TWENTY-FIVE CENTS

STOLEN GOODS RECOVERED - At least \$3000 worth of stolen merchandise from Plains Appliance Center was recovered Tuesday at six different locations. Officers responsible for the return of the property are Lt. Don Booth, Sheriff Jimmie Rice and Capt. Don Corzine.

Supplemental Food Available For Eligible WIC Participants

More low-income women, infants and children who are at nutritional risk will be receiving food assistance and nutrition education in Yoakum County this month, as a result of a recent release of federal funds.

Local officials of the Texas Supplemental Food Program for Women, Infants and Children (WIC) are encouraging those who feel they may be eligible to apply for WIC services.

South Plains Community Action WIC Program is expanding its hours of operation in order to serve additional participants in an efficient manner. The clinic is open from 9:45 a.m. until 3:30 p.m.

Wednesdays. Potential clients can contact the WIC Program at 456-5734 to make an appointment or visit the WIC clinic nearest you. In Plains, WIC clinic is located at Sligo Community Building, County Rd. P-17.

WIC participants receive a monthly supply of nutritious foods such as milk, eggs, fruit juice, iron-fortified cereal and iron-fortified infant formula.

Monthly nutrition education classes are also provided so that WIC participants can learn about the relationship between health and good nutrition and how to buy and prepare nutritious meals.

Wet Weather Conditions Force 'Musical' Indoors

Rain forced the Plains Community Musical from the park into the school auditorium but didn't dampen the enthusiasm shown for the affair.

Rick Elmore of Brownfield served as Master of Ceremonies for the Aug. 30 event which began at 7:30 p.m. Elmore grew up north of Tokio and attended Plains Schools.

First group to perform was the FFA Talent Team, consisting of Kenley Powell on bass guitar; Michael Earnest, lead guitar; Keith Earnest, drums; Brad McWhirter, rhythm guitar; and Randy Kennedy, harmonica. The group has played together for a year, winning first runner-up at State FFA Convention in Amarillo last July.

Eleven-year-old Amanda

Morgan, who has been performing since age five, then took the stage. A member of Gospel Music Association, Amanda takes voice lessons from Mrs. Lucky of Brownfield.

Jeanette Wauson, formerly of Brownfield, sang "I'm Jesus' Fan", "Couldn't Make It Without Him", "Bring Me Out of the Desert", "His Peace is Like a River," and "Middle of the Night."

Jeanette has been singing Gospel music most of her life, singing in many churches in the West Texas area.

Next came Randy Brantley, now of Brownfield, who sang both Country and Gospel songs.

His Gospel selections included

Edinburg Suspect Arrested In Connection With Burglary

Plains Appliance was the scene of a robbery which occurred on the night of Aug. 29 or early morning Aug. 30, according to Don Booth, investigating officer.

Suspects entered from the front of the building, breaking the bottom of the glass door. They then opened the back door.

Officer Booth, assisted by officers McClure and Jones, secured search warrants and arrested one suspect, a resident of Edinburg. Two other warrants are pending.

Stolen property, valued at \$3000, was recovered at six different locations.

Grid Guessing Game Begins, Weekly Winners To Be Named

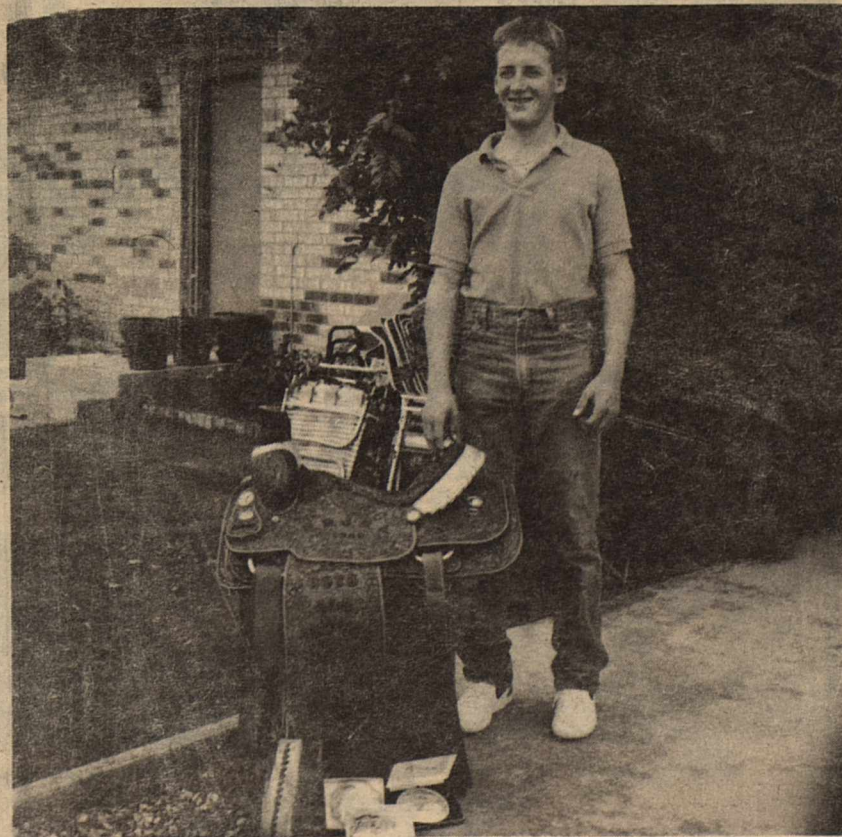

Pigskin prophets sharpened their pencils and set to work this week as the second annual Pride guessing game began. The fun competition will pad the pocketbooks of the three best predictors, by \$10, \$7.50 and \$5, respectively.

The contest is fun and open to everyone, the grid guessing "expert" or the beginner. And each might be the winner in any week!

Fill in the official entry form found in the official entry form found printed in The Plains Pride, marking the teams you believe will be the winners of the 20 featured high school, college and professional ball games. Fill in scores for the tie-breaker game, which is also counted as a game. Fill in name and address and deposit entries in collec-

tion envelope at Pay-N-Save Grocery Store or mail to P.O. Box 774, Olton, TX 79064. Entries will be picked up at 3 p.m. Friday; mail-in entries must also be postmarked Friday. The contest is open to anyone wishing to fill out the blank. One entry allowed per person each week.

Making the contest possible are the following avid supporters of the Plains Cowboys and Cowgirls — Plains Appliance Center, Pay-N-Save Grocery, Marjorie's Coiffures, Bayer Lumber & Hardware Co., Yoakum County Federal Credit Union, T-Tex Fertilizer, T & B Exxon, Plains Chamber of Commerce, Yoakum County Co-op Gin and Murrell and Helen Thompson.

ALL AROUND COWBOY in the 13-15 year old group honored at the High Plains Junior Rodeo Association Banquet was Micah Stowe. The banquet was held in Portales, N.M. Aug. 23. Micah won a belt buckle and saddle as well as winning the year-end calf roping buckle and the year-end ribbon roping buckle. During the season, he won various other buckles.

"All My Life," "Friends" and "My Father's Eyes."

Accompanied by Jeff Redman on mandolin, Randy Redman on guitar and Craig Cunningham on guitar, Randy sang "Ruby Don't Take Your Love To Town," "Sail Away" and "Amarillo By Morning."

A group called The Flatland Band was next on the program. The band members include Jeff Redman, mandolin; Randy Redman, banjo and guitar; Craig Cunningham of Amarillo, guitar; and Dale Winders of Dimmitt, bass. The band has been performing together about 10 years and have played at Bluegrass Festivals in Oklahoma, Arkansas and Texas. They presented Bluegrass, Country and Gospel music.

Diane Thompson, who writes her own songs, in addition to singing the traditional Gospel songs, sang three of her original songs. Diane, who has been singing most of her life, also plays the piano.

Last on the program were Arron Smith of Sundown, Greg Jones of Midland and Donny Spencer of Georgetown, all formerly of Plains. Together for the first time in over 10 years, they performed in their home town of Plains as The Remains.

A spokesman for the Plains Chamber of Commerce commented that the musical was a big success and that the proceeds amounted to \$116 which will go to help youth organizations in Plains such as Little Dribblers, Little League, Scouts and any other organization.

From The Superintendent's Desk

DEAN ANDREWS

The 1986-87 school year is in full swing with 482 students reporting for the first day of instruction. Tuesday started with five bus routes being driven and some 150 students realizing that the daily bus ride will be a way of life for 175 days of the year.

The second item of business is to make sure that each student has a schedule and is in the right place throughout the day. Then comes the breakfast/lunch periods when our cafeteria employees look up and see about 185 students arrive for breakfast, followed by 480 students for lunch. We try not to tell our cafeteria ladies that they will prepare 29,950 breakfasts, and 84,000 lunches before the 1986-87 school year is over.

The following came across my desk recently and I think it is worth sharing:

WHAT IS A SCHOOL LUNCH?
In the primary grades it is a threat:
"You can't go out to play until you eat."

In the elementary grades it's a contest:
"My plate's clean first; can I have my seconds now?"

In high school it's a tool for asserting new-found sophistication:
"I can't eat this slop."

In the faculty room it is a wall:
"If I eat it, I'll get fat."

In the kitchen it is a worry:
"Will they like it today?"

To the manager it is a challenge:
"How can I make it on this budget?"

To the Federal Government it's a Type A Meal:
1 glass of milk, 2 ounces of protein food, 3/4 cup of fruit or vegetable, and bread.

To a busy mother, it is a blessing.

Our teachers, aides, administrators, secretaries and maintenance staff have had a busy day settling students into the routine of school again. Once again we have had a great "first day" and together we look forward to 174 more great days.

ENERGY TIP...Consider the advantages of a clock thermostat for your heating system. The clock thermostat will turn the heat down automatically at a regular hour before you retire and turn it up again before you arise. The convenience of a clock thermostat is well worth the cost.

Oct. 6 Last Day To Register To Vote

During the month of January 1986, Yoakum County Voter Registrar, Wanda Smith, mailed out the new yellow voter registration cards.

Approximately 240 of the cards were returned to the Tax Office because the voters had moved and did not change their mailing addresses, or had moved from the county.

During March of 1986 a RETURN LIST was published in the DENVER CITY PRESS. There was good response to the list and we had a lot of voters come in and change their mailing addresses.

On August 16, 1986, a VOTER STRIKE LIST was published. The names that were not corrected earlier, were taken off the voter list.

Since the lists were not published in THE PLAINS PRIDE, Ms. Smith requests that anyone who did not get their yellow card in January contact her or her deputies at the Courthouse, 456-2825.

If your name is on the STRIKE LIST you will need to re-register to vote. In other words, you will be starting all over.

The last day to register to vote for the November election is Oct. 6, 1986.
