MULES NOW 4-0 FOR SEASON

Mules Spoil Antelope Homecoming

Defoliation Topic For Area Meetings

All cotton producers and interested persons are invited to attend a Cotton Defoliation meeting on Monday, October 9, at 2 p.m. in the Lazbuddie School cafeteria.

Guest speakers will be Roy Childers, Agricultural Engineer for Cotton Ginning and Mechanization, from College Station, who will be discussing field storage.

Also, he will discuss field storage systems, and the advantage and disadvantage of modular builders.

Another speaker will be

Marvin Sartin, area Economist for this district who will discuss the economics of harvest aid chemical use.

Winding up the speakers will be Dr. James Supak, area Agronomist, who will discuss the need for defoliation, when harvest aid chemicals should be applied, the pros and cons of using chemicals, and what chemicals are available.

Attending the Lazbuddie meeting will be Seth Ralston, Farmer County Extension Agent.

And, Bailey County Extension Agent Spencer Tanksley said the same type meeting will be conducted in the Springlake Community Building at 8 p.m. on the same date and another meeting is scheduled for 2 p.m. on Thursday, October 12, at the Levelland State Bank.

Tanksley said the meetings will be of great benefit to especially the cotton producers in the dryland area, as he encouraged all cotton producers to attend the meeting at one of the three locations.

Carnival Set On October 28 By Fine Arts

Mrs. Corda Taylor, and her granddaughter, Mrs. Rex Mauney, of Plainview, spent the weekend at Seminole with Mrs. Taylor's granddaughter, Mr. and Mrs. Ronnie Summers, Jennifer and Jaime.

They attended church at Trinity Baptist Church where Summers is minister.

Jennifer came and spent the week with Mrs. Taylor. She was accompanied home Sunday by Mrs. Taylor and Mr. and Mrs. Homer Milsap.

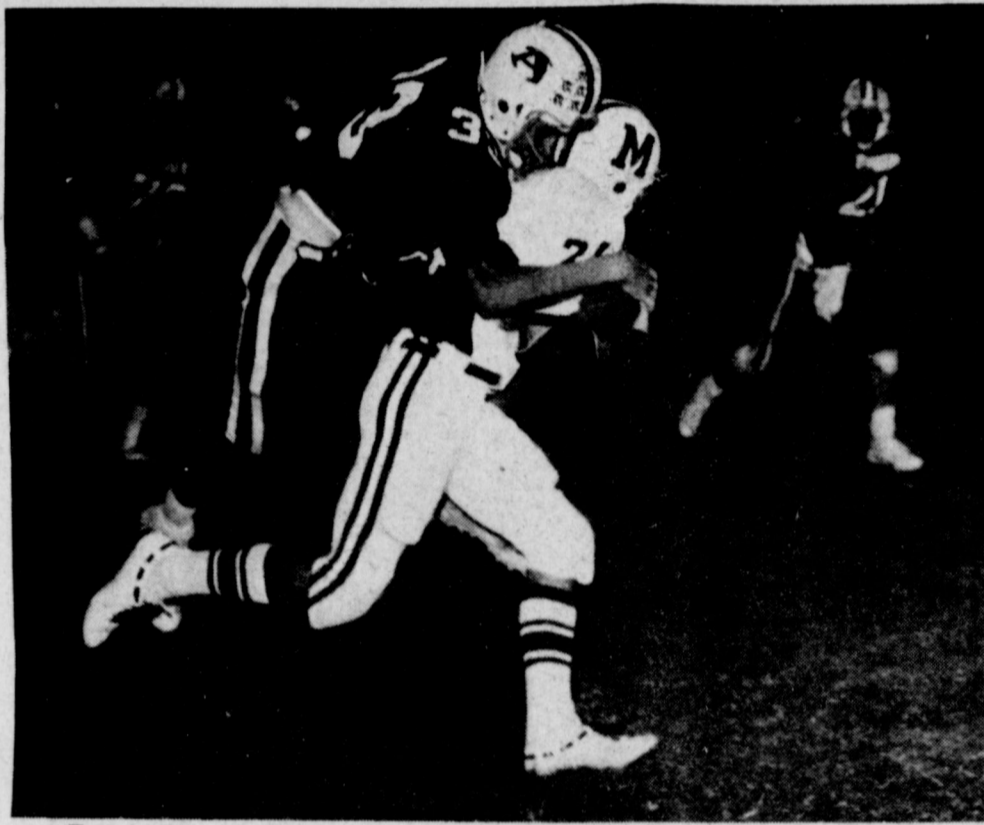

Mrs. Richard Meyer, the former Jane Branscum, has won the lead in the play 'Cabaret' which will be staged in Charleston, S.C., where Mrs. Meyer and her husband reside.

She will portray a 40 year old woman in the play. A graduate of Muleshoe High School, Mrs. Meyer is the daughter of Mr. and Mrs. Thurio Branscum.

Aleck Shafer, who was injured in a vehicle accident near Muleshoe early in August is reported to be responding to treatment at Methodist Hospital in Lubbock.

He is reported to be feeding himself and to be talking just a little at this point. He received severe head injuries in the accident just south of Muleshoe on Highway 214.

Berlin Harvey, who received a gunshot wound to his head in a shooting incident south of Muleshoe on September 6, is reported at presstime as still being in 'serious' condition at Methodist Hospital in Lubbock.

GRINDING OUT YARDAGE...Zeke Pecina grinds on, apparently oblivious of the Abernathy Antelope attempting to drag him down as he gained 100 yards in the Muleshoe-Abernathy game Friday night. This was Pecina's best game of the season, and his gains helped Muleshoe's 26-20 win over the previously unbeaten Antelopes.

Arthritis Foundation Plans Victory March

A 'Victory March' is planned by the Bailey County Arthritis Foundation on Wednesday, October 25, from 5-7 p.m. in Muleshoe. The Board of Directors of the Foundation met last week to finalize plans

Harris Named As Probation Officer Here

Jerry Harris, a former Curry County (New Mexico) deputy sheriff, took over the duties of adult probation officer for Bailey County on Monday, October 2.

He will be serving Bailey County through the 154th District Court. His supervisor is 154th District Court Judge Pat Boone.

Harris is a native of Roswell, and served as a law enforcement officer in New Mexico for approximately 15 years. He spent four years as a deputy sheriff in Clovis before moving to Muleshoe this month.

His wife is the former Carolyn Tate, daughter of Mr. and Mrs. A.V. (Blue) Tate of the Ranchvale community west of Clovis. She has a master's degree in business education and hopes to become a teacher in Muleshoe.

for the upcoming march, which will be to raise funds for the Arthritis Foundation.

Workers will be calling on people in rural areas of the county on October 23-25. Mrs. John Young and Mrs. D.J. Cox are heading up the Finance Committee and are in charge of the local drive.

Mrs. Sam Damron, president of the Bailey County Arthritis Foundation, introduced Bob Burbridge, director of the Plains Division of the West Texas Chapter of the Arthritis Foundation during the Board of Director meeting.

He presented an informative program on Arthritis. He stated that figures, based on a 1976 survey, show there are 30,300,000 people seeking medical assistance to combat arthritis as opposed to some 20,000,000 persons only four years ago.

He cited an increase in rheumatoid arthritis, as increasing, and said it is arthritis at its worst form. Burbridge added that the Plains division made their contribution to the fight against arthritis in the amount of \$45,000 last year and commented that the Bailey County areas have always played a big part in helping raise funds for this purpose.

City Council To Consider Annexation

Three parcels of land are to be considered for annexation when the Muleshoe City Council meets in special session on Tuesday, October 10, at 8:30 a.m.

One parcel contains 2.48 acres of land and is presently adjacent to the present city limits; another is eight acres and lies adjacent to the city limits as does the third parcel, which is the property that has on it, Muleshoe Flying Service, the country club golf course and the country club building itself.

Also to be reconsidered by the council will be the ordinance to consider accepting the street improvements from the recent paving program.

During the meeting, the city council members will discuss the status of the Southwestern Public Service Company rate case.

Burbridge stated that in the West Texas area, there are only six medical experts who specialize in the fight against arthritis, and therefore, many people turn to quackery and statistics show that about \$485,000,000 was spent seeking help from "quacks."

Burbridge stated that the government is increasing their expenditure for medical help and research from \$25,000,000 to about \$60,000,000 this year toward combatting arthritis, but most of the funds for this purpose are raised by volunteers who work each year to raise money.

Mrs. Damron joined the Plains Division director in urging everyone to contribute as much as possible toward winning the fight against arthritis, considered the nation's number one crippler.

Impressive Records Show Police 'Busy'

In case you wonder what the Muleshoe City Police do during their shift of duty, just take a look at these statistics for the month of September, 1978.

With both Jerry Hicks and Ray Lynk currently in training school, and working only on weekends, the other four officers and Muleshoe City Police Chief Johnny Richards have accumulated a total of 90 citations issued of 105 contacts with the driving public. The citations were for various offenses, with 15 warnings issued.

They checked eight accidents during September, to bring the total for the year to 86, compared to 140 at this time last year, and 12 in the month of September, 1977.

Officers responded to 156 calls and complaints, to bring the total for the year to 1,215. This compares to 149 during the same month last year. In 1977, officers responded to a total of 1,607 calls.

During the month of September, the city officers checked 34 criminal cases, compared to 13 during September of 1977, bringing the total for the year to 178. Five of these were breaking and entering (burglary), to bring the year total to 38, compared

HS Homecoming Plans Are Made For Next Friday

Homecoming activities get underway for Muleshoe High School next Thursday when miniature floats will go on display in the halls of the school. The tiny floats will be constructed and designed by the various organizations within the school.

Then, Thursday night at 8:30 p.m., the annual bonfire heralding homecoming will be held on the Boy Scout grounds on South Main Street.

Friday afternoon, a reception will be held in the Muleshoe High School cafeteria to honor all MHS exes.

Prior to gametime, at around 7:15 p.m. Friday, the homecoming queen will be named at Benny Douglass stadium. She will preside over the homecoming game which will pit the Mules against Idalou.

Be ready for all the activities, and join the fun, urges the school officials and students.

State, Federal Offices Close For Holiday

Tomorrow, Monday, will be a holiday for several local businesses. Although Columbus Day is October 12, many state and federal offices will observe the Monday closing date.

Muleshoe Postmaster Tom Lobaugh said no mail will go in or out of Muleshoe on that date.

Both the Muleshoe State Bank and First National Bank will be closed, along with Tri-County Savings and Loan Association.

Gladys Black, who operates the driver's license office for the Texas Department of Public Safety, said her office will be closed that day.

Also scheduled to be closed will be all other state and federal offices in the city.

County Slates Lengthy Meet Next Monday

Bailey County Commissioners Court will face another busy agenda when they meet at 10 a.m. Monday in regular session.

After approving the minutes of the last meeting the commissioners will hold a hearing pertaining to the programming of Revenue Sharing Funds; a hearing on the proposed county budget for 1979; discuss the ambulance services in and for Bailey County.

They will also have further discussions on the county-city dispatching service agreement and discuss county jail alterations and operational procedure.

Thrills And Chills Mark Mule Victory

If you like thrills and chills and spills, and have a strong heart, you just may want to watch the surprising Mules in action for the rest of the season.

They provided plenty of action Friday night as they upset the Abernathy Antelopes Homecoming plans, and despite several questionable calls by referees, came home with a squeaker win, 26-20.

Also, it would be almost a safe bet to predict that

Bovina Hands Longhorns

Friday night, the Lazbuddie Longhorns failed to 'get it all together' and went down in defeat for the first time this year to neighboring Bovina, with a score of 20-14.

Russell Windham made Lazbuddie's touchdowns, but the 'Horns failed to overcome a Bovina Mustang lead.

Homecoming for Bovina was enhanced by the victory over the power players from Lazbuddie.

Next Friday night, the Longhorns will take on the Sudan Hornets in Homecoming action at Lazbuddie.

September '78 Busy Month For JP Martin

Take an average of six and two third cases a day for a month and that will amount to the whopping 232 cases handled in the court of Justice of the Peace K.B. Martin during the month of September.

This averages out more than 46 cases during a five day work week and means loads of paperwork for the Peace Justice who has no office help. During a month, Judge Martin also acts as coroner and holds court for persons who have entered no guilty pleas to citations issued.

His cases break down as 168 speeding citations; 20 for no motor vehicle inspection sticker; 13 overload (on trucks); six charged with no driver's license; seven charged with being drunk; six defective equipment citations; six citations for running stop signs; two assaults and four failure to yield right of way.

All in all, it adds up to a very busy month for the Peace Justice, who has an office at the Bailey County Law Enforcement Center.

On another questionable call on 'did the Antelopes or did they not' first touch the football on an inside kick, the Antelopes scored again with Roger Lindsey plunging over from the one, but they missed the extra point and the game was all tied up 20-20 with 1:03 left to play.

With less than a minute, Mike Northcutt found Charlie Briscoe way downfield and hit him straight and hard with a 35 yard pass that paid off when Jeep Shanks slammed through from the nine yard line with 23 seconds left on the clock.

As the game ran out, The Antelopes had again moved to within nine yards of paydirt, as they didn't stop

Cont. page 6, Col. 1

ACTION PLUS...Charles Briscoe, background, attempted to ward off Lee McCune, Number 21, in the Muleshoe-Abernathy football game Friday night. A long gainer by Briscoe had been called back and he later caught a long pass to set up Muleshoe's winning touchdown.

TRUCKS WRECKED...Wayne Jesko was unhurt in an accident three miles north of Muleshoe on Highway 214 Friday afternoon, when his truck, above, rear-ended a truck from Barry and Young Equipment, which had stopped behind yet another truck waiting to make a turn. Jesko's truck, which had heavy damage to the front, jumped a ditch and ended up in a field.

COME TO-PAY 'N' SAVE FOR YOUR W I C CARD PURCHASES

On Wall Street
By Bob Hill

WARNING! You can get conned out of a sizeable amount of money by buying diamonds or other gems. The big play today is in diamonds. Unfortunately, these and other gems are being sold to U.S. investors by over 200 self-styled gem investment companies, with an estimated volume of \$300 million a year.

Complaints by doctors, lawyers and business executives are increasing. It seems they have succumbed to fast-buck sellers using direct mail, telephone calls and seminars to peddle their merchandise.

Despite all of the crooked deals, there is a favorable field for gem investment. Since the price of gems is tied to inflation, there is the element of risk. If the dollar weakens, the price of gems goes higher. It is a case of careful buying through reputable dealers and an expectation of a reasonable profit with reasonable safety. Try to

make a killing and greed could eat your lunch.

Colored gems, such as rubies, emeralds, sapphires, fine opals, fine jade, and cat's eyes have appreciated also, but they have uneven price patterns, due largely to a lack of grading and quality standards. Rubies, at a price of \$1,000 to \$4,000 per carat for average quality are rising sharply in value.

The Third World nations may have a lot to do with the price of precious stones in the futures. There has been a diamond strike in Sierra Leone. The gemstone, tsavorite, found in Kenya should move higher in price for the same reasons. Brazil, a source of amethyst, topaz, tourmaline and other gems has also imposed stricter controls.

The participants in the "underground economy" cover just about all lines of work and small business. Larger corporations are not participants in "off the book" employment due to elaborate financial controls which have been designed basically to keep employees honest.

The evidence of non-reported taxable income has come to the attention of the Internal Revenue Service. Every few years, the IRS

JUDGES ATTEND STATE-WIDE SEMINAR... Seventy one justices of the peace from across the state of Texas attended a 20 hour Texas Justice of the Peace Training Center seminar Sept. 19-22 in Amarillo. The training center is based at Southwest Texas State University. Among the judges attending were, left to right, Judge Roy D. Tilley, Cochran Co., Precinct 2, Place 2; Judge Pete Cromer, Terry Co., Precinct 1; and Judge Kenneth Martin, Bailey Co., Precinct 1, Place 1.

puts into effect an operation called the Taxpayer Compliance Measurement Program. It is a random selection of about 50,000 income tax returns which are subjected to a very thorough audit.

The basic tax evading techniques are simple. There is "skimming" of gross revenues which is money taken in that doesn't go through the cash register. At the same

time employees are hired "off the books". The employer saves on Social Security and unemployment insurance taxes. He can pay his workers less and still provide them with a larger net income. Finally, it makes his business seem smaller than it actually is, which makes it easier to keep skimming the sales revenues.

The small businessman can also buy some of his merchandise for cash, with no records kept. He can also barter for goods and services, also without records. It is estimated that the average retail and service business can skim about 10 to 20 percent without much risk of an audit.

The chief reason for the underground economy is pure and simple. It is the growing tax burden. Another reason is the huge transfer payments that our society provides in the form of pensions, unemployment compensation, aid to families with dependent children, medical care, food stamps and so on. In effect, transfer payments increase the marginal cost of working legally. Taxes are levied and a portion of the government payment is subject to forfeit. People receiving Social Security pensions lose 50 percent of all earned income in excess of \$4,000 a year. Until this year, penalties began when earned income hit \$3,000.

NOVEMBER VOWS PLANNED... Mr. and Mrs. Earl Wayne Nipper of Wmnsboro, wish to announce the engagement and approaching marriage of their daughter, Starla Diane, of Amarillo to Randy Carrol Sanderson, Amarillo. Sanderson is the son of Mrs. Mamie Bussey of Amarillo and Rex Sanderson of Ceres, Calif. The double ring ceremony will be performed by Brother Charles Jones at the Second Baptist Church of Amarillo on November 17, at 7 p.m. Sanderson is the grandson of former residents, Mr. and Mrs. Garland Freeman. Miss Nipper is a cousin to Donald Harrison and a great-niece to Mr. and Mrs. Jack Obenhaus, all of Muleshoe.

WINTER ENGAGEMENT... Mr. and Mrs. Donald Street of Earth wish to announce the engagement and approaching marriage of their daughter, Ruth, to Fred Locker, the son of Mr. and Mrs. Morgan Locker of Muleshoe. The bride-elect is a 1975 graduate of Springlake Earth High School and is currently attending Texas Tech. Locker is a 1974 graduate of Muleshoe High School and is self-employed by Ag Aviation in Springlake. The couple plan a December 23 wedding. They will make their new home in Muleshoe.

**Epsilon Delta
Children's Movie**

On Friday, October 27, Epsilon Delta Chapter of E.S.A. will sponsor a movie starring Don Knotts at 2 p.m. in the Muleshoe Civic Center. The movie will be "The Shkiest Gun in the West". A Woody Woodpecker cartoon will also be shown and a concession stand will be set up. Admission will be \$1.50 and tickets can be purchased from any member of Epsilon Delta or at the door.

**August Wedding Vows Repeated By
Miss Deborah Trower, Craig Baker**

Miss Deborah Ann Trower and Craig Edward Baker, both of Abilene, were united in a double ring ceremony on August 12, at 4 p.m. in the Highland Church of Christ of Abilene. The ceremony was performed by John Allen Chalk of Abilene.

Parents of the bride are Mr. and Mrs. George P. Shytles of Mesquite and the groom's parents are Mr. and Mrs. Jacque Baker of Muleshoe.

The altar of the church featured panels with latticework, backed in the bride's colors of apricot, yellow, mint green and orchid. The panel was flanked with greenery. An arrangement of white gladiolas centered the panels.

Selections were sung by Mary Beth Chalk of Abilene and accompanied by Mr. and Mrs. Burl McCoy, Mr. and Mrs. Harold Lipford and Mr. and Mrs. Fletcher.

Escorted and given in marriage by her father, the bride wore a long gown of white organza. The empire bodice and cap sleeves were covered in lace. The front of the skirt was applied with lace flowers. The sheer illusion train was gathered at the waist and trimmed in lace. Her fingertip veil was attached to a lace cap. She carried a bouquet of greenery and pink and white spring flowers.

The bride was attended by Connie Kirk of Victoria. She served as maid of honor. Bridesmaids were Mrs. Freddie Saunders of Rockwall, her sis-

ter; Mrs. Dale Brooks of Abilene and Debra Koke of Monahans. The attendants wore long gowns in various colors of yellow, apricot, mintgreen and orchid. They carried nosegays of spring flowers.

Serving as best man was Rand Baker, a brother of the groom of Abilene. Groomsman were Brand and Scott Baker, brothers of the groom of Muleshoe and Dale Brooks of Abilene. They wore white tuxedos with black trim and pastel shirts to match the feminine attendants. The groom wore a white tuxedo with black trim and a white ruffled shirt. The groom wore a white boutonniere and the attendants wore colored carnation to match their shirts.

The mother of the bride wore a long light blue gown and the groom's mother wore a pastel pink gown. They were accented with corsages of white carnations.

Guests were registered by Nancy Cozman of Abilene.

A reception was held after the ceremony in the Fellowship Room of the church. Meg Mahaney and Michelle Mahaney, both of Abilene served the guests.

Special guests were Mrs. Jan Trainer, the bride's grandmother of Lakewood, Colo.; Jack Chappel, the bride's grandfather of Mt. Vernon, Ind.; Mrs. Eula Shytles, the bride's grandmother of Abilene; Greg Chappell, her uncle of New Orleans, La.; Mr. and Mrs. Charles Chappell and children, her aunt and uncle of Denver, Colo.; Mr. and Mrs. A.A. Mitchell, his grandparents of Anton; Mr. and Mrs. Willis Giddens, his aunt and uncle of Plainview; Mr. and Mrs. Charles L. Baker an uncle and aunt of Lubbock; Mrs. Vera Baker an aunt of Lubbock; Mr. and Mrs. J.L. Cotton, an uncle and aunt of Ft. Worth and a cousin, Mr. and Mrs. Richard Gray and children of Ft. Worth.

A rehearsal dinner was

MRS. CRAIG EDWARD BAKER [nee] MISS DEBORAH ANN TROWER

held at K-Bob's Steak House in Abilene. It was hosted by the groom's parents.

August 12, at 10:30 a.m. at the Royal Inn at Abilene. It was hosted by the bride and her mother.

graduates of A.C.U. Baker is employed part time for Coca-Cola Bottling Co. and Mrs. Baker is employed as a secretary for a law firm.

A bridal brunch was held

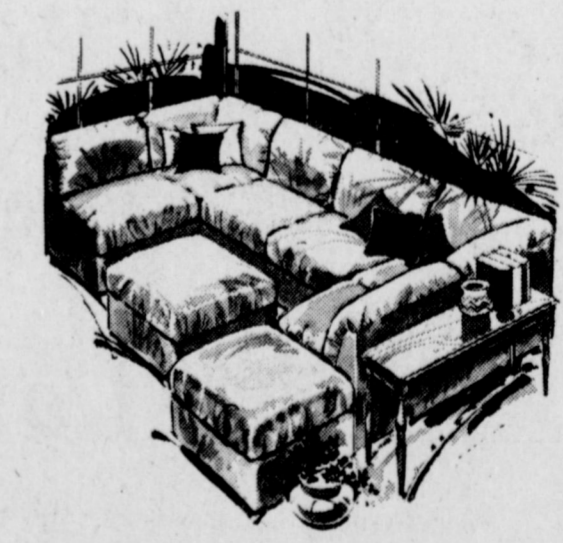

The couple will be 1979

BIRTHDAY... Lewis Michael Snow was honored on his nineth birthday on October 6, at the home of his parents, Mr. and Mrs. Lewis Snow of Midway, Ohio. He is the grandson of Mrs. Beulah Gatewood and the nephew of Mr. and Mrs. J.C. Gatewood, all of Muleshoe.

This is a Philanthropic project of Epsilon Delta and all proceeds will go to support a project in the community.

NEW DRAPES...Members of the Muleshoe Young Homemakers made new drapes and shades for the Home Economics Department at the High School. The money to buy the materials for this project was raised by several money making projects during the last year, before game supper, selling Tupperware, Valentine raffle and the farm sale. Pictured are, left, Mrs. Mike Richardson, right, Mrs. Dorine Harbin, and behind her, Mrs. Rich Magby.

PLEDGES...Pledge pins were presented to Miss Debbie Hoover, right and Miss Brenda Scott, left, at a ceremony of Epsilon Chi on Tuesday.

Epsilon Chi Held Pledge Ceremony

The Epsilon Chi chapter of E.S.A. met Tuesday, October 3, in the home of Mrs. Billie Farr, hostess. Serving as co-hostess was Mrs. Lou Branaman. The Pledge Ceremony was conducted by Miss Janet Ellis. Those pledging were Miss Debbie Hoover and Miss Brenda Scott. Miss Ellis also conducted a ceremony for Mrs. Sheryl Morris, a transfer from a Portales chapter and a Jewel Pen ceremony was held for

Mrs. Billie Farr, Mrs. Paula Burns and Mrs. Lou Branamen. During the business meeting, a report was given on the District Meeting, held Sept. 16, at the 16th and D Church of Christ. Epsilon Chi will have a booth at the Halloween Carnival and will also have a Bake Auction later in the year. Members present were Mrs. Greta Hillin, Mrs. Deborah St. Clair, Mrs. Brenda Gulley, Miss Janet Ellis, Mrs. JoEllen Cowart, Mrs. Sheila Moraw, Mrs. Christie Whitt, Mrs. Lou Branaman, Mrs. Paula Burns, Mrs. Billie Farr, Mrs. Sheryl Morris, Miss Debbie Hoover and Miss Brenda Scott.

JEWEL PINS...Epsilon Chi presented jewel pins at a meeting on Tuesday night. Pictured, from left to right, are Mrs. Kelsey Branaman, Mrs. Phil Farr and Mrs. Keith Bruns.

TOPS Has Weekly Meeting

The TOPS Club met Thursday, October 5, at 6:30 p.m. in the meeting room of Bailey County Electric.

The meeting was called to order by the leader, Mrs. Owen Jones. Roll call was given by Mrs. Waylon

Harris with the weight recorder. There were 20 members weighing in. The weekly queen was Mrs. J.M. Hefner with first runner up, Mrs. Ron Garner and second runner up, Mrs. Harvey Whittenburg. The monthly queen was Mrs. Lanny Knowles with first runner up, Mrs. Dale Krebs and second runner up, Mrs. J.O. Parker. It was a tie for the KOPS queen between Mrs. Mae Provence and Mrs. Dana Arnold. Birthdays were celebrated this week by Mrs. Mae Provence, Mrs. Clara Crane and Mrs. Beelah Gatewood. The meeting was dismissed with the Goodnight Song. The following was taken from August 7, 1977 TOPS NEWS:

I am an intelligent person or so I thought.
I will control my emotions a battle I've always fought, Not let my emotions control me.
Was my battle for naught? Every time I am tempted to use food I will not be weak.
To satisfy my frustrated desires, It's help I must seek.
Build up my injured ego or dull my senses Or my future is bleak, I will remember
Though I try to forget

DECEMBER WEDDING PLANS...Mr. and Mrs. Lindal L. Murray of Muleshoe announce the engagement and approaching marriage of their daughter, Susan Lynne, to Mack Seal Hall, son of Mr. and Mrs. Curtis R. Hall of Petersburg. Miss Murray is a 1975 graduate of Muleshoe High School and will graduate in December from West Texas State University with a degree in Elementary Education. While attending WTSU she was a Song Girl and a member of Chi Omega Sorority. Hall is a 1973 graduate of Petersburg High School and graduated from West Texas State University in 1977. While attending WTSU he was a member of Kappa Alpha Order and was also a member of the WTSU Crops Judging Team. He is now employed by Diamond Shamrock Corporation in Amarillo. The couple will be married on December 30, at 7:30 p.m. in the First United Methodist Church of Muleshoe.

Miss Hall, AAUW Girl Of Month

Miss Debbie Hall, senior student at Muleshoe High School, has been selected as the AAUW Girl of the Month. Miss Hall is the daughter of Mr. and Mrs. T.R. Hall.

MISS DEBBIE HALL

Even though I overeat in private Hiding in a closet yet- My excess poundage is there Even in a disguise For all the world to see a million probing eyes What a fool I've been! It's too late for any more lies.

TRANSFERRED...Mrs. Gary Morris, was honored at the Epsilon Chi meeting on Tuesday night. She is a transferee from Beta Zeta Chapter of Portales, N.M.

 es on the patrol cars compared to 4,248 during the same month last year. This brings the total of miles to 57,940 for the year, just 3,000 under the 60,708 logged all of last year.
 They also found some 25 doors and windows open in businesses and a major part of their patrol is checking businesses at night, along with school patrol and regular patrol.
 These figures show that the police do not spend all their time either in the coffee shop or 'running radar.'
 During the month of September, Animal Warden Ernest Caywood drove 922 miles as he answered 25 complaints and impounded 45 animals. This brought the total of complaints for the year to 335 and the impounded animal figures to 425 for the year. He

 fighting to retain their straight winning record. However, the Muleshoe Mules did not spoil their record of all wins for this season.
 Zeke Pecina finally found the right combinations as he plunged and rambled for 100 yards in the game, while strong back Jeep Shanks racked up 98. Mike Northcutt, quarterback for the Mules, had 40 yards.
 First downs for both teams were fairly equal, with 15 for Abernathy and 16 for the Mules. In penalties, the Mules had 25 yards and Abernathy had 35 and Northcutt completed three of six passes, while Abernathy quarterback, Tony Heath, completed six of eleven attempts.

destroyed 25 animals, to make the total for the year, 356, compared to 558 destroyed during all of 1977.

Blackwood Group Plans Concert

On Sunday, October 15, the well known gospel singing group, the Blackwood Brothers, will present a concert in the Municipal Auditorium at Lubbock at 2:30 p.m. The concert will be presented free of charge.
 A well known name in sacred and gospel music, the group has entertained throughout the world.
 It has been said that the group has sung to more people, sold more records, and traveled more miles than any other gospel group.
 A new TV show, "Grand Ole Gospel" starring the Blackwood Brothers will be syndicated, soon throughout America. The Blackwood Brothers are currently seen by millions on the PTL TV talk show in

\$4,488 in money and merchandise reported stolen during the month, more than a 50 percent recovery figure is noted, with the recovery at \$2,893.

Guadalupanas Will Conduct Area Fund Drive

The Guadalupana Society of Immaculate Conception Catholic Church has been named to head the 1978 door-to-door march for St. Jude's Children's Research Hospital in Muleshoe, according to William J. Kirwen, St. Jude's development director.
 He said the march is planned for the weeks of October 15-28.
 "We are proud to find such a dedicated group for this important task," Kirwen said. "St. Jude Children's Research Hospital offers hope to stricken children everywhere that would not be possible without such volunteers."
 Kirwen said St. Jude's Children's Research Hospital is the only research center dedicated exclusively to the study and conquest of catastrophic diseases of children. Its work, particularly in leukemia and other childhood cancers, has been internationally acclaimed and cited as a leading example for basic and clinical research.
 "No one has ever been charged for the benefits provided by St. Jude Hospital," Kirwen added. "And that includes the extremely expensive total medical care provided to children enrolled in its research studies."
 "Over two thirds of this years 19 million dollar operating budget came from public support. Each year, we rely on events like this to pay for the following years costs," he continued. "Since Danny Thomas opened this institution in 1962, his dream of conquering the deadly diseases of childhood has continually been brought closer to reality. Mr. Thomas is still the very active president of this organization and inspires us in this cause."

NEWS VIEWS

Tom Harkin, Congressmen (D-Ia), on defense cut:
 "No one can tell me there's not 2 percent waste and inefficiency in the military, just as there is in every other agency."

Kiwanis Host Superintendent Neal Dillman

"Nothing in this world is free. You may receive something without paying for it, but somewhere, someone pays," according to a portion of the talk given by Neal B. Dillman, superintendent of the Muleshoe schools, to the Muleshoe Kiwanis Club Friday morning.
 He explained that you cannot give anyone an education. The opportunity is provided, but it is up to the individual to earn their education. He said, "If you given them any more than the opportunity, you are cheating them."
 He also talked about the

Watson Won Scholarship

David Watson, son of Mr. and Mrs. W.T. Watson, who is a senior Petroleum Engineering student at Texas Tech, has been notified by the Tech Engineering Dept. that he is the recipient of a \$500 scholarship given by the Norton Drilling Co. This is awarded to academically deserving students to assist them in their studies in the field of Petroleum Engineering.
 Watson has also been extended an invitation to join Pi Epsilon Tau, national Petroleum Engineering honor society. Qualifications for selection of initiates include leadership qualities, sociability, and academic achievement. Initiation ceremonies will be held at the close of the fall semester.

referendums on the ballot for the general election in November, and urged everyone to express their sentiments in the way they vote in the elections.
 Dillman also told of the many programs imposed on the school systems now, and said it cuts deeply into the quality of education that the teachers can dispense and cuts deeply into an individual's pocket in the form of taxes.
 The Kiwanis reporter said, "We, the Muleshoe Kiwanis Club, are proud of our school system in Muleshoe, and we are sure we do not always agree, mostly because we do not know the whole story, but we do appreciate the concern, interest and desire to do the best for all concerned that is done by our school officials."

Three Way School Menu

Creston Faver of Williams, Adair, Faver, Sudduth and Co., will present the annual audit report of the School and City Tax office to the Muleshoe Independent School District Board of Trustees Monday night during the regular meeting.
 Also on tap for the school board will be the current tax collection report and the current financial report for all operations of the school.
 Also to be considered will be the 1977-78 audit report on all school funds and the current school enrollment and library circulation report.
 Board members will consider approval of the Estimated Application for Foundation Funds as received from the Texas Education Agency and consider approval of "Offer vs. Served" for Type A Lunches.
 They will discuss the Federal court injunction against the state and the Tyler ISD on illegal aliens and consider a request by Chicanos Unidas-Compepinos, Inc. to be exempt from Ad Valorem taxation.
 Other reports will be on the TASS convention attended by Jim Shafer and R.D. Angeley; reports from O.C.R. Dallas on Bi-Lingual Education and the EEOC in Albuquerque, N.M.
 Discussed will be the progress of maintenance projects and the upcoming time change, state board bi-lingual hearing, area school board meetings and other correspondence.

Varsity Junior Football Players Highlighted

Orange Crush Ran Over Untouchables

The 1978 Powder Puff kick-off started around 7:30 P.M. Both teams were ready to play. The Orange Crush kicked off to their opponents first, and the Untouchables received the ball. Before the Untouchables offense could make any yardage, the 4th down came up, so Gina Burden punted the ball down the field to the mean Orange Crush. The Orange Crush ran for the first Orange Crush touchdown. They also made the extra points. In the second quarter the Untouchables offense tried everything for a touchdown finally the Untouchables first touchdown was made by Glenda Rasco. The extra points were no good. Also, in the second quarter the Orange Crush made their second touchdown by Shelly Dunham. She also made the extra points.

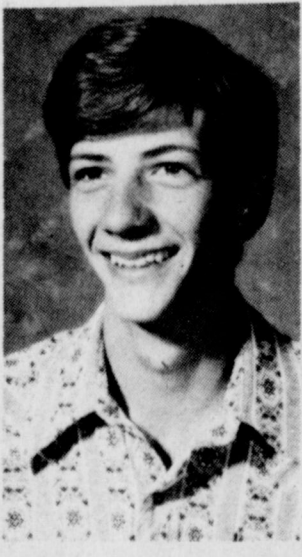

The half-time score was Orange Crush 16, and the Untouchables 6. During Half-time both teams king candidates were escorted onto the field by their escorts. The Untouchables king candidates were Terry Burton escorted by Jill Turner, Tim James escorted by Gina Burden, Sam Whalin escorted by Jennifer Tillema and Dave Poyner escorted by Starla Black. Gina Burden crowned Tim James the Untouchables king. The Orange Crush candidates were Brent Burrows escorted by Jo Ronda Rhodes, Mike Northcutt escorted by Shelly Dunham, Wade Wilson escorted by Melissa Biggerstaff and Keith Hawkins escorted by Lori Burgess. Melissa Biggerstaff crowned Wade Wilson the Orange Crush king. In the third quarter both teams played well. Shelly Dunham ran for the third touchdown and the extra point failed. Then the Untouchables scored. The touchdown was made by Jennifer Tillema. Going into the final quarter of the game the score was 22-16 in the lead of the Orange Crush. The Untouchables defense played the Orange Crush tough, until Jo Ronda Rhodes ran for several yards, then Shelly Dunham made the final touchdown. Leaving the score 28-16. The FTA would like to thank each team player, coach and cheerleader for playing an active part in the Powder Puff game. The FTA would also like to thank the fans for making the 1978 Powder Puff game successful.

Homecoming Mums Sold By Juniors

Juniors are selling Homecoming football mums. Hurry and get yours! To buy one contact Jo Ronda Rhodes, Linda Shafer, Debra Stevens, Shelly Dunham, Fran Berryhill, Linda Nowlin, Shelly Splawn, Becky Turner, Cindy Hamblin, Christine Isaac, Lauri Burgess, Lorenza Martinez, Kanetha Hysinger, Brenna Dodd, Sandy Dunbar, Julie Barnhill, Cody Crittenden, James Atwood, Terry Burton, Curtis Elder, Mike Northcutt, Mike Henry, Monti Vandiver or Sherri Reese.

Best of MHS

Because of his representation of Muleshoe in this district, Thurman Myers was selected this week "Best of MHS." Congratulations to Thurman for being selected district vice-president in FFA. Thurman, 16, is the son of Mr. and Mrs. Clayton Myers and resides at Box 754, Muleshoe. Thurman is active in FFA, officer in FFA, District FFA vice-president, and is a member of Muleshoe High School Rodeo team. When asked to comment on FFA, Thurman replied, "This is my third year in FFA. I have really learned a lot in AG, and have had fun too. It is a great organization, and I feel that it is growing to be one of America's biggest organizations."

THURMAN MYERS

JV Whites Fall At Hereford

The Muleshoe J.V. white team was defeated by Hereford, 20-6, in a hard fought contest, which could easily have been won by the Mules had it not been for some untimely miscues. Two turnovers down close to the opponents end zone proved to be perhaps the difference in the games' outcome. Hereford scored first on a long run around left end and tacked on the PAT to lead, 7-0. The Mules came right back down close to pay dirt only to have a pass picked off and returned all the way, leaving the Mules with a 14-0 deficit. The Mules finally found the end zone right before the half when Monty Hysinger hit Cody Crittenden with a 20 yard strike. The Mules entered the second half down 14-6,

determined to win and had plenty of chances to do just that. The Mules drove down to the one yard line only to lose the pigskin on a fourth down fumble. Hereford, then, with the aid of several timeouts managed to score just before the game ended. The final count was Hereford 20, Muleshoe, 6. Considering the lack of time the white team had to work together, their display last Thursday was something which they and the entire student body can be extremely proud of. The whole team deserves to be mentioned; however, the coaches were extremely pleased with the performance of Monty Hysinger, Jeff Meeks, Cody Crittenden, Jimmy Ware, Jim Gleason, and Larry Beene.

BEAUTIFUL?? CHEERLEADERS...This group of young lovelies cheered the crowd on as they watched the Orange Crush and Untouchables during the annual Powder Puff Football game last Monday night in Muleshoe. It so happens that the Orange Crush soundly defeated the Untouchables, who weren't so 'Untouchable' after all.

JV On Top At Hereford Game

Last Thursday, Sept. 28, the Muleshoe J.V. had to come from a 7-0 deficit to beat the Hereford Whitefaces. The first score of the game came in the first half when Hereford scored on a 1 yard run. The PAT was kicked good making the score 7-0. The Mules did not score until the third quarter when Felix Norman ran back a punt 97 yards. Norman also kicked the PAT. In the fourth quarter the Mules scored again on a 54 yard run by Norman. Tommy Wheeler passed to David Patterson for the extra points. Charles Walker also ran for a T.D. in the fourth quarter from 6 yards out but the PAT failed. Hereford scored the last T.D. of the game on an 80 yard kick off return. The extra point was no good making the final score 21-13.

Happy Birthday

We would like to wish a Belated Happy Birthday to the following people of MHS. The following people had birthdays during the month of September: Terry Burton, Lupe Rosales, Ramiro Torres, Robert Reynero, Robert Gonzales, Cynthia Saiz, Freddie Carrasco, Felix Norman, Dick Suddeth, Karen Stovall, Mary Mata, Jim Jaramillo, Patricia Orozco, Marsha Williams, Joel Bratcher, Curtis Elder, Rita Ring, Steve Gartin, Terry Newell, Sylvia Lopez, Frank Martinez, Johnny Ybarra, Daniel Atwood, Darrell Chancey, Graviel Martinez, Rosemary Lopez, Augustine Martinez, Lorenzo Martinez, Charles Walker, Bret Hanks, Sylvia Valle, Max Bachicha, Janet Shain, Robert King, Tyree Wagnon, Marty Livingston, Kent Rempe, Stacey Campbell and Lupe Pacheco. October 1--Gary Cox, Beth Mazanerez. October 2--Mrs. Johanna Wrinkle. October 4 -- Jonette Richards, Tammy Wall, October 5--Mike Dale, Rose Ann Elliott. October 6--Bruce Crabtree, Clifford Watson. October 7--Tina Crego, Shane Claunch, Diana Saldana. October 8--John Davis. October 9--Karen Clark, Terrie Martin. October 10--Debra Stevens, Coach Robert Brandon. October 11--Carrie Hall, Michelle Bryant. October 13--Denise Hunter, Nina Pitcock, Lisa McDonald.

The entire defense played a great game. There were no outstanding players on defense because the defense played together as a unit better than they ever have. The offense fumbled once on the 11 yard line and 4 plays later they had the ball back on the 8. It was a tremendous goal line stand as the defense gave up only 3 yards in 4 plays. The offense was sluggish in the first half but during the second half they were very explosive. Once again

FHA Students Win Prizes During Fair

Several members of the Muleshoe FHA entered products in the Lubbock Fair last week. In the Canned products the following were winners: Canned Tomato Juice- 1. Lola Martinez 3. Marilyn Harris. Squash- 2. Juanita Lozano. Carrots- 2. Marilyn Harris. Tomatoes- 1. Nona Perez. Pickled Peppers- 3. Denna Harris. Plum Jelly - 2. Melissa Allison. In the Bread division Sherri Henry won first on biscuits. Cindy Turner won third on Muffins, and Sandra Parker won second on Biscuits.

Three Candidates Chosen For Queen

The highlight of the 1978-79 Homecoming Game will be the coronation of the Homecoming queen at 7 p.m. preceding the kick off of the game with the Muleshoe Mules and the Idalou Wildcats on October 13. Candidates for the Homecoming queen are Miss Gina Burden, Miss Melissa Biggerstaff, and Miss Becky Turner. Gina is the 17 year old daughter of Mr. and Mrs. Dale Burden. Gina is a Senior at MHS, head cheerleader, co-editor of the Muletrain yearbook, Student Council reported, Senior class secretary and a member of FTA. Melissa is the 16 year old daughter of Mr. and Mrs. Corky Biggerstaff. She is a junior at MHS, is student Council vice president and a member of FTA. Becky is the 16 year old daughter of Mr. and Mrs.

It was an example of complete team work. These young men made a remarkable mental and physical comeback in the second half. They played as the winners they are.

HERO Hoopla

This week, HERO would like to salute these two HECE students. Junior Alvarado is the 16 year old son of Maria Alvarado. He is active in HECE I and Band. Junior is employed at XIT Steakhouse and has been working there for a year and a half. Junior says, "I think HECE is a neat organization. I like the people. Together we make it fun and together we make it work." Debbie Floyd is also very active in HECE I. She is the HERO historian and has been doing a great job this year. She is the 17 year old daughter of Mr. and Mrs. John Moore. Debbie has been working at the Day Care Center for one month. She really enjoys HECE and says it helps students learn what working is all about. The HERO members would also like to remind everyone that tickets are on sale now for the Homecoming Supper, October 13. Three dollars for adults, two dollars for children. Get your tickets now!!!

This week the Journalism Staff would like to pay special tribute to all the Junior football players on Varsity. These boys make up about half the team and add to the winning spirit of the Mules. Sam Whalin, 16 year old son of Mr. and Mrs. Herbert Whalin, plays linebacker and tandem back for the Mules. Sam is vice president of FTA, and participates in basketball and track. His comments on the team were, "We have worked extremely hard this year and it has paid off on every Friday night. With the great coaches we have, and if we continue to work hard we will reach our goal. To win district and keep going!" Zeke Pecina is the son of Mr. and Mrs. Hipolito Pecina. He is 17 years old and plays running back for the Varsity Mules. Zeke's activities include Athletics, FTA, and last but not least, girls! His comments are "I think that our team efforts this year has improved since the past. I am glad to be part of a group of men who believe in each other and who love to work together. I believe that this year and the years to come, we the Mules will go extremely far. With our coaches we wouldn't be where we are today. They have built a strong program and I know that each ball player respects and loves each and every coach with all his heart. With this attitude, I feel we will win the district championship and even win the rest of the playoffs." John Carrion plays nose guard and defensive

tackle. He is 17 and is the son of Mr. and Mrs. Henry Carrion. John is a member of V.I.C.A. He commented "We have a great team this year and we also have a good coaching staff. We are 3-0 right now and our goal is to go undefeated and to reach that goal we must work hard in practice in order to be 'District Champs' ". Dennis Watson, the 16 year old son of Mr. and Mrs. W.E. Meyers, plays nose guard for the Mules. Dennis is active in the Art Club. His comments were, "We are trying to start a winning tradition in Muleshoe and we feel this may be the year of the Mules! The support we have been given by everyone has been great and very much appreciated. If we can have that support at every game, the district championship will be ours!" Jesse Lackey plays quick guard for the Mules and is the 17 year old son of Mr. and Mrs. J.H. Lackey. His activities include FTA and athletics. He commented, "The Mules are a good team with a potential of greatness, and our coaching staff has and is making use of their ability to bring out that potential. The Mules are getting better every day."

Mark Northcutt is the 16 year old son of Mr. and Mrs. Ed Northcutt. He plays split end and his activities include Student Council, FTA, Art Club, and Junior class officer. His comments were, "We really have a great team this year with a tremendous opportunity to do better than the Mules ever have. The attitude and sacrificing of the players along with the coaching staff gives the team the ability to win week after week. The spirit of the fans really helps us play to the best of our ability. I believe this is the year of the Mules." Curt, Elder the 17 year old son of James Elder and Ruth Wimberly plays offensive tackle and defensive end for the Mules. Curtis is active in FTA, Art Club and Student Council. His comments were, "Right now we are undefeated and with our great coaching staff and with the dedication of the players we will stay that way!" Ruben Orozco is the 17 year old son of Mr. and Mrs. Joel Cruvas and

plays back for the Mules. Ruben is active in V.I.C.A. Terry Burton plays strong safety and is the punter for the Mules. He is the 17 year old son of Mr. and Mrs. Alton Burton. Terry is active in FTA. He commented, "This year, so far, has been more enjoyable than any year in the past, because we have the best coaches in the country. There is one that is really super and that is my secondary coach, Mike Mayberry. We have the best team in our district and who knows where else! So for all you folks who have not seen one of our games, come out and I promise you, you will enjoy it!" Oscar Hernandez is the 17 year old son of Mr. and Mrs. Epifanio Hernandez. He is nose guard for the Mules. He is active in V.I.C.A. Jim Norman plays flanker for the Mules and is the 18 year old son of Mr. and Mrs. Jim Norman. Jim is active in V.I.C.A. and also enjoys basket-weaving. Mike Northcutt is the 16 year old son of Mr. and Mrs. Ed Northcutt. Mike is active in FTA and all athletics. His comments were, "We've won three games straight and are undefeated. We have got a long road ahead of us. We have a great coaching staff and a great team. We know what it takes to be No. 1 and as long as we believe in each other and pull for one another we will end up No. 1!!!!!!"

Jim Norman plays flanker for the Mules and is the 18 year old son of Mr. and Mrs. Jim Norman. Jim is active in V.I.C.A. and also enjoys basket-weaving. Mike Northcutt is the 16 year old son of Mr. and Mrs. Ed Northcutt. Mike is active in FTA and all athletics. His comments were, "We've won three games straight and are undefeated. We have got a long road ahead of us. We have a great coaching staff and a great team. We know what it takes to be No. 1 and as long as we believe in each other and pull for one another we will end up No. 1!!!!!!"

Sixteen FHA To Workshop

Muleshoe High FHA Members attended an area workshop for Future Homemakers at Springlake-Earth School, Tuesday, October 3, from 4:30 until 7 p.m. Sixteen members of the Rose FHA Chapter attended.

The first part of the time was spent in sharing and getting to know other participants from Olton, Sudan, Littlefield, Lazbuddie, Bovina, Amherst and Springlake-Earth. Refreshments of sandwiches, cookies, potatoe chips, and punch were enjoyed at this time.

Workshop attendants were then divided into two groups and subjects discussed in each group referring to a National FHA project called "International Year of the Child." Such topics as "child abuse", children's rights, and families duties, were discussed. Ways of communicating and improvement of self image were interesting discussions.

Those attending were Julie Barnhill, Gina Angeleoy, Tracie Webb, Juanita Lozano, Yolanda Garcia, Lola Martinez, Carrie Hall, Carla Shafer, Melissa Allison, Marilyn Harris, Sherrie Henry, Kristi Henry, Staci Vandiver and Tami Bratcher.

FFA Shows 'Top' Crops At Lubbock

This year the Muleshoe chapter sent their crops to the South Plains Fair. The chapter had a great number of contestants enter. Approximately fifty individuals worked hard on their exhibits and placed very well. The placing is as follows: Millet, fox tail- 1. Casey Farmer, 2. Johnny Puckett, 3. Curby Brantley. Millet, pearl- 1. Bret Hanks. Grass- 1. Bryce Holmes, 2. Kay Lynn Prather, 3. Joey Carpenter. White corn- 1. Delia Shaw, 2. Blake Stevens, 3. Andy Snell. Onions- 1. Clifford Watson. Curshaw- 1. Toby Lynn, 3. Tommy Edmundson. Pumpkin, field- 1. Starla Black, 2. Curby Brantley. Pumpkin, pie- 1. Wesley Cook, 2. Larry Parker. Bell Pepper- 2. Sherry Knowlton. Cucumbers, green- 1. Kelly Harrison. Peaches- 3. Clifford Watson. Sunflowers, oil type- 2. Steve Shepherd. Most Unusual Crop- 3. Bryce Holmes.

Pictures Made Tuesday At High School

On Tuesday, October 3, all students, and faculty members had their picture made for the annual. The camera was set up in the auditorium and the students were called out by classes. In a few weeks, the pictures will be back for the students to purchase. The company also furnishes a black and white glossy for the staff to use in the annual.

Sudan News

By Evelyn Ritchie

Mrs. C.C. Serratt, Sr., has returned home from Coleman where he went to be with her mother, Ollie Raymer who was confined to a nursing home due to a serious illness.

Visiting last week in the home of Mr. and Mrs. L.D. Terrell was their grandson, Lonnie McKenzie from Elk City, Okla.

D.W. Williamson's mother, Mrs. Madge Williamson, of Clovis, is a medical patient at St. Mary's Hospital in Lubbock, following injuries received in a car accident. She was taken out of ICU and placed in a private room where she remains in serious condition.

Mrs. Glenn Coger and a friend, Mrs. Connard Bethea of Caddo Mills, visited last week with her mother-in-law, Mrs. B.W. Newman.

Maude Alexander is a patient in the University Hospital in Lubbock.

Recent visitors in the home of Mr. and Mrs. Jim Ingle were her cousins, Mr. and Mrs. Elmo White of Livingston.

Mrs. Pete Lance remains a surgical patient in the Littlefield Hospital but has improved.

Brad Lynskey of Lubbock visited over the weekend with his grandparents, Mr. and Mrs. Bud Provenza and his uncle, Mr. and Mrs. Damon Provenza.

Mr. and Mrs. Mac Downin visited last week in the home of Mrs. Louzelle Serratt.

Visiting during the weekend with Mr. and Mrs. Jack Ingram were their grandchildren, Terry and Chris Elderidge of Lubbock.

Visiting for two weeks with Mrs. Louzelle Serratt was Mrs. Opal Dodd, of Mesa, Arizona.

Mr. and Mrs. Byron Ford were in Lubbock Thursday to visit their son, Mr. and Mrs. Billy John Ford, Steven and Michael. They attended the Fair in Lubbock.

Mr. and Mrs. John Capers and Rebecca of Cadin, Ohio arrived Sunday to visit her parents, Mr. and Mrs. B.A. Beauchamp, Jr. and Dervin and also her grandparents, Mr. and Mrs. Ben Beauchamp.

Mr. and Mrs. Raymond Harper were in Canyon, Monday to attend Parents Day at West Texas State University where their daughter, Lisa, is a student.

Mrs. Mary Tollett flew to Austin, Wednesday to attend the Silver Anniversary of the Texas Business Education Association. She will be honored for 20 years of continuous membership. While in Austin, Mrs. Tollett will visit a cousin, Mrs. Myrtle White.

Mr. and Mrs. J.C. Wells and Billy Doty attended funeral services in Lubbock last Tuesday for their brother-in-law and uncle, Con Caraway. Well's sister, Belle Ogden of El Paso returned home with them to visit several days.

Mrs. Maureen Thomson of Diana visited with her parents, Mr. and Mrs. Sterling Reese and other relatives recently. She attended the Sudan-Motley football game with her cousin, Ray Dudgeon.

Captain Alice Aills of Camp Lejeune, S.C. visited recently with her mother, Mrs. Dee Aills.

Mr. and Mrs. Charles Minchew and boys of Hereford and Mr. and Mrs. Troy Waller and children of Amarillo visited Sunday with their parents, Mr. and Mrs. Claud Kropp.

Josephine Fisher was in Amarillo, Monday, to visit her mother, Mrs. Ethal Lowe who remains in the hospital there.

Mrs. Dail Burnett has been a medical patient in Littlefield Hospital.

Mrs. Harper remains a patient at West Plains Medical Center. She is the mother of Thomas Lee Harper and Mrs. Margaret Williams.

Mr. and Mrs. Matt Nix, Jr., were in Lubbock one day last week to visit with their son-in-law, Reagan Cox, who was a surgical patient in the Methodist Hospital.

Ed Ray and Jerry Ray were in Clovis, Thursday to visit their son and brother who was a medical patient there.

J.C. Chambers Named Member Of SPS Board

J.C. Chambers, an insurance executive from Lubbock, has been elected to the Board of Directors of Southwestern Public Service Company.

The action was taken Friday at the regular board meeting in Amarillo.

Chambers is a graduate of Texas Tech University and attended Lubbock High School. He is a partner in Insurance Associates, the agent for Massachusetts Mutual Life Insurance Company in Lubbock. Chambers received his C.L.U. designation in 1965 and is a Life and Qualifying Member - Million Dollar Round Table. He is the president of the Massachusetts Mutual Agent's Association.

Active in civic affairs, Chambers is a director of the Texas Tech Foundation, vice president of the Red Raider Club, a member of the executive committee of the Methodist Hospital and a member of the president's Advisory Board of Lubbock Christian College.

Chambers is also a director of the Briarcroft Savings and Loan Association and the First National Bank in Lubbock.

The happiest people go to church; there must be something to it.

The battle on the highways is almost as deadly as the combat of warfare.

View From The Plains

by J.D. Peer
I&E Field Officer

Wildlife conservation officers from Texas and four surrounding states recently gathered in the Oklahoma Panhandle to discuss problems, techniques and use of new equipment used in the field of wildlife law enforcement.

The attendance at the meeting included 13 Oklahoma game rangers, five Kansas State game protectors, one New Mexico wildlife officer, ten Colorado wildlife management officers, a U.S. Fish and Wildlife special agent and four Texas wardens.

Law enforcement violations along the five state lines have always been a problem due to the terrain and radio communications utilized by each state. To help eliminate this problem, each state presented a report on their operations techniques to the group and a procedure was set up allowing various state wildlife officers to contact their neighboring officer in the event of a game violation.

Many of these wildlife officers were not acquainted with their bordering wardens and the personal contact at the meeting will increase the effectiveness of game and fish enforcement in the future.

Training films from the Los Angeles sheriff's department were viewed at the meeting covering proper enforcement procedures in the field.

Comments from the Texas officers attending the meeting indicate the necessity for future meetings each year to discuss and study new equipment and techniques developed for field use.

WILDLIFE IS A CROP

Habitat is the key to wildlife populations in the Texas Panhandle and South Plains and management of these species of birds and animals is more difficult as winter cover disappears each fall.

Wildlife is a crop and must be cultivated and

managed just like any other resource such as corn and grain sorghums. They will increase with good land management. Management includes providing the right amount of cover, food and water near each other.

The harsh winters of West Texas will eliminate wildlife on property lacking proper cover. Extensive overgrazing has displaced desirable tall and mid grass cover and forb food species occurring on both the high plains and rolling plains. Results of overgrazing on wildlife species such as the game birds includes a marked decrease of desirable weed food plants and destruction of both nesting and escape cover.

During the winter, cultivated grain sorghums are readily available to most game birds such as the quail, prairie chicken and pheasant. But, may agricultural practices such as clean farming, burning of crop stubble, intensive livestock grazing and aerial application of herbicides tend to eliminate or reduce these necessary food sources.

The Texas Parks and Wildlife Department has learned that the closing of any season for a year or more will not increase the wildlife population. Ordinarily, the numbers of birds present for broodstock each spring are directly related to the carrying capacity of the land during the winter, regardless of the fall population.

Since the key to greater numbers of wildlife in Texas is a matter of furnishing more and better habitat, the P?WD will continue to assist landowners interested in wildlife on their property.

Professional wildlife biologists are located in northwest Texas and they are available for the opportunity to help the landowner and his wildlife.

EMC Classes Will Begin At Lubbock

The second Emergency Medical Care class is slated to begin at Lubbock Christian College, Oct. 26.

Such classes are good preparation for those planning to enroll in the Emergency Medical Technician class which LCC will offer next January, as well as those wanting to know more about immediate care for people who become ill or injured.

Topics to be discussed include: cardiopulmonary resuscitation; clearing an

obstructed airway; blood pressure, pulse, respiration; use of oxygen, airways, suction; bandaging and splinting techniques; proper lifting and moving of patients, and immediate care for burns, poison, seizures, shock, heart attack and near drowning.

Testing for the Texas certification as Emergency Care Attendant or renewal of EMT certification is available.

Classes will begin on October 26 and will meet from 6-10:15 p.m. each Tuesday and Thursday through Nov. 21. There is a class fee of \$25 and deadline for application is Oct. 18.

Those interested in the

program are urged to contact Bonnie Jackson at 792-3221, ext. 244.

From A Pastors Desk

Joe Stone, Pastor
First Assembly of God
"DRAW NIGH TO GOD"
 James 4-8
 "Draw nigh to God, and he will draw nigh to you. Cleanse your hands, ye sinners; and purify your hearts, he double minded."
 This may seem to be very strong language to some, but it is an invitation to come to our Lord. And for whatever reason you may come to him for; let me

To establish a credit rating, a woman might wisely move step by step. A few guides may make the going easier.
 Begin at the bank. Open -- in your own name-- 1. a checking account, being sure you never overdraw it and 2. a savings account.
 Next, apply for a charge account at a local retail store. Be sure your name is the same on all your accounts.
 Use your local charge account regularly, but pay promptly. Pay within 30 days and there is no finance charge.
 The third step is to apply for credit cards--several of them--perhaps from oil companies or department stores. Use your other accounts as credit references.
 Finally, take out a small loan at your bank--for six months or so. Explain to a bank officer that you are establishing credit. When you get the money, put it in your savings account, unless you need it to spend.
 Make your loan payment promptly to avoid late charges. Depositing the loan in your savings account will cost a little, because you will pay out more interest for the loan that you will get from the savings account. However, you will have established a credit rating.
 After that, check your file at the credit bureau. Expect to pay several dollars for a copy of your credit record. Make sure all the information is accurate and up to date. Ask questions about anything you do not understand or agree with.
 If ever you are denied credit, contact the creditor within 30 days and ask why.
 Once you establish credit, keep it. That means paying each credit obligation on time. Don't let a payment or bill go unpaid--if you are in trouble one month, go to the creditor and explain your situation.
 Keep your credit active. Use your credit at least once a year--just for a routine purchase--to keep your account open.

suggest a few.
 1. To come to God, is to come to life.
 1-Tim. 5-6: Paul writes, "But she that liveth in pleasure is dead while she liveth."
 But it is stated in Acts 17-28: "For in him we live, and move, and have our being; as certain also of your own poets have said, for we are also his offspring."
 John 10-10: "The thief commeth not, but for to steal, and to kill, and to destroy: I have come that you might have life, and that you might have it more abundantly."
 2. How are we to Draw Nigh to Him?
 Hebrews Chapter 10 and verse 22. "Let us draw near with a true heart in full assurance of faith, having our hearts sprinkled from an evil conscience and our bodies washed with pure water."
 James 4-6 says "he will give grace to the humble. James 4-7 states "we must submit ourselves, and resist the devil"
 3. What shall we Draw Nigh To God For?
 We must draw near to him for Salvation:
 Acts 4-12: "Neither is there Salvation in any other: for there is none other name under heaven given among men, whereby we must be saved."
 Then How are we to be Saved?
 Romans 10-9: "That if thou shalt confess with thy mouth the Lord Jesus, and believe in thy heart that God has raised him from the dead, thou shalt be saved."
 Draw Nigh To God For Healing:
 The total man needs a healing. Healing for the soul, mind and body. Malachi 4-2-- "But unto you that fear my name shall the sun of righteousness arise with healing in his wings and ye shall go forth, and grow up as calves of the stall."
 Matthew 4-23-- "And Jesus went about all Galilee,

teaching in their synagogues, and preaching the Gospel of the Kingdom, and healing all manner of sickness and all manner of disease among the people."
Draw nigh to God for a spirit Filled life:
 Acts 2-16-17-- "But this is that which was spoken by the prophet Joel; And it shall come to pass in the last days, saith God, I will pour out of my spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams:"
 John 16-7-- "Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; But if I

depart, I will send him unto you.
Draw nigh to God for the work that is to be done:
 John 4-35: "Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest."
 John 9-4: "Jesus said I must work the work of him that sent me, While it is day: The night cometh, when no man can work."
 The tremendous Job that is to be done looks impossible, and the last part of the 5th Verse of John 15 states: "Without me you can do nothing."
 But Philippians 4-13. "I can do all things through Christ which strengtheneth me."
We must draw near to God while there is still time:
 Words such as, The night cometh, The end of the age, and the Coming of the Lord is upon the lips of every Christian, and they feel that life is being wasted living out side the life of Christ.

 There are no master-minds, regardless of the myths built up.

The Protecting LIGHT

This lighted tower is a light shining in the darkness to guide sailors and ships through the night. Our Lord is our light who guides us faithfully through life, even though it be as a stormy sea--He knows the way. His word, as proclaimed in His church, will light your way and bring peace, joy and comfort.
 "Thy word is a lamp unto my feet, and a light unto my path." Psalm 119:105.

Everyone in the Church
 THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

- PROGRESS SECOND BAPTIST CHURCH**

MONEY MAKING FARM TOOL.

It's the soil testing probe. The start of maximum profits from your fertilizer program.
 Now is the best time to get soil samples. We are ready to help you get them and have them tested. We can examine the lab analysis together, and arrive at a fertilization program that meets your crop goals.
 That way, you won't waste money by applying too much fertilizer, or rob your yield potential by applying too little.
 Fertilizer is the single biggest contributor to crop profits. Soil testing is the most important factor in profitable fertilizer programs.
 Come in and see us. Or call today for a soil test.

Soil test now. Profit later.

Amended Law Favors Farmer And Consumer

Texas Farm Bureau President Carrol Chaloupka said the newly-amended pesticide law is a victory for both farmers and consumers.

A bill amending the Federal Insecticide, Fungicide and Redenticide Act (FIFRA), administered by the Environmental Protection Agency, has just been signed by President Carter.

Chaloupka said the amendments, which streamline the EPA's administration of the pesticide program, will benefit farmers and ranchers by allowing them to use pesticides with more flexibility and will benefit consumers by increasing

farming efficiency.

Farm Bureau was instrumental in drafting the new amendments as a means of reducing excessive government regulation without endangering the environment, Chaloupka said. The amended laws will return more regulation and enforcement authority to individual states, he explained.

The bill extends EPA regulatory authority of pesticides through fiscal year 1979, September. It authorizes appropriations of up to \$70 million for the year beginning October 1.

The following are the major new modifications sought by farmers and others which are included

in the new law:

1. EPA will be required to prepare an impact statement prior to the issuance of major pesticide regulations.

2. EPA will be required to issue simplified regulations for the registration of pesticides.

3. EPA is authorized to register pesticides prior to the completion of all required tests.

4. Separate, less strict "minor use" pesticide registration standards are required under the new bill.

5. The definition of "use inconsistent with the label" is amended to provide greater flexibility to the user in exercising his

sound professional judgment at the time of pesticide application.

6. EPA will be required to have valid tests or other significant evidence raising prudent concerns about the safety of a pesticide before the agency may issue an RPAR against the pesticide.

7. The provisions for state and federal issuance of experimental use permits are modified to permit greater state flexibility and require the federal government to act in a timely fashion.

8. The law is amended to permit the sale of restricted use pesticides to the farmers who are not certified applicators if the pes-

ticide application is to be made by a certified applicator.

9. Enforcement provisions of the law are amended to permit states to assume primary authority for enforcing the pesticide law. Currently, 30 states have a cooperative agreement and several other states are expected to participate in the program.

10. Federal oversight over state programs has been deleted. Federal review and veto authority over individually issued registrations of similar use patterns is deleted. EPA retains review of individual registrations of dissimilar use pattern registrations.

Heather Hollye Hooten

Mr. and Mrs. Gary Hooten of Muleshoe are the proud parents of a new baby girl born October 5, at 8:37 a.m. at the Health Science Center in Lubbock. She was named Heather Hollye and weighed five pounds and eleven ounces.

Grandparents are Mr. and Mrs. Robert Hooten of Muleshoe and Mr. and Mrs. Howard Crenshaw of Snyder. Great-grandparents are Mr. and Mrs.

Mervin Wilterding of Muleshoe, Mrs. Cleo McNabb of Mesa, Ariz., and Mrs. Freddie Crenshaw of Snyder.

Thelma Castillo

Mr. and Mrs. Carlos Castillo of Earth are the proud parents of a new baby girl born October 4, at 11:32 a.m. at West Plains Medical Center. She was named Thelma and weighed seven pounds and six ounces. She is their first child.

Grandparents are Mr. and Mrs. Jose Gonzales and Mr. and Mrs. Jose Castillo, all of Earth.

Aaron Guy Hensley

Mr. and Mrs. George Hensley of Levelland are the proud parents of a new baby boy born September 30. He was named Aaron Guy Hensley and weighed ten pounds and five ounces. He has one sister, Autumn, who is eighteen months old.

Grandparents are Mr. and Mrs. Ernest Hensley of Levelland and Mr. and Mrs. Leamon Stancell of Muleshoe. Great-grandparents are Mr. and Mrs. Asia Smith of Lariat and Mr. and Mrs. W.M. Stancell of Muleshoe.

Congressman Collins Says Texas Education Better

Money does not buy "Quality Education" Congressman Jim Collins of Texas charged today.

The Texas lawmaker did a study comparing the Dallas Independent School District (DISD) to the District of Columbia School District.

"The D.C. schools spend \$2368 on every pupil a year, whereas Dallas spends \$1620. The D.C. schools system produced one National Merit Scholar, the Dallas school system produced 19," Collins said.

"These figures make it obvious that money does not buy your children a good education. It takes interested parents who will encourage in their youngsters a desire for educational achievement," Collins declared.

According to Collins, Washington school children receive one of the highest-priced educations in the country. D.C.'s school budget was over \$246 million, \$50 million more than Dallas. "The federal government also gives D.C. \$41 million in federal money, twice as much as Dallas."

Collins also noted that if salary was used as the basis for determining the quality of teachers then Washington should have some of the best teachers in the country. "The D.C. teachers average pay is \$18,000 a year. In Dallas it is \$14,442. Even including a 30 percent higher cost of living factor in D.C., Washington teachers still are making \$3,000 more than their Dallas counterparts a year."

According to Collins, one area in which D.C. schools could improve is in discipline. "D.C. does not allow any spanking of students and so teachers and principals spend a great deal of their time setting up discipline procedures for each student. Much of that time should be spent encouraging those students who do not disturb the classroom and are willing to learn."

"Last year five pupils in D.C. received corporal punishment and 6288 did in Dallas. Washington needs discipline so the teachers can teach and not have to spend their time intimidated by disruptive characters."

Really Large Teacher: Where are the biggest diamonds found? Jennie: In baseball parks.

"Furthermore, if the District had a better discipline program then less of their students would have to be reported to the juvenile authorities because of their behavior in the classroom. In Dallas, 24 students were reported. In D.C., 184 students had to be reported to juvenile authorities," Collins said.

"It is evident that our Texas school systems are succeeding in educating our youngsters at less cost to the taxpayers than the nation's capital."

"Perhaps the District of Columbia School Board will realize that you cannot always buy good education for children. But then in Washington they all think the solution to every problem is to spend more money."

"Texas parents are concerned with what is going on in the schools and take an active part in motivating their children to achieve academically. Our schools have always been a source of pride in Texas, and I hope the D.C. school system can learn a lesson from us," Congressman Collins declared.
