NUMBER 4

THE AMERICAN WAY

LESSONS OF HOUSING ORDER

By Rosalie M. Gordon

It is going to be a long time before the controversies generated by the President's famous housing order of several months back are quieted. This was the order that multiple housing built with federal loans or grants must be integrated. On the other hand, it was another example of authoritarian government. It is a form of coercion, and shows once again that it is possible for a free society like ours to copy so many of the controls and coercions of collectivism (be it communist, socialist or fascist) that we do great harm to our system's basic underpinning — the freedom of the individual.

Unconstitutional

However, there is another side to this housing order and other coercive acts by government. Of course the constitutionalists are up in arms because they say the order is unconstitutional — that the President has no right to tell private builders and owners what kind of housing they should build or to whom they should rent and sell their houses. The order, it should be remembered, is based on the Supreme Court's unconstitutional decision of 1954 in the school segregation cases — which merely proves how one act of coercive, unconstitutional power begets others. Some construction firms and builders are up in arms because they say the President's order will ruin their business. And still others, particularly in the South, are angry and frustrated because they see the President's order as another way of interfering with the individual's right to order his life as he wishes.

Control Inevitable

But most of the objectors fail to note an extremely important fact — a fact which makes the housing order important not in itself and not to the question of whether housing should or should not be integrated. This important fact is best stated in the old adage that he who pays the piper calls the tune. The initial mistake is to look to the national government for funds to do those things which cities, states, communities and individuals in a free society can and should do for themselves. It is true that it is our money for which we ask — that the national government must first take it from us in the form of taxes and then give it back, minus administrative and bureaucratic charges, in the form of grants and loans. But when we surrender into the hands of the national government — which means into the hands of self-perpetuating bureaucrats, and politicians interested in garnering votes — the right to grant or not to grant federal money, we also surrender into their hands the coercive power to tell us how the money should and should not be used.

This is in the very nature of federal handouts. It could not be otherwise. Obviously we cannot turn over to the federal bureaucrats each year great chunks of our incomes and tell them to pass the money around with no strings attached. In a way, this is what we have done with the foreign handout program, which is one of the reasons it has proved so useless, extravagant and even harmful.

Handouts The Problem

But in domestic federal handouts of every kind, we must keep always in mind that he who pays the piper calls the tune. This applies to any and all types of federal grants and loans. In other words, there can be no federal handouts — for schools, housing, medical care, pensions, road-building, public works, electric power, agriculture, urban renewal or anything else — without federal control and coercion. It would be well for all of us to remember this, including those so angered by the housing order who nevertheless are often very quick to latch onto federal grants where the built-in coercion does not hit so close to home.

(Editor's Note: Rosalie M. Gordon is Editor of "All-American Books, All-American Book Digest" and "America's Future.")

MCCULLOCH COUNTY SINGING CONVENTION

The McCulloch County Singing Convention will meet in the Gospel Tabernacle on East Pearl Street in Brady, Texas, at 2:00 p. m. Sunday, January 27.

A cordial invitation is extended to everyone to attend.

Tax Collector To Be Here All Day Friday, Jan. 25th

County Tax Assessor-Collector John Skelton, will be at the Santa Anna National Bank all day Friday, January 25, for the purpose of collecting state and county taxes from citizens of this area.

Skelton said a large number have already paid their taxes and took advantage of the discounts offered if paid early. However, there are a large number who have not paid their poll taxes and some who have not paid their regular state and county taxes. He will be here for both purposes and said he hopes everyone will take advantage of this opportunity to get them paid.

A penalty and interest charge will be added to taxes not paid by the end of January. Poll taxes must be paid by the end of January in order to qualify yourself to vote in any election that will be held this year.

Four Local Youths Enter Abilene Stock Show

Four local boys and one boy from Mozelle placed lambs in the Abilene Stock Show Monday. However, none of them took any of the grand prize ribbons.

John Dillingham showed the first place group of three fine-wool lambs; the second place heavyweight crossbred lamb; third place heavyweight fine-wool; and the 10th place lightweight fine-wool lamb.

Joe Ed Wise showed the second place heavyweight fine-wool lamb. It appeared for sometime that Wise would have the first place lamb in this division, but the judge changed the lambs around at the last minute.

Les Guthrie showed the 12th place heavyweight fine-wool. Bubba Jones showed the 18th place lightweight crossbred lamb.

Radford Taylor of the Mozelle FFA showed the 5th place lightweight crossbred and the 6th place lightweight fine-wool lambs.

S. V. Trotter Buried At Hondo

S. V. (Vean) Trotter, 40, suffered a fatal heart attack January 17 in Brownsville, Texas, where he was serving as a Border Patrolman. Memorial services were held there, then the remains were transferred to Hondo for a second service and burial.

Mr. Trotter was born in Waldrip, Texas, February 6, 1922. He moved to Rockwood with his family when a small child. He lived in Rockwood all his single life. He was graduated from the Rockwood High School as Salutatorian of the Class of 1940, and joined the U. S. Navy in February, 1941. He was married to Miss Margaret Ghourtsier of Hondo, Texas, November 10, 1942, in Rockwood.

He retired from the Navy in 1961 after serving 20 years and had lived in San Antonio and Brownsville since. He was a member of the Lutheran Church and a Mason.

Survivors include his wife; his mother, Mrs. Mary Trotter Woods of Corpus Christi; one brother, W. W. Trotter of Harlingen; five sisters, Mrs. Frances Jackson of San Angelo, Mrs. Onnie Ingram of Gauge, N. M., Mrs. Johnnie Powers of Fort Worth, Mrs. C. W. Bolin of Paris and Mrs. J. C. Matron of Abilene; and a large number of nieces and nephews.

Program of Music To Be Presented Friday at 4:00 P. M.

The public is invited to attend a program of music, to be presented in the Ward School Auditorium at 4:00 p. m. Friday, January 25. The program is sponsored by the Self Culture Club. No admission will be charged.

The program is designed to give citizens an opportunity to hear a program of serious music.

Pianists will be Leanna Pollock, Patrick Hosch, Nancy Baugh, Ann Martin and Ariene Welch. Tommy Murrell will play a trumpet solo; Mrs. Edgar Browning will sing; and Edgar Browning will play organ solos.

Dial-A-Prayer Program Gets Lots Of Calls

The Dial-A-Prayer program, sponsored through the months of December and January by the Santa Anna Council of Church Women, has been well received. More than 2,500 calls have been counted since the program began.

There is still a week to go in the trial program.

The number to dial is FT8-31-00. It is not known where most of the calls are coming from, but the telephone subscribers on the other exchanges are invited to use this service the same as those on the local exchange.

May we suggest you show your appreciation for this service by continuing to Dial-A-Prayer during the trial period.

Series of Public Meetings Begins At Adventist Church

A series of public meetings will begin at the Seventh-day Adventist Church Saturday night, January 26. Speaker for the meetings will be Charles Mesnard, pastor of the Brownwood Seventh-day Adventist Church. The services will be held three times a week; Saturday, Tuesday, and Friday beginning at 7:30 p. m. Edgar Browning, local pastor, is in charge of the music.

A special feature of the series will be the Black Light illustrations of each sermon. This will help in understanding the sermons and watching it go up will be fascinating according to Mesnard. "It is so interesting that people will come back again and again to see the series of Bible truth unfold," he states.

Pastor Mesnard has recently come to Texas from California where he studied evangelism and Bible courses. He has been pastor of the Brownwood church since the first of September.

The sermon Saturday night will be "The Event That Adds Eternity To Your Life" and on Tuesday night "God's Answer To World Dictators" will be presented. Members of the Adventist church are anxious to have their friends in the community attend.

Young Farmers To Meet Monday Night

The regular scheduled meeting of the Coleman County Young Farmers Association will be held at the Coleman High School Vocational Agriculture Building at 7:30 p. m. Monday, January 28.

A representative of the Central Texas Fertilizer Company of Comanche will be present and discuss the use of fertilizer for Coleman County. He will also give a demonstration of soil testing.

An invitation is extended to all farmers of the county to attend the meeting. It will be interesting and informative.

American Legion To Meet Monday

The regular meeting of the local American Legion Post will be held at the National Guard Armory at 7:00 p. m. Monday, January 28. All veterans are invited and urged to attend.

It is hoped the February meeting can be held in the American Legion Hall, which is now in the process of being remodeled. Weather conditions the past several days have held up the construction.

The Legion is still in need of contributions toward their building fund. Anyone who would like to make a contribution is urged to contact any member of the Legion Post, or Thomas Wristen or Earl Irick Sr.

Men's Day At First Baptist Church

Sunday, January 27, will be observed as Men's Day at the First Baptist Church. All men of the church are urged to make a special effort to be present and to sit in the choir during the morning and evening services.

The men will be responsible for the scripture reading and will lead in prayer.

Patronize our advertisers — every day.

Talent Show For March Of Dimes

The Student Council of the Santa Anna High School will sponsor a Talent Show at the high school auditorium at 7:00 p. m. Monday, January 28. The proceeds from the show will go to the March of Dimes.

Riney Jordan, KEAN Disc Jockey, will be master of ceremonies for the evening.

Anyone who has any kind of talent is invited to participate in the show. There will be a number of different kinds of entertainment, from the number of entries coming in early this week. Those wishing to participate in the show are requested to contact Karen McCuskey, general chairman.

Prices of admission will be 50 cents for adults and 25 cents for students, with everyone invited to give more as all the money goes to the March of Dimes.

There will be a \$5.00 prize for the best performance by a high school group; and a \$5.00 prize for the best group from the ward school.

Salesmen Taking Advantage of Local Citizens

During recent weeks a number of local area citizens have been taken advantage of by "high pressure" door-to-door salesmen, according to a report from Deputy Sheriff M. R. Simmons. Some of the items sold to citizens that were not as pictured have been roof repairs, septic tank cleaners, pest control, stove repairmen, houses sprayed for various things, etc.

Simmons said that as a general rule these fast talking salesmen are taking advantage of our older citizens, but on some occasions younger persons have been taken in by them.

The city has an ordinance against door-to-door salesmen, unless the salesman clears with the City Hall first. Then, and only then, he will be given a letter of recommendation by the City Secretary or Mayor, showing that he has been investigated and that he has permission to operate in the city. Very few of these are issued.

Everyone, young and old alike, is urged to make an effort to be sure that whatever you are purchasing from a door-to-door salesman, is exactly as represented to you. Deputy Sheriff Simmons said he would be glad to have anyone get in contact with him before you make purchases from this type of salesman.

Simmons said that if the person agrees to wait for you to call him, that likely he is selling a product that will stand investigation. However, he still advised you to call him and let him have the opportunity of checking up on the person doing the selling. In most cases they are just after your money and you will never see or hear of them again. Usually their guarantees are of no value.

Most anything you need can be acquired through local or area business institutions that are here to serve you. When you purchase from business houses in the area, you know where to go if the product does not stand up. In most cases you will also save money.

The best policy is not to purchase from people you do not know or from fast-talking door-to-door salesmen.

Mays Children Show Top Rams At County Show

In the hurry to get all the winners of the Coleman County Livestock Show last week, the Rambouillet Breeding sheep in the ram division was completely overlooked. The children of Mr. and Mrs. Page Mays showed their rams to the top places in this division, as follows:

David Mays showed his 2-tooth Rambouillet Ram to the first place and the champion of the division. David also showed the first place Rambouillet ram lamb.

Lafayette Mays showed his 2-tooth Rambouillet ram to the second place and the reserve champion.

Sharon Mays showed the third place 2-tooth Rambouillet ram.

Hand punches at the News office.

Local Youths Enter Lambs In Ft. Worth Show

More than 40 local lambs are entered in the 1963 Fort Worth Stock Show by 12 local boys and girls, according to reports received here from the superintendent, W. A. (Bill) King. Boys entering the lambs are; John Dillingham, Bobby Morgan, Eddie Jones, Bubba Jones, Michael Hosch, Bill Horne, Donnie Henderson, Stanley Hartman, Ronnie Hartman, Les Guthrie and Randy Brown. Darlyne Jones is the only girl with entries in the show, to be held January 25 through February 3.

The nation's oldest major livestock show will present approximately 10,000 head of livestock, including 12 breeds of cattle, 10 breeds of sheep and eight of swine. Entries have come from three-fourths of the United States and Mexico.

The horse division of the Fort Worth show, again featuring the largest Quarter Horse show in the world, will see approximately 1,500 entries compete. An Appaloosa sale and classes for Galiceno horses will be new to the show.

Minnie Pearl of "Grand Ole Opry" fame, America's No. 1 country-style comedienne, will be featured at the 1963 Fort Worth Rodeo "all-star spectacular." She'll join the precision-riding Side-Saddle Susans, sensational trick riders, The Flying Cimarrons and the leading rodeo comedy act of Ken Boen and the New Gray Mare.

Nearly 400 top cowboys will tackle the roughest stock from three major rodeo producers in bareback and saddle bronc riding, bull riding, calf roping and steer wrestling.

Subscription Rate To Increase Soon

Only a few days remain in which you may subscribe to or renew your subscription to The Santa Anna News at the Bargain Rates that are now in effect. The rates will increase effective as of Friday, February 1.

Considerable increases in the cost of producing The News, along with a sizeable increase in postal rates has forced us to increase the subscription price.

Everyone has the opportunity of paying your subscription one year in advance of your present expiration date, if you do so before February 1. You may do this by mail or by coming direct to The News office. Mail subscriptions must be postmarked before midnight January 31.

Mothers March On Polio Held On Tuesday

The annual Mothers March on Polio was held Tuesday afternoon of this week, but it was not completed. A total of \$307.88 was raised from the parts of town worked.

Mrs. Billie Guthrie, Delta Omicron Sorority Chairman, said one section of town did not have any workers in it and other sections were not completed. As soon as the weather permits, the drive will be completed.

Local ladies assisting in the drive are: Mrs. Tension Granad, Mrs. Felton Martin, Mrs. Ken Bowker, Mrs. John Pricer, Mrs. Ray Swindell, Mrs. James Kegley, Mrs. John Gregg, Mrs. Don Strickland, Mrs. Harold Cupps, Mrs. Thomas Wristen, Mrs. Raymond Jones, Mrs. Pat Hosch, Misses Ariene Welch, Sheila Swindell and Charlotte Moseley.

A number of workers reported people not at home Tuesday afternoon. It would be greatly appreciated if those who were missed on the drive would either take your contributions to the Santa Anna National Bank, the Santa Anna Insurance Agency office or leave it at The Santa Anna News office.

Called Meeting For Eastern Star

The Santa Anna Eastern Star Chapter will have a called meeting Monday, January 28, at 7:00 p. m. in the Masonic Hall. Purpose of the meeting is for initiation.

All officers and members are urged to be present.

Cemetery Assn. Elects Same Officers, Directors

The annual meeting of the Santa Anna Cemetery Association was held in the Lions Club meeting room Friday evening of last week. The meeting was presided over by the president, Jim Daniell.

After approval of the minutes of previous meetings, a report on the audit of the books was given by Pierre Rowe. Rowe said the books were accurate and in balance.

The secretary reported the association now has 189 yearly members and 25 perpetual care members, making a total of 214 members.

A lengthy discussion was held concerning those who work lots in the cemetery on a commercial basis who are not a part of the association. It was decided that, because those who are not associated with the cemetery association do not apparently have the interest of the overall beauty of the cemetery at heart, they would not be permitted to work on a commercial basis after April 1, 1963. It seems some of these workers clean the lots and dump the trash in the streets or just any place that is handy. Thus, it leaves the association to have to follow and clean up after them. According to the General Rules of the Association, they have legal custody of everything in the cemetery and feel it is necessary to take this action. Their announcement appears elsewhere in this issue of The News as a Notice to Owners of Cemetery Lots.

A motion was passed that the Association put chat on all the streets possible during the next year.

All the directors whose terms expired this year were elected for another two-year term, then three were re-elected to the same position they have held, as follows: Jim Daniell, president; Emzy Brown, vice president; Mrs. W. B. Griffin, secretary-treasurer. Mrs. C. L. Eeds was also re-elected as a director.

A motion was made by Ford Barnes that Mrs. Griffin, Pierre Rowe and Jim Daniell be commended for their efforts toward the Cemetery during the past year.

March Of Dimes Coffee To Be Held Feb. 2nd

Due to the severe cold weather the past Saturday, the Delta Omicron Sorority postponed the "Snatch Coffee" for the March of Dimes until Saturday, February 2nd.

Mrs. Jake McCreary, chairman, said the same committee would be assigned to work on the coffee and urged everyone to come by and drink coffee with them.

The coffee will be held in the Lions Club meeting room, beginning at 9:00 a. m. and continuing through the day.

Happy Birthday

"Happy Birthday" to all who have birthdays during the next week. Below are listed the birthdays we have this week.

JANUARY 25

Ed Purdy
Charles E. Wallace
Gordon Lee Copeland
Bobby House
Danny Ray Valdez

JANUARY 26

Mrs. Marie Hutcherson,
Dumas
Mrs. Annie Stovall
Mrs. Faye Owen

JANUARY 28

Mrs. R. S. Traylor
Mrs. Roy West
Arthur Switzer
Lee Smith

JANUARY 29

W. P. Aldridge
Mrs. A. A. Bertrand

JANUARY 30

Gaylon Lee Pricer

JANUARY 31

Jana England

Would you like for your name to be published on your birthday? If so, please be sure to let us know when it is. Next week we will publish names of those having birthdays between February 1st and February 7th.

NEW COUNSELOR FOR SCHOOL

Miss Ollie Kuykendall of Brownwood has joined the faculty at Santa Anna and other Coleman County Schools as counselor. She is taking Mr. Pierce's place because he is still in a Fort Worth hospital and unable to return to his position here.

Miss Kuykendall worked for the past four years with the Brown County Schools as visiting teacher. She is a graduate of the University of Texas and has a Master's Degree from East Texas State College, Commerce. She has worked for the Government, Civil Service, Soil Conservation and at Camp Bowle. We are indeed proud to have her on our team. If the students or teachers have problems, we know she will be able to help work out the problems.

FFA

The Santa Anna FFA had a successful week as they took all but one of the top fat lamb prizes at the County livestock show. We are proud of Mr. Pettit and all the Ag boys for their fine work. We are especially proud of Donnie Henderson and John Dillingham, who showed the champions.

Some of the boys will go to Abilene the first of this week and to Fort Worth next week. Santa Anna has about 60 lambs entered at Fort Worth.

TALENT SHOW

The Student Council will sponsor a Talent Show in the school auditorium next Monday night, January 28, at seven o'clock. The proceeds will go to the March of Dimes. If you are interested, please give your name and act to Karen McCluskey.

There will be two prizes: \$5.00 for the senior division and \$5.00 for the junior division.

WHY DO TEACHERS GIVE TESTS?

Your reporter has recently made a survey among the SAHS staff of teachers. They were asked why they give tests. The following answers were received:

Mr. Tindol says, "I give tests to see if I have gotten my material over to the students."

Coach Smith replies: "I give tests only because they are on the schedule."

"I give tests just for the heck of it," laughs Mrs. McQueen.

Mr. Mathews says, "Tests are given to test the effectiveness of my teaching and each student's progress in his work."

Mr. Bowen said, "I give tests because I have to."

All of this has been in fun.

ASSEMBLY

The speaker for the morning was from the North Side Baptist Church.

Mrs. Chandler announced that anyone interested in the one-act play to see her today. Sherman Stearns announced the Honorary Beta of the Month, who was Tommy Stewardson. Sherman also announced the Beta Club Meeting for Monday night.

Tommy asked that anyone interested in the talent show to see Karen McCluskey, who is in charge of the show.

Mr. Perry introduced the new counselor for Coleman County, Miss Ollie Kuykendall. Miss Kuykendall spoke briefly to the student body. We welcome her to our school.

Mr. Perry also announced that Driver Education would be offered again next summer. Anyone interested should see him within the next six weeks.

BASKETBALL

Due to this reporter's absence for a stock show, this article was not included in last week's school news. Last week's games are included herein.

Tuesday, January 8, the SA teams hosted Burnet in the local gym. The S. A. girls won by a score of 33-19. Earla Buse was high point girl for S. A. with 16 points and LaTrelia Spratt was high for Burnet with 12 points.

The S. A. boys played the Burnet boys after the girl's game. Santa Anna came out on top by a score of 62-51; Freddie Cullins was high point boy with 21 points and the Burnet high point boy was J. Perkins, who had 20 points.

Friday night, January 11, the S. A. teams ventured to Marble Falls to meet the Marble Falls Mustangs. In the girls game, Earla Buse again came out on top with 15 points to 6 points for L. Benting of Marble Falls. The

game ended with Santa Anna ahead 47 to 14.

The S. A. boys played Marble Falls to a score of 45-26 with Santa Anna coming out the winner. Freddie Cullins was high point boy for S. A. with another 21 points.

Tuesday, January 15, there were three games played in the local gym with Bangs as the visiting team. The boys "B" team defeated the Bangs "B" team by a score of 39-11.

The S. A. girls also defeated the Bangs girls 33-26. High point girls was Earla Buse with 21 points, while Alice Fisher scored 12 points for Bangs.

The S. A. boys then made it a clean sweep for S. A. by defeating the Bangs boys 55-27. Pete Simmons had 12 points for S. A. and Jim Mathew had another 12 for Bangs.

Friday night, January 18, in another local tilt the S. A. girls were defeated by the Goldthwaite girls by a score of 22 to 31. Earla Buse was again high point girl for S. A. with 13 points. The Goldthwaite high point girl was M. Edgington with 14 points.

The boys then met the Goldthwaite boys in district play. Santa Anna was defeated by Goldthwaite by a score of 35-47. Twenty of S. A. 35 points were scored by Freddie Cullins, while 27 of Goldthwaite's 47 points were scored by Aldridge.

SECOND SEMESTER BEGINS

January 21 marked the beginning of the second semester at Santa Anna High School. This means school is exactly one-half over. During the fall the students look forward to Christmas time; during the spring semester the students look forward to vacation. For the seniors, it means they cannot miss any school and still get exempt from final exams. It is this reporter's wish that each of you students will study harder and make the spring semester better than the one just passed. Only you can do the job.

SENIOR NEWS

The seniors are busily engaged in looking over travel folders. They are looking for a place to go on the annual senior trip sometime in May. If anyone has any good ideas, the seniors would like to know about them.

CAMPUS CHATTER

Tommy Stewardson, did you have trouble with your pants the other day? A word of advice, always move easily and slowly when getting out of a car. Then you won't miss chemistry.

Snyder was well represented this weekend. Linda Reon and Orabeth Henderson were down for the football banquet, but were unable to go because of the weather. Bill Horne and Terry McIver entertained the girls though.

Speaking of the football banquet, it will be held this coming

Saturday. So be planning on it, football boys. Coach Smith announced in assembly that any change in dates should be reported.

Larry Fowler, who was the girl you were with Friday night? It looks like we are going to have a new couple on campus. Can you give us more information Sheila?

Geraldine French, who is Hill-ton Brooks? Or would "Puddies" be more appropriate?

SAHS lost a member this week. Paulette Craig moved to Corsicana. We hate to lose Polly, but hope she will enjoy going to school there. The Home Economics class surprised her with a party Friday afternoon. She had already gone home to help her mother pack; but Wanda James and Mrs. McQueen told a little white one to get her back to school. That's pretty slick work.

SAHS has also gained a new member. Miss Ollie Kuykendall has joined the faculty as counselor. Welcome to Santa Anna, Miss Kuykendall.

Peggy Hawkins, who was that boy with you Friday night? Rumor has it he's from Coleman. It is true?

Bobbie Niell and Bob House enjoyed a birthday party Friday night. Delbert McQueen seemed to enjoy it too, since it was for his girl friend. It is a shame the present failed to arrive in time, isn't it, Delbert?

Neison Perry had a date with a girl in Coleman Friday night, too. These boys won't talk much, but we'd like to know more.

Why is Linda Pittard always visiting in Lawn? Is his name Jim?

Karen Jones had a movie date with a Coleman boy over the weekend. We'd like to know more.

Gary Sudderth and Nancy Williamson were having a little trouble over the weekend. We hope you worked things out, kids.

Tommy Hays, what happened to your fishing trip?

Mac Boyet was seen riding around town Friday night with an unknown girl. Our spies must find out more.

Geneva Taylor and Brenda Densman had an opinion list on the bulletin board last week about some out-of-town boys.

Pete Simmons had supper with Linda Horner recently. The biscuits were slightly burnt, but he overlooked that.

Terry Moore, was it too icy for a date Saturday night? Too bad Karen had to go to the movie alone.

John Dillingham, Ruth Ann would like for you to keep your telephone calls straight.

Bob, what caused those scratches on your legs? Watch that wire next time.

Clara Wright keeps that trail to the post office hot. Her one and only is now in Alabama.

Donna Walker, what happened to Larry Fowler's pick up Sunday afternoon? It seems he couldn't find it. Maybe we should ask the student council president.

Sheryln and Emmitt had a date Saturday night.

Gary Fleeman of Ft. Hood came to see Ruby Buse over the

weekend. Did you enjoy playing "Easy Money." Sunday, Ruby?

Sandra and Larry W. are looking forward to their trip to San Antonio.

Margie, why didn't you know your shorthand Monday? Yes, we know, Tom came in over the weekend.

Dessa, why is it you like third period study hall so well? Sheila and Annedia, did you have fun riding around Friday afternoon?

Sue Buse, who says, "What do I want when I look like this?" Lawanda and Gary H. seem to be seeing a lot of each other lately.

Well — that's all the gossip from this rovin' reporter. Until next week — good night yeksulC m neraK — wherever you are.

POOR CHILD

The following was taken from a magazine:

COLLEGE PROFESSOR: Such rawness in a pupil is a shame.

Lack of preparation in the high school is to blame.

HIGH SCHOOL TEACHER: Good heavens, what crudity; the boy's a fool!

The fault, of course, is in the grammar school.

GRAMMAR SCHOOL TEACHER: From such stupidity may I be spared;

They send them up to me so unprepared.

PRIMARY SCHOOL TEACHER: Kindergarten blockhead! And they call that preparation.

Worse than none at all.

KINDERGARTEN TEACHER: Such lack of training never did I see;

What kind of woman must the mother be!

THE MOTHER: Poor helpless child. He's not to blame.

His father's folks are just the same.

MISS PERSONALITY

Likeable
 Always smiling
 Working constantly
 Attractive
 Never unhappy
 Does not like sports
 Always with Gary H.

Has good grades
 Only friendly
 Rich in character
 Neat
 Ever feminine
 Really likes the band

MR. PERSONALITY

Dashing
 An athlete
 Nice to people
 Neat
 Youthful

Way out
 Yes, he is cute
 Likes people
 Is a senior
 Energetic

NEW STUDENT

Jacky Pierce enrolled in high school this week. He is the son of Mr. and Mrs. A. C. Pierce and is classified as a sophomore. His father runs a truck. He is taking English, Algebra, World History and Agriculture. Jacky is from Mozelle.

WHAT WOULD HAPPEN IF:

Annedia Blount were sharp
 Bob House were a barn
 Randy Brown were white
 Terry Moore were less
 Clara Wright were wrong
 Barton Goodwin were good-
 loser

Linda Stanley were raleigh
 Bill Horne were a drum
 Mary Broadway were narrow-
 way

Pat White were purple
 Gary Rider were walker
 Jimmy Walker were runner
 Raymond Cupps were saucers
 Sharon Mays were wheat
 Sherry Drake were a duck
 John Dillingham were Dilling-
 steak

CHUCKLES

Carole Campbell: "What happens when the body is immersed in water?"

Linda Evans: "The phone rings."

Judy Moore: "Oh Mother, an auto as big as a barn just went by!"

Mrs. Moore: "Judy, why do you exaggerate so? I've told you ten thousand times to stop it."

Mr. Bowen: "Frank Valdez, what is raised in countries that have wet climates?"

Frank: "Umbrellas."

The following letter was written by John Dillingham: "Dear Doctor: My prize sheep is seriously ill from eating a complete leather-bound set of Shakespear. What do you prescribe?"

Answer: "Am sending the Digest by return mail."

Visitors to the capital in Washington may go through the building from 9 a. m. until 4:30 p. m.

Austin — Serving as Governor of Texas should be a snap for John Connally.

Any man who can wage a rigorous, 12 months campaign for Governor, such as he has done, reorganize the state government, plan and participate in all the ceremonies he has been through since his election and inauguration, and assume all the allied responsibilities related thereto... should find the task of being governor a cinch.

It seemed like half of Texas was in Austin to see the first mass turnover in state government since Jimmy Allred took over from "Ma" Ferguson in 1935.

Man of the hour was, of course,

John Connally! Bus loads of people, both from his old hometown of Floresville and his latest hometown of Fort Worth, came to Austin for the festivities that surrounded his inauguration as governor.

Inauguration Day tied off with an interdenominational prayer breakfast and the dignity of the day carried over to the high-noon swearing-in ceremony in front of the State Capitol.

Some 5,000 people clustered on the capitol lawn as Governor Connally and Lieutenant Governor Preston Smith solemnly took their oaths of office from Chief Justice Robert W. Calvert of the State Supreme Court.

Both Connally and Smith expressed a sincerity of purpose and a real desire to work with the 58th Legislature in pushing progress for the state... while holding down spending.

When Governor Connally presented his plan for progress to a joint meeting of Senate and House members, on the following day, he was met with applause that many legislators felt never had been equaled.

Majority of the legislators said that they felt they could support him "most of the way." All praised his "tremendous grasp of state government," and said if there were differences between the governor and the legislature, such differences could be worked out.

Many were pleased to see Connally urge the strengthening of family sanctity laws. He recommended: An end to common-law marriages; a 90-day waiting period for divorces, prohibiting remarriages until six months after a divorce; and requiring both parents to appear in court when a divorce involves children.

His views on upgrading higher education were approved almost unanimously. But there was quite a bit of disapproval of his proposal to combine the Game and Fish Commission and the State Parks Board. Opposition was based largely on the idea that the Game and Fish Commission would suffer.

EQUAL RIGHTS

The perennial battle for women's equal rights will hit the limelight in the Texas Senate early in the 58th Legislative session.

Senate constitutional amendments committee set public hearings for 7 p. m., January 30, on a proposal to give women equal legal rights. Proposed constitutional amendment was submitted by Sens. W. T. Moore of Bryan and Bill Patman of Galveston.

VOTE AGE TARGET

Rep. V. E. "Red" Berry of San Antonio wants the minimum voting age in Texas lowered to 18 years.

Berry has filed a bill which would propose a constitutional amendment allowing the Legislature to make the change.

Present law requires voters to be 21 years of age.

COST CUTTING BILL

A bill to create a commission to study ways to cut costs of Texas' government is on file in the House of Representatives.

Rep. R. H. Cory of Victoria said his bill would create a "little Hoover" commission composed of 12 members. Three members would come from the House, three from the Senate, and six would be appointed by Governor Connally, who also has recommended formation of the commission.

Cory said his bill has been passed by the House on five different occasions but never passed the Senate.

STOCKMEN RAISING FUNDS

Texas Livestock Auction Association is sponsoring a drive to help raise the \$1,000,000 still needed to meet the Southwest Animal Health Research Foundation's \$3,000,000 goal to stamp out the screwworm.

Texas' screwworm eradication program will come to a halt in March unless the million is raised.

Governor Connally recommended that the legislature quickly determine whether the screwworm eradication program is in trouble. Result was a hurriedly called hearing, attended by about 30 legislators and as many livestock producers and animal health officials.

Eradication supporters told legislators that the program reduced screwworms by 70 to 90 per cent its very first year, but the \$5,000,000 spent to date will be wasted unless the job is finished. It is viewed as a three-year program.

Three-fifths of the money spent so far has come from federal funds, and two-fifths from the livestock producers.

The \$12,000,000 program is a true, matching one: Uncle Sam will continue his payments toward the \$6,000,000 he promised, so long as the producers and the state combined are matching his payments.

So far, the state has paid nothing into the program. But the Texas Animal Health Commission has urged an immediate appropriation of \$1,400,000.

Governor Connally has stated that he would ask for such an emergency appropriation if the legislature learns that the program is in danger.

SMALL-TOWN BOOST PROPOSED

U. S. Congressman Wright Patman's worry that an "overwhelming percentage of the smaller towns and rural areas of East Texas are going downhill" is shared by at least two legislators.

Reps. Joe Cannon of Mexia and H. G. Wells of Tulla spread their concern over economic ills in East Texas to rural areas all over the state. And they have come up with a scheme to bolster the moral and economy of rural counties.

Under their plan, counties with less than 45,000 population would receive a two per cent refund of the sales tax collected by them. This money would go to county judges, who in turn would distribute it to city councils to be used to advertise for new industries and offer incentives to industry.

Wells estimated that 200 counties would be eligible to receive a sales tax rebate, and that \$1,000,000 would be distributed the first year.

Main object, Wells said, would be to save counties which recently had some prosperous small towns but which have suffered from being by-passed by highways or from an exodus of citizens who have moved to metropolitan areas.

IMPACT IN SUPREME COURT

Waggoner Carr made his first appearance before the State Supreme Court as attorney general when the high court heard the case of the state versus the city of Impact. Impact is a satellite of "dry" Abilene which proposes to operate "wet."

Carr made a brief argument for the state, but turned the major presentation over to Tom Eplen of Abilene, and former State Senator Clint C. Small, who have worked on the case for about three years.

MARCH DRAFT 404

Texas' March quota for draftees is 404 men.

"This is more than double the calls of recent months," says State Selective Service Director Col. Morris S. Schwartz.

February quota was 173 and the January call was for 163 men.

OATH TAKEN

Crawford C. Martin of Hills-

boro has been sworn in as Texas' Secretary of State.

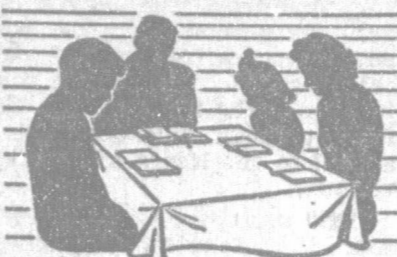

Ceremonies were held in the Texas Senate where he served for 14 years.

He took the oath as the first constitutional state official appointed by Governor Connally.

Oath was administered by Chief Justice Robert W. Calvert of the Supreme Court.

Several hundred persons were present, including legislators, appellate judges and friends, with a delegation of more than 100 on hand from his home city and county.

Today's MEDITATION
from
The World's Most Widely Used
Devotional Guide

The Upper Room
© THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Acts 16: 6-15

During the night a vision came to Paul: a Macedonian stood there appealing to him and saying, "Come across to Macedonia and help us." (Acts 16:9. NEB.)

On his second missionary journey, Paul had reached the port of Troas in Asia Minor. It was here that his vision of the Macedonian convinced him that the Holy Spirit was calling him to cross the sea. At Philippi, he spoke to a group of devout women who gathered by the riverside, and a church was established in that city.

In a later day, Francis Asbury heeded a similar call and crossed the Atlantic Ocean to spend almost half a century ministering along the American frontier.

Our own "Macedonia" may be closer home. It may be a worthwhile cause in need of volunteer

helpers. It may be a needy family or some individual—and the need could be spiritual as well as material. Whatever the appeal, let us always pay heed when the Holy Spirit calls us to serve our fellowmen.

PRAYER:

We pray, our Father, that we may hear Thy call when it comes to us and be ready to serve Thee by serving our fellowmen in their need, whatever that need may be. In the name of Christ, who taught us to pray, "Our Father who art in heaven... Amen."

THOUGHT FOR THE DAY

Our love for Christ is measur-

ed by our response to His call to service.

Cameron F. McRae (Michigan)

Removing Screws In Gun

When removing screws to dismantle a shotgun or rifle, make sure the screwdriver blade fits the slots.

If the blade is too large, or too small, it can damage the surrounding metal.

If necessary, file the blade to the proper size before using to loosen small, tight-fitting screws.

GO TO CHURCH SUNDAY.

SPECIAL NOTICES

Citation by Publication THE STATE OF TEXAS
To: O. C. Jones Defendant,
Greeting:
You are hereby commanded to appear before the Honorable 35TH DISTRICT Court of Coleman County at the Court House thereof, in Coleman, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 4th day of March A. D. 1963, then and there to answer Plaintiff's Petition filed in said Court, on the 30th day of October A. D. 1962, in this cause, numbered 8701-A on the docket of said court and styled Monnie Jones Plaintiff, vs. O. C. Jones Defendant.
A brief statement of the nature of this suit is as follows, to wit: That Plaintiff is a bona fide resident of the County of Coleman and has resided in said county for more than six months and in the State of Texas for more than 12 months preceding the filing of this petition and that Plaintiff and Defendant were lawfully married in Runnels County, Texas, on or about the 19th day of October, 1926, and permanently separated

WHILE THE HOUSE was getting organized, the Senate began the session with its usual battle over civil rights. The radical-liberals in the Senate want to change the rules so they can force through bills designed to appeal to the Negro and radical voters.

That prompted Senator Dirksen, the Senate's Republican leader, to do the revolutionary thing — he urged that the Senate put all nonsense aside, including long, dreary, filibustering speeches, and get on with its important business!

If the Administration has its way, and if the budget message of last week is followed, the public debt will skyrocket upward this year to \$315 billion — about a \$15 billion jump. Hopes that the President (after pleading for a tax cut) would favor a reduction in non-essential spending were dashed when the budget was released.

It called for increases in particularly every branch of the government. He asked for 36,000 new federal employees, a half dozen new federal programs, and an expansion and continuation of all the old ones. The budget — if the \$13 billion tax cut is approved — contemplates a series of ten-billion-dollar-plus annual deficits.

THE CONGRESS MAY BALK at this unprecedented spending program, but liberals and free-riders are present this year in considerable numbers. In my judgment it would be a mistake to approve new and expanded programs that are not related to national defense. Many of the old programs should be reduced or eliminated. Then, and only then, would it be wise and prudent to reduce taxes.

ELSEWHERE ON CAPITOL HILL, Attorney General Bobby Kennedy hit the headlines. Members of the Kennedy family—12 in number—rushed to the Supreme Court to hear Bobby take part in an argument about a civil rights case from Georgia. But the nature of the case was not what attracted the attention. It was the first time in his life the Attorney General had ever argued a case in a courtroom — not even in a Justice Court — and the family turned out to hear and see Bobby in his first venture into active courtroom practice.

Grow Your Own Duck Blind Building a good duck blind is something of a chore.

Result is not half as effective as growing one on the spot. You can make a most natural looking blind by planting millet seed (a fast grower) about a foot wide around a wooden frame on a lake or stream bank that inundates.

Millet is a fast grower. But it must have a spring rise and summer drying.

If planting is done about three months before duck season, you'll have a thick growth of grassy stuff that's just right in height, ready for the fall shooting.

Emergency Knife If you lose or forget your knife you can still dress that big game you just shot.

Flatten the open end of a used cartridge and sharpen it on the nearest stone. This really works.

Attendance At Church Services

Evening Worship (7:00) 29

Sermon topics for Sunday, January 27: Morning, "Jesus is Calling," Luke 15:11-32; Evening, "Is Your All On The Altar?" Rom. 12:1-3.

FIRST BAPTIST CHURCH
Enrollment 287
Sunday School (9:45) 44
Morning Worship (11:00) 47
Evening Worship (6:00) 49
Training Union (7:00) 29

Sermon topics for Sunday, January 27: Morning, "Man in God's Kingdom," I Cor. 3:20; Evening, "Man and God's Law," Matt. 5:13-16.

NEW CIVIL SERVICE EXAMS ANNOUNCED

The United States Civil Service Commission has announced examinations for filling the following positions:

Physical Therapist, \$5,035 to \$8,045 a year, for duty in various Federal agencies in Washington, D. C., and in the U. S. Public Health Service throughout the country. Information on the requirements for qualification and how to apply is given in Announcement No. 295 B.

Correctional Officer (both male and female), \$5,035 a year, for duty in Federal penal and correctional institutions throughout the United States. Details on the requirements to be met and employment opportunities available in the Federal Prison System are given in Announcement No. SL-14-1(62).

Plant Quarantine Inspector, \$4,565 and \$5,540 a year, with the Plant Quarantine Division of the Agricultural Research Service. Jobs are located at seaports on the east and west coasts and Great Lakes of the United States, at border stations along the Canadian and Mexican borders, and at airports where international air flights enter the United States. Positions of Plant Pest Control Inspector positions will also be filled from this examination.

Further information is given in Announcement No. 298 B. Announcements and application forms may be obtained from many post offices throughout the country or from the U. S. Civil Service Commission, Washington 25, D. C.

TSA Suggestions For Safe Winter Driving

Some of the worst Texas weather of the winter season may be expected during January, according to J. O. Musick, General Manager of the Texas Safety Association.

"The perils of winter pavement are very much with us at this time," he warned.

"Motorists must care for their vehicles and reduce speed on slippery-roads, maintain longer distances between vehicles, make gradual rather than sharp maneuvers in braking and turning, and use reinforced tire chains for extra traction if driving during snow and ice conditions," Musick said.

He warned again that faulty driver vision — the inability to see danger in time to avoid an accident causes too many deaths and injuries on Texas roadways in winter.

He said many drivers fail to keep windshield wipers in top

HALF-PAST TEEN

condition. When bad weather strikes they are a hazard to themselves and others because they can't see.

"Check windshield wiper blades and arm pressure frequently," he advised. "An ounce of wiper arm pressure for each inch of wiper blade is recommended by engineers for most efficient operation."

He gave motorists these additional driving tips:

1. Use good tires, snow tires if you prefer, but in any event have a set of reinforced tire chains in your truck ready for snow or ice conditions.

2. Get the "feel" of the road. To avoid unintentional sliding and spinning of your wheels, occasionally try your brakes or gently press your accelerator while driving slowly as traffic and highway conditions permit. Then adjust your speed to road and weather conditions.

3. Follow at a safe distance. Keep well back of the vehicle ahead so you have plenty of room to stop. It takes from three to twelve times more distance to stop on snow and ice as it does on dry pavement.

4. Pump your brakes to maintain best steering control when braking on ice or slippery snow. "Pumping" is a fast application and release of the brakes one, two or more times per second. This gives short intervals of maximum braking separated by short intervals of effective steering while wheels are rolling.

"Snow and ice, early drakness, sudden snowstorms and splattered windshield are causes of the high auto death and injury toll at this time of year," the safety spokesman said.

"There's one sure way to cope with January driving. Be prepared for it."

Pine Lumber Best For Building Purposes

College Station — Are you planning to build a new home, car port, storage shed or other structure?

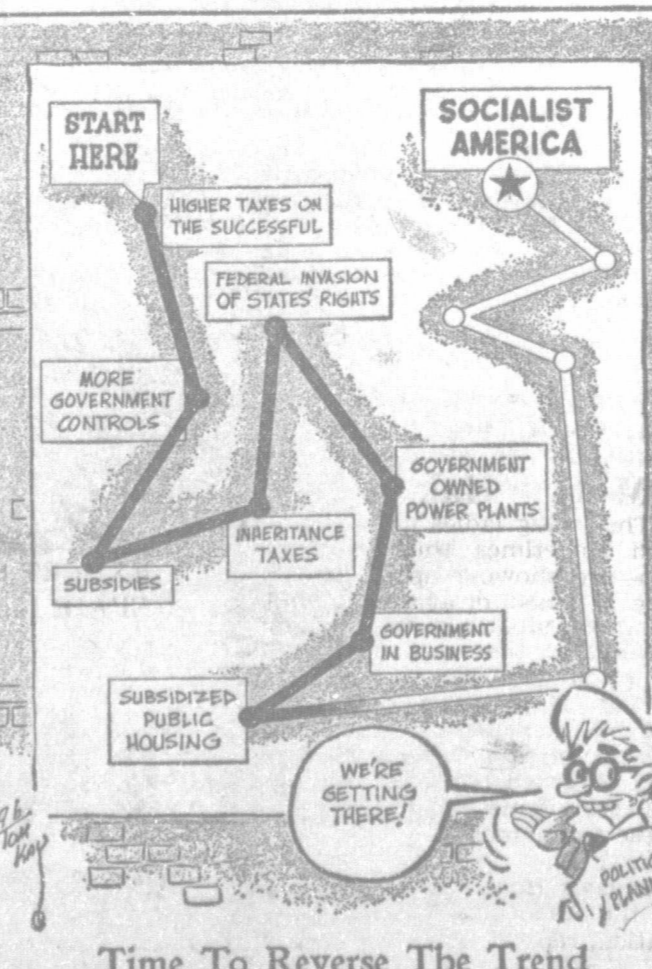

If so, consider using Southern yellow pine lumber. It is the strongest wood used for construction purposes, reports Bill Smith, extension forester at Texas A&M College, and Texas annually produces 500,000,000 board feet of this lumber, he adds.

Tests conducted by the Forest Products Laboratory of the U. S. Department of Agriculture prove conclusively that Southern pine has superior strength characteristics over some 9 other different kinds of lumber used for building homes and other structures, Smith says.

Homes and other wooden structures properly built of grade-marked Southern pine lumber will have superior strength, concludes Smith.

Attend church regularly.

**Darlene Mercer,
Tony Pirrello
Marry in Abilene**

Miss Blanche Darlene Mercer became the bride of Anthony Donald Pirrello Friday evening, January 18 at eight o'clock in the Chapel at Dyess Air Force Base in Abilene, Texas. The double ring ceremony was read by Chaplin John E. Cmeil.

The bride is a daughter of Mr. and Mrs. John C. Gregg of Santa Anna, Texas. Mr. and Mrs. Sam Pirrello of Rochester, New York are the parents of the bridegroom.

Given in marriage by her father, the bride wore a floor-length gown of white net and lace panels over taffeta. The molded bodice was fashioned with modified square neckline outlined with natural lace scallops and long sleeves ending in petal points at the wrist. The lace overskirt extended in points over the bouffant skirt of tulle and tiered peau de sole.

A crown of white velvet held her lace mantilla. She carried a cascade of feathered pink carnations topped with a white orchid. Her only jewelry was a ruby ring, a gift of the groom.

Attending the bride as matron of honor was Mrs. Teresa Chervert of Abilene. Her dress of pale pink lace over taffeta was designed with a shawl neckline, accented with a large pink rose, three-quarter length sleeves and a princess waistline. She wore a tulle headband of tulle covered leaves with a short scalloped tulle veil and dyed-to-match pink satin shoes. She carried a cascade of white feathered carnations topped by a pink orchid.

John Morgani of Dyess Air Force Base served as best man. Mrs. Pirrello is a graduate of Santa Anna High School. She attended Shannon School of Nursing, San Angelo Junior College and Hardin-Simmons University in Abilene. She is presently employed as a nurse.

Mr. Pirrello is a graduate of Rush-Henrietta Central School in New York and has been in the Air Force 2½ years. The couple planned a short wedding trip to south Texas. For the bride, Mrs. Pirrello wore a jacketed sheath of beige and sil-

MRS. ANTHONY D. PIRRELLO

ver brocade with pink accessories.

The couple will make their home at 1926 Edgemont Drive in Abilene for the present. Airman Pirrello expects to be transferred to New York State the latter part of March, where they plan to make their home.

Relatives and close friends of the couple attended the ceremony.

**Eastern Star
Regular Meeting
Held Monday**

Sixteen officers of the Santa Anna Chapter No. 247, Order of Eastern Star, filled their stations Monday evening, Jan. 21, at a stated meeting held in the Masonic Hall. Mrs. Billie Guthrie, Worthy Matron, opened the meeting in regular form, assisted by Montie Guthrie, Worthy Patron. The Worthy Patron led the group in repeating the Pledge of Allegiance. Minutes of the last meeting were read and approved.

Mrs. Rose Bass, Deputy Grand Matron of District 3, Section 5, was escorted to the East by Mrs. Carmer Donham, Conductress, and Mrs. Fay Mobley, Associate Conductress. Mrs. Bass gave her report on the 80th Grand Chapter, "The Gateway to Eternal Life Session," held in Houston. Mrs. Blanche Grantham and Mrs. Lillian Herndon gave a report on "Guiding Light School" of District 5, Section 1, held in San Angelo January 8.

After the business session, the meeting was closed. Mrs. Guthrie presented a program honoring her Star Point Officers. She presented each with a gift.

Mr. and Mrs. Dick Bass led the retiring march. The group then assembled in the Fellowship Hall, where Mr. and Mrs. H. W. Gray and Mrs. Nora Goen served sandwiches, potato chips, pickles, olives, cookies, coffee and cocoa to 16 officers and five members. Their table was laid with ecru lace cloth, centered with arrangements of red roses.

**DAUGHTER BORN TO
MR. AND MRS. ED FLOYD**

Mr. and Mrs. Eddie Don Floyd announce the birth of their first child, a daughter born January 18 at 1:15 p. m. in a Snyder hospital. Weight was six pounds, one ounce. The mother is the former Martha Priddy of Santa Anna.

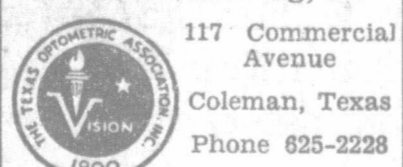

Grandparents are Mr. and Mrs. W. V. Priddy of Santa Anna and Mr. and Mrs. Edd Floyd of Snyder.

Mr. and Mrs. Priddy visited the Floyds Sunday. Mrs. Priddy remained for a weeks visit.

Texas leads all states in rail-way mileage with a total of 16,473 miles.

**Rockwood Quilting
Club Resumes
Regular Meetings**

The Rockwood Quilting Club resumed their meetings at the Community Center on the second Thursday of this month, with Mrs. J. P. Hodges as member hostess. An old favorite pattern, Dutch Girl, made up this delightful quilt of many soft shades.

On the third Thursday the favored member, Mrs. Earl Cozart, put in her Lone Star quilt, that had been set together with a background color of yellow.

Each hostess member served to those members that attended one or both of the meetings, Mmes. A. L. King, Henry Smith, Bill Steward, Bill Bryan, Hilton Wise, Evan Wise, Era Blackwell, Sherman Hellman, Fannie Bryan, Sam Hodges, Marcus Johnson, J. P. Hodges, Earl Cozart and Miss Bernice Johnson.

**Press Names Dan
Blocker 1963 Texan
Of The Year**

Austin — Dan Blocker, a really "big" man, will be the recipient of the Texas Press Association's 1963 "Texan-of-the-Year" award.

Announcement of his selection has been made by George Baker, president of the newspaper association and publisher of the Fort Stockton Pioneer.

The presentation to Dan Blocker, 3-pound co-star of the NBC-TV show Bonanza, will be made at TPA's Mid-Winter Meeting at the El Tropicano Hotel in San Antonio on Saturday evening, January 26.

Blocker, known on TV as Hoss Cartwright, was born in Bowie County, Texas, on December 10, 1929. He grew up in the Texas Panhandle and received his education in Texas.

The Texas Press Association, on behalf of its 76 member dailies and 432 weeklies, has presented "Top Texan" awards on two previous occasions. In 1961 the honor went to Paul Richards of baseball fame, a native of Waxahachie, who at the time was manager of the top-ranking Baltimore Orioles. Last year the "Texan of the Year" award went to Van Cliburn, world renowned pianist from Kilgore, Texas.

Selection of the "Texan of the Year" is made from nominations by Texas editors and publishers. Nominees must be well known Texans, outside the field of politics, now residing beyond the borders of the state, but bringing fame to the state by outstanding accomplishments in their chosen fields or endeavor.

**CIVIL SERVICE
EXAMS FOR
FILING CLERKS**

The United States Civil Service Commission has announced a new examination for filling clerical positions paying \$3,560 to \$3,830 a year in various Federal agencies in the Washington, D. C., area.

Appointments to these positions are apportioned among eligibles from the various States and territories. Persons entitled to veteran preference, and non-veterans from States in arrears of their apportionment quota, will be given first employment consideration.

The States of Kansas, North Dakota, Pennsylvania, Maine, North Carolina, Vermont, South Dakota, Nebraska, West Virginia, Maryland, and the District of Columbia are currently in excess of their apportionment quota. Therefore, applications will not be processed from persons who have legal or voting residence in these areas, unless they are entitled to veteran preference.

To qualify, applicants must pass a written test and have had appropriate education or experience. Applications must be filed with the U. S. Civil Service Commission, Washington 25, D. C. They must be received or postmarked not later than January 21, 1963. Announcement No. 296 gives full information on the requirements to be met and instructions on how to apply.

Civil Service announcements and application forms may be obtained from many post offices throughout the country, from your nearest Civil Service Commission Regional Office, or from the U. S. Civil Service Commission, Washington, 25, D. C.

**HEALTH AND SAFETY
TIPS FROM THE
AMERICAN MEDICAL ASSN.**

Modern Hair Styles

The young ladies nowadays — and sometimes their mothers, too — are showing up at the office, at school or at a party with a variety of elaborate new hair styles that the men often find somewhat baffling.

Most of the new puffed up hairdos depend on roughing, backcombing or teasing the hair to give added body to the newest style. Some other names for these techniques are ratting and lacing.

Today's Health, the Magazine of the American Medical Association, reports that roughing or

Producers Association of Amarillo, Texas Technological College and Texas A&M College.

Dr. Stangel said the Western states offer one of the greatest market potentials for grain sorghum produced in West Texas, and one of the principal reasons for visiting these states is to help develop new markets for West Texas grain products.

This year the West Texas delegation will visit the Tucson-Casa Grande area of Arizona, the Los Angeles area, and the San Francisco-Stockton sectors in California. Livestock feeding facilities in all of these areas will be visited, grain storage and distribution facilities, and other points of interest.

There are still seats left on the special train, he said. The price is \$245.00, except for those in the Fort Worth-Dallas area where increased rail fares make the price \$255.00.

Reservations may be made by writing the West Texas Chamber of Commerce, Box 1561, Abilene, Tex., and enclosing a check for the cost. Reservations will be limited to 200, and the deadline for accepting reservations will be February 2, Stangel said. Complete instructions as to boarding the special train, departure and arrival times all along the route, and other details will be mailed to all of

those making reservations.

Mrs. R. F. Watson of Irving is visiting this week with her parents, Mr. and Mrs. W. E. Vanderford.

Car-Top Boat Storage

Outdoorsmen often have a problem storing their car-top boats.

This can be done easily if the hunter or fisherman will mount a 400 or 500 pound capacity block and tackle to the center beam of his garage.

Then simply drive the car into the garage, hook on the tackle and raise the boat off the top of the car high enough to be out of the way.

This safely stores the boat out of the way until the next trip.

NOTICE

**TO THE OWNERS OF LOTS IN THE
SANTA ANNA CEMETERY**

Members and Directors in regular session January 18, 1963, voted that no independent workers would be allowed to work lots in the Santa Anna Cemetery on a commercial basis after April 1, 1963. Lot owners may work their individual lots.

A motion was also carried that General Rules Section 1 and 2 be brought to the attention of the public by publishing same in The Santa Anna News, as follows:

RULE 1: The Santa Anna Cemetery Board shall at all times have legal custody and possession of all lots, walks, drives, avenues, grounds and other properties situated and held in said cemetery.

RULE 2: Proper care and policing of the grounds of the cemetery, location and grade of lots, walks, avenues and drives and all improvements made therein are under the exclusive control of the Board, and its authorized agents.

The action is intended to help the Association keep the cemetery in a much improved condition.

By Order of the Board of Directors

**It's Time For...
EYE CARE**

Dr. Newton K. Wesley
WHAT IS AN EYE
EXAMINATION?

There are 185 million Americans who are in need of eye care—and there are approximately 30,000 people in the eye field who can take care of this need. These are the people who can correct your vision, if possible.

The reason there are not more in this field is because the public, for the most part, is unaware of the necessity of eye care. Few people understand that a professional eye examination can entail as many as 46 or more different phases.

Most people think of their vision only in terms of 20/20, but this is not the only factor involved. How is your depth perception? How fast do you read? How slowly? Do you know for sure you are not color-blind? In a factory where color is an important item, we learned that no employee had ever been given a color blindness test.

As people become more aware of eye care, much blindness will be prevented. Most organizations concerned with vision, such as the National Eye Research Foundation, claim that 50 per cent of all blindness could be cured if only we were to have our eyes examined regularly. At present, it is estimated that 30,000 people will lose their vision one year from the day you read this column.

Don't take chances with your vision—have your eyes examined soon.

About Your Health

Cancer is often spoken of as one of the "silent" diseases. This is because in many cases cancer develops without producing any symptoms. Pain, which is most often thought of as accompanying diseases, is not generally present until cancer is far advanced.

Most cancers can be treated satisfactorily if detected in the early stages. The difficulty in cancer control, then, lies in early detection of the disease.

Only a physician can tell if cancer is present. Any suspicious symptom should be examined by the family physician. But often, by the time symptoms of cancer show up, it is too late for cure. Treatment of advanced cancer is difficult.

Good insurance against this silent growth is a regular, at least yearly, physical examination.

All physician's offices should be cancer detection centers. The family doctor is the front line against cancer. For a physical check-up, whether cancer is suspected or not, the personal physician is the logical person to see.

If cancer is suspected, the family doctor may refer his patient to a specialist, if necessary.

A top-to-toe physical examination will include inspection of

the body surfaces, followed by examination of various organs such as the heart, blood vessels, lungs, mouth, nose, ears, eyes, throat, abdomen, rectum, sex organs and breasts.

The blood, urine, uterine cells, or other body fluids may also be examined or tested. X-rays of the chest and other parts of the body and a proctoscopic examination (visual inspection of the lining of the rectum and lower bowel with a lighted tube) may also be performed by the physician.

A proctoscopic examination has increased in importance because frequently cancer of the colon and rectum can be discovered in this way.

If a physician suspects cancer, a biopsy may be performed and if possible a sample of the suspect tissue sent for microscopic examination by a pathologist. Cellular tissue examination frequently establishes the diagnosis of cancer.

The individual is the key to the prompt diagnosis of cancer. For only if a person presents himself to his physician can suspicion of cancer be made.

With regular physical check-ups the "silent" disease can be detected. (A weekly feature from Public Health Education, Texas State Department of

Rockwood News

By MRS. JOHN C. HUNTER

The Rockwood community is planning a family night supper and game party for Saturday evening, January 26, at the Community Center. Each family is asked to bring a meat and a salad or a vegetable and sweet, also dominoes and card tables.

Mrs. John X. Steward is visiting her parents, Mr. and Mrs. Henry Barker in Brady. Mrs. Barker recently suffered a stroke.

Mr. and Mrs. Edgar Shelton visited Sunday afternoon with Mr. and Mrs. M. A. Richardson.

Kelley Estes of Sweetwater spent last week with his grandparents, Mr. and Mrs. Sam Estes. Mr. and Mrs. S. H. Estes came for him Sunday.

Mr. and Mrs. George Cobb visited Friday evening with Mr. and Mrs. Marcus Johnson. Sunday guests in the Johnson home were Mrs. Damon Evans of Brownwood and her guest, her mother, Mrs. J. S. Heflin of San Angelo.

Mr. and Mrs. Cecil Richardson and boys were Sunday guests with Mr. and Mrs. Fred Jones and family at Fisk.

Recent callers with Mr. and Mrs. Fox Johnson were Mrs. Kate McIlvain, Mr. and Mrs. Otto Smitherman, Mr. and Mrs. Marcus Johnson, Nikki and Miss Bernice Johnson and Kenneth

Health.)

Brusenhan.

Miss Bernice Johnson visited Tuesday morning with Mrs. A. L. Crutcher and Ludy Jane. Mrs. Kate McIlvain and Mrs. Mena Shuford visited Wednesday afternoon.

Mr. and Mrs. A. L. King were in Fort Worth Monday for funeral services of A. F. Rothermel, a brother-in-law, who passed away Friday evening in a Brownwood hospital. Mr. Rothermel of Fort Worth, was a railroad man and was ready for the return run to Fort Worth when he became ill and was taken to a hospital.

Mrs. Era Blackwell spent last Thursday night with Mr. and Mrs. Howard Blackwell and girls in Coleman. Barbara, Diane and Brenda came home with her and visited Friday to Sunday. Mrs. Lee Miller accompanied Mrs. Blackwell and spent the night with Mr. and Mrs. C. N. Davenport.

Mrs. George Chapapas and Mrs. Chapapas Sr., of McAllen spent Sunday night with Mr. and Mrs. Bill Nevans.

Mr. and Mrs. J. D. Ashmore of Eldorado visited Friday to Sunday with Mr. and Mrs. F. E. McCreech.

Congratulations to Jo'ed Wise who placed second with his heavy finewool lamb at the Abilene Show. Mr. and Mrs. Joe Wise and Hank were at the show on Monday.

Mr. and Mrs. Tony Rehm announce the birth of a granddaughter, born to Mr. and Mrs. Monte Robicheaux of Fort Worth Wednesday, January 16. The baby girl weighed seven pounds and eleven ounces and was named Christie Lee. The other little daughter, Kelley, has spent the last few days with the Rehms and she and Mrs. Rehm went to Fort Worth Tuesday.

Shields News

By MRS. E. S. JONES

Mrs. Ione Caton of Santa Anna and Mrs. Rastus McClure were visitors when the Quilting Club met Tuesday afternoon, also a new member, Mrs. Ema D. McClain. During the business meeting the club voted to give five dollars of the club fund to the March of Dimes. A quilt was completed for the hostess, Mrs. E. S. Jones.

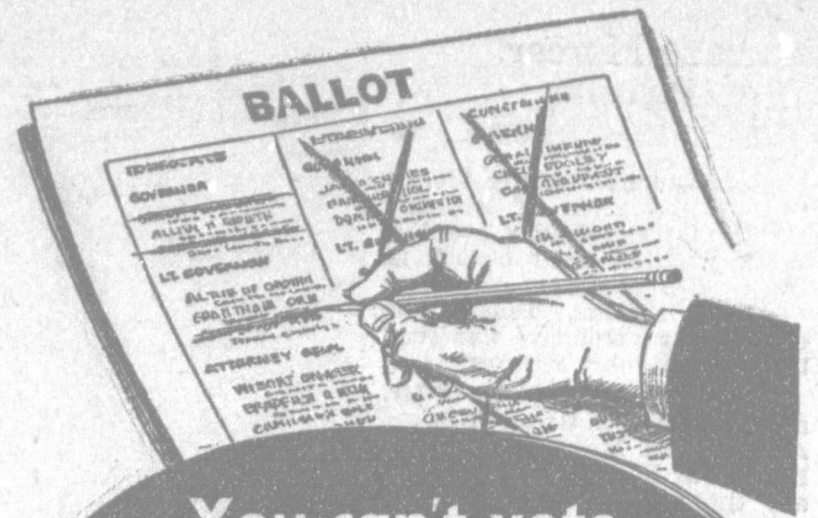

Gerald Harper of Abilene spent Saturday night with Larry Fowler.

Mrs. Roy Swafford and Mrs. Bessie Carter of Portales, New Mexico and Mrs. David Zirkle and boys of Abilene were guests of Mrs. Lillian Lewellen and Mrs. Bessie Stewardson during the weekend.

Mr. E. R. Eppler visited in Abilene Sunday with his son, Audrey and family.

Tuesday Mr. and Mrs. G. C. McDonald were in San Angelo on business and visited with Ann and Essye Ashford.

Mr. and Mrs. Otis Bivins returned from California Friday. They had visited the past two weeks with relatives at Keyes, Pleasanton and Riverstide. The

points of interest they visited were: China Town and Fisherman's Wharf in San Francisco, Palm Spring, also Disneyland and Knotts Berry Farm at Anaheim.

Visitors in the O. C. Yancy home Sunday were Mr. and Mrs. Edward Densman and children of Priddy and Mr. Novel Densman of Coleman.

John Dillingham entered lambs in the Abilene Stock Show.

Mrs. Collins Price and Miss Thelma Smith of Abilene, Mr. and Mrs. Buster Woodard of Santa Anna and Mr. and Mrs. John Loyd and children were visitors with Mr. and Mrs. Bill Price Sunday.

Quail Expert To Head Panel At Breeders Session

Austin — Joe Davidson, quail biologist for the Game and Fish Commission, is scheduled to be chairman of a panel discussion on bobwhite quail at The North American Game Breeders and Shooting Preserve Association, Inc. convention in Dallas, January 13-15. The meeting will be held in the Baker Hotel.

An unusual field trip has been planned for the first day. According to W. J. Cutbirth, assistant executive secretary for the Commission, Joe Davidson, along with W. B. Mason, owner

of the Snug Harbor Resort, Carrollton, have lined up an interesting demonstration in the field of hunting bobwhite quail and pheasant, as well as mallards if the conditions are right. Davidson reports that the Snug Harbor skeet field will be open for clay target shooting and he will have extra shotguns for those who wish to try their hands at a fast round of skeet. The field trip will be highlighted with an old-fashioned Texas barbecue. Cutbirth will deliver the welcoming address to the convention.

On the panel with Davidson, who will discuss quail, will be Dave Howe, Gunners Mark Preserve, Henderson, Colorado, to talk about chukar partridge; Dr. George V. Burger, Remington Farms, Chestertown, Md., will discuss mallards; Herv Graff, manager of Special Industry Sales, Ralston Purina Co., ringneck pheasants; and on a special panel will be Dr. Edward L. Kozicky, conservation director, Olin Mathieson Chemical Corp., East Alton, Illinois.

Sportsmen wishing to learn more about shooting preserves and game breeding are invited to attend the three-day session. A free program is available by writing NAGBA & SPA President, Sam McCluney, P. O. Box 312, Warrensburg, Missouri, or C. N. Gunn, Box 2450, Amarillo, Texas.

Whon News

By MRS. TOM RUTHERFORD

The weather is the big topic again over the weekend. Most everyone who was fortunate enough to get water pumps and water lines going during the week awoke Saturday morning to find everything frozen again. But we are thankful for the beautiful day today, Monday.

There will be a Birthday Supper at the Community Center Saturday night, January 26, honoring Mr. Bert Turney. I have been asked to remind anyone from anywhere who would like to come, to be sure and come to the Birthday Supper Saturday night. Just maybe Bert will tell you how old he is this date!

Mr. R. A. Baker of Midland spent from Friday to Sunday with his daughter, Mr. and Mrs. Darwin Lovelady and Randel. They visited Mr. Baker's brother, Mr. S. S. Baker, in Medical Arts Hospital, and with his son-in-law, Mr. Bill Newsom, in Memorial Hospital in Brownwood. We are sorry to hear Mr. Baker's condition not so good. But, Mr. Bill Newsom, following a heart attack is improved to date.

Mr. and Mrs. Rex Turney and children, Mark and Becky, of Santa Anna spent Sunday with his parents, Mr. and Mrs. Bert Turney.

Oscar Lovelady spent Saturday night with Guy and Alta Lovelady in Santa Anna.

Jamie Lee and Joe Floyd Morris spent the weekend with Mr. and Mrs. John David Morris in Coleman.

Mrs. Bert Turney and Mrs. Walter Yancy were shopping in Brownwood Thursday.

Cheryl Fitzpatrick spent Thursday night with Sandra Davis in Santa Anna.

Mr. and Mrs. Roy England are attending the Stock Show in Brownwood. They and their children, Mike, Cindy and Jana, are visiting her parents, Mr. and Mrs. Warren Gill there.

Mrs. Lon Minica of Midland and Mrs. Lowell Bearden and children of Snyder visited in the Darwin Lovelady home Sunday. Mr. Baker returned home with them.

Rex Turney and son, Mark, of Santa Anna spent Friday night with Rex's parents, Mr. and Mrs. Bert Turney.

Mrs. Darwin Lovelady and her father, Mr. R. A. Baker, visited with Mrs. Floyd Morris Friday afternoon.

Mr. and Mrs. Loyd Rutherford of Santa Anna and Mr. Sammie Shields were Sunday dinner guests with Mr. and Mrs. Tom Rutherford and Linda.

Becky Turney of Santa Anna spent Wednesday night with Jana England.

Mrs. Earl Cozart and Mrs. Aaron Avants were in Santa Anna Friday afternoon.

Mrs. Graham Fitzpatrick and boys were shopping in Brownwood Friday afternoon.

Cleveland News

By Mrs. Sid Blanton

Cold weather is the news of the week. I'm about thawed out and ready for the next one. Our nice remodeled home, I believe can stand any kind of weather now, thanks to Coleman Gas.

Mr. and Mrs. Jimmy Schulle and children of Coleman spent Friday night with her parents, Mr. and Mrs. Casey Herring and family.

Mr. and Mrs. Watson of Coleman spent Sunday afternoon with their son and family, Mr. and Mrs. Hollis Watson and Bill.

Mr. Billy Don Cupps spent Saturday night with his granddad, Mr. Elmer Cupps.

Master Rodney and Randy Sikes spent the week with their grandparents, Mr. and Mrs. Charlie Fleming.

Mr. and Mrs. Guy Cammack of Santa Anna visited Sunday afternoon with Mr. and Mrs. John Perry.

Mrs. Jewell Clifton visited Mr. and Mrs. Leon Day and Ricky of Coleman last Tuesday. Patsy

and Ricky were sick.

Mr. and Mrs. Bill Martin and son of Bangs visited with Mr. and Mrs. Virgil Cupps Sunday night.

Mrs. Freddie Blount returned from Brownsville last Saturday night, where she had been visiting in the home of her parents, Mr. and Mrs. Green.

Mrs. Johnnie Fleming was visiting in Ballinger Friday afternoon in the home of Mrs. W. L. Webb.

Mrs. C. T. Moore visited in Santa Anna Friday with her daughter, Mrs. Melvin Pollock and babies.

Mr. and Mrs. Charlie Fleming visited her dad, Mr. Elmer Cupps Sunday night.

Mr. and Mrs. Bruce Hibbetts visited Mr. and Mrs. Joe Wallace and children of Shields Wednesday night.

Bubba Swindell of Santa Anna visited Billy Don Cupps Sunday afternoon.

Mrs. Ella Cupps visited Wednesday in Santa Anna with Mrs. Roger Craig.

Mr. and Mrs. Roy West visited with Mrs. Jewell Clifton and children Sunday morning.

Visitors Sunday in the home of Mr. and Mrs. John Howard Sr. were Mr. and Mrs. Carl Matthews of Albany, Mrs. Minnie Calloway and Mr. and Mrs. J. E. Howard, all of Santa Anna. Mrs. Carl Matthews reported her dad, Mr. Claud Phillips of Albany (formerly of Cleveland) was doing fine.

Mr. and Mrs. Brownie Brooke and Susan were visiting in the R. W. Cupps home Sunday afternoon.

Mr. and Mrs. C. T. Moore and Terry were Sunday guests with Mr. and Mrs. Edd Hartman and family.

Mr. and Mrs. Kenneth Herring and children were dinner guests with Mr. and Mrs. Casey Herring and family Sunday night.

Mrs. Virgil Cupps spent Thursday in Bangs with her mother, Mrs. Mary Stephens and Mrs. C. E. Boyd.

Mr. and Mrs. Freddie Blount were business visitors in Abilene Friday.

Mr. and Mrs. J. E. Williams, Mr. and Mrs. Darrell Cupps and children and Mr. Rachel Cupps, all visited with Mr. Elmer Cupps Thursday night.

Mr. and Mrs. Charlie Fleming visited in Brownwood with Mr. and Mrs. Kenneth Sikes Sunday afternoon.

Mr. and Mrs. Buddy Benge and children were Sunday night visitors with Mr. and Mrs. Bruce Hibbetts.

Mr. and Mrs. Bruce Hibbetts reported their little grandson, Marty Avants of Gouldsburg, got his arm broke at school last week.

Little Tammy Blanton spent last Tuesday with his grandmother, Mrs. M. F. Blanton.

Trickham News

By Mrs. J. E. York
Telephone DU2-3336

Mrs. J. Y. Seward of Midkiff spent the weekend with her sister and brother-in-law, Mr. and Mrs. Marvin Whitley. Sunday afternoon the group visited in Goldthwaite with Mr. and Mrs. Julian Whitley and children.

Mr. and Mrs. O. J. Martin visited with Mr. and Mrs. Olf Martin in the Twilight Rest Home in Bangs and with Mrs. Grace Martin and Mrs. Beula Kingston in the Bangs Rest Home.

Mr. Gordon Stearns of Brooksmith was a bedtime visitor of Mr. and Mrs. Robert Stearns Thursday night.

Mrs. Louise Walker and children of Santa Anna visited Mr. and Mrs. Jack Dockery and boys Sunday. Other visitors during the week with the Dockerys were Mr. and Mrs. O. J. Martin and Mr. and Mrs. Bill Vaughn.

Mr. and Mrs. Marvin Whitley and Mr. Lige Lancaster visited Mr. and Mrs. Grady McIver Sunday night.

Mr. and Mrs. Brownie Brooke and baby of Brownwood visited Sunday with Mrs. Brooke's parents, Mr. and Mrs. R. W. Cupps. Mr. Jack Dockery and Mr. H. B. Dockery visited Saturday af-

**March of Dimes Pioneers Plan
To Improve Child Medical Care**

Top-quality medical care, though often capable of changing the whole life prospects of infants and children with crippling disorders, is unavailable to the majority of these patients.

That is why The National Foundation-March of Dimes is pioneering with a project designed to remedy this situation by financing a network of more than 50 treatment centers across the nation for birth defects, arthritis and polio.

But fully twice this number of centers is needed because of the magnitude of the problem. This urgent need is one of the chief reasons for the current March of Dimes campaign here this month.

"No other health organization in the United States, or for that matter not even the federal government, has attempted any such comprehensive network of special treatment centers," Basil O'Connor, president of The National Foundation-March of Dimes, said recently.

"We invested a great deal of study and thought in this project before we began in 1960 with the three pilot units patterned after our polio respiratory centers," he added. "But even with all this planning and preparation—which included medical conferences across the country—we did not foresee the full magnitude nor the urgency of the needs that these special treatment centers very soon brought to light."

Some Headway Made

"The thoughtful and compassionate generosity of the American public has permitted the March of Dimes to make some headway in meeting the research and medical-care problems posed by 250,000 infants born each year in our country with major birth defects; and the 42,000 children and adolescents crippled by some form of arthritis or rheumatic disease."

These treatment centers for birth defects, arthritis and polio, whose costs are borne directly by about 500 March of Dimes chapters as well as national headquarters, are affiliated with more than one-half

March of Dimes-financed treatment centers in great medical institutions like these care for hundreds of afflicted children.

of the medical schools in the United States. They are located from the Atlantic to the Pacific, from the Canadian to the Mexican borders.

'Health Teams' Used

Each provides continuous and comprehensive care for inpatients or outpatients by specialist members of "health teams." In the case of birth defects, this would often mean a pediatrician, a pediatric neurosurgeon, urologist, orthopedist, physical therapist, medical social worker, psychologist or psychiatrist, and others. Similarly, all of the special medical and other skills needed for the research study and the treatment of arthritis are enlisted in the "health teams" at the arthritis centers sponsored by the March of Dimes.

These March of Dimes-financed centers are the setting sometimes for family dramas where emotions range from despair to jubilation. More than once have parents given up hope for their child only to find that early treatment has made it possible for their youngster to escape seri-

ous disability or death. It is so often a matter of prompt action and expert treatment that makes the difference.

In a review of the progress in scarcely two years of these special treatment centers, Dr. William S. Clark, director of the medical department of The National Foundation-March of Dimes, reported:

The Guiding Principle

"What we have been achieving through our centers may seem breathtaking and miraculous to some people. But the underlying principle involved here is really very simple. It has been the guiding principle of The National Foundation-March of Dimes throughout its first quarter century, the anniversary of which we observe this month. It is this:

"Do something to prove that the best care can be brought out of our great medical centers and hospitals to America's doorstep in every town and village, and the American public, seeing that it can be done, will demand that it must be done. That's the March of Dimes in a nutshell."

**JACKIE MOBLEY
BACK IN SERVICE**

FORT POLK — Private Jackie E. Mobley, son of Mr. and Mrs. Jack Mobley of Santa Anna, Texas, is one of 27 "new recruits" currently undergoing Basic Combat Training and assigned to the same unit, who have had prior active duty service in a branch of the Armed Forces.

Private Mobley spent a four-year tour of duty with the Air Force, his last assignment being at Cape Charles, Va.

The veteran is in training here with Company I, 2nd Training Regiment.

Mahatma Gandhi was assassinated in India by a Hindu fanatic on Jan. 30, 1948.

Fort Worth Firm Low Bidder On 2 Construction Sites

Douglas A. Lott of Fort Worth was the apparent low bidder for construction of Sites 18 and 19 Northwest Lateral Watershed at a bid opening in Temple, January 14. These flood prevention structures, located in the Mozelle Community approximately 15 miles south of Coleman, are among the 20 scheduled for construction by the Soil Conservation Service in the Northwest Lateral Watershed. The Central Colorado Soil Conservation District will secure easements and land rights and encourage application of a conservation program in connection with the structural work. Arrangements have been made between the Soil Conservation District and the Coleman County Commissioners Court for maintenance of the F. P. structures after they are built.

Principal items involved in construction of two floodwater retarding structures are placement of approximately 102,000 cubic yards of compacted earth-fill material; 3,217 lb. of steel bar reinforcement in approximately 77 cubic yards of concrete and approximately 330 feet of 24" spun concrete pipe for construction of the principal spillways; salvaging and placing approximately 14,000 square yards of topsoil on the embankment and emergency spillways for establishing and growing grass; and construction of approximately 7,700 feet of net wire fence around the two dams and emergency spillways to protect vegetation from excessive grazing.

The contract is scheduled for completion within 133 calendar days from date of award and will be supervised from the F. P. Construction Office in Coleman with John P. Curtis as Project Construction Engineer, according to E. J. Hughes, Conservationist at Brownwood.
