THE AMERICAN WAY

WE DO NOT BELIEVE IN FREEDOM

By Harry Browne
Editor, Freedom Magazine

We do not believe in a free country.

Despite the platitudes uttered in high school civics classes — despite the political doubletalk — despite the attempts many people are making to "preserve" freedom — despite all of these things, we do not live in a free country.

On May 25, 1964, the Supreme Court of the United States decreed that Prince Edward County, Virginia, must open a "public school" system. The judges in Washington determined that the people of Prince Edward County must be forced to pay taxes for the type of school system the judges happen to favor.

If this is freedom, then please define the word for me.

No Choice

What kind of freedom is it when people of a community are forced by a far-off tribunal in Washington to run their lives in ways not in accordance with their own wishes?

This is not the first such example of the slavery that exists in America today. If you devote your life to producing a product or service that will help people, you are immediately told by the bureaucratic army under what circumstances you may exchange the fruits of your labor for someone else's product. You are told what price you may charge, what wages you can pay, who you can hire, who you can sell to, who you can't sell to, and who you can't hire.

And if you survive this totalitarian straitjacket, and somehow manage to have anything left to show for your labor, then the government forcibly takes away a good percent of what's left.

Is this freedom?

Is it freedom when no citizen can own gold? When on company can have the incentive to rise above a politically-established limit? When over 30 percent of all that we produce is confiscated by government — to be spent on projects that were usually rejected by the people in the free market?

True Freedom

What is freedom? It is the right of every individual to control his property, his own labor, and his own mind — without infringing upon the same freedom of others.

No, we are a far cry from freedom in America. And it is about time we recognized that fact. We are no longer engaged in a battle to "preserve" freedom; instead we are now fighting to obtain it.

The first step is to get the Liberty Amendment approved. That will return to the taxpayers half of the money now spent in Washington. This will get us started on the road to freedom.

Freedom is not "utopian." It is practical, moral and economically sound. It is the only workable method of organizing any human society.

It is about time that we get to work and bring it about in America.

2ND SUNDAY SINGING

The regular Second Sunday Singing will be held at the Assembly of God Church Sunday, June 14, between the hours of 2 and 4 p. m. Everyone is invited to attend.

Billy Campbell Home Burns Early Sunday

The home of Mr. and Mrs. Billy Campbell and Donnie was completely destroyed by fire about 1:30 a. m. Sunday. Cause of the fire is unknown. It apparently started in the ceiling above the bathroom and when it was discovered was already burning under the eaves of the house.

After calling the Santa Anna Volunteer Fire Department, the family began moving their household goods out of the house. Most of the bedroom and living room furnishings and their clothing were saved, but all their kitchen and dining room furniture was completely destroyed.

Mr. Campbell said he carried some insurance on the house, but did not have any on the furnishings.

DEATHS

Sister Of Mrs. R. B. Archer Dies

Mrs. L. J. Wilson, 87, a former resident of Coleman County and a sister of Mrs. R. B. Archer of Santa Anna, died at 9:45 p. m. Wednesday, June 3, at Houston. Mrs. Wilson lived in Coleman for 45 years, before moving to Houston 5½ years ago.

Funeral services were held at the Stevens Funeral Home in Coleman at 2:00 p. m. Friday. Burial was in the Coleman City Cemetery.

Survivors include one daughter, Mrs. Lillian Williamson of Houston; one brother, S. T. Curry of Dallas; one sister, Mrs. R. B. Archer of Santa Anna; three grandchildren, four great-grandchildren and one great-great-grandchild.

Services Held For Pete F. Trinidad

Funeral services for Pete F. Trinidad, 64, were held at the First Baptist Church at 10:00 a. m. Saturday, with the pastor, the Rev. Raymond Jones, officiating. Mr. Trinidad died at his home here at 3:00 a. m. Thursday, June 4, following a two-month illness.

Burial was in the Santa Anna Cemetery, under the direction of Hosh Funeral Home.

Born June 29, 1899, in Mexico, he had lived in Santa Anna the past 60 years. He was married to Victoria Montalbo in 1929 in Santa Anna. He was a member of the Baptist Church.

Survivors include his wife; eight sons, Pete Jr. of Santa Anna, Ray of Arlington, Lorenzo of Brownwood, and Larry, Benny, Eli and Hermilo, all of the home; three daughters, Mrs. Marcelina Martinez of Coleman, Della Trinidad and Rachel Trinidad of Santa Anna; a brother, Gregorio Rodriguez of Mexico and seven grandchildren.

Rites Wednesday For John Kemp Sr.

Funeral services for John William Kemp Sr., 79, were held at 2:00 p. m. Wednesday, June 10, at the Stevens Memorial Chapel in Coleman. Rev. Bobby Weathers, minister of the First Methodist Church of Santa Anna, was the officiating minister. Burial was in the Pottsville Cemetery, with Stevens Funeral Home in charge.

Mr. Kemp died in the Santa Anna Hospital at 4:30 p. m. Monday, following a lengthy illness.

A resident of Rockwood, Mr. Kemp had lived in Coleman County since 1944. He was born April 5, 1885. He was a stock farmer and member of the Methodist Church.

Survivors include his wife, Mrs. J. W. Kemp of Rockwood; one son, John W. Kemp Jr. of Pasadena; one step-son, Roy Gardner of Coleman; one step-daughter, Mrs. Ruth Traylor of Coleman; two grandchildren, eight step-grandchildren and nine step-great-grandchildren.

Also surviving are three brothers, Herman of Lamkin, Lawson of Graham and Otho of Hamilton; and five sisters, Misses Estelle and Millie Kemp of Lamkin, Mrs. Bess McGothin of Goldthwaite, Mrs. Lettie Hamilton and Mrs. Eula George, both of Energy.

Methodist Pastor Returned Here

The annual conference of Methodist Churches was held in Fort Worth last week. Rev. Bobby Weathers, who has served the church here for the past year, was returned to Santa Anna to continue his work during the coming year.

The News staff would like to join other friends in welcoming them back to Santa Anna. The Weathers family has made a host of friends during their stay here and have accomplished a great deal for the church during this time.

We feel it is an inspiration to the town to have a family of this calibre in our midst. We are happy they are to be with us another year.

All local churches have the same privileges, so far as the columns of The Santa Anna News are concerned. This has always been our policy, and will continue to be. All are invited to use the columns of The News in any way to further the Lord's work. All we ask is that you furnish us your copy as early in the week as possible and that you do not attempt to engage in any denominational activities.

Rev. Weathers has made good use of the columns of The News during the year. We think it has been good for us as well as the church and the town. And, we are expecting him to do the same in the coming year.

National Guard Encampment Is Month Away

Austin (Spl.) — It's still another month away, but 8,500 civilian-soldiers of the 56th Infantry Division are beginning now to point toward July 12-26 and make early plans for their annual summer maneuvers.

This year T-Patchers again train at sprawling North Fort Hood in Central Texas. When the men pull onto the rugged countryside, they will find plenty of hot, humid weather that probably won't break while each undergoes his own particular training objectives.

For the first time in division history, Maj. Gen. Selden Simpson, T-Patch commander, holds a social affair for division sergeant majors and first sergeants. The two-star commander, an Amarillo lawyer, will be the only commissioned officer in attendance.

It's purely a social affair between the commander and the two top enlisted grades. It's meant to draw the enlisted men and their commander closer together.

Another feature of this year's encampment is additional free time for the troops during the middle weekend, July 18-19. According to present plans as issued by Gen. Simpson, only skeleton crews will be required to remain in garrison areas. Time off is expected to start Saturday noon and run through Sunday night.

Governor John Connally has been invited to participate in the Division review, July 18. Elements of the outfit parade in spit-polished boots and crisp-starched khaki uniforms before a host of onlookers from the width and breadth of the state. Training for division personnel will be highlighted by a one-day command post exercise, Arrowhead II, it has been termed, will be staged for each of the outfit's battalions and higher elements July 21-22.

Gen. Simpson explained here this week that an area defense behind a covering force will be organized and after withdrawal of the force, the division will be subjected to a determined aggressor attack to which it must react.

The two-star commander said other training objectives included completion of the advanced individual training for those units converted from one branch of service to another because of reorganization to the ROAD concept a year ago.

Platoon and battery sized units continue to train at their current level. Infantry elements will insure that all rifle squads and platoons maneuver the live fire rifle squad and platoon attack course.

Maintenance continues to be emphasized, Gen. Simpson continued.

Local Swimming Program To Begin June 15

A meeting of the ladies of Santa Anna interested in the Summer Recreation Program was held Friday in the home of Mrs. Kenneth Bowker. Plans were made for the annual swimming instruction program, and it is hoped it will be possible to open the wading pool in the near future.

The boys part of the swimming instruction will begin Monday, June 15. The schedule will be the same as in previous years. The bus will leave from the high school at 9:30 a. m. The children will be in the pool from 10:00 to 11:00 a. m. and return home as soon as they are ready.

Instructors this year will be the coaches from Coleman, with Ronald Robbins in charge. The boys will go for three weeks, then the girls will follow the same schedule for three weeks.

Mrs. Lee Ray Huggins is chairman of the boys program and will need a lot of help in order to keep the program going. Mrs. Bruce Cammack is chairman of the girls program, and will also need plenty of additional help on the program.

Cooperation of all parents is urgently requested. If you are going to be able to ride the bus with the children on either program, you are requested to contact the lady in charge and offer your services. If the program is to be successful, the chairmen must have the help of several mothers.

Contact Mrs. Huggins at FTB-3305 and Mrs. Cammack at FTB-3529.

Contract Let For Road Construction

A contract for 1,022 miles of construction on S. H. 206 in Coleman County has been awarded to a Fort Worth firm, it was announced in Austin this week by the State Highway Commission.

W. E. Brittain Inc submitted the low bid of \$36,544 on the project. Asphalt concrete pavement from U. S. 84 in Coleman to F. M. 563 is expected to take 40 working days, according to Joseph M. Battle District Highway Engineer at El Paso.

Erle C. Mayo, Resident Engineer at Coleman will be in active charge of the project while it is under construction.

Civillia Garrett Completes First Part Of Nurse Training

Mrs. Civillia Ann Garrett has completed nine months of a three year program at the Shannon West Texas Memorial Hospital School of Nursing in San Angelo, Texas. As recognition of her full acceptance into the school, she received the school cap at a Candlelighting Ceremony held at San Angelo College Auditorium, June 5, 1964.

She is the daughter of Mr. and Mrs. Cleborne C. Slate of Midland and a graduate of Santa Anna High School.

HERE FOR SUMMER

Miss Sandy Osborne, daughter of Elder and Mrs. Ray Osborne has returned to Santa Anna from Tennessee for the summer.

Miss Osborne is a medical secretarial student at Southern Missionary College near Chattanooga, Tennessee. She will work as a clinic nurse for Dr. C. M. Henner this summer.

Fire Damages Grain Elevator

An early morning fire severely damaged the Continental Grain Company elevator here Wednesday morning. The Santa Anna Volunteer Fire Department was called out about 3:00 a. m. Some members of the department were still with the elevator until after daylight.

R. C. Smith, manager of the elevator, said he did not have any idea of the amount of damage Wednesday morning. The fire began in the very top of the elevator structure and most of the damage was confined to

that area. The lifting belts were severely damaged and some damage will result to some of the wheat stored in the elevator. The elevator was completely full of wheat.

Mr. Smith said workmen were on the job early Wednesday, making an effort to get the elevator back in operation on an emergency basis by about 4:00 p. m. Wednesday. He said the grain would be weighed and unloaded here, then loaded on trucks and hauled to Brownwood.

The elevator crew left the elevator about 12:30 a. m. for the night. The fire was noticed by the nightwatchman, Jim Lovelady, and reported about 3:00 a. m. Smith said it could possibly have been an electrical short that caused the fire, and it could possibly have started about the time he shut the machinery down for the night. This is only speculation though, as no definite cause has been determined at the time of this writing.

The fire department was severely hampered in their effort to put the fire out, because they could not get to the main fire area. The fire was confined inside the top structure and there was no way to get to it except by a stairway inside the elevator.

Walter B. Verner V-P Of Production Of Natural Gas Co.

Chicago — Walter B. Verner, formerly of Santa Anna, was elected assistant vice-president of production of Natural Gas Pipeline Company of America at a meeting June 2 of the Company's board of directors.

Verner, 41, was born in Santa Anna and attended grade school there. He graduated from Big Spring High School and from Texas Technological College, with a B. S. degree in chemical engineering.

Verner now resides in Houston where he had been superintendent of production since 1961. He joined the gas transmission firm in 1947.

Verner first served as a junior engineer in NGPL's Sulanett operations in the Panhandle. He was promoted to plant engineer, Stinnett, before moving to Chicago in 1950 as senior office engineer.

Verner later served as compressor station superintendent, Marshall, Tex.; compressor station and gasoline plant superintendent, Stinnett; and gas supply engineer, Amarillo. He held the latter post until appointed superintendent of production in Houston.

He served in World War II as a First Lieutenant in the U. S. Army Signal Corps.

Verner is married and has four children.

SBA Field Man To Be In Brownwood

A field representative of the Small Business Administration's Dallas Branch Office will visit the Brownwood Chamber of Commerce Office, Wednesday, June 17, 1964 from 9:00 a. m. to 5:00 p. m.

Any small businessman interested in obtaining information about SBA's business loans or other services may call for an appointment at MI-5-2646 or contact the SBA Field Representative on June 17, 1964, at the Brownwood Chamber of Commerce Office, 201 North Fisk Street, Brownwood, Texas.

Methodist Sunday Evening Emphasis To Continue

The M. Y. F., Nitia Daniell Circle and the W. S. C. S. of the First Methodist Church will continue their leadership in the present emphasis, now underway. The M. Y. F. now has a slight lead, but the other two organizations are close behind. If you have no church home in this community, you are invited and urged to attend the Methodist Church.

The goal for Sunday evening is 90.

Rev. Bobby Weathers, pastor, said, "We are counting on every one of these three organizations to be a good advertiser for their church."

State Capital NEWS

Austin, Texas — State Democratic party leaders here have completed advance preparations for a June 16 Texas party convention which could turn into a donnybrook or go off smooth as silk.

Action will take place at Houston's big coliseum and the swank Shamrock Hilton Hotel, convention headquarters.

Delegates and alternate dele-

gates who will cast the 2,834 authorized votes (some counties are sending up to 15 times their authorized strength) will be quartered in 27 hotels scattered all over Houston.

Big job is selecting delegates to the August national presidential nominating convention in Atlantic City and picking Texas national Democratic committee representatives.

Big argument is whether the convention will go on record as favoring the as-yet-unwritten national Democratic platform.

Gov. John Connally, who claims a two-thirds to three-fourths margin of control, prefers that delegates remain silent on the liberal national program. He wants to write his own state party platform at the September state convention along moderate-to-conservative lines.

Sen. Ralph Yarborough and State AFL-CIO President Hank Brown argue the convention not only should pledge its support to President Johnson (there is no argument about that) but to his liberal program as well.

Some 26 percent of the convention's seats are in contest.

Austin Attorney Will D. Davis, chairman of a State Democratic Executive Committee sub-panel on credentials, has instructed heads of 14 rival delegations from seven counties to send him advance written briefings on their positions.

Hearings will begin Monday (June 15) at 9 a. m. in the Shamrock. Recommendations of Davis' group will be passed along to the full SDEC, which will decide in an 8:30 a. m. Tuesday (June 16) session which delegations will be seated. The convention opens at 10 a. m.

Rival fund-raising events are scheduled Monday (June 15). The pro-Connally SDEC will stage a \$10-a-plate dinner to finance the convention. Yarborough's Gulf Coast friends have scheduled an appreciation dinner for the senior senator at the same time.

If President Johnson has any preference about how things should go, he apparently kept silent on them during his recent trip to Texas. Aides maintained to the end of the visit he did not discuss politics with his old friend Governor Connally, Senator Yarborough or anybody else.

CONGRESSIONAL REDISTRICTING
Texas Legislative Council study committee has set three

hearings to gather firsthand advice from the homefolks on how to form 23 Texas congressional districts of equal population. Dates are July 9, July 10 and July 17.

They will be held in Fort Worth, Dallas and Houston. Others apparently will follow.

Legislators, political party spokesmen and the general public from counties where the meetings will be held and surrounding counties are invited to attend the sessions and give their views on how best to comply with federal court redistricting orders, said Committee Chairman Sen. George Moffett of Chilton.

Atty. Gen. Waggoner Carr warned the committee that the 1965 Legislature must solve the congressional redistricting question.

Carr said, "The more you base it on any other considerations, the greater risk you run of having to go through the same thing again in the courts."

LOAN REGULATIONS ADOPTED

Small loan company advertising of such terms as "lowest costs," "quickest service" and "easy payments" is "misleading under new state regulations. All advertising claims by lenders are subject to the test of absolute accuracy.

Regulations were adopted after public hearings and go into effect on July 1. Regulatory Loan Commissioner Frank A. Miskell has announced.

Miskell lists other regulations as: No strong arm collection practices permitted... Companies must keep detailed records showing all charges on loans... Borrowers must be furnished copies of insurance policies purchased in connection with loans... Money collected must be turned over to the insurance companies promptly.

COURTS SPEAK

State Supreme Court in a Sweetwater case said cities, by ordinance, can establish compulsory retirement ages for policemen.

The high court also:

Held oil field truckers don't have to haul pipe at lower rates set by the Railroad Commission in 1962 until a court attack on the rates finally is settled.

Set arguments for July 8 on Dallas County Flood Control District's suit to keep the city of Irving from annexing district lands and on appeal of Dr. Daniel William Scott Jr. of Houston from revocation of his license by State Board of Medical Examiners order.

Court of Criminal Appeals was urged to reverse the murder conviction and death sentence of Carl Junior Hackathorn, 19, for slaying Mrs. Bobbie Jewel Nuttycombe, 18, of Dallas.

That court also was called on to order a \$100,000 bond reduced

to \$10,000 on Sameul Spivey, another 19-year-old, charged with robbery by firearms in a bizarre Houston robbery-torture case.

The attorney general's office asked federal court to dismiss state appeal of an interstate commerce commission order permitting higher passenger train fares in Texas.

STATE SCHOOL SITE

The big question of location of a newly-approved West Texas State School for the mentally retarded will not be settled until September, according to most recent reports from the Board for State Hospitals and Special Schools.

Board's site selection committee, made up of C. E. Bentley of Abilene, former Lt. Gov. Walter Woodul of Austin and Jesse M. Osborn of Muleshoe, has been visiting some 30 West Texas towns which are competing for the school.

BIG SHOPPER

The idea of a \$6,900,000 grocery bill would be enough to cause the average housewife (or her husband) to swoon, but that was the size of the State's grocery bill for fiscal 1963. When the overall item is digested, it points to thrifty shopping.

The \$6,900,000 fed some 40,000 inmates of state eleemosynary institutions, such as state hospitals, special schools, medical schools and correctional institutions. Cost of feeding each person under state care is about \$173.68 per person... and that shopping triumph should be enough to make the housewife green with envy.

State Board of Control, "Housekeeper for the State," and its purchasers have mastered the technique of conquering spoilage and waste problems to the point that it is looked on as a model by all the other states, Canada and Puerto Rico.

Purchasing Chief Sam G. Cook believes that inmates of Texas institutions are probably the best cared for and best fed of any in the country. He says it is because the state purchasing law lends equal importance to acceptance of the "lowest" and "best" bid from food wholesalers.

AIRPORT AID SOUGHT

Texas Aeronautics Commission is seeking \$450,000 in state aid to help build local airports during the next two years.

At budget hearings here Commission spokesmen and representatives of towns over the state argued for a program to insure at least one airport in all 254 counties. Thirty-five now have none.

Commission requests a \$1,100,000 budget for the next biennium, including the airport program and \$200,700 for the agency headquarters building at the Austin Municipal Airport. All funds except the building cost would come from aircraft fuel taxes.

AG DECISIONS

Attorney General Carr has: Ruled that a county clerk should not accept for recording in the Deed Record a certified copy from another court of re-

cord where the seal of the court has not been affixed thereto; Held state highway funds cannot be used to finance a Texas travel exhibit at sports and vacation shows under either the state constitution or current laws;

Concluded that the party whose candidate for governor received the most votes in the 1962 general election will have first spot on the general election ballot this year.

HIGHWAY IMPROVEMENT PLAN

State Highway Commission authorized a \$166,000,000 improvement program to get more safety and less congestion on 2,067 miles of primary and state highways.

Of the amount authorized, \$151,000,000 is earmarked for construction, and \$15,000,000 for right-of-way. About 65 percent of the cost is expected to come from state gasoline tax revenue and license fees and the rest from federal grants in aid.

SHORT SNORTS

Highway Commission authorized \$180,700 for construction to enhance recreation resources at Dam B State Park, Eisenhower State Park and Lake Whitney State Park.

Land Commissioner Jerry Sadler reports that lease of 40,632 acres of state-owned land brought \$1,730,000 to the University of Texas permanent fund with big tracts leased in Andrews, Martin and Reagan counties and highest bid on a

single parcel in Ward County. Latest reports from State Treasurer Jesse James shows a drop in cigarette taxes from \$8,331,687 for May, 1963 to \$7,269,642 for May, 1964.

Texas unemployment dropped to 147,000 in April, lowest since October, 1959, reports Texas Employment Commission.

In order to protect the legions of undersized brown shrimp being driven from the bays by sudden cool weather and local heavy rains, the Parks and Wildlife Commission issued an emergency order, resetting the 45-day closed Gulf shrimping season for the period June 5 through July 19, inclusive.

Oil operators in Andrews and Martin counties will be banned by Texas Water Pollution Control Board order from use of unlined surface pits to dispose of salt water but can file for exceptions.

Biologists for the Parks and Wildlife Department are urging increased harvest of deer (especially does) during the 1964 hunting season in the mid-coastal area because three years of drought seriously have reduced the range-carrying capacity and caused death by starvation among many deer herds.

PATTERNS FOR PROGRESS

What makes a community grow?

Our recent PATTERNS FOR PROGRESS ads have summarized basic economic development factors. The series continues as we advance to community development, which is made possible by sound economic development.

The West Texas community of Ballinger is a shining example. With organization, teamwork and sound planning, Ballinger has developed a \$400,000 Memorial Hospital (pictured above) . . . 17 new commercial buildings . . . modernization of 16 others . . . 21 new businesses . . . a new community center . . . major park improvements . . . a frontier museum . . . and the adoption of a new city charter.

Ballinger is an outstanding PATTERN FOR PROGRESS.

When such a community spirit seeks new industry, even more growth comes. National studies show payrolls from 100 basic new jobs increase local personal income by \$660,000 . . . bank deposits by \$229,000 . . . annual retail sales by \$331,000 . . . add three new retail outlets . . . increase population by 359 including 91 school children . . . add 100 new homes . . . 97 more car registrations . . . and create 65 new non-manufacturing jobs.

WTU's area representatives will assist growth-conscious communities in planning for community development programs and activities. This service is available on request through your WTU local manager.

Shields News

By MRS. E. S. JONES

The home of Mr. and Mrs. Billy Campbell burned Sunday. The fire was discovered in the bathroom about 12:30 a. m. The fire department came from Santa Anna. Thanks to them with their help, the family saved most of their furniture. The house was a complete loss. Sunday neighbors and some of the firemen of Santa Anna helped the family store the furniture and at noon Mr. and Mrs. O. C. Yancy served dinner to the group.

Mrs. Loraine Newton and children of Goldthwaite visited with Mr. and Mrs. Chester McDonald Friday afternoon.

Mrs. Lillian Lewellen spent Saturday night in Austin with her daughter and family, the David Zirkles. Sunday Mrs. Zirkle, Dwight and Donnie accompanied her home and will visit two weeks.

Mr. and Mrs. Odis Fowler, Gayla, John and Steve of Fort Worth spent Friday night with the Bert Fowlers.

Mrs. O. C. Yancy honored her daughter, Mary, with a party on her sixth birthday Wednesday, June 3. The children enjoyed Mary's play house, the swings and played games.

Cake and punch were served. Favors for the girls were parasols and ball and bat favors were for the boys.

Attending were Melvin Stupe and Paula Nichols of Coleman, Gaye Harvey, Connie Granad, Susan Brooke, Ronnie and Jody Yancy of Santa Anna, Tommy and Donna Densman of Priddy and Sherry and Randy Scarborough, Kim and Jud Stewardson, Danny and Jimmie Wheatley. Mothers attending were Mmes. Scarborough, Wheatley, Granad, Densman, Stewardson, Nichols and Yancy.

Mrs. Jim Elliott and family of Idaho Falls, Idaho spent the weekend with her sister-in-law, Mrs. Wenton Eppler and family.

Supper guests of Mr. and Mrs. Leonard Williams Saturday were Mr. and Mrs. Weldon Revels and daughter, D'Ann and Resa of Brownfield.

Mr. and Mrs. Geo. Stewardson were happy to have their daughters and families, Mr. and Mrs. Darwin Lovelady and children of Fort Worth and Mr. and Mrs. Bill McClellan and children of Savannah, Georgia, with them last week. The Watsons returned home Monday and the McClellans will leave

Friday.

Mrs. Otis Bivins spent Wednesday afternoon in Gouldbusk with Mrs. Carl Lohn.

Sunday Mr. and Mrs. Dave Brim of Dallas and Mr. Lewis Densman of McGregor were guests of the O. C. Yancys.

Mr. and Mrs. Arthur McClure and children of Fort Worth visited Saturday with the Grady Williams family. Their son, Bill, remained for a longer visit. Sunday visitors were Mr. and Mrs. Bill Lowe and children and Mr. and Mrs. Emet Lowe of Coleman.

Mr. and Mrs. Jack Watkins of Cross Plains were supper guests of the Geo. Cobbs and Mrs. Watkins Wednesday.

ANNUAL STEWARD REUNION HELD SUNDAY

Mr. Bob Steward was the eldest of the Steward family at the Steward annual family reunion held at the Rockwood Community Center, Sunday, June 7. Mr. Bob will be 94 come October 16. He tells the younger ones of the family of his parents, Mr. and Mrs. John X. Steward Sr., com-

ing to Texas in 1882 from Pine Bluff, Butler County, Missouri, and coming to Rockwood in 1888. They bought the place known as the Dr. Williams farm and worked it with oxen, having grubbed 110 acres in their spare time, while living near Bangs. He had lots of interesting stories and old family pictures to show.

The youngest member of the family was baby Lori Steward, three-month-old daughter of Mr. and Mrs. Bob Steward of

Aspermont and granddaughter of Mr. and Mrs. Aaron Steward of Eldorado.

There were 75 members of the family present and lots of friends. They were registered from Lohn, Mozelle, San Antonio, Terminal, Austin, Brownwood, Brady, San Angelo, Winters, Alvin, Eldorado, Midland, Aspermont, Odessa, Richland Springs, Junction, Andrews and Rockwood.

Teenagers Need Money Management Training

Many Texas teenagers don't know how to use money wisely. And many parents fail to provide an opportunity for young people to learn money management.

Recent research conducted in the Blackland area of the state has revealed a "lack of perspective or understanding on the part of parents concerning money as a training instrument." What training occurred was often incidental and not planned, says Patsy Reynolds, Extension specialist in family life education at Texas A&M University.

Dr. Baldwin Nelson, who presently is on leave from the A&M Agricultural Economics and Sociology Department to assist with the establishment of an agricultural university in Syria, conducted the research.

Three-fourths of the parents of 15 and 16-year-olds studied by Dr. Nelson followed a system of doles and dictated method of providing their children with money. Even with limited allowances, parents should provide the child with a bit more money than is absolutely necessary, so there is an opportunity to make choices about spending money, points out Miss Reynolds.

Many parents supervise their children's use of money closely in order to prevent mistakes. However, people learn from mistakes, and a misspent dime may teach a lesson which may prevent a misspent dollar, the Extension specialist says.

Just as a child must have planned systematic training to learn to read or write, he should have planned opportunities to learn to use money wisely. Boys enter military service at 17, and both boys and girls go away to school or to work at this age. Young people need to learn money management before they are "on their own," Miss Reynolds emphasizes.

The Kefauver-Harris Amendments to the Federal Food, Drug and Cosmetic Act, passed by Congress in 1962, requires that the sponsor of a new drug prove that it is effective as well as safe before he can distribute it commercially.

Spring Wildlife Counts Commence

San Angelo — Calls of bobwhite quail, mourning dove and turkey gobblers will be carefully throughout Texas to determine abundance or scarcity of breeding birds, reports J. Weldon Watson, executive director of the Parks and Wildlife Department.

Spring census counts over established routes yield important information on the numbers of breeding birds presaging huntable game crops next fall.

Biologists further check on hatching success of quail, mourning dove and turkey over similar census routes during mid and late summer.

Recommendations concerning fall seasons and bag limits are based largely on the tallies accumulated during these spring and summer counts.

One of the earliest known prescriptions was a hair grower made especially for Queen Ses of Egypt about 400 B. C. It consisted of dog toes, date refuse, and asses' hoofs, and had the same effect as present-day hair restorers and baldness cures — none.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Luke 9:18-25.

Now it happened that as he was praying alone the disciples were with him. (Luke 9:18. RSV.)

The Bible reading and text for today tell of an occasion when Jesus was at prayer. It may be that He became so absorbed in prayer that He forgot His disciples were near. Perhaps they so little understood His feelings that He seemed to be alone among them.

No matter how "lost in the crowd" we may feel, no matter how our best friends sometimes fail to understand us, we can know God is near us if we pray. Indeed, He will never seem nearer than when we are in the midst of our enemies — if we pray.

Whether we pray at home, at work, in church privately before the service, or with a group, we are always assured that God is ready to listen — and to speak to us.

PRAYER: May we, O Lord, even when our closest friends seem far away, find ourselves near to Thee in prayer. May we learn more and more to hear Thee speak and then to do Thy will. In the name of our Lord and Master, Thy Son, who taught us to pray, "Our Father who art in heaven... Amen."

THOUGHT FOR THE DAY God is every ready to hear us. It is for us to speak to Him — and to listen.

—Miriam S. Lewis, Research Librarian (Pennsylvania)

Dairy Products Head June Plentiful List

College Station — "June is Bustin' out all over."

And milk and dairy products are "bustin' out," too, for "June Dairy Month," reports the Texas Agricultural Extension Service.

The normal seasonal abundance of such items as cottage cheese, cream and milk is expected again this year. And both cheese and milk production rank above last year.

Also, look for plentiful supplies of beef; early summer vegetables, especially onions; and canned pink salmon.

Beef in abundance is expected to continue on into June, with about 6 percent more fed cattle reaching marketable weight during this quarter, than in the same period of 1963, according to the U. S. Department of Agriculture whose Marketing Service compiles the monthly plentiful foods list.

Seasonal increases of vegetable supplies from commercial producing areas also are anticipated. Such items as onions, leafy greens, green beans, radishes and sweet corn are expected to be plentiful.

Unusually good catches of pink salmon in Alaska, Washington and Oregon during the last three years have enabled processors to accumulate large supplies of canned salmon. Retail prices are particularly favorable now.

Open Installation Held For Worthy Matron, Worthy Patron of Eastern Star

Mrs. Richard D. Bass and Daniel Tindol Jr. were installed to the highest positions in a subordinate chapter of the Order of Eastern Star Thursday evening, June 4. An open meeting of the Santa Anna Chapter No. 247 was held at 8:00 p. m. in the Masonic Hall, when the two became Worthy Matron and Worthy Patron for the 1964-65 year.

The Hall was decorated for the occasion under the direction of Mrs. Alice L. Walker. The setting, decorations and appointments were in keeping with the Worthy Matron's theme, "Prayer." Attention was focused on the background in the East, where large pink glittered letters formed the word, "Prayer", centered around a myriad of ivy and pink roses. Large and small rings entwined with greenery were placed in windows alternately, and with tall pink tapers. Small ceramic alters topped with white Bibles, were used on the pedestals.

The Secretary's desk was decorated with a pink cloth and an arrangement of gardenias, flanked by four pink tapers in white holders. Each Star Point pedestal held a hurricane candle of Star Point Colors. Tall baskets and arrangements of pink gladiolus, delphinium and shasta dazies finished the decorations.

Mrs. Evelyn Lampkin played the musical prelude. The candle ceremony was conducted by Connie Bass, granddaughter, Richard Clay Bass and Wadie Bass, grandsons of the Worthy Matron. Accompanied by S/Sgt. Dean and Mrs. Bass, Pam Bass, another granddaughter, presented the Holy Bible. Mrs. Pauline Polly acted as mistress of ceremonies. Hal Burnett, past Grand Patron, soloist, sang "Have Thine Own Way Lord."

The officers, attired in white floor-length dresses, each carried a pink ring, symbol of things eternal, centered at the bottom with pink mountain roses and showers of pink and white ribbons, the Worthy Matron's chosen colors. "The Lord's Prayer" was given, followed by the Pledge of Allegiance to the Flag. The National Anthem was sung by all.

The Welcome Address was given by Mrs. Carmen Donham, in the absence of Mrs. Joyce Mobeley, retiring Worthy Matron.

Mrs. Thelma McReynolds, past Grand Matron; Hal Burnett, past Grand Patron; and Mrs. Ellie Lock, Deputy Grand Matron of District 3, Section 5; were escorted to the East by Mrs. Cliff Herndon and Mrs. J. T. Avants.

The installing officers were introduced as follows: Installing Grand Officer, Mrs. Thelma McReynolds, past Grand Matron, Dallas; Installing Grand Patron, Hal Burnett, past Grand Patron, Alpine; Installing Grand Marshall, Mrs. Zuda Henderson, Coleman; Installing Grand Secretary, Mrs. Ellie Locks, Deputy Grand Matron, District 3, Section 5, Brownwood; Installing Grand Organist, Mrs. Lee Lampkin, Brownwood; Installing Grand Chaplain, Mrs. J. B. Esterling, Clyde.

Officers installed were: Mrs. Richard D. Bass, Worthy Matron; Daniel Tindol Jr., Worthy Patron; Mrs. Carmen Donham, Associate Matron; Richard D. Bass, Associate Patron; Mrs. Cliff Herndon, Secretary; Mrs. Blanche Grantham, Treasurer; Mrs. Alice L. Walker, Conductress; Mrs. Sye Burden, Associate

MRS. R. D. BASS

DANIEL TINDOL JR.

Conductress; Mrs. Jack Bostick, Chaplain; Jack Bostick, Marshall; Mrs. Zuda Henderson, Organist; Mrs. Montie Guthrie, Adah; Mrs. Daniel Tindol, Ruth; Mrs. J. L. Scott, Esther; Mrs. J. T. Avants, Martha; Mrs. Roy West, Electa; Mrs. Nora Goen, Warder; and Montie Guthrie, Sentinel.

The address of the newly elected Worthy Matron, Mrs. Bass, and the newly elected Worthy Patron, Mr. Tindol, followed. Mr. Tindol presented the past Worthy Matron's Jewel Pin to H. W. Gray.

Mrs. Bass selected "Prayer" as her motto. Her scripture is St. Mark 11: 24, "Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them." Other selections were "The Holy Alter" as her emblem; pink and white as her colors; and The Flower of the Season" as her flower.

Hal Burnett sang a solo, "How Great Thou Art." T/Sgt. and Mrs. Bennie Bass presented the courtesies from baskets decorated with pink roses, nosegays of pink tulle, pink and white ribbon.

The meeting closed with a prayer by Dr. Charles M. Henner.

After the retiring march, an informal reception, under the direction of Mrs. Blanche Grantham, was held in the Fellowship Hall.

The table was laid with a bouffant pink net over polished cotton. Festoons of pink satin ribbons were caught up with gardenias in the center and corners of the table. The centerpiece, also of gardenias in crystal compote, and gardenias entwined pink tapers in crystal holders. Pink punch was ladled from a crystal bowl, which also

contained a charm string of fresh frosted fruit. Tiny cheese-filled rosettes were served along with macaroon pecan bon-bons, topped with pink roses, white mints with miniature matching sugar roses were served from crystal compotes.

Visitors and members registered from Coleman, Santa Anna, Brownwood, Bangs, Indian Creek, Clyde, Alpine, Dallas, Baird, Brady and Oklahoma, in a white guest book.

Crutcher-Bryan Vows Exchanged

Miss Ludy Jane Crutcher and Mr. Lester Bryan were united in marriage at the Rockwood Methodist Church, Thursday, June 4, at 8 p. m., with the Rev. Ed Coliver, pastor, officiating.

Attendants were Miss Pauline McDonald and Mr. Roy Creek. Mrs. Creek and Mrs. Coliver were present. The newly weds left immediately for a short wedding trip.

Mrs. Bryan wore a white, street length dress. Her corsage was of white and blue carnations. Something old was a ring, something new was the wedding dress, something borrowed was the Bible she carried. The blue was hair ornaments and a penny in her shoe was dated with the year of her birth.

The bride is a daughter of Mrs. A. L. Crutcher and the late Mr. Crutcher. Mr. Bryan is the son of Mr. and Mrs. M. D. Bryan. Both families are of Rockwood. The couple attended the Santa Anna Schools. Mrs. Bryan has been employed by the Jinnright Manufacturing Company for the past five years. Mr. Bryan is a stock farmer.

The couple are at home on their farm south of Rockwood.

Nitia Daniell Circle Meeting

The Nitia Daniell Circle of the First Methodist Church met Monday, June 1, with Mrs. Modora Gilmore as hostess. Eleven members were present.

"The Woman's Society of Christian Service in Southern Asia" was the program topic for the evening. Mrs. Lucille Dean was program leader. Parts on the program were given by Mrs. Lillian Herndon, Mrs. Dorothy Watson and Mrs. Margaret Crews. Mrs. Wilma Welch gave the devotional.

Mrs. Watson presided during the business meeting. Mrs. Mildred Galloway presented Mrs. Avis Hays a parting gift. The Hays family moved to Michigan last week.

Present were Mrs. Mary Jackson, Mrs. Avis Hays, Mrs. Lorette Curry, Mrs. Opal Little, Mrs. Wilma Welch, Mrs. Dorothy Watson, Mrs. Lillian Herndon, Mrs. Lucille Dean, Mrs. Margaret Crews, Mrs. Gilmore and Mrs. Galloway.

June Is Dairy Month

You never outgrow your need for milk. And the people of Texas need to consume more dairy products for best health conditions, observes Shannon Carpenter, area dairy specialist for the Texas Agricultural Extension Service.

Since June is Dairy Month, now is a good time to plan meals which utilize the abundant supply of wholesome dairy products, says Carpenter. Too, since the temperature is approaching summer levels, it is also time when refreshing, easy-to-serve meals come into their own and dairy products fill the bill.

From our earliest colonial history, the dairy cow has played a major role in the progress of our nation, says Carpenter. The early settlers depended upon the dairy cow for a large portion of their food and today the nation's dairy industry supplies an ever-increasing population with an abundance of wholesome and healthful dairy products — many not even dreamed of by the pioneers.

And still back of the mighty industry is the dairy cow, a marvelous creature, says Carpenter. She takes the grass and grain from our fields and makes them into nature's most nearly perfect food — milk. And what's more, according to the specialist, dairy products, including milk are a food bargain in today's supermarkets. Compare their cost from the standpoint of food nutrients supplied with other sources of these same nutrients and you'll readily see why dairy products are a best food buy, Carpenter says.

Simple Coon Trap

Put a 55-gallon steel drum next to a tree and bait it with corn. A coon can jump into it from the tree but can't jump out. Makes a good trap!

Drug manufacturers are required to report promptly to the Food and Drug Administration any information they get regarding adverse effects from new drugs and antibiotics on the market.

ROCKWOOD WSCS ELECTS NEW OFFICERS

Mrs. Marcus Johnson was named president of the Woman's Society of Christian Service when the group met at the Rockwood Methodist Church Monday. Mrs. John Hunter presided. Assisting officers named were: Mrs. Aubrey McSwain, vice president; Mrs. Sam Estes, treasurer; Mrs. A. L. Crutcher, Secretary. Secretaries named were Missionary Education, Miss Bernice Johnson, Christian Social Relations and local church activities, Mrs. Bill Rehm; Promotion, Mrs. Fox Johnson, Secretary of Supplies, Mrs. M. A. Richardson, Spiritual Life, Mrs. Jack McSwain, Literature, Mrs. John Hunter.

Mrs. Richardson brought the devotional. Plans for the new church year were discussed by the members present: Mrs. Fox Johnson, Mrs. Crutcher, Mrs. Estes, Mrs. Hunter, Mrs. Marcus Johnson, Mrs. Richardson and Mrs. Bill Rehm.

THE SOMETHING-FOR-NOTHING boys; the less-work-and-more-pay gentry; the government - owes - me - a - living crowd — all got a boost the other day when a group of economists, educators, union leaders and others proposed to President Johnson that the Government pay all Americans an "adequate" income whether or not they work.

No, this is not a joke. It actually happened.

"We are confronted with a paradox of managing an economy of abundance on rules devised for an economy of scarcity", a 29-page memorandum delivered to the White House said.

Distribution should be divorced from job-holding by "an unqualified commitment to provide every individual and every family with an adequate income as a matter right," the committee insisted.

This guaranteed income would replace the present "patchwork of welfare measures", and stabilize the government's paternalism program, the group maintained. The guaranteed income con-

cept is the brainchild of economist Robert Theobald, and the statement was prepared by the "Ad Hoc Committee on the Triple Revolution," organized by Theobald and Robert L. Helstein, president of the CIO's United Packinghouse, food and Allied Workers, at Princeton last October. Maybe it was the heat that

did it. But this new concept proves one thing — that this triple revolution idea is one jump ahead of anything yet proposed by the anti-poverty welfare-staters. The Theobald-Helstein bunch would make pickers out of the timid souls who would be content with just passing out an occasional government check.

Outdoor Odor Is Not Fatal

Arrival of fishing and camping season pinpoints the fact, all outdoor smells aren't exactly as pleasant as wild honeysuckle or magnolia blossoms. A few pungent smells are more correctly called odor than aroma.

Easily remembered solution to three common problems are offered by W. R. Long, information and education officer for the East Texas headquarters of the Parks and Wildlife Department and a veteran outdoorsman. "When the family dog, or the camper himself, get involved with a skunk," he says,

"there's no need for despair. The sickening odor may be removed by a sponge bath of two cans of tomato juice. A substance in the liquid will quickly neutralize the scent. Follow with a soap and water bath. Stubborn odors that cling to hands after cleaning fish may be completely eliminated by a generous application of any ordinary tube toothpaste.

"The sleeping bag that was stored last fall will probably have a molded, musty odor when unpacked this year. Freshen it with a spray can of household deodorant. This treatment will make it smell new again."

PRESIDENT NAMES "BOY OF YEAR" AS TOP EXAMPLE OF "JUVENILE DECENCY"

At White House, President Johnson "installs" Michael Rapinchuk, 16, of Phoenix, Ariz., as "Boy of Year" of the Boys' Clubs of America and "outstanding example of Juvenile DECENCY."

Today, when constant concern for kids causes us to wonder if there is a "typical" boy, it's heartening to hear about Michael Rapinchuk, a 16-year-old Phoenix, Ariz., high school junior. If anyone qualifies for the "typical" title, it's this youngster. His love of sports, his big appetite, love of the outdoors, interest in current events and willingness to express an opinion are decidedly typical.

Not so typical are Mike's straight "A" average, three years of Latin, two of Greek, three of Math and English, a year of Science. Or his outstanding ability as a public speaker, proved through a dozen oratorical contests he won in the last two years.

For these achievements, "for

superlative service to his home, church, school, community and Boys' Club," and for demonstrated leadership abilities, young Rapinchuk was recently selected as "Boy of the Year" of the Boys' Clubs of America. He will represent some 700,000 deserving members of 635 Boys' Clubs in 435 communities.

President Johnson "installed" the wide-eyed youth as the nation's outstanding example of "Juvenile Decency." Later, FBI Director J. Edgar Hoover presented him with a \$1,000 Reader's Digest Foundation scholarship check.

As one Boys' Club official summed it up . . . "If Mike is typical of today's youth, we don't have too much to worry about."

Cleveland News

By Mrs. Sid Blanton

Those donating to the Cleveland Cemetery Fund the past week are as listed: Mrs. W. E. Loftin of Blythe, Calif., \$5.00; Mrs. Lillie (A. N.) Baugh of Brownsfield, \$10.00; W. N. Kilner, \$2.00; Mr. E. A. Baugh of Stanton, \$2.00; D. S. Baugh, \$5.00; Mrs. W. A. Campbell of Floydada, \$5.00 and Mrs. J. E. Wagner of San Angelo, \$3.00; and John Smith, Coleman, \$5.00.

These are appreciated very much. So many people have commented on how nice the cemetery is kept. The chairmen of the association, D. S. Baugh, Charlie Fleming and R. W. Cupps, will use the money for improvements and maintenance.

Mr. and Mrs. Adolph Kelley and Delores of Odessa are spending this week here with Mr. and Mrs. William Cupps and other relatives.

Mr. and Mrs. C. T. Moore and Horace Phillips, all visited with Mr. Claud Phillips and Mr. and Mrs. Carl Matthews Sunday afternoon in Santa Anna in the home of Mrs. Calloway. Other visitors with the group were Mr. and Mrs. John Howard.

Mrs. Nora Blanton and Debra left for Kempner Tuesday morning to attend the Blanton reunion this weekend at Lake Buchanan.

Mrs. Artie Magill and granddaughter, Sherryl Walding of Dallas, are spending several days with Mrs. Jewell Powers. Those attending memorial services in Brownwood Sunday afternoon for Mrs. Daph Sheffield of Liberty were Mr. and Mrs. John Howard, Mr. and Mrs. Sammie Joe Powers, Mrs. Artie Magill and Sherryl and Mrs. Emma Penney.

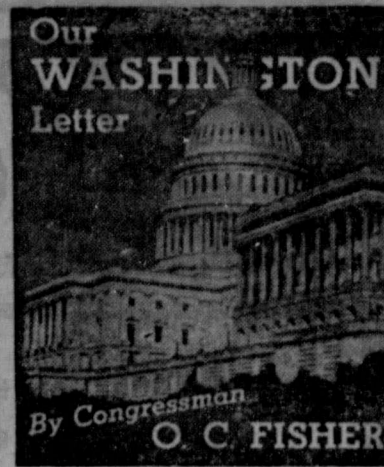

Mr. Horace Phillips spent Saturday and Sunday night with Mr. and Mrs. C. T. Moore and Terry.

Mrs. Hollis Watson visited with Mrs. Clara Cupps Friday morning.

Mr. and Mrs. J. C. Bible and Jamie Jo of Brownwood were weekend visitors with Mr. and Mrs. D. S. Baugh and Nancy.

Mr. and Mrs. Joe Wallace and Denise, Mrs. Joann Goodwin, Mr. and Mrs. Buddy Bengé and children were Sunday visitors with Mr. and Mrs. Bruce Hibbets.

The word quack, as it is used today, is an abbreviation for the earlier form, quacksalver. Using the cry of the duck to denote ignorant chatter and boasting, the word "salver" — to save or heal — was added. Thus, quacksalver came to mean one who makes noisy pretensions to a medical skill for profit and prestige.

THE DEBT CEILING problem is haunting Congress again. It has come to be an annual thing. At the end of June the books will be marked up, and the deficit for the preceding 12 months determined. It will show a whopping deficit — this time of a little under \$10 billion. That much more paid out than taken in.

The national debt at the moment is \$308.8 billion. By law the limit is set at \$315 billion. But that limit is "temporary" and reverts to \$309 billion after June 30 unless Congress again raises it.

The Treasury Department has already made it known that before June 30 it will ask Congress to hike the limit to \$320 billion for the next year — the highest in our history.

The course of action is simple: either the Congress must reduce spending to conform with the ceiling it establishes — or it must raise that ceiling to accommodate the increased spending.

The way it looks now there is not much hope for reduced spending in the foreseeable future. The legislative calendar is bristling with new spending projects. The civil rights legisla-

tion, if enacted, will expand government spending throughout the future. A Mass Transportation bill, to subsidize the cost of modernizing the roads and streets and other transportation media in the big metropolitan areas, is now before Congress. The first year it would cost a half billion, and no telling how much after that.

A half-billion dollar salary raise is in the works — and this will be an annual outlay.

A billion-dollar anti-poverty welfare state program is pending, estimated to eventually cost \$15 billion, if it goes through. And our commitment in Viet Nam and Laos is sure to require a substantial increase in expenditures in that area. And there are many other new programs being pushed, all of which will help play havoc with debt ceilings.

Indeed, there are those who are already talking in terms of what it will be like in America when we have a \$400 billion public debt. Unless the brakes are applied that day may not be so very far away.

The Johnson Administration has made some welcome economy moves. But this can easily be wiped out with new programs, new projects, more new spending.
