Two Weeks 'Grace Period' Given Hot Check Writers

Hot check writers of Yoakum County are being given a two weeks "grace period" to pay off checks or be served warrants by Yoakum County Criminal District Attorney Linda Shoemaker Lowrey.

District Attorney Lowrey has reviewed hot check cases pending in her office and has found a significant number of persons have not paid off their checks even though complaints have been filed and warrants issued and served. Several check cases date back to 1985 and 1986, she states.

"As a general rule, individuals are not arrested on the Class C "Issue Bad Check" warrants because it is not cost effective to fill the jail with Class C offenders," says Ms. Lowrey. "Many people take care of their checks after a warrant is served."

Notice is being given by Ms. Lowrey that warrants will be issued, or re-issued in some cases, Nov. 20 for all persons who have not paid off their checks. Arrests will be made. Individuals who have signed a payment agreement will not be arrested unless they have not paid as agreed. Situations which involve a person who has not paid as agreed will be reviewed on a case by case basis, Ms. Lowrey says.

She explains that warrants cannot be served unless the merchant secured vital information from the check writer including date of birth and driver's license number. Frequently the address printed on the check is no longer valid. Therefore, the Sheriff's Department cannot serve the warrant unless additional information has been obtained by the person taking the check.

Bazaar, Auction Slated Dec. 5

Yoakum County Art Association will sponsor a Craft Bazaar and Art Auction Saturday, Dec. 5 in the art building at Avenue G and 11th Street.

Bazaar hours will be 9 a.m. to 5 p.m. with the auction scheduled for 2 p.m. Booths may be rented for a fee of \$15 each. Rental information may be obtained by calling Ineta Teaff, 456-4022, or Susie Powell, 456-3411.

During the two weeks' grace period, individuals can contact the Justice of the Peace and pay off checks. After Nov. 20, the Criminal District Attorney, Sheriff's Department and both Peace Justices will join in a concerted effort to collect the money owed to area merchants.

"Anyone having bad check cases pending is urged to take immediate action to clear the cases by payment and avoid being arrested," Ms. Lowrey advises.

Chamber Offers Christmas Contest

Plains Chamber of Commerce met Tuesday morning in Johnnie's Restaurant. Jim Warren, president, presided.

The annual Christmas Tree Lighting, scheduled Dec. 2, was discussed. A decorating contest to be held among local businesses was planned. The Chamber will present a prize for the best entry.

Ribbon cutting ceremonies for two new businesses, Monica's Minor Touch and Mary's Country Flowers and Gifts, were discussed. Monica's Minor Touch ribbon cutting was held Wednesday. Ceremonies for Mary's Country Flowers and Gifts will be at 11 a.m. Thursday, Nov. 19. The Chamber welcomes the two new businesses.

Attending were Paul Cobb, Dolores Davis, Jim Warren, Jim Barron, David Bunch, Carolyn Culwell, Mary Jo StRomain and Toni Jones.

'Light Up America' On Veterans Day

"The Veterans Administration wants all veterans to 'light up America on Veterans Day' by driving through the day on November 11 with their headlights on," said Stephen L. Lemons, Director, Waco VA Regional Office.

"The 'light up America' program, initiated by national veterans service organizations, is intended to symbolize the camaraderie and mutual concern of the nation's 27.4 million veterans," said Lemons.

The Veterans Administration wholeheartedly endorses this national gesture and asks all veterans to "light up America" on Veterans Day.

RAYNEE DAVIS

*Raynee Davis
Recently Inducted
Into Honor Society*

Raynee Davis, senior accounting and finance major at Hardin-Simmons University in Abilene, was recently inducted into Alpha Chi, National College Honor Society.

Daughter of Dolores Davis and the late Wayne Davis, Miss Davis was one of the 48 H-SU students selected for membership. Only those junior and senior students of good character who rank in the upper tenth of their classes and have completed at least 30 hours at the university, are considered for membership.

Mrs. Davis attended the candlelight induction ceremony and reception.

Elected Director

L.J. Sanders was recently elected to the Yoakum Soil and Water Conservation Board of Directors. He represents Zone 3 of the district.

Purpose of Yoakum SWCD, with headquarters in Plains, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

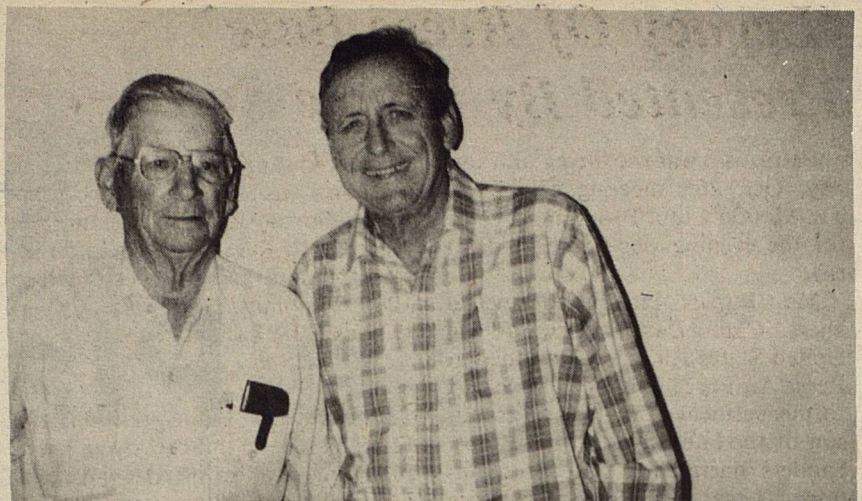

As one of five individuals serving on the district board of directors, Sanders will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district laws.

In other areas of leadership, Sanders is active in the Methodist Church, Child Welfare Board and the Society of Petroleum Engineers.

Sanders is married to the former Virginia Price. They have two sons, David of Houston and U.S. Air Force Captain Dan Sanders of Lubbock.

In Texas there are 206 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCD's do not have the power of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the landowners or operator.

Organized in 1953, the Yoakum SWCD has been active in working with legislators about conservation and in identifying conservation problems within the District.

Patriotism was the theme of Monday, Oct. 26's meeting of GFWC Tsa Mo Ga Club. Program director for the evening was Sarah K. Burrus.

Ms. Burrus introduced special guest, Capt. Dan Sanders of the United States Air Force stationed at Reese Air Force Base in Lubbock. A former resident of Plains and grandson of the late Bayne Prices, Capt. Sanders narrated a slide presentation, "Legacy of Reese Air Force Base".

Some 3300 people work at Reese including 800 civilian employees, the presentation noted. Reese annually trains 400 pilots and has a \$155 million dollar impact each year on the West Texas economy. Approximately 950 jobs are created by the base.

Sanders graduated from Lubbock Christian College in 1981 and was commissioned a lieutenant in the U.S. Air Force in 1982. He

graduated Reese Pilot Training in 1983 and was assigned for two years to Anderson AFB in Guam. He returned to Reese in 1985 as an instructor pilot and was promoted in 1986 to captain. He is presently serving as a T-37 flight examiner.

The former Plains resident has received several military decorations including the Air Medal with oak leaf cluster for 33 typhoon penetrations; Commendation Medal for saving 10 lives on a Search and Rescue Mission in the Pacific; and Air Force Achievement Medal with oak leaf cluster for numerous individual accomplishments.

He and his wife, the former Shanna Jeanan Renfrow, are parents of a daughter, Shaley Jeanay.

Other guests were Capt. Sanders' parents, Virginia and L.J. Sanders; his wife and daughter; and Kirk Parrish.

DEAN ANDREWS

We are pleased to announce that we have a schedule conflict with the Open House that was scheduled for November 10, 1987. Our girls volleyball team will be playing an area volleyball game on that night. We would like to reschedule our Open House to Monday, November 9, 1987, from 6:30 to 8:30 p.m. This is a time when we like to show our facilities and the classwork that our students have accomplished.

Our junior students took the T.E.A.M.S. exit level test this past week and we look forward to those results. Our students are very serious about this test because they know they must pass it before receiving a diploma.

Our students, teachers, and total staff are committed to making Plains Schools the best. We all appreciate your support.

Cowboys Kick Roughnecks

by Paula McMinn

The Plains Cowboys broke open a close game in the third quarter to defeat Sundown 28-7. The Cowboys, now 8-1 for the season and 4-0 in district play, used their rushing game to build up a 14-7 half-time lead.

With the first offensive play, the Cowboys showed they could rush the ball. Alex Barrientes broke for a 75 yard run, but a holding call cancelled the touchdown and brought the ball back. The Cowboys were able to get a first down on a pass from Shane McMinn to Doug Green at the 45 yard line on a third and nine. The Sundown defense held and on fourth and three from the fifty yard line Barrientes punted the ball to the 10 yard line where Kevin Lowrey hit the punt receiver and knocked the ball loose, then fell on the ball setting up the ensuing touchdown. On second down McMinn sprinted in from 10 yards out on a veer play to the right. He also added the extra point on the PAT.

Sundown took the kickoff and marched to the 50 before punting. The Cowboys were unable to move the ball. Barrientes punted 40 yards to the Sundown 45.

The Roughnecks, mainly behind the running of Mark Morgan, drove the ball the 55 yards for a score. Morgan took the ball in from the 35 yard line for the touchdown.

Taking the kickoff the Cowboys drove for two first downs where the drive stalled at the 50 yard line. Barrientes punted the ball 50 yards into the end zone.

A Sundown runner broke into the secondary on the ensuing drive, where McMinn and Barrientes hit the runner and the ball popped out and Kenley Powell caught the ball in mid-air and returned it to the 33 yard line. A 30 yard pass from McMinn to Scott Lowrey set up the next touchdown. On a second and three McMinn reached paydirt on a quarterback sneak and added the PAT.

The Sundown Roughnecks took the kickoff and started a drive that ended when McMinn intercepted a Davis pass and returned it to the

Sundown 45 yard line ending the first half, 14-7.

The Cowboys came out in the second half with a tenacious defense only allowing Sundown two first downs the second half of play.

The offensive line opened gaping holes for the Cowboy running backs. Guards Brad McWhirter and Lebert Powell, Center Kevin Lowrey and Tackles Don Booth and Brian Livengood paved the way for Cowboy running backs as they made many good runs against the Roughneck defense.

However, on the first play after the half, the Cowboys fumbled and lost the ball giving the Roughnecks good field position. The Cowboy defense held and took over at the seven yard line. The Cowboys mounted a 93 yard drive from that point. During the drive Michael Diaz carried the ball three times for 30 yards; Blake McWhirter carried three times for 25 yards and Barrientes carried one for 10 yards. Jeff Ashburn caught a pass for 10 yards; and Scott Lowrey caught a pass for 12 yards. McMinn ran a quarterback sneak for a touchdown and kicked the PAT with 5:14 left in the third quarter.

A face mask penalty on the kickoff put the Roughnecks at the Cowboy 45 yard line, but the Cowboy defense held and got the ball on the 14 yard line after the Sundown punt.

The Cowboys then mounted an 86 yard drive. Barrientes carried three times for 71 yards and Diaz one for 16 yards with Barrientes going the last 44 yards on a sweep for the touchdown. McMinn added the PAT with 2:28 left in the third quarter.

The Roughnecks drove the ball to the Cowboy 15 yard line where Chad Wall knocked the ball loose from Mark Morgan and Diaz recovered the ball for the Cowboys. The Cowboy drive stalled when a McMinn pass was intercepted at the Sundown 49 yard line.

The Roughnecks fumbled right back to the Cowboys with Blake McWhirter recovering the ball. After a 40 yard punt by Barrientes the Cowboy defense stopped the

Roughneck drive when Barrientes intercepted a pass at the Cowboy 20 yard line. The Sundown defense held and took over on downs. They took over at their own 17 yard line and were unable to move the ball.

The game ended with Plains having 20 first downs, 243 yards rushing and 95 yards passing for a 338 yards of total offense. Sundown had 11 first downs, 180 yards rushing and 33 yards passing.

Defensively the Cowboys were led by Blake McWhirter with 7 tackles and four assists; forced a fumble and recovered a fumble. Chad Wall, Michael Diaz, Shane McMinn, Alex Barrientes, Jesse Flores, Kyle Stephens all played an important

role in the outstanding second half performance.
