### 'SLIM' DAVIS SHOT TO DEATH ON RESIDENCE STREET

#### MURDER COUNT FACED BY NEWT MILLER AS SEQUEL TO DEATH OF LOCAL MAN

Widow of Slain Man Lingers Near Death at Residence On North Side

Funeral rites for N. M. (Slim) Davis, Colorado citizen slain Sunday afternoon, were conducted Tuesday afternoon at 4:00 o'clock from the Jones, Russell Company funeral home, Hickory and Fourth streets, with Rev. A. D. Leach officiating. Burial was in the Colorado cemetery. Attached at the mortuary state the Davis funeral was the largest ever conducted by the company in Colorado.

Newt Miller, charged with first degree murder as a sequel to the fatal shooting, was still in the Mitchell county jail Thursday afternoon at 2 o'clock. The day before W. S. Stoneham, justice of the peace, had authorized bond in the sum of \$2,000.00.

Widow of the slain man continued to linger near death Thursday afternoon, although the attending physician reported her condition somewhat improved. Mrs. Davis has been critically ill from pneumonia and complications for several days. Mrs. Davis was removed recently from a local hospital to the family residence on West Ninth street.

The shooting took place Sunday afternoon at 6 o'clock within a few minutes after Davis and J. D. Hudson, driving in the latter's motor car, had parked in front of the Brownie Miller residence, 237 Pine street. In statements given the authorities witnesses have disclosed meagre information as to developments leading up to the tragedy.

In a statement given to W. H. Garrett, county attorney, Hudson outlined that he was taking Davis home. They had driven to the Pine street address at request of Davis, who, according to Hudson, desired to call there and obtain a pistol that belonged to him. Parking in front of the Miller home, Hudson states that he was returned by the car horn. Newt Miller, Brownie Miller and probably others came out. There was an argument and the shooting followed.

Davis was shot as he sat in the car. After three shots had been fired in rapid succession, two of them taking effect in Davis' body, the wounded man is said to have gotten out of the machine and, placing a hand to his breast, walked around to rear of the car. He stopped, turned and came back and climbed back into the seat. "They have got me. Take me to the hospital," Hudson quoted Davis as having exclaimed.

A. P. Mining, who lives in the same neighborhood, witnessed the shooting as he sat in his parked automobile near his home. In statement to the authorities Mining described having seen the two men drive up and park in front of the Miller residence. He heard the horn sound and noticed men coming from the house. He could discern that an argument was taking place but states he was unable to hear what was said. After the shooting, according to Mining, Newt Miller, with pistol in hand, ran north along Pine street to where his car was parked. Mining said that he got out of his car and hurried to the injured man and aided him in getting back into the Hudson car. He accompanied Hudson and Davis to the hospital at Davis' request.

"Do not take me home, boys. Take me to the hospital," Mining quotes Davis as having said as they started off in the car. "As we were passing the high school building," Mining continued in his statement, "Davis asked for a cigarette, exclaiming, 'that bullet is burning me down.' As we arrived at the hospital Mr. Davis spoke his last words, in so far as I know. Those were, 'well, they have got me. I am in the clear. I never took a man's life.'"

#### DISTRICT CHAMPION BELT IN TENNIS WON BY IATAN GIRLS AT ABILENE MEET

Abilene Defeated In Finals Saturday For Coveted Dist. 8 Trophy

Iatan schools, often referred to as among the most progressive small units in the State's system of public education, continues to give an accounting of itself. Saturday, two girls entered by the school in district No. 8 tennis events at Abilene, crushed competing teams to win coveted first place award. Abilene girls, after fighting successfully through to the semi-finals, went down in defeat before Ruby Gatliff and Josie Barker, Iatan school girls defending this county at the meet.

In the first bracket played Friday, Iatan defeated Old Glory 6-1 to 6-0. In the next bracket Iatan was pitted against Wehnart, holder of the championship title last year, but those two girls from Western Mitchell county rendered a decisive drubbing. The score was 7-5 to 6-1.

In the semi-finals Saturday Iatan was pitted against Benjamin. Here again Misses Gatliff and Barker maintained their record of having not lost a set during the tournament. The Knox county girls were eliminated 6-3 to 6-1. In the finals played with Abilene Iatan won by the score of 7-5 to 6-3.

This marked the fourth consecutive year that Iatan had won the county championship pennant and qualified to enter the district events. In 1931 Miss Gatliff competed in the district event singles and Miss Barker represented the county in doubles.

Mitchell county students are expected to win for additional honors in events scheduled for Abilene Friday and Saturday of this week. Friday the literary events are to be held. They have been fortunate in securing the "Coon Creek" orchestra to assist them and the musicians will be dressed in full regalia. Those who have danced to the orchestra at the Colorado Country Club are familiar with the fun that can be had.

It is the desire of the Col-Tex baseball team to furnish entertainment for the city of Colorado with no admission charges for the games, and trust they will be given the usual staunch support they have received in the past.

A good time is assured for all attending the dance and a ball club of merit, such as theirs, certainly should be supported.

#### DRASTIC SALARY CUTS TO REDUCE CITY'S OPERATING OUTLAY \$3,270 ANNUALLY

Members of Police, Water And Street Departments Effected By Move

Authorizing one of the most drastic salary reduction schedules recalled here, the city commission Monday night ordered smaller monthly wage scales for eleven members of the police, street, water and parks departments. Savings to be realized to the city in this move will aggregate \$272.50 per month of \$3,270 annually.

Action of the board to shear more than \$3,000 from annual operating expenses of the municipality came after Lay Powell, one of the two newly elected members, attacked policy of the city in continuing to pay salaries on the same basis as was in effect two and three years ago when finances were not near so depressed as now. The question was spoken to by J. A. Sadler, member of the commission, who volunteered to tender his services without any salary remuneration provided the other four commissioners would do the same. This proposal was not adopted.

Tuesday afternoon Mayor Hutchinson and the city secretary, J. Lee Jones, announced they had voluntarily agreed to a salary cut of ten percent. Mr. Jones has been receiving a salary of \$250 per month and the mayor a salary of \$100 per month.

Ray Hester, director of the municipal band, was given the biggest cut of any other city employee. His salary, originally fixed at \$162.50 per month, was reduced to \$100. The salary of \$25 a month paid heretofore to Dr. P. C. Coleman as health officer, was ordered discontinued in its entirety.

Request that the matter be opened for a new hearing was based on statement that errors had been found in ordinances passing the property assessments. The paving company assumed full responsibility for this technicality.

### Beautiful Church Wedding

Saturday evening, at six thirty o'clock, the First Baptist church was the scene of a beautiful wedding, when Miss Edna Mae Powell and Mr. Charles Harold Tippet were married by the Rev. W. C. Ashford of Abilene.

The church auditorium had been artistically decorated in wild smiles. This was arranged in festoons, along window sills, massed about the altar and the baptistry. Pots of ferns, baskets of vari-colored snapdragons and lighted candles added to the beauty of the setting. The candles were in tall wrought-iron stands on each side of the pulpit and a very lovely stand placed at the back holding ten candles. High over these was placed a pretty wedding bell. The floor and aisle coverings were of pale green, which further added to the beauty of the setting.

As a pre-nuptial solo, Mrs. Bill Martin, with Mrs. Cecile Meskimen at the piano, sang "As I Was" by Cadman. Mrs. Edna Powell played the wedding march from Lehengrin. To its strains, Miss Winnie Powell and Lewis Cooper came down one aisle; Miss Irene Powell and Thomas Dolman, down the other. Miss Loyse Price and Willis Shropshire, Miss Cunningham of San Angelo and Farris Lips, Miss Virgie Powell down one aisle and Ruddy Merritt the other; then came Mrs. Collin Clark of Midland and Mrs. Bert Wulfjen, Jr., matrons of honor. Following them came the bride on the arm of her twin brother, Elmer Lay Powell. The groom and his best man, Charles Bowly, and the minister awaited them at the altar.

A beautiful grouping was effected in the pastel coloring of the gowns of the wedding party and the dark suits of the gentlemen attendants. The Rev. Mr. Ashford in a most impressive way spoke the words which made them husband and wife, using the ring ceremony. Mrs. Powell playing "To a Wild Rose," softly during the ceremony. Methodist's March was used as a recessional.

The gentlemen wore dark suits and each had a pink rose and fern boutonniere. The costumes of the ladies were of unusual beauty and charm. The junior bridesmaid, Miss Winnie Powell wore pink net with blue tulle sash and pink satin shoes. Miss Irene Powell, the other junior bridesmaid, had blue net with pink sash and blue satin shoes. Both were made bouffant style and both young ladies carried colonial bouquets of sweet peas. Miss Cunningham had a yellow net evening dress. This was embroidered with soutash braid, worn with yellow shoes. Miss Price also wore an evening gown. This was of green net with pink satin shoes. Miss Virgie Powell's dress was a Viola model by Adrain, and was of peach appliqued lace on silk net, worn with pink sandals. Mrs. Clark wore shell pink embroidered net, with pink satin sash and pink shoes. Mrs. Wulfjen's dress was blue net appliqued with large pink flowers, worn with pink sash and pink shoes. All of these carried colonial bouquets of pink roses and valley lilies, tied with tulle.

The bride wore a heavy egg-shell hand-made gown of Dutchess satin, with a yoke of real lace, with a long train, veil of tulle arranged cap style caught at the sides with orange blossoms and egg-shell satin shoes. She carried an arm bouquet of Ascension lilies. Her going-away suit was of canary yellow knit with blue accessories. She carried a blue coat trimmed with fox.

Immediately following the wedding ceremony, a reception was held at the home. After greeting Mr. and Mrs. Tippet, the guests registered in a bride's book, presided over by Miss Katherine Price, then viewed the many exquisite wedding gifts.

The wedding cake, a handsomely decorated one in three tiers, was in the center of the dining table, surrounded by the bouquets of the maids. After the first slice was cut by the bride, she threw her bouquet, which was caught by Miss Cunningham. Wedding cake and pink and white ice cream was served by the young ladies of the house party.

Mr. and Mrs. Tippet left at once for their home in Altoka, Okla. Miss Edna Mae is the third daughter of Mr. and Mrs. Lay Powell. She was born and reared here, attended school at T. C. U., C. I. A. and Oklahoma University, where she met Mr. Tippet. She is a Chi Omega, charming and lovely young woman, beloved by all.

**WILL ROGERS AT HIS BEST IN NEWEST FILM**

Will Rogers continues his triumphant career as America's greatest talking screen comedian in his newest Fox Film production, "Business and Pleasure," which will be shown at the Palace Theatre Thursday and Friday, April 21 and 22.

Rogers has never been funnier than he is in this excellent adaptation of Booth Tarkington's best novel, "The Plutocrat." He starts the picture with a laugh, and works up to a climax of hilarity which sends the audience from the theatre still laughing.

In this production Rogers, in the role of a middle Western business man touring abroad for pleasure and business, takes some nifty cracks at the small army of snobs who think it is sophisticated to sneer at everything American when they are in Europe.

Peggy Ross, the Pasadena society girl, who made a hit in her first bid in "Young as you Feel," has been cast for the juvenile lead in "Business and Pleasure," a selection that she well justifies by her excellent performance.

Leap Year Bridge Club The Leap Year Bridge Club met Tuesday evening with Miss Juliana Smith as hostess. High score was won by Miss Geneva Melton. Refreshments consisted of a salad and accessories.

NATIONAL TRIBUTE TO LONE STAR STATE

National attention will be focused on Texas on Monday night, April 18, when a radio panorama in music and story of the State's contribution to the historical, cultural and industrial development of America will be broadcast to the country.

The occasion will be the dedication of the "Parade of the States" program of that evening to the Lone Star State as part of the educational plan of the General Motors Corporation to give the people of the rest of the country a more intimate glimpse of each of the states in turn. The program will be broadcast at 8:50 P. M., EST, over the National Broadcasting Company's chain of more than forty stations and will be heard in every section of the country.

Bruce Barton, widely known author, who wrote "The Man Nobody Knows," has written a special tribute to Texas for the program. It recalls the State's history and describes the industries of a land where cotton blankets more acres than any other state holds, where turkeys march to market in droves 10,000 strong and where a single pecan orchard yields a half million dollar crop.

The program coincides with the celebration of the Battle of San Jacinto which marked the independence of the state, and a musical dramatization of the battle, to be played by a concert orchestra under the direction of Erno Rapee, will be one of its features.

David Gulon, one of the state's foremost composers, will be represented on the program through "Sheep and Goat Walking to Pasture," one of his most popular works. "Will You Come With Me to the"

ARTHUR F. CALLAN

The little community of Rogers, 10 miles northwest from Colorado, was saddened on March 24 when news came that Arthur F. Callan had passed away at 10 a. m. Many of the neighbors and friends had been watching and waiting anxiously for several days for some word of hope, as the doctors had pronounced his condition serious a few days before. Several were at his bedside Thursday morning when the end came.

Arthur F. Callan was born in Coleman county, near Coleman, Texas, on February 1, 1878. He lived there until a young man, 22 years old and then moved with his parents to Sterling county in 1900, where they had ranching interests.

Then, in 1905, the family moved to Mitchell county, buying land near Rogers, where he lived at the time of his death.

On December 29, 1915 he was married to Miss Beulah Ellis, who survives him. To this union one child was born, Virginia, who sur-

vives. He also leaves two brothers, George and Hugh of Colorado; and one sister, Mrs. Cox, of Houston, Texas.

He was a good Christian man, a good neighbor, husband and father, and will be missed at Rogers, Colorado and Westbrook, where he had numerous friends. He was never heard to utter an oath or to take God's name in vain, always kind and indulgent with his family and friends.

The Rogers school dismissed Friday afternoon and all the community attended the funeral, which was held in Colorado at 3 p. m., at the home of his brother, George. Kiker and Son had charge of the funeral arrangements. The following were the active pall bearers: Jack Smith, L. H. Chivers, J. W. McGuire, C. M. Buford, U. G. Hardison and Bert Smith.

Rev. L. A. Webb, of the First Methodist church, conducted the funeral services, assisted by Rev. W. M. Elliott, of First Presbyterian church. After which a large crowd of sorrowing loved ones and friends followed the body to the L. O. O. F. cemetery. There rests his body, but we know his spirit has gone on and some day we expect to meet him again. To the wife, daughter, brothers, sister and friends we would say grieve not, for while he cannot come to you, but you may go to him.

A FRIEND

KINSHIP REVEALED THROUGH OLD PHOTO

MAGNOLIA, ARK. — Although Dr. C. E. Wilbourn and family and Mrs. J. C. Duhon and family had lived under the same roof several years in Magnolia, the Duhon family having had an apartment in the spacious Wilbourn home here, the two did not know they were related until recently when Mrs. Duhon was visiting her parents, Mr. and Mrs. L. A. Costin, at Colorado, Texas.

They were looking through an old Bible and found a familiar face in an old group photo. On investigation, the picture proved to be one of Dr. Wilbourn as a young man. Mrs. Costin's mother remembered that the young man was her nephew and the photo had been brought from North Louisiana when the family moved here. Thus Dr. Wilbourn was found to be a first cousin of Mrs. Costin and second cousin of Mrs. Duhon. In the years that the Duhon family had lived in the Wilbourn home, Mrs. Costin had visited here, and looked upon the Wilbourn family only as new-made friends through this acquaintance.

A sister of Dr. Wilbourn here is Mrs. J. A. W. Souter, who also comes into the friendship through this revelation.

BAXTER SHOWS VERSATILITY WITH ROLE IN "SURRENDER"

The contrast between the role Warner Baxter played in "Daddy Long Legs" and the one he portrays in "Surrender," the Fox picture coming to the Palace Tuesday and Wednesday, April 19 and 20, is said to prove the versatility of Baxter.

Few actors can wear good clothes with more favorable sartorial effect than this popular leading man of the screen, and he has few, if any equals, in a role that requires a uniform.

In "Surrender" he wears the uniform of a French war prisoner, who finds himself confined in a German prison camp, or punishment camp, as this particular hole of despair happens to be.

Because he is an electrical engineer, he is detailed to rehabilitate, so far as is possible, a decaying nearby castle occupied by a solitary old man, a retired general of the Prussian army, and his beautiful niece.

The role of the girl is portrayed by Leila Hyams, one of the most beautiful and talented young women in talking pictures. The supporting cast includes such favorites of the stage and screen as Alexander Kirkland, Ralph Bellamy, William Pawley, Howard Phillips and C. Aubrey Smith.

First degree murder charges were preferred against Miller Monday morning in complaint filed by Hickman. Miller waived preliminary trial and was not present in Peace Justice W. S. Stoneham's court Wednesday when bond in the sum of \$2,000 was allowed. The bond is made returnable to the Mitchell county district court May 23.

W. R. Walker of Sweetwater, another witness to the shooting, was visiting in the Miller home at the time. In statement given the county attorney Walker said that he was present when the two men drove up and witnessed the argument and subsequent shooting through a glass panel in a front door.

Davis, who was 33 years of age, has made his home in Colorado 15 years. Surviving are his widow, and one brother, Jim Davis of Colorado. Other relatives reside in Tennessee and Florida. Mrs. Davis was seriously ill from pneumonia at the time.

## Salary Cuts

(Continued From Page One)

Homer Key, night chief, from \$110 to \$100; T. A. Hickman, night watchman, from \$100 to \$75; Chas Hagler, parks department, from \$65 to \$50; Harry Loving, water department, from \$100 to \$90; H. F. McCreeless, water department, from \$100 to \$90; Paul Sively, street department, from \$100 to \$90 and M. T. Couburn, street department, from \$100 to \$90.

Determined move to retrench expense in so far as might be permissible came after Secretary Jones had reported to the commission that a deficit of \$45,320.05 was shown in the city's delinquent tax roll and that demands for charity expenditures were ever mounting to higher figures. Out of a total of \$53,267.35 in taxes assessed on the 1931 roll, only \$25,682.87 had been paid, Jones stated. The low ratio in tax payments, however, was responsible to a considerable degree in view of the city's authorization of the semi-annual payment plan. One half of the current tax account is not due until during the Summer.

E. M. Majors, second new member of the commission, was also given the oath of office and took part in the session. Mayor Hutchinson administered the official pledge to each of the incoming board members.

Petitions requesting the city to take over responsibility of caring for the cemetery and another that an electrical inspector be employed were passed without action. The city attorney was quoted as having ruled that the former could not legally be done.

Mayor Hutchinson announced appointment of the following departmental committees:

Street and Alley: O. B. Price chairman; R. O. Pearson and Lay Powell.

Water and Sewer: Lay Powell, chairman; J. A. Sadler and R. O. Pearson.

Fire and Police: E. M. Majors, chairman; J. A. Sadler and O. B. Price.

Health and Sanitary: J. A. Sadler chairman; R. O. Pearson and E. M. Majors.

## "DANCES IN THE DARK" AT PALACE SUNDAY-MONDAY

"Dances in the Dark" will be shown at the Palace Theatre Sunday and Monday, April 17 and 18.

The story is built around the orchestra leader (Jack Oakie), his pal (William Collier, Jr.), and a 10-cent dance girl (Miriam Hopkins) and an underworld character (Geo. Raft). True to his promise to his pal's parents, the leader does everything under the sun to break up a romance that has reached the point of marriage between his pal and the dance girl. In this he is ably abetted by the crook, who wants her for himself—and had her before the young saxophone player came on the scene.

There are many amusing scenes and slants too lengthy to set down, but it is a fact that the talkie is well worth while.

BROADWAY MOTORCADE TO LEAVE NEW YORK CITY ON MAY 3RD FOR CALIFORNIA

Several Hundred Cars Will Make Trip, President Mackey Believes

EL PASO, TEXAS, APRIL 13.—Details for the Broadway of America motorcade from Broadway, New York City, to Broadway, San Diego, are working out rapidly, F. O. Mackey, president of the Broadway, said here today.

Several hundred cars will be in line when the motorcade rolls into San Diego, Mr. Mackey said. San Diego, through the Chamber of Commerce, San Diego California Club and the Automobile Club of Southern California, is arranging an elaborate program of entertainment for the delegates.

J. H. Greene, secretary of the Colorado, Texas, Chamber of Commerce, has announced that the famous Gold Medal Boys' band of Colorado, the official Broadway band, will join the motorcade at Colorado and will be available for band concerts at stopping points enroute to San Diego.

A miniature motorcade, headed by President Mackey, will leave El Paso April 25 for New York, to form the nucleus for the motorcade leaving the metropolis. Mr. Mackey and his associates will visit every city on the route and make arrangements for the returning motorcade.

The motorcade, bound for San Diego will arrive in Colorado at 6:15 on Sunday, May 8, and will remain overnight.

"This motorcade will not be a speed race, but will afford plenty of time to see the interesting places along the route," Mr. Mackey said. "We plan a safe, sane motorcade, at reasonable speeds, but we are not out to set any records. It will be a vacation trip, without the petty annoyances usually found on cross-country journeys."

FOURTEEN CARS SOLD AT MILLS CO. AUCTION

A total of fourteen automobiles were sold at auction Monday night at the Mills Chevrolet Company show rooms, with Col. J. H. Glenn of Oklahoma City presiding at the block. The machines were all used cars.

Several hundred people were attracted to the sale. For a time the crowd overflowed the large sales-room floor space and extended into the street.

Word was received in Colorado this week of the birth of an 8-pound son April 4 to Mr. and Mrs. Richard D. (Bob) Stubblefield at Abilene, S. D. Mr. Stubblefield will be remembered here as the manager of Acorn store for sometime a year or so ago.

Colorado Loses To Big Spring In Sand Belt Opener Sunday

BIG SPRING, APRIL 11.—The Big Spring Country Club nimbick welders opened the Sand Belt Golf Association in a blaze of glory by turning back the Colorado linksmen 34 to 12 Sunday afternoon, winning six out of eight individual matches and finishing in all four twosomes.

Shirley Robbins, playing No. 1 for the local forces, headed the victorious parade with a three-stroke decision over Bob Scott, Colorado southpaw. Robbins battled a high wind to negotiate the local course in 74, three over par figures, while Scott was forced to be content with a 77.

Palmer, Colorado, defeated Lib Coffee, Big Spring, in the No. 2 match, but Robbins' margin over Scott was enough to give local golfers the decision in twosome scoring.

Fred Stephens, playing No. 3 came home with a fine 78 to defeat Richardson of Colorado and to give him and his partner, Theron Hicks, an advantage over Richardson and Shelton. Shelton defeated Hicks in the individual match.

Bristow and Porter, playing No. 5 and 6 respectively, widened the margin by winning both individual matches with Martin and Mooser and running a nice lead in the twosome standing.

Doc Aikens and V. W. Latson, No. 7 and 8, respectively, on the local lineup, followed suit with a win over Billingsley and Hughes, Colorado. Both Big Spring players won their individual matches.

'OLD TIMERS' COMING BACK FOR METHODIST CHURCH ANNIVERSARY

Several "old-timers" resident citizens in Colorado in other days, have already announced that they would return to Colorado on April 24 for anniversary celebration at First Methodist church. Among the letters already received is one from A. J. Payne of Slaton. "I am looking forward to coming down here for this celebration with a deal of pleasure," the former Colorado merchant and church worker writes. Others have expressed similar interest. Occasion for the celebration will be the fiftieth anniversary of organization of the church.

City Contracted For Street Lights As Major Civic Program In April Of 1911

Described as one of the major civic programs to be successfully inaugurated, The Record for April 11, 1911, gave considerable space to discussion of contract made that week between the city council and the Colorado Light Company for installation of street lights throughout the town. "Colorado already has more miles of concrete sidewalks and good streets of any town in West Texas of twice our population," The Record boastfully declared. "Now that we are to have our streets illuminated at night by a modern system of street lights, Colorado should continue to hold its place of leadership in this great Western country."

The lights were to be extended from the Colorado river bridge as far east as the school building and from the Texas & Pacific tracks north to Ninth street. The system was expected to be completed within sixty days.

Another civic move of which The Record booster was the placing of street names and house numbers throughout the town. "This is city airs and we will continue to demand the best and most modern in every forward step," to quote the paper. Every street in town was being properly designated with name plates and numbers were to be placed on front entrance of every home.

Col. C. M. Adams had been elected as mayor in municipal balloting the week before, as were Aldermen C. H. Earnest, F. M. Burns and H. F. Wheeler. The two new members were W. H. Mooser and J. W. Bird. Among business passed at meeting of the city council that week was the appointment of W. P. Leslie as city attorney.

HYMAN FARMER ENTERS RACE FOR ELECTION TO COMMISSIONERS OFFICE

J. S. Boyd, Hyman farmer, Monday authorized The Record to announce his candidacy for county commissioner, precinct No. 3. This is the first time that Boyd has ever sought political preferment, although he is now a member of the county board of education, having been "drafted" for that office recently by voters of his precinct.

The candidate has been a resident citizen of Mitchell county since 1907. He made his home in the Hyman community during the past nine years.

Boyd stated that he planned seeing every voter in the precinct before the Democratic primary election in July. Friends encouraging him to become a candidate speak highly of his integrity and advance the belief that he would fill the office with credit.

# OIL Gone...

## He Drove from Banner to Sheridan on the GERM PROCESSED "Hidden Quart"

The driver for the Southern Motor Bus Company was ready to leave Banner, Wyoming, for Sheridan with the big Red bus loaded with passengers.

Then he made a discovery. The oil had been accidentally broken; allowing the Conoco Germ Processed Oil to leak out and the engine was empty. With all banners closed in the morning, he could see for all he had to drive the 46 miles to Sheridan without oil. At Sheridan, the inspector found that the "Hidden Quart" of Conoco Germ Processed Oil had saved the driver's life.

the continuous empty, it will certainly give you safe, safe lubrication in emergency driving. It is the only oil that actually penetrates and combines with steel surfaces. That's why a "Hidden Quart" stays up in your motor and never drains away, while other oils drain away and leave your motor unprotected. It gives your motor longer life, with fewer repairs.

Shows the extra protection. Change to Conoco Germ Processed Motor Oil at the sign of the Conoco Red Triangle.

Distric Typing Tournament—  
The Fourteenth District Typing Tournament was held here Saturday, April 9th.  
Charles Edwin Root of Colorado, one of the three highest individuals ranking in the tournament will get to go to Austin for the State Typing Tournament. He is training hard and Colorado hopes that he makes a good record at Austin.

Big Spring is overjoyed with the outcome of the tournament, since this is the first time in three or four years that Mrs. Lee's teams have won over Mrs. Cooper's teams.  
Teams from towns below San Angelo entered the tournament. They stayed through all that sandstorm Saturday to see the results of the event. Even though every team could not win, they all stated that they enjoyed the event and the hospitality of the Commercial Department and the people of Colorado.  
An excellent free dinner was served to all that were here. The grocery stores and drug stores of Colorado gave the groceries and ice cream for this dinner. The home economics class, with Miss Jennings' assistance, prepared the food.  
Different people of the town took care of some of the visitors and gave them supper and breakfast. All the visiting teams expressed their appreciation of these courtesies and their joy in being here.

# "FIRE-CHIEF," SENSATIONAL NEW GASOLINE, MADE ACCORDING TO GOVERNMENT SPECIFICATIONS, ANNOUNCED BY TEXACO

duction for the commercial set of government specification the first refined in 1931 for engines, ambulances, military and other emergency equip- has been announced by here by Texas Company.

The company announcement said new fuel, to be known as "Fire-Chief" gasoline, would replace the old "dry gasoline" introduced in and would go on retail sale in vicinity today. No extra cost to consumer will be involved in the.

specifications of the new pro- were given out, although Ken- G. Mackenzie, consulting chem- or the company, was quoted as ng that the octane number of the gas has been materially improv- and the highest government spe- cations for distillation range and or pressure have been surpassed. he announcement said:

Texaco Fire-Chief, a new gaso- will be made available in the re- market of the United States this

ok. This new motor fuel replaces

company's original "dry-gasoline"

an outstanding product among

lines. When "dry gasoline" was

roduced in 1926 it was a revolu- tary step forward in the devel- opment of motor fuels, providing as

id easy starting, quick accelera- tion, maintenance of power, freedom

on crankcase dilution, complete

ustion, greater mileage and high

knock rating. It warm weath- when the engine became heated,

fuel continued to burn evenly

completely, with entire absence

so-called vapor lock.

The Texas Company, however,

continued its efforts to develop an

even better fuel, a fuel which under

adverse conditions could be re- lied upon. Meanwhile, the U. S.

government, some little time ago,

specified a gasoline known as "Motor

and V" for use in emergency equip-

ment, such as fire-engines, ambul-

ances and military vehicles. This

type of fuel naturally had to pro- vide quick starts and speed without

sacrifice of power.

The Texas Company proceeded

to manufacture a gasoline that would

meet or surpass these rigid specifi- cations. At first this fuel was manu-

factured in limited quantities, but

its extraordinary value soon became

apparent. Then, recognizing the

value to motorists of a fuel of this

type, our refining engineers equip-

ped all Texaco plants to manufacture

fuel of this grade. Moreover, mil-

lions of gallons of gasoline made ac- cording to the former standard were

brought back to the Port Arthur re- finery to be brought up to the new

Fire-Chief quality.

"This new product will be sold at

extra price, an advantage made

possible by our large scale produc- tion, specialized engineering devel-

opments and distribution in the forty-
