## Eastland Will Vote On City Sales Tax

Eastland residents will decide June 5 whether they want a one per cent city sales and use tax.

City Commissioners ordered the special election in a called meeting Monday afternoon. The ordinance for the election was introduced at a called meeting last Friday.

The election will be held on Thursday, June 5, at the City Hall. Commissioners appointed Milton Underwood presiding judge with Hoover Pittman as alternate. Absentee voting will be at the City Hall from May 16 to 30.

If the tax is voted in, the 1 per cent will be in addition to the three per cent state tax already in effect. City manager Lewis Tiner said certification of the election and a map of the area must be sent to the state comptroller before June 30 for the city to be eligible to collect the tax for the last quarter of this year.

The election was ordered after a special study committee recommended the tax as the most favorable method of increasing city revenue. Need for additional income was listed because several city employees are on the payroll below the minimum wage rate plus the rising cost of materials and the need for another policeman position.

Uncle Charlie is very concerned about world problems...

We're very concerned about Uncle Charlie!

You see, being concerned is about as far as Uncle Charlie ever goes. He worries about this...he gripes about that...but actually getting out and doing something to solve some of those problems...well...that never occurs to him. So, the problems remain...some get worse...new ones arise...and good old Uncle Charlie always has plenty to voice concern about.

At Lone Star Gas, we believe in concern plus action. And we put that belief to work in the communities we serve, and for our more than one million customers. There are over 6000 of us at Lone Star Gas, and we like to think there isn't an "Uncle Charlie" among us!
