

## HOME TOWN Talk

By R. C. THOMAS

To make a long story short and to the point, there's an urgent call going out for someone to step forward and take the job of Scoutmaster for Winters' Boy Scout Troop 49.

Jim Burnett, who had worked with and for the group of boys for a long time, was transferred in the summer, and since that time no one has agreed to take the job of Scoutmaster. It wasn't so bad during some of the summer, because activity was slowed down to a great extent because of summer vacations, jobs, etc. But now that school has started, activity will pick up — or should — and there is a great need for a man to work with that group of boys.

And don't think that the boys of Winters are not eager and ready to take part in Scouting! Some of the members of the Explorer Post — advanced Scouts — have been working with the boys in the lower echelons for the past few weeks, and recently made appearances and talks to groups of boys at the school to build up a greater interest in Scouting. The result: at a meeting this week in the Scout Hut, held to organize for the year and get the Scout show on the road, SIXTY-ONE BOYS SHOWED UP! That's enough for even THREE troops, we're told!

So you can see that the interest is there, and it would be shameful if this call, made by such a large group of boys who really want to do something, were to go unheeded.

There's no pay check connected with the position of Scoutmaster. And much of the time there's little recognition . . . what little recognition is paid to Scouting in this hurry-up time usually is directed to the boys themselves. But that's the name of the game, really! That is what it's all about to help in the training of the young boys and youth who will some day take over where the rest of us leave off. The training they receive in Scouting will last a lifetime.

So the man — or men — who come forward now and offer their services will receive much more than a pay check.

## Rain Total For Year Now 23.6

Rains in this area during the past few days have dumped enough water on Winters to bring the year's total to 23.6 inches.

Unofficial records show that during the month of September 5 inches of rain has fallen in Winters. This is considerably more than the 0.8 inch received during the same period in 1963. The 5 inches reported for Winters is not a true picture for North Runnels County, however. Varying amounts have been reported, with some sections of the north county receiving more rain than Winters, and some sections receiving less. In fact, following a downpour which hit downtown Winters one afternoon last week when upwards of an inch was estimated to have fallen, rainfall on the western edge of town was measured at only 0.2 of an inch.

Rainfall in the north section of the county has been of such sufficiency, however spotted the measurements, that many farmers already are getting ready to plant winter grain just as soon as the fields are dry enough to enter. Forecasts are that more rain may be received before this first-fall rain season ends.

## Big Turnout For Booster Meeting Monday Night

Winters Booster Club held its regular meeting, Monday night, at City Hall with a large turnout.

It was pointed out that the membership committee has done a real good job; and to date have 136 members. Anyone not yet contacted, and interested in backing the Blizzards is requested to contact Joe Baker, J. A. Henderson, Hal Dry, Roy Austin or Shorty Foster.

Coach Connor gave a scout report on the Albany team, stating that three key players were injured for the Anson-Albany game, and that the score was no indication as to the strength of the big Albany team, still ranked 4th in State Class A.

Coach L. G. Wilson gave a rundown on the condition of the Blizzards; also stating the boys were improving and Mondays work out was the best of the year.

Films of the Brady-Winters game was shown.

Our car was not purring this last Sunday. In fact, it was yawning and howling — loud moans! Looked under the hood, nothing. Examined the frame underneath: nothing. Still, there was this caterwauling, Tiger in the tank? Could have been from the commotion.

Finally we drove onto the lift at Jim Hamner's Service Station, and made a closer inspection. Now Jim is an old con hunter, with as sharp an eye as ever squinted up a tree trunk — but he had trouble locating the source of the moans. Finally, tucked away in part of the front frame, in a little compartment just made for such a hide-hole, he found the kitten. Smart animal, because in the spot he had chosen it would have been impossible for him to be crushed. He had been on a pretty fast ride or two before he was found, and was not at all anxious to come out of his hole. He clung to the frame and had to be pulled loose . . . then he wanted to fight. To avoid any further unpleasantness, Jim dropped it to the floor, and the concrete poured for Jim's new station floor probably forever will bear the claw marks where this "tiger" dug out. From the way he evacuated the premises, he is probably still going. A little yellow kitten, fist-size, about six weeks old.

## Central Campaign To Climax Baptist Latin-Am. Work

A central campaign will be held at the City auditorium in San Angelo from September 27 to October 2 as a climax to a month long Latin American New Life Crusade which is being sponsored by the Baptist General Convention of Texas.

Evangelist Judson Blair from El Paso will preach in Spanish each night with the exception of Tuesday which will be in English.

Rev. Blair is a missionary to Mexico and is presently living in El Paso where he works with the Baptist Publishing House.

Latin Americans are especially invited to the services which begin each evening at 7:30 o'clock. Features of the services include special choir selections, testimonies, and guest soloist Francisco Bilbao, evangelistic singer.

The revival in San Angelo concludes a month's emphasis in this area of rallies, visitation and local revivals. Local churches will also have training classes for new members and new teachers.

Dr. T. A. Patterson, executive secretary of Texas Baptists, announced earlier that the crusades are destined to reach the 2-one half million unevangelized Latin Americans in Texas with the gospel. Churches in Mexico and New Mexico along the Texas Border are also participating in the crusade.

## Homecoming At Norton Planned For Oct. 3-4

The annual Norton homecoming has been scheduled for Saturday night and Sunday, October 3 and 4, it was announced this week.

The Norton Parent-Teachers Association will operate a snack bar on Saturday night, and a lunch on Sunday will be catered at \$1.00 per plate.

New officers of the homecoming organization will be elected during the brief business session Sunday afternoon.

Present officers are Mrs. J. C. Carter, Ballinger, president; Mrs. D. W. Williams, Winters, vice president; and Marguerite Mathis, Winters, secretary.

## Blackwell School Exes Set Date For Homecoming Oct. 3

Blackwell school exes and friends will meet Saturday October 3, for the annual homecoming, according to Bobby Sanderson, president of the ex-students Association.

Registration will begin at 3 o'clock at the old gym and the program and meeting of the Ex-student Association will be held at 4 o'clock.

A barbecue dinner will be served by the seniors of 1965 in the school cafeteria. At 8 o'clock a football game with Mertzon has been scheduled and a reception for everyone at 10 o'clock.

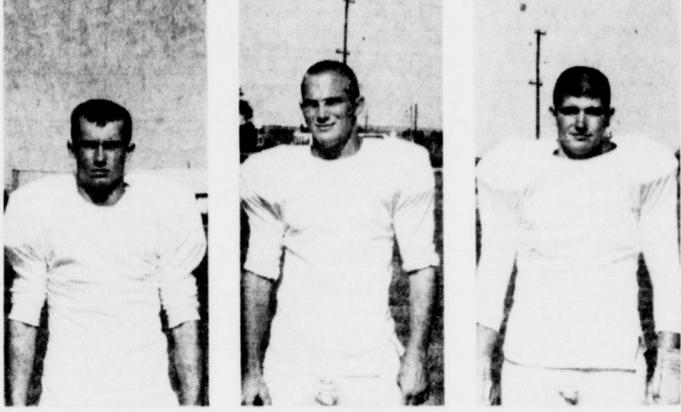

Mr. and Mrs. Harley Ryan of Dallas visited last week with his mother, Mrs. J. E. Ryan.

Methodist Nursing School Barbara Baldwin.

## CAPTAINS FOR THE ALBANY GAME

VAN SPILL      DENNY ALDRIDGE      BOB FOSTER

## Homecoming Is Planned For Stamford Game

Ex-students of Winters High School will get together for a homecoming on the week end of the Winters-Stamford football game, the last game of the season, Nov. 13.

These are the plans of the nucleus of a stronger ex-students association now working on the project. In a meeting Sunday afternoon, preliminary plans were made to attempt to contact as many ex-students as possible before the homecoming week end.

Spokesman for the group explained that to participate in the homecoming event, a person is not necessarily required to have graduated from Winters High School. If any person has ever gone to school in Winters, he is eligible to join the ex-students' association, they said.

Local students who have the names and addresses of other ex-students who are no longer living in the Winters area are requested to forward that information to Mrs. Don Oakes, secretary of the association, or to contact the Winters Chamber of Commerce. It is planned to have the biggest and best celebration ever this year. A local representative of every class but one graduating from Winters High School or going to school here has been appointed to act for his or her class in planning the homecoming celebration.

## Family Night At Methodist Church

The Harvesters Sunday School Class of the First Methodist Church will host a family night sandwich supper in the basement of the church Sunday Sept. 27, beginning at 6 p. m.

All members of the church are invited to attend and bring sandwiches. Drinks will be furnished.

Mr. and Mrs. Harley Ryan of Dallas visited last week with his mother, Mrs. J. E. Ryan.

## Winters Teachers Attend Delta Cappa Gamma Meeting

Winters teachers, members of Delta Cappa Gamma, who attended the first meeting of the Alpha Beta Chapter in San Angelo Saturday morning September 19, were Miss Mattie Cooke, Mrs. Earl Dorsett, Mrs. Charles Kruse Jr., Mrs. Roger Robinson, Mrs. B. T. Shoemaker, and Mrs. Claude Tatum.

The coffee was held in the beautiful Central High School Library.

An inspiring tape recorded address by the international president of the organization, Dr. Carolyn Gus of Bloomington, Indiana was the highlight of the meeting. Her subject was "Take Something Like a Star."

Mr. and Mrs. Don Lindley of Odessa spent the week end in the home of his parents, Mr. and Mrs. Ben Lindley and with his sister, Mr. and Mrs. John Kuykendall in Ballinger.

## Rev. Roy Crawford Is Seeking Names Of WHS Graduates

The Rev. Roy L. Crawford, who was a member of the first graduating class of Winters High School, is seeking the addresses and names of the other three who graduated from the local schools at the same time.

The other three were James Hufflines, now deceased, Ora Griffith and Leske Hinde. He has lost contact through the years with the two girls of the class and doesn't know their married names, or if they were married.

Rev. Crawford would appreciate any information about the two women, where they are living, and correct mailing address of each.

Send all information to Rev. Roy L. Crawford, P. O. Box 5, Winters Texas 79567, or phone PL4-9871.

## Rep. Ben Barnes Will Go To New Jersey For Meet

Byron Tunnel, speaker of the Texas State House of Representatives, has announced the appointment of Representative Ben Barnes of DeLeon to accompany him in representing Texas at the annual meeting of the National Conference of Legislative Leaders in Atlantic City, New Jersey.

Also attending the September 23-26 conference are Representatives Bill Parsley of Lubbock, Gus Mutscher of Brenham and Paul Floyd of Houston.

Tunnel and Barnes, leaving prior to the other members of the Texas Delegation, have spent the last few days in Washington, D. C., conferring with other state and national leaders on the subject of congressional and legislative reappointment.

In appointing Barnes, Tunnel commented, "Barnes' attendance in the past to interstate meetings, as well as his growing personal knowledge of many of the leaders across the nation, make him an invaluable asset not only to me but to his state in providing knowledgeable and effective representation at this conference."

Winters teachers, members of Delta Cappa Gamma, who attended the first meeting of the Alpha Beta Chapter in San Angelo Saturday morning September 19, were Miss Mattie Cooke, Mrs. Earl Dorsett, Mrs. Charles Kruse Jr., Mrs. Roger Robinson, Mrs. B. T. Shoemaker, and Mrs. Claude Tatum.

The coffee was held in the beautiful Central High School Library.

An inspiring tape recorded address by the international president of the organization, Dr. Carolyn Gus of Bloomington, Indiana was the highlight of the meeting. Her subject was "Take Something Like a Star."

Mr. and Mrs. Don Lindley of Odessa spent the week end in the home of his parents, Mr. and Mrs. Ben Lindley and with his sister, Mr. and Mrs. John Kuykendall in Ballinger.

## Local Policeman Now Attending Police Academy

Ray Heathcott, member of the Winters Police Department and assistant police chief, left Sunday to attend the 20-day Southwest Academy for Law Enforcement Officers at Howard County Junior College in Big Spring.

The first session of the course got underway at 9 a. m. Monday.

Sponsored jointly by Texas A and M University and JCHC, the school is the first to be provided in this part of the state. Plans call for three sessions a year. Enough interest has been shown to assure a second session. HCJC President W. A. Hunt stated. The schools will probably be conducted every four months.

Opening class was to be conducted by Police Chief Jay Banks of Big Spring. Wallace D. Beasley, co-ordinator of police training at A and M also presented a history of police work during the first morning session.

Responsibilities and duties of police will be outlined by W. M. Gaddis, chief of police at Seminole. During the opening week, Beasley will also conduct classes on the code of criminal procedure, along with Bill E. Caffee, A and M instructor, and Charles Batchelor, assistant police chief at Dallas.

Other instructors include Bill Flynn Liquor Control Board office in Big Spring; John Baross, city attorney, and Roland Howerton, Fort Worth assistant police chief. Texas A and M conducts similar schools at Westlaco, Arlington and College Station.

## Presbyterians Planning Five 'Loyalty Sundays'

The First Presbyterian Church is planning a series of "Loyalty Sundays," according to the pastor, the Rev. Edgar Graham, to begin with the services next Sunday, Sept. 27.

Purpose of the series is "to call all members to Loyalty," the pastor said, with a deepening spiritual dedication and commitment as the first purpose. Church attendance is the second, he said.

Purpose of each week in the series are: "Loyalty to Our Youth and Church School Teachers." This is rally day in the Church School and Christian Education Sunday in the church.

"Loyalty To Our Lord." To be held on World Wide Communion Sunday, when the Lord's Supper will be observed.

"Loyalty To Purpose." To investigate and study the purpose of the church and its place in the community.

"The Loyalty of Our Men." This part of the series will be held on Laymen's Sunday, with several members of the congregation participating.

"Loyalty to Our Church." An annual congregational meeting to elect church officers will be held on this Sunday. A budget for the next year also will be adopted by the congregation. The congregational meeting will begin with a covered dish supper beginning at 7 p. m.

## Blizzards Travel To Albany Friday

The Winters High School Blizzards, frantically searching for a way to regain their winning ways, go to Albany Friday night to meet another team faced with the same kind of problem.

Each team — the Winters Blizzards and the Albany Lions — have the same kind of record, 1-2, and each team was pre-season picked to make marks in their own district and classification. But hard luck has dogged the heels of both teams all season, to see them both tailgating their district standings.

For Friday night's encounter, which will be played at Albany, there will be some changes in the Big Blue lineup, according to Coach L. G. Wilson. A re-vamping of both the offense and

defense setup has been called for the Blizzards, which may be reason for some different kind of action on the field when they meet the Lions.

For Friday night's game, Hank McCreight has been slotted to work with Bob Jones on the Tackle spots. Paul Jones joins the offensive lineup this week in one of the end slots, with Chip Puckett occupying the other end. Leroy Kettler also joins the offense for this week. Other offensive spots remain unchanged.

For defense, Richard Shade, has joined Roger O'Neal at tackle, with Mike Patterson going to the inside linebacker spot. McCreight shifts over to an end spot with Mathis, and Jerry Awalt will come in the safety spot. Chip Puckett will be a corner linebacker, along with Larry Awalt.

## AROUND THE 5-AA FOOTBALL LOOP

Life gets tedious! The team which was picked, before the annual headknocking began, to trump most of the acts in the area has hit the skids, sliding to near the bottom the actual standings of 5-AA and all the way off the slate in the Star-Telegram rating list.

The Winters Blizzards have run up against some hard luck — not to mention some of the hard teams — and have notched a win-loss record of 1-2. Lakeview built the skids, then Brady, two weeks later, put grease on them — to the tune of 14-6. The only win for the Big Blue team has been the 16-0 blanking of Mason.

Friday night's encounter with Brady left the Blizzards slightly stunned, but still in there pitching. It was a game of wits and, the Blue were simply outwitted by the fast-action play on the part of the Bulldogs. It was a FOOTBALL game in capital letters — what the fans paid to see, regardless of the disappointment on the part of many Blizzards fans. Larry Awalt, top ground-gainer for the Blizzards gave just a hint of what is to come as the season progresses. He was assisted by Halfback Van Spill and Jimmy Adams, with the rest of the Blue Helms, generated by Richard Puckett, coming in for their share of the credit.

This was a no-counter, of course, insofar as the district is concerned — just a muscle-loosener against the time when 5-AA antagonists get together for the final-wire tussle.

Although they are outside 5-AA, we think that Brady's Jimmy Rodrigue and Danny Schill deserve a lot of credit for their play for the Bulldogs Friday night. They're bound to furnish some anxious moments for their district opponents this season — and we will go so far as to predict the Bulldogs will take their own district honors this year. They've taken over Winters' last week No. 6 spot, moving up from No. 7 in the state.

Lagging slightly in yardage gained from both passing and rushing, the Bearcats put the can to the Coleman Bluecats Friday night, by a slim 7-6 margin, to keep the state-rating honors confined to Runnels County. Ballinger retains their grip on the No. 2 spot on the Star-Telegram rating list, by virtue of their three wins this season.

The Bearcats' Billy Dees toed the extra point after the lonesome teedee scored by Ballinger against Coleman Friday night, to make up the one-point difference in the two teams. Ballinger marched 64 yards in 9 plays to score their counter in the first period, and then hit a snag planted by the Bluecats. Ronnie Smith, Ballinger's QB, faked a pass, and then skirted his own end to the end zone standing up for the TD.

Coleman controlled the field in the second quarter, and then with five seconds left in the half Dennis Nichols went into the end zone for the other counter of the game.

Ballinger goes to Mason this week to try the team defeated by Winters last week.

Anson, the Whoopedoers from the north end of 5-AA, clipped and mauled the Albany Lions 43-12 in Anson Friday night. (Incidentally, 12 of the 18 points Anson has allowed this season were scored by the Lions, who will be visited by the Blizzards this week.) The Tigers still are battling a thousand, to

(Continued on page 6)

With Three games under their collective belt — and only one of them a win — the Blizzards, with a re-shuffling in the line-ups, may come up with something to regain their position. Coach Wilson said every boy will be battling to keep his place, which should make for some concentrated football.

Game tri-captains for the Albany game will be Van Spill, Bob Foster and Denny Aldridge. Aldridge, out because of a broken collar bone, will not play but will be on the field as a tri-captain. Bo Killough will not see action because of injuries.

ALBANY DANGEROUS According to scout reports, the Albany Lions are much better than is indicated by their win-loss record for this season. The Single A Shackelford County boys constitute a power-type club, pushed by a heavier-than-usual backfielder named Charles Brewster, a fullback who is a third-year ball runner.

The Barbee Twins — Larry and Garry — in the end and halfback slots on offense, are reportedly fast and hard to catch.

In the line, Tackle Bob Oliver, 228-pounder who was All-District in '63, and Guard Dick Shelton promise some action against the Blizzards. Shelton was picked as an All-Stater in his classification in 1963.

The Lions were short four boys because of injuries when they went against Anson last week, but they are expected to be back to full strength this week.

In their first game of the season, Albany came close to whipping Double A Olney, but came out on the short end of the scoreboard 20-15. They outshined Olney by more than 50 yards in that encounter, and were outdistanced in the air. At that they scared the Cubs in the fourth quarter of that battle. Against Olney, the Barbee Twins showed up, with one of them — Larry — picking off an Olney pass and Garry catching a TD pass that covered 59 yards.

The Lions started late against Cisco the following week, edging out the Lobos 23-20 — this time with an aerial combination of quarterback Jerry Speck and Larry Barbee. They made two teedees in the second quarter, plus a counting safety. Albany's Oliver made three conversions in the game with Cisco.

When the Lions invaded District 5-AA against Anson last week, they had four regulars out because of injuries. Even then, they put up a good show against the unbeaten Tigers.

The final 43-12 score does not indicate the full strength of the Albany eleven, and they were ahead 12-6 at one time in that game.

In pre-season estimations, Albany was listed in the No. 2 spot for Class A in the state, and had two boys named the Class A Honor Roll. The Lions ranked 13 lettermen from a high ranking team of last year.

PROBABLE STARTERS  
Offense  
End: Chip Puckett, Paul Jones  
Tackle: Hank McCreight, Bob Jones  
Guards: Bob Foster, Mike Patterson

## 85 Students From Winters Seeking Higher Education

Approximately 85 students will soon be enrolling in the various universities and colleges throughout the state for the fall semester. Some students have already left for the school of their choice and others will be leaving within a few days.

Several 1964 graduates of Winters High School will enter college for the first time and others will be returning to their alma mater. Winters will be represented in approximately 25 universities and colleges this fall, with the largest number of Winters students enrolling at the University of Texas.

Those planning to enroll are: Hardin-Simmons University: Wes Hays, Carolyn Scott, Nancy Spill.

Ahilene Christian College: Nicki Eoff, Bernard Adams, Sandra Beard, James Burlison, Margaret Stoeker, Roy John Clark, Tommy Young.

Baylor University College of Medicine: Gary Harter.

Howard Payne College: Linda Parks.

University of Texas: Charles Bahlman, Ronald Kraatz, James H. Bryan, Pat Patterson, Roger Stanford, Jerry Dunn, Marta Davidson, Billy Pumphrey, Jimmy Johnson, Mike Bedford, Roland Tekel.

North Texas State University: Mike Bedford, Roland Tekel.

Methodist Nursing School: Barbara Baldwin.

Massey Business College: Patsy Winton.

Baylor University: Bob Shoemaker, Russell Bedford, Alan Benson, Kathryn Clark, Jerry Sneed.

Cisco Junior College: Lanny England, Neil Brown, Donald Parker.

Distinctive profile seen in

## Beautiful New Chevrolets for 1965

Leading the beauty parade of 1965 cars is the elegant Chevrolet Impala Sport Coupe (above) with new flowing lines, new roominess and a distinctive profile. Stylish roof lines and curved side windows blend with the gracefully contoured rear quarter panels. The new Impala Convertible features an inward folding top with tempered glass rear window. The regular-size Chevrolet is available in 15 models in four series. The public announcement date for all Chevrolet-built passenger cars is September 24.

## Chevrolet Offers Widest Variety Of Luxury Models In 54 Year History

Chevrolet takes its longest stride into the fine car field with its 1965 passenger cars — plus offering the widest variety of luxury models and product features in its 54-year history. On display in dealer showrooms on Thursday, Sept. 24th, will be 45 models in five distinctive lines of new Chevrolets. Of these, 20 will be "sport models" — convertibles and hardtops. There are all-new cars in two lines:

The regular Chevrolet, long-time industry sales leader, moves to a new prestige plateau with the greatest comfort and luxury ever offered.

The Corvair makes a dramatic advance with its first major styling change in five years.

Customer approved design, with significant styling refinements, is continued for the Chevrolet, Chevy II and Corvair lines. The Corvair also becomes the first American car to provide four-wheel disc brakes as standard equipment.

Among approximately 400 accessories and optional features available on 1965 Chevrolets is the first FM stereo system offered by an auto maker. Another is a telescopic steering column to give greater driving comfort for Corvairs and Corvettes.

With its new models, Chevrolet hopes this year to establish its third successive industry sales mark. S. E. Knudsen, general manager, declared.

"For 1965, Chevrolet is keeping pace with the public's growing preference for prestige transportation with the widest possible customer choice of options and features to fit individual needs," he said.

Following are highlights of the five members of Chevrolet's "family" for 1965:

Regular Chevrolet — The top selling line is an entirely new

automobile for 1965. It is the most luxurious car ever offered by Chevrolet.

Fifteen models in four series stress a bigger car concept. The new Chevrolet is longer by more than three inches (to 213.1 inches), wider by 1-one-half inches (to 79.6 inches) and one inch lower (to a sport coupe height of 54.1 inches) than 1964 models.

Interiors offer greater roominess — three inches more shoulder room — plus increased leg room, both front and rear. Floor tunnels are substantially smaller. The luggage compartment has a flat floor for easier loading.

The all-new styling features an entirely new look. Square front fenders sweep through the body into gracefully contoured rear quarter panels. The grille is framed by deeply recessed headlights.

The rear deck is flat with a slight downward taper to a full-width rear bumper. Chevrolet's traditional triple taillights are hooded and extend back from either side of the rear panel. All models have a low silhouette roofline and curved side windows. Convertibles will have tempered glass rear windows.

Beneath the new body is an equally new chassis. A number of improvements result in a greater ride and handling characteristics. The 119-inch wheelbase is retained.

A "wide stance" chassis gives wider front and rear tread. The front is wider by 2.2 inches to a total width of 62.5 inches and the rear is 3.1 inches wider to a total of 62.4 inches. There is improved full coil suspension both front and rear.

A sturdy, new perimeter frame provides the structural platform for a new strut rod front suspension, new link-type

rear suspension and new parallel relay steering system.

Six engines (one six and five V8's) are offered, ranging in horsepower from 140 to 400 and incorporating a number of engine improvements. Four new transmissions are available and there is a total choice of 16 power teams.

Corvair — Chevrolet's popular small sports-type car makes the first major styling change since its introduction in the 1960 model year.

For 1965, Corvair is longer, wider and lower while offering increased engine power. It retains its 108-inch wheelbase plus the air-cooled, rear-mounted engine and frame integral body which make it unique among American built cars.

Corvair's model lineup for 1965 emphasizes increased sportiness. Pillar sedans and the coupe have been dropped. The seven new models are either convertibles or two and four-door hardtops.

A new top-of-the-line series, the Corvair — available in either convertible or sport coupe — replaces the Spyder models. The turbocharged engine, available only in Corvair models, is increased from 150 to 180 horsepower.

There is a smooth, international flavor to the new Corvair body which is longer by three inches (to 183.3 inches) than the 1964 Corvair, and wider by more than two inches (to 69.7 inches) and slightly lower — the sport coupe height is 51.3 inches.

The front end slants slightly forward, retaining the "No grille" Corvair trademark (signifying a rear engine). Dual headlights are recessed. Front and rear decks taper gently downward. Rear rooflines are long, particularly on sport coupe models. A distinctive full width cove that is indented from sides to center houses twin taillights and license bracket.

The redesigned Corvair interior gives increased shoulder room and entrance heights plus more leg room in the rear seat of sport sedan models. The new dash panel has recessed instrument cluster — available in either including the Monza sport sedan — have bucket seats in color keyed, all-vinyl interiors.

Among new body features for 1965 are an improved heater and defroster system, ventilated rocker panels, flush-mounted windshield and rear windows. Monza and Corvair models have bucket seats in color keyed, all-vinyl interiors.

Mechanical features include an improved four-wheel independent suspension system and a wider tread front and rear for better handling. There are larger diameter, wider brakes on all four wheels.

The standard engine is 95

## Trans-Pecos Deer Count Higher

Sportsmen who plan to hunt mule deer or white-tailed deer of the Pecos River can look forward to good hunting prospects equal to or better than the 1963 season, reports Henry Burkett, director of Region One for the Parks and Wildlife Department.

The 1963 hunting season was a red letter year for Trans-Pecos deer hunters because deer were

in good condition and bucks sported the best racks exhibited in a number of years, said Burkett. Early 1964 surveys show deer numbers are up slightly and once again antler growth should be better than average.

The 1964 Trans-Pecos deer season begins the last Saturday in November and lasts for 15 consecutive days ending December 12.

Sportsmen may take two buck deer of which only one may be a buck mule deer except that, by special permit only, antlerless deer may be taken in areas designated by the Parks and Wildlife Department. However, no person may kill or possess more than three deer in the aggregate of which only two may be mule deer.

The two Corvair Greenbrier sports wagons are continued in 1965 with only identification changes.

Fresh from the "beauty parlor" —

## Sleek New Corsa in '65 Corvair Line

The Corvairs for 1965 step out with a smart all-new continental styling. For the first time since its introduction in 1959, body lines of Chevrolet's rear-engine car have been completely changed. The Corsa Sport Coupe (above) and the Convertible lead the 1965 Corvair series, followed by the Monza Sport Coupe, Sport Sedan, Convertible and two 500 models. On September 24 Chevrolet dealerships will display various models of the five passenger cars offered by the company in 1965.

## now? the beautiful shapes for '65

'65 Chevrolet Impala Sport Sedan

## Chevrolet Impala '65

It's longer, lower, wider—with comforts that'll have many an expensive car wondering why it didn't think of them first. More shoulder room, more leg room up front. Curved side windows, an

instrument panel that's a conversation piece. In fact, just about everything's new right down to the road. And even that'll seem newer because the Jet-smooth ride is smoother than ever.

'65 Chevelle Malibu Super Sport Coupe

## Chevelle Malibu '65

Here's all that made Chevelle America's most popular new-sized car—plus some new surprises. Like those cleaner, bolder lines. Like the silky way its new ride skims over the choppiest roads. Like

V8 power that'll make you think we stole some of Corvette's stuff—which we did. All told, five engines are available from a quieter six to a V8 that comes on 300 horses strong.

'65 Chevy II Nova 4-Door Sedan

## Chevy II Nova '65

It may be the expensive-est looking thrift car you've laid eyes on. But thrifty it is. The big difference being that Chevy II's marvelous mechanical efficiency now wears a debonair new look. And

offers a new range of engines, including a new 300-hp V8. You could get the idea that saving you money was the last thing we had in mind—if it weren't for that price sticker on the window.

New top-of-the-line Corvair Corsa Sport Coupe

## Corvair Corsa '65

How's this for sport with an international flair! The longer, wider design gives all closed models a hardtop roof, along with more shoulder and entrance room. And to go with the racier look,

there's up to 180 hp available in the new Corsa series, up to 140 hp in the Monza and 500 series. Also a flatter riding independent suspension, more responsive steering and a wider road stance.

### Methodist WSCS Continues Study Of Church Mission

Members of the Woman's Society of Christian Service of the Methodist Church met Tuesday morning in the church parlor for the continuation of their study: "The Church's Mission Among New Nations."

Mrs. H. O. Abbott called the meeting to order and presided for a short business session. The group opened the meeting with the song, "In Christ There Is No East or West," and with a prayer given by Mrs. W. T. Stanley.

A devotion was presented by Mrs. Abbott followed by the study with Mrs. M. L. Dobbins in charge. Those giving parts on the study program were: Mrs. Stanley, Mrs. C. R. Willey, Mrs. Elmo Mayhew, Mrs. W. W. Parramore, and Mrs. David Dobbins.

The meeting closed with the group singing the songs, "Whisper A Prayer" and "Hallelujah." Mrs. M. L. Dobbins gave the closing prayer.

Twenty members were present. They were:

Mesdames: Roy Crawford, W. W. Parramore, Gattis Neely, M. E. Leeman, C. E. Driley, F. Mitchell, Elmo Mayhew, Carl Baldwin, W. T. Stanley, V. M. Babston, George Rosson, R. L. Rose, Ted Nichols, Paul Tharp, David Dobbins, C. R. Willey, M. L. Dobbins, H. O. Abbott, E. L. Crockett and Miss Frances Stricklin.

### Drasco Baptist WMS Held Day Of Prayer

"Lord Make Me Aware" was the theme of the program for the meeting Tuesday of last week of the Womans Missionary Society of the Drasco Baptist Church.

Mrs. Floyd Condra, prayer chairman, had charge of the program and the group observed the day of prayer for State Missions.

Those present were Miss Carrie Lee, Mesdames Vyron Wood, Zack West Omer Hill, Robert Conner, Bede England, L. Q. Sneed, A. T. Williams, Dick Bishop, Floyd Condra and Judy Sneed.

The novel "Ben Hur" was written in the Palace of Governors, Santa Fe, which has housed soldiers, horses, gun powder and governors.

LBJ AND LBJ—President and Mrs. Johnson occasionally escape the Washington bustle by resting at their ranch near Johnson City, Tex. In background is their home.

### Mrs. L. R. Hoppe Hosted Meeting Of Evening Circle Mon.

Mrs. L. H. Hoppe hosted the regular monthly meeting of the St. John's Evening Circle in her home Monday evening.

Mrs. A. N. Crowley gave the Bible study from Acts 16-18 and led the group discussion. The offering meditation was led by Mrs. H. A. Minzenmayer and a free will offering was collected.

Miss Estella Bredemeyer, the president of the organization, presided for the business session and welcomed the visitors. Twelve members repeated Bible verses as response to roll call by the secretary, Miss Minnie Belitz who also read the minutes of the previous meeting. Mrs. James Burson gave the treasurer's report.

Mrs. Willis Whittenberg was appointed to secure information in regard to a curtain in the educational building.

The circle will furnish flowers for the church Mission Festival and the 60th anniversary of the church in November.

The Secretary of Education, Mrs. A. W. Holck, gave a talk on the topic, "Know Your Own

Church." Newly elected officers to serve for a two year term are Miss Minnie Belitz, vice-president; Mrs. Charles Kruse Jr., secretary; Mrs. Edward Bredemeyer, Secretary of Education and Miss Helen Lisso, parliamentarian.

The meeting closed with a prayer by Miss Estella Bredemeyer.

Refreshments were served to the visitors Mesdames L. W. Kettler, R. C. Simpson, A. W. Stoecker Jr. and the members Mesdames A. W. Holck, L. E. Jacob, H. A. Minzenmayer, A. N. Crowley, Willis Whittenberg, Edward Bredemeyer, M. D. Wright, James Burson, Misses Estella Bredemeyer, Helen Lisso and Minnie Belitz.

#### TO SALADO

Rev. and Mrs. Roy Crawford will attend a meeting of the Scottish Clan Council at Salado this week end. He represents the Crawford Clan on the Council.

Final preparations will be made Sunday for the fourth annual gathering of the Scottish Clan of Texas, November 7 and 8 at Salado.

### PATTERNS FOR PROGRESS

### The Industrial Foundation - Tool for Community Development

In little more than ten years Industrial Foundations have been established in 182 Texas communities. These are communities — both large and very small — which have recognized the vital need for a community financing group in securing new industry.

Called by various names, the Industrial Foundation is a community-wide organization with the prime objective of creating payrolls. Its functions vary from community to community, but basically its purpose is to provide development funds for the land, brick and mortar required for new industry.

It is one of the best ways to show favorable community attitude towards new industry or to help finance the expansion of an existing local industry. By having community money invested in an industry the community becomes more interested in seeing that the industry profits and grows.

The Community Industrial Development Foundation is another PATTERN FOR PROGRESS.

WTU's area development representatives have information about the creation of industrial foundations. These facts are available to growth-conscious communities on request through your WTU local manager.

And Now To Albany—

# Winters Drops Game To Brady 14-6 Friday Night

If the song of several seasons back, "You Gotta Have Heart," could be applied to football scoreboards, the Blizzards of Winters High School could have claimed a victory instead of a defeat Friday night against Brady — for Richard Puckett, Larry Awalt, Van Spill and Jimmy Adams had enough "heart," but the team just could not come up to the strong Brady team, so bowed to a 14-6 loss.

Behind the leadership of Puckett, the Blizzards claimed a 6-6 tie at the half, leading on the statistic sheet, and controlling the ball for 29 plays to Brady's 25. However, after the half, the Blizzards met a new Brady team, and were only allowed 19 offensive downs while Brady used 35. Brady piled up 104 yards rushing in the second half to the Blizzards' 12.

The Blizzards started off with a bang moving from their own 34 yard line to the Brady 33 before a five-year penalty took the wind out of their sails and with fourth down and two needed, the Blizzards elected to punt.

The ball was put in play on the 20 yard line. In 14 plays Brady had moved 80 yards, behind QB Harold Anderson and Danny Rodrigue, for a touchdown. Anderson carried for the TD, then called for a run try for extra points. The necessary yardage was short, leaving the score late in the first quarter, Brady 6, Winters 0.

The Blizzards still had a little life left, so returned the favor midway in the second quarter. The drive began on the Winters 41. A pass from Richard Puckett intended for Chip Puckett fell incomplete. Adams moved for two yards and Awalt completed the first down to the Brady 49. Puckett moved to the 44 as the first quarter ended. The second quarter began with Adams moving to the 32. Then Awalt carried to the 23, and Spill to the 14. With first down, Awalt again to the 12. Spill to the nine, and Puckett to the eight. Awalt com-

pleted to the four. With fourth down and goal from the four, Spill used two downs to find the mark for six points. Spill's try for extra points, via the toe route, was wide and a new ball game was on — 6-6.

After finding no running room, the Bulldogs yielded with a punt and again Winters was on the move. A Puckett-to-Puckett pass was good for 23 yards to the Brady 17, and then Awalt moved for five yards. Spill, down to the Brady nine, fumbled the ball and the Bulldogs recovered to stop the drive. The Bulldogs punted on fourth but contained the Blizzards until the half.

The second half was a Blizzards nightmare — with the Big Blue literally snowed under by Brady's strong offense and impenetrable defense. After receiving the kick-off, the Bulldogs moved from their own 38 to the Winters 12 in nine plays. With first down and 10 from the 12, Anderson kept the ball to the nine. Jerry Atherton moved to the eight but seemed to try to balance the ball on his fingertips, and Adams moved under it for for a Winters Fumble recovery.

The Blizzards moved to the 23 before punting. From their own 39, again the Bulldogs showed some of the strength that gave them a 42-6 win over Lakeview as they moved to the Winters 27 before bogging down as the third quarter ended.

Van Spill ran 10 yards to the 37 and a first down, then Awalt

claimed a yard before Puckett attempted a pass, only to see Anderson become the receiver on the 44.

The Bulldogs were contained for four plays, as the Blizzards came to life again.

Again Spill was the first man to run on the down and evidently Brady knew the pattern as they piled through the offensive line to throw Spill for a seven-yard loss. The next play saw Adams return the fumble favor. This time, however, the Bulldogs took a little more string and eight more points as they moved 26 yards to pay dirt with Anderson scoring from the three. An Anderson pass to Lewis was good for the extra points.

The Blizzards received the after-point kick and were unable to even find the line of scrimmage for three plays before punting out to the Brady 35. Ten plays later the ball game ended with neither team leaving the midfield area.

The Blizzards ran hot and cold, and were up against a very strong Brady team, with plenty of know-how. This leaves the Blizzards with a 1 win and 2 loss record.

## Goal Diggers Discuss "Goal Beyond"

The Goal Digger Club met on Monday evening in the Jack Hall home with Jackie serving as hostess.

Ann Bean gave a program on "Meeting the Goal Beyond." Refreshments were served to the members and benediction closed the meeting.

## Former Wingate Teacher Writes And Illustrates Book

Mrs. Elizabeth Edwards Knox of Burnet, a former teacher in the Wingate School and the mother of Mrs. David Dobbins of Winters, has achieved distinction simultaneously in two fields of endeavor, art and literature, with the publication this month of a profusely illustrated volume of poetry.

Mrs. Knox, a first grade teacher at Burnet, who is beginning her 13th year of teaching, has received the first pre-publication copy of Animal Lines from the Naylor Publishing Co. of San Antonio. While Mrs. Knox has had both her poetry and her illustrations published before, this is the first time her name has been listed on the title page of a book as author as well as artist.

A number of Mrs. Knox's poems have appeared in "The American Anthology of College Verse" and she did the illustrations for "Why There Are No More Dinosaurs" by Mrs. Joe A. Sheppard of Burnet. However, in Animal Lines she has shown equal competence in writing a whimsical type of verse that appeals alike to children and adults and in illustrating each poem with a drawing that reflects its subtle humor.

Mrs. Knox is an all-Texas product having been born and educated in the state. She took her B. A. degree at Southwestern University in Georgetown, did graduate work at Southwest State Teachers College in San Marcos and at the University of Texas and also attended Hardin-Simmons University at Abilene.

## Blackwell Man Is Presented Medal At Tinker AFB, Okla.

Lieutenant Colonel William H. Lynn, whose son Jerry W. Lynn, resides at 2718 Jefferson Ave., Dallas, Texas, has been decorated with the U. S. Air Force Commendation Medal at Tinker AFB, Okla.

Colonel Lynn was awarded a medal for meritorious service as a communications staff officer at Ramstein, Germany.

He is now chief of the Maintenance Engineering Division at Headquarters, Central Communications Region at Tinker. His organization supports the Air Force Communications Service mission of maintaining the communications for control of global Air Force operations.

The colonel is a graduate of Blackwell, Texas High School. His wife, Bonnie, is the daughter of Mr. and Mrs. L. B. Barbee of Route 1, Wingate, Texas.

Hard work — an accumulation of easy things we don't do when we should.

Those who stretch the truth often find that it snaps back and hits them.

## Game Hurt By West Texas Arid Spell

Here is a cold appraisal of wildlife prospects in West Texas, stated in the prosaic prose of a field man for the Parks and Wildlife Department interested only in viewing condition as they were when he made his observations just before recent good showers in some areas:

Extended hot dry weather throughout West Texas has temporarily stopped the normal reproduction of wildlife production. Antelope, deer, quail and other wildlife species, without the storehouses set aside for subsistence during drought periods depend on the yearly production of weeds, shrubs and other foods for their survival.

If spring and early summer rainfall doesn't come, each year, weeds and shrubs don't grow and the stamina and the strength necessary for successful reproduction is lacking.

In West Texas this year only a few of our hardier species have had the stamina and the strength to bear young. Quail and mourning dove are still hoping for late summer rains that will cause a few green sprouts to burst forth and provide just enough nourishment for the late summer hatches.

Although such appalling situations greatly disturb wildlife admirers, hard times such as these, will ultimately benefit all creatures of the wild. Nature's plan, although severe in application, will eliminate only the weak and ill adapted. The strongest of each group will survive to reproduce next year.

## Literary-Service Meeting Thursday In Worthington Home

Fourteen members and one honorary member were in attendance when the Literary and Service Club met in the T. H. Worthington home for the president's dinner and the first meeting of the club year on Thursday, Sept. 17.

Mrs. H. M. Nichols led the prayer and Mrs. M. G. Middlebrook presented a paper on "The Abundant Life." Mrs. E. E. Thormeyer gave the "President's Message," and welcomed the new members.

The constitution and by-laws were read by Mrs. Loyd Roberson.

The yearbooks were presented and a preview of the programs for the year was given by Mrs. Worthington. The course of study for the year is "An Abundant Living."

Those present were Meses. Frank Denton, Earl Dorsett, Sallie Gray, A. W. Holck, J. C. Jarrell, Max Lewis, J. D. Marshall, M. G. Middlebrook, Loyd Roberson, H. A. Stanford, E. E. Thormeyer, T. H. Worthington, J. S. Tierce and Charles Chapman.

Success is not so much a matter of talent as of concentration and perseverance.

Roger Babson Says—

## Japanese Determined To Become World's Leading Manufacturers

Babson Park, Mass. Some time ago I promised my readers a column on Japan. This week's release represents my own opinions, but I have given considerable study to the subject.

Japan realizes she could be swallowed up by Red China if the Chinese should break through and overrun all Malaya. Japan would surely have to get into the fight and this could wind up with World War III, involving the U. S. and Russia as well. This is possible, but not probable.

At a reception given Henry Cabot Lodge on his return, he was asked a multitude of questions, which — by the way — he handled very splendidly. His audience apparently felt that he had been brought back here to prevent the nomination of Senator Barry Goldwater. Mr. Lodge insisted that he wasn't "agin" anybody, but that he had come home to help Governor Scranton of Pennsylvania secure the nomination. What success he will have will be decided soon at the Republican Convention. But let me get back to my subject of Japan.

**JAPAN IS TIRED OF WAR**  
The Japanese at one time thought the way to success was through connivance and politics without regard for right or wrong. Hence, while their chief men were in Washington talking peace terms with President Roosevelt's representatives, the Japanese admirals had already left Japan prepared to blow up our Navy at Pearl Harbor. This move, which brought Japan into conflict with the U. S. in World War II, failed miserably; but I feel it taught Japan a lesson which is very valuable to her.

Japan nearly lost everything at the close of World War II. Her whole experience then made the Japanese people sick of war and anxious not to have anything more to do with it — not even to the extent of helping out, or protecting their interests, in the Vietnam situation. It has been only her strategic position and her great industriousness which has since saved her. The

two cities — Hiroshima and Nagasaki — upon which President Truman allowed atomic bombs to be dropped were almost annihilated. Japan is now capable of making atomic bombs of her own, but has agreed not to do so, and — in fact — to stay out of the atomic field.

**JAPAN WANTS BUSINESS**  
In order to avoid any possibility of being swallowed up by the Chinese or the Russians, or even the United States, Japan is now following a new program. She is no longer looking for military or similar honors. She is looking for business, and more business — and business in every part of the world. Japan is not mercenary, except as this involves bringing more business to Japan.

Japan is well represented at scientific conferences, but concentrates on those which will help her secure more business. Japan's new program calls for her to cease putting all her life lines into industry and wealth on the little island of Japan. She has decided, instead, to spread out and have hundreds of "little Japans" in different parts of the world. I base this belief of mine on careful study and on interviews with numerous people acquainted with the situation. I think it was confirmed by answers which Henry Cabot Lodge gave in his question period.

The Japanese, as I have said, are determined to spread out all over the world—to get business and to get more business instead of building a small industrial Japan as their predecessors did. The Japanese are determined to make more products, and to make them cheaper; to sell more at lower prices; and to become the greatest manufacturers and merchandisers in the world.

I should think they might succeed in this program, except for one thing: In their eagerness for business and wealth they appear to have left "morality" and "spirituality" out of the picture for the moment. That is to say, they seem to be putting all emphasis on the materialistic. However, my Japan-

ese friends tell me that their people are deeply devout. Only a very few of them are Christians. The vast majority accept Jesus on the same basis as they do Confucius, Buddha and Mohammed . . . as a Great Prophet, but not as a part of the Deity. As to what effect Japan's religious beliefs should have in this article I leave each reader to decide for himself.

Babson Park, Mass. The replacement of our one-dollar silver certificates, the last U. S. paper currency backed with a full dollar's worth of metal, brings this nation's money supply close to a position of irredeemability. About all that now seems to stand in the way is our dwindling supply of fractional coins. However, even if we are forced to adopt a non-convertible currency, it will not be the first time. During the Civil War, for example, we issued a total of \$450 million in irredeemable greenbacks. The results of this action are interesting, and perhaps not without significance for us today.

**PAPER CURRENCY OF 100 YEARS AGO**  
The first of the Civil War greenbacks rolled off the press in March of 1862, and by early summer a severe coin shortage had developed. This was of course in accord with the tenets of Gresham's law, which states, in effect, that the most valuable pieces of money will be driven out of circulation, once a disparity in value exists in a monetary system. On Aug. 21, 1862 the government released its first issue of fractional paper currency, in 5 cents, ten cents, 25 cents, and 50 cent denominations. These releases continued intermittently for a number of years, with the final issue coming in 1876.

Special payments had been suspended in early 1862, and by Jan. 1, 1863 gold was commanding a 60 per cent premium over the irredeemable greenbacks. This process of depreciation continued until 1864, when the gold premium was a whopping 200 per cent. Even so, this 35 cent Civil War dollar still was three cents more valuable than our present dollar, judged in terms of its 1913 counterpart. It was seventeen years before the nation could resume special payments. This was done on Jan. 1, 1879 and, remarkably enough, in the final year of a great depression. This would be much more difficult, if not impossible, today because of the enormous obligations of the federal government.

**SOUND SOLUTION**  
This experience with coin shortages suggests that some of the proposed remedies for the present scarcity may prove ineffective. Continuation of the 1964 dating on future mintings could well make earlier issues more scarce and consequently more valuable, and thus bring Gresham's law into action on pre-1964 coins. In that event, the proposed maximum minting of 9.5 billion coins per year would simply drive the 30 to 50 billion coins now in circulation into the hands of collectors. This would set us back, production-wise, from three to five years in our effort to cope with the problem.

In the past, some nations have resorted to stringent laws in attempts to prevent hoarding of coins. Historian Macaulay, discussing England's great mutilation and hoarding problems of the 1690's, says, "At every session that was held at Old Bailey terrible examples were made. On one morning seven men were hanged . . . for clipping. But all was vain. Nay, the severity of the punishment gave encouragement to the crime." England's coin problems were solved, as all such problems must be, by applying monetary principles in accord with Gresham's law: By calling the old underweight coins, by stepping up mint output of new full-weight coins, and by renouncing all plans for cheapening or inflating the coinage. (These were drastic measures, about equivalent to our recalling the pre-1934 gold dollar and renouncing inflation-producing unbalanced budgets.) "Within four days after the meeting of Parliament," records Macaulay, "there was a perceptible improvement in trade. The discount on bank notes had diminished by one-third." And the missing coins? Almost immediately they "began to come forth from a thousand strong boxes and private drawers."

**TODAY'S INFLATION**  
Since we went off gold in 1934, there has been more opportunity for inflating. Prices of commodities, real estate, etc., showed a general relationship to the value of gold when our domestic currency was readily convertible into the metal. Today, however, Congress can change the price of gold, influencing the whole price level. This is the danger we face.

Perhaps it would be a good idea for readers to ask both Mr. Johnson and Mr. Goldwater how they stand on this serious problem.

The University of Oregon maintains a collection of 373,458 volumes of newspapers of the Northwest.

## Be Busy Sewing Club Met In Wilson Home On Monday

Mrs. M. H. Wilson was hostess Monday for the meeting of the Be Busy Sewing Club in her home, 212 Jewell.

Pollyannas were exchanged and handwork was done by the members. Refreshments were served to Mesdames W. H. Cain, W. E. Coley, George Lloyd, H. B. Parks, Nadeen Smith, L. B. Blackmon, M. H. Hogan, J. C. Martin, Fred Poe, Bill Milliron and the hostess.

The next meeting will be on September 28, in the home of Mrs. Fred Poe.

Each day of the week Americans use an average of 75 million tin or glass containers of food.

## Mrs. E. H. Baker Honored On 80th Birthday Sunday

Mrs. E. H. Baker was honored Sunday on her 80th birthday with a full day of activities arranged by her daughter, Mrs. Jim Counts, of Fort Worth.

Mr. and Mrs. Counts, who came Friday, brought a beautiful birthday cake for the occasion. Due to the illness of Mrs. Baker's son-in-law, Frank Simpson only the members of Mrs. Baker's Sunday School Class were told of the event. Mr. and Mrs. Counts attended church with Mrs. Baker and took her out to lunch.

Mrs. Baker received a telephone call from her daughter, Mrs. Opal Salten of Chula Vista, California, a call from her grandson, Alvin Counts of Port-

land, Oregon and one from her niece, Mrs. Bessie Brookshire of Valle Jo, California.

She also received special delivery letters from Mr. and Mrs. Bob Jeanis, grandchildren of San Jose California, Mr. and Mrs. Bob Barnschlegel of Redwood City, California, also her grandchildren.

Those who called in the afternoon were Rev. and Mrs. Ray Elliott and Mersha, Mr. and Mrs. Jim Counts, Mr. and Mrs. Elmo Mayhew, Mr. and Mrs. Joe Baker, Mrs. Eula Burton, Mrs. Frank Mitchell, Mrs. Jim Edwards, Mrs. C. E. Briley, Dr. and Mrs. Z. I. Hale, Mrs. Louise Johnson, Mrs. James Glenn and Mrs. Lora Coupland.

Refreshments were served to those mentioned above and Mrs. Bill Milliron and Mrs. Nadeen Smith.

## WMU Circle Session Held Tuesday In Pete Davis Home

"History of Woman's Missionary Union" was the study conducted by Mrs. B. T. Gardner at the meeting of the Lounette Templeton Circle of the First Baptist Church Tuesday in the home of Mr. and Mrs. Pete Davis, 311 East Pierce Street.

Mrs. W. S. Cooke, circle chairman, presided for the program and Mrs. W. W. King gave the monthly prayer calendar and led the opening prayer. Taking part on the program were Mrs. W. R. Kennedy, Mrs. Cooke, Mrs. M. E. Baines and Mrs. J. S. Tierce. Mrs. G. C. Davis gave the closing prayer.

Refreshments were served to those mentioned above and Mrs. Bill Milliron and Mrs. Nadeen Smith.

## Gleaners SS Class Met Thursday In Bill Parrish Home

The Gleaners Sunday School Class of the Southside Baptist Church met Thursday in the home of Mrs. Bill Parrish for a monthly social. Business was discussed and Mrs. John Smith installed officers for the coming year.

Those present were: Mrs. J. Grohman, Mrs. Everett Cockrell, Mrs. Bill Hill, Mrs. Pete Eoff and Mrs. John Smith and the hostess Mrs. Bill Parrish. Mrs. Bill Parrish dismissed with prayer.

**Around the 5-AA-**

(Continued from page 1)  
carry out the pre-season predictions of Football Magazine, who said that Anson "could spoil a number of plans" this season.  
An offensive show all the way — for Anson — Friday night's game with the lions netted the Tigers 332 yards running and passing. Jerry Andrus of Anson and QB Allen Hunt chose up sides to lead the Tigers over Albany. They're headed for district honors, with all brakes off. Anson invites Cisco this week.  
Another team of 5-AA to take on an AAA opponent this last week end was Stamford, who handed Snyder an 8-6 defeat. The Bulldogs have now a 2-1 record for the '64 season. Snyder out-gained Stamford on the ground, and in the air, but the scoreboard was in favor of the Bulldogs. Stamford made their lonesome score in the first period, with Halfback Harrison Cole setting up some sort of play, and then Rusty Kelley going up the

middle for the six, followed by HB Mike Jones who tallied for the two. From then on, however, it was the Snyder Tigers' game. They failed to convert on their teedee in the first half, however, which spelled the difference in the final tally. Stamford goes to Breckenridge for a Saturday game this week.

Hamlin has scored more than any other 5-AA team this season — 79 — but have allowed opponents to cross for 31 points, to lead the four undefeateds in this department. The Pied Pipers played a homecoming game Saturday night, and gave the old grads something to cheer about in their massacre of Post 25-6. They scored three quick teedees in the opening quarter. Their scoring combine included HB Robert Pearce, who used the air to toss counters to Mike Shivers, and Allen Cumbie, and QB Johnny Overman, who waded through a herd of Post Antelopes for a six-pointer. In the extra-point kicking, the Pied Pipers made good with only one during the evening.

The Pipers rest this week. Haskell, the fourth 5-AA squad in the no-loss column, grand-styled the visiting Seymour Panthers 26-7 Friday night to leave another big contender for district honors north of the Abilene line. As before, Joe Josslett, Haskell's QB, took his share of the gravy; he was assisted by Garry Connor and Gary Drusadow, who scumpered 67 yards for a counter.

The Panthers were chained all night, and allowed only 89 yards rushing and 45 passing against 238 and 7. They were let out of the cage in the final quarter, though, and made their counter and extra-counter.

The Indians go to Munday Friday. Colorado City is undergoing their baptism of fire this, the first season they are teamed with other 5-AA members. They were walloped 35-0 by the Monahans Lobos Friday night — the first win of the season for the West Texas team.

Lobos seem to be a bit stronger than ordinary Wolves, because Monahans kept C-City to only 83 yards on the ground and 13 in the air Friday night, while loping off 305 yards on the ground and 54 in the air for themselves.

Colorado City goes against Merkel this week.

The season is only three games deep — so don't count your chickens before you buy the chickens. Anything can happen in AA football, and usually does — although it seems to some fans that "Alas, poor Yorick, I knew him well!" Heat of competition can build steam out of gridiron sweat, and cause a lot of commotion before the last horn is tooted. And after all, skid-marks on the state rating asphalt don't show — too much.

**Portrait of Linda Lloyd Selected for Magazine Cover**

Linda Lloyd, daughter of Mr. and Mrs. George F. Lloyd, had the distinction of being a "Cover Girl" this month.

A portrait, made by Eddie Little, local photographer, of Miss Lloyd entitled "Spring" was selected for the cover of the Southwestern Photographers Association, an organization made up of photographers in Texas, New Mexico, Oklahoma, Arkansas and Louisiana.

The portrait was on display at the SWPA convention in Dallas last April and received a gold star award there.

**Quarterly Meeting Rannels County TB Ass'n. Held Thurs.**

Claude R. Stone Jr., president, was in charge of business for the quarterly meeting of the Board of Directors of the Rannels County Tuberculosis Association at a dinner meeting in the Ivy Room at the Texas Grill Thursday night.

Mrs. Chester McBeth, secretary, read the report of the last quarterly meeting. Mrs. Pat Richards, executive secretary, reported that the balance on hand September, 1964, was \$1353.33 after expenses had been paid for x-ray, Christmas Seal material and current expenses. Mrs. Richards reported that one Rannels County citizen was a patient at McKnight Hospital.

Joe Hambright, Christmas Seal chairman, announced that the Seal Sale committee, which includes members from Winters, Rowena, Crews, Benoit, Norton, Wingate and Wilmett, would meet at an early date to make plans for the Christmas Seal campaign. Mrs. Chester McBeth, chairman of the nominating committee, also announced a meeting of that committee which includes Mr. and Mrs. Joe Dierschke of Rowena, Mrs. Dovie Condra and Mrs. Aurelia Webb.

Mrs. Thelma Outlaw, field worker from the State Tuberculosis Department in Austin, was the guest speaker.

Mrs. Outlaw's topic was "TB Is on the Rise." She began her talk by saying "Tuberculosis is not licked," and stated that there was an increase of 54,000 in the United States and 2,836 in Texas. There

**Midway CB Club Will Study New FCC Regulations**

New rules of the Federal Communications Commission will be discussed at the meeting of the Midway Citizens Band Club at their regular meeting in the Crews gymnasium Saturday night, Sept. 26. The meeting will begin at 7:30.

The new rules become effective Nov. 1, it was reported. Because there are now some 700,000 citizen band radio stations, the FCC is unable to furnish copies of the revised rules to meet the requests of individual operators, it was pointed out. Therefore, it is important that all CB owners and operators of the area attend this meeting to familiarize themselves with the new regulations.

The number of CB units in this area is still growing, it was reported. Last month there were 53 CB operators attending the meeting. This month it is anticipated that as many as 100 will be in attendance from the area.

**Harvey E. Little Received License To Practice Law**

Mr. and Mrs. W. E. Little and their son Harvey Edward were in Austin Sunday and Monday for ceremonies of the State Supreme Court, where Harvey Edward received his license to practice law and was sworn in as a member of the bar.

Others attending the ceremony and reception which followed were his uncle and cousin, Harvey Dale and Mike Jones of Winters, his brother, Billy Lynn Little and Mary Gardner of Austin.

Mrs. H. D. Jones also spent the week end in Austin where she visited her sister, Mrs. Z. V. Falls.

are 160 children patients in the four State Hospitals in Texas and more than 2000 patients in all four hospitals. Many are hospitalized in private hospitals.

The primary objective for eliminating the disease is education and better coordination in the planning on the care of patients she stated.

Twenty three board members from Ballinger, Winters, Bethel, Crews, Rowena, Norton, Maverick, and Crews attended the dinner meeting.

Claude R. Stone Jr., introduced the speaker.

**FB Convention To Confirm Political Policies For 1965**

Plans for the annual Rannels County Farm Bureau convention, described as "The most important meeting of the year" for the organization, were announced by Ben Frerich of Rowena, president.

The convention will be held October 8, 1964, at the offices of the Rannels County Farm Bureau in Ballinger. Meeting time will take an official position on important local, state, and national issues. These will be acted upon at the annual state convention in November when state policies will be formed and recommendation to the national convention will be agreed upon.

Only bonafide farmers or ranchers who are members of the organization can participate in the making of Farm Bureau policies. These policies, which will guide the organization during 1965, are formed through a series of conventions, county, state, and national, in democratic fashion.

"We need the participation of all our members in order that Farm Bureau policies for 1965 will reflect the grass-roots thinking of farmers and ranchers," the county leader said. He urged all Farm Bureau members to attend and voice their opinions on current issues.

**VISITED FATHER**

Mrs. W. J. Yates, Mrs. Clyde Spain, Mrs. Edna Boyd of Brownwood and Mrs. Baxter Wilson of San Antonio were among the relatives who visited Sunday with Mrs. Yates' father, N. C. Egger who is a patient in Simmons Memorial Hospital at Sweetwater.

**ON BUSINESS HERE**

Mr. and Mrs. Eddie Phillips and her father, Dave Thomas of Abilene, former residents of Winters, were transacting business and visiting friends here Saturday.

**Winters Public Library Receives New Books Recently**

Winters Public Library continues to receive new books for all age groups, it has been announced by the librarian, Miss Myra Glover. More new books for pre-school age children have been ordered since a large number of library members are 2 to 5 years old.

A few of the most popular books for adults are, "Lost City" by John Gunther, "Run Me A River" by Giles, "Convention" by Bailey and Kneel, "The Fortress" by Gavin, "The Pond" by Murphy, "Armageddon" by Urin and "The Spy Who Came in From the Cold" by Carre.

Through the summer months 4,518 books were read and records were kept of the 135 children who joined the reading club. Sixty-two children read twelve or more books. Carla Walker, a 12-year-old student from Wingate School read and reported fifty-one books.

Library hours are Wednesday, Friday and Saturday, 2 to 6 o'clock.

**Winters School To Dismiss At 3 P. M.**

The Winters Schools will dismiss Friday, September 25, at 3 p. m. in order for buses to return and make the necessary trip to the Albany vs. Winters football game.

All buses will run on regular schedule at 3 p. m. on September 25, and buses going to Albany will leave for Albany at 4:45 p. m.

**Officers Elected To Head Explorers**

Officers were elected by the members of Winters Explorer Post 49, BSA, Tuesday evening, with Mike Hays being named president of the organization. Bob Jones was named vice president, and Jimmy Vaughan secretary. Treasurer will be Johnny Craven, and reporter, Larry Cook. Cabinet members are Lanny Bahlman, Edwin Carlisle, and Ricky Robinson, assistant.

Post advisor will be W. M. Hays, and assistant post advisors are J. W. Bahlman and Sam Jones.

HERE FROM BORGER Mrs. J. B. Moore of Borger is visiting this week in the home of her sister, Mrs. E. Burton.

**Home Town Talk--**

(Continued from page 1) kitchen butcher knives!

Were discussing the drive to Albany for the Blizzard - Lion game Friday night, and one enthusiastic fan pointed out that the distance was not too much. "Just a two-hour drive, as the crow flies." He was answered with the wrying idea that "Yeah, but who wants to drive as the crow flies?"

Well, we started the season half - and - half - picked ten games for this last week end, and got 50 per cent of them right. The only reason we're bragging about that outcome is that we stand behind the old adage that there's always two sides to everything.

If you don't get wet, you don't learn to swim (that's one of the wizes philosophied by our Bluff Creek friend) . . . so here goes for another week:

- Arkansas over Tulsa
- Baylor over Washington (\*)
- Houston over A. and M.
- LSU over Rice
- Ohio State over SMU
- Texas over Tech
- TCU over Florida State
- Air Force over Michigan
- Iowa over Idaho
- Notre Dame over Wisconsin

## MOVIES

**"The Victors"**  
Having brilliantly survived the traditional ordeal inflicted upon up-and-coming young screen actors — a succession of roles ranging from sulky adolescent to rebellious romantic — George Hamilton plays his first "Mature" starring role in Carl Foreman's "The Victors," at the Fiesta Theatre Saturday and Sunday.

**"The Raiders"**  
Based on actual incidents of the Southwest cattle producing areas just after the war between the states, "The Raiders," a Universal release in color coming to the State Theatre on Friday and Saturday, combines the legendary characters of three of the famous real people of the region at the time.

The three, depicted on the screen by Robert Culp, James McMullan and Judi Meredith, represent James Butler "Wild Bill" Hickock, William F. "Buffalo Bill" Cody and Martha Jane "Calamity Jane" Canary, respectively.

**"The Moon Spinners"**  
For his first suspense-mystery, "The Moon-Spinners," Walt Disney mixes the talents of Hayley Mills, romance and a spine-tingling story, with the opulence of ancient Crete, and comes up with one of his best efforts to date in the field of family entertainment. Based on Mary Stewart's recent best-seller, the lavish production is as colorful as it is exciting, and is certain to be one of the strongest attractions in studio history. Besides Miss Mills, the outstanding cast includes Eli Wallach, Pola Negri, Irene Papas, Joan Greenwood and Peter McEnery. Historic Crete, with its azure waters, ancient customs and mountain vistas, provides an opulent setting for Walt's first whodunit.

The tale is about an English girl who accompanies her musician aunt to an out-of-the-way village in Crete, falls for a

handsome young stranger, and shares a series of hair-raising adventures with him in his search for valuable jewelry and the thief who made the youth suspect by stealing it. This will show Monday and Tuesday at the State Theatre.

### Psychiatrist Will Be Speaker For County Group Oct. 1

"The Retarded Child at Home, Family Relations and Problems" will be the subject of the lecture presented by Dr. Lloyd Downing, Psychiatrist, of San Angelo at the next meeting of the Runnels County Association for Retarded Children in Ballinger Thursday October 1.

The Board of Directors and the Executive committee chairmen of the association met on Thursday night September 17, in the Ballinger Chamber of Commerce Board room.

A special account is being established by the Directors toward the purchase of an air conditioner for Mrs. E. H. Forgy's special education classroom. The money will not come out of the county funds.

Wednesday, September 23rd, the R. C. A. R. C. will sponsor a cake and pie bake sale at the Evans and Safeway grocery stores.

Mrs. Buddy Casey, president, is asking members and friends to donate their Group Project Trading Stamp Certificates toward the purchase of a coffee maker for the organization.

Mrs. Casey is scheduled to address the Point Rock P. T. A. Wednesday October 21st.

Because of air conditioning, more electricity is used in summer months than during winter.

Americans are eating twice as many hamburgers than 25 years ago.

Example is not the main thing in influencing others. It is the only thing — Albert Schweitzer.

Wednesday of last week the WMU met in the church and observed the Week of Prayer program. Mrs. Mansfield Foster was in charge of the program. A covered dish luncheon was served at noon. Attending were Mesdames Mansfield Foster, Bud Harrison, Odas Claxton, Evvin Hicks, Barney Gibbs, Dock Aldridge, Billie McCasland, Cora Fine, Lovey Bailey.

Rev. and Mrs. A. J. Jones of Abilene were visitors Sunday morning at the Methodist Sunday School.

For the special Sunday morning at the Moro Baptist services Clyde Reid sang "Maybe It's You and Maybe It's Me," with Mrs. J. W. Allmand at the piano. For the night services Clyde sang "In The Garden," with Mrs. Allmand playing at the piano.

Mrs. W. S. Proctor of Swenson was a visitor Sunday morning at the Wilmett Baptist Church.

Mr. and Mrs. Grover Orr with Mr. and Mrs. Donnie Oaks of Winters attended the funeral of Grover's father, R. E. Orr, 69, at Sherman Thursday of last week. Burial was in the Louella Cemetery. Mr. and Mrs. Oaks and Susan had Sunday dinner with the Orrs.

C. T. Conner of Tuscola was a medical patient in the Winters Hospital last week.

Frank Simpson was released from Hendrick Hospital Friday of last week.

Tammy Sue is the new daughter of Mr. and Mrs. Calvin Walters of Moro. She was born September 17 at Hendrick Hospital weighing 8 pounds and 2 ounces.

Mrs. John Higgins was released from the Bronte Hospital the first of last week.

Mrs. L. V. Reeves returned Friday of last week from Monday after tending the bedside of her mother, Mrs. Addie Logsdon and also of her sister Mrs. E. D. Ussery.

Special days next week are for Mrs. E. J. Reid, Oscar Edwards and Tercia Williams the 27th; Mrs. Boyd Reese, Mrs. Ennis Bishop, Joe Bill Thomas, Lloyd Bailey and Mrs. Plem Lail the 28th; Mrs. Gadayous Edwards and a wedding anniversary for Mr. and Mrs. C. E. Hendrix the 30th; Jodie Stricklin the 1st; David King Harrison, Mrs. Cal Mostad and Vonda Jo Webb the 2nd; W. L. Pratt, Mrs. Margaret Mahaffey, Tom Butler, Mrs. Travis Downing, E. E. Shellhouse and a wedding anniversary for Mr. and Mrs. R. O. West the 3rd.

Mr. and Mrs. Milton Patterson and Mr. and Mrs. Reed McMillan of Moro celebrated their 25th wedding anniversary Sunday at the McMillans.

Mrs. McMillan prepared the special dinner. Next year will be Mrs. Patterson's time at the Patterson home for the special day. Others attending the Sunday celebration were Judy and John Patterson and Floyd and Larry McMillan.

Naldie Hale of Abilene was 63 the 16th but the celebration took place Saturday night at the Hale cabin near the Adron Hale home. Mrs. Adron and Mrs. Joe Hale of Ballinger prepared the fish and dove supper. Others attending were Mrs. Naldie, Adron, Joe, Jeff and David Hale, Mr. and Mrs. Jim Brooks and Stevie of San Angelo and Fred Holliday of Ballinger.

Sunday afternoon of last week Douglas Williams celebrated his 7th birthday at his home at Drasco with his Mom, Mrs. Melvin Ray Williams as hostess. She baked and decorated the special chocolate cake which was served with ice cream. Others in on the celebration were his dad and sisters, Shelia and Susan of the home, Mr. and Mrs. Herman Nicholas of Graham, Mr. and Mrs. Roger Bryan and Pam of Norton, Mrs. D. C. Robertson, Mr. and Mrs. George F. Lloyd and Linda of Winters, Mr. and Mrs. A. T. Williams, Mr. and Mrs. Willis Davis, Carla Sue and Mike of Drasco, Sister Shelia was a patient Monday and Tuesday of last week.

Mrs. A. J. Jones of Abilene celebrated her 88th birthday on Sunday (though the correct day was the day before) at a dinner at the home of the late Meno and Julia Hunt. Helping her celebrate it were A. J. Mr. and Mrs. Ocie Hunt of Sweetwater, Mr. and Mrs. Wayne Hunt and Vellie Irvin. Just before Sunday School at the Methodist Church Patty and Debby Saunders presented Mrs. Jones with a lovely gift box of assorted mints.

Lynn Cornelius with Larry Webb of Moro and Mike Marks of Winters were at their homes for the week end from Texas University.

Jodie and Frances Stricklin of Drasco had Sunday dinner at Abilene with the Cecil Fains.

Mr. and Mrs. Barney Gibbs had the Sunday noon meal with Mr. and Mrs. Claude Mayfield at Anson. The Mayfields received word recently of the accident of their granddaughter, Norma Reese of California. It seems that while Norma was horseback riding the saddle turned and her foot was caught in the stirrup. The horse became frightened dragging Norma for a distance. She received a concussion and bruises and at this report is still in the hospital in California.

Pastor Bob Griffith and son Glenn had Sunday dinner and supper with Mr. and Mrs. Melburn Shafter of Moro. Pastor W. L. Taylor had dinner with

ANOTHER BEATLE INVASION—Absence does make the heart grow fonder, especially when the Beatles are concerned. The irrepressible British mopheads recently made a noisy return to the Colonies. Here they are at a news conference. From left to right, Paul McCartney, Ringo Starr, John Lennon, George Harrison.

GETTING THE PICTURE—Little photographers sometimes have trouble shooting over crowds. But this fellow simply asked a cop in Frankfurt, West Germany, for a lift up. The brawny bluecoat gladly obliged.

dinner with the Elmo Mayhews. Mrs. Joe Saunders had Friday dinner of last week with Mrs. Annie Herrington of Tuscola.

Mrs. August McWilliams Sr. and Mrs. Newt Stocker of the Victory Community accompanied Mrs. J. L. Feagan home to San Angelo after Mrs. Feagan had visited in the McWilliams home.

Mike Newman of Abilene recently visited at the Lloyd Giles home at Drasco. The Giles visited Sunday of last week at the A. M. Connells at Clyde.

Mrs. Zack West of Drasco was to see Mrs. A. K. Bullard at Winters Wednesday of last week.

Mr. and Mrs. Bob Evans and 2 children of Hobbs, N. M., were at the Travis Downings last week after a trip including Okla., N. Dakota, and Canada.

Mr. and Mrs. Floy Key of Abilene had Sunday of last week with the Bill Talloys and Mrs. Viola Jones of Moro. In the afternoon were the Melvin Talloys of Winters and Mr. and Mrs. Bill Binder of Ballinger.

Lloyd Grun of Tuscola had Wednesday of last week supper with the Russell Gruns at Moro. Mr. and Mrs. Joe Foyd of Madera, Calif., and their daughter, Mrs. Richard Leake of Lone, Calif., visited last week at Uvalde with Mr. and Mrs. Hulm Webb, in Winters with Mrs. Mittie Rice and Mr. and Mrs. Roy Rice, at Moro with the Bruce Webbs, and with the Henry and Bob Webbs.

Last week Mrs. Addie Barker and Mr. and Mrs. Ernest Barker of Calif., visited the Finis Bryans, the Melburn Shaf-

fers, Mrs. E. J. Reid, the Russell Gruns, the Bud Hicks, the Virgil Jameses, the Billy and Bill Butlers of Moro and at Winters with Mrs. Mittie Rice, the Roy Rices, Mrs. G. W. Sneed and Mrs. Kenneth Sneed. Mrs. Addie Barker and Mrs. Virgil James visited with Mrs. Cora Fine Wednesday afternoon of last week.

Mr. and Mrs. Calvin Helms and children of Highland have visited with the Melburn Shafter.

Mrs. O. L. Hicks of Tuscola Buck and David Smith of Winters were in town last week.

## THE WINTERS ENTERPRISE Winters, Texas Page 2-B Friday, September 25, 1964

### Pvt. F. Armbrecht With 24th Infantry In Germany

Army Pvt. Fred H. Armbrecht, son of Mr. and Mrs. Fred E. Armbrecht of Winters, is participating with other members of the 24th Infantry Division in an air transportation exercise in Germany, beginning September 17.

The exercise is designed to perfect air movement techniques with a specific emphasis on air mobility of brigade task forces.

Armbrecht is a machinergunner in Company C, 1st Battalion of the division's 19th Infantry in Germany.

The 22-year-old soldier entered the Army in December 1963, completed basic training at Fort Polk, La., and was stationed at Fort Ord, Calif., before arriving overseas in May of this year.

He was graduated in 1961 from Winters High School.

Turnover in school teachers is only 10.4 per cent now as compared with 13.2 eight years ago.

One reason chicken is so cheap is that they can be grown now in 8 to 9 weeks as compared with 9 to 12 weeks.

Of the ape family, the orangutan is nearest to man in brain capacity.

The frame-work of a speech remains about the same as years ago.

Aluminum is extracted from bauxite and cryolite.

A new look of size and motion is combined in the 1965 Fairlane, restyled from bumper to bumper for the first time since its introduction three years ago. Although new styling makes the middleweight Fairlane look bigger, it remains about the size of the 1956 Ford on the outside and the 1959 Ford on the inside. Improved ride and economy; new low-profile tires for greater directional stability, better traction and longer life; significantly improved interior quietness; alternators and automatic chokes standard on all engines; and a complete line of options including low-cost air conditioning are features of all 1965 Fairlane models including the Fairlane Sports Coupe (above).

Eight Fairlane models — hardtops, station wagons and sedans — will be introduced in Ford dealer showrooms Friday, September 25.

## New Ford Models To Show Here At Crockett Ford Sales Friday

The most-changed Ford in the 15-year history of Ford Division will debut in Ford Dealer showrooms Friday, September 25. "All 17 models in the 1965 Ford lineup — including a new luxurious 'LTD' series — are literally new from tires to roof and from bumper to bumper," said Lee A. Iacocca, Ford Motor Company vice president and Ford Division general manager.

Vertical-mounted dual headlamps and modernistic, hexagonal-shaped tail-lights accent the crisp look of the new Ford. Side styling features straight-through lines emphasized by a sharp, full-length fender line from front to rear. "The dramatic elegance of the 1965 Ford styling is combined with an even more dramatic luxury car ride so smooth and so quiet the heater and air conditioner fans had to be moved from the passenger compartment because of their low-toned whirr was distracting," Mr. Iacocca said.

"Even the keys for the 1965 Ford are all new," Mr. Iacocca said. "They are designed to be inserted into the lock either side up. In addition doors on all 1965 Fords will be equipped with a keyless locking system." An ultra-modern six-cylinder engine rated at 150 horsepower lighter, more powerful, smoother-running and more economical than any other six-cylinder engine previously offered in the Ford line — heads a list of additional owner-benefits which include such items as the industry's first center-facing dual rear seats in 1965 Ford station wagons. Replacing the conventional third "jump seat," this new design affords comfortable seating for four children in the rear of the wagon.

Some of the many other features are curved side glass for increased shoulder room; a 13 per cent reduction in the floor-tunnel for greater passenger comfort; a recessed instrument panel with several additional inches of "living room spaciousness" in the passenger compartment, and a deeper trunk capable of holding two-suitcases in an upright position. All 1965 Ford models have been completely restyled. Five separate roof lines and different series ornamentation give new and more complete distinction between the models. Vertical-mounted dual headlamps highlight the front with a grille that features thin horizontal bars. The turn signal-parking lights are concealed behind the grille and are visible only when illuminated. From the side, 1965 Fords feature straight-through lines emphasized by a sharp, full-length fender line from front to rear. At the front, the fender line carries forward of the headlamps, dramatizing Ford's long look. Two lightly sculptured character lines on the body side panels accentuate this appearance. The rear of the 1965 Ford continues the luxury-car look with clean, simple lines. The traditional round Ford taillight becomes hexagonal for 1965 to carry out the rich styling motif. Five new and distinctive roof lines have been developed for two and four-door hardtops, sedans, convertibles and station wagons. The 1965 Ford features new, low-profile tires designed for better traction and handling as well as longer tire life and better brake performance — all at no increase in vehicle height. At the same time, tread width of the 1965 Ford has been increased to 62 inches front and rear for a wider stance on the road. The Ford Galaxie 500 LTD series — a completely new line

of super-luxury two and four-door hardtop Fords for 1965 — features interior fabrics comparable in value to those in America's most expensive cars. Simulated wood paneling is used in the instrument panel and in door trim to produce a true luxury-car decor.

Sharing features common to all 1965 Fords, the Ford Ranch Wagon, Ford Country Sedan and Ford Country Squire offer several new station wagon design ideas for 1965. All Ford wagons feature a unique rear window air deflector. Styled into the rear body pillar, the deflectors direct a curtain of air across the rear window surface to reduce accumulation of dust, water or snow.

Unique, center-facing dual rear seats available on Ford Country Sedan and Ford Country Squire wagons offer comfortable seating for up to four children. With one seat folded, a "table and chair" arrangement ideal for youngsters' on trips is provided. With rear and center seats folded, a four-by-eight foot sheet of plywood may be placed flat on the load floor with the tailgate closed.

All 1965 Ford series — Ford Custom, Ford Custom 500, Ford Galaxie 500, Ford Galaxie 500-LTD and Ford Galaxie 500 LTD — feature distinctively different interior trim styles and ornamentation.

The Ford Galaxie 500 LTD has an interior of quality and style previously obtainable only in higher priced cars. Luxurious upholstery fabric is pleated in a rich "waffle" pattern on the seats and backs with an upper seat bolster vertically pleated. Door panels have simulated walnut appliques bordering the square-saddle design, and this same wood grain is carried across the lower edge of the instrument panel. A fold-out arm rest is provided for the comfort of back-seat passengers. Relocation of the heater and air conditioner permitted a distinctively recessed instrument panel in the 1965 Ford and added additional leg room to the interior roominess already gained by the new body-frame relationship. Foot room, both front and rear, is markedly increased because the body sills straddle the torque frame rather than sitting on top of it.

Controls and instruments on all 1965 Fords are grouped closely in front of the driver and recessed beneath a safety-padded rectangular hood that is both stylish and functional in shielding against glare and reflection. Outlets for the optional air conditioner are styled into the instrument panel which is designed to accommodate a full range of options and accessories as integrated, built-in components.

Boston merchants sent fur traders as far west as Oregon as early as 1791. The blue jay is a good watchman. If something unusual is taking place he'll warn you.

Marriage: The result of a man getting hooked with his own line.

If you are sensible, you will not fear the day you've never seen.

If you can't have the best of everything, make the best of everything you have.

This dramatic view of a new Ford F-100 pickup truck (top) highlights a major owner benefit feature for 1965 — two front axles. Called "Twin-I-Beam," the new Ford-exclusive suspension combines big-truck ruggedness and durability with passenger car riding comfort.

The popular Econoline Van (bottom) features new, more powerful engines, a three-speed automatic transmission, self-adjusting brakes, 6,000 mile or six-month lubrication intervals, and new driver comfort features.

All 1965 Ford trucks will be in dealer showrooms Friday, September 25.

The Liberty Bell was cracked by a stroke of the clapper during a test.

Marriage: The result of a man getting hooked with his own line.

# WINGATE

Mr. and Mrs. Leon Harter are visiting his mother who is in the Winters rest home, and his sister Leila.

Mrs. Allen and Ruby made a business trip to Dallas last week. Enroute home they visited at Waco.

Mrs. Voss has been ill and visiting her lately have been Mrs. Ted Hantsche, Mrs. Ben Makowsky, Mrs. Fred Voss, and Mrs. Joe Nitch and Mrs. Buford Guy.

Mr. and Mrs. J. L. Carter are here visiting the Bryans and in the Wheat home.

Mr. and Mrs. Oscar Childers are home from the hospital.

Mr. and Mrs. Ronnie Walker from Bakersfield, Calif., are visiting his grandparents, Mr. and Mrs. W. T. Holder Sunday the Holders and Walkers drove to Abilene to visit other relatives.

Oscar Howard has returned home from the hospital.

Mrs. W. B. Guy is on the sick list. Visiting her lately were Mr. and Mrs. J. D. Hare of San Angelo and Mrs. Ella Mae Sawyer of Winters.

James Hardy Bryan, son of Mrs. A. Bryan of Wingate, has enrolled at Texas University following his discharge from the U. S. Air Force.

Don Adams, son of Mr. and Mrs. Lee Adams of Wingate has returned to college after having lost one year due to a broken leg he received in December of 1963.

Mrs. Cloy Allen of Wingate and her daughter Mrs. Bill Harris of Abilene visited over the week end with her son, Monty England, who is in the U. S. Army now stationed at Fort Leonard Wood, Mo.

## HERE FOR FUNERAL

Friends and relatives who attended the funeral of Mrs. Flora Sliger included:

Mr. and Mrs. Troy Stewart and Craig, Mr. and Mrs. Clive Pierce, Mrs. Dean Holder, Mrs. John Barron, Mrs. J. B. Guy, Mrs. Gladys Yeager, Mr. and Mrs. Billy Hallmark, Mrs. Vera Curry, Mr. and Mrs. Garvin Fuqua, Mrs. Omma McIntyre, Mr. and Mrs. A. C. McIntyre, Sharron and Connie, Mrs. Ardine Goff and Jan Byrd all of Abilene;

Mr. and Mrs. Willie Brown, Sweetwater; Mr. and Mrs. M. M. Wadley, Cisco; Mrs. A. D. Hallmark, Cisco; Mrs. Sandra Bailey, Midland; Mr. and Mrs. Jewel Boyd, Snyder; Mr. and Mrs. Claude Dennis, Odessa; Mr. and Mrs. Jack Larrymore, Odessa; Mr. and Mrs. Don Hallmark, Moran; Thelma Sliger, San Angelo; Mr. and Mrs. L. C. Reed, Breckenridge; Mrs. Wallace Reed, Breckenridge.

## Mrs. W. O. Webb Won Individual Bowling Trophy

Mrs. W. O. Webb, member of the Alderman-Cave Bowling team, won the individual walking trophy at Ballinger Wednesday. She made the highest score competing with 20 women.

Mrs. Webb's score was 192 plus the handicap which made a total of 213. She is one of the 3-team members who bowl each Wednesday.

Members of the team are Mrs. A. N. Crowley, Mrs. Ted Mayer, Mrs. D. W. Giles, Mrs. Fairley Fuller and Mrs. Webb. There are six teams of women who bowl each Wednesday.

## Mrs. Roy Sliger Died At Winters Hospital Wed.

Funeral for Mrs. Roy Sliger, 67, was held Thursday at Spill Memorial Chapel at 3 o'clock with Elmo Johnson, minister of the Stanton Church of Christ officiating. Burial was in the Wingate Cemetery.

Mrs. Sliger died at the Winters Municipal Hospital Wednesday morning. She was critically burned at her home in early June and while in the hospital had suffered a series of strokes which attributed to her death.

She was born Flora Ethel Hallmark, February 23, 1897, in Llano County. As a child she moved to the Shep Community in Taylor County and had lived in the Wingate-Shep area with the exception of a period of time when the family lived in Abilene, Big Spring and San Angelo. She was married to Roy Sliger December 20, 1914 in Wingate. Mr. Sliger preceded her in death on September 30, 1953.

Surviving are twin daughters, Mrs. Oleta Vick of Wingate, Mrs. Juanita McIntyre of Houston, one granddaughter, Wanda McIntyre of Houston; five sisters, Mrs. L. C. Reed of Breckenridge; Mrs. Gladys Yeager, Abilene; Mrs. M. W. Wadley of Cisco; Mrs. Claude Dennis, Odessa and Mrs. Jewel Boyd of Snyder; two brothers, A. D. Hallmark, Cisco; and Don Hallmark of Moran.

**Attorney General Carr Offers 8-Point Program To Law Officers**

By Vern Sanford  
Texas Press Association  
Speaking before more than 300 district and county attorneys, sheriffs and judges at a Law Enforcement Conference here, Atty. Gen. Waggoner Carr proposed the following 8-point program:

- (1) Expand training and education of law enforcement officials;
- (2) Provide more officers and pay them better;
- (3) Teach personal knowledge of confinement to juvenile offenders;
- (4) Teach and gain increased parental responsibility;
- (5) Make parents financially responsible for damage done by juveniles;
- (6) Place responsibility on juveniles themselves through such programs as the Texas Youth Conference;
- (7) Continue and improve the annual Attorney General's Law Enforcement Conference; and
- (8) Step up local community "crime drives".

**SHELL GAME**

State Sen. William Patman of Galveston and Rep. Paul Haring of Galveston have entered strong protests with the State Parks and Wildlife Commission, on behalf of their constituency, opposing an application by Heddelfeld Brothers of Corpus Christi to dredge for oyster shell in

the Winters Enterprise

Joe Carter said no written protests had been received.

Harry Burleigh, area planning engineer of the Bureau of Reclamation, outlined the two-part project. It will begin with construction of a dam across Navidad River to form a reservoir with a capacity of 192,000 acre feet and a conservation level of 44 feet.

Burleigh said that the first phase, if authorized by the Commission, plus the Federal House and Senate and the people of Jackson County, would satisfy Jackson County's water needs for about 19 years.

Approval of both phases at one time would result in savings, Burleigh stated. But the Commissioner Otho Dent was reluctant to consider part two immediately.

"If phase one is an entity unto itself and you don't intend to do anything with phase two for 15-20 years, I'm not in favor of the state surrendering its rights to control of water in the second watershed at this time," Dent said.

Commission, which will write the state's comments on the project, took the matter under advisement after six hours of discussion.

**HEARINGS CONCLUDED**

A legislative study committee completed its hearings on congressional redistricting and settled down to figuring how to draw 23 districts of equal population.

**AG OPINIONS**

Attorney General Carr has ruled that Rep. H. G. Wells of Tulla, who represents Briscoe, Hale, Sashier and Floyd Counties, should get legislative pay through this term even though he now is attorney for the High Plains Underground Water Conservation District. No. 1, Wells is not running for reelection.

Carr also held that professional roller derby contests are not taxable under the Admissions Tax Law of Texas, and that "concrete containers" in use as burial vaults in garden-type cemeteries to keep graves from settling are funeral merchandise under state law and are not exempt as crypts or mausoleums.

**APPOINTMENTS**

Gov. John Connally has appointed George Dowlen of Canyon as Criminal District Attorney of Randall County. He succeeds the late Truett G. Hull, Jr.  
Connally also picked Paul N. Howell of San Antonio to succeed E. E. Voltz on the San Antonio River Authority Board. Howell, an oilman, also is a director of the San Antonio HemisFair.

**PALMETTO DAM PROJECT**

Edna and Ganado area people packed a Water Commission hearing room when Bureau of Reclamation representatives and the Jackson County Flood Control District took up consideration of the proposed Palmetto Bend Dam Project. Most of those attending the hearing favored construction of the 15-mile dam which would cost \$18,150,000 to build, however, Commission Chairman

Mental retardation afflicts 300,000 Texans. Over 8,000 mentally retarded children are born each year, the committee was told.

**LUBBOCK CHOSEN**

After inspections covering 12,000 miles and 17 cities, the State Board for Hospitals and Special Schools picked Lubbock as the site for a new school for the mentally retarded. Estimated cost is \$2,500,000.

School will serve an 85-county West Texas area.

Plainview, Odessa, El Paso, Levelland, Midland, Fort Stockton and Amarillo also were seriously considered as sites. Thirty-nine cities originally expressed interest in having the facility.

**DISASTER PLAN STUDIED**

A new "hospital zone support concept" which would link all Texas hospitals in the event of a major disaster was unveiled here.

Texas Medical Association and the State Advisory Committee on Health and Medical Aspects of Civil Defense have set up a statewide conference of disaster medical care directors. They will detail medical and health disaster plans.

Texas Hospital Association initiated the project for the linking of hospital services and the handling of casualties.

**SHORT SNORTS**

State Department of Public Safety veteran George W. Busby — who has served in Dallas, Sherman, San Antonio, Uvalde and Austin stations during his 28 years' service — is due a Distinguished Service Award from the American Association of Motor Vehicle Administrators. . . . Securities Commissioner William M. King reports permits for the sale of \$49,500,000 in stocks were issued to 42 firms during August — second largest dollar volume in the agency's history — bringing the year's total to \$337,000,000. . . . Republican State Headquarters advises that Democrats Hardy Holders of Austin and William Robert Smith of San Antonio will head a Statewide Texans for Goldwater-Miller group. . . . Hearing on application of Portland Savings and Loan Association for a charter is set for November 25 by Savings and Loan Commissioner James O. Gerst. . . . State Banking Board set hearings on charter applications of Brook Hollow State Bank, Dallas, Fritch State Bank at Fritch and Harris County State Bank, Houston, and on September 25 will hear applications of Colonial State Bank, Wake Village and Downtown State Bank, Houston.

Unless the study committee of the Texas Legislative Council comes up with something better, Traverger served notice he intends to submit his plan to the next Legislature. . . . Sen. George Moffett of Chillocoche, committee chairman, indicated repeatedly that the panel is aiming for a plan in which no district varies more than five per cent in population for the mathematical average of 416,508.

**OIL PRODUCTION HELD**

Texas Railroad Commission held Texas oil production to 27.9 per cent of potential.

New order will peg October production at 2,866,252 barrels a day, compared with an October, 1963, figure of 2,787,206 under a 28 per cent order.

**MENTAL RETARDATION PLAN**

Texas' biggest effort to initiate a plan reaching into many communities for combating the mental retardation is now under way.

Planning work was authorized by a special committee appointed by Governor Connally.

Goal of the committee is to measure the size of the problem, pinpoint available services and accurately forecast needs to treat and prevent retardation. A long-range study is planned under federal grants.

**SPENDING REQUESTS UP**

State financial outlook is rosier than ever, but state agency spending plans are breaking all records too.

Gov. Connally gave reporters a briefing on fiscal matters in a photo - slide illustrated press conference.

State agencies, he reported, are asking a whopping \$689,472,181 increase in spending for the 1966-67 fiscal period. He emphasized, however, they aren't likely to get it.

Connally pointed to possibility of a \$82,500,000 surplus at close of the 1964-65 period next August 31. He also estimated there will be \$623,800,000 available for appropriation by the Legislature next year. This is some \$153,400,000 more than the present level.

State agencies, however, have proposed spending of more than \$813,000,000 from the general fund, \$3,800,000,000 from all the funds.

Connally said he wanted to make "abundantly clear" that review of the requests did not represent his approval.

"The money is going to be a little harder going out than it was coming in. My own recommendations (to the Legislature) will probably differ to a marked degree (from these figures)."

This is the way the requests break down:  
Judiciary — asking an increase of \$962,808; hospitals and special schools, up \$51,600,000; departments and agencies, up

\$229,100,000; public and higher education, up \$331,700,000 (not including a \$76,000,000 figure for pay raises being sought by school teachers).

**STATE BAR COMMITTEE**

A State Bar Committee, representing grievance groups from over the state, met here to discuss proposed changes in procedures for disciplining lawyers.

Proposed revisions will be submitted to attorneys in a statewide referendum next year. Supreme Court Chief Justice Robert W. Calvert addressed a luncheon meeting of the group.

**PAROLE SUPERVISION**

Fewer boys are being sent back to the State Training School due to better parole supervision, Youth Council Director James Turman reports.

Rate of return has dropped to 26 per cent, lowest in history, Turman told the Council. He calculated the dollar saving for the last year at \$217,000.

**BUSES ARGUE FOR RATE BOOST**

National Bus Traffic Association, representing some 31 Texas bus lines told a State Railroad Commission examiner that operating costs justify a ten per cent rate increase for most types of in - state service. Rates requested would apply to passenger, charter and express service.

**POLLUTION BOARD CHALLENGED**

State attorneys claim district court has no jurisdiction over the Texas water Pollution Control Board in an oil company's

suit challenging the agency's authority to regulate disposal of oil field brines and waste.

Superior Oil Company sued the board in 53rd district court here, claiming the Railroad Commission is the proper agency to regulate oil field brines and waste disposal. District Judge Herman Jones agreed to consider the suit questioning board jurisdiction.

The state moved for dismissal claiming such an action could be brought only with legislative permission.

**TRAFFIC FATALITIES INCREASING**

A steadily-increasing highway death rate is bringing demands for corrective action.

The death rate is up 14 per cent from last year. Total number of fatal accidents is up 13 per cent.

There have been 1,800 fatalities this year, compared with 1,631 in 1963.

**PARKS PROGRAM**

J. Weldon Watson, executive director of the Parks and Wildlife Department, says improvements at Lake Whitney, Falcon and Dam B State Parks have reached the point where he foresees completion of the \$1,200,000 parks improvement program before next summer.

Parks people said the first days of the dove season proved a definite success as hunters "generally" obeyed the law, and most hunters apparently got the limit since the birds were plentiful.

**MENTAL HEALTH PLAN**

A year from the date when Gov. Connally asked interested

citizens to develop a moderate, comprehensive program of mental health services for The State a 112-member committee, headed by Judge C. L. Abernathy of Hale County, was ready to review its steering committee's hefty volume of "a nearly-complete working draft" of a new Texas Plan.

Central theme of the 298-page document is that of treating the mentally ill persons in or near his home communities, rather than sending them off to a mental hospital far from home and isolating them from society.

State psychopathic hospitals still would be needed for many thousands of patients each year but the community plan is designed to provide an emergency care formula for some patients who would not need to be institutionalized with early treatment, and for those discharged from mental hospitals who need a "half-way" house to help them back to normal living.

Committee's completed set of recommendations will go to the governor and to the 1965 Legis-

lative action.

lature of implementation and

**INDEPENDENT OILMEN**  
Texas Independent Producers and Royalty Owners Association (TIPRO) says independent producers are in "deep trouble," and the organization's executive vice president has recommended a program of state and federal government action to help them.

W. Earl Turner says the oil industry is suffering from "a grave monopoly trend." He believes the trend is partially due to imports, sharp competition in marketing, and failure of prorating states (including Texas) to get their share of U. S. production.

The kindest are those who forgive and forget.
