Coyotes Claim 6th Straight District Title

By Coach Richey

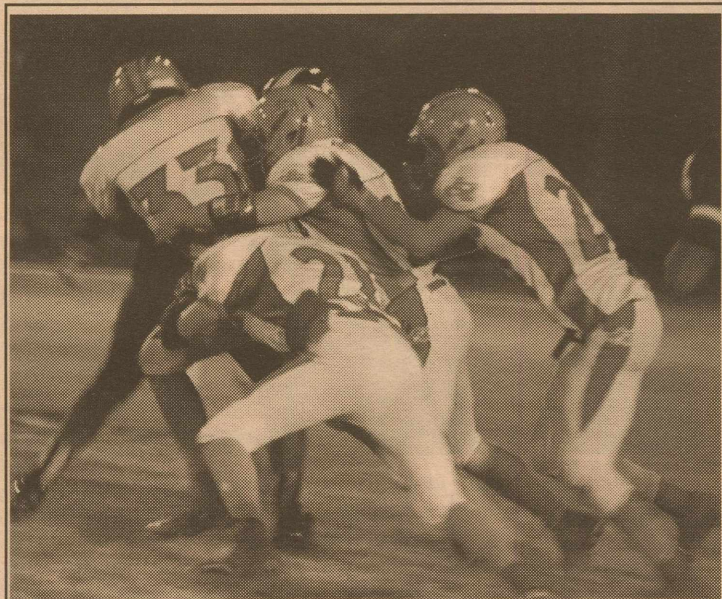

The 2013 version of the Borden County Coyotes may have not taken on the appearance early of what was first thought they would look like with all but two players having little to no varsity experience heading into the 2013 campaign. However, that did not stop this group from having the same goal when the season began, with that goal being a 6th straight district championship. In order for the Coyotes to accomplish this goal, the Coyotes would have to travel to play the teams that were projected to finish 1-2 in the district. In fact, after only beating the Cougars a week earlier by the score of 28-26 the Coyotes were a 24 point underdog according to several different polls. That however did not discourage this young group of Borden County Coyotes.

With the district championship on the line the home town Wildcats got on the board first taking an early 8-0 lead with 7:51 left in the first. That would be the only lead the Wildcats would have during the course of this title tilt. The Coyotes as they did most of the evening scored very quickly as Corbin Sumners, following the superb blocking of end/full-

back Tristen Benavidez, Guard Nathan Ham, End Colby Pennell, Center Frank Banman, fullback Korbin Martinez, Quarterback Riley Herridge, sprinted 51 yards on the Coyotes first play from scrimmage. Herridge added the point after as Michael Taylor snapped to the holder Mason Coor making the score 8-8 with 7:42 left in the first. The Coyote defense of Banman, Benavidez, Jayton Lewis,

Hunter Jones, Sumners, Pennell, and Korbin Martinez forced a turnover on downs. On the Coyotes second play from scrimmage Jones scampered 48 yards to the end zone and with the Herridge kick Borden County had a 16 to 8 lead. The Coyote defense forced a fumble that Korbin Martinez came up with and then Herridge found Korbin on

Dare to Live Without Limits

Determination

Determination is an essential component of all accomplishments. Determination is the drive that keeps you going in spite of obstacles and adversity. Determination is your mental adrenaline. When the going gets tough, determination will keep you going. If you feel discouraged, tap into your determination.

The more intense your determination, the more effective it will be. Determination is not casual. It is a deep-seated desire to succeed. A person without determination will give up at the first difficulty. "I'll give it a try," is not a statement made by a determined person. Rather they will proclaim, "I'll get it done."

Attempting to reach a goal without determination is no different than trying to drive a car without fuel. When driving, in order to go up hill you must give it more gas. When facing an obstacle, you have to use determination to overcome it.

Can you imagine an Olympic skier about to start his down hill run telling himself, "I'll just give this a try and see what happens." Of course not. Anyone with that attitude would be lucky to just finish the course.

Every competitive athlete is

determined to win. No contestant enters his or her event without the goal of victory. An individual with sheer determination can finish ahead of someone with more natural physical ability.

What about a person starting her own business? If she is going to succeed, she has to be determined to do whatever is necessary. If she just put up an open sign and waits for customers, the odds for success are very slim.

Invariably, it's the determined business owner who succeeds. She puts in the time and makes whatever sacrifices are necessary to make her enterprise prosper. Just like the athlete, the successful business person envisions victory before the doors even open.

A determined job candidate will often be hired over someone with more experience but lacking a resolve to excel. Many employers realize that although most people can be taught job skills it's virtually impossible to instill determination.

As children we are told stories of the power of determination. The tortoise and the hare, the little train engine that could, David and Goliath, to name just

Senior Runs All the Way to Round Rock

By Coach Skelton

Three seniors got out of the suburban early Saturday morning at Mae Simmons Park in Lubbock to compete in their last Regional Cross Country Meet. The mood was upbeat and somber at the same time all three realizing the clock is winding down on their high school playing days. Jordan Martinez was still super pumped over the Coyotes 6th district clinching title win over the Grady Wildcats the night before. He was not 100% for his final race due to a leg injury suffered the night before. However he wasn't going to miss this race for anything. Taylor Gass and Kalyn Massingill posed for pictures, talked about where to eat after the race and got several hugs from family, friends including a coach who also is very aware of the limited amount of time he has left with these kids. The gun goes off and I walk over to my normal roost to get ready to tell the girls what place they are in and to holler out encouragement. I knew before the race that Taylor was sitting roughly 14th in the region at shared with her after our second Mae Simmons event of the season that puts her in a place to have a shot. Early in the year I did something I have never done as a track coach, I put the watch up except for a few select workouts. We started placing importance on placing rather than times. This approach seemed to relax the runners more and they begin to understand that a time on course X usually doesn't transfer well to course Z. Flash forward back to Saturday Taylor came by the first check point in 15th place running relaxed and Kalyn came by in the 60s range. I began to head over to my next spot on the course and I notice Taylor is setting 12th about to come down the last hill on the back side of the course. I make her aware of where she is and holler her to get down that hill. She said later she didn't hear me, but she could see how close she was and realizing that 10th goes to State committed to making a run at it. I knew when I saw her commit to sprinting down

the hill she was going to go for it. Kalyn in her own right, had made a move up to the mid-50s. I was setting at my final spot which is at the 400 meter mark of the course and Taylor had moved up to 11th. I tell her again how far it is and where she is setting and to let her know that she is in a pack of 4 girls and she needs to start working to get in front of them and don't let anything pass her after the bridge which is roughly 200 meters from the finish line. She immediately lengthens her stride and pushes in front of the pack put her 9th. The pack she's running with pass 1 girl before the bridge and she's setting 8th. I then lose sight of her and focus on getting to Kalyn which had pushed up to the mid-40s with 400 meters to go. Kalyn does the exact same thing Taylor does and she starts to gradually lengthen her stride and starts gaining on people before for the bridge. The bad thing about being on the back side of course is you can't cross the bridge to get the finishers until the last runner is off the course. When I get to the finish line I can tell from everyone's reaction that she had finished in the top 10 and she actually finished 7th. Kalyn moved up enough to finish 40th. Taylor finished 7th with a time of 12:31.6 and Kalyn finished 40th with a time of 14:00. The boy's race started soon after the girls finished, and as I coach I mixed emotions about Jordan running. He had run so awesome at the district meet and is such a super competitor that being injured I knew he wouldn't be able to do what he wanted. Jordan to his credit did the very best that he could muster never once shying away from representing his community, school, family, nor himself in a way that showed everyone what it meant to be a Coyote. I was super proud of him and after the race just gave him a hug and told him how awesome that was.

Taylor will be running this Saturday November 9th 2013 in Round Rock at Old Settlers park at 9 am.

Coyotes Defeat Wildcats 93-68...

(Continued from Pg. 1)

a 4th down play connecting with a 36 yards pass play and following another Herridge kick the visiting team had a 24 to 8 lead.

Just when it appeared the Coyotes might be taking control of this title contest, the Wildcats would not go away. After driving for a score to cut the lead to 24 to 16 a Coyote fumble gave momentum back to the Wildcats and just like that in a two minute time frame the score was tied at 24. That would be the last time these two teams would be tied as Borden County capped the scoring in the first quarter as Herridge hit Pennell with a 50 yard scoring strike. Herridge followed the pass play with another successful kick and a 32 to 24 lead after one period of play. The Coyotes got another defensive stop and Herridge and Pennell connected again, this time from 19 yards out and another Herridge kick made the score 40-24. The Wildcats answered to cut the lead to 40-32. Herridge found Tristen Benavidez in the back of the end zone on the Coyotes next possession and after yet another successful kick following the 8 yard hook up Borden County had a 48-32 lead with 4:05 left in the half. The Wildcats scored with 1:05 left in the half but missed the extra point and the Coyotes still had a two possession lead with a 48-38 score. Borden County drove the ball down the field and with a perfect pass from Herridge to Korbin Martinez with 3 seconds left in the half the Coyotes extended their lead to 54 to 38. They faked the point after kick to hopefully make the score a three possession lead and with the perfectly executed pass play from Herridge to Nathan Ham the Coyotes had a 17 point lead at 55 to 38 heading into the locker room and 20 minutes away from an amazing district title.

The Coyotes got the ball to start the second half. On the first play from scrimmage Sumners sprinted 65 yards out running two players that ran on a couple of relays at the state

track meet last spring. After Herridge split the uprights the Coyotes now had a 25 point lead at 63 to 38. Another stop later, the Coyotes seemed to be taking complete control of this contest. Hunter Jones found Tristen Benavidez with a throwback play and the result was a 24 yard scoring play and a 69 to 38 lead. On this play, Herridge tweaked his knee and would not return. A bad snap kept the Coyotes from converting the extra point and with 6:23 left in the 3rd Borden County had a 31 point lead.

The Wildcats got on the board with 5:13 left, but the Coyotes as was the case all day answered every Wildcat attack. This time it was another quick drive and another long run by Sumners, this time from 54 yards out. Frank Banman filled in for Herridge kicking and Jones filled in under center. Banman made the extra point to make the score 77 to 46. The Wildcats again would not go away as they cut the lead to 77-54. The Coyotes answered again, this time from 51 yards out. Banman split the uprights for the two point kick and a commanding 85-54 lead with 1:33 left in the 3rd. Borden County got another defensive stop and moments later Jones found Banman deep in the corner of the end zone with a nice throw and catch from 37 yards out. Banman hit the kick as well and the Coyotes were a score away from being over with a 93 to 54 score. Borden County got an interception on the next defensive possession as Korbin Martinez stepped in front of an errant pass with 6:52 left.

The Coyotes put in their second team offense and defense. They were unable to convert on a 4th and 3 play to turn the ball over to the Wildcats. The Wildcats keeping their starters in managed to score with :25 left and then following a successful on-side kick the Wildcats had a final score with :12 left and a final tally of 93-68, but more importantly a district title. This was a complete and total domina-

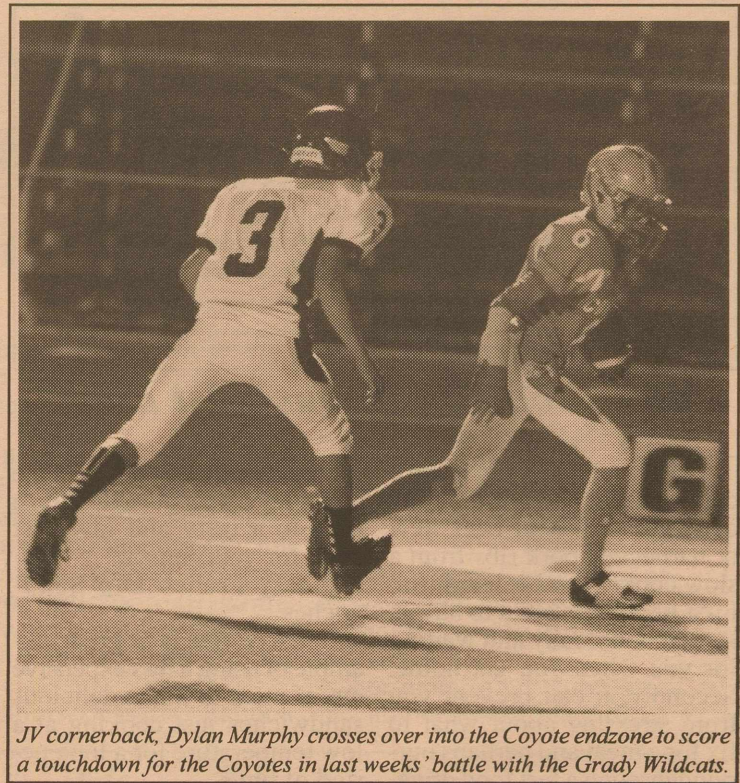

tion in every phase of the game. What a day to put it all together.

Statistic Leaders for the Coyotes:

Corbin Sumners had 15 carries for 266 yards and 4 scores, 1 reception for 30 yards, Hunter Jones had 11 carries for 111 yards and a score and was 4 of 7 for 106 yards and 2 scores. Jordan Martinez had 6 carries for 20 yards. Korbin Martinez had 2 catches for 45 yards and 2 scores, Colby Pennell had 3 catches for 80 yards and 2 scores. Tristen Benavidez had 5 catches for 58 yards and two scores. Frank Banman had a 37 yard reception and Riley Herridge was 8 of 14 for 150 yards and 4 scores. Nathan Ham had a catch for 3 yards and a point. Michael Deax, Michael Taylor, and Mason Coor all got action on both sides of the ball toward the end. Benavidez had 5 tackles, Pennell had 8 tackles, Sumners had 7 tackles and a tackle for loss, Jones had 10 tackles. Korbin Martinez had 9 tackles a tackle for loss, a fumble recovery and an interception. Nathan Ham had 4 tackles with a sack. Frank Banman had 8 tackles. Jayton Lewis had 5 tackles, Michael Taylor and Michael Deax and Mason Coor all had 2 tackles.

The 2013 District Champions, will play host to the O'Donnell Eagles for homecoming and the senior final home game. Senior Tristen Benavidez has been a Coyote his whole life and what a dream come true to win your fourth straight district title. Michael (Bill) Taylor has been a Coyote for 5 years and has been a member of a district championship his entire football career. The final senior is Jordan Martinez who came to us last year and walks away with his second district title.

Congratulations guys for your accomplishments, but more importantly for believing in each other while others around you saw things a little differently. What a great ride, but we are not done. Homecoming 2013, make it a success and a perfect district record getting ready for the play-offs. Thank you parents for all of your help. Take care and God bless, TR

JV cornerback, Dylan Murphy crosses over into the Coyote endzone to score a touchdown for the Coyotes in last weeks' battle with the Grady Wildcats.

Coyote JV Splits Two Games with Klondike and Grady

By Coach Benavidez

The Borden County JV team hosted the Klondike JV Cougars on October 24, 2013. As always, the Coyotes were undermanned and undersized compared to the visiting team. This however did not affect the young Coyotes. Borden County drew first blood with 6:11 to go in the first quarter on an 8 yard run by Nathan Souder. The PAT failed. The Coyote defense stood strong and held Klondike on downs. The Coyotes found the end zone once again on a 5 yard pass from Robert Jordan to Dylan Murphy. The PAT once again failed. The next possession for the Cougars was futile as the Coyote defense once again denied them the end zone. Unfortunately, the Borden County offense stalled too.

In the second quarter, the Coyote offense got back on track as Nathan Souder scored from 38 yards out. This time the PAT was good as Robert Jordan found Jaden Huse for the 1 point pass to make the score 19-0. The Cougars finally found the end zone on a

23 yard run, but the PAT failed as the score was now 19-6. Kace Lott connected with Dylan Murphy on a 20 yard pass to extend the lead to 26-6 as the PAT failed. The Cougars were able to score twice more in the game to make their score 19. However, the Coyotes were also able to score twice more themselves. Both scores came on runs of 14 and 3 yards by Nathan Souder. The final score was 39-19 Borden County. Nathan Souder finished the night with 238 yards rushing, 3 TD's, 9 tackles, and 1 QB pressure. Kace Lott had 16 yards rushing, 2 passes for 36 yards and 1 score, and 6 tackles. Braxton Coor had 9 tackles and 1 catch for 14 yards. Dylan Murphy had 31 yards receiving and 6 tackles. Robert Jordan had 14 yards passing and 6 tackles with 1 QB pressure. Diego Bernal finished the night with 9 tackles and a QB sack. Hunter Huse finished the night with 5 tackles and a PAT catch. Great job, guys.

Slow Cooking Versus Fast Food

Opening the front door on a cold evening and smelling the delicious aroma of beef stew or barbecued pork ribs from a slow cooker can be delightful. First of all, it is great to have a tasty dinner ready and waiting for you when you get home. Secondly, it can prevent you from stressing about what to fix for a meal and perhaps hurrying through a fast food drive-thru.

With a slow cooker you can cook larger quantities and freeze the extra for future meals. Meal preparation varies by the meats, vegetables, and seasonings you choose. Try a beef roast with mushrooms, potatoes, and onions and on another day chicken with an Asian flare including carrots, green peppers, and soy sauce. Since you control the ingredients in the slow cooker, this type of cooking can be a healthier choice than high-fat fast foods. Cooking meat at a low temperature over time can make tough cuts tender, and the best cuts for this are usually the least expensive. Cuts of beef such as a shoulder, round, or rump roast can make flavorful dishes in a slow cooker.

Saving time is an added benefit of slow cooking. Place

ingredients in the cooker in the morning and you can return later to a tasty and low-cost meal for your family.

Beefy French Dip Sandwiches

This recipe is a great example of using a less expensive cut of meat to make delicious sandwiches just cooking at a low temperature for a long period of time.

Ingredients:

- 3 pounds beef roast such as round, chuck, or rump
- 1 package (1 ounce) dry onion soup mix
- 3 cups beef broth
- 8 whole-wheat hoagie buns

Directions:

1. Wash hands with warm, soapy water.
2. Trim roast of any excess fat. Place in slow cooker.
3. Add broth and soup mix.
4. Cook on low for 8-10 hours.
5. Remove beef from cooker and place on cutting board. Cut meat across grain into thin slices or shred.
6. Place meat on buns and use broth for dipping.

Two miners had been searching for gold for months. Their efforts went unrewarded until one day when they struck it rich. They did not want anyone to know where they discovered their "fortune" until they staked their claim. But they needed supplies badly.

They decided to go into town, buy what they needed, tell no one of their discovery and return to their cabin.

However, in spite of their silence, after they returned to their cabin, a large crowd appeared. In spite of their silence, everyone knew of their joy and happiness. Their faces gave away their story.

Whatever we have on the inside always appears on the outside. When God resides within us, His glory will be reflected through us.

One day Moses met with God. When he returned to his followers, his face glowed with God's glory, letting the people know that he had been with God.

When you and I spend time with God, reading His Word, spending time in prayer, others will know that we have been with Him. It will show in us and through us.

a few. As you mature, you forget these lessons.

You allow yourself to get discouraged at the very point where you need to apply more determination rather than give up. Unless you give your car enough gas, not only will you be unable to make it up a hill, you risk rolling backwards.

Especially if you stumble and fall, use your determination to get back up. Don't make excuses. Don't blame anyone or anything. Just get back on track. It's not magic, it is determination. You may have forgotten how to use it, but it's inside you.

On the other hand, it's hard to be determined to obtain something you don't really want. You can't live someone else's life or fulfill externally imposed goals. If you can't muster up any determination you may be on the wrong path or targeting an undesirable re-

sult.

There is nothing wrong with changing your direction. If you are not excited about your path, pick another one that you can get more enthusiastic about. Too many people spend their lives in pursuit of the wrong goals and therefore have little or no determination.

So when these people subsequently fall short of success, they conclude they are a failure when in fact they have been chasing the wrong dreams. Without a change in strategy, they are destined to an endless cycle of frustration.

Make sure you are on the right path. Fire up your determination. Keep going and never give up. *Bryan is a management consultant, motivational speaker, author, and adjunct professor. E-mail Bryan at bryan@columnist.com or write him c/o this paper. © 2006 Bryan Golden*

Pups Whip the Wildcats in Home Finally

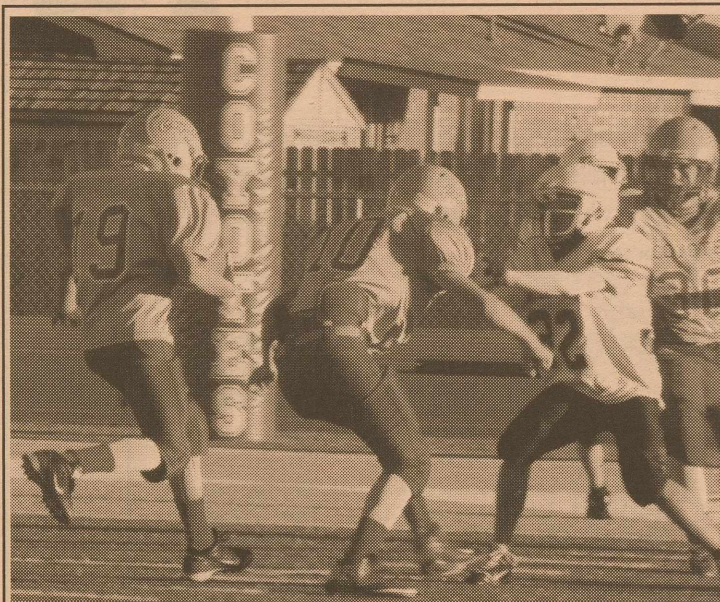

By Coach Richey

The Borden County Pups played host to the Grady Wildcats in the home finally for the junior high with the hopes of improving to 7-0 on the season and 2-0 in district. The Pups defense set the tone early as a big hit forced a loose football that was scooped up by Nick Proulx and one play later Trace Richey hit Morgan Wilson on a nice 37 yard pass play. On the point after attempt, the second team of Payton Merket, Clayton Addison, Thomas Nix, JW Nix, Riley Lewis, Kable Kleck, Tanner Harrison, Jeremy Souder, and Lukas Grantham again took their turn on the field. On this particular point after, Merket hit Kleck in the back of the end zone for the successful try and a quick 7-0 lead. The defense of Wilson, Proulx, Richey, Brian Torres, Braxton Barnes and Ryan Willborn forced a quick 4-out and on the first play Proulx rumbled in for a 13-0 lead before a Merket to Addison pass made the score 14-0. On the next defensive possession Kable Kleck recovered a loose ball giving the

Pups another possession. Just before the end of the first quarter Proulx raced in from 24 yards out and with a Lukas Grantham run, the Pups had a 21 to 0 lead after one period. After forcing a punt early in the 2nd quarter, Richey picked up the rolling punt and returned it 46 yards to the end zone and a 27-0 lead. The Wildcats managed to get on the board returning the ensuing kick-off against the second group making the score 27-6.

On Borden County's first offensive possession of the 2nd quarter Richey hit Willborn with a nice 43 yard pass play down to the 3 yard line. Brian Torres covered the final 3 yards and pushed the Pup lead to 33 to 6 and after a Riley Lewis to Clayton Addison pass play for the point after, Borden County was in control with a 34 to 6 lead. Thomas Nix and some of the other second team defenders got on the field on the next possession and Nix took advantage of the opportunity as he intercepted an errant pass

Anthony Catches a Thief

Anthony Kusenberger has lived in Del Rio all his life with the exception of six and a half years he spent at A & M. He liked it there and developed some unique studying skills. "You know some people go the library to study, but real men go to the Dixie Chicken to study. It takes real talent to try to study your physics homework while playing dominoes and drinking a beer. That's real talent. Anybody can go to the library."

He really wanted to stay at A & M. but something made him think it was time to go. "One day my mother called and she said that little Ann Strohman would be coming up here next year. Well, I used to baby-sit this girl. I thought it was time for me to get out of here." He ended up with a master's degree in Agricultural Economics.

"I thought it would increase my social standing if I had an advanced degree. My daddy, who's a CPA, told me studying agricultural economics is for people who were goofing around too much to make it in the business school. I agreed with him."

Anthony is known for his practical jokes. He learned a lot of them at A & M, like covering the toilet bowl with cellophane or painting the toilet seat with white shoe polish or throwing ice water on someone in the shower. Once Anthony helped catch a thief who had stolen two cordless drills from a hardware store in Del Rio.

"I went in the store to buy one screw driver. As I was

walking toward the store I saw a man run out the front door with some employees of Russell Hardware run after him. A friend of mine grabbed the back of my shirt and said, 'go get him.' I chased this guy for the equivalent of four blocks. He went around the wool house one way and I knew he was going to be coming around the other way. So I ran through the wool house and cut him off. Sure enough, by the time I got to the back of the wool house, I was waiting for him and tackled him. I recovered the stolen drills.

"After this happened I went back over to Russell Hardware. The owner was there and thanked me profusely for getting his merchandise back. I thought to myself that these people are grateful. I saw a nice wrench set for forty-five bucks. I thought I would seize the opportunity and said to myself, 'if I take this forty-five dollar wrench set up to the check stand they're gonna give it to me to show their appreciation.' I took the forty-five dollar wrench set up there and again got tons of praise and gratitude for catching the thief. The clerk told me, 'that'll be forty-eight ninety five.' I pulled out my credit card and paid for the wrenches. Next morning I took the wrenches back, got a refund and got my screwdriver."

Pups Get Win Against Wildcats...

(Continued from Pg. 6)

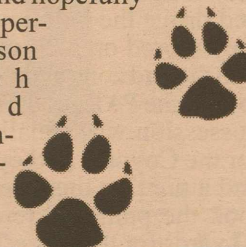

and returned it 24 yards to the 11 yard line. On the first play Willborn sprinted in and with a Payton Merket point after run the Pups were in complete control at 41 to 6. The Wildcats returned the ensuing kickoff to make the score 47-13.

Borden County got the ball to start the second half and on the first play of the half Nick proulx took a nice fake dive, pitch from Richey and sprinted 33 yards to the end zone and with the Merket to Addison combination for the point after the Pups had a 54-13 lead. After both teams traded pos-

sessions the second team offense was able to overcome the constant stunting by the Wildcats and with a play action pass the Pups ended the game due to the mercy rule as Payton Merket hit Thomas Nix with a 18 yard touchdown pass play and a JW run for the point after and the Pups had a 61 to 14 victory.

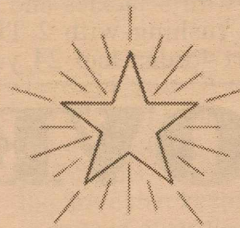

In order to get the kids more playing time the two teams finished the 3rd quarter and all of the 4th quarter. In that quarter and a half the Pups second team outscored the visiting wildcats 7-0 as JW Nix

rumbled in from 24 yards out and then Lukas Grantham added the point after for a 7-0 victory in the added time. With the victory, the Pups set up a district championship matchup with the O'Donnell Eagles. The Pups will travel to O'Donnell to end the 2013 season and hopefully another perfect season which would mean another district title.

Coyote JV Win One, Lose One...

(Continued from Pg. 3)

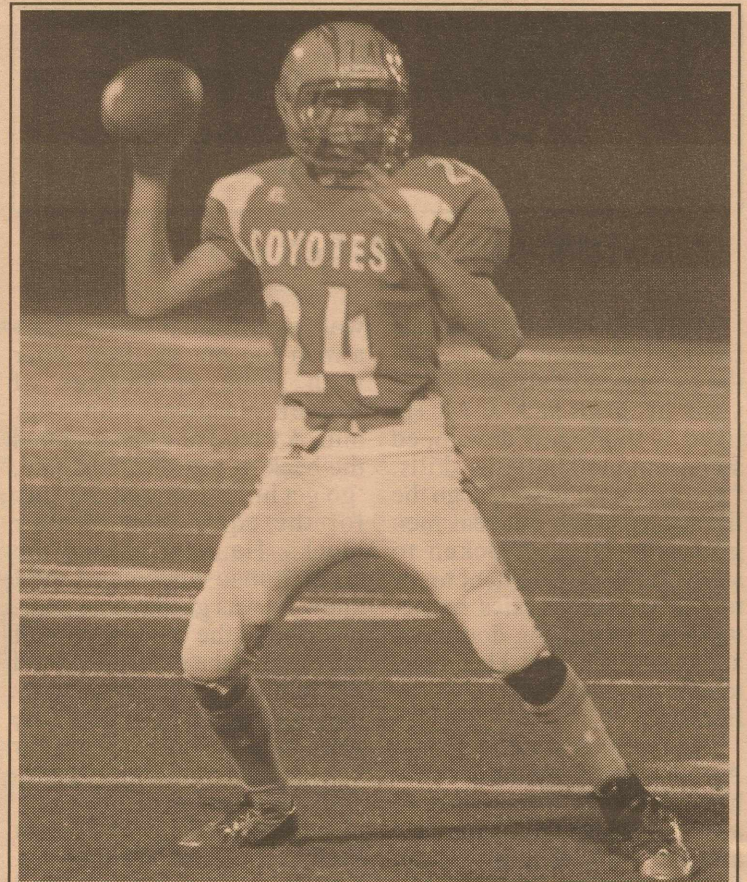

very tough challenge for the host Borden County JV squad as the visiting Grady Wildcats came ready to play. The night started out wrong for the Coyotes as they were unable to move the ball with the first possession as they went 4 and out. Grady wasted no time as they took their first possession and drove the ball down until they scored on a 24 yard pass into the end zone and were able to kick the PAT good. The next possession was equally tough for the Coyotes as they went 3 and a punt on this one. Grady took the punt and returned it 43 yards for the score, but failing to convert on the PAT. The Coyotes made good on the next series as they drove the ball down the field and scored on a 3 yard pass from Kace Lott to Dylan Murphy with the PAT failing. Grady also took advantage of the next possession and scored on an 18 yard run

but missing the PAT. The score stood at 6-20. Borden County went 4 and out again on the next possession, with Grady doing the same. This gave the ball back to the Borden County offense who took advantage. Nathan Souder was able to break loose from 17 yards out to increase the score to 12. Grady took the kickoff and set themselves up with good field position and capitalized on a 37 yard strike to score with the PAT failing.

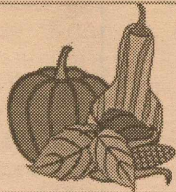

Grady put the game out of reach as they scored on their next 3 possessions on passes from 27 and 28 yards out and a run from 4 yards out. Borden was only able to answer back with one score that came from Nathan Souder and a run of 54 yards to make the final score 18-46. Souder finished the night with 5 tackles and 121 yards rushing with 2 TD's. Robert Jordan had 24 yards

passing and 7 tackles. Kace Lott had 25 yards passing and 4 tackles, Dylan Murphy had 4 tackles, Braxton Coor had 6 tackles. Diego Bernal had 9 tackles. Hunter Huse finished the night with 4 tackles as well.
