sale of calendars. Local troops keep 30 cents per box of the cookies sold during the annual cookie sale. Those funds are used to buy patches and pins for the girls and to help finance activities such as campouts and trips to the Science Spectrum in Lubbock.

Cookie sales also earn prizes for the girls. Most of the income from the sale of cookies goes to Caprock Council for the upkeep of Camp Rio Blanco and to provide training for adult leaders.

Calendar sales are a new project this year. Available are wall calendars or appointment calendars for pocket or purse. They sell for \$1.50 each. Proceeds will go to the Yoakum County Service Unit. The Service Unit helps finance new troops and pay for Service Wide activities. The Service Unit owns a bus that is available for Girl Scout use.

All monies from bake sales stays at home for use by the local girls.

Scouts and their leaders express thanks to the community for the support that makes their participation possible.

Card Of Thanks

Although our empty arms often ache, our hearts rejoice in the knowledge that Heaven has a new Angel, our son Chisum.

Our lives have been deeply touched by the phenomenal show of love by so many members of the Plains community.

To those who attended the Memorial Service in Hobbs, your presence was priceless. To those who called, visited, sent cards, sent flowers, or contributed to the Chisum Van Dyke Memorial Scholarship Fund, your love is evident and so special.

Thanks so much.

GOD'S LITTLE COWBOY

Little boys dream in life of the direction they will go.

To fly a jet, to be a vet, or ride the rodeo.

It is life's plan to be the best. No matter what you do.

There will come a time that God will call to see what you can do.

He's God's little cowboy. He loved the rodeo. He's riding with the Angels, He's putting on a show.

He's God's little cowboy. Across the heavens he will ride. Because God needs good cowboys, for his ranch up in the sky.

When little boys learn to ride and make a lasso sail.

They can catch a stray and know to pray, and do it all so well.

There will come the time for them to do the job that they know best.

To be God's little cowboy and help other cowboys rest.

Extension Homemakers Learn Food Safety Precautions

Pat Curtis directed a program on "Food Safety" for members of Turner Extension Homemakers Club at their regular meeting Nov. 12.

She cautioned members to always wash cutting boards with soap and water after cutting meat and never to cut other foods before it is thoroughly washed. She also advised that one should not use the same utensil to take up cooked meat that had been used in the raw meat.

Other advise was to never allow food to sit on the kitchen counter to cool before refrigerating and to never re-heat food more than twice.

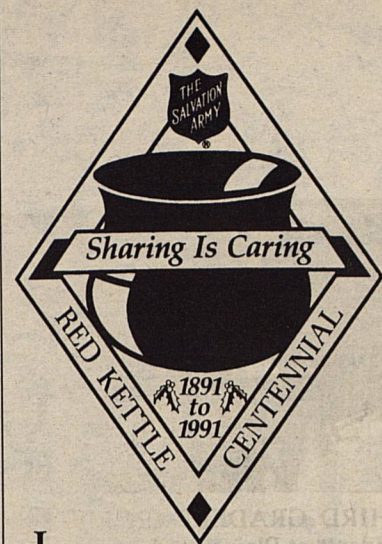

"If you have a large amount, heat

only what you will need," she said.

Announcement was made of the Council Christmas Party at 7 p.m. Dec. 6 in the club room. Members voted to contribute to the Cemetery Fund in memory of Patty Lowrey.

Bitsy Martin read a bit of inspiration, "A New Kind of Drug - Hugging". It is advice distributed by Lubbock's War on Drugs. (The article is printed with the school news on page 4.)

Others attending were Jerri Lollar, Bea Pippin, Maurine Smith, Dorothy Jones, Reta Mae Snodgrass, Cecilia Knight, Helen Worsham, Irene Pippin and Lucie Pippin.

It's a reminder that even very small gestures can help bring the joy of this special season to the needy.

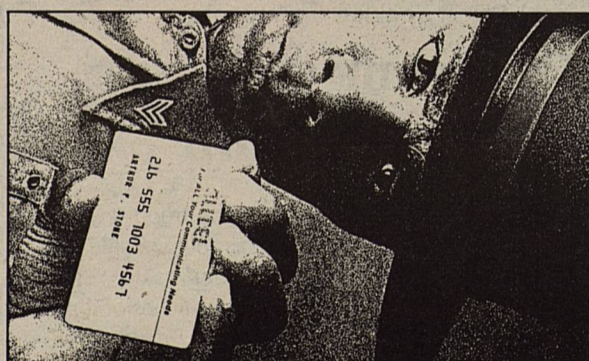

Hundreds of thousands of ALLTEL customers are talking on the ALLTEL Calling Card. And these are some of the reasons they use the ALLTEL Calling Card over other calling cards.

"ALLTEL knows the proper place for complicated numbers: in the classroom, not on a calling card."

"ALLTEL has helped me overcome my fear of rejection."

"I want my calling cards bills neat. Organized. And in perfect formation. Any questions?"

It's easier to use.

Unlike calling cards from some of the major long distance companies, the ALLTEL Calling Card number is short and easy to remember: just your phone number plus 4 digits. So you can call from virtually any home, business or public phone in the U.S. simply by dialing 0 + the number you wish to call + the ALLTEL Calling Card number.

It's more widely accepted.

Whether you call from a hotel phone that uses Sprint or a pay phone connected to AT&T or MCI, your ALLTEL Calling Card will always be accepted. And you won't be asked to dial additional numbers to access one of these networks.

Bills are neater and easier to read.

We'll itemize all your ALLTEL Calling Card charges — regardless of the long distance carriers you used — on your monthly ALLTEL bill.

Easy to remember, acceptance virtually everywhere, neat monthly bills. If you have the ALLTEL Calling Card, use it! If you don't, order it absolutely free by calling ALLTEL toll free at 1-817-866-3322. (This number is toll free when calling from an ALLTEL service area.)

'Home of the Cowboys & Cowgirls'

On The Hard Court

The Plains Cowgirls opened the 1991-92 basketball season with a win over the visiting Wellman Lady Cats here Tuesday. With only one day of practice, the Cowgirls looked extremely good in a 35-33 victory. The game wasn't without excitement as Plains held a 12 point lead with 1:48 to go, but saw their lead reduced to 2 in the closing seconds. Plains jumped out to a 14-6 first quarter lead, much to the surprise of the visitors and increased their lead by one by halftime, holding a 20-11 lead. Rena McElroy led in scoring with 12 points followed by Ashlee Winn with 7. Daphne Lowe and Ogla Ramirez each hit 6 followed by Rhonda Cowart and Amy Crutcher with 2 each. Ogla led in field goal percentage with 75%. Rena led in steals with 7 followed by Ashlee and Rhonda with 4 each. Rena also led in rebounds with 9. Daphne led in assists with 4 and Ashlee had 3.

Plains took their first trip of the year, traveling to Loop for Friday night's contest with the Loop Lady Longhorns, and gave the hosts a 42-41 setback in an exciting game to the end.

The second half was all Cowgirls as Plains hit 60% from the floor in the third stanza to pull within five, 30-35. Then in the last quarter, Plains hit two baskets in the last minute to win the thriller.

Rena led in scoring with 13 points followed by Daphne Lowe with 8. Ashlee Winn and Ogla Ramirez each hit 7. Rhonda Cowart made 4, Heather Bowlin made 2, and Brandy Lester rounded out the scoring with 1. Rena led in field goal percentage with 55% followed by Ogla and Heather with 50% each. Daphne led in free throw percentage with 80%, making 4 of 5. Rena, Daphne and Ogla tied for honors in rebounds with 7 each, followed by Ashlee with 6. Brandy led in assists with 4 and Daphne had 3. 'Richard & Josh' Visit Elementary

Richard Stack, author, visited recently with students in Plains Elementary School. Accompanying him was Josh, "The Wonder Dog"...the main character of Stack's recent books.

Stack was a practicing attorney in Maryland when a 1983 Christmas special challenged him to write "something better" for children. His uncle, Charles Stack, provided illustrations.

When a loveable stray mutt wandered onto the author's back porch and proceeded to take up residence, his resemblance was markedly like the artist's drawing of "Josh, the Wonder Dog".

Josh has traveled with Stack and achieved celebrity status. He obligingly gives "autographs" and captivates students and teachers alike.

Stack's success has led to a second book in a series about Josh.

A New Kind Of Drug—Hugging—

We came across this advice distributed by "Lubbock's War on Drugs, Inc." and thought you might want to give it some serious consideration....(Hugging is also a fuel—it gets you started in the right direction and keeps you going when things get tough!)

Hugging is healthy. It helps the body's immune system; it keeps you healthy; it cures depression; it reduces stress; it induces sleep; it's invigorating; it's rejuvenating; it has no unpleasant side effects; and hugging is nothing less than a miracle drug.

Hugging is all natural: It is organic and naturally sweet; it has no pesticides, no preservatives, and no artificial ingredients. It is 100 percent wholesome.

Hugging is practically perfect: There are no moveable parts, batteries to wear out, and no periodic checkups. It is low in energy consumption, high in energy yield, and it is inflation-proof and non-fattening. It has no monthly payments and no insurance requirements.

Finally, it is theft-proof, non-taxable, non-polluting and, of course, fully returnable.
