## Jason Smith Signs Intent To Run Track For SPC

Jason Smith has signed a letter of intent to run track for South Plains College Texans.

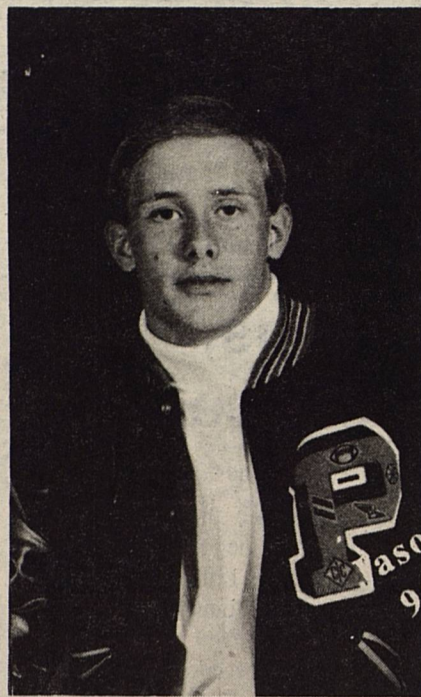

A 1992 graduate of Plains High School, he received numerous calls and letters from several universities and colleges. Planning a major in education with a minor in athletic training, he feels he can qualify for the National Junior College Track Championships next season with the training he expects to receive at SPC. He will be running on the Texans Cross Country Team this fall and says this should help build strength and endurance for the 800 meter run.

Smith competed for the first time in the 800 this year. He was ranked second in State in both the 400 and 800

meter runs. His 1600 meter relay team was ranked third.

He holds the PHS record in the 400 with a 49.80 set at the State Qualifying Meet in Abilene. He qualified for regionals all three years of his track career. He was a regional finalist as a sophomore and junior in the 400 meter dash, 400 meter relay and 1600 meter relay. As a senior, he qualified in the 400 dash, 800 run and 1600 relay.

Son of Hershel and Debbie Smith, he has been a member of the State Runner-Up Cross Country Team two consecutive years. He was also selected All-District Basketball; unanimous All-District Wide Receiver; All South Plains Wide Receiver and All State Wide Receiver.
