PROGRAM

We have been informed that there will be no set aside acres (ACR) for the 1996 wheat program.

Congress continues to debate the multi year program which is to be in with the 1996 crop. As soon as this office is informed of the new farm program you will be notified.

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT

Phillips Petroleum Company, 4001 Penbrook Street, Odessa, Texas 79762, is applying to the Railroad Commission of Texas for a permit to inject fluid into a formation that is productive of oil or gas.

The applicant proposes to inject fluid into the **Spraberry** formation, **West Jo Mill Unit**, Well Number **110**.

This well is located **15 miles SW of Gail, Texas** in the **Jo Mill (Spraberry)** Field, in **Borden** County, Texas

Fluid will be injected into the subsurface depth interval of **7200** to **7450** feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Environmental Services Division, Oil and Gas Division, Railroad Commission of Texas, P.O. Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/463-6792).

Senator Gramm representative to be in Gail

A representative from Senator Phil Gramm's office will be in Gail on Friday, September 8, 1995 at 3:00 p.m. in the Borden County Courthouse to meet with anyone interested in current legislation. Legislation now being considered includes the farm bill, federal budget, etc. The representative will listen to concerns about federal controls on landfills, water quality, land use, environmental policies and unfunded federal mandates.

Every-one is invited.

BCJLA 1996 Stock Show Buckles

In preparation for our 1996 County Stock Show and Awards Ceremony, we are in need of buckle sponsors.

We will award 19 handmade buckles by Nick Cunningham of Cunningham Enterprises.

Nick has made our buckles for the past 3 years including 1996. The buckles are individually handcrafted and serve as

really nice awards for our 4-H and FFA members.

The following is a list of those buckles that now have sponsors and those that do not.

If you would be interested in sponsoring a belt buckle or splitting the cost of sponsorship with someone, let us know.

The following list is our current status:

Buckle	Donor	Cost
Grand Champ. Lamb	Caprock Elec.-Sponsor	
Grand Champ. Steer	Guy & Patricia Zant-Sponsor Dennis & Sheri Poole-Sponsor. Need 1/3 sponsor	\$ 33.50
Grand Champ. Barrow	Max Jones-Sponsor Monte Smith-Sponsor Buddy Wallace-Sponsor

Senior	OPEN	\$ 75.00
Top Swine Showman	OPEN	\$100.50
Overall Showman	Mrs. Pam Gass - Bill Wilson Memorial	

If you would be interested in sponsoring or co-sponsoring a buckle for the 1996 show, please give us a call at the extension office at 806/756-4336. Your assistance would be greatly appreciated in recognizing the achievement of our young people. This is the 2nd year to enhance the opportunity for

VALIDATION DEADLINES FOR 4-H & FFA PROJECTS

In recent 4-H Newsletter the state and county validation deadlines were in error.

The correct deadline dates to have lambs on feed is prior to Nov. 1, 1995 and the correct deadline date to have pigs on feed is prior to Dec. 1, 1995.

These dates are set forth by the state swine and lamb validation committees and are followed by the Borden County Junior Livestock Association for county validation dates as well.

1995 will serve as the first year that the major shows have mandated a validation program for the major show season in upcoming 1996.

Watch for further announcement of validation days. As the guidelines for

more youth to receive a buckle for their animal project participation and work.

We are striving to have these buckles sponsored by September 12th if at all possible. Thanks for your consideration.

validation involve more paperwork, tattoo's and tagging we will most likely come to a central point for validation procedures.

BORDEN COUNTY INDEPENDENT SCHOOL DISTRICT BID REQUEST

The Superintendent's office, on behalf of the Board of Trustees of the Borden County Independent School District will receive bids on the district's employee health insurance program for the 1995-96 school year.

Proposals shall be addressed to Jimmy Thomas; Borden County Independent School District; Box 95; Gail, Texas 79738, and shall be delivered in a sealed envelope marked "Health Insurance Bid". Proposals will be received up to but no later than 2:00 P.M. on September 15, 1995. Bid proposals will be opened and read aloud in the Board Room at that time. Bid proposals will be tabulated, researched, and presented to the Board of Trustees for their consideration at the September 18, 1995, meeting. Bids received after the specified date will not be considered.

The Borden County I.S.D. Board of Trustees reserves the right to accept or reject any or all proposed bids, to waive any and all technicalities, and to accept the proposal that will best serve the needs of the District.

Questions regarding bid specifications and additional information shall be directed to Jimmy Thomas by writing the above address or by calling (806-756-4313 or 806-756-4316). Transmissions by fax may be sent to (806-756-4310).

CONSERVATION RESERVE PROGRAM SIGNUP NO. 13 SEPT. 11 - SEPT. 22

BIDS FOR NEW CRP CONTRACTS WILL BE ACCEPTED DURING A SIGNUP TO BE HELD BEGINNING MONDAY, SEPT. 11 AND RUNNING THROUGH FRIDAY, SEPT. 22, 1995.

SOMETHING NEW - BID CAPS

DURING SIGNUPS 1-9, A SINGLE MAXIMUM ACCEPTABLE RENTAL RATE FOR ALL CRP BIDS RECEIVED WITHIN A MULTICOUNTY BID POOL AREA WAS ESTABLISHED TO LIMIT PER ACRE PAYMENT RATES.

DURING SIGNUP 10-12, PAYMENT RATES WERE LIMITED FOR EACH BID WITH A UNIQUE BID CAP CALCULATED BY THE NATIONAL OFFICE.

FOR THIS SIGNUP, A NEW PAYMENT RATE PROCESS HAS BEEN DEVELOPED IN WHICH BID CAPS ARE CALCULATED UNIQUELY FOR EACH BID AT THE COUNTY LEVEL.

NEW BID RATES (CONT.)

BEFORE YOU BID, YOU WILL KNOW THE BID CAP FOR THE LAND THAT YOU ARE OFFERING.

YOUR BID WILL BE REJECTED AT THE COUNTY LEVEL IF IT EXCEEDS THIS BID CAP OR IF THE BID IS NOT IN WHOLE DOLLARS PER ACRE.

IF YOUR BID IS NOT REJECTED AT THE COUNTY LEVEL, IT WILL BE SUBMITTED TO THE NATIONAL LEVEL. UPON REACHING THE NATIONAL LEVEL, ALL BIDS WILL BE RANKED USING THE FOLLOWING NATIONAL RANKING FACTORS:

- * Wildlife Benefits
- * Water Quality Benefits
- * Erodibility Index
- * New Tree Planting
- * Cost

EACH OF THESE FACTORS WILL HAVE POINTS ASSIGNED, AND YOUR BID WILL BE RANKED USING THESE POINTS AND WILL EITHER BE ACCEPTED OR REJECTED BASED ON THE RANKING IN COMPARISON WITH OTHER BIDS RECEIVED.

YOUR BID WILL BE IN COMPETITION WITH THE OTHER BIDS RECEIVED.

LAND ELIGIBILITY

CROPLAND ELIGIBILITY CRITERIA CONTINUES TO INCLUDE CROPLAND THAT IS THE FOLLOWING:

- * planted or considered planted to an agricultural commodity during any 2 of the crop years 1986 through 1990.
- * physically and legally capable of being cropped at the time of enrollment.
- * has an erodibility index (EI) equal to or greater than 8 (Durane Moss, District Conservationist NRCS, tells me that all of Terry County soils will meet this criteria).

FEDERAL CROP INSURANCE REQUIREMENTS

If your application is accepted, and if you also have an interest in insurable crops in the county, you must purchase at least the Catastrophic (CAT) coverage for these crops in order to be eligible for the CRP Payment.

LANDLORD - TENANT PROVISIONS

Unless the farm operator signs a voluntary release of the acreage offered, that farm operator must share in the CRP contract.

ACTUAL BID PROCEDURES

IF YOUR WISH TO SUBMIT A BID THE FOLLOWING ARE THE STEPS IN THE PROCESS:

1. Come to this office and delineate the bid area on a photograph.
2. Meet with NRCS (formerly Soil Conservation Service) so that land eligibility and predominant soils can be determined and documented.
3. CFSA will determine the bid cap and provide you a copy.
4. After reviewing bid cap information, applicant submits sealed bid. (Must be in whole dollar/acre).

AFTER THE BID PERIOD IS OVER, THE SEALED BIDS WILL BE OPENED AND THE BID RATES WILL BE COMPARED TO THE BID CAP THAT WAS PREVIOUSLY DETERMINED. IF THE BID EXCEEDS THE BID CAP OR IS NOT IN WHOLE DOLLARS, THE BID WILL BE REJECTED. IF THE BID IS EQUAL TO OR LESS THAN THE BID CAP, THE BID WILL BE SENT TO THE NATIONAL LEVEL.

Coyotes

cont. from pg.1

until a clear-cut favorite is established. The loser in the starting quarterback battle will find room on the offense at one of the running back positions. Freshman Jeff Dennis will also be available to run the offense.

The backbone of the Coyote offense lies in the backfield that will be adequately staffed by sophomore Oscar Baeza and his freshman brother Fernando. While Oscar brings more size strength and speed to the field.,

Fernando utilizes his quickness and excellent field vision to make big plays.

Look for Oscar to start at fullback in front of Fernando at the tailback position. Ronnie Rivera is a sophomore transfer from Big Spring who Avery hopes will contribute to the offensive backfield.

The lineman and ends will primarily be used as blockers for the prominent Coyote running game. "Our lineman are not extremely big, but they are tough and have good blocking techniques," said Avery. "We will not be

afraid to utilize their receiving abilities on definite passing downs."

Roy Clayton, one of the three returning starters, will start at center for the third year. Clayton will be backed up by senior James Green. Senior Chris Harrison will start at split end and share time with Peter Benevidez.

DEFENSE: The Coyotes will utilize the base 2-3-1 defense in hopes of shutting down the opponent's offense. Roy Clayton and Chris Harrison will start along the defensive front line. Clayton and Harrison will provide the necessary experience and size to apply pressure on the offensive backfield. Avery hopes to utilize the size of James Green along the line as a substitution.

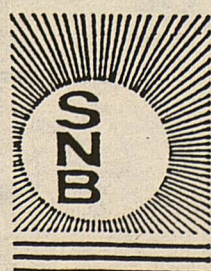

Fernando Baeza will be the headhunter of the Coyote defense at middle linebacker. Grant Key and Oscar Baeza will start at the corner positions. Ronnie Rivera will seek to find playing time at one of the corner positions. Freshman Colt McCook will start at safety where Avery hopes he will use his speed and natural instincts to create turnovers.

Coach Avery looks forward to this season because it will give him and his youngsters an opportunity to surprise the district.

There's a sign hanging on the door just outside of Avery's office which reads "Meet the Challenge."

The 1995 Coyotes seem determined to do just that.

We're proud to be a part of the area since 1905.

LUBBOCK, Friday, September 1, 1995
By Shawn Wade

Contracts were awarded on four of the five base operations expected to be utilized during 1995 High Plains Enhanced Boll Weevil Diapause Program. Award of the aerial spray contracts was completed Wednesday, August 30.

Contracts were awarded for base operations in Post, Seminole, Lamesa and Big Spring. According to Lubbock-based Plains Cotton Growers the successful bids ranged from \$5.20 to \$4.90 per gallon of chemical applies.

The following is a list of the successful bidders and the base unit from which they will operate:

Post Unit - Payne Flying Service, Katy, TX.

Seminole Unit - Kubin Air, Bovina, TX.

Lamesa Unit - Hogg Flying Service, Lamesa TX.

Big Spring Unit - Southwest Spraying, Clovis, NM

Crosbyton Unit - Not Yet Awarded

The awarding of the aerial contracts sets the stage for the 1995 program to begin spraying operation around Sept. 26. Already field maps and trap lines are being readied for the effort which is set to fight the boll weevil in some 2 million acres of cotton.

All aircraft used on the program will be equipped with a parallel-swath guidance system from Satloc, Inc., of Casa Grande, Arizona. Satloc's satellite-based global positioning system (GPS) was specified as a requirement for the 1995 contract to provide record-keeping and tracking functions for program operations.

Trap catches are on the rise throughout the area as migrating weevils renew their yearly push onto the High Plains. Five mild winters in a row have allowed the pest to get a toehold above the Caprock threatening cotton in many counties that have historically never seen any type of weevil activity before.

PCG's Enhanced Program, approved overwhelmingly by producers referendum last April and backed by the Texas Boll Weevil Eradication Foundation, is expected to treat up to five

million aggregate acres for diapausing boll weevils in 1995.

The goal of the 1995 program is to reduce overall weevil numbers prior to their entering overwintering habitat, reducing the number that could survive the winter and still have the potential to reinfest cotton in 1996.

The 1995 Plains Ginner's Association Annual Meeting will be held Saturday, September 9, 1995 beginning at 9:00 a.m.

The meeting will be held at the CIVIC CENTER HOLIDAY INN in the University Ballroom.

Scheduled speakers at the meeting include Dr. Ken Jones, President of Lubbock Christian University; Dr. Mark D. Lange, Director of Economic Services for the National Cotton Council; Tom C. Wedegaetner, Assoc. Director of Cotton Inc.; and, Ed Small, Attorney.

FREE THINGS TO SEND FOR

(NAPS)—For official rules and other information about the Microsoft Publisher Community Marketing Awards for non-profit organizations, write to Microsoft Publisher, Dept. DP, 1500 Broadway, 25th Floor, New York, NY 10036. The deadline for entries is Aug. 31, 1995.

For a free brochure on architectural details for your home, write to Alcoa Building Products, Dept. DA, P.O. Box 3900, Peoria, IL 61612-3900.
